Large Delegation Going to State UIL Meet in Austin

A caravan of students, teachers, parents and fans will leave Bronte Thursday for Austin where eight Bronte High School students will participate in the state track and literary meet.

Students who will make the trip to Austin will include the mile relay team, composed of Ricky Wheat, Mike McKown, Royce Lee and Tad Richards, with Jerry Don Holcombe serving as alternate. The team won second in the regional meet at Big Spring, April 24. Lee will also compete at the state level in the 440 yard dash, after winning first in regional competition.

Another regional first place winner was Jim Morrow, in the high jump. He will be going to the state meet for the second time, after winning second in the state last year in Class B competition. Cecil Toliver and James Raughton are track coaches.

Margi Oglesby won first place in the region in ready writing and will represent Bronte in that event. She was a second place winner in the state meet last year. Larry Corley will also be making his second trip to Austin in the number sense event. Joe B. Simpson is coach in number sense and Miss Judith Smith is ready writing coach.

Accompanying the students will be coaches Toliver and Raughton and Miss Smith. A number of parents and fans will also make the trip to Austin.

Blackwell High Graduation Plans Are Announced

Baccalaureate program for Blackwell high school seniors will be next Sunday night, May 9, at eight o'clock in the school auditorium. Speaker for the program will be Rev. Charles Dunnam, pastor of the Blackwell Methodist Church.

Commencement exercises will be Friday night of next week, May 14, at eight o'clock in the school auditorium. Guest speaker will be Dr. Harlan Ford, Dean of the College at Sul Ross, Alpine.

Candidates for graduation are: Robbie Cook, Dennis Henson, Tommy Hipp, Courtney King, Terry Oden, John Ragsdale, Judy Cate, Helen Chew, Penny McCauley, Charlotte McRorey, Esther Phillips, Judy Scott, Janis Crain. Judy Cate is valedictorian of the class and Courtney King is the salutatorian.

Mr. and Mrs. T. O. Spiller visited in Austin last weekend and went on from there to Wheelock where they attended a family reunion and visited Spiller's father, A. J. Spiller.

Petition Signed to Call School Bond Election

A petition was circulated late last week requesting that Bronte School's board of trustees call a bond election for the purpose of building new high school facilities, and remodeling existing ones.

The petition was signed by 38 persons of the district, and it stated that the amount of the bond to be voted on should be \$325,000.

Supt. C. B. Barbee said Tuesday that a meeting was scheduled for 8 p.m. Wednesday at which time it is expected the

school board will officially accept the petition, and probably call the election.

Members of the board are anxious to get the necessary legal procedure underway for holding the election, so that, if it carries, the builders will have the summer months to work on the project. The board already has plans made to call a public meeting in the near future at which time the proposition and needs of the school will be explained and any questions will be answered.

Included in the tentative plans now under consideration by the board are an underground classroom section, 60 x 90 feet; an above ground section which would contain the science department and school offices; a new gymnasium; teachers work room; book storage room; rest rooms, etc. Plans also call for part of the bond money to be spent remodeling the newer part of the existing high school facilities, built in 19-

ATTEND CONVENTION

Mr. and Mrs. L. T. Youngblood and Mr. and Mrs. D. K. Glenn returned to Bronte Tuesday after attending a convention of the Texas Bankers Association in Fort Worth. They drove to Fort Worth Sunday.

Jr.-Sr. Banquet Held Last Friday

Members of the junior class of Bronte High school entertained the Senior class, guests, faculty and school board members at the annual Junior-Senior banquet last Friday night in the school lunchroom. A Hawaiian theme was carried out in decorations and in the luncheon. A Hawaiian mural, painted by Miss Judith Smith, was hung on the east wall of the lunchroom. It pictured a seashore with mountains in the background. Hawaiian leis were placed on each guest before the banquet.

Larry Corley, president of the junior class extended the welcome. Beth Ivey, senior president, gave the response. The senior class will be read by Jerry Don Holcombe; the senior class history by Peggy Corley and the senior class prophecy by Kathy Terry.

Rickey Wheat, Margi Oglesby and Ida Lee Parker entertained with special music. Ronald Hooper, program chairman, invited guests to the prom which followed.

The menu consisted of ham, mashed potatoes, green beans, congealed salad, rolls, butter, angel food cake.

Mrs. Royce Fancher, senior class sponsor, was presented a gift of appreciation from the class. Clint A. Low is junior class sponsor.

Senior class officers are: Beth Ivey, president; Ronnie Lee, vice-president; Tricia Andrews, secretary; Kenneth Wilkins, reporter and Marla Rees, treasurer.

Junior class officers this year are Larry Corley, president; Royce Lee, vice president; Patricia Robinson, secretary-treasurer; and Sharon Mackey, reporter.

Jaycees to Sponsor Teen Ager Team

Bronte Jaycees voted in a meeting Tuesday night to sponsor a Junior Teenage Baseball team for Bronte. The organization met at the city hall.

The team will be made up of boys 13 through 16 years old. A spokesman for the organization said the main problem now facing the Jaycees is finding managers for the club. Anyone who is willing to work at this job is requested to contact some member of the Jaycees.

The men also voted to manage the concession stand during the summer baseball program, with all proceeds going to the ball program.

Ida Lee Parker Wins Sousa Award

Ida Lee Parker, daughter of Mr. and Mrs. Truman Parker, is the 1965 winner of the John Philip Sousa award, presented annually to the outstanding senior band student. The presentation was made Monday night at the annual band banquet held in the school lunchroom.

About sixty persons were served at the banquet, which featured an Italian motif. Italian spaghetti, green salad, olives, carrot curls, bread sticks, garlic bread, iced tea and ice cream were on the menu.

Tables were candlelighted and decorated in an Italian style.

35. The remodeled part of the plant would contain the homemaking department and a band hall.

Trustees are trying to time the new bond issue, so that if it passes, payments on it would begin a year following retirement of bonds which were voted in 1954 to build the elementary building. By working the finances in this manner, they say that little or no additional taxes will be needed to finance the proposed new high school.

Mayor Not Pleased With Mark Left On Water Tower

Mayor Royce Lee said Wednesday morning that he and other members of the city council are not at all pleased with the paint job Bronte young people have added to the city's new \$30,000 water tank.

The mayor said he did not know who the guilty ones are, but he issued an invitation for them to meet with the city council at its next meeting. At that time, Lee said, the young people will be given the opportunity to purchase some paint which matches the original paint job, and also the opportunity to apply it over the signs which they put on the tower.

The Mayor said, "I hope the youngsters who defaced the new water tower will make a better mark on the world than the one they left up there." He expressed the hope of the council that the guilty persons will come forward and correct their mistake.

More Cash Needed For Scoreboard

Elmer Hurley, president of the Bronte PTA, said this week that the organization is badly in need of additional donations in order to have enough money to buy the new football scoreboard, which is this year's project of the Parent-Teachers.

An additional \$25 donation received this week raised the total on hand to \$1268.50.

Hurley said the PTA would greatly appreciate having all donations turned in by next Tuesday, May 11, the next meeting date of the organization. Donations may be turned in at First National Bank or to Hurley.

Judye Cate and Courtney King Honor Students

Judye Cate, daughter of Mrs. Faye Cate of Blackwell, is valedictorian of this spring's graduating class.

Some of her accomplishments during her four years of high school include: class favorite, Miss BHS, FFA sweetheart, twirler, and she was active in all sports. She is currently serving as class president, FHA president and editor of the annual.

Miss Cate plans to attend Angelo State College in San Angelo in September.

Salutatorian Courtney King, son of Mr. and Mrs. ... Continued on Back Page

OOPS, WE GOOFED TWICE, NO LESS

We had a couple of bloopers in last week's Enterprise, and we want to beg the pardon of everybody concerned.

In the first place we listed Clint Low as coach of students who entered number sense in Interscholastic League competition. It should have been Joe Simpson, who has worked hard to qualify a boy to go to state.

The second mistake was in M&J Coin Op ad. There is a certain line in this ad which says the firm will dry clean 24 pounds of diapers for \$3.00. This was taken from a rather hurriedly written piece of copy and it still looks like diapers to us. However, the man told us quite emphatically that it should have been 24 pounds of drapes for \$3.00.

Frankly, we were a little skeptical of this diaper dry cleaning business when we set up this ad, but you never know what changes are taking place in this atomic age. It has been some years since we had any diapers to clean, by the dry cleaning method or any other.

BAND CONCERT SET FOR MONDAY NIGHT

The public is invited to a concert by Bronte School bands Monday night in the school auditorium. Time for the opening curtain is 7:30 p.m.

The bands will be under direction of R. H. Hornbeck.

NO HULA GIRLS? — The crowd at last Friday night's junior-senior banquet appears to be sitting on the edge of the

Pacific Ocean as they enjoyed their food. The background, however, is not really on the ocean; it is a huge mural paint-

ed by Miss Judith Smith, and was used to give the school lunchroom a strong touch of Hawaii.

Time To Think About School Building Needs

The matter of making a decision on new high school facilities for the children of this district is looming closer and closer, and the time is already at hand when every patron, friend and taxpayer should be giving it careful thought.

Latest reports concerning cost of the new structure indicate we are going to have to spend in excess of \$300,000 to build the kind of facilities needed to carry on a first class curriculum.

Surely, there is no question that we must have first class facilities! Also, there can be no question that all of us want to see these facilities built as economically as possible.

So, that leaves us faced with the problem of deciding just what we need, which is not hard to do. The fact of the matter is, we need new or improved facilities in every phase of our high school program, and at a cost the district can afford.

It seems to us that the school board kept this fact in mind when it came up with the latest plans.

BIG NEWS FROM TEXAS

Mrs. Less Webb received a letter last week from Gene and Rickey Story, ages 13 and 8, of Mountain Home, Idaho. Their parents are Mr. and Mrs. Bill Story. Mrs. Story is Mrs. Webb's niece and formerly lived in San Angelo.

Mrs. Webb had sent the boys copies of the issues of the Bronte Enterprise that carried stories and pictures about the Rattlesnake Roundup in February.

Gene and Rickey took the newspapers to school where their teachers read them to all their classes. According to the Story boys, they caused quite a sensation. Among the comments of the students was "We knew Texans were tough but we didn't know they were tough enough to hunt and handle live rattlers — and even eat rattlesnake steaks!"

Mr. and Mrs. Paul Gathings of Odessa spent the weekend with her parents, Mr. and Mrs. Rob Herron.

BRONTE LODGE No. 962, A. F. & A. M. Meets first Monday night in each month. Visitors Welcome. JESSE PARKER, W. M. NOAH PRUITT JR., Sec.

FARM BUREAU Insurance Service Save with Safety ALL TYPES OF INSURANCE O. T. COLVIN Blackwell, Texas Phone 282-2291 Offices in Bronte & Robert Lee

First, and most important, are new classrooms for all studies of an academic nature; a new shop is provided for the vocational agriculture department; a completely modernized homemaking department is planned; the band program should definitely be improved when it moves out of its present 2x4 facilities into a remodeled home; our basketball program should be greatly strengthened with construction of the new gymnasium; the football program will benefit with the planned addition of new bleachers and additional lights; new tennis courts are planned; an exercise room is designed for the space where bleachers are located in the old gym; the retention of the old gym should help those parts of the athletic program such as junior high basketball and minor sports which sometimes have had to be shunted aside because of lack of gym space; study and research facilities will be more inviting in an air conditioned study hall-library.

In listing all the things needed, we certainly are not trying to be critical of the facilities we now have, nor the persons who were responsible. On the contrary, we think they have served long and well. But, the part of the structure which would be torn down was built in 1922, and has served the children of this community for 43 years. The part which is to be remodeled was built in 1935, and has served our children for 30 years. Persons who conceived the plans and were responsible for these structures deserve our deep gratitude for their wisdom and sacrifice in making them possible.

However, the great interest which was expressed last year during, and subsequent to, a public meeting to consider school needs and possible consolidation, indicates that our people are ready and anxious to keep up with the growing needs of our children. This interest indicates that a majority of parents and others in Bronte School District know our children need the best possible high school education in order to face the competitive world of college, business, homemaking or whatever path they choose to follow after graduation.

As an added bonus for the whole area, the underground classroom section will provide a tornado shelter not only for students and teachers, but for the entire community. This part of the building will measure 60 by 90 feet, and will provide 5,400 feet of floor space.

Surely we should give this proposed program our sympathetic and serious consideration. We should all plan to be present for a public meeting which the board and administration will call in the near future. They hope to explain the plans for construction and financing and answer your questions.

H D Agent's News Dept.

By FAY C. ROE

Cabbage Offers Menu Variety Cabbage is one of the most productive of green vegetables. It is not a fussy grower and it matures quickly.

Cabbage is on the market the year round. About 83 per cent of the total is marketed fresh. Nutrition-wise cabbage has much to offer. It is a vegetable that's in the class with citrus fruits in the amount of vitamin C it provides.

One-half cup of raw cabbage provides approximately one-third of the vitamin C recommended for the day.

When selecting cabbage at the supermarket, look for good quality offerings with leaves that are fresh, crisp and free from insect injury or bruises. If there's a choice, remember that the greener heads have the higher food value.

Store cabbage in a covered container or a plastic bag and keep it in the refrigerator until time to prepare for serving.

Cottage Cheese Adds Zest To Spring Menus

Cottage cheese is available the year round, and it's especially plentiful during the spring season when milk production is on the increase. It's an excellent source of protein and serves well in a main dish.

Cottage cheese also is excellent as an addition to vegetable casseroles or as a seasoning for vegetables. As a salad, cottage cheese has proven popular for many years. More recently, this flavorful dairy product has become a favorite for dips for crackers and spreads for breads.

Read the label on the cottage cheese, suggests the home demonstration agent. It tells the style and form of cottage cheese, added ingredients, weight and price of package, and the name of pro-

cessor or distributor.

Cottage cheese is perishable. Be sure it is fresh—buy it only from a refrigerated case or delivery truck. Immediately refrigerate cheese upon arrival home. Plan to use it a day or two after buying.

Keep the cottage cheese covered to prevent it's picking up odors from other foods.

I have some bulletins with recipes that you might like. They are free on request by phone, mail or a visit to my office.

Big Protein Value

You get a lot of protein for your money when you buy eggs. A dozen large eggs weighs a pound and a half. At 60 cents a dozen, that's forty cents a pound. Eggs are plentiful this time of year. Here are some suggestions for hard cooked eggs.

Hard-boiled means tough, and that's exactly how hard cooked eggs will turn out if you hard boil them.

"Hard Cooked" is the term to use and the way to cook eggs. Place eggs in a pan and cover with cold water to at least one inch above the eggs. Bring water to simmering (just below the boiling point) simmer 20 to 25 minutes.

Cool eggs quickly and thoroughly in cold water. Put them in the refrigerator until you are ready to eat or to make into deviled eggs, egg salad, etc. Yum, yum, good!

Home Economic Hints

To loosen food burned on enamel or glass cookware, add 2 teaspoons soda to 1 quart of water and boil; then remove it with a rubber scraper or a cloth dipped in more soda.

A good rule to follow when using electrical appliances in the home is one item per outlet. The use of a double socket is not wise, for soon families will get away from small items like lamps and clocks and begin using bigger ap-

pliances. The result may soon be a fire hazard.

A Vegetable Bed

You may not have room for a vegetable garden. You may not even want to bother with "all that weeding and watering." But still you'd like the satisfaction and fun of growing a few vegetables.

If you have any land at all, you can do it. Simply plant vegetables in one of your small flower beds or along the edge of your lawn.

Edge a fence with pole beans fronted with tomato plants. Or dig up a circular plot in your lawn. Put tall, poled tomatoes in the middle as the central attraction, then add peppers and a few eggplants. Edge with onions, carrots or radishes.

There are helpful bulletins in my office on gardening and insect control. These are available free on request or a visit to my office.

Schedule

Thursday, May 7: Office; 1:30 p.m., Robert Lee clothing workshop.

Friday, May 8: Office; 1:30 p.m., H.D. Foods Leaders Training on "Salad Making", office.

Monday, May 10: 9 a.m., Silver clothing workshop; 7:30 p.m., Bronte Zeta Delta Club.

Tuesday, May 11: Office; 2 p.m., H.D. Council, conference room.

Wednesday, May 12: Office.

Lynda and Stover Taylor, ACC students, Abilene, spent the weekend with their parents, Mr. and Mrs. Horace Taylor. Cristene Jeris, Cheryl Durham, and Gayle and Kelly Newman, all of ACC, were also guests in the Taylor home.

Mr. and Mrs. Otis Smith visited in Junction Friday with their daughter, Mrs. E. S. Herring, and family. They attended a concert given by the Junction Band Friday night. Their grandchildren, Donna and Randy Sheppard are members of the band.

Why today's brides choose modern gas cooking...

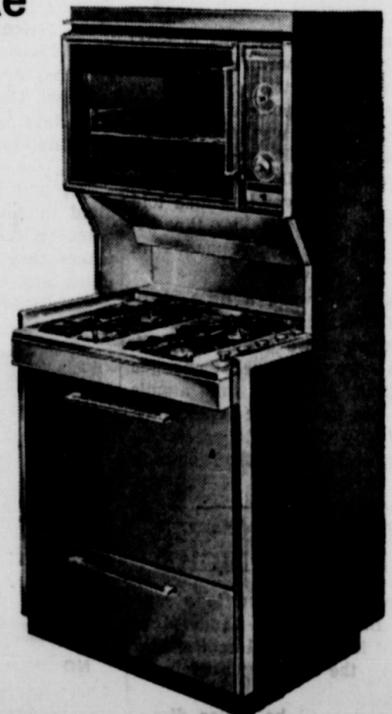

Mrs. David Bronstad cooks on a new gas range

Gas broils cleanest and coolest (no smoke ...the broiler door stays closed!)

Some range manufacturers suggest an open broiler door. Gas is different. You close the broiler door and let "the little blue flame" eat up the smoke. No smutty, hot kitchen for you — just savory, flame-kissed broiling without smoke! Like today's smart young brides, you'll cook cleaner and cooler with an automatic '65 model gas range. Now's the time to buy it — at gas range dealers and Lone Star Gas.

GAS RANGE DEALER'S SPRING SALE

YOUNG SCIENTISTS — Four of the winners in the Science Fair held last Saturday are: upper left, Gary Stroebel, who took first place in the high school individual physical contest with his drawings and writeup on internal combustion engines; upper right, Johnny Murtishaw, first in junior high individual

biological, with his project of checking his blood pressure under a number of varying conditions, along with a display of some of the equipment used; lower left, Royce Lee prepares to feed one of his guinea pigs a slug of brandy as part of his first place winning project of testing the effect of alcohol on

the little animals. This was in the high school individual biological division; Lower right, Bennie Carol Oglesby stands with her light projector and charts which showed the characteristics of color. She was first in the junior high individual physical division.

CAVE GIRLS — Lana Low, left, and Ginger Murtishaw, took first place in the junior high group physical division at the

Science Fair with their model of a typical cave, showing stalagmites, stalactites, and other cave formations.

Varied Exhibits In School Science Fair

Residents of the Bronte area who visited the Bronte School Science Fair last weekend saw exhibits which showed scientific information on fossils 350 million years old, guinea pigs which had been on a beer diet, a solar furnace which demonstrated man's most modern source of energy, and dozens of other educational projects.

The fair was divided into biological and physical categories, for both high school and junior high, and elementary grades displayed room projects.

Faculty sponsors were Clint Low, high school science teacher and Cecil Toliver, junior high science teacher. The displays were set up on third floor of the high school building.

Winners were as follows:

Phone Company Tells of Changes

New terminology and new benefits related to long distance calling became effective April 1, according to information released by General Telephone Company of the Southwest.

Day rates refer to long distance rates in effect from 4:30 a.m. to 6 p.m. Monday through Friday.

Evening rates refer to rates in effect from 6 p.m. to 8 p.m. and all day Saturday.

Night rates are rates in effect from 8 p.m. to 4:30 a.m. Monday through Friday and all day Sunday.

Night rates are the least expensive while evening rates are lower than day rates.

A reduction in interstate rates was also effective April 1 and involves lower station-to-station day rates for calls over distances in excess of 600 miles, with the maximum rate being \$2.00 for a coast-to-coast station-to-station day rate call.

In Texas, New Mexico and Louisiana the hours during which the day, evening and night rates for long distance calls within a state (intrastate) also changed April 1 to conform with the new terms described above, but rates on intrastate calls are not affected.

The \$1 maximum rate for 3-minute station-to-station interstate night calls was extended Feb. 1 to cover more hours during the week.

E. H. Danner, president of General Telephone Company, said "the telephone industry, along with many other industries, has been able to consistently lower long distance rates because of technical advancements and improved operating efficiency. For example, in 1915, a coast-to-coast long distance call cost \$20.70."

High school individual physical: 1st, Gary Stroebel with his display on three types of motors; 2nd, David Glenn, solar furnace; 3rd, Tony Olivas, conductivity testing apparatus; honorable mention, Bob Bell, radio; Bob Strickland, testing metals in magnetic field; Eddie Clark, ripple tank; Ronald Hooper, whirling wonder.

High school individual biological: 1st, Royce Lee, effects of alcohol; 2nd, Frances Glenn, effects of acids on tomato plants; 3rd, Carolyn Carlson, mechanical heart; honorable mention, Lillian Strickland, parts of insects; Diane Sissom, leaves; Dorothy Ruth Martin, seashell exhibit.

Junior high individual physical: 1st, Bennie Carol Oglesby, properties of color; 2nd, Melody Holcombe, star chart; 3rd, Janet Lee, time devices; honorable mention, Melissa Lee, compounds; Donnie Thompson, dinosaurs domain.

Junior high individual biological: 1st, Johnny Murtishaw, effects of various stimuli on blood pressure; 2nd, Sallie Richards, model of female.

Junior high groups: 1st, Ginger Murtishaw and Lana Low, cave; 2nd, Nancy Richards and Debbie Gentry, model of Oak Creek Lake; 3rd, David Bell, Danny Parker, Jimmy Terry and Larry McKown, gasoline engine; honorable mention, Suzanne Arrott, Debbie Bryant and Queena Mae Henry, sedimentary rock.

Elementary rooms: 1st, fourth grade, roots, stems and leaves; 2nd, second grade, science about us; 3rd, first grade, why objects float; honorable mention, third grades, spices as preservatives.

Low said he was well pleased with the number of exhibits and the quality of the work put into them.

TRAVEL IS THEME OF PROGRESSIVE CLUB MEET

"Travel" was the theme of a program presented to the Woman's Progressive club when it met April 22 in the home of Mrs. Emma Sims.

Roll call was answered with "my favorite vacation spot." "Travels in Western United States" was presented by Mrs. Mattie Glenn and Mrs. Joe Carter spoke on "A Look at Canada."

A salad plate was served to Mes. Edna Butner, Cova Collier, Linton Crow, R. E. Cumbie, W. C. Duncan, Genie Fort, Willie Mae Glenn, Olive Keeney, J. D. Leonard, J. W. Labenske, J. Madera, A. N. Rawlings, M. Russell, L. E. Smith, L. T. Youngblood, Glenn, Carter and the hostess.

Mr. and Mrs. Billy Dan Labenske and Debbie of Snyder visited Saturday with their parents, the Noah Pruitts and J. W. Labenskies.

New PTA Officers to Be Installed Tuesday Night

Mrs. Alvie Cole of Sterling City, district PTA president, will conduct installation ceremonies next Tuesday night for Bronte PTA officers for the next year. New officers to be installed are: Mrs. E. G. Collins, president; Elmer Hurley, first vice-president; E. F. Glenn, 2nd vice-president; Mrs. George Latimer, third vice-president; Mrs. Alvin Hall, secretary; and Mrs. Eddie Alexander, treasurer.

The installation will be at the last regular meeting of the local group for this school year next Tuesday, May 11, in the auditorium. Elmer Hurley, president,

urged all school patrons to be present.

The devotional, pledge and a program will be presented by seventh and eighth grade students.

Mrs. O. L. Pittman accompanied her sister, Mrs. Merton Purcell, of Big Lake on a trip to East Texas last weekend. The ladies visited in Georgetown and attended a family reunion at Andice. On their way home they stopped in Mason to visit an aunt.

Mrs. Charles Ragsdale accompanied Mr. and Mrs. Charles Escue of Abilene to Decatur where they attended funeral services for Mrs. Carl Faith on Tuesday.

Miles Rites for John H. Herndon

Funeral services were held Saturday at Miles Methodist Church with burial at Miles Cemetery for John H. Herndon, 54. He died April 29 at his home in Miles.

He was the son of the late Dr. and Mrs. J. H. Herndon of Miles. Dr. Herndon was a pioneer physician of that area.

He is survived by two children, John H. Herndon Jr. of Gilmer, and Mrs. Janice Jo Burge of Puerto Rico; four grandchildren; five sisters, Mrs. H. J. Moore and Mrs. Gertrude Grosshons, San Angelo, Mrs. C. P. Kennedy, Freeport, Miss Julian Herndon, Eden, and Mrs. Ernestine Powell of Bronte.

Coalson's Pit Barbecue To Open Saturday at 10

L. M. Coalson's Pit Barbecue will open Saturday at 10 a.m. in the building formerly known as the Red Barn. It is located on highway 277 north of Gulf Service Station.

Mr. and Mrs. Coalson have been in the restaurant business in Eden for the past six years, and were in business in Sweetwater for ten years. They have one son, Ken, four years old.

Stainless steel fixtures are being moved in this week, along with booths for customers. Coalson said he will be able to seat from 40 to 50 persons.

The Coalsons will feature all kinds of barbecued meat, and will serve barbecue plates and sandwiches. They will also have barbecue to go. Along with cooking their own meat, they will do custom barbecuing for the public. Coalson also said he will be available for catering for banquets, parties, reunions, etc.

As a special feature of their opening, the new restaurant operators will give a free plate lunch to their first ten customers after they open Saturday.

Coalson said he is a distant cousin of Ray Coalson, long time Bronte resident, and the other members of that family.

E. R. Moore of Big Spring, representative of Gideons International, was speaker at First Baptist Church last Sunday. He reviewed the various phases of the work of the Gideons including the placing of Bibles in hotel, motel, and hospital rooms and the distribution of Bibles in public schools.

Phillip Bryan (Butch) Phillips of Snyder spent last week with his grandparents, Mr. and Mrs. C. R. Smith.

Mr. and Mrs. H. H. Holland had as their Sunday visitors Mrs. Ruby Ratliff and Miss Pam Morrison, all of San Angelo.

Garner and Dana Kay Cunningham of Coleman, and Mr. and Mrs. Bill Ratliff and children, Mr. Tom Green was admitted to a San Angelo hospital Monday for and Mrs. Bill Warner, Randall tests.

Supt. Barbee Speaker At Zeta Delta Meeting

Supt. C. B. Barbee was guest speaker at the Monday night meeting of the Zeta Delta HD Club in the home of Mrs. Charles W. Brown. He discussed the proposed school bond issue for the Bronte schools.

Mrs. Bill Luckett, president, presided at a short business session when plans were made for acceptance of two new members.

Refreshments were served to Mmes. J. B. Arrott, Wayne Arrott, Elroy Butler, James Carroll, Benny Corley, Wayne Dunnam, Curtis Feuge, Bill Holley, George Latimer, James W. Lee, Martin Lee, Luckett, James A. Tidwell, Cecil Tolver, Bob Wrinkle, Mr. Barbee and the hostess.

Larry Robinson In from Alaska

Pfc. Larry Robinson, who is serving with the U. S. Army at Ft. Wainwright, Fairbanks, Alaska, arrived in Bronte Monday night, completely surprising his parents with his arrival.

Robinson is the son of Mr. and Mrs. Roy Robinson of Bronte and took his basic army training at Fort Polk, La. He is presently serving as a cook in one of the mess halls at Fort Wainwright.

The Bronte soldier made fast time from his post in the Far North. He was fortunate enough to hitch a ride on a SAC jet fuel tanker which was heading from Elison AFB, at Fairbanks, to Dyess AFB at Abilene. He flew the 5,000 miles in six hours, and his only cost was \$1.00 for a box lunch.

Larry has leave from the Army until May 31. He said the weather at his station is still not too warm, as the high each day is somewhere from 28 to 40 degrees. He reported they are having about 18 hours of daylight now, and said his outfit has a midnight baseball game scheduled for June 20 with no lights.

He said when he left Fort Polk last August, the temperature was 96 degrees, and it was 50 degrees when he arrived in Fairbanks.

Bill Newell of Silver is also stationed at Wainwright and the two have been together since they started their Army hitches.

SOROSIS CLUB HEARS TALK BY SUPT. BARBEE

Supt. C. B. Barbee spoke to members of the Sorosis Club Tuesday night and explained the proposed school bond issue and needs of the local schools. The club met in the home of Mrs. Matthew Caperton for the last regular club meeting of the year. Mrs. Royce Lee was in charge of the program and introduced Mr. Barbee.

Mrs. Joe Rawlings, president, appointed the yearbook, finance, courtesy, project and resolution committees, which will serve next year.

A salad plate was served to Mmes. Barbee, C. C. Boecking, B. J. Clark, Davy Crockett, E. M. Cumbie, Royce Fancher, E. F. Glenn, Clark Glenn, Clyde Lee, Royce Lee, W. D. McDonald, Rawlings and the hostess.

LIONS MEET TODAY

Lions Club meets today (Thursday) for their regular noon luncheon at the Methodist Church. A special program is scheduled.

D. K. Glenn, of the Coke County Soil Conservation District, will present a plaque to Mrs. Annie Wilkins. She is the award winner for outstanding conservationist of the district. The award is sponsored by the Fort Worth Press Award Association, through the Soil Conservation district and the Bronte Lions Club.

All members are urged to attend the meeting today.

Robert Lee Licks Bronte in Season Opening Contests

Robert Lee Little League teams won two victories over Bronte teams Monday night, and Norton downed Blackwell in the kickoff games of Colorado River Little League competition.

The Robert Lee Indians downed Bronte Yankees, 7-6, in a game at Robert Lee. Managers are Richard Day of Robert Lee and J. B. Arrott and LeDrew Arrott of Bronte.

In a game at Bronte the Robert Lee Cardinals walloped the Bronte Giants, 19-3. Managers are Bobby Baker of Robert Lee and John P. McClure of Bronte.

The Blackwell Braves fell to the Norton Dodgers, 5-1, in a game at Norton. Norton managers are Harley and Barry Hilliard, while Evert Finley manages the Blackwell team.

The schedule calls for games May 7 as follows, with host team listed first; Indians vs. Giants; Dodgers vs. Cardinals; Yankees vs. Braves.

May 11 games: Giants vs. Dodgers; Braves vs. Indians; Cardinals vs. Yankees.

Date of games may be changed in case of conflict with school activities.

Welding Course Set for May 17-20

A farm welding short course for adult farmers will be held May 17-20 under sponsorship of Bronte High School Vocational Agriculture department, according to Supt. C. B. Barbee and J. T. Henry, teacher of vocational agriculture.

C. B. Edwards, welding specialist with the Vocational Agriculture division of the Texas Education Agency and department of agricultural engineering at Texas A&M, will instruct the course. He is headquartered at A&M.

Farmers interested in attending the short course should contact Barbee or Henry. An entry fee of \$5 will be charged. Facilities will limit the enrollment to the first 14 persons who register.

Farm welding short course certificates will be presented to each enrollee who attends all the training sessions.

The course will begin May 17 at 7 p.m. in the vocational agriculture building. Other meetings in the series of four will be held May 18, 19 and 20. During the dates the course is in progress, Edwards will be available to assist farmers with individual problems and to provide on-the-farm instruction, Henry said.

Edwards holds a B.S. in Agricultural Education from A&M and

an M.S. in Agricultural Education-Animal Husbandry from Oklahoma A&M and has several graduate hours at the University of Texas. He has had experience as VA teacher and supervisor of

state schools. He has organized T & I programs and supervised operation of several shops. He has been with the Adult Specialist Program since its initiation in 1958.

New PTA Officers to Be Installed Tuesday Night

Mrs. Alvie Cole of Sterling City, district PTA president, will conduct installation ceremonies next Tuesday night for Bronte PTA officers to be installed for the next year. New officers to be installed are: Mrs. E. G. Collins, president; Elmer Hurley, first vice-president; E. F. Glenn, 2nd vice-president; Mrs. George Latimer, third vice-president; Mrs. Alvin Hall, secretary; and Mrs. Eddie Alexander, treasurer.

The installation will be at the last regular meeting of the local group for this school year next Tuesday, May 11, in the auditorium. Elmer Hurley, president,

urged all school patrons to be present.

The devotional, pledge and a program will be presented by seventh and eighth grade students.

Mrs. O. L. Pittman accompanied her sister, Mrs. Merton Purcell, of Big Lake on a trip to East Texas last weekend. The ladies visited in Georgetown and attended a family reunion at Andice. On their way home they stopped in Mason to visit an aunt.

Mrs. Charles Ragsdale accompanied Mr. and Mrs. Charles Escue of Abilene to Decatur where they attended funeral services for Mrs. Carl Faith on Tuesday.

Miles Rites for John H. Herndon

Funeral services were held Saturday at Miles Methodist Church with burial at Miles Cemetery for John H. Herndon, 54. He died April 29 at his home in Miles.

He was the son of the late Dr. and Mrs. J. H. Herndon of Miles. Dr. Herndon was a pioneer physician of that area.

He is survived by two children, John H. Herndon Jr. of Gilmer, and Mrs. Janice Jo Burge of Puerto Rico; four grandchildren; five sisters, Mrs. H. J. Moore and Mrs. Gertrude Grosshons, San Angelo, Mrs. C. P. Kennedy, Freeport, Miss Julian Herndon, Eden, and Mrs. Ernestine Powell of Bronte.

Mr. and Mrs. H. H. Holland had as their Sunday visitors Mrs. Ruby Garner and Dana Kay Cunningham of Coleman, and Mr. and Mrs. Bill Ratliff and children, Mr. and Mrs. Bill Warner, Randall

Ratliff and Miss Pam Morrison, all of San Angelo.

Tom Green was admitted to a San Angelo hospital Monday for tests.

Coalson's Pit Barbecue To Open Saturday at 10

L. M. Coalson's Pit Barbecue will open Saturday at 10 a.m. in the building formerly known as the Red Barn. It is located on highway 277 north of Gulf Service Station.

Mr. and Mrs. Coalson have been in the restaurant business in Eden for the past six years, and were in business in Sweetwater for ten years. They have one son, Ken, four years old.

Stainless steel fixtures are being moved in this week, along with booths for customers. Coalson said he will be able to seat from 40 to 50 persons.

The Coalsons will feature all kinds of barbecued meat, and will serve barbecue plates and sandwiches. They will also have barbecue to go. Along with cooking their own meat, they will do custom barbecuing for the public. Coalson also said he will be available for catering for banquets, parties, reunions, etc.

As a special feature of their opening, the new restaurant operators will give a free plate lunch to their first ten customers after they open Saturday.

Coalson said he is a distant cousin of Ray Coalson, long time Bronte resident, and the other members of that family.

E. R. Moore of Big Spring, representative of Gideons International, was speaker at First Baptist Church last Sunday. He reviewed the various phases of the work of the Gideons including the placing of Bibles in hotel, motel, and hospital rooms and the distribution of Bibles in public schools.

Phillip Bryan (Butch) Phillips of Snyder spent last week with his grandparents, Mr. and Mrs. C. R. Smith.

Congratulations To All of Bronte's Entrants IN THE STATE MEET Both Literary and Track

We are proud of your wonderful accomplishments which made you eligible to participate.

Mrs. Marguerite Gailey

Mrs. Gailey New LVN Natl. Officer

Mrs. Marguerite H. Gailey of San Angelo, president of the Licensed Vocational Nurses Association of Texas, has been elected to serve as President of the Council of State Presidents of the National Association for Practical Nurse Education and Service, Inc., presently holding its 24th Annual Convention at the Statler-Hilton Hotel in New York City. Representatives from the fields of Practical and Vocational Nursing, as well as from allied medical groups, are in attendance at the Convention, and the President of each of the fifty State Associations for Vocational Practical Nursing serves on the Council.

In addition to serving as President of the LVNA of Texas, Mrs. Gailey is assistant director of nursing services at Baptist Memorial's Geriatric Hospital, San Angelo, and instructor of mathematics and pharmacology in the Hospital's school of post-graduate nursing.

Mrs. Gailey is a former resident of Bronte and former member of the staff of Bronte Hospital.

Mrs. Brady Mills, a member of the Bronte Hospital staff and secretary of Div. 58, LVNA, is attending the convention in New York city this week.

LETTERS TO THE EDITOR

The Bronte Enterprise

I'm sending check for renewal of the Enterprise for another year. I enjoy it so much. Of course, I miss being in Bronte a lot and this way I can keep up with what is going on there. Also I miss my many friends there.

Yours truly,

Henry Walker
930 E. 54th, Austin, Tex.

Mrs. Marvin Grimes of Strawn and Mrs. Vaughan Smith, Cindy and Nita of Garner spent last weekend with Mrs. John Tylor.

Mrs. Joe Carter Back from Cruise Of Caribbean Area

Mrs. Joe Carter recently returned home after a Caribbean cruise with a lifelong friend, Mrs. A. W. McMillan of San Angelo.

The ladies traveled by bus from San Angelo to Miami, Fla., where they boarded the British liner, "Carmania." The liner was their home for the next few weeks while they visited a number of islands in the Caribbean. They spent the nights aboard ship and also ate their meals there most of the time.

The first stop was Nassau, one of the Bahama Island group, owned by Great Britain. They were greeted by natives who operated a large straw market at the shoreline. Weaving hats, bags, shoes and souvenirs for sale to tourists furnishes their employment. In the small downtown area, modern, expensive and exclusive shops are operated by Britons and Americans. One of the most impressive buildings they saw was a bank of modern architectural structure, operated exclusively by immaculately dressed, highly educated natives. Mrs. Carter said this provided a sharp contrast with the native laborers in the straw market.

Their next stop was the island of Aruba, owned by Denmark, and located fifteen miles off the coast of Venezuela. Aruba is the only town on the island and is in walking distance of the dock through narrow crooked streets. A special tourist attraction is a fifteen minute ride by taxi from the town up the coast to the Aruba Caribbean Hotel, which is modern, spacious and lavishly furnished. Meals are served poolside under large palms. The only industry is huge refineries that refine oil piped from Venezuelan oil fields.

From there, they sailed to St. Thomas, one of the Virgin Islands, that was purchased by the United States from Denmark during World War II for use as a supply and air base. The terrain is very rough traveling up a scenic drive to the Hilton Hotel that is situated in a picturesque setting atop the summit of a high mountain. There is a small shopping center near the docks with buildings connected by narrow brick-paved alleys where one can walk from one shop to the other. Large palms grow alongside the paved alleys and refreshments are served from tables under the trees.

The corner by the post office is a common meeting place for the island residents and tourists. Mrs. Carter said the U. S. flag on top of the post office building gave them a sense of security. The U.S. has a large air base on the island. Natives live in a housing project where they pay rent according to the amount of their income. Water for the island is supplied from a large desalinization plant where

sea water is converted into usable water.

They sailed to San Juan Island that has a similar port of call as the other islands they visited, and then back to their port of embarkation, Miami.

ATTEND CHOIR RALLY

Eight members of the Methodist Youth choir and two sponsors attended a youth choir rally and workshop in Austin Saturday and Sunday. They were Mrs. Elmer Hurley, Mrs. C. E. Arrott, Laura and Lisa Morrow, Kreta Kiker, Melody and Donnah Holcombe, Bennie Carol Oglesby, Charles Masterson and Douglas McCutchen.

About 200 young people from over the state attended. Saturday was taken up with practice and study and a picnic at Barton Springs. Sunday, the big choir sang for two services, one at the First Methodist Church and one in the University Methodist Church. They also sang in the rotunda of the capitol building.

PROVIDES THE PUSH — The rear end of an Atlas missile is shown above in a picture while its convoy crew stopped here overnight. The 12 man crew was transporting the giant mechan-

ism from New York to California. Some idea as to the size may be seen when compared to the height of Steve Badley, shown on the lower right.

ATLAS MISSILE AND CONVOY CREW SPEND NIGHT IN BRONTE

A huge Atlas missile and its convoy crew spent the night here April 21. The giant propulsion machine was being moved from New York to California.

Eugene Savana, who is foreman of the moving crew, said they stop when darkness overtakes them. They took advantage of the accommodations offered by Mr. and Mrs. Ernest Ivey at Motel Victor.

Savana said a 12 man crew was accompanying the missile: five employees of Dealers Transit, Inc., which has the contract to move the missile; four men from the Southern California Escort Service; and three airmen of the U. S. Air Force.

The big load, the foreman said, was overlength, overweight and overheight. As a result of the size of the load, Savana said they have to watch their route, in order to avoid underpasses and other obstructions. He said the trip from New York to California would run 800 miles more than is necessary for the average traveler.

A total of five vehicles made up the convoy, including a van of spare parts. Four drivers are always on duty in the big truck carrying the missile proper. Two are stationed in the cab, and two are stationed in small cabs immediately in front of the rear wheels of the truck.

The missile is exactly like the

ones which hurled Alan Shepard, John Glenn and Scott Carpenter into space, Savana said.

A large crowd of interested residents inspected the exterior of the Atlas while it was parked at Motel Victor. A second convoy, carrying another Atlas missile, went through Bronte the next day.

MRS. CULPEPPER HOSTESS TO CENTRAL CHURCH WMA

The Women's Missionary Auxiliary of Central Baptist Church met Monday night for a regular monthly program and business meeting in the home of Mrs. Jason Culpepper.

Mrs. Noah Pruitt Sr. was chairman of a special program that honored Mrs. Eula Holman, the teacher, and Mrs. Altha Stephenson, assistant teacher of the Auxiliary. They were presented gifts from the group.

A quartet composed of Mmes. Truman Parker, Marshall Stephenson, Wayne N. Stout and Pruitt sang special mother's day songs.

Mrs. Bill Wrinkle presented the devotional entitled "Christian Mothers."

Mrs. Stout, president, presided for a business session. A refreshment and social hour followed when a recording of the last meeting was played to seventeen ladies present.

HEART SURGERY SCHEDULED

R. W. Rees is scheduled to undergo heart surgery Thursday (today) at Methodist Hospital in Houston. A team of specialists from Baylor School of Medicine will supervise and perform the surgery for repair of an aneurysm (dilation) of the Aorta. The doctors are Debakey, Crawford and Cooley.

Rees has been hospitalized here since last Friday when Mrs. Rees and Rev. A. S. Masterson took him to Houston. Mrs. Rees and their son, Richard Wayne, who lives in Houston, are with him. Their daughter, Marla, remains here in school. He is in room 641 at the hospital.

JOE'S BLACKWELL

Engagement Announced

Mr. and Mrs. Joe Carpenter of Wingate have announced the engagement and approaching marriage of their daughter, Frieda JoAnn to William Darwin Wilson.

Wilson, son of Mrs. Naomi Wilson of San Angelo, and a nephew of Mrs. Lewis Conradt of Blackwell, is a 1964 graduate of Blackwell High School. He lived with the Conradt family while attending Blackwell high school.

Miss Carpenter is also a 1964 graduate of Blackwell high school.

The couple will wed June 4 in the home of the bride elect's parents and will live in Ft. Worth where Mr. Wilson is employed with a manufacturing company.

Cemetery Working at Hylton

A cemetery working is scheduled for Saturday, May 8, at the Hylton cemetery. Everyone interested is urged to bring a basket lunch and tools for working.

The Bronte Enterprise

May 6, 1965

Time for Notaries to File For Re-Appointment

Secretary of State Crawford C. Martin announced that all qualified Notaries Public desiring re-appointment for the new term ending June 1, 1967 must re-qualify by the payment of the required fee and the filing of a new oath and bond with the County Clerk of his residence between May 1, 1965 and May 15, 1965 inclusive.

Martin emphasized that Notaries Public should not send requests for re-appointment or for commissions directly to the Secretary of State. The law specifically requires that the County Clerks approve notary bonds.

Any person not now a Notary Public who desires appointment should apply to his County Clerk before May 20, 1965. Application during this period will assure that the appointment will be made in sufficient time for the applicant to qualify at the beginning of the new term.

The Secretary of State further pointed out that each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the county for which he is appointed. The exact name and permanent address of the applicant must be furnished the County Clerk.

Stevie Miller of San Angelo spent the weekend with his grandparents, Mr. and Mrs. James Phillips. He accompanied the Phillips' to Bangs Sunday where they visited Mr. and Mrs. Joe Renfro and children.

IDA LEE PARKER GIVES PROGRAM FOR HD CLUB

Ida Lee Parker, Bronte high school senior and a 4-H club member, was in charge of the program April 21 for the Bronte Home Demonstration club. She spoke on "How to Select the Right Clothes for College Students."

The club met in the home of Mrs. Walter Whalen. The opening exercise was reading of the club creed by all members.

The floating prize was brought by Mrs. Ronald Walton and won by Mrs. J. F. Hughes. Secret pal gifts were exchanged.

Present were Miss Parker and Mmes. C. E. Arrott, O. R. McQueen, Truman Parker, Hughes, Gene Halamicek, Jim Patton, Homer Phillips, J. C. Boatright, Walton and Whalen.

The next meeting will be May 5 with Mrs. Walton.

WCS HAS MEETING

Mrs. Albert Rawlings was hostess to 14 members of the Methodist WCS at her home the afternoon of April 26. Rev. A. S. Masterson gave the program, the first part of a two-part series on the book of Genesis. Mrs. J. A. Perciful gave the devotional.

Next meeting will be May 10 with Mrs. C. E. Arrott. Mr. Masterson will be in charge of the program.

REDDY TIPS

to Give You More Comfort from Your AIR CONDITIONING at a Lower Cost!

Providing you comfort, convenience and pleasure, Reddy wants for even less money than he did 10 years ago. In fact... in homes served by WTU, the average cost per kWh is 17% less than it was in 1953. Electricity costs so little you can use lots of it!

Aren't you happy you have air conditioning to keep you cool and comfortable through these long, hot summer days... and nights... while outside temperatures are sizzling up to the 100 degree mark and past?

For your sake Reddy hopes the temperatures will take a tumble. But in case they don't, he's bursting to give you these valuable tips on how to get maximum efficiency at the lowest cost from your air conditioning—whether you have a central system or window units.

Reddy learned long ago there's nothing better than a long-term, satisfied customer. So, he wants to see that you get the most for your air conditioning dollar by saving you wasted expense.

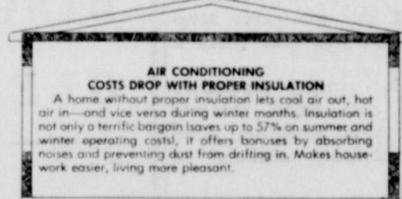

West Texas Utilities Company an investor owned company

clip this out and keep as a reminder

KEEP FILTERS CLEAN PREVENT WASTED DOLLARS

Take the "strain" off your air conditioner and your budget. A dirty filter restricts air flow, makes your unit work harder to keep your home cool, costs you more in operating costs. Almost one-half of their trouble calls are traced to dirty filters. And filters are inexpensive to buy—easy to install and clean. Fiber glass throw-away filters can be cleaned well with a vacuum cleaner. Metal permanent type filters are best cleaned with water. Save money! Check them periodically.

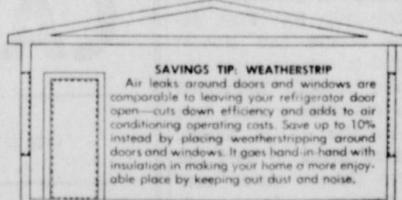

AIR CONDITIONING COSTS DROP WITH PROPER INSULATION

A home without proper insulation lets cool air out, hot air in—and vice versa during winter months. Insulation is not only a terrific bargain (saves up to 57% on summer and winter operating costs), it offers bonuses by absorbing noises and preventing dust from drifting in. Makes housework easier, living more pleasant.

AN OCCASIONAL CHECK-UP PAYS

Your air conditioning unit is a fine piece of equipment. A check-up keeps it in tune, prevents sluggish operation and sometimes reveals that a unit is low on refrigerant... this condition ups operating costs. Your serviceman can keep your unit charged with the right amount of refrigerant. He'll open up free air flow, too, by cleaning accumulated dirt, mold and algae from the cooling coil fins and fans. He'll make sure the motors, wiring and thermostats are working properly, and may even point your unit with rust preventive for longer life. You'll be glad your serviceman called!

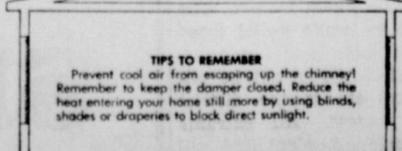

SAVINGS TIP: WEATHERSTRIP

Air leaks around doors and windows are comparable to leaving your refrigerator door open—cuts down efficiency and adds to air conditioning operating costs. Save up to 10% instead by placing weatherstripping around doors and windows. It goes hand-in-hand with insulation in making your home a more enjoyable place by keeping out dust and noise.

THE THERMOSTAT SETTING IS THE KEY TO SAVING MONEY

The "just right" temperature for comfortable indoor living is 76 to 78 degrees F., although some might want it a little cooler and others a little warmer. The engineers say it will cost you as much as 10% more to operate your unit for each degree below the ideal 76 to 78 degrees F. How's that for a money-saving tip?

TIPS TO REMEMBER

Prevent cool air from escaping up the chimney! Remember to keep the damper closed. Reduce the heat entering your home still more by using blinds, shades or draperies to block direct sunlight.

Farm Bureau Has Quarterly Meeting

A number of items were discussed Tuesday night at the quarterly meeting of Coke County Farm Bureau. The supper-meeting was held at First Methodist Church in Bronte.

Among the items discussed were:

—A bill now before the legislature to keep valuation of tax purposes of farm land incorporated within a city based on the use of the land rather than on its potential as city property. Farm Bureau favors the bill. Farm Bureau also favors a move to change the practice of the Internal Revenue Service of assessing valuation of farm and ranch land for inheritance tax purposes at values set by current land prices. Rather the bureau favors a valuation based on the productive value of the land.

—The various phases of the administrations proposed farm bill. It was reported that chances are good that many of the Farm Bureau's proposals will be incorporated into the legislation.

—The usual summer institute will be changed this year to incorporate a tour of outstanding state and county Farm Bureau units. This tour will cover several states and will take place in July.

—Plans for sending sophomore and junior high school students August at Sam Houston State to the citizenship seminar in College.

—The Farm Bureau will again send two firemen to the state firemen's school July 25. Fire department in Bronte and Robert Lee are urged to send a representative to the school. Interested persons are asked to contact Ben A. Boykin or Mrs. C. E. Arrott.

—Plans were made to hold the annual Farm Bureau queen contest again this year. To be eligible, the girl's parents, grandparents or brother must be a member of the Farm Bureau. The contest will be made up of three age groups: 9-12, 13-16 and 16-22. Only the latter group will be eligible to compete in the district and state contest. All entrants must be single. A talent find will also be held in conjunction with the contest.

CARD OF THANKS

We wish to thank all our friends for the many kindnesses shown us during our bereavement. Mrs. Ernestine Powell and Family. 1tp

NEEDED NOW — women with ambition to earn money. Good income, part of full time. Write Avon Mgr., Box 1629, San Angelo, Texas.

CARD OF THANKS

I wish to thank the Bronte Hospital staff and Dr. Harris for the care and attention I received during my recent hospitalization. Especially do I appreciate Dr. Harris for his promptness in answering my emergency call.

I would also like to thank the friends who visited me, the Men's Bible Class of First Baptist Church, the Wesleyan class of First Methodist Church and WMA of Central Baptist Church for the lovely cards. Mrs. J. F. Haynes

BLACKWELL STUDENTS — Continued from Page 1

Mrs. Walter King, is this year's salutatorian.

During his four years in Blackwell high school he has been a class favorite, Mr. B.H.S., F.H.A. Beau, local and district F.F.A. president, and has been active in all sports. He is currently the class treasurer.

Courtney plans to attend Abilene Christian College in the fall. Nominated for English Award

Larry Don Patton, junior student at Blackwell high school, has been nominated for the annual Achievement Awards Program, sponsored by the National Council of Teachers of English.

For the eighth year, NCTS is conducting the national Awards competition to grant recognition to outstanding high school seniors for excellence in English. The writing abilities and literary awareness of each nominee will be judged by local and state committees, and NCTE will announce the winners in December 1965.

Larry is the son of Mr. and Mrs. R. E. Patton.

Glenn Sims, student at Baylor University, returned to Waco Tuesday after an overnight visit with his parents, Mr. and Mrs. T. F. Sims, Jr. He had as a guest, Ken Horn of Houston, member of the Baylor Bears football squad. Tuesday was May Festivity Day at the University and a holiday for students.
