## Bronte Man Hurt in Shooting; Sweetwater Resident Charged

Paul Clark, 40, of Bronte, was reported in fair condition by relatives Thursday morning after sustaining a gunshot wound early Monday morning. The shooting allegedly occurred about six miles south of Bronte about 1 a. m. Monday.

James Thonton, 38, of Sweet-

water, has been charged with assault with intent to murder in connection with the shooting. Charges were filed in the court of Justice of the Peace E. C. Davis in Robert Lee.

Justin Keever, 51st District attorney, said that Clark, Thorton and a woman were enroute from San Angelo to Bronte when the shooting occurred.

Clark was shot once with a .22 caliber automatic, Keever said. After the shooting he was driven to the Bronte Hospital by the woman and Thonton, Keever added.

Thonton was freed this week on \$1,000 bond.

District Judge Joe L. Mays has ordered a session of the grand jury for 10 a.m. Monday to investigate the shooting.

## Betty Sweet Is In 'Miss Mohair' Contest This Week

Miss Betty Sweet, daughter of Mr. and Mrs. L. W. Sweet of Blackwell, was scheduled to be a duchess in the "Miss Mohair" contest in Fredericksburg Thursday. She represents the Sweetwater Board of City Development and was to compete with other duchesses for "Miss Mohair of 1958."

Her escort was Don Urbanek of Fredericksburg. A buffet supper for duchesses and their escorts was served prior to the coronation.

Miss Sweet will be a senior this fall at Blackwell High School. She was elected Area II FFA Sweetheart in May and was chosen "Miss Automobile" during June "Crazy Days" in Sweetwater.

Her parents accompanied her to Fredericksburg.

## BRONTE WATER SAMPLES RETURNED MARKED OKAY

Despite the taste of Bronte's water supply, four samples sent to the Texas State Health Department Laboratories proved to test ok and no harmful organisms were found.

The samples were collected July 25 from the Humble camp. City Cafe, Gulf Service Station and Cactus Cafe and a favorable report was turned on all of them.

## AD-LIB-BEN

Another meeting was held Monday night to discuss the proposed dams on the Kickapoo Creeks above Bronte. Evidently, there are many people in this area who are still interested in this project. As was very succinctly stated at the meeting, there seems to be only one thing to do, get the okay from the land owners on whom the dams will be located and go from there.

Nothing definite can be planned until these easements are secured, so any work done prior to accomplishing this may be wasted effort.

Due to lack of space this week, we are leaving out our "Mystery Farm" feature. Next week, we'll have another mystery farm picture, along with a writeup about the one last week.

Mr. and Mrs. Clovis Ford and family of San Angelo were Sunday guests in the home of Mr. and Mrs. Nealy Mackey.

Harry Currier of San Antonio spent two days last week with Rev. and Mrs. James Campbell and family.

Mrs. Randall Meador and girls of Abilene spent Monday with Mr. and Mrs. A. N. Rawlings.

## First Grade Teacher Hired

MISS PARKER

Miss Ona May Parker of Abilene was elected this week to teach the first grade in the Bronte school, beginning in September. The action was taken at a meeting of Bronte school trustees this week. She will succeed Mrs. Vetal Flores who will teach at Lakeview next fall.

In other business this week, trustees accepted the resignation of J. M. Rippetoe from the board, since he is moving from town.

Miss Parker has had 30 years teaching experience, 26 of which have been in the first grade. She holds both a bachelor and master degree, and has taught in schools in Abilene, Ballinger, Sylvester and for the past six years has been one of the first grade teachers at Lakeview schools in San Angelo.

## Record-Breaking Vote Cast in Coke Primary

A record breaking vote of almost 1500 in Coke County left two incumbents in county offices and placed a new man in the office of county judge. Both commissioners being voted on were returned to office and runoffs developed in races for justice of the peace in both precincts 1 and 2.

Coke County overwhelmingly supported Price Daniel for a second term as governor and Ralph Yarborough for his first full term as U. S. Senator. Rep. A. J. Bishop received a nice majority in his race for a fourth term as state representative from the 77th District.

This county backed Ben Ramsey for Lieutenant governor; Robert W. Hamilton and Joe Greenhill for supreme court justices; Bill Allcorn for land office commissioner; John C. White for agriculture commissioner. Races not mentioned above were uncontested.

W. W. (Bud) Thetford of Bronte outran two opponents, the incumbent Jeff Dean, and Ernest Ivey in his bid for county judge. J. L. (Chilly) Tinkler received a substantial majority over his opponent, Charlie Boecking, for county and district clerk, Mrs. Gertrude Gray received more votes than her two opponents for a return to the office of county treasurer.

In precinct 2, Howard Brock received more votes than C. E. McGuire for commissioner. Claude Ditmore was unopposed in precinct 4. George Wrinkle was high man, closely followed by Jess Liles in the race for justice of the peace. The race were B. G. Timmons, C. L. Knierim and Pete Nutter. In precinct 1, no JP candidates were on the ballot, but E. C. Davis and Roy P. Ross will have to have a runoff because Davis, who led the ticket, did not receive a majority of written votes.

The count on various races can be found elsewhere in this paper.

The local services were conducted by Rev. Douglas Brown, local Baptist pastor, and Rev. James W. Campbell, pastor of the First Methodist Church.

## Bicycling Scouts Spend Night at County Park Here

Tired, but happy, seemed to be the attitude of 25 Boy Scouts and their leaders as they rolled into Bronte Monday afternoon. The boys had ridden their bicycles from Silver on the first lap of a 200-mile journey.

The Boy Scouts bedded down for the night in the County Park here. They were guests of the Bronte Lions club and the four local churches at a barbecue supper Monday night and at breakfast Tuesday morning.

The boys left here Tuesday after breakfast for Norton, but were forced to turn back for a short time because of rain. They made it to Norton, however, on schedule for their noon meal, and on to Ballinger for the night.

Itinerary of the Scouts was set up to take them from Ballinger to Paint Rock, Eden, Melvin, Brady, Menard and Junction. The trip will end Saturday noon at Junction.

Boys who successfully complete the journey will be awarded a merit badge in cycling.

SETTING UP FOR THE NIGHT AND LEAVING—Twenty-five Boy Scouts and their leaders are shown above as they are parking their bicycles and getting set to spend the night in the County Park at Bronte. Lower shot shows the boys as they were leaving Bronte Tuesday morning. They were the guests of Bronte Lions Club and four local churches for supper Monday night and breakfast Tuesday morning.

**UNCLE HUIE from HOG CREEK says**

DEAR MISTER EDITOR:

My sermon this week is on buttermilk. I took this text on account of what happened to me in town last Saturday when I come in to vote. I had me a meal at one of them public eating places and when they brung the buttermilk, it tasted like it was made of talcum powder and lemon extract. I asked the lady about it and she said it was agin the law in most state now to serve the old fashioned buttermilk like we made in the churn. "It ain't healthy," she said. "It's got to be pastoorized."

Now I ask you, Mister Editor, ain't that a fine howdy-do! It's legal in some places to sell beer but it ain't legal to sell churned buttermilk because it ain't healthy. I reckon that's why these old farmers around here die off when they get to be 85 or 90, just drinking too much of that churned buttermilk. I knowed a preacher out this way onct that used to drink a quart of the stuff at a meal, then git up and say he'd walk ten mile to brother Smith's house. But that churned buttermilk finally got him in the prime of his youth, about 86 he was when it happened.

When I was knee-high to a

puddle duck we used to keep the buttermilk in the spring house, and it wasn't fitten to drink unless you had to spoon off a frog or two from the top.

Of course, I reckon a feller could git some bootleg buttermilk in them big cities. He could give the waiter a wink and git some churned buttermilk if he'd take it off the premises to drink.

And this brings up the question of what they would do with a feller if they caught him driving under the influence of churned buttermilk. I can hear him now telling the Judge, "Listen, Your Honor, I just had a couple glasses, and so help me, it was pastoorized and I drunk it on the premises." And the Judge would give out the customary sentence. "Another one of them just two glasses fellers, huh? Lock him up, officer, and I hereby and herewith, under the authority granted me by this great sovereign state, order the churn confiscated and destroyed."

In another ten year, Mister Editor, it'll be illegal and unhealthy fer a farmer to drink water from his own well out of a gourd. When you stop to take note of these things, it's easy to

**Mrs. Brock Honored With Bridal Shower**

Mrs. Bobby Brock was the honoree at a bridal shower given in the home of Mrs. J. F. Hughes on Wednesday, July 23. Other hostesses were Mmes. J. D. Luttrell, Jr., A. L. Wrinkle, T. F. Sims, Jr., Clayburn Webb, C. E. Hageman, C. E. McGuire and Miss Juanita Wrinkle.

Cookies and punch were served by Epsie Jo Hageman and Modene McGuire from a table laid with a white lace cloth over blue. The centerpiece was a nest of blue and white ribbon with two lovebirds in the center. Other table decorations were blue and white candles in crystal holders.

**TOUR WESTERN STATES**

Mr. and Mrs. Vetal Flores returned Monday after a two weeks vacation trip through the western states. They toured Santa Fe, N. M., the cliff dwellings at Mesa Verde National Park and Salt Lake City. While in Salt Lake City they attended a concert and an organ recital. They went on to Reno, Nev., and San Francisco, Calif. Points of interest visited in San Francisco included Chinatown. They visited the Monterrey Peninsula enroute to Los Angeles, where they visited Disneyland, Knotts Berry Farm and other points of interest. They made a one-day trip to Catalina Island, where they saw the homes of Gene Stratton Porter and Zane Grey. Enroute home, they visited in Palm Springs where they saw several movie celebrities and many homes of persons in the movie industry. The Flores' returned by El Paso and Juarez, Mexico.

Mr. and Mrs. James Hendrick and children of Hobbs, N. M., are visiting his parents, Mr. and Mrs. Clyde Hendrick, in Bronte.

see why them tranquilizer pills is selling so good.

Well, Mister Editor, I got to knock off now and go hide my old lady's churn. I see a couple suspicious looking strangers coming down the road.

Yours truly,  
Uncle Huie

According to Luke Proctor, superintendent of the state fish hatchery at San Angelo, those people who have fish ordered from there can expect delivery in September, October, or November. The applicants will receive notice a few days ahead of time about the date, time, and place to meet the hatchery truck.

Applications for fish can be obtained from the State Fish Hatchery in San Angelo. Fish for stocking ponds can also be obtained from your local Soil Conservation Service Office.

The layout of one-half mile of diversion and two miles of level, closed end, field terraces has been completed on Howard Brock's place near Bronte. The diversion

protects the field from outside water and diverts the water into a nearby stock pond.

Otis Smith's Great Plains Conservation plan has been completed. Practices that he plans to receive assistance on in his first contract year will include 3500 feet of net wire diversions; rootplowing and seeding to Blue grama, Green sprangletop, Sideoats grama, and Blue panic on 50 acres; one-half mile of cross fence to facilitate rotation grazing; and 25 acres of rangeland will be pitted and

seeded to the same mixture of grasses.

Frank G. Seltz, who farms north of Robert Lee, is a new cooperator with the Coke Soil Conservation District.

Local farmers and ranchers are finding that net wire diversions are an effective replacement for the more expensive spreader dams. Net wire diversions are best used to break up concentrations of water in shallow depressions above gullies, overfalls, and at ends of existing structures

to introduce further spreading. Net wire diversions have advantages in that they are easily constructed from material that may be available at little or no cost, they do not stave areas of vegetation behind them, need no special tools for construction, and can be used on areas with fair sized drainages.

I wish to thank the people of Coke County for the support that was given me during this first primary election.

Also, I wish to express my appreciation to all the citizens of our county for the excellent cooperation that I have enjoyed throughout the past years while serving as your County Judge.

I also wish to state that, if I could have had the privilege of hand-picking my successor in this office, I don't think I could have done any better than the people have done by selecting Mr. Thetford.

I assure you that you can expect a continuance of my full cooperation in this office throughout the remainder of this term.

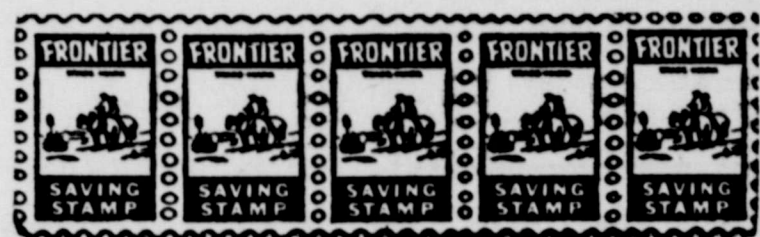

Sincerely your friend

**to Everyone**

for the fine support and vote of confidence given me in last Saturday's election. I pledge again that I will do everything I can to uphold the trust which has been placed in me and carry on the work of this precinct and this county the very best that I know how.

For all favors, past and present, I am humbly grateful.

**HOWARD BROCK**

Commissioner,  
Precinct 2

**THANKS to EVERYONE**

I am humbly grateful for the wonderful support which you gave me in the Democratic Primary Election last Saturday. It was a genuine pleasure to meet and visit with all of you during the campaign, and I thoroughly enjoyed seeing each of you.

Also, I would like to say at this time that this race was a genuine pleasure because of the high type campaign carried on by my opponents. They were both completely fair in every phase of the campaign.

Again, I would like to pledge myself to the people of Coke County to make them as good an official as I possibly can.
