## Bronte, Westbrook to Tangle

### Brief Court Session Held This Week

A short session of 51st District Court was held Monday at the courthouse in Robert Lee. One non-jury trial was held and sentence passed, one divorce was granted, one case was settled out of court, and three cases were passed until a later session.

Aubrey D. Bagwell of Bronte waived jury trial and was found guilty of subsequent offense of driving a motor vehicle while intoxicated.

### THE WEATHER: NOT SO HOT

After a beautiful spring-like weekend, residents of this area were greeted Monday morning by a fresh norther, which brought the season's heaviest snowfall and some of the coldest temperatures of the winter.

Sleet and snow began to fall in the area about the middle of the afternoon Monday. By sundown, the sky was filled with the icy flakes. The ground was quickly covered and measurements Tuesday morning ranged from two to three inches.

Temperatures dropped to about 20 degrees Monday night and into the mid-teens Tuesday night.

Bright sunshine greeted Coke County folks Wednesday morning and by noon the remaining snow and ice were melting fast. Forecast called for continued cold Wednesday night and Thursday morning.

### Rattlesnake Hunt Set for Mar. 26-27

Plans are well underway for Bronte's annual Rattlesnake Round-up, according to Dolan Mackey, general chairman of the project. The annual hunt for rattlers is sponsored by Bronte Jaycees, and will be held this year March 26 and 27.

Shelly Downs, well known snake handler from Florida who has worked with the Jaycees the past two years, will be on hand again this year to give shows on snake handling, milking venom, etc.

Area ranchmen have donated a considerable amount toward prizes which will be given this year. Anyone else who would like to donate to the prize money fund may do so by contacting Hurlin Lee at his Humble Service Station.

Mackey said this week that the Jaycees are planning on a bigger and better show than was held last year. The 1965 event brought more than 2,000 spectators to town, and more than 1100 snakes were captured. The visitors came from 13 states besides Texas and from two foreign countries.

More details of the show will be printed each week in The Enterprise as plans are completed.

### SCHOOL CENSUS DOWN

The number of scholastics in the Bronte School District took another drop when the official school census was taken in January. A total of 259 students eligible to attend the 1966-67 school term were counted. This is a drop of 22 from last year's count of 281.

ed. Judge Joe L. Mays assessed sentence at two years, but it was probated for that period of time.

Marven Stewart was granted a divorce from Frankie Mid Stewart.

The case styled Jimmy R. Brunson, individually and next friend of Suzanne Brunson, a minor, vs. Eugene Halamiczek, et ux, was settled out of court. The suit was for personal injury.

Cases passed included:

Mary Ella Pruitt, individually, and next friend of Sylvia, Tommy Dee, James H. and Wanda Joy Pruitt, minors, vs. Sun Oil Company, et al, wrongful death action.

Raymond C. White vs. Texas Casualty Insurance, compensation insurance.

Carl Hutchinson vs. Sun Oil Company, et al, personal injury.

Judge Mays dismissed the jury panel which had been called in case a jury case developed.

places in the tourney will be decided at 7 p.m. Saturday and the finals will be played at 8:30 p.m. Saturday. The regional games will be played on the campus of Howard County Junior College in Big Spring. Other teams in the regional play off are Norton and Sands.

### Longhorns Take Win From Christoval Lads

The mighty Longhorns did it again Tuesday night. They won a game and gained a berth in the Region VI basketball tournament which will be played this weekend at Big Spring. The Bronte lads defeated Christoval Tuesday night, 61-54. The Cougars are winners of District 67-B, while the Longhorns took the championship of District 67-B.

Coach James Raughton and High School Principal Joe B. Simpson were getting ready Wednesday morning to go to Big Spring, where a meeting was scheduled for 2 p.m. to draw opponents and work out details for the regional competition.

The Longhorns' star got a little dim in the first and third quarters of the contest when the fast little Cougars ran them ragged with ball stealing and other defensive antics. However, the Longhorns were able to get far enough ahead in quarters two and four to put the game on ice.

The Cougars held a 14-12 lead at the end of the first quarter, then the Longhorns came back in the second to sizzle the net with 21 points to the Cougar's 11, and go ahead 33-25 at the half.

The third period belonged to the boys from Christoval, as the Longhorns went for a considerable length of time after the half before they scratched. Cougar long shots pushed their tally for this quarter to 15

while the Bronte boys made only 7. Score was tied at 40-all when the last period started.

Again, the local lads got with it, and ran their score up by 21 points. At the same time they held the Cougars to 14.

Royce Lee and Tad Richards led in the Bronte scoring with 24 and 19 respectively. Davis Corley added 8 more for the Longhorns, Larry Corley accounted for 6 and Doug McCutchen for 4.

Manuel Duke was high pointer for Christoval with 18; Bobby Menchaca made 13 and Stanley Stafford sank 11.

Spaces will also be for sale to designate meeting times of organizations.

Russell Fuller, band director said this week that the calendar project will be the only money-making event of the year for the band. "I would like to request the cooperation of everyone in making the calendar a big success," he said.

Wells and Taylor are presently serving as trustees. Joe Rawlings is the other trustee whose term expires this year. Balloting will take place April 2.

Candidates have until March 2 to file for the offices. A candidate may file his own name, or a petition, signed by at least five qualified voters of the district, may be used to file a person's name.

Trustees who have either one or two more years to serve are Conda Richards, J. B. Morrow, A. E. Bell Jr. and Wayne Arrott.

### 1966 Longhorn Squad a Great Bunch, Coach Says, Season Statistics Given

The Bronte Longhorns, 1966 version, have come a long way in this season's basketball play. They have had a good year with 17 wins and five losses.

Coach James Raughton told The Enterprise this week that the 1966 Longhorns are "the best bunch of boys I ever coached." He intimated that he doesn't always approve of press coverage of his games, since emphasis is most usually put on high scoring and offensive basketball. The coach said that the success of this year's team can be attributed as much to a strong defensive attack as to sinking the ball through the basket.

"What I'm trying to say," Raughton said, "is that the boys on the team who are not leading scorers are just as important as anybody in winning a ball game. I'm proud of these boys when they want to see the scorebook to find out how many points were made by the men they were guarding."

Raughton also had highest praise for squad members who are not among the starting five, but who have come through in some tight places to give some important assistance in winning a game.

The coach had some figures which he released on season averages for his squad. The figures cover all season games through last weekend, but do not include Tuesday night's win over Christoval. This information is given below, with average scoring per game shown last:

Royce Lee, senior, 16.44; Larry Corley, senior, 7.86; Tad Richards, senior, 16.9; Wayne Carlton, junior, 3.56; Gary Don Allen, junior, 9; Davis Corley, sophomore, 8.38; Doug McCutchen, sophomore, 6.95; David Glenn, sophomore, 2.21; Charles Masterson, sophomore, 2.66; Robert Galloway, sophomore, 1.0; Don Hageman, sophomore, 0.

The Longhorns' 22 games so far this season have netted them seven wins and four losses in non-district play; nine wins and one loss in dis-

trict competition; one win in regional competition. Below is a tally list for the season with district games indicated with an asterisk.
