## July Enterprise Subscription Special Effective Monday

Beginning Monday, readers of The Bronte Enterprise will have an opportunity to save 50 cents on their subscriptions to the paper. The annual July special will start on the first and continue through-

## Donors to Fund For Home Site Listed, Thanked

Matthew Caperton, chairman of the Bronte Lions Club Industrial Development Committee, said Wednesday morning that no new developments have occurred in the building of a Golden Age Home here. He said that he is sure the contractor is waiting on state approval of the home, and that it should be secured in the near future.

Site for the home has been secured from Mrs. Annie Wilkins and papers are being processed in order to deed the property to Jerry J. Tidmore of Athens, who will own the home.

Caperton expressed his appreciation to everyone who contributed to the fund to purchase the site. H. O. Whitt, Lions secretary-treasurer, supplied the following list of donors:

G. C. Trusler, San Angelo; American Legion Post, Mrs. Elizabeth Carter, Ernest Ivey, C. E. Arrott, Frank C. Dickey, Clyde Lee, Royce Lee, The Bronte Enterprise, Ernest Seay, Henry Walker, H. O. Whitt, C. E. Bruton, Jesse Parker, Bob Wilson, Douglas Ditmore, E. F. Glenn, Cumbie & Mackey, L. L. Webb, Taylor Emerson, Gulf Service Station, Kemp's Cleaners, Home Motor Co., Hurley Pharmacy, General Telephone Co., School Activities Fund, West Texas Utilities Co., Home Lumber Co., D. K. Glenn, Walter Stapp, Royce Fancher, Youngblood & Glenn, Caperton Chevrolet Co., T. F. Sims, L. T. Youngblood, First National Bank, C. H. Wylie and Mrs. Loyce McConnell.

Caperton said that the committee owes its success it has had so far to the generosity of the above donors, and he thanked them personally and for the Lions committee.

### JULY 4TH HOLIDAY WILL BE OBSERVED

Next Thursday, July 4, will be observed as a holiday by most Bronte merchants. Some firms along Highway 277 will remain open to serve travelers as well as local residents.

Included among those who will be closed are the U. S. Post Office and First National Bank, whose holidays are set by federal regulation. Bronte city hall will be closed also.

### PAVING AT CITY HALL

Precinct 2 earth moving equipment has done some work this week in preparation for paving a driveway north of the new city hall, and the area behind the building. The paved sector will be designated as a parking area for persons who have business at the city office.

City officials have not been pleased with the way a number of local residents use the street in front of the city hall and block the exit for fire trucks. They hope the new parking area will alleviate this situation.

out the month.

Subscriptions in Coke and adjoining counties will be reduced from the regular price of \$3.00 to \$2.50, while subscriptions from anywhere else will be down to \$3.00 from the regular price of \$3.50.

Counties in which the lower price is paid include Coke, Nolan, Runnels, Taylor, Tom Green, Sterling and Mitchell.

Orders for papers may be left at The Enterprise office or mailed in. The reduced prices may be used for new, renewal or extension subscriptions.

Subscriptions will be taken again this year by representatives of The Enterprise in nearby communities. Representatives are Mrs. Charles Ragsdale, Blackwell; Mrs. Herbert Holland, Brookshire; Mrs. Barney Griffin and Mrs. Tom Green, Tennyson.

The Enterprise has received unofficial information that state sales tax on subscriptions will be dropped July 1, but unless official word is received by that date, please add five cents to the nearby addresses and six cents to those away from this area.

Prices on The Enterprise have been raised since the last bargain days in July 1962. This makes the second time an increase has been made in the cost of the paper in the last 15 years.

## Kin of Bronte Woman Dies In Midland Fire

Funeral services were held Wednesday at 10 a.m. in Thomas Funeral Chapel in Midland for A. J. (Jake) Clark, 40 year old Midland plumber, who died in a fire which destroyed his home Sunday. Burial was at 2 p.m. in Robert Lee cemetery.

Mr. Clark was a brother-in-law of Mrs. Joe E. Scott of Bronte. His wife, the former Luda Roberts, died last June. Three children of Mr. Clark, who escaped injury in the fire, had spent the last two weeks in Bronte visiting the Scotts. They returned to their Midland home last Friday.

The children were taken to a neighbor's house and the sheriff's office was called in an attempt to find the father.

Firemen were called to the fire at 2:30 a.m. and again at 7:20 a.m. when fire broke out again in the ruins of the house. Mr. Clark's body was discovered by two deputy sheriffs later in the day when they were inspecting the damage.

The three surviving children are Eddie, 14, Carolyn, 11, and Katy, 9.

## Matt Caperton Finally Gets Recognition Long Due Him

Friends of Matt Caperton here in Bronte were not at all surprised when he was chosen as "West Texas Dennis the Menace" in Tuesday's San Angelo Standard-Times. People here have known for a long time that the local lad could teach Hank Ketcham's cartoon Dennis a thing or two.

Mat's gem of wisdom which was quoted under his picture in the San Angelo daily told of an episode that occurred when he was in the second grade with Mrs.

## Masonic Officers To Be Installed In San Angelo

New officers for Bronte Masonic Lodge, No. 962, will be installed in ceremonies at 7:30 June 29 in San Angelo. A number of lodges in the district, including Hayrick Lodge of Robert Lee, will participate in the area function.

For many years, Bronte and Robert Lee have held joint installation services for their Masonic officers, but decided this year to participate in the district installation.

New officers for the Bronte Lodge include Brady Mills, worshipful master; Jessie Parker, senior warden; Marvin Bryant, junior warden; Royce Fancher, treasurer; Charlie Boecking, secretary; Noah Pruitt Jr., chaplain; Elmer Hurley, senior deacon; Floyd R. Collins, junior deacon; Billy Joe Luckett, senior steward; Travis O. Spiller, junior steward; J. T. Henry, tiler.

## 15 NEW CUSTOMERS ADDED; CITY URGES OTHERS TIE ON TO SEWER

Fifteen new tie-ons to Bronte's sewer system have been secured during the recent campaign to add to the list of customers.

Mayor Norman R. Kiker said Wednesday he is happy to have the new users for the sewer system, "but there are still lots of

## Historical Marker To Be Placed Here

A historical marker donated by the State of Texas as a memorial to Fort Chadbourne will be placed at Bronte sometime in the future, it was announced Monday night at a meeting of Coke County Historical Committee.

The marker will be placed on the grounds of Bronte City Hall and an inscription will give data concerning the old fort which was in use by federal troops prior to and after the Civil War.

Royce Fancher, committee member and city councilman, said the decision as to where to place the marker on the city property will be left up to the city council.

The Historical Committee is still working on securing data, in order that graves of all Civil War veterans may be marked. A list of persons buried in the Old Fort Chadbourne Cemetery who would

have been old enough to be veterans of the War Between the States has been prepared by Fancher and he is asking that anyone who has information about any persons listed below see him or Ben Oglesby at the Enterprise office.

The list follows:

Mark C. Allen, Renney Johnson, Thomas Lawson Odom, T. A. Yarbrough, J. W. B. Calloway, John Russell, E. N. Modrall, Stephen A. Douglas, William H. Grooms, B. G. Warren, H. T. McPeters, H. H. Cosper, L. G. Hargrave, W. T. Richards, I. C. Cary, E. W. Renfro, John A. Monteith, J. R. Alsup, James W. McDorman, W. H. Myers, William Richards, M. E. Cary, G. O. Snow, William Billingsley, Robert Inge, Geo. Whitman, R. N. Henderson, Henry J. McLaughlin, M. C. Allen, J. C. Chambers, W. W. Case and W. H. Robinson.

Fancher said he checked the small cemetery close by where the town of Fort Chadbourne used to be and found the grave of R. C. Robbins.

Other cemeteries in the county are also being checked in the effort to find the graves of all Civil War vets. Mrs. C. E. Arrott made a list of those buried in the Fairview cemetery here, but the list is not available for this week's Enterprise. It will be published soon.

The committee is investigating where to write to get information about the organization with which each veteran served.

## Coke Farm Bureau Sets Queen Contest

Coke County Farm Bureau is making plans for a Queen's Contest which will be held at the Bronte School auditorium sometime in the latter part of July.

Deadline for entering the contest is July 15, and all girls eligible are invited to enter, according to information given Tuesday by Mrs. J. B. Arrott. Three age groups will be judged at the contest: 9-12, 13-15 and 16-22. Only girls in the 16-22 bracket will be eligible to participate in subsequent district and state contests.

Girls who will be 16 before Sept. 1 are eligible to compete with the older group.

In order for a girl to take part in the contest she must be the daughter or sister of a member of Coke County Farm Bureau. Girls who wish to enter should contact Mrs. C. E. Arrott and Mrs. J. B. Arrott before the July 15 deadline.

### HUDSON FAMILY LEAVING

Mr. and Mrs. M. H. Hurson and son, Johnny, will leave Bronte soon, for their new home in Carthage. Hudson, who is an employee of Humble Oil & Regining Co., has been assigned to a job in the East Texas town.

The Hudsons have lived here for the past six years and he has been employed by Humble at its repressuring plant west of town. He has worked for Humble for the past 24 years.

The family owned a home in the west part of Bronte, where Hudson has a large collection of hundreds of varieties of plants.

## Ballinger Funeral For Mrs. Beasley

Funeral services for Mrs. Virgil E. Beasley were held Tuesday afternoon in Ballinger. Mrs. Beasley, 67, a former Bronte resident, died Monday at 9:27 a.m. in the Shannon Hospital in San Angelo, after a brief illness. Complications developed following surgery last week, and her condition became critical.

Mr. and Mrs. Beasley had lived in San Angelo several years and operated the Three Rivers Motel. Prior to their moving, they lived on a farm south of Bronte.

Mrs. Beasley was born Aline Elizabeth Routh Oct. 5, 1895. She was the daughter of Hayden and Greola Routh, early day Ballinger residents. She was a member of the First Baptist Church in Bronte.

Survivors include her husband; one son, William Hayden Aycock of Fort Worth; a brother, Joseph Hayden Routh of Lamesa; one uncle, one niece and one nephew.

Pallbearers were Sam Behringer of Ballinger, Harvey Stoder of Dallas, Clifford Marshall of Leasville, La., Chips East of Los Angeles, Calif., and Tex Ward and Fred Dawson, both of San Angelo.

Vera Thomas serving as his teacher. She reprimanded him for talking in class and he said, "Now Miss Vera, I believe you need to take a vacation for about two or three days. It sounds to me like you are about to have a nervous breakdown."

Matt is the son of Mr. and Mrs. Matthew Caperton and will be in the fourth grade next fall.

Matt's friends are glad he is finally getting the recognition which he deserves.

people here who ought to be using the sewer."

"The city has spent a lot of money which has to be paid back with taxes and sewer charges," the mayor pointed out "and they ought to be taking advantage of the opportunity to use this service."

Main concern of city officials in pushing for more tie-ons to the system, is to make the city more sanitary and healthful. One councilman said a couple of weeks ago that "everytime a customer ties on to the sewer, Bronte becomes a better and more healthful town."

The city has secured the services of Don Tammen, a San Angelo plumber, who is laying clay sewer line for \$1.15 per foot. This low price is hard to find, officials said, and persons who are interested should call the office of the city secretary and make arrangements for Tammen to come by and talk with them. First National Bank is offering extra liberal terms to property owners who wish to borrow money to finance tying on to the sewer.

## 14 Students Taking Driver Education

Fourteen young people of the area are enrolled in a driver education class which is now in progress. Clint Low is teaching the course.

Caperton Chevrolet Co. of Bronte is supplying a 1963 dual control automobile for use of the youngsters. They are making no charge for use of the car.

The course consists of two hours classroom study each day for three weeks. Following the classroom work, they must get in six hours of observing a licensed driver, and then they must spend six hours in actual driving time. Following completion they will be permitted to take a driver's test, and if they pass it, will be issued drivers licenses.

Rev. and Mrs. A. S. Neely left Sunday for a two-weeks vacation trip to New Haven, Connecticut where they will visit their son, Stanley Neely, and his wife. They went by Huntsville, where their daughter, Mrs. Gary Walker, joined them for the trip east.

## Countryside

By STERLING LINDSEY

The screwworm cases in this area have increased sharply during the past week. Apparently they have increased in other areas above the buffer zone also.

Coke County has five new cases last week. This equaled the total number to date. New cases were reported by Walter King, Blackwell; Paul Coulter, Water Valley; M. C. Hendry, Silver; J. A. Percifull, Robert Lee place; and S. E. Adams, Whiteside place. Mitchell County had a sharp increase last week.

Officials of the organization and representatives of county groups are to meet in Abilene on Friday, June 28, to discuss the situation.

We will have an entomologist, John Thomas, Extension Service specialist from College Station in the County on July 16 for a couple of meetings on cotton insects. I will have more information on the meetings next week.

Several operators in the County have made arrangements to have their cattle retested as a part of our movement of becoming recertified as modified brucellosis. If you would like to retest, let us know. We will schedule you on the date you prefer if at all possible. We need to have a minimum of 68 herds retested to qualify.

### Farm Safety Week

"Inspection plus correction equals protection" is the theme for National Farm Safety Week, July 21-27. President John F. Kennedy, in proclaiming the week, called on all Americans, especially those allied with agriculture, to unite their efforts to cut down the number of farm, home and highway accidents.

Texas Farm and Ranch Safety Council, long active in promotion of rural safety, points out the need for making farm and home safety a year-round effort. Prevention of accidents takes action by people and it must be continuous throughout every year, says the Council.

A very high percentage of all farm accidents can be traced to a specific cause, and carelessness is a major contributor, the councilmen say. A little checking close to home, they add, will likely reveal that most crippling or fatal accidents on the farm or in the home result from actions wherein people should know better.

The accident record of agricul-

ture is not good and with the ever-increasing use of power machinery and allied equipment, the rate can be expected to move higher unless the people involved make up their minds to do something about it, warns the Council. Therefore, they add, it's up to farm families to find and remove hazards which can cause accidents and to practice safety in their daily living. The outstanding records in accident prevention by other industries of the nation haven't just happened, says the Council, but are the result of well-planned and conducted safety educational programs.

National Farm Safety Week is sponsored by the U. S. Department of Agriculture and the National Safety Council. They work in cooperation with the state Agricultural Extension Services, farm organizations, the farm press, radio, television and other interested individuals and groups.

## Bronte Scouts At Sol Mayer

Five Boy Scouts from Bronte and their scoutmaster are at Camp Sol Mayer this week enjoying a week of fun, work and study.

The boys left Sunday afternoon and will return Saturday. Attending from here are Bob Wells, Brian Richards, Bob Bell, Edward Broussard and Garland Richards. Scoutmaster Conda Richards is also spending the week at camp. Richards said that the other scoutmaster, D. K. Glenn, probably would drive down for part of the week.

Camp Sol Mayer, located on the San Saba west of Menard, affords an opportunity for Boy Scouts to camp and put into practice some of the knowledge and skills they learn.

Operation of the camp is financed by contributions made in this area during the annual Scout fund drive.

## Church of Christ Meeting Underway Here Now

A gospel meeting at Bronte Church of Christ is underway this week, with services scheduled to continue through Sunday. Melvin Placke, former minister of the local church, is doing the preaching. Horace Taylor is in charge of the singing.

Foy L. Moore, minister, issued an invitation to the public to attend any or all of the remaining services. The services are held each day at 8 p.m., with Sunday services at the usual times, 10 a.m. and 6 p.m.

## MEN HURT IN WRECK

Two men driving a Mercury automobile registered in the name of O. B. Southard of Lubbock were injured last Saturday night when the car went out of control at the Y, nine miles north of Bronte.

Information as to the identity of the men was not available at press time Wednesday, but it was thought that one of them was the owner of the auto. Deputy Sheriff Jesse Parker said one of the men was unconscious and appeared to be seriously injured while the other appeared to be only shaken up, and was walking around.

Clift Ambulance Service carried the men to a San Angelo hospital. The car, which was towed to Ivey Motor Co. in Robert Lee, was completely demolished.

Parker said the car, coming from the direction of Abilene on the highway, hit the center dividing island at the approach to the traffic circle, and went out of control, turning over several times. The occupants were thrown from the car.

Even a minor spinal injury can result in an almost unlimited variety of distressing effects. Under such conditions the accident victim might suffer some remote illness for years, never associating it with spinal shock sustained in the fall or accident.

The logical and safe way to avert unnecessary pain and distress is to recognize that spinal displacements are a possibility in any fall or accident and make it a POINT to see your Chiropractor for a spinal examination.

A fall on the street, on the ranch or in the home can cause a great variety of detrimental effects on the spine. Usually the first part of the body to strike the hard surface is the pelvis and lower section of the spine. If the shock is too great and the supporting structures of the spine are not strong enough to withstand the SUDDEN IMPACT, the vertebrae may be jolted out of position. The effects of such an injury could be serious back pain, bladder disturbances, kidney disorders, menstrual distress and many others.

### H D Agent's News Dept.

By **FAY C. ROE**

Two members from each of the H. D. Clubs in the county will meet Friday to begin plans for the 1964 Yearbook. Each H. D. Club member has received a questionnaire on which she can give preferences as to programs desired. I hope each member has returned her questionnaire; if not, there will be no way of knowing the member's wishes relative to subject matter to be included.

H. D. Club members expected to attend are Mrs. C. E. Arrott, yearbook chairman; Mmes. Dale Wojtek, W. H. Robertson, Douglas Ditmore, Noah Pruitt Jr., Truman Parker, Lowell Roane, Glenn Waldrop, Tom Schooler, Royce Smith, Carlton Caston, Bob Duncan and Mrs. R. L. Page, H. D. Council chairman.

The meeting will begin at 1:30 p.m. and will be held in my office.

Mr. Lindsey and I held 4-H Records Workshops in Bronte and Robert Lee last Wednesday and Thursday. Since a very small percentage of the 4-H girls attended these meetings, I feel sure there are others who need help on their records. All 4-H girls who are eligible for an award for her 1963 work must submit her record book to my office by Aug. 1. If you need help on your record book, call or write me so I can set aside some time to assist you. This is a very important part of your club work and can be made easy if you know how to keep your records.

#### Helpful Hints

For most home sewing, use 12 to 16 stitches per inch. You will find help in stitch regulation in your book of instructions.

Do not store up detergents for laundry or dishwashing. Detergents get old and lose much of the "action" to perform the duty for which they were designed. A simple test to see if detergents are old is to wet the palm of the hand and put one spoon full of the powder or liquid in it. If it burns, the detergent is not too old to use; if not, throw it away as it is no good. Detergent powders should be placed in plastic bag, sealed and stored in dry place between uses.

There is no evidence at all that aluminum pots and pans carry a hazard to health.

Be sure to read labels and care instructions in ironing zippers today. Some zipper teeth are made of nylon and must be ironed with iron on synthetic or warm setting. Watch for this in ready made clothing and in zippers purchased for use in home sewing.

and learn to drive defensively; never let anyone set a hazard for anyone else," advised Sergeant Dan Nowlin in a Driver's Safety program held Friday, June 21. Sgt. Nowlin and Patrolman Frank Perkins of the Abilene and San Angelo offices of the Department of Public Safety presented the program in the court room. The program was sponsored by the Green Mountain Club and was open to the public.

Mrs. Glenn Waldrop, president of the Green Mountain H. D. club was mistress of ceremonies. The program included two films: "Signal 30" and "The Anatomy of an Accident", a discussion of Texas traffic laws, and the use of the eyes in driving, and a detonator demonstration.

Mr. Don Timberlake, coordinator for safety and civil defense of the city of Abilene, attended the program.

Members of the Green Mountain club served refreshments to about 30 persons who attended.

Tennyson quilting club met June 20 with Mrs. Bert Blaylock. Ladies present were Mmes. Myrtle Thomas, Mollie Cornelius, Bill

Feil, Leon McCarty, Tom Green, Gene Halamicek and L. B. Horton Jr. Next meeting will be announced.

Mr. and Mrs. Bert Blaylock visited Sunday in San Angelo, Mr. and Mrs. Robert Brewer.

Mr. and Mrs. Jack Corley were Sunday guests of her mother, Mrs. B. R. Davis, in San Angelo.

Mr. and Mrs. Tommy Weaver of Houston visited the Wayne Arrotts last week. Mr. Weaver is a brother to Mrs. Arrott.

Visiting Mr. and Mrs. James Arrott Sunday were Mr. and Mrs. J. B. Arrott of Bronte and Mr. and Mrs. Wayne Arrott and family of Orient.

Mrs. Sudie Brown has spent the past eight days visiting her nephew, Earl Johnson, and her niece, Mrs. Helen Harrell, in Mineola; her sister Mrs. Josie Bell in Marshall and her brother, Walter Rutland in Atlanta.

Sunday guests of Mr. and Mrs. Floyd Gibson were Mrs. Joel Webb and Brenda and Vickie Edgar of Nolan. Mr. and Mrs. Gibson visited Saturday in San Angelo with Mr. and Mrs. Dan Huddleston.

Mr. and Mrs. L. J. Sonnenberg visited Tuesday in Mareta with Mr. and Mrs. J. D. Bledsoe. Recent guests of the Sonnenbergs were H. S. Veith of New Ulm, Mr. and Mrs. Charles Sonnenberg and AIC and Mrs. Matthew T. Scott of San Angelo.

Orbie Miller of Odessa visited Mr. and Mrs. James Phillips Friday.

**Return from Georgia Vacation**  
Mr. and Mrs. Robert I. Brown, Russell and Kathy left June 11 on a vacation trip to Lakeland, Ga., to visit their daughter and son-in-law, Mr. and Mrs. Jim Manning. They made brief stops in Mineola where they visited Mr. and Mrs. Bob Johnson and Mrs. Helen Harrell; and in Hallsville and Marshall, where they visited relatives. They arrived in Georgia on June 12.

Highpoints of their trip included a visit to Silver Spring, Ga. where they went through the zoo, and rode glass bottomed boats, observing different kinds of fish. Most of the underwater pictures for the Sea Hunt TV program are made here and they were making a picture at the time of their visit. They went underwater in an Aquatorium and watched them make the pictures.

They also visited Mr. and Mrs. J. C. Manning and family and Mr. and Mrs. Jess Harper in Jessup, Ga.

Enroute home they visited old colonial homes in Montgomery, Ala. They reported that the weather was hot and dry on the trip to Georgia, but that they were in the rain most of the way home. They arrived home June 20 and a good rain here made a happy ending for their vacation.

## Juanita Johnson Weds Albert Fine June 24th

Miss Juanita Johnson became the bride of Albert Fine of Winterys in a ceremony read at 2 p.m. Friday, June 21. The Rev. Wayne N. Stout read the single ring vows in his home.

The bride is the daughter of Mr. and Mrs. Pat Johnson of Bronte and Mr. Fine is the son of Mr. and Mrs. Jimmy Fine of Winters.

Attendants were Mrs. Nancy Bell of Bronte and Gerald Yates of Winters. Mrs. Bell wore a beige sheath dress with a corsage of carnations.

The bride was given in marriage by her brother, Malcom Johnson, of Bronte. She wore a waltz length dress of organza over satin, fashioned with a scooped neckline, embroidered lace over satin bodice and bridal point sleeves. Her headpiece was of organza roses. She carried a white Bible adorned with white carnations.

For something old and blue she carried a handkerchief belonging

to her grandmother, Mrs. J. B. Johnson of Bronte. A necklace, a gift of the bridegroom was new.

A reception in the Johnson home followed the ceremony. A tiered wedding cake, made by Mrs. Roy Robinson, featured a miniature bridal couple on top. Miss Jessie Renshaw of Bronte served the punch and Miss Patricia Fine, sister of the bridegroom, served the wedding cake.

The couple left for a wedding trip to San Angelo and Sonora Caverns. They will make their home in Winters where he is employed by the city. Mrs. Fine is a 1961 graduate of Bronte high school and has been employed at Bronte hospital.

Miss Johnson was honoree at a bridal shower last Thursday. Hostesses were Misses Jan Mayben and Jessie Renshaw and Mmes. Vernon Lammers, Leslie Lammers and Hazel Caulder. Mrs. Leslie Lammers and Miss Mayben serv-

ed refreshments to the shower guests and Miss Renshaw was at the registry.

## WEDDING SHOWER HONORS MRS. HESTER

Mrs. Roy Max Hester, nee Linda Jones, was honored with a wedding shower last Thursday, June 20, in the Ditmore Recreation Center. Hostesses were Mmes. Dorothy Kiker, Horace Grigg and Douglas Ditmore.

Punch and cookies were served to about 20 guests.

The Hesters are making their home in San Angelo.

Chevy II Nova 400 6-Passenger Station Wagon

Load up,

light out

and get lost...

### Chevy II Wagons—

The heft of a suitcase. The rustle of a road map. There's something about one of these spruce, surprisingly spacious wagons that can turn even the routine preparations into a happy part of your trip.

Take that old bugaboo of packing, for instance. No bother. With the kind of room you get in that easy-loading cargo compartment, you can just about toss things in any old whichway and come out with space to spare. The load won't dampen the spirits of the spunky 6-cylinder

AT YOUR CHEVROLET DEALER'S

engine either. It just hums along passing up gas pumps (there's also a choice of an even thrifter 4 in most models) like it didn't have a care in the world. Fact is, it has far fewer cares than most engines—being built with the special knack Chevrolet engineers have for dependability and ease of maintenance.

Like a car with ginger—without a lot of needless gingerbread? Your dealer's got a full line of Chevy II's to pick from. Why not drop down and check now while the trading and the traveling are especially good?

Fantastic new \$300,000 Log Flume ride at Six Flags unveiled Tuesday, lives up to all advance expectations. Named the Aseradero it is the only one of its kind in the world. The faces of the passengers aboard this eight foot hollowed out log reflect the thrilling climax down a 44-foot incline at speeds exceeding 10 feet per second into a trough filled with swirling rapids.

J. T. Henry of Bronte has completed a short course at Texas Tech, Lubbock, on maintenance and operation of small gas engines in farming and ranching. Twenty-seven vocational agriculture teachers took the course last week, directed by Lewis Eggenberger of the Tech agricultural education department.

### Swimming Classes To Start July 8

A beginners swimming class will get underway July 8 at the pool in Bronte County Park, according to Aubrey Denman, park caretaker. Rex Harris will teach the class.

Beginners who have had at least one year in school will be eligible to take the lessons. Cost for the 10-days series of classes will be \$1.50. Classes will meet five days each week for two weeks at 10 a.m.

Denman asked that all children who are interested in taking the course contact him personally or

by phone and sign up for the lessons.

A pre-school children's beginner class and possibly others will be scheduled later, Denman said, if enough people are interested in taking lessons.

Mr. and Mrs. Sam Seay III and Jane were recent guests of his parents, Mr. and Mrs. Ernest Seay. Mr. Seay, who has been in service for 22 years, was recently transferred from Hamilton AFB, Calif., to Reese AFB at Lubbock.
