Volume 40

BRONTE, TEXAS, DECEMBER 19, 1958

No. 51

BRAND NEW—Here is the new home of Butane Service & Hardware Co. in Bronte. The building, located on Highway 277, north of Main street, houses a hardware department and a new automatic laundry in the north side. R. H. Sims is owner of the business.

## Butane Service & Hardware Co. Formal Opening This Weekend

Mr. and Mrs. Robert Hugh Sims are having the formal opening Friday and Saturday of their business in their new building. With the opening this weekend, they are changing the name of the firm from Butane Service Co. to Butane Service and Hardware Co. The new building is located on North Highway 277, a block from Bronte's main street.

Mr. and Mrs. Sims will have their new building open for inspection both Friday and Saturday. They will serve free refreshments all day Saturday. A large group of door prizes will also be given away at a drawing Saturday at 3:30 p. m. They urged everybody to come by and register for the prizes and added that persons whose names are drawn for prizes must be present in order to be eligible to receive them. Persons other than those whose names are drawn will not be given prizes, even though they may be members of the same family, Sims said.

## Bitter Cold Here Past Week

Bitter cold weather predominated over the Bronte area during the weekend and the first of the week, with temperatures dropping as low as 15 and 16 degrees Saturday, Sunday and Monday nights. A warm-up and thaw-out began Wednesday with temperatures expected to continue rising the next few days. No moisture accompanied the arctic air mass which poured the cold air in over this entire area.

## AD-LIB-BEN

Everyone in this entire area should be proud of the new home of Butane Service & Hardware Co. This splendid new building has been constructed at great expense so that the firm can better serve the people of Coke County and nearby communities.

Mr. and Mrs. R. H. Sims are to be congratulated on completion of the new home for their business. Not only have they provided a new home for the business they have been operating for the past three years, but they have added an automatic laundry which will be open early and late for the convenience of everyone around here.

They are having an open house Friday and Saturday. You should go by and visit them in their new building. You will enjoy seeing what they have done. Besides, on Saturday they will serve you free refreshments and you might even win a valuable prize from the group they are giving away.

Free ash trays for grown-ups and balloons for the kiddies will be given during the formal opening.

The new building which contains nearly 2600 square feet of floor space is 40 feet, 4 inches by 64 feet. It is of tile and concrete construction, has sheetrock partitions and a plate glass front. The floor is of inlaid tile.

The building is divided into three main parts: The hardware department is 24 by 44 feet; the

## Coke Farmers Vote To Keep Cotton Control

Coke County cotton farmers favored continuing present rigid controls in the nationwide referendum Monday. Texas and other states voted heavily in favor of acreage controls.

The Coke County vote was 35 to 9 for continued controls, while 75 persons were eligible to vote.

J. E. Quisenberry Jr. says Coke County's cotton acreage allotment for 1959 will be 6,900 acres. The county's allotment in 1958 was 8,000 acres. Not more than 1,000 acres was planted, however, the rest going into the soil bank.

Cotton made good yields the past season, the average being about one-half bale to the acre.

new laundry is 16 by 31 feet; storage in the back is 24 by 20 feet. In addition to these three main rooms, the new structure houses a bath room, boiler room and den.

Central heating and air conditioning are provided to insure comfort in the building in all kinds of weather. The lighting is provided with the latest Slim line fixtures.

The laundry in the north part of the building is a new business for Mr. and Mrs. Sims. They have named this department Maytag Laund-O-Rama. The laundry has ten automatic Maytag machines, two Alco dryers, a starching unit, tables for folding and a coin changer. All the machines are coin operated and charges are 20c for washing a load of clothes and 25 cents for drying.

Sims went into business April 1, 1955, when he bought out A. F. Ball. Only a small stock of hardware items was included at that time and he has added to it continually since that time. Now he has a large line of general hardware, appliances and houseware. Sims operates two butane delivery trucks, one in Bronte and one in Robert Lee. Ben Alfred Boykin is in charge of the Robert Lee sales. Sims is also Magnolia petroleum products wholesale agent for this area.

In addition to Mr. and Mrs. Sims, Boykin and Mrs. C. E. Arrott are employed by the firm

## Bronte Ready For Holidays

Bronte Schools dismiss this afternoon for the Christmas holidays. Classes will not be resumed until Monday, Jan. 5, giving students, teachers and other employees a full two weeks holiday.

Class parties and Christmas trees are planned for afternoon in the elementary grades. High school classes have their parties outside of school hours. A high school assembly program will be held at 1 p. m. today.

Merchant in Bronte are reporting a good Christmas business which is expected to increase until they close their doors next Wednesday night for a well-earned

two day Christmas holiday. Most of the stores will re-open on Saturday morning.

Several business houses are offering free prizes and the Butane Service and Hardware Co. formal opening is this weekend. They are giving away a number of prizes during tomorrow.

Most merchants report that they still have a good supply of gift items and urge customers to do their last minute shopping here in Bronte.

Christmas programs and trees are also being planned for Sunday, and most will be on Sunday night.

## Paper Out Early Christmas Week

The Bronte Enterprise will be published two days early next week in order to get it to subscribers before Christmas. Since Christmas falls on Thursday this year, and that is regular press day for the paper, the printing time was moved up.

In order to meet this deadline, the staff is asking the cooperation of everyone in getting in news and ad copy early. Saturday would be the best time for getting in copy, but Monday will be the absolute deadline.

As usual, the Enterprise will carry as many local items as are available about Bronte folks and their Christmas activities. If you have not reported your plans for Christmas, call The Enterprise or Mrs. Marvin Corley.

The Enterprise has an unusually good selection of Christmas greeting ads this year, and if you are interested in running one either as a business firm or individually, just call this office.

The usual cooperation of our correspondents in the various communities will be appreciated.

## WRITE LETTERS TO SANTA CLAUS

Kids, it's time to get your letters in to Santa Claus in order that they be printed next week in the Christmas edition of the Bronte Enterprise. In fact, the time is even drawing late as the letters must be in by next Monday.

Just address your letters to:  
Santa Claus  
c/o Bronte Enterprise  
Bronte, Texas  
We'll print the letter in our Christmas edition and see that they are delivered to the old-gent.

## Bronte School Per Pupil Cost Lower Than Most

Figures released this week by the Texas Education Agency, Division of Research, revealed that the per pupil cost of instruction in the Bronte school is lower than most of the schools in this area. In fact, it was 2½ times lower than some of the neighboring schools.

Supt. Garland Glack said he felt patrons of the local school would be interested in the figures at this time. Considerable interest has been shown by school district residents lately because of the deficit which the school has incurred the past two years.

The TEA report showed that in 1956 Bronte School spent a total of \$455.60 per pupil, while in 1957 this cost dropped to \$385.60 per child. These figures include all money both state and local, received by the school.

Other schools in the area and their per child cost revealed the following figures for 1957: Robert Lee, \$352.59; Norton, \$474.00; Blackwell, \$629.91; and Wingate, \$962.87.

These figures are based on the number of school age children residing in the district who attend school regularly. Any school age child not attending classes regularly is not counted. The amount of money spent is based on the total budget of the school for that year.

Humble Oil tax men who were here a few days ago stated that Bronte School spends less money per child than any other school where Humble has company holdings, Black reported. He added that the Humble representatives said this had been true for the past several years.

**UNCLE HUIE from HOG CREEK says**

The time of year has come when business folks is handing out 1959 calendars and them financial experts is writing up their predictions fer next year.

The calendars is getting better or worse, sorter depending on a feller's age. Back years ago we had pritty wimmen in hats and veils, showing 'em from the waist up. Then we had a spell from the waist down, showing knees, silk hose and sometimes a few unmentionables. Then we had what you might call the Marilyn Monroe era when they showed 'em wearing practically nothing, up or down. This year I see they've gone out fer more landscape scenes. My preacher is going to claim the calendar fashions is improving.

And them writers making the financial predictions fer 1959 don't take no chances with their reputation. The way they predict the situation, they can't lose. They claim we'll have a little rise here, a little dip there, that prices will rise some and fall some. That's like saying tomorrow will

be a bright and sunny day only it might rain. When a feller stays a fraction of a inch above water, a little dip puts him under.

I ain't no prophet, in fact I ain't too shore about what happened this year, but I'll give you my predictions fer 1959.

Both the Democrats and the Republicans say they is going to reduce taxes. I predict there'll be no reduction that's visible to the naked eye. I been here a long time and I ain't never saw taxes come down unless they put on some other levy to balance it off. Like the experts say, prices will go up and down. Fer instant, the price of cotton will go up around planting time, and the farmers will start planting it like they had to git some of it growed to git into heaven. About the time they git to the gin with it, the prices will fall.

I predict 1959 will be about as usual. It'll rain too much at times, be too dry at times, politicians will do no better and no worse than common. Most people will spend more money then they

**Mrs. Herron Hostess At Art Craft Club's Christmas Party**

The annual Christmas party of the Art Craft Club was held in the home of Mr. and Mrs. R. H. Herron on Dec. 11. The affair honored husbands and invited guests of the members.

Mrs. B. E. Modgling gave the invocation, followed by a turkey dinner with all the trimmings served.

After dinner, Mrs. Emma Sims spoke on Christmas Customs in other lands, particularly stressing those in Holland, Switzerland and England.

Gifts were distributed from a decorated tree.

Those present included Mmes. Olive Keeney, Annie Wilkins, Emma Sims, Nora Bridges, Mae McQueen, Minnie B. West, Dr. and Mrs. J. D. Leonard and Messrs. and Mmes. Taylor Emerson, Sam Gray, J. L. Keeney, Chester Kiker, B. E. Modgling, Ben Reeves, F. E. Modgling and the host and hostess.

The next meeting will be in the home of Mrs. Taylor Emerson on Jan. 14 with Mmes. Emerson and West as hostesses.

Mrs. Bill Husky of Big Spring was an overnight guest Friday in the home of her sister, Mrs. Albert Grace, and family.

ought to, and most of us will spend more'n we got.

Fer folks like me in the nip and tuck class, we'll git a little ahead onct in a while, decide maybe we can pay our taxes fer a change, then somepun will happen and the surplus is gone and we'll be back nipping and tucking.

The best advice I got fer 1959 is to put our faith in the good Lord and live it day by day.

Yours truly,  
Uncle Huie

### County Agents News Column

By STERLING LINDSEY

The Stock Show season is just around the corner. From all indications the 1959 edition of the Coke County Stock Show will have quantity and quality. We hope the weather will cooperate and everyone

will make an effort to attend the County Show.

This year's show is scheduled to be held on January 12th at the show barn in Robert Lee. Approximately 15 beef cattle, 120 sheep and 65 hogs will be on hand to vie for the honors. The boys and girls will be happy to have you see them in action.

Now that field work has slowed, having your soil tested for fertility would be worth your consideration. Then if fertilizer needs to be added, you could be ready to do so at the proper time in the Spring.

Soil testing is rather inexpensive and has paid off handsomely in some instances. Joe Rawlings, of the Lometa Community, was pleased with the results of the fertilizer applied to his oats last year. I am sure other operations can meet with equal success. The application of fertilizer to small grains in February if moisture is available looks particularly promising. If you will, experiment with a few acres next spring.

Mr. Elliott, the government trapper working in the area, has done an excellent job of trapping. He caught his third bobcat during the eighth day he was on the job.

A group of 4-H club members met Monday night to study and discuss wildlife conservation. We were pleased to see the interest shown by them in the Conservation of Wildlife. Through their efforts and the efforts of others, we believe game fish, birds and animals can be increased in the county.

The boys present and thinking about setting up conservation demonstrations were Gaylon Pitcock, James Bird Pentecost, James Calder, Bobby Blaylock, Gerald Sorrells, Robert Wink and Kenneth Wink. Game warden Glendale Crook assisted with the meeting and volunteered to assist the boys in developing wildlife programs.

The Coke County 4-H club girls and boys were awarded second place in the district in the Electric Program for 1958. A nice certificate and a check for \$50.00 to be used in furthering club work have been received from the State 4-H club office.

### Bronte Girls Win Consolation at Christoval Meet

Bronte's girls basketball team again won the consolation trophy last weekend, this time at Christoval. They lost their first game to Water Valley by a tight score, 53-51. Juanita Wrinkle was high scorer of the game with 21 points, followed by Epsie Hageman with 19 points. Munn of the Water Valley team scored 42 points.

Taking the consolation route, the local girls won their next game from Forsan, 40-33. Eloise Hester and Yvonne McCutchen tied for high points with 16 each.

In the consolation finals Bronte beat Wall 39-21. Yvonne McCutchen scored 20 points and Eloise Hester had 11 to her credit.

Epsie Hageman was named a guard on the all-tournament team.

### Last Week's Mystery Farm Is Not a Farm

Last week's Mystery Farm wasn't a farm at all but the home of Mr. and Mrs. I. I. Woods, nine miles north of Bronte on highway 70. It is a company house belonging to Lone Star Producing Co., by whom Mr. Woods is employed.

Lone Star Producing Co. bought the land for the house from W. D. (Pete) McDonald, about six years ago. The Woods family has occupied the house since its construction at that time.

### KATHERINE WHITE GIRLS AUXILIARY MET TUESDAY

The Katherine White Girls' Auxiliary met Tuesday afternoon at the home of Mary Helen Campbell. The girls popped corn and then visited several homes in Bronte to try to enlist members.

Present were: Peggy Corley, Jeanna Denman, Elaine Glenn, Jan Wilkins, Janice Hester and Linda Jones. Leaders are Miss Campbell and Mrs. A. Z. Denman.

Do all your Christmas in local stores this year.

## Lone Star Asks For Price Raise

Lone Star Gas Company has filed with the Railroad Commission of Texas an application for an upward adjustment of the company's authorized intra-company city gate charge.

The present charge of 30 cents per thousand cubic feet for gas delivered at the city gates in Texas cities served by Lone Star for domestic and commercial usage and unaccounted-for gas would be adjusted upward to 40 cents.

Approval of the requested upward adjustment would serve to

re-establish the charge that existed for a long period of years prior to the year 1942 when the charge was reduced from 40 to 30 cents.

The application states that the proposed increase is based primarily upon the drastic increase in the cost of gas at the wellhead. This cost has risen approximately eight cents per thousand cubic feet since Jan. 1, 1951, company officials say. Additionally, there have been increases in taxes, material costs, labor and other operating expenses.

Residential and commercial consumer rates would not be immediately affected by Railroad Commission authorization of an upward adjustment in the city gate

charge. However, a Lone Star spokesman stated the company may be required at a later date to file applications for increases in residential and commercial rates.

Bronte is served by the Lone Star system.

## Boys Lose Out In Tournament At Christoval

First district games for the Bronte basketball teams were scheduled for last night with Eldorado here. The teams asked The Enterprise to urge that fans support the local teams in their games.

The boys team is entered in the Winters tournament this weekend.

They lost out both for the championship and consolation last weekend in a tournament at Eldorado. They won their first game 41-35 over Eden with Steve Baggett scoring the most points for Bronte. He had 12 points, followed by Kenneth McCutchen with 11.

Losing their next game 42-34 to Eldorado, Baggett again was high with 13 points, followed by Bennie Corley with 10.

In the final game, Bronte lost to Mertzon. Baggett scored 23 points, while Albert Grace was next with 10.

## LETTERS TO THE EDITOR

Dear Libby:

I saw in the Enterprise that you accept subscriptions to any magazines and the profit goes to the Methodist Talent Fund. I have been getting The Readers Digest and Guideposts this year as a gift. I would like to renew both and had rather the profit went to the Methodist Talent Fund there than anywhere I know of. So I am enclosing some money for same. I like both of those magazines very much. Would like so much to see

the finished church. That church will always be very dear to my heart since it was the first church I ever belonged to.

I do like to get the Enterprise and get it every Monday A. M. I am on duty now. I like my work here and also only live 4 or 5 blocks from the First Methodist Church.

## MURDER TRIAL SET FOR JAN. 19

(From Robert Lee Observer)

Murder trials of two Negroes have been set for January 19 in District Court at Robert Lee.

The pair, Roosevelt Wiley, 26, and Willie McDade, 17 are charged with stabbing to death L. H. (Shorty) Canada and robbing him of \$800 early in the morning of last October 24.

They were arraigned separately before District Judge Joe L. Mays here Tuesday forenoon, when each pleaded not guilty. They had been indicted Dec. 8 by a Coke County grand jury. The Jan. 19 trial date was requested by District At-

The Bronte Enterprise

Dec. 19, 1958

torney Justin Kever.

Two attorneys appointed by the court to defend Wiley are Aubrey Stokes and Royal Hart, both of San Angelo. McDade's court appointed lawyer is Clyde Vinson, also of San Angelo.

It is understood the men will have separate trials and the jury venire will be increased from the usual 36 to 72.

The Negroes were arrested in Big Spring a few hours after the murder. They had driven toward San Angelo in a stolen truck. After it broke down they stopped Canada, who operated a Gandy Creamery truck and headed toward Sterling City on Highway 87.

After killing Canada, they drug his body into a weed patch across a nearby railroad track. The crime occurred just inside Coke County.

Both prisoners were ordered held without bond in a hearing before Justice of the Peace E. C. Davis and placed in the Nolan County jail at Sweetwater for security reasons. McDade was later brought to the Coke County jail where he continues as a prisoner.

Wiley was brought to Robert Lee by Nolan County officials Tuesday. After the arraignment he was removed to the Tom Green County jail.

## COKE SOIL CONSERVATION DISTRICT NEWS

Present Supervisors —

C. N. Webb, chairman; Robert Walker, Vice Chairman; D. K. Glenn, Secretary and Treasurer; Bryan Yarbrough and W. E. Burns.

The Great Plains Conservation Program in Coke County has picked up momentum the past few weeks. New applications in the program consist of M. R. Stewart on two places and Will Percifull's place south of Robert Lee.

Plans were just completed on a new Great Plains contract with D. K. Glenn of Bronte. Mr. Glenn already has two other farms under the program. The plan calls for rootplowing, basal treatment of mesquite, range pitting, range seeding, pasture planting, and net wire diversions. A conservation plan has just been completed on the W. Wrinkle farm, north of Bronte.

A 6,000 cubic yard pit-type pond has been staked on Bert Blaylock's ranch south of Robert Lee. Buster Pierce has a 10,000 cubic yard pit-type pond staked on his farm south of Robert Lee.

Impounding type ponds were completed on the C. E. Arrott and Olen Blanks ranches. A conical shaped pit-type pond has been completed on Otis Smith's place northwest of Bronte.

Mrs. Charles Ray Brown and girls, Mr. and Mrs. Chester Derrick and girls, Andrews, Freddie and Gussie Thomas, Mr. and Mrs. Marvin Melton, Mr. and Mrs. W. T. Sowell, Mr. and Mrs. Billy Hill of San Angelo, Mrs. Tom Green, Mrs. Adeline Carper and Miss Bessie Stewart.

Thelbert (Square) Henson is ill in the Young clinic in Sweetwater.

Mrs. Tom Payne and Mrs. R. V. Copeland are ill in the Bronte Hospital.

Mr. and Mrs. Desmond Ragsdale and children of Abilene are moving to Blackwell to live.

### Mary Martha S. S. Class

Mrs. Daisy Henderson was hostess to the Mary Martha Sunday school class for a Christmas party Tuesday afternoon, Dec. 2 with Mrs. Elmer Grimes and Mrs. J. T. Sanderson as co-hostesses. After a Christmas program was given, gifts were exchanged and secret pals revealed.

A refreshment plate was served to Mmes. Jessie Reed, Andy McLendon, Willie Burwick, Melvin Bryant, T. P. Griffin, Lou Smith, W. E. Lackey, Mae Russell, Lela Jackson, Mack Sliger, Etta Patterson, Emmett Ware, Miss Bertha Smith and the hostesses.

### W. S. C. S. Meeting

The Women's Society of Christian Service of the Blackwell Methodist Church met in the home of Mrs. Eddie Garvin Monday afternoon, Dec. 15. Mrs. Jerrell Sharp gave a history of Miss Betty Campbell, missionary to Cuba. Mrs. Sharp and Miss Campbell were schoolmates at McMurry College in Abilene. A love offering was sent to Miss Campbell.

Little Pamela Beck daughter of Mr. and Mrs. Richard Beck sang "Away in a Manger."

Christmas carols were sung by the group and pictures of Miss Campbell's work in Cuba were shown.

A refreshment plate was served to Mmes. A. S. Hendry, Richard Beck and Pamela, Bob Ragsdale, T. A. Carlisle, Austin Jordan, Lee Alderman, L. W. Sweet, Austin Jordan, Jerrell Sharp, P. G. Dabney, H. C. Raney, Willie Marcum, Charles Ragsdale and the hostess.

### W. M. U. Day of Prayer

The Baptist Women's Missionary Union met, Dec. 5 for an all-day prayer program observing The Lottie Moon Christmas offering for foreign missions.

Theme of the program was "And Yet Abideth... Hope", led by Mrs. Willie Robertson, prayer chairman, with other members of the W. M. U. taking parts.

A covered dish luncheon was enjoyed by ten ladies present. The day had been set as "Around the World Day of Prayer."

### Eastern Star Christmas Program

The home of Mr. and Mrs. L. W. Sweet was the site for the annual Christmas party of the Order of Eastern Star on Tuesday evening, Dec. 9. It was held at the close of the regular meeting.

A Christmas tableau, directed by Mrs. Jack Stewart, was in five colored speaking parts by five points of the Star and the Worthy Matron, depicting the life of Joseph and Mary, followed by the manger scene. It was interspersed with vocal numbers by Mrs. B. R. McCarley with Mrs. L. W. Sweet at the piano. The program concluded with singing of Christmas Carols.

A silver spruce tree, decorated with balls and glitter, was cen-

ter of gala decorations. On the table was a circle of styrofoam, centered with an angel on a plaque of tinsel and glitter. White candles burned in silver holders on either side. Traditional pine cones, and greenery were used throughout the rooms.

Mmes. Eddie Garvin and Jack

Stewart served as Santa. Assisting in serving with Mrs. Sweet were Mmes. C. B. Smith, W. W. Youngblood and Therrell Burwick.

Mrs. B. F. Richey has gone to Nolan to visit her son, Mr and Mrs. W. H. Crabb and family. She will stay until after Christmas.
