Robert Lee, Bronte Young Men Receive A & M College Scholarship Awards

Two annual scholarships awarded by the West Texas A & M Club went to Coke County youths this year. They are David Waldrop of Robert Lee and Reyes Olivás of Bronte.

This is the first time both of the scholarships have gone to boys in the same county and in previous years very few Coke County youths have been so honored.

West Texas A & M Club is made up of former A & M College students who reside in an area surrounding counties in the San Angelo area. The club awards two scholarships each year. A scholarship is a cash grant of \$300 for four years while the student is attending A & M College.

Members of the scholarship award committee which met at Cactus Hotel in San Angelo Friday

night included Bill Allen of Robert Lee, R. T. Caperton of Bronte and Tom Hill of San Angelo. They interviewed a number of applicants before selecting the Coke County young men.

David Waldrop is the son of Mr. and Mrs. Glenn Waldrop, who reside on the Foster Sims Price ranch west of Edith. He was outstanding in 4-H and FFA activities and won many awards in local, district and state lamb shows. He plans to study veterinary medicine at A & M.

Reyes Olivás is the son of Mr. and Mrs. Simon Olivás of Bronte. He had the highest scholastic rating among the boys in the 1960 graduating class at Bronte high school. Reyes is also an outstanding athlete and was a key player on the Bronte Longhorn championship football team. He expects to study engineering.

AD-LIB-BEN

We may be guilty of unbusinesslike conduct this week — and may even run the risk of being unnewspapermanlike. Tuesday afternoon when word was radioed over the country that Senators Johnson and Kennedy would meet face to face to discuss the issues of the day before the Demo convention convened, we simply close-up shop and all went home to watch the show on TV. It's the first time anything has been important enough for us to close up early during the middle of the week since a New Years Cotton Bowl game a few years ago.

At this writing it appears that John Kennedy will be the Democratic nominee for president, but we haven't given up hope yet for our man LBJ. (Probably by the time you read this we'll know the outcome.) According to everybody except Kennedy backers, the Senator from Massachusetts was slipping Tuesday. Some newsmen had it figured that Kennedy lost 65 votes on the second day of the convention. He must have suffered quite a shock when it was learned that California's big delegation was giving him less than half their votes, because we feel sure that he was counting on them after they were released by Gov. Brown.

It is beyond us why they don't nominate Senator Johnson on the first ballot — but if they don't, we believe any of the prospects will be our choice in November over anything the Republicans can dig up.

Two Swim Classes Now in Progress At Local Pool

Two swimming classes are in their second week at the Bronte County Park Pool. A youngsters class in intermediate swimming and a beginners class for women will be concluded Friday. A beginners course will start Monday, July 18, for youngsters. It will be the second beginners class offered this season.

In the intermediate class are: Frances Glenn, Randy Barbee, Janet Lee, Bennie Carol Oglesby, Bob Wells, Cynthia Howard, Melissa Lee, Garland Richards, Sally Richard, Tommy Grace and Joe Howard, all of Bronte, and Carolyn Hamilton of Blackwell.

In the women's class are Mmes. Bill Magness, C. B. Barbee, J. B. Arrott, and James Ash, all of Bronte; Mrs. Bill Hamilton and Mrs. Ben Kemp, both of Blackwell; and Mrs. Wanda Cave of Wingate.

Only charge for any of the swimming courses offered is \$1.00 plus 15 cents regular pool admission for each of the ten days of classes.

LITTLE LEAGUE

Little League games for the next week are as follows:

July 15: Giants vs. Indians at Bronte; Dodgers vs. Braves at Norton.

July 19 — Giants vs. Cardinals at Bronte; Indians vs. Dodgers at Robert Lee.

Mrs. Genie Forte is spending this week in Abilene with relatives and friends.

Funeral Monday For Mrs. Brantley

Word has been received here by Mrs. Clint Duncan that her aunt, Mrs. J. W. Brantley, died Sunday in Brownwood. She was a former resident of Bronte and had been living in Brownwood for several years with a daughter, Mrs. C. M. Browning.

Funeral services were held at Brownwood Monday, and burial followed there. Mrs. Brantley was about 85 years old. In addition to her daughter, she is survived by several grandchildren, nieces and nephews.

Water Rationing Is Still Necessary Here

Water rationing is still necessary, according to Water Superintendent B. D. Mackey. He said Tuesday that the situation is improved, due to the rain last week and because of the cooperation of local citizens in the voluntary rationing program.

Mackey asked that Bronte residents continue to observe the days set up for outside watering — Mondays, Wednesdays and Fri-

days for those living east of the railroad, and Tuesdays, Thursdays and Saturdays for those living west of the railroad. Everybody is asked to refrain from watering on Sundays, in order for storage tanks to be refilled.

Cloudy weather with slight prospects for rain on Wednesday should also cut down some on water consumption. However, the forecast for the next several days predicts continued hot weather.

A representative of the engineering firm, Parkhill, Smith & Cooper of Lubbock, who supervised the building of the pipeline from Oak Creek Lake to Bronte, is expected to be here this week to study the water problem and make recommendations to the city council.

Only Half Month Left to Save 50c on Enterprise Subscriptions

July is almost half gone and a large number of Enterprise subscribers have not taken advantage of the 50 cents savings they are

entitled to during this month. Subscriptions have been coming in at a rapid pace, but everyone is entitled to take advantage of the 50 cents saving for new, renewal or extension subscriptions.

During this month only subscriptions in Coke and adjoining counties which sell for \$2.50 the other 11 months of the year, may be purchased for \$2.00. Subscriptions anywhere else normally sell for \$3.00 and may be had for \$2.50 during July.

Enterprise representatives who are selling subscriptions in their respective areas are: Mrs. Charles Ragsdale in Blackwell; Mrs. Herbert Holland at Brookshire; Mrs. Douglas Ditmore and Mrs. Tom Green at Tennyson. They all solicit your subscription and will be happy to serve you.

Readers may also bring subscriptions by The Enterprise office or send them in by mail.

RETURN FROM VACATION

Mr. and Mrs. H. A. Springer have been vacationing in Oklahoma and Missouri the past two weeks. He returned to Bronte Monday and Mrs. Springer remained for a longer stay at the resort of Excelsior Springs, Mo.

Mr. and Mrs. J. I. Adair, accompanied by their son, J. T. Adair of Houston, and their daughter, Mrs. Charlie Phillips, and Larry, of San Angelo visited overnight last week with Mr. and Mrs. George Faulk and family in Midland.

Bronte Girls Now Babes

Bronte's girls softball team now has an official name. This week they decided to call themselves Bronte Babes. They will go under this title the remainder of the season.

The Babes have had hard luck this week, losing to Big Lake and Ballinger.

They played Big Lake there last Thursday night and Big Lake came out on top 10-4.

On Tuesday night the Babes lost a thriller to Ballinger, 10-8. They were in the lead 8-3 until the top half of the seventh, when the Ballinger lassies rallied and put across seven runs.

The Babes played here Monday night and defeated the "old women" 17-6.

A double header is scheduled for 7 p. m. Thursday night with Big Lake. It will be played on the local field. Another contest with Ballinger will be played here Monday night at 8 o'clock.

The Babes are made up of the following girls: Sue Blackmon, Jackie Grace, Marla Rees, Ann Harris, Carolyn Glenn, Sissy Heathcott, Yvonne McCutchen, Dixie Bagwell, Johnnie Sims, Bette Blackmon and Johnnie Eubanks.

CITIZENS OF TOMORROW

The two daughters of Mr. and Mrs. Melvin Placke, formerly of Bronte, start this week's feature. On the top row, left to right they are Mary, 9 and Bobbie Nell, 6. The other picture on the top row is Joe How-

ard, 7, son of Mr. and Mrs. Bob Howard. Two other Howard children are pictured left to right, on the bottom row. They are Tommy, 4 and Cynthia, 10. The other future citizen pictured on the bottom row is Janet Lee, 8, daughter of Mr. and Mrs. Clyde Lee.

Time Warrants Out In Buying Road Machinery

From Robert Lee Observer

Coke County Commissioners in a session early this month approved the purchase of a tractor loader for use of Precinct 2. During the absence of Judge W. W. Thetford, who was on vacation, Commissioner Ed Hickman served as chairman of the meeting.

The bid of Plains Machinery Co. of Abilene was accepted at a figure of \$11,400.00 with a used International TD-9 traded in on the deal. The new machine is an International TD-92 crawler type tractor with standard equipment and a Drott model 9K3 1½ cubif foot capacity loader.

Other bids received were for an Allis-Chalmers machine at \$10,849.00, and a Caterpillar Traxcavator at \$14,157.00.

Commissioners had passed a resolution that in the future all road machinery is to be paid for from current funds instead of issuing warrants, except in case of extreme emergency.

Howard Brock, commissioner of Precinct 2, stated his current funds were not sufficient to make the outright cash purchase. Instead it was agreed that he use funds allotted to Precincts 1, 3 and 4. The sum of \$3,000 was borrowed from each of the other precincts, and they will be reimbursed from Precinct 2 funds in the amount of \$1,000 per year during the next three years.

Fire Damages City Cafe Here

Fire of undetermined origin heavily damaged the City Cafe in Bronte shortly after midnight Wednesday morning. Fire evidently broke out near the north wall of the structure in the front part of the building.

Smoke and water damage added to the loss directly from the fire. The cafe was operated by Mrs. Lorene Beard and the building is owned by O. D. Dillingham of Abilene.

Bronte volunteer firemen were called and brought the blaze under control.

Mrs. James Wells and children spent Saturday night and Sunday in San Saba visiting relatives and friends.

Four Youths From Coke County To Attend National Boy Scout Jamboree

Four Coke County youths will participate in the National Boy Scout Jamboree opening next week at Colorado Springs, Colo.

They are Clark Godwin, son of Mr. and Mrs. R. F. Godwin, and Billy Rankin Roach, son of Mr. and Mrs. W. T. Roach of Robert Lee; and Eddie Glenn, son of Mr. and Mrs. D. K. Glenn, and Rex Harris, son of Dr. and Mrs. John R. Harris, of Bronte.

The boys report in San Angelo next Monday each equipped with a cot, bedroll, pack, and duffel bag. They will sleep in the National Guard Armory and early Tuesday leave by bus. The Coke County youths are among 150 from Concho Valley Boy Scout Council who will be transported to Colorado in four chartered buses. An overnight stop will be made in Amarillo and they will arrive at the Jamboree site Wednesday.

The group is scheduled to be back in San Angelo July 30.

COLORADO SPRINGS, Colo., — Boy Scouts of the nation and the

world meet this month in a land of legends.

From their breakfast fires on the broad plains of the Reverse J. Diamond Ranch in central Colorado, the 55,000 youngsters may see the morning sun glinting on snow atop 14,100-foot Pike's Peak.

At this 50th national Boy Scout Jamboree, commemorating half a century of scouting, the boys from every state and three dozen foreign nations will be surrounded by memories of Kit Carson and Jim Bridger and the mountain men, by tales of Buffalo Bill and the early Spanish conquistadores, by stories of the fabulous pony express and by relics of the forts of the early Army of the West.

In contrast, they will be just across a busy highway from the Air Force Academy, where the space age officers of tomorrow are being trained and only a short distance from Denver, where the mighty Titan missile is designed and produced.

The scouts and leaders start moving into the site July 20. The

Jamboree formally runs July 22 through 28.

They arrive and depart in special trains, planes and buses on a clockwork schedule carefully figured out in advance.

Fourth Biggest City

In addition to almost 4,000 service tents already in place, they'll set up about 27,000 two-man tents to form—for 10 days—the fourth largest city in Colorado.

Top religious leaders of many faiths from across the nation will oversee religious services and pastoral counseling, with more than 100 ministers, priests and rabbis co-operating. The Colorado Medical Association has a program to provide extra medical care.

3,500,000 Meals

What the Scouts will eat indicates erroneously that eat is all they will do. Food for 3,500,000 meals is being gathered. They'll drink 577,960 quarts of milk and 43,980 quarts of orange juice. They'll eat 132,330 loaves of bread, 10,224 pies, 46,342 heads of lettuce and 45,200 peaches. They'll bite into more than 25,000 pounds of steak and 21,000 pounds of ground beef. More than 5,000 field kitchens will burn up 283 tons of charcoal. Just to be on the safe side of the one-match-per-fire rule in scouting, 38 cases of matches will be on hand.

At the camp, the scouts will perform stunts, compete in proficiency tests and—invariably—swap for souvenirs to pack in their duffelbags and take home.

They will live up to the theme "For God and Country" and — national scouting leaders hope — "Know and love America through learning more about the principles and history of the democracy."

Mr. and Mrs. Melvin Placke and girls of Mission visited here Monday with the Horace Taylor family. Placke was minister at the local church of Christ before moving to Mission earlier this summer.

Mr. and Mrs. C. E. Bruton visited Saturday night and Sunday with their daughter, Mrs. Bon Spoons, and family at Brownwood.

Coke 4-H Boys Place High In Litter Contest

Three Coke County 4-H Club members won prizes in the San Angelo Sears Roebuck Foundation heavy litter contest, according to results received from the District Extension Office.

Roy Lee Baker, son of Mr. and Mrs. Roy Baker of Tennyson, won first place with his top weighing litter of ten pigs. They tipped the scales at 401 pounds at 8 weeks of age, an average of 40.1 pounds per pig.

Doyle Robertson, son of Mr. and Mrs. J. B. Robertson of the Friendship Community, fed out

the fifth place litter according to weight. Doyle's eight pigs weighed 255 pounds. He missed winning fourth place by one pound.

The other club member winning a prize in the contest was William Ray Hood, son of Mr. and Mrs. Jett Hood of Robert Lee. William Ray weaned a litter of 7 pigs weighing 215 pounds, good enough for seventh place in the three county contest.

Roy Lee will receive a prize of \$18.00 to further his swine program, while Doyle and William Ray will receive \$3.00 each.

Two other club members had litters in the contest. They were Davie Boykin, son of Mr. and Mrs. J. D. Boykin of Robert Lee, and Ellis Freeman, son of Mr. and Mrs. W. M. Freeman of Bronte.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

Well, it looks like them Democrats is having theirself a ball at Los Angeles. Television has got my old lady all confused about how the country is run. She wants to know if somebody ain't satisfied with the count in November, can a feller demand that the vote

be polled. I ain't got time right now to educate her in these matters, so I jus got rid of her by saying yes.

With the Democrats now in session and the Republicans getting ready, the high brass of both parties is whooping it up about "deserving Democrats" and "deserving Republicans." This is bad stuff at this stage of the campaign on account of so many people thinking that a heap of them deserve to be shot.

I don't think, Mister Editor, we'll ever have a third party in this country. Two national political conventions ever four years is about all the American people can stand. Not to mention them that loses their health setting up all nigh watching the performance on television.

Incidental, if the income tax agent asks you how, based on my tax report, I ever managed to git a television set, tell him I borrowed it for this special occasion from my neighbor. If he wants to know where he got ti, tell him his old lady won it at a church raffle.

Gitting around to more important things, I see where they caught a policeman in Brooklyn making a speech in a empty church at 4 o'clock in the morning. I hope they raise his pay instead of firing him.

He said he climbed in the window looking fer prowlers and didn't find nobody, got carried away with the sight of the pulpit and all them rows of empty seats, and just decided to try making a speech. He didn't know the pulpit was wired fer loudspeakers outside and that he woke up the whole neighborhood.

I believe the pore feller was telling the truth. I'll bet half the people in this world wonders if they could make a speec, and this policeman just decided to try it. This thing could happen to anybody, and if I was in a empty church at 4 o'clock in the morning I think I'd try it. And the folks that was listening said he was making a pritty good speech too. The only trouble was he was in a strong Republican ward and he announced the subject of his speech would be "Down With Nixon." He just picked the wrong candidate fer that particular ward and fer that hour of the day. I reckon it'll git him fired, but I got a lot of sympathy fer him.

Anyhow, Mister Editor, fer them that likes a crazy world, this is the life.

Yours truly,
Uncle Huie

Mrs. Annie Wilkins of Bronte has drilled about 22 acres of sandy land to sorghum for a dead litter

A Great Plains Conservation Plan is being prepared on part of the Blanks Estate ranch west of Robert Lee. The ranch is being operated by Bill Matlock of Robert Lee. The plan includes cross fencing and brush control.
