

County Receives Federal Grant for New Hospital

State of Texas Department of Health recently approved Castro County's application for a Hill-Burton fund assistance of \$225,000 for a new Castro County Hospital and facilities.

"It gives me pleasure to inform you that the Board of Health at its meeting on September 10, 1962 approved your application for \$225,000 to assist in the construction of the Castro County Hospital in Dimmitt," J. E. Reavy, M. D., Texas

Commissioner of Health said in a letter to County Judge Raymond Wilson.

Wilson said that construction on the building will probably begin early in 1963.

The Hill-Burton fund of \$225,000 matches dollar for dollar the bond issue passed in Castro County in 1960. Both bonds complete the \$450,000 required for the new building and new facilities.

In accordance with the Hill-Burton

agreement, the old hospital building will have to be torn down or moved away and in no way be used with the new building.

Recent approval by the department of health was made because Castro County received the new "A" rating instead of the previous "D" rating. In the past Castro County's hospital area was considered in conjunction with hospitals in Deaf Smith and Parmer Counties. When an average of beds and

equipment for the tri-county area was taken Castro County's hospital averaged in with sufficient beds and facilities, and was unable to qualify for federal assistance on a new building.

After investigation by state officials it was found that Castro County was in need of new hospital facilities and that Parmer and Deaf Smith Hospitals should not be considered in the Castro County area. Thus Castro County received

the "A" rating for the present hospital. "A" rating means that the area is in need of new hospital facilities and more beds.

Architects employed for preliminary plans are Haynes and Kirby, Lubbock.

Before construction can begin bonds must be sold and bids must be analyzed. "We hope preliminary plans and arrangements can be completed soon so construction can begin early in 1963," Wilson said.

MISS GRAIN SORGHUM OF THE NATION is Miss Sandra Sue Stargel, 18-year-old daughter of Mr. and Mrs. Cecil Stargel, Memphis. Miss Stargel, a Texas Tech student, was chosen from over 34 contestants throughout the Texas Panhandle area in Thursday's contest. First place runner-up was Barbara Read, 19, Clovis. Dimmitt's Suzie Davis, G. Davis was second place runner-up. The top ten contestants were Kay Bureson, Friona; Paula Creitz, Adrian; June Johnson, Lubbock; Cheryl Ann Poteet, Olton; Cynthia Waller, Perryton; Sue Willman, Muleshoe; and Jacqueline Yeary, Floydada.

Funeral services for Kearney H. Roberts, 70, are set for Friday afternoon in the First Methodist Church, Dimmitt, with Rev. Hugh Blaylock, Dimmitt, Rev. U. S. Sherrill, Abert, and Rev. Darris Egger, Colorado City, officiating.

Roberts died following a heart attack in Castro County Hospital at 5:30 Thursday morning.

He was born in Paradise, Texas November 18, 1892, and moved to Dimmitt in 1922 to engage in farming.

Pall bearers are Doyle Underwood, Buster Morgan, Earl Morgan, Don Gilreath, Bill Snyder, and Paul Ackr. Honorary pall bearers are Andy Nelson, Carl Kemp, Bob McLean, John Nichols, Earl Hunt, Vern Lust, Raymond Wilson, Fred Bruzel, Ivor Bagwell, Jim Bagwell, and Tom Snyder.

Survivors include his wife, Madge; one brother, A. B. Roberts, Quannah; and a niece, Mrs. Vivian Schaeferstein, Dallas.

Interment will be in Castro Memorial Gardens under the direction of Dennis Funeral Home.

Funeral Rites Conducted for William Hembree

Funeral services were conducted for William S. Hembree, Monday at 3 p.m. in the First Methodist Church of Dimmitt. Rev. Hugh Blaylock, pastor officiated.

Hembree died at 2 p.m., Saturday in Castro County Hospital where he had been taken since suffering a heart attack on August 30. He was 82 years, 10 months, and 13 days of age at his death.

He was born October 26, 1879 in Georgia. He married Mary Belle Stacy, 1904 in Georgia. In 1906, they moved to Floydada. Mary Belle Hembree died February, 1935.

He married Mrs. Wardie Lou Miller, December 22, 1935 at Canyon, Texas.

Hembree was a member of the First Methodist Church, of Dimmitt.

Funeral services were arranged by the Dennis Funeral Home of Dimmitt. The grandsons of the deceased were pallbearers. They were Elbert Hembree, Roy Hembree, Lonard Jameson, Lonni Jameson, Larry Hastings, and Billy Miller. Interment was in Castro Memorial Gardens.

Two sons preceded him in death, Earl Hembree, who died on January 28, 1960 and Robert William Hembree, who died August 3, 1962.

He is survived by his wife, Mrs. W. S. Hembree of Dimmitt, one daughter, Mrs. Pauline Herzik of Amarillo; and other children—Mrs. Mae Jameson, Phillips; Ray Miller, Boger; Johann J. Miller, San Antonio; and Mrs. Neva Hastings, Lubbock; one sister, Mrs. L.A. Goodman, Vernon.

The eighteen surviving grandchildren are Lois Hastings, Larry Hastings, Roy Hembree, Elbert Hembree, Mary Davis, Billy Hembree, Wayne Hembree, Sandra Hartley, Willie Ben Jameson, Lynda Phares, Leonard Lee Jameson, Lonnie Ray Jameson, Darlene Snyder, Earlene Feeler, La Nelleg Young, Harold Wayne Miller, Billy Eugene Miller, and Janice Lyle.

CASTRO COUNTY'S FIRST COTTON for 1962 was ginned Friday by the Sunnyside Morrison Gin. Tex Conard (left) farms the land on which the early Rilcot 90 cotton was produced. Ray Joe Riley (right) is owner of the Riley Yieldmaster Seed Corporation which supplied Conard with the cotton seed. Conard farms land owned by W. W. Gilbreath, Hereford. Rilcot 90 seed is developed in Castro County. During the first run Friday, 15 acres yielded 2,100 pounds of cotton, 470 pounds of lint and 820 pounds of seed.

Further Plans Announced About Sabin Vaccination

"Plans for conducting a county-wide Oral Polio Immunization are progressing. Final plans should be announced in next week's paper," says Bob DuLaney, president of Dimmitt JayCeers.

In a meeting Wednesday night with representatives from Tulsa and Hereford JayCeers, efforts were correlated in an attempt to have the county-wide immunization clinics held on the same day. This plan would allow residents of Castro, Deaf Smith, and Swisher to attend the clinic nearest to them. Also, it gives assurance of having able.

Definite plans are not available at this date, but will be next week according to the JayCee president. "Final plans will require the efforts of every civic club and organization of the community in order to achieve a goal of 90 percent plus in the immunization of the county's population," commented DuLaney. At present, all groups contacted are willing to help in conducting this program according to DuLaney.

Homecoming Is October 12-13

All ex-students have been invited to the annual Dimmitt High School Homecoming to be held October 12 and 13.

Many interesting activities have been planned for this year's homecoming according to Harold Stephens, president of Dimmitt High School Ex-Student Association.

There will be a reception in the cafeteria, Friday, Oct. 12 in the afternoon from 1 to 3. This reception is sponsored by the Student Senate. Then 3:15 Friday afternoon, there will be a pep rally. F.H.A. girls will serve supper in the cafeteria prior to the Homecoming football game.

Dimmitt Bobcats will meet Floydada, Friday night, 7:30 at the Homecoming game.

A barbeque in the cafeteria at noon, Saturday, followed by a general business meeting and get-together of the individual classes will be the highlights of the final day of the homecoming.

Harold Stephens, president of the association, urges all ex-students to come and also to send him \$1.00 for dues.

Bobcats Hit By Eagles

Dimmitt Bobcats threatened the hi-flying Eagles, twice, in the Friday night season opener. The Eagles struck twice during the first half to defeat the Bobcats in a 13-0 score.

Though the Bobcats were stopped scoreless, they played a hard-hitting game against Canyon. Halfback Harry Lisle led the Eagles toward victory in the return of an 80-yard punt. The initial touchdown came midway in the opening quarter.

End Jimmy Killingsworth made a long boot from the Bobcat 43. Quarterback Davis Price took the ball on the Eagle 20 and handed off to Lisle.

A key block on the 25 allowed Lisle to race untouched down the west sidelines for the first touchdown.

Guard Preston Prichard kicked the extra point for a 7-0 score. Halfback Jim Whinnery ran forty-four yards after a lateral from Breitling. This brought the Eagles to Dimmitts 7 yard line. Breitling completed the last four yards for the second touchdown of the game. The placekick went wide, and the score was 13-0.

Each team made only two first downs in the first half. The Bobcats failed to make a serious threat in the first two quarters.

In the second half, Dimmitt made two serious threats in Eagle territory. They were turned back on the Eagle 12 and 14 yard lines. Dimmitt showed superior to Canyon in first downs during the second half. The Bobcats received six first downs to Canyon's two.

Dimmitt drove from its 20 to the Eagle 12 early in the last quarter but a pass failed when they needed five yards for a first down.

In recovering a Canyon fumble, the Bobcats once again threatened the Eagle goal line. The threat was stopped when halfback Bill Phillips intercepted Jim Ratcliff's flip at the 15.

Dimmitt and Canyon may meet in second round of the Class AA state playoffs. Both teams are favored to win in their district.

"Due to a switch made because of several Bobcat injuries, the team was off its usual timing. The boys played a good game with only two defensive mistakes, the Eagles' touchdowns," says Coach Covington.

Next Friday night, the Bobcats meet Lockney here in Dimmitt stadium at 8 p.m.

QUEEN ROSA VASQUEZ Spanish Fiesta Honors Mexico's Independence

The independence of Mexico will be celebrated with a fiesta Sept. 14, 15, and 16 at the Castro County Fairgrounds.

Mexico won its independence Sept. 16, 1810.

Highlights of the three-day fiesta are dances, a parade, Sunday at 4 p.m. around the square, and Mexican food served at the fair-ground.

Music for the dances will be provided by Miss Mary Ellen De Leon of Plainview.

Dominating feature of the fiesta will be Saturday night at 10 when Rosa Vasquez, daughter of Mr. and Mrs. Alvin Vasquez of Dimmitt will be crowned queen by George Bradford, mayor of Dimmitt.

Scouts to Camp Out

Boy Scout Troop 267 will leave Saturday at 2 p.m. for Buffalo Lake on an overnight camping trip.

The Scouts will leave from the Scout Hut.

All scouts' fathers are invited according to Scout Master Kenneth Shropshire.

"Bring your fishing gear, scouts. Boats will be furnished by Jim Golding and Kenneth Hollums," says Shropshire.

Harold Stephens Promoted to Regional Manager

Harold Stephens, manager of the local Federal Land Bank Association recently was named Regional Manager of the Amarillo Region of the Federal Land Bank of Houston.

Stephens, who has been associated with the Federal Land Bank system since 1946, will be manager for the Amarillo region consisting of 50 counties and over 20 offices which range from Dalhart to Lubbock and from Texico to Vernon, when his appointment becomes effective January 1.

With Stephens' appointment, the office will become headquarters of the region. Stephens will continue making his home in Dimmitt while assuming his duties as regional manager.

Stephens, 38, a graduate of Dimmitt High School attended Baylor University, Waco, and served with the 30th Infantry Division in Europe during World War II.

Stephens, a past president of the Dimmitt Lions Club, served on the Dimmitt City Commission.

WEBB IMPROVES

Bill Webb's condition is steadily improving according to Mrs. George Webb. He is still in Northwest Texas Hospital in Amarillo.

Schools Gain in Enrollment

School enrollment shows a decided increase this year in Dimmitt. Newcomers are still registering for school according to Paul Hilburn, superintendent.

Last year, in grade school the enrollment was 1,103. This year shows an increase of 76 students in an enrollment of 1,179 grade school students.

High school enrollment is 86 freshmen, 88 sophomores, 53 juniors, and 44 seniors which gives a total of 271 high school students.

This is a slight decrease from the total 282 students registered last year. The senior class of this year decreased 21 from last year. Junior class also shows a decrease of seven students. Freshmen need only two more enrollments and they will reach last year's total of 88. Sophomores show an increase of 19 students. Last year, 69 sophomores registered and this year 88 are attending Dimmitt High School.

Enrollment in grade school for this year are first grade, 209; second grade, 163; third grade, 180; fourth grade, 163; fifth grade, 132; sixth grade, 108; seventh grade, 112; eighth grade, 105.

The total enrollment for Dimmitt Schools, including special education, is 1,455.

Nazareth Grade School enrollment is first grade, 36; second grade, 38; third grade, 33; fourth grade, 26; fifth grade, 27; sixth grade, 29; seventh grade, 27; eighth grade, 23. This is a total of 239 students in grade school.

High School enrollment totaled 76. According to classes, the enrollment is freshmen, 22; sophomore, 19; junior, 20; and senior 15.

Hart Public Schools show an increase over last year according to Paul Kennedy, superintendent.

Kennedy says, "There is approximately 100 students above last year's enrollment."

In grade school, the totals are first grade, 100; second grade, 61; third grade, 61; fourth grade, 57; fifth grade, 44; sixth grade, 54; seventh grade, 32; eighth grade, 25.

Hart High School has a total of 87 students. There are 34 enrolled in the ninth, 24 in the tenth, 16 in the eleventh, and 13 in the twelfth.

Castro County shows a increase this year in students attending public schools.

Easter Wins Community Judging At '62 Edition of Castro County Fair

Castro County's annual fair activities were launched Thursday with the annual Miss Grain Sorghum of the Nation Contest.

Miss Sandra Sue Stargel, Memphis, was judged queen. Dimmitt's Suzie Davis was second runner-up. Ten top contestants were chosen out of thirty-five hopefuls for the esteemed position of Miss Grain Sorghum of the Nation.

At the fair grounds the Easter Community exhibit took first place with Frio second; Sunnyside, third; Arney, fourth; Bethel, fifth; Flagg, sixth; Hart, seventh; and Mulkey, eighth.

Grand Champion Male hogs were shown by Hubert Edwards, Hereford. Reserve Champion Male was shown by Jim Dowdy, Dimmitt; Grand Champion Female and Reserve Champion Female were shown by Jerry Morris and Buck Trotter, respectively.

Champion gardener and farmer in the individual farm products display were Randi and Ricky Lewis, respectively.

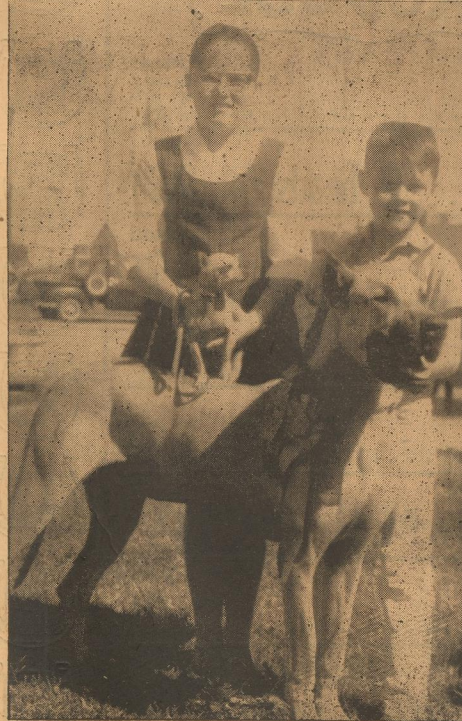

"Sweet Sixteen", Jaycee-ettes pink float accented by Suzie Davis, won first place for overall excellence in the parade.

"Four Generations of Progress" displayed by Bethel Community float in Saturday's parade won 1st in the Community Float Division.

Last highlight of fair activities Saturday night was the fireworks display at the fair grounds in Southeast Dimmitt.

VISITS NEW MEXICO

Mr. and Mrs. Ester Noble and Mrs. W.T. Gollehon spent Sunday in Moriarty, New Mexico, visiting their sister, Mrs. Nellie Jones.

Mrs. B.J. Rothwell of Carthage, Missouri visited friends and relatives last week-end. She attended the Simmons family reunion in Ashtola, also.

News from the Castro County ASC OFFICE

The U.S. Department of Agriculture Aug. 22 announced that the 1963-crop wheat price-support program will include provisions designed to encourage farmers to produce higher quality hard wheat.

Sedimentation values again will serve as a basis for hard wheat quality determinations. Specified undesirable wheat varieties again will be discounted.

Announcement is being made now of the continuation of the sedimentation test as a measure of wheat quality in the support program to enable producers to plan their hard winter wheat seeding operations.

While it is yet too early in the 1962 wheat marketing season to determine conclusively the effects of the quality incentives included in the 1962 support operations, USDA officials said there are strong indications that the program is accomplishing its objective of providing a price incentive to producers of better quality wheat. Market prices this season are increasingly reflecting premiums for higher quality wheats.

Purpose of these provisions in the 1962 program was to provide a price incentive to upgrade the general quality level of U. S. wheat production, particularly for commercial bread baking needs and to improve the competitive position of U. S. hard wheat in dollar export markets.

In announcing the premium schedule for quality hard wheat for the 1962 support operation on Sept. 19, 1961, USDA officials said "The premium schedule will be kept under review during next year's support operation toward the end of modifications and improvements. In gaining the objective of providing an incentive for better quality wheat production, consideration will be given to developing discounts which will be included along with premiums in the price-support schedule for subsequent years."

Results of the 1962 operation are being studied in light of this statement. As more conclusive reports are available, details of the 1963 support program, including premium schedules and operating procedures, will be developed. This information will be made available prior to the beginning of the 1963 crop marketing season.

The 16 wheat varieties being designated as undesirable for 1963 support operation because of inferior milling or baking qualities are the same as for the 1962 program. The discount of 20 cents per bushel for these undesirable var-

Miss Jo Beecher and Dan Prather Pledge Vows in Candlelight Ceremony

In a double ring, candlelight ceremony at the First Baptist Church, Dimmitt, Miss Jo Beecher became the bride of Dan Edd Prather of Hale Center, Friday, August 31.

Rev. M.A. Smith, Jr. pastor, read the marriage vows which were exchanged before an altar flanked by spiral candelabra and white Grecian urns filled with bronze chrysanthemums. A white prayer bench was placed before the altar and directly behind the bench burned two candles throughout the ceremony. Only one candle remained burning after the vows were pledged, symbolizing the unity of marriage.

Parents of the bride and groom are Mr. and Mrs. W. E. Beecher of Dimmitt and Mr. and Mrs. Boyd Prather of Hale Center.

Miss Sandra Leeth, organist, played traditional wedding selections and accompanied Chuck Braffact who sang "Walk Hand in Hand," "Oh Promise Me" and "The Wedding Prayer."

The bride, who was given in marriage by her father, wore a princess gown of peau de soie, designed by her mother. A fitted bodice was fashioned with a portrait neckline and petal point sleeves, re-embroidered with Alencon lace and seed pearls. The floor-length skirt extended into a chapel train. Her bouffant veil of silk illusion was secured by a halo of silk flowers accented with seed pearls. For a bouquet she carried a shower arrangement of chrysanthemums, centered with an orchid.

Miss Beth Beecher of Dimmitt, attended her sister as maid of honor. These varieties, as in the past, will not be eligible for quality premiums. They are: HARD RED WINTER - Blue Jacket, Cache, Chiefkan, Cimarron, Early Blackbull, Kan King, Kharkof MC 22, New Chief, Pawnee Sel. 33, Purkof, Red Chief, Red Hull, Red Jacket, Stafford, Wasatch and Yogo.

These varieties and State exceptions were designated by USDA's Agricultural Research Service after consultation with State Agricultural Experiment Station personnel, agronomists, cereal chemists, and others on State and Federal staffs.

The undesirable varieties are designated nationally except for Cache, Henry, Russell, and Wasatch. Exceptions from discount were made for Cache for production in Utah and Idaho; Russell in Wisconsin; Henry in Wisconsin, Oregon and Washington; and Wasatch in Utah, Idaho and Colorado.

The 16 varieties designated for 1963 have been found to have distinctly undesirable milling and baking quality. Advance notice of the discount in the support operation is given to discourage their production and lessen the possibility of U.S. wheat of inferior quality finding its way into domestic and export channels.

Representatives of crop improvement associations support this action to help improve the overall quality of U. S. wheat production.

Acreages of these undesirable varieties have been declining in recent years, USDA officials said, and the discount in the price-support program is credited with speeding up this trend. Application of the 20-cents-per-bushels discount to producer support rates will be the same as under the 1962 operation.

Price support regulations for the 1963 program as in the past will require the producer to certify production of undesirable varieties based on his knowledge of the varieties he seeded and harvested. Because wheat varieties are difficult to determine from threshed samples, the USDA, in certain instances, may require additional information in support of the certification.

Center; Jesse Reid, Lubbock; Bud Rush, Amarillo. Junior groomsmen were Ronnie Prather, nephew of the bridegroom of Dimmitt. Dave Schockley of Anton was usher.

A reception followed the ceremony in Fellowship Hall of the Baptist Church. Miss Sally Jennings of Canyon registered the guests. Miss Lee Blocker of Hereford and Miss Jennings served the punch and four tiered wedding cake from a table laid with a cloth of imported cut-work linen and centered with an arrangement of the attendants bouquets.

For travel the bride wore a white wool suit trimmed with white fur, a white fur hat and white

gloves. She chose tangerine accessories and an orchid corsage from her bridal bouquet.

After a wedding trip to New Mexico, Mr. and Mrs. Prather are at home at 607 Bedford in Dimmitt.

Mrs. Prather attended West Texas State and is employed as a first grade teacher in Dimmitt. Mr. Prather is a graduate of West Texas State and is a commissioned officer in the U.S. Army.

...how's your lighting?

Light makes the difference in modern living and just as all things have benefited by the hand of the scientist so, too, has the field of lighting. The past 10 years have seen amazing changes in lighting concepts — based on scientific research. Home lighting, business lighting — both have vastly improved in the last ten years.

If your lighting is age 10 — or older — then it's time you enlightened yourself with the facts. Public Service lighting people can help you.

Outdoor Lighting, too!

READY-LITES

A Ready-Lite, at the front of your home, gives light for just a penny a night — offers protection and decoration — adds prestige. You can have one installed and take 24 months to pay — no interest.

AREA LIGHTING

Farms and businesses can benefit from a new lighting service that offers lighting-rental at only \$4.00 per month. Included is the electricity to operate the light — no investment on your part. Ask your Public Service neighbor.

Acreage Survey Announced By

E. L. Davis, Postmaster

Postmaster E. L. Davis announced today that Rural Mail Carriers will begin distributing 1962 Acreage Survey Cards to patrons on their routes about September 13.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1962.

To be sure this community is well represented in the survey, Postmaster E.L. Davis urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are:

Annual Field Day Starts Tuesday Near Lubbock

Annual Field Day at Sub-Station 8 of Texas Agricultural Experiment Station will be held Tuesday afternoon, September 18. This will be the second field day at the new location 7 1/2 miles north of Lubbock city limits on Highway 87. Guided tours will begin at 1 p.m. and continue through 5 p.m. The field tour will last approximately 1 1/2 hours and include 8 stops. The headquarters tour of laboratories and machinery displays will last about 1 hour.

Farmers, businessmen and others interested in latest scientific developments in crop production are invited to attend the field day.

If time does not permit making the complete tour, visitors are encouraged to attend that portion in which they are most interested. All the field and laboratory stops will be manned from 1 to 5 p.m., which will enable visitors to attend any portion of the tour without making the entire tour. County Agricultural Agents from throughout the area will act as guides. Federal and state research scientists will be stationed at each stop to explain the work being carried on at the station.

Field stops will give opportunity to observe (1) chemical weed control on cotton where hand hoeing was completely eliminated, (2) effectiveness of the rolling cultivator (3) flame cultivation, (4) close up to 3 to 5 bales per acre, (5) how a combination of cold tolerant strains of cotton, asphalt emulsion, and shallow planting resulted in good stands on cotton planted Mar. 27, (6) a new type green boll separator which may aid in earlier harvesting of cotton, (7) early maturing strains of cotton which were 80 percent open 120 days after planting, (8) cotton strains with low gossypol content, (9) strains that are practically immune to bacterial blight and other strains that show promise of resistance to insects and (10) studies of plant growth regulators on cotton.

New developments in soil fertility include a combination of fertilizer, row spacing, cotton burs and irrigation to obtain maximum yields; evaluation of sulfuric acid for increasing the yield of cotton and grain sorghum; minor elements applied to the soil and foliar; placement of fertilizers; N-Serve, a new chemical which, when added to fertilizer, may reduce leading of nitrogen on sandy soils; and plant tissue testing.

New water conservation and utilization research studies included on the tour are land forming practices such as bench leveling, field leveling, wide row borders, variable grade benches and level terraces on dryland; the evaluation of row spacing, fertility and irrigation levels for the production of dwarf grain sorghums; (2 x 4 and 4 dwarf) and grain grass types; combination of different levels of fertilizer, irrigation and varieties of cotton, alternate furrow irrigation, etc.

True yellow endosperm grain sorghum hybrids, stiff stalk, cold tolerant strains, and numerous stocks used in the sorghum breeding research will be observed and discussed during the Field Tour.

The new hybrid castor bean, Lynn, which will be released to growers next year, and a combine type sesame, which is about ready for release to growers and 50 ex-will be observed and discussed by Station scientists.

Upon completion of the field tour the visitors may make a tour of the headquarters and research laboratories to observe (1) how a soil test determination and recommendation is made, (2) how to identify the principle cotton diseases, of different strains and types of grain sorghum and (4) methods of evaluation cotton fiber.

During the afternoon the visitors also will be able to observe and discuss vegetable production research, control of cotton insects, including new insecticides, increased resistance of insects to some insecticides and the value of beneficial insects, cotton and grain sorghum variety tests, fertilizer tests and other long-time studies.

Nazareth Defeats Union Wildcats

Nazareth Swifts proved their name Friday night as they piled up a 22-0 score against Union of Brownfield. The Swifts achieved the high score over the Wildcats, in a class B eight-man football season opener.

In the first quarter, the Swifts scored on a 10 yard pass from Brockman to Schmucker. Denis Gerber ran the two extra points.

Another touchdown was made on a 60 yard pass from Brockman to Schilling. Tommy Wethington ran the extra points.

Gerber, who was the top yard gainer of the night with 102 yards, went 20 yards for a touchdown in the fourth quarter.

Nazareth picked up 278 yards rushing and 104 yards passing as compared with Union's 132 yards rushing and 30 yards passing.

Passing played an important part in the offensive game of Nazareth. Starting line-up for Nazareth was ends, Schmucker and Schilling; guards, Braddock and Schulte; center, Birkenfield; backs, Wethington, Gerber and Brockman.

Friday night's game with Union was the first game ever played on Nazareth's new football field. According to Coach Aldridge, the stadium was made from an old baseball diamond. It is well-lit and has bleachers for the spectators.

The Swifts will meet Borden County (Gail), Friday night at 8 o'clock on Nazareth's new stadium.

Harvest Revival Begins at First Christian Church

First Christian Church of Dimmitt has been very fortunate in securing the services of an outstanding minister and musician to conduct their 1962 Harvest Revival, which begins next Wednesday, September 19.

Evangelist C. O. Lowry will be the special speaker. He is presently the business manager and promotion director of Dallas Christian College, Dallas. He is a 1947 graduate of the Bible College of Phillips University. He has served as minister of churches at Oklahoma City, Okemah, Okla., Shreveport, La., and at South Gate, California. He has served on the faculty of Midwest Christian College, Gulf States Christian College, and Dallas Christian College. Before entering in full-time ministry, he was an oil field accountant for 18 years.

Services will be conducted at 7:30 p.m. daily, September 19 to September 30. "Angels Harvesting at the End of the World" will be the sermon theme of Minister Bedford W. Smith at the 10:50 a.m. service on Sunday, September 16 and "White Unto Harvest, Now" will be the 6 p.m. service sermon topic. These sermon topics are used preparation for the "Harvest Revival."

Sermon topics for the revival will be "Why We Must be Soul Winners," "Do You Believe the Bible," "Night Is Coming," "The Five Witnesses," "Scarecrows I Have Eyes," "The Dis-Appointed," "It Is Finished—What Shall We Do?," "Heaven and Who Is Going There," "Faith's Testings," "Hope," "Two Choices" and others.

Bud Leinen returned to Temple Sunday after a ten day visit here with his family. He is receiving treatment at the Veterans Hospital there and his new address is Ward 14A. Mrs. Leinen reports his condition is good.

Four Wrecks During Week-end Occur Here

Dimmitt was the scene of four automobile accidents over the weekend, according to reports from local officers.

The seige of wrecks began Saturday evening at 7:30 when a 1954 Dodge driven by 14-year-old Paul Catoe backed into a 1962 Chevrolet driven by Ernest E. Buchanan, on 2nd Street just west of Harry's Supermarket.

The Chevrolet driven by Buchanan, an employee of Dimmitt Schools, received an estimated \$125 damage and damage to the Dodge amounted to about five dollars, officers said.

Officers pointed out that Catoe was involved in another auto crash in his Dodge at 9:30 Saturday night when a 1960 Oldsmobile driven by Bill Baker failed to grant right of way to his vehicle. In both cases officers charged Catoe with driving without a license. Baker was fined for failing to grant right of way, on 2nd and Etter Streets. Investigation showed over \$40 damage to the Dodge and over \$200 damage to the Olds.

First wreck Sunday occurred at noon when a 1960 Chevrolet driven by Darless L. Goolsby failed to grant right of way to a 1956 Oldsmobile driven by David Vaughan on an intersection of 4th and Etter Streets. Goolsby received a traffic ticket for failing to grant right of way, officers said. An estimated \$200 damage was done to the Goolsby vehicle and \$200 to the Vaughan car.

Sunday afternoon at 3:30 a 1954 Dodge driven by Mary Lou Sandoval struck a parked stock trailer west on Highway 86 and officers said there was \$150 damage to the auto and \$10.00 damage to the trailer.

Mary Sandoval was charged with driving without a driver's license. Officers said no injuries were received in the weekend collisions here.

LEGAL NOTICES
NOTICE TO BIDDERS
Sealed proposals for constructing approximately 56,780 square feet of concrete alleys will be received by the City of Dimmitt, Texas, at the office of the City Secretary, City Hall, Dimmitt, until 7:30 p.m. Sept. 24, 1962 and then publicly opened and read. Bidders must submit a bond of five per cent of the total amount of the bid as a guarantee that the bidders will enter into the contract under the conditions set forth within ten (10) days after notice of award of contract. The attention of bidders is called to the special provisions concerning minimum wage rates and hours of employment included in House Bill No. 50 of the Forty-fourth Legislature of the State of Texas. Compliance with the above wage and hour bill is required. The owner reserves the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the owner. All bids received after the above closing hour will be returned unopened.

Plans, specifications and contract documents may be inspected or obtained at the office of the City Secretary, City Hall, Dimmitt, or at the office of McMories & Associates, 6300 Canyon Drive, Amarillo, Texas, upon a deposit of ten (\$10.00) dollars. This deposit will be refunded to each actual bonafide bidder upon return of the documents.

Air Conditioning experts agree... WATER cooling is BEST!

Youngsters learn mighty early about the cooling effect of water when the weather's hot. And air conditioning engineers know that water cooling is far more efficient than air cooling. The reason is simple... 85° water can absorb more heat from your home than 100° air.

That's why ARKLA-SERVEL Sun Valley's CAS air conditioners are WATER cooled! Water cooling, plus Sun Valley's "no moving parts" principle, gives you two big advantages unavailable with other air conditioners. One, a Sun Valley gives you CONSTANT EFFICIENCY, while air cooled units lose as much as 15% efficiency. Two, Sun Valley operating COSTS REMAIN CONSTANT, while air cooled equipment operating costs rise as much as 23%.

KING-SIZED FILTER
double Sun Valley's double filtering capacity STOPS ALL HOUSEHOLD ODORS! It even tames cigar and fish odors, giving your home Spring-like freshness all year long.

NO MOVING PARTS
... in the heating or cooling cycles of the Sun Valley... nothing to wear out or break down! Sun Valley is year-around comfort for the mortgage life of your home!

CONSTANT EFFICIENCY
Sun Valley has no comfort-robbing friction to run up your operating costs. It doesn't cost a penny more to operate the Sun Valley for an hour when it's 115° than it does when the temperature is 90°.

One of the most pressing problems affecting the expansion of grain sorghum markets is the variable levels of protein which is ranging from 7% to 12%. W. T. Sanders of the Hi-Point Fertilizer and Grain Company and D. A. Bass, a leader in the Castro County Grain Sorghum Producers Association, discuss research results which have shown that proper fertilization tends to stabilize grain sorghum protein levels.

under the Communist shadow." The foreign ministers of the American Republics read Cuba out of the Organization of American States in January of 1962. That was a step in the right direction, and now there has been another step.

The Second Conference of the Latin American Free Trade Association met on August 26, 1962, with representatives from nine countries - Argentina, Brazil, Chile, Ecuador, Colombia, Paraguay, Peru, Mexico and Uruguay - and refused to allow Cuba to join this free trade association of Latin American nations. Cuba had applied in June for membership.

Those are two steps. But now, fellow Texan, it's time for another step and this time a big one. The blockade should be used to make sure no large troop movements are allowed out of Cuba to pose a threat to the Latin American countries that are trying to combat Communism.

What I propose is a blockade to insure that there are no big troop movements and no munitions or war movements into Cuba. And we also need to insure that there are no military movements out of Cuba. The Dominican Republic has complained that Cuba is sending subversives, agitators, military equipment and supplies into Dominica to try to take over the Dominican Republic, a neighboring island. Our blockade should stop that kind of movement by Castro.

Fellow Texan, the only reason the Communists ever move is to expand their power. Since they seem to be in full charge in Cuba with the active help of Satellite Dictator Castro, the only place left for the Communists to go is into other countries in the Western Hemisphere. The time to limit Castro's power is now, and a sea blockade is a step in the right direction.

Roof Is Raised

"Tea for Two Cha Cha" was the background music as the students of Dimmitt High School filed into the auditorium along with some of the "exes", towns people, and the faculty for the most exciting event of the year. Our first pep rally for our football boys of "63" Master of ceremonies Mr. James "Rosey" Bates introduced the twirlers, drum majors, band director, and cheerleaders. He also introduced new yell to the students, which the cheerleaders showed how to do. The band took over and played several songs which they had been working on. Cheerleaders did a few yells and brought in our mighty "Bobcats" to the traditional fight song. The roof was really raised. All the people were yelling, screaming and showing the "Bobcats" we are behind them all the way.

Damage to High School

Windows were smashed with rocks in the front door of the high school during the Labor Day holiday. The replacements will be approximately \$75.

When you came to school Thursday, you found that another window had been broken out.

Breaking these windows was a very foolish thing to do. It is a bad reflection on our town, our community, and especially our school.

What is the use of remodeling and fixing up our building if someone is going to do all the damage he can?

In discussing this incident with a friend, he asked the question, "Have the persons associated with the one who did this damage, failed or have his parents failed?" Or has the person who did the damage failed? He answered his own question: "I would rather the parents failed, for the Bible says 'Train a child in the way he should go and when he is old he will not depart from it.'"

Our parents were concerned enough to furnish the funds for the improvements; therefore, we should at least show respect for our parents and take care of the facilities they have provided.

Take care of our school building as you would take care of your home.

Annual Sales To Begin The 17th

The sale of the 1962-63 Bobcat will begin Monday, September 17th, and continue until November 2nd. Annuals may be purchased only during this period of time. The full price must be paid at the date of purchase.

The annuals may be purchased from any member of the journalism staff and Miss Littlepage. The price of the Bobcat annual is \$4.10 including tax. Plastic covers will be available for 35 cents each. A contest will be held among the high school classes in buying annuals. The winning class will be given plastic covers free of charge.

All merchants of Dimmitt and surrounding communities, if advertisers, will be offered the Bobcat annual at the student price. Others outside the school system are encouraged to buy an annual.

Senior News--

Members of the senior class met Monday, September 10, 1962. During this meeting new class officers for 1962-63 were elected.

Coach Covington was introduced and he introduced the "Bobcats" of 1963, the captains of the team, the managers and the coaches.

Lynda Dodd, head cheerleader, presented the captains with the victory flag and wished them the best of luck.

Cheerleaders did a few more yells and everyone joined in and sang the school song as the band played.

Our "Bobcats" then left the auditorium, for a meal at the cafeteria.

Bates emphasized, "This was a real spirit raising pep rally, everyone did a real nice job."

F.H.A. Breakfast

On Saturday, September 8, 1962 the Dimmitt Chapter of the State Association of Future Homemakers of America met for the annual come-as-you-are breakfast.

First on the schedule was the breakfast which was served in the home economics lab.

The meeting was opened by Mary Graham, president, with the reading of the opening ritual.

The election of F.H.A. mothers followed. Freshman class elected Mrs. Dorothy, Sheffy.

The Sophomore class chose for their F.H.A. mother Mrs. Moran.

The Juniors elected Mrs. Louise Kemp by acclamation.

The Senior elected Mrs. Graham. The upper classmen then drew for their "Little Sisters," with three upper classmen to each Little Sister.

Mary Graham, president and Carolyn Godfrey, song leader, lead the group in singing "The F.H.A. Prayer Song".

The program, presented by Deborah Buckmaster, was entitled "The Life of a High School F.H.A. girl". Those helping with the program were La Dawn Kemp, representing the Freshman, Nancy Hays as a Sophomore, Sharon Lilley, a Junior and Driscilla Dehant, a senior.

Teacher of the Week

One day a few years ago, a new face appeared upon the earth. This new face belonged to the son of Mr. and Mrs. J. B. Newman. He was named Sylvan Ted Newman. The place of his birth was Thornton, Texas. As a boy he worked on a farm, and in the oil fields. He liked to fish, hunt, and read.

Mr. Newman grew up at Thornton, Texas, where he attended Elementary and High School. He received his Bachelor of Arts Degree in English at Texas Tech.

The band took over and played several songs which they had been working on. Cheerleaders did a few yells and brought in our mighty "Bobcats" to the traditional fight song.

In 1927, Mr. Newman was married to Mabel Thomas of Sweetwater, Miss Thomas was teaching at Sudan, Texas.

Mr. Newman was in the Navy from 1942 to 1945. He served in the South Pacific and in Australia.

Mr. Newman started teaching here in 1950.

During vacations Mr. Newman likes to work on his cherry farm in Montana.

His favorite saying is, "Now children, I've been teaching English since 1949, and I have never seen such a poor set of themes!"

For you, Mr. Newman, we have all the gratitude in the world.

Senior of the Week--

On February 9, 1945 a son was born to Mr. and Mrs. L.F. Shannon. David has lived around Dimmitt all his life.

In the movie world John Wayne and Sandra Dee are David's favorites. "Comancheros" rates tops in his favorite movies.

His most popular singer is Ricky Nelson. David says his favorite song is "Shelia".

"Girls, Beware!", for he is an avid girl chaser and he can be found almost anywhere in his spare time.

Mexican Food rates tops with him. David flips for the Red Corvette in cars.

His high school activities include P.F.A., F.T.A., Thespian Club, and he is a member of the Journalism Staff.

He plans to attend Texas Tech after graduation.

Personality of the Week

The most exciting event since the invention of the airplane happened in Dimmitt, Texas, February 28, 1944. This is the important date that Joanna choose to make her entrance into the DiCuffa family.

She has green eyes, brown hair, and is 5 feet 7 inches tall. Her favorites are: Color - red Car - Impala Food - Italian Movie - Touch of Mink Actress - Loretta Young Actor - Rock Hudson Singer - Tennessee - Ernie Ford Song - Teenage Idol

Miss Grain Sorghum Of The Nation

Thursday night, the Dimmitt Grade School auditorium was the scene of the Miss Grain Sorghum of the Nation pageant. The stage was decorated with a circle of maize heads with exports written above it. There were streamers leading to Europe and Asia. Ralph Wayne was Master of Ceremonies as the thirty-four pretty teenagers competed for the honor. There was three out-of-town judges.

The girls were judged at a tea, interviewed in bathing suits, street clothes, and in formal.

Ten of the thirty-four girls were from Dimmitt. They were Beth Beecher, Deborah - Buckmaster, Danelle Crowley, Mary Graham, Kathy Gollehon, Suzie Davis, Georgene Hughes, Beth Cleaver, Jan Brown, and Sharon Maynard.

From these beautiful girls, the judges selected ten finalists and then narrowed it down to five. After a short surprise interview eighteen year old Sondre Stargel was chosen Miss Grain Sorghum of the nation.

The Pretty Texas Tech freshman said she had helped in grain harvests and had picked a lot of cotton.

A girl from Clovis was first runner up and Suzie Davis was second runner up.

Senior of the Week--

On February 9, 1945 a son was born to Mr. and Mrs. L.F. Shannon. David has lived around Dimmitt all his life.

In the movie world John Wayne and Sandra Dee are David's favorites. "Comancheros" rates tops in his favorite movies.

His most popular singer is Ricky Nelson. David says his favorite song is "Shelia".

"Girls, Beware!", for he is an avid girl chaser and he can be found almost anywhere in his spare time.

Mexican Food rates tops with him. David flips for the Red Corvette in cars.

His high school activities include P.F.A., F.T.A., Thespian Club, and he is a member of the Journalism Staff.

He plans to attend Texas Tech after graduation.

Student Senate News--

Mike Burkett, president proposed an idea in Student Senate meeting September 5, of having a "Time Capsule" placed in the foundation of the new school. The airtight capsule would contain certain things representative of our age. It would be due in thirty years.

The Student Senate would like to take a stand against the destruction of our school property. Each member is willing to prevent it in any way possible.

Along with the pep club the senate is selling "Bobcat Booster" vests. The price is \$1.50. They are available to local residents as well as to students.

PINK PASS FINDS NEW FACES

Huff Puff! Please don't throw me away, I'm just a little pink pass that has been passed from hand to hand all day looking for new faces.

I started this morning in the principal's office and was sent to South Grade School to check on the new teachers.

I found that Mrs. Jo Prather graduated from Dimmitt High School and West Texas State College. She is now teaching in the first grade. This new lady is the former Miss Jo Beecher.

Mrs. Willis Osborn, who is a second grade teacher, came from Dumas where she has taught for the past seven years.

Bobbie Joan Radke was found in the third grade room and explained to me she had graduated from Mary Hardin Baylor College.

Arleta Talley is a graduate of West Texas State College and teaches third grade.

As a gust of wind blew up from the south, I was whisked across over to North Grade School to find Mr. Osborn, a fifth grade teacher. He told me he had come to Dimmitt from Dumas, where he had been teaching for seven years.

Scoting down the hall, I found W.T. Elliott in a sixth grade class. He came from West Texas State College.

W.C. Fancher came from Altus, Oklahoma, where he has taught for seven years, but is now teaching sixth grade here.

Running at top speed back toward high school, I was picked up by Ginger and Linda Gibbs. Ginger, who wouldn't let Linda talk, explained she was a sophomore and Linda was a junior. They are from Carlsbad, New Mexico and have attended schools in Odessa, Jal, Ozone, and Breckenridge.

Ginger's hobbies include swimming, horseback riding, sewing and cooking. Linda spoke up and told me her hobbies are swimming, sewing, and cooking. From our conversation I got that they both like Dimmitt very much.

Stopping by Chemistry, I found that good looking junior, Gene Robertson. His blond hair and blue eyes caught my attention at once.

Gene came from Stanton and explained to me he liked Dimmitt better. He told me his hobby was collecting scale model cars.

Moving across the aisle I then talked to Billie Kitchens. Billie has lived here before but last year she attended Northwestern Assembly of God College at Waxahachie. This brown haired, green eyed senior told me she liked Waxahachie better, but she was glad to be home.

After leaving the Chemistry Lab, I was whisked upstairs to American History where I found Barbara Ellis. She is a junior from Crosbyton High School. With brown hair and blue eyes what other hobby could she have, but roller skating?

She pointed out she hadn't been here long enough to like D.H.S. but she felt she would.

With utter exhaustion I limped back downstairs and plopped on the desk of Mrs. Dollar, our new school secretary, to rest.

CAMPUS CHAT

Round and around and around I go just as fast as I can. I barely had time to get my breath when Smith was hollering "All Aboard" to the Band buses filled with the Dimmitt Bobcat Band. Noise and excitement filled the buses as we headed for Canyon for our first football game. Right in the middle of excitement was Ricky Goodwin teaching all the girls how to write letters. Before I knew it we were there, watching our Big Bobcats play the Eagles. After the final buzzer, I rolled by home with the Band. On the bus they were having a double feature. Starring in the movie were Mary Graham and Kent Gable, Carianne Calvert and Gary Morrison.

Back home again we saw MariKay McSpadden and Gerald Summers leaving the Band hall together. I wheeled on home that night to rest up for Saturday and Sunday.

As I rolled down Main Street, Saturday afternoon, I found Kay Williams and Mack Thompson, Eva Giles and Larry Scoggins, Mary Graham and Kent Gable sipping cokes at the Drive-Inn.

As I grabbed my little hub-cap hat I barely had time to drop Jane Cleaver and Joe Wright off at the show when Lynda Dodd and Jimmy Campbell wheeled over to hereford to see what was going on. They decided to stay and see the show, so in the meantime I slipped back home to Dimmitt.

Riding down the street with four of my little wheel friends were Patty Catoe and Bennie Scott. I stopped off at the show and rolled down the aisle and whose feet were in my way? None other than Sharon Lilley and Mike Goodwin. Just as I was getting back on my path, Ina Messenger and Jacky Nichols, Louise Carson and Lynn Campbell stepped out in front of me. I got out of there as fast as I could and rolled on down to the Drive-Inn. There drinking cokes were Kitty Robinson and Aaron Hutto, Gayle Elder and Jim Rattcliff.

I kept hearing music and loud noises coming from somewhere, so I wheeled around and there I saw bright lights and smiling faces at the fair grounds. There was Valeria Millsap, Georgene Blanton, Sheri Willis and Linda Schreck having a fast ride on the Tilt-A-Whirl.

Sunday afternoon I found myself rolling up and down the street with Janet Hathaway and Johnny Stanford. From my little view it seemed that Tuffy Cowell was having quite a troublesome afternoon!

Rolling by the church I looked in the window and saw Linda McColum and Jimmy Killingsworth, Ceceilia McSpadden and H.S. Fuller, Ina Messenger and Jacky Nichols. I passed by just in time to see Freida Webb and Mike Burkett, Sharon Lilley and Mike Goodwin, Sharon Thomas and Mack Thompson, Kay Williams and Steve Wesson, Linda Schreck and Jim Axe, Sandra Schreck and Jim Cowsett coming out of the theater. As I was wheeling home I saw Kathy Gollehon and Kent Hance, Jo Lynn Harman and Jimmie DiCuffa riding around town.

I had decided to wheel on home and get rested up for the next busy week when BOOM!! (I had a blow-out)!!

South Grade News--

Mrs. Helen Richardson, principal of South Grade School, reported that 79 new students had enrolled in the first four grades this last week. School insurance has brought by 105 students and they hope more will buy it.

In the fourth grade, students have begun taking the physical fitness tests.

Bobcats Fail to Score

Canyon struck for two early touchdowns and held off for a 13-0 victory over the Bobcats for the opening game of the season.

In the second half, Dimmitt made two serious threats but were turned back by the Eagles. The Bobcats made six first downs to Canyon's two.

In the last quarter Dimmitt recovered a fumble on the 28th yard line, but the Bobcats failed at the 14th yard line.

CARD OF THANKS

Dear Boys and Girls:

We would like for you to know how much the beautiful flowers were appreciated. You will never know how much it meant to us to have all you wonderful boys and girls to visit us and show your sympathy in our time of sorrow.

We miss Leland more and more each day, but we want you to know your words and acts of kindness have certainly helped us to bear our loss.

May God bless each one of you.
 The B.L. Moore Family

---ENGLISH---

According to our English teachers, the English classes have not done a single thing since school started.

Mr. Newman's Classes have only written a theme and had a vocabulary test.

Miss Duvall said that her classes in English III or II have made no news. But, I know different. English III has had at least three tests. That unit test was a booger.

In English II, they had to write a theme and have had two or three tests.

Mrs. Delozier said the only news that her English I classes have made is that they diagram the same old sentences. She said they all give the same complaint, "Too Much Homework!!!"

Library News--

I went by the library to see Mrs. Leeth. She was just bubbling over with happiness. A new shipment of books has come in.

Some of the new fiction books are: Son Of A Hundred Kings, written by Thomas Costain and Tales Of The South Pacific, written by Michner.

World Series by John This is one of the new sports books.

Those of you who like history will find some very good books in the library. For instance; Operation Deepfreeze by Rear Admiral George Dufek and The Dead Sea Scrolls by Burrows.

Mrs. Leeth was very happy, too, because she has an assistant librarian for half-a-day each day. The new assistant is Mrs. Slough.

Table Setting Discussed In Garden Club

"Conventionality in hospitality has been in disfavor for several years," Mrs. Froehner told the Dimmitt Garden Club in their meeting, Tuesday.

Mrs. Raymond Wilson presided at the business session. A rummage sale will be sponsored soon by the club according to Mrs. Bob Dulaney.

Other plans of the club includes an aspen pilgrimage to Colorado in October and table setting in this year's workshops.

Mrs. J. C. Gilbreath dispensed the new year books of the Garden Club.

Mrs. Goodwin, Miller, Mrs. Bob Dulaney, and Mrs. Truman Touchstone prepared Tuesday's table. The setting was a party table after a football game.

Covering the table was a cloth of purple linen and centered was an arrangement of purple foliage and white mums decorating a purple and white goal post and purple football helmet. Miniature football players were placed here and there on the table.

Small coconut covered cakes and coffee were served at the

meeting. Attending were 21 members and four new members. New members are Mrs. Emory Smith, Mrs. Arthur Oakley, Mrs. John Graham, and Mrs. Roy Lowe.

Western Wheatgrass Valued in Control Of Soil Erosion

There is more than enough western wheatgrass growing in the Texas Panhandle to furnish the seed needed annually in the state. A heavy seed crop is not produced every year, but seed is produced often enough to assure a continuous supply for Texas users if reserves are harvested and laid by in good years. The seed can be stored for at least three years with little or no loss in viability.

Western wheatgrass (Agropyron smithii) is the top cool-season native grass in this part of the state. It grows in nearly pure stands along roadways and in and around the short-grass rangeland to provide excellent winter and spring grazing.

In addition to use in range and pasture plantings, the grass has special value for erosion control in field waterways and on flood prevention dams and spillways. It spreads rapidly from rootstalks to form a dense sod that can be maintained in good condition by simple management practices.

Success of western wheatgrass plantings depends on origin of the seed.

Native stands of the grass are more and more extensive from about central Kansas northward in the Great Plains. Much of the seed offered for sale each year is harvested from these northern

Scouts Begin Den Meetings Monday Afternoon

Weekly Cub Scout den meetings begin Monday for all local scouts. Boys who were scouts last year will be notified by their Den Mothers as to which den they are to attend.

Mothers interested in Den Mother work should contact E. B. Noble, Dimmitt's Scoutmaster.

A pack meeting is scheduled for September 25 at 7:30 p.m. in the South Grade School Cafeteria. Boys interested in Cub Scouting who are between the ages of 8 and 10 are urged to attend the pack meeting with their parents.

This northern seed is not adapted in Texas and should not be planted in the state because it will produce only plants with low vigor and low forage yield. The same is true of all other perennial native grasses grown in the south from northern seed, but western wheatgrass is more sensitive to Southward movement than most of the other natives.

It is important that anyone who plants western wheatgrass in Texas make certain the seed he buys was harvested in the Texas Panhandle, or from no farther north than the Oklahoma Panhandle counties.

Church of Christ has Special Lecturer

W. R. Smith, recently retired vice-president of Abilene Christian College, will speak each evening next week on the Christian Home. Mr. Smith is a very capable speaker and is eminently qualified to speak on this subject.

The breakdown of the subject is the relationship that exists between the Christian Home and: "The State"; "God"; "Parents"; "Delinquency"; "Apron Strings"; "Adjustments"; "Divorce and Remarriage"; "Perfection."

The Bedford Street Church of Christ urges you to attend these lectures each evening at 7:00 at their building on the corner of S. W. Fourth and Bedford Streets.

P-TA SPOTLIGHT

C. L. Kay, Lubbock Christian College professor will be PTA guest speaker Tuesday at 8 p.m. in the South Grade School Cafeteria.

"Our American Heritage" is the topic of his speech.

"Every possible effort is being made by the PTA committees to have interesting and enjoyable program this year," Mrs. Kenneth Shropshire, local president, said.

This year's PTA membership is reported to be higher than in years past and an all out effort is being made to increase the membership continually.

A "Cartoon Circus" is scheduled for each PTA meeting to occupy the attention of the younger set attending the meetings. The cartoon circus will be movie comedies shown in the old gymnasium in the high school building.

BABY BOY BORN

Mr. and Mrs. Lonnie Rice of Tulla are the proud parents of a five pound baby boy born at 3:23 p.m., Tuesday in the Neblett Hospital at Canyon. Lonnie Rice is the son of Mr. Olen Rice of Dimmitt.

Walter Rogers' WASHINGTON NEWSLETTER

HISTORIC CHANGES AT 1600 ...PENNSYLVANIA AVENUE

A visit to the White House, our nations official home, is a treat for anyone at any time, but since the effects of the restoration have begun to show results, the thrill is even more gratifying.

During the 12 years I have had the honor to represent you in Congress, Mrs. Rogers and I have had many occasions to tour the most famous house in the U.S. But never before have we been able to fully appreciate the miraculous changes that have reinstated the historic flavor of the White House decorum with the recovery of so many and beautiful treasures — coveted possessions of collectors and private citizens who have either loaned or given outright these priceless antiques associated with past Presidents which symbolize the dignity of the President's House. It is no wonder that over 1,260,000 people have visited the White House so far this year.

Early in 1961, Mrs. John F. Kennedy established the Fine Arts Commission under the chairman ship of multi-millionaire chemical heir, Henry F. DuPont. Instead of asking Congress for increased appropriations in her determination to restore the President's home as nearly as possible to its original decor, she sought her financial backing through private donations and asked Congress only for a law making the White House a museum under the vigilance of the Smithsonian Institution. The First Lady has the reputation of being a knowledgeable bargain hunter in the art and antique field and it is said that she is a master of the "soft sell." I suspect that many women were born with this "virtue," but my good wife disagrees.

Nevertheless, the Fine Arts Commission has 240 acquisitions to its credit, one of which is the famous 4 horsemen Remington bronze statue entitled, "Coming Through the Rye," a contribution of the Amos Carter Foundation. The Commission was prudently reinforced with an 18 member advisory committee including such noted historians as Julian Boyd, editor of the Jefferson papers, and Lyman Butterfield, editor of the Adams papers, plus directors and curators of leading U. S. museums and galleries.

Despite this formidable array of talent with which Mrs. Kennedy surrounded herself, the authenticity of the Baltimore desk on view in the Green Room which she so proudly displayed as "Our first

piece of unsolicited fine furniture" in the televised tour of the White House last February is in dispute and will be replaced by the famous Burgess desk, a well-known, well-documented piece of early 19th Century Maryland furniture.

The Green Room, the Red Room, the Blue Room, and so on — each is a splendor in itself and beckons the respecter of history, beauty and tradition. The East Room, now restored to its original gold and white decoration, serves as a great reception room on state occasions, but it is said that Mrs. Abigail Adams, the first First Lady to inhabit the newly constructed White House in 1800, used this room for drying clothes.

All the rooms are handsomely appointed and other beauties are to be added in the years to come. I was most impressed with the restoration of the Diplomatic Reception Room. In 1960, during the Eisenhower Administration, the National Society of Interior Designers furnished the room with excellent examples of American craftsmanship. A rug in the Aubusson manner was woven, incorporating the seals of the 50 states. The sofa, chairs and tables of New York and New England origin are in the appropriate classical or Federal style. The light cream-colored carpet and furniture upholstered in shades of yellow create a color scheme of superb gold and white, also popular in the early years of the Republic.

But in 1961 Mrs. Kennedy discovered, papered to the walls of a Thurmont, Maryland, home, a picturesque wallpaper called "Scenic America" printed in 1834. Can you imagine the tedious job of removing paper of this vintage and canvas backing for protection? However, today it graces the walls of this oval shaped room which are ideally suited to the panoramic sweep of the scenic views based on engravings of the 1820's that contain five views of American natural wonders particularly admired by Europeans, i.e., Niagara Falls, the Natural Bridge of Virginia, Boston Harbor, West Point, and New York Bay.

The White House is open to the public every day Tuesday through Saturday from 10 until noon. It is a "must" on the agenda of everyone visiting Washington, and if you give me sufficient notice I can arrange for you to see some of the rooms not generally open to the public. If a personal tour of the White House is not possible, second best is a copy of the book just published by the White House Historical Association, which is the first of a series of historic guides done in color and well worth the \$1 charge.

Powers Returns to Germany After Leave

SP-4 Jackie D. Powers, son of Mr. and Mrs. Jack Powers, has been visiting in Dimmitt while home on leave.

SP-4 Powers flew TWA in coming home. He left from Germany at 12:00 noon, July 21 and arrived in Dimmitt, 6:05 p.m., July 22.

Powers is stationed in Ansbach, Germany. He has 18 more months duty in the army to finish a three-year term.

He spent twenty-five days here in Dimmitt and returned to Germany August 18.

Powers commented on Germany, "It's very cold there, lots of snow. It wasn't even summer in July when I left."

Naomi Circle of WSCS Met Monday at Church

The Naomi Circle of Woman's Society of Christian Service met Monday at the church.

Mrs. Clarence Bearden was in charge. Mrs. S. R. Hutto gave the lesson from The Methodist Woman. Topic of the lesson was "Methodism and Compassion."

Mrs. Lee Stanford gave the devotional. Her subject was "Service in Giving." Scripture reading was from Romans 10: 6-16.

Twelve members were present. Mrs. Posey Cunningham will be hostess for next week's meeting Sept. 17.
