

Mighty Floydada Whirlwinds to blow into town for 3-AA opener

By JIM MILLER

Floydada's mighty Whirlwinds, the script says, will breeze into Dimmitt Friday night to flex their muscles and score a few more touchdowns en route to the state playoffs.

FRIDAY night's encounter here will be the District 3-AA opener for both the Whirlwinds and the Bobcats, and is likely to draw an all-time record crowd.

The mighty Whirlwinds are currently riding a three-game win streak. In fact, the "Mean Green" — ranked second in Texas — hasn't really been tested so far in the 1970 campaign.

The Whirlwinds have obliterated

their first three opponents with ease, running up 138 points over Ralls, Tulla and Pest while giving up only one touchdown.

COACH L. G. Wilson's Whirlwinds blasted Ralls 41-0 in their season opener, rolled over Tulla 41-0 in their second outing, and skelled Pest 56-6 Friday night.

Asked if his ball club was unbeatable, Coach Wilson said, "We'll be in bad shape, especially me, if we don't do as well as a lot of people expect us to."

Last season Floydada, with Wilson in his second year as head coach, finished with an 11-1 record, losing only in the regional playoff to eventual state champion Iowa

Fark. And many think Wilson's 1970 Whirlwinds are just as good, or better.

WILSON says he lost a few good boys by graduation, but from the Whirlwinds' first three outings, you'd hardly know they're gone.

Andy Hale, a defensive starter in 1969, will be at the man-under position. Rounding out the backfield will be fullback Mike Burk and halfbacks Walter Harris and Andy Selman.

Burk, also a linebacker, is considered an all-state candidate — as is Frank Watson, an offensive guard and defensive tackle. Both were juniors last year when they

sparked the surprisingly strong Whirlwinds into the state playoffs — and so far their senior season has been a banner one.

WHEN THE Whirlwinds go on defense — as they occasionally have to — they can call on such stalwarts as Mike Winter, Frank Watson, Glenn Switzer, Mike Moore, Kim Rose and Mike Burk — all returnees from last year's championship lineup. All of these boys have logged plenty of game experience, stacking up opposing ball carriers.

"We could be a little better than last year, a little stronger," Wilson understated before the season started. "The seniors should

provide a lot of needed leadership."

The Whirlwinds will operate from the Texas Wishbone-T offense for the most part, and Hale is very capable of running the sophisticated attack.

SEVERAL of this year's Bobcat starters were members of the team that was ranked sixth in the state at one time last year. And they're still smarting from the shellacking they took at Floydada in their final game last season. You can bet they'll be long on determination Friday night.

Although Coach Brown L. Smith's Bobcats dropped a disappointing 14-7 decision to Spring-

lake-Earth Friday night, they have shown spurts of brilliance.

As they've gained experience and perfected their sophisticated Houston Veer offense, the Bobcats have served notice that they won't be on the bottom of the district heap at season's end, as several of the region's crystal-ball gazers thought they would be.

THE CATS have been one of the Cinderella teams in the area this fall, posting an impressive 22-8 victory over Muleshoe in their opener and following up with a 24-0 victory over the Farwell Steers in a game that wasn't nearly as close as the score indicated. Friday night's disappointment at Springlake left the Bob-

cats with a 2-1 record so far.

The Bobcat squad appears to be in good enough physical shape. Pat Barrios, a big, valuable guard, appears to be ready for action after sitting out the Springlake game, and captain Andrew Garza's knee seems to be on the mend. Both boys will provide much-needed experience in the trenches for the hometowners.

Several Dimmitt squadmen have developed into capable runners — notably, halfbacks Daniel Frierson and Jay Stanton. Both boys have shown game-breaking speed and moves.

ANOTHER back who has proven he came to play is Charles McLean, who was elected as the

team's third captain last week. Fullback David Nino has shown he can often make yardage up the middle even if there's no hole open. And Nati Ames has displayed an adeptness at slanting past defenders.

Dimmitt will need all the inspiration it can muster on offense and all the determination it can call up on defense to withstand the "Mean Green" machine from Floydada.

GAME TIME is 7:30 in Bobcat Stadium—a half hour earlier than the first three games. And you'd better get there early Friday night if you want to find a plank to perch on, or a share of the sideline fence.

It's Spirit Week at Dimmitt High

"Spirit Week" at Dimmitt High School will reach its peak in heat and noise tonight (Thursday) with a bonfire and pep rally, and will climax with the Dimmitt-Floydada football game Friday night.

THE ANNUAL Spirit Week will also include the crowning of a Flame King and Queen at tonight's bonfire, and the crowning of the 1970-71 Spirit Queen during a 3:15 pep rally in DHS gymnasium Friday afternoon.

Students have been decorating the halls of DHS all week, with classes competing for the biggest, most colorful and most imaginative decorations.

Wednesday was "Purple and White Day," with students dressing in school colors.

TODAY is "Trash Day." In preparation for tonight's big bonfire, Dimmitt High School classes will dismiss at 1:15 p.m. to enable class groups to spend the afternoon gathering wood for the bonfire.

Election of the Spirit Queen and the Flame King and Queen will be conducted this morning.

Students will put the torch to the big Spirit Week Bonfire at 8 o'clock tonight as the Bobcat Band, football players, cheerleaders and twirlers work to whip up enthusiasm among the hundreds of students and adults who will gather in the brightness and heat of the flames.

THE BONFIRE site is just east of the high school, on a vacant lot along Western Drive.

Spirit Week will continue with "Dress-Up Day" Friday, as boys wear their suits and sport coats and girls wear their dressiest dresses to class.

At 3:15 Friday, students and townspeople will gather in the high school gymnasium for a big pre game pep rally. Hall decorations

FHA will serve pre-game feast

Dimmitt High School's Future Homemakers of America will hold their annual barbecue in the South Elementary School cafeteria Friday evening, before the Dimmitt-Floydada football game.

FROM 5 to 7 p.m., the FHA girls and their mothers will serve barbecue, potato salad, beans, relishes and pecan pie to the public. Meal prices will be \$1.50 for adults and students 12 and older, and 90 cents for children 11 and younger.

Take-out trays will also be available.

County entries bring home bacon from area fairs

Castro Countians have been bringing home the bacon from the area's largest fairs during the past week.

AT THE Panhandle-South Plains Fair in Lubbock, Vincent Bradcock of Nazareth showed the grand champion Brown Swiss bull, VB Crescent Souvenir, and the grand champion cow, Brad-Law D. Candy. He also owned the reserve champion cow in the Brown Swiss division, Brad-Lou D. Annette, and swept the coveted "premier breeder" and "premier exhibitor" awards.

In the hog judging at Lubbock, Phil Davis of Hart showed the grand champion Hampshire sow Tuesday. His entry also was named the junior champion sow and several of his other hogs placed high in the Hampshire division.

At the Tri-State Fair in Amarillo last week, Earl Behrends, a member of the Frio Jolly Workers 4-H Club, won second place among 61 boys in the three-state area in the "Wheat King" contest. The wheat samples of 4-H and FFA members were milled and baked, then judged for quality. Norman Acker of Nazareth placed sixth in the contest.

Bringing home red and blue ribbons from the Tri-State Fair for their sewing and canned-goods entries were Mrs. Ralph Brockman, Mrs. William Hochstein Jr., Mrs. John Womack, Debbie Acker, Agnes Acker, Fannie Acker, Carol Hochstein, Patty Hochstein, Rita Womack and Agnes Hanson.

tion winners will be announced, football players and coaches will be recognized, and the Spirit Queen will be crowned during the rally.

THE FINAL Spirit Week event before game time will be the annual barbecue served by DHS's two Future Homemakers of America chapters in South Elementary School cafeteria.

The FHA girls will serve barbecue with all the trimmings from 5 to 7 p.m. Friday, at \$1.50 for adults and students 12 or older and 90 cents for children 11 and younger.

The big football game will get underway at 7:30 p.m. when the Bobcats host the Floydada Whirlwinds — ranked second in the state — in the District 3-AA opener in Bobcat Stadium.

MUM corsages, ribbons, pennants and extra signs will be seen throughout the stadium during the game as colorful testimony of Spirit Week.

Spirit Week at DHS has replaced the traditional fall homecoming. The Dimmitt Ex-Students Association for the past several years has been holding its annual homecoming during the Christmas New Year holidays.

Stolen goods are recovered

The Sheriff's Office arrested four Dimmitt men Tuesday in connection with the Sept. 26 burglary of Pat's Second Hand Store, and apparently recovered all the \$700 worth of stolen merchandise.

ARRESTED and charged with felony burglary were Rene Gill, 20, Joe Fuentes, 22, and Able Vargas, 17. Another 17-year-old, Johnny Alvarez, was arrested and charged with receiving and concealing stolen merchandise, a felony.

All four men were arraigned Tuesday before Justice of the Peace Elvon DeVaney, who set the bond at \$1,500 on Gill, Fuentes and Vargas, and at \$1,000 on Alvarez.

All four posted bond and were released pending trial in District Court here.

DEPUTY Sheriff Rex Cowart, who traced the stolen goods and made the arrests, said he found parts of the merchandise in three different places in the county — in Dimmitt, near Nazareth and near Easter.

How he solved the case, Cowart said, "will have to remain a trade secret."

Cowart recovered a large cache of rings, watches, costume jewelry, radios, cameras, a record player and an auto stereo tape player with speakers.

Part of the tape player unit had already been sold and had to be recovered from its purchaser, Cowart said.

GSPA launches membership push

The Grain Sorghum Producers Association — the largest commodity group in Castro County — is launching its 1970-71 membership drive today (Thursday).

EACH grain sorghum producer in the county will receive a membership application and postpaid envelope.

Elbert Harp of Abernathy, executive director of the GSPA, listed four major accomplishments of the association during the past year:

1. Reversal of the Commodity Credit Corporation's order to call in 1967-68 resealed grain by Jan. 15, 1970, which resulted in stronger market prices last fall.
2. USDA and congressional agreement in early summer to relate grain sorghum to corn according to nutritional value, in the 1970 Farm Bill. This, Harp said, will result in an increase in the loan and support price of up to 15 cents per hundredweight.
3. STRONG representation for grain sorghum in the National Farm Coalition and several congressional committees.
4. Influencing the Commodity Credit Corporation's decision to increase its resale price by seven cents per hundredweight, beginning today.

C. Kerry Hodge

Hart gets new police officer

Hart will have a new city police officer, effective next Thursday.

HE IS C. Kerry Hodge of Borger, who was hired last week by the Hart City Commission to succeed Claude Kropp, who resigned recently after 18 months' service.

Hodge has been the animal control officer in Borger, and previously was a member of the Amarillo Police Dept.

Hodge and his wife have two sons, one 4 years old and the other 18 months.

Phillips to drill well near city

A wildcat oil well is scheduled to be drilled two miles south of Dimmitt by the Phillips Petroleum Co.

THE WELL will be a 6,800-ft. test drilling of the Palo Duro Basin, and will be located on land owned by C. L. Morris, 1 1/4 mile southeast of Castro Memorial Gardens.

Named the No. 1 Morris "J," the drilling is projected as a Wichita Albany test. It will be closer to the city than any test well ever drilled in this area.

Pupil is hit in crosswalk

A first-grade boy was knocked down by a car as he crossed West Bedford Street on the supervised crosswalk at Southeast Eight Street Monday after school.

POLICE Chief W. W. Jones said that George Behrends, school-zone traffic control officer, was chaperoning children across the walkway and was displaying his stop sign when the accident occurred.

The boy, 6-year-old Carlos Martinez, was knocked to the pavement but escaped with minor abrasions, Jones said.

The car's driver, Mrs. Grace Winters, left the scene unaware that she had hit the boy or had run the stop sign, Jones said.

A TRUCK that was stopped in an inside lane apparently obscured the vision of Mrs. Winters, who approached the crosswalk in an outside lane, Jones added.

Mrs. Winters, who was contacted by the police chief after the accident, was cited for failure to yield to a pedestrian in a marked crosswalk.

As a result of Monday's accident, one of the young victim's first-grade teachers said she will start a campaign to have an underpass built under the highway at that intersection for children to use in crossing the street.

"WE NEED to urge you again to drive carefully around our schools, especially at the crosswalks," the police chief said. "You never know which direction a child may decide to go."

City sales tax starts today

The new one-cent city sales tax goes into effect today (Thursday) in Dimmitt and Hart.

COUPLED with the existing state sales tax, the new city assessment means that Dimmitt's and Hart's retail stores will now collect a total of 4 1/2 percent of the retail price on all taxable goods.

Dimmitt and Hart voters adopted the city sales tax last April 4, to bring effect at the beginning of the fourth quarter, which starts today. The tax goes into effect in most of the state's other smaller cities today, also.

The main argument in favor of the city sales tax at the time of the local option elections was that

it is fairer than a property-tax increase as a method of providing more operating money to offset the inflationary costs of city services.

CITY Manager E. B. Noble estimated that the new city sales tax will add as much as \$80,000 per year to the city's general fund.

Merchants are to collect the tax at the time of sale and send it — along with their state sales tax receipts — to the state comptroller's office at the end of each quarter.

The state comptroller will return the city's one-cent portion of the total collected tax during collect a total of 4 1/2 percent of and Hart will receive their first city sales tax returns sometime after the first of the year.

THE City of Dimmitt is publishing a listing of the new 4 1/2-percent sales tax schedule on Page 8 of this issue.

Touring pilots will stop here

More than 100 pilots and passengers in the annual All-Texas Air Tour will land at Dimmitt Municipal Airport Tuesday morning for a 45-minute refreshment break.

THIS WILL mark the second year in a row that the city has been on the All-Texas Air Tour's schedule. The eight-day tour has 31 scheduled stops, with Dimmitt the northernmost city to be visited.

The Chamber of Commerce will offer a bus tour of the city for the flying tourists, and also will serve them coffee and Spudnuts and give them samples of locally grown farm products.

Planes will start touching down at the local airport at 9:45 a.m. Tuesday, and will begin their takeoffs at 10:30. A big crowd is expected to be on hand for their arrival.

LAST YEAR, the tour brought 34 planes and more than 100 people to Dimmitt.

The All-Texas Air Tour, now in its 22nd year, is dedicated to the development of general aviation through the promotion of aviation appreciation and education.

Private pilots on the air tour will include people from all fields and professions who have an interest and appreciation for Texas communities and their airport facilities.

The state-wide tour will start at Temple Saturday and will end Oct. 10 at Kerrville.

Mrs. Wyer, 47, dies Saturday

Mrs. Jimmie Dean Wyer, 47, a Dimmitt resident most of her life, died in Lubbock's Methodist Hospital at 6 p.m. Saturday.

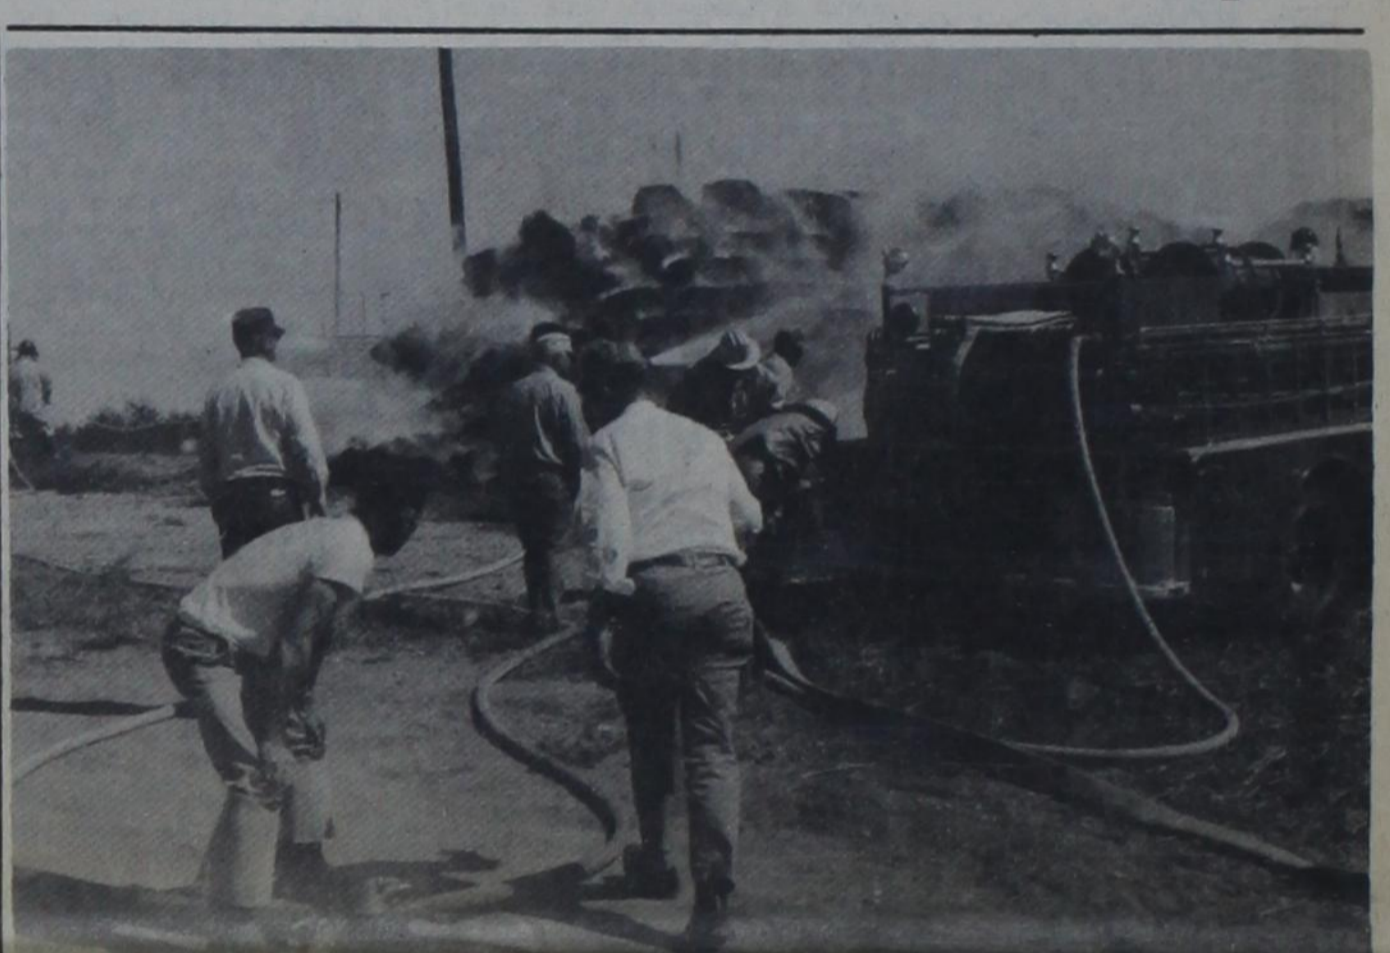

FUNERAL services were conducted Monday at 3 p.m. in the First United Methodist Church of Dimmitt. Officiating were Rev. Jim T. Pickens, pastor, and Rev. U. S. Sherrill of Abernathy, a former Methodist pastor here.

Burial was in Castro Memorial Gardens, directed by Dennis Funeral Home.

Born Sept. 12, 1923, in Kress, Mrs. Wyer was the daughter of Mr. and Mrs. J. W. Skipworth. Except for 10 years in Tulla, she lived in Dimmitt virtually all her life. Her husband, E. A. "Junior" Wyer, died in 1968.

MRS. WYER is survived by two daughters, Mrs. Sunny Randolph of Earth and Mrs. Jeri Doan of Dimmitt; a brother, Ernest Skipworth of El Paso; three sisters, Mrs. Birdie Ervin of El Reno, Okla., Mrs. Lela Holland of Plainview and Mrs. Maxine Erdman of Mott, N.D.; a sister-in-law, Mrs. Corinne Burke of Dimmitt; and five grandchildren.

Active pallbearers at the funeral were Dick Reinhardt, Al Lytle, Harlen Dodd, R. L. Clark, Parker Doan, Jerry Townsend, Jim Aldridge and Ernest Conard.

HAY BURNS—Dimmitt volunteer firemen fought two separate battles with this burning hay Thursday and Friday at Jack Bradley's cattle feedlot two miles north of the old Easter schoolhouse. Here, they battle a deep-burning fire Thursday that destroyed two large haystacks. The fire apparently was caused by the exhaust from a load-

ing truck. The truck was saved when the men who were loading it drove it away from the haystack and dumped its burning bales into a nearby bar-ditch. Firemen finally decided to let the ruined haystacks burn themselves out—but Friday the wind shifted and a third haystack caught fire, bringing the firemen to the scene again.

Report on aging

Medicine and legal aid most common needs here

(Editor's Note: Here is how most of our county's older residents feel on the special problems of growing old. The information was compiled by Mrs. Glenda Rickard of the Bethel community, community forums coordinator for the Governor's Committee on Aging.)

By MRS. GLENDA RICKARD

Approximately 250 older citizens of our county attended community forums or were personally contacted for the Governor's committee on Aging 1970, in preparation for the White House Confer-

ence on Aging to be held in Washington, D.C., in 1971. In all, 178 questionnaires were mailed from eight forums held in this county.

THE majority of the people here felt they were receiving adequate medical and dental care, but some were unable to pay for the drugs and prescriptions that were prescribed.

Approximately 95 percent of our older people felt they needed legal advice about making a will, probating a will, and guardianship.

OUR widowed women who own their homes do feel that it is a problem taking care of repairs, maintenance and yards by themselves.

Transportation — getting from home to church, shopping or visiting — was a problem for some, mostly because they do not own or drive an automobile, but they were able to manage with rides from relatives or friends.

Nearly everyone is happy living in their neighborhood, and most own their own homes.

THE majority of the retired men and women here depend on social security or old-age assistance for their income. Of course, there are those who own land or businesses, and have savings or investments for their income, and do not have a problem — but there are people in this county who have an income of \$100 a month or less. They are not complaining; they manage, by assistance from relatives by baby-sitting, by selling handmade gifts, by having a garden, and just by doing without the things I thought were necessary.

I did not find any group where they felt they did not have a very deep and firm conviction in their relationship with God.

The majority of our older people who live alone would like to have someone to eat with, or a place where meals were available. Of the women who cook for themselves, none find it too much trouble.

ALMOST everyone would like to go to a senior citizen center for fellowship, games, recreation, handicrafts, refreshments and parties.

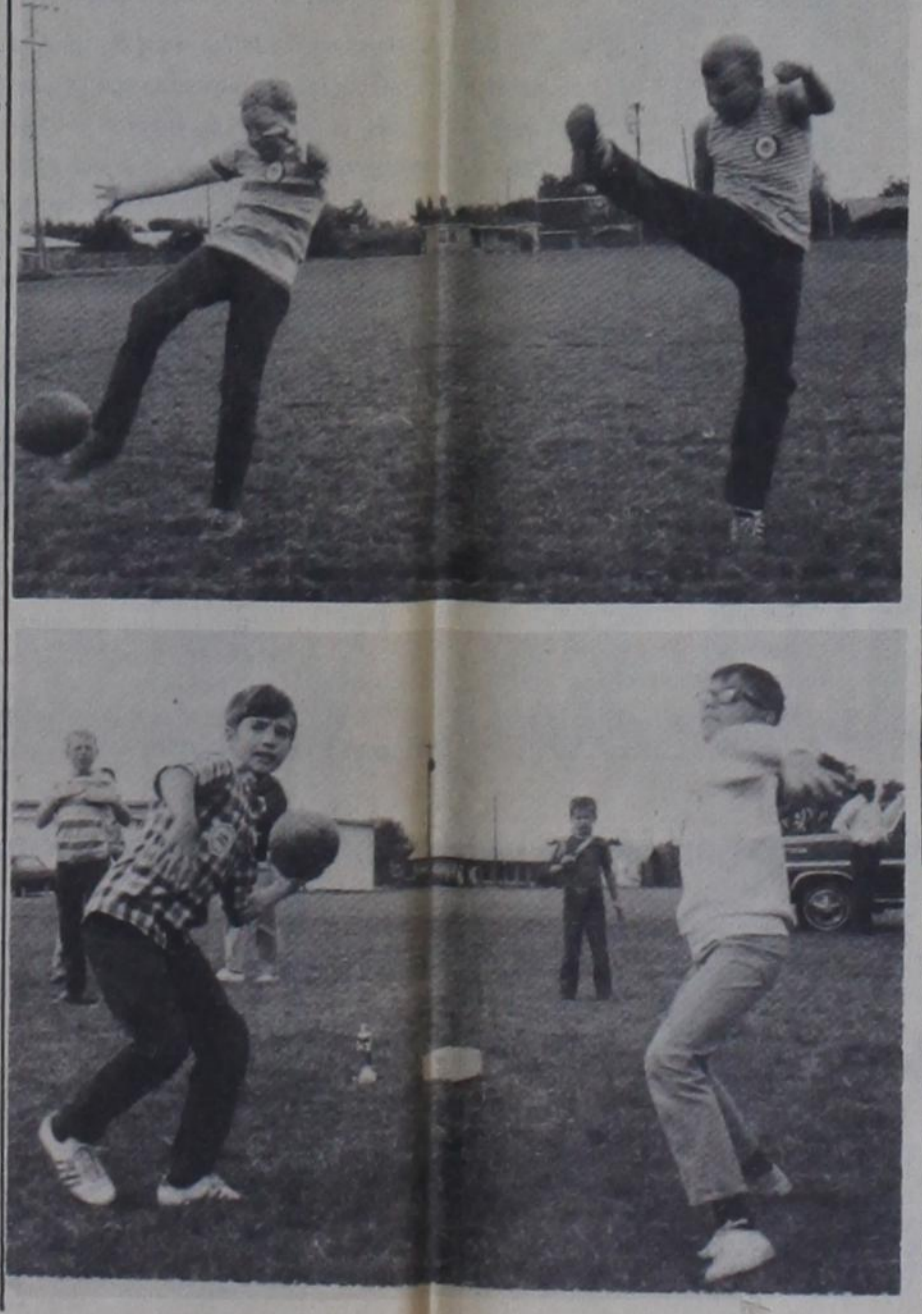

There are a few organizations for retired citizens in the county. In Hart, there is a new club for older women. They have covered dish luncheons, a program and fellowship. In both Hart and Dimmitt, there are "42" and bridge groups.

It also was expressed very, very often — mostly by widowed women — that if a retirement complex of low-cost apartments were available with religious, medical, food, and recreational facilities, they would give up their own homes to live there.

None of those who are able to care for themselves want to go to a nursing home, but if health necessitates this, they said they would go to a nursing home rather than be a burden to their children.

IN SUMMATION, these seem to be the needs of most of the senior citizens in Castro County:

- Continued spiritual guidance.
 - Increased social security payments.
 - Change in social security rules (so they can earn more money by working).
 - Legal assistance.
 - Planned recreation and a facility in which to gather.
 - Lower cost of drugs and prescriptions.
 - The chance to participate in local community affairs and events.
 - And most of all: to feel wanted, needed and loved.
- THERE is a free booklet of information available on how senior citizens elsewhere have solved some of these problems. It is entitled "Every Tenth American," and you may want to order it. If so, write to:

PUNT, PASS, KICK competition attracted 103 local boys Sunday afternoon at Bobcat Stadium. These five lads are all second-place winners, and are trying harder. In top left photo are Keith Goldsmith (left), 12, and Carl Coggins, 11. Lower left photo: John Perkins (left), 9, and Matt Howell, 10. Above: Robert Ewing, 13.

Shelley's chatter

By MYRTLE SHEFFY

Bob McLean, James Horton and the other bank personnel were hosts Thursday afternoon for a reception and coffee for the county's teachers and school trustees. Approximately 200 people attended.

The table was covered with a green felt cloth with a centerpiece of gold mums. Many foods, sandwiches, dips of all kinds were served.

Mrs. Walt Hansen, Mrs. Wade Maynard, Mrs. Ira Clingsmith and Mrs. Sal DiCuffa were serving. Mrs. James Horton and Sybil Lawson were greeting the guests.

I met Robert Haines, a teacher of Social Studies and English from Nazareth. His home is Amarillo. Also teaching at Nazareth is Tom Duffy who says that after 40 years of teaching he has been in many places. Sister Benedict Maria Borgering told me that 17 teachers came from Nazareth. Hart was represented but I didn't get to talk to any of them.

I met David Keith and Denton Lingle who both teach industrial arts here. And of course Mr. DuBose, whom we have known for a long time. We will have to visit the school and meet these people. We also met Mr. Dutton, the choir director, at the coffee too.

Ralph and Avis Smith and Nolan Froehner were there. Ralph is band director here and Nolan is band director at Nazareth and Avis teaches history.

The merchants presented gifts to the teachers. Other folks helping Bob were Ed and Jackie McLeroy, Alvin Frazier, Frank and Shirley Wise, Mrs. Fred Wall and Mrs. Jim Hays and Bo Bryant. There are about a dozen girls who help in the bank and don't forget Es Noble.

THE Monzingo families were here this weekend to visit the Jerry Clucks and the Claude Hiches.

The Federal Land Bank directors and members met at the bank community room Thursday evening for a business meeting and social. Jack Summers, president, called the meeting to order and Dick Perrin gave the financial report. Wade Mills of Hart and Sid Sheffy were re-elected directors. Mrs. Marie Perrin and Mrs. Mozelle Lilley served pecan pie and coffee to the group.

Sandra Duke took a maize (floral) arrangement to the show at the Tri-State Fair in Amarillo. She was accompanied by her dad Robert and brothers Larry and Bob and a friend Jan Noble.

FACTORY EXECUTIVE CARS. No Gimmicks! No Games! MRS. OZRO Stephens of Amarillo has been visiting her son Harold and Shirley for a few days, and also her friend Retta Cluck.

Frank and Rosa Arnen are great grandparents. Their son Don and Connie are the grands. Their daughter and husband Linda and Cy Fields have a new little baby girl who has been named Angela Rose. They live in Amarillo. Frank was visiting his son Fred and Ramona in the drug store on Friday.

Alcene Tilson and Beulah Wright of Plainview were here one day recently to visit Mrs. Tilson's mother, Mrs. Rachel Hewitt, at Golden Spread Nursing Home and her sister Mrs. Charles Vaughan. Beulah visited Opal Bearden and other friends and they saw the Carl Sandburg players also.

Jimmy Ross made a business trip to Houston one day. Also he and hundreds of others went to the big ball game at Lubbock between the Tech Raiders and the University of Texas. Some of those attending were the Joe Carvers, the Don Nelsons, the Carl Kemps, Dr. and Mrs. J. D. Blackburn and the Jimmie Chapmans. Some of the folks visited with the Bill Bennets.

GEORGE and Mary Hilderbrand of Lakewood, Calif., have been here for a visit with her sister Alta and Jack Summers. J. S. and Naomi Scarborough have bought and moved into the house at 1013 W. Stinson. J. S. is a farmer and Naomi is with Parsons Drug. Erby Ebeling is now teaching

The view from your library

By MARY EDNA HENDRIX

Irma Martinez and I went to the Tri-State Fair in Amarillo to work in the library booth. WE registered about 300 people during the four hours that we worked. Since it was the opening day and such pretty weather, I am sure we registered as many or more than any of the other librarians during a four-hour period. The prizes were two volumes of the Lincoln Library, a Random House dictionary and some records.

I didn't see anyone I knew except Pat Forson, who was working in the Bee Line Booth next to the library booth. Mrs. Little brought some Zane Grey books by for us to use in the library, since we were needing some more and she had these stored and was not using them at this time.

I WOULD like to thank Nancy Ross for keeping the library for me when I went to Amarillo for the workshop recently. Nancy reviewed the book, "Another Part of the House" by Winston Estes at the Book Club a few weeks ago. This is a good book, and we have it in the library.

Last Friday we started the Children's Story Hour with only five children in attendance, but we had a good time anyway. We read several stories, played games and learned a song in Spanish.

Mrs. Hardison was in the library last week and needed a schedule for the hours that the library is open, since she wanted to give it to the new comers in town, so here it is again for everyone: Tuesday - 2 to 5 p.m. Wednesday - 10 to 12 a.m. and 2 to 5 p.m. Thursday - 2 to 5 p.m. Friday - Story Hour at 1 p.m. for children 4 to 6 years old. 2 to 5 p.m. Saturday - 9:30 a.m., radio program over KDHN. 10 to 12 a.m. and 1 to 4 p.m. Thought for the week: He who is wise will acknowledge his need of help - L.W.M.

fifth grade in the Dimmitt School system. His Army number was not called just yet.

Jo Beth Bates, daughter of LaVerne and James Bates was the birthday girl one day recently. She is now 9-years-old. The girl's dressed up in high heels and long dresses and went on a scavenger hunt. Andrea George helped LaVerne serve the birthday cake and good things to eat to Jean Bradford, Teresa Lantz, Libby Crooks, Sue Rita King, Cara Miller, Penny Profit, Kathy George and Beth West.

Mr. and Mrs. Pat Anson and son Gregory of Tecumseh, Okla., visited her sister Mrs. Patt Bunch and family enroute to places in New Mexico.

KENNETH and Ruby Colwell and sons Gary and Larry have moved here from Wellington. They have bought the Joe Benson house on West Bedford. The Colwells have the Bargain Center, between Parsons Drug and Osborns Store on East Bedford.

Many brave souls went to Springlake Friday night. It was cold! Our boys were not playing as well as usual but watch them get with it this Friday when they play Floydada here. "Get 'em Cats!"

Mr. and Mrs. Norman Cleavinger have had much company. Last week at Tres Ritos, N.M., and this week in the home here were Mrs. Cleavinger's kin, Leona Harris of Iowa, Margaret Dinkler of Emporia, Kan., Mr. and Mrs. Carl Miller of Lawrence, Kan., Mrs. Fern Cleavinger of Alhambra, a sister of Gladys' and in-law to Norma. The Ray Astells of Earth and Norman, brother Mr. and Mrs. Gene Cleavinger of Laguna Hills, Calif. also visited. They also visit

M. E. and Marge and the Canyon folks.

POLLY and Shorty Manning's company were Ted and Nola Woods of Salida, Colo. They also visit Nola's twin brother Noel Gollehon, and Jack and Leah Ziegler and their daughter Jackie Lynn and her baby all of Canyon, with Hattie Webb of here making five generations at the Mannings.

Mrs. Claude Hickey made a business trip to Amarillo Friday, and also visited her daughter Betty and her son Bill Hickey.

Raynelle Perry, children, Mark and Suzanne of Konawa, Okla., have been visiting her parents Gene and Connie Ivey. Connie, Raynelle and daughter Wilton Graef visited another daughter Zetha Blackburn in Amarillo. Zetha lives in Spearman.

Visitors in the home of Mr. and Mrs. R. B. Ebron were her sister a-d husband Mr. and Mrs. R. L. Higginbotham. They spent three days here before returning to Houston. Also visiting Wednesday was her son Jack Monday, Mrs. Ina Hastings of Hereford visited.

Mr. and Mrs. J. C. Gardner are home from a trip to Portland, Ore., for a visit with son Kenneth and family. They saw Yellowstone Park, then on to Salt Lake City, Utah, and back through California.

They came home to a house full of company who were a sister, Mr. and Mrs. Carlos Stegall of Salinas, Calif., a brother O. M. Smith of Kerrville, mother Mrs. O. M. Smith Sr. of Plainview, Mr. and Mrs. Roy Stegall, Patti, Tammi and Allen of Lubbock. Mrs. Gardner says the Plains are the prettiest and best smelling place she has seen.

SID AND I and friends Ed-

ward and Gilbert Nino went on to Earth after the ballgame Friday evening to have coffee and a very good apple pie and pecan pie with daughter Tommie and Richard Dills. Boys just don't sell Earth Springlake short - because they seem to be tall.

Everyone who didn't go to Amarillo to the Fair and the Joan Castle and Jimmy Dean Shows last weekend went to Lubbock to see the Longhorns vs. the Tech Red Raiders. Heard the Jack Millers say they were going.

Bob McLean went to Dallas last weekend to visit his wife Helen, who is in a hospital there. I hear she is much better. Peggy Webb is in Dallas for treatment. She is much better also. I have been trying to do her 11 a.m. program on KDHN. I do all right as long as interesting people will come out and talk. Lee Stanford told about his Missouri Fox Trotting horse one day, Jim Pickens has talked, as has Glenda Rickerd and some of the high school kids of the student senate. Mrs. Laurence McLean spoke on cancer Monday.

John and Sue Merritt attended the big game in Canyon - WTSU Buffaloes vs. Wichita State. WT won 43-0. They and daughter Suzanne, a student, visited a while with Don and Karen Sheffy and with Sue's aunt Mrs. L. F. Sheffy.

Mrs. Forrest Collins of Flagg is "not" Mary as I called her, she is "Rose". Ruby Webb is visiting the Patricks in Dallas this week. They are "kinda kin".

Ronnie and Corrie Kenmore flew up to Tulsa a while back for a visit with friends Tom and Donna Stafford. Said they saw a good show, "The Gaslight Theatre." Guest of Darrell and Nell Kenmore this week is his sister

Mrs. D. L. Ballard of Houston. Remember to go hear the preaching at the First Baptist Church this week. A revival is in progress there.

A. D. and Debbie Schreck, who are at the University in Colorado were home this weekend to visit her folks, the Bill Summers and A. D.'s parents Mr. and Mrs. Arthur Schreck at Tulsa.

GEORGE and Fannie Blanton are grandparents of a little girl who is the daughter of Georgene and Woody Woods of Richardson. The Blantons will go to Dallas Sunday. Mrs. G. L. Blanton is the great grandmother.

Our sympathy goes to the Weyer family on the loss of their mother, Jimmie Dean Weyer, who died after a long illness. Her husband Junior preceded her in death. She grew up in Dimmitt. Her parents were Mr. and Mrs. J. W. Skipworth. Daughters are Sunny, Mrs. Betty Randolph of Earth and Jerry, now Mrs. Dale Dean of here.

Isaac and Mary Brandon took son Phil to Dallas to an eye specialist. He is with the Dimmitt Feed Yards.

Mrs. Lois Bagley of Corona, N. M., has been visiting her son George and family this week. Young Steven returned with her for a two week visit. George is with the feed lots and Pat teaches parttime in the home economics department.

Dr. and Mrs. Charles Vandiver, sons Craig and Loren and her mother Mrs. R. M. Earksdale of Okmulgee, Okla., spent a few days at the Brantley Ranch near Las Vegas, N.M., trout fishing. They went to Taos to check the ski slopes and decided they like the Santa Fe slope better. Sunday guests were Esta's brother

R. M. and Mrs. Barksdale of Amarillo. Robert and Roxie McLean have bought a house on Oak Street and will move when it is re-decorated. Robert will help dad Bob with the farms.

Mr. and Mrs. Horace Carlile and Mr. and Mrs. Clarence Pearson went to Amarillo Saturday to see the Jimmy Dean Show. They

had dinner and visited friends. The Ted Sheffys picked up daughter Beth at WTSU and also went to the Fair. The Buck Crums were there as were many more from Dimmitt I'm sure.

Mrs. P. O. Goodwin came home from Donna by way of Fort Worth to visit son Mike and family. You know Mike and his wife have twins.

Bible Thoughts

CHERISH THE LOVE OF TRUTH

By RONNIE PARKER

Before we pick up our Bibles and begin to read we must cherish the love of truth. It is an attitude of mind. Your first step in Bible study is to dedicate yourself to truth. Loyalty to truth might force a change of mind. We must bend the truth to our will. Some preconceived idea, or hobby, or theory of our own may have to go, but we should be satisfied with nothing less than the truth of God. Jesus said on one occasion, "If you abide in my word, then are ye truly my disciples; and ye shall know the truth, and the truth shall set you free" (John 8:31-32). The truth. Freedom through truth. Nothing but the truth. Paul urged the Galatians to embrace "the truth of the gospel" (Gal. 2:5) rather than hold to the perversions of the gospel. Some were falling from the grace of Christ unto a different gospel. (Gal. 1:6). Error has never been as good as truth and our best energy should be used in the search for the true teaching of the Gospel. We must remember too, that truth in all its fullness and scope, is embodied in Christ. He was the perfect expression of the truth. In Eph. 4:21 Paul says, "even as truth is in Jesus" and is virtually making the equivalent to Christ's own statement "I am the way, and the truth and the life" (Jn. 41:6).

MAKE TRUTH YOUR CHOICE. FOURTH AND BEDFORD CHURCH OF CHRIST

Music Appreciation

I am not a musician, but as I write this I think back and realize how my taste in music has changed. Early in life, it took only the simplest childhood jingles to please me, then in school I was trained and taught to appreciate more intricate music. All through life I feel that my knowledge of... and appreciation for music has grown and matured.

Through study and help from others, I have also grown as a Christian and have a better appreciation of my Lord.

My knowledge of, and love for God increases with each church worship service... This way of life and worship, I would recommend to anyone. Won't you try it...

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CHAMPIONS of the Castro County Country Club's first Ladies' Partnership Golf Tournament last week were Helen Ann McWhorter (left) and Va Allen, both of Hereford. After regulation play ended in a tie between these ladies and the Plainview team of Doris Maggard and Helen McQuien, Mrs. Allen sank a putt for a par on the No. 2 hole to give her team the title. Mrs. Allen also has won the Canyon Country Club ladies' championship the last three years. Twenty teams from Texas and New Mexico entered the tourney. (Country Club Photo)

What are FHA's goals and history? Hart High senior gives the answers

By CAROL MILLER
Hart High School Senior

In 1943, the American Home Economics Association appointed a committee to study high school economics education workers of all states, inviting them to attend a national meeting in March, 1944, in Chicago to consider the development of a home economics club.

A committee of student representatives met in June, 1944, in Chicago to develop further plans. **THE FIRST** national advisor of the National Organization of High School Economics Clubs was employed Oct. 1, 1944. June 11 was celebrated as the date of the founding of this new organization. State clubs were known by many different names. Recommendations for a national name were made in sub-national meetings June 11-16, 1945. The name accepted was the Future Homemakers of America.

The American Home Economics Association and Home Economics Service in the US Office of Education immediately became the sponsors of the Future Homemakers of America. The supporting groups were the National Education Association, through its department of home economics, and the American Vocational Association, through its home economics sections.

THIS WAS the beginning of one of the most helpful organizations ever created. In just eight short years, this organization grew from 2,487 chapters to 8,264 chapters with 344,987 members.

On July 9, 1948, at the first official national meeting, the constitution was reworded and re-arranged for correct parliamentary procedure. This reworded constitution as amended and adopted in 1950 at the national convention.

The Hart chapter of the Future Homemakers of America was founded in September, 1948. Its motto is "Toward New Horizons."

THIS YEAR the executive council of Hart High School FHA is composed of senior Becky King, president; senior Roni Cox, first vice-president; senior Carolyn Cole, second vice-president; junior Kathy Crawford third vice-president; junior Cindy Dyer, fourth vice-president; junior, Lisa Lacy, fifth vice president; junior Dee Ann Clevenger, secretary; junior Dianne Barham, treasurer; junior Debbie Hardy, parliamentarian; seniors Denise Lowrey and Carol Miller, historians; and junior Elizabeth Stephens, refreshment chairman.

For the years 1969-73, two national objectives have been set up. The first objective is "to strengthen bonds within the family and between the family and community."

The projects set up under this objective are (1) Our Future as Homemakers; 2) Stable Home—Stable Life; 3) Make Time Work for You and; 4) Decisions That Count.

THE SECOND objective is "to help youth comprehend the problems of society and to contribute to their solution."

With this second objective in mind, the following projects were developed: 1) To Dare Is to Care; 2) Our World—A Growing Key to Opportunity.

This is what the Future Homemakers of America are striving to do.

Kiwanians will install tonight

Jack Patton will be installed as the new president of the Kiwanis Club of Dimmitt tonight (Thursday) when the club holds its annual installation banquet at 7:30 in Dimmitt High School cafeteria.

Patton will succeed Jerry Summers, who has served as charter president of the men's service club here since its formation in April of last year.

TONIGHT'S banquet is open to all Kiwanians, their ladies and invited guests. Installing officer will be George Arthur of Amarillo, district lieutenant governor of Kiwanis International.

Other new officers to be installed tonight are Wayne Lindley, first vice-president; Walter Spahr, second vice-president; Gene King, secretary; Carl Bruegel, treasurer; and Homer Nesbitt, Bob Crozier, Clark Dobbs, Jess Willard, Ted Robb, Randall Craig and Summers, directors.

NATIONAL 4-H CLUB WEEK

As They Learn, They Serve... and the Future Is Brighter, Thanks to 4-H'ers

With pride, we salute our local 4-H Club members, for their efforts and achievements. Through their Head... Heart... Hands... Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today... and will mean still more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.

CONGRATULATIONS 4-H Club Members

Smith-Martin vows are read Saturday

Miss Erin Jane Smith of San Antonio became the bride of Charles Douglas Martin of Hart in a formal ceremony Saturday evening in St. Francis Episcopal Church of San Antonio.

THE BRIDE is the daughter of Mr. and Mrs. Bruce M. Smith of San Antonio. The groom's parents are Mr. and Mrs. Charles B. Martin Jr. of Hart.

Rev. Joseph J. Miller, rector, officiated at the double ring ceremony. The altar was decorated with a large bouquet of purple asters, white gladioli, stephanotis and ivy, backed by two tall arrangements of white gladioli and stephanotis, and flanked by two seven-branch candelabra.

Serving as maid of honor was Martha Gallier of Dallas. Bridesmaids were Sylvia Cardena of San Antonio and Jeanie Smith of Austin. They wore light green formal of peau de soie with lace bodice overlays, and carried cascades of purple asters entwined with dark-green ivy.

MARK MARTIN JR. of San Saba, the groom's brother, served as best man. Groomsmen were Sammy Sims of Post and Gary Gentry of Memphis, and ushers were Tony Gregory of Petersburg, cousin of the groom, and Chris Smith of San Antonio, the bride's brother.

Flower girls were Lara and Tracey Watson of San Antonio. Ronnie Martin of San Antonio provided traditional wedding music at the organ and accompanied Mrs. Dale Calvert of San Antonio, soloist.

GIVEN in marriage by her father, the bride wore a gown of candlelight peau de soie, appliqued with Alencon lace and tiny seed pearls. Her train of the same material was attached at the waist. Her veil of illusion was secured by a headpiece of lace with seed pearls. Her bouquet was a white orchid centered in a cascade of white carnations and roses, with green ivy.

A reception in the home of the bride's parents followed the ceremony. Candles lined the front walk of the home, and the interior was decorated with bouquets of purple asters and white gladioli.

Punch and tiered cake were served from the groom's table, which was covered by a white linen cloth with a net overlay and of white gladioli, stephanotis and green ivy.

CHOCOLATE cake and coffee were served from the groom's table on the patio.

Assisting in the reception were Halletta Hightower, Liz Tankers-

Mrs. Charles Douglas Martin

ley, Dee Clark, Sue Crawford, Judy Rogers, Evelyn Pool and Beverly Wright.

For a wedding trip to New Orleans, the bride chose a beige suit of textured cotton, with a white orchid corsage and black patent accessories.

AFTER Saturday, the newlyweds will be at home at the Villa Apartments in Plainview.

The bride, a graduate of Churchill High School in San Antonio, is a junior at the University of Texas in Austin. The groom is a graduate of Hart High School and holds a degree in agriculture from Texas A&M University. He will be engaged in farming at Hart and Edmonson.

PRE-NUPTIAL courtesies given for the bride included an introductory tea in the home of Mrs. C. B. Martin Jr., Hart; a miscellaneous shower in the home of Mrs. DeWayne Brown, Hart; a kitchen shower in the home of Mrs. Charles Kenworthy, San Antonio; a linen shower in the home of Mrs. F. Carter Pannill; a miscellaneous shower given by Martha Gallier in the Alpha Delta Pi sorority house in Austin; a bridesmaid's luncheon Saturday, hosted by Mrs. Delores Neely and Mrs. Nita Gauntt; and a rehearsal dinner Friday evening, hosted by the groom's parents at the San Francisco Inn in San Antonio.

"The trail of civilization is strewn with the wrecks of derelict races and nations which fell by the wayside when their soil resources played out."

—Southwestern Crop and Stock

Mrs. Armstrong is Tops queen

Ann Armstrong was named "Queen of the Week" at last week's meeting of the SOS Tops Club, although she already is in the "KOP" (Keep Off Pounds) program.

Mrs. Armstrong registered a 4 1/2-pound weight loss during the preceding week. Her runner-up was Barbara Hargrove with a loss of 3 1/4 pounds.

THE CLUB voted to have a party during its regular meeting at 7:30 p.m. next Monday.

The club meets each Monday night in the First United Methodist Church.

Pink Ladies hold orientation meet

The Plains Memorial Hospital Auxiliary held its annual orientation meeting last week.

THE orientation is a standard procedure for new "Pink Ladies" entering the auxiliary.

Mrs. Charles Armstrong, patient-aid chairman, conducted the orientation for new members. The new Pink Ladies were given their Blue Books, which contain organization's goals and purposes in its constitution and bylaws.

Hospital Auxiliary officers this year are Mrs. Raymond Wilson, president; Mrs. Sara Hill, first vice-president; and Mrs. James Sims, second vice-president.

NEXT meeting of the Pink Ladies will be Oct. 14. The organization is open to all ladies interested in being volunteer workers at the local hospital.

H-D Notes

Here's a good hominy recipe

By IRENE KEATING
This week I'm going to share a hominy recipe with you. I am surprised to learn that quite a few people make hominy. Hattie Howell made hominy this summer and it's very good. She said she thinks the old fashioned corn does much better than our new hybrids but it's still good.

HERE'S ONE RECIPE. If any of you have other recipes, please let me know as I's like to have them.

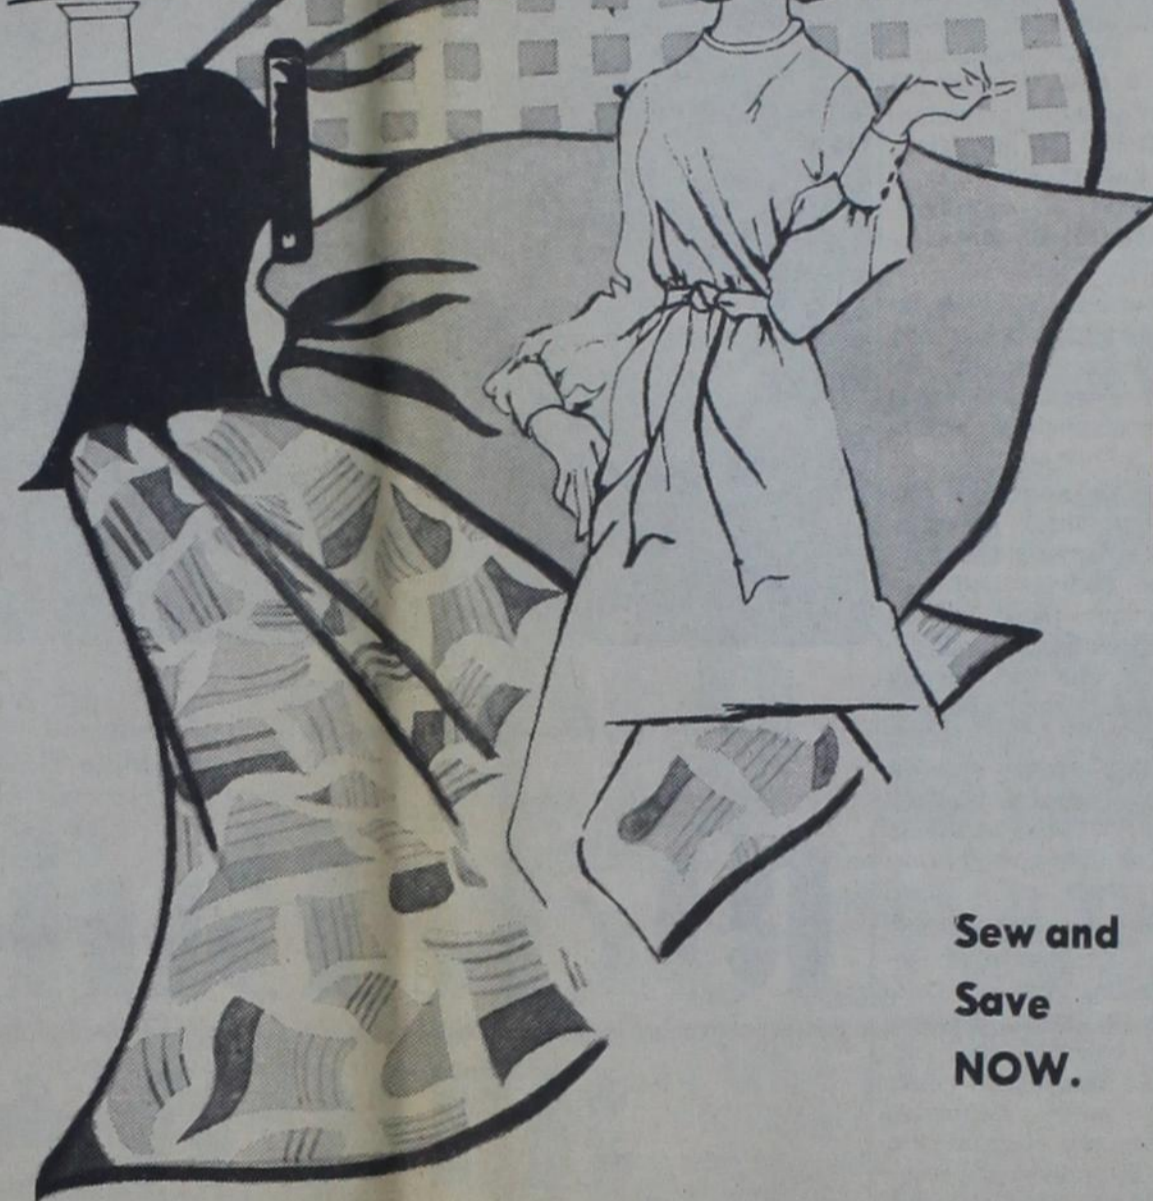

LYE HOMINY
For each quart shelled white or yellow field corn: Dissolve 2 tablespoons lye in 1 gallon boiling water (use enameled ware or iron kettle. Do not use aluminum, copper, tin or zinc.) Add corn. Boil about 30 minutes, or until hulls loosen. Rinse corn through several changes of hot water to remove lye, then cover with cold water. Rub to remove hulls and black tips. Let stand in fresh water 2 to 3 hours. Change water 3 or 4 times. Drain. Cover with boiling salted water (1 teaspoon salt to each quart water). Boil until almost tender. Pour, hot, into hot jars, leaving 1 inch head space. Adjust caps. Process pints 1 hour, quarts 1 hour and 10 minutes, at 10 pounds pressure.

FIESTA QUEEN WITH HER ESCORTS ... Sylvia Gonzales of Hart reigns over events

Churches sponsor celebration; Miss Gonzales reigns as queen

Sylvia Gonzales, 17-year-old daughter of Mr. and Mrs. Arturo Gonzales of Hart, reigned as the queen of a recent county-wide celebration of Mexican Independence Day.

The celebration was sponsored by the county's three Catholic churches — Holy Family Church of Nazareth, Immaculate Conception Church of Dimmitt, and St. John's Church of Hart.

Two weeks of festivities led up to the Sept. 16 observance, with all activities held in the Nazareth-Community Hall.

First event was the announcement of Miss Gonzales as the winner of the queen's contest with 1,483 votes. Other girls in the queen's competition were Rosa Linda Zepeda of Dimmitt, Maria Perez of Hart and Rosa Ortiz of Dimmitt.

The girls raised funds for votes, and proceeds of the queen contest went to the Catholic churches of Hart and Dimmitt. The Hart parish's share of the proceeds will go to help pave the roads along church property.

"Los Chicanos" provided music for the announcement party.

The crowning ceremony took place three days before Mexican Independence Day. During the ceremony at Nazareth, a group of Dimmitt and Hart girls sang the National Anthem and Mexico's song of independence. The queen and her court were featured in a procession to the stage, where Miss Gonzales was crowned as

Pohlmeier earns medal in Vietnam

Sgt. Thomas J. Pohlmeier, 20, son of Mr. and Mrs. Vincent H. Pohlmeier of Nazareth, received the Army Commendation Medal on Aug. 31, while serving with the Americal Division near Duc Pho, Vietnam.

Sgt. Pohlmeier earned the award for meritorious service as a rifleman in Company A, First Battalion, 20th Infantry of the division's 11th Infantry Brigade.

The sergeant received his basic training at Fort Bliss, and was stationed at Fort Ord, Calif., before arriving in Vietnam. He also holds the Combat Infantryman Badge.

State looking toward future airport system

Gov. Preston Smith and members of the legislature have received a preliminary report on the first phase of the Texas Airport Systems Plan, a project designed to guide the future development of air transportation in Texas.

The document is a commentary on the first year of a continuing study by the Texas Transportation Institute of Texas A&M University. The study is being financed by a joint state and federal grant.

ALTHOUGH the commentary is not intended to summarize the eventual Airport Systems Plan, it contains a number of specific findings and recommendations.

It proposes a new method of funding state aviation development, new criteria for the granting of state airport aid, and a suggested method of coordinating development of all forms of transportation in Texas.

IT ALSO contains a brief inventory of existing airports, aircraft and air service and an estimate of future aviation needs for various communities within the state.

The project is sponsored by the Texas Aeronautics Commission and the Governor's Planning Office, but the findings and recommendations are those of the Texas Transportation Institute. TAC director Charles Murphy said he believes the planning study is the first of its kind.

THE OTHER state aviation plans I have seen are static," Murphy said. "They have inventoried the state's aviation resources and needs at a fixed point in time.

"The Texas Transportation Institute, recognizing that air transportation is a very dynamic activity, has rejected that approach," he continued. "Air transportation needs, technology and capabilities are changing very rapidly. It makes no sense to write a static plan, because it becomes obsolete as soon as it is published.

"The objective of this study is not to hand the legislature a preconceived blueprint for aviation development," Murphy said, "but to give the legislature the tools with which it can create its own plan as needs and resources change."

MURPHY said he also agreed with the institute's conclusion that the state should not leave all aviation development to the federal government, but should continue to assert strong leadership of its own.

The institute said, "Observation of activities elsewhere, in connection with this air plan project and otherwise, indicate that in the short life of this commission, Texas has achieved an enviable position as compared with other jurisdictions." It also said, "strong leadership on the part of the state is clearly required."

The commentary is based on a detailed two-volume study plan to be published later this year. In addition to these materials, the institute has established a computerized inventory of all airport facilities in Texas.

'AWWWW, PHOOEY!' ... Pass evades Max Newman in Springlake game (Photo by Mike Elder)

Bethel news

Harvest is underway

By MRS. JACK RISTER
THE combines are really going this week with corn and maize being harvested. It sure looks good to get the harvest underway.

Mr. and Mrs. Vern Lust visited with Mr. and Mrs. Glenn Lust and family of Lazbuddie Monday evening.

Correction: The Monty Boozer baby boy is named Britt Monroe.

SUNDAY GUESTS in the Jack Howell home were Mr. and Mrs. Carl Lee of Summerfield, the Don Sargents of Hereford, Mr. and Mrs. Wayne Lee and boys of Plainview, Mr. and Mrs. Jimmy Howell and children, Mr. and Mrs. Don Moke and son of Dimmitt. This was to celebrate Don Moke's, Sue Howell's, Kenny Howell's and Jack Howell's birthdays.

The seventh and eighth grades played in Springlake Tuesday afternoon. The boys from Bethel who are on the team are Gaines Howell, Rickey and Randy Bagwell, Mark Welch, Steve Stanton, and Kirk Wales. The parents who attended were Mr. and Mrs. James Welch and Ronald, Mr. and Mrs. Tommy Stanton and Charlene Howell.

Mrs. Betty Hall of Dimmitt visited the Jack Howells Thursday night.

Mrs. Bud McLeroy was in Hereford Wednesday morning. Mrs. Bud McLeroy and Mrs.

Jack Rister were in Hereford Saturday.

Mrs. Bud McLeroy and Mrs. Jack Rister visited in Levelland and Morton Thursday with Mrs. L. H. Hooper, Mrs. J. D. McLeroy, Mrs. C. C. Rister, Mrs. J. D. Bradley and Carroll.

Mr. and Mrs. Moss Howell visited his sister Edith Russell Saturday in West Texas Hospital in Lubbock.

EIGHTEEN members and one visitor, Mrs. Sides from Lubbock, attended the Home Demonstration Club meeting Wednesday afternoon. Birdie Neill presented an interesting program on crafts and

hobbies, and Glenda Rickerd spoke on the governor's conference on aging. Hostesses were Buna Schwen and Nell Ingram.

Sue Howell was hostess for handwork day in the home of Hattie Howell on Thursday.

Those attending were Mary Brandon, Lois Bagley, Pat Bagley, Charlene Howell, Hazel Bagwell, Roberta Bagwell, Millie Lust, Grace Lust, Pat King, Irene Keating, Glenda Rickerd and Buna Shwen.

MR. AND MRS. Goodwin Miller of Dimmitt visited with Mr. and Mrs. Earl Lust Sunday afternoon.

1971. Buick introduces a new set of values.

Value, not gimmicks or ornamentation, sells cars. More people have been coming to Buick each year for just that reason. Buick concentrates on value. And this year, Buick introduces a new set of values. Features that will help make your new Buick perform better,

last longer and get you more of a return on your investment at trade-in time.

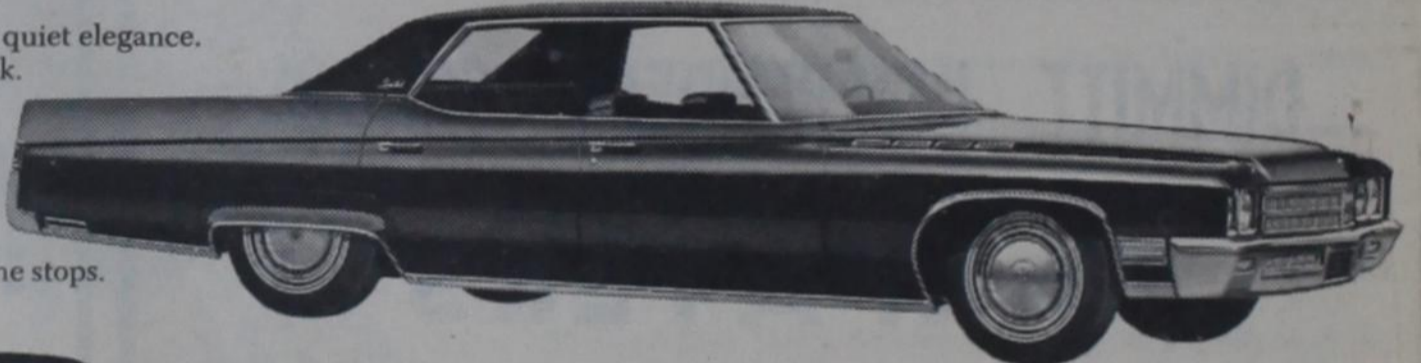

Only a Buick dealer can offer you our new set of values. So, test your values against our new ones. Then ask yourself this simple question. Wouldn't you really rather have a Buick?

Something to believe in.

1971 Buick Riviera. A totally new design concept. And that's not all. Riviera offers MaxTrac, an exclusive power control system you can order with its own on-board computer. It helps you get securely over slick surfaces by reducing rear-wheel slipping. The new body features side-guard beams for protection, a bigger trunk, and a driver cockpit with a control center designed around the driver for new ease and convenience.

1971 Buick Electra 225. A new interpretation of quiet elegance. We've improved our Electra everywhere you look. There's more room in every direction, interiors that can be appreciated as much for their durability as for their beauty and comfort, even a new balanced braking system. A unique valve proportions braking force front to rear to help give you quick, smooth straight-line stops.

1971 Buick Centurion. This is our newest Buick, a city car with sleekness and grace as well as muscle. It features more nimble variable-ratio power steering, power front disc brakes, Full-Flo ventilation, and a vinyl roof on the Centurion Formal Coupe as standard equipment.

1971 Buick Skylark Custom. This is the car that has set the pace for value in its price class. Rocker panels that wash and dry themselves, big-Buick room and comfort inside, a cooling system that should never overheat, inner fenders that protect the outer fenders, and a modest price have put our Buick Skylark traditionally among the resale leaders in its class.

1971 Buick LeSabre. An incredible new offering of Buick value. The LeSabre, like the Riviera, Electra and Centurion, features AccuDrive, a new version of the directional stability system we pioneered. It will help give you smooth handling.

An Important Improvement. Every new Buick engine is now designed to run smoothly and efficiently, and with lower exhaust emissions, on no-lead and low-lead gasolines. And every Buick V-8 engine will have exclusive nickel-plated exhaust valves for smoother operation and longer valve life, and a new time-modulated choke to help give quicker warm-up and a more consistent fuel mixture.

YAMS WHAT AM!—Jimmy Dowty, son of Mr. and Mrs. Jim Dowty, proudly shows a day's digging of giant yams grown by his grandfather, J. L. Dowty, 109 NW Fifth St. The sweet potato which Jimmy is holding weighed six pounds. In background are multiple potatoes that grew together from the same vines. "New Mexico is supposed to be the best land in this part of the country for sweet potatoes," Mr. Dowty said, "but our soil here will raise more and better ones." Mr. Dowty also has raised tobacco here which he said was superior to that grown in the Carolinas and Virginia—by the admission of a North Carolina tobacco buyer—and has also produced giant strawberries in his garden.

Feterita sorghum susceptible to newest race of head smut

Sorghum line susceptibility to race 3 of the head smut "Sphaerolotheca reiliana" makes the new race as potentially destructive as race 1 of the 1950's, reports Texas Agricultural Experiment Station researchers Richard A. Frederiksen, Darrell T. Rosenow and Lucas Reyes.

In a recent test, nearly 300 common sorghum lines were tested in the field for reaction to the head smut, and surprisingly few were susceptible. However, a widely used feterita sorghum and its derivative strains did prove to be susceptible, and this accounts for the danger, Dr. Frederiksen said.

Virulence of race 3 of Sphaerolotheca reiliana is similar to that of race 1, with the only exception being the ability of race 3 to attack Tx09 Combine White Feterita and its derivatives, he noted.

The study began after a report in 1968 of the new race in South Texas. The new race also has cropped up in parts of the Texas High Plains.

THE SORGHUM hybrids and varieties were seeded on the Otto Hertel Farm near Berclair, about 15 miles northeast of Beeville. The same hybrids and varieties were grown in the head smut nursery at Beeville. Each test contained two replications in a

completely randomized block design. The incidence of head smut in each entry was determined after heading but prior to plant maturity.

Berclair had a higher incidence of smut than at Beeville, but many susceptible entries from Beeville had as high or higher incidences of the smut.

The feterita entries that showed the most noted examples of this differential reaction were CI 810, Dwarf Feterita; FC 8964, D.D. Feterita; SA6649-7-2, D.D. Feterita SA 346, Feterita; Tx09, Combine White Feterita and the Feterita derivatives Tx2533, Tx2534 and Tx2536.

OTHER varieties and lines susceptible at Berclair and not at Beeville were two hegaris, PI 34911 and Tx 409, Golden Hegari and four hegaris derivatives Tx 2528, Tx 2529, Tx 2530 and Tx 2531. Also a few kafir lines were differentially susceptible as was Club Milo (FC16208).

Identification of the head smut pathogen with a genotype similar to the one that occurs at Berclair had occurred in seven South Texas counties: Bee, Karnes, Goliad, Nueces, Fefugio, San Patricio and Wharton. Distribution of the new race within a county is difficult to ascertain. Many fields are essentially free from the race even within counties where the disease has developed in several commonly grown sorghum hybrids.

During the summer of 1969, another test of a collection of 481 commercially available grain sorghum hybrids, sorghum forage hybrids and sudangrasses for their reaction to Sphaerolotheca reiliana revealed that over 85 percent of them are moderately susceptible or susceptible to race 3.

OBSERVATIONS suggest that the head smut is present in Bexar County and in some locations on the Texas High Plains. The ultimate distribution of race 3 will depend on the extent of continued cultivation of susceptible genotypes and the environmental factors which encourage or limit disease development.

Early detection of race 3 makes it possible for breeders to develop new smut-resistant hybrids before the development of widespread epiphytotic of head smut. Many resistant lines are available for use, the scientists said.

Socrates said: "Husbandry is the mother and nurse of the other arts. For when husbandry flourishes, all the other arts are in good fettle, but whenever the land is compelled to lie waste, the other arts well-nigh perish."

Hart Cub pack seeks members

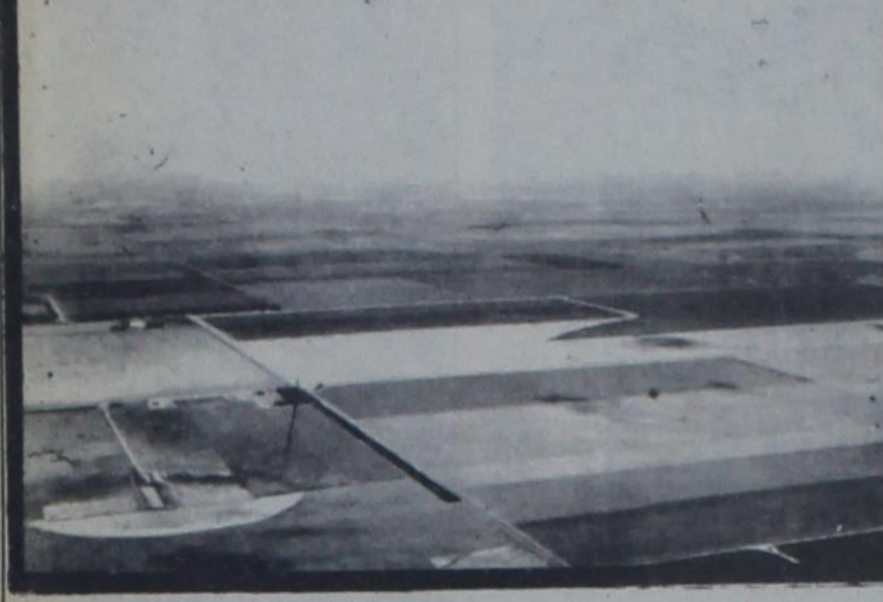

Parents of 8-9-10 year old boys in Hart are invited to bring their sons to a Cub Scout rally to be held in the Hart Elementary School cafeteria at 8 p.m. Tuesday.

LOCAL Scout officials and representatives of the South Plains Council will be present to reorganize Cub Pack 246.

The Cub Scouting program in Hart is sponsored by the Hart Lions Club.

"...Conservation must exist in the mind before it exists on the land. The number one problem in the establishment of conservation lies before the educators of the nation. Every teacher, in every grade, in every subject, must share this responsibility of teaching conservation, the primary duty of our schools." —Ollie E. Fink

MODERN AGRICULTURE

Cotton men urged to be careful with defoliant

Cotton farmers should make proper preparations and exercise recommended safety precautions for the use of cotton defoliant and desiccants.

"KEEP THE materials in their original, properly labeled containers, away from human food or animal feed, fertilizers, seeds, insecticides and fungicides," Fred C. Elliott, Extension cotton specialist, advises. "Also, carefully follow precautions on the label, and avoid spray drift to plants and crops other than cotton."

Equipment used for the application of desiccants or defoliant should be thoroughly cleaned to remove sticky residues left by liquid insecticides, and should be carefully calibrated before use in order to obtain a uniform appli-

cation, he said. The basis for the control program on farm chemicals is to prevent undue risk from residues of the chemicals in the raw agricultural product, Elliott noted.

WITH proper use there is little or no danger of polluting lakes or streams with either desiccants or defoliant since they are applied at very low rates and during very dry periods," Elliott explained. "Most desiccant and defoliant residues also have very short lives."

Defoliant prepare cotton for machine picking. There are chlorate and organophosphorus types. In 1969, 5,762 cotton picking machines operated in 77 Texas counties, and they harvested 25 percent of the crop.

Desiccants prepare cotton for machine stripping. Of these, arsenic acid and Paraquat are the most commonly used. During the 1969 cotton season, 39,675 strippers in 163 counties stripped 73 percent of the Texas crop.

Advisors named for Water, Inc.

Water, Inc., directors have named 13 new advisory directors and re-elected 13 others. All 26 were named to one-year terms.

NEWLY named to sit with the directors in an advisory capacity were Rogers Aston, president of the Southsprings Foundation, Roswell, N.M.; Harvy Davis, executive director, Texas State Soil and Water Conservation Board, Temple Jesse B. Gilmer, Rio Grande Compact Commissioner; Dr. Earnest F. Gloyna, dean of the College of Engineering and director of the Center for Research in Water Resources, University of Texas, Austin; Ed L. Reed, consulting hydrologist, Midland; Dr. Charles Smallwood, dean of the School of Agriculture, West Texas State University, Canyon; Homer Tamer, manager, Northeast Texas Municipal Water District, Daingerfield; Bill Waddle, general manager, Texas Water Conservation Assn., Austin; C. W. "Bill" Weber, Brown and Root, Inc., Houston; Field Scovell, Southland Life, Dallas; Dr. Ralph Stucky, director, Water Resources Research Institute, Las Cruces, N.M.; Josiah Wheat, president, Texas Bar Assn., member of the National Water Commission, Woodville; and Pat Smith, LeTourneau, Longview.

What's cooking at the schools

Here's the lunchroom menu for South Elementary School cafeteria for the coming week. The menu will be basically the same for Dimmitt High School cafeteria, according to Mrs. Sarah Blackwell, lunchroom supervisor.

TODAY (Thursday) — Turkey and dressing, cranberry sauce, green peas with carrots, prune cake, kitchen made bread, butter, milk.

Friday — Fish filets with tartar sauce, whole new potatoes, green beans, gelatin salad, rolls, butter, milk.

Monday — Weiners stuffed with cheese, buttered whole kernel corn, cabbage slaw, peach halves, batter bread, butter, milk.

Tuesday — Chicken a la King, green beans, gelatin salad, cookies, rolls, butter, milk.

Wednesday — Hamburgers with lettuce, onions and pickles, sliced tomatoes, French fries, prune cake, chocolate milk.

Thursday, Oct. 8 — Texas hash, blackeyed peas, carrot sticks, apple cobbler, cornbread, butter, milk.

Re-elected to the advisory group were Don Johnson, Lubbock; Jim Nichols, Fort Worth; Steve Reynolds, Santa Fe, N.M.; Dr. Gerald Thomas, Las Cruces, N.M.; Marvin Shurbet, Petersburg; O-

PUNT-PASS-KICK CHAMPS—Here are the six boys who won first place in their age divisions Sunday afternoon in the local "Punt, Pass and Kick" contest, sponsored by Bob Goss Ford and conducted by the Castro County Jaycees. From left are Jeff Lindsey, winner in the 8-year-old division; Johnny Merritt, 9; Mark Summers, 10; David Mixon, 11; David Espinoza, 12; and Ricky Walthall, 13. The boys

will compete against other local champions from throughout the Panhandle in the area competition at Buffalo Bowl, Canyon, Saturday morning, for the right to advance to the district contest at Oklahoma City. More than 100 boys took part in the local contest Sunday. The competition is co-sponsored nationally by Ford Motor Co. and the National Football League.

State Capitol Highlights

Fight is brewing over farm tax amendment

By VERN SANFORD
 Texas Press Association

A fight is brewing over the proposed constitutional amendment to set maximum limits on tax assessments of farm, ranch and timberland.

Amendment No. 3 on the Nov. 3 ballot would authorize the legislature to provide a uniform method of assessment for lands, based on their capability to support livestock raising or farm and forest crop production.

A 15-member special committee headed by State Sen. Wayne Connally of Floresville has completed the last of 11 hearings on the state on this measure. Its tentative report summarizing testimony favoring the amendment will be presented before Nov. 3, but the committee's recommendations to the legislature will be delayed until next year.

"Agriculturists are saying they can no longer operate if taxes continue to increase as they have in recent years," Connally told newsmen. "Whes land on one side of a barbed wire fence is assessed at \$1,000 an acre, and the same land on the other side of the fence at \$150 an acre, somebody is going to cry."

An earlier amendment (1966) which had the same general purpose is "unworkable," say proponents of Amendment 3. Present provisions apply only to individual land owners, exclude timberlands and owners who earn less than half their income from their farm property.

Texas State Teachers Association is opposing the new amendment on grounds that it "could virtually destroy the tax base of many school districts" and open the door to favors for other groups.

Connally maintains the proposal would not result in major revenue loss statewide and that the legislature would have to appropriate supplemental funds to districts suffering income decline.

damage insurance they did not need in order to get needed liability policies. Requirement by companies, Board said, is a violation of insurance rating laws. Governmental units must make a specific request for refunds.

CITY SALES TAXES UP
 Local option sales taxes in 420 cities brought municipal governments more than \$35 million for the second quarter of this year. That is an increase from \$30.9 million the first quarter.

Tax is calculated and refunded to cities by Comptroller Robert S. Calvert on a quarterly basis. Biggest yield was to Houston, which received \$7.2 million for the second quarter. Dallas received \$5.6 million, San Antonio \$2.2 million, Fort Worth \$1.9 million, Austin \$1 million, El Paso \$1.1 million, Corpus Christi \$787,565, Lubbock \$663,752, Amarillo \$568,284 and Beaumont \$555,288.

TEACHERS MAP PROGRAM
 Texas State Teachers Association, which won a long-term pay raise from the legislature last year, has a seven-point legislative program for 1971 which will require no major new state spending.

At the same time, teachers are looking over a proposed new code of ethics and standard practices which includes a flat pledge not to engage in strikes or organized work stoppages.

Code will be submitted in a February referendum by the Professional Practices Commission. The commission can make further changes based on the referendum and will adopt a final code on

June 1, to be effective Sept. 1. ...Rep. Grant Jones of Abilene heads new speaker's committee to study insurance company problems. Rep. Jack Ogg of Houston is chairman of a panel studying nursing homes.

Texas' four largest metropolitan areas accounted for 98 percent of state's growth during the last decade, according to preliminary census data.

Promoters of the "liquor by the drink" amendment are bearing down on campaign theme that over-bar sales don't increase per capita consumption, while opponents argue exactly opposite in a warning battle of the ballots.

Credit Awareness
 Without credit often you could not buy a new home or new car — might not be able to take that special vacation trip, or might not even have adequate health care. Pay your bills promptly. It's to your good credit.

Thursday - White beans, sauerkraut and Vienna sausages, onion slice, cornbread, cherry cobbler, milk and butter.
Friday - Hot dogs with chili sauce, French fries, catsup, lettuce and tomato, apple sauce cake, milk and butter.

Financial Facts
By Willis A. Hawkins, Jr.

Do you live from paycheck to paycheck? Many modern Americans are able to see no further than the next paycheck. Then, when an emergency arises, they have nothing to rely on. There is a simple solution to this common problem.
The first thing to do when you receive your paycheck is to go to the bank and deposit some in a savings account. Then forget about it. Most people never miss it. You don't have to put much in—five dollars a week will add up quickly. But you'll have the extra money on hand if you should need it suddenly.
The next thing to do is shop wisely. Try not to buy on time,

THE Brotherhood of the First Baptist Church sponsored a Sunday afternoon program at the Golden Spread Nursing Home in Dimmitt.
Harold Smith was in charge of the program, with Elmer Six leading in group singing.
Vaughn Ross brought the devotional.
Attending from Hart were Rev. C. T. Cunningham, Harold Smith, Elmer Six, Vaughn Ross, Curtis Snitker, Mrs. Jim Dalton and Myrt Loman.
BECKY KING was hostess last Wednesday night to 14 members of the 'Christian Crusade' group.
Ricky Farris, president, conducted a short business meeting, with the group voting to meet each Sunday afternoon at 2:30 for Bible study to alternate the meetings at different churches, and to invite a speaker each meeting.
Sunday afternoon the group of 20 met in the Church of Christ for Bible study led by the minister, Harold McColum of Dimmitt.
Youth of all faiths are invited to attend the meetings each Wednesday at 6:30 p.m. and Sunday afternoons at 2:30. Next meeting will be at the Church of Christ.

Den mothers and workers are desperately needed to reorganize. The scouting program of Hart is sponsored by the Hart Lions Club.
MRS. T. H. Taylor led the Bible Study at the Thursday morning meeting of the Women's Society of Christian Service, at the United Methodist Church.
The ladies made plans for Jennifer Myers of Girlstown to spend this weekend as a guest of the WSCS.
Mission projects discussed were the making of gifts for girls at Girlstown and ways to raise funds to purchase new books for the church library.
Special guest was Mrs. Jamie Winfred of Smyer, daughter of Rev. and Mrs. Taylor.
THIS WEEK is six weeks' test time for Hart students. The schedule is: Wednesday - seventh period classes have tests; Thursday - first, third, and fifth periods; Friday - second, fourth and sixth periods.

Frio news
Hems will drop, Homemakers told
By Mrs. Owen Andrews
Frio Homemakers Club met last week in the community room of the First National Bank, Hereford, with Mrs. Argen Draper as guest speaker. Mrs. Tommy Sparkman was hostess.
Mrs. Draper talked on 'Hemlines for 1970,' and with skirts and string helped the ladies to determine the most becoming length for each.
Mrs. Draper predicted, 'The mid-length hem line will be most widely accepted in coats, skirts and evening wear. Dresses will be two to four inches longer than last year. The easiest transition will be with pants suits - which will be extremely popular.'

MR. AND MRS. H. F. Benson, Mrs. Ronald Crist and Rev. Bill Ray, pastor of the Nazarene Church of Hereford, attended funeral services of Maurice Darral Yearwood at Pleasant Valley Baptist Church near Hydro, Okla., Monday afternoon.
Yearwood, 29, was killed Saturday when a car fell on him while he was working on it.
Mrs. Yearwood is the former Coleen Sanders, daughter of Mr. and Mrs. Clayton Sanders, west of Hereford. Yearwood was a farmer, and the couple with their two small children lived near Hydro. Burial was in Alfalfa, Okla., cemetery.
Mr. and Mrs. T. L. Sparkman Jr., spent the past weekend with their daughter, Darlene, at Waco, where she is a junior student at Baylor.
Recent visitors of Mrs. Carlton Dobbins, the Edgar Vinsons and the Robert Dobbins were Mr. and Mrs. Wayne Betts of near Dallas. They were here several days of their vacation.
NEW officers will be assuming responsibilities at Frio Baptist Church beginning with the first Sunday in October. They include Mike Waldrip, Sunday School superintendent; Eugene Baldwin, Training Union Director; Chesley Johnston, Secretary; Mrs. Olin Parris, Church Clerk; and Carlk Andrews, Church Treasurer and Weldon Stephan, Music Director. Other officers and teachers were also elected.
The Clark Andrews and Lynette and Mrs. E. B. Berryman spent the weekend in the New Mexico mountains and also visiting a sister and brother-in-law of Mrs. Berryman's, Mr. and Mrs. Audrey Franks, at Albuquerque. Mr. Franks is seriously ill in the Veterans Hospital. They live in Amarillo.
Mr. and Mrs. Joe Ed Andrews and children spent Sunday and Monday at Vernon with the Pilegreen and Haseloff relatives.

THE HART Booster Club is seeking new members. Dues are \$2 per person or \$4 per family. The Boosters meet each Tuesday night to see files of the previous football game and hear the coaches' reports. Stadium bags and vests are for sale also. Contact any member of

Missionary will speak on India Tuesday evening
Rev. James Anderson
Rev. James Anderson, an Assemblies of God missionary to South India, will be guest speaker Tuesday at 7:30 p.m. at the First Assembly of God Church, Southeast Second and Belcher Streets, Rev. William E. Summers, pastor, has announced.
REV. ANDERSON and his wife, Mardria, were engaged in Bible school work, evangelism, establishing churches, and literature distribution during their past term of service. He traveled extensively in India conducting evangelistic campaigns in major cities. He was also instrumental in starting a number of English grade schools, and served as superintendent of the Junnar Boys Orphanage in Bombay State.
With 523 million people, India is the second most populous country in the world and one of the least developed. The ethnic background of the Indian people is extremely complex - nearly three millennia before Christ a distinct culture existed in the Indus Valley.
Indians speak 14 main languages and hundreds of dialects. Hindi, the official language, is spoken by about 45 percent of the people; English is also spoken. Some 84 percent of the people are Hindus, 11 percent Muslims, and the remainder are Christian, Sikhs, Buddhists, Jains and Parsis.
BEFORE going to India, Rev. Anderson and his wife both attended Southwestern Assemblies of God College in Waxahachie. They pastored churches in Texas and North Carolina, where he served as district Christ's Ambassador president.
Social security agent sets visit
A field representative of the Social Security Administration will be in the Castro County Courthouse Wednesday from 9:15 to 11:15 a.m. to help local residents on matters relating to social security and Medicare.
THOSE unable to meet with him here may also obtain service by visiting the area office at 317 E. Third St. Amarillo, or by telephoning 376-5151.

Horns, Bulldogs fight to 6-6 tie

By DAVID BASS
The Hart Longhorns and the Amherst Bulldogs battled to a 6-6 tie in a tight defensive battle at Hart Friday night.

THE game was sparked by good defensive play but was marred by many fumbles on the part of both teams. However, the bobbles caused no lasting damage as neither team was able to capitalize on the miscues.

Sparking the Longhorn defense was Stanley Dyer, who prevented a Bulldog touchdown and led in tackles. He was followed in defensive credits by Greg Crosby and Ricky Farris.

Johnny Ethridge took the opening kickoff but was dropped on the spot by the fast-charging Bulldogs. The Horns could do nothing with the football on their first series, and punted.

FROM THE Amherst 20, Ricky Miller took the pigskin and proceeded to lope 70 yards downfield. Only a last-man tackle by Dyer prevented the touchdown. Then the Horns dug in and held the Dogs away from the goal line, with Crosby making a crucial fourth-down tackle.

Operating deep in their own territory, the Horns again were unable to move the ball, and punted. Then came the host team's first big break.

The Bulldogs fumbled on their own 19-yard line and Carlos Martinez pounced on the ball to give the Longhorns their first scoring opportunity. The first quarter ended a play later, with the score standing at 0-0.

THE HORNS drove the ball to the Amherst 4, with fourth down and goal to go. But then disaster struck — the Longhorns were pushed back to the 15 on the crucial play, and the Bulldogs took over.

Then came another big break for Hart, when the Bulldogs fumbled the ball again and Guillermo Carrasco hopped on it.

But the turnover did the Horns no good either, as they fumbled it right back, with David Rangel jumping on it for the Dogs.

THE BULLDOGS then started their only scoring drive. After pushing the ball to the Hart 47, the Bulldogs opened the route for halfback Gregg Cruz, who raced 47 yards for the Amherst touchdown. The Dogs' Bobby Clayton tried for two extra points, but his run was stopped short of the goal line and at halftime the score stood 6-0 in favor of the visitors.

The third quarter was a repeat of the first, with both teams fumbling the ball away but neither able to capitalize. When the clock ended the third stanza, the score still stood Amherst 6, Hart 0.

But the Longhorns started moving the ball well in the fourth frame, and on fourth down with a yard to go, Dyer broke through the middle of the Amherst line, found an open pathway, and streaked 48 yards for the tying touchdown.

A FAKE kick and a pass from quarterback Dirk Rambo to Dyer went awry, leaving the score deadlocked.

The Bulldogs followed up with a heart-stopper with 2:37 left in the game, when Amherst's Bobby Clayton broke loose on an end-around run and raced 45 yards, crossing the goal line standing up. But the play was called back because of a clipping violation, and neither team threatened again.

The tie gave Hart and Amherst identical season records of 0-2-1. Friday night the Longhorns will open district play by traveling to Farwell to meet the Steers. Game time will be a half-hour later than the pre-conference games have been, at 8 p.m. instead of 7:30.

DIMMITT'S JAY STANTON (24) STOPS SPRINGLAKE RUNNER ... Ball squirts loose (arrow) but Wolverines recover (Photo by Teve Brown)

Plagued by fumbles

Bobcats fall, 14-7

By JIM MILLER

Hoyt Glasscock, big Springlake-Earth quarterback, personally accounted for all 14 of his team's points Friday night as the Wolverines upset the favored Dimmitt Bobcats, 14-7.

MEANWHILE, a cold gale from the northeast infected the visiting Bobcats with fumbleitis and chilled their passing game to a standstill.

It was Dimmitt's first loss of the year, after two victories. Glasscock, a 202-lb. junior, was super-cool as he directed his team's Houston Veer offense to a stirring win. Glasscock also counted on the fine running of fullback George Nance and running back Ed Alair.

While the Wolverine offense stalled at times, the host team's quick-striking, ball-hawking defense pulled them out of the hole and gave them turnovers at will.

The Bobcat ball carriers were repeatedly separated from the ball, not only because of the cold northeast wind, but also because

of the scrambling Wolverine defense. The Bobcats turned the ball over to the Wolverines five times on fumbles.

Springlake Earth notched 16 first downs to Dimmitt's nine.

THE CONTEST started in typical Bobcat fashion as the Purple Crew received the opening kick and hit the 50-yard stripe in two plays as both halfbacks, Dan Frierson and Jay Stanton, appeared headed for a hot night.

Dimmitt QB Mark Wohlgenuth hit split-end Max Newman for a first down on the Wolverine 30, then the Bobcats quickly pushed the ball to the 10. From there, Frierson broke loose to paydirt to put the Cats on the scoreboard with the game less than 3½ minutes old.

Hoyt Hestand converted, and the Dimmitt machine apparently was in gear at 7-0.

BUT THE opening series gave little indication of what was in store for the Bobcat offense the rest of the evening. Fumbles slammed the door on any other scoring visions which the Cats might have had.

Still, the Bobcats weren't the only ones troubled by the slippery ball. The Wolverines gave the ball back on a fumble at the Dimmitt 15 after Nance and Alair had taken them into scoring range.

THE Wolverines' first scoring drive started later in the first quarter after Carl Sulser picked off a Wohlgenuth aerial and returned it to the Springlake 37.

Glasscock hit split end Mike Cleavinger for a 12-yard gainer to the 49, Glasscock carried 10 yards on a keeper, then Nance burst over the middle for a first down at the Dimmitt 22. Nance moved the ball to the 5, then Glasscock scored and added the extra point to knot it at 7-7.

The Bobcats' next offensive effort was disastrous, as they fumbled the ball away after Frierson had lost 35 yards on a pitch-out play.

The first half ended with the score knotted at 7-all.

BOTH CLUBS spent the third quarter slugging it out between their 20-yard lines, with frequent fumbles rolling across the well-manicured Springlake-Earth gridiron.

Big George Nance, the 202-lb. Wolverine running back, finally got a determined Springlake drive going in the fourth period when he moved the ball to the Springlake-Earth 40. Alair picked up 17 yards to advance the ball into Bobcat territory. Glasscock continued to move his club to the Dimmitt 29 and a big first down. But here the Bobcats dug in and took over.

The Dimmitt counter-attack was thwarted, though, when Nicho

Campus chatter

'Spirit Week' underway

Spirit Week is the next big event on the calendar for Dimmitt High School.
 THIS Wednesday is purple and white day. Thursday is trash day when all students wear their tackiest clothes.
 School is dismissed at 1:15 and everyone goes out to gather wood and junk for the big bonfire Thursday night.
 Friday is dress up day, and that night is the big game against Floydada Whirlwinds.
 Hal Heathington got to make a round with the police last Saturday night on one condition, if he would get a haircut.
 Poor Sandra Robertson got caught skipping 7th period last Friday, so, Mr. Shockley got wise didn't he?

Mayfield. I hear she is a pretty wild character.
 Patsy Jackson, do you let your mother pick all your friends?
 Sue Stokes apparently has her eyes set on older men.
 Linda Elder and Karen Acker took off and went to Canyon last Friday night. What was so interesting over there anyway?
 Guess who's new in school?
 Some of our new students are Linda Gonzales, Sandy Ochoa, Ramoldo Lopez, Simon Elizando, Ricky Elizando and Bernado Saez.
WE WELCOME you to DHS.
 Hey, Margaret Abrego, your horoscope predicts, look out for suspicious eyes in the halls. They'll conjure you if you make a move towards Arnold Garcia.
 Doctor Who? Mary Cardenas has a specialist that she has to go whenever she feels down and out. Irma Calzado, librarian-aid, enjoyed herself at the Tri-State Fair in Amarillo with the "Friends of the Library Club".
 Action starts when Luther Perez steps out the back door. Ask Junior Espinoza about this episode.
 Last but not left out, Minerva Lopez, give us a few pointers on what to do when you have too many tests in one day??
 We dedicate "Indiana" to Diana Garcia, Joe Hernandez flips for "Julie, Do You Love Me?". Polita enjoys "Ain't No Mountain High Enough," and Barbara Renaud is crazy about "Go Where You Wanna Go," and that is exactly where she wants to go—Edinberg.
 Oh! and the freshmen have top hits to. Otilia Salinas likes "Cracklin' Rosie," George Lopez enjoys, "Green Eyed Lady," Lupe Garcia loves, "Ain't No Mountain High Enough," and Sammy Davila's top hit is "Baby Is There Something On Your Mind?"

"Share Your Love With Me"... from Robert Woolbright to a very sweet girl.
 "Everybody Got The Right to Love"... from Melba to Floyd.
 Soulful Secret's: Clearance Smith is really "Black Tarzan in Disguise".
 The most silent is Micheal Robertson.
 Loudest is Aretha Thomas and Margie Tillis.
 Most likely to succeed is Daniel Frierson.
 Doris Payne's favorite couple will always be Rebecca McDonald and Matthew Daniel.
 Floyd Bossett's prediction of this weeks action is: DHS 30, Springlake 12.

Dodsons enjoy work in school

When you walk the halls of DHS do you notice how clean they are? Do you notice how sanitary our restrooms are? This can only be explained by the Dodsons. This reason being the Dodsons!
 The Dodsons are our fine custodians. Mr. Dodson has been working here for 4 years and Mrs. Dodson 2 years. It is plain to see that they enjoy their work by the condition of our school.
 When asked about our school they replied, "As a school, it is the best. We have found that both students and teachers are worth our time to work with and everyone in this school has our full cooperation. But at times the student body doesn't take care of the mess they make."
 I'm sure that we the members of DHS would like to say, "Thanks" to Mr. and Mrs. Dodson for their hard work put into our building.

Counselor's Corner

By ROSA ORTIZ
 Our Counselor, Mr. Ringo, wants to congratulate Sharon Welch and Kent Bradford for being selected as semi-finalists in the National Merit Scholarship. They have a chance to win one of three thousand, \$1,000 scholarships. It is very unusual for a school of this size to have such outstanding students as these.
 The College Entrance Examination deadline is Oct. 17. The ACT test was Monday Sept. 28. There will be four more opportunities for the seniors to take the test. They should do it as soon as possible.
 Mrs. Parker's, freshmen English class, and Miss Lovett's, fifth period sophomore class have recently taken the National Education Development Test. Dimmitt was selected as one of 224 schools across the nation to take the test for standardization purposes.
 Freshmen and Junior's achievement tests will be given this fall instead of this spring, as it has been in the past. They will be taken in the next few weeks.
 Mr. Ringo comments, "I've been visiting the teachers and so far most of the DHS students are working hard and doing a good job this fall." He urges all to keep up the good work!
 "Our soil is not just dirt. It is a factory where everything needed to feed plants, animals, and human beings is made." —Wilson

Thespians pick Sharon Welch

Sharon Welch is the new president of National Thespians with vice-president Craig Vandiver. Anne Golding and Byron Hutto will take over the offices of secretary and treasurer.
NATIONAL THESPIANS, is a club of hardworking drama students who will be putting on a number of plays this year.

What is Spirit Week?

What is going to be the biggest school event during the 70-71 school year? The answer to this question is Spirit Week. It started Monday Sept. 28 and will last till Friday night.
 Spirit Week is a time for all the students, faculty, and administration to knock down the barriers of monotony synonymous with school. Then replace it with excitement for the students, work for the Pep Club, memories for the ex-students, and fire for the team.
 As a tradition of spirit week, a bonfire will be held. This year it will be held Thursday at 8:00 p.m. The student body takes great pride in the gathering, and igniting the wood that is symbolic of our school spirit. The beauty and excitement should draw a large crowd.
 Mems will be sold until Wednesday evening. We ask you to take part in this memorable event.

Mrs. Morris is teacher of week

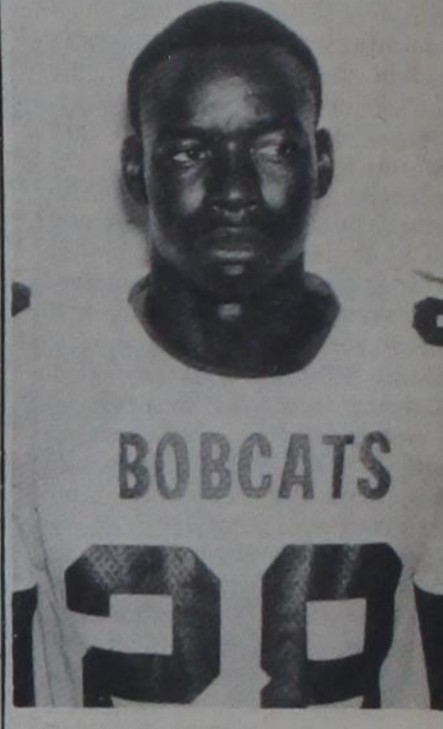

Mrs. Patsy Morris, born in Plainview, is the wife of Doyle Morris and mother of two boys, Dee, 7 and Jayson, 4. She graduated from Plainview High School.
 She sings and plays the guitar and has produced several records. She also enjoys football and softball. Her school duties are quite numerous. They include lunch coupons, handling money for various organizations and teaching of girls Phys. Ed. Mrs. Morris also spends an hour per day helping in the school library.
 When questioned about her duties Mrs. Morris stated, "I certainly enjoy my job and find the students most cooperative."

Bake sale set for choir robes

Cakes, cookies, and pies will be sold at the local grocery stores by the Choir on Saturday, Oct. 3. The Bake Sale proceeds will be used to purchase new robes for this year's choir members.
MR. DUTTON, choir instructor, stated, "The choir is beginning to sound better and I feel that we are going to have a fine singing group. I believe they deserve the support of the community."
 "The question remains. Are we to continue on the same dusty and perilous road once traveled to its dead end by mighty and splendid nations?"
 —Fairfield Osborn

Fish Bowl

By SHERRI BURROUS and ALICE RUSH
 Becki Carpenter, did you have fun on the bus Friday night? And how about you, Donna Hudson?
 Flo Lust, we heard about the big time you and Kyle had on the bus.
 Roger Underwood, have you had any snakes crawling on your neck lately?
 Sheila Wilcox and Linda Stone, the next time you admire Alice Rush's braids, why don't you do it in front of her? She hears all about it, anyway.
 Hey, Gary Wise, are you going to do another marching solo this Friday?
 Nancy Robertson, are you sure Flo Lust appreciated the birthday present you gave her?
 Does Sherri Burrous or Rhonda Welch have Jerry Matthews now?
 Has Jeff Lantz learned how to answer Mr. Savage in biology class yet?
 How's the gossip section after band practice (Gary Wise, Donna Hudson, Becki Carpenter, Debbie Dannevik)?
 Check back next week, Fish Bowl followers, for another super informative session.

Frierson
★
Player of the week

Daniel Frierson

Daniel Frierson, one year letterman for the Bobcats is the weeks Fourth Hour Player of the Week.
FRIERSON is an offensive and defensive halfback. He is now the number three scorer in the district. Frierson comments, "The team has a lot of pride, and they work well together."
 Daniel began playing football in the eighth grade. His goal is to break all scoring records in the district.
 He has attended school in Dimmitt and Dallas. He says that he will go to college anywhere he can. He also plans on playing college football.
DANIEL lists as his favorite teams the Kansas City Chiefs, and the University of Texas Longhorns. We the Fourth Hour Publication Staff salute this fighting Bobcat.

DIMMITT WHEAT GROWERS COOP

Nazareth fails at Canyon, 20-8

Nazareth's varsity was surprised by the powerful running and tackling of the Canyon Eagles' junior varsity Thursday night. The Eagles wore the Swifts down by continued hard running and gang tackling, and captured a 20-8 victory.

NAZARETH received the opening kickoff and surprised the Eagles. On the first play from scrimmage, David Olvera broke around right end and went 56 yards for the first score. Melvin Wethington tackled on two points and the Swifts were in front, 8-0, with only 10 seconds elapsed in the game.

However, this was to be one of the few moments of glory for the Swifts. Nazareth fought tooth and nail the rest of the quarter and held onto its slim lead.

Canyon came back in the second stanza with determination to score. The Eagles drove 50 yards to the 7-yard line with first and goal. The Swifts put up a tremendous goal line stand that lasted for seven downs, then took over on the 10-yard line.

ONCE during the threat, Canyon was just six inches from the line and attempted a quarterback sneak by Bill Moore, but the Swifts drove him back for a five-yard loss.

Nazareth ate up the remaining time, and at the half Nazareth was still holding onto its eight-point advantage.

The Eagles came back in the second half with their claws sharpened and wings flapping. Quarterback Moore led his Eagles on a 50-yard drive and six points on a quarterback sneak over center Sammy Kerbel. Two points were tacked on by halfback Gary Gerber, and the score was knotted 8-8.

NAZARETH could not move and had to turn the ball over to Canyon in the closing seconds of the third quarter.

Canyon overpowered Nazareth again, with Matt Hanson scoring the second Eagle TD. The Swifts stopped the two-point run by Gary Gerber and the score stood 14-8 as the fourth quarter began.

Nazareth rolled for several good gains by David Olvera and Melvin Wethington. But Canyon's powerful defense shut off Olvera's

speed around the ends and Wethington had to make his own holes in the line.

NAZARETH could not gain good field position the entire second half. Wethington would get off good punts of 40 yards and the speedy Eagles would run half the yardage back, leaving the Swifts with their backs to the goal most of the fourth quarter.

The Eagles wore the Swifts down again after a mid-air wrestling match in the waning minutes of the game.

The Eagle quarterback threw a 40-yard bomb to end Danny Daves. The pass was a bit long and Nazareth's Keith Gerber apparently came down with an interception on the 15-yard line. But no, the intended receiver had the ball! No, wait — it was a tie.

The offense has the advantage in case of a tie catch, and Canyon retained possession.

ON THE NEXT play, halfback Ronnie Wiley was slammed out of bounds only inches from the goal line — or so it appeared — but the referee hesitated an instant, then motioned a score. This made the score 20-8 in favor of Canyon. The Swifts could not move, and the game ended 20-8.

Outstanding on defense for the Swifts were Sidney Birkenfeld with 14 tackles and eight assists, Gordon Wilhelm with eight tackles and four assists, Kelvin Kleman with eight and five, Ben Huseman with seven and two, Sammy Birkenfeld with six and six, Ralph Pohlmeier with five and four, and Kerry Brockman with five and four.

Top offensive players for Nazareth were Olvera with 10 carries for 90 yards and six points, Wethington with 12 carries for 45 yards and two points, and Keith Gerber with six carries for 55 yards.

Griffitt wins 'Bobcat' title

Randy Griffitt, 170-lb. senior end, was announced as the "Bobcat of the Week" at Monday night's meeting of the Dimmitt Athletic Booster Club.

COACHES cited Griffitt for both his offensive blocking and his defensive tackling in Friday night's game against the Springlake-Earth Wolverines. On defense, Griffitt made seven tackles by himself and assisted in two others.

As the Bobcat of the Week, Griffitt was a guest at the Dimmitt Lions Club meeting Tuesday at noon. In introducing him, Assistant Coach Don Parker said Griffitt — who is in his second year as a Bobcat starter — came close to winning "Bobcat of the Week" honors in the team's first two games.

Thirty-three persons were present at Monday night's Booster Club meeting in Dimmitt High School cafeteria, viewing films of Friday night's Dimmitt-Springlake game and hearing reports from the coaches.

The Bobcat stadium cushions have been received and are now on sale at \$2 each. You may buy your cushions from any member of the Booster Club.

"We shall achieve conservation when and only when the destructive use of the land becomes unethical — punishable by social ostracism." —Aldo Leopold

National 4H Club Week

To All 4-H'ers and Their Leaders, Our Hearty Congratulations... Keep Up the Good Work, and May Success Always Be Yours!

"Join 4-H: A World of Opportunity." As we pay homage to 4-H Club members, during National 4-H Week, October 4-10 we believe that this official slogan appropriately expresses 4-H aims and advantages. "Join 4-H" ... and a world of opportunity awaits young people, who gain training and experience in citizenship and community life, as well as acquiring valuable career and homemaking skills. "Join 4-H" ... and young people find a world of opportunity to serve while they learn, to build for the future. "Join 4-H" ... because 4-H has much to give, and much opportunity for giving ... to family ... community ... country ... and world!

Dimmitt's first Ladies' Partnership Golf Tournament went off very well, with 20 teams entering from surrounding Texas towns, and one team from as far off as Hobbs, N.M.

THE 18-hole, medal-play affair was deadlocked in a two-way tie for the championship when the teams of Va Allen and Helen Ann McWhorter of Hereford, and Doris Maggard and Helen McQueen from Plainview came in with 80's.

Mrs. Allen, who was runner-up in the Dimmitt Friendship Golf in the Dimmitt Friendship Golf Tourney here this summer, ran a putt in for a par on the second hole to win the sudden-death playoff for first place honors in the championship flight. Third place honors went to the team of Martha Chatman and Helen McDaniel from Plainview with an 83.

First flight winners were Mrs. Nelson Combest and Mrs. Howard O'Neal of Panhandle, who carded an 87 to win first; Jo Ann Emery and Katherine Skarda of Farwell, who shot an 88 for second; and the team of Jean Jagels and Donnie Burgess of Hereford who had a 91 for third.

SECOND flight winners were Sis Deeds and Sharen Hughes of Farwell, first with an 83; Bobby Vilas and Amy Glover of Dimmitt, who came in with an 89 for second; and Polly Holland and Vudine Giles of Dimmitt, third with a 91.

Third flight winners were Jo Dene Taylor and Valeta Ayers of

Christian Church plans 'roll call'

Roll call for all resident members of the First Christian Church on Sunday will be part of the preparation of the church for the coming fall revival, which will begin Oct. 11.

EVANGELIST Hollins Duhon of Lake Charles, La., will lead the week of revival.

Minister Bedford W. Smith has announced the following sermons for Roll Call Sunday: "How the Pew Preaches" for the 10:50 a.m. service, and "The Wisdom of the Wise" for the 6 p.m. vesper worship hour.

Sunday will be the beginning of a new Sunday Bible School year. The Bible School time is 9:45 a.m.

PLAINS MEMORIAL HOSPITAL

It's a boy for Mr. and Mrs. Ramon Galvan of Hereford. He was born Sept. 21, weighed 8 pounds, and has been named Raul.

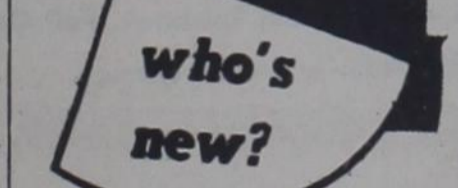

An 8-pound, 6-ounce boy was born Sept. 22 to Mr. and Mrs. Virgil Larry King of Dimmitt. He has been named Lonnie Joe.

Mr. and Mrs. Louis Garcia of Dimmitt became the parents of a 6 pound, 12½-ounce boy Sept. 23. They have named him Ricky.

It's a girl for Mr. and Mrs. Joseph Edward Drerup of Nazareth. Born Sept. 24, she weighed 8 pounds, 9½ ounces, and has been named Tammy DeAnn.

OUT OF TOWN

Central Plains General Hospital, Plainview: An 8-pound, 2-ounce daughter was born at 7:30 p.m. Sept. 21 to Mr. and Mrs. Billy Scott, 606 Pine St., Dimmitt. She has been named Barbara D'Lee.

Nazareth news

10 from here go to NFO conclave

By Mrs. Florence Albracht
Those from here attending the N.F.O. state convention in San Antonio last Thursday and Friday were Mr. and Mrs. Louis Huseman, Mr. and Mrs. Arnold Huseman, Mr. and Mrs. Elmer Schulte, Mr. and Mrs. Leonard Schulte and Mr. and Mrs. John Schacher.

MR. AND Mrs. Harold Venhaus and Mr. and Mrs. Bobby Steffens of Dallas visited their folks the Paul Venhaus and Bob Steffens over the weekend.

The Joe Drevups are the proud parents of a baby girl born Friday of last week. She has three little brothers.

Lots of our folks went to Amarillo for the Tri-State Fair and took in the Charley Pride and Jimmy Dean Shows.

Harvest has really gotten into stride and crop yields are high here, with corn, milo and soybeans being harvested.

MR. AND Mrs. Ralph Steffens and family were hosts for a birthday dinner Sunday honoring Ralph's Dad John Steffens of Slaton. Others joining in the birthday party were the families of Joe Kittens of Slaton, Bud Steffens, Don Ackers, Mrs. Harold Steffens and family of Slaton, Mr. and Mrs. Bob Steffens, their son Bobby and wife of Dallas, Mrs. Lucy Leinen, Mrs. Agnes Brockman and Sister Benedict Marie.

Mr. and Mrs. Frank Hoelting and Leonard spent Tuesday in Amarillo and spent the night with their son and family, the Ronnie Hoeltings. They also took in the Charley Pride Show.

Mr. and Mrs. Raymond Schmacher, Joe Venhaus and Art Brockman went to Subiaco, Ark., for the wedding of Tommy Pohlmeier and Sharon Brown. I failed to mention these four in the last week's news. Sorry!

THE Nazareth Swifts lost their game Thursday night to the Can

Hays Implement Co. International-Harvester Farm Machinery

yon "B" Team on their field. Football fans from here were either in Lubbock Saturday night for the Texas vs. Tech game or in Canyon for the Buffs vs. Wichita State.

Cloudy with forecast for rain this Monday afternoon.

Mrs. James DeCardenas and children of Dallas are visiting her folks, the Ed Drevups while her husband is hunting in northern Idaho.

Father Harold Heiman is here visiting his sister and family, the Frank Hoeltings. Father is recuperating from surgery. He plans to visit here and with his sister the Andy Schumacher family in Dimmitt and aunt and family, the John Albrachts family and his brother Florence and his wife in Amarillo before going back to his work in Subiaco, Ark.

MR. AND Mrs. Raymond Annen and Mr. and Mrs. John Litsch went to Lubbock to visit August Huseman at the Methodist Hospital. He is still in very serious condition.

Mrs. Cornelia Annen spent a day in Amarillo with her niece and family, the Larry Spencers.

The Tom Acker family spent the weekend in San Angelo where he attended a meeting.

Mrs. Max Acker spent Thursday and Thursday night with her daughter and family, the H. D. White family in Amarillo.

Lee is listed in 'Who's Who Among Texas Realtors'

L. C. Lee of Dimmitt is listed in "Who's Who in the Texas Association of Realtors," the 1970-71 membership directory of the association, published by Texas Realtor magazine.

LET, an individual active member of the association, is the only Dimmitt person listed in the directory.

All members of the TAR subscribe to the "Realtor's Pledge," which states:

"I am a realtor. I pledge myself to protect the individual right of real estate ownership and to widen the opportunity to enjoy it; to be honorable and honest in all dealings; to seek better to represent my clients by building my knowledge and competence; to act fairly toward all in the spirit of the Golden Rule; to serve well in my community, and through it my country; and to observe the Realtors' Code of Ethics and conform my conduct to its lofty ideals."

SGT. BROADSTREET RECEIVES DISCHARGE From commanding general, USMC Base, Twentynine Palms

Marine criminal investigator retires after 21-year career

Gunnery Sgt. Harold E. Broadstreet of Dimmitt has retired from the US Marine Corps, ending a 21-year career that began as a rifleman and later involved him in criminal investigation.

HIS wife, Laura, and four of their children — Tresa, Dale, Curtis and Barbara — all live in Dimmitt. Their oldest son, Gary, is already a member of the US Marine Corps himself.

Broadstreet is the son of Mr. and Mrs. E. H. Broadstreet, 410 W. Lee St., and the brother of Gerald and Gene Broadstreet of Dimmitt. At the time of his retirement, Broadstreet was stationed at the Marine Corps Base at Twentynine Palms, Calif.

The newly retired Marine sergeant hasn't decided yet where he will live, but he knows what he wants to do for a living. He wants to continue as a criminal investigator.

IT TOOK him too long to get there and "learn the ropes" to give up his favorite vocation now.

"When I enlisted in '46," he recalled, "the majority of Marines had the MOS of 521 — Basic Marine Infantryman — the good old grunt."

After boot camp at San Diego and advanced combat training at Camp Pendleton, Calif., he was assigned to the 106th Replacement Draft. After serving in Hawaii, he later joined the Fifth Service Depot on Guam.

AFTER completing his first tour of duty in the Marines, Broadstreet became a city mail carrier in Levelland. He re-enlisted in the Corps in October 1960 and went into postal work again — as a mail clerk at the Camp Pendleton Post Office.

He later worked in Marine postal units at Pearl Harbor, Hawaii, Korea and Camp Lejeune,

receiving promotions to staff sergeant along the way.

In October 1963 he re-enlisted for the criminal investigation field, and spent two years in on-the-job training. Then he received advanced military policemen's training and criminal investigation schooling at Fort Gordon, Ga., and became a full-fledged investigator for the Marine Corps.

IN 1969 he was promoted to staff sergeant (E-6) and was named chief investigator for Marine Air Group 11 at Atsugi, Japan.

Through the years he earned many commendations and credits — both from military and civilian authorities — for his work in criminal investigation, crime prevention, apprehension and work with juveniles. Among these was a special letter of appreciation from the North Carolina State Bureau of Investigation for his efforts in helping clean up a huge vice racket in the Camp Lejeune area.

"There's no other work for me," he said upon his Marine Corps retirement. "Police work is the most rewarding job I've ever done and I'll be in some phase of it as a civilian."

4-H Club Week set Oct. 4-10

White and green, the symbolic 4-H colors, are likely to be noted with regularity during the week of Oct. 4-10. 4-H Club members in Texas and the nation during this period will be observing National 4-H Club Week.

GOV. Preston Smith in proclaiming 4-H Week said, "The purpose of 4-H Club work is to give equal training to the Head, Heart, Hands and Health of Texas young people and to help prepare them to be better leaders and citizens who will fit into the society where their life's work may take them.

"4-H is a part of the educational program of the Texas A&M University Cooperative Extension Service and is supervised at the local level by county Extension agents along with the help of 16,000 local volunteer 4-H leaders who are outstanding men and women in the local community.

"Texas 4-H members working with more than 202,500 educational learn-by-doing projects, apply the latest research and scientific information to their work, keeping records, arranging exhibits and giving demonstrations to pass this information to others.

"THE leadership and citizenship training which 4-H members receive in this program is a valuable asset to our democratic way of life.

"Therefore, I, as Governor of Texas, do hereby designate the period of October 4-10 as 4-H Club Week in Texas, and urge all of our citizens to support and encourage the work of this organization which has as its motto, 'To Make the Best Better.'"

According to the State 4-H Leaders, observances are being planned throughout the state, either on the local community or county basis. A primary objective, they say, is to acquaint youth who are not now 4-H members with programs and activities available to them through 4-H. Also to acquaint the general public with the work the members are doing and their plans for future events and activities.

Local county Extension agents and adult leaders can supply information on all phases of 4-H Club work.

"We cannot boss about doing a whole of a job in our conservation teaching—until seeing a pastured woodlot causes belligerency and witnessing an eroded field brings on heartache." —Ranger Mac

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

a good word for a GOOD IDEA

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

Adolph Ebeling dies; rites in Marble Falls

By TEENY BOWDEN
Adolph Ebeling, a former resident of the community, was buried at Marble Falls recently. Mrs. Ebeling is in a nursing home there. They still own land in the community, and had lived here off and on since 1924, when his father bought a section of land in the southeast part of the community.

Prayer meetings for the revival were also held Tuesday and Wednesday night. The revival began Sunday with Rev. Johnny Tims from Lazbuddie arriving for the evening services as the evangelist and Mr. Vernon Patton of Tulia directing the music. You will miss a blessing if you do not attend every service. Services are at 10 a.m. and 8 p.m.

MR. AND MRS. J. Paul Waggoner visited with her parents, Mr. and Mrs. Bob Ball of Olton. John Hogue brought in the first load of milo to Farmers Grain Wednesday afternoon. Roy Lilley followed shortly behind. Quite a bit has been cut this week.

Robert Duke was one of the new active members inducted into the National Honor Society of Dimmitt High School last week. Ray Joe Riley, John Gilbreath and Roy Lilley were elected ASAC committee members for the community last week.

Charles Axtell was elected secretary of the Springlake-Earth Young Farmers in the election of officers last Tuesday. Marian Dawson was elected vice-president of the Springlake-Earth junior class last Thursday. Denise Morgan was elected pianist in the election of FHA officers for Springlake-Earth last week.

MRS. RAY JOE RILEY had a part of the program in the PTA Get Acquainted program Monday night.

Mrs. Ray Joe Riley played bridge at the home of Mrs. Shirley Wise last Thursday. The Wolverines lost to Hale Center 27-7 last Friday night. Eddie

Alair carried the ball four times for 23 yards.

Mr. and Mrs. David Sadler and Melody of Lubbock spent the weekend with Mr. and Mrs. Ezell Sadler. Mr. Sadler was honored with a belated birthday supper. Others present were Mr. and Mrs. James Powell and children of Dimmitt, and Mr. and Mrs. Larry Sadler and family.

Rev. and Mrs. Ellis Parsons and children of Plainview spent Friday night and Saturday with his parents, Mr. and Mrs. Thomas Parson.

The painting class met Saturday afternoon with Mrs. Bonnie Swin-

ney of Lubbock.

MRS. PEARL SADLER of Dimmitt spent Saturday night with Mr. and Mrs. Ezell Sadler and Mr. and Mrs. David Sadler and Melody. Mr. Ezell Sadler took his mother to Abilene Sunday morning to stay awhile with her sisters there.

Mr. and Mrs. Lowell Westmoreland and children of Littlefield had dinner Sunday with Mr. and Mrs. Alton Louder. She and the children visited Sunday morning with Mr. and Mrs. W. E. Louder, Mrs. Ezell Sadler and Mr. and Mrs. L. B. Bowden.

Mrs. Bill Morgan left Saturday for Arizona to attend the 50th anniversary of her parents on Sunday.

Fifty attended Sunday School with 24 in Training Union. Visitors were present in the revival services which got off to a good start.

"Conservation is the wise use of our natural resources — soil, water, plants, animals, and minerals — so that they will yield the greatest service to the largest number of persons for the longest possible time. Man is the greatest resource of all." —Fales

Jeanette Seely enrolls at LCC

Jeanette Seely, daughter of Mr. and Mrs. Gene Seely of Dimmitt, has enrolled as a freshman at Lubbock Christian College.

SHE IS a 1970 graduate of Dimmitt High School.

Lubbock Christian College is a small, private, senior college offering BA and BS degrees in 16 majors and has a 25 percent increase in enrollment over last year.

"The rural child's development must be rooted in rural soil. His present needs and problems will be what they are because of the inter-relationships of his life and those of his rural community." —Fannie W. Dunn

Congressman George Bush

Candidate sets Plainview visit

Congressman George Bush will bring his campaign for the US Senate to Plainview Saturday.

REP. Bush will attend the nine-county George Bush Texas Hamburger Supper at 6:30 p.m. Saturday at the Fifth Street City Park.

The supper will be open to residents of Castro, Hale, Floyd, Swisher, Briscoe, Bailey, Parmar, Dickens and Lamb counties. The price is \$1.

"The farmer is the ultimate conservator of the resources of the earth." —Bailey
