## Thetford, Thomason, Brock Are Elected

Judge W. W. Thetford

Mrs. Jerry Thomason

Commissioner Howard Brock

Coke County voters turned out pretty well last Saturday to cast their ballots for candidates seeking the Democratic nomination for offices from the state level down to precinct positions.

In contested county races Judge W. W. Thetford was successful in his bid to retain his position another four years. Mrs. Jerry Thomason was also a successful candidate in her race for county treasurer. Precinct 2 Commissioner Howard Brock kept his job for another four years as did Roy P. Röss, justice of the peace in Precinct 1. Other offices in the county were not contested.

The count on county and precinct voting was as follows:

County Judge: Thetford, 726; Frank D. Coalson, 540.

County Clerk: Mrs. Winnie Waldrop, 1277.

County Treasurer: Mrs. Thomason, 978; Mrs. Golda Smith, 305.

Justice of the Peace, Precinct 1: Roy P. Röss, 333, Pete Davis, 318.

Commissioner, Precinct 2: Brock, 327; Otis Smith, 173.

Justice of the Peace, Precinct 2: J. T. Liles, 494.

Commissioner, Precinct 4: Jack Corley, 64.

D. K. Glenn polled the most votes 1284, of any candidate on the ballot in his unopposed bid for County Democratic Chairman.

### Coke for Burleson

Coke County went along with the rest of the 17th congressional district and gave Cong. Omar Burleson a 701-432 victory over Eldon Mahon.

In state and other district races, Coke County went along with the other counties of Texas in giving a victory to Gov. John Connally, Lt. Gov. Preston Smith, Waggoner Carr, candidate for U. S. Senate, and Railroad Commissioner Byron Tunnell. As in the state as a whole, Crawford Martin received a plurality of the vote for attorney general but did not get a majority of votes over Franklin Spears and Galloway Calhoun. Coke voters did not go along with Texas in the race for judge in the court of criminal appeals, giving the victory to W. T. McDonald over Jack Onion. Onion won the contest over the state.

The only runoff in which Coke County voters will participate will be for the attorney general job.

### Demo Convention Coming Saturday

Coke County's Democratic Convention will be held at 2 p.m. Saturday in the courtroom at Robert Lee. Mrs. Cumbie Ivey Jr. of Robert Lee will open the convention in the absence of County Chairman D. K. Glenn of Bronte.

Delegates from all the voting precincts of the county are expected at the convention.

Precinct conventions were held last Saturday at Robert Lee and Bronte, and both groups passed a resolution endorsing support of Gov. John Connally to head the state's party. It is expected that the county convention will also endorse this resolution.

The addition to the building, which is a 25x40 steel structure will enable Mackey to handle a larger stock of field seed, feeds, and other farm and ranch supplies than he has had in the past. Also the new structure provides ample room for drive in loading.

Workmen are busy this week remodeling the front of the building, and expect to have it finished in time for the Saturday Open House.

Free coffee and donuts await thirsty visitors Saturday. Another feature of the open house will be a three-gallon hand sprayer, which will be awarded some lucky person at a drawing.

Dolan Mackey said, "We're proud of our enlarged quarters and invite everyone in this area to come by Saturday and see us."

## Good Neighbor Policy Is Put To Good Use

Good neighbors are a wonderful thing to have, especially when a fellow needs a hand. A number of Bronte area farmers, ranchmen and others proved this Tuesday afternoon when they got together and did some plowing for Hollis Ensor.

Ensor is seriously ill and unable to do the work.

The operation was under direction of J. L. Brunson and those helping to get the land ready for planting were C. E. Arrott, H. H. Brunson, Jude Brice, Wornock Hipp., Murl Horton, Jerry Horton and Jim Munoz. Elroy Butler furnished butane for the tractors.

Another bunch of Ensor's friends are standing by ready to plant the field. They are Jerry Landers, Bill Wrinkle, Marvin Landers, Louis Caulder and Chess Kiker.

The Rev. Wayne N. Stout, pastor of Central Baptist Church, was in charge of public relations for the operation and has been doing lots of boosting for the good neighbors.

He said there were others who helped in many ways to accomplish the plowing job in one short afternoon.

The Rev. Stout said, "These men did the nicest job I ever saw at a working like this. And they all said they were willing to do more if it is needed. This goes to show that the spirit of the good neighbor policy has not died out."

Good deeds do not go unrewarded, however. Mrs. Ensor showed her appreciation by sending two home made cakes for the men to eat while they worked. Cokes and cookies were furnished by G. C. Spencer and J. L. Brunson.

GETTING AFTER IT — Three of the tractors used Tuesday afternoon to plow Hollis Ensor's field are not slowing down to

have their pictures made. They kept right on moving and did a good job which was completed by five o'clock.

ALL FINISHED — Five tractors, their operators and other persons who were helping lined

up Tuesday afternoon after they completed plowing Hollis Ensor's field.

## To a motorist who still hasn't put a Tiger in his tank.

Here's that Tiger.

You're a skeptic. Good. Then you're going to be a good customer, if we can ever win you. We showed you proof on television that High-energy Enco Extra cleans your carburetor while you drive.

(Probably you said, "So what? My car still runs.")

We told you it improves firing power, helps

prevent hot spots and misfiring and gives you the high octane to help you take off like a cat.

(You drove right on by.)

It's frustrating to develop a gasoline that gives this kind of performance and then not even have you try it.

Did you know new High-energy Enco Extra is more powerful than aviation gasoline of just a few years ago?

That the Tiger is now the favorite of motorists all over the world? And that Jimmy Clark became the World's Champion Race Driver with a Tiger in his tank?

So why not "Put a Tiger in Your Tank!" "Happy Motoring!"
