Public School Week To Be Observed Here

Supt. C. B. Barbee has announced that next week, March 5, through 8 will be observed in the Bronte schools as Public School Week.

Among events to celebrate the week will be a Lions Club sponsored Ladies Night Tuesday, March 6, in the lunchroom. Teachers will be guests at the affair.

A special assembly will be held in the auditorium Thursday, March 8, at 1:40 p.m. The Junior High Band will furnish music for the program with the public being invited.

Superintendent Barbee stressed that classes would proceed under normal schedules and that parents and patrons of the school are cordially invited to visit the school at any time during the week and observe normal classroom procedures.

The week will end Thursday, as Friday is a school holiday with teachers attending a district conference of Texas State Teachers Association in San Angelo.

Boecking, Sims, Eubanks Named On District Teams

Three Bronte basketball players have been named to the District 94B all district team named Monday night in a meeting of the executive committee in San Angelo. Attending from Bronte were C. B. Barbee, district chairman and Coaches John Boyles and Joe Simpson.

The selection was made by votes from coaches, with no coach being allowed to vote on a member of his own team.

Following is the list of outstanding players named at the meeting:

BOYS

Tommy Boecking, Bronte, Senior; Billy Glass, Wall, Senior; David Wilson, Mertzon, Senior; Rudy Menchaca, Christoval Sophomore; Gerald Elliott, Miles, Senior.

GIRLS

Forwards — Dana Eubanks, Bronte, Senior; Vicki Dudley, Mertzon, Junior; Betty Tinkler, Robert Lee, Senior.

Guards—Johnnie Sims, Bronte, Annell Geragross, Wall, Senior; Senior; Martha Crabb, Mertzon, Junior.

AD-LIB-BEN

It's a shame that nobody is going to run for school board this year. The deadline is not far off and there are two vacancies to be filled. Why not volunteer to run for this office. A worthier cause to which you can devote some time would be hard to find.

Enough candidates have filed to fill the vacancies which will be coming up in the city election, but there's still time to file if you want to run for city councilman or mayor. We're sure that none of the men who have already announced would get their feelings hurt if somebody else came out.

We've heard in the last few days lots of ways to prevent young blooms on fruit trees from freezing. Some people put plastic bags over them; some spray the trees with water just before they go to bed; others spray them before the sun comes up in the morning; while still others wet them down good both the evening before and the morning after. The only thing wrong with these methods is that it got too cold Monday and Tuesday nights for anything to do any good.

Did you hear about the new toothpaste with food particles in it, for those who aren't able to eat between brushings.

Mrs. John R. Harris returned Monday from a five day visit with her daughter, Ann, who is going

Four Candidates File For City Council Jobs

One candidate has filed for each of the four prospective vacancies on the Bronte city council. Mayor J. A. Stephenson has filed and will stand for re-election. Another incumbent, Matthew Caperton, has filed for re-election to his position on the city council. Two

new candidates, Jim Pitts, and Clark Glenn, have filed for the other two council spots which will become vacant this spring.

The other two incumbents, Cecil Kemp and Joe McCutchen, are not running for re-election.

Deadline for more candidates to

file is Saturday, April 3. Names should be filed with Mrs. Helen Kirkland, city secretary.

No School Candidates

Judge W. W. Thetford reported Wednesday morning that no candidates have filed for trustee of Bronte Schools. Two vacancies on the school board will be filled in the election on April 7. Terms of Hurlin Lee and Edward Cumbie expire this year.

Candidates' names may be placed on the ballot by the candidate himself, or it may be placed by petition signed by at least five qualified voters of the school district. In either case the name must be filed with the county judge, however, necessary forms may be secured from Bronte school superintendent, C. B. Barbee.

Rev. R. W. Blackmon Resigns; Accepts Pastorate at Lamesa

R. W. BLACKMON

Rev. R. W. Blackmon has resigned his pastorate at the Kickapoo Baptist Church here after almost seven years in Bronte. His resignation, which was announced at church last Sunday morning, will be effective next Sunday night, March 4.

Blackmon has accepted the pastorate of the Sunset Baptist Church in Lamesa.

Blackmon came to the Kickapoo Church here in November of 1955, coming here from Seminole where he had pastored a church for two years. He has been in the ministry about 16 years.

His daughter, Bette, is a freshman at Jacksonville College, Jacksonville, Texas, and his other daughter, Sue, is a junior in Bronte High School. Mrs. Blackmon completed the Vocational Nurses Training course at Bronte Hospital and has been employed there.

The Blackmons will move to Lamesa in the near future.

Rev. Blackmon issued the following statement in announcing his resignation:

To our good friends in and around Bronte:

I am not announcing for some political office, but I would like to make the following announcement. I tendered my resignation to the Kickapoo Baptist Church, Sunday, February 25, to become effective Sunday night, March 4, at which time I will deliver my farewell message to the Church. I have been called to the Sunset Baptist Church in Lamesa, Texas, and will move on the field there at some later date.

We would like to take this means to thank every resident in Bronte for your wonderful friendship through the years of our stay here in your fine town. It is home to us and we never shall forget you. Ruby and I have reared our girls here and our minds will always turn in this direction wherever we may go.

I would also like to invite you to attend the services of the Church on the night of March 4, to hear me deliver my farewell message.

Thanks to all. I could name many who have been very good friends, but for fear that I would miss some, I will say, Thank you, and may God continue to bless every one of you.

Sincerely,
R. W. Blackmon

SCHOOL HOLIDAY

School will be dismissed next Friday, March 9, for a school holiday because the teachers will be in San Angelo attending a district conference of Texas State Teachers Assn.

Seniors Present Annual Play Friday Night

Bronte High Seniors will present the senior play, "Delightfully Young," in the auditorium Friday night, March 2. Curtain time is 7:30 p.m.

The class will sponsor a concession stand during intermission and a musical program will also be featured. Proceeds of the play will be used to help finance the senior trip scheduled for May to Rockaway Beach, Missouri.

The play is a three act comedy based on the advice column. It is being presented through special arrangements with Hener Publishing Company, Cedar Rapids, Iowa.

The cast of characters includes Dana Eubanks, Gwen Kirkland, Laura McGuire, Bobby Allen, Jack Corley, Eddie Glenn, Tommy Lee, Patsy Woods, Buddy Walker and Antonio Reyes. Other class members will serve as ticket salesmen and stage directors.

Tickets are priced at 35 cents for students and 75 cents for adults. An advance ticket sale is underway and tickets may be purchased at the door.

Two Wrecks Occur in Area

Two wrecks involving three cars have been reported to the Coke County Sheriff's department in the last two days.

A car driven by Donald Lesterman of Winters went out of control and turned over on the highway about one mile out on the Winters highway early Tuesday morning. Lesterman was uninjured, but the car, a 1950 model Buick was severely damaged.

Charges of speeding have been filed against Joe Carillo Sanchez, a construction employee working on the Kickapoo project north of Bronte. The 1954 Chevrolet pickup he was driving Wednesday morning went out of control and hit a guard rail on the river bridge south of Bronte. Sanchez left the scene and went to Bronte. At 1:30 a. m., a 1958 Chevrolet sedan driven by L. C. Huchingson of Rotan hit the wrecked pickup. Neither Huchingson nor Sanchez was injured. Coke County Sheriff's department investigated the accident.

Cold Weather Returns, Kills Tender Plants

Unwanted, but not unexpected cold weather has covered this area this week. After spring like temperatures the past couple of weeks, the sub-freezing readings on thermometers were a little hard to take.

Unseasonably warm weather during February caused fruit trees and other vegetation to bloom forth, but after a low of 22 degrees Monday night and lower readings Tuesday night, reported by some to have been 12 degrees, this area should again look like it usually does this time of year.

Fruit trees were out in full bloom and were believed killed by the freezes this week, and some optimistic gardeners had their small plants nipped by the cold.

Weather forecasters said Wednesday that more cold can be expected for the next few days. Another hard freeze was predicted for Thursday morning.

Spring Meet Dates Announced Here

Dates and places for the annual Interscholastic League spring meet competitions have been announced by school officials. They are:

Literary events, April 6, San Angelo College.
Track and field, April 7, Central High, San Angelo.

Mrs. V. B. Matthews of Abilene spent last week with Mr. and Mrs. R. E. Cumbie.

Hospital Passes Inspection by Assn. Official

Bronte Hospital passed a rigid inspection this week by an official of the American Hospital Association. The routine check was made by Dr. Ed Metz of San Francisco, Calif. W. D. "Pete" McDonald, administrator, said the hospital was reported by the inspector as being in "good shape."

Bronte Hospital has been a member in good standing of the American Hospital Association for approximately 10 years. Other organizations with which the hospital is affiliated include the American Medical Association, Texas Hospital Association, Texas Medical Association, Blue Cross and several regional and local organizations.

Band Boosters to Print Birthday Calendars

A community birthday calendar will be sponsored again this year by the local Band Boosters organization with the kickoff date as today, March 1. Listed on the calendar will be dates for birthdays, meetings of clubs and organizations, school activities, anniversaries and other dates of importance.

The calendar will run from September, 1962, until September, 1963. Spaces for dates on the calendar will be sold for 25 cents each and the calendars will cost 50 cents each. Advertisements on the calendar will be various prices, according to size.

The local band organization promoted a similar calendar year before last and considered the project highly successful. Proceeds go to the Longhorn band for needed equipment and supplies.

The school district has been divided into areas and workers assigned to different sections in an effort to contact everyone in this school district, relative to listing their birthdays, anniversaries, etc. Workers will begin work today with a deadline of April 1 to complete their canvass. Cooperation of school patrons is urged by the Booster group.

County Agents News Column

By STERLING LINDSEY

National 4-H Club Week, the week that has been set aside in tribute to 4-H Club members and their activities, is March 4-11. We sincerely hope you will recognize any club members you have contact with for the work he or she is doing. Not all their efforts, just as those of anyone else, are the successes that they had hoped it would be. But, their time and effort used in devotion to their responsibilities is making a better world for all of us.

Coke County has 106 boys enrolled in three clubs — one at Silver, Robert Lee and Bronte. Approximately 60% of these during the course of the year will carry out one or more projects. Many of them will also participate in judging contests, camp, awards programs, record keeping, stock shows and recreational meetings.

Their project work which you are most apt to be familiar with or associate them with, includes projects with sheep, cattle, swine, gardens, landscaping, wildlife conservation, electricity, rabbits, poultry and health and safety. This year the local groups fed out 26 steers and heifers, 85 lambs and breeding sheep, 20 market and breeding swine. Also, ten members have electric demonstra-

tions, five had gardens and three worked on improving their home grounds as their demonstratoins.

As we mentioned earlier, all of these may not for a number of reasons have been outstanding, but they did serve as a training device for the individuals and helped them to broaden their general knowledge. Our hats are off to them.

Now that the screwworm control program is underway, the Foundation has asked that all suspected cases of screw worms be analyzed to be certain of the kind of worm or maggot found. If you have an animal to come up with a case, please remove 10 of the maggots from the bottom of the wound, place them in water or alcohol, bring them to our office for shipment to the testing laboratory. If positive cases are found above the sterile fly buffer zone, planes will be dispatched to the area to seed it with sterile flies.

HESTER-SPURLOCK WEDDING READ IN ROBERT LEE

The wedding of Miss Wanda Spurlock to Don Hester was read Saturday, Feb. 17, in Robert Lee. Justice of the Peace R. P. Ross performed the ceremony.

The bride is the daughter of Mr. and Mrs. J. W. Spurlock and the bridegroom is the son of Mr. and Mrs. Joe Hester, all of Bronte.

For her wedding, the bride wore a blue linen sheath dress, fashioned with heavy lace and decorated with pearls.

Both Mr. and Mrs. Hester were senior students in Bronte high school. She was a majorette for the Longhorn Band and he was an outstanding member of the Longhorn football squad.

They are at home in Dallas where he is employed and also is attending school.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers where a Congressman from Georgia says the Government has got to spend another \$10 million this year to git rid of hog cholera. That's one item that won't have no trouble gitting through the Congress. Them same Congressmen that voted agin gitting rid of ignorance with Federal aid to education will vote solid to git rid of hog cholera. Long ago they took note of the political fact that more votes is in pigs than in education.

Speaking of education, I was reading a piece in a magazine where teachers in some cities is "gravely concerned over the rising hemline" among high school girls. I reckon this is ten-dollar talk meaning high school girls is exposing too much leg. The piece said it had got so serious in some parts of the country that 37 girls was suspended from one high school in New York. I ain't acquainted with these things well enough to pass a opinion on it. When I was a boy nobody ever spoke of girls having legs. They was referred to in a very low voice as limbs.

But I do know some changes in the attitude of wimmen in these matters has took place down through the years. I recollect when I was a boy, fer instant, that when a windstorm come up the wimmen folks would always grab fer their skirt. Now they always grab fer their hat.

I brung up this hemline item at the store Saturday and one of the fellers claimed hemlines has been rising now fer some time among young and old alike and the matter ain't worthy of much attention. He says about all this magazine piece proves is the that the high school girl is more interested in her frame than she is in her frame of mind and they ain't nothing wrong with that in these times. In fact, he allowed, it was right smart thinking. As long as a feller picks out his girl from looking at her hosiery instead of looking into her heart,

claims this feller, the frame is the thing.

But it could be, Mister Editor, that this buddy of mine is a little too broad minded on the subject of hemlines. He watches television a heap and some of them wimmen on television can git a feller confused about both hemlines and necklines. I would like to git a opinion from that school teacher that has been fussing about my spelling and grammer. It would be nice to git a letter with the spelling and grammer done real proper, even if her opinion was all wrong.

But gitting back to them Congressmen, I see by the papers where both the Democrats and Republicans in this new session of Congress is setting up committees to help the farmer. If I recollect right, ever Congress since George Washington has set up somepun to help the farmer. What they actual want to do is help him mark his ballot.

Mrs. E. F. Glenn Named President of Sorosis Club

Mrs. E. F. Glenn was elected new president of the Sorosis Study Club at their meeting Friday night in the home of Mrs. Royce Lee. Mrs. Roy Robinson was hostess for the meeting.

Other new officers elected were Mrs. Joe Rawlings, vice president; Mrs. W. D. McDonald, treasurer; Mrs. J. B. Morrow, secretary; Mrs. David Crockett, parliamentarian, and Mrs. Ben Oglesby, reporter. Officers are elected for two years and take office when club year ends in May.

Mrs. Royce Fancher was in charge of the program and spoke on the life and career of Mrs. Clare Booth Luce.

Cake, mints, coffee and cold drinks were served to two guests, Mmes. Don Furr and C. B. Barbee; and Mmes. Bill Clark, Edward Cumbie, Fancher, Clyde Lee, McDonald, Morrow, Oglesby, Rawlings, C. O. Richards, Crockett, Robinson and Lee.

PROVE YOUR PLAN

When old Columbus called on the queen,
He said "Isabella, you never have seen
A man who could prove the world is flat."
And the queen saw the point he was getting at,
So the ships and money for him she found,
And old Columbus proved the world was round.
The world would move in the same old groove
Were it not for those who things could prove.
THE FIRST NATIONAL BANK has regard for the man
Who, like Columbus, can prove his plan.

Price, spice and everything nice!

Who ever thought a car that saves like this could have so much sizzle? Chevrolet engineers, that's who! Liveliness and luxury for a low, low price were exactly what they had in mind to begin with. And they began from scratch with a whole carload of ingenious new ideas designed to give you more for your money. That spunky 6 with gas-sipping stinginess is just one example. Another: a new unitized Body by Fisher that's fit for a full-size family inside, easy to park

outside. Still another: tough but gentle one-piece Mono-Plate rear springs that outdo many a bigger car for quiet comfort. Any wonder Chevy II won Car Life magazine's 1962 Engineering Excellence award hands down? (The wonder would be if you settled for anything less—once you get your hands on one at your Chevrolet dealer's!)

The trip to Temple last week was a nice one. The 2 day meeting was devoted to Clothing. The high lights of the program were a style show and a talk on Fashion for 1962. Miss Louise Decker, C. H. D. A. from Runnels County accompanied me on the trip.

A 4-H Leader training meeting was held Monday in my office. The program included a discussion on The Role of a Subject Matter Leader; Method Demonstration and Contests; and 4-H Record Books. Leaders attending were Mmes. Joe McCutchen, Truman Parker, J. W. Service, Jr., and Bert Blaylock. These ladies are rendering a wonderful service to their communities by training the "young women of tomorrow" to be better homemakers. I continue my search for others willing to help with a small group of girls. Leaders unable to at-

tend this meeting may call by the office for the materials.

Anyone interested in a Lamb Promotion Program is invited to attend one in Coleman March 5 and 6. The program is as follows:

Monday, 2 p. m. — Lamb killing Demonstration, Roy Snyder; Discussion on Parasite Situation.

Tuesday, 2 p. m. — Lamb Cutting and Identification of Cuts, Roy Snyder; Lamb Cooking, Maona Cox.

If you think you might like to attend and want further information, call 453-3751.

Plans are still underway for 4-H Favorite Foods Show to be held in Bronte, March 10. Judging will begin at 1:30 p. m. The public is invited from 2:30 — 3:30 p. m. Put this on your calendar and do drop by. It is one way to show appreciation for the leaders and to encourage the girls. The place for the show will be announced in next weeks paper.

Mr. and Mrs. W. B. Lynch of Ralls visited in the home of their son-in-law and daughter, Mr. and Mrs. Dolan Mackey Tuesday and Wednesday. Their other daughter, Carolyn, returned home with them for a few days visit. She was released from Bronte Hospital Wednesday.

Firemen Meetings Have Big Turnout

For both February meetings, the local fire department had 14 or more persons present. Chief Bill Luckett expressed his appreciation for the good attendance and interest, but stated that more members are still needed. The department meets the second and fourth Thursday night of each month at 7 p. m. in the back of the old city hall.

At the regular meeting last Thursday, Luckett demonstrated a new Air Mask purchased by the fire department. The air mask is equipped with a small portable air tank that enables the wearer to enter smoke filled buildings that could not otherwise be entered. The air supply will last for thirty minutes under average smoke conditions.

When weather will permit, the members will divide into groups and flush all fire plugs in town and begin actual practice with the fire truck.

A 27 minute film "The First Five Minutes Count" has been ordered and will be shown at the next meeting. The public is invited to attend the meeting and see the film.

Mr. and Mrs. Edward Cumbie and Dawn spent the first part of the week in Dallas where he attended a farm bureau meeting.

Now you can buy money on the installment plan —and get paid for it

Just imagine buying a \$1,000 bundle of cash on the installment plan.

No money down. You get 3 3/4% interest on each installment which means your \$1,000 costs you only \$750. Sounds pretty good, doesn't it?

This is what happens when you buy U.S. Savings Bonds on the Payroll Savings Plan. To start, just tell the company where you work to deduct \$18.75 from your pay each month. In 40 months you'll have Bonds worth \$1,000 at maturity.

The Payroll Savings Plan is more than an easy way to save. It makes certain that money you want to keep doesn't slip through your fingers.

Why don't you start saving this sure and easy way, right away?

MORE ADVANTAGES TO THINK ABOUT

You now get 3 3/4% interest, at maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E Bonds now mature 14 months earlier—in just 7 years, 9 months.

You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.

You save more than money with
U.S. Savings Bonds

The U.S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council.

Your money is guaranteed by the U.S. Government. Bonds are an absolutely riskless investment. The Government promises you that the cash value of your Bonds will not drop—it can only grow.

Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace with every Bond you buy. Peace costs money—money for science, education, military strength. And the money you save helps keep our nation's economy strong.

Here's how you can reach your savings goal with U. S. Savings Bonds in just 7 years, 9 months.

If you want about	\$2,500	\$5,000	\$10,000
Each week save	\$5.45	\$10.85	\$21.70

Buy Them Where You Work or Bank

NOW every Savings Bond you own—old or new—earns 1/2% more than ever before.

Law Officers Meet in Angelo

First semi-annual meeting of the West Central Texas Law Enforcement Association met in San Angelo on Friday, Feb. 16. Speakers of the day were: T. D. Carroll of the Game & Fish Commission, on "Major Changes in Game Laws," and Lt. Hugh Shaw of Midland, on a subject of special interest to law enforcement officers, "Search Warrants."

The Association adjourned for a lunch furnished by Tucker Drilling Co. and Mustang Chevrolet Co. of San Angelo. Col. Homer Garrison Jr., Director of the Department of Public Safety, gave an interesting speech on the importance of all phases of law enforcement.

Closing talk was by Dr. P. D. O'Brian, retired Baptist minister of Big Spring, with the time subject of "Too Much Too Soon," in

reference to the youth of today. Door prizes donated by San Angelo merchants were given away during the day. Next meeting will be in October at Ballinger.

Deputy Mary Krall of Robert Lee, secretary of the group, extends an invitation to anyone wishing to attend these meetings.

MRS. QUINN ENTERTAINS DIVERSITY CLUB LADIES
