Kick-Off Breakfast Tuesday Will Start Scout Fund Drive

The annual drive for funds by the Three Rivers District of the Boy Scouts of America will start next Tuesday morning at 7 o'clock with a kick-off breakfast at First Methodist Church, according to Bill Thomas, who is in charge of the drive.

Vice chairman of the drive will be Vernon Glenn and D. K. Glenn is special gifts chairman. Captains in charge of making the campaign will be Hurlin Lee, Ben Olesby,

Luther McCutchen, J. B. Mackey, T. F. Sims, R. W. Rees, Bill Luckett and H. A. Springer.

Thomas said that all workers are urged to be present at the breakfast. He pointed out that more workers are needed and volunteers to assist will be more than welcome. "If everyone who is interested in the Boy Scout program will help," he said "this drive won't be too much work on anyone."

Last Rites Held For Mrs. Lou Smith

By Mrs. Charles Ragsdale

Funeral services were conducted Wednesday afternoon at 3 o'clock from Blackwell Baptist Church for Mrs. Lou Smith, 85. Rev. Kenneth Jones officiated and he was assisted by Rev. Kay Corley. Burial was in Blackwell cemetery under direction of Cates & Spencer Funeral Home of Sweetwater.

Mrs. Smith died at 12 o'clock Monday night in Simmons Memorial Hospital in Sweetwater. She was the victim of a heart attack and had entered the hospital earlier Monday night.

Mrs. Smith was born August 14, 1875, in Alabama. She came to Blackwell in 1910 and had resided there since that time. She was a member of the Baptist Church. Last August, on the occasion of her 85th birthday, she received a wire of congratulations from President Dwight D. Eisenhower.

Survivors include three sons, Joe, Sam and Nate Smith, all of Blackwell; two daughters, Miss Bertha Smith of Blackwell and Mrs. Ruby Galbraith of Culver City, Calif.; seven grandchildren and nine great grandchildren. Her husband and one daughter preceded her in death several years ago.

Carolyn Kemp Has Lead Role In 'South Pacific'

Carolyn Kemp, daughter of Mr. and Mrs. Cecil Kemp, will play one of the leading roles in the San Antonio Little Theatre production of the famed Rodgers and Hammerstein musical, "South Pacific." Carolyn will play the role of Nellie Forbush, a Navy nurse.

She will have an opportunity to sing several of the popular songs which are featured in "South Pacific."

Productions in which Miss Kemp will be featured will be staged on Oct. 20, 22, 27 and 29.

A senior student at Trinity University, Carolyn spent last summer doing theatrical work in New York and the summer of 1959 she worked with Casa Manana in Fort Worth.

A story clipped from the San Antonio Light showed a picture of Carolyn and gave details of the coming Little Theatre production.

PTA NEEDS MORE MEMBERS

It was reported that the local Parent-Teachers organization has a current membership of 250 at the regular meeting of the organization Tuesday night. A goal of 260 has been set by the PTA before memberships totals have to be reported on Oct. 20. A PTA spokesman asked that persons who desire to join the local unit pay their 50c dues before Oct. 20.

Demos To Meet Monday

Every person interested in the success of the Kennedy-Johnson ticket in the Nov. 8 election is urged to attend a workshop next Monday night, Oct. 17, at the county park community building in Robert Lee.

Plans will be made for campaign activities and various phases of the campaign, the ballot, the candidates, etc. will be discussed. Arrangements are in charge of the Kennedy-Johnson committee in Coke County of which A. J. Kirkpatrick is co-chairman.

Women all over the county are active more than ever in this year's election and a number of Coke County women have signified their intention to help with neighborhood teas, group meetings and publicity.

Several Tom Green County leaders will be present Monday night to outline campaign strategies. They will include Mrs. Dorothy Griffis, state chairman of the Lyndon Johnson committee last summer and Mrs. W. I. Marshall Jr., present district chairman of the Women's Committee for Kennedy and Johnson.

Free refreshments will be served at the Monday night meeting. Interested voters from all sections of the county are invited to attend and take part.

METHODIST REVIVAL TO CLOSE SUNDAY

A revival meeting is in progress this week at First Methodist Church in Bronte. The Rev. John Carr of Midkiff is doing the preaching. The pastor, the Rev. Bob Grimes, is leading the singing.

Services are being held each morning at 7 o'clock with coffee and donuts for those attending. Evening services start at 7:30.

Rev. Grimes said everyone is invited to attend the remainder of the services. The meeting will close Sunday night.

Friends here have received word of the death of the father of Miss Mary Helen Campbell, former band director of the Bronte school. He had been in ill health for some time. Funeral services were held Monday at Pleasanton.

Recent newcomers to Bronte include Mr. and Mrs. J. H. Trussell, who moved here from Slaton October 1. Mr. Trussell is section foreman on the railroad. They have a married son, Travis Trussell, who lives in Plainview and a son, Tommy, 13, who is a resident of the State hospital at Abilene.

Harold Sheppard Killed in Accident

Funeral services were conducted at the First Methodist Church in Robert Lee Tuesday afternoon for Harold Gene Sheppard, 31, who was killed Sunday night in a highway accident near Spearman.

Funeral services were conducted by the Rev. Travis McNair, pastor of the Robert Lee Church. He was assisted by the Rev. A. B. Lightfoot, pastor of the Crescent Park Baptist Church of Odessa, of which Mr. Sheppard was a member.

Burial was in Robert Lee Cemetery under direction of Clift Funeral Home. Pallbearers included Douglas Dean, Paul Burns, Will Percifull, Howard Varnadore, Cortez Harmon, Bill Allen, Willis Wayne Smith and Billy Carol Green, all of Robert Lee and all members of Mr. Sheppard's high school graduating class.

Mr. Sheppard was employed with his brothers in the Sheppard Pipe Laying Service of Spearman. The fatal accident occurred Sunday night about 9 o'clock after a machine which is used to distribute pipe broke down on a highway. A pickup belonging to the firm was being used to furnish light to repair the damage, and Mr. Sheppard was working on the machine. Apparently the lights from the pickup blinded the woman who was driving a car approaching the scene of the accident. She hit the machine, pinning Mr. Sheppard between it and her car. Witnesses said he was killed instantly.

Harold Gene Sheppard was born May 17, 1920, at Robert Lee. He was the son of Mr. and Mrs. Delmir Sheppard. He grew up in Robert Lee and graduated from Robert Lee High School in 1947. He was married to the former Jean Smith of Bronte June 9, 1949. They resided in Bronte for a few years before he took a job with Bethlehem Steel Corporation in Odessa. He had been living at Spearman since Jan. 1, 1960.

Survivors include his wife and three children, Donna, 10, Randy, 7, and Ricky, 5, all of Bronte; his parents, Mr. and Mrs. Delmir Sheppard of Robert Lee; three brothers, Delmir Morris, Bert and Jerome Sheppard, all of Spearman; one sister, Mrs. Jack (Nelda) Brock of Shallowater; his grandmother, Mrs. Temp Whiteside of San Angelo.

Mr. and Mrs. Henderson Vinson went to Sweetwater Monday and spent the night with Mr. and Mrs. Charlie Fletcher and Dale.

Coke Game Management Barbecue Will Be Held Saturday at Robert Lee

The Coke County Game Management Association will hold its Annual meeting and barbecue at the Robert Lee Park on Saturday, October 15. All members are encouraged to bring their families and to come early. Fellowship, visiting and story telling by the members, families and special guests will begin at 4 p.m.

The big barbecue supper will be followed by an association business session and a program. Major business to be undertaken will be the election of officers and directors for the coming year, plus discussion of items important to the association concerning wildlife conservation and management.

The program will include an interesting film plus a discussion of vital game regulations and laws. Members of the National and State governments, game department of-

Bronte-Hermleigh Tilt Friday Crucial Test

There seems to be little doubt among gridiron dopesters in Bronte that the Longhorns face a tough foe this Friday night when they travel to Hermleigh to take on the undefeated, untied Cardinals.

Since last week's tie by the Roscoe Plowboys, Bronte takes a second place rating with the Cardinals. This week's game will decide for sure which of the two teams

Pancake Supper Tonight Benefit For Longhorn Club

Ticket sales have been going strong this week for the Pancake Supper which will be held tonight (Thursday) from 6 to 7:30 p. m. in the school lunchroom. The supper is being sponsored by the Longhorn Booster Club.

Bob Wilson, president of the club, said that workers have been busy this week getting things ready to serve the big crowd which is expected. On the menu will be pancakes, bacon, coffee and tea. Tickets are available at \$1.00 for adults and 50c for children.

A. E. Bell Jr., vice president of the club, is assisting Wilson in the overall arrangement of the affair. Charlie Boecking is in charge of the kitchen police detail, while a foods committee is made up of Clyde Lee, Hurlin Lee and T. F. Sims. The last three named will be in charge of obtaining, cooking and serving the food.

Coach Bob Howard will be in charge of a program which will follow the supper. An individual introduction of each player is planned, followed by a pep rally under the direction of school cheerleaders. The school band will provide music and twirlers will give an exhibition.

Wilson urged everyone in the community to be present for the pancake supper. "You'll get your money's worth in good food," he said, "plus providing the Longhorn Club with funds to carry out its projects of helping the Football team."

Mrs. B. G. Timmons underwent major surgery in a San Angelo hospital Wednesday. No report concerning her condition had been received at press time.

deserves top rating in district 6-B, and for that matter among all Class B schools in the area. Bronte and Hermleigh are the only Class B schools around here that have not been defeated.

A large crowd of local fans is expected to follow the team to Hermleigh. Game time is 7:30 p. m., 30 minutes earlier than other games the Longhorns have played.

Other District 6-B games last week saw Eldorado wallop Robert Lee 28-0; Hermleigh downed Wylie 26-8; Abilene Cooper beat Loraine 56-0; and Rotan toppled previously undefeated Roby 8-6.

This week Robert Lee will play at Roby, and Loraine will travel to Trent. Both are conference games.

Rites Held for John Moore, 91

Funeral services for John H. Moore, 91, were conducted Wednesday, Oct. 12 at 3 p. m. from the Kickapoo Baptist Church here. Burial followed in the old Fort Chadbourne cemetery under the direction of Clift Funeral Home.

Mr. Moore died Tuesday morning in the Bronte Hospital.

Mr. Moore was born Oct. 28, 1869 in Texas. He was a long time resident and made his home here in the home of Mr. and Mrs. George Wrinkle.

Survivors include one daughter, Mrs. William Davidson of Arcadia, Calif., and one grandson.

Pall bearers were Noah Pruitt Sr., Garland Spencer, Floyd Fancher, Jacob Morrow, Conda Clark and George Wrinkle.

RATTLESNAKE HITS CHILD

Jimmy Freeman, 8-year-old son of Mr. and Mrs. Marshall Freeman, escaped serious injury when he was grazed by a rattlesnake Sunday afternoon near the front step of his home north of town. Jimmy had remained at home to watch television while his parents went to get some feed for cattle. He went outside and the snake struck him on the knee as he went down the front step. He realized the seriousness of the situation and went to the telephone to call the Bronte hospital, where his mother is employed. Failing to get the hospital at that time dialed the long distance operator in San Angelo, explained his plight and asked her to contact Frank Keesee, Bronte deputy sheriff.

Keesee was called and went to the Freeman home where he killed the snake and rushed the lad to the hospital. Doctors examined and watched the injury for a time, and determined that it was not serious. When asked how he knew what to do, Jimmy replied that he had seen on TV "when an emergency arises, call the sheriff."

SHOWER DROPS .3 INCH OF MOISTURE ON BRONTE

Bronte received .3 inch of an inch of rain Tuesday afternoon. The entire day was cloudy and slightly cooler than local weather has been for several days. Blackwell reported a half inch of rain. Violent weather was reported on the Plains, with a tornado doing major damage in the Friona and Bovina areas. Cool temperatures Wednesday morning were warming up by noon.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers where some big general in the Pentagon has reached the retirement age and is leaving the Army to head a large corporation in New York. I've been suspicious all along that the time was coming when big business would have to git Gen-

erals and Admirals to run it.

Being on the firing line from Washington and all them Government and tax agencies, it's gitting so's a business has got to have a man who knows how to handle barrages and tank attacks from the Capitol. The stockholders has been surrounded fer 20 year by

troops from the various bureaus in Washington, and the stockholders is deciding they need a field marshal that knows how to fetch up mobile units, air cover and such things to ward off the attacks all along the front. I predict that by 1970 ever big business concern in the country will be headed by a graduate of West Point or Annapolis.

Fer the last six or eight presidential campaigns the politicians on both sides has been advocating a policy to "prime the pump" and git more benefits fer the voters. The fellers at the store Saturday night was commenting that they ain't heard this slogan a single time during this campaign. One guy allowed as how it was on account of them priming the pump so much they has washed the pump away. Another feller said that since the pump was gone, them Congressmen has started priming the people. But ole Isaac Confodder, who always sees a little good in everthing, figgered things could be worse. He says he's mighty grateful to them folks in Washington fer allowing him to unbutton his shirt afore they take it off'n him.

I see where city folks is still

complainin about the price of boxes in the post office going up 50 percent. We're still gitting our mail delivered free out here in the country. How long it'll keep up, I don't know. But any day now I'm looking fer Uncle to put a fee on our rural mail delivery. That's when I take down my box and quit reading all them Government pamphlets and propaganda they send out from them agencies. On second thought, Mister Editor, I don't believe they'll hit us rural folks with this fee. It would do away with their channel fer propoganda and take a heap of folks off'n the public payroll.

I got to close now and go see the finance company. My old lady is on the warpath this morning. Claims she ain't got the proper vocabulary to drive that run-down and beat-up car "another day." When a feller's old lady starts talking like that, Mister Editor, he'd better see somebody at onct.

Yours truly,
Uncle Huie

Roscoe Plowboys Tie Longhorns 24-24

The Roscoe Plowboys proved a bit tougher than expected last Friday night and tied the Bronte Longhorns, 24-24. This game was predicted to end heavily in favor of the Longhorns, but evidently the Plowboys were a little underrated and the Longhorns were a little overrated for this contest.

Undoubtedly the boys from Roscoe were up for this game and wanted badly to defeat the highly rated Longhorns. And the Longhorns were not up to their usual good form of playing football.

Roscoe started the boys to keeping scores in the first quarter. The visitors went around left end to

cross the double stripe after a sustained drive made up of running plays and passes. Their conversion pass was good and at the end of the first quarter, they led 8-0.

Shortly after the beginning of the second period of the contest Dee Arrott tossed a pass into the end zone where Kenneth Shaver took it for a 6 point tally for the Longhorns. Arrott ran the conversion to tie up the score, 8-8.

Only a few minutes before the half Bronte was unable to make sufficient yardage for a 1st down and the ball went over to the Plowboys on their 25 yard line. They marched the 75 yards needed for a touchdown and Benny Hunter caught a pass which was good for 2 more points, making the scoreboard read: Roscoe 16, Bronte 8.

The Longhorns had a good drive going toward the Roscoe goal but a fumble gave the ball back to the Plowboys and they maintained possession the remaining minutes of the first half.

Roscoe's on-side kick to start the second half didn't work out for the Plowboys and gave Bronte possession of the ball on the Roscoe 43 yard line. The Longhorns couldn't go for a 1st, so they punted, but a personal foul was called against Roscoe. This gave Bronte a 1st and 10 to go. Arrott and Larry Robinson made good gains and carried the ball to the Roscoe 6 where it was 1st and goal to go. Robinson made 5 on one carry and on the next he went over. Arrott ran the conversion to tie up the score, 16-16.

Bronte's kickoff chores were done during this game by Tommy Boecking and on this boot to the Plowboys, he sent the ball all the way into the end zone. The Plowboys were forced to punt after making short yardage and being pena-

Brucellosis Testing Friday

A brucellosis testing demonstration will be held at the Aldwell-Rudd ranch on Friday, Oct. 14, beginning at 10 a.m. Dr. James Henderson, D.V.M., supervisor of the state brucellosis testing programs, will be on hand to demonstrate and discuss procedures of the testing and vaccinating programs.

The demonstration and discussion will begin at 10 a.m. and should terminate about 3 p.m. Mr. Rudd will provide a barbecue lunch for the cattle owners present to witness the proceedings and present more questions on the program.

All cattle owners are encouraged to attend the live demonstration. The first testing crew is scheduled to begin work in Coke County this week. Three to five additional units will move in from Tom Green County next week. Being informed on their procedures and prepared to receive them will greatly speed up the program in the county.

The demonstrations will be held at the Harris Ranch headquarters, approximately five miles south of Robert Lee, one mile west of the Robert Lee-San Angelo highway.

Which Democratic Platform?

Which do you prefer: the socialistic, anti-Texas platform of Kennedy — or the Nixon Platform that more nearly conforms with Texas principles and ideals as expressed in the State Democratic platform?

The Kennedy platform is against nearly everything Texans are for—it is for nearly everything Texans are against.

What will be your choice? It is between a party label and the best interest of Texas and the Nation.

Allan Shivers says:

"I'LL TAKE TEXAS. I accept the Texas Democratic platform and will work for it. I repudiate the other—the Kennedy platform. I will join with my fellow Democrats to work and vote for men of maturity, experience, responsibility, and a fearless dedication to this country's best interests.

"I will vote for Richard M. Nixon and Henry Cabot Lodge."

Mr. and Mrs. Robert Brown and Cathy visited Mr. and Mrs. Thomas Brown in Crane Sunday. Saturday night visitors in the Brown home were Mr. and Mrs. W. E. Chandler of San Angelo, Mr. and Mrs. F. L. Legg of Sterling City, and Mr. and Mrs. Barney Griffin.

Mrs. Otto Finck and Jerry visited Mrs. Myrtle Bailey in Miles Sunday.

Mr. and Mrs. Chester Derrick and girls of Andrews visited over the weekend with Mr. and Mrs. Clarence Derrick and Chester Roy.

Mr. and Mrs. Tom Green visited with William Green Sunday in San Angelo.

Regular Community Night will be Saturday, Oct. 15. Everyone is asked to bring a household gift to be auctioned off to raise money for the center.

Mr. and Mrs. Cleburne Boatright and Mr. and Mrs. J. B. Arrott and boys joined a group of kinfolks and friends last Saturday evening at Miles for a dove supper.

Benny Corley, who is attending Baylor University, was home for the weekend. Benny is coming out for football with the Baylor Bears freshman team, and got to see plenty of action last Thursday night when his team met the frosh from Texas. In an article in the Waco papers, special mention was made of Benny's great capacity as a kicker.

Johnson, Rayburn Oil's Best Friend

From Abilene Reporter-News, Oct. 10

Texas oilmen will do better to stay with "known friends who have been effective and understanding than to support those who have shown not only a lack of understanding but lack of interest and tolerance," French M. Robertson, Abilene oilman and civic leader, declared this week.

Urging support of the Democratic Party ticket in the general election Nov. 8, Robertson called Sen. Lyndon B. Johnson and House Speaker Sam Rayburn "the two best friends the oil industry ever had in Washington."

"Appreciation and gratitude on the part of an individual are the most important traits of character," Robertson said. "How can the oil people of Texas at this time fail to support Lyndon B. Johnson and Sam Rayburn, who have been our staunch friends down through the years?"

Robertson, who is a member of the State Democratic Executive Committee, said Republican charges that the Democrats are trying to cut the oil depletion allowance are false.

33 Year Old Law

The law relative to depletion has been on the books since 1927, he explained, and the most determined effort to change it in recent years has been made by Sen. John Williams of Delaware, a Republican. Texans in Congress, particularly Rayburn and Johnson, have successfully led the fight for 33 years to retain the law in its original form, Robertson said.

(Briefly, the percentage depletion formula was set up, in the case of oil, to prevent the producer's capital from being taxed as income, allowing him to deduct from his gross income up to 27½ per cent of the value of the oil and gas he produces during the year.)

"Surely it is within reason to conclude that without the leadership of Rayburn and Johnson we would probably have suffered a cut in the depletion allowance before this time," Robertson contended.

"I contemplate with misgivings what positions we would find ourselves in should we rebuff and humiliate these two friends of the oil industry in the election Nov. 8."

Would 'Lose Prestige'

While it is possible that regardless of the outcome of the presidential election both Rayburn and Johnson would retain their seats in Congress, Robertson said a defeat for the Democratic ticket in Texas would mean a serious loss of prestige and position for the two Texans.

"If the Democratic ticket should lose, Mr. Rayburn conceivably might not be reelected speaker of the House. Also, Sen. Johnson probably would be replaced as majority leader."

"I wonder under such circumstances how anyone in the petroleum industry can be naive enough to believe we could retain our oil and gas depletion allowance as it now exists."

Robertson, who has long been active in political as well as oil industry affairs, said experience in this field helped him reach one outstanding conclusion.

"That is, that you be loyal and appreciative of the people who have been your friends."

Imports 'Too High'

Robertson, who served as chairman of the Texas Governor's Oil Imports Study Commission in 1958, pointed out that importation of cheap foreign crude oil increased greatly during the present administration.

"Imports are at an all time high and the daily allowable authorized a producer in Texas is at an all time low," he noted.

"This situation has developed even while President Eisenhower had statutory authority to curtail these extremely excessive imports by executive order."

He also reminded that under the present administration two bills to free natural gas from federal controls had been vetoed, "the effect of which was for all intent and purpose, to deny the small independent the opportunity to produce natural gas."

"In view of these things, it seems ironic that the Republicans and their friends would try in sincerity to say that the Republican administration has been a great blessing to our industry and that it offers salvation in the future."

Progressive Business and Civic-Minded People of San Angelo and Vicinity

This department has been worked up largely as a reflection of public opinion. No person has written about themselves or their business. All articles have been compiled by a representative of The Bronte Enterprise as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens of San Angelo who helped make this department possible is sincerely appreciated.

JAMES H. BROWN

We desire in this San Angelo review to call the attention of our readers to the well-earned position which James H. Brown has reached in the business life of this section. During the comparatively short time he has been operating Brown's Mobil Service Station, located at 240 North Main, formerly Laddie Kinsley Magnolia, he has made many personal friends as well as having earned the good will of his associates for the straightforward manner in which he has conducted his business affairs.

Mr. Brown has worked hard to deserve the confidence which the people of the community have in him, and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself, but for the operation and management of his Mobil Service Station as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of San Angelo, and is always ready to lend his support to civic projects. James Brown deserves our heartiest congratulations on his splendid record he has already established, and we sincerely hope for his continued success.

ANDREW S. BAKER

Performing an out-standing service for the people of San Angelo and the surrounding territory, Andrew S. Baker, District Manager of the Franklin Life Insurance Company, whose office is located at 2491 Oxford, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. Baker is a man of ideas and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to policy holders of Franklin Life Insurance Company. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of his city. Yet, he is unassuming and modest in his personal contact with the public; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Andrew Baker who have caused San Angelo to become recognized as the leading business center for this section of Texas.

O. J. HILL

There are a number of business and professional men in San Angelo who have gained recognition for their progressiveness, and a well-known life insurance counselor who belongs in this category is O. J. Hill, District Manager of the National Life and Accident Insurance Company, whose office is located at 2023 West Beauregard, whose fair dealings with many of our readers has earned for him a host of friends and policy holders throughout this area.

He is well established in the

forefront of the business and civic life of the city. And the ethical manner in which he has conducted his business affairs is but one of the reasons for his out-standing success.

In addition to his insurance activities, Mr. Hill has also accepted his share of responsibility in aiding civic projects. As a result of the combined efforts of men like him, San Angelo is firmly established in the minds of the people as the logical business center for this section of the state.

We congratulate O. J. Hill for his success in business and civic affairs, and trust he will continue for many years to enjoy that success which he has so justly earned.

SAM M. JOHNSTON

In bestowing credit upon some of those progressive business men of San Angelo, who in one way or another, have contributed their bit to improve both civic and business conditions, we wish to publish a few words about Sam M. Johnston of the Sam Johnston El Paso Dixie, located at 1101 North Chadbourne.

Mr. Johnston has set a standard for himself and the operation of his business that, under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his El Paso Dixie station continues to handle, much of which is due to his unceasing attention to detail and his ability to cope with new and unexpected problems.

Sam Johnston is also civic minded and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual integrity and high standards.

COLQUITT FITZGERALD

In compiling this review of progressive San Angelo business men, we have endeavored to select those citizens, who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in the various fields of activities. Such a man is Colquitt Fitzgerald of the Del-Tex Company, located at 515 Caddo, wholesale candy distributor, who is well known and has many friends and satisfied dealers throughout this entire district.

Mr. Fitzgerald's main interests have not been solely confined to his own business and private affairs, but have also included his contributions in one form or another, to those projects of a civic nature which come within the scope of his activities.

Colquitt Fitzgerald is a man of wide experience whose exploits in the business and commercial life of San Angelo and vicinity merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

GEORGE C. TAYLOR

It is fitting in this review of progressive San Angelo business men that we acquaint our readers with the man to be credited with having maintained the Western Wool and Mohair Company, located at 16 East 14th in the enviable position it holds in the business and commercial life of this area. That personality is George C. Taylor, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which this reliable firm now enjoys throughout this entire district.

Mr. Taylor has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that his district owes much to the many benefits which George Taylor and the Western Wool and Mohair Co. have rendered to the people.

NEAL M. SANDERS

It isn't the size or volume of a man's business which determines its value to the community in which he lives. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of Neal W. Sanders' business to his city is a reflection of his progressiveness and a determination to render the utmost in service, a policy which has caused Sanders Of San Angelo, located at 1813 North Chadbourne, to be so well thought of, and so widely patronized by the people of San Angelo and the surrounding area.

That same progressiveness and ability which has made him so successful in his own business has also fitted Mr. Sanders to be of assistance on community projects and public drives. Moreover, he does so cheerfully and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include Neal Sanders in this San Angelo review and to wish him further success in the custom made furniture, restyling, refinishing and repair business.

A. J. "RIP" RIPPLE

Recognized as one of the more progressive business men of San Angelo, A. J. "Rip" Ripple of the Ripple Tile Company, located at 2318 Houston, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has and continues to build up good will for the Ripple Tile Company throughout this entire district.

Mr. Ripple is reserving of praise, and this small tribute is but a just recognition for the many ser-

VICES which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate A. J. "Rip" Ripple on his splendid record, and trust he shall continue to serve the people of San Angelo and vicinity.

EUGENE PAVLICEK

In singling out some of the more dependable business men of San Angelo, we would be censured should we fail to include Eugene Pavlicek of the Pavlicek Construction Company Incorporated, located at 56 West First. He is a man who never spared himself in his participation in both the business and commercial activities of the city.

Mr. Pavlicek has always been conscious of his civic responsibilities, and is ever ready and willing to meet in every detail those opportunities which come to his attention to further civic enterprise. He may well be proud of his achievements along these lines.

Eugene Pavlicek deserves a great deal of credit for the honest and successful manner in which he has conducted his business affairs. He is a friendly and likeable personality, whose sincere desire to be of service has gained him a host of friends and acquaintances in and around San Angelo who would, if given the opportunity join us in wishing him many more years of continued success.

CARROLL FARMER

Every progressive and successful business man in San Angelo contributes in some manner to the growth and progress of the city. And a man who is always willing to do his part in both civic and business activities is Carroll Farmer of the Carroll Farmer Company, located at 1117 Culwell, who is well known and has many friends and business associates throughout this entire district.

The prominent part that the Carroll Farmer Company is playing in the business and commercial life of San Angelo and vicinity mirrors the progressiveness and ability of such men as he. Moreover, Mr. Farmer has also at all times been steadfast in his devotion to the city and the surrounding country, and on many occasions, has lent his support to the successful promotion of meritorious civic projects.

San Angelo and this district are fortunate to have such a man as Carroll Farmer in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying tribute to one of the city's more progressive business men.

R. L. COWAN

In paying tribute to some of the more progressive business and professional men of San Angelo, we would remiss in our duty should we fail to include R. L. Cowan of Cowan's Garage, located at 3221 North Chadbourne, whose unusual ability is no greater than the "know-how" and mechanical skill which has contributed to his well-earned success in the automotive repair and maintenance business.

He has also contributed generously to the welfare of the city and the community for miles around. And his civic spirit is evidenced by the many services which he has performed, and will continue to perform in the interest of the people as a whole.

Mr. Cowan is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of

fair play.

We congratulate R. L. Cowan on his splendid record of service, and trust he shall continue to assist us for many years to come.

SAM J. UNDERWOOD

Sam J. Underwood of the Underwood Chemical Company, located at 1118 West Beauregard has a well earned reputation for progressiveness because he has consistently forged ahead in his business, never letting up in his efforts to make the service he renders to the people more valuable. This invariable policy has made the Underwood Chemical Company outstanding in its field, a fact that is well known to the public throughout this entire area.

But Mr. Underwood has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Sam Underwood the credit for his accomplishments which his friends and associates have so long accorded him.

JACK E. BROWNING

To serve the public honestly, efficiently, and cheerfully is the basic foundation many progressive business men of San Angelo have found to be the shortest route to success. In making this statement, the man we have in mind is Jack E. Browning of Jack's Tomato Patch, located at 2301 North Chadbourne. The popularity and patronage enjoyed by his many services accentuates the ideals of courtesy and efficiency which he has consistently applied in the management of his business, and in the servicing of its patrons.

The conduct of such a business, and the men who operate them have done much to make San Angelo the business center for many miles around, and it is fitting that we give credit where credit is due to such men as Mr. Browning for his part in the onward progress of the city. In doing so, we are merely putting into words the opinions of those who know him.

Jack Browning has earned his success by the method in which he has served the public, and accepted both civic and business responsibilities, and we wish him every success in the future.

BILL TAYLOR

Because this is a period of growth and expansion for San Angelo, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Bill Taylor of Bill Taylor Insured Livestock trucks, located at 1422 East 19th, for he has become a well known figure in the business and industrial life of the city.

Mr. Taylor's persistent optimism and steadfast belief in the continued future prosperity of the people of San Angelo and vicinity are characteristics which are deserving of our highest praise.

Bill Taylor has also always shown a willingness to do his part in civic advancement and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

M. J. AND BONNIE BAREFOOT

We wish in this edition to pay tribute to M. J. and Bonnie Barefoot of the Barefoot Texaco Service, located at 2101 North Chadbourne, for their many services to the city of San Angelo, and their splendid records of achievements in the business life of the city.

Mr. and Mrs. Barefoot probably have as wide a circle of friends as any other two we could name, because they are just naturally the kind of folks that make friends with almost everyone, and always conduct themselves in such a manner as to deserve the respect and good will of all who know them. San Angelo is fortunate in being able to number, among its more progressive business people, citizens of this type.

They are always ready and willing to lend their support to the promotion of any project which promises to benefit this entire district.

They may be depended upon, and their services to the motoring public are too many in number to be described here. It may be sufficient to say that we consider M. J. and Bonnie Barefoot as assets to the community, and progressive business people of whom their city may be proud.

JOE E. AND TONY ZENTNER

Two restaurant operators of San Angelo and Ballinger who have based their success upon the belief that the public will appreciate good food, well prepared and appetizingly served are Joe E. Zentner of Zentner Steak House number two, located on highway 67 between Rowena and Ballinger, and Tony Zentner of the Zentner Steak House located at 2715 Sherwood Way, who offer special rates to all groups and parties. Their many friends and customers by their daily patronage of these two popular eating places, attest to the soundness of their policies.

It is not only because of the successful management of their business that Joe and Tony Zentner have come to be recognized as assets to their respective communities; but it is also because of their policy of "looking ahead", and endeavoring sponsor or take part in those community activities which will, in some manner benefit their communities and the people as a whole.

It is such men as Tony and Joe Zentner whom we are privileged to include in this review, and to publicly give them credit for their success in business and civic affairs.

C. F. WYATT

At the head of the district's more prominent distributors of fertilizers, insecticides and horticultural supply firms, and as a leader in community life, C. F. Wyatt stands out today as one of the best liked men on the panorama of San Angelo activity. He is a pioneer in the fertilizer manufacturing business in this area, being the first to introduce iron sulphate and organic materials in its manufacture in order to neutralize the calcium and alkali in the soil.

The Wyatt Wholesale, located at 609 West 11th, has been a strong factor in the growth and progress of San Angelo; and Mr. Wyatt's own efforts, in many instances, has been the stimuli behind the outstanding accomplishments of this reliable wholesale firm.

The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who has done so much to promote the growth and progress of this entire district.

STRATTON B. CRALLE

The city of San Angelo has assumed its place of importance in this section of Texas because of the efforts of farseeing business men who have helped in developing industry, or in some manner, extended the trade advantages of the locality. One of the men who has taken an important part in many progressive movements is Stratton B. Cralle of the Concho Concrete Company, located at 308 East 4th, who have a portable unit operating in Bronte, situated at Montgomery Sand & Gravel.

Mr. Cralle has devoted his share of time and energy to the growth and development of San Angelo and this district, and it is fitting at this time that we attempt to express in a small way, our appreciation for his unselfish contributions to the general welfare of the community.

He is a man of wide acquaintance whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. His upright business methods are but an outward reflection of his inherent appreciation for fair practices. We congratulate Stratton Cralle on his splendid record of service, and wish him continued success.

JIM BEAN

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man is Jim Bean of Jim Bean Your Photographer Too, whose studio is located at 2302 West Beauregard, who well deserves the reputation he has earned for being one of San Angelo's more progressive business men. His thorough knowledge of everything pertaining to the commercial and portrait photography business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Moreover, such experience as Mr. Bean has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Jim Bean in this group of progressive and civic-minded men who are actively taking part in the evolution of the business and civic life of San Angelo.

SAM C. AND MAURINE TOWNSEND

Sam and Maurene Townsend are two of the more successful restaurant operators of San Angelo who, by maintaining a constant standard of service and high quality foods has made Townsend's Restaurant, located at 2401 North Chadbourne, one of the more popular eating places in the community. We are glad to give them credit for their well-earned success in a field which is so highly competitive.

It is also a pleasure to give them credit for taking part in community affairs, and lending their assistance to various activities and public projects. When to take part in such matters they always do so without ostentation, but in a quiet manner which lends dignity to their cheerful acceptance of their share of the civic load. It is a pleasure to be associated with two such people as the Townsends.

This review of progressive and civic minded citizens of San Angelo would not be complete were we to fail to include Maurine and Sam Townsend. Theirs is the kind of success which deserves recognition, and we wish them many more years of the same.

LETTERS TO THE EDITOR

Dear Sir:

We, the people of Bronte and Coke County, have a stake in the National politics this year of greater value than we have had at any time and in any campaign.

We are almost to the point of applying for Federal aid in the construction of dams and other water conservation improvements which will run into millions. Our needs are vital, and border onto a proposition of "now or never."

As sure as the foregoing statement is true, so is the further statement that the success of our enterprise is largely if not wholly dependent upon the outcome of the Presidential Election.

We need Sam Rayburn and Lyndon Johnson and John Kennedy as much as they need us. They are indispensable to the growth and development of our county.

It is no time for a Coke County citizen to be haggling over whether he will vote for our friends in Government, it is time to go to work for the ticket in dead earnest.

We must maintain our Texas leadership in Government. We must work for the election of the Democrats or get ready to see all of our work and dreams go down the drain.

We have had enough talk about how we are for the development of our County. It is now time for action. We will be in far better position to obtain special favors from friends in Washington if we

get in there and help them stay in position to help us.

Lyndon B. Johnson, to his honor and credit, made a sacrifice by taking second place on the Democratic ticket. He did it for Texas. He thought it was best, Sam Rayburn thought it was best. And whether the ticket wins or not,

one year from now, we are going to know that it WAS BEST.

Who owns the electric company?

INVESTORS own the electric companies. Investors are people who have saved some money and want to invest in some private business. They believe in a free-enterprise type of economy.

We are owned by these INVESTORS. That makes us an independent business — not owned by any city, county or state government, nor by a co-op or any Federal Government agency.

We work at being an INVESTOR OWNED independent business. We hope you understand our position.

VOTE FOR TEXAS

RICHARD M. NIXON, candidate for President, is a Californian, but he thinks the Texas way. Richard Nixon stands for:

- A strong national economy and defense so that America will not have to apologize to Khrushchev for anything;
- A sensible farm program that will attack and solve the present problems.
- Texas retaining its tidelands, and a tax policy favorable to Texas.
- Local control of our schools.

If you will read and compare Nixon's platform to that of his opponent, you will agree that a vote for Nixon is a vote for the best interests of Texas.
