Longhorns, Rankin Meet in '63 Opener

Football will be in the air at Bronte Friday night when the Longhorns open their 1963 season against the Rankin Red Devils. Kickoff time is 8 p.m. at Elbert Stephenson Field in Bronte.

The Rankin lads always have a tough football team, and the Longhorns are hoping for a victory, but will go on the field knowing they face a battle. Rankin tied Robert Lee, 12-12, in a scrimmage last Friday.

Coach N. M. Curlee said Wednesday morning that so far as he could tell at that time all the boys on the squad will be ready for action against the Red Devils. "We're going to have a rough workout this afternoon, but I hope none of the boys get hurt," Curlee said.

Jimmy Wells has been taking it easy for the past several days because of a knee injury and Charles Coppock was hospitalized over the weekend, but the coach said he thought they both would be ready to go Friday night.

Both Curlee and Assistant Coach Cecil Tolliver mentioned that the Longhorns could be in better shape, and that they hope to have them at top strength in the next week or so.

The Longhorns looked good, both offensively and defensively, in their scrimmage with the Eden Bulldogs last Friday. The locals

outscored the visitors by two touchdowns. Barry Curlee got loose for a long run which carried him over the double stripe, and Ronnie Johns completed a long pass from Quarterback Royce Lee and went on to pay dirt.

Curlee and Tolliver listed their probably starting lineups against Rankin as follows:

Center, Kenneth Wilkins
Guards, Lester Mayberry and Jim Morrow or Bob Strickland
Tackles, Charles Coppock and Ray Sissom
Ends, Ronnie Johns and Jimmy Wells

Quarterback, Royce Lee
Fullback, Tommy Glenn Sims.
Halfback, Barry Curlee.
Wingback, Manuel Reyes or Jerry Don Holcombe.

Other Longhorns who will probably see defensive action include Mike McKown, Lee Ray Revell, and Larry Corley.

Admission prices for the games this season will be \$1.00 for adults and 50 cents for students. Preschoolers will be admitted free.

Bobby Bingham's 55-piece High School Band will be ready to supply music during the game and at halftime. The band has been practicing for several days, and promises its usual fine performance.

BRONTE GETS GULLY WASHER

A two and a half inch rain fell here Saturday afternoon in less than 45 minutes. Water was running a foot deep on the north side of Main Street, and at least one car drowned out at the crossing of Main and Washington streets.

Evidently the down pour covered only a small area, however, as no large amounts of moisture were reported by residents of the outlying communities.

Blackwell and Oak Creek Lake reported a good rain, with some wind damage, but no appreciable amount was caught in the lake.

Rains the last few weeks have been spotted, but most parts of the area are in pretty good shape, so far as moisture is concerned.

1963-64 School Term Is Off to Good Start

Things were getting down to business Wednesday morning at the Bronte Schools, after 268 students enrolled Tuesday to start the 1963-64 term. Of the 268 enrollment, 187 were in elementary school and 81 were in high school.

Supt. C. B. Barbee said he expects the enrollment to hit 280 by next Monday. This year's total for first day enrollment was eight below 1962, the high school picked up two, while the elementary school lost ten.

Golden Age Home Nearer Reality

Matthew Caperton said Wednesday morning that he recently had a telephone conversation with Jerry J. Tidmore of Athens concerning the Golden Age Home to be built in Bronte. Tidmore has a contract to construct a home here, and expects to begin work in the near future.

Caperton, who is chairman of the Bronte Lions Club Industrial Development Committee, said Tidmore told him on the phone that he has secured a loan to finance the structure and has his plans approved by the state. However, he was sending back the original plans with some modifications for final approval.

The structure, to be located in the south part of town, and facing on Highway 277, will provide a home for elderly persons. The site for the home was furnished by the Lions Club, after donations were taken up from local persons and business firms to purchase it from Mrs. Annie Wilkins.

Caperton said he expects to hear more from Tidmore any day now.

PEP RALLY FRIDAY AT 3

First pep rally of the season will be held at 3 p.m. Friday in the school gymnasium. All students will be dismissed for the rally, and Longhorn fans are invited to attend, also. The rally will be held in preparation for the football game with Rankin.

Barbee said, "We had the usual problems of scheduling classes so each student could take all the courses he wanted, but I believe we have it worked out now so that the most students will benefit." He noted that scheduling is extremely difficult in smaller schools where the number of teachers and classes offered are limited.

COLLEGE STUDENTS, PLEASE FILL OUT BLANK IN PAPER

A blank to be filled out by students who are going to college this fall is being printed again this week in the Enterprise. It was carried in last week's paper and a number have been returned. However, it is thought that many more students from here will be attending college this fall.

If you haven't already filled out one of the blanks and returned it, please fill out the one in this paper.

Flower Shop to Move Uptown

Mrs. Hurlin Lee announced this week that Bronte Flowers and Gifts will be moved this weekend. At the same time she announced she has sold an interest in the business to Mrs. T. C. Berry Jr. of Tennyson.

The shop will be moved, if present plans work out, into the Cumbie Building between John Boyles Barber Shop and Central Drug. Mrs. R. E. Cumbie, owner of the building, has had carpenters and painters at work this week re-decorating the new home of the flower shop.

Mrs. Lee said that she and Mrs. Berry believe they can better serve their customers from a downtown location. The business has been located at Mrs. Lee's home across the street from the Bronte Hospital.

The owners said they will have a more complete announcement of their plans in next week's Enterprise.

Last year's faculty returned intact, except for two teachers. Cecil O. Tolliver replaced John Boyles as assistant coach and as a classroom teacher. Boyles is now in business in Bronte.

Miss Judith Ann Smith is new English teacher in high school, replacing John Hartsell, who is now teaching at Weatherford.

Barbee said he is well pleased with the way the new term has begun. "Students and teachers already have their work underway," he said Wednesday, "and I am grateful to each one of them for their cooperation in getting the school year started off so successfully."

BREAKS ARM

Melissa Lee, daughter of Mr. and Mrs. Royce Lee, is doing fine after getting her arm broken last Friday. She was hospitalized in San Angelo Friday and Saturday nights, but was able to start to school Tuesday.

AD-LIB-BEN

A new employee at the Enterprise office this week is Mrs. J. W. (Margaret) Martin. She will help us gather the news and other work around here. She will appreciate your calling her at The Enterprise with your local news.

The Labor Day barbecue was its usual fine success. Over 800 persons were present for the get-together. In spite of the fact that we were taught better at J-school, it appeared that "a good time was had by all."

We must pay tribute again this year to Aubrey Denman for his fine work in coordinating and carrying out the arrangements for the barbecue. We never saw an affair where so many people were handled so easily and in such a short time.

It's a shame we can't have something like this oftener than once a year. But then, if we had 'em too often, we probably wouldn't appreciate this one so much.

Having the barbecue down at the park reminded us of some reminiscing we heard Dave Brunson was doing the other day. Seems Mr. Dave helped build the lake at the park. He couldn't remember who all worked on the project, but said he did recollect that Barney Modgling and Ollie Eubans were employed.

He said he worked 54 days on the dam and lake. The project was completed March 31, 1922, he said, and the next morning, April 1, the lake was full and water was running around the spillway. He said the workers always ate their lunch about where the swimming pool is now

800 Attend Annual Barbecue

A crowd estimated at 800 strong enjoyed the annual Labor Day barbecue Monday at Bronte County Park. The annual affair is sponsored by merchants of this area and everyone is invited to attend. It was the biggest crowd ever to attend the barbecue, according to Aubrey Denman, park caretaker and supervisor of arrangements for the big feed.

Denman said Tuesday that he set out 900 paper plates before the crowd arrived, and that he felt sure less than 100 were used in serving the food. Practically none were left, so Denman figured the 800 estimate of the crowd was conservative.

Following the barbecue and a period of visiting, the crowd moved up to the swimming pool where water show was conducted under the supervision of Ann Harris and Jeanna Denman. Participating in the show were:
Beginners: Elaine Butler Leah

Barbee, Alan Barbee and Mark Lee.

Advanced: Lana Low and Janet Lee.

Intermediate: Davy Crockett, Melissa Lee, Janie Kiker, Dana Lee, Suzanne Pruitt, and Vicki Shurley.

Taking part in the diving exhibition were Wesley Murphy, Marla Lou Rees, Cathy Lawson, Tommy Grace and Jimmy Freeman.

Entered in the ballet show were Janet Lee, Vicki Shurley, Lana Low, Jeeanna Denman and Suzanne Pruitt.

In the relay races were David Denman, David Glenn, Charlie Masterson, Larry Jones and Rodney Coppock.

Tommy Grace won two races, and others participating were Roy Lee Wrinkle, Mike Wrinkle, Davy Crockett and Jimmy Freeman.

Wesley Murphy also won two races in his group. Others en-

tered were Kenneth Wilkins, Marshall Freeman and Weldon Broussard.

In the girls races, Janet Lee won twice with Lana Low and Vicki Shurley also participating.

Dressed as clowns in long handle underwear and providing plenty of laughs for the crowd were Frances Murphy, Tommy Grace, Weldon Broussard and Marshall Freeman.

nouncer for the events as they Barry Curlee served as an came up on the schedule.

Ribbons were awarded the participants. A gift of appreciation was given to Ann Harris for her volunteer work at the pool this summer and with the water show.

A Precious Commodity

In the firm belief that all of us should—occasionally, at least—pause and take stock of the way we spend our time we invite your attention to the following editorial which appeared in the Weirton Steel Employees Bulletin. In view of opening of a new school term and the fact that students have a particularly fine opportunity to use their time productively, this article should be doubly appropriate. Here it is:

"What would we do if we had a bank that credited \$86,400 to our account each morning; carried over no balance from day to day; allowed us to keep no cash in our account and every evening cancelled whatever amount we failed to use during the day?"

"What would we do? Well, most of us would draw out every cent!"

"We have such a bank, you know. We call it 'Time.' Every morning it credits us with \$6,400 seconds, and every night it writes off whatever of this we have failed to invest to good purpose. It carries over no balances.

"Each day it opens a new account with us. If we fail to use the day's deposits, the loss is ours. There is no going back. There is no drawing against 'tomorrow'."

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers here ole Khrushchev ain't bothered to claim his earnings from that stock they give him when he was in this country a few years ago. You will recollect a safety razor company give his 25 shares in their firm, said they wanted him to see how capitalism worked. A few months later a cigarette company bought out the razor firm by trading stock and old Khrusky ended up with 6 shares of stock that pays good dividends. This piece in the papers says he won't even answer their letters when they write him to find out what he wants to do with his earnings. It just goes to show that big shots in the Communist party ain't interested in earning money when they can conferscate it.

Well, Mister Editor, we didn't git much done in town Saturday, special at the national and United Nations level. Most of the session was took up by the fellers extending their sympathy to my neighbor in his family troubles. He come in complaining he was all wore out from mopping floors, scrubbing wood work, washing windows and other such tomfoolery that nobody but a woman could think up.

He told the fellers he would admit house cleaning in the Spring was a good American custom. was probable invented by Martha Washington, but his old lady was the only woman in the country that done it again in the Fall. Furthermore, he allowed, he had give up fussing with his old lady

on the Fall cleaning business. He said he figgered the day after he was married 40 year ago that if he ever got in the last word with his old lady, he'd have to outlive here and write it on her tombstone.

Our barber was of the opinion that maybe my neighbor was taking the wrong attitude in these matters. He said it hadn't been more'n two Sundays ago that his preacher told the congregation marriage was a 50-50 proposition. But my neighbor didn't think much of them remarks, said that preacher either didn't know nothing about wives or he was powerful ignorant in fractions.

Personal, Mister Editor, between me and you, I think house cleaing twict a year is UnAmerican, unhealthy, and unnecessary and ought to be agin the law, but I didn't take no part in the argument an account of not wanting any quotes to git back to my old lady. And I don't consider my neighbor no authority to speak on the subject. My Pa told me onct you could size up a marriage by looking at a feller's barn. If the barn was bigger than the house, the man was wearing the pants, and vice verser. His barn is smaller than his house, and furthermore, it's painted green. When you see a barn painted green you know somebody's old lady is picking the colors and wearing the pants.

Yours truly,
Uncle Huie

Leaders interested in Clothing will attend a training program on Friday, Sept. 6, at 1:30 p.m. in my office. These women will give their program in their local clubs at a later date. "Up to Date Clothing" ideas will be given including news in fashion, fabrics, and care of clothing.

The program being presented in the Home Demonstration clubs during September is "Pies and Desserts." I will give the program Tuesday and Wednesday of this week in Green Mountain and Bronte Sr. Clubs and in Friendship and Robert Lee on Thursday, Sept. 12. If you are interested in learning more about pie making, you are welcome to attend one of these meetings. Call me or one of the club members to find out the time and place for each meeting.

Most all women are considered to be "Curious as Cats." This curiosity in women usually shows up when they are shopping. They explore new items on the counters in foods, cleaning supplies, and others. To let you women in on a few new things you will be seeing as you shop in the near future — you will see:

1. "Twisty jewelry" in translucent nylon or gold finished steel new style key ring. It is flexible strong and has a novel disconnect lock.
2. Place mats made of vadyed burlap with vinyl film coating to make surface spillresistant. The underside is made of urethane backing which serves as a padding and as anchor.
3. Plastic eyeglass lens which weigh only half as much as glass, give clearer vision, and are almost totally free from fogging. They will not shatter nor scratch as easily as glass. The one disadvantage is they seem to be slightly higher in price.
4. Toasted cocoanut frosting mix is another convenience food. Flavorful cocoanut is toasted and blended with white creamy frosting mix. This frosting is especially tasty with the already introduced toasted cake mix.
5. Sponge cake — there is a mix now which is available and it is said to be rather like the home made ones.
6. All cotton stretch corduroy—the first all cotton stretch corduroy on the market will be seen this fall. It is a "Filling stretch" in 36 inch width.
7. Fabric reviver and brightener is said to aid effectively in whitening and brightening cotton, linen, wool, silk fabrics as well as synthetics. It is designed for use in both hand and machine laundering and imparts a light fragrance to the fabric.

Schedule

- Thursday, Sept. 5— Conference Mrs. R. L. Page.
- Friday, Sept. 6 — H. D. Leader training. "Up to Date Clothing", 1:30, Office.
- Monday, Sept. 9 — Office.
- Tuesday, Sept. 10 — H.D. Council 2 p.m., Conference Room.
- Wednesday, Sept. 11 — Office.

Mr. and Mrs. Allen Bryan, Cindy and Kathy of Kermit visited over the weekend in the home of Mrs. Bryan's parents, Mr. and Mrs. G. D. Lockett. Also having Sunday dinner with the Locketts were their other children and their families: Mr. and Mrs. Bill Lockett, Debbie and Joey, Mrs. J. I. Murtishaw, Johnny and Ginger, Dewey and Dale Lockett, all of Bronte, and Mr. and Mrs. A. J. McDaniel, Betty and Glenda of San Angelo.

WSCS TO MEET WITH MRS. C. E. ARROTT

The WSCS of the Methodist Church will meet Sept. 9 with Mrs. C. E. Arrott. It will be the first meeting of the group in the last two months. The study will be on "Missions" with Mrs. Emma Sims bringing the program. Mrs. H. M. Stevens will give the devotional.

County Agents News Column

By STERLING LINDSEY

The latest screwworm report shows a slight increase in the number of cases, but is still encouraging. Sixteen cases were confirmed during the reporting period, an increase of three cases from the previous week.

Coke County, we are pleased to be able to report has had no cases confirmed in several weeks. Maybe the fall buildup can be avoided this year. We sure hope so.

An oddity of the program is that New Mexico for the past several weeks, has had more cases of worms confirmed than Texas. The situation is improving there, but 61 cases confirmed during the period Texas sustained the 16 cases.

We do not have a field man doing Brucellosis testing at the present time. Mr. Gruben is now working in Canyon. Dr. R. M. Zirkle, Area Veterinarian, stated a man will be assigned to work in Runnels and Coke Counties in the very near future. We will continue scheduling work if you wish to get your name on the list. A tester can be secured from one of the other counties if it becomes necessary.

Several club members have placed lambs or breeding sheep on feed for the coming show season as their 4-H project. A few more will be added to the list as lambs can be secured. Also, a number of club members will participate in the commercial ewe-lamb program if suitable lambs can be found.

The club members feeding at the present time are Ronnie and

Donnie Devoll, Jimmy, Ronny and Marcia Varnadore, John, Kathy and Jay Service, Buzzie Wojtek, Edwin Lindsey, Bucky Sparks and Barbara and Connie Blaylock, of the Robert Lee Clubs.

Bronte club members feeding sheep are Bob Wells, Jerry Parker, Danny and Paulia Parker, Wesley Ash, Roy Lee Baker and Nicky and Mike Arrott.

Several club members are feeding calves with which they will enter the Stock Show competition. Calf feeders are Maxie and Jo Alice Evans, James Bird Pentecost, Darrel and Sheri Pitcock, Harvey Wink and Sharon McCutchen of Robert Lee clubs and Johnny Berry and Mary Jane Morrow of Bronte. We expect some fine animals and spirited competition from their efforts.

RETURN FROM TRIP

Mr. and Mrs. O. L. Pittman returned Monday from a trip that carried them to Oklahoma, Kansas, Nebraska and Wyoming. Mrs. Pittman said they particularly enjoyed visiting Casper Mt. National Park in Wyoming. They returned through Denver, and stopped to spend the night in Amarillo with their son, Lawrence, and family. Their daughter, Mrs. Patsy Nelson, Randy and Tammy, returned to Texas with them.

WORK ON OLD CITY HALL

W. H. (Bud) Maxwell, who purchased the old city hall building was having some work done on it this week. Part of the front has been torn down, for reasons of safety, Maxwell said. He added that he hopes to start work soon on remodeling the building and the one on the corner adjacent to the old city office.

BAND BOOSTERS START MEMBERSHIP DRIVE FRIDAY

Longhorn Band Boosters organization will begin a membership drive Friday and will have a booth set up at the football field Friday night. Memberships are 50c each and everyone is urged to come to the Bronte-Rankin game prepared to join the organization.

The Bronte Longhorn Band, under direction of Bobby Bingham, is larger this year than in many years, with about 50 members. Mrs. Norman Kiker, president of the Band Boosters, said more uniforms may need to be ordered and other equipment is needed. Other money raising projects will be undertaken during the year.

The Longhorn Band will make its first public appearance of the season at the Bronte-Rankin football game Friday night.

SLUMBER PARTY

Lisa Morrow, assisted by Dorothy Ruth Martin and Mrs. J. W. Martin, hosted a slumber party Friday night, Aug. 30, at the Jacob Morrow cabin at Oak Creek Lake.

Hot dogs, watermelon, cold drinks, bean and cheese dip were served to:

Janie Collins, Kreta Kiker, Ginny Perry, Janet Lee, Frances Glenn, Melody Holcombe, Sharon Mackey and Laura Morrow and Charlotte Cate and Jonila Harris of Blackwell and the hostesses.

Two Ordinances Recently Approved By City Council

Bronte's city council recently has passed two new ordinances. One of them, concerning allocation of tax money to various funds is being published in this week's Enterprise. The other, which will regulate the operation of pool and billiard tables in the city, was published last week.

The tax ordinance sets the city rate at \$1.40 per \$100 valuation and allocates the money as follows: 54 cents to the general fund; 20 cents to the police fund; 16 cents to the street and alley fund; 10 cents to the fire department fund; 40 cents to the special sanitary sewer system fund.

The pool hall regulations set up a license fee of \$100 for each location where pool or billiard tables are operated and an annual tax of \$2.50 for each table operated.

The new city law also sets up rules for hours of operation, prohibits the use of alcoholic beverages in pool halls and sets up penalties for violations of the provisions of the ordinance.

Necessity for writing the ordinance was brought about by the passage by the last session of the Texas Legislature of a new law legalizing pool halls in the state.

JUNIOR HIGH CHEER LEADERS ELECTED

Junior high cheer leaders were elected by the seventh and eighth grades Tuesday. From the eighth grade were chosen Lisa Morrow, head cheer leader, Janie Collins and Kreta Kiker, and from the seventh grade, Melody Holcombe and Janet Lee were elected.

These girls will lead the pep squad at all junior high ball games which will be played on Tuesdays this year.

Land Wanted

Have buyers for land in Coke and adjoining counties. Need some attractive small places of 40 to 80 acres with water, with or without improvements. Can sell larger tracts of 160 acres, half sections, 640 acres and larger. If you want all cash you can get it. Or perhaps you would prefer to carry back a mortgage for most of the sale price and collect more interest than you are getting in rent money.

GLAD TO TALK WITH YOU ANY TIME.

A SERIOUS PROBLEM—

Insurance is our business, and we would like to invite your attention to a matter which we all need to think about in order to INSURE the future of our town.

In the last few years we have lost a number of business firms, and we are in serious danger of losing others unless we give them our patronage and support. None of us wants this to happen, for it is mighty convenient to be able to buy the things and obtain the services we need right here.

Your local merchant is your friend; he will help you when you need it; he supports your town, churches and school; he deserves your business.

World War I Vets Meet Saturday At Robert Lee Park

Coke County Veterans of World War I and their ladies will hold a fall meeting in Robert Lee next Saturday, Sept. 7.

Featuring the gathering will be a dinner at noon at the air conditioned community building at the County Park. Froggy's Cafe will serve the fried chicken dinner and ladies have been requested to bring pies or cakes. Everything else will be furnished by the entertainment committee.

Serving will begin promptly at 12:00 noon while a visiting hour has been announced prior to the meal.

Special guests will be Robert L. McCall of Lone Grove, newly elected district commander; Mrs. Velvie Snyder of San Angelo, district president of the Ladies Auxiliary; Leon Thomas of Ballinger, district senior vice commander; and Arthur Sitas of San Angelo, tri-county veterans service officer.

Letters have gone out inviting all World War Veterans of Coke County to attend the meeting in Robert Lee next Saturday, and persons planning to be present are requested to make reservations in advance.

Approximately fifty Veterans of World War I reside in Coke County, and the county organization reported 37 members last year. Five have died since the local barracks was organized three years ago.

H. O. Whitt of Bronte, retired Santa Fe agent, is commander of Coke County Barracks No. 2409 Veterans of World War I U.S.A. The quartermaster and adjutant is A. J. Kirkpatrick of Robert Lee, former newspaper publisher.

Kirkpatrick stated early this week he expects a good turnout Saturday. There will be no charge for the noontime meal and he believes the veterans will find daytime meetings more to their liking than getting out for night meetings.

PERSONALS

Hunting Season Arrives, Don't Be a Statistic

A report on hunting casualties for the ten-year period from 1951-60 was recently completed by the National Rifle Association. To secure uniformity in accident reporting, NRA printed forms which were circulated to all conservation agencies in Canada and the United States who desired to cooperate in gathering the data.

The report stated that 99 per cent of the hunting casualties involved were male. The majority of them were 20 years of age or older and more than 70 per cent of them had three years or more hunting experience.

In reporting the relationship of the casualties to the type of hunting, it was found that about 40 per cent of the casualties occurred while the shooters were hunting small game (rabbit, squirrel, woodchuck, etc.); approximately 25 per cent while hunting land birds (quail, pheasant, dove, etc.); a fourth while hunting deer, and about seven per cent while hunting waterfowl.

Casualties were reported for almost every hour of the day and night. The incident rate, however, reached its peak between 1:30 and 4:30 p.m.

Shotguns accounted for most of the casualties (60 per cent). Rifles at 36 per cent were second and handguns were third at less than four per cent.

In each of the 10 years covered by the report, more than half of the casualties occurred while the shooter "did not intend to discharge his firearm." In the cases where the discharge was unintentional, approximately 60-70 per cent happened when visibility was clear; 55-65 per cent were in light or open cover; and approximately 40 per cent of the victims were wearing bright-colored clothes.

A simple safety rule to follow while hunting is "be sure of yourself, be sure of your weapon and be sure of your target."

Mrs. Carroll Leathers, John Robert and Ann and Mike Herron, all of Odessa spent the weekend with Mr. and Mrs. R. H. Herron.

MR. AND MRS. SAM GRAY

MR. AND MRS. SAM GRAY HONORED WITH PARTY ON GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Sam Gray recently observed their Golden Wedding Anniversary at their home here in Bronte. The couple's son-in-law and daughter, Mr. and Mrs. Dawson Coleman of Miles, entertained friends and relatives with a yard supper and party to celebrate the occasion. The supper was served in the yard under gold toned latterned lights and the dessert table was in the dining room. The table was in gold and white with table appointments in milk glass and crystal. Gold and white floral arrangements were in vases and containers that were gifts fifty years ago.

Special guests were Mr. and Mrs. Tom Paschal of Ballinger, Mrs. Gray's sister, who was present for the wedding in Ballinger. Other sisters present were Mr. and Mrs. G. C. Stevens of Colorado City and Mrs. Quida Bailey of Miles; a brother present was I. A. Hadly and Mrs. Hadley of San Angelo.

Mrs. Gray is the former Lucy Hadley. She was reared in Ballinger. Mr. Gray was born in Mississippi, but came to Texas at an early age and was reared in Rowena, where the couple lived soon after their marriage. They moved to Bronte in 1922 where they have since lived. Mr. Gray is actively engaged in stock farming.

Mrs. Coleman, only child of the couple, teaches homemaking in the Miles school and her husband is vocational agriculture teacher. Their only grandson is Randal Gray Coleman.

Other relatives and friends present for the supper included: Mr. and Mrs. Wilburn Bailey, Mr. and Mrs. Dick Hadley and daughter of Paint Rock; Mr. and Mrs. August Haetcher and son, Mr. and Mrs. George Coleman, Mr. and Mrs. Richard Coleman and Mr. and Mrs. Albert Schwertner of Miles.

Also Mr. and Mrs. Paul Goodlet and sons of Wichita Falls and Mr. and Mrs. Tex Ward of San Angelo.

Those from Bronte were Mrs.

Bonnie McAuley, Mrs. Dora Jones, Mr. and Mrs. Louis Galloway and Robert, Mr. and Mrs. W. W. Ivey, Beth, Rocky, Rhonda and Carolyn, Mr. and Mrs. Huck Dismore, Mr. and Mrs. R. H. *A Message from
Your Hospital*

Contrary to public opinion, hospitals just don't make money. Most hospitals are the result of gifts, foundations and the County, State or Federal governments. We pay School, City and County, and Federal taxes.

If you think that we overcharge, just compare our bills with other hospitals. In larger cities, you are MADE to make financial arrangements before or after you leave the hospital.

Our policy has been always to take equally good care of those who can't pay and those who can, to the best of our ability. Never has a patient been refused care because of financial reasons. This will continue to be our policy. Those of you who owe us, and there are many hundreds of thousands of dollars of unpaid bills on our books) could and should make some kind of arrangement with the business office. Many of you can afford to pay us but you just don't get around to it.

This is no plea for money to keep the hospital going and it is no recent problem. This has been going on for over 15 years. It is merely a reminder that your hospital bills are just as important as the water bills, light bills and grocery bills.

Pat and Bob Johnson prepared the barbecue, while a large group of business men and others joined in to mix the salad, help with the serving and assist in other ways they could to make the barbecue a success.

Denman asked the Enterprise to convey his thanks to all the merchants and others who helped in any way to make the barbecue so successful. "This barbecue is truly a community affair," Denman said, "and if we didn't have the wholehearted support of everyone, it simply wouldn't go over."

The crowd seemed to be of the opinion that the annual celebration should be continued.

GARY ALLEN BETTER

Gary Don Allen, who was injured last week in football practice, was reported Wednesday as being much improved. Bob Strickland came by the Enterprise office Wednesday afternoon and said he had just come from a visit with Allen. He reported the tubes had been removed from the injured boys stomach and that he was feeling fine. It was reported that he will have to stay in the hospital several more days. He is being treated at St. John's hospital in San Angelo, where he underwent surgery last week.
