Pee Wee Games

The Bronte Pee Wee Baseball team has met defeat in the last two games, both with Miles Little Giants. Two more games are on schedule for next week.

In a game on the Miles field last Thursday, the Bronte boys were unable to catch up to a Miles 9-5 victory. Miles returned the game on the Bronte field Monday night and took a 13-6 win over the home team. Jim Bob Arrott, Keith McCutchen and Tommy Grace pitched in both games.

Nolan Butler, one of the team managers, announced that the team would go to Silver tonight (Thursday) for a 7:00 game. Miles will come to Bronte for another game Monday night at 7:30.

AD-LIB-BEN

Mack Eubanks was displaying some huge Japanese squash in town Tuesday afternoon. He had four of them in the back of his pickup. The largest of the four measured 46 inches in length and weighed 43 pounds.

He says the Japanese squash are just as good as other varieties when they are small, and when they mature they are good for making pies. They taste something like a cross between a pumpkin and a sweet potato, he said.

We have noticed lots of bicycles in town this summer, particularly toward the park and on ball game nights, etc. The Texas Press Association recently sent out a number of rules which make bicycling safer and we thought it would be of interest at this particular time. It's called the

REVIVAL IN PROGRESS AT KICKAPOO CHURCH

Rev. Francis Pruitt, well-known former Bronte resident, is conducting a revival meeting this week at the Kickapoo Baptist Church. Pruitt, the son of Mr. and Mrs. Noah Pruitt, Sr., is now pastor of a Lamesa Baptist Church. The revival will close Sunday.

Morning services are held at 9:30 a. m. Evening services begin with a prayer service at 7:30 p. m., followed by the preaching service at 8 p. m.

Noah Pruitt, Jr. is leading the song services.

Rev. R. W. Blackmon is pastor of the church, and invited everyone to attend the remaining services.

Two Swimming Classes Completed

Two more swimming classes have been scheduled to begin next Monday at the local pool, according to Aubrey Denman, park caretaker. A women's beginner class and another class of pre-school beginners will start at 10 a. m.

An intermediate class finished a two weeks series of lessons Saturday. Those enrolled included Douglas McCutchen, Deborah Kedziora, Gene Glenn, Tamalia Grigg, Melissa Lee, Sallie Richards, Mary Jane Morrow, Lisa Morrow, Cathy Miller, Anne Miller, Jack Graves and David Graves.

The pre-school beginners class that finished Wednesday was composed of Debbie Luckett, Tommy Graves, Sammy Miller, Mark Murtishaw, Tommy Howard, Elaine Butler, David Wayne Robins, Timmy Arrott, Ricky Sheppard, Rodney Richards, Jan Alred and Freddie Richards.

SOCIAL SECURITY GOES TO 305 PERSONS IN COUNTY

Social Security benefits are being received by 305 persons in Coke County according to a recent release from the San Angelo District Office of the Old-Age, Survivors & Disability Insurance. The report was made as of Dec. 31, 1960.

Monthly totals are \$15,396, and are broken down as follows:

Persons receiving Retirement & Disability payments total 162 receiving \$9,752; 75 persons receive Wives or Husbands benefits in the amount of \$2,289; 36 children are receiving payments of \$1,725; 32 widows, widowers and parents are receiving \$1,630.

The figures do not include persons and amounts in claims where benefits are being withheld because of excessive earnings, or for some other action requiring suspension of payments.

Mr. and Mrs. Ben Oglesby and Margie made a weekend trip to Sherman to visit his brother-in-law, M. W. McConnell, who remains seriously ill in a hospital there.

Keeneys' Daughter Touring Europe

Mr. and Mrs. J. L. Keeney have received word from their daughter, Mrs. Jimmy Irwin, from Paris, France that she would leave from Amsterdam for home on July 12 and arrive in Houston on July 13.

Mrs. Irwin and her daughter, Miss Andrea Irwin, both of Lubbock, left Houston June 12th by K. L. M. Royal Dutch Airlines for a month's tour of Europe. They spent most of their time in London, England and Paris, France, but visited important places in each country. They visited their son and brother, Lt. Boyce Irwin and his wife in Germany, where they will be stationed for two years.

The Keeney's daughter-in-law, Mrs. James Keeney of Wichita Falls, who has the All Air-Sea Travel Agency there, made the arrangements for the tour. The Keeneys have an itinerary of the ladies trip and have remained in contact with them while they were away.

LADIES SOFTBALL

The Bronte Ladies' softball team had hard luck this week in two games. Robert Lee won over the short handed local ladies 13-8, in a game there Monday night.

The Big Lake ladies got revenge from last week's tournament when they beat Bronte 7-4 in a close game played on the Rotary Field in San Angelo Tuesday night.

Winters will come to Bronte tonight (Thursday) for an 8:00 game with the women on the local field.

Bank Deposits Show Rise Over Year Ago

Deposits in the First National Bank of Bronte showed a healthy increase over a year ago, according to a statement of the Bank on July 1. Depositors had \$162,628.64 more in the local bank than they did last year on the same date. Total amount of deposits on July 1, 1960 was \$2,289,560.08, compared to \$2,452,188.72 on July 1, 1961.

However, the deposits were down compared to April 12 of this year, the last call for the bank, from \$2,525,982.64 to \$2,452,188.72, a drop of \$73,793.92.

Loans on July 1, 1961 amounted to \$785,738.73, compared to \$784,035.60, on July 1, 1960, a small increase of \$1,703.13. Amount on

Cancer Crusade Set To Start Here Friday

Norman Kiker, Chairman of the 1961 Bronte Cancer Crusade, announced today the acceptance of the following volunteer Crusade positions: Kiker, House to House Chairman; Leonard Fletcher, Business solicitation Chairman; Mrs. Gene Halimicek, Chairman of the Tennyson community; and Mrs. Conda Richards, Chairman of the Ft. Chadbourne community.

The Crusade will begin Friday, July 14.

"I believe we have a fine, conscientious group of volunteers working with us on this crusade to conquer cancer," said Kiker. "I

hope that the response will measure up to their interest in it. We are behind our last years Crusade in Coke County at a time when our neighboring counties have made much progress. Our aim as volunteers of the American Cancer Society is to put ourselves out of business, and the sooner we can finance the additional research that needs to be done, the sooner we will realize that objective." Noteworthy advances in cancer research have made news headlines recently.

Expressing his determination to meet the \$300 East Coke County goal successfully, Kiker said, "I would make all the contacts myself if necessary." No contribution is too small or too large to be worthwhile, as long as the individual has aroused enough concern to do his part by giving something. Coke County lost seven citizens to cancer last year. This has been going on a long time, and it will continue until we finance the solution. The sooner we do it, the more lives we save."

Persons wishing to assist in the Crusade or wishing to make a contribution if they were unreached by a volunteer Crusader may contact Mr. Kiker at the Central Drug.

"We hope everyone will learn Cancer's Seven Danger Signals, printed in the Crusade leaflet, and have an annual physical examination as the Society's medical advisors advocate," added Kiker. "This is a remarkable volunteer organization. Because of the time that capable people have given to its programs, the cure rate for the disease has risen over 300% in the last 50 years. I hope that we will be able to organize an authorized unit and institute those programs here in Coke County in the future."

Eubanks with Atlantic Fleet

Western Atlantic (FHTNC) — The radar picket destroyer USS Furse, operating in the Western Atlantic, is participating in an annual summer training cruise for Naval Academy midshipmen.

Serving aboard the Furse is Ray D. Eubanks, torpedoman's mate third class, USN, son of Mr. and Mrs. Mack Eubanks of Bronte.

Crewmembers of the destroyer demonstrate their various skills to the "middies" in helping them gain firsthand experience in navigation, seamanship and gunnery. The destroyer is scheduled to visit the Caribbean and Philadelphia, Pa., before the cruise ends July 24.

REVIVAL AT TENNYSON

A revival meeting will be held next week at Tennyson Baptist Church. Rev. Robin Guess, pastor of First Baptist Church in Robert Lee, is the visiting preacher.

Services are being held each evening at 8 o'clock. Morning services begin at 10:30. Rev. Robert B. Ritchie, pastor of the church, said everyone is invited to attend.

Kenneth Ray and Patricia Ann Cook of Odessa spent last week with their grandparents, Mr. and Mrs. M. G. Gilreath. Their parents, Mr. and Mrs. K. M. Cook, came for them over the weekend

MORE RAIN SHOWERS

Bronte received another ½-inch of rainfall Sunday afternoon. About an inch was received the week before. Scattered thunder showers remained in the weather forecast, with a weak cold front due to move into the area the middle of the week.

A thunderstorm early Wednesday resulted in a light shower.

WWI Veterans Send Delegates To Convention

Frank Mullican of Silver, A. J. Kirkpatrick of Robert Lee and J. T. Liles of Bronte have been named as delegates to attend the state convention of World War I Veterans in Ft. Worth this weekend.

They were selected at the monthly meeting of Coke County Barracks No. 2409 WWI Veterans U. S. A. at the American Legion Hall in Bronte last Thursday night.

Convention headquarters will be at Texas Hotel where the sessions open Friday and continue through Sunday. Both Mullican and Kirkpatrick were recently elected district officers and will be installed at Ft. Worth.

Coke County Barracks members voted to postpone their barbecue until Nov. 11 when a Veterans Day program will be given in connection with the feed.

Next meeting of the barracks will be Thursday night, Aug. 3, at the County Park community building in Robert Lee. Home made ice cream and cake will be served and ladies will be guests.

UNCLE HUIE from HOG CREEK says

Dear Mister Editor:

A feller has to look mighty careful to find anything in the papers anymore that don't keep him shook up and worried half crazy. The headlines is full of gloom and doom, stories about how them Russians is closing in all around us and hinting that maybe civilization will git wiped out in the showdown. I recollect reading a while back where the Navy was making all officers git theirselves a sword and wear it at formal affairs. A sword will be mighty handy when it gits to ever man for hisself, and with the rat race we got going in the world today, I'm thinking about gitting myself one fer civilian use.

But if a feller will skip the big type and read down in the fine print, he can find a heap of items that'll take his mind off'n his troubles. Fer instant, I see where a inspector in the U. S. Mint says our money is meeting the "physical requirements." It's comforting to know there's somepun it's meeting.

And a expert from the Retail Association says more and more folks is going to the smaller towns to shop. A general trend to the small towns would be a big help to a heap of us. It used to be that a feller couldn't see much in a small town, but nowadays wimmin dress about the same everywhere.

Here a while back, I was tell-

ing you about this pamphlet from the Department of Agriculture saying onions wasn't very good fer humans to eat. I see in the papers yesterday where two fellers died from drinking a concoction of varnish, shellack, lemons and onions. I reckon they just got too many onions in it. A note of progress comes from a official of Eastern Airlines. He says they'll have jet passenger planes by 1970 that'll travel 3000 miles a hour. The piece didn't say, but I figger these planes won't have no seats. A passenger wouldn't git set down good until it was time to git off.

On the Washington front, the papers is saying them Congressmen is trying to speed things up so's they can adjourn in time fer a summer vacation. Some will be taking all their kinfolks on a big Government tour and some will be coming home to mend their political fences. Them that takes tours, I reckon, is the ones that's got their polities in pritty good shape back home.

On the home front, our preacher is having a hard time seperating church and state. He said Sunday that a feller that don't go to church is abusing his constitutional right to go to church. It's his right to visit Kalamazoo, too, but according to my preacher's doctrine, if he ain't been to Kalamazoo, he's abusing his constitutional right to do so.

But maybe things will look better next week, Mister Editor.

Yours truly,
Uncle Huie

Guests in the home of Mr. and Mrs. Ernest Marshall July 4 were Mr. and Mrs. James Blumintritt and daughters, Mr. and Mrs. Steve Elkin and son, all of Abilene and Mr. and Mrs. Jim Milburn and children of McGregor. Mrs. Milburn is the former June Heidel who lived here as a child.

Wylie and Hughes Win Dress Revue

By CAROLE L. HOOPER

Prescilla Wylie placed first in the annual County Dress Revue. Her jacket-dress was made from a rayon and cotton fabric. The fabric design was a red and black diagonal weave.

Betty Hughes' 100 percent cotton blue dress placed first in the junior division.

Prescilla, daughter of Mr. and Mrs. T. M. Wylie Jr., and Betty, daughter of Mr. and Mrs. A. V. Hughes, will enter the District Dress Revue in Abilene August 4.

Twenty-six other girls completed and modeled garments in the 4-H dress revue held in the Robert Lee School auditorium July 6.

Girls who constructed simple skirts under adult leaders are Lois Heuvel, Sharon McCutchen, Nancy Richards, Robbie Smith, Elaine Fikes and Martha Kinsey. Sharon McCutchen placed first in the group.

Nine girls made simple blouses under adult leaders. They are Patty Hughes Shirley Brice, Marilyn Wallace, Jackie Counts, Vernay Vaughan, Kay Roberts, Dianne Baker and Kathy Service. Kathy Service placed first in the blouse division.

Dresses were made by eight girls who are under 14 years of age. This is the junior division in which Betty Hughes placed first. Barbara Blalock, Carolyn Prine, Ida Lee Parker, Jo Alice Eans, Rhea Jean McCutchen, Daphne Roe and Kitten Dean were in this group.

Leta Robertson and Kay Wink along with Prescilla Wylie composed the Senior division.

Kathy Preslar, Jeanne Hatch and Susan Calder completed garments but were unable to attend the Dress Revue. These garments were judged July 5th by Mrs.

Margie Williams, Tom Green H. D. Agent and Mrs. Behringer, a Tom Green 4-H adult leader. The girls records were judged by Mrs. Bobby Roberts, Mrs. Ralph Walker and Mrs. Dale Wojtek.

I will be at Lake Buchanan Thursday and Friday of this week for our annual July agents meeting. We're to have a session on covering shoes. So if any of you have been wanting a pair of shoes to go with the linen or silk dress you've made, maybe I'll be able to teach you the technique!

I will be on annual leave the last two weeks of July. I will be back in the office July 31st.

The 4-H camp is scheduled for August 15-16, while the H. D. women have planned a craft day to

end in a family night supper at the County Park August 22.

All 4-H girls are reminded to fice by July 31st. These goal sheets must be in my office before you are eligible to receive any medal or award at the Achievement Program in the fall.

First place winners in each of the four divisions of the County Dress Revue are the following: Skirts, Sharon McCutchen, daughter of Mr. and Mrs. Joe McCutchen of Bronte; Blouses, Kathy Service, daughter of Mr. and Mrs. J. W. Service, Jr. of Robert Lee; Junior dresses, Betty Hughes, daughter of Mr. and Mrs. A. V. Hughes of Robert Lee and Senior Dresses, Prescilla Wylie, daughter of Mr. and Mrs. T. M. Wylie Jr. of Robert Lee. Scores were based on the girl as well as the construction of the garment and the girls 4-H record.

THE KEY TO SUCCESS

The man who achieves high honor or fame,
After all is just human; you are the same.
The man who becomes a millionaire, too,

This is clearly in violation of the ordinance passed by the city council on Oct. 4, 1960. A portion of the ordinance is published below which points out regulations on the matter.

AN ORDINANCE PRESCRIBING CERTAIN REGULATIONS REQUIRING THE USE OF THE FACILITIES OF THE SANITARY SEWER SYSTEM TO BE ACQUIRED BY CITY OF BRONTE

SECTION 3: Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool, or other facility intended or used for the disposal of sewage.

SECTION 4: The owner of all houses, buildings or properties used for human occupancy, employment, recreation or other purpose, situated within the City and abutting on any street, alley or right-of-way in which there is now located or may in the future be located a public sanitary or combined sewer of the city, is hereby required at his expense to install suitable toilet facilities therein, and to connect such facilities directly with the proper public sewer in accordance with the provisions of this ordinance, within ninety (90) days after date of official notice to do so, provided that public sewer is within one hundred feet (100 ft.) of the property line.

SECTION 5: Any person found to be violating any provision of this ordinance shall be served by the city with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.

SECTION 66: Any person who shall continue any violation beyond the time limit provided in Section 5 shall immediately be disconnected from the Waterworks System of the City of Bronte.

PASSED AND APPROVED, this the 4th day of October, 1960.

HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITAL

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — Texas legislators, like students who failed to complete their work in the long term and have to come back to summer school, return to Austin this week to "get it over with."

Goal is the passage of a two-year appropriations bill expected to run around \$2,600,000,000. To pay for it, they will need to find some \$350,000,000 more in tax money than now provided on the law books.

But if the money is short, advice is not.

At least three committees have a word or two for the lawmakers. Two are unofficial. They are the Citizens for a Sales Tax, whose name explains its purpose, and the Citizens for Fair Taxation, which is pushing Gov. Price Daniel's plan for additional selective sales taxes, plus more business taxes, higher taxes on alcoholic beverages and others.

A third committee, appointed by the governor, avoided a single, specific recommendation but pinpointed some sort of retail sales tax as the most likely source for the amount of money needed. This committee is composed mainly of the chairmen of governing boards of state welfare and educational agencies.

Committee suggested that either the retail sales tax passed by the Senate last session (a "general" sales tax with exemptions for food, farm supplies, medicine) or a "Pennsylvania-type" tax which affects only the items listed in the bill or a combination of the two might be the answer.

All of which leaves the Legislature just about where it was — with at least some support, and some opposition, for any course it might take.

AUTO INSURANCE RAISED — Beginning August 1, Texas motorists will pay higher premiums for automobile insurance.

How high the premium goes will depend on the county in which the motorist lives and its accident record. In general, the big city counties have higher accident rates and insurance premiums than rural counties. In Travis County (Austin), the increase on a typical policy would be 15 per cent; in Dallas County, about 17 per cent.

PERSONALS

Mrs. Edward Cumbie and girls visited the first of the week in San Angelo with her parents, Mr. and Mrs. M. S. Luby.

Mr. and Mrs. Bill McKown and children of Muleshoe were here last week visiting relatives and to attend the Drake reunion.

Mr. and Mrs. Bob Wilson and family spent the weekend at Abilene State Park where they attended a family reunion. Robby Wilson, who had visited with his grandparents in Breckenridge for a week, returned home with them.

Bill Maxwell was home over the July 4th holiday visiting his parents, Mr. and Mrs. W. H. Maxwell Jr. Bill is attending summer classes at the University of Texas in Austin, working toward a master's degree. He teaches English in Lake View High School in San Angelo.

Mr. and Mrs. Dolan Mackey returned Tuesday night from Dallas where he had been hospitalized at Gaston Hospital for several days. He underwent a series of medical tests. Their son, Tony, stayed here with his grandparents, Mr. and Mrs. Marlin Mackey.

Royce Lee and Brian Richards are attending aquatics camp at Camp Sol Mayer near Menard this week.

This is the first increase in the base rate for auto insurance ordered by the State Board of Insurance since 1958. Reductions or increases for traffic accidents and violations under the Safe Driving Plan will continue as before.

Reasons given for the rate raise include:

1. More people than expected qualified for the 20 per cent premium cut allowed under the Safe Driving Plan for drivers with no accidents or violations. This caused a decline in premium income.
2. Higher cost of repairing today's wrap-around-windshield, wrap-around-fender cars.
3. Generous jury awards for injury and damage claims.
4. Drop in the number of new cars sold last year.
5. Apparent dropping of insurance by some motorists who had previously carried it.

HD Council Has Monthly Meeting

Eight ladies representing three clubs met Tuesday afternoon in Robert Lee in regular session of the Coke County HD Council.

Several business items were discussed, among them being final plans for a safety school to be held in early September. Sam Williams of Robert Lee will conduct the school.

Delegates were named for the State convention to be held in San

Angelo August 9 and 10. Mmes. Floyd Harmon, Pat Rives and Dale Wojtek, all of Robert Lee, were named. These ladies will attend a delegates training school in Robert Lee August 7 at 2 p. m.

August 24 was set as the date for the county-wide Home Demonstration Camp to be held at the Recreation Hall in Robert Lee. Camp craft committee will meet August 3 at 10:30 a. m. This committee is composed of Mmes. Douglas Dittmore, J. C. Boatright, Floyd Harmon, Alfred Fields and Bobby Roberts. Camp Foods committee will meet August 3 at 2:30 p. m. and is composed of Mmes. Glenn Waldrop, Pat Rives, and C. E. Arrott.

Mrs. C. E. Arrott was named chairman of the nominating committee to select officers for the coming year. Assisting her will be Mmes. Ralph Walker and Lindsey McDorman.

The THDA chairman reported a letter from the district chairman asking members to write letters to senators and representatives urging support of a bill to raise County HD Agents' salaries.

Recent guests in the J. I. Adair home have been their grandchildren, Judy and Jimmy Baker of San Angelo.

County Agents News Column

By STERLING LINDSEY

I noticed two examples last week of what deep breaking and fertilizing can do under certain conditions. We have experienced and probably will see in the future years in which fertilizer applications will give little or no benefit. Thus far this year, however, there is a marked difference in the two fields of cotton in question.

R. C. Patterson, on his cotton field in the Friendship community, left a few rows unfertilized. Possibly in the future the unfertilized cotton will gain in size and production, but at the moment vast difference in size and development of the plants — the fertilized rows are much further along. The cotton is approximately four weeks of age and is planted on a sandy and sandy loam soil.

Frank Percifull, of the Valley View Community, has a field with a similar contrast. One portion of the field was deep broke, another deep broke and fertilized, while a third portion received neither treatment. The portion that received both treatments is advanced over the other two areas. The portion that was deep broken only is ahead of the area with no treatments applied. The field looks like it contains cotton of three different ages. Frank's soil is a deep clay loam.

Certainly the portions in a year in which we had less moisture would not stand out so vividly but with conditions as they are we are anxious to know whether or not the differences will carry through the season and show a difference in yields.

Controlling insects on livestock and field crops is a common thing during this season of the year. Everyone is aware that all insecticides should be handled with precaution, but we often are less careful as we become accustomed to using a certain insecticide. Even though a person has never been affected from handling insecticides, they still have the ability to be toxic. Because they have never been toxic to the handler, regardless of how many times he has been exposed, does not mean the next time will be the same. All insecticides should be handled with care and the manufacturers' precautions adhered to.

I received recently from the Extension Entomologist a Comparative mammalian toxicity, listing some of the more common insecticides. These ratings, determined primarily on rats, are indicative of how toxic the materials may be to warm blooded animals and does not indicate the effectiveness of the chemicals for controlling insects.

They are as follows:

TEPP — 1.2; Parathion — 3.0; Thimet — 3.7; Methyl Parathion — 9.25; Endrine — 10; Calcium Arsenate — 20; Delrov — 50; Nicotine — 50; Aldrin — 67; Toxaphene — 69; Dieldrin — 87; Lead Arsenate — 100; Lindane — 125; CO-Ral — 230; DDT — 280; Chlordane — 457; Dipterex — 500; Sevin — 540; Ronnel — 1740; Malathion — 2600.

The ratings of the above are as follows: Highly toxic — less than 50; moderately toxic — 50 to 500; slightly toxic — 500 to 5,000.
