(AW) (SP) Fort Bliss, Texas. Right is Pvt. Warren L. Tomlinson, US54148021, Btry. D., 25th AA Bn., APO 227, New York, N. Y. The son of Mr. and Mrs. Beal Tomlinson, he is also stationed in Germany. The boys are all former students of the Bronte Schools.

Midland Men Are First to Drown in Oak Creek Lake

First drowning in Oak Creek Lake, nine miles north of Bronte, occurred last weekend when two prominent Midland businessmen lost their lives while fishing there. The two, Charles C. (Max) Worthen and Jimmy Wilson, evidently had drowned some time late Wednesday or early Thursday. Their bodies were recovered Sunday morning.

Search operations began Thursday afternoon when the men failed to return to Midland on schedule. Mrs. Worthen called the lake to try to find out the whereabouts of her husband and Mr. Wilson. Lake keeper Walter Stapp found the boat drifted up to the dam Thursday afternoon.

The body of Worthen was recovered about 6 o'clock Sunday when it was spotted by a helicopter piloted by Neal Bradshaw with Bob Weston as a passenger. The helicopter was owned by Murray Oil Company.

Wilson's body was found about 11:55 a. m. by a boat crew made up of J. P. Judken of Odessa and Clarence Doggett and Charles Timmons of Bronte.

After the bodies were recovered they were moved to Clift Funeral Home where Justice of the Peace C. E. Bruton held an inquest and ordered an autopsy on the two victims. Evidence from the autopsy and other sources indicated that both men died from drowning and a verdict to that effect was rendered. Bruton said that there was no indication of foul play, despite the fact that Wilson had marks of a blow on his forehead.

Judge Bruton said from all the evidence he could gather that the boat must have struck something in the lake causing Wilson to fall from the boat. Then, it appears that Worthen must have jumped in an effort to save his friend. Reason for believing that Worthen deliberately jumped in was the fact that he had removed his trousers, probably in order to swim more effectively.

Hundreds of volunteers helped search for the men. Fire departments from Bronte, San Angelo, Blackwell, Sweetwater, Ballinger and Coleman brought their equipment and helped. Boats were seen passing through Bronte all during the weekend heading for Oak Creek Lake to see if they could be of any assistance. An estimated 150 to 200 persons aided in the search. The Salvation Army Unit from Big Spring set up portable kitchens at the lake site to provide food for the workers.

High winds during part of the weekend made the operations difficult.

Double funeral services were held Monday in Midland for the two men. Wilson was in the real estate and insurance business, while Worthen was a drug store operator.

The deaths of the two Midland men mark the first such tragedy in the Oak Creek Lake, which is about three years old.

POLIO SHOTS MAY BE DELAYED

Dr. John R. Harris said Wednesday that vaccine for the second round of polio shots for first and second graders had not arrived. He said that it might not arrive in time for the shots which were scheduled for next Monday, but that the shots will be given as soon as is possible.

About 70 of the first and second graders received the inoculations on Monday, April 25 at the local hospital.

No vaccine has arrived for general use here.

Wayne Bridges Champ at Temple; Has Fine Record

Wayne Bridges, son of Mr. and Mrs. Louis Bridges, showed the Grand Champion ewe at the Temple All-Breed Show and Sale last weekend. Showing six sheep, he also won a 4th place with his 4-tooth buck.

Wayne is working with the 4-H program under County Agent Jack Waide. He is currently preparing two fleeces to be shown in the Sonora wool show. He has won \$127 in prize money this year and a number of ribbons.

Besides the grand champion at Temple, he also had the grand champion at the Coke County show held here. He has showed two reserve champions, this year and won a number of other honors.

He has won 4 first places; 3 second places; 1 third, 1 fourth, 1 sixth and 1 tenth place in shows this year.

Enterprise Moved Over Weekend

The Bronte Enterprise now is in its new home three doors west of the old location on Main Street. The new building, which formerly housed the Bronte Variety Store, has been purchased from L. P. Ray of San Angelo. Moving of the office and equipment took place over the weekend. The heavy machinery was moved by Joe Rose Construction Company.

The new location is 20 feet longer than the other building, giving added space for equipment, and in addition has concrete floors throughout.

Editor Ben Oglesby bought the Newspaper on July 1, 1948 from Ed Nunnally and Exton Talley, who, in turn bought the paper from the late D. M. West in 1945.

At the time the present management bought The Enterprise it was housed in half of the building, belonging to Mrs. R. E. Cumbie, that is now occupied by Bob Wilson's barber shop. There was no equipment sold with the paper, only the mailing list, good will and office furniture.

When the first equipment was moved in January 1, 1950, The Enterprise moved across the street to the B. F. Bridges building where it remained until the move last week.

Everyone is invited to drop in and look over the new building although considerable straightening up remains to be done.

R. H. SIMS IS I. H. DEALER

Robert Hugh Sims of the Butane Service Company, has announced that he has been appointed official dealer for International Harvester Refrigerators, Deep Freezes and refrigerated air conditioning units.

He invites all his friends to drop in and inspect this new line of merchandise.

He recently purchased the Butane Firm from Arnold F. Ball.

Local Teams Place High at Texas Tech

Two Bronte FFA teams made fine records for themselves in contests held last Saturday in Lubbock. The Dairy Cattle Judging team, composed of Billy Wrinkle, Jimmy Lee and Joe Don Wilkins, placed 8th in the entire contest and qualified for the State Meet to be held Saturday, May 14, at Texas A&M College. The boys with their sponsor, J. T. Henry, and an alternate, yet to be chosen, will leave here May 13. They will stop at the Heep Jersey Farm at Austin enroute and judge Jersey cattle. This Saturday, the team will go to John Tarleton Colege at Stephenville where they will practice judging Jersey cattle.

In the Dairy Cattle Judging contest were 94 teams, including 36 from Area II.

The Livestock Judging team, composed of James Andrews, Bobby Webb and James Luttrell also

Bronte Girls Win Some Top Places in Blue Bonnet Relay

Bronte girls won fifth in the Blue Bonnet Belle Relays Meet held last Saturday in San Angelo, and won a number of individual honors.

Jo Ann Rusk won three first place titles, 1st in 50-yard dash, 1st in 10-yard dash and 1st in the hop, step and jump.

She also tied for second in the high jump and was a member of the 160 yard relay team that also won second. Other members of the relay team were Rickie Dell Hester, Barbara Miller and Mary Ann Gray.

Mary Ann Gray won first place in high jump, 4th in the 50 yard dash and 3rd in the 100 yard dash.

AD-LIB-BEN

I. C. Oden called Wednesday night after our softball story had been set up. He said that Osmo Black and the Bronte school board had challenged Bronte School Teachers to a softball game if a time could be set for it. Oden, who is managing the softball league, said that they will play next Thursday night, May 12, at 6:15. He also quoted Black as saying that the winner of the match would challenge the City Council to a game. Joe George Wilkins, spokesman for the council, said he believed that by the time this paving program is over they will be able to whip anybody in town (in softball, he means, we hope!)

At this time there is a serious need for leaders to work with the girl scout program which is now getting organized. A training course is underway and it is hoped that some girls and women who do not even have girls in the scouting program — or have no children at all, will be interested enough to volunteer to work with the girls and act as leaders.

Scouting is wonderful for girls—it would be impossible to evaluate the good it does for them and the good they do for others by having this opportunity. This is our very first chance in Bronte for Girl Scouts. Let's get squarely behind them and put it over in the right way. It is entirely possible at this time all groups now interested cannot even have troops, due to no leaders. Think this over — can you help out?

Exhibit of U. S. Currency to Be Shown at Bank

First National Bank, Bronte, will have on exhibit soon a display of all paper currency of the United States of America from Colonial day to the present day.

The exhibit will be here May 16 through the 21st and is both interesting and educational.

Further details will be given in next weeks paper. Everyone is urged to plan to visit this exhibit while it is here.

what's what by whatley

An awful lot has happened since last Friday. First we have gotten all moved into our new location and we hardly know what to do with ourselves. It's so nice and roomy and we have so much elbow space. And speaking of elbows, I guess that Mr. Oglesby wants me to take real good care of mine as when he dished out the desks to us, (we all have one apiece) he gave me the one in front with the glass on top. I am sure he felt that I was the only one who ever has time to sit and lean on them. Anyway, it does make smother leaning.

We are so proud of our new building that you might try dropping in and taking a look. Better still, we might call it open house and every one drop by and bring a present. If you want to bring me something personal, you might drop in a few strings of beads, or ear screws or maybe a bracelet. They would be real showy from these two big windows that I have to look out of.

Other things that have taken place this week, our daughter took the little grandsons back to El Paso and also her maid.

It has been so quiet that even our little 9 year old can't come up with all the other noise. But for some reason, we liked that kind of noise and we have certainly missed all the smart things that they did. Naturally ours are cuter than anyone elses.

The husband is back over the dish pan again since the Mexican girl left. We got kinda lazy at all our odd jobs that she took over while here. It took me several days to get all the little finger prints from the door facings and the chewing gum dug from the linoleum.

Fortunately, I have the spotted kind and it didn't show much. A little advice to you who have children or grand children who vist you. In selecting your kitchen floor covering, it should be a spotchy looking pattern that blends well with crumbs, dust and samples of scrambled eggs. I certainly had notable success with mine while they were here. It was sheer camouflage to the naked eye but what a feeling in your bare feet.

With a little spic and span, a few dabs of Tide and good old elbow grease mixed in, mine looks as good as new now.

My neighbor, Mrs. Bob Woods, brought me a super cake recipe the other day which belongs to her sister, Mrs. I. H. Mudd of Cleburne. I know all of you will enjoy it as it has such a "yummy" icing on it.

It reads like this—

Rum Cake
3 cups flour
2 cups sugar
4 eggs
1/3 teaspoon salt
1/2 teaspoon soda
1/2 teaspoon baking powder
1 cup buttermilk
1 cup shortening
1 teaspoon vanilla extract.
Cream shortening and sugar. Add eggs one at a time and beat well. Add buttermilk alternately with flour, soda, baking powder and salt. Bake in a slow oven 325 degrees about 1 hour.

Cake Icing
1 cup sugar
1/2 cup water
1 teaspoon rum extract
Bring water and sugar to a hard boil. Cool and add 1 teaspoon rum extract. Pour or brush on cake while cake is still in pan.

R. W. Rees made a business trip to Center Point Monday.

WCSB MEETING

Regular meeting of the WCSB was held last Monday afternoon in the home of Mrs. O. K. Wolfenbarger. "The Status of Women" was the topic for the program with Mrs. Will Gideon in charge. She gave two parts on "Women in Politics" and "The Meaning of Status of Women." Mrs. I. C. Oden gave the devotional.

Mrs. Carroll Robbins discussed the "Ministry through Healing" and Mrs. Wolfenbarger told "What the United Nations Means to Women."

Cookies and cold drinks were served to Mes. Edna Butner, W. C. Craig, H. O. Whitt, Harry Walsh, S. A. Kiker, F. S. Higginbotham, B. F. Bridges, T. F. Sims, Sr., Oden, Robbins, Gideon and the hostess.

Junior Club Hears Hot Shot Book Reviewer

Mrs. A. S. Whatley was guest speaker for the Junior Study club last Tuesday night in the home of Mrs. W. C. Gardner. She reviewed the book "Snips and Snails" by Louise Baker.

A plate of potato salad, tuna salad, potato chips, cookies and Cokes was served to one guest, Mrs. Earl Moon of Strawn, Mrs. Whatley and the following members: Mes. Marvin Leck, Wayne and J. B. Arrott, Oscar Dorsey, William Fletcher, E. G. and Floyd Collins, James Wells and the hostess.

Mrs. D. Larkin returned Saturday from a three weeks visit in Petersburg with her daughter and husband, Mr. and Mrs. W. B. Fulgham. Mrs. Fulgham and daughter brought her home and visited with the Wylie Clarks and Tom Williams.

Mr. and Mrs. Knox Honored at Party

Mr. and Mrs. O. K. Wolfenbarger entertained the teachers and school board members and their wives and husbands at a get-acquainted party for Mr. and Mrs. Thomas Knox, who were married recently at Mason. Theme for the party, held Friday night in the Methodist church, was "Love and Romance."

Mrs. Grady Baker sang "I Love You Truly" and Mr. Wolfenbarger sang "Lassie of Mine." Both were accompanied by Mrs. Chet Holcombe.

Vetal Flores read a poem on "Love and Mrs. Geo. Thomas gave "Advice for the Bride and Groom."

A musical game was played on "Konw the Tunes" which were about love and romance. Mrs. Holcombe played the tunes. At the close of each game, a household gadget was presented to the bride.

Refreshments of punch and cookies were served by members of the Methodist WCSB.

SPRING RECITAL

Several students from Bronte and Blackwell will participate in the spring recital of Mrs. Doug Cox's classes Monday night in Balingier. Her kindergarten class will present "Little Black Sambo" after which the dance pupils will appear in recital. The event is free and will begin at 8 p. m. at the Ballinger High School Auditorium.

Pupils from here who will take part are Dana Eubanks, Margie and Bennie Oglesby, Tommy, Suzanne and Shirley Hickman.

PTA TUESDAY, MAY 10

Last meeting of the year for the Bronte Parent Teachers will be next Tuesday night at the high school gym at 8 p. m. Mrs. Dwain Pruitt is the leader. Theme for the program will be "We the People, to Ourselves and Our Posterity. Let's Evaluate". Mrs. O. K. Wolfenbarger will be the speaker. A business meeting will be held to make plans for the summer. At the social hour, first grade mothers will be in charge.

The J. T. Henry family spent Sunday in San Angelo with his brother, Allan Henry and wife. They were met there by the men's parents, Mr. and Mrs. S. B. Henry of Lampasas.

History of Blackwell School Given at Special Meeting

By Mrs. Charles Ragsdale

Blackwell school week was enjoyed by a large crowd. 281 adults registered during the week.

Friday night a tableau of the History of Blackwell School and the community, was the climax of the week.

First school in Nolan County was built at Fish creek near what is now Hylton. The school was built of split logs and had a dirt floor. Nearest trading center was Fort Chadbourne.

First school in Blackwell community was held in the Primitive Baptist Church in 1907 on the hill where the late J. A. Oden's home now stands. One of the trustees was the late John Hanna. In 1908 a two-room frame school was built on the site of the present school. After a year or so other small schools nearby began sending their children to Blackwell to School. Among these was Live Oak School which is the present site of Joe Davis' cabin on Oak Creek Lake.

There were two general mercantile stores, one owned by C. H. Bolin and T. A. Carlisle and the other by J. W. Reed and Roy Hamilton. A hardware store, owned by Horne & Frost was the same as is now owned by Mrs. W. W. Youngblood.

Other businesses at that time included a cotton gin, owned by Lackey and Stout, a good drug store and quite a number of small businesses. Two doctors traveled many miles by horse and buggy attending their patients.

There was also a bank. One of the first presidents was W. C. Shamblin.

In 1915 a Baptist church was built and in 1916 a wonderful two-story brick school house replaced

the frame building. L. L. Price was the first superintendent with 7 teachers in the new school.

In 1929 the Blackwell Rural Consolidated High School was formed with 12 teachers, 250 pupils and 4 school buses. It included Antelope, Collins, Rock Crossing and Decker. Later Olga, Hylton and Shep came in. April 1, 1932, the brick school burned to the ground. Arrangements were made immediately to build the new modern building which still houses the Blackwell school.

In the past two years with tax money brought in by oil wells in the school district, a secretary and a librarian have been added to the staff. There are currently 12 teachers and the superintendent. Three teacherages have been built.

Today under the management of George Stoepler, superintendent, there is a well organized, well financed, progressive school system that merits the honest pride of the citizens of the Blackwell community.

First Baptist Church

A great twelve days of Revival Services was reported and the services will conclude with tonight's 8 p. m. service at First Baptist Church. Dr. W. Myrddin Lewis of Birmingham, Eng., has brought the sermons. The song leading of Otis Allen of Norton has likewise been an outstanding feature of the meeting. Everyone is invited to the concluding service of this Spring Revival.

Mothers' Days services will be conducted next Sunday. The pastor, Maynard R. Rogers, will bring a Mother's Day message in the 11 o'clock worship service. Carolyn Kemp will sing a solo "Mother of Mine" accompanied by Mrs. Chet Holcombe. Sunday School will take up at the regular hour of 10 a. m. and the Training Union at 7 p. m. with a class for every age. Evening worship begins at 8 p. m.

Vacation Bible School will be held at First Baptist Church on June 6-10 from 8:30 until 11:30 each morning. This Bible course is offered all boys and girls from ages 5 to 15.

Girl Scout Troops Being Organized

An important meeting of everyone interested in Brownie Scouts and Girl Scouts will be held next Tuesday at 1 p. m. at the Bronte School. All leaders, girls and mothers are urged to be present. Margaret McAdams, Girl Scout Executive from Abilene, will meet with the group. She will also meet at noon with the Bronte Lions Club, who are sponsoring the movement.

Organization of the troops continued this week. Mrs. William Fletcher will take charge of the girls scouts and an effort is being made to have three troops of the Brownie Scouts. Everyone is urged to meet with the group next Tuesday when further organizational plans will be made.

ATTEND FATHER'S FUNERAL

Mr. and Mrs. Jesse Parker were called early Tuesday morning to Quinlan, Texas, by the death of Mrs. Parker's father, J. F. Ryan. They were accompanied by her sisters, Mrs. B. B. Pierce and Mrs. Maurice Yarbrough, and their husbands of Robert Lee. Mr. Ryan died in a Greenville hospital Monday night, where he had been in a critical condition following surgery several weeks ago. Funeral services were to have been held Wednesday at Quinlan, Texas.

During the Parker's absence their daughter, Phelan Ann, stayed with Mr. and Mrs. W. D. McDonald and their sons, Jerry and Jerald stayed with Mr. and Mrs. Clairburne Webb.

Runnels Baptist Training School At Bronte

Bronte First Baptist Church will be host church to one of three Sunday School Group Training Schools being sponsored by the Runnels Baptist Church.

Churches participating in the Bronte School will be Brookshire, Maverick, Norton, Ray, Robert Lee, Sanco, Tennyson and Bronte. The classes will begin each night for four nights, May 9-13, at 7:45 p. m. All courses being offered are good for credit on the Workers Diploma which is issued by the Southern Baptist Sunday School Board. A nursery will be provided for babies and a play room for children of beginner's age.

Subjects being offered and their teachers are: "Church Using Its Sunday School, Rev. Douglas Crow, Norton, for general officers of the Sunday School; Adults, Rev. M. R. Rogers, "Teaching Adults in Sunday School"; "Teaching Young People in the Sunday School," Rev. Earl Gaines, Ray; "The Art of Teaching Intermediates," Rev. J. C. Shipman, Robert Lee; "Better Bible Teaching for Juniors," Rev. W. E. Chandler, Tennyson; "Guiding the Primary Child in the Sunday School," Mrs. Earl Gaines, wife of the Ray Baptist Pastor; "Teaching the Beginner" Rev. John E. Early, Sanco and "The Nursery Department of the Sunday School", Mrs. Clarence Lee, Norton.

Rev. Rogers said "whether you teach or expect to do Sunday School work, or just interested in being a better trained Sunday School worker, you are cordially invited to this course offered free for the four nights.

MRS. R. L. READ DIES SUDDENLY

Mrs. R. L. (Mattie Bell) Read died suddenly just before 8 o'clock Thursday morning. She was cutting roses in her garden at her home in Robert Lee when she was stricken.

Neighbors had seen her in the yard and Mrs. A. J. Roe, Sr., saw her collapse from her home across the street.

Her husband was at the post office preparing to make his star

route mail run to Bronte when he was notified. Mrs. Turney Casey took over the mail route.

Mrs. Read is well known in Robert Lee and at Bronte where she lived most of her life until going to Robert Lee ten years ago.

She was hospitalized for a considerable period several years ago and was known to have a serious heart condition.

She has one son, Ben L. Keyes, of Christoval.

FARM BUREAU DISCUSSES FUTURE PLANS

Regular Farm Bureau Directors Meeting was held at Green Mountain school Tuesday, May 3, with seven present. Many items of business were discussed and taken care of.

A part time County Farm Bureau office, the Queen's contest, helping Korean 4-H boys and girls and having a quarterly social meeting was discussed.

Next regular meeting will be at the Tennyson school on June 7.

SATURDAY BAKE SALE

There will be a Bake Sale by W. H. D. Council Saturday beginning at 9:30 a. m. in Olean's Sewing Shop.

When Texans die with their boots on today, the boots usually are on the accelerator.

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

There's only one way you'll really discover the hottest power story of the year. Get aboard a new Chevrolet that packs a handle of velvety TNT under the hood—the new "Turbo-Fire V8"!

For this is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double" at their stop-watches. Sports gather to compare the times of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a lot of others besides. In the one-mile nightaway run for low-priced cars, the

first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel . . . longer engine life)! And it delivers the highest power per pound of any V8 in the low-priced field. It's so efficient that it requires only four quarts of oil instead of the usual five

. . . needs less radiator coolant, too. It's the most modern V8 under anybody's hood!

But the thing you'll like most is the way it puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower with the new "Turbo-Fire V8" and if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe.

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

**No other low-priced car has any—
no high-priced car has all—
of these great Chevrolet features!**

Body by Fisher—You see it on some of the highest-priced cars. *Nine engine-drive choices in any model*—The greatest choice going. *12-volt electrical system*—Twice the voltage of other low-priced cars. *Anti-Dive braking*—A Chevrolet exclusive for heads-up stops. *Outrigger rear springs*—Wide-spaced for steady cornering. *Ball-Race steering*—Turns on ball bearings. *High-Level ventilation*—Cleaner, fresher air. *Double-Arch cowl construction*—Extra strength and safety.

*National Association for Stock Car Auto Racing.

Combine your new Chevrolet purchase with your vacation plans!

Order a Low-Dive Jet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

Wildcat Staked on Dan Middleton

Coke County has drawn location for another Ellenburger wildcat. It will be on the Dan Middleton ranch in the Hayrick locality.

Coke and Reagan counties drew locations Saturday for Ellenburger wildcats. Outposts were scheduled in Upton and Lynn Counties.

Thomas S. Cox, et al, San Angelo, has announced location for an Ellenburger wildcat in Coke county, nine miles northeast of Robert Lee and 3 5/8 miles west-southwest of the one-well Copeland (Ellenburger) field. It will be the No. 1 W. B. Middleton.

The project will be drilled with rotary to 6,800 feet or to fluid in the Ellenburger at a lesser depth.

Location is 660 feet from the south and west lines of the north-west quarter of 341-1A-H&TC.

The project is being drilled on a

farmout from Lion Oil Co. and W. M. & A. P. Fuller. Humble Oil & Refining Co. will contribute dry hole money.

The project is six miles north-east of the Munn Canyon sand field and 1 3/8 miles northwest of W. M. & A. P. Fuller No. 1 Wal-drop, wildcat failure abandoned Jan. 12, 1952, at 6,554 feet. The Ellenburger was topped at 6,514 feet on elevation of 2,208 feet.

LONG EXTENSION

The Lygax field of Coke County has been extended 3/4-mile north-east with completion of A. G. Hill No. 1-C Ralph Harris Estate, in 4-Snyder and Von Rosenberg survey, 24 miles northwest of Robert Lee, for a daily flowing potential of 131.10 barrels of 44 gravity oil, no water.

Production was through a 14-64-inch choke, and perforations between 5,705-5,713 feet in 5 1/2-inch casing cemented at 5,750 feet on plugged back total depth of 5,734 feet. Total depth is 6,500 feet.

Top of pay was picked at 5,702 feet on elevation of 1,915 feet. Completion was natural. Gas-oil ratio was 1,820-1.

Tubing pressure was 670 pounds, with packer on casing.

The project was originally drilled as the Hill No. 11 Harris and abandoned Nov. 22, 1954, at 6,500 feet.

Attending the musical show of Ted Weems and the Crew Cuts last Monday night were Jo Dell Walton, Jean Timmons, Mary Ann Roane and Linda Feil.

Mrs. Earl Moon of Strawn spent the week here with her daughter and husband, Mr. and Mrs. W. C. Gardner.

**Just wait till you switch the pitch
of Buick's new Dynaflow*!**

It's The Hardtop with Four Doors!

Here's the new hit in hard-tops that's taking the country by storm - Buick's pioneering and pace-setting 4-Door Riviera. The "convertible" look, with no center posts in the side-window areas - but with

separate doors for rear-seat passengers. Shown here in the low-price SPECIAL model - also available in the high-powered CENTURY Series. Both now in volume production to insure prompt deliveries.

HOW would you like to take the wheel of a high-powered Buick and feel an experience you never felt before in any earth-bound vehicle?

How would you like to do - just by pressing down the gas pedal - what a pilot does when he's ready for take-off?

And how would you like to drive with the happy thought that you're getting plenty of miles per gallon in normal cruising - and the electrifying action of the world's first airplane-principled transmission when you need it for split-second getaway response?

It's all for you when you say the word and slip into the driver's seat of a new Buick with Variable Pitch Dynaflow.*

Not only do you take command of record-high Buick V8 power - and the most envied ride in the industry - and the brawn and heft and luxury of a truly solid automobile.

You also call the turn on twenty propeller-like blades deep inside a wondrous new Dynaflow that's patterned after the principle of the modern plane's variable pitch propeller.

You hold these blades in their high-economy angle when you press the pedal in the normal way - and you get a lot more miles from a tankful of gas.

You switch the pitch of these blades to take-off position when you press the pedal way down - and you get spectacular action *instantly*.

Don't take our word alone that this is thrilling beyond all previous experience.

Talk to anyone who's tried it. Or, better yet, come try it yourself. That way you can learn firsthand why Buick sales are soaring to all-time best-seller highs. Drop in this week, won't you?

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Home Demonstration Club Activities

By Faye C. Roe

County Home Demonstration Agent

An advanced Dressmaking Workshop will be held in Silver W. H. D. Club beginning Monday, May 9 at 9:30 a. m. This meeting will be held in the home of Mrs. Jahew Jameson with each person bringing a sack lunch. "Better" dresses will be made under my direction following newest methods of pattern alteration and dress constructions.

I returned to Robert Lee late Thursday after a 3 day training school in Farm and Home Development at Mo-Ranch near Kerrville. About 60 Extension Workers from District 7 and College Station attended this meeting. Pleasure was combined with work as this ranch is a place of beauty as well as equipped with recreational facilities and wonderful food!

O. L. Jordan, who is construction foreman for General Telephone Company of the Southwest in Bronte, is in San Angelo this week attending a company school in basic station installation and maintenance. He will be presented a Certificate of Award after completing the 40-hour course.

About 250 plant employees of the Company are expected to take the course during the first 25 weeks it is taught in San Angelo.

National Home Demonstration Week May 1 To 8

More than 40,000 Texas Home Demonstration Club members in 1,985 clubs are among the five million homemakers in the nation who are observing the 10th Annual National Home Demonstration Week, according to Mrs. Fay C. Roe, County Home Demonstration Agent.

During this week of May 1-7, members of the 7 home demonstration clubs and 90 members of Coke are highlighting their work in various ways. Special educational exhibits have been set up at Silver, Robert Lee and Bronte and each club has planned a special entertainment for the family to be held this week and next.

The newest research information in all phases of homemaking is brought to homemakers through specialists, home demonstration agents and local leaders in home demonstration work.

Programs and demonstrations in foods and nutrition, housing and home improvement, home management, health and safety, family life, clothing, consumer buying and public affairs are developed to fit needs and interests of Coke Countians.

Observance of National Home Demonstration Week is designed to acquaint more families — especially young families — with this educational program. In keeping with the national theme of the week, "Today's Home Builds Tomorrow's World," special activities during the week will also stress the role of the home and family in developing and maintaining those qualities valued in a democracy.

Linda Spoons of Priddy is spending the week with her grandparents, the C. E. Brutons, and with her aunt, Mrs. E. O. Nicholas in San Angelo.

Mr. and Mrs. Bill Clark returned last week from a ten day vacation in Dublin, Waco and West Columbia where they visited relatives.

Mr. and Mrs. Arnold Ball spent Saturday and Sunday in Blanco with her parents, Mr. and Mrs. Elmer Dale.

NEW HIGH SCHOOL COURSES
School officials were pleased at the number of students electing to take new courses next fall. The spring enrollment was taken last week and enough students signed for the prospective new courses to make it possible to teach them next September.

Ten high school students enrolled in chemistry; 12 in physics; 14 in short hand; 23 in high school chorus and 10 in Band. The short-hand course will be taught on alternate terms with bookkeeping.

Word received this week from Mrs. Pearl Boynton, who is in a Houston hospital, indicates that she is making a good recovery but that she will be hospitalized some longer than she expected at first.

Her sister-in-law, Mrs. Benny B. Gilbert, Sr., wrote that she had enjoyed and appreciated many cards letters and gifts from friends in Bronte and that she really enjoyed her Bronte Enterprise each week.
