Local Banker Honored with Spot in Half Century Club

Editor's Note: The following article, written by L. T. Youngblood, president of the First National Bank of Bronte, appeared in the Golden Anniversary Edition of the Texas Bankers Record. The publication, in its fiftieth anniversary edition, ran pictures and a short write up by all the bankers who have been in the business 50 years or more. By virtue of the fact that he began his banking career at Blackwell some 52 years ago, Mr. Youngblood qualifies for membership in the "Half Century Club of Texas Bankers." The edition of the magazine was designed to honor the approximately 150 members of this "club."

"In 1909 and 1912 I was employed part time as bookkeeper in the First State Bank of Blackwell. Later the cashier of the Blackwell bank sold me his share and I took his place as cashier. After two years in the bank, I was elected president. In 1922, the First State Bank of Bronte was re-organized, and became the Guaranty State Bank of Bronte. I moved to Bronte in 1927, but operated the Blackwell Bank and the Bronte Bank for some four years, after which time the assets of the Blackwell Bank were consolidated by the First National Bank, Bronte.

"In the past fifty years, there have been money panics, two major wars, Bank holidays, and many severe dry years in West Texas.

"In the early years, we gave no thought to lending money secured by farm tractors and automobiles. That kind of security was out of the question. Now we lend money on both. We have entered most all fields of money lending.

Most Men Are Honest

"After one of our driest years in West Texas, we made a loan to an old man to make a crop. He made no crop and moved away, leaving no address. Almost a year later, we located the old fellow and went to see him. He was plowing cotton with one old horse hitched to a double shovel. We asked about his other horse and cows and he said lightning had killed one of his cows and his other horse. He had been pulling Johnson Grass along the railroad to feed the remaining horse and cow. On being asked how he secured his own food, he replied that

OFF TO COLLEGE

Reyes Olivás, son of Mr. and Mrs. Simon Olivás, left Monday for College Station where he is attending Texas A & M College. A sophomore student, he is majoring in accounting.

D. Dub Sims is attending the University of Texas in Austin this fall. The son of Mr. and Mrs. R. W. Sims, he is a sophomore student.

BAND BOOSTERS

A very small number turned out for the Band Boosters meeting last week. A report on the new uniforms and music stands was given by Mrs. Norman Kiker, president. A merchandising plan whereby the band will net \$100 was approved and will begin in the near future.

A representative of an Abilene music store was here Monday and met with parents who need instruments for their children. Instruments were for sale or rent.

L. T. YOUNGBLOOD

he sold eggs and butter for the few groceries he had. He was told that the horse and cow were to be turned over for debt. While telling him this, we had written a full release on the mortgage and had cancelled the note with the statement that he could borrow on the stock to finish his crop; that he owed us nothing, but if he ever could, we wanted him to pay us the amount he owed. The old fellow sat down on his plow and cried. He told me that he would pay every cent when he could. That fall he called from Roscoe and said to come up, he wanted to pay all his notes and interest, and he did.

"Now as we look back over the years that have been both pleasant and profitable, we realize that we have had the help of so many people to push us along. We know now that whatever success has been ours, it has been because of a host of friends. We have been honored in our community, state and nation, but feel that the greatest honor that has been ours, is the fact of being elected to teach the Men's Bible Class in the First Baptist Church in our community for thirty years."

Longhorns Return to Home Field for Tilt with Santa Anna

Coach Bob Howard said Wednesday that he is expecting a win Friday night when the Longhorns tangle with the Santa Anna Mountaineers. The game will be played here, with kickoff time set for 8 o'clock.

Prestige of the Longhorns dipped a little last week when they fell to Ozona Lions, 22-6. The loss gave Hermleigh top spot in District 6-B, and dropped the Longhorns to a tie with Roby, Trent, and Loraine for second. Robert Lee is in the cellar spot in

NORTON HOMECOMING SET FOR SEPT. 30

All Norton ex-student and former teachers are invited to attend a homecoming on Sept. 30 and Oct. 1. This will be the third meeting of the exes.

The Norton PTA will serve food beginning at 6 p. m. on Saturday, Sept. 1. Entertainment will also be supplied by the organization. The meeting will be held in the school lunchroom.

A basket lunch will be served at noon Sunday, Oct. 1.

All ex-students and teachers of the Maverick and North Norton school districts, which have consolidated with Norton, are also invited.

SHOWER WEDNESDAY

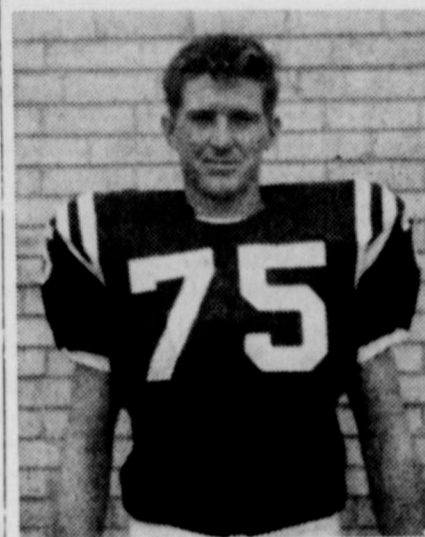

A shower fell in the Bronte area early Wednesday morning accompanied by a fairly heavy display of lightning and thunder activity.

The shower was probably touched off by a stationary front lying barely across the Texas-New Mexico border. Fine autumn weather has been the rule for this area during the past week, with cool days and cooler nights.

Big news in the weather picture this week is Hurricane Esther, which is bearing down on the Atlantic Coast. It is expected to have little or no effect on West Texas weather.

the conference.

Coach Howard said he is hopeful that Dee Arrott will be back in the Bronte lineup Friday night.

Corley — Outstanding Lineman

First Aid Course Offered by HDC

Sam Williams will begin a series of First Aid Classes September 25th at 7:00 p. m. in the Court-house Conference Room.

These classes are sponsored by the Home Demonstration Council in an effort to educate everyone in the County in First Aid Techniques.

The knowledge gained in these classes will be essential in the event of any disaster.

Mr. Williams is qualified as an instructor and has taught numerous classes in the County previously. The Home Demonstration Council encourages all club members and any other interested person to avail themselves of this opportunity.

The class will meet on Monday and Tuesday night of each week for approximately nine weeks. Each lesson will last two hours.

The only expense for this Training will be 75c to cover the cost of the First Aid Manuals which will be used.

Lions Defeat Longhorns, 22-6

Bronte Longhorns played a fine ball game in the second half at Ozona last Friday night and defeated the Lions 6-0. The only catch to it was that Ozona played a ball game the first half, defeating the Longhorns 22-0. Since regulations insist that it takes two halves to make a whole football game, when the two scores were combined, the Longhorns were on the short end of the stick, 22-6.

The Longhorns were severely handicapped because of injuries of Dee Arrott and Tommy Lee, but they got "organized" at halftime and came back to play the Lions a good game in spite of these weaknesses.

Tommy Boecking started the ball game with the kickoff. Carl Montgomery was the big gun in carrying the ball during the next 12 plays needed to cross the Longhorn goal line. A passing conversion play was no good, so the score was 6-0 in favor of the Lions before the ball game had been long underway.

Carl Montgomery kicked off for Ozona, but Bronte was offside and he kicked again from the 45. The Longhorns got a good drive to rolling with Charles Lee and Bud-

dy Walker doing most of the carrying. A pass from Lee to Eddie Spiller gave the Longhorns possession on Ozona's 35 with a first and 10. Things were looking pretty good, but the Longhorns drew a 15 yard penalty for holding, and on the next play fumbled the ball and Ozona recovered on the Longhorn 47 yard line.

The Lions couldn't go, so they punted to Olivás and four downs later Bronte had to return the punt. The ball came to rest on the Bronte 47 yard line. The next play saw Lion Halfback Brent Moore complete a pass and gallop all the way for a TD. Carl Montgomery's carry on the conversion try was good, and the score was 14-0.

After the kickoff the Longhorns were unable to move the ball the necessary 10 yards, so Lee punted to the Ozona 45. The Lions made good gains and had a first down on the Bronte 16, when the Longhorns tightened up and refused to let the Lions through. The big loss occurred when Leslie Brice got through and set Ozona back 10 yards. The first three plays of the series set the Lions up with a 4th down and 21 yards to go. Phil

lip Carnes' pass to End Hal Long was completed, but it didn't cover enough yardage for a first down. Bronte took over with a first and 10 on their own 10 yard line. In two carries Lee went out to the 25 for a first down. In the next four plays Walker made 7 and 3 and Lee made 3 and 10 for two first downs.

A back breaking 15 yard penalty for holding set the Longhorns in an unfavorable position and very few minutes remained before the half. Coach Bob Howard sent Arrott into the game to try to pull things out of the fire with a long pass. Arrott had a difficult time getting warmed up and his passes and downfield receivers couldn't make connection. A desperate fourth down try failed, so the ball went over to the Lions on the Bronte 33.

Ozona tried a pass but it failed, so C. Montgomery ran the ball 24 yards for a first and goal on the 9 yard line of the Longhorns. On the next play Pete Montgomery carried the ball over. The conversion pass was good, and Ozona wound up their half of the ball game, 22-0.

Continued on back page

Arrott has had an injured knee and has played hardly at all in the first two games of the season. Tommie Lee was also out most of last week's game.

The Santa Anna lads won their game last week with Rising Star, and are doped out as having a stronger club than last year when Bronte dropped them 42-6.

In other 6-B contests this Friday, Melvin will play at Robert Lee, Roscoe at Hermleigh, Roby at Rule, Jim Ned at Trent, and Coahoma at Loraine.

Last Week's Results

Trent fell to Baird, 26-8; Hermleigh downed Rule, 14-8; Roby stomped Aspermont, 26-0; Loraine whipped Sands, 20-8. Robert Lee was idle last week.

UNCLE HUIE from HOG CREEK says

Dear Mister Editor:

The fellers at the country store didn't git nothing solved Saturday night on account of one feller's preacher came by afore they got started good.

The parson allowed as how this was the night fer the regular monthly meeting of the Light Committee but they had to call it off on account of one lady got sick. He said she was named this year to pull the main switch and you couldn't have no meeting of the Light Committee with the main switch puller absent.

Anyhow, he said, he was glad to git the night off to rest up from the Choir Committee meeting they had Friday night. He claimed things was real rough Friday night. The choir director served notice she was going to quit if they didn't keep the flat voices out of the choir. It was voted to keep 'em out, but the Parson said they'd have to appoint another committee to figger out how to do it.

Then one lady got up and allowed as how they ought to have more solos. The Parson said she was sorter heavy set and sung the same way and done a powerful job of moving the congregation with her solos. He said one Sunday when she got through with her special everbody in the church clapped. By the way the meeting went, the Parson said, he was expecting a heap of solos by her from now on.

One member brought up the complaint that the choir loft was so hot in the summer that he couldn't sing good. The Parson said this feller couldn't carry a tune in a bucket and the rest of the choir had to sing real loud so the congregation couldn't hear him, even in winter time when he wasn't suffering from the heat. But, it was voted, the Parson said, to ask the congregation to appoint a air conditioning committee to look into the matter fer next summer.

The Parson said that personal he was agin putting any air-conditioning in the church, said he was having it hard enough making it hot fer sinners like it was. Anyhow, he claimed, they wasn't no vacant time left in the church fer the Air Conditioning Committee to meet unless they want to meet jointly with the Stove Committee and the Stove Com-

mittee was already overlapping into time allotted to the Fund Raising Committee.

All the fellers enjoyed having the Parson drop by on Saturday night. One feller invited him to set awhile longer but he said he had to git on home and work up a little sermon to go with the music Sunday morning, somepun that would go good with one of those solos.

Yours truly,
Uncle Huie

Knierim Writes Of Experiences On Indian Hunt

(Editor's note: Mr. and Mrs. C. L. Knierim recently received a letter from their son, George C. Knierim, who lives in India. The younger Knierim is employed by the U. S. government in helping teach the people of India better farming methods. We thought Enterprise readers would be interested in the excerpts we have printed below.)

We had one exciting hunting trip with Willis (a son). We went 170 miles to the jungle area. This forest had tiger, leopard, deer, wild boar, peacock, hyena, bison, and wild dogs. We had a great deal of excitement and were in on the killing of a large, wild boar. There were thirty natives armed with spears accompanied by about 25 dogs and you can imagine the excitement of chasing a wild boar through the sugar cane. One of the young Indians stopped a charge of the wild boar with his spear. It really took courage. Willis wounded the boar and the dogs cornered him. This animal weighed about 225 lbs. Poor Willis had hard luck with a deer. He knocked it down, ran over to cut its throat, and it jumped up and ran away. We saw tiger tracks and passed a village where one had killed a cow two days before. The Indian men felt we had very poor luck but it seemed wonderful to us. These Indians all use double barreled shotguns with slugs or buckshot. They are good

hunters. I hope to go again next month.

Work Progressing

My work is progressing nicely. Sometime this month it will be featured on a Voice of America, Worldwide broadcast. I'll try to find out when it will be broadcast over NBC in the United States.

My work is keeping me away from home more than half the time but Beulah (his wife) goes with me when she can. My demonstration plots of hybrid corn were very outstanding. It thrills me to see good crops. I hope India will continue to improve her farming. India could feed herself if people farmed as they should. Japan does so much better job

of farming. They even grow vegetables on the railway right of way.

Missionaries Busy

Our hearts were warmed last week. I went to see the work of some missionaries about 150 miles from here. It was a joy and an inspiration. I visited one village where the entire group of about 1,500 people were converted to Christianity at one time. They decided to make a public profession of faith as a group. This is a Dutch Reform Church Mission. I helped them with their irrigation layout. Beulah went with me and the Christian fellowship was a real joy. We met some good Indian missionaries too.

While I am discussing bulletins, a new one has been received entitled "Modern Pruning Methods." It is an excellent bulletin for the person desiring more information on pruning trees, shrubs and bushes.

Gaylon and Darrell Pitcock, sons of Mr. and Mrs. Teddy Pitcock, of Sanco, exhibited their herford heifers to sixth and eighth places in the junior herford show at the West Texas Fair. They also showed them in the open show, placing 13th and 14th in competition against the major registered breeders of the state.

Several Coke County 4-H boys records were judged in the District 7 awards program. Four of the six entered placed among the top three in the District. Bill Roach, son of Mr. and Mrs. W. T. Roach of Robert Lee, had the 1st place record in electricity. Bill's book was sent to the State contest to be judged in state wide competition.

The other records submitted were in the junior division for which awards are available on the district level only. Gaylon Pitcock placed first with his record in Agriculture. James Bird Pentecost, son of Mr. and Mrs. Nolan Pentecost, Sanco, entered his record in the beef awards program. He placed second in the District. Another first place was garnered by William Ray Hood, son of Mr. and Mrs. Jett Hood, Robert Lee, in Leadership.

JR. HI TIPS LORAIN

Bronte Jr. High football team defeated the Jr. High team of Loraine Tuesday night, 12-0.

Royce Lee was the big gun in the game, scoring both touchdowns. One came on an end run of 35 yards in the 1st period. The other was a sensational 80 yard punt return. Darwin Caswell took the punt, handed off to Lee who went all the way for the score. Another touchdown, on a pass from Lee to Tad Richards, was called back.

The local lads were on the Loraine one yard line when the final gun sounded.

Game This Afternoon

A B team game is set for Thursday afternoon at 4:30 with Roscoe. The game will be played in Roscoe. Fans are urged to attend Jr. High and B team games.

Larger V8 Engines and

Diesel Debut in '62 Chevrolet Trucks

Diesel power for the first time, addition of two higher powered V8's, and lower hood lines for better road visibility highlight Chevrolet's 1962 truck line. New to most of the 198 models are directional signals as standard equipment, single headlamps and longer life mufflers. New optional equipment includes alternating current generators, tinted glass and sliding rear cab window for better ventilation. Proved independent front suspension is retained with improvements.

New Chevy Trucks Now on Display

The new line of 1962 Chevrolet trucks are on display this week at Caperton Chevrolet Company in Bronte.

A total of 198 different models make up the new 1962 line of Chevy trucks, the largest number in the history of Chevrolet.

A new line for Chevrolet is the diesel powered models in medium and heavy duty trucks. Other new features include larger displacement engines, broader power team options across the line, lower hood lines for improved visibility, and extra heavy-duty optional front suspensions.

The public is invited to see the new models now on display.

Miss Linda Mayberry And Richard W. Crain Wed in Home Ceremony

The home of Mr. and Mrs. John R. Henderson was the scene of the wedding of their daughter, Miss Linda Lou Mayberry and Richard W. Crain, son of Mr. and Mrs. Cecil Crain of Blackwell. Foy L. Moore, Robert Lee Church of Christ minister, read the vows at 2:30 p. m. September 17.

Given in marriage by her father, the bride was dressed in a white lace street length dress with tiered skirt and waist length veil. She carried a bridal bouquet atop a white Bible and wore a string of pearls.

The bridesmaid, Miss Carolyn Presley of Fort Worth, wore a rose street length dress and carnation corsage. A. D. Schaffer of Blackwell served as best man.

Recorded wedding music was played and the living room was decorated with wedding bells surrounded by white candles and white gladioli.

Cousins of the groom served cake and Jerri Nell Griffin served punch at a reception following the wedding. The table was laid with a white cloth and candles were on each side of the center piece, which was composed of white gladioli displayed on a mirror.

When the couple left for a wedding trip to Fort Worth the bride wore a grey dress with bone accessories and carnation corsage.

Mrs. Crain, who attended Bron's School, is employed as a secretary in Fort Worth, where she will make her home. Mr. Crain attended Blackwell School and is serving in the U. S. Army. He will be stationed in Illinois.

Recent visitors in the Chester Harwell home were their son-in-law and daughter, Mr. and Mrs. David Dixon of San Antonio.

WORK AND GROW

When Rip Van Winkle took his sleep
He lost a lot for he missed a heap.
Some people now this present day,
Let the world go by the very same way.
They simply stop while the world goes by,
They don't catch up and wonder why.
Old Rip was slow and would not work,
And they, also, life's duties shirk.

MISS DELORES JO PROFFITT

**Miss Dolores Jo Proffitt
And Janson B. Pairish
To Wed October 14**

Mr. and Mrs. G. R. Proffitt of Ballinger are announcing the engagement and marriage of their daughter, Delores Jo, to Janson Boyce Pairish, son of Mr. and Mrs. J. B. Pairish of Bronte.

Plans are made for an October 14 wedding in the First Baptist Church in Ballinger.

The bride-elect, a graduate of Ballinger High School, is the granddaughter of Mr. and Mrs. Joe Beard of Ballinger, and the late Mr. and Mrs. Sam Proffitt, who lived in Anson. Her fiancé attended Bronte Schools for nine years and is a graduate of Garden City High School.

The couple will live in Bronte following the wedding.

Mrs. James Hartsell sustained a broken bone in a fall at the school Tuesday morning.

Have you been wondering about the greaseless fry pans?

If you are considering the purchase of one of these new pans, here are some facts you may want to know: The non-sticking feature is the result of a fluoro-carbon resin coating on the inside of the pan. The coating does not contaminate or change properties of

foods. The pans do not become discolored (supposedly) and since food does not stick to the pans, they are easier to clean.

Now the other side of the coin: Several U. S. fry pan manufacturers tried the idea of coating fry pans several years ago and discarded it as impractical. Now, because of interest shown in the pans on the market, most companies are coming out with non-stick coated pans. Manufacturers say there are many drawbacks to marketing the pans. All it takes to ruin the finish is to use a metal spatula or scour the pan with an abrasive — and how many homemakers are ready to throw away their spatulas or quit scouring their pans? In some instances when cooking temperatures exceeded 450 degrees, pans became discolored; in other instances, the non-stick coating was damaged.

Some manufacturers (and homemakers) have adopted a "wait and see" attitude.

Mr. and Mrs. H. A. Fitzhugh of San Antonio visited the F. S. Higginbothams Tuesday through Thursday of last week. They attended the West Texas State Fair in Abilene.

E. G. (Corky) Collins suffered a broken bone in his chest Saturday when a pressure cap hit him while he was at work. He is employed by Union Texas Natural Gasoline Corp. at Silver.

Highlights From State Capital

By Vern Sanford
Texas Press Association

Austin—Hurricane Carla had its impact on the State Capitol. But not like it did on the Coast.

Refugees camped on the Capitol grounds the first night of the storm. They were moved into public buildings as the rains reached Austin. Several giant trees on the Capitol grounds were blown down, and the Board of Control estimated damage of \$5,000 to Capitol grounds and buildings.

State officials were busy, too. Gov. Price Daniel's on the scene inspections led to several coastal counties being declared disaster areas. Thus they became eligible for Federal aid.

State Insurance Chairman Thomas Ferguson announced that several hundred insurance adjusters had moved into the coastal area to begin estimating damages to insured properties.

So far no one had any estimate of the total damage Carla did to Texas.

One sure thing is that insurance companies, which have taken in about \$15,000,000 in premiums this year for windstorm and rain damage in the seacoast territory, will have substantial losses to pay above their income from this source.

MORE SALES TAX RULINGS

LIONS DEFEAT —
Continued from page 1

Second Half

After receiving the kickoff, the Longhorns couldn't move and Lee punted. His punt was blocked, giving Ozona the ball on the Bronte 27. The Lions failed to make yardage and Bronte took over on their own 12. Lee and Walker made a first down but the Longhorns were forced to punt on the next series of downs. Ozona took the ball on their 29 and carried the ball up to the 38 where they completed a pass and fumbled the ball. Tony Montez recovered. A 16 yard run by Walker, 3 yards by Lee and a 15 yard penalty for a personal foul gave the Longhorns the opportunity they had been waiting for, a first and 10 on the Lion 10 yard line. Lee tried but couldn't go, and on the second down of the series Walker went over through the middle standing up. The conversion pass was good, but officials ruled that Rudy Olivas' was out of the end zone when he caught it.

Comptroller Robert S. Calvert is still issuing rulings on how the new state sales tax applies to specific sales situations.

He has changed his mind for the first time. It's on the subject of repairsmen.

New ruling declares that the repairman is the consumer of the tangible personal property which goes into a repair job, unless he has a contract under which he is to bill the customer separately for labor and parts or materials. In that case, he can collect the sales tax from the customer on the materials only. But if the repair contract is for a lump sum price, the repairman must pay the 2% sales tax on the supplies and materials at his cost.

These and other complications of the huge new tax law led to two proposals for changes.

The Bronte Enterprise

September 21, 1961

Boecking kicked and Ozona made a first down, but failed to make needed yardage on the second series. Bronte took the ball on the Longhorn 32. After picking up short yardage and taking a 5 yard penalty, Lee tossed a pass to Spiller which was good for a first down on the Lion 37. The Longhorns continued to gain steadily with Lee and Walker doing the running chores. The Longhorns had a first and 10 on Ozona's 12 yard line when a fumble gave the Lions the ball on their 14. They couldn't go, so on a punt play officials ruled that the ball touched

a Longhorn, and Ozona recovered. Three plays later the final whistle blew.

Coach Bob Howard said some of the apparent weaknesses in the Longhorn squad would be worked on this week.

Buddy Walker was the outstanding back in the Ozona game with 78 yards on 14 tries. Lee also made good yardage during the evening. Jack Corley played a heads up ball game all the way and along with Leslie Brice was a thorn in the flesh of the Lions all night. The Longhorns made 12 first downs to 11 for the Lions.
