Meeting Called for Tonight To Discuss Jaycee Chapter

A meeting has been called for Thursday (tonight) at 7:30 p.m. for the purpose of discussing and possibly organizing a Junior Chamber of Commerce here. A number of young men who are employed by the Oak Creek Power Plant, as well as others, have expressed an interest in such an organization. The meeting will be held at the local business office of West Texas Utilities Co.

Three carloads of Jaycees from Haskell will be present to explain the workings of the organization to those present.

The Junior Chamber of Commerce is a civic service organization whose membership is open to all young men between the ages of 21 and 35. Older men may be associate members and are urged to attend the Thursday

Game Assn. Elects Officers, Has Feed

Coke County Game Management Association had a barbecue and business meeting last Saturday evening at Bronte County Park. Following the supper, new officers were elected for the coming year.

Curtis Walker of Robert Lee is the new president; C. E. Arrott, vice president; Sterling Lindsey, secretary. Directors named were Willis Wayne Smith, precinct one; Bob White, precinct two; Wilburn Millican, precinct three; and LeDrew Arratt, precinct four.

Aubrey Denman, outgoing president was in charge of preparing the barbecue and other food. He was assisted by Pat Johnson who cooked the meat, and other Bronte men.

D. K. Glenn served as chairman at the business session and introduced out of county guests and representatives of the Texas Game and Fish Commission, who conducted the program.

Earl F. Glenn, outgoing secretary, reported that between 80 and 90 persons were present.

Homecoming At Blackwell Draws Crowd

Bobby Sanderson was elected new president of Blackwell Homecoming association at a meeting during the Homecoming last Saturday. He succeeds Bob Ragsdale who has served the past year.

Other new officers elected were: Sonny Watts, vice-president; Mrs. Edd Garvin, secretary; Mrs. Alvin Edwards, treasurer; Mrs. Charles Ragsdale, publicity chairman.

Bob Ragsdale welcomed the homecoming guests who were registered from Abilene, Seminole, Levelland, Kermit, Wingate, Nolan, Lubbock, Rotan, Lawn, Shep, Midland, Sweetwater, Winters, Wingate, Fort Worth, Ovalo, Roscoe, San Angelo, Colorado City.

Jo Ann Carpenter was crowned football sweetheart and Jay May, football hero, at the Blackwell-Leuders football game which climaxed the homecoming.

Blackwell won the game 38-27 with Mickey Campbell scoring three touchdowns and passing for another. Robbie Cook scored the other two touchdowns and Courtney King kicked four extra points.

Blackwell will play Mertz on this Friday, Oct. 4, at 8 p.m.

night meeting, said James Pitts, one of the backers of the group.

At the briefing meeting, Haskell Jaycees will explain various phases of their own operation, community and membership benefits resulting from Junior Chamber operations and Junior Chamber chapter and membership and answer period will close the session. A question session.

Purpose of the world-wide organization is the improvement of the communities in which units are located and personal development of its members; both objectives being accomplished through a wide variety of project activities.

Junior Chamber chapters are located in 3,900 communities in the United States and have a total membership of over 200,000. Internationally, Jaycee chapters exist in over 88 countries and territories.

Jaycees in this country have their own headquarters in Tulsa, Oklahoma — a memorial in honor of World War II dead — built at a cost of over \$300,000 from contributions received from Jaycees throughout the nation.

Howard Opens New Barber Shop

C. M. Howard, who lives south of Bronte, has opened up a new barber shop in the building located on Highway 277 between Kemp's Cleaners and Webb's Service Station.

Howard moved from San Angelo to Bronte. He was engaged in barbering in San Angelo for 38 years, most of the time operating his own shop. He also worked at barber shops at the Cactus and St. Angelus hotels and at Goodfellow Air Force Base.

He is announcing in this week's Enterprise that he will do all kinds of barber work, including shaping women's hair, and will be open Monday, Friday and Saturday of each week.

Funeral Services Held for Sam Seay, Victim of Accident

Funeral services were held Monday afternoon at First Baptist Church for Sam Seay, long time Bronte area stock farmer. Mr. Seay, 69, was killed in an automobile accident Sunday afternoon about one mile north of Bronte on highway 277.

The accident occurred when a truck loaded with scrap metal and being driven by Daniel Banda Leija of Knox City attempted to pass Mr. Seay. Both drivers were alone in the vehicles, both of which were headed south. Highway Patrolman Jerry Matthews of San Angelo, who investigated the wreck, said that Leija's truck blew out a tire just as he was attempting to pass. The pickup truck, which Mr. Seay was driving, came to rest several feet out in the field west of the highway and burned. Witnesses were unable to get to him because of the intense heat from the fire.

The truck came to a stop near the front of the home of Mr. and Mrs. Otis Smith, after going through a pile of caliche, knocking down a power line pole and plowing through a sizeable area between the highway and the Smith residence. It collided with a parked truck belonging to T. L. Free Construction Co. before it stopped. It's driver was not injured. The truck belongs to W. E. Skains of Haskell.

It was reported that Smith and Leija rushed to Mr. Seay's aid, but were unable to reach him because of the fire. Smith used a fire extinguisher on the blaze but was unable to bring it under control. Bronte volunteer firemen put out the blaze after being summoned to the scene. A Clift ambulance arrived shortly after the accident.

Assisting Matthews in investigating were Deputy Jesse Parker, Constable Oscar Renshaw and Patrolman H. A. Anthony of Ballinger. Robert Lee's volunteer fire department brought a truck to the fire in case it was needed.

Longhorns Travel to Blanket for Friday Tilt

Bronte Longhorns will travel east this Friday night to take on the Blanket Tigers of District 21-B. The Tigers are tied with Rising Star for 1st and 2nd places in their district, with two wins and two losses. This gives them the same .500 percentage that the Longhorns have with their win, loss and tie.

Bronte has a slight edge on the Tigers on number of points with 50 to Blanket's 46. Longhorn opponents have made 48 points while

opponents of the Tigers have come up with 64.

If statistics show anything about the way the two teams are matched, the Longhorn-Tiger tilt should be a good game to watch.

Last Week's Results

Robert Lee continued its run away in the district last week with a 72-0 victory over Sands. The squad from the Coke County capital are undisputedly district leaders, with Bronte and Loraine tied for 2nd and 3rd place standings.

In other games last Friday night, the Longhorns downed the Rochelle Hornets, 30-20; Roby ran over Trent, 24-0; Rule slugged Hermleigh, 34-20; and Loraine took its second victory of the season with a 26-8 win over Wylie.

This Week's Schedule

Besides the Bronte game at Blanket, District 8-B teams will play as follows: Hermleigh will go to Roby; Robert Lee will host Iraan; Trent will be the site for a game with Sands; and Stanton B will visit the Loraine Bulldogs.

Ballinger Men Buy Welding Shop

John Elder Jr. and Ernest Cook of Ballinger have bought the welding shop located north of C. R. Smith Dry Goods on Washington Street from Jimmy Brunson. They took over the business Monday of last week.

Elder said Tuesday that most of his time since taking over the business has been spent getting things rearranged and ready for operation. He said their present plans are for Cook to operate a portable welder and for him to keep the shop open here in Bronte.

Both men and their families now live in Ballinger. Elder said he will move to Bronte in the next month or so. He and his wife have five children: Mike 10, Linda Sue 8, Clifford Lee 6, Lynn 3, and Becky Dale, 1½.

Elder has been operating his own shop in Ballinger and Cook has been employed by Hash & Terry welding shop. Both men are thoroughly experienced in all lines of welding, automotive repair and general blacksmith work.

Elder said they would probably have a formal announcement in next week's Enterprise, as they do not yet have their portable truck in operation nor have they arranged for a telephone.

Shorthorns Take Trent Game, 22-0

By DOAK SNEAD

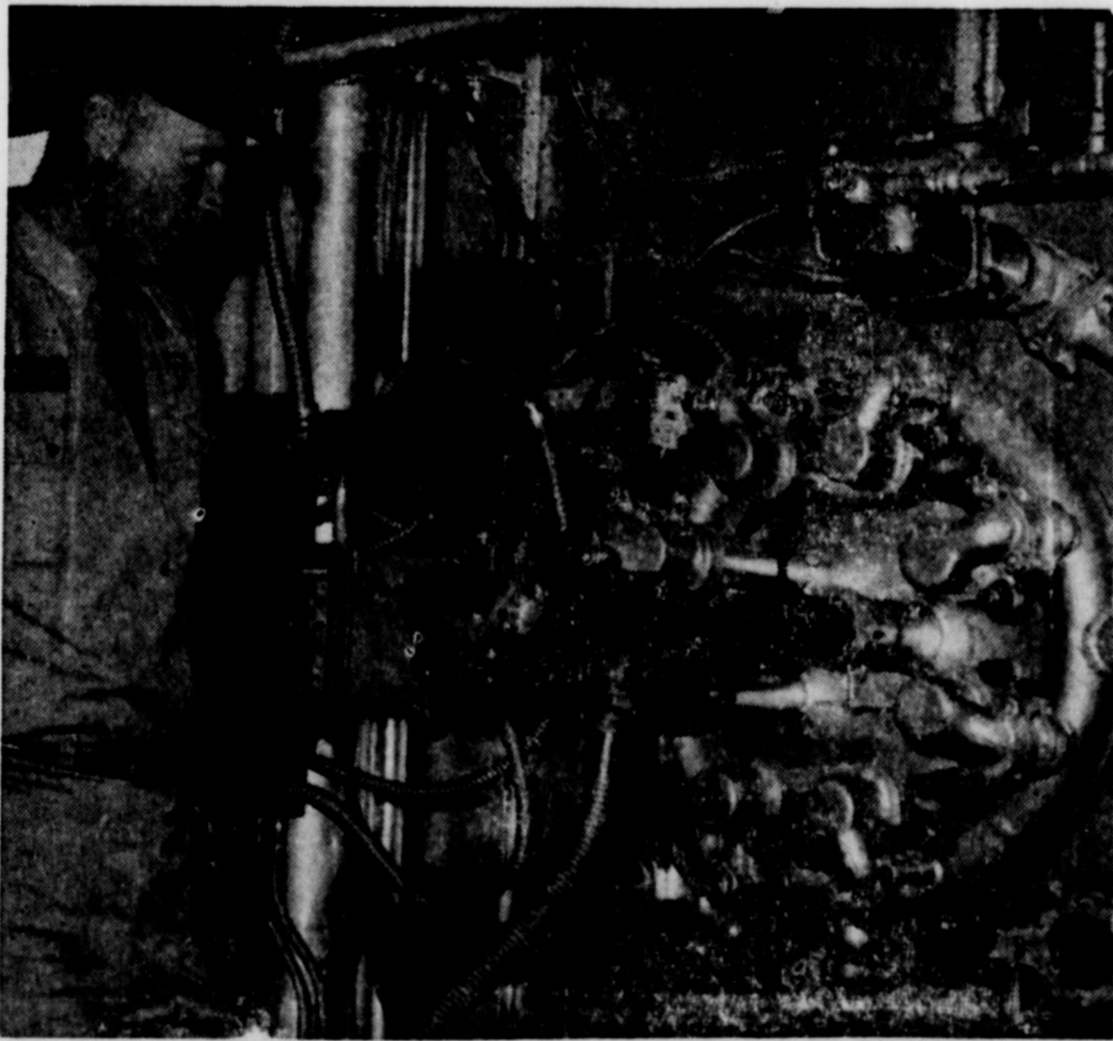

(Editor's Note: We are grateful to Doak Snead who is covering the Shorthorn ball games for this newspaper this year. We know our readers will enjoy his weekly reports.)

Doug McCutchen led the Bronte Shorthorns to a 22-0 win over Trent last Monday night at Trent.

McCutchen made three touchdowns and two extra points. The runs were for 70 yards, an end sweep for seven yards and a three yard dive. His average yards per carry were a little over ten.

Jerry Parker caught two passes and intercepted two passes for an average of 26 yards. Craig

HEART OF THE SYSTEM—R. E. Patton, plant superintendent is shown here with some of the boiler equipment at WTU's

last Thursday. (Photo courtesy, Standard-Times).

1200 Persons Tour Oak Creek Plant

More than 1200 persons of this area took advantage of an invitation from West Texas Utilities Co. to inspect its new Oak Creek Power Plant last Thursday.

Guided tours were conducted from 1:30 to 6:30 p.m. with each tour being wound up with serving of refreshments. Morning tours were specially arranged for school groups, and all students of Bronte School visited the plant.

Visitors were given a short talk by a W.T.U. employee before the start of each tour. Workings and some statistics of the plant were given in order that sightseers might have more understanding of the magnitude of the operation.

First thing the visitors saw was the room housing the giant turbine and generator. As the tour progressed, they saw the ten-story high boiler, the switchboard control room which is the "brain" center of the plant, and other equipment necessary to generate up to 82,000 kilowatts of power.

R. E. Patton, plant superintendent, reported that he company and all personnel were well pleased with the fine turnout of visitors. An ad in this week's Enterprise expresses their appreciation to the residents of this area.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

The feller that writes them big headlines in the daily newspapers has long ago lost the common touch. Ever day we git a steady diet in big black type about the Reds pushing the line a few mile in Laos, or JFK and Bobby taking a stand on Civil Rights, or DeGaulle being agin this or that, and about once a week we git a headline on how things is going in the British Parliament.

Actual, this don't sell no newspapers on account of the people ain't interested. Everbody knows the Reds is always pushing the line a little here and there. In Cuba, fer instant, they got it pushed just 90 miles from Florida. What do we care about a few mile in Laos? And with a election coming up next year, JFK and Bobby has got to take a stand on Civil Rights about twice a day to keep the iron hot. And ole DeGaulle has been agin everything except fresh air and sunshine since he took office. Scandals in the British Parliament is nothing to what we got in Government here at home. See what I mean, Mister Editor?

They was at least a dozen items buried in the big papers last week that was big headline news and would've sold papers like hot cakes to the average American.

Fer instant, it was decided in North Carolina that counties would have to quit charging \$3 a head tax on mules. The Governor allowed as how anybody "afflicted with a mule" shouldn't have to pay tax on the varmint. A headline across the top of the Chicago Tribune saying "N. C. Cut Taxes" would create a sensation. This is probable the first real tax cut in this country since the Pilgrims landed.

The Russians has started building a \$2 million Embassy in Washington. This item was buried back with the want ads. As tight as them Russians can git with a dollar—they was now 4 year behind with their U. N. dues—this is absolute proof the Russians ain't got no idea of ever dropping a bomb on Washington. But look where the papers put this item!

Then they was this little item buried back in the papers about a Sheriff in Georgia. He run on a platform that if he was elected he'd make the county so dry you'd have to prime a feller twice before he could spit. The bootleggers put a time bomb in

his car and blowed it to heaven. But the timing was bad and the Sheriff wasn't in it. The insurance company immediate cancelled the Sheriff's policy but he bought himself two more guns and said he didn't need no insurance. Now these is the kind of things, Mister Editor, that'll sell papers. People just ain't too excited no more about Laos, DeGaulle and Bobby.

Yours truly,
Uncle Huie

'64 Jet-smooth Luxury CHEVROLET

'64 Chevrolet Impala Sport Sedan

Besides looks, ride and power - what's so special about it?

(it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-Christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice

of four smooth transmissions to go with them.

And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

A SERIOUS PROBLEM—

Insurance is our business, and we would like to invite your attention to a matter which we all need to think about in order to INSURE the future of our town.

In the last few years we have lost a number of business firms, and we are in serious danger of losing others unless we give them our patronage and support. None of us wants this to happen, for it is mighty convenient to be able to buy the things and obtain the services we need right here.

Don't burn those autumn leaves! They're just the thing for a compost pile.

Soil specialists in the U. S. Department of Agriculture say that many home owners throw away valuable materials that could be saved for use in improving their soil. Leaves, grass clippings, old tomato plants, bean vines, even weeds can be turned into fertilizer for next summer's garden.

Such materials, after they have wintered in compost, make excellent organic matter. Compost, spread around trees and shrubs and worked into the soil in flower and vegetable gardens, makes the earth rich and porous. It loosens the ground so that roots can develop naturally, and air, moisture, and plant food can penetrate easily.

Here's how you go about making a compost pile.

Select a spot at the back of your lot, yet within reach of your garden hose. (That's because the pile should be kept moist.) Use ordinary wire fencing or boards to enclose an area 3 to 8 feet high and 3 to 5 feet square.

Dump leaves, lawn clippings and garden trash into the bin in layers 6 to 12 inches thick. To each layer add some commercial fertilizer (whatever you use on your lawn) and 1/2 layer of soil.

Moisten the leaves as they are added.

Keep building up the pile as you accumulate material. Top with 1 to 2 inches of garden soil.

Remember to keep the compost pile damp. If the pile is kept reasonably moist and has a cap of garden soil, it should have no odor. And, by May or June, last year's leftovers will be ready to perform springtime magic in your yard and garden.

County Agents News Column

By STERLING LINDSEY

The screwworm situation, looking at the State as a whole, is not alarming, but could get that way very easily.

A total of 63 cases were confirmed in the State last week — not a large number, but several more counties reported cases than did the week before. Also, the counties reporting cases—most of them for the first time since July—were to the south of us. If the flies migrate northward, we could become involved.

Counties reporting their first cases in recent weeks were: Val Verde, Kinney, Kerr, Edwards, Maverick, Sutton and Uvalde.

Summing up the situation, we should be very watchful for screwworms from now until cold weather sets in. If a case is found, be sure to report it. We are still on the spot treatment program.

If the authorities know we have a case they can take the action deemed necessary. But, the sample must be submitted for them to know and confirm the case.

The growing demand for beef in the United States will require that the number of beef cattle be increased at the rate of five per cent annually for the next seven years. The USDA estimates that we will have to have 14 million additional acres of grazing annually to produce this number of cattle.

Coke County entries in the Store Area Swine Show, held in San Angelo last Saturday won their share of the honors. Rebecca and Sharon Walker, daughters of Mr. and Mrs. D. J. Walker Jr., Robert Lee, exhibited the first place boar in the Store Area Show. Larry McKown, son of Mr. and Mrs. Bill McKown of Bronte, placed second with his top gilt in the County Show.

County Show results were as follows: Larry McKown, Mike McKown, Edwin Lindsey, David Scott, and Richard Scott, their entries placing in order of names listed.

Diversity Club Meets With Mrs. J. T. Henry

Mrs. J. T. Henry hosted the meeting of the Diversity Club Thursday evening Sept. 26.

After a "current event" roll call and a business session, Mrs. R. C. Lasswell gave a program on International Affairs.

The living room was decorated with a mantle arrangement of autumn flowers and vases of spider lilies were on tables around the room.

A refreshment plate of ice cream and cake was served to the following members: Mmes. Otis Smith, Cecil Kemp, D. K. Glenn, J. E. Quinn, J. W. Martin, Buck Campbell, O. R. McQueen, Clifford Clark, Collins Sayner, Wade Rees, J. G. Wilkins, Vera Thomas, Virginia Wallinge, and two guests, Mrs. Austin Masterson and Mrs. Lewis Fortune of Cross Plains.

PERSONALS

Mr. and Mrs. Kenneth Cook and children of Odessa were weekend guests of her parents, Mr. and Mrs. Murray Gilreath.

Mrs. Robert Knierim is in the Shannon Hospital in San Angelo as the result of a fall Monday at her home here. Her daughter, Mrs. R. W. Rees, said Tuesday afternoon that her mother was improving. She said Mrs. Knierim suffered no broken bones in the fall.

COKE COUNTY Land For Sale

I have been employed by Mrs. Fred McDonald Jr. to sell her 440 acres adjoining Robert Lee on the south. It has a front of a mile on the Colorado River and 80 acres lays across the river near town. The ASC office shows 172 acres in cultivation and 270 acres of pasture. 85 acres come out of the soil bank this year and you can turn into it Jan. 1 for lots of excellent winter grazing. Has wheat and cotton allotments. River bottom pasture is considered some of the best in this area. About half the minerals are included. One of the good farms available and priced at \$85 an acre with \$10,000 down. Balance over a term of years at 5%. Possession Jan. 1.

350 acres west of Sanco, 7 miles north of Robert Lee, owned by Mr. and Mrs. Coke Austin. Sixty acres of crop land if you want to cultivate it. Good pasture, some of it in the hills, but it needs taking care of and will run a lot of livestock. Minerals included are 25% on 320 acres and all on the remaining 30 acres. Priced at \$55 an acre, \$7,500 down payment, carry balance at 5%. Possession Jan. 1, 1964.

BOTH PLACES should be owned by local residents. Outside bidders will not be invited until the end of next week.

Bronte Defeats Rochelle, 30-20

Bronte Longhorns won their first victory of the 1963 season last Friday night when they defeated the Rochelle Hornets, 30-20.

The Bronte lads started out like a house afire, making their first counter in the first few minutes of the game, when Tommy Glenn Sims carried the ball 58 yards for the TD. Barry Curlee ran over the conversion to make the score 8-0.

Rochelle didn't waste much time countering with a score of its own, however. Thirteen plays after the kickoff, Van Waddill went over from the 2 for 6 points. EP pass was knocked down by Jim Morrow. Rochelle's second TD came after a blocked Bronte punt set them up on the 19 yard line. Waddill carried over again from the 2 and Banks made 2 extra points, to give the Hornets a 14-8 lead at the end of the first quarter.

Bronte's second tally came in the 2nd quarter when Royce Lee tossed a short pass to Jimmy Wells and he went all the way for a counter, the play totaling 86 yards. Curlee made the 2 extra points, and the Longhorns led 16-14 at the half.

The Hornets completely dominated the 3rd quarter of the ball game, allowing the Longhorns to have the ball for only 6 plays, and making their third touchdown of the night. The quarter ended with the Hornets out in front, 20-16.

The 4th period of play was a different story, however, with the Longhorns making two touchdowns. Curlee went over from the 7 yard line for the first counter, with Sims running over the EP. Another TD was made by Manuel Reyes late in the quarter when he marched across the double stripe from the 12 on a reverse handoff. The clock ran out while Curlee was trying to make the extra points, but was stopped by the Rochelle defenders.

First Quarter

Reyes returned Steve Neal's kickoff to set up the ball for Bronte on his own 46. Sims made a yard and the Longhorns were penalized 5 for off-sides, putting the ball on their 42. From that point, Sims took the ball 58 yards for the initial counter of the contest. Curlee's extra points gave Bronte an 8-0 lead.

Jim Morrow kicked off to Mike Mosley, who came to an abrupt stop when hit by Lester Mayberry. A couple of plays moved the ball to the 47 and a 1st down. Banks and Waddill continued to move the ball and found another 1st down waiting on Bronte's 30. Mosley tossed a pass to Waddill to set up Rochelle's first TD. Waddill carried over from the 4 in two tries, to make the score 8-6.

Neal's short kick went to the Bronte 45 where Bob Strickland fell on it. Plagued with penalties during this series, the Longhorns shortly found themselves in a 4th and 15 situation. Lee attempted to kick, but the line didn't hold and the kick was blocked, giving Rochelle possession on the Longhorn 19. Banks made most of that distance with a 17 yard carry around the left side. With a 1st and goal on the 2, Waddill went over for Rochelle's 2nd counter of the evening, and Banks ran over the conversion. Score 14-8, Rochelle.

Neal tried the short kick tactic on the kickoff, with the ball going to Charles Coppock on his own 44 yard line. Sims and Lee carried for a 1st on the Rochelle 45. Wells made 3 and Lee lost 4 to make the count 3rd and 11. Lee tried to get a pass to Curlee but the Rochelle defenders almost got him before he could get it off. He then got off a nice punt to the Hornet 5, and Banks returned it to the 24. The quarter ended one play later.

2nd Quarter

The Hornets failed to make the necessary 10 yards and Banks punted to Lee who took advantage of a good block by Wells and carried the ball back to the Rochelle 41 yard line. Curlee made 4 and Sims picked up 5 more; then Curlee went 3 more for a 1st on the Hornet 29. Jerry Don Holcombe went around the left side for a nice gainer of 19 yards to give Bronte a 1st and goal on the 10. The Longhorns were penalized during the next series of downs and were unable to push the ball across the goal line. The ball went over to the Hornets on their 9. Unable to move the ball enough for a 1st, Neal got off a beautiful 53 yard punt with no return by the Longhorns.

Sims made 2 yards, and then

Lee tossed a pass to Wells for his spectacular 86 yard run and another Longhorn TD. Curlee untied the ball game with his conversion run to make the score 16-14 in favor of Bronte.

Morrow kicked off to Waddill and the Hornets were able to gain two 1st downs, thanks to Longhorn penalties. The third series of downs bogged down and the ball went over to Bronte. Longhorns tried two unsuccessful pass tries and then Lee got loose on a beauty from his own 35 for 43 yards to the Rochelle 22. The play ended the half. Score Bronte 16, Rochelle 14.

Third Quarter

Jim Morrow kicked off to start the second half of the ball game. It went to Banks who came to rest on his own 44. From that point the Hornets started a drive which 21 plays later carried them across the Bronte goal line. The march was carried on by Mosley, Waddill, and Banks and took up most of the 3rd quarter of the ball game. After moving the ball 55 yards, the Hornets were on the 1 yard line and faced with a 4th down. Banks was chosen to be the hero and made the yard and 6 points for his team. Wells put an end to the extra point try. Score 20-16, Rochelle.

Neal kicked another short one. Bronte fumbled the ball, but Ray Sissom recovered for the Longhorns, to give them possession on their own 47. Sims got a nice gainer of 12 yards and a 1st on the Hornet 41. Curlee made 6 and Rochelle was penalized 5 for off-sides. Lee carried the ball, but the play was called back and Bronte was penalized 15 for illegal use of the hands. This loss set the local lads up with 2nd down and 20 to go at midfield. Curlee made 15 of it and Soms made 3 more.

Fourth Quarter

With a 4th and 2 on the Hornet 32, the Longhorns elected to run for it, and Curlee made 3 down to the 29. He then made 10 for another 1st on the 19. Curlee added 8 on the next play and Sims made a 1st on the 8. Curlee carried twice for 1 and 7 to make the touchdown. Sims added 2 points and the Longhorns moved out in front again, 24-20.

Waddill took Morrow's kick on the 5 and moved it to the 30. The Hornets got a good drive going and took the ball down to the Longhorn 25 for a 1st down. A fumble saved the day. It was recovered by Lee Ray Revell after Larry Corley jarred the ball loose, and gave Bronte the ball on their 15. Curlee took the ball from Lee and streaked 85 yards for a touchdown, but it was called back and Bronte was penalized 15 yards for clipping. The ball was spotted on the Rochelle 45. Reyes made some nice gains, pushing the ball 4 yards one time and 15 yards on the next play for a 1st on the visitors' 24. Reyes added 4 more and Sims made 2. Lee kept the ball and made the 1st on a quarterback sneak, but the play was called back and the locals were penalized 5 for off-sides. Curlee saved the series of downs with an 8 yard gain and a 1st on the 12. A reverse handoff to Reyes on the next play saw him carry the ball over the double stripe for the final score of the ball game. EP try failed. Score: Bronte 30, Rochelle 20.

How to have a "built-in" gas kitchen without the cost of remodeling!

This is the new gas model that fits snugly against the wall to line up with your kitchen counters and cabinets. Gives a built-in look to any kitchen. Burners pull out at a touch. When they're hidden, a handsome hardwood cutting board is all you see. Oven and broiler are at eye level, and the broiler is absolutely smokeless (because it's gas!). Notice the controls are high — and mighty handy. Burner-with-a-Brain, Cook 'n' Keep oven, self-basting rotisserie — these and other automatic features will modernize your cooking as well as your kitchen. There are eight gas range brands in this design... and they're on sale — so now is the time to buy! See your Gas Appliance Dealer or Lone Star Gas.

CARD OF THANKS

My heartfelt thanks to all you friends for your cards, food, flowers and other expressions of sympathy.
Mrs. Sam Seay and Relatives.

SAM SEAY —

Continued from Page 1

The Rev. Murrell Johns, First Baptist pastor, conducted the funeral rites. Burial was in Fairview Cemetery under direction of Clift Funeral Home.

Samuel M. Seay was born Aug. 4, 1894, in Comanche County. He was the son of Mr. and Mrs. Sam Seay Sr. Coming to Coke County in 1901, he was married June 8, 1912, to Miss Alva Landers. Mr. Seay had ranched for many years east of Bronte.

He was a Baptist and a Mason, having affiliations with the Blue Lodge, Royal Arch and Shrine.

Survivors include his wife; one brother, Ernest Seay of Bronte; two sisters, Mrs. Ila Coleman of New Boston and Mrs. Cora Carlisle of DeLeon.

Masonic rites were conducted at the graveside.

Pallbearers were J. B. Mackey, Osmo Black, Garland Spencer, Sid Evans, Charles Gentry and I. M. Cumble.

Methodist Church Plans Stewardship Program for Oct.

On Sept. 18, at a meeting of the official board of First Methodist church, the proposal was adopted for a "Stewardship" campaign to be conducted during the month of October.

Board chairman Clifford Clark said that the campaign will be patterned after the "Farrow plan," developed several years ago by Roy Farrow, now with the Texas Methodist College Association in Dallas. In the past 14 years this plan has been used successfully in over 800 churches throughout Texas and neighboring states in putting their financial structures on a solid, business-like foundation, the board was told.

The Rev. A. S. Masterson, pastor, said that the secret of this or any other stewardship program is "everyone knowing, everyone responds." Therefore, the campaign will be basically an educational one, giving church members facts about the work of the Methodist church, both local and world wide, its operations, purposes and program, he said. Information which will be given the Bronte Methodists includes:

A letter each week during October from various officials and departments of the local church; an article each week about the

campaign in the Bronte Enterprise; and a three-minute talk by a member each Sunday during the worship service.

Clark will write the first of four letters which will be mailed to the church membership, to be mailed Oct. 3. Royce Lee will give the "Stewardship Word" at the Sunday morning worship service, Oct. 6. Announcement of the other letters and speakers will be given later, said the Reverend Mr. Masterson.
