Capertons to Display New Chevrolets at Open House

Caperton Chevrolet Co. is planning a big occasion today (Thursday) when the new 1964 Chevrolet passenger cars and pickups will be on display. The Bronte agency plans to have six new passenger cars on hand for showing as well as three 1964 commercial vehicles.

Included in the new autos to be shown will be three regular Chevrolets, a Corvair, a Chevy II, and the new Chevelle, which is making its debut today in showrooms across the nation.

Matthew Caperton, co-owner of the local firm, said that free coffee and doughnuts will be served all day Thursday, and that a large supply of free gifts for everyone will be handed out to visitors. They will have balloons and candy for kids, and perfume, pot holders, bottle openers and other gifts for grown ups.

The new automobiles will be on said, but refreshments and free display Friday, also, Caperton gifts will be available Thursday only.

Caperton said he and his father, E. L. Caperton, the other owner, are proud of this year's line of new Chevies. "With the addition of the new Chevelle," he said, "we have a very complete line of all prices of cars to offer our customers."

AD-LIB-BEN

A couple of events of interest to all residents of this area are coming up today.

New model Chevrolet automobiles will be on display at Caperton Chevrolet Co. all day. If the new cars arrive as planned, six models will be on display. As usual Capertons will serve free coffee and doughnuts all day and hand out a barrel full of free gifts to their visitors.

Another event which is scheduled for today, 1:30 to 6:30 p.m., is the open house at West Texas Utilities Co's Oak Creek power plant. The newest and most modern generating plant in West Texas will be open for your inspection. The company spent about \$10 million on the plant and they are proud of it. They want you to visit them, take a guided tour of the plant, enjoy their refreshments, and become acquainted with the 19 persons who work there.

Both these open house events will be worth your time, so take advantage of them.

Ronnie Lee got to take off his neck brace Tuesday. We haven't seen him, but it must be a welcome relief to the high school junior. Ronnie received a neck injury early last season playing football, and has had to wear the collar-like support for over a year. His father, Clyde Lee, said the doctor told them Ronnie should be completely recovered from the injury in another year.

We get some strange requests. A short time ago a letter came from a school girl in East Texas requesting a sample of dirt from Coke County. She sent a plastic bag to hold the dirt and said she was trying to get soil samples from each of Texas' 254 counties. She probably has all of them but our county, but we are going to get around to sending her some Coke County dirt this weekend.

A press release from the Chevrolet Motor Division of General Motors Co., tells the story of the 1964 automobiles, giving the following information on the complete line:

Chevrolet — virtually certain of setting an all-time sales mark in 1963 — intends to continue this success in 1964 by offering the widest choice of automobiles in its history.

Introduced in Chevrolet dealerships on Thursday, Sept. 26, will be 43 new models in five distinct sizes, ten more models than Chevrolet offered in 1963 and the greatest number the division has even offered in a single year.

Included will be the industry's only all-new car for 1964 — the Chevelle. This much discussed combination of beauty, quality, performance and distinction is

SCOTCH THREESOME SET

A Scotch threesome golf match is scheduled for Sunday at the course at Bronte Park. The golfers will tee off at 1:30 p.m. The match will be carried out just like the contest which was held on Labor Day.

Anyone who is interested in participating in the match should sign up with John Boyles as soon as possible, in order that the teams may be evenly matched.

A 25c entry fee will be charged and golf balls will be awarded the winners.

SCOUTS ON CAMPOUT

Fifteen Boy Scouts and their scoutmasters had a campout on the Colorado River last weekend. The scouts pitched camp on Clyde Lee's place at the mouth of the Kickapoo Creek, southwest of town.

The campers went out Friday evening, remained all night, all day Saturday, and returned to Bronte Saturday evening after supper. Scoutmasters D. K. Glenn and Conda Richards accompanied the troop.

SHOWER WEDNESDAY

Bronte residents awakened Wednesday morning to the rumble of thunder when a small rain shower fell here about 5 a.m. Cloudy weather and cool temperatures prevailed up till noon Wednesday. Forecasters predicted the cool spell would continue through Thursday with more showers possible.

Game Association Barbecue, Program Set for Saturday

Bronte County Park will be the scene for the annual barbecue and program of Coke County Game Management Association. The affair will get underway at 5 p.m.

A. Z. Denman, president of the association, said that food is being prepared for a large crowd and all land owners in the county as well as others interested in game management are invited to attend. Price for tickets to the barbecue will be \$1.00 per person. This price includes annual membership dues in the association.

On the menu for the supper will be barbecue, beans, salad, onions, pickles, bread, tea and coffee.

A program will be presented by Game Warden Henry Burkett following a short business meeting. He will be assisted by County Agent Sterling Lindsey.

Denman urged everyone who is interested in hunting and game management to attend the barbecue and program. A special invitation was issued to new members.

JAYCEE GROUP PLANNED HERE

A number of younger men of the community have been discussing the organization of a Junior Chamber of Commerce for Bronte. The men are tentatively planning a meeting to discuss the matter for next Thursday night, Oct. 3.

More complete details will be carried in next week's Enterprise.

Anyone who is interested in joining a Jaycee group may get more information by contacting James Pitts, John Boyles, Don Glenn or Wayne Dunnam.

New Barber Shop To Open Monday

Benny Jacobo will open a new barber shop in Bronte Monday. The shop will be located in First National Bank building in the office formerly occupied by Spears Chiropractic Clinic.

Jacobo was born and grew up in Bronte. He attended barber school in Fort Worth and has worked in San Angelo and Ballinger. He said he will specialize in flat tops.

The new barber is not married and is living with his grandparents, Mr. and Mrs. Albino Gutierrez.

Public Invited to Inspect WTU Power Plant

The general public is invited to attend an open house and visitation day Thursday afternoon (today) at the new Oak Creek power plant of West Texas Utilities Co. Hours when visitors will be conducted through West Texas' newest power plant will be from 1:30 to 6:30 p.m.

Located on Oak Creek Lake, between Bronte and Blackwell, the new plant is 11½ miles north of here and 3½ miles south of Blackwell.

The plant's chief engineer, R. E. Patton, has issued an invitation to all West Texas families to visit the plant and see how electrical energy is generated. Patton said guided tours will be conducted for visitors. Each tour will be conducted by power plant personnel who can answer questions con-

cerning the plant and its operation.

Patton said the visitation day is to be an informal affair. Refreshments will be served to visitors and plant employees said they are hopeful the guests will remain on the grounds to meet and visit with plant personnel.

The Oak Creek plant is located about midway between Abilene and San Angelo, two of WTU's largest outlets for electrical energy. The plant is connected with the two cities and with Ballinger by 138,000 volt transmission lines, which also hook up with the company's six other power plants.

"The Oak Creek plant is the very latest in design and engineering," Patton said. It was completed last year at a cost of approximately \$10 million.

Longhorns at Home Friday, Play Rochelle

With one tie and one loss behind them, the Longhorns are hoping for their first 1963 victory Friday night when they host Rochelle in a non-district football game.

The Longhorns should be in good shape for the game as they had an open date last week, with ample time to lick their wounds and prepare for this week's contest. Barry Curlee who suffered an injured shoulder in the Ozona game, still will not be up to par, but may see limited offensive action, according to Coach N. M. Curlee.

J. T. Henry Will Teach Course on Civil Defense

A six session course on what to do during disasters, both natural and man-made will begin at Bronte School Tuesday, Oct. 1. The course will be taught by J. T. Henry, Bronte vocational agriculture instructor.

Experienced disaster workers contend that in times of stress, often as many as half the casualties are needless. They are caused by people who do foolish, illogical things or who don't know what to do. This course is designed to prevent these needless casualties, Henry said.

The classes will each be two hours long, and following the opening session, will be held on Oct. 3, 8, 10, 15, and 17. They will be conducted in the teachers workroom at Bronte School.

A television set is being installed in the workroom for use in conducting the classes. Parts of the course will be telecast over stations at Lubbock, Big Spring and Sweetwater, and following the telecast the more than 100 schools participating will continue classes at the local level.

Anyone who wishes to enroll for the course should meet at the workroom at 4 p.m., Oct. 1.

The course will cover basic, common sense measures to be taken during calamities. It has been described as a course for "people who want to live to a ripe old age regardless of what happens." Some of the questions to be answered in the course are: "Is it possible to survive radioactive fallout?" "Would we get any

Kickoff time is 8 p.m.

The powerful Robert Lee Steers are still head and shoulders above all other District 8-B contenders. The Coke County capital team was rated by sports writers as the No. 1 B team in Texas last week. Last Friday's 44-14 victory over Melvin shouldn't do much to low-

Mother's Night Ceremony
Mother's Night will be observed this Friday night at the football game. Ceremonies will be conducted as pre-game activities, therefore it is necessary that the mothers of football boys be at the field at 7 p.m. in order to receive instructions.

Annual Father's Night will be held at the Oct. 18 game with Hermleigh here. Fathers will be asked to be at the field at 7, since that game will be played at 7:30 p.m.

er the Steers' standing. They have amassed 122 points in three outings to their opponents' 21. This puts them a good bit ahead of the next district contender, the Loraine Bulldogs, who have scored 34 points this season, and the third ranking Longhorns with their 20 points.

Last Week's Results
Besides Robert Lee's 44-14 win from Melvin, District 8-B teams went down to defeat. Ropesville slipped by Loraine, 20-14, and Jim Ned outscored Trent 6-0.

This Week's Schedule
In this Friday's 8-B games, Bronte will host Rochelle, Robert Lee travels to Sands, Trent will play at Roby, Loraine will go to Wylie, and Hermleigh will visit Rule.

Probable Starters
Probable starters in the tilt with Rochelle are: both offensive and defensive, Charles Coppock, Glenn Sims, Jimmy Wells, Jerry Holcombe, Ron Johns, Jim Morrow, Royce Lee and Manuel Reyes; offensive only, Lester Mayberry, Ray Sissoms and Kenneth Wilkins; defensive only, Mike McKown, Larry Corley and Carl Dunklin.

Shorthorn Games Moved Up a Day

All remaining games on the Shorthorn schedule have been changed from Tuesday night to Monday night, according to an announcement Wednesday morning by Supt. C. B. Barbee. The change was made at a meeting of coaches Tuesday night at Trent. Time for all remaining games was set for 7 p.m.

Reason for the change is to give coaches more time on Tuesday to work with their high school squads. They had to conclude Tuesday practice sessions early, in order to make out of town junior high games.

The schedule change will put the Shorthorns' next game Sept. 30 at Trent. Dates on schedules should be moved back one day on all remaining games.

Club Meeting Changed
Meeting date for the Longhorn Booster Club for next week has been changed to Tuesday night, because of the Shorthorn schedule change. The matter will be discussed at next week's meeting and a date set for other club meetings during football season.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I was reading a piece in the papers where one of them Wall Street experts was advising folks to "build a second income." He was claiming the national economy was getting to the place where one wasn't enough.

This feller must have got lost crossing the New Frontier because we been in that fix fer a long time now. It got started back during the second World War when Sadie took a job on the swing shift to help out on the war effort. When the war was over, prices got so high that Sadie had to stay on the swing shift to help her old man make both ends meet.

Fer instant, I saw some figures the other day where six married wimmen out of ever 100 was holding down jobs in 1940 and now 38 out of ever 100 was working full time helping with the family expenses, and they was predicting that in another 10 year about three-fourths of all married wimmen in the nation would be coming home with a payroll check.

Farthermore, it ain't only the wimmen folks that is working on this "second income" project. I was reading a piece from the U. S. Labor Department that announced they was 3 million men in this country holding down one full time job and one part time job, and another 75,000 was holding down two full time jobs, working 8 hours on one and doing another

8 hours somewhere else.

I was raised up in the old school. Mister Editor, when a woman's place was in the home, as the old saying goes, but with the taxpayers trying to keep up with the interest on a \$300 billion debt, old fashioned field tomatoes costing 25 cent a pound, and a pair of \$2 shoes costing \$18, most wimmen staying in the home ain't going to have no home very long.

This "second income" is a way of life that's been sneaking up on this generation of Americans, and ain't had much publicity, but it is coming full bloom and this feller from Wall Street is way behind the times.

Incidental, this new "equal pay" fer wimmen law the Congress passed to liable to force more men into the two-job column. I was reading where one manufacturer claimed it cost 30 per cent more to hire wimmen than men, on account of wimmen being absent so much and on account of the constant turnover in wimmen employees. He allowed as how his firm was cutting way down on hiring wimmen and replacing 'em with men.

This makes sense to me, Mister Editor, but it didn't register with my old lady. She says she aims to write her Congressman about it. With me and her both gitting off a letter to Washington about onet a week, I'm expecting to git a subpoena to appear before the Commieess on Un-Americanism or something.

Yours truly,
Uncle Huie

Chevrolet offers 43 models for '64

For 1964, the Chevrolet Motor Division will offer a total of 43 models in five separate passenger car lines. Each line is distinguishable by its own styling and wheelbase. Above, reading down: the 108-inch wheelbase Corvair Monza Coupe; 110-inch wheelbase Chevy II Nova 4-Door Sedan; the newest car in the Chevrolet family—the Chevelle Malibu 4-Door Sedan which has a wheelbase of 115 inches while the Chevrolet Impala Sport Sedan is built on a 119-inch wheelbase. Not shown is the Corvette Sting Ray which sports a 98-inch wheelbase. Chevrolet dealerships will have a representative showing of all models when the new cars are introduced September 26.

CAPERTON CHEVROLET TO SHOW NEW '64 MODEL CARS THURSDAY

Continued from Page 1

sized between the regular Chevrolet and Chevy II.

All Chevrolet's five lines of 1964 cars have styling and engineering improvements which — teamed with the increase in models and options — allow the customer to tailor a car to his particular requirements as never before.

"Car buyers today like diversity," Seman E. Knudsen, Chevrolet general manager, declares. "They like to be able to choose cars from a wide selection of sizes, styles and performance characteristics."

Following are the highlights of the five members of Chevrolet's 1964 "family."

REGULAR CHEVROLETS — Extensive new styling is evident in the regular Chevrolet line, again stressing the big car luxury which has made it so popular.

A Super Sport series featuring bucket seats and special interior and exterior appointments in both a convertible and sport coupe has been added, bringing the total models of regular Chevrolets to 15 in four series.

Although over-all dimensions are the same as in 1963, the regular Chevrolet has a longer, wider look created by new flowing side lines and a smooth, broader styling of front and rear ends.

Crisp, distinctive exterior moldings and interior appointments distinguish between the Super Sport, Impala, Bel Air and Biscayne series.

The new models feature new interior trim styling and materials, yet retain the built-in convenience, luxury and durability traditional with Body by Fisher.

All of Chevrolet's advanced 119 inch wheelbase chassis features are continued for 1964, including X-built Safety-Girder frame, full coil suspension, self-adjusting safety-master brakes, high capacity electrical system with Delcotron generator and long-life exhaust system.

Seven engines rangin from 140 to 425 horsepower will be offered. Optional for the first time on 409 cubic inch engines is a full transistor ignition system. Four transmissions will be offered and the four speed Synchro-Mesh includes refinements for smoother shifting and greater durability.

CHEVELLE — Chevrolet's new automobile line embodies a distinctive styling and will be offered in 11 models in three series — the top-of-the-line Malibu Super Sport, the Malibu and the 300.

Quality and vehicle width are stressed in the front end design which makes use of dual headlights and horizontal grille bars. Side treatment is clean and a peak line which carries throughout the car gives a look of length.

A special feature of the Chevelle body is the use of curved side windows to give a lower look. A wide instrument panel is part of the distinctive interior styling.

Built on a 115 inch wheelbase, the chassis is completely new, featuring a perimeter frame. Front suspension makes use of coil springs and rear suspension is of the cold spring four link type.

Four different transmissions are available.

CHEVY II — In its third year on the market, the Chevy II continues its blend of small car handling, roominess, economy and good taste in a total of six models in two series — the Nova and the 100.

Basic styling personality is continued, but there is added beauty through refinements in the grille, side moldings, emblems and hub caps and more luxurious interiors.

A V8 engine will be offered for the first time as an extra-cost option on all models. With the V8, the customer may choose either standard three-speed, optional four-speed or Powerglide transmissions.

Two six-cylinder engines at 120 or 155 horsepower will be available in all Chevy II models. The economical four-cylinder 90 horsepower engine will continue to

be available in the two- and four-door sedans of the 100 series.

An important mechanical feature on all Chevy II models will be new, larger 9.5 inch self adjusting brakes to give greater margin of stopping safely.

CORVAIR — Entering its fifth year, the Corvair will continue its place in the Chevrolet lineup by appealing to a group of buyers who like something sportier and less conventional in a small car.

A Monza Spyder series comprised of a top-of-the-line convertible and club coupe is added for 1964, bringing the total models to seven in four series — the Monza Spyder, Monza, 700 and 500 series, plus two Greenbrier Sports Wagons.

All Corvair models will feature a new larger displacement 164 cubic inch engine that delivers higher performance and top economy. The new engine retains six-cylinder air-cooled design. Horsepower ranges from 95 to 110 to 150.

CORVETTE — America's only sports car — fresh from its most successful year in 1963 — continues the famed design of its two Sting Ray models, the convertible and the sport coupe for 1964. The Corvette combines the driving and handling enjoyment of a genuine sports car with the luxury and convenience most owners want.

Improvements include a full view rear window on the sport coupe and better noise isolation, improvements in ride, handling and performance on both models.

Blackwell Homecoming Set for Saturday

A home coming is scheduled for Saturday at Blackwell High School. Bob Ragsdale, president of the Homecoming Association, said activities will start with a business meeting at 3 p.m., with supper being served from 4 to 6 p.m. by the senior class.

A football game between Blackwell and Lueders will get underway at 8 p.m. to conclude the days activities.

Everyone is invited to attend, Ragsdale said.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Lions Club Ladies Night

Monday night was ladies night when the Blackwell Lions met at the school cafeteria. R. E. Patton, president, welcomed the guests.

E. J. Grindstaff of Ballinger, deputy district governor, introduced the District Governor, Louis D. Carothers of Big Spring. Mr. Carothers talked on Lionism and the many things the Lions Clubs have done everywhere.

Dan Nowlin, highway patrolman from Abilene, talked on the new speed laws and where they were effective.

Ice cream and cake were served. Other out of town guests were Harvey Robertson, zone chairman, of Sweetwater. Mrs. Louis Carothers of Big Spring, Dr. Bruce Johnson and Albert Caswell, both of Lorraine.

Injured in Accident

Kaye Scott, daughter of Mr. and Mrs. Raymond Scott of Blackwell, sustained a neck injury at 6:50 p.m. Saturday when her car went out of control and went into a ditch between Blackwell and Hylton. She was taken to Simmons Memorial Hospital in Sweetwater. She is employed in Abilene as receptionist, bookkeeper for Lee Optical Co. and was driving home to Blackwell for the weekend.

Mrs. W. C. Shamblin received word Saturday of the death of her brother, Hill Jones, in Phoenix, Arizona. Mr. Jones was reared in Blackwell.

Mrs. Walter Johnson is visiting relatives in Deming, New Mexico. Hill Stapp is ill in the Simmons Memorial Hospital in Sweetwater.

Mr. and Mrs. Jennings Lewis attended funeral services for his mother, Mrs. Temp Lewis, in Lubbock last week.

Mrs. Maude White is visiting relatives in Midland.

W. C. Shamblin is ill in the Bronte hospital.

First Euterpean Meeting

Mrs. P. G. Dabney was hostess for the first fall meeting of the Euterpean club. Mrs. R. Q. Spence was co-hostess. Mrs. L. W. Sweet, president, welcomed the members and one visitor, Mrs. Neta Neal of Mississippi. Mrs. Sweet presented Mrs. Frank Brownfield, outgoing president, with a gift. Mrs. Dabney was leader for the program on music.

Mrs. W. C. Shamblin was narrator for the program "Life's Early Morning to Twilight's Following Dew", with Mmes. O. T. Colvin, B. R. McCarley, L. W. Sweet, H. C. Raney, Ernestine Harris, R. E. Patton and W. A. Hickman.

A refreshment plate was served to those mentioned and Mmes. Lee Alderman, James Cate, R. V. Copeland, Kay Corley, Josie Hipp, Austin Jordan, Roy Sanderson, W. W. Youngblood, Chas. Ragsdale and Miss Bertha Smith.

Blackwell-Leuders Game Here

Blackwell boys will play Leuders at Blackwell Saturday night, Sept. 28, for the Homecoming game. The Homecoming will begin at 3 in the afternoon. The senior class will sell barbecue plates before the game. Everyone is invited to attend.

Several ladies from First Baptist Church attended a District Workshop at the Coggin Ave. Baptist Church in Brownwood last Thursday. Those attending were: Mmes. Chester Harwell, Otis Smith, A. Z. Denman, Olive Kennedy and Lake Smith.

Mrs. Luther McCutchen spent last weekend in Abilene with Mr. and Mrs. Jerry McCutchen, and Mr. and Mrs. Larry Abbott.

New Tax Exemptions

Mr. and Mrs. Eddie R. Braswell of Colorado City are parents of a new son born Sept. 14. He has been named Sterling Ray and weighed seven pounds, six ounces.

Grandparents are Mr. and Mrs. G. A. Braswell and Mr. and Mrs. Melvin Childress of Robert Lee.

SCHOLARSHIP TEST WILL BE GIVEN JUNIORS MARCH 10

Seventeen members of Bronte High School's junior class will take National Merit Scholarship tests Mar. 10, 1964, Supt. C. B. Barbee announced this week. The tests and scholarships awarded each year are sponsored by various organizations, corporations, labor unions and individuals.

Announcement of the results of tests are usually announced in May.

A FEW ANNUALS LEFT

The Bronte school annual staff has a few copies of the 1962-63 yearbook on hand, and any person who would like to have one may purchase it at the regular \$4.00 price.

Anyone interested in securing an annual may see a member of the staff or Mrs. Bill Luckett, faculty sponsor.

PEP RALLY FRIDAY

A pep rally will be held in the school gymnasium Friday at 3 p.m. in preparation for the Longhorn encounter with Rochelle on the football field Friday night. The public is invited to attend.

4-H CLUBS MEET TODAY

Meetings will be held today (Thursday) at 8:10 a.m. for 4-H Club members. The meetings will be for all members and prospective members.

Lunchroom Menus

Lunchroom menus for Bronte school are as follows:

Monday, Sept. 30

Barbecue on bun, potato salad, pork and beans, pickles, coconut cake, milk.

Tuesday, Oct. 1

Fried chicken and gravy, rice, peas and carrots, lettuce and 1000 island dressing, rolls and butter, stewed fruit.

Wednesday, Oct. 2

Corny dogs, pinto beans, salad, cornbread and butter, fruit cobbler, milk.

Thursday, Oct. 3

Meat balls and spaghetti, green beans, tossed salad, rolls and butter, cookies, and milk.

Friday, Oct. 4

Oven-baked chicken, creamed potatoes, peas, salad, rolls and butter, jello.

PLAN FALL FESTIVAL

Bronte residents are invited to attend a Fall Festival Oct. 10 at Sacred Heart School cafeteria and gym in San Angelo, according to an announcement made this week by Father Irvin Gehring, pastor.

Included in the activities will be a turkey and home made sausage supper from 5 to 8 p.m. and carnival type activities. A dance will be held at 9 p.m. Dinner tickets will cost \$1.50 for adults and 75 cents for children under 12. Proceeds will go to benefit the Sacred Heart Catholic Junior High School.

Cactus Cafe has been closed this week because of the illness of Pete Nutter. Mr. Nutter has been under treatment at Bronte Hospital and said he hoped to be able to reopen the cafe Thursday.

County Agents News Column

By STERLING LINDSEY

The Coke County 4-H clubs will have six entries in the Sears swine show to be held at the San Angelo show grounds Saturday. Completing for honors will be Mike and Larry McKown, David and Richard Scott, all of Bronte and Edwin Lindsey of Robert Lee, with entries in the gilt show. Sharon and Rebecca Walker will have an entry in the Store Area Boar contest.

The showing will begin at 10 a.m. with the county gilt shows. Tom Green, Runnels and Coke county gilt entries will be judged. Winners of these three contests will be joined by entries from San Saba and Glasscock counties in competition for the store area honors. Judging will be concluded with the area boar show. Lovell Kuykendall, assistant county agent of Howard County, will judge the various classes. Ribbons and prizes will be awarded in both the county and store area shows. Anyone desiring to watch the showings is welcome to do so.

I hope everyone will remember the annual Game Management barbecue and meeting to be held in the Bronte Park Saturday night. They always have a good supper and good program, and most of the members come a little early and enjoy themselves visiting with others from over the county interested in wildlife, its conservation and management.

The screwworm numbers increased to 49 during the last reporting week, an increase of 17 over the previous week. As before most of the cases are confined to the Davis Mountain region. Brewster, Jeff Davis and Presidio counties accounted for 35 of the 49 cases. That area is being given special treatment at the present time in an effort to wipe out the infestation.

As before, the authorities continue to stress in their reports, the importance of checking our livestock and submitting a sample if a screwworm case is found.

The brucellosis retesting program going on in the county has lagged. We were without a tester for awhile. The situation has been remedied, however. Mr. Charles

Park, of Sweetwater is available for testing in Coke County. If you would like to test, give us a ring. We will attempt to get Mr. Parks on the day you prefer.

Marguerite Gailey on State LVNA Ballot

Mrs. Marguerite Gailey of San Angelo, formerly of Bronte, has been named to a place on the state ballot for the Board of Directors of the LVNA of Texas. She represents Division 58.

Mrs. Gailey assisted with the organization of the local LVNA unit three years ago and served as secretary pro tem until officers were elected, and then served a term as president. She has also served on the state nominating committee for two years.

Mrs. Gailey has been in the medical and professional service since 1950 and a licensed vocational nurse since 1953. She is a college and business college graduate as well as a graduate of Air Service Command Supervisory Training School.

Mrs. Gailey was employed at Bronte Hospital for five years and for the past year has been on the staff of Baptist Memorial Hospital in San Angelo where she is in charge of the Intensive Care Division and evening supervisor. She is currently the LVN supervisor who is assistant to the director of Nursing Service.

ATTENDING SAC

Jimmye Cate of Blackwell has enrolled for his second year at San Angelo College where he is studying Agricultural Engineering. A 1962 graduate of Blackwell high school, he is the son of Mrs. James Cate and the late James R. Cate of Blackwell.

Ronnie Doggett, son of Mr. and Mrs. W. C. Doggett of Pecos, has enrolled as a freshman student in San Angelo College. He will study medical technology. He is a graduate of Blackwell high school and made his home there with his aunt, Mrs. James Cate, during that year.

Mrs. A. R. Bagwell of Robert Lee and office nurse at the Harris Clinic here was called to Yuma, Ariz., recently when her brother, Marlin Brooks, was critically injured in an auto accident. He died Friday, Sept. 13 and funeral services were held in El Centro, Calif. on Tuesday of last week.

4-H clubs will be organized on Thursday for the 1963-64 club year. Mr. Lindsey and I hope to meet with all the girls and boys of 4-H age in this first meeting.

Parents of the youth are invited to attend as the years work will be discussed.

Girls will enroll in their chosen units and then I will begin to "round-up" leaders to work with each group.

I was in Ballinger Monday for an all day sub-district meeting. The meeting was conducted by the district agents, Miss Thelma Casey and Roy Huckabee. They were assisted by several specialists.

Believe it or not! The average American last year ate 164 pounds of meat, 37 pounds of chicken and turkey, 324 eggs, 206 pounds of vegetables, 182 pounds of fruit, 111 pounds of potatoes, 98 pounds of sugar, 47 pounds of fats and oils, and the equivalent of 235 quarts of milk. These figures have recently been released by the Department of Agriculture.

Last week three Coke County ladies attended the State T.H.D.A. meeting in San Antonio. They were: Mmes. R. L. Page, J. C. Boatright, and Pat Rives. They said they had a marvelous time and learned many helpful things to bring home to the Home Demonstration clubs.

Theme for the meeting was "Unity, Liberty and Charity." Some of the speakers were Mrs. Wilma Smith, National Home Demonstration treasurer; Mrs. Florence Low, state home demonstration agent, Miss Bonnie Cox, organization specialist and Mrs. Milton McGehee.

Some of the workshops the ladies attended were: Civil Defense, recreation, citizenship, 4-H, safety, and family life. They said the subject matter was well taught and something valuable to be learned in every workshop.

A SERIOUS PROBLEM—

Insurance is our business, and we would like to invite your attention to a matter which we all need to think about in order to INSURE the future of our town.

In the last few years we have lost a number of business firms, and we are in serious danger of losing others unless we give them our patronage and support. None of us wants this to happen, for it is mighty convenient to be able to buy the things and obtain the services we need right here.

Your local merchant is your friend; he will help you when you need it; he supports your town, churches and school; he deserves your business.

Expect great things from Chevrolet again-for '64

Today...Jet-smooth Luxury '64 CHEVROLET

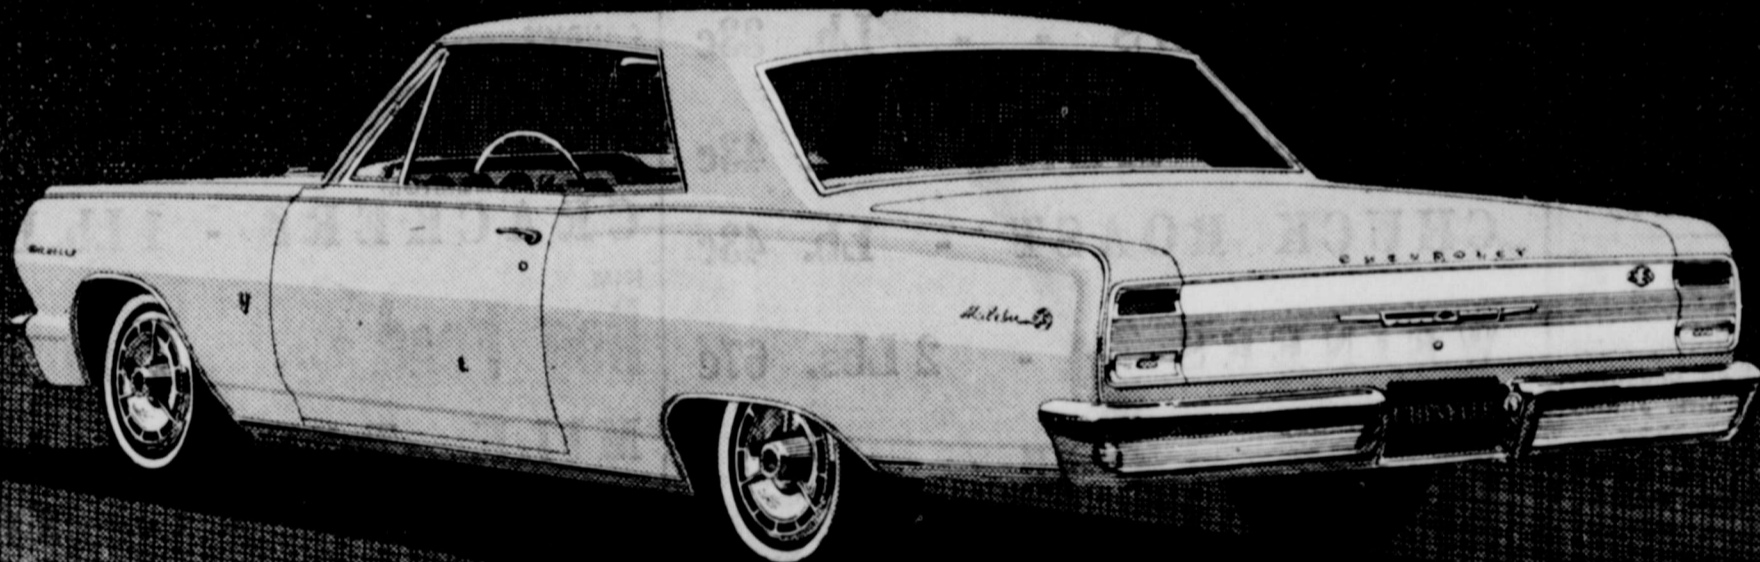

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious,

too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth

ride with Full Coil suspension. Flush-and-dry rocker panels, Delcotron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all

four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

Rites for Pioneer Nolan Woman

Funeral services for Mrs. W. Temple Lewis, 86, a member of one of the pioneer families of Nolan County, were held last Friday in Lubbock. Mrs. Lewis died Wednesday in a Lubbock hospital following a short illness.

Mrs. Lewis was the former Maude Hanna, the daughter of Judge and Mrs. John Quincy Hanna. She was born in Waterloo, Iowa in 1877, and moved with her family to Texas in 1882. They started ranching near Blackwell.

Judge Hanna was an early day county judge of Nolan County. His daughter homesteaded a half section of land in the county and ran cattle under her own brand to pay for her college education.

She enrolled in Baylor Female College in 1902 and graduated in 1906 with a degree in elocution. In

1907, she married W. Temple Lewis, son of another pioneer West Texas family.

The family lived in Nolan County until 1930, when they moved to Lubbock. Mr. Lewis died in 1954. The old Lewis Ranch, near Blackwell is still operated by Jennings Temple Lewis, Mrs. Lewis's son. Other survivors include two daughters, Mrs. James H. Pipkin of Washington, D. C. and Miss Quana Lewis, a member of the English faculty at Texas Tech.

Mrs. John R. Harris of Bronte is a niece of Mrs. Lewis.

J. T. Adair of Houston is here spending a week's vacation with his parents, Mr. and Mrs. J. I. Adair. They spent Tuesday in Midland with the George Faulk family.

Mr. and Mrs. C. R. Smith visit-daughter and family, Mr. and Mrs. Milford Phillips, in Snyder Tuesday.
