### Windhaus Resigns Teaching Position

Darrell Windhaus, who has taught Spanish and social sciences in Bronte Schools for the past three years, has resigned his position.

Supt. C. B. Barbee said that he received a letter of resignation and that the school board will act on the matter at its regular meeting tonight (Thursday).

Barbee said that so far the vacancy caused by Windhaus' resignation is the only one in the school faculty.

## AD-LIB-BEN

It was kinda lonesome on Main Street Tuesday. We had to work, even though most everybody else on the main drag was closed up. One of the troubles with the newspaper business is holidays that fall in the middle of the week. Our papers had to be printed Wednesday, even though there was a holiday Tuesday, and, you may not believe it, but there is some work that goes into their preparation. There are other troubles with this business, too, but space and time limitations prohibit our going into them.

Apparently, Bronte citizens had a rather quiet Fourth. It looked as though a good crowd was golfing, and we feel sure the swimming pool filled up after we drove by early in the afternoon. Most places just don't whoop it up on the Fourth like they used to. And that's a shame, because the birthday of our country should be more than just a day of rest and relaxation. We should really celebrate and think about this important anniversary.

The trouble, as we see it, is that people have too many things to do. Consequently, they half heartedly recognize days like the Fourth, but don't really have the energy and enthusiasm to do much about them.

The main thing we see wrong with the younger generation is that we're not a member of it any more.

A young lady just out of college was applying for a job teaching school. One of the board members asked her, "how long do you intend to follow the teaching profession?"

"From here to maternity," she replied.

A UN delegate from Russia named Rudolph was looking out the window one morning.

"It's raining," he said.

"No, it's sleeting," said his wife.

"Nyet," he replied, "It is raining. Rudolph the Red knows rain, dear."

Doctor, after examining a draftee, to his assistant: "Go ahead and take him. He's not in shape to be a civilian either."

### Carolyn Kemp Debuts In First Non-Singing Part

Carolyn Kemp made her debut as a non-singing actress last week in "What Did We Do Wrong?" which opened June 26 at the Elitch Theater in Denver.

Miss Kemp, the daughter of Mr. and Mrs. Cecil Kemp of Bronte, plays the part of Cindy in the play, which was written and directed by Henry Denker. Paul Ford has the male lead in the production.

From Denver the cast went to Rochester, N. Y., where the play is being presented this week. Other spots on the itinerary include Westport, Conn., Philadelphia, Pa., and Nyack, N. Y.

The schedule calls for the production to run five weeks. Miss Kemp will then begin a new job, playing opposite Gordon McRae in "Oklahoma," a production authored by Rogers and Hammerstein.

Other members of the cast of "What Did We Do Wrong?" besides Miss Kemp and Ford, include Flora Campbell, Bruce Hyde, Gregory Rozakis, Ray Providence and John Buckwalter.

The play is billed as "a treatment of the battle between the generations," and is classified as serious comedy. It is scheduled to run on Broadway during the next two seasons.

Other productions in which Miss Kemp has acted include "Fade Out, Fade In," "Little Me," "110 in the Shade," "How to Succeed in Business Without Really Trying," "A Funny Thing Happened on the Way to the Forum," "The Student Prince," and "Annie Get Your Gun." She has also appeared on Johnny Carson's Tonight Show.

Mr. and Mrs. Kemp and Mr. and Mrs. Royce Fancher traveled to Denver last Thursday and attended the Saturday night show. They returned to Bronte Tuesday.

## Nutter Named Precinct 2 JP

Pete Nutter

Earl D. (Pete) Nutter, operator of the Cactus Cafe in Bronte, was appointed justice of the peace for precinct 2 by the commissioners court in session Monday.

Nutter was appointed to fill a vacancy caused by the death of J. T. Liles, who had served in the office since 1958 until his death June 15.

The new justice of the peace has made his home in Bronte since immediately after World War II when he was discharged from military service. He and his wife, Inez, have operated the cafe since that time. Prior to his discharge from service she operated the cafe.

No date for swearing in has been announced.

### TEACHERS TO ATTEND SMALL SCHOOLS WORKSHOP

More than half of Bronte School's faculty will be in Austin next week to attend a Small Schools Workshop which will be held in Kinsolving Dormitory on the campus of the University of Texas.

Sessions will begin Monday and conclude Friday.

Attending from Bronte will be Supt. and Mrs. C. B. Barbee, Mr. and Mrs. J. T. Henry, Mrs. Royce Fancher, Mrs. James L. Golson, Mrs. Jerry Lawhon, Clint Low, Jr., Mrs. James Raughton and Mrs. Vera Thomas.

### Bronte Youth Invited To Sing

All Bronte area young people who like to sing have been invited to sing in a city-wide revival at McCamey next Thursday, July 13. Members of youth choirs of all churches as well as any other young people are invited to participate in the occasion.

The invitation came from Gene Moore, who is in charge of music for the Ed Robb Evangelistic Association. Robb held a revival meeting at First Methodist Church here recently, and Moore was impressed with the quality of singing by the Bronte youngsters. He asked them to sing at the revival which the group will hold in McCamey next week.

Tommy Walter, who is in charge of the choir at the local Methodist church, has called a meeting of all young people who wish to participate for Thursday (tonight) at 8 p.m.

Transportation to McCamey will be furnished for all who participate in the choir.

### RETURNS FROM TRIP

Mrs. W. H. Braswell returned to Bronte Sunday after completing a three week's vacation trip which took her over 4,000 miles. Mrs. Braswell first went to Globe, Ariz., where she visited her brother, R. Q. Kinney. A visit with another brother, took her to Canyon and from there she went to Grapevine where she visited a friend, Mary Harry Bates. While at Grapevine, she visited the Six Flags Over Texas amusement center.

### David Kuykendall To Preach Sunday

David Kuykendall will preach Sunday morning at First Baptist Church in the absence of the pastor, the Rev. Harry Morris. Rev. Morris and family are on vacation and are visiting relatives in Canadian, Higgins and Amarillo this week.

Ronald Hooper, sophomore student at Baylor University will preach for the Sunday evening service. Hooper was recently licensed to preach by First Baptist Church and this will be his first sermon.

The church has also announced that it is planning a revival meeting to be held July 30 through Aug. 6. Dr. Elwin Skiles, president of Hardin-Simmons University in Abilene, will be the evangelist. John McLaughlin, language missions associate, will direct the music.

### Swimming Lessons To Start Monday

A beginners course in swimming will start Monday, according to Dick Cooper, park and pool caretaker. Doug McCutchen, who is serving as a lifeguard at the pool, will be instructor for the class.

Anyone interested in taking the lessons is requested to sign up at the park. A limited number can be accommodated. Time to meet Monday is 10 a.m., although time for the lessons may be changed, if another time would suit the pupils better.

Charge for the lessons has not been definitely decided and will be announced Monday.

## Savings Bond Sales Are High

Sales of Series E and H United States Savings Bonds are at an alltime high according to G. C. Allen of Robert Lee, Chairman of the Coke County Savings Bonds Committee. Savings Bond sales during the month of May in Coke County totaled \$4,777. For the first five months of 1967 sales in the county amounted to \$10,343, which is 26 per cent of the yearly goal of \$40,000.

Total purchases of Series E and H Bonds in Texas for the month of May totaled \$14,036,665 — 9.7 per cent increase over May of 1966.

Nationally, during May new purchases of E and H Savings Bonds amounted to \$438 million — a 22 year peak — and an increase over May of 1966 of 6 per cent.

## FREEMAN REPORTS FOR DUTY AT NAVAL AIR STA.

Hospital Corpsman Third Class Marshall Lee Freeman, son of Mr. and Mrs. M. N. Freeman, Bronte, has reported for duty at Naval Air Station Dallas, Texas. He recently joined the Naval Air Reserve after a tour of duty with the Regular Navy, which included service as a battlefield corpsman with the Marines in Vietnam.

Petty Officer Freeman first joined the Navy in 1963 at San Angelo.

He attended Bronte High School, and is a high school graduate of the Navy's General Education Development program.

Petty Officer Freeman is married to the former Ruth Pulcher of Corpus Christi. They have a son, Bobby Lee.

They are making their home at 219 S. E. 11th, Grand prairie, Texas.

### Egg Is "Instant" Nutrition

The egg is one of nature's most nutritious ready-packaged foods. Egg supplies are plentiful now, resulting in lower prices.

It's no trick to cook up a pan of hard-cooked eggs at the beginning of the week and have them ready to use at any time. When cooking eggs, be sure the water is kept below the boiling point. An easy method to hard-cook eggs is to cover them with cold water and bring the water to the simmering point. Turn off the heat and allow the eggs to remain in the covered pan of hot water for 15 to 20 minutes. Cool eggs at once in cold running water.

Butter in which eggs are fried should be kept below the smoking point. The key to cooking eggs is low temperatures, so protein remains tender and tasty.

The hard cooked eggs can go into salad dressing, combined with canned kidney beans, pickles and celery for a salad. They are delicious in a cheese sauce over rice or toast; egg sandwich fillings are excellent, and deviled eggs are always a favorite.

It's amazing how often one will use hard-cooked eggs if they are already cooked and ready to go.

### Clean Refrigerator Before Trip

Homemakers on the go often face a refrigerator problem — what to do with it? For away-from-home time periods of three weeks or less the refrigerator should be emptied but left turned on.

For extended periods of a month or more, or if the refrigerator is to be moved or stored, it's important that specified care procedures be followed.

The refrigerator should be emptied of all food, defrosted completely, cleaned thoroughly, and disconnected. The door should be left open for 24 hours or longer because the hidden insulation holds moisture even after the inside appears completely dry. Thorough cleaning and drying is most important in preventing the development of odor, mildew, or mold.

It is also highly important that the refrigerator door be left ajar during storage. In fact, it's a smart idea to insert a wedge or prop to insure an opening. If the refrigerator insulation is damp and the door closed, the interior will become moldy, mildewed, and odorous. Often this odor can be removed only by replacing the insulation.

When the refrigerator is again connected, it should be thoroughly cooled before placing food in it.

### Plentiful Foods List

USDA Plentiful Foods list for July includes turkeys, dry beans, seasoned vegetables, fish fillets and steaks, fresh and processed lemons and limes. Use these foods often in your menus for July.

### Don't Serve Empty Calories

For parties and for sweet treats for children, do not serve empty calories — sweets that contain calories but lack essential nutrients. Orange suckers are a treat for youngsters and provide

Vitamin C, which is needed daily.

To make orange suckers dilute a six ounce can of frozen orange concentrate following can directions. Pour into an ice tray that releases cubes with little or no melting. Freeze with the refrigerator or freezer control set to fast freeze. When the cubes are partly frozen, place a sucker stick or wooden skewer into each cube. Reset to "normal" when freezing is finished.

When suckers are frozen solid remove the cubes from the tray, place in a plastic bag, and seal with wrap around type sealer or tie top of bag in a knot and quickly put suckers back into freezer.

While you're in the mood to make orange suckers make as many as can be conveniently

stored. An orange sucker is a nutritious appetizer, dessert or between meal treat for children.

I need the Answers to some SERIOUS QUESTIONS

Why am I here? What shall I do with my life? Where am I going? This young man is at the threshold of his adult life and needs the answer to some serious questions. Perhaps you find yourself pausing to take stock of your life and groping for direction.

The Church of the Living God tells the truth about man's life, death, and destiny. The truths learned there will set you free to live a more abundant, meaningful, and creative life. "And ye shall know the truth and the truth shall make you free." John 8:32.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

### Hoover Writes On Respect For Stars and Stripes

By J. Edgar Hoover

Can there be any act more sickening and revolting than a crowd of so-called citizens desecrating and burning their country's flag? Those who resort to such moronic behavior are surely lost in the depths of depravity. Obviously, their first loyalty is not to the United States.

True, our Nation is founded on concepts and principles which encourage dissent and opposition. These are traditions we must always defend and support. But touching a torch to the flag far exceeds reasonable protest. It is a shameful act which serves no purpose but to encourage those who want our country to erupt in violence and destruction.

On this 191st anniversary of the Declaration of Independence, we might ask what causes unpatriotic outbursts and irrational protests. Why do people turn against their native land and openly support totalitarian forces whose goal is to enslave the world — forces which do not even allow token opposition from their subjects? Why do some individuals refuse to serve and defend their country? Why do they burn their draft cards and their flag?

There may be many reasons for such action, but I am fully convinced that dying patriotism is one major cause. Love of country is being deemphasized and excluded from several phases of our life. Many educators and other leaders seem to feel it is no longer necessary for boys and girls to be concerned with how our country came into being, what it stands for, and the courageous and noble deeds of our forefathers to preserve it.

Conditions are now such in some circles that an individual who professes love of his country, reverence for its flag, and belief in the principles which make our Nation great is considered a yokel. Open aversion to patriotism of any form is increasing. Even some news media take a "tongue-in-cheek" approach to persons and groups which promote and participate in patriotic endeavors. Love of one's country is treated as some kind of social disease to be tolerated, if not stamped out. Protests are made that too much patriotism leads to international conflict. I submit that the United States will never have anything to fear from its ardent and genuinely patriotic citizens.

American history proves that freedom and liberty come at high prices and that their upkeep is costly and time-consuming. As Daniel Webster so aptly put it, "God grants liberty only to those who love it and are always ready to guard and defend it. Let our object be our country . . ." — not our country the object of desecration and abuse.

Mrs. Wilkins was scheduled to take the state examination for a beauty operators license in Austin Wednesday and he was to undergo a medical checkup in Houston later in the week. They also are visiting the L. L. Wilkins Jr. family in Houston.

### Johnny Made Only Part Of The Trip

Johnny Murtishaw, Bronte jockey, had some tough luck Monday when the horse he was riding at the July Jubilee race meet at Brady lost his bridle, part of his saddle and his rider. Johnny was the rider.

The horse, Safety First, owned by Robert Herring, didn't live up to his name, for as he and Johnny came barreling out of the starting gate, spectators noticed Johnny was having trouble with his saddle. Shortly after the race began Murtishaw tumbled off his mount in a cloud of dust. The horse came in without a bridle and with only part of the saddle.

Johnny was not injured in the fall.

In spite of misfortune Monday, Johnny placed in a couple of races which were run Tuesday.

They will enter the races at Bandera this weekend.

### BRONTE PEE WEES DOWN STERLING CITY LADS

Bronte's Pee Wee baseball team came through with flying colors when they traveled to Sterling City and downed their opponents 9-1.

Wayne Coalson, ace hurler for the Pee Wees, pitched a no-hitter for his team.

The Pee Wees will play at Robert Lee the next two Thursdays. Game time is 6 p.m.

**Lions Spreading Word Of Bronte At Convention**

Mr. and Mrs. Elmer Hurley and daughter, Melody Holcombe, and Mr. and Mrs. Martin Lee are in Chicago where they are attending the annual convention of Lions International.

They left Bronte Tuesday morning for Dallas, where they boarded a special Lions' plane which took them to Chicago.

Hurley is representing the Downtown Lions Club, while Lee is delegate from the Evening Lions Club. Convention sessions started Wednesday and will be concluded Saturday. They will return to Bronte Sunday.

Hurley took some 400 small pennants with him, which he will distribute at the convention. The pennants advertise that "Living is a real pleasure for 995 Texans in Bronte (Pop. 999), smallest town in the world with 2 Lions clubs." Hurley said the discrepancy in the figures is noted on the pennants because he figures there are probably four people who don't like it here.

Over 35,000 Lions from 137 countries are attending the convention, which is headquartered at the Palmer House.

**4-Hers To Have Horse Show At Bronte Arena**

The Coke County 4-H Club Horse Show will be held at the Coke County Roping Club Arena in Bronte on Friday, July 7. Approximately 15 club members will compete for prizes in eight halter classes and four performance classes. Judges for the show will be J. F. McCabe Jr. and Bob Fields of Robert Lee.

The show will begin at 6 p.m. with judging of the halter classes. The performance classes — western pleasure riding, reining, pole bending and barrel racing — will be conducted after a short interval to allow contestants time to get prepared.

The contestants will be divided

ed into senior and junior divisions. Ribbons will be awarded in all classes and champion rosettes awarded to the exhibitors of the top mare and top gelding.

Helping conduct the show will be club leaders and parents. Mr. and Mrs. Jerald Weddle, Mr. and Mrs. Joe McCutchen, J. Lee Enson, Elton Millican and Wilburn Millican have helped the members to prepare for the show.

The public is invited to attend the show and watch club members exhibit and perform.

Mr. and Mrs. Willis Weber and sons of San Angelo spent July 4 with the Bob Ragsdale family.
