## Bronte and Hermleigh 5-Inch Rain Over Area Clash Friday Night Gives Fine Fall Season

The Bronte Longhorns will meet the Hermleigh Cardinals here Friday night at 8 p. m. Traditionally a powerful foe, the Cardinals will probably be the strongest foe the Longhorns have faced so far this season.

In addition to being a tough game, this contest will be important to the Longhorns because it will be the first game of the season in District 6-B competition.

Local dopesters believe the

### AD-LIB-BEN

We think that Humble Oil & Refining Co. deserves the thanks of everyone in the Bronte community for its generous donation of \$682 worth of playground equipment to the Bronte School. Undoubtedly, the company could have used the equipment at some of its other camps, but decided to give the equipment for the use of local children.

This is just one of many gestures made by Humble during the years it has operated in Bronte, which proves the company is tops as a citizen and booster for the community and school. Thanks, Mr. Humble.

Sam Levinson's home remedies for juvenile delinquency.\*

1. Thou shalt guard thy children in the home and on the street.
2. Thou shalt make thy home a sanctuary of love and devotion.
3. Thou shalt honor the teachers of thy children and teach thy children to honor them.
4. Thou shalt not condone the faults of thy children through a misguided sense of loyalty.
5. Thou shalt teach thy children respect for the law and keep them from the companionship of children who indicate disrespect for the law.
6. Thou shalt not lead thy child into temptation by providing him with the means thereof: to wit, too much money, a car, and adult privileges.
7. Thou shalt enforce decency in the dress of thy daughters, and dignity in the dress of thy sons.
8. Thou shalt protect the morals of thy children from the indiscretions of youthful ardor and inexperience.
9. Thou shalt conduct thine own affairs in such a manner as to set an example worthy of imitation by the children.
10. Thou shalt not permit thy children to bear arms except in the service of their country.

### Shorthorns Play Silver Tonight

The Bronte Shorthorns will play the Silver Indians in a junior high contest here tonight (Thursday). The Shorthorn team, made up of boys in the seventh and eighth grades, are coached by Mike Anderson.

They have been working out regularly, and are in good shape. Silver is a tough team, however, and the local lads are expecting some stiff competition. Silver and the Robert Lee Shorthorns played a 6-6 tie game last week.

Game time is 7:30 and admission prices are 50 and 25 cents.

Longhorns have the stronger team of the two, and are counting on a Bronte victory. The Cardinals have some fine ball players, however, and the local lads are not expecting a pushover. Hermleigh's line is a bit small this season, but the backfield is rough, it was reported.

Last week the Cardinals lost to a smaller Roby eleven, 14-6.

Robert Lee and Eldorado tangled last Friday in their first district games, with the Eagles outpacing the Steers, 20-8.

Members of the Bronte Longhorn Club are urging a full stand for Friday night's game, and members of the club are asked to be present a few minutes early, so the club can escort the Longhorns on to the field.

### Membership Drive Starts for PTA

The Bronte PTA is starting a membership drive this week. The campaign for new members will end Oct. 15. Foy L. Moore, president of the PTA, said a concerted effort will be made to sign up every patron of the Bronte School during the coming week.

In addition to soliciting new members by the organization's executive committee, a booth will be set up at the Bronte-Hermleigh game Friday night, and persons present may sign up at that time. Membership fee is 50 cents per person. Moore urged everyone to join the PTA and back its program for the school.

#### Meeting Next Tuesday

A meeting of the PTA will be held at 7:30 Tuesday, Oct. 20, in the school auditorium. The Longhorn club, which also meets on Tuesday night, will meet with the PTA.

Program for the meeting will be entitled "Education — Whose Responsibility?" It will be in the form of a five-scene narrated skit put on by local talent.

A recommendation will be made at the Tuesday meeting to make improvement of playground equipment one of the projects for the association this year. A good start has already been made on the project, since Humble has agreed to donate all of the playground equipment at its Bronte Camp to the local school. The camp will be discontinued this fall. Value of the equipment given by Humble amounts to \$682.00.

From five to seven inches of moisture fell in the Bronte area during the latter half of last week, giving the country one of the best fall rains in many years.

Bronte received nearly two inches in a heavy downpour last Wednesday. The weather cleared on Thursday and clouds started building again Friday. Friday night a steady rain began and scarcely let up until sometime Saturday night. This rainfall accounted for about five inches of moisture in all areas of the county.

The rain in this area fell slowly and there was little runoff, considering the amount of moisture received. Other parts of West Texas were not so fortunate, however,

### New 1960 Fords Go On Display Here Thursday

Charlie Boecking announced this week that he will have an open house today (Thursday) at Bronte Motor Company for the first public showing of the new 1960 Fords.

Boecking has issued an invitation in an ad in this week's Enterprise to everyone in this area to come by his place and see the new automobiles.

Along with the conventional Ford and Ford pickup, Boecking will show a model of the new Falcon, a new small car manufactured for the first time this year.

On display today at Bronte Motor will be two regular sized Fords, one Falcon and one 1960 pickup.

Boecking said that the new Falcon has created a lot of added interest to the showing of the new cars this year. "People all want to see the Falcon," he said, pointing out that the "Falcon represents a 'breakthrough' in automotive design that may materially alter the future of the automobile industry." The Falcon is two feet shorter and three-quarters of a ton lighter than a standard 1959 Ford, yet it is a six-passenger car with a roomy interior.

Boecking said he is highly impressed with the conventional 1960 Fords also. "They are just about the ultimate in design and mechanical perfection," he said.

The new Fords will be shown by dealers in all 50 states tomorrow.

and heavy flood damage was experienced in San Angelo, Kerr and Gillespie counties and other areas of the southwest. Up to 20 inches of rain were reported in the Hill Country.

### Game Mgmt. Assn. Barbecue Oct. 15 At Oak Creek Lake

The annual meeting and barbecue supper of the Coke County Game Management Association will be held Thursday, Oct. 15, at Oak Creek Lake. D. K. Glenn, president of the association, said this week that supper will be served beginning at 5 p. m. Following the barbecue, a short program will be given and a wildlife film will be shown.

Walter Stapp, Oak Creek Lake caretaker, and his committee are in charge of arrangements for the barbecue. The meeting will be held on the north side of the lake near Stapp's home.

Glenn said that memberships in the association are now due, urging everyone who is interested in the program to get their \$1.00 dues in as soon as possible. He also announced that women are eligible to join the group and will be welcomed as members. They are also invited to attend the meeting and barbecue supper.

Other officers this year besides Glenn have been Fennell Smith, vice president; Sterling Lindsey, secretary-treasurer. More than 80 members signed up for the Game Management program during the past year.

### Joe Carters to Attend Reception for Veep

Mr. and Mrs. Joe Carter left Thursday morning for Fort Worth where they will attend a reception for Vice President and Mrs. Richard Nixon. The affair will be held at the Texas Hotel.

Carter, who is the Republican chairman for Coke County, and his wife, said they were looking forward eagerly to meeting the vice president. They will go on to Dallas Friday for a few days visit.

Farmers and ranchmen were jubilant over the fine fall season. Only cotton farmers could have had any complaint about the moisture, and they could not be heard grumbling too much, as the value of the rain exceeded the loss in cotton weight and grade.

Those who had small grains sowed were of the opinion that they are almost sure to have good winter grazing. Pastures also benefited greatly from the moisture.

According to the official forecast for this area, continued fair weather can be expected for several days.

### Bronte's Annual Boy Scout Drive Starts October 20

Bronte's annual fund drive for the Boy Scouts will begin with a kickoff breakfast at 7 a. m. on Tuesday, Oct. 20. The breakfast and meeting will be held at the First Methodist Church here.

Bill Thomas is in charge of the campaign this year and has named eight captains to assist him. Vernon Glenn is vice chairman and Conda Richards is special gifts chairman. Captains selected by Thomas include Luther McCutchen, James Wells, Bill Terry, Bob Grimes, Aubrey Denman, Hurlin Lee, Ronnie Cole and Jimmy Brunson.

Each of the captains will select five workers to help him with his part of the campaign. Thomas said an effort will be made to complete the campaign just as soon as possible after it begins.

Thomas urged that all workers make plans to attend the breakfast. Along with a good meal, there will be a short program, and names of persons to be contacted will be distributed among workers.

Bronte's Boy Scout program has been very worthwhile this past year, Thomas said. He called attention to the incident when the local Scout troop was returning from San Angelo and came across an auto accident. The Bronte Scouts stopped and rendered first aid to a seriously injured woman. Her husband later mailed the troop a check and letter of appreciation, stating that he felt sure the Scouts could be credited with saving his wife's life.

"Incidents such as this make us all realize the value of the Scout program," Thomas said. "I hope everyone will give generously when contacted, so this worthy program can be continued."

The Boy Scout troop in Bronte is headed by Scoutmaster E. J. Smith.

### BANK TO CLOSE

The First National Bank will observe a holiday Monday, Oct. 12. This date is Columbus Day and may be observed as a legal holiday. E. F. Glenn, executive vice president of the bank, asked that patrons keep the date in mind and arrange their business so they will not be inconvenienced by the holiday.

Mr. and Mrs. Jesse Kennimer were out from San Angelo Sunday to visit Mrs. Roy Baker, who was ill in Bronte Hospital.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers where the high level politicians is gitting in gear for the 1960 elections. The Republicans is bragging about prosperity and the Democrats is predicting a panic. All I know fer shore is that if we ever have another panic in this country, it'll be televised.

And I see where a big insurance company has come out with a list showing how car drivers stand. Workers fer wholesale firms git first place fer being good and careful drivers, farmers and ranchers rank fourth, teachers sixth, and high school students is at the bottom of the list, in 72nd place, the worst drivers on the road. That adds up, Mister Editor. If Johnny can learn to read without learning to spell, I reckon he figgers he can drive without looking where he's going.

But I ain't blaming the schools for all this juvenile delinquency. It got a head start the day the woodshed got replaced by the garage. There's a old saying that he that giveth to a pig when it grunts and to a child when it hollers will end up having a fat pig and a unruly child. Too many parents use the giveth plan.

I brung up the topic at the store Saturday but all the fellers was busy talking fishing and said juvenile delinquency would have to wait. I ain't criticizing 'em none fer it. Fishing does a feller a heap of good and most

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holand

Aboht the best news around the community this week are the good rains that have fallen the past few days. We gauged 5.8 inches at our place with some places in the community registering a little bit more.

On Tuesday of last week Mr. and Mrs. J. C. Boatright visited Sparks Boatright and James Bomer and their families in Novice. That evening they visited her brother, Lonnie Hester, and family in Winters. Mr. and Mrs. C. H. Hester and Luther of Bronte were their supper guests Friday.

Mr. and Mrs. Doyle Gleghorn, Ollie Mae and Gary of Miles spent Sunday here with Mr. and Mrs. T. G. Gleghorn.

Mr. and Mrs. Herbert Holland attended Rebekah Lodge in Miles Tuesday night.

Mr. and Mrs. Alton Bredberry and Mrs. Sprinkle visited Mr. and Mrs. Jerry Landers Thursday night. Mrs. Susie Garlington of Ballinger spent Friday with them.

Jerry Landers has been recuperating the last 10 days from a back injury he received when his horse jumped a ditch with him while rounding up cattle.

Homer Clark was here from Big Spring last week visiting his parents, Mr. and Mrs. Jim Clark, and the Herbert Hollands. He was driving a new Chevrolet.

Mrs. J. W. Moore spent last Friday in Cisco where she visited her parents, Mr. and Mrs. Moore.

Mr. and Mrs. Luther Boatright of San Marcos and Mr. and Mrs. Boom Holland of San Antonio are here visiting relatives and friends.

Members of the Boatright family went to San Angelo Saturday night where they gave a surprise birthday party for a sister, Mrs. John McCowsky.

Recent guests of the Herbert

Hollands were Mr. and Mrs. Johnny Dunn and daughter, Mrs. Nelson and ner daughter, Dorothy, all of Ballinger.

Mr. and Mrs. Herbert Holland went to Big Spring Sunday where Mrs. Holland was honored with a birthday dinner at the home of Mr. and Mrs. James Holland and family. Others present were Mr. and Mrs. Dee Foster.

Mr. and Mrs. Carl Florence and Mrs. Susie Garlington spent the weekend on the Plains with Mrs. Garlington's daughter, Mrs. V. Hall, and her husband.

(Intended for last week)

Mrs. Les Webb and Mrs. Franklin Thomas visited Mr. and Mrs. Roy Burleson in Sherwood Thursday.

Weekend guests in the Herbert Holland home include Mr. and Mrs. James Holland, Mr. and

Mrs. Dee Foster and Mr. and Mrs. Gene Crenshaw of Big Spring.

Mr. and Mrs. Les Webb visited Sunday in San Angelo with her sister, Mrs. Coghill. They also attended the Rose Garden Club exhibit while there.

Mr. and Mrs. Verlin Oates and Mary Evelyn were Sunday guests of Mr. and Mrs. Willard Caudle.

Rev. and Mrs. J. W. Caudle visited Sunday with Mr. and Mrs. T. G. Gleghorn.

Mr. and Mrs. Eugenia Saldonia and children spent the weekend with friends in San Marcos.

Mrs. Jerry Landers found a rattle snake while cutting weeds in her yard. The snake bit the dog but it was recovering at last report.

A car with major advances in transmission, suspension, brakes, and engines which are Buick's alone today  
A solid, substantial car • A car of superb comfort, quiet, reliability • A car you should drive soon

### New comfort, quietness, and quality

Doors that open wider—easier to get in and out. Family-size interior. Seats that are higher, more deeply cushioned, and repositioned to provide more room for feet and legs. Perhaps the quietest running car in America due to Buick's high use of insulation and torque-tube drive. Buick's quality control program comes to a peak in the Turbine Drive Buick '60.

### New interior decor and convenience

An entirely new "Mirromagic" instrument panel. It lets the driver see speed, gas gauge, and other necessary readings at a glance in a mirror he tilts to suit his own eye level. And a new exclusive safety option—the Twilight Sentinel\*—that turns headlights on automatically at sunset... off automatically at sunrise. All-new colors and fabrics. Richer appointments. \*At slight extra cost.

### Outstanding performance with economy

1. Buick's Exclusive Turbine Drive Transmission† is jet-smooth, responds faster, more economically than ever. No gears ever shift while the car is in motion.  
2. Buick's Exclusive Air-Flo Aluminum Drum Brakes—found on no other American car. Fin-cooled drums front and rear for faster cooling. Fast cooling means safer stopping, longer brake life.

Slotted wheels pass a current of air from under the car constantly over the brakes for added cooling efficiency. (Wheels are 15" size which gives you up to 1/3 more tire life.)

3. Buick's exclusive Wildcat Engines give high efficiency with high economy. (An optional new LeSabre Engine is designed to give Buick performance on regular grade fuel.)

## Settlement Is Reached in Divorce Action of Dan and Frances Middleton

(From Robert Lee Observer)

Final judgment in the divorce action of W. B. (Dan) Middleton vs Frances C. Middleton was signed by District Judge Joe L. Mays and filed in 51st District Court here October 1.

Both parties had filed suits and in this action both were co-plaintiffs and co-defendants. A jury was waived and the case was tried the previous week before Judge Mays, with an agreement being reached Sept. 23.

Mrs. Middleton was granted a decree of divorce and custody of the couple's minor daughter, Dana Sue, born July 2, 1951. Middleton is a prominent and well known ranchman in the Hayrick community. The settlement provides that Mr. Middleton is permitted to visit his daughter the first Saturday and following Sunday from 2 to 6 p. m. each month in Coke County, or from Dec. 27 until Jan. 2 each year if outside Coke County.

## Baptist Association Meet to Be Here

Runnels Baptist Associational meeting will be at First Baptist Church here Monday night and all day Tuesday. J. B. Fowler, Jr., pastor of First Baptist Church of Ballinger will be moderator.

An Executive board meeting will begin at 6 p. m. Monday, followed by the regular service at 7 p. m. Rev. I. K. Holmes of Paint Rock will be the speaker.

Tuesday morning services will begin at 9:30 a. m. with hearing of reports. E. G. Gregory, Van Alstyne, Field Representative of Buckner Benevolences, will talk during the morning.

Lunch will be served by the church at noon and the afternoon program will continue with Dewey Barlow, pastor of LaMarr Baptist Church in Wichita Falls, as speaker. Adjournment is set for 3 p. m.

The Junior and Intermediate Girls Auxillary met Tuesday afternoon at First Baptist Church. New members were initiated. Cakes and cookies were served to approximately 25 girls and their leaders, Mrs. Mike Anderson and Mrs. A. Z. Denman.

A property settlement agreed upon divides the household property, gives a Mercury car to Mrs. Middleton and provides that Mr. Middleton shall retain all livestock, government bonds amounting to \$20,000, 64 shares of stock in the First National Bank of Bronte and his personal deposits in the Robert Lee and Bronte banks.

Mr. Middleton is to pay \$200.00 monthly for benefit of their child starting Oct. 1, 1959, and a trust fund of \$35,000 in bonds was set aside for this purpose. Payments are to continue until she is 21 years of age.

Mrs. Middleton was awarded \$1,000.00 in cash. The sum of \$9,000 was to be deposited with Carl Runge Sr. and given Mrs. Middleton after she executes a deed and her rights and title to any and all lands owned by the couple. The sum of \$4,000 was deposited with L. T. Youngblood to be used by him in paying attorney fees in the case. All court costs were to be paid by Mr. Middleton.

Dickey & Dickey of Robert Lee represented Mr. Middleton in the action. Lawyers for Mrs. Middleton were Runge & Runge and Wm. C. McDonald of San Angelo.

Mrs. L. L. Wilkins has returned home from a San Angelo a successful operation to remove a cataract from her eye.

Forgetting those things which are behind and reaching forth unto those things which are before, I press toward the mark.—(Phil. 3:13-14.)

Yesterday is gone, and with it its failures and successes. We cannot improve upon it by wasting today in vain regrets or useless pride. Let us then, as St. Paul enjoined the Philipians, wipe the slate clean by forgetting those things which are past and press forward toward the goal of living a Christian life, in harmony with God and in love and charity with our fellow men.

## PERSONALS

Mr. and Mrs. Vernon Rutherford of ConCan, Texas were here on Tuesday and Wednesday visiting his mother, Mrs. J. M. Rutherford, and his sister and brother-in-law, Mr. and Mrs. J. I. Adair.

Mr. and Mrs. F. S. Higginbotham spent the weekend in Moriarty, New Mexico with their daughter, Mrs. Frank Sayner, and family.

Rev. Bob Grimes, pastor of the First Methodist Church, was in Austin the first of the week where he attended a Methodist seminar for ministers.

# Longhorns Defeat C-City 'B' In Last Non-Conference Game

Colorado City's "B" team didn't give the Bronte Longhorns much opposition when the two teams met here last Thursday night. The Longhorns defeated the Wolves 35-8, and just about everybody in uniform saw some action in the contest.

## First Quarter

Colorado City kicked off to Bronte with the Longhorns defending the west goal. The kick was received by Larry Robinson on the 20 and was returned to the 37. Dee Arrott made 13 for a 1st down on the 50. A fumble on the next play lost 3 yards for the Longhorns, then Benny Corley carried for 3. Arrott added 9 and Corley 1 for a 1st down on the C-City 39. Arrott carried for a 1st on the 2 and Corley, on the seventh play from the starting whistle went over for a touchdown. Arrott ran for 2 extra points and the score was 8-0 in favor of Bronte.

Corley's kickoff went to the end zone and was brought out to the 20. Tommy Allen fumbled on the first play from scrimmage and Douglas Rogers recovered on the 26 for the Longhorns. Corley made 8 and then Arrott went all the way to pay dirt for the second TD of the evening. Corley's kick was good and the Longhorns were ahead 15-0.

Corley's kick was taken by Allen on the 2 and run back to the 24. Joe Tarter made 8 and again the Wolves lost the ball on a fumble. Robinson recovered on the 31 yard line. Corley's run for 3 was called back and the Longhorns were penalized 5 yards. On the next play Robinson fumbled and C-City recovered on their own 41. In three tries the Wolves made a first down on the Bronte 49. Two plays and a pass play failed to make the necessary 10 yards, so Colorado City kicked. Mickey Black took the punt on his own 5 and raced 95 yards to give the Longhorns their 3rd touchdown. Corley kicked the extra point to give the locals a 22-0 lead.

Corley kicked off and Colorado City was able to return it from the 2 to the 22. Tarter lost 3 and Danny Latimer made it to the 40 for a 1st down. The Wolves were unable to gain in the next 3 plays, so a kick was necessary and it was taken by Robinson who was downed on the 23, as the 1st quarter ended.

## 2nd Quarter

On first play of the 2nd period, Bronte lost 4 on a fumble, but was able to recover. A couple of plays later Corley quick-kicked to the Wolves 40. The Wolves started a march that almost took them to pay dirt, but the Longhorn line held on the 1. In this series of plays C-City made short but steady gains, with the exception of a 32 yard run by Jim Womack. After four tries from inside the 10, the Wolves had to give up the ball to the Longhorns on the 1 yard line. On the first play by the local lads, Corley took the ball and sailed 99 yards to cross C-City's double stripe. His try for the extra point failed, so the score was 28-0.

Corley kicked and it was received by Allen on the 10 and returned to the 21. Latimer's pass to McKee was intercepted by Robinson, and Bronte took over on the Wolves' 29 yard line. Bronte lost 10 yards in 2 penalties on the next 2 plays. Robinson's pass was incomplete, then he hit Buddy Walker with an aerial but no yardage was gained. Robinson then completed a pass to Don Andrews for a first on the C-City 31. Another pass from Robinson to Eddie Glenn gave the Longhorns a 1st on the 1 yard line. Eddie Spiller carried it over for another

tally, and Corley kicked the extra point and Bronte went out ahead 35-0.

Corley kicked off to McKee, who returned the ball to the 30 as the quarter ended.

## 3rd Quarter

The third period was scoreless. Corley kicked off and the Wolves were able to pick up a 1st on the 26. In the next series of downs the Wolves couldn't make it and were forced to kick. Robinson took the ball on the 43, but the Longhorns were unable to gain, so Robinson quick kicked to the C-City 27 yard line.

The Wolves were in possession of the ball for the next ten plays and made 2 first downs. They couldn't keep up the pace, however, and the ball went over to the Longhorns on their own 47, just as the third quarter ended.

## 4th Quarter

Colorado City's lone tally of the ball game came in the fourth quarter. They started their march to the Bronte goal line after the Longhorns picked up 9 yards and then fumbled the ball. The recovery was on Bronte's 47 yard line. After picking up 3, the Wolves were given a first down when Bronte was penalized 15 yards. Latimer connected with an aerial to give the Wolves another 1st on the 11 yard line. The Wolves lost 5 yards, and in the next 3 plays picked up 15 yards for a

1st down on the 1 foot line. Latimer went over for the 6 pointer and McKee ran the extra points to make the scoreboard read 35-8.

Robinson took the kickoff on the 35 and returned to the 47. Bronte was penalized 5 and Arrott's pass to Mickey Black was incomplete. Corley connected with Jerry McCutchen for 13 yards and Arrott made 2 to give the Longhorns a 1st down on the 42 yard line. Corley made 14 and a 1st on the 28. Arrott gained 11 yards in 2 carries for another 1st down on the 17. Corley then carried the ball to the 5 yard line for another 1st down. On the next play Corley attempted a field goal but it was no good and Colorado City took over the ball on the 20. A short pass by the Wolves was the last play of the game. Score: Bronte 35, Colorado City 8.

Under the hood thrift is accented in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

**NEW QUIET  
AND COMFORT**

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic

valve lifters reduce engine noise to a whisper.

**!NEW!  
refinements  
for the driver**

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

## World Clothing Week Observed By Local School

School bells Monday morning signalled not only the beginning of classes, but also triggered a concentrated effort by school children of the city to collect good used clothing for underprivileged children and adults. The project, called World Clothing Week, is part of a nation-wide campaign to raise used clothing, shoes, and bedding to aid more than 26,000 orphans, and other needy children and adults in the United States and thirty-six countries overseas.

World Clothing Week has been in progress here this week and Superintendent of Schools C. B. Barbee has asked that every family in Bronte Community gather up all their outgrown, unneeded clothing and send it to school before Friday. If there are no school age children in a family, a neighbor's child will be glad to bring the gift along with his own.

All clothing collected by the schools will be turned over to the Christian Children's Fund, Incorporated, sponsor of World Clothing Week, for distribution.

(Editor's Note: Attorney General Will Wilson goes to Washington Oct. 12 to fight another border battle for Texas when the tidelands case will be heard before the U. S. Supreme Court.

This is the first in a series of articles outlining the numerous boundary conflicts dating back to 1716, pointing up little known facts which shaped the Texas of today.

The following is released as a public information service by the Attorney General's Department.)

### PART ONE

The Texas boundary line stretches over some 4,000 miles and sizeable portion of it has

been forged and tempered in the fiery heat of conflict.

Attorney General Will Wilson is in one of these battles now with the Texas tidelands issue before the U. S. Supreme Court.

Since 1716 to this good day its location has been fought over.

The Attorney General, a dedicated Texas historian, looks at the overall picture.

"The cold facts are, regardless of motive, that down through the years there has been bite after bite attempted on our territory.

"The worst and most tenacious of these land biters has been the federal government."

The first conflict arose along the East Texas-Louisiana line between the kingdoms of Spain in 1716. Both nations claimed the Texas area. Each had military forces ready to take action.

While the diplomats wrangled overseas, the French and Spanish on the spot settled the dispute. They agreed on the Arroyo Hondo, a tributary of the Red River between the Sabine and Old Natchitoches.

Then, in 1803, the United States bought the Louisiana territory hazy as to the extent of the land involved.

President Thomas Jefferson claimed the Rio Grande as the western boundary. Spain contended it did not extend west of Los Adaes, a Spanish mission on the site of present day Robeline, La.

As a result U. S. troops moved into Louisiana, drove the Spanish from Los Adaes and made general preparations for war. Again local men of war hammered out an agreement. The Spaniards would keep west of the Sabine River and the Americans east of the Arroyo Hondo.

"This created the famous 'Neutral Ground,' a strip between Arroyo Hondo and the Sabine, responsible to no one," Wilson points out.

"Overgrown with dense pine forest this was a natural refuge for some wild characters — adventurers, fugitives and outlaws. They played for keeps.

"The wildness is gone now but the old neutral ground has generated a tradition all its own and a breed of independent people whose names and deeds wrote Texas history."

"Today trees cut from the old neutral ground are used to make paper for Time, Inc., a national weekly magazine with its own tart brand of independence. The natives grin and say that the spirit of those first Texas tourists seem to soak right through the paper into the print of Time."

Kinsmen of these neutral ground settlers "borried" a cannon from the Mexicans. When they demanded its return, the Texans loaded it with powder and the undisputed authority of horseshoes, raise the flag with the dare "Come and Take It", and fought the battle of Gonzales.

In 1819 diplomats finally signed a treaty settling the boundary between the United States and Spain — the western banks of the Sabine to its intersection with the 32nd parallel and then due north to the Red River.

Congress in 1848, moved the line from the river bank eastward to the Sabine River's middle channel where it lies to this day.

However, Wilson observes: "Before this line was moved to the middle of the river it ran along the western bank of the Sa-

## PERSONALS

bine to a point near Southeast of Carthage, went north overland until it reached the Red River.

"Congress moved the river running portions of the line eastward to mid-stream with no provision as to what course it would take northward from the Carthage area overland to Red River.

"Consequently there is a strip of land about 150 feet wide and some 70 miles long between Texas and Louisiana that the turn of events has left shadowed with doubt," Wilson points out.

Visiting Mr. and Mrs. George Braswell during the weekend were Mr. and Mrs. Eddy Braswell of Sterling City and Denny Ray Braswell of Odessa.

Mrs. Bob Howard is expected to return home this weekend from Hendrick Memorial Hospital in Abilene where she underwent major surgery last weekend. She is reported to be making a good recovery.

Mrs. Jimmy Irwin and Andrea of Lubbock spent the weekend with her parents, Mr. and Mrs. J. L. Keeney.

## Blackwell Hornets Nipped by Tigers

By Mrs. Charles Ragsdale

Divide's Tigers maintained their winning streak and made it five in a row Friday night with a 26-23 victory over Blackwell Hornets at Blackwell.

Ray Owens went 40 yards for one marker and Clayton Saunders went 20 yards for another to open the scoring for the Trojans. Jerry Frizzel took a pass for a one point conversion after one of the tallies. Owens and Saunders each scored again in the second half. Saunders scored the last Divide TD on a short pass that he carried 50 yards for the score. Ship caught a pass for the conversion and one point.

Michael Kinard led the Blackwell Hornets on offense as he tossed two touchdown passes and

ran for another.

Kinard passed to Albert Sneed for the first tally and Kinard booted the conversion. Kinard ran 25 yards for his touchdown and passed to Sneed for the conversion.

The final Blackwell score came on a Kinard kick to Wayne King.

Blackwell	8	7	8	0
Divide	6	6	7	7

Blackwell will play Highland at Highland Oct. 9 at night.

# A WONDERFUL NEW WORLD OF FORDS FOR 1960

## FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but *three new lines* of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any *Point of View*, worth more from every *Point of Value*!
2. The 1960 Falcon—The New-size Ford, the world's most *experienced* new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Introducing the New-Size Ford . . . the 1960 Ford *Falcon*

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for *six* big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like *no* other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most *experienced* new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located *up front* for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the *difference*!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only *begin* with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

**LETTERS TO THE EDITOR**

Oct. 6, 1959

Dear Editor:

By what edict or decree, can a department of our State civil government, place a man in double jeopardy? Surely, our Legislature has passed no such laws to that effect. Or has it?

This summer I paid a fine in Coleman County, for driving a vehicle without my glasses on. The ticket read: "Violation of restriction one." This is the only traffic ticket I've received since I renewed by license after WW 2 ended. I don't recollect ever having received a ticket before.

Now comes a notice from the Abilene DPS Office, over the signature of Mr. T. G. Ferguson, Jr., manager, Driving Improvement and Control, and I quote "Your driving record indicates that your license is subject to suspension for a period of time not to exceed one year. Before such action is taken in your case, the department is giving you the opportunity to discuss your driving record — Your voluntary cooperation will be sincerely appreciated." End quote. A man tied to a barrel can't help but be present voluntarily.

Suspension of my license for such a minor infraction seems to me as if I'm being placed in double jeopardy; the penalty is excessive, unwarranted and unjust.

If such edicts are allowed to be forced upon the citizens of our state and nation, there is no civil liberty left. As Daniel Webster said, "If disastrous wars should sweep our commerce from the ocean, another generation may renew it. But who shall reconstruct the fabric of demolished government. Who shall rear again the well proportioned columns of constitutional liberty?" If we have no civil liberty left, we have no need for a defense budget. What are we defendng? I'm not being summoned before a court of law, wherein my rights are supposed to be protected, but before a representative of the DPS, at City Hall, Bronte, Texas, Oct. 15, 3 p. m. I don't know what rights, if any, I have at a DPS hearing, but I'll fight for my civil liberties as long as I live. It seems to me that the Abilene DPS office is using a big

forest of timber to fill a small crack in the floor, while a holiday hurricane is blowing the house away.

Sincerely yours,  
/s/Steve Badley
