

THE CASTRO COUNTY NEWS

The Only Publication Devoted to Serving Dimmitt and Castro County

VOLUME XVI

DIMITT, CASTRO COUNTY, TEXAS, THURSDAY, JANUARY 9, 1941.

NUMBER 39.

Manning's To Hold Sale

For the benefit of their patrons Mannings Dry Goods are throwing a big January clearance sale. In appreciation for the business that the people of Dimmitt and Castro County have given them in the past year they are having this sale to enable them to buy the things that they need and want, but for some reason could never find the right time to buy it. Now is the time to buy them when all their prices are greatly reduced.

Start the New Year right by buying the things your family needs at their big sale.

Have Large Crowd At Meeting

The Sunnyside Community Agricultural Association in its regular meeting of January 4th had as usual a very large crowd. This meeting was devoted almost entirely to entertainment and Mrs. Howard Bridges was in charge of the singing which was greatly enjoyed by all. Mr. R. E. Cade chairman was in charge of the meeting and appointed committees for the coming year. M. U. May, County Agent, then presented a talk on dairy cattle showing the great need of their improvement and pointing out their scarcity. Miss Mary C. Couch, Home Demonstration Agent explained the 1941 mattress program giving the basis by which people would be entitled to receive them in 1941.

The men of the community enjoyed the forty-two games which followed the meeting where some very good play was exhibited. Refreshments of coffee and doughnuts were served which seemed to suit all people of the community well.

FEDERAL OLD-AGE AND SURVIVORS INSURANCE

In developing information pertaining to claims for Federal old-age and survivors insurance, it has been found that some employers do not understand that wages may include other items than cash. Dewey Reed, manager of the Amarillo, Texas Social Security Board office, said today.

"In instances where an employer hires a person and agrees to pay him a certain amount of cash per day, week, or month, plus his board and lodging, then, these two last items are considered wages and are taxable under the law."

It was explained that the taxes, similar to premiums paid on an insurance policy, represent a percentage of the worker's wage. Until 1943 the tax is 1 percent paid by the employer. Employers deduct each worker's tax from his pay and send it in quarterly, with an equal amount of their own, to the Bureau of Internal Revenue. At the same time, the employer makes a report showing the amount of wages paid to each employee.

"The worker's wages," Reed said, "as reported by his employer when he turns in his taxes, are credited to the individual 'social security account' kept for each worker according to his social security account number by the Social Security Board. When a claim is filed, the wages credited to that worker's account are used to compute the amount of his benefits."

VISITS PARENTS

Mr. and Mrs. Eugene Barton, who have been visiting with Mrs. Barton's parents, Mr. and Mrs. J. O. Ayers, left Tuesday morning for Marfa, Texas, where Mr. Barton is in medical training at Fort D. A. Russell. They were motored to Lubbock by Mr. and Mrs. Ayres and Billy L.

While there they visited in the home of Mr. and Mrs. W. J. Slover.

Mr. and Mrs. Roy Bell visited friends in Amarillo Sunday.

List Of Selected Men From Dimmitt

The following named men have been selected for induction by the local board.

They shall report to this Local Board at Dimmitt, Texas, at 9 a. m. on January 16th, 1941; whereupon they shall be sent to an induction station of the United States Army Recruiting office, Room 215, P. O. Bld'g. at Lubbock, Texas.

V-132, Parker Allen Lee
V-506, Chandler, Aaron Sherman.
16, Peck, Clarence McKelvy
17, Beavers, Robert Clifford.
19, Bussey, Ira Lee

Because one or more of the men named above may not be inducted at the induction station by the armed forces, the following named men may be required as replacement.

Any many so required to report as a replacement shall be duly notified at least five days before he is required to report.
No. 22, Harlin, John B.

New Year's Resolution

New Year's resolutions may be a lot of nonsense, but there's one resolution that every farmer and ranchman in Castro County would do well to make and keep.

"I resolve to go the limit in soil conservation work in 1941, to earn every penny of my soil-building allowance, and even to dig down into my own pocket to carry out additional practices and thus to enrich my land as much as possible."

Every member of the Castro County AAA Committee has made this resolution and intends to keep it. Mr. Ivey, Committee chairman, points out. He is urging all community committeemen to make every effort to impress on farmers in their communities the importance of taking full advantage of the soil-building practices under the Agricultural Adjustment Administration program.

In 1939 the county fell short of earning the full amount available for soil-building work. Some improvement was made in 1940, but still some farmers failed to go the limit in conservation.

In the 1941 AAA program still greater emphasis has been placed on soil conservation, and county committees have been given more authority and latitude to encourage conservation work.

Do You Remember Seven Years Ago

Snow flurries ere Wednesday, temperature below freezing; Fire damages Trimble barber shop; Meeting of Stockholders of Dimmitt National Farm Loan Association January 9 to elect Board of Directors; H. H. Chamness Deputy State superintendent of schools inspected local system and commended the school very highly; Coach Herman Troutman and the Dimmitt Bobbys go to Littlefield tournament; L. G. Manning buys Hotel Barber Shop.

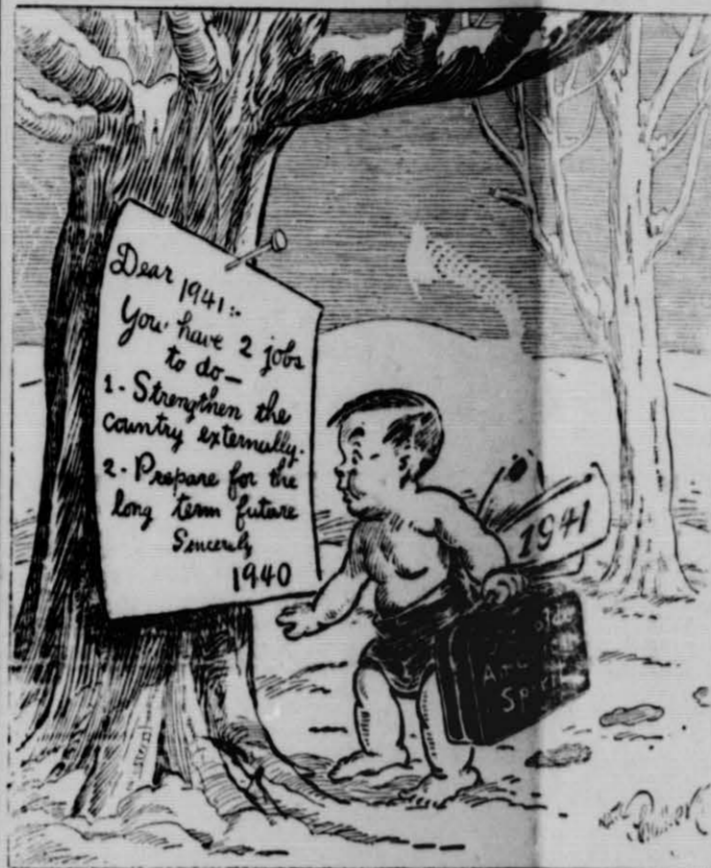

85 PERCENT COMPLETE

College Station, January 8th—The 1940 cotton mattress demonstration program in Texas is 85 percent complete. Tabulations made the final week in December in the office of Mildred Horton, vice director and state home demonstration agent of the Extension Service, showed that 163,197 mattresses had been made under the program in Texas, with 28,793 still to be made.

In 19 Southern States a million had been made early in December, Alabama led with 187,339; Mississippi second with 151,321; and Texas ranked third in the number made on that date, 139,781.

Miss Mary Nelle Jennings was called to Canyon Wednesday afternoon by the sudden death of her father.

HE'S THE BOY CAN DO IT!

Do You Remember Eleven Years Ago

The Masons entertained their families with a party at Masonic Hall.

Mr. and Mrs. N. H. Witt entertained the students home from college with a Christmas dinner dance.

Mr. and Mrs. Edwin Ramsey entertained a group of friends with a '42' party at their country home. Grandmother McLean entertained children and grandchildren on Christmas day with a sumptuous dinner.

Edgar Ireland, Mayor of Hereford, transacted business in Dimmitt today.

Franchise was granted to West Texas Gas Company on December 27, by City Commission of Dimmitt.

Christmas play given by Nazareth pupils.

Mrs. W. J. Baxter enters hospital in Baltimore.

Work on new water well to start at once, contract awarded to D. L. McDonald of Amarillo.

I. O. O. F. Lodge to be instituted on January 2nd.

First chapel program held in new high school auditorium.

BOOK CLUB

The Book Club will meet January 15th. Mrs. Ray Cowser will review the book, "The Family" by Nina Fedorova. The book is a historical novel of a Russian exile family.

"The Family" is one of those rare books that are gay and tragic and timeless. It is colorful in setting, rich in emotion, yet with an essential theme of strength and faith that makes it truly of and for our times.

The story is laid in China during the Japanese invasion in 1937. The family is white Russian with all the vital heart warming qualities the nationality implies.

There are five of them: Granny, Mother and the children of the 3rd generation, Peter, Lida and Dima, who is only eight.

"They try to make ends meet by running a boardinghouse, and they open their doors and hearts to the strangest collection of boarders ever gathered under one roof.

You meet a Bessarabian fortune teller, an Englishwoman who has taken to the bottle, a Russian scientist, turned idealist to save the world, a social climber, a titled lady whose love affair is the talk and wonder of English speaking China, an American doughboy and his mistress, three Russian nuns, a collection of hissing and bowing Japanese.

The family takes them all in and gives freely of its affection and compassion, and as the Family widens its circle, bring new experience, rich in humor and feel.

R. O. Jennings, Canyon, Dies

Richard Otto Jennings, 70 years old, died in a hospital at Canyon yesterday afternoon at 2:35 o'clock, 50 minutes after he had suffered a heart attack while on a downtown street.

Mr. Jennings had resided in Canyon only three years, having moved there from Tullia. He was a member of the Church of Christ.

Survivors are the wife; four sons, Herschel Jennings, West Texas State College professor; Arthur Jennings, Tullia; Charles Jennings, Lubbock; and Jack Jennings, Louisville, Ky.; two daughters, Mrs. H. A. Terrell, Dimmitt; and Miss Mary Nelle Jennings, teacher in the Dimmitt high school; and one brother, Worth A. Jennings, Canyon.

The body is in care of the Griggs-Thompson Funeral Home at Canyon. Funeral arrangements had not been completed last night.

Castro County HD Council Meets

The Castro County Home Demonstration Council met in the Agents office, Monday January 6, 2:30 p.m. The new chairman with Miss Hazel Merritt, presiding. More than a quorum were present. The chair told more about the cooperative egg market explaining how a standard egg mash and proper care of hens yield more profit and higher grade eggs than the hen that are just fed scraps.

The council voted to have the mattress program in 1941.

Rules of order were read and adopted. The former educational chairman, Mrs. Sid Sheffy gave a report on the Gold Star nominees of the county. She complimented all the girls said their work was a credit to most adults. She announced that Lanelle Phillips of Sunnyside was selected the Gold Star Girl.

The chair appointed committee Mrs. Eubanks chairman of Education, Mrs. Sid Sheffy chairman of extension, Mrs. G. B. Cox chairman of exhibit committee, Mrs. Frank Shepard chairman of finance, Mrs. Cliff Gibson chairman of yearbook committee, Mrs. Scooter George chairman of recreation and Mrs. Vernon Simmons, reporter.

Yearbooks were handed out to presidents. The chairman asked the committees to meet on Monday January 20, at 2:30 p.m. in the agents office to make plans for the year's work.

Other committees not named will be notified about the meeting on the third Monday January 20.

In Texas stored in warehouses in 1940 or on the farm in 1939 and resealed in 1940 will be affected.

On December 31, closing date for making wheat and barley loans the committee reported, the corporation had made 18,969 warehouse-storage loans on 17,300,278 bushels of wheat in the state. Held over in farm storage from 1939 were 192,000 bushels, making a total of 17,492,378 bushels which will be subject to delivery to the corporation if not redeemed by the date the loans mature. The first loans in Texas will mature in February. April 30 is the final maturity date. Eligible for re-sealing are 1,534,227 bushels of wheat under the loan and stored on farms. Only six barley loans were made in the state.

The state committee was informed that the corporation did not anticipate, insofar as practicable, selling any of the 1940 crop wheat that is in good condition except at prices not less than loan values plus charges. A small part of the wheat can be disposed of by the Surplus Marketing Administration in export channels and in relief distribution. There is also the possibility the Red Cross may be able to use small amounts of it. Some wheat may be sold or transferred to the Federal Crop Insurance Corporation or to other government agencies.

What Is Your Opinion Of A Dollar Day In Dimmitt

Farmers Attend Meeting In Plainview

Some 25 Castro County farmers attended the recent hearing on a proposed bill to regulate the underground water of Texas. This meeting was held in Plainview on January 6th where some 800 plains farmers were in attendance. The proposed legislation was discussed by Mr. Stork of the State Water board and after his discussion farmers of the plains area presented the peoples ideas of such legislation. Mr. McDonald of Hereford gave results of checks made on irrigation wells and all showed that all of them had very little drawn down after pumping for many years.

It was the unanimous opinion of the 800 people at the meeting that the high plains area of Texas was not ready nor did not need any legislation to control underground water at present. It was further the opinion that not enough was known about the water supply here to base legislation upon and the meeting ended by a resolution being passed against the proposed legislation. This resolution also stated that any legislation for the high plains water should not be of a state wide nature as is the proposed bill for the conditions are different to what they are in other sections of the state now having a shortage of water.

Rambling Around

Most everyone makes a lot of resolutions on New Years and nearly all of them are broken before long. The News has made one RESOLUTION and that is to try and make a better paper for the citizens of Castro County to read, operation of all who reads the News. If you have a birthday, party, club or go anywhere call and tell us about it we are always glad to get any news like this. If some of your people visit you or you have a new brother let us know as there is always some one who reads the paper that is tickled to death to read of your exploits.

Some people say why didn't you put in about me going to Plainview or Hereford? We are always glad to do this if we know it, but how are you to know if we are not told. To all the various clubs over the county we want to thank for sending in their club reports, you will have to admit yourself that you like to see the progress of your community and others surrounding you and if you will really be broadminded enough to admit it, you like to see your own name in print once in a while.

Remember our phone number is 88 and we are always glad to get your news, and that NAMES make NEWS and NEWS makes a Good HOME PAPER. Try and help us to keep our NEW YEARS RESOLUTION.

Mrs. C. A. Oakes of Talago, Oklahoma visited her parents, Mr. and Mrs. R. L. English last week. Mrs. English has been quite ill for several weeks but is improving now.

NORTH EDGE NEWS

Mrs. Earl White and children returned home Saturday from Ft. Worth where they had been visiting her sister and family for a few days.

Mr. and Mrs. Frank Shepard visited the Jack Walker home of Hereford Sunday.

Dave Shepard who has been ill

There has been quite a discussion going on lately about Dimmitt having a Dollar Day the first Monday of each month. Do you think it is worth the merchants time and expense to put on these specials. Some seem to think it would; while others think that it is just a lot of expense for nothing. Other small towns are doing this and are profiting a great deal by it. First by keeping their trade at home and introducing to some of the people their stock of goods that would have otherwise never been seen them, as now days most people are hunting bargains and will go out of town to get them. When they have done this once or twice they become well acquainted with the out of town stores and continue to trade with them. Our home merchants have practically the same things in their stores if you would just take time to go there and ask about them.

Another opinion is that if the merchants were to do this would the people really come and trade with them? This is a question that no one person can answer but if the people feel like a Dollar Day would help them it is up to them to show the business men that they would patronize them. What is your Opinion on this matter?

Elect Officers At Meeting

The Nazareth Community Agricultural Association elected officers at its last meeting which met on January 3rd. The officers elected were Tony Bellingham, chairman; Bill Hochstein, vice-chairman; Joe Bichsel, secretary; Mrs. Bill Hochstein, program chairman; and Mrs. Daniels, reporter.

The meeting was in charge of last years chairman, Andrew Acker, who presided over the meeting. M. U. May, County Agent, showed to the group a film strip of judging dairy cattle which showed how to select good dairy cattle. The need for improvement of dairy cattle was brought out by Mr. May, who stated that it is 'getting harder'.

Miss Mary C. Couch, Home Demonstration Agent, explained the requirements for the 1941 mattress program for Castro County and gave the income levels of persons eligible to receive mattresses.

with the flu the past two weeks is up now.

Visitors in the home of Mr. and Mrs. Dave Shepard Saturday night were, Mr. and Mrs. Raymond Hance and Jerry Beth, Mrs. Earl Bull, Patsy Jo and David Dale, and Mr. and Mrs. Percy Shepard, Ollene and Thelma.

Mr. and Mrs. Raymond Hance and Jerry Beth, were in Hereford Saturday.

Earl White motored to Vernon Saturday to meet his wife and children, who had been visiting relatives in Fort Worth the past several days.

Mr. and Mrs. Buck Crum and Leon, and Roy Brown were in Dimmitt Tuesday.

Frank Shepard motored to Hereford on business Monday.

Virgie Shepard who is taking a business course in Hereford spent last week-end at home.

Mr. and Mrs. Henry Howell and children, Mr. and Mrs. Paul Howell and Mrs. W. M. Howell have returned home from Ford County, where they spent Christmas with relatives.

Little Miss Jerry Beth Hance who has been seriously ill with a cold is better.

Mrs. Earl White visited Mrs. Raymond Hance Tuesday afternoon.

Mrs. Rubye McLean returned home Tuesday from Weatherford where they visited their daughter and sister, Mrs. Mac V.

We, The Seniors

Two seniors will be described in this column each week. One that always has a smile for every one and is always laughing is the President, Leon "Red" Matthews. Red was also president of his sophomore and junior classes. He was chosen co-captain of the football team of '39. Red played a leading part in the Junior play last year and showed his ability as an actor. He has played basketball three years and also came out for track three years in high school but because of his physical condition he has been unable to play other football or basketball this year.

Unneeded Destruction Seen In Study Hall

I know that sometimes people don't like to have things like this called to their attention. But I think that this is too important a matter to be passed. I mean the way the chairs are treated in the study-hall. I am told by people who ought to know that too many chairs are being torn up. From 2 to 8 chairs are torn up every week and have to be replaced. This is absolutely too many for a study hall of our size. There isn't any reason why so many chairs should be destroyed. It is only carelessness on the part of the students who are in the study hall. When the bell rings the chairs are slammed around any way. The students are never looking or caring how they land, upside down or against the wall. When the next class of students come in, there is a regular free-for-all fight to see which ones will get the best chairs. Occasionally the chairs stacked in the corner are deliberately torn down, just for the fun of it. They aren't any use in this destruction of school property. I hope some plan can be put into operation whereby

The Bobcat Tales

This article is just to let you know that the band organization is still alive and kicking, at least it is kicking. It, by chance, you happen to hear moans and groans coming over the transom in the balcony, it isn't the teacher pulling her hair, but the students, suggested (emphatically declared) most likely Mrs. Coy has just that again they practice on Victor Book.

Band Plays at Hart Game Tues.

In study hall one might hear a band students' version of the Chomantic Scale. The rhythm that goes into it gives you that "Make you want a dance" feeling. There can be no slip-ups in the band tests this semester. They will be given individually and each student is really on his own. It's a lot easier to have someone else to act as a "cover upper," but Mrs. Coy has very definitely made up her mind and nothing it seem can change it.

Band Plays at Hart Game Tues.

A meeting of the band students was called at 1:15 Tuesday afternoon to decide whether they would play at the Dimmitt vs. Hart games Tuesday night. It was decided that the band students would play and they did so in a very thorough manner. A patriotic number and several other selections were presented.

Bobcats Down Hereford, Farwell For Two Conference Victories

The Dimmitt Bobcats won two victories this last week-end: Friday night Farwell came over with a good bunch of boys that had a very good record. They are the representatives from Farmer county to the district tournament. The Bobcats beat them by a five point lead. Saturday night the Hereford Whitefaces were over here with a good team. The final score was Dimmitt 41, Hereford 15. Tuesday night we met Hart here in our home court. The final score was Dimmitt 35 and Hart 14.

Kampus Kapers

Ah, life is but a bowl of cherries (so some think) but in this little town we find a few of the so-called thumb tacks. Now for a little of the weekly gossip. Tuesday night at the ball games at Hart we found Buster very interested in Bernice but suddenly we see Buster and Dorothy at the News Year's preview. Then on Sunday we found Buster taking Patsy to the show at Hereford. When the regular is sick, Buster can always find someone else to take his place. He is a very popular fellow and he is a very popular fellow.

Cunningham And Reynolds Speak to Parents And Teachers

The Dimmitt Parent-Teacher Association met Tuesday, January 7, at the high school. The meeting was opened by the president, Mrs. Barber Eubanks; roll call was answered by giving an advertising slogan. Of the 47 persons present, 29 were parents, and 18 teachers. Each room was represented by the following number of mothers: 1st grade, 9; 2nd grade, 5; 3rd grade, 5; 4th grade, 9; 5th grade, 7; 6th grade, 5; 7th grade, 5; 8th grade, 3; 9th grade, 2; 10th grade, 2; 11th grade, 7. The room having the largest percentage of attendance was the 11th grade.

It's Easy to Read

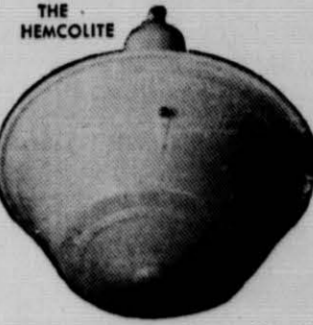

HEADLINES

But What About the News?

It doesn't take much light to read today's headlines, but headlines and the light to read bold type aren't important. The real news is in the story below set in small type which must be properly lighted to protect your eyes from strain.

Read the headlines, get all the news—but first look to your lighting! Good light at any price pays dividends in health and happiness.

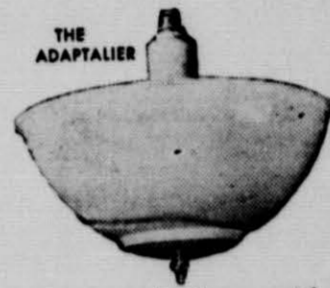

Here is good light at less cost than ever before.

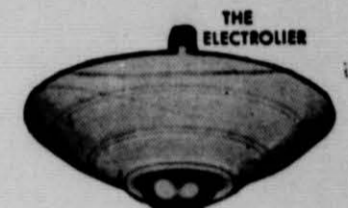

THE HEMCOLITE
This attractive plastic bowl changes any harsh, open light into modern light-conditioning in a jiffy. NOW...\$1.75

THE VISION AID
Here is soft, indirect lighting with a simple twist of the wrist. A handsome metal fixture complete with Mazda Silver-Bowl globe...only \$3.50

THE ADAPTALIER
As its name implies—a quick, smart way to adapt old-style lighting to new. Was \$4.45... NOW an extra bargain at \$3.45

THE ELECTROLUX
Another Mazda Silver-Bowl adapter combining plastic for greater diffusion and less eye-strain. Regular price \$2.95... NOW ONLY \$1.95

Only 45c down to modernize your lights! \$1.00 per month—or up to 8 months to pay!

Texas-New Mexico Utilities Company

hosts to a New Years party at their home honoring the college student. After the party, they attended the Midnight show in Hereford. Guests were Virginia, M. L., Jr., and Margaret Simpson, Lubbock, Lawrence and Pauline Matthews, Joyce Carter, Bob Pinckert, Anderson and Fred Axe, Bernard Wilder, Lonnie Wayne Adams, Homer Battles and Christine Moore of Lubbock.

SUNNYSIDE NEWS

We are having some cloudy damp weather the asp few days.

There were 51 in Sunday school Sunday. We invite others of the community to come. We would be glad to have some new members Sunday.

Rev. Peticolas our new pastor

was here and preached for us Sunday night. Everybody come out and hear the 4th Sunday.

A number of the farmers from here attended the regional meeting pertaining to underground water in Plainview Monday afternoon.

Mrs. G. T. Abbott underwent an appendix and gallbladder operation in Lubbock sanitarium last Thursday. She was reported to be in a serious condition, but holding
