GOING TO STATE — The boys shown above will go to Austin May 2 and will compete in the state Interscholastic League meet during the weekend. Front row, left to right, are Edwin McDaniel, Ronnie Lee, Glenn Sims, Barry Curlee and Roy Stout. Seated in back are Coach

Curlee, Jim Morrow, Royce Lee, and Jerry Roach. All the boys shown here in their track suits, with the exception of Morrow are on the 440 yard relay team. Morrow will compete in the high jump event. Coach Curlee and Manager Roach will accompany the contestants to Austin.

3 Wins Send 8 to State Meet May 2-4 in Austin

Bronte students took one first place and two second places last weekend at the regional meet in Odessa to qualify the slide rule contestant, the 440 yard relay team and the high jumper to compete in the state contest at Austin May 2, 3, and 4.

Charles Coppock was the only first place winner from Bronte,

taking first in slide rule competition. He was also the only contestant to qualify for state in a literary event.

Local Boy Scouts In Angelo Circus

Five Bronte Boy Scouts participated in the gigantic Scout circus held last Saturday night in San Angelo's coliseum. Thousands of boys took part in the affair and it was attended by more thousands of spectators.

The circus is intended to demonstrate the many ways in which scouting trains boys who are in the program. This year the circus was dedicated to the late Edwin S. Mayer, a long time leader in scouting activities in the Concho Valley Council.

Bronte boys entered the chariot races. "Horses" pulling the chariot were Bob Bell, Bob Wells, Brian Richards and Edward Broussard. Driver of the vehicle was Tim Moore.

The boys did most of the work involved in building their chariot and had it brightly decorated. They also wore costumes to fit the occasion.

Conda Richards and D. K. Glenn are scoutmasters for the local troop. Richards said more boys are needed in the troop, and that all boys within the eligible age limits will be welcomed. The scouts meet each Monday night at the Methodist Church.

ASSEMBLY THURSDAY

A school assembly will be held Thursday at 1:40 p.m. Supt. C. B. Barbee said the purpose of the meeting is to recognize Bronte School students who achieved honors in the recent Interscholastic League contests.

Members of the student council and cheer leaders for the 1963-64 school term will also be elected at the meeting.

DEBATE CHAMP — Stephen Claffey of Indianapolis, Ind. and a grandson of Mr. and Mrs. I. M. Cumbie of Bronte, recently won the debate championship in Indiana. This will entitle him to participate in national contests in June at Houston. See story page 7.

SLIDE RULE EXPERT — Charles Coppock won first place in the regional meet last Saturday at Odessa in the slide rule contest. Charles is the son of Mr. and Mrs. E. L. Coppock. Standing behind him is Clint Low, science and math teacher, who coached him in use of the slide rule. Charles will compete in the State contest at Austin the first weekend in May

Band Going to Angelo Contest

Bronte High School Band will go to San Angelo Saturday when they will enter an Interscholastic League concert sight reading contest. The contest will be held in the Sarah Bernhardt Auditorium at Central High School.

Band members will leave here at 12 noon and will return about 6 p.m. Bobby Bingham, band director, will be in charge of the trip.

Drivers Education May Be Offered

Supt. C. B. Barbee announced this week that plans are being made to offer a course this summer in driver education. If all plans work out, Clint Low will teach the course.

Approval will have to be secured from the Texas Education Agency before the course can be taught, Barbee said. A dual control automobile will be furnished by Caperton Chevrolet Co. for use of students, he added.

The course will be offered from June 17 through July 26. Classes will be held Monday through Friday, 8 to 11 a.m. The course requires 30 hours of classroom instruction, six hours of observation in a car, and six hours on instruction while actually driving.

Cost of the course will be \$25.00 payable at time of enrollment. Students taking the course must be at least 14 years old, and priority will be given older students, in case more than the maximum of 15 wish to take the course.

Supt. Barbee said that one-half credit will be given to those who successfully complete the course. However, the credit may not be counted toward fulfilling graduation requirements in Bronte High School.

Jim Morrow won a second place in the high jump contest. The 440 yard relay team, composed last weekend of Roy Stout, Glenn Sims, Ronnie Lee and Edwin McDaniel, also took second place honors. Reserves for the team who will make the trip to Austin will include Royce Lee and Barry Curlee.

Also making the trip to Austin will be Coach N. M. Curlee and Jerry Roach, manager of the track team, and Clint Low, Coppock's slide rule coach.

Kathy Terry and Jimmy Wells both won third place in extemporaneous speaking at the regional meet and Johnnie Sims took fourth in poetry interpretation.

Bronte and Miles tied for fourth place in the regional athletic meet with 29 points each.

Robert Lee qualified two athletes to go to state, Don Ellis taking first in the 880 yard run, and Derwood Coalson winning a top spot in the 180 yard low hurdles.

Blackwell Rites For Mrs. Raney, Area Resident

By Mrs. Charles Ragsdale

Funeral services for Mrs. J. W. Raney, 88, were held Wednesday morning at 10:30 at the Blackwell Methodist Church. The Rev. Jesse Dea, pastor, the Rev. Jerrell Sharp of Knox City and Dr. John English of Childress officiated. Mrs. Raney had been a resident of Nolan County for 57 years. She died in the Bronte Hospital Monday, April 22, at 12:30 p.m. after a long illness.

She was born Feb. 20, 1875 in Coryell County and was married to J. W. Raney there Dec. 3, 1893. He died in 1948.

She was a charter member of the Blackwell Methodist church and the Order of Easter Star at Blackwell.

Survivors include two sons, J. O. Raney of Abilene, Henry C. Raney of Blackwell; three daughters, Mrs. W. A. Hazlewood Sr., of Sweetwater, Mrs. C. W. Odom of Killeen and Mrs. Phillip R. Gray of Fort Worth; five grandchildren and six great-grandchildren.

Pallbearers were Rob English, Cecil Smith, Roy Sanderson, Earl Cook, Lewis Sweet, Harry Horn and John C. Odom.

Burial was in Blackwell cemetery under direction of Wells Funeral Home of Roscoe.

DON ANDREWS OKAY

Don Andrews is reported to be "getting along fine" after almost being electrocuted last Wednesday. The accident occurred near San Angelo where he was working on pole line construction.

Andrews took a charge of 7200 volts and fell about 30 feet to ground. He was dismissed from a San Angelo hospital Saturday and is now at home recovering from his injuries.

TESTS GIVEN

Students of the Bronte School were given California Achievement Tests Tuesday, Supt. C. B. Barbee announced. He said results of the test will be available to interested parents on May 7.

15 Blocks of Paving Completed in Bronte

Work has been completed on paving 15 blocks in new additions of Bronte. The new streets were constructed in the additions in the south and east parts of town, where more than 20 new homes have been built in the past few

years. A program of seal coating the older streets in Bronte has also been underway, but is not complete. Commissioner Howard Brock said that between 40 and 50 blocks will be given a new surface. All the streets west of Highway 277 will be treated during the current work.

The paving project was a joint undertaking between precinct 2 and the city. Commissioner Brock and his road crew did much of the preliminary work in getting the streets ready to pave, and E. W. Wilson Construction Co. of San Angelo did the topping. The city furnished \$800 worth of asphalt.

Completion of the 15 blocks gives Bronte 140 blocks of hard surfaced streets, making it one of the "most paved" small cities in the state.

Cancer Crusaders Collecting Money

Workers have been busy this week seeking contributions for the annual Cancer Crusade. The drive in the east part of the county started last Wednesday when an organizational meeting was held.

Mrs. Conda O. Richards is chairman for the east side drive, while Mrs. J. O. Rudd of Robert Lee is county chairman.

Mrs. Ralph Richards is in charge of canvassing the Fort Chadbourne area, and Mrs. Oscar Shurley has agreed to work the Bronte residential area. J. B. Mackey and Leonard Fletcher accepted donations the first of this week from business houses of the city. Other volunteer workers will help in canvassing the city.

"We all want to do our part toward wiping out cancer," Mrs. Richards said, "and the best way for you to help is to contribute liberally to the Cancer Crusade. Research men seeking a cure for cancer are financed through your donations, so please give when a worker calls on you."

HAS NEW PAINT JOB

L. L. Webb's Chevron Station on Highway 277 received a new coat of paint this week. The exterior of the building was painted white and red.

AD-LIB-BEN

Did you see the mayor's picture in the evening San Angelo Standard Times last Friday. There it was right on the front page. Mayor Kiker and four other Bronte men were in San Angelo to attend a meeting designed to help small towns stay alive and grow. They say some good ideas were aired—some that we would do well to follow.

Notice the set of horns the boys in the track picture are holding? The horns were presented to the 1963 Longhorn track team by Thompson's Surplus store of Brownwood. They are really long horns and measure better than 6 feet from tip to tip. Coach Curlee said they plan to mount them on a bronze plaque of some kind and display them in the vicinity of the school gymnasium. An appropriate gift, we'd say.

Saw a cartoon the other day pointing out that when we get all the federal aid to education set up that a lot of people want, Reading, 'Riting' and 'Rithmetic will have a fourth "R" added. It will be Regulation.

Will Power: The ability to take one grain of popcorn or one peanut out of a sackful and eat it.

More than 64 per cent of the world's great achievements have been accomplished by persons over the age of 60. This startling fact makes early retirement costly.

What this country needs is someone who knows what this country needs.

If they take praying out of schools, some kids are going to have a heckuva time getting through.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I'm real much obliged to that subscriber fer sending in the letter to you about the fellers at the store trying to trim our Senators and House members to half what we got now. He makes a good point when he says the Constitution calls fer two Senators. He has also got a good point when he says they ain't nobody allowed to mess with the United States Constitution but Jack, Bobby and Earl Warren. And he has got a extra good point when he warns that if we mess with the matter we're liable to have the FBI gitting us out of bed at 3 in the morning fer questioning. But all the fellers was agreed they was willing to take a chanet on all three items if we could git the Senators cut down from two to one.

And this subscriber's idea to reduce the 50 states down to about 12 is the most forward thinking I have seen since Harry built that front porch onto the White House. Gitting rid of the graft in 38 states and just confining the under the table and in the public trough boys to 12 states would save the taxpayers

several billion dollars a year.

My friend was even willing to split the 38 states we git rid of half Republican and half Democrat. And fer a Republican like him who claims that it was a Democrat that tricked Adam into eating the apple, this is a major compermise.

Incidental, some of the fellers was of the opinion this subscriber that sent in this letter was a real thinker and maybe we better find out more about him and maybe run him fer the Congress next time. One feller allowed as how we could run him on a 12 States & 1 Senator platform, add a couple planks about cutting taxes and increasing benefits and make him a winner. He says the theory the old Indian had of making the blanket longer by cutting off one end and sewing it to the other end was now good, solid Harvard thinking in Washington and our candidate would be running in the latest style.

Another one of them political philosopher friends of mine was lamenting that the great trouble in Washington today is because they don't let things simmer and soak fer a spell afore they take action. He says some bright feller will wake up in the morning at the White House with a new remedy fer what ails us and afore dark it is on the agenda in the Congress. About the only aging it gits, he figures, is while it's traveling from the White House to the Capitol.

Then up pipes another one of my brainy friends, and said it reminded him of the moonshiner that was taking a load of liquor to town. Him and his old lady was setting up in the truck seat and they was jogging along mighty slow. His old lady ask him if he was driving so slow on account of being afraid of the law. "Naw," he replied, "I just want to age it some."

Yours truly,
Uncle Huie

Wilmeth Rites for Mrs. Overman, 79

Funeral rites were held last Wednesday for Mrs. W. D. Overman, 79, a resident of Wilmeth for the past 58 years. Services were held at the Wilmeth Baptist Church with burial following in Wilmeth Cemetery.

Mrs. Overman died Tuesday morning, April 16, in Bronte hospital where she had been hospitalized three weeks.

Mrs. Overman was born Feb. 10, 1884, in Mississippi. She came to Texas as a small child with her family and settled in Hill County. She and the late Mr. Overman were married in 1889 and moved to Wilmeth in 1905. Mr. Overman farmed there until his death in 1940.

A member of the Wilmeth Baptist Church, Mrs. Overman was a Sunday School teacher in the church for many years.

She is survived by two sons, one daughter, one brother, 21 grandchildren, 33 great grandchildren and four great great grandchildren.

Mr. and Mrs. J. F. Hughes visited with Mr. and Mrs. Leonard Phillips in San Angelo Sunday afternoon. They also visited John Taylor of Bronte, who is in St. Johns Hospital there. He seems to be making a satisfactory recovery from recent surgery.

DOUGLAS THETFORD RECOVERING AFTER BURNS

(From Robert Lee Observer)

Douglas Thetford, son of County Judge and Mrs. W. W. Thetford, is in Clinic Hospital, San Angelo, for more specialized treatment after being treated at Coke Memorial for second and third degree burns. He received the burns when gasoline from the tank on his motor scooter caught fire from a spark from the motor.

The fourteen-year-old boy, who wears leg braces from a polio attack suffered in early infancy, had to disengage himself from the little vehicle and roll in the grass to extinguish the flames, with both the scooter and clothing on his back blazing fiercely.

Judge Thetford said his son is showing improvement, some infection which had appeared being checked and that he might be able to return home next week.

Douglas is the grandson of Mrs. Nannie Thetford of Bronte.

SIGHTS TO SEE IN TEXAS

There's plenty to see in Texas, wherever you may roam on a holiday jaunt or on a vacation trip. Clockwise from the lower left hand corner, some of the impressive sights to see in Texas are: The Big Bend, some of the most striking scenery in the state; Guadalupe Peak, highest point in Texas at 8,751 feet; the Palo Duro Canyon, camping grounds for Indian tribes in frontier days; East Texas oil fields,

biggest of them all; the 570-foot San Jacinto Monument, commemorating decisive battle of Texas history; Gulf Coast Beaches, some of the finest in the world; the Alamo, "Cradle of Texas Liberty," and in the center of the state, Texas Longhorn Cavern, biggest cave in the state and third largest in the world, one of Texas' most spectacular natural wonders. Sightseeing is fun in Texas.

CITY HALL IMPROVEMENTS

During the past week two new sidewalk's have been poured at city hall. They run from the sides of the building eastward to the street. The sidewalks provide a way to go to offices on each end of the building without walking up the fire truck driveway.

The area between each of the walks and the driveway was seeded with grass this week, and city dads hope to have a green lawn in a few weeks.

Mrs. Loyce McConnell returned Wednesday after a month's visit with relatives and friends in Fort Worth and Dennison.

The Crockett County Range Tour and Judging Contest will be held on May 2 at the Texas Range Station near Barnhart. The tour is to begin at 8:30 a.m. and the contest at 1:30 p.m. with all interested persons invited.

Tourist Money Aids Whole Town

Representatives from towns in this area were told that everybody benefits from money spent by tourists at a meeting held last Friday in San Angelo. The meeting was sponsored by General Telephone Co. and representatives from all cities in this area served by the company were invited.

Attending the meeting from Bronte were Mayor Norman R. Kiker, L. T. Youngblood, H. O. Whitt, Joe Carter and Rev. A. S. Neely.

John E. Robbins Jr., division manager for the phone company, welcomed guests and introduced Frank Hildebrand, superintendent of Travel Promotion, Texas Highway Department, who spoke on "The Texas Tourist Industry."

Speaking on General Telephone's part in the economic development was James A. Covell. George Jordan of the West Texas Chamber of Commerce told the group that an education program for residents of all communities is needed. He said that all residents should be able to "inform, serve and sell the tourists" on attractions of their area.

It was also pointed out that most small towns cannot expect to secure large industrial projects in their towns, but they can encourage smaller projects and the enlargement of those already in operation.

THE BRONTE ENTERPRISE

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mrs. Roy Sanderson was hostess to the Euterpean club Thursday afternoon with Mrs. Bob Harris as co-hostess. Mrs. James Cate conducted the business and welcomed the guests. Mrs. Harris was leader for the program on "Self Expression in Religion."

Mrs. Cate gave the life history of Norman Vincent Peale, minister and philosopher, and Mrs. P. G. Dabney spoke on Billy Graham, the evangelist. Miss Jonila Harris played a piano solo, "How Great Thou Art."

A refreshment plate was served to three guests, Mmes. Dixie Smith of Laramie, Wyo., Joe Ward and Terry Barrett and Mmes. Josie Hipp, R. E. Patton, W. A. Hickman, Lee Alderman, L. W. Sweet, Austin Jordan, C. B. Smith, R. V. Copeland, Charles Ragsdale, Miss Bertha Smith and those mentioned above.

The next meeting will be in the home of Mrs. James Cate May 23 with Mrs. O. T. Colvin as co-hostess.

Mr. and Mrs. T. G. Carlisle of Yoakum are visiting his parents, Mr. and Mrs. T. A. Carlisle.

Mrs. Lee Alderman and daughter, Linda, and Paula McCoy visited relatives in Ft. Stockton and Monahans over the weekend.

Mr. and Mrs. H. A. Gray of Deming, New Mex., are at their lake home until after July 4.

Mrs. Joe Smith of Balmorhea is visiting relatives in Blackwell and San Angelo.

Miss Bertha Smith is visiting Mrs. Grace Henson in San Antonio and will stay for the city's "Battle of Flowers."

Mrs. Rocky Thompson met her sister and brother-in-law, Mr. and Mrs. Buster Cagle of Irving in Brady to attend the funeral of Mr. Cagle's father, J. A. Cagle of Ft. Worth. Burial was in the Lohn cemetery. They also visited Mrs. Mae Cagle in Melvin.

Lewis Conratt is ill in the Bronte Hospital.

Albert Sneed, a student of Sul Ross in Alpine visited his mother, Mrs. Edna Sneed and Mr. and Mrs. Alvin Edwards during the Easter holidays.

Mrs. Lula Palmer had as her guests Sunday Mrs. Damon Jones of Fort Worth and Mrs. Dabner Harris and grand daughters of Sweetwater. Mrs. Palmer returned to Sweetwater and spent Sunday.

Historical Committee Meets, Discusses Project

The Coke County Historical Committee had a regular meeting Monday night at the courthouse in Robert Lee. Committee members discussed the project recently undertaken to mark graves of all civil war veterans who are buried in Coke County.

They decided that this work will be continued and that another meeting will be held in June, when members will report on progress on the project.

Present for the meeting were Mrs. Bryan Yarborough, president, Mrs. Bob Odom, secretary, Bob Vaughan, Royce Fancher, Mrs. C. E. Arrott and Elton Mims, committee members.

Pre-School Children Go to Class May 3

Friday, May 3, will be "get acquainted day" for all children who will enroll in the first grade in Bronte School next fall. Parents are asked to bring their children to Room 2 at 12:30 p.m. The prospective first graders will be dismissed at 2:30 p.m.

Elementary Principal James Golson said that activities will include a story time, a play period and a refreshment period. Parents are asked to be prepared to spend the first 30 minutes of the time at school so that some points of interest may be discussed with them.

WMU NEWS

The WMU, Ladies Circle 3 of First Baptist Church met April 17 at 9:30 a.m. in the home of Mrs. Melvin Lasswell. The program topic was "Investment for Missions." A short business session was held. Seven members and one visitor were present. Cookies and coffee were served.

FIREMEN MEETING TIME MOVED TO 7:30 P. M.

Time for Thursday night meetings of the Bronte Volunteer Fire Department has been changed from 7 to 7:30 p.m. The change was made on account of longer days during the summer.

Vaccination for Students Planned

Plans are in the making for a vaccination program sometime in May for the benefit of all Bronte school children. Blanks were sent out early this week for parents to fill out and for use in determining the number of students who will participate.

The program is being sponsored by the PTA. The organization will pay for medicine used and Dr. John R. Harris will donate his services and facilities in carrying out the program.

PTA officials hope to give whooping cough-diphtheria-tetanus booster shots to all children, and a smallpox vaccination to all children who haven't had one in the last five years.

The program is voluntary. However, children who are in the first and second grades are required to have had a recent smallpox inoculation.

I am hoping to have a large number of ladies turn out for the 4-H Clothing Leader Training on Friday, April 26. The Clothing Units I and II, judging of County Dress Revue, and garments to be made will be discussed. Leaders for girls ages 9 through 12 should attend these meetings. The meetings are to be a 9 a.m. in the Ditmore Recreation Hall for mothers and leaders from the Bronte area and at 1:30 p.m. in my office for the Robert Lee area. Persons may attend the more convenient meeting no matter where they live.

Delegates from the Coke County Home Demonstration Council will attend the District Seven THDA meeting on May 1. The meeting will be in Fredericksburg. Mrs. Glenn Waldrop, Green Mt. president, will give the invocation and Mrs. Dale Wojtek will serve on the resolutions committee. Mrs. Wojtek is Coke County THDA chairman. Others expected to attend from Coke County are Mrs. R. L. Page, Council chairman, Mrs. Bob Duncan, president Silver HD Club, and Mrs. Bobby Roberts, Robert Lee Club.

The recipe I am giving you this week is Lima Bean Casserole. This dish was entered in the Dis-

trict Seven Favorite Food Show by Kathy Service of the Robert Lee 4-H Club.

Lima Bean Casserole
2 cups green or dry Lima beans
2 cups cooked carrots
1 medium onion, minced
1 Lb. ground meat
1 tablespoon barbecue sauce
½ cup top milk
1 tablespoon butter
salt and pepper to taste
1 medium green pepper, chopped
Cook onion and green pepper in butter until tender. Add meat, stir to keep separated and cook until red color is lost. Stir in barbecue sauce and add remaining ingredients, turn into casserole. Bake in moderate oven, 375 degrees, for 30-45 minutes.

Schedule
Thursday, April 25: Office
Friday, April 26: Bronte 9 a.m.; Robert Lee 1:30 p.m.
Saturday, April 27: Mitchell County 4-H Foods Show
Monday, April 29: Office
Tuesday, April 30: Office
Wednesday, May 1: Fredericksburg THDA Meeting.

EUROPEAN FILMS SHOWN FOR BRONTE H.D. CLUB

Edward Hudgens of San Angelo, brother of Mrs. C. E. Arrott, was in charge of the program for the Bronte H.D. club which met April 17 with Mrs. Herbert Holland. Mr. Hudgens showed pictures that he made on a trip to Europe.

Mrs. Truman Parker presided at the business meeting. The hostess had the opening exercise with the group reading the club prayer. Roll call was answered with "my first day at school." Floating prize was sent by Mrs. Taylor Emerson and won by Mrs. Arrott. Mrs. Arrott also read the council report.

Secret pal gifts were exchanged. The hostess served refreshment plates to Mr. Hudgens, Kim Arrott and Mmes. W. Hipp, H. H. Holland, J. F. Hughes, C. L. Kiker, O. R. McQueen, Parker, and R. S. Walton.

Next meeting will be May 15 with Mrs. H. H. Holland.

Drive to Get New Bus For Children's Home Was a Double Success

Foy L. Moore, Bronte Church of Christ minister, said this week that a recent drive to collect 3,200 books of Frontier Stamps for the Children's Home of Lubbock was doubly successful. Purpose of the stamp collection was to secure a new bus for the home, and Moore reports that enough stamps were donated by the people of West Texas to secure two buses.

Moore asked The Enterprise to express his thanks to all residents of the Bronte area who contributed stamps to the campaign. "On behalf of the children in the home, I wish to thank everyone who helped on this project," he said.

EASTERN STAR SPONSORS BAKE SALE SATURDAY

Bronte Chapter Order of the Eastern Star will have a Bake Sale next Saturday starting at 9 a.m. in West Texas Utilities Building. It was reported in last week's Enterprise that the sale was to have been last Saturday; this information was in error.

Members of the chapter say they will have a large selection of baked products for sale and they invite the public to patronize them. A spokesman asked that Eastern Star members get their cakes and pies to the utilities office in plenty of time for the sale.

O. H. Willoughby has returned home after a few days visit in Eastland with his sister-in-law, Mrs. Harold Durham and Mr. Durham.

Highway accidents in the U. S. took a record number of lives in 1962. About 40,500 people died on the nation's highway last year, and more than 3,345,000 were injured.

QUARTERLY REPORT IN THIS PAPER

A quarterly report of the finances of Coke County is being published in this issue of The Enterprise. The financial statement covers the period from Jan. 1 to March 31, 1963.

Attention of readers is invited to the report since it is published for information of citizens of Coke County.

Young drivers in 1962 had the worst record of any age group in the United States. Men and women under 25 represent only about 15 per cent of the nation's licensed drivers, yet they were involved in nearly 29 per cent of all fatal accidents and in more than 27 per cent of all non-fatal accidents.

Mr. and Mrs. Eddie Alexander and Wayne and Mr. and Mrs. Noah Pruitt Jr. and Norma spent the weekend with Mr. and Mrs. Bill Alexander and daughter at Euless. They also attended the season's opening day at Six Flags Over Texas, amusement center between Dallas and Fort Worth.

Mrs. Ben Oglesby spent Friday through Monday with her mother, Mrs. A. L. Young, in Westbrook. Her father is seriously ill in Root Memorial Hospital in Colorado City.

Excessive speed continued to be the Number One Killer on the nation's highways in 1962. Nearly 13,000 traffic deaths were directly attributable to speeding.

Payroll

When the Bonham Cotton Mill announced it would close its doors finally in early 1962, that North Texas city stood to lose a 61-year old industry with a \$14,000 weekly payroll.

Aggressive citizens of the 7357 population community arose to the emergency. Today, little more than a year later, Red River Textile Mill, Inc., is not only continuing the operation of its predecessor, but is talking plans for an eventual major expansion.

Bonham's vigorous enterprise in the face of crisis is another reason we say big things are happening in General Telephone towns.

These towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.

The feed lot and pasture tour the livestock committ sponsored last week was one of the more interesting tours I have been on. Both subjects are receiving considerable discussion now and I think we say some good examples. Secured some basic information that will be helpful to a person interested in either program.

Mr. Simpson, Marvin and Bill, showed the 15 men present through their efficient, well managed feeding operations. They answered questions asked that pointed out the need for efficiency and good management if a feeding operation is to be successful. Efficient gains, the labor efficiency and a good knowledge of the quality of feeds and animals were evident in their operation.

D. K. Glenn gave the group a verbal picture of his pasture management program. Again efficiency was evident as Mr. Glenn discussed his management, rotation and use of the land he has available. He pointed out that his place is divided into 14 pastures. He rotates as needed to conserve and or make maximum use of his permanent and temporary pastures.

The groups interest centered on a blue panic field. Mr. Glenn stat-

ed that the field has been a great relief to his permanent pastures.

Our next stop, at the Walston feed lots gave us information on a custom feeding operation. They were, according to the results given, obtaining one pound gain on from 7 lbs. to 7.8 lbs. of feed. Or one pound of gain at a cost of from \$.17 to \$.18 They feed up to 60 animals per lot and had the feed placed in self feeders directly from the feed mill.

We went from Winters to Sweetwater to see a feed lot under construction. Tom Porter took us through his plant and explained why it was so planned and designed. It will be very similar to the Walston feed yards in Winters and will also do custom feeding.

Roy Boathe, also of Sweetwater, took us on a tour of his bermuda pastures which he irrigates with effluent from the City of Sweetwater. He has three varieties—Coastal, Midland and NK-37—in his operation. All are producing well. The NK 37, he stated, produced the finest quality hay. Mr. Boathe received a yield of approximately 400 bales (60 lbs per bale) per acre of hay last year. He stated that he waters and fertilizes (100 lbs. per acre nitrogen) about every 3-4 weeks. He primarily green chops and hauls the feed to his cattle.

Several 4-H club members participated in the District Contests held in San Angelo last Saturday.

Our Senior livestock team placed 8th, the junior team placed 5th. Both groups made good scores but were in rough competition. The junior team was only 28 points behind the 2nd place team.

Only two soil judging teams were entered. Both teams were certified for the State Contest. Our group will attend the contests held during the State 4-H Club Round-Up on June 5-7.

Wheat Program Meetings

Two meetings will be held in the County to give information on the up-coming wheat referendum. One will be held in the Courthouse in Robert Lee on Tuesday night, April 30. A second one will be held at the Vocational Agriculture Building in Bronte on Thursday night, May 2. Both meetings will start at 8:00 p.m. We will provide information that we hope will help the wheat producers decide the way they wish to vote.

METHODIST WSCS BEGINS NEW STUDY

The WSCS met with Mrs. J. W. Labenske Monday. Sixteen members and one guest present.

Rev. A. S. Neely gave the first of a two-part study "The Dimensions of Prayer" by Douglas Steere. It will be concluded at the May 13 meeting in the home of Mrs. C. E. Arrott. All interested ladies are invited to join the society.

Grandson of Local Couple Is Indiana Debate Champion

Stephen Claffey, son of Mr. and Mrs. E. A. Claffey, of Indianapolis, Ind., last week won the Indiana high school debate championship. A high school senior, young Claffey's mother is the former Jane Combie, daughter of Mr. and Mrs. I. M. Cumbie of Bronte.

Claffey and his partner, both of whom are students at North Central High School in Indianapolis, will compete in the National Debate Tournament which will be held in June at Houston. Mrs. Cumbie said she hopes to attend the debates in the Texas city.

Steve also won the state debate

championship two years ago and is the only Indiana high school debater to win the honor more than one time.

An outstanding student and a leader in extra-curricular activities, he has been selected to attend Wabash College for Men in Indiana this fall. At Wabash studying and traveling abroad for one year is a choice of each individual student. Claffey will major in law at Wabsh and has pledged Phi Gamma Delta fraternity.

Motorists in 1962 raced down the nation's highways to a new—and tragic—auto death record which for the first time exceeded 40,000 fatalities. The previous high was set in 1941 when 39,969 lost their lives on the highways.
