Vol. 43

BRONTE, TEXAS, APRIL 20, 1961

No. 16

A LARGE CHARGE — Jessie Pearl Renshaw was the guinea pig last week when a program was given at Bronte School by The Atomic Energy Commission. Cause of her strange hair do is the fact that 600,000 volts of elec-

tric current was surging through her body. The machine which she is touching is a Vandergraff generator. Virtually no amperage was present with the charge, so she felt very little shock.

Junior-Senior Banquet Held

A large crowd was present for the annual Junior-Senior Banquet last Friday night in the Bronte School cafeteria. Supt. C. B. Barbee was the principal speaker of the evening.

AD-LIB-BEN

This is National Library Week throughout the United States, and communities everywhere are observing the occasion. That is, communities except those like ours which have no library to promote.

It seems a shame that the Bronte community doesn't have a library. True, we have one at school, but it is of little benefit to persons other than students and teachers.

It has been suggested that the women's clubs in Bronte might start a movement to this effect. We believe if somebody would get the movement started, hundreds of books would be contributed by local residents.

Most people can't afford to buy all the good books which are published, and a library would afford Bronte residents a much wider range of reading matter than they can possibly have in privately owned libraries.

We believe people here would support and use a library, if they had the opportunity.

Friends of Jeff Dean will be interested to know that he is receiving treatment for his arthritis at the Texas Rehabilitation Center at Gonzales. For those of you who might want to send him cards, his address is Gonzales Warm Springs Foundation, Box 58, Gonzales, Tex.

Many words have been written and spoken for and against the film, "Operation Abolition," which the Bronte Anti-Communism Study Group will show next Monday night. Not having seen the film, we don't have any opinion on it, but we do think it might be worth your while to go and find out what you think.

Eddy Spiller, Junior class president, was toastmaster for the banquet. He gave the invocation and welcome address followed by the response by Bette Blackmon. Prin. Joe Simpson introduced Supt. C. B. Barbee, and following his address Dana Eubanks and Sue Blackmon gave some musical selections. Yvonne McCutchen gave the history of the senior class, and Carol Ann Sherrod and Deanie Allen gave the class will and prophecy. Buddy Walker gave the benediction.

The head table was decorated with a ruffled net umbrella, while the other tables had maypoles with ribbons running to place cards. The place cards had a Japanese umbrella inside.

Menu consisted of baked ham, new potatoes, green beans, pineapple rolls, pecan pie and iced tea. Following the banquet a prom was held in the school visual aid room.

Patton Named Engineer for WTU Power Plant

When West Texas Utilities Company's \$10 million Oak Creek Power Plant goes into operation early in 1962, R. E. Patton of Abilene will be serving as Plant Chief Engineer. Some 20 well-trained and experienced personnel will operate the big steam power plant under his supervision.

The announcement of the appointment of the plant chief engineer was made this week by John A. Hutchison, WTU Chief Engineer.

Although the completion of the first 75,000 KW unit and main plant building has only reached the half-way mark, Patton plans to spend a large part of his time at the plant site working with several of the men who will be key personnel when the plant goes into operation.

Patton, a graduate of Texas A & M College with a B. S. Degree in Management Engineering, began his career in the Rate Department of the General Office. Two

Controversial Film To Be Shown Here

The Bronte Anti-Communism Study Group will present at its meeting Monday night, April 24, the highly controversial film, "Operation Abolition." It deals with riots of students in San Francisco, Calif., during May, 1960. The House Committee on Un-American Activities was holding hearings in that city and the proceedings were interrupted several times by student groups.

In a report, J. Edgar Hoover, director of the Federal Bureau of Investigation, said, "The successful Communist exploitation and manipulation of youth and student groups throughout the world today are a major challenge which free world forces must meet and defeat. Recent world events clearly reveal that world communism has launched a massive campaign to capture and maneuver youth and student groups.

"The vigor and vitality of such groups constitute an explosive force of immense proportions. Channeled into proper outlets, this force can accomplish immeasurable good for a peace loving world. Manipulated into destructive channels, this force can create chaos."

Hoover further states in the defense of the combined proof of the FBI and the House Committee on Un-American activities that these riots were communist organized and directed. "The Communist attack on the HCUA in San Francisco was in line with a long standing party aim to destroy not only the HCUA, but also the Senate Internal Security subcommittee."

"The Bronte Study Group, realizing that much has been said both for and against the film extends an invitation to the whole town and surrounding communities to attend and then make your decision as to the validity of the film and to the danger posed to our youth by the the Communist Target—our young people," said the Executive Committee of the Bronte Anti-Communist Study Group.

OMISSION

The Enterprise inadvertently left off the name of Tommy Glenn Sims from the list of players at the district tennis meet in San Angelo last week. Tommy Glenn won first place in junior boys' singles at the meet. He is the son of Mr. and Mrs. T. F. Sims.

Bronte School Board Organizes for Year

Reorganization was completed at the regular school trustee meeting last Thursday night.

Incumbent Allen Sherrod and new member Bill Thomas were sworn in to complete the seven member board.

Hurlin Lee was re-elected president of the board. Other officers

elected were vice president, C. O. Richards, and secretary, Allen Sherrod. Lee appointed the following standing committees:

Finance — C. O. Richards and Joe Rawlings.

Personnel — Edward Cumble and Bob Wilson.

Building and Maintenance — Allen Sherrod and Bill Thomas.

Other business transacted included opening of bids to lay the school sewer line to the main. Button Plumbing Co. was low bidder and was awarded the contract.

Ronald Hughes Completes Army Radio School

Pvt. E2 Ronald Hughes recently graduated from Armored Radio Maintenance School at Fort Knox, Ky. Following graduation, he was transferred to Fort Carson, Colo., where he will work on missile radios.

Pvt. Hughes, mother, Mrs. J. F. Hughes of Bronte went to Fort Knox for the graduation exercises. She then accompanied her daughter-in-law on the auto trip to her son's new post in Colorado. Pvt. Hughes was transported by plane to Fort Carson.

The younger Hughes family is now at home in Colorado Springs.

Mrs. J. F. Hughes came home April 12 by bus. She reported that it was snowing all through Colorado as she came home.

Mrs. Ronald Hughes is the former Jan Sharp, daughter of Mr. and Mrs. Wilson Sharp of Bronte.

Masons to Have Special Program

Bronte Masonic Lodge will have a special "Re-Dedication Night" meeting Thursday, April 20, at 8 p. m. Leonard Fletcher, worshipful master of Bronte Lodge, urged that all members of the lodge be present for the special program. It will be a closed meeting.

Included on the program will be talks by Rev. R. W. Blackmon and Rev. Bob Grimes, local ministers.

Fletcher said the period from April 10 to 25 has been proclaimed by the Grand Master of Texas as re-dedication time for all Texas Masons and requested all lodges to have the special meeting during this time.

Clint A. Low New Science Teacher

Clint A. Low, Jr. has been hired by the Bronte School board to teach sciences and advanced mathematics in the local school. Presently living in Burnet, where he has been teaching, the Low family plans to move to Bronte in June.

Low has a master of education degree from Texas Tech and is fully qualified to teach all sciences and higher math courses. In addition to Burnet, he has taught at Gregory-Portland and New Home schools. He served 3½ years in the Armed Forces during World War II.

Low's family consists of his wife and 11 year old daughter. Following their arrival in Bronte, the new teacher plans to attend a Summer Institute in July at the University of Oklahoma.

R. E. PATTON

Following five years service in a WTU plant, he returned to the Production Department in the General Office as a results engineer.

The new Oak Creek chief is a native West Texan, attended the public schools in Abilene and was graduated from Abilene High School in 1941. He was an outstanding athlete and was a member of the Abilene state finalist basketball team in 1941.

During World War II Patton served with the Signal Corps of the U. S. Army, was commissioned a second lieutenant in May, 1945, and trained in the office of the Strategic Services. He spent 10 months in Italy in a Special Service Station and was discharged with the rank of first lieutenant.

Mrs. Patton is the former Essie Vee Nail of Abilene. They were married in 1945, and are the parents of one son and one daughter. Thirteen year old Larry Don is

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

It's a great pity some of them Washington column writers don't cover our Saturday sessions in town. They'd git more horse sense from one meeting than they git from a whole session of the Congress.

Saturday night, fer instant, my neighbor unveiled a plan that would help git a heap of folks out of debt. He called to mind how them Federal income tax officials come out several year ago with colored stripes on envelopes to let the public know how much income tax a feller was paying. If he was reporting \$10,000 a year, fer instant, he got a envelop with a yellow stripe on it, so's the folks in the post office, the mail man and all his nighbors would know about it. The politicians made the tax folks cut it out, but my neighbor allows as how the idea is as sound as a 1910 dollar.

Take the merchants, fer instant, he said. If a feller is a couple of months behind on his bill, let the merchant send him a envelop with two big red stripes on it. If he's behind three months, send him one with three red stripes. And when he gits a whole year behind, send him one red all over with his name in black. He allowed as how people could tell just exactly how everbody else was gitting along and that folks would start paying their bills a heap better.

Another feller allowed that the system was good, would cover about everthing but a woman's age. But, he said, they ain't no system to cover this situation, that about the only way you can find out a woman's age fer shore is to ask her mother-in-law.

We all lamented that while the system might help a little, they ain't no cure fer debt in this country unless we do away with automobiles. We got millions of people in this country that ain't doing nothing but supporting their auto-

mobile. Out this way fer instant, some folks keep up the payments on their car and if they is anything left, they pay their taxes and git some groceries. Got any of them kind over in town, Mister Editor?

Well, I see by the papers where President Kennedy aims to git a team of folks and train 'em in the field of promoting peace and disarmament. Up to now, allows Kennedy, them that's been handling that department ain't had no more training in it than a hound dog has had pointing a covey of quail. But the Prime Minister says he ain't going to follow siut, is going to stick to the one-man system. I reckon he figgers that one man can handle about all the peace and disarmament we got at present.

Yours truly,

Mrs. Floyd Harmon, Mrs. Pat Rives, Mrs. J. C. Boatright, Mrs. J. O. Rudd and I attended the District meeting of the Texas Home Demonstration Association in Coleman last week.

Mrs. Harmon, Mrs. Rives and Mrs. Boatright were Coke County delegates. Mrs. Rives is also the County THDA Chairman and served as secretary for the meeting.

The Coleman women certainly had an enjoyable day planned for us. The meeting was held in the new Methodist Church building and a delicious lunch of barbecued chicken was served in the church dining room.

We are all so pleased that the State THDA meeting is to be held in San Angelo August 9-10. I hope that a great number of you club women will plan to go.

I will be out of the county April 25-28. I am to assist H. C. Stanley, Agricultural Agent in Taylor County, and Curley Hayes, of West Texas Utilities, in judging the Community Improvement Program this year. We are scheduled to visit communities in Kerr, Blanco, Llano, Coleman and Runnels Counties. We spend from 2-3 hours in each community seeing improvements and hearing reports. This is an enjoyable week for we get to make a lot of new friends as well as visiting with old acquaintances.

Thinking of our barbecued chicken last week reminds me of a bulletin I have in the office on preparing chicken for an outdoor meal. Since it's getting to the season when we like to eat outside, why don't you stop by for a copy of "Chick-N-Que." It tells you what size chicken to buy, gives several recipes for barbecue sauce and makes helpful suggestions for serving larger groups.

Girls 4-H clubs will meet Monday, April 24.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mr. and Mrs. Roy Sanderson had as their guests Sunday Mr. and Mrs. Jack Blanchard and son of Fluvanna, Mrs. Frank Youree of Snyder, Mr. and Mrs. J. O. Sanford of Wingate and Harry Sanford of Louisiana.

Mr. and Mrs. Jim Wilson visited Mr. and Mrs. Curtis Wilson in Sterling City over the weekend.

Rev. and Mrs. Bob Harris and children visited his mother, Mrs. R. E. Harris, in Merkel over the weekend.

Mr. and Mrs. Buster Hanson and children of Abilene visited Mr. and Mrs. Henry Raney and Mrs. J. W. Raney Sunday.

Mr. and Mrs. T. A. Carlisle and Mrs. Austin Jordan are visiting relatives in Texarkana. Mrs. Jordan will attend the funeral of a brother-in-law while there.

Mrs. Harold Ware and children and Jerry Ware of El Paso have been visiting Mr. and Mrs. Ernest Ware, and Mrs. Ware also visited her parents, Mr. and Mrs. R. Q. Spence.

Mrs. Kay Corley is ill in the Bronte Hospital.

Blackwell Students To Have Poems in Nat'l Anthology

Certificates of acceptance of poems to be published in the National Anthology of High School Poetry have been received by two Blackwell students, Kaye Scott and Ronny Bell.

Poems of Miss Scott to be published in the anthology are "Chesapeake Bay" and "A Sinner's Death."

Bell's poems are "My Place" and "The Snow White Plume."

Miss Scott is the daughter of Mr. and Mrs. Raymond Scott of Blackwell, and the granddaughter of Mr. and Mrs. Bob McFarland of Blackwell and Mr. and Mrs. Walter Scott of Sweetwater.

Bell is the son of Mr. and Mrs. J. R. Thompson of Blackwell, and

the grandson of Mr. and Mrs. Kelly Richards of Blackwell and Mr. and Mrs. John T. Bell of Seminole.

Miss Scott is a junior and Bell is a sophomore.

Mrs. Glenn Reviews Book In Mrs. Carter's Home

Mrs. Willie Mae Glenn reviewed Mary Ellen Chase's new book, "The Lovely Ambition," for a group of about forty women last Thursday night in the home of Mrs. Joe Carter.

Mmes. Carter, Albert Rawlings and Emma Sims were hostesses to guests from the Progressive, Diversity and Sorosis Clubs.

Mrs. D. K. Glenn served cake squares and Mrs. O. R. McQueen served punch. The table was centered with an arrangement of spring flowers.

Why is the Ford Galaxie head and shoulders above all the imitators?

'61 Ford Galaxie is available with the Ford 292 V-8 that won the low-price V-8 class in the Mobilgas Economy Run with 21.3 mpg!

Because it's beautifully built to take care of itself!

We're tickled to see so many other cars latching on to the styling trend started by Galaxie. But they can't copy that Thunderbird roofline—any more than they can match Galaxie's Thunderbird steering and handling.

What's more, Galaxie is the fine car built to cut your operating costs. For example, you can go 30,000 miles without a lubrication. And when you compare price, you find that Galaxie costs several hundred dollars less than some cars that give you less. Challenging statement? We're here to prove it—today.
