

# The BRONTE ENTERPRISE

Vol. 46 (Old Vol. 59)

BRONTE, TEXAS, SEPTEMBER 17, 1964

No. 38

**OLD TIMERS** — Talking over old times Monday, from left are, Billy Rodgers, Mrs. Hawley Allen, R. E. Cumbie and Mrs. Annie Wilkins. In the center talking to Mr. Cumbie is Ed Nunnally of San Angelo, former publisher of The Enterprise.

## Longhorns Play Eden Fri. Night

Bronte will go to Eden Friday night to take on the Bulldogs in the second game of the season for both teams. One of the teams will come out of the contest with a 1-1 record and the other will have a 2-0 mark, since both lost their season openers last Friday night.

The Bulldogs lost to Eldorado 14-0, while the Longhorns went down to Ozona 30-6.

## AD-LIB-BEN

The Bronte Longhorns came out on the losing end last Friday, but they looked pretty good against a tough team. Pete Hickman was true to form with his Lion team, fielding a bunch of good football players. But in spite of the weight and experience difference, the Longhorns kept plugging away right down to the final gun.

As a matter of fact, the Longhorns looked like a million dollars compared to the crowd of Bronte fans on hand to support them. It's a funny thing — lots of people never go to football games unless their team has good prospects to win. Everybody knew last Friday that Ozona was likely to emerge winner in the season opener; consequently, a large number of fair weather fans remained at home in their easy chairs.

A young team like ours this year needs the support of the community. The surest way we know to keep them from ever becoming a great football team is to stay home on game nights, and never have an encouraging word for them. Why not be a good sport, get in your car and drive to Eden tomorrow night? It won't kill you, even if we get beat again, and our chances to win will certainly be enhanced if there is a large crowd in the Bronte cheering section.

Lots of big metropolitan newspapers and nationally circulated magazines have been coming out lately with editorials in support of Lyndon Johnson. Most of them have conceded that Barry Goldwater is probably a pretty sincere fellow in stands he has taken on various domestic and foreign issues, but most of them claim that he is not capable of straight thinking.

## Bid Accepted on Water System Improvements

Residents of Bronte will have better fire protection and better water pressure when a project is completed which was contracted Tuesday. The bid of R. S. Beall & Son of Abilene was accepted to construct some new water mains, install new fire plugs, build a new water tower and make other improvements in Bronte's water system.

Beall's actual bid was \$73,811.60, but after various options and alternate plans were worked out, it was brought down to \$68,913.91, which was the figure accepted by the Upper Colorado River Authority and Bronte City Council.

The UCRA is financing the project with an \$80,000 loan to the city. The balance of the amount will be used to pay engineering fees and as a contingency fund in case it is needed in the construction.

Seven bids were submitted on the job, ranging from the low bid up to \$91,590.32. Otha Towery was

second low bidder with a figure of \$75,420.00. Other bidders were James D. Goode of San Angelo, Anderson Construction Co. of Abilene, R. B. Hodgson & Co., Inc.,

of Midland, H. A. Nelson Co., Inc., of San Angelo, and Clyde Construction Co. of Odessa.

Jake Oliver and Ty Collins of National Engineering Co. of Austin were present at the bid letting to examine the bids and determine their accuracy. Their firm will supervise construction.

Collins told the council and UCRA that "Bronte will have a completely automated water system when this project is completed."

In addition to wanting to improve water pressure over town, Bronte City Council has been pushing the improvements the past several months in order for the water system to meet requirements of the State Board of Insurance, and thereby get fire insurance rates lowered.

Bronte has one of the highest fire insurance rates in the state, and this figure will be cut considerably when the construction is completed and the system comes up to requirements.

Included in the improvements are a new 75,000 gallon elevated storage tank, the bottom of which will be at least 100 feet from the ground; replacement of some three inch water mains with six and eight inch pipe; the addition of ten new fireplugs and other less costly changes in the present system.

Mayor Royce Lee said Tuesday that he and other members of the council are grateful to the UCRA for financing the project. The agency is loaning the money to Bronte interest free.

Beall said he would begin work on the project in the near future, as soon as necessary paper work is completed.

## Good Rain Falls Over Weekend

Fine fall rains which should get pastures and small grain fields in good shape before frost fell in this area over the weekend. Up to two inches fell in the area Friday night and Saturday. A slow drizzle con-

## LATE REPORT

Several minutes of blinding rain, whirled in all directions by a strong and erratic wind hit Bronte shortly after 4 p.m. Wednesday. Some large size hail stones accompanied the rain, but not much hail fell.

The blinding water made visibility beyond a few feet impossible. The rain came down in sheets.

The moisture and wind came out of a mean looking cloud which came up from the northwest.

Some damage was reported to have occurred at the local school building and The Enterprise had a window broken out. The opening let in a sizeable amount of water in the back end of the shop. Some sections of the ceiling also fell in. The storm blew in about press time and The Enterprise was unable to determine if any other damage was sustained and to what extent.

Continued practically all day Saturday.

Wednesday a hard shower fell at Bronte causing water to run half curb deep on the north side of Main Street. The shower fell about 12:10 in just a few minutes time and by one o'clock the sun was shining.

## Band Going to Abilene for Game, Parade and Fair

The Bronte Band will make a trip to Abilene Saturday, when members will be guests of Abilene Christian College and the West Texas Fair. The group will leave by bus at 12:30 p.m.

First thing on the program is a parade in downtown Abilene at 3 p.m. Starting at 4 o'clock, the band members will be guests of ACC at a chicken dinner in the college cafeteria. At 5:40 the band will join other bands at public schools stadium to rehearse activities scheduled for halftime at the ACC-East Texas State football game.

The band members will go to the ball game at 7:30 and participate in halftime activities. They will leave the ball game after halftime and attend the West Texas Fair. Their schedule calls for them to be back in Bronte by 12:30 a.m.

Ann Harris left Monday for Waynesboro, Va., where she attends school at Fairfax Hall. She will be a high school senior.

The Longhorns will be without the services of Mike McKown the backfield. He has suffered a neck injury in the Ozona game which was diagnosed as a misplaced vertebrae after his neck was jammed. He is wearing a brace and he hopes to be able to play again in about three weeks after a further check by his doctor.

A pep rally will get underway in the school gymnasium at 2:40 p.m. and classes will be dismissed immediately afterward at 3 p.m. The band bus will leave here at 5:45 and kickoff time is 8 p.m.

## Caperton to Show New Chevrolets

Caperton Chevrolet Co. announced this week that an open house will be held next Thursday to show the public new 1965 model Chevrolets. Annual showing of the new cars is always a gala occasion with the local firm.

Matthew Caperton, co-owner of the firm, said that free coffee and donuts will be served all day and that free gifts will be handed out to all the persons who come by to view the new models.

He issued an invitation for everyone in this area to make plans to step in next Thursday, Sept. 24.

## Ozona Downs Bronte 30 to 6 In Season Opener Last Week

Bronte Longhorn's 1964 football team looked good even in getting outscored 30-6 last Friday night when the Ozona Lions invaded the local stadium. In spite of being outweighed and being on the short end of the stick on age and experience, the Longhorns never quit trying to hold the big Lion team, and kept plugging away to make their only score in the final minutes of the fourth quarter.

Humberto Ramos kicked off for the Lions and it was taken by Royce Lee who brought it out to the 36 before he was downed. A couple of plays later the Longhorns fumbled and Ozona recovered. George Cox and Richard Vargas required seven plays to make the 36 yards for a touchdown, with

3½ minutes of the game gone. Vargas required seven plays to make Bob Amthor's attempted extra point kick was no good.

The pattern was pretty well repeated after the second kickoff. The Longhorns fumbled and the visitors recovered the ball on the Bronte 40. Vargas did most of the ball carrying and the Lions were back across the pay dirt section in seven plays. The conversion try was again no good, leaving the score at 12-0.

Ramos' kick went to Doug McCutchen, promising freshman, who hauled the ball back to his own 44 before he was tagged. Lee made a nice gainer of six in the next series and with the help of a 15 yard penalty against the Lions

the Longhorns made their first 1st down of the night on the Ozona 32 yard line. Unable to move the ball much in two tries, Lee quick kicked on third down, putting the ball out on the Lion 11 yard line.

Speedy halfback Derold Maney got loose on the first play and went 42 yards for a first down, then on the next try, he went all the way to the double stripe for the third TD of the evening for the Lions. Try for bonus points failed again, leaving the score at 18-0.

Ramos kicked off to McCutchen who handed off to Lee. The runback stopped on the 30 and Lee was able to get off a five yard

## Junior High 1964 Schedule

Junior high football games this year will be played on Thursday nights. The district will comprise the same schools as for the high school but will be divided into two zones. Bronte, Robert Lee, Trent will be in the south zone and Jayton, Hemleigh and Loraine in the north zone. Teams will play each other twice and the winners of each zone will play on November 5 to determine the district championship.

The Shorthorn schedule begins tonight with a game here at 7 p.m. against Jim Ned.

The season schedule is as follows:

Sept. 17 — Jim Ned (Lawn), here.

\*Sept. 24 — Trent, here

\*Oct. 1 — Robert Lee, there

Oct. 8 — Hermleigh, there

\*Oct. 15 — Trent, there

\*Oct. 22 — Robert Lee, here

Oct. 29 — Hermleigh, there

Nov. 5 — Play-off game between North Zone and South Zone

\* — District games.

All games will be played at 7 p.m. and admission prices are 50c and 25c.

Cecil O. Toliver is head coach for the Shorthorns and James M. Raughton is assistant.

Members of the Shorthorn squad and their weights are:

Nicky Arrott, 81; Keith McCutchen, 95; David Denman, 105; Wesley Ash, 94; Joe Basquez, 94;

Royce Lee Recounts Experiences On Trip to Big Boy Scout Jamboree

By Royce L. Lee

(In July, Royce Lee, Jim Morrow and Brian Richards attended the National Scout Jamboree held at Valley Forge, Pa., and made other interesting side trips. On their return, they brought this account, which was written by Royce.)

There is much preparation to be made in going to a Jamboree.

Jim, Brian and I spent three days in a "shakedown" camp at Camp Fawcett, near Barksdale. This camp was held two weeks before the Jamboree to get us accustomed to Jamboree life.

On July 12 at 10:00 p.m. 95 men and boys departed from San Angelo on a Delta charter plane.

After stopping at Atlanta to refuel and Philadelphia to put off the baggage, we landed in Newark, N. J.

From there we went by bus to the Times Square Hotel in New York and spent the rest of the day sightseeing.

The next day we went to the World's Fair, which was very interesting. Some of the exhibits there had lines so long, it would take two hours to get into the building. In the afternoon it started to rain, and that really "dampened" our spirits. We went on seeing the Fair, although I got soaking wet.

The next day we went on a half-day sightseeing tour of Manhattan Island, and spent the remainder of the day sightseeing on our own. We didn't see everything, but some of the things we did see were: the Empire State building, the Bowery, Wall Street, Chinatown, the U. N. building and a baseball game between the New York Yankees and the Baltimore Orioles. Riding on the subway was also something to remember. At midnight, we took a ferry ride to Staten Island and saw the Statue of Liberty and the Manhattan skyline.

The next day we spent going by bus to the Jamboree grounds and setting up camp. The next day, July 16, was spent, in the most part in Philadelphia. Some of the things we saw there were the Christ Church, Betsy Ross House, and Independence Hall, which houses the Liberty Bell.

The Jamboree

July 17-23 were spent at the Jamboree. There are many things to do there. The favorite pastime was "swapping." Boys brought

anything and everything up there to trade. Most of the boys just brought boy scout patches or neckerchiefs, not being interested in bullwhips, rattlesnake rattles, coconuts, black sand from Hawaii, or any other of the ten thousand items taken.

There were other things to do, though. There was physical fitness, campcraft, pioneering, archery, .22 shotgun and .22 rifle areas where one could go.

One could also go hiking around the camp, seeing the chapel and museum, George Washington's headquarters, or just go talk to other boys, maybe from one of the other 45 countries there.

There was just so much that happened, it would be hard to describe it. Just the gathering of over 52,000 men and boys in one area is a sight never to be forgotten. There were movie and TV stars who came and performed and associated with us during the Jamboree. Some of them were Anita Bryant, Lorne Greene, Dan Blocker. President Johnson came and addressed the Jamboree on the last night.

On July 24, we took a bus from Valley Forge to Washington, D. C. That afternoon was spent in group sightseeing.

The next morning was spent taking a sightseeing tour of Washington and surrounding towns, which included Mount Vernon, George Washington's home, and Arlington National Cemetery, where we saw General Robert E. Lee's headquarters, President Kennedy's grave and the changing of the Guard at the unknown soldier's grave. The rest of the day we spent walking around sightseeing.

The things that impressed me most in Washington were, of course, the Capitol building, the Washington monument and the Smithsonian Institute.

At 12:05 a.m. the Delta DC-7 charter plane left the modern Washington Air Port.

Approximately seven hours later, after stopping in Atlanta for 45 minutes, the pilot made a perfect landing in San Angelo at 4:55 a.m. on July 26 after a long, never to be forgotten trip.

Mrs. Mabel Myers and John Abe Myers of San Angelo spent last weekend in Quemado where they visited Mr. and Mrs. Charley Myers.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

Rev. and Mrs. Arthur Sonnenberg were honored with a wedding shower Saturday night at the community center at Tennyson. Hostesses were Mmes. Franklin Thomas, Herbert Holland, Robert Brown, Gene Halamicek, Roy Baker, Tom Green, Louis Baker, Bert Blalock, John Clark, Jack Corley and Albert Tucker.

The party room was decorated with bridal colors of green and white. The tea table was laid with white lace over green and centered with an arrangement of flowers. A milk glass punch service was used.

Mrs. Halamicek registered the guests; Mmes. Corley, Green and Holland presided at the punch service and Mmes. Brown and Tucker served the cake.

Visiting Mr. and Mrs. Herbert Holland Sunday afternoon were Mr. and Mrs. Mug Stephenson and Meta Kay, San Angelo; Mr. and Mrs. Bert Hester, Miles; Mr. and Mrs. Carl Florence, Ballinger. Mr. Holland recently had three water wells drilled on the ranch. Windmills have been put over two and a pump will be installed on the other.

Others drilling wells lately have been Carl Florence, Homer Clark, L. B. and Bomer Horton. All will install pumps.

Mrs. J. W. Borders returned Saturday after a six week visit with her daughter, Ms. Lorenza (Red) Lee and family at Hart and her sons, Chester and J. W. Borders, and their families.

Mrs. Jennie Petty of Ballinger, step mother of Mrs. Kate Slaughter, left by plane Friday for Los Angeles for an extended visit with a nephew, Albert Jackson, and family. She was 88 years old Friday.

Mr. and Mrs. Vernon Jones of Bangs visited Mrs. Kate Slaughter Monday and are visiting other friends here during the week.

Herbert James Holland, Jr. of Big Spring, grandson of Mr. and Mrs. Herbert Holland, is enrolled in Howard County Junior College.

Herman Hoelscher spent the weekend in San Angelo.

.4 inch of rain during the week. The community received about .4 inch.

Mr. and Mrs. Jerry Landers were Saturday night supper guests of Mr. and Mrs. Carl Florence and Mrs. Susie Garlington in Ballinger. Mrs. Landers visited Mr. and Mrs. Oscar Hayes in Bronte Friday.

Mr. and Mrs. Ivan Slaughter and children of Ballinger came over to visit his mother, Mrs. Kate Slaughter Saturday. They accompanied Mr. and Mrs. Russell Carlton and children and Mrs. J. W. Borders to the McMurry-SAC ball game in San Angelo Saturday.

Mrs. Charlie Lee attended the wedding of her grandson, Charles Ben Lee, in Ballinger Saturday.

James Lee killed a big rattlesnake in his back yard Wednesday. It had 11 rattles.

Mr. and Mrs. Howard Gleghorn of San Antonio were weekend guests of his parents, Mr. and Mrs. T. G. Gleghorn. Mr. and Mrs. Doyle Gleghorn of Miles, visited them Saturday night.

Mr. and Mrs. Marvin Stephenson and daughter of San Angelo visited Mr. and Mrs. Willard Caudle Sunday.

NEW YEAR FOR WSCS

Mrs. C. E. Arrott was hostess to the Methodist WSCS Monday afternoon. The study was from the 1964-65 yearbook "Summons to a New Age." Mrs. Arrott served refreshments to the nine other members.

The next meeting will be at 2:30 p.m. Monday, Sept. 28, with Mrs. Nora Bridges as hostess and Mrs. A. N. Rawlings as leader.

All ladies of the church are invited to take part in the year's work.

MARY SLAUGHTER

Is a Little Tired — and after long and careful consideration has decided to put her stock farm on the market.

HERE'S SOME MORE MOM!

Youngsters have a knack for messing up things... themselves, the house, their clothes. This is especially true during the winter months. And it takes a lot of hot water to clean up. The new 3-times-faster, quick recovery, flameless electric water heater is time saving and

provides a more-than-ample supply of hot water. A strict temperature control prevents overheating and there's nothing to re-set, regulate, or turn on and off except the faucet.

It can be easily installed anywhere in the house, since there is no flame, no flue is needed. Only a flameless electric water heater is fully automatic.

See your electric appliance dealer or your plumbing fixtures dealer about installing a flameless electric water heater.

FREE WIRING... to customers served by WTU who purchase an approved Electric Water Heater from a local appliance dealer or local plumbing supplier.

**Yvonne McCutchen, Mickey Black Exchange Wedding Vows in Ceremony at First Methodist Church**

Bronte First Methodist Church was the scene for the Friday, Sept. 11 wedding of Miss Carolyn Yvonne McCutchen to Mickey Lynn Black. The double ring ceremony was read by the pastor, the Rev. A. S. Masterson, at 7 p.m.

The bride is the daughter of Mr. and Mrs. C. M. McCutchen and the bridegroom is the son of Mr. and Mrs. Osmo Black, all of Bronte.

Baskets of white gladioli and white mums flanked white candles on each side of the altar. Mrs. Walter Phillips of San Angelo was organist and accompanied Mrs. Kenneth McCutchen, sister-in-law of the bride, of Eden who sang "Because" and "The Lord's Prayer." Douglas McCutchen, brother of the bride, was candlelighter.

Given in marriage by her father, the bride wore a dress of white lace over satin, fashioned with a scalloped neckline, trimmed with lace, and long pointed sleeves. Her street-length skirt was pleated. A veil of french illusion was caught to a crown of lace and pearls. She carried a bouquet of white roses on a white Bible.

Mrs. Martin Lee, sister of the bride, of Bronte, was matron of honor and Mrs. Jerry McCutchen of Abilene was bridesmaid. They wore dresses of blue crystalline with scalloped neckline and sleeves. The street length skirts were styled with pleats. They wore matching headbands of blue net and carried white poms on white French chantilly lace fans.

Best man was Mike Luttrell of Bronte. David Hagler of Coleman was groomsman. Douglas and Kenneth McCutchen, brothers of the bride, were ushers.

**First Baptist Ladies Observe Week of Prayer**

W.M.S. of First Baptist church observed a week of prayer for state missions in meetings this week at the church. On Monday and Tuesday they met at 9:30 a.m. and a film strip was shown Wednesday night at the usual prayer meeting hour.

Theme for the week was "Lord, Make Me Aware." Twelve were present Monday and 15 on Tuesday.

Recently a group from the WMS visited the Baptist Memorial Geriatrics Hospital in San Angelo. They visited in all departments and had lunch in the mess hall. Attending were Mmes. Mauril Johns, Winnie Tidwell, Olive Koeney, Charlie Knierim, Otis S.m.h. Aubrey Denman, M. J. Lasswell and Mattie Glenn.

A reception followed the ceremony in the Fellowship Hall of the church. The couple was assisted in receiving wedding guests by their parents. Jettie Kirkland, cousin of the bride, registered guests.

The table was laid in white net over blue with the attendant's bouquets as the centerpiece. Blue streamers with the couple's names on them extended from the centerpiece. Gwen Kirkland, cousin of the bride, served the cake and Lana Bates of San Angelo served punch.

For a wedding trip to the Big Bend area and Old Mexico Mrs. Black wore a royal blue mohair suit with black accessories. They are now at home in Dumas where Mr. Black is employed by the Soil Conservation Service.

Mrs. Black is a graduate of the Bronte High School and Shannon School of Nursing in San Angelo. He is a graduate of Bronte High School, Tarleton State College of Stephenville and Texas Technological College in Lubbock.

Mr. and Mrs. Osmo Black hosted the rehearsal dinner Thursday night at the Cactus Cafe in Bronte.

**NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS**

No. 2162-A

Notice is hereby given to whom concerned that the application of COLORADO RIVER MUNICIPAL WATER DISTRICT, P. O. Box 869, Big Spring, Texas, was received on the 17th day of July, 1964, in the office of the Texas Water Commission. Applicant seeks to amend its Application No. 2162, granted June 20, 1960, as follows:

(1) To change the location of the dam from the point proposed in Application No. 2162 on the Colorado River in Mitchell County, to a point on the Colorado River in Coke County. The new location sought for the dam is approximately 2 miles west of Robert Lee, Texas, with station 74+00 on the centerline of the proposed dam located S 1° 05' E 10,645 feet from the southeast corner of Section 412, H & TC RR Co. Survey, Block 1-A, A-1676, Coke County, Texas;

(2) To increase the storage capacity of the dam and reservoir by a total of 85,060 acre-feet (from 403,700 acre-feet at the original Mitchell County dam site to 488,760 acre-feet at the proposed Coke County dam site);

(3) To divert the water to be appropriated at a point which bears S 15° 10' W 2011 feet from the southwest corner of H & TC RR Co. Survey, Block 1-A, A-1676, Coke County, Texas, on the left bank of the Colorado River, approximately 3.2 miles northwesterly from Robert Lee, Texas, and to increase the rate of diversion by 30,000 gallons per minute (from 40,000 gallons per minute authorized under Application No. 2162 to 70,000 gallons per minute);

(4) To change the amount of water authorized to be appropriated under Application No. 2162 for industrial use from 5,000 acre-feet of water per annum to 2,000 acre-feet of water per annum, and for mining use from 5,000 acre-feet of water per annum to 8,000 acre-feet of water per annum, but not changing the amount of 40,000 acre-feet of water per annum authorized to be appropriated for municipal use nor the total amount of 50,000 acre-feet of water authorized to be appropriated annually under said Application No. 2162.

(5) To add as an additional au-

thorized use, the use in place in the reservoir of the total amount of water impounded therein for the purpose of recreation.

The place of use of the waters used for municipal, industrial and mining purposes will be in the following counties in the Colorado River watershed, but only in those portions thereof within the watershed of the Colorado River: Coke, Ector, Glasscock, Howard, Martin, Midland, Mitchell, Nolan, Runnels, Scurry and Sterling Counties. Notice of this fact is hereby given to record appropriators in the Colorado River watershed, both within the watershed as a whole and within those portions of said watershed in the above-described counties in which the water is to be introduced and used.

Water which is diverted for municipal use but not consumed as a result thereof will be returned to the Colorado River and its tributaries at sites of the sewage treatment plants of cities served by the District within the above-named counties. Water which is diverted for industrial use or mining use but not consumed as a result thereof will be returned to the Colorado River or its tributaries within the above-named counties.

Applicant further proposes to construct a system of low-flow pollution control diversion works in the channel of the Colorado River in Scurry and Mitchell Counties, and to use as part of

its appropriation for mining purposes polluted waters there occurring, consisting of the salt water, oil field brines and commingled salt and fresh water.

Said application was accepted for filing by the Texas Water Commission on the 17th day of August, 1964, as Application No. 2162-A, and a hearing thereon will be held by the Texas Water Commission, in the office of the Commission at Austin, Texas, on MONDAY, OCTOBER 19, 1964, beginning at ten o'clock a.m., at which time and place all parties interested may appear and be heard. Those opposing the granting of said application should file written protests with the Commission and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by Commission Rule 305.2. Such hearing will be conducted from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Texas Water Commission may deem right, equitable and proper.

Given under and by virtue of an order of the Texas Water Commission, at the office of the said Commission at Austin, Texas, this 17th day of August, 1964.

TEXAS WATER COMMISSION

## HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mr. and Mrs. Ed Garvin and daughter, Linda Kaye, attended the Garvin reunion at Christoval over the weekend.

Mr. and Mrs. Billy Waggoner of Oklahoma City, Okla., are parents of a son born Aug. 27. He weighed 6 pounds and has been named Billy Clyde. Grandparents are Mr. and Mrs. Floyd Waggoner of Hylton. Great grandmother is Mrs. Lula Palmer of Blackwell.

Mrs. W. C. Doggett, Mrs. Wayne Doggett and Julie Ann, Ronnie Doggett and Edward Crist of Pecos and Sid Johnson of San Angelo visited in the home of Mrs. James Cate over the weekend.

Mr. and Mrs. Jimmy Bickley attended funeral services in Fort Worth for her nephew, L. B. Thomas, his wife and 22 months old daughter, who were killed in an auto accident near Mt. Vernon. They were returning to their home in Fort Worth from a trip to South Carolina. He was to have been sent to Spain with the armed forces.

Mr. and Mrs. John Holland have moved to Crane to make their home.

Miss Billy Jo Whiteside of Dallas visited her grandmother, Mrs. T. W. Whiteside, and other relatives over the weekend.

Mrs. P. G. Dabney has gone to San Angelo where she will be a director at Rannels Hall at the San Angelo College.

Blackwell boys won their game 50-30 at Water Valley Friday night. They will play at Christoval Sept. 18 at 8 p.m.

Honored at Shower

Miss Karen Stokes of Talpa, bride-elect of Jimmie Cate of Blackwell, was honored with a bridal shower at the Blackwell Baptist fellowship hall Tuesday night. Charlotte McRorey registered guests. Judy and Charlotte Cate, sisters of the prospective groom served punch and cake squares from a tea table laid with gold nylon net over white. Gold and white flowers were the centerpiece. Hostesses were Mes. E. T. Ware, Kay Corley, James Ware, Edna Sneed, Carlos Kinard, Alvin Edwards, Bill McRorey, R. D. Nabors, Joe G. Conrath, O. T. Colvin, L. L. Johnson and Dick Cooper.

Mr. and Mrs. Ernest Seay spent several days recently visiting relatives and friends in Erath and Comanche counties.

### ONE GAME CHANGED

The 1964 Longhorn Football schedule has had one game changed since it was issued earlier this year. The game which was scheduled for Oct. 23 with Hermleigh will be played on Saturday, Oct. 24. Reason for the change was to move the game up to Hermleigh's homecoming date. Time remains the same, 7:30 p.m.

### BIRTHDAY PARTY

Sandra Moody, daughter of Mr. and Mrs. Bill Moody was honored on her 6th birthday Wednesday morning, Sept. 9, at Mrs. Masterson's kindergarten.

Birthday cake and punch were served to Kelly Boyles, Randy Corbin, Randy Nelson, Donald Butler, Leah Barbee, Shelly Cumbie, the honoree and Mes. Moody and Masterson.

Mr. and Mrs. Lester Webb spent the weekend visiting in Oakwood with her sister, Mrs. Myrtle Lipsey, and family, in Elkhart with her nephew, Archie Lipsey, and family and in Gatesville where she met another sister, Mrs. Clara Jackson of Dallas in the home of her aunt, Mrs. Martha Pate.

Frances Glenn and Dorothy Ruth Martin spent last weekend in San Angelo in the Jack Reichert home with Barbara and Heidi. They attended the SAC and McMurry football game Saturday night.

### Boy Scout Swim Meet To Be Held Saturday

All registered Boy Scouts and Explorers of the Tri-Rivers District are eligible to enter a swimming meet starting at 6:30 p.m. Saturday in Robert Lee. Awards will be given for both individual and team winners.

First, second and third place ribbons will be awarded for troop and post activities. Scouts will be divided into three age groups for competition. Individual events include elementary back stroke, breast stroke and free style. Four man team events will be free style, back stroke and medley relay.

Four events have also been planned for non-swimmers, in order for all those present to participate. Entry fee is 20 cents for each Scout.

Mrs. W. O. Eubanks of Sweetwater and the Allen Coppedge family of Abilene visited with their mother, Mrs. Carrie Coppedge Saturday.

Mrs. Jimmy Irwin and children of Lubbock spent Saturday with her mother, Mrs. Myrtle Keeney.

Mr. and Mrs. Bob Leavell of Coleman, Mr. and Mrs. Ben Thomas of Denver, Colo., visited Sunday with Mrs. C. C. Smith, Mr. and Mrs. Otis Smith and Mr. and Mrs. C. R. Smith.

## Teachers Go to Blackwell School Meet

Charles Bitters of Austin, representative of the Texas Education Agency, visited the Bronte Schools Tuesday and told school officials he was very pleased with what he saw here. He complimented the local schools highly on the curriculum and manner of instruction.

Bitters was in this vicinity to attend a meeting of the Texas Small Schools Association Monday night at Blackwell. All 18 of the Bronte teachers attended the meeting, which was held for the purpose of creating curriculum guides for various subject areas.

Members of region 12 of the Texas Small Schools Association are Eola, Paint Rock, Water Valley, Garden City, Trent, Divide, Blackwell and Bronte. The Blackwell hosts served a turkey dinner to

guests. Creating of curriculum guides as a task that will take more than a year to complete, said Supt. C. B. Barbee. All schools in the association are urged to adopt this and other projects, in order to improve the instructional program of small schools in all subjects and areas.

Burle J. Fallon, professor of education at Texas Tech in Lubbock, was speaker for the evening's program. He is executive secretary of the West Texas study council.

Bronte teachers who have been named to head various sections in the regional study are Mrs. Royce Fancher, home economics; Mrs. James Golson, grades 3 and 4; James Golson, junior high math.

## NEWS FROM TENNYSON

By Mrs. Barney Griffin

Everyone is invited to attend the musical at Tennyson school house Saturday night, Sept. 19. Coffee, punch and cake will be served.

Mr. and Mrs. Jack Corley, Mr. and Mrs. J. P. McClure, Mrs. Bert Cornelius and Mrs. George James attended the wedding of Mrs. James' granddaughter, Sandra Chambers in San Angelo Thursday night.

Mr. and Mrs. Glen Griffin and boys and Mr. and Mrs. Don Scott and family, all of San Angelo, visited the J. D. Hooks family Sunday.

Sunday visitors of Mr. and Mrs. Bill Feil were Mr. and Mrs. W. Wuemling of Grapecreek and Mr. and Mrs. Henry Feil of San Angelo.

Floyd Gibson visited Joel Webb in Nolan Friday. Mr. and Mrs. Gibson visited the Dean Huddleston family in San Angelo Sunday.

No improvement is reported in the condition of Mrs. Otto Finck who is in St. John's Hospital in San Angelo. Mmes. Etta Hurst, Tom Green, Bert Cornelius and Mr. and Mrs. Hamp Thomas visited here Sunday. Mmes. Green and Cornelius also visited the Gene Stewart family and Mrs. B. R. Davis.

Weekend guests of Mr. and Mrs. Claude Ditmore were Mr. and Mrs. Harris Russell of Midland, Mr. and Mrs. Lewis Underwood of Luther and Mr. and Mrs. Elton McGinnis and Linda of Eldorado.

Chester Derrick of Odessa visited the C. D. Derrick family Friday night.

Mr. and Mrs. Kirk Dyess of Nor-

ton visited Mr. and Mrs. Homer Cornelius Tuesday.

Mr. and Mrs. Tom Williams went to San Angelo Monday where they visited the Alfred Williams and Gary Wargor families. Mr. and Mrs. Williams, accompanied by Mr. and Mrs. Floyd Modgling of Bronte attended a singing at the Sweetwater Baptist church Sunday evening.

Recent guests of Mr. and Mrs. Donald Huffaker have been Mr. and Mrs. Don Daniels and son of San Angelo and Mr. and Mrs. Frank Zaz, of Rowena.

The granddaughter of Mr. and Mrs. L. J. Sonnenberg is reported "about the same" in a Houston hospital. Sunday visitors in the Sonnenberg home were Mr. and Mrs. Charles Sonnenberg and son, Mereta; Mr. and Mrs. Arthur Sonnenberg, San Angelo and Lee Fy, Eldorado. Mrs. Clara Sonnenberg is visiting them this week.

Mr. and Mrs. J. P. McClure and family visited the Bobby McClure family in Colorado City last weekend.

Weekend guests of Mr. and Mrs. George James were Mr. and Mrs. Ben McMurray, Mr. and Mrs. M. Hibbs, Melvin James, all of San Angelo and Mrs. Hazel Deans and girls of Big Spring.

A large crowd attended a wedding shower for Rev. and Mrs. Arthur Sonnenberg at the Tennyson schoolhouse Saturday night. He is pastor of Brookshire Baptist church.

Tennyson quilting club will meet Thursday, Sept. 24, with Mrs. J. B. Clark as hostess.

Sunday visitors of Mr. and Mrs. Robert Brown were Rev. and Mrs. W. E. Chandler, Woodrow Howell, San Angelo, Mr. and Mrs. D. T. Wrinkle of Cisco, Mr. and Mrs. W. P. Hughes, Bronte, Mrs. Hughes, Baird, and Mrs. Tommy Berry and children.

Mr. and Mrs. Woodrow Howell are parents of a new daughter born Sept. 7 in Shannon Hospital.

Mr. and Mrs. H. H. Helland visited the Guy Kemp family in Roby Sunday.

## If DISASTER Struck Our Town - HOW WELL WOULD YOU BE PROTECTED?

MOST SERIOUS COMPLAINTS ABOUT PAYMENT OF INSURANCE CLAIMS ARE MADE BY PEOPLE WHO HAVE NOT INSURED THEIR HOMES THRU LOCAL ESTABLISHED AGENTS... says Legislative Investigating Committee.

In its Official Report on loss adjustments made after Hurricane Carla, the Committee of the Texas House of Representatives gave full credit for responsible performance to those companies represented by independent agents! The committee went on to say that most serious complaints were made by witnesses who did not have the service of an insurance agent with whom they were personally acquainted.

YOU CAN PROTECT YOURSELF by making sure that your insurance on your car, home or business is with your local INDEPENDENT AGENT.

CHEVROLET

HERE'S CHEVROLET'S LONG STRONG LINE OF

# workpower TRUCKS FOR '65!

More models, more engines, more Chevy workpower!

The long strong line of Chevy trucks for '65 is rolling in with miles of new working equipment. Like that handsome Fleetside pickup that leads the pack... one of the 18 pickup models in the line this year.

Further along, you'll find economical Chevy-Vans, a wide selection of walk-in vans, a bigger choice of big trucks, more job-tailored components—trucks built to fit your business and budget.

And under those hoods you'll find

the best in 4- and 6-cylinder, V8 and diesel power, 18 tough truck engines in all including 4 new lower cost diesels. Here's the huskiest bunch of haulers that ever came looking for work!

Our word for all this is *workpower*. That's the stuff that makes a truck a real truck. A hard-nosed money-saver. Yes, workpower's here and Chevy's got it, in such a variety of types and sizes that picking the best truck for your job will be easier than it's ever been before. If you're in the market, just get in touch with your dealer.

Telephone your Chevrolet dealer about any type of truck

# Families Gone From Coke County Farms

Editor's Note: County Agent Sterling Lindsey of Coke County prepared the following article as a paper connected with a summer school for agents he attended recently.

The study is of a problem that faces and has for some time faced the people of Coke County communities.

It is timely now as we look for something to replace the abandoned farms as livelihood for families that would like to live here.

Vacant houses that were farm homes, the community school with closed doors, the school bus only partially filled on its morning run—grim facts of changing times. Good or bad, the changes have occurred. And the trend will probably continue.

Exactly what has happened in Agriculture? Why the milk cow, the laying hen and the brood sow regimented instead of being a part of the family farm as they used to be?

When I was a boy growing up, I traveled certain trails hunting

## Brunson Family Has Reunion

The family of the late Matthew Brunson met in the home of Dave Brunson over the Labor Day weekend for their annual reunion.

Attending were: Elbert Brunson, Altus, Okla., only other living descendant of the Matthew Brunsons, except Dave.

Mr. and Mrs. Phillip Fraker, Farmington, N. M.; Sam Brunson, Alamogordo, N. M.; Mr. and Mrs. P. C. Bradley, Oklahoma City, Okla.; Mrs. Herbert Laird, Obisitee, Okla.; Mr. and Mrs. Bob Powers, Longview; Mr. and Mrs. M. R. Hansberger, Brownwood; Cromer Brunson, Pampa; Mr. and Mrs. Bill Brunson, Beaumont; Mr. and Mrs. U. C. Williamson, Buster and Debbie, Abilene.

Mr. and Mrs. Rance Brunson, Donna Saunders, Mark and Laurie, R. Cross, Mr. and Mrs. Jimmy Brunson, Ann Deffendorf, Wichita zanne, all of San Angelo; Linda Brunson, Ann Deffendorf, Wichita Falls; Mrs. Ruby Thomas, Mr. and Mrs. Jack Vaughn, Vicki, Kathi and Jacki, Mr. and Mrs. Ronnie Cole and Tami, Sweetwater.

Mike Thomas from Hawaii enroute to Ft. Hood for U.S. Army duty; Heidi and William Rance Brunson, Snyder.

Mr. and Mrs. J. L. Brunson, Mr. and Mrs. Homer Vaughn, Mr. and Mrs. Louis Buckelew and Gary Cole and Dave and Irvan Brunson, all of Bronte.

Dave Brunson, 89, was the oldest person present and Debbie Williamson, 2 months, granddaughter of Mr. and Mrs. Clay Williamson, was the youngest person present.

At least three sets of "four generations" were present.

birds, or the milk cow, and to go to the tank in the back of the pasture. A couple of summers ago, I went over those same places again. They looked different. The whole farm looked different. And being realistic it wasn't the same place I knew and remembered.

Coke County, in 1930, according to census figures, had 838 farms. In 1950, we still had 494 farms and ranch operators. The 1960 figures show Coke County to have 337 farms. During that same period the average farm or ranch size increased from 651 acres to 1,801 acres. In 1960, approximately half the operators were working off their farm or ranch to add to the family budget. And while these changes we taking place the average age of operators jumped sharply. These same trends are in force in other counties in our area and in all of Agriculture.

What, then, brought on these drastic changes? We, by nature, are interested in our own welfare. To get a picture of what is happening and what has already happened, we must look at the total picture—the nations output, not just our sheep, wool, cattle or cotton.

First, in a free enterprise system such as we have, each operator produces as he sees fit, or as he is capable of producing. Agriculture produced well—and continued to produce well. Our nations food supply was bountiful. Our national economy benefited from agriculture's "push." Other industries found a good market for many of their supplies.

The tractor came into the picture, then four row equipment, the combine, hybrid seed, fertilizers, and other innovations that made greater production possible. Agriculture responded and put them to use. When word got around, the pace was accelerated—more technology and faster adoption.

One day, not many years ago, agriculture had more than she could sell. This was good for the consumer, good for the nation's economy as a whole. But, it was bad for Agriculture.

As the vicious cycle continued, prices on agriculture's produce moved lower, her purchases moved upward. Hoping to make ends meet, more know-how was applied, more fertilizer added. The neighbor's farm was purchased and both units put into one-operated with virtually the same equipment the one operator used previously. One operator went out, the price spread grew still wider. In compensation, still more technology, more resources, eight row equipment, better management were added. Again, the production rose, the surplus mounted, the producers sale price dropped further.

So, today, we have 50% of the operators producing more than ever before, feeding approximately 29 people each. Our nations total economy is up but agriculture is having increasing problems.

Certain economic facts and forces are at work in our national economy. These we must understand if we are to understand what is happening to the family farm.

First, in a free enterprise, open market system, the consumer, John Q. Public, regulates the prices of goods sold—all products, not just what agriculture has to offer. When too much food is produced, prices will go down, normally in a ratio of four to one (one percent more than consumer wants, four percent cut in price to move the food product.)

Secondly, consumption of agricultural or food products is ratch inelastic—the consumer will eat so much, very little more at any price.

Another factor is that, the national economy increased and the price of products the farmer buys, moved up with the economy.

The fourth factor, and it is a key one, agriculture still has the capacity—the resources and know-how—to produce more than the consumer wants.

Thus, these factors have brought about a "pull" and "push" situation. The farmer's income declined in relation to non-farm income. Some operators, young enough and qualified, moved to higher paying jobs outside agriculture. Some left because they were no longer able to make a living.

Adding to the "pull" and "push" effect are the advances in technology that have come about in recent years. One operator can farm much more land than ever before. And at the same time he must produce more per unit invested and/or per hour of labor to pay for the added investments. The combined effect of the new technology, its implementation, the shifting of resources and the movements out of agriculture, is an environment favorable for economic growth. In the case of Coke County, the number of operators grossing less than \$10,000 annually has decreased while the number grossing more than \$10,000 has increased.

What then, can be done in order that agriculture can expect a fair return on its investment? A number of proposals have been made. Some have already been tried. The various proposals will be presented in order that you may inform yourself on the situation.

Four choices can be made—cut production, increase demand, let the free market (supply versus demand) take its natural course, and a fourth measure, reduce the farmers ability to produce.

The first suggestion has been tried. Some help resulted, particularly by taking land out of production. But, the supply has not been reduced enough to balance with the demand.

Attempts have been made to increase demand for agriculture's output. To date, little change has resulted, one method—advertising—has shifted demand (beef to poultry, etc.) but has increased total demand very little. Some say the nations population increase has helped. This has not been borne out—agriculture is still producing at a greater rate than population is increasing. Also, increasing per capita incomes has been mentioned. Since food consumption is relatively stable this has not had a marked effect. The increases in wages have been used primarily to purchase other non-agricultural products. The government food programs has increased consumption, but not noticeably.

The third means, let the free market handle the problem, means remove all controls and let farmers produce and sell all products as they may. With the supply of agricultural commodities there is on hand, this could be very shocking. The market, initially would surely make a severe drop. And how long the shock would last is difficult to determine. Produce prices could stay down long enough to hurt many individuals and also the total economy of the nation.

The fourth proposal, reduce agriculture's ability to produce, would have to be a political maneuver. It might be in the form of inducement payments or acreage controls or possibly government purchases. Or some combination of the three.

The family farm and agriculture are faced with a mountainous problem, one that has no easy answer. This has already been evidenced. But, understanding why agriculture is in an unfavorable situation and knowing what corrective steps are possible is a responsibility we must shoulder.

Ironically, we should also be thankful our problem is a surplus rather than a deficiency.

**THREE LOVELIES**—The top three contestants in the Miss Bronte competition on Sept. 5 are, from left, Misses Donnah McCombe, Peggy Corley and Jan Wilkins. At the time this picture was made no one knew who the winner would be.

It was announced Sept. 7 that Miss Wilkins was the winner of the Miss Bronte title. The contest was entered by 18 young ladies who showed their talents and charms to a well packed auditorium of spectators.

## Diversity Club Has First Meeting of New Year With Mrs. Thomas

Members of the yearbook committee were hostesses Thursday evening for the first fall meeting of the Diversity Club. They met in the home of Mrs. George Thomas. The yearbook committee was composed of Mmes. L. G. Campbell, Collins Sayner and Thomas. Mmes. Sayner and Thomas served appetizers, sandwiches, cookies, coffee and frosted punch from a table laid with a pink organdy ruffled tablecloth with crystal and silver appointments. Centerpiece was an arrangement of flowers featuring club colors of white, pink and green. New yearbooks were presented as favors.

Course of study for the new year is "Community Service is Americanism" and theme for the programs is "Progress through Service and Understanding."

Officers are: Mrs. O. R. McQueen, president; Mrs. Otis Smith, vice president; Mrs. George Thomas, secretary; Mrs. Cecil Kemp, treasurer and Mrs. J. W. Martin, reporter.

The Federation song was led by Mrs. Vetal Flores and the club collect led by Mrs. Sayner.

Mrs. McQueen delivered the president's message and directed a business session. Attending were Mmes. D. K. Glenn, J. T. Henry, R. C. Lasswell, R. W. Rees, Flores, Kemp, Martin, McQueen, Sayner, Smith and Thomas.

Next meeting will be with Mrs. Clifford Clark on Oct. 8 at 7:30 p.m.

## Sorosis Club Opens New Year with Meeting Sept. 10

First meeting for the new club year for Sorosis Study Club was held Sept. 4 in the home of Mrs. Royce Lee. Mrs. Joe Rawlings was in charge of the program on "Our Goals for the Year" and gave a part of the address given by the president of the Texas Federation at her installation ceremony.

An upcoming tea, to organize a federated club in Robert Lee, was discussed. The tea will be Thursday night, Sept. 17, in First Methodist Church in Bronte.

Yearbooks were distributed and discussed.

A congealed salad, nuts, homemade candy, coffee and cold drinks were served. Ladies present included Mmes. C. B. Barbee, C. C. Boecking, Matthew Caperton, B. J. Clark, E. M. Cumble, Royce Fancher, Donald Furr, Clark Glenn, E. F. Glenn, Clyde Lee, A. S. Masterson, W. D. McDonald, Ben Oglesby, Rawlings, C. O. Richards, Roy Robinson and the hostess.

## JUNIOR H.D. CLUB NOTICE

An important meeting of the Junior Home Demonstration club has been called for next Monday, Sept. 21, at 9:30 a.m. in the home of Mrs. Eddie Alexander. All members are urged to be present.

## HIGH SCHOOL CLASS OFFICERS

High school classes met last week and named their class officers. They are as follows:

**Freshman**  
President, Don Hageman; vice-president, Merritt Scott; secretary-treasurer, Kreta Kiker; reporter, Doak Snead; student council representative, David Glenn; sponsor, Miss Linda Jones.

**Sophomore**  
President, Gary Stroebel; vice-president, Gary Don Allen; secretary-treasurer, Lillian Strickland; reporter, Fances Glenn; student council representative, Mary Lou Basquez; favorites, Brenda Scott and Charles McGuire; duke and duchess, Lillian Strickland and Gary Stroebel; sponsor, Miss Judith Smith.

**Junior**  
President, Larry Corley; vice-president, Royce Lee; secretary-treasurer, Patricia Robinson; student council representative, Janet Caperton; reporter, Sharon Mackey; favorites, Patricia Robinson and Wayne Hester; duchess and duke, Donnah Holcombe and Larry Corley; sponsor, Clint A. Low.

**Senior**  
President, Beth Ivey; vice-president, Ronnie Lee; secretary, Tricia Andrews; treasurer, Marla Rees; reporter, Kenneth Wilkins; social chairman, Sharon Hurley; student council representatives, Ronnie Lee, Marla Rees; favorites, Margi Oglesby and Ronnie Sims; sponsor, Mrs. Royce Fancher.

ing, from one day to the next. However, the Saturday Evening Post this week got downright nasty and printed some things about the Republican nominee that we would be hesitant to say even in a small crowd. The Post was quite militant in its opinion about Mr. Goldwater and his platform.

There's one small segment of our population we really feel sorry for in the forthcoming presidential election. This group is composed of Republicans who fought John F. Kennedy on the religious issue in 1960. These poor folks have got no home - nowhere to go. They wouldn't want to vote for the Democratic ticket, and their own vice presidential nominee is a member of the Catholic Church; and we all have been made aware of the fact that a vice president can become the president.

**OZONA DOWNS -**  
Continued from Page 1

gainer before the first quarter ended.

**2nd Quarter**  
McCutchen went for four yards and Lee picked up enough more to give the Longhorns a first down on the 43. The next series of downs proved fruitless and Lee had to kick. He got off a 52 yard punt which backed up the Lions. Upham, Maney, Carson and Vargas carried for a first on the 35, then for another on the 47. Bob Strickland broke through the line on the next play and threw the Lions for an eight yard loss. Unable to make the necessary 18 yards the Lions punted to Jerry Don Holcombe. Lee tried a couple of passes but they missed, and a running play failed. Lee had to punt and again he got off a booming 45 yarder which went over the goal line.

The visitors didn't make their first down and punted to Lee who made a good run back to his own 48 yard line. David Glenn, freshman, relieved Lee of his quarterback duties and threw a pass which was intercepted by Ozona on their own 30 yard line. The Lions ran and passed for a first down on the Bronte 46. Then they

fumbled and Bob Strickland recovered. On the next play the Longhorns fumbled and the Lions got the ball back. Ozona moved the ball some good distances, but was unable to move across the double stripe before the end of the half.

**3rd Quarter**  
Jim Morrow gave the ball a hard kick to start the third quarter of play. Vargas gained 43 yards before he was dragged down, making a first on the Bronte 24. Kyle then carried that distance for pay dirt, making the score 24-0. EP try failed.

Ramos kicked off to McCutchen, who made a beautiful run back and almost got into the clear. The last man between him and the goal line dragged him down on the Ozona 48. Glenn tried three pass plays but they fell short, so Lee went back to punt. Instead of kicking the ball he ran it 17 yards for a first on the Ozona 35. On the next play a Longhorn pass was intercepted by Fierro of Ozona. The Lions gained a first down via the penalty route when Bronte drew 15 yards for a personal foul. Dehoyas then ran for a first on the 38, and he and Upham picked up 10 more for another on the 28. The Lions drew a 15 yarder for illegal use of the hands on offense, making it second and 25 to go. After three pass tries, Kyle punted to Holcombe who was stopped dead on his own 9 yard line. Lee made a nice gain of 11 for a first and he then ran three more plays for another first. Lee then

added six more yards and Holcombe picked up three for a 3rd and 1 to go. Again the Lions took over by recovering a Longhorn fumble on the 38 yard line.

The Lions tried four times to make 10 yards but were unsuccessful and the ball went over on downs. Lee carried for six and McCutchen carried, but a personal foul against Ozona gave the Longhorns the needed yardage for a first on the Lion 40. Lee made a yard and McKown added three more before the end of the quarter.

**4th Quarter**  
McKown made four more, but Bronte drew an offside penalty, so Lee had to punt. He aimed at the corner and the ball went out on the Lion 8 yard line. The Lions made five yards, then were penalized half the distance to the goal line for illegal use of the hands. Cox then moved the ball out to the 22 for a first down. The Lions made a first, and McCutchen intercepted a pass, but it didn't count for Bronte was penalized five yards for offside. Vargas ran to the 43 for a first, and on the next play Cox got loose for a TD. It was called back and the Lions were penalized 15 for clipping.

This didn't stop the Lions, however, as Cox ran two plays for a total of 20 yards and a first on the Bronte 23. The Lions picked up nine more, then the Longhorns were penalized five for offside, giving the visitors a first and goal on the nine. Ozona was penalized

15 for clipping. Upham was up to the situation, however, and went the entire distance to the goal line, making the score 30-0. Conversion try failed.

Amthor's kick went to McCutchen who ran back to the 45 yard line. Holcombe, McKown and McCutchen ran the ball to the Lion 44 for a first. After picking up a couple of yards, McKown ran 18 yards for a first on the 22. He then added two more to make it second and eight on the 20. The next play was crucial, for Glenn tossed a pass that landed squarely in Lee's arm for the Longhorns' lone tally for the game. McKown was stopped short on a running conversion try.

Morrow kicked off and the Lions threw a couple of incomplete passes. Upham then ran five yards for a first on the 45. Cox then made 12 for another first on Bronte's 43. A long pass was completed up close to the goal line when the final whistle blew.

Outstanding defenders for the Longhorns were Jim Morrow with 24 tackles to his credit, Ren Johns with 20, Larry Corley with 16 and Bob Strickland with 12.

**SUPPER TONIGHT**  
The Order of the Eastern Star will entertain members of the Masonic Lodge and their wives with a supper at the school cafeteria tonight (Thursday) at 6 o'clock.
