"Miss Vera" Selected For Teacher Contest

Mrs. Vera Thomas has been nominated for "Texas Teacher of the Year" by the Sorosis Study Club. A contest to make the selection is now underway, being sponsored by the Texas Federation of Women's Clubs.

Mrs. Thomas teaches the second grade in Bronte schools.

Mrs. E. F. Glenn, president of the Sorosis Club, said Mrs. Thomas was the unanimous choice of the group as their candidate for

the honor. In addition to her 38 years as a teacher, Mrs. Thomas is active in many community projects.

Purpose of the Texas Federation of Women's Clubs in sponsoring the contest is to encourage persons with suitable personality and training to enter the teaching profession and to recognize those teachers who have done an outstanding professional job and rendered outstanding service to their communities.

Besides teaching, another main interest of Mrs. Thomas is working in the Methodist Church. She is superintendent of and a teacher in the primary Sunday School department and also directs the junior choir. She is also a member of the official board and is presently serving as secretary of that body.

Mrs. Thomas is also an active member of the Eastern Star and the Diversity Study Club. In addition to her local work, she travels widely and furthers her teaching capabilities during summer vacations. One summer was spent working in the office of Congressman O. C. Fisher in Washington, D. C.

Mrs. Thomas was highly recommended for Texas Teacher of the year by members of other clubs, a number of local friends including Supt. C. B. Barbee and Rev. A. S. Neely and by Congressman Fisher.

The Sorosis Club submitted Mrs. Thomas' name for district judging on Feb. 1, and state judging was to have begun on Feb. 15.

BAND WINS FIRST IN SIGHT READING

Bronte High School's Band won first place in sight reading last Saturday at Sweetwater. The band and director, Bobby Bingham spent the day at the meet which was attended by about 1,000 area high school bandmen.

A trophy was presented the Longhorn Band.

SITE FOR TRACK FOUND

Site for a practice track for Bronte School has been secured on the Powell place east of town. The tract is slightly less than 10 acres and is east of the old city lake on the Ballinger highway.

Trustees thought they had secured a site for the tract in the west part of town, but the deal was never closed.

It is expected that the new track will be ready in a few days. Commissioner Howard Brock has indicated that he will help clean off and lay out the track with county equipment.

AD-LIB-BEN

Mrs. George Wrinkle brought in an old Bronte Enterprise this week of 1912 vintage. It's in pretty bad shape, but we could make out a good bit of it. Some of the items noted were:

McCallum-Wright Co. was having a big sale, and among many other bargains, one could buy a man's \$10.00 suit for \$5.00; \$12.50 overcoats were on special for \$6.00; men's fleece lined underwear, only 89c a suit; calico, 4 1/2 cents per yard; red table cloths, regularly 50c, were going for a quarter; and ladies \$12.50 cloaks were selling for \$6.00.

A front page story calls attention to a statement of the First State Bank in Bronte. It reads, in part: "It will do you good to read the bank statement in this paper and don't overlook the item of \$106,706.60 individual deposits. Ain't Coke County prosperous? Well, we should articulate! The bank is actually 'lousey with money.' The editor is beginning to feel like borrowing a few thousand and establishing a rabbit ranch."

It's little wonder we have such a food surplus in this country. Most everybody we know is on a diet.

Note to investors: A dividend is a certain percentage per annum, perhaps.

Cartoon showing a fellow thumbing through a big city telephone book, says: "When the roll is called up yonder it'll sure take a long time to get through the Smiths."

Mrs. Vera Thomas

Six Candidates Out for Trustee

Up to noon Wednesday names of six candidates had been filed for Bronte School trustee. Three vacancies are to be filled in an election to be held April 6.

County Judge W. W. Thetford said that the deadline for filing is today (Thursday) as the law sets the last day for filing 30 days before the election.

Names submitted to Judge Thetford's office since last week are James Wells, Horace Taylor and L. J. Sonenberg. Incumbents whose names had already been submitted for re-election are Joe Rawlings, Conda Richards and Bob Wilson.

Any qualified voter who resides in the school district may submit his name for trustee, or a petition bearing at least five names of qualified voters may request that a person's name be put on the ballot.

Two Candidates File For City Councilman

Only two candidates, the incumbents, filed before the deadline for a place on the ballot to be used in the April 2 city election. Royce Fancher and C. E. Bruton submitted their names for re-election as members of the city council.

Bruton is owner of the White Auto Store here. Fancher is a local rancher and is employed at Caperton Chevrolet.

Holdover members of the council include Mayor Norman R. Kiker and Councilmen Matthew Caperton, Cecil Kemp and Bill Luckett. Balloting will be held April 2 in the new city hall.

Coke Ranch Checks To Screw Worm Fund Total Over Twelve Thousand

It was to be announced Wednesday afternoon that the state-wide drive for three million dollars as the private contribution to the screw worm eradication program is nearing the three million goal which will insure state and Federal funds being made available.

It's going over, statewide, but with the need of all donations possible from those who have not paid, to complete it.

Coke County went over its goal when the committee, headed by J. O. Rudd, with Bill Allen treasurer, mailed in one check last week for \$3,474.15, and another for \$465.00 which came in later, with some more checks expected.

This brings the total from livestock men and others interested in this county over the original goal of \$11,783.00 for Coke

Fire Destroys Home of 12

Citizens of Bronte, Blackwell and the entire area this week have generously come to the assistance of two families who had all their belongings destroyed by fire last Friday morning.

The home of Mr. and Mrs. James Terry and children, Mr. and Mrs. Oran Powell and children and Mrs. Lenora Snyder was a complete loss when fire broke out about 10:30 March 1. No one was at home and the blaze was out of control before the fire was discovered. Bronte volunteer firemen answered the alarm, but the fire had destroyed the structure before they arrived. The house was located about three miles west of the highway and about 10 miles north of Bronte.

Members of the local fire department have spearheaded a drive to obtain household items and clothing for the five adults and seven children who lived in the destroyed house.

Bill Thomas said Tuesday that some items are still needed, but "we have these folks pretty well fixed up." He said items still needed by the families include a dresser, chest of drawers, coat hangers, sauce pans and pillows.

Cecil Coalson and C. E. Bruton went around Bronte Friday afternoon taking cash donations for the fire victims. They collected more

than \$200. In addition to the cash donations, a large amount of clothing and household furniture has been given.

The Terry family has moved into a house on the Clark Glenn place between Bronte and Tennyson, and the Powells and Mrs. Snyder have moved into a house on Walter Moore's place north of Bronte.

Anyone who has a cash gift for the families is asked to turn it in to Mrs. Helen Kirkland at the city hall, while clothing and other gifts may be left at the building formerly used as the city office, next door to Bob Wilson's Barber Shop. If it is locked, donors may see Buddy Reed at West Texas Utilities office.

Firemen Campaign For More Members

Bronte's Volunteer Firemen put on a special "inviting" campaign before their meeting last Thursday night and gained ten new members. About 30 men were present for the meeting.

Cecil Coalson, president, was in charge of the meeting. Buddy Reed talked to the group on the necessity of Bronte's having a larger and more active department. He said that if enough members with enough interest could be mustered, the gain to local residents in lower insurance rates would be tremendous.

"We've got a new fire truck and it's a fine piece of equipment," Reed said, "but so far as the insurance rate people in Austin are concerned, we don't have anybody here to operate it."

In order for a volunteer fire department to be recognized by the state, it must have a minimum of 20 members; it must meet for drills twice a month with at least 17 members present for each meeting. At least five of the members must be able to operate all equipment. Regular reports must be filled out and forwarded to the state. Certain equipment requirements must be met also.

Reed said that Bronte residents pay a 30 cent penalty on their fire insurance because the fire department is not recognized. Reed added that the local organization has from six to 11 members at each meeting, which, he said, is a long way from the required 17. The department had 24 members on its roster before the meeting last week.

All the members invited and urged visitors present to sign up for membership and to attend meetings regularly, so as to get the department recognized and thereby reduce insurance rates.

Following the business session, refreshments of coffee and cookies were served, and then, those present went into the part of the city hall where the fire trucks are housed for some instruction and demonstrations on use of the equipment.

Coalson said that any man in the community who is interested in joining the fire department will be more than welcome. Older men, or others who may not be physically able to handle all the equipment are also urged to join, he said. "They can learn how the trucks operate and show somebody else if the need ever arises."

Girls Lose Out in Bi-District Game

Bronte High school girls district champion basketball team completed its successful 1963 season Tuesday night with a 59-47 loss to a smooth running team from Forsan. The bi-district game was played at Colorado City.

The win advanced the Forsan girls to the regional playoffs which will be held this weekend in Odessa.

In spite of hard work by guards Johnnie Sims, LaJan Kiker, Jessie Renshaw and Mary Corley, the Forsan girls were hitting the basket regularly Tuesday night.

Marla Rees was high pointer for the local lassies, scoring 21 points. Jan Wilkins took second honors with 17 and Peggy Corley made 9. Joe Simpson is coach of the girls team.

Texas 4-H Club Members to Observe National 4-H Week
Some 100,000 Texas and 175 Coke County Club members will join 4-Hers in the United States in observing National 4-H Club Week—March 2-9.

Theme of the week will be, "4-H: Young Citizens in Action." During the week clubs will emphasize career exploration, influence more young people to join or to form 4-H clubs, acquaint more parents with 4-H and encourage capable, youth-minded men and women to become volunteer local leaders. They will also honor 4-H friends locally and nationally and express appreciation to them for the important part they play in the movement. There are no special observances planned for Coke County this week.

Special Events

National 4-H Week — March 2-9.
Upholstery Pre-Meeting — 9 a.m., March 8, Bronte School.
Favorite Food Show — March 16, 1 p.m.
"Launderama" — March 21, 9:30 a.m. and 1 p.m.
"Career Day" — March 28.
Upholstery Workshop — March 25, 26, 27.

A couple or two couples of Non-Club people may still enroll in the Upholstery Workshop I have scheduled. If anyone is interested, please call me as the first meeting is Friday, March 8, at 9 a.m. in the Bronte School. Two people are to work on one simple chair. I do hope we have a class full as this training will not be repeated for a number of years. Miss Ollie Chenoweth of Ballinger is to assist in the workshop. She is very good with upholstery. If you miss this school, you will miss a good one.

People have been asking questions about ways to kill bacteria on clothing and linens. I will pass on some information on this subject to you. I hope you will make plans to attend the Laundry Clinic on March 21 at Bronte. This and a number of other good things will be discussed and shown there.

It is generally assumed that laundering is an effective way to

kill bacteria on household textiles, but this may not be true because of recent changes in home laundering.

Among major changes in home laundry methods are a shorter wash cycle than formerly, the use of "warm" as well as "hot" settings, with the hot setting often only 120 to 130 degrees F., which is too low to kill bacteria, and the increased use of public facilities.

Schedule

Wednesday, March 6 — Mrs. R. L. Page.
Thursday, March 7 — Office and 4-H.
Friday, March 8 — Bronte Pre-Meeting Upholstery Workshop.
Monday, March 11 — Office and Program Committee, 7:30.
Tuesday, March 12 — H. D. Council, 2 p.m.; Standing Rules Committee, 1:15.

Civil Defense Studied By Bronte HD Club

A program on Civil Defense was given by Mrs. Floyd Crunk and Mrs. C. E. Arrott at the recent meeting of the Bronte H. D. Club. The roll call was answered with "What would you do in case of a fall-out?"

The club met in the home of Mrs. Crunk on Wednesday, Feb. 20. The president, Mrs. Truman Parker, presided. Mrs. Arrott gave the council report.

Mrs. J. C. Boatright brought the floating prize which was won by Mrs. Herbert Holland. Sunshine gifts were exchanged.

A refreshment plate was served to Mes. Arrott, Boatright, Taylor Emerson, Holland, O. R. McQueen, Parker, Ronald Walton and the hostess.

Next meeting will be March 6 in the home of Mrs. Emerson.

Gardening Theme of Diversity Club Meeting

Mrs. Collins Sayner spoke on "New Dimensions in Gardening" when the Diversity Club met Feb. 18 in the home of Mrs. R. C. Lasswell. Mrs. Delbert Walling was hostess.

Mrs. Walling led the roll call on "New Ideas in Gardening."

A refreshment plate was served to Mes. Cecil Kemp, O. R. McQueen, J. E. Quinn, Wade Rees, Sayner, T. F. Sims, Jr., Otis Smith, George Thomas, Lasswell and Walling.

METHODISTS SPONSOR SERIES ON COMMUNISM

The Southwest Texas Conference of the Methodist Church is sponsoring three lectures in five selected towns this month on "Christianity Confronts Communism." One of the cities in which the lectures will be given is San Angelo.

Outstanding speakers have been secured for the meetings. Charles D. Brennan, special agent of the FBI, will speak March 8. Dr. Douglas E. Jackson, professor of sociology of religion at SMU, will speak March 15. The third lecturer is Dr. Franklin H. Littell, professor of church history at the University of Chicago, on March 22.

All the meetings will be at San Angelo's First Methodist Church and will begin at 7:30 p.m. The public is invited.

Mr. and Mrs. Floyd Modgling visited last weekend with their daughter, Mrs. Charles Oliphant, and family in Hobbs, N. M. Mr. Oliphant, who returned in January from an overseas job, has gone to work in Hobbs for the Western Company.

Farm Bureau Directors Have Meeting

Regular monthly meeting of the Coke County Farm Bureau was held Tuesday night at the office in Robert Lee with nine officers and directors present.

A streamlined system of classifying members according to their principal farm commodity, wheat farmers, sheep ranchers, cattle ranchers, cotton farmers, etc., was discussed. This is being instituted on the state level to better enable the state office to choose representatives for the various commodity meetings which are held as a part of Farm Bureau policy development.

It was voted to hold the quarterly meeting for Directors and their wives on April 2 at Bronte.

A queens contest will be held in the county with the winner to compete in the district meet to be held in late August or early September. It will be open to daughters or sisters of Farm Bureau members, between the ages of 16 and 22. Contestants must be unmarried.

Farm Bureau is a membership controlled organization, primarily

designed to safeguard and promote agricultural interests on the local level, in Austin, and in Washington. One of the benefits Farm Bureau membership offers a farmer is full time representation in the Texas Legislature and national Congress. Three out of four organized farmers and ranchers in the nation belong to Farm Bureau. Every member is given the opportunity to participate in the development of organizational policy.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

The fellers at the store Saturday night was setting around adding up their blessings and subtracting their burdens and I'll have to report they come out about even.

On the blessings side, one of my sidekicks was giving thanks for the fact that his old lady ain't offered him no advice about nothing in a whole week. He reported he was gitting fed up on his old lady trying to give him advice all the time. He allowed as how a feller that could tell the difference between good and bad advice didn't need neither one, and if he couldn't tell the difference, the advice wouldn't do him no good nohow. Confidentially, I think, his old lady has been advising him to do a little work around the place for a change.

And one feller reported he had seen in the papers where a Illinois agriculture expert named George E. Smith has announced official that he has been able to git bumper corn crops by bombing corn fields with music

sounds. He claims he has increased corn yields from six to ten per cent with music.

In the first place, the boys at the store said, we got too much corn surplus now and using this music fertilizer was working agin the farm problem. They was of the opinion the Government should start right now barring any farmer from gitting a hand-out that was growing corn to music.

One guy from down close to the river figgered that corn growed to music would make fine popcorn and that any growers that was using this new music fertilizer could git the difference between the regular price and the Government handout price by gitting into the popcorn business.

Somebody else told us he couldn't figger which was worse, using this new music fertilizer or the non-exist fertilizer invented by Billy Sol Estes. This brung up a discussion about whether or not they was ever going to be able to git Billy Sol behind bars. My friend who didn't want no advice from his wife got with it again. He said if they put Billy Sol in jail he'd write a book. He allowed as how it was a dangerous thing to put a feller in jail that could read and write. He started out with Alger Hiss and named a long list of guys that has got famous from writing a book in jail. Says throwing some of them smart operators in jail fer a spell is just like throwing a rabbit in a briar patch. They love it, and come out on the best seller list.

I pritty much agree, Mister Editor, that if they is any chance Billy Sol will write a book, it would be better fer the Government to let him stay in the non-exist fertilizer business. And, by the way, I'm solid agin any Government aid to farmers growing corn to music. It's enough to drink corn to music.

Yours truly,
 Uncle Huie

HIS is the Center of the Southwest.

The Center of the Southwest is our service area.

It is called the Center of the Southwest because it is in the very heart of one of the Nation's fastest growing regions.

For many months we have been engaged in an extensive expansion program throughout our service area, enlarging both generating capacity and distribution facilities.

It is a far-sighted, long-range program based on one simple fact. We are convinced that the Center of the Southwest faces GROWTH UNLIMITED.

Current conditions confirm the belief. Population is increasing, more businesses are moving in, new industry is coming our way, natural resources are being developed, bank deposits, spendable income and business construction all are on the way up.

That is why we are investing millions to meet the present growth of the Center of the Southwest, and to be prepared for its continued development in the months and years ahead.

SUPER SPORTS—that's the only name for them! Four entirely different kinds of cars to choose from, including bucket-seat convertibles and coupes. And most every one can be matched with such sports-car type features* as 4-speed stick or Powerglide transmission, Positraction, tachometer, high performance engines, you name it. ■ If you want your spice plus the luxuries of a full-sized family car, try the Chevrolet Impala SS. It's one of the smoothest road runners that ever teamed up with a pair of bucket

seats. It even offers a new Comfortilt steering wheel* that positions right where you want it. ■ The new Chevy II Nova SS has its own brand of excitement. Likewise the turbo-supercharged rear-engine Corvair Monza Spyder and the all-new Corvette Sting Rays. Just decide how sporty you want to get, then pick your equipment and power—up to 425 hp in the Chevrolet SS, including the popular Turbo-Fire 409* with 340 hp for smooth, responsive handling in city traffic. *optional at extra cost

Council Names Poundmaster and Through Streets

In a meeting last Thursday night the Bronte city council named a poundmaster, amended the city's stock ordinance of 1923, and designated some through streets.

B. E. Modgling was named poundmaster and the council indicated that the stock ordinance, which was passed in 1923, prohibiting livestock from running loose, will be enforced. The old city law called for the payment of \$1.00 penalty and 50 cents a day for feed when the owner claims the stock which has been picked up. These figures were amended to read \$2.00 and \$1.00 respectively.

On the matter of through streets, the council decided that five streets shall be through streets, except for the intersections given below:

Oliver Road, from State St. (U. S. 277) to the park.

Washington St. except where it crosses Holmes and Main.

Holmes street except where it crosses State and W. Railroad.

West Railroad, except where it crosses Main Street.

East Railroad, except where it crosses Main Street and Holmes.

Mayor Norman R. Kiker said he believes designation of these through streets will aid traffic to move through the city. He emphasized that all streets in Bronte yield the right of way to State Street (Highway 277) and Main Street (Highway 158). Kiker said he has had some indication that Bronte Lions Club is considering erecting stop signs at appropriate intersections to assist vehicle drivers in obeying street regulations.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Blackwell City Election

Mayor Austin Jordan of Blackwell has announced that he will not be a candidate for re-election in the April election. He has served six years. W. O. Tucker, who is going out of office as an alderman, has announced that he will be a candidate to succeed Jordan.

Joe Gene Conradt will run for the office vacated by Tucker.

Earl Cook, whose office also expires this year, will be a candidate for re-election. None of the trio is opposed.

Mrs. Henry Raney of Blackwell has been appointed as a member of the City-County Library in Sweetwater to succeed Mrs. Therrill Burwick of Blackwell.

Mrs. Desmond Ragsdale is the new manager of the Village Cafe. She took over March 1 and plans to stay open later at night than formerly.

About 120 guests registered at the school open house Monday night. The Homemaking girls and Mrs. J. T. Dyess served coffee, punch and cookies from a lace covered table. Centerpiece for the table was a wooden shoe filled with tulips. The wooden shoe is a souvenir of Holland.

Mr. and Mrs. Joe Joiner and children of Ft. Worth spent the weekend with her parents, Mr. and Mrs. Kelly Richards.

Mr. and Mrs. S. M. Evans is visiting her daughter and family, Mr. and Mrs. Walter Phillips and children in Jackson, Miss.

Mrs. Horace Ratliff of Yuma, Ariz. has been visiting her father, J. W. Leach, who has been ill in the Simmons Memorial hospital in Sweetwater, and her brother, Walter Leach, and family in Sweetwater.

Mr. and Mrs. Sonny Watts, Mrs. Sallie Watts and Mrs. Ed Kinard attended the funeral for Mrs. Sally Watts' sister-in-law, Mrs. Ernest Watts in De Leon Friday.

First Baptist Church Observing Mission Week

First Baptist Church members are observing Home Mission Week of Prayer this week. Special meetings of the W.M.S. are being held each morning through Friday in connection with the observance.

The Rev. and Mrs. Lester Vinson, missionaries to migrants of Texas and Oklahoma, will be present for Sunday morning and evening services, and their program will emphasize home missions. Mr. Vinson is a former pastor of the local church.

"If My People...Pray" is the theme of the week long program. Mrs. A. Z. Denman said Wednesday that all local persons are invited to participate in the remaining programs, and a special invitation is extended to everyone to hear Rev. Vinson Sunday.

Large Crowd On Hand for School Program

A large crowd of Masons and Lions and their wives, along with special guests, was present for a banquet Monday night in the Bronte School lunchroom. The annual affair, sponsored jointly by the Bronte Masonic Lodge and Lions Club, was held in observance of Public School Week.

Jack Denman of Silver, District Deputy Grand Master of the Masonic Lodge for this area, was principal speaker for the occasion.

Leonard Fletcher, who was in charge of arrangements for the Masons, said that a total of 89 persons were served at the banquet, while another 22 came to hear the Junior High Band entertain following the dinner.

Denman, in his talk, deplored modern day cynicism, and urged a return to the solid qualities of Americans which made this country great. He said such virtues as loyalty, patriotism, hard work, etc., are what every community and the entire country need in this modern age.

Lions Club President A. S. Neely served as master of ceremonies and gave the invocation. He introduced Supt. C. B. Barbee, who in turn introduced teachers in the local school system, who were special guests. He also introduced Denman.

Following Denman's speech the group moved into the auditorium where the Junior Band played four numbers, under direction of Bobby Bingham. Ida Lee Parker, member of the high school debate team, gave a short talk on the value of debating. She also brought out some of the arguments being used on this year's subject, which concerns the establishment of a common market in the western hemisphere.

Barbee invited everyone in the area to visit school this week, and observe the normal teaching routine which are in use every day of the school year.

FORMER RESIDENT DIES

Funeral rites were held Wednesday in Winters for Mack W. Whigham, 61, an uncle of Mrs. Roy Robinson of Bronte. Burial was in Wingate cemetery. Mr. Whigham died Saturday in Houston following heart surgery. He had lived at Cotulla the past 25 years. He was a former resident of Wingate and also lived in Bronte about 40 years ago when he worked as a bookkeeper for the late Bob Knierim.

During disasters, such as hurricanes and floods, millions of dollars in cash have been lost forever. Family assets in the form of Savings Bonds, however, are always protected since the Treasury replaces lost bonds without charge.

Mr. Magness died Wednesday at Simmons Memorial Hospital in Sweetwater after a several weeks illness.

He was a farmer and rancher, a member of Hylton Baptist Church and a Mason. He was born in Limestone County Dec. 17, 1886.

He is survived by his wife; a daughter, Mrs. A. T. Johnson of Abilene; two sons, Jessie Magness of Odessa and Billy Magness of Bronte; a step-son, J. V. Hicks of Dublin; seven grandchildren; two great-grandchildren and three sisters.

Bronte Tracksters Take Third Place In Snyder Relays

Bronte's track team took third place in the Class B division of the Canyon Reef Relays held last Saturday at Snyder. Two first places were taken by the local cindermen, both of which broke the meet's former record.

Royce Lee won first place and broke the record in broad jump with a 19 ft. 10 1/2 inches leap, and the 440 yard relay team, composed of Roy Stout, Royce Lee, Tommy Glenn Sims and Barry Curlee, won first place and broke the record with a 46 seconds time.

Barry Curlee took second place in the 220 yard dash and Edwin McDaniel was fourth in the same event. In the 100 yard dash, Stout was second and Ronnie Lee was fourth, to add to Bronte total points.

A second place was taken by the mile relay team composed of McDaniel, Lee Ray Revell, Royce Lee and Sims. Local lads amassed a total of 38 points. Hermleigh was first with 52* and Gail was second with 41.
