AD-LIB-BEN

We have had several inquiries the past week about Liberty Lobby and J. Evetts Haley's book, "A Texan Looks at Lyndon." We have read most of one of the three identical copies of the paper we received from Liberty Lobby mailers, but have never peered inside a copy of the book.

Liberty Lobby's publication says the stuff contained therein is taken from Haley's book, so the book must be more of the same. Such being the case, we shall not spend our \$1 to enrich Mr. Haley nor his publishing company.

Since we admittedly cannot give you a first hand report on "A Texan Looks at Lyndon," we shall do the next best thing. We can give you some information which we have picked up here and there concerning it.

James L. Sullivan, executive secretary of the Southern Baptist Sunday School Board, has ordered the book removed from the shelves of all Baptist bookstores. The order was issued after protests were received from several prominent Southern Baptist leaders, including Dr. E. S. James, editor of the Baptist Standard.

Dr. James said, "I find no reason to believe that such a book makes any contribution to the spiritual welfare of readers. It is totally out of place in a Christian bookstore. I have seen few books that were so distasteful to me."

Band Provides Entertainment For Halftime

Bronte's Longhorn Band has been providing some intricate and entertaining halftime activities during halftime at all the football games this season. Band members, under the direction of R. H. Hornbeck, have steadily improved at each performance since the opening game with Ozona.

The crowd-pleasing performance last Friday night featured a twirling routine with flaming batons, which was very effective when the stadium lights were dimmed. The band played Salutation March as twirlers Dorothy Ruth Martin, Pat Robinson and Laura Morrow twirled the blazing batons.

In addition to participating in twirling activities, Miss Rees also directs the formations and music while the band is on the football field.

The band also provides music for opening ceremonies before the games start and the music all during the contests add a great deal to the spirit of the crowd and players.

Boy Scout Fund Drive Starts Mon.

Annual finance drive for benefit of Boy Scouts will be held in Bronte next Monday and Tuesday, Oct. 19 and 20. The drive will get underway Monday with a kickoff breakfast at 6:30 a.m. at Cactus Cafe.

All workers are invited to attend the breakfast and help with the plans to conduct the fund raising campaign.

Royce Lee, who is in charge of the drive, said that Scout leaders are particularly anxious to secure help of new workers who have not been participating in the campaign. He said, "We hope to have at least 20 to 25 workers on hand to participate, and if we do, this job won't be too much trouble to anybody."

Funds raised in the annual finance campaign are used to provide money for local and district work. One of the main uses is maintenance and operation of summer camps which are used each year by local boys and other over this area.

A report of the County Farm Bureau Convention, held Monday night, will be carried next week.

Fall Festival Set For October 31

Bronte PTA's annual Fall Festival will be held Saturday night, Oct. 31, it was announced following a PTA meeting Tuesday night. The program will be launched at 6 p.m.

Lots of good food and fun for everybody is promised at the festival, said Elmer Hurley, PTA president.

Hurley pointed out that there will be no money raising activities this year in connection with the queens' races. Votes for the 12 candidates will be 1 cent each and will be by donation only. Hurley urged that everyone in the area be generous when voting for his candidate, "since there will be no bake sales, car washes or other money raising schemes to take your money."

Besides the queens' races and coronation program, the evening calls for the following activities: Mexican dinners will be served in the school lunchroom. Mrs. Royce Fancher, homemaking teacher will be in charge. Sock Hop will be held in the gymnasium under direction of High School Principal Joe Simpson. Hot dog stand will be in operation, also in the gym. It will be under supervision of Mrs. O. L. Shurey, Mrs. Norman R. Kiker and Mrs. Conda O. Richards.

Films for kiddie entertainment for the younger children will be directed by Elementary Principal James Golson.

The coronation program will begin at 8 p.m. in the school auditorium. Three queens will be crowned; one from grades 1 through 3, one from grades 4-8, and one from grades 9-12. All money to be applied as votes in the queen's races must be turned into the counting committee between 5 and 6 p.m. Oct. 31.

Hurley said that volunteers are needed by the dozen for the many jobs which will need to be taken care of on Fall Festival Night. Anyone who would like to help with the program is invited to contact Hurley and volunteer his services.

The PTA president issued the following statement regarding the Festival: "The Fall Festival has always been a big event in Bronte and is the only money-raising activity sponsored by the PTA. We must have the cooperation of every patron and friend of the school to make this year's program a success. We not only need your cooperation in working at various jobs on the night of the festival, but also your free-hearted and generous help in carrying on the queens' races. Since there will be no cake sales, raffles, car washes or other activities to take your money, please send a generous contribution when you vote for your favorite queen candidate. The money all goes to benefit our school and in turn benefits our boys and girls. Please contribute all you can."

Duchesses and dukes selected from the 12 grades are: First grade, Janie Raughton and Craig Lee; second, Donna Butler and Kit Carlton; third, Diane Arrott and Andy Eubanks; fourth, Rhonda Ivey and Mark Murtishaw; fifth, Queen Mae Henry and Mike Arrott; sixth, Deanna Barbee and Larry McKown; seventh, Mary Jane Morrow and Stanley Murphy; eighth, Janet Lee and Manfred Thompson; freshmen, Ann Cervenka and Don Hageman; sophomores, Lillian Strickland and Wayne Carlton; juniors, Donnah Holcombe and Larry Corley; seniors, Ida Lee Parker and Kenneth Wilkins.

Two Ball Games On Sports Menu Thursday Night

Football fans will be able to take their choice Thursday night between two contests involving local teams.

As usual the Shorthorns will have a game, and the high school B team will also have a contest.

The Shorthorns will travel to Trent for a district game and the Longhorn Bs will entertain Wylie B. Both games will start at 7 p.m. Admission price to both events will be 50 and 25 cents.

The Shorthorn contest will be a crucial one, as the Bronte boys will have to win this one to stay in the district race. They lost their game to Hermleigh last Thursday night, after defeating Robert Lee the week before.

There will be no football game here Friday night, as the Longhorns have an open date. Next game will be Oct. 23, when they travel to Hermleigh to begin District 8-B competition.

Residents Going To See Lady Bird

A large delegation of persons from Bronte, Robert Lee and other areas of Coke County is expected to be in San Angelo the afternoon of Oct. 26, when Mrs. Lyndon B. Johnson will be there for a short visit.

Mrs. Johnson will be accompanied by Mrs. John Connally, Mrs. Robert S. McNamara, Mrs. Orville Freeman and Mrs. Willard Wirtz. A late afternoon reception honoring the ladies will be held in San Angelo's River Club. The public is invited. Exact time of the First Lady's arrival and of the reception will be announced later.

there probably would have been a small amount of flooding in low areas if the dams had not been operational. However, their capacity was far from reached, he pointed out.

Jacoby said that the following amounts of water were caught by the three water retention structures: 600 acre feet at Site No. 2 on the Keeney Estate; 650 acre feet at Site No. 5 and 350 acre feet on Site No. 3, both on land belonging to Edward Rawlings. The water slowly drained from the lakes down to 200 acre feet on Site 2, 200 acre feet on Site 5, and 140 acre feet on Site 3. This slow drainage reduced a total of 1600 acre feet down to 540 acre feet, over a period of 10 days, instead of six to eight hours, Jacoby pointed out.

He said that the recent rains lacked a great deal reaching the capacity of the dams to hold back flood waters, but that they did demonstrate the effectiveness of the structures.

Firemen to Sell Light Bulbs October 27th

Tuesday night, Oct. 27, is the date set by Bronte Volunteer Firemen for their annual light bulb sale. The men will make a house to house canvass of Bronte in their sales effort.

The light bulb sale has provided the department with funds for the past several years to buy needed equipment and to take care of incidental expenses which come up in the operation of Bronte's two fire trucks.

A spokesman for the department said the merchandise will be first quality, and that members will greatly appreciate patronage of all local residents. The firemen receive a substantial profit from each sale, it was pointed out.

FHA AND FFA STUDENTS GOING TO STATE FAIR

FFA boys and FHA girls of Bronte High School will attend the State Fair in Dallas Saturday. Sponsors will accompany the students on the trip.

The bus will leave at approximately 4 a.m. and will return about midnight or later, said Supt. C. B. Barbee.

Longhorns Lose to Bangs, 18-14

The Bronte Longhorns came close, but lost a ball game to the Bangs Dragons last Friday night at Stephenson Field in Bronte. The final score was 18-14. Fumbleitis afflicted both teams, and was particularly disastrous to the Longhorns.

First Quarter

Stephens started the ball game with a Bangs kickoff to Holcombe who was downed on the 29. After McCutchen made 11 and a first down, the ball went over to Bangs on a fumble on the Bronte 30 yard line. On the first Dragon play, the ball went back to the local boys on a Bangs fumble, giving them a 1st down on the 29. Davis Corley was the lad on the ball.

Bronte went all the way up the field to inside the Bangs 20 yard line, with McCutchen and Holcombe carrying and with one pretty pass play from Glenn to Lee. However, the Longhorns bogged

down and had to surrender the ball on downs.

After exchanging the ball a couple of times on fumbles, Bangs was in possession with the line of scrimmage at the Bangs 26. The Dragons tossed an aerial which was intercepted by Royce Lee, who went all the way (better than 40 yards) for the first counter of the evening. Lee's teammates threw some beautiful blocks to clear the way for him and he simply outran three Dragon pursuers. The extra points try was no good, so the scoreboard showed the Longhorns out in front, 6-0.

Morrow's kickoff to White was brought out to the 41 before he was downed and Ramsey made 8 to make it 2nd and 2 when the 1st quarter ended.

Second Quarter

Bangs was penalized 5, then Bruce Mullen and Allen moved the ball to Bronte's 49 for a 1st down.

Allen went 13 yards to the 36 for a 1st and a pass play moved the ball down to the 11 for another 1st down. Allen made 4, Mullen lost 1, then an incomplete pass gave the Dragons only one more play to make good this scoring threat. They made it good, however, with a pass from Bruce Mullen to Allen in the end zone. The Dragons tried a drop kick to make their conversion, but it fizzled. Score: 6-6.

Stephens kicked to McCutchen who got a nice runback to the 45. Holcombe and McCutchen again were the prime movers of the football and moved it to Dragon territory on the 41 for a 1st down. An almost lost fumble lost 4 yards and the Longhorns were unable to recover the loss and make the needed 10. Lee punted to move the Dragons back to their own 30 where they took over the running

Bridge Widening Starts on Hiways Near Robert Lee

The Texas Highway Department has announced two new construction projects in Coke County. One project is on State Highway 158 located between Robert Lee and Bronte, and the other is on State Highway 208 located 1.2 and 2.4 miles north of Robert Lee. Proposed work consists of widening bridges and approaches. The Texas Highway Department and the

contractor, H. L. Freeland, Inc. of San Antonio, stated that construction began on Oct. 5 and will be completed by March, 1965.

H. L. Bailey, supervising resident engineer, is in charge of construction on these projects, stated that traffic will be routed through the construction. Although adequate barricades and warning signs will be prominently displayed and the projects have been zoned for 45 m.p.h. speed limits, the motorist should use extreme caution while passing through the construction areas as they will be heavily traveled by large construction equipment.

The entire length of both projects will be patrolled to minimize inconvenience to motorists. Cooperation of the public is requested in obeying all traffic signals, warning signs and speed zones.

Whom Do You Believe?

TEXAS GOV. JOHN CONNALLY OR LIBERTY LOBBY, J. EVETTS HALEY, AND OTHER WRITERS OF HATRED AND SMEAR? How Much Faith Can You Put In Their Words?

John Connally, conceded by most Texans to be one of the ablest governors this state has had in many years, is an old friend of President Johnson. Their friendship, however, has not kept the Governor from being his own man; he has disagreed with President Johnson on some issues, and has not minded saying so. With his long knowledge of the President and in spite of some differences, Mr. Connally was the man who made the nomination speech at the 1964 Democratic Convention placing Lyndon B. Johnson's name in nomination of President. Governor Connally knows Lyndon Johnson; knows he is the man to lead this country the next four years. Do you think John Connally would give his support to a man guilty of the crimes which the smear spreaders and hate mongers have charged the president?

chores.

The Dragons started a march back up the field and made five 1st downs before they got to Bronte's 1 yard line. Bruce and Brad Mullen, Ramsey and Allen all made good gains to move the 69 yards which gave the Dragons four tries to make one yard and a TD. Allen went over on the first attempt. An attempted pass conversion was knocked down by McCutchen to make the score 12-6. The horn sounded ending the half before the pile was unscrambled, and the conversion attempt was yet to be made.

Third Quarter

The second half of the ball game was started with a Bangs to Bronte kickoff. A grounded ball passed from Glenn to Lee was ruled complete and fumbled, with the Dragons recovering on the Bronte 35. The Mullen boys, Allen and Ramsey moved the ball for short gains pretty consistently until they had a 1st on the Bronte 1 yard line. From there Brad Mullen went through the middle to pay dirt. A drop kick was blocked by Holcombe, and the score was 18-6.

The remainder of the third period saw no more scoring nor even serious threats. The ball seesawed back and forth on uncompleted 1st downs and fumbles and the quarter ended with Bangs owning the ball on their own 41 when the horn sounded.

Fourth Quarter

The Bangs lads were in for a bad time on this march, however. After Brad Mullen made a 1st on Bronte's 34, the Dragons were penalized 5, then lost 10 more when Larry Corley broke through and caused the Dragon QB to fumble the ball and recover it himself. Faced with a 4th and 20 situation, the Dragons were penalized 5 again when they attempted a punt, making it 4th and 25. On the second punt try, the kicker received a bad snap from center, and L. Corley was bearing down on him before he could control the ball. Corley wound up with the ball on the Bangs 35.

The Bronte boys tried four times to make their 1st down, but were unsuccessful, so the ball went over

to Bangs on their own 30 yard line. Ramsey got off on a long run that took him to the Bronte 30 yard line but it was called back and the Dragons were penalized 5 for backfield in motion. The Dragons then tried a long pass which went incomplete, but pass interference was called against the Longhorns to give the Dragons the ball and a 1st down on the Bronte 44. Lee and Glenn knocked down two Dragon passes and a ground play gained them only one yard as they punted to Bronte's 20.

Glenn drew back and threw the ball to Davis Corley for a 60 yard pass and run play which set up the Longhorns on the Dragon 20. McCutchen made 3 on the ground, then Glenn hit Lee with an 18 yard pass for Bronte's second counter of the night. The same Glenn to Lee pattern was used to pick up two extra points, making the score 18-14 in favor of Bangs.

Morrow kicked the ball to Ramsey, but he was stopped cold. A couple of plays later a Dragon fumble gave the ball back to the Longhorns on the visitors' 37. Tension was running high in both the stands and on the field, with the Bronte boys' having an opportunity to pull ahead in the closing minutes of the game. The clock showed a little more than three minutes left in the ball game.

The Longhorns got off two plays which netted 5 yards. Then a fumble dashed their hopes for a victory. The Dragons took over on their own 30. After this stroke

of luck, the Dragons played it pretty close to the chest for the remaining time of the game. They moved the ball out to Bronte's 43 in seven plays before time ran out.

ed was written by friend A. C. Greene, formerly with the Abilene Reporter-News and owner of an Abilene book store. He is now book editor of the Dallas Times-Herald, and wrote the following in a review of the book for his newspaper:

"The only word I can find for it is EVIL."

Greene went on to say: "The well documented stories are the well known facts...and if the book relied on them for its basis it would be just another book."

"A second level...resorts to such documentation as the Dan Smoot Report, columnist Walter Trehan and Human Events magazine, which few unbiased persons would regard as disinterested."

"But the most lucrative 'authorities' are rumor, presumption and the evil make-believe of suspicion."

Greene concluded his review with:

"A more candid subtitle might be, 'A Study in Unhospitalized Paranoia.'"

Sales of "A Texan Looks at Lyndon" slumped more than a little recently. The story has been going around that more than seven million of the books have been sold. However, it was reported in the

San Antonio Express that when Attorney John Oliver, who plans to sue Haley for a client, contacted Haley's attorney, the figure quick-

ly dropped to 500,000.

And that's about the extent of our knowledge of "A Texan Looks at Lyndon."

IDA LEE PARKER TO COMPETE IN STATE 4-H CLUB DRESS REVUE

Miss Ida Lee Parker, 4-H member will be among forty-six girls that will be competing in the 1964 State 4-H Dress Revue in Dallas October 16 and 17 in conjunction with the State Fair of Texas. Ida Lee, age 17, is the daughter of Mr. and Mrs. Truman Parker of Bronte.

The 4-H girls have qualified for the state finals by being judged winners in their respective counties and extension service districts of Texas. Ida Lee, a Bronte High School senior, is co-chairman of the Coke County 4-H council and district council delegate. She is a member of the newly organized senior 4-H club for boys and girls.

Judging will take place Oct. 16. Two public presentations of the dress revue will take place at 10 and 11 a.m., Oct. 17, in the Women's Building of State Fair park.

Mrs. Jessie Southworth, fashion coordinator for Sanger-Harris, Dallas, will again serve as commentator for the fashion show. Escorts for the contestants will be 4-H club boys who are this year's State Fair of Texas Honor Award winners.

The state dress revue winner will be awarded an all-expense trip to the National 4-H Congress in Chicago, Nov. 29-Dec. 3, and will model her ensemble in the National 4-H Dress Revue. Donor for the dress revue award program is the Simplicity Pattern Company.

A special award will be made to the 4-H girl with the most outstanding cotton garment. Texas Cottonseed Crushers' Association will present a \$50 certificate for the purchase of cotton fabric and accessories to this winner.

Finalists in the state dress revue, determined on a percentage basis, represent approximately 15,790 girls enrolled in clothing work this year. The enrollment figure reflects a slight upward trend in membership over last year, when 46 girls competed in the state revue.

Coke Teachers Meet at Bronte

The Coke County Unit of the Texas State Teachers Association met at the school cafeteria in Bronte at 7 p.m. Monday for their regular dinner meeting.

The speech was made by Mr. Carl Winters and entitled "Today's Youth — Tomorrow's World."

The unit approved Don Swinney as a non-voting delegate to the State Teachers Convention in San Antonio October 22-24.

The dinner consisted of fried chicken, gravy, whipped potatoes, peas and carrots, tossed salad, hot rolls and butter, lemon chess pie, tea and coffee. Forty six persons were present from Bronte, Robert Lee and Silver schools.

Mrs. Winnie Tidwell was in Fort Worth for a weekend visit with her cousins, Mrs. Gardy Hale and Mrs. Jewel Hollis.

Shorthorns Lose To Redbirds

By DOAK SNEAD

The Hermleigh Red-birds played fine football as they romped over the Bronte Jr. High Shorthorns, 26-6 in a non-district game last Thursday night.

The Shorthorns, although getting beat, stayed in and played good football the last half. Steve Williams, 8th grade tailback, averaged 11 yards per carry and was leading rusher for the Horns. Randy Barbee averaged 10 yards per carry. The lone tally for Bronte was racked up by Keith McCutchen on a quarterback sneak after a couple of good runs by Williams and David Denman.

The defensive men and their tackles are as follows: Williams 8; Barbee, 2; Denman, 4; James Vaughn 6; Otto Sonnenberg 4; Tommy Grace 4; Manfred Thompson 6; Wesley Ash 4; Jim Bob Arrott 2; David Scott 1; McCutchen 3 and Nicky Arrott 2.

There are three teams in the Shorthorns district: Trent, Robert Lee and Bronte. The winners of this district will play the winner of the Loraine, Jayton and Hermleigh district.

Mrs. Pat Johnson accompanied her nephew, Bobby St. Clair and Mrs. St. Clair to Galveston for the weekend where they visited Mr. and Mrs. Arnold St. Clair.
