More Rain Brings Total to 2½ Inches

Last Wednesday night, after announcement of good rains was made in The Enterprise, some fairly violent weather moved into the area, bringing an average of another inch of moisture. The additional moisture brought the total rainfall for last week up to 2½ inches in most places.

Strong winds and heavy lightning and thunder accompanied the rain. Heavy hail fell in the area south of town, between the river and Tennyson.

The season's first freeze also occurred last week, when the mercury dropped to 26 early Friday morning. The date was about five days later than the average date of a killing frost in this area. Things have been frosty here each morning since that time.

Farm Skills Team Wins Third in Area

The Senior Farm Skills team won third place in the area leadership contest Saturday at Big Spring. They had previously placed first in the district contest at Eldorado.

Brownfield and Loraine placed first and second in the contest. Other schools competing were Alpine, Anson, Stanton and El Paso. They were the top seven teams of 84 in the area, composed of schools from Class B through the AAAA schools.

The Bronte team was composed of Wayne Hester, Alvaro Martinez, Tony Olivas and Manuel Reyes.

They were accompanied to Big Spring by their sponsor, J. T. Henry.

Bronte to Observe Thanksgiving Thurs.

Most of Bronte will close up Wednesday and will not return to work until Friday morning, taking Thursday to observe Thanksgiving.

Bronte Schools will be dismissed Wednesday afternoon and classes will not be resumed until Monday morning, Nov. 30.

Most Bronte service stations and cafes will remain open to serve travelers and local customers. Bronte Cafe and Cactus Cafe are announcing a special Thanksgiving turkey dinner in this week's Enterprise.

It was announced by First Methodist Church that a special Thanksgiving service will be held from 8:30 to 9 a.m. Thursday. Other churches in town announced that any Thanksgiving services will be combined with their regular Wednesday night services.

Of particular interest to local football fans will be the Robert Lee bidistrict game with Throckmorton to be played in Hamlin Thursday night.

Rites Sunday for Charlie Lamkin

By Mrs. Charles Ragsdale

Funeral services for Charlie Walter Lamkin were held Sunday at 3 p.m. at the Blackwell Baptist Church, with the Rev. Bob Carter and the Rev. Kay Corley, both of Blackwell, and the Rev. Bobby Henson of Coleman officiating.

Burial was in Blackwell Cemetery under direction of Cate-Spencer Funeral Home of Sweetwater.

Mr. Lamkin, a Nolan County rancher for the past 65 years, died from a sudden illness about 7:30 a.m. Saturday while feeding cattle at his ranch near Blackwell.

Mr. Lamkin was born March 1, 1891, in Parker County and moved to Nolan County with his parents when he was eight years old. He was married to Minnie Carpenter at Blackwell on Aug. 20, 1910, and they have lived on the ranch since their marriage.

Survivors are his wife; a daughter, Mrs. J. F. Alderman of Gorman; two granddaughters, Mrs. Gordon Barnes of Blackwell and Mrs. Troy Roane of Big Spring; two great-granddaughters, Cheryl and Carlyn Roane of Big Spring.

HOBLITZELLE STAKES WILDCAT ON RENZA LEE

Karl Hoblitzelle of Dallas has staked two wildcats in Runnels County, one of them west of Maverick on property of Renza Lee.

The venture is located 880.5 feet east of the southwest corner of 31-BS&F, thence 467 feet south to the location in W. G. Green No. 18, Abst. 894. Elevation is 1,723.6 feet. Projected to 5,300 feet, the test is 1½ miles west-southwest of the two-well Maverick, North Field. It is six miles southwest of Norton and 5½ miles southeast of Bronte.

The other Hoblitzelle test is listed as No. 1 Joe Mueller, and is located four miles southeast of Norton.

SCHOOL BRIEFS

School will be dismissed at 2:35 p.m. Wednesday for the Thanksgiving holidays and will be resumed on Monday, Nov. 30. Report cards will not be issued until Monday.

School officials have announced that they are going to try to take action about dogs on the school grounds. Officials said that the dogs are a nuisance and a hazard to children playing on the school grounds. It has been recommended that children leave all dogs at home. Recommendations are being made to local enforcement officers to impound all dogs found at any time on the grounds.

The Blackwell Hornets took the six-man District 4-B crown here Friday night with a 42-20 victory over the Divide Trojans. The Hornets have a perfect 5-0 loop record.

Blackwell Hornets Win District 4-B

The Blackwell team will meet District 3-B champs, the Miles Bulldogs, Friday night, Nov. 27, in Ballinger for the bi-district playoff.

L. T. Youngblood, president of First National Bank, is reported to be much improved in Bronte Hospital. He was admitted last Wednesday.

Johnny Smith, son of Mr. and Mrs. C. R. Smith, is now pastor of First Baptist Church at Knox City.

Longhorns Look Good in 34-14 Defeat by Steers

The Bronte Longhorns certainly had nothing to be ashamed of last Friday night when Robert Lee's mighty Steers defeated them 34-14. The Longhorns were fighting all the way and had the ball just inside the Steer goal line when the final whistle sounded. They gave the district-winning Robert Lee lads a good ball game.

First Quarter

Morrow kicked off with a short one to Hatch on the Steer 41 yard line. The Robert Lee lads proved they were good ball movers, and went for their first touchdown after they took the kickoff. However, it took them more than nine minutes and five 1st downs to make the needed 59 yards. A 7 yarder was the biggest gain made in one play during the march. It was made by Wink. After the sustained ground gaining operation had moved the ball down to the 3 yard line, Dodson went over for the TD. Thetford ran for two extra points and the Steers were out in the lead 8-0.

McCutchen took Dodson's kick on the 5 and ran it back to the 30 where Bronte had the ball for the first time during the game. The Longhorns moved the ball just about as much each play as did the Steers. Holcombe picked up 6 on one play and a pass from Glenn to Lee gave the Longhorns a 1st down on the 42. After a loss of 4, Holcombe then went 18 yards for another 1st on the RL 42. Lee made a couple and the situation stood at 3rd and 8 when the quarter ended.

Second Quarter

On the first play of the 2nd stanza, Wink reached up and grabbed off a pass to give the Steers possession. They gained 6 yards in 3 tries, and on a 4th down pass attempt Lee returned the favor and intercepted for the Longhorns. However, the Longhorns couldn't move the ball and had to punt. The Steers wound up with the ball on the Bronte 37.

Third Quarter

On the 2nd play from scrimmage, Thetford pulled a sneaky and got loose around left end to go all the way to the double stripe, for another counter. Gartman tried the extras, but they were no good. Score: 14-0.

Wheat was the receiver of the ball after it left Dodson's toe. He was downed on the 25. On the 1st play of the series tall Gary Sam Williams intercepted a Longhorn aerial to give the ball back to the Steers. Vosburg, Wink, Gartman and Dodson all moved the ball and with 3rd and 6 to go on the Bronte 30, Dodson broke through the Longhorn defense for another Robert Lee touchdown. No extra points were made and the score stood at 20-0.

Sparks kicked to Lee who made a nice return up to his own 45. Lee added 7, then Holcombe went 17 yards for a 1st on the Steer 30. A pass from Glenn to Lee was good for another 1st on the 18. Glenn made 1 on a keeper and then tossed an aerial to McKown for another 1st down inside the 10 when the 1st half ended.

Fourth Quarter

After the 2nd half kickoff, the Longhorns were held and had to punt. Wink took it on his 36. A pass intended for Hatch was

intercepted by Lee who was downed on the RL 34. McCutchen made 7 and Holcombe moved it on to the 47 for a 1st. A fumble on the next series of downs gave the ball to the Steers on the Bronte 43. Wink made 3 and Gartman got a beauty, going to the Bronte 7 before he was nailed. Dodson made 3 and Wink then went over for the counter. Conversion kick was no good and the score stood at 26-0.

Williams kicked to McCutchen on the 15, but he bulled his way to the 41. A pass from Glenn to Lee was good for a 1st on the Steer 45. McCutchen made 14 on the ground in 2 tries for another 1st on the 31. Then a couple of Glenn to Lee passes gave the Bronte boys a first on the Steer 20. Williams once again intercepted a pass during the next series on his 17, but on the next play a fumble gave the ball back to the Longhorns on the Steer 18. A pass from Glenn to Lee netted 3 yards just before the end of the 3rd quarter.

Margie Gutierrez and Ray Montez Wed Nov. 7

Miss Margie Gutierrez and Ray Montez were married Nov. 7 in an 11 a.m. nuptial mass at St. James Catholic Church in Bronte. The Rev. Paul Surlis, pastor, read the vows.

The bride is the daughter of Mr. and Mrs. Mike Gutierrez and Mr. Montez is the son of Mr. and Mrs. Justino Montez, all of Bronte.

Miss Gutierrez was given in marriage by her father. She wore a floor length gown of chantilly lace, featuring a fitted bodice, long tapered sleeves and a portrait neckline. Her waist length veil of illusion hung from a pearl tiara. She carried a bride's bouquet of white carnations.

Miss Martha Flores was maid of honor and her gown was white with a white corsage. Brides maids, Misses Manuela Minjarez, Virginia Hernandez and Elvira De Leon, wore pink gowns with elbow length gloves and white corsages.

Beatrice Fuentez was flower girl.

Joe Lopez of San Angelo served as best man. Groomsmen were Tony Olivas and Emilio Sanchez of Bronte, and Salvadore Garcia of San Angelo.

The young couple is living in Brownwood where he is employed by a manufacturing plant. Both are former students of Bronte Schools.

Rev. Morriss and Family Now Here

Harry K. Morriss is new pastor of Bronte First Baptist Church, and moved here, with his family, last week. He succeeds Murrell Johns, who recently resigned and moved to Anton.

Morriss is a native of Gainesville and attended public school at Canadian, graduating from high school there in 1943. He attended West Texas State University, Canyon, before entering the Army. While in the army, he attended Oklahoma A&M College and Oregon State College, after which he served in Germany.

Later he worked for the post office in Canadian, then entered Baylor University to study for the ministry.

He graduated from Baylor with a B.A. degree in 1952 and from Southwestern Baptist Theological Seminary with a B. D. in 1955.

Morriss served from 1955-58 at Lesley Baptist Church at Lakeview and since that time has been pastor of the First Baptist Church at Notrees. While living at Notrees he also taught Bible at the Baptist Bible Chair at Odessa Junior College.

Mrs. Morriss is the former Dannie Welch of Canadian. They have a son, Harry Keith Jr., 14, in the 9th grade; and two daughters, Phyllis Elaine, 11, in the sixth grade and Rebecca Eloise, age 5.

We have received a supply of the 1965 Farmer's Tax Guide. If you would like a copy, give us a ring or drop by the office and pick up a copy.

Whether you prepare your own tax return or have a consultant prepare it, the guide can be of service to you. A reference is always nice to have as one makes final preparation for filing his tax return.

Eighty-six different 4-H club members and leaders were honored with 132 awards at the Annual 4H Club Achievement program Saturday night.

Phosphorus, a mineral especially deficient in late summer, fall and winter in all areas of Texas, can be supplied to range cattle in drinking water or in mineral feeders. Supplementing phosphorus can mean heavier cows, heavier calves at weaning age and an increased calf crop by as much as 30 percent. Cows may also conceive earlier after calving.

Eradication workers are plotting their strategy for combatting screwworms this winter which they hope will eliminate the threat of reinfestation of the United States by the livestock pest in 1965.

Their plan is to release all available sterile screwworm flies

up to 200 miles or more below the international border along both east and west coasts of Mexico where large numbers of native screwworms live throughout the winter. Sterile males mate with native females and prevent reproduction. This action is expected to weaken Mexican screwworm colonies which from the principal threat to the Southwest and slow the northward migration of the insects next spring.

Eradicators' ability to carry out this plan hinges on whether the number of screwworm cases in Texas can first be brought to an absolute minimum. If screwworms persist in Texas, it will require diverting the sterile flies, airplanes and manpower from the task of strengthening the barrier zone in Mexico to fighting small, but costly, outbreaks in Texas.

Each infestation in Texas costs approximately \$750 to treat with sterile flies, field inspection and spray. For the same amount of money, one million sterile flies could be dispersed in Mexico where they would help protect against reinvasion from the south in 1965.

A mild winter, which would allow screwworms to survive and build up in numbers in much of the southern part of the state, would be particularly harmful to the program, authorities said. They fear stockmen may stop looking for screwworms because of the low number of cases experienced this year and the prospects of cold weather ahead.

Success of their strategy, therefore, will depend on farmers and

ranchers detecting and reporting screwworm infestations before they can multiply, so that emergency treatment can be provided. Treatment of animal wounds with smears is also called for to ward off screwworm attack.

LOCAL NEWS

Mrs. Henry Rogers will enter All Saints Hospital in Fort Worth Thanksgiving Day. She is scheduled to undergo surgery there Friday.

Mr. and Mrs. Claude Beaver and Mr. and Mrs. J. W. Labenske attended funeral services Nov. 15 in Corpus Christi for Miss Neva Hannaford. The Rev. A. S. Neely, former Bronte pastor, officiated. The local group also visited the B. W. Hannafords.

James Golson, Bronte elementary school principal, was speaker for the Sterling City PTA last Monday. His topic was the modern math program.

Rex Harris will arrive this week for a Thanksgiving visit with his parents, Dr. and Mrs. John R. Harris. He is a freshman student at Tulane University, New Orleans, La.

Mr. and Mrs. Bill Clark and Steve attended the Dublin-Fredricksburg football game in Brady Saturday night.

Mr. and Mrs. Ben Oglesby and Bennie Carol went to Lubbock last weekend where they attended the Tech-Arkansas football game and visited relatives. They were accompanied by Mr. and Mrs. Bob Weddle, Tim and Teresa of Menard.

Turkey and ham are being featured in most markets as Thanksgiving arrives. Both are good buys for the budget-wise homemaker.

Turkeys head the list of lean meats that are high in protein and low in calories. They're also a low cost meat choice, and are available in sizes to suit virtually all consumer needs.

Select a turkey which has both a government inspection and a Grade A stamp for a top quality bird. Thawing frozen turkeys at room temperature for about one hour per pound of weight is satisfactory. Remove the giblets from the chest and body cavity before cooking the turkey.

Good supplies of smoked ham are available, and there are several other ham styles from which to choose. Fresh pork cuts also are inviting this week.

Beef features both pot roasts and steaks, along with ground beef and liver.

Cranberries are plentiful and prices remain about the same as for the past several weeks. Apples, pears, bananas, and grapes are other good fruit choices. Tangerines are coming to market now and are selling at moderate to high price levels.

Peanuts and peanut products are in excellent supply. The 1964

crop is forecast as up to 16 million pounds over last year.

Vegetable choices of the week are mustard greens, turnips and greens, eggplant, cauliflower, squash, head lettuce, sweet potatoes, cabbage, broccoli, carrots and celery.

The recipe I give to you this week is an old fashioned Chocolate fudge. This recipe was the one I used in my freshman foods while in college. It is still my favorite!

Chocolate Fudge

2 cups sugar
 3/4 cup milk
 2 T. (scant) Karo
 3 T. butter
 1/4 sq. chocolate or 4 Round T. cocoa
 1 t. vanilla
 1 cup nuts if desired

Melt chocolate over a low flame being careful to keep it from burning. Add Karo and 1/2 butter and 1/2 milk and all the sugar, stirring until all the sugar is dissolved. Wash crystals down from pan and from spoon. After mixture starts to boil, stir only enough to keep from sticking to pan. Cook to soft ball stage. Remove from flame, add remainder of butter, but do not stir. Cool until luke warm, add vanilla and beat until it begins to lose its gloss. Take into the hands and knead until soft and pliable. Add chopped nuts and knead until creamy.

Put into greased pan and pat into shape.

We hope you have enjoyed Southwest Conference football broadcasts this season . . . and that you'll continue to go to the games with Humble.

LONGHORNS LOOK GOOD —

lost yardage back to the 11. So the ball went over at that point on downs. Glenn picked up 3 on the ground and the Steers were penalized half the distance to the goal to give the Bronte lads a 1st down on the 5½ yard line. Holcombe was assigned the carrying chores on the 1st down, and he went over for the second Bronte counter of the night. He tried for the extras but didn't make it. Score; 26-14.

Morrow's kick went to Vosburg who was downed on the 36. The Steers started back up field with Dodson, Gartman, Wink and Thetford doing the ball toting. They picked up 1st downs on the Bronte 46, 23, 11 and 1. From there Gartman tried but couldn't make it. Dodson, however, on the 2nd down rammed his way across the right side to make the final touchdown of the evening. On the conversion, Hatch got into the end zone all by himself and Thetford tossed him an easy 2 points, to make the scoreboard read 34-14.

McCutchen took Williams' kick and made a beautiful runback to the Robert Lee 28, but a 15 yard penalty for clipping was assessed the Longhorns, to put the ball on the 43. Passes from Glenn to Holcombe and Lee gave the Bronte team 14 yards and a 1st down on the 30. Another pass to Lee made up some loss on a fumble and recovery to make it 3rd and 15. With the clock fast approaching the end of the game, Lee went around left end and lacked inches getting across the goal line. The final gun sounded before the play was over, but a red flag was down on the field, and the penalty was against the Steers, so the Longhorns got one more chance. However it didn't work out, so the game ended 34-14.

As has been noted in the above story, Bronte's backfield did an outstanding job in moving the ball against a heavier, more experienced team. The defensive play of the game was also outstanding with a fine job being recorded for Morrow, Holcombe, Clark, Brock, McCutchen, Larry and Davis Corley, Lee, Strickland and Gentry.

CARD OF THANKS

I wish to express my love and appreciation to the students and other school employees whom I have been associated with for seventeen years.

I do not resign by choice but for a reason. I treasure the good years and enjoyed working with the school district.

is entitled The San Saba Mission and was published by the University of Texas Press. We have an autographed copy of the book and it is a fine job of printing and binding.

We haven't had time yet to read the book, but can recommend it without reservation, for we know its author. Bob Weddle is one of the finest users of the English language we have been privileged to know, and he is just as meticulous in ascertaining the accuracy of his statements as he is in his use of the language.

If you are interested in some of this area's earliest history (the mission was founded in 1757), you would do well to acquire a copy. It is on sale at Hemphill-Wells bookstore in San Angelo, or may be obtained from The Menard News. Only 5.00 plus tax and 15c postage.

We've been meaning to mention it for several weeks, but are just now getting around to it. Remember a few weeks back: we were having a rather hot political campaign, one week of which coincided with Bronte annual Boy Scout fund drive. The writer of this column participated to some extent in both of these efforts, and found on one occasion that best interests of the two campaigns were totally incompatible. We called Horace Grigg one evening, and told him we would be over to his house in a few minutes to pick up his donation to the Scouts. We also added, parenthetically, that we had plenty of Johnson campaign literature, bumper stickers and the like, and would be glad to let him have some of it at no cost, if he would be generous with his gift.

He didn't take too much to this idea, and told us that anybody who received any kind of contribution from him would be required, also, to accept a Goldwater button, and wear it.

We thought about this awhile, but decided no sacrifice was too great to help provide funds for services of the Boy Scouts organization to this area.

The point of all this is that we feel we deserve some kind of special award from the Scouts;

that we went above and beyond the call of duty in obtaining this contribution. There should be some award, not unlike the Purple Heart given in the Armed Forces, for unselfish valor of this kind.
