Burglars Strike Robert Lee Firms On Christmas Night

(From Robert Lee Observer)

Fast moving burglars visited Robert Lee Christmas night, breaking into the U. S. post office and three business places. Their loot amounted to not more than \$50 in money and merchandise. So far they have escaped apprehension.

Besides the post office they broke into Baker's Grocery & Market, J. F. McCabe's Humble service station and broke into a soft drink machine in front of Loyd Phelan's Texaco service station.

The burglars were less fortunate at the Calvin Wallace Grocery & Station where they smashed out a front window but failed to get inside because of a wooden barrier. They broke out a glass of a rear door to gain admission to the post office, while front doors were smashed at both the Baker and McCabe places of business.

First information of the robberies was uncovered by Mrs. B. B. Pierce and Mrs. Ell Hatley, who had gone off duty at Coke County Memorial Hospital at 11 p. m. Driving by the post office they discovered the back door wide open and phoned Postmaster H. S. Lewis Jr.

About the same time Mrs. Genie Baker heard glass being broken at the McCabe station door across the street, and the noise was also heard by her son, Ronnie Baker, who lives next door and was watching TV.

The burglars saw Mrs. Baker when she came out onto her porch and soon drove off west on Highways 208 and 158 which run through town. By that time Deputy Sheriff O. B. Jacobs had also been notified and got out of his house just in time to see the light colored car drive past.

He gave chase, hoping but not sure it was the burglars' auto. About three miles out of town on

Highway 208 he met a car that was coming toward Robert Lee. Jacobs then turned around but failed to catch up with the car. He figured it had pulled off the highway and turned out the lights.

The deputy sheriff returned to Robert Lee and found Constable and Nightwatchman Ollie Roe, who had stopped for a short time at the Ross Conoco Station. Roe said he had made the rounds less than a half hour before, but had seen nothing suspicious, and at no time during the night had he noticed the strange light colored car in town.

Suspecting that the burglars had headed toward Colorado City, authorities there were requested to set up a road block. The stolen car they were driving was found on another street, and the following day it was learned another car in the vicinity had been stolen.

Postal Inspector English is working on the case along with other officers in West Texas. Much of the stolen property was left in the car abandoned at Colorado City. Some clues have also been found, including a jacket with a name inside.

The car used by the burglars in Robert Lee had been stolen earlier in the night from the home of Joe McNutt, 217 Iris, San Angelo. It belonged to P. W. Young of Connally AFB at Waco, who was visiting McNutt.

Taken from the post office was an adding machine, an alarm clock and a few dollars from Carrier Bob Read's cash box. Sunday morning the adding machine was found by Constable Roe along the highway near Panther Gap, 4 miles east of Silver. It had been thrown from the car and was badly damaged.

The Baker store lost \$14 in change from the cash register, as well as some groceries, candy bars, a two-foot link of bologna, cookies and cakes. Much of the merchandise was recovered.

Mr. McCabe said they took about \$14 from a cash drawer at his service station.

Graveside Rites Held Thursday for Hughes Infant

Graveside rites were conducted at 2:30 p. m. Thursday, Dec. 25, for Ronda Jo Hughes, infant daughter of Mr. and Mrs. Ronald Hughes of Snyder. The baby died about 8:30 a. m. Christmas Day in the Bronte Hospital, where she had been since her birth on Nov. 29.

Rev. R. W. Blackmon, pastor of Kickapoo Baptist Church, conducted the services. Cliff Funeral Home was in charge of arrangements.

Pallbearers were D. K. Glenn and Allen Sherrod.

She is survived by her parents and her grandparents, Mr. and Mrs. J. F. Hughes and Mr. and Mrs. Wilson Sharp, all of Bronte.

DEATH OF MRS. GUITTARD

Funeral services for Mrs. F. G. Guittard of Waco were held Dec. 26 at the First Baptist Church there. Mrs. Guittard died unexpectedly Thursday, Christmas Day, in a Waco hospital. Her death was attributed to a heart attack.

Mrs. Guittard was well known here and had visited here often. She was a sister of Mrs. Carrie Williams, former Bronte resident, and a sister-in-law of Mrs. C. C. Glenn.

West Texas relatives who went to Waco to attend the services were Mr. and Mrs. James Glenn and Jimmy of Winters, Herman Glenn of Crane, Betty Jo Glenn of Abilene and Mrs. C. C. Glenn.

Betty Jo Glenn of Abilene spent Christmas here with her mother, Mrs. C. C. Glenn. They went to Winters on Christmas Day for a dinner with other members of the family.

\$61,000 Is Pledged For Golden Age Home

Prospects for materialization of the Golden Age Home in Bronte have been looking up the past several days. The amount of money pledged to raise Bronte's one-fourth of the cost of the home was swelled to \$61,000 recently when Mr. and Mrs. C. H. Wylie made a substantial contribution to the fund.

This total leaves some \$26,000 yet to be raised before the home here in Bronte can become a reality.

Rev. James W. Campbell, chairman of a committee which is working to raise the needed \$87,000, said this week that he is well

pleased with the way contributions have been coming in for the home.

He emphasized, however, that much work remains to be done before the required goal is reached. Campbell and others interested in the project have built a large thermometer-like structure to keep local residents informed on progress of the fund raising drive. It will be erected within the next few days in a prominent place here in town.

Campbell said that pledges of all sizes are needed, and that "several small gifts amount to just as much as a large one." He added that contributions of local residents, no matter what the size, are votes for constructing the home in Bronte.

Pledge cards are available from members of the committee, including Campbell, L. T. Youngblood, Joe Carter, D. K. Glenn, C. E. Bruton, B. E. Modgling, and at The Enterprise office.

The home will cost approximately \$347,000 and would provide living quarters for 68 elderly persons. In addition to their quarters, the plant would consist of a kitchen, dining room, common or recreation room, dispensary, chapel, and superintendent's home.

All Aliens Must Register in Jan.

Harlon B. Carter, District Director of the Immigration and Naturalization Service, stated that aliens in the United States will be required to report their addresses to the Attorney General within the near future.

All aliens, with few exceptions, who are in the United States on January 1 each year must report their addresses by the end of that month. Only the following classes of aliens are excused from this requirement: (1) Accredited Diplomats; (2) Persons accredited to certain international organizations; and (3) Those admitted temporarily as agricultural laborers.

Forms with which to make the report can be obtained from any Post Office or Immigration Office during the month of January. Carter said that the law provides severe penalties for failure to comply with the reporting requirement.

Here for a Christmas visit with their parents, Mr. and Mrs. R. H. Herron, were their children, Mr. and Mrs. Carroll Leathers and children, Mr. and Mrs. Bill Herron and Mike and Roberta Herron, all of Odessa.

UNCLE HUIE from HOG CREEK says

I see by the papers where Mr. Bernard Baruch says "hard work is the only way of defeating inflation." He goes on to say everybody has got to work hard or inflation will ruin us.

Mr. Baruch is a adviser to Presidents, and I'm wondering where he gets all them un-American ideas. Certainly we'll avoid inflation if everybody works harder, and if everybody goes to jail there won't be no crime on the outside.

We're getting entirely too many strange ideas in this country. If Mr. Baruch wants to work harder, let him do it. It's a free country, and I'm all for him. But I got better ideas on how to cure inflation. Fer instant, some of them folks in Government could git out of the public trough and do half a day's honest work at somepun else.

I see, fer instant, where the Government rents about 11 per cent of all the office space in the city of Indianapolis and about 10

per cent of all the office space in ever large city in the United States. They have filled up Washington, spread out into Virginia and Maryland, and now they is crowding into all parts of the country. And in ever office they got 'em stuffed in the rafters with Government workers.

With all due respect to Mr. Baruch, I don't aim to work no harder till them Congressmen start squeezing our Government into a little less space and with a little less office help. He says that inflation may take a turn for the worse by Spring. In case Mr. Baruch ain't had no experience in agriculture, I can advise him that Spring is the time of year when it's hard to tell the plant from the weed, and when grass and corn look about alike and I'm going to continue my system of waiting to see which is which afore I set out to sweat over the problem, inflation or no inflation.

Yours truly, Uncle Huie

Tax Man Sam Sez:

If you own or operate a farm you will probably want to get and read the "Farmer's Tax Guide," Publication 225. This is a free booklet that tells farmers in a dirt farmer's language how to prepare their farm tax return. Preparing a farm return on Form 1040-F and on Form 1040 is a complex business. It is probably the most important piece of paper work the average farmer has to do every year. Knowing how to prepare your tax return for a farm can save money as well as trouble. All of the County Agents and the Internal Revenue Service offices have this free booklet. Go by and get your copy and then study it carefully.
