New HD Council Begins New Year With Meeting in Robert Lee Jan. 14

By FAY C. ROE

Mrs. Glenn Waldrop, past president of Green Mountain H. D. club, will preside over the meeting of the County H. D. Council, Tuesday, Jan. 14, at 2 p.m. in the conference room. Mrs. Waldrop is the new chairman, having been elected to that office in the October annual meeting.

H. D. Council membership is made up of the presidents of the four county clubs, Bronte Jr., Bronte Sr., Green Mt. and Friendship; one elected delegate from each club and the chairman of the standing committees of council. Vice presidents and one alternate delegate per club are also members who vote in the absence of the president and delegates.

Mrs. J. C. Boatright, member of Bronte Sr. club and past secretary of council, is vice chairman, and Mrs. Pat Rives of Friendship is incoming secretary.

Mrs. R. L. Page, council chairman for 1962-63, presided over 20 council meetings and attended numerous committee meetings per-

taining to council work. She attended each meeting held during her tenure, a record seldom held by an officer of any organization. Mrs. Page was elected County THDA charman, effective Jan. 1. She succeeds Mrs. Dale Wojtek, resigned. Mrs. Page is the incoming president of the Green Mt. club.

Council standing committee chairmen to work with Mrs. Waldrop are: yearbook, Mrs. C. E. Arrott; finance, Mrs. J. C. Boatright; recreation, Mrs. R. W. Smith; reporters, Mrs. Floyd Harmon; E.E.E., Mrs. Curtis Walker; and 4-H, Mrs. Truman Parker.

Other council members include Mmes. Grady Coulter, John Boyles, Linzy McDorman Finis Harmon, Eddie Alexander, Taylor Emerson, A. D. Fields and Fred McCabe.

The Friendship club will give the opening exercise for the Tuesday meeting. The session will include reports of committees and clubs, transaction of important business matter and appointment of a committee to study the standing rules.

Mrs. Fay C. Roe, County Home Demonstration Agent, is responsible for training of all council members and is advisor for all activities.

Mr. and Mrs. C. O. Richards and children and Mr. and Mrs. A. E. Bell, Jr. and boys attended the Texas-Navy game in the Cotton Bowl in Dallas Jan. 1.

HOME FOR SALE

Foy Moore Transferred to East Texas

A few weeks ago we announced the Foy L. Moore residence in Bronte was for sale because Mr. Moore had been transferred by Humble Oil & Refining Co. to a new position at Overton in East Texas.

Interested parties have indicated a deep interest in the property but it has not been sold. It was hoped that a contract for sale of the place could be signed before Mrs. Moore and children left Bronte. They plan to move next week in order that the children can enroll in their new school at the start of the second semester.

Everyone who has been in the Moore residence know what a wonderful home it is. It has 1700 square feet of floor space. There are four bedrooms, ample space for a good sized family but not too large for most people who like to have an extra room when guests arrive.

The building is well constructed throughout and a reliable contractor reported its replacement cost would be over \$15,000. The residence is most attractive on the outside and occupies a corner site 100 x 140 feet with paving on two sides.

Persons not familiar with the property who are interested in purchasing a really nice home are invited to phone Mrs. Moore in the next few days and she will be happy to show it.

The asking price is well below what it is worth. Bronte has many nice homes and the party who buys this place will be getting full value for their investment, and they'll be proud to be living in one of the town's outstanding homes.

For further information call Mrs. Moore or the undersigned.

O. B. Jacobs Asks Re-Election To Office of Tax Assessor-Collector

O. B. Jacobs is announcing this week his candidacy for a second term as tax assessor-collector of Coke County.

When this office was separated from that of sheriff in 1959, Mr. Jacobs announced for the office, was elected in 1960, began his duties in January 1961, and will have served one full term by the end of 1964.

Following is his statement: "In announcing for a second term as your Tax Assessor-Collector, I want to first thank each and every one of you for the many kindnesses and courtesies shown to me and my deputies during this term. You have indeed made it a pleasure to serve you.

"I have tried to run the kind of an office you wanted and do the best possible job for you. However, my deputies and I believe that the experience we have gained will enable us to serve you better in the future.

"I assure you that if you see fit to re-elect me to this important office I will do my best to give you efficient, courteous service at all times."

Coming to Coke County in early childhood, Mr. Jacobs was reared at Silver. He moved to Robert Lee in 1940. In 1947 he started working as deputy with Sheriff Paul Good, then on Sept. 1, 1950, resigned to start working in the oil patch, and continued in oil field work until October, 1955, when he went back to the sheriff's office as deputy, completing a total of 8½ years all together as deputy sheriff.

He has been active in the Masonic Lodge, of which he is Past Master, has served as Senior Warden and is now Senior Steward.

He was married on July 1, 1939, to the former Vivian Roane. They have two children, John, 17, a senior in Robert Lee high school and a member of this year's football team, and James Otis (Jim), 7.

He is a member of the Tax Assessor-Collector's Association of Texas, serving presently on their auditing committee.

Doyle Adair of Houston spent several days here last week with his parents, Mr. and Mrs. J. I. Adair.

FB State Official Speaks at Meeting

Directors and officers of Coke County Farm Bureau entertained their wives Tuesday night at a dinner served by the Robert Lee Home Ec girls.

Special guests present were Millard Shivers, state organizational director, Mr. and Mrs. Douglas Dean, Mr. and Mrs. Sterling Lindsey and Gaylon Pitcock, Mr. and Mrs. Dorman Thomas, Claud Anderson, district six director, and Edward Cumbie, area field man.

Mr. Shivers, principal speaker of the evening, told of some of the problems of modern agriculture and possible solutions. He said "one of the basic problems of modern America is the lack of faith in a living God." He was highly critical of modern tendencies to regimentation in education. Shivers reaffirmed the principles of a free democratic economy and decried the move toward a government planned economy.

He stated that agriculture in Texas was second only to oil in terms of income, but that farmers have for too long been content to let others make their decisions for them; that it was time farmers were awakened from their lethargy and took a more active part in determining the future of American agriculture.

C. C. Holders Have 50th Anniversary

Mr. and Mrs. Clyde C. Holder of Christoval celebrated their 50th wedding anniversary Saturday Dec. 28, at the First Baptist Church in Christoval. Former residents of Bronte, the Holders lived here for some nine years.

Their anniversary actually will be Jan. 21, but the celebration was held early in order for their children and grandchildren to be present.

Children of the couple are Mrs. Allan Douglass of Chicago, Ill. Clyde Holder Jr. of Austin and Mrs. Tate Taylor of Tulsa, Okla. The Holders have eight grandchildren and one great-grandchild.

The open house was hosted by the children and grandchildren. Decorations featured white and gold, with the refreshment table covered with a lace cloth over gold.

Out-of-town guests expected for

The Bronte Enterprise

January 9, 1964

the occasion included Mr. and Mrs. N. A. Mayfield of Rhome and Mr. and Mrs. Jay Gist of Evansville, Ind.

Born at Stockton, Mo., on Nov. 9, 1881, Mr. Holder married Grace Brown at Springfield, Mo., in 1914. They exchanged vows in a country home with the Rev. Blythe, minister, officiating. Miss Birdie Atwood was pianist and Mrs. Tatum Johnson, vocalist, for the ceremony.

Mr. and Mrs. Holder lived in Washington, D. C., following their marriage. He was with the U.S. Geological Survey, topographic branch, for 2 years and worked in 38 states and the West Indies Islands. Mr. Holder spent nearly two years and some of his own money making surveys of the proposed Colorado River irrigation project in West Texas in the early 1920s.

During World War I, Mr. Holder served as a second lieutenant

in the Army Engineers Corps. He was assigned to special duty in aerial photography making maps from the air and later served as an instructor for aerial photography, pertaining to map making. In March of 1918, he was discharged as a first lieutenant and returned to USGS mapping.

During the nine years the couple lived at Bronte, Mr. Holder installed and operated an electric light and ice plant. He organized a Boy Scout troop and high school band and served as a member of the school board for several years.

Mr. and Mrs. Holder have been residents of Christoval for 16 years and are members of the First Baptist Church. He has been a member of the Masonic Lodge, the Suez Temple and the American Legion.

"Work and cooperation" are the best qualities to contribute to a long and happy married life, according to the couple.

'64 Chevrolet Impala Sport Sedan and (background) Impala Convertible

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer?

If the car happens to be a '64 Chevrolet, one thing only. A highway.

You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8*—and four transmissions, including a finely honed 4-speed stick shift.*

And underlying it all—a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

What about special performance equipment? Professional driving skills? Forget them.

Nobody has to doctor or coax or soup up these Chevrolets to get the best out of them.

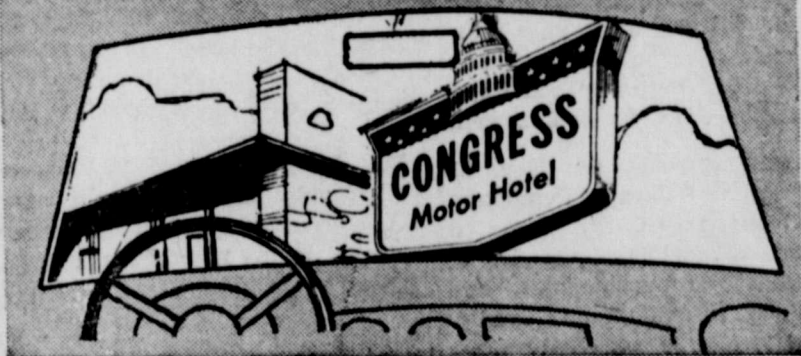

And that's really the test of a great highway performer: Just about anyone can get a kick out of driving one, just about anywhere, just as it comes out of the showroom.

Next time you're out your dealer's way, allow a few extra minutes to sample one of these highway performers on your own. A few are really all you'll need. That's enough time to do a lot of driving in a Chevrolet. *Optional at extra cost

Commissioner Howard Brock told The Enterprise this week that he has made plans to seal-coat all the streets located east of Highway 277 in Bronte, including roads in the county park.

Streets west of the highway were treated this past year. Work has also been going on in the rural areas of the precinct, with seven bridges being rebuilt during recent months. One new concrete bridge was built in the Olga area.

Brock said some work remains to be done on bridges north and west of Bronte, and several culverts will be replaced in the near future.

The precinct two commissioner said that helping the Coke County Golf Association with the dirt work on the proposed additional

five holes for the golf course will also be on the program for this spring.

Precinct two's \$160,000 paving and bridge construction bond issue which was voted in 1955 will be paid off this year, according to Brock He said "We have just about enough money in our sinking fund to make the final payment on this bond."

In addition to the maintenance work done in town during 1963, the precinct footed the bill and did most of the work on paving 15 blocks in Bronte's two new additions.

Mrs. Marvin Landers is undergoing medical treatment at Shannon hospital in San Angelo.

who's doing the dishes tonight?

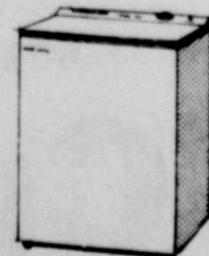

That's a silly question. I take it for granted you are, mom. Do you know that it's been proven the average woman puts in over sixty 8-hour working days per year in hand-washing dishes? ... time that you can put to far better use.

An automatic dishwasher is the answer to your dishwashing chore. It will save you more than half of your after-meal cleanup time, and keep the kitchen neat and clean after between meal snacks. As sure as I'm Reddy Kilowatt, you'll have to admit that continuing to do the dishes by hand is about as pointless as laundering the clothes by hand.
