## Kickoff Breakfast To Start Annual Boy Scout Drive

A kickoff breakfast to start Bronte's annual Boy Scout fund drive will be held Monday at 7 a.m. at the Cactus Cafe. Every person in this area who is interested in helping with the campaign is invited to be present for instructions and a free breakfast.

Cecil Cox, Bronte Church of Christ minister, is in charge of the drive. He will be assisted by Marvin Bryant, auditor; Royce Lee, who is in charge of special gifts and publicity; and team captains, Elmer Hurley, James Golsen, Davy Crockett, Austin Masterson and Ben Oglesby.

The drive for funds will start immediately after the breakfast and will be concluded as soon as possible. As an incentive for the workers to complete their jobs as soon as possible, an award will be given to the worker who is first to get all of his prospects worked. All workers who have not completed their job by Friday, Nov. 5 will be victims at a shirt tail cutting ceremony to be held that afternoon at the pep rally in Bronte School gym.

Cox pointed out that the money raised will be used to carry on the aims of the scouting movement: character development, citizenship training and physical fitness. Included in the services for which the money will pay are camps, office services, organizing of units, training leaders, conducting round tables, unit servicing, advancement helps, health and safety, professional coaching, and literature. Funds which are turned over to the Concho Valley Council are returned to local troops in these services.

Cox urged that everyone give generously to the Boy Scout drive. He said, "Loving never emptied a heart. Giving never emptied a purse."

Anyone who is not contacted, but would like to give, may do so by seeing the drive chairman or any of the workers.

## Queens Crowned at Halftime Performance

During a superb halftime performance at Saturday night's football game, the homecoming queen and football and band sweethearts were crowned. The ceremonies were under direction of Miss Linda Jones, and were carried on with accompanying music by the Bronte Longhorn Band.

Miss Laura Morrow was crowned homecoming queen by student

council president Ronald Hooper. Crown bearer was Kerwin Denton and Laura Glenn was flower girl. Miss Morrow is the daughter of Jacob Bruce Morrow.

Miss Sharon Mackey was crowned football sweetheart. Doing the honors was Larry Corley, tackle on the Longhorn squad. Crown bearer was Randy Joe Corbin and flower girl was Leah Barbee. Miss Mackey is the daughter of Mr. and Mrs. Nealy Mackey.

Announcement of the band sweetheart had not been made and Bob Wells, band beau, went to Miss Patricia Robinson, and pointed her out as the choice of her fellow band members, and crowned her. Wayne Alexander was crown bearer and Donna Butler was flower girl. Miss Robinson is the daughter of Mr. and Mrs. Roy Robinson.

Before the crowning ceremony, the band went through an intricate routine and played the accompanying music so perfectly, that they received a standing ovation from a large segment of the huge homecoming crowd. The band is under direction of Russell L. Fuller. Miss Dorothy Ruth Martin served as drum major, because of an ankle injury sustained earlier in the week by Miss Lisa Morrow, the regular drum major.

### NANCY WILSON BETTER

Friends here have received word that Nancy Wilson is much improved and has been released from an Oklahoma City hospital to return home. She is the daughter of Mr. and Mrs. Bob Wilson of Oklahoma City, former Bronte residents.

## Longhorns Will Try Loraine Friday Night

The Bronte Longhorns, fresh from four straight victories, will try to add another Friday night when they go to Loraine for their second district game.

The Longhorns are one of three teams which have perfect records in district play, since the first 8-B contests were played last week. However, the Longhorns are rated as district leaders, since they won the most decisive victory over an opponent.

Up until last week, the Bulldogs of Loraine had not won a victory this season, but they came through and downed previously undefeated Trent 14-6. The upset was a little

confusing, but the Longhorn backers are confident the lads will come through with another win this week.

### This Week's Schedule

District 8-B games set for this weekend include Trent at Jayton, Bronte at Loraine and Hermleigh at Robert Lee.

### Last Week's Results

District 8-B play squared off last weekend leaving three of the district's six teams undefeated and three with one loss. Biggest surprise of the weekend was winless Loraine's 14-6 victory over previously undefeated Trent. Jayton slipped by Robert Lee, 22-14, and Bronte walloped Hermleigh, 38-0.

## AD-LIB-BEN

Tuesday, Nov. 2, is an important day to all Texans, since we will decide for or against adding ten more amendments to the constitution of the state. Some of these proposed additions to the constitution have real merit, while others never should have been brought up in the first place.

The Enterprise opposes amendments four and ten — the ones which would give four year terms to the governor, lieutenant governor, attorney general, comptroller of public accounts, treasurer, commissioner of the general land office, secretary of state, state legislators, and ANY statutory state officer, unless a term of office is specifically provided in the constitution.

The main reason we oppose these amendments is that they move the state government further away from the people. They double the time between accounting periods to the people by state officials. In other words, an official who is not doing his job to the satisfaction of his constituents could not be removed for four years instead of the present two.

Another thing we don't like about amendment four is that there is no limit as to how many consecutive terms a governor or any other state official may succeed himself. Governor Connally himself expressed concern about unlimited terms for governor when he stated: "Such a Governor will completely dominate every Board, Commission and Authority in the state... dominate in the sense that he will have appointed at least once every single member of each Board and I am unalterably opposed to that in principle because the last thing that Texas needs is one man rule." (Dallas Morning News, Feb. 16, 1962.)

## CRMWD MANAGER TELLS PLANS TO BUILD BIG ROBERT LEE DAM

(From Robert Lee Observer)

O. H. Ivie, general manager of the Colorado River Municipal Water District, was guest speaker at Tuesday's BCD meeting. He told the 23 members and 11 other guests present about plans of his organization to build the big dam on the Colorado River near here.

He gave a lot of statistics on the size of the structure and spillway, and emphasized that employees of CRMWD want to be a part of this community as they work on the project during the next few years, and operate it for many years to come.

An accompanying story by Joe Pickle, editor of the Big Spring Herald and secretary of CRMWD, tells some of the information related by Ivie concerning progress and plans.

In pointing out the immensity of the dam and reservoir, Ivie said that the Robert Lee Lake will be the largest west of Possum Kingdom to California. It will contain 489,000 acre feet of storage capacity, which can supply 47 million gallons of water a day, and maintain a two year emergency supply. The lake will have an average depth of 33 feet and at base of the dam will be 108 feet deep. Anyone who wishes to walk around the lake will have to travel 135 miles. Water will be backed up the river 18 miles, and the widest spot will be 19,000 feet.

The dam itself will be 136 feet high and 21,100 feet long. The spillway will have a diameter of 60 feet

which will funnel into a tunnel 20 feet in diameter.

Ivie said the construction job here at Robert Lee will cost approximately \$14.1 million. Additional expense of tying the lake into pipelines will move the total cost up to about \$30 million.

Ivie said the water district has employed disinterested appraisers to acquire land rights needed for the lake. He said, "We want to be sure that land owners involved get a fair deal." He said negotiations with the State Highway Department for moving the Robert Lee-Sterling City highway, eight miles of which will be inundated, are scheduled for next week. He also mentioned that arrangements will have to be made with oil companies to take care of 32 oil wells which are located in the lake basin.

Among the guests present for the Tuesday meeting were R. A. Schoolin, district lake engineer, Paschal Odom, mechanical engineer, and Jim Blottner, district engineer, all employed by CRMWD; also Dick Jacks of San Angelo was a guest of Jimmy Bickley. Other visitors were Bill Simpson, Marvin Simpson Jr., Ben Oglesby, Bill Roe, Mrs. Louise Hatch, Freeman Clark and Genie Baker.

THE BRONTE ENTERPRISE

Bronte Longhorns gave the Hermleigh Cardinals a thorough shellacking last Saturday night before a large Homecoming crowd. Final tally on the scoreboard was 38-0. The Longhorns crossed the double stripe in all four quarters of the game to amass their 38 points. And, the hapless Cardinals didn't cross the double stripe in all four quarters to make their 0 points.

Superb passing by Quarterback David Glenn, fine pass receiving by Royce Lee, Davis Corley and Doug McCutchen, and big ground gains by Tad Richards, McCutchen and Lee netted the Longhorns 272 yards on the ground and 143 by air. In contrast the Cardinals made 105 on the ground and 11 passing.

### First Half

Mike Roemisch started the ball game with a kick which went to McCutchen, who lateraled to Richards and he went to the 20. McCutchen carried twice for a total of 28 yards and a 1st down on the 48. After another 9 yard gain by McCutchen, a pass to D. Corley put the ball on the Hermleigh 38 for another 1st. Lee made 4 up the middle and then T. Richards took the handoff from Lee and went the remaining 34 yards for Bronte's first counter, after 3:21 playing time. McCutchen kicked the EP and Bronte led 7-0.

Larry Corley kicked to Roemisch who was hit hard and fumbled the ball. McCutchen recovered for the local lads. McCutchen and T. Richards carried the ball down to the Cardinal 15 yard line, then Glenn tossed an aerial to Lee for the second touchdown of the evening. Pass conversion try failed, and Bronte led 13-0.

L. Corley kicked again, this time to Danny Sturdivant who was downed on his 36. After 3 tries the Cardinals were faced with a 4th and 6 situation. Roemisch stepped back to punt and the ball went into play for the Longhorns on their 25 yard line. This time the Bronte boys bogged down and Lee had to punt. He was rushed and the kick went high and short, coming down at the 34 yard line.

This looked like the opportunity the Cardinals had been waiting for but they carried the ball 4 times and got so close to a 1st down that the officials called for a measurement. It was short by inches and the Longhorns took over on the 13 yard line.

The lads in the backfield worked the ball out to the 25 for a 1st down. T. Richards took the hand-off on the 1st play of the new series, picked up some nice blocks along the way and carried the ball down the field to the Cardinal 41 yard line, a gain of 35 yards. McCutchen carried to the 24 for another 1st. A couple of plays later Glenn threw a pass to Lee for another 1st on the 8, and from there T. Richards went over the goal line for another TD. EP try failed and score was 19-0.

Corley got off a booming good kick, the Cardinals flubbed it, and finally fell on the ball on their own 10. Three incomplete pass tries left them short 10 yards on 4th down, so they had to kick. The ball was killed on the 50. McCutchen made 9 around right side, and next play was another pass from Glenn to Lee, good for 41 yards and another touchdown. Conversion was no good. Score: 25-0.

Corley kicked to Roemisch and he almost got into the clear, but McCutchen sailed into him on his own 40 yard line to save the TD threat. Donny Peterson carried, but met Brian Richards 2 yards behind the line of scrimmage. A pass try was called for by the QB, and T. Richards was on hand at the Hermleigh 45 to intercept it. He

ran to the 20 yard line. Glenn threw a pass and Peterson was on his 18 yard line to return the favor and intercept the only Bronte pass loss of the night.

The Cardinals were getting ready to try most anything as the clock was ticking off precious minutes and the half was almost over. Long pass tries were broken up by Lee and Larry Corley and the Cardinals had to kick. The ball went to Lee who returned it to the Hermleigh 25. On the first play from this good field position, the Longhorns fumbled the ball and Roemisch recovered on his 22 yard line.

The Cardinals started making some gains with Roemisch and the Peterson boys carrying the ball. They carried to the 33 for a first, and then to the 43 for another. Bronte drew a 5 yard penalty on 1st down and Peterson threw a pass on the last play of the half, which was intercepted by Davis Corley.

### Second Half

Larry Corley kicked off and the ball was put in play about the Cardinal 20 yard line. Some nice gains gave them a couple of 1st downs and moved the ball to midfield. That was the extent of it, however, as Bob Bell, Victor Brock and Gary Allen threw the Cardinals for losses on 2 downs. The punt went to McCutchen who was downed on his own 40. On the next play McCutchen carried for 25 yards and a 1st on the Hermleigh 35.

Tad Richards made 9 and Glenn made the needed yard for the 1st. The Longhorns were then besieged with a streak of gremlins who make passes go incomplete and on the 4th down try, fumbled the ball and the Cardinals recovered on the 30 yard line. Brock and Wayne Carlton worked on their defense job and the boys from Hermleigh kicked on 4th down. The ball went to the Bronte 39 where it was killed.

McCutchen reeled off a 36 yard run to the Cardinal 25 for a 1st down. On the next play, Glenn faked to McCutchen, handed off to T. Richards who went all the way. However, a flag was on the ground, and the 6 points were wiped off as the Longhorns drew an illegal procedure penalty. The situation wasn't in extra good shape with the Longhorns looking at a 3rd and 10, but once again Glenn hit his mark which was Davis Corley, who stepped across the double stripe for another Bronte touchdown. Conversion try failed and the Longhorns were way out front, 31-0.

Larry Corley got off a beauty on the kickoff which was put into play on the 20. The Cards made 5 yards in 3 plays and Roemisch punted to the Bronte 45 where McCutchen took it and ran back to Hermleigh's 32. Glenn threw a short pass to McCutchen, who took off down the right side of the field for the final tally of the evening. McCutchen then kicked the EP to make the score 38-0.

## PERSONALS

Ron Johns of Anton, student at Texas Tech, Lubbock visited friends here last weekend. He is the son of Rev. and Mrs. Murrell Johns, former residents.

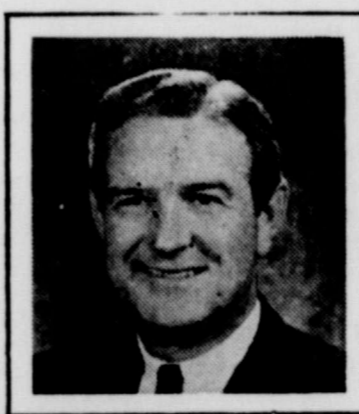

Mrs. Cora Carlile of De Leon has been here this week visiting her brother, E. C. Seay, and Mrs. Seay. While here she observed her 82nd birthday. Monday they all went to Anson to visit a cousin, Mrs. Annie Groaton, who is seriously ill in a nursing home there. On Tuesday they visited their old home place and friends in the Fort Chadbourne area. She was expecting her daughter, Mrs. Pearl Nichols of Seminole to come today to take her home.

Larry Corley kicked the football into the end zone for a touchback to the 20. The Cardinals were penalized 15 yards for holding and couldn't make the necessary 25 for the 1st. Roemisch punted to his own 43. Two no-gain plays and a 5 yard Card penalty set up the Longhorns with a 3rd and 6. Tad Richards was equal to the need, however as he ran the ball down to the Hermleigh 30 for a 1st. He then picked up 3 more, and Jerry Parker ran up the middle for 11 yards and a 1st on the Cardinal 16. T. Richards made 11 and another 1st on the 5. Things were looking good to break the 40 point mark, but on the next play a fumble was recovered by Hermleigh on the 9. Bronte drew a 5 yarder for offsidess and Roemisch moved the ball out to the 20 for a 1st. D. Peterson, Roemisch and Doug Coonrod picked up yardage out to the 47 for a 1st down, and a jump pass to Larry Farr gave the visitors a 1st on Bronte's 42. A pass was knocked down by Brian Richards and Roemisch tried a run up the middle before the game ended.

Good line work was turned in by L. Corley, D. Corley, Brock, Allen, Brian Richards, Eddie Clark, Bell, Don Hageman, Manfred Thompson, Keith Morris, Gary Stroebel, Wayne Carlton. Defensive jobs in the backfield were well taken care of by Lee, T. Richards, McCutchen, Glenn, Parker and Doak Snead.

STAR-SPANGLED SAVINGS PLAN FOR ALL AMERICANS

# Shorthorns Keep Spotless Record; Down Robert Lee Dogies, 12-6

The Bronte Shorthorns kept their perfect season record intact last Thursday, when they downed the Robert Lee Dogies, 12-6. This game concluded competition in the south zone of the district and left the Shorthorns undisputed champions.

Date of the playoff game was announced at the first of the season for Nov. 4. Plans will be made and announced as soon as they are released. The outcome of a contest Thursday night between Jayton and Loraine will probably decide Bronte's opponent for the district championship.

The Shorthorns will play Hermleigh here tonight (Thursday) for their last scheduled game of the season. However, this game does not count on district standings, since Hermleigh is in the north zone of District 8-B.

The Bronte Junior High Band will play for the game.

### First Half

The Dogies took the Bronte kickoff on their own 40 yard line. After failing to make a first down, the Dogies lost the ball on downs. The Shorthorns pushed to the Robert Lee 21, and from there Keith McCutchen carried the ball for the first Bronte touchdown and a 6-0 lead.

The Dogies took a kick on their 25, and on the 3rd play, Daniel Jasso scampered some 70 yards for a Robert Lee touchdown, to tie the score at 6-6. Both of the early conversion tries failed for both teams.

Bronte took the kickoff out to their 43, but they couldn't go and kicked to the Dogie 30. Jasso carried for 8 and a Joe Key to Jack Thomason pass moved the ball to the Bronte 44.

As the 2nd quarter opened, the Dogies lost a fumble to Bronte. The Shorthorns in turn fumbled and the Dogies recovered. Then Wesley Ash of Bronte intercepted a pass on his 45. The Shorthorns started to move and a pass from McCutchen to Joe Basquez took them to the Robert Lee 34. From there the Shorthorns moved to the Dogie 11 on carries by James Vaughn, and McCutchen. McCutchen then carried to the 5, to the 2 and over for the TD. Carry for extra points failed.

The Dogies took the kick on the 40 and moved to the 47. Jasso made a nice 20 yard run for a 1st down on the Bronte 33. On the end of this series McCutchen intercepted a Key pass and ran to the Dogie 45 as the half closed.

### Second Half

The Shorthorns returned the kick to their own 45, and a pass to Vaughn gave them a 1st on the Robert Lee 42. After losing yardage to the hard rushing Dogie line, they had to kick. The Dogies took the kick on their 27 and failed to move. They kicked to the Bronte 35. The Dogie line again held and

the Shorthorns had to kick. It went to Dodson, who returned to his own 47. After short gains, a penalty against Bronte gave the Robert Lee lads a 1st on the Bronte 44, as the third quarter ended.

Fields carried to the Bronte 34 in 2 carries for a 1st; then moved the ball to the 24 for another 1st. Bronte took the ball after the next series of downs, as their stubborn defense held the Dogies to no gain. McCutchen made hard drives through the line to gain a 1st down on his own 36, as the game ended. Score: 12-6 in favor of Bronte.

## Steady Progress Being Made on Preliminary Work

(From Robert Lee Observer)

Steady progress is being made toward the Colorado River Municipal Water District's new lake on the Colorado River just above Robert Lee.

Core drilling on the northwest flank of the dam site will be completed within another 10 days or two weeks, O. H. Ivie, CRMWD general manager, estimated. Findings so far have indicated no foundation problems.

Surveying crews, running lines at the damsite and around the perimeter of the lake basin at flood mark, are about 30 per cent through with their work, he said.

As these reports become available, information will be turned over to George Thompson of Sweetwater and Clyde Berry of Clyde for land appraisals. When these are reported to the district, negotiations for land purchases will begin.

Colorado State University at Fort Collins is well along on its scale model of the giant spillway for the lake, and within two months data from tests is due to begin flowing to the engineers, Freese, Nichols and Endress of Fort Worth.

District officials are giving preliminary studies to immediate pipeline requirements, and at the same time they are checking costs of financing the project.

Previously, Ivie had estimated that it would be spring before bids for revenue bonds to finance the job could be received. He also thought June was the probable earliest date for letting the construction contract. By that time, however, the district hopes to have most of the land purchased and arrangements made for relocating about eight miles of the Robert Lee-Sterling City state highway, which will be inundated.

one which would give legislators four year terms, is also repugnant to our form of government, by the people. Passage of this constitutional change would give Texas legislators a term twice as long as U. S. congressmen now have. Do you think our state legislators are so well qualified that they should not be called to an accounting at the polls more than once every four years?

Texas voters have usually been kind to officials who are doing a good responsible job. Two years ago Governor Connally won a second term hands down over three opponents with hardly any campaign at all; Lt. Gov. Preston Smith had only token opposition in his race for a second term; Attorney General Waggoner Carr was unopposed. John C. White, commissioner of agriculture, and Jerry Sadler, commissioner of the general land office, were the only other state officials who had opponents. Both won handily. The only hotly contested race where a great deal of effort and money were expended two years ago was for U. S. senator, which already carries a six year term.

Longer terms for public officials inevitably can lead in only one direction: toward lack of responsible representation, toward indifference to public opinion and public wishes, toward a lackadaisical attitude of staying on the job, and toward a feeling that the job belongs to the official rather than the people.

We urge you to vote against 4 and 10 next Tuesday.

The other eight proposed amendments have some definite merit and deserve support.

In the past, I feel that this money has been used for worthy purposes, and I hope we will be able to continue the worthwhile work. Everyone who is interested in the Bronte School can help the school by helping us put over this festival. We invite everyone to come and have a good time."

Mrs. Mable Myers spent last Wednesday night with her sister, Mrs. W. M. Turner in Lampasas. Visiting her Tuesday was Mrs. R. W. Sheppard of Rocksprings, who recently returned from the Holy Land.
