

Big nursing home planned

Construction will begin about Oct. 1 on a 118-bed convalescent home southwest of Dimmitt High School.

CONSTRUCTION cost is estimated at \$550,000. With 26,000 square feet of floor space the new convalescent home will be almost as large as Plains Memorial Hospital and will employ more people—about 60 in all, most of whom will be licensed vocational nurses and aides.

Builder will be the R. W. McDonnell Construction Co. of Abilene, which has constructed 44 similar convalescent homes throughout Texas, the most recent being in Denver City and Lubbock.

R. W. McDonnell, president of the Abilene-based firm, authorized City Manager E. B. Noble to announce plans to locate the large new convalescent home here. McDonnell signed a contract last Thursday for purchase of more than three acres of land for the home. Jan. 1 is the target date for having the home ready for occupancy.

NOBLE SAID the new convalescent home will be for patients of all ages, and will meet all requirements for Medicare, Medicaid and Veterans Administration programs. The home will draw on the entire region for its patients.

"He said he prefers to locate in smaller cities when he can because they have some advantages over metropolitan areas in this business," Noble said.

Local people who consulted with McDonnell during his survey of the area said Dimmitt had several plus-factors that helped him decide to locate the new home here. Among these were a favorable land cost, good hospital facilities, Plains Memorial's vocational nursing school, and a favorable response by local physicians.

McDonnell also considered Friona and Hereford, Noble said.

THE convalescent home is expected to have a "hub and spoke" design, with seven wings extending from a central administrative and service area. The service center will include two nurses' stations. The design will allow the home to be expanded to 150 beds if necessary.

"All of his convalescent homes in the past have been of standard fireproof construction," Noble said, "but he's going to Austin this week to check into the possibility of making the building here tornado-proof, with solid concrete and steel construction."

GROUP EFFORT—Boys in all four dens of Dimmitt Cub Scout Pack 267 stack their old newspapers in the city fire station Monday as their part in the current recycling drive. During the week, city residents deposited approximately four tons of papers at the fire station, bringing the community

total so far to more than 10 tons. The bundled papers will be sold for \$8 per ton to an Amarillo shredding firm, and the proceeds will go to buy an artificial kidney machine for a young Brownfield man. The local drive's deadline has been extended to Oct. 1.

New deadline: Oct. 1

Stacks now top 10 tons

Stacks of discarded newspapers passed the 10-ton mark this week in the recycling campaign to buy an artificial kidney machine for a young Brownfield man.

Warehouse, McLain said he learned how hard loose papers are to handle.

"It would be a lot better if people could tie their papers," he said. "About half of them are coming in untied. We can't stack and bale them until they've been bundled, and we've got a lot of tying and bundling to do this week."

"Also, a lot of people are still sending in books and maga-

zines that we can't use, and we have to go through and separate these out and throw them away," McLain said.

AN AMARILLO recycling firm will buy the newspapers at \$8 per ton and will shred them for packing material. The firm's shredding machines will not take magazines or books.

City Manager E. B. Noble said the city had to suspend its alley pickups this week due to the illness of C. C. Lopez, who has been making the collections. He said he expects Lopez to be back on the job next week, and urged city residents to bundle their newspapers and set them in the alleys separate from their other trash.

Proceeds of the drive will go to buy a dialysis machine for Jerry Wilson of Brownfield, a victim of nephritis. Many Panhandle-Plains communities have been involved in the campaign.

School parents elect committee

A parent advisory committee for Dimmitt's Head Start program was elected last week.

COMMITTEE members are Mrs. John Nino, chairman; Mrs. Earl Coody, vice-chairman; Mrs. Tribio Davila, secretary; Mrs. Charles Coody, Matias Hernandez, Felix Balderas and Mrs. McCurnie Washington.

Weldon Skinner, director of curriculum and federal programs gave a brief history of the Head Start program in the Dimmitt schools to parents attending the meeting.

Parents of Head Start and other kindergarten children are urged to volunteer their services as helpers in the classroom.

Any 5-year-old child who will be 6 years of age on or before Sept. 1, 1973, and who meets the program guidelines is eligible to attend the Head Start program.

Go away, rain!

1972 Moisture	13.29		

HOWARD COOK
US Weather Observer

150 BUSHELS PER ACRE is what this corn crop of Glenn Hatla's was averaging as he harvested it Friday on Ward Golden's land seven miles north of Dimmitt. Hatla was especially pleased with his yield, considering that the crop had received 18 percent hail damage in June, when it was at the 9-11 leaf stage. Hatla was cutting the 40-acre block

at 22 percent moisture. "I consider the yield very good considering the hail and the fact that there's not much water here," Hatla said. Other county farmers are just as pleased with their corn crops as they bring in a big harvest. Most of the county's corn growers have been lucky enough to escape major hail damage this year.

Bumper corn-milo harvest starts

The corn and milo harvest is picking up steam in the county, and reports so far point to a record harvest yield.

THE FIRST LOAD of 1972 milo was delivered to Flagg Grain Co. by Johnny Collins at 4:45 p.m. Monday. The load

tested out at 58 pounds per bushel with a moisture content 14.57 percent, George Blanton said.

The load weighed 29,460 pounds which Blanton said is heavy for a first load.

Collins raised the milo eight miles southwest of the Flagg intersection. He cut the first load from a 40-acre block which

he thinks will make 6,500 pounds per acre. The first load was Asgro Seed Jumbo L variety, planted in April.

"LAST YEAR our first load didn't come in until about the 15th or 16th of October," Blanton said.

Collins received a bonus price from Flagg Grain Co.

THE CORN harvest is off to a good start, too.

Billy Clark, elevators manager of Dimmitt Agri Industries, Inc., reported that the corn harvest "looks exceptionally good this year."

"The corn so far is averaging 10,000 pounds per acre," Clark said. "The yields are up considerably over previous years."

"Some of the corn we've handled has yielded 200 bushels per acre," Clark continued.

Clark is optimistic about the corn harvest for 1972 and looks for yields to remain high as the harvest picks up momentum. Virtually all corn here is grown for the DAI milling plant. Despite hail earlier this sum-

ESP-hypnosis show is booked

The Dimmitt Rotary Club will sponsor a public show on extrasensory perception and hypnosis next Thursday night.

ENTITLED "Windows of the Mind," the show will be staged in Dimmitt High School auditorium. It will begin about 8 p.m., when DHS's student body completes its Homecoming bonfire and pep rally.

Presenting the show will be three business and professional people from Amarillo who also are trained psychologists. They are Bill Riddle, hypnotist and the Edwards, a husband-wife team with proven "sixth sense" abilities.

Admission will be \$2 for adults and \$1.25 for students. Preschoolers will be admitted free.

DHS Homecoming plans complete

Next week is Homecoming week at Dimmitt High School. ACTIVITIES will climax at a bonfire next Thursday night, and the football supper and Homecoming game Friday night.

The week-long activities will begin Tuesday afternoon when high school students decorate the halls in school colors and spirit-boosting signs.

Wednesday will be declared "Purple and White Day" at DHS. Students are requested to dress in those colors if possible.

NEXT Thursday, activities will speed up when the high school dismisses at 2:40 to let students gather wood for the bonfire. The Flame King and Queen will be crowned at a bonfire and pep rally at 7:45 that night.

During a pep rally at 3:15 the following afternoon, the Homecoming Queen will be crowned to reign over the evening activities.

EX-STUDENTS Association President Garnett Holland said a registration table for exes will be set up in South Elementary School around 4 p.m. Friday, Sept. 29. It will serve as a focal point for returning exes to gather for visiting.

A pre-game football supper sponsored by the FHA will feature barbecued ham, potato salad, fresh vegetables and pecan pie. The serving line will be open from 5 to 7 p.m. in the east side of the cafeteria. Tickets will be \$1.50 for adults and \$1 for students 11 and under.

The exes will sit in a group in Bobcat Stadium for the 8 p.m. game against the Lockney Longhorns.

Holland said the only cost to exes will be for the dinner and football tickets.

Charges filed against four after knifing

A knifing incident Friday night in East Dimmitt resulted in a man being hospitalized and led to additional charges in a follow-up incident.

POLICE Chief W. W. Jones said City Police Officers Ronny Bellew and Fred Moulton were called to Plains Memorial Hospital about 10:50 Friday night to investigate a cutting incident.

While Moulton was questioning the victim, Billy Ewing, 21, of Dimmitt, Jones was called to assist Bellew in controlling the growing crowd. Words between the families involved led officers to escort Beatrice Ewing from the hospital, Jones said.

Officers resumed their patrol about midnight and were again called about 2 a.m. Bebe Smith told officers that Mrs. Ewing had again threatened her and she wished to file a complaint. While talking with Mrs. Smith, officers received a call from Alma Lee Traylor, who claimed Mrs. Ewing had tried to hit her with a bottle and that she wished to file charges also. Both women signed complaints against Mrs. Ewing.

MRS. EWING pleaded guilty to two counts of disorderly conduct in city court and was fined \$25.

Clarence Smith, who is now out on bond, was charged in connection with the knifing incident.

Ewing was released from the hospital Monday and faces charges in relation to the incident also.

Castro in top 10 in cash receipts

Castro County was one of the top 10 Texas counties in cash receipts from the sales of Texas crops and livestock in 1971. Texas Agriculture Commissioner John C. White said this week.

THIS IS the third year in a row that cash receipts in Texas exceeded the \$3 billion mark. Only California and Iowa have higher cash receipts. Texas total cash receipts were \$3,254,000,000.

Hidalgo County in the Lower Rio Grande Valley had the highest cash receipts of all counties with \$117,305,000. Only one other county—Deaf Smith—was above the \$100 million mark.

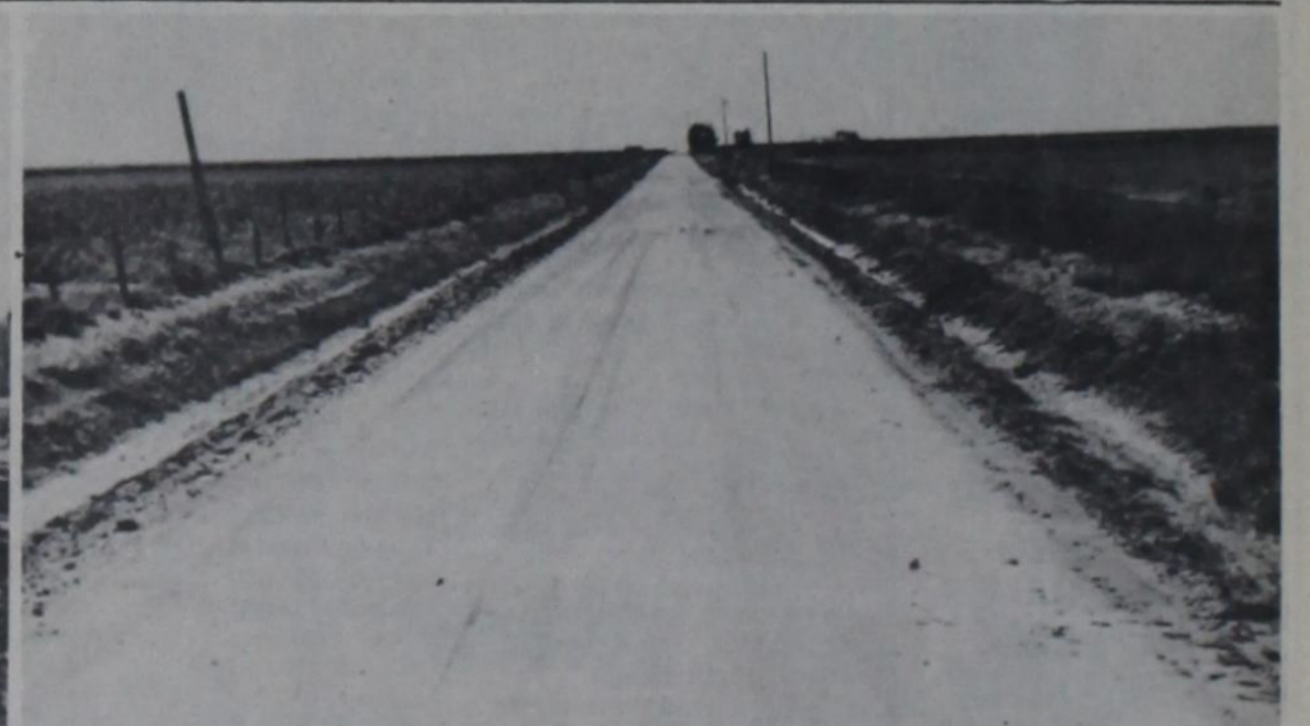

The other seven counties in the top 10 were Parmer, Hale, Swisher, Cameron, Lubbock, Hansford and Lamb.

THE MAJOR agriculture production area of the state is in the irrigated High Plains. This crop reporting district had cash receipts of crops and livestock of \$668,169,000.

Complete details of cash receipts for Texas counties is available in a bulletin entitled "Cash Receipts from Texas Crops and Livestock for 1971." Copies can be obtained free from the Texas Department of Agriculture, Box 12847, Austin.

PHILIP JONES BLADES ROAD TWO DAYS AFTER RAIN... Farmers say they're tired of doing their own roadwork

LAMB COUNTY ROAD A MILE SOUTH, PHOTOGRAPHED SAME DAY... "Their roads look like highways compared with ours"

Sunnyside residents complain

'Our buses and mail can't get through'

By DON NELSON
Managing Editor

Nothing seems to spur complaints faster than rutty roads in a wet year.

AND RESIDENTS along an east-west road in Sunnyside are complaining.

Their road, they say, is impassable after a rain because it has no grade to it and collects water. Their bar ditches, they claim, haven't been worked in a decade or more.

It's the road that joins US 935 from the east at Estacado Industries' new lamb-feeding yards. From the highway it runs east about five miles before intersecting with a north-south road.

"Farmers would love to rest when it rains, or work on the other things that need doing around the farm, but they can't—they have to take their own equipment and work on the roads so the school kids can get in and out," one lady complained.

"We don't feel that we're asking for much," said another wife. "We'd just like to have our little share of maintenance. I've lived here 11 years, and in all that time our bar ditches haven't even been worked."

Philip Jones, who had put in most of the day blading the road with his tractor, said, "Our mail carrier can't even run, and some of the people out here have to carry their kids to school because the buses can't get through."

IT WAS two days after a rain, Jones and Ray Joe Riley were

working on the road. Other blade-equipped tractors were parked in farmyards along the way.

The men explained that farmers living along the road take turns blading it after every rain, usually working from their own places back toward the highway.

"And we've all got other things that need to be done," Jones said.

PEOPLE along the road kept comparing it with those in nearby Lamb County. Their problem road is only a mile north of the county line.

"Where one north-south road cut here crosses over the Lamb County line, you can really see the contrast," one lady said. "Theirs looks like a highway by comparison—it's banked up for good drainage, the bar

ditches are clear and a rain really isn't any problem. But the part of it that's in Castro County really is a problem—when it rains, you can't get over it."

Jones said, "The bar ditches on this road over in Lamb County have been worked four times this summer, and some of our bar ditches haven't been worked in 10 years or more. In some places, this road doesn't even have a bar ditch."

McLain admitted, "We haven't graded (contoured) very much this summer. About the time we can get to grading, it rains again and we have to go to dragging."

Even when the rains aren't as heavy or as constant as they've been this summer, McLain said, many farmers create their own problems along roads and bar ditches.

"YOU CAN'T work a bar ditch when it's full of tailwater," the commissioner said. "We've put in 30 days this sum-

mer fixing mudholes caused by irrigation water."

Also, McLain said, he's plagued with a shortage of road workers and equipment.

"It's hard to keep hands," he said. "We've been short-handed a lot of the time."

"I HAVE three graders. Sure, I could use another one, but that would call for an increase in taxes—and if we did that, I'll bet you'd REALLY hear some people complaining."

So what's the answer? More road workers, or better-paid ones? More road equipment? A centralized county road department instead of the separate precinct crews?

Whatever the answer, the people who live along that particular stretch of road in Sunnyside are hoping the county will find it.

Shelly's chatter

Telephone employees commuting to Dallas for course

By MYRTLE SHEFFY

Dimmitt's telephone people are on the go, one at a time to Dallas for a training course in people relations. Last week Vera Cagle went to the Dallas school. She also saw the Cowboys play and had a good time seeing Big "D." And another time Fern Jones and Darrell Barker went down. This week Earlene West will probably go. Last week Earlene went to Andrews on telephone business and visited kin on the side. Oh, yes, Vera Cagle visited her brother Jim Jones who helped show her the town.

EARNEST and Ann Mayhew her mother Mrs. Zack Joutet and son, Betty Smith and Bobby Cagle were in Dallas last week visiting Sherry Wood, a friend who had surgery. Rita Mayhew says she and Beth Colie, are helping keep Ann's Steak House going. Faye Cline, Skeeter Lindsey and Helen Huseman are at the Steak House too and maybe others.

Mr. and Mrs. M. T. Stanton and son Jay of Shallowater were guests of their son Tommie Stanton one day recently. I saw them shopping in one of the Dimmitt stores.

Noel and Oleta Gollehon are home from a very enjoyable trip north. They stopped in North Dakota to see the Black Hills Passion Play. People were there from all over. 7,000 attended that evening. The same family and people have presented this play for 100 years. They went on, saw the peace gardens on the US and Canada line in North Dakota. Had a nice tour of Canada in their camper trailer, came home through Minnesota, the Land of 10,000 Lakes. Oh yes, they saw the Lake of Woods in Canada, a very pretty place. Several of those states had too many floods. They saw some of the devastation at Rapid City and other places, then on home to pretty Dimmitt.

MR. AND MRS. Richard Wooten went to Venita, Okla., on business and also to take her sister Ethel Boynton to her home. She has been visiting here a few weeks. Sal and Alice Di Cuffa left here Friday for New York City.

Castro Lodge AF & AM 879, Regular meeting, 3rd Monday. Practice every Thursday. C. L. Earlow, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

MR. AND MRS. Goodwin Miller and Mrs. Pearl Shelly went to Iraan last weekend to visit their brother Bob Miller and Mrs. Miller. Bob is not well. Mr. and Mrs. Garland Coleman Sr. have been in Petersburg the past two weeks helping out with pharmacy business for Mr. Foote. They help out at the drug place in Friona this week. The Colemans sold their drug store in Paducah last year. They are Shirley Wise's parents.

Mrs. James Parks taught a Weight Watchers class in Muleshoe Thursday. If you wish to lose a few pounds why not talk to Mrs. Parks? Jeff Latimer, a student at WTSU, and also holds down a job in Amarillo, was a weekend guest of his parents, the Frank Latimers.

I recently met Mrs. Sam Lindsey, a new bride, the former Reba Wortham, who did live at Odessa. Her mother and dad are Mr. and Mrs. Don Leinen, who live here. Sam is the son of Richard and Skeeter Lindsey and he works for Kenneth Jackson Ditching. Reba helps at the Arrowhead Drive Inn.

MR. AND MRS. Harvey Youts of Prescott, Ariz. stopped here enroute to Shawnee, Okla. He visited brother Elmer and was

to visit his mother, a sister and brother. They will probably see the big city. Let's ask them.

ELMER DIXON'S birthday party Sunday was a big success. His daughters Mrs. Weldon (Irene) Bradley, Mrs. (Peggy) Bill Bailey, Mrs. Harry B. Harris of Weatherford and their families were hosts. The girls served dinner in the Sunnyside community room to 65 of the Dixon relatives. Mary Dixon and her family of Friona were there. Others were Lynn Dixon from Marfa, Joe and Callie Wagley of San Angelo, Ollie Dixon of Canyon, many grandchildren from all over, Mollie and family from Plano. You remember Wilma Ruth, who married a Baptist preacher Mr. Harris. Well, their daughter Ruth Ann married a Methodist minister, Ray Ward, who is assistant pastor at First Methodist in Lubbock. Probably 100 came by to wish Elmer many more happy years. Oh yes, the girls served homemade ice cream and cake to the afternoon visitors.

We saw Mayor and Mrs. Elmer Youts there. They tell me that granddaughter Janis Davis of Amarillo was the pianist for the Roy Clark Show at the Fair. Janis grew up in Dimmitt and is the daughter of Bob and Phyllis Mconey, who spent the weekend in Abilene visiting daughter Suzie and Rick Bell who are in school at ACC.

MORE than 40 ladies heard Mrs. J. W. Walker of Plainview review Mrs. Taylor Caldwell's new novel "The Captains and The Kings" dealing with the early day Irish who came to the United States from the Ireland potato famine—and the power politics so much directed by powerful rich men behind the scenes. It almost scares we people to death. Read this long book. It is in our Castro County Library.

The Book Club met for the first meeting of the year Wednesday in the bank community room. Mrs. Walker was the special guest of Nancy Hays. Serving tiry doughnuts and coffee was Mrs. Dennis Blackburn, Mrs. James Bradford and Mrs. Jim Cleavinger. The president, Mrs. Leora Little presented the club business. Out of town guest was Mrs. June Simpson of Fort Worth who is visiting her sister Sue Miller.

Acie and Margo Boyd went to Dallas last weekend for a vacation and a visit with relatives. They saw Six Flags and the Seven Seas. They hope to see the Cowboys and Steelers play football on Sunday. Let's ask them!

MR. AND MRS. Goodwin Miller and Mrs. Pearl Shelly went to Iraan last weekend to visit their brother Bob Miller and Mrs. Miller. Bob is not well. Mr. and Mrs. Garland Coleman Sr. have been in Petersburg the past two weeks helping out with pharmacy business for Mr. Foote. They help out at the drug place in Friona this week. The Colemans sold their drug store in Paducah last year. They are Shirley Wise's parents.

Mrs. James Parks taught a Weight Watchers class in Muleshoe Thursday. If you wish to lose a few pounds why not talk to Mrs. Parks? Jeff Latimer, a student at WTSU, and also holds down a job in Amarillo, was a weekend guest of his parents, the Frank Latimers.

I recently met Mrs. Sam Lindsey, a new bride, the former Reba Wortham, who did live at Odessa. Her mother and dad are Mr. and Mrs. Don Leinen, who live here. Sam is the son of Richard and Skeeter Lindsey and he works for Kenneth Jackson Ditching. Reba helps at the Arrowhead Drive Inn.

MR. AND MRS. Harvey Youts of Prescott, Ariz. stopped here enroute to Shawnee, Okla. He visited brother Elmer and was

here for his sister Clara and Lester Gladden's 44th wedding anniversary dinner. The family were the guests, the Youts, the Bob Mooneys and family, Janis and Gerald Davis of Amarillo.

Richard and Noreen Bales are the parents of a boy who came Friday. He weighed in at 6 pounds and a few ounces. His name is David Richard. He has a 4-year-old sister. Richard is band director at Junior High. Noreen is pianist at the Methodist Church.

Mrs. Carlite went to Hereford Saturday afternoon for pictures. Saw many Dimmitt people there for the same reason. Mrs. Cowbey Johnson says the son broke a leg last week, then daughter Jackie fell and hurt her back. She is in Plains Memorial Hospital, not seriously hurt though.

And Margaret Wilson is also there with a bad cold and flu. On yes, we saw James and Maxie Horton, Mrs. Hardin and Dorothy Wilke there. I visited a young friend Jeannie Paetzold of Hereford. She visits here sometimes.

GARLAND and Susan Coleman visited her parents Mr. and Mrs. Alvie Nelson in Paducah last week. Maxie Horton tells me she and James and three children had a good trip a while back to Gallup, N.M., to see the Indian ceremonial, then on to Tucson, Ariz. to visit friends, then back to Carlsbad to see the caverns. Everyone should see these caverns some time.

Rodney and Bowie Newmayer of Hereford were guests last weekend of grandparents Dee and Clara Neumayer. These fine boys are the sons of Lowell

and Judy. Pottie and Bee Dee Welch of Earth were Sunday dinner guests at Colonial Cafe of relatives James and Reta Welch.

Odie Mundell has moved to Roswell. Her daughter Mrs. Arvizu and family live there. Mrs. Mundell has worked at JG&Y for several years. Mr. Mundell died last year. We will miss Mrs. Mundell.

CLAUDE and Cleo Ferson are home from a good but "hot" trip to Logansport, La., to visit Claude's sister and family. They live on the northern end of Toledo Bend Lake. They went through the Hodge Gardens but they are not at the best now, too hot. Need to see the gardens in the early spring. The Fersons came back by Temple and Salado to visit two more sisters.

Donnie Hestand is enroute for Vietnam. He came by for a few days visit with his parents Charlie and Mary Hestand. His wife Janice and two children, will stay at their home at Fort Eustis, US Base in Virginia. Janice is the daughter of Mr. and Mrs. J. B. Moore.

Roy and Florene Stafford have been here for a few days visit with the Hestands. They went to their home in Oklahoma City Sunday. Her mother Dora Hcutchens went with them. Carl and Frances King, Bill and Katy Graham are in Houston attending a Democratic business meeting. Read your paper to see what they do. Mr. and Mrs. Edwitt Nelson were supposed to go but did not.

HOUSTON and Doris Lust were married 25 years last Thursday, so their friends Frank and Shirley Wise, Calvin and

Tommie Petty, M. L. and Polly Simpson took them to the Hay-left Supper Club at Lubbock for dinner and the show "Catch Me if You Can" with Jane Russell starring. Very good show, they say. On Sunday their daughter Sue and Charles Summers cooked a big dinner for the family. Doris and Houston, the parents, Glen and family from Laz-buddie, the James Bradfords, Bob, Jim and Jean, the Vern Lusts, Houston's parents, the Earl Lusts, and the Norman Fincks of Tulia. He is Doris' brother. Her mother is hospitalized with foot surgery. Then Sunday afternoon a bunch of peop'e came in for coffee and cake. These I heard of—Juanita Summers, son Gerald and Patti Summers, the M. L. Simpsons, the Frank Wises, the George Sides, the Monte Boozers, Jack and Jim Howells, Doyl Underwood and maybe others.

DR. AND MRS. James Wohl-gemuth and son Max and Ann Lust went to San Marcos last weekend to visit Mark who is studying law at Southwestern State University.

Cletha George went to Austin for a visit with her sister and to attend the wedding of her niece. That makes three weddings of nieces for her lately. Mr. and Mrs. Jack Ingram and Mrs. Roxie Turner, Mr. and Mrs. Es Noble and Mrs. Dora Turner attended a reunion of the uncle Ben Turner family at the Willie Room in Tulia Sunday. Roxie is the daughter of the deceased Ben Turner, a cousin to Dora and Katz. Roxie stays with Mrs. Kay Roberts as a companion.

The Nobles are home from a long trip. They stopped at Burkburnett to visit Es's sister

Edna Tate Cooper who is staying with her son Buck and family. They came back by Plainview to see Maggie Gollehon who lives at Heritage House now.

Pauline and W. O. Hendrix of Irving and Bo and Wanda Owers were weekend guests of their mother Alma and Glover Brazier. The Hendrix's family had a general store at old Flag a few years ago.

THURSDAY was bridge day for two clubs. Mona Merritt was hostess to her group who are Ruth Jackson, Shirley Wise, Ina Cleavinger, Dorothy Gilbreath, Courtney Armstrong, Katy Graham, Dorothy Mayfield, Joannis Robertson, Carolyn Jones, Pat Bagley, Gail Bruegel and Jo Eddie Riley.

And I had our club and friends so I fixed up a lemon pie and coffee with bridge for Virginia Gilbreath, Josie Bradford, Ethel Boynton, Dee Williams, Maggie Boren, Ruth Wooten, Linda Springer, and Retta Cluck.

Johnny Boothe was hostess to her bridge club Friday. She served turkey salad and pumpkin pie to Reba Touchstone, Ouida Willis, Arita Morris, Dorothy Jackson, Aural Davis.

Gladys Benson and Dugan Butler who won high score with Muriel Smiley coming in second.

Mr. and Mrs. Ron Miller and daughters Beth and Tish have moved back to Dimmitt from Tulia. Their home is at 607 W. Andrews and Ron is with an insurance company.

MR. AND MRS. Jack Summers have been in Amarillo visiting her son Jack Gladman and his daughter Mrs. (Ola) Jack Gladman. Jack has had surgery but is okay now.

Mrs. George Bradford, Mrs. Nettie Graham, Mrs. Roy Cluck and daughter Billie went to Amarillo Friday to visit their friends Bess Jones, Mrs. Ozro Stephens and Mrs. Elma Beck. They all live at the very nice Centennial Apartments on Jackson St. They were dinner guests of Bess.

Saturday Mr. and Mrs. George Bradford went to Lubbock. He attended the Plains Gingers convention at the country club. She visited her sis-

ter Martha Griffin. Vera Webb is spending a few days at Midland visiting her daughter Mary Jean Copeland and family.

Mr. and Mrs. Bill Williams spent Sunday in Clarendon visiting her mother Mrs. Scarborough.

The Sid Shellys attended the funeral service for Guy Cox at Farwell Monday. Mr. Cox and his brothers ran sheep and cows southeast of Dimmitt when they were young. The land was grass.

ter Martha Griffin.

Mr. and Mrs. Bill Williams spent Sunday in Clarendon visiting her mother Mrs. Scarborough.

The Sid Shellys attended the funeral service for Guy Cox at Farwell Monday. Mr. Cox and his brothers ran sheep and cows southeast of Dimmitt when they were young. The land was grass.

An Added Touch of Beauty

Robert Louis Stevenson said: "The world is so full of a number of things, I'm sure we should all be as happy as kings."

God's world is filled with loveliness, but we need to add our own touch of beauty, so that we might be builders of a better world with Him. Each of us was given talents which would enable us to contribute to the world and mankind something great and lasting and beneficial. May each of us use these talents to the Glory of God. Add a touch of beauty to your life this week by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Patty Hochstein, Norman Acker win 4-H Club awards

Eighty 4-H'ers and parents enjoyed a salad supper at the annual Nazareth 4-H Club awards program recently. STEPHEN ACKER presented a talk on his trip to the 4-H Citizenship Short Course in Washington D.C. Angela and Weldon Wilhelm, Patty Hochstein and Agnes Acker described the 4-H Electric Leadership Camp which they attended this summer in Cloudcroft, N.M. Highlight of the evening was the naming of Patty Hochstein and Norman Acker as outstanding 4-H Boy and Girl for 1972. Charles Hotel, county extension agent, made the presentation.

HD notes

Coming soon: Christmas fair

By IRENE KEATING
September 9th was our Youth Fair and Rabbit Show. That night the Happy Helpers and the Bethel 4-H Clubs had their 4-H club banquets. Cinde Sides and Gregg Sides were awarded outstanding 4-H girl and boy plaques of the Bethel club.

LAST WEEK some of us were in Houston attending the state Texas Home Demonstration Association meeting. Nell Ingram, Sue Tischler, Margaret Womack, Oneida Hutto and I will report on the meeting at the county-wide H.D. club salad luncheon Oct 5th. This will be a good time for any of you who want to join a club to come learn more about our program. Saturday will be Rural Youth Day at the Tri-State Fair. Leisa Grzfel is our county bake show queen and we'll find out Saturday how she did at the district contest.

Remember to circle Sept. 29th on your calendar and come to the Assembly Room between 9:30 and 5 to see the Christmas Fair. We'll have ideas for gifts and decorations with patterns to make the items on display.

Thank you Sandra Bagwell and Mary Arker for helping judge the Swisher County Fair Friday.

Heck taking Army basic

Army Private Douglas C. Heck, 20, son of Mr. and Mrs. George R. Heck of Nazareth, is assigned to Ft. Ord, Calif., where he is training under the modern volunteer Army program.

PVT. HECK began his training with Co. C of the Second Brigade's Fourth Battalion on Aug. 8, and is scheduled to complete the first phase on Oct. 4. He is a 1970 graduate of Hart High School.

VETERANS' SERVICES

By BEDFORD W. SMITH
Veterans' Service Officer
Our office on the second floor, northwest side of the courthouse was closed last week while I attended the annual state school for service officers and the County Veterans' Service Officers Association of Texas meeting in San Antonio. There, information was secured on new and increased benefits for veterans, their dependents, and survivor widows, orphans, and parents. These new benefits have been signed into law by President Nixon after having passed both Senate and House.

THERE ARE also benefits for rehabilitation, school assistance, hospital, other medical benefits, pension, compensation, and insurance now available, which many veterans and their near kin do not know about.

Certain veterans who received "other than dishonorable" discharges due to drug abuse or possession may now apply for "review for recharacterization administrative discharges." There are 44 drug treatment centers to which these veterans are ineligible, yet may become eligible by making a request for review.

Income limits for pension purposes and cost-of-living increases of 10 percent are now effective for qualified veterans. Aid in job training and other training is available, as well as death benefits for many. But one has to apply for benefits to secure them.

IF YOU ARE a veteran or veteran's dependent or survivor, come and see me to see whether you may now get benefits once denied or not known by you to be available.

Programs by the Small Business Administration and the Texas Land Bank, as well as other information, may be explained by a call to our office.

At present, our regular office hours are 8:30 to 12 noon and 1 to 4:30 p.m. on Wednesdays. But other hours are available by appointment or for emergencies. My home phone is 647-4368 and the office phone is 647-4666. An extension of this phone, 647-4666, is also used by the state welfare officer during her hours on Fridays, and by the Social Security field representative on the Wednesdays he is here from the Amarillo office. These offices are also in the courthouse on the second floor.

PRICES received by farmers and ranchers as of the middle of August showed a seven point drop from a year ago. But prices are 18 percent above 1971.

Hart's jayvees top Shallowater

Hart's Junior Varsity rolled up 550 yards on offense while crushing the Shallowater JV's 44-16 at Hart last Thursday.

SCORING touchdowns for Hart were Gilbert Rodriguez (2), Danny George (2), Ricky Gilmore and Fernando Hernandez. All but one of the TDs came on open-field runs of 2 yards or more, with the longest being Rodriguez's initial 40-yard scoring scamper on Hart's first possession.

Joe Reyes, Rodriguez and George also added two-point conversions. Rodriguez ended up as the game's top individual scorer with 16 points, followed by George with 14.

Meanwhile, Hart's seventh grade team topped Shallowater 38-6 and the eighth grade Short-horns lost, 14-0.

Grand Jury indicts four

The new Grand Jury Monday returned felony indictments against four men and no-billed a fifth.

W. C. McDOWELL of Hereford was indicted on a charge of assault with intent to murder, in connection with an Aug. 20 incident in the Bethel community in which McDowell's wife, Carol, received a knife wound in the neck.

Indicted on felony charges of driving while intoxicated were Johnny M. Hanchey, Luis Morin Garcia and Ernesto Gonzales Rios.

The Grand Jury returned a no-bill in one case, freeing Ramon Gonzalez from a charge of assault with intent to commit murder. The charge dated back to February and had been passed over by two previous Grand Juries.

Animal control officer named

Robert Argujio has taken over the duties of the animal control officer for the city of Dimmitt. He can be reached at 647-4306 until 2 p.m. daily.

Conservation Nitrogen; most vital nutrient

By TALMADGE P. PORTER
Nitrogen is considered our most important soil nutrient. It is converted largely into plant proteins, and all of the growth of cells in plants center around proteins.

WHEN THERE is not enough nitrogen in a plant it usually can adjust to the amount available. This means to a certain extent, that nitrogen controls the amount of protein in a crop. But when nitrogen drops low enough, yields will inevitably decline.

There are a number of ways to tell how serious a soil's nitrogen deficiency is. The first is in the center of the leaf in corn is a well known symptom. Other crops often look yellowish. A tissue test powder can be purchased which turns pink when nitrogen is present in the sap.

The nitrogen content of grains can be increased by fertilization, but this does not necessarily mean more proteins that are essential for animals. Ruminants may be able to use this extra nitrogen, but nonruminants may not.

Vandals hit grade schools

Vandals broke into the North and South Elementary Schools in Dimmitt last Wednesday night.

ACCORDING to Police Chief W. W. Jones, a Coke machine in the North Elementary teachers' lounge was torn up, the pencil and paper dispensers were destroyed and a cassette tape player was ruined. A radio was missing from the nurses' room and approximately \$20 in change was taken from the Coke machine, officers said. Also, a rubber plant in the hallway was broken.

Two window panes were broken in the South Elementary building but no damage was reported inside, Jones said.

August's toll: 4 dead, 13 hurt

The Texas Highway Patrol investigated 12 accidents on rural highways in Castro County during August, according to Sgt. Rex Smith, Highway Patrol supervisor of this area.

THESE crashes resulted in four persons killed and 13 persons injured. The rural traffic accident summary for Castro County during the first eight months of 1972 shows a total of 52 accidents, resulting in 16 persons killed and 35 persons injured.

McCamey to host 385 Association

The Texas US 385 Division of the International Parks Highway Association will hold its semi-annual business meeting Sept. 30 at 11 a.m. in the Benoit's Restaurant in McCamey. MOLLY BEIDIGER will bring a slide presentation and commentary on Old Mexico. The citizens of McCamey will provide evening entertainment.

The International Parks Highway Association was founded in Dimmitt in 1956 and led to the designation of US 385 from Mexico to Canada. Harley Dodd, Dimmitt's voting member in the association, said the McCamey meeting is open to all who wish to attend.

Kiwanians will install Tuesday

New officers of the Kiwanis Club of Dimmitt will be installed at a banquet Tuesday at 8 p.m. in the Colonial Inn Restaurant.

THE installation banquet is open to all area Kiwanians, their wives and guests. Tickets are \$3 per person for the club steak dinner.

New officers to be installed are Walter Spinburne, president; Randall Craig, first vice-president; Carl Bruegel, second vice-president; Gene King, secretary; Joe Nelson, treasurer; and Bob Crazier, Ted Rob Elmer Berryhill, Bob Murdock, Floyd Driver, Jack Patton and Neal Lomenick, directors.

Hospital issues plea to public

Following the Sept. 12 motorcycle-pedestrian accident in Dimmitt, Plains Memorial Hospital administrator Verle West issued the following statement: "In times of accidents, we wish to appeal to the public to please remain out of the emergency entrances and hospital hallways, as this endangers the treatment of the patients, and could even endanger their lives."

Hire an expert!

NO, YOU DON'T! Dimmitt's Keith Calhoun (80) bulldogs Farwell halfback Kevin Hardage while Bobcat linebacker Gary Wise (30) rushes up to lend a hand in the second quarter of Friday night's contest. The two Dimmitt tacklers held the Steer runner to 1/2 yards on this end sweep—typical of the Bobcats' smothering defense which denied the Steers a first down in the first two quarters. After a defensive battle between the 30s during most of the first half, the two teams staged a four-touchdown show in the last two quarters, with Dimmitt winning, 26-6.

Grain Sorghum CHAFF

By WES ANTHONY

Isn't it a shame we do not have dams, reservoirs and channels to take care of the run-off water (a part of which is on its way to the Gulf) from the rains we have had? It would have rewatered hundreds of thousands of acres of crop and grass. Let's hope and pray that we do not wait too long to make these facilities available.

WELL WE have done it, again. One of our grandsons, Ricky Kuntz, my wife and I have just recently had a most enjoyable trip to Canada in our camper pickup. We lacked eight miles travelling 6,000 miles while we were gone. We saw millions of acres of grass, forest and mountains, but I would like to give you a few of the hi-lights of our trip.

We stopped at Lake Louise, Canada. We saw the large six or eight story French Chateau with all its beautiful flower gardens and the lake as a back ground of beauty. Beyond all of this are miles and miles of tall mountains partially covered with snow.

Then we went to Banff, Jasper and the Columbian Ice Fields. There we stood on a "chunk" of glacier 300 feet deep and 1 1/2 miles wide in some places. It was pretty cool standing out there. In fact we didn't stand much... we were in a \$38,000 snowmobile.

FROM THERE, we went on northwest to New Hazelton to visit an Indian village that has an interesting museum. The people are very proud of it. It has many "totem poles".

On the way to Prince Rupert we traveled along miles and miles of rivers and lakes that are almost out of this world when it comes to mother nature, and some of them were several miles wide.

From this point we took the ferry to Vancouver Island. It was a 330-mile, 20-hour ride. This was a pretty good size boat and a very interesting ride. There were 90 cars and traveling vehicles aboard, besides the people.

WE DROVE down the Island of Vancouver and if there is anything pretty, this country is! It is almost inconceivable, the amount of flowers and other

FLB stockholders to meet tonight

The Federal Land Bank Association of Dimmitt will hold its annual stockholders' meeting tonight (Thursday) at 7:30 in the community room of the First State Bank of Dimmitt.

ALL stockholders and their husbands and wives are invited to attend the meeting.

Docr prizes will be awarded and refreshments will be served.

scenery there is along the road. A few miles north, we visited the 40-acre Butchart Gardens. The flowers there make ours look like dwarfs. It was composed of a Japanese garden, rose garden and sunken gardens. The tubers begonias were every where and most of the flowers were as large as saucers. If you are ever up there be sure to visit the Parliament buildings and grounds. There is a wonderful and new museum there that is four floors high.

Back in the States, we crossed the Columbia River at its mouth and the bridge there is 4 miles long.

CRATER LAKE is a beauty. It is blue, very quiet and is 1,900 feet deep in places, and six to seven miles wide at the surface. At one time (when the lake started) there was a mountain peak 12,000 feet tall. Then a volcano erupted and now this lake is about 7,000 feet in altitude.

We saw a 1,260 foot water fall. It is not as wide as Niagara Falls, but is twice as high. If you get within a quarter mile of it you will get sprayed.

The Salt Flats in Utah are miles and miles of nothing but salt.

YOU KNOW me, the prettiest country we saw was from Raton, N.M. to home!

Saw many hay fields and many cattle in all this country, but we raise more grain here on the high plains than we saw while on the whole trip.

HOW ABOUT a hot peach cobbler for dinner tonight? Heat a can of cling peach slices, a little brown sugar, butter and spices in casserole. With a teaspoon, drop tiny balls of soft dough made from package biscuit mix onto the fruit. Bake in hot oven 30 minutes.

Hart news

Deposit now required on utility hookups

By MYRT LOMAN

In the September meeting of the City Commission, Jody Minnick the CPA from Stanley Schaeffer Company of Dimmitt, met with the City Commission to discuss the 1972 audit report. The report was accepted.

A new policy was adopted by the City Commission. All new utility customers will be required to make a two month deposit before service will be furnished.

Each customer, who allows bills to be delinquent, will have service terminated immediately. Customers who have allowed services to be terminated will be required to make a two month deposit to have services reinstated.

IN THE hospital last week were Mmes. Bill Hill, Bertha Deisher and Roy McLain in the Plains Memorial Hospital in Dimmitt, and Leonard Griswold was admitted to Veteran Hospital in Amarillo on Wednesday of the first week.

Mrs. M. E. Davis fell last Wednesday afternoon and broke her arms, was rushed to Amarillo for emergency treatment, and is recuperating at home at this time.

HAROLD Smith will be in charge of the Sunday afternoon program at the Golden Spread Nursing Home at 4 p.m. The public is invited to attend the program and to participate.

Clowns, members of the Shriners of the Amarillo Khiva Temple, will visit the hospital in Dimmitt and the Nursing Home on Sunday afternoon.

THE YOUNG people of the First Baptist Church enjoyed a theatre party on Sunday night following the evening worship service.

The group saw "Joy in the Morning" at a Plainview theatre. Twenty-three youth and sponsors attended.

THE HART Band Boosters voted to sponsor a contest among the students by giving the band students in grades 6 and 7 a prize of \$5 and \$5 to the student in grades 8 to 12 who sells the most fruitcakes. The students will take orders in the near future. Proceeds from these sales will be applied on band uniforms.

Several donations from businesses and individuals were acknowledged at the meeting.

The Band Boosters wish to thank each one who has donated in any way toward getting uniforms for our band.

MISS HOPE Rodriguez, bride-elect of Benny Gonzales, was complimented with a bridal shower recently.

Jaunita Diaz received the guests and presided at the register. The serving table was covered with a white lace cloth over pink and was centered with an arrangement of fresh garden flowers. Martha Gonzales and Elodia Rodriguez served cake, cookies and punch.

The hostesses presented the honoree with a set of cookware, an ironing board and sheets.

Mrs. Jesse Rodriguez and Mrs. Max Gonzales were special guests. Seven ladies assisted with the hostess duties.

FRIENDS of Miss Cheryl Friday, bride-elect of Joe Sanders of Plainview, are invited to a pre-bridal party on Wednesday from 3 to 5 p.m. in the community room of Farmers State Bank.

MRS. NORA RAY will host the next meeting of Golden Ones Sept. 29 with a covered dish luncheon.

All members are urged to attend and bring a guest.

Scout council names Williams field director

Rodger Williams has been hired as a Field Director for the South Plains Boy Scout Council. It was announced this week by Bob Bouse, Scout executive. Williams will serve the Arrowhead District in Northeast Lubbock in addition to his other duties, Bouse added.

WILLIAMS comes to Lubbock from Houston where he has served as a District Executive for one of the largest inner city districts in Texas. Williams served over 4,000 scouts in 120 scout units.

Williams enlisted professional scouting in the Circle Ten Council at Dallas in 1959. He has completed Woodbadge training and has served as Woodbadge leader in 1971. Williams has an outstanding record in camping training, finance and boy membership growth.

REPUBLICAN gubernatorial candidate Henry Grover of Houston is launching a full-scale campaign, and has named former National GOP Committeeman Jack Porter his campaign chairman.

HERE IS the Hart school lunch menu for the coming week:

- Monday — Pizza pie, black-eyed peas, carrots and celery sticks, hot rolls, cherry cobbler, milk and butter.
- Tuesday — Burritos, whipped potatoes, cabbage slaw, hot rolls, buttered rice, milk and butter.
- Wednesday — Chili beans, mixed turnips and greens, onion rings, cornbread, peach cobbler, milk and butter.
- Thursday — Barbecued beef on homemade buttered bun, buttered corn, whole pickle, pineapple cream pudding, milk and butter.
- Friday — Meat loaf and catsup, creamed potatoes, candied carrots, tossed salad, kitchen made bread, red apple sauce, milk and butter.

THE TULIA American Legion Post will host the zone meeting this Thursday night at 8 p.m.

All Legionnaires and wives are urged to attend.

THE HART PTA is taking orders for the 1973 birthday calendar. If you have not been contacted, call either Mrs. J.

D. Myrick or Mrs. Preston Upshaw.

SO MANY nice children in Hart. Last week while working in my yard two young men, not quite teenagers, came by and visited for a short while. They asked if the next time I mowed my yard, would I please call them as they would like to help me. Now I call that learning to be neighborly young and to do their "Boy Scout good deed for the day."

I am so grateful for my friends and especially the young ones. Did not know the names of the boys, but they told me they were Greg and Bryan Hankins, sons of Mr. and Mrs. Ted Hankins.

THE 1973 Longhorn yearbook went on sale last Thursday with sale to continue through today. The price of the annuals is \$6. They may be purchased in full or a \$3 deposit may be paid now and \$3 when annuals arrive. They may be purchased from any member of the journalism class.

A SPAGHETTI supper sponsored by Xi Mu Iota Hart chapter of Beta Sigma Phi is scheduled for Sept. 29 at the Hart

School cafeteria from 6 to 8 p.m. before the Hart and Anton football game. Tickets are children ages 4 to 11, 75 cents, adults, \$1.50, for all you can eat. You can buy tickets from any member or at the door.

This is one of the Xi Mu Iota money making projects with proceeds for a Hart senior of 1973 college scholarship.

THE NEW OFFICERS of Xi Mu Iota for 1972-73 are:

Mrs. Jerry Allen, president; Mrs. Tom McLain, first vice-president; Mrs. Ronnie Farris, recording secretary; Mrs. H. H. Parker, corresponding secretary; Mrs. W. A. Hawkins Jr., treasurer; Mrs. W. T. Sanders, historian; Mrs. L. D. Williams, parliamentarian; Standing committees, Mrs. Theron Morrison and Mrs. Tom Ed Benton, program; Mrs. Tom McLain, membership; Mrs. Bob Berry, Mrs. J. D. Myrick, Mrs. W. T. Sanders and Mrs. Weldon Jones, social; Mrs. Jim Black, publicity; Mrs. Ed Bennett, Mrs. Theron Morrison and Mrs. Charles Black, ways and means; Mrs. Glyn Reed, Mrs. Jim Black, Mrs. L. D. Williams and Mrs. Tom Ed Benton, service; and Mrs. Weldon Jones and Mrs. Charles Black, yearbook.

THE WOMEN'S Society of Christian Service of the First United Methodist Church met on Thursday enjoyed a fall noon salad luncheon.

The table was covered with a white cloth with fall colored leaves and white candles in bright colored candle holders.

Members present were Mmes. Willis A. Hawkins Sr., Ed Bennett, E. E. Foster, Ray Forbes, Lena Maples, Mabel Aven and Wavmon Foster.

Following the luncheon Rev. Forbes brought a short devotional.

THE GIRLS in Action met Wednesday after school for a study on the importance of state missions and the Mary Hill Davison offering.

The group was divided in separate classes according to age. The younger group received their member handbooks and mission adventure books. Group 2 told stories and participated in interviews concerning state missions and their needs.

Refreshments were served by Mrs. Richard Franks to 29 girls and leaders.

CUB SCOUTS met Wednesday for their regular weekly meeting.

Mrs. Bob Reed, den mother, and Mrs. Robbie Hawkins, assistant, furnished transportation for boys to complete the collection of newspapers. Eight boys attended.

Boys of the Webedo Den met Wednesday with J. V. Wescott, leader.

Wescott assisted the boys in their work on "Cub Scout Citizen" and gave a cooking demonstration. Ten boys attended.

FOOD and Fiber Pavilion at the State Fair of Texas will highlight Texas agricultural production as well as acquainting Texans with the quality of these products. The pavilion is under the direction of the Texas Department of Agriculture personnel. About 1,500,000 Texans are expected to visit the pavilion this year.

CHEVROLET'S FLAGSHIP for 1973 is the all-new Monte Carlo S, which is among the most changed of all seven Chevrolet car lines in '73. Featuring sculptured side and rear-quarter metal, new grille and an optional Landau or opera-type vinyl roof, the Monte Carlo is intended to be a styling classic. Many months of advanced chassis

and suspension engineering work have given the Monte Carlo handling and roadability said to equal or surpass that of Europe's most expensive personal touring cars. The 1973 Chevrolet cars and trucks are being introduced today (Thursday) at Webb-Mears Chevrolet Inc., in Dimmitt.

TO DEBUT FRIDAY — The Ford Torino, which set a series of sales records in 1972, presents a new front appearance for 1973 —highlighted by a wider grille and a larger impact-absorbing bumper. All Torino models for 1973, including this Gran Torino two door hardtop, feature new high-visibility,

low-back front bench seats, larger rear brakes and an inside hood latch release. The 1973 Ford cars will be introduced Friday and Saturday from 8 to 8 at Dale Fowler Ford, Inc., in Dimmitt. Ford trucks and pickups are scheduled for unveiling the following Friday.

times larger than in 1972, additional sound insulation and improved window weather-stripping for an especially quiet ride, windshield washers on the wiper arms, and a spare tire extractor in station wagons. All 1973 Fords include power front disc brakes.

New options with Fords include power mini-vent windows for four-door models, a recreation table between the facing rear seats in station wagons, an AM-FM multiplex stereo radio with integral stereo radio and stereo tape player, and an automatic emergency-brake release. The 460-cu.-in. 4V eight-cylinder engine is an added option with Ford cars. Both the 240 Six and the 302 V-8 are discontinued.

THE trouble with the world, as we have heard it said, is the people in it.

1973 Chevrolets take the floor today at Webb-Mears in Dimmitt

Chevrolet, which sells more cars and trucks than any other manufacturer in the world, in 1973 will offer three product lines that are completely new from the ground up—the Monte Carlo, the division's personal luxury car; an all-new Chevelle; and a completely restyled line of pickup trucks; Chevrolet's first new pickup truck in six years.

THE 1973 Chevrolets, featuring seven car series—from the top-of-the-line Caprice to the versatile Vega—give America's automobile buyer the greatest choice of styling features and safety innovations ever offered in the division's 62-year history. In the model year that just ended, Chevrolet broke its all-

time past sales record. Along the way, new sales records were established for the Corvette, the Monte Carlo, the Caprice, the Nova and the Vega.

John Z. DeLorean, a General Motors vice-president and general manager of Chevrolet, stated that "the '73 models are substantially improved in roadability, comfort and styling."

"IN ADDITION," DeLorean added, "Chevrolet dealers are undertaking an all new service program, called Service Supremacy, which should result in a giant step toward better service."

"The addition of an improved product and improved service to the momentum built in the past year should guarantee a super year for Chevrolet in 1973," he concluded.

The 1973 Chevrolet passenger cars and trucks are scheduled for public introduction today (Thursday) at Webb-Mears Chevrolet in Dimmitt.

All told, Chevrolet will offer 45 passenger car models in '73, six more than in the previous year.

THE NEW Monte Carlo has outstanding handling and roadability characteristics. From its new impact resistant bumper and new roofline to its sculptured taillights, the Monte Carlo

has redesigned interiors, instrument panel and steering wheel. Also new is an acoustically-engineered double-panel roof while a power-operated all-metal sliding roof is optional.

Another customer-plus is a new 22-gallon fuel tank.

THE FULL-SIZE standard Chevrolet, the industry's top selling car, features the top-of-the-line Caprice. It sports a convertible model for the first time, along with two and four-door hardtops and a four-door sedan.

Also offered are two and three-seat Caprice Estate wagons which have a 125-inch wheelbase and the popular Glide-Away tailgate.

New station wagon names in 1973 are keyed to comparable Chevrolet series. Thus the former Kingswood becomes the Impala wagon and the Bel Air replaces the former Brookwood station wagon in the Chevrolet lineup.

NOVA HAS a new model entry in 1973. The Nova Hatchback coupe features a lift-away deck and six feet of flat floor when the rear seat is in a downward position. Utility is the hallmark of this remarkable handling small family car, either for in-town shopping or for country cruising or camping.

New styling and handling highlight, too, Chevelle for 1973 along with the introduction into the line of the Colonnade hardtop design. The Chevelle is offered in three series—the luxury Laguna, popular Malibu and the new base Deluxe model.

In addition, the SS option is available on Malibu Colonnade hardtop coupes and Malibu station wagons.

WHEELBASES for the Chevelle include 112-inch for coupes, and 116-inch for sedans and wagons.

At the same time, new names adorn Chevelle's wagon line-up including the Laguna Estate and Laguna; Malibu Estate and Malibu; and Deluxe.

Two and three-seat wagons are offered in all Chevelle series.

A new, improved Vega offers eight new exterior colors,—four exclusive to this car line. Four Vega models are the Hatchback coupe, Notchback coupe, Kammback wagon and Panel Express truck.

America's only production sports car, the Corvette, features evolutionary changes which include an impact-resistant front bumper, side guard beams, hide-a-way windshield

wipers, a new air induction system for the engine, steel-belted radial ply tires and a new Turbo-Jet 454-cubic-inch V8 power plant.

Chevrolet in 1973 offers a wide variety of new colors. Availability includes 16 paints and seven extra-cost vinyl tops.

All paint and top colors except black (new for the Chevelle) and white are new. Fifty-three color combinations are obtainable with the new paint and vinyl top offerings.

A WREATH of canned fruit cocktail surrounding a mound of cottage cheese makes a gay salad, and a quick one, too. With cottage cheese rich in protein and the fruits rich in vitamins and minerals, nutritive requirements are well under control.

A GOOD neighbor knows how to live and let other people live.

'73 Ford cars will debut Friday; pickups to be unveiled next week

An all-new Ford car, significant improvements in other car lines, and new Ford pickup trucks with the most extensive changes in six years highlight Ford Division products for 1973.

CARS WILL make their debut at Dale Fowler Ford, Inc., in Dimmitt Friday, and trucks will have their first showing a week later—Friday, Sept. 29.

For its new-car showing this week, Dale Fowler Ford, Inc., will be open from 8 a.m. to 8 p.m. Friday and Saturday, and will have free refreshments and free balloons for children.

Availability of all vehicles is subject to federal emissions certification.

"ANY YEAR in which the big Ford our bread-and-butter car, and our pickup trucks are new just has to be a banner year," Fowler said.

New impact-absorbing bumper systems are standard on all 1973 Ford Division cars. The front bumper is designed to prevent significant damage to safety-related lighting, exhaust, cooling, fuel and latching systems in 5-mph front-end barrier collisions. The rear bumper offers protection in 2½ mph impacts.

THE FORD Division cars also have new exhaust emission

control devices to improve control of oxides of nitrogen.

An anti-theft alarm system is optional on the Ford and Thunderbird; a new spare tire lock is available on all models; and an inside hood-latch release is standard on Ford, Thunderbird and Torino.

One less model in the Ford car line reduces the total division car models to 39.

The Ford car features a new grille, new sheet metal below the windows on all models, and all four-door Fords have new "greenhouses" with increased headroom.

OTHER Ford standard equipment improvements include a new, more convenient instrument panel, a glove box three

CHECKS ARE THOROUGHLY PROCESSED

The First State Bank of Dimmitt has been serving its customers since 1907. It was founded by Beecher Rowan and Charles E. McLean with capital assets of \$25,000.

Today the capital assets of the bank stand at \$1,700,000. The bank's president Bob McLean, is a grandson of the founders.

Officers of the full service bank include McLean, the president; James Horton, executive vice president; Edd McLeroy, vice president; Salvatore Di-Cuffa, vice president; and Robert Mc-Lean, cashier.

A total of 33 years of local banking experience is shared by the four assistant cashiers—Georgie Wall, Sybil Lawson, Wilma Reeves and Linda Fitzgerald.

Have you ever wondered what the bookkeeping department does with the checks after a deposit is made?

Mrs. Wall explained the process, "Each check after deposit is sent through a proof machine to make sure the check totals are correct.

"The checks are then packaged and sent to Lubbock where a computer posts the checks to individual accounts by number at night. The next day the checks return to Dimmitt and the local staff checks the signatures.

"Each check is filmed twice on its way through the process, before and after it goes to Lubbock. Before the statements are mailed, the checks are examined one more time. Then the statements are mailed."

"All accounts are processed locally by signatures like we always have," Mrs. Wall said. "Only the computer uses the account numbers."

You are invited to visit the friendly, full service bank that serves Dimmitt—The First State Bank.

CLASS OF 1972—Ten members of the Plains Memorial Hospital School of Vocational Nursing, Class of 1972, were graduated Sunday in ceremonies at the First Baptist Church. Father Stanley Crocchiola of Holy Family Church in Nazareth gave the graduation address. Each graduate

received the school pin, her school's cap and a diploma. Pictured (from right) are Edna Braddock, Kay Braddock, Micky Casey, Pauline Harris, Rhonda Killough, Kathy Lindley, RN, school director, Denise Morgan, Jessie Morren, Jeannette Seely, Ollie Vise and Debby Waggoner.

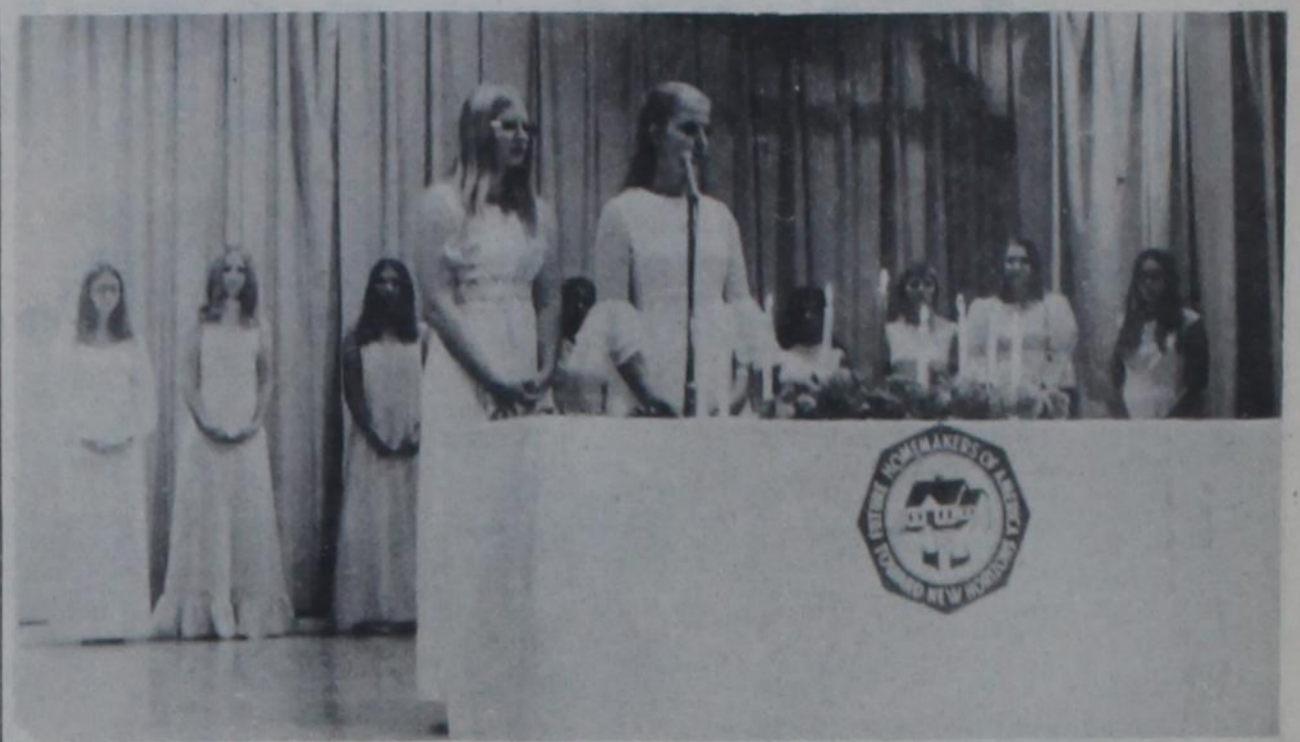

Newest HD club seeking members

The Town and Country Home Demonstration Club held a call meeting Sept. 11 to discuss plans for a membership drive and to elect three officers.

NEW OFFICERS are Pat Day, vice-president; Jo Parks, reporter; and Linda Marsh, alternate council delegate.

During September, THDA is sponsoring a membership drive. Representatives of the club will be at grocery stores in Dimmitt and Hart to explain the home demonstration club program. Information on the formation of new clubs will also be available.

The next meeting will be Sept. 28 at 9:30 a.m. in the Baptist Spanish Mission. On the program will be installation of the new officers and a film on cancer. A babysitter will be provided.

NEW OFFICERS of Dimmitt High School's two chapters of Future Homemakers of America were installed in formal ceremonies Sunday afternoon in the high school auditorium. In foreground, the two girls who will lead the chapters this year—Bobbi Kirby (left), president of the Mikrai Adelpai (Little Sisters) chapter, and Ronda

Tidwell, president of the Megalai Adelpai (Big Sisters) chapter—make their acceptance speeches. In background are some of the other chapter officers who were installed by Becky Carpenter. Thirty-eight new members were inducted into the Mikrai Adelpai chapter during the ceremonies.

Husbands guests at DKG dinner

The Iota Zeta chapter of Delta Kappa Gamma met Sept. 11 with a dinner business meeting at the Castro County Country Club. Husbands and friends of the members attended.

AVIS SMITH, current president, introduced the new officers and guests. Sue Broderon presented the history of Delta Kappa Gamma and its goals projected through 1976.

The chapter includes members throughout Castro County. It is an honor society for women teachers with chapters in all 50 states and Switzerland.

New FHA officers installed

The Dimmitt High School Megalai Adelpai and Mikrai Adelpai chapters of the Future Homemakers of America installed officers Sunday afternoon in formal ceremonies.

MEGALAI Adelpai (Big Sister) chapter officers are Ronda Tidwell, president; Deana Hargrave, vice-president; Jo Smith, secretary; Tanva Horton, treasurer; Sheri Bruegel, historian; Ginia Sheffy, parliamentarian; Ann Welch, historian; Rebecca

Stanford, piano; Liz Murphy, song leader; Ruth Jackson and Doris Lust, chapter mothers; and Joanne Snider, sponsor.

MIKRAI Adelpai (Little Sister) chapter officers are Bobbi Kirby, president; Linsae Snider, vice-president; Karron Flynt, secretary; Kim Lindsey, treasurer; Cindy Dyer, reporter; Susan Wise, parliamentarian; Teresa Bruegel, historian; Gay Olcham, piano; Melissa Moore, song leader; Gail Brue-

gel and Lois Jeffries, chapter mothers; and Estella Hottel and Pat Bagley, sponsors.

Mikrai Adelpai officers inducted new members following the installation service. A tea followed in the homemaking department for officers, new members and guests.

THERE'S nothing like an increased income to make a man, or woman, feel like the world is better.

Pink Ladies hold new-member brunch

The Plains Memorial Hospital Auxiliary met last Wednesday at the Country Club for its annual New Member Brunch.

The refreshment table held a watermelon fruit bowl created by Gail Bruegel, plus doughnut holes and coffee.

Margaret Wilson presided over a business meeting with Hospital Administrator Verle West as the guest advisor. Members voted to donate a "Wheeled Stretcher Table" costing \$1,197.50 to the hospital.

West told members the mobile emergency table would include delivery straps, since two babies were born per month in emergency; X-ray litter top, so as to avoid moving a patient during the critical period before X-rays are taken; intravenous rods, floor locks; oxygen tank, etc.

Virginia Gilbreath, gift shop chairman, urged members to have weekly workshops in their homes these next two months for the annual Christmas Bazaar. The next regular workshop will be in the home of Lucille Drerup Oct. 4, and anyone willing to hold a workshop in her home is urged to call Mrs. Gilbreath. Workers are needed in the gift shop at the hospital. Please call 647-2191, Ext. 17, for the work schedule.

NEW MEMBERS signing up Wednesday were Max Acker, Jo Gregory, Dorothy Vaughan, Janice Bell, Audrey Nelson, Nita Manning, Judy Waggoner and Judy Moore. Anyone wishing to join the "Pink Ladies" of the hospital should call Oleta Schumacher at 647-2350. Volunteers' duties include working in the gift shop, pushing the hospital cart, and cleaning instruments on Wednesdays. Orientation chairman is Courtenay Armstrong, 647-3368.

Brunch guests included Allena Phillips of Hersman, Ill., and Phyllis Murphy of Dimmitt, county mental health outreach worker, representing the Mental Health-Mental Retardation Center in Plainview.

Ellen Gregory, second vice-president, announced this schedule of events:

OCTOBER — Report of area meeting held at Pampa.

November — Speaker, Mental Health.

December — Bazaar.

January — Report on Plains Memorial patio expansion.

February — Speaker.

March — Election of new officers.

April — Installation of new officers.

May — Annual awards presentation.

JEANNE MILLER, scholarship chairman, reported that three scholarships had been applied for, but one applicant was from out of the county, so only two would be given. Each candidate receives \$250 for LVN school, with \$100 of it going for books which the student gets to keep.

Verle West explained to auxiliary members that all LVN applicants must have a high school education, or pass the GED equivalent test.

—Jon Nell Forrester

Sarita White pledges sorority

Sarita White, Dimmitt freshman, has pledged the Delta Zeta social sorority during the fall rush at West Texas State University.

THE ZETA Zeta chapter of Delta Zeta sponsors national philanthropic projects which include aiding the Navajo Indians and education of children with hearing disabilities.

To be eligible for pledging, previous college students must have a minimum "C" average on class work taken the preceding semester. There is no grade point requirement for freshmen.

Miss White is the daughter of Mr. and Mrs. Charlie White of Dimmitt.

Mon Amis Club honors Easleys

The Mon Amis Study Club gave a going-away party for Mr. and Mrs. Dan Easley recently in the Easter Community Building. The Easleys are moving to Wildorado where he will be engaged in the operation of a fertilizer plant.

THE CLUB presented them with a gift and money tree. Games of "42" and refreshments highlighted the evening.

Seventeen members and their families attended the party.

A kick-off banquet for the new year was planned for Sept. 16 in Mrs. Guy Walser's home. Mrs. Martin Young will serve as president for the coming year.

Pupils' concert tickets on sale

Tickets are on sale this week in Panhandle grade schools for the annual Young People's Concert sponsored by the Amarillo Symphony Guild.

THE Amarillo Symphony Orchestra will perform in a concert entitled "Das Musicfest" Sept. 30 at 3 p.m. in the Concert Hall of the Amarillo Civic Center. Children from 6 to 12 years of age and their chaperones are invited to the concert.

Dr. Thomas Hohstadt will conduct the Amarillo Symphony Orchestra in a musical tribute to the German-speaking people of the Panhandle.

Students from the Panhandle counties and Amarillo are expected to attend the concert. Tickets may be obtained through teachers in the public school system. Price of admission is 70 cents.

BOOSTER CLUB

Football Contest

CONTEST RULES:

1. Contestant must be a member of the Dimmitt Athletic Booster Club.
2. Contestant must be at least 18 years of age.
3. Circle your choice of winning team in each game on the contest list. Be sure your name and your Booster Club membership number are on your entry.
4. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St., Dimmitt. Entry also may be mailed to "Football Contest," Castro County News, P.C. Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
5. A committee of Booster Club members appointed by the officers of the Booster Club will compile the weekly contest list and score the entries.
6. The tie-breaker score will not be used except in case of a tie on the number of correct choices. The contestant with the prediction closest to the actual score will then be declared the winner.
7. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Monday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
8. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES

WEEKLY prizes will be awarded by the Dimmitt Athletic Booster Club as follows: \$5 cash for first prize, \$3 cash for second prize.

SEASON prizes will be awarded as follows: Two tickets to the 1973 Cotton Bowl Game and \$50 expense money for First Grand Prize; two tickets to the 1973 Sun Bowl Game and \$25 expense money for Second Grand Prize.

The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

PAPERS, PAPERS—Jaycees from Dimmitt and Hereford joined forces in the newspaper recycling drive Friday as they unloaded another two tons of bundled papers at Panhandle Compress & Warehouse, where the stacks were being stored. These bundles of papers all came from North Plains Publishers, Inc., of Hereford, which does the presswork for the Castro County

News and 16 other newspapers in this area. This load brought the Hereford plant's donations to the drive to four tons. Meanwhile, another two tons or more of newspapers were brought to the Dimmitt Fire Station this week while city crews collected still more bundles that were placed in alleys by Dimmitt residents.

Rush enrolls at Sewanee

Patterson B. Rush, son of Mr. and Mrs. George A. Rush of Dimmitt, is among 991 students registered for 1972-73 in the College of Arts and Sciences of the University of the South at Sewanee, Tenn.

THE University of the South is embarked on a program of controlled gradual growth toward an eventual 1,500. Although many private colleges have been experiencing a drop in admissions, Sewanee reports a record year.

The University of the South also has one of the two or three best records of any college in the US for placing its graduates in prestige fellowships (Danforth, Rhodes, Fulbright, etc.).

Area's Masons to meet tonight

The Springlake-Earth Masonic Lodge will host a Masonic Lodge Past Masters night tonight (Thursday) at 7 in the Earth lodge hall.

SPEAKER for the meeting will be the worshipful grand master of Texas, Jack Hightower.

All Master Masons are invited to the barbecue dinner.

PLAINS MEMORIAL

HOSPITAL

It's a boy, Donald Todd, for Mr. and Mrs. Donny McDaniel

of Dimmitt. Born Sept. 11, he weighed 7 pounds, 1 3/4 ounces.

Mr. and Mrs. Fernando De-LaCruz of Dimmitt have a son, Fernando, born Sept. 9. He weighed 5 pounds, 3/4 ounces.

A boy, Carlos, was born to Mr. and Mrs. Jose Angel Lucio of Hereford Sept. 12. He weighed 7 pounds, 13 1/2 ounces.

Mr. and Mrs. Isaac Salcedo of Hereford are the parents of a son, Gildardo, born Sept. 12. He weighed 8 pounds, 4 1/2 ounces.

OUT OF TOWN

Mr. and Mrs. Bill Kirkland of Shallowater are the parents of a son, Kenneth Bruce, born Aug. 28 in High Plains Hospital in Amarillo. He weighed 7 pounds, 13 ounces and has a two-year-old brother, Lee. Grandparents are Mr. and Mrs. H. M. Morrison of Dimmitt and Della Kirkland of Amarillo.

Mr. and Mrs. Richard Bales of Dimmitt are the parents of a boy, David Richard, born Sept. 14 in Northwest West Texas Hospital in Amarillo. He weighed 6 pounds, 4 ounces.

When answering questions for market research surveys, customers invariably list three factors they take into consideration when buying a textile product — appearance, performance, and comfort. Here's how cotton meets the requirements:

- 1. APPEARANCE**
 - Fashion**—Cotton meets the needs of top designers for their most creative garments.
 - Color**—Cotton takes every color from the subtle to the brilliant.
 - Texture**—Cotton's textures range from bulky knits to soft chiffons, from heavy suitings to party organdies—a texture for every need.
- 2. PERFORMANCE**
 - Durability**—Cotton wears long and well because the fiber is so strong.
 - Laundryability**—No other fabric is washable as cotton.
 - Color Fastness**—Cotton holds its color because the fiber has an affinity for the best dyes.
 - Shrinkage**—Modern treatments of cotton eliminate shrinkage worries.
 - Others**—Wrinkle resistance, ease of care, and water and spot repellency are just a few of the new qualities added to cotton by science.
- 3. COMFORT**
 - Absorbency**—Cotton absorbs and evaporates moisture, is never hot and sticky or cold and clammy.
 - Softness**—Your customer can feel the softness of cotton.
 - Freshness**—Cotton gets really clean and fresh in the wash.
 - Static Free**—Cotton won't cling or shock or attract lint and dust because it's static free.
 - Stretchability**—Some cotton merchandise now has stretch properties, another comfort factor science has added to cotton, the fiber you can trust.

Many parents tend to neglect speech defects, therapist says

By BECKY BERRYHILL

"A lot of parents don't realize their children have speech defects or sound distortions. They are so used to hearing their child make the mistakes that they just don't notice," Shirley Herber, new speech and hearing therapist with the Dimmitt elementary schools, said.

"THE FIRST week of school I checked 160 children. Twenty of them really need speech therapy, and 39 need help with sounds," Mrs. Herber said. "I will work with the children with major problems first, and help those with sound problems if there is enough time."

Mrs. Herber is the first speech and hearing therapist to join the Dimmitt school system's professional staff. She is a recent graduate of West Texas State University with a bachelor's degree in speech and hearing therapy.

While studying at WTSU, Mrs. Herber received 100 hours of clinical experience working in the Amarillo Speech and Hearing Clinic with seven children. Her students at the clinic included four deaf children, two who had speech defects and one with a cleft palate. In addition

SHIRLEY HERBER
... Dimmitt schools' new speech-hearing therapist

to clinical work, Mrs. Herber worked as an assistant to Dr. Wendel Cain, and with a child from Canyon with a speech problem.

IN THE Dimmitt school system, Mrs. Herber's office is in South Elementary School and she will work with children in both North and South Elementary classes.

"How I work with each child will depend on his or her individual problem," she continued. "We will work at the mirror showing him how to move the tongue, position the tongue and lips, and explain where the teeth and tongue are for each sound."

"On Fridays, I will schedule the very difficult cases for extra help. There will be no more than six in a class with 25 to 30 minutes spent with each child, if they are not too young. Class time has to be geared to the child's age so they can concentrate," Mrs. Herber continued. "So far, only two children with hearing problems have come to my attention."

"With deaf children, you often have to stamp your foot or flip the light switch several times to get their attention," she said. "Then I use the mirror, flash board and film strip projector to show how sounds are made."

"At the Amarillo clinic, deaf

children are punished for using hand signs to communicate," she said. "Lip reading is so much more important because so many people don't know the hand signs. Since the average person on the street doesn't know the signs, the deaf can understand if he can read lips. I took a lip-reading course, and I realize how difficult it is to watch someone closely enough to understand what they say."

"ENVIRONMENT is a big factor in a child's speech," Mrs. Herber continued. "I think environment problems effect a child's speech. Also some children just can't say the sounds, because they haven't been taught the correct sound."

"Practicing what I teach them, and co-operation from parents, are very important," Mrs. Herber explained. "After all, I only have them in therapy twice a week, and parents can undo more in five days than I can teach in two."

"Some of the children's speech problems stem from baby talk," Mrs. Herber said. "It's fine for small children, but parents should make them stop as the child ages."

MRS. HERBER said that any outside case work would depend on her case load at school. She expects her load to increase as more students with speech and hearing problems surface during the year.

"I was very active in community activities before entering WTSU four years ago," Mrs. Herber said. "Being a full-time student takes a lot of time, but I did manage to make all the West Texas games last year."

Mrs. Herber is a past matron in the Darrouzett Eastern Star, past president in the Darrouzett American Legion Auxiliary and a member of the Methodist Church. She and her daughter, Laurie, live at the Country Arm Apartments in Dimmitt.

What's cooking at the schools

Here's the lunch menu for next week at Dimmitt Public Schools.

TODAY (Thursday) — Piz a, green beans, tossed salad, orange and milk.

Friday — Hamburgers, trimmings, sliced tomatoes, French fries, pineapple upside down cake and milk.

Monday — Chicken a la king, green beans, carrot sticks, strawberry gelatin, rolls, butter and milk.

Tuesday — Barbecue on bun, tossed salad, blackeyed peas, banana cake and milk.

Wednesday — Taco with tamales, Spanish rice, lettuce and tomato salad, batter bread and milk.

NEXT Thursday — Meat loaf, mashed potatoes, cabbage slaw, sliced peaches, rolls, butter and milk.

Friday (Sept. 29) — Fish filets, spinach, rice, pickled beets, lemon pudding, corn bread, butter and milk.

On the Go

Mr. and Mrs. Paul Stanford and family of Albuquerque, N.M. visited his mother, Mrs. E. Lee Stanford and her parents at Abernathy last weekend.

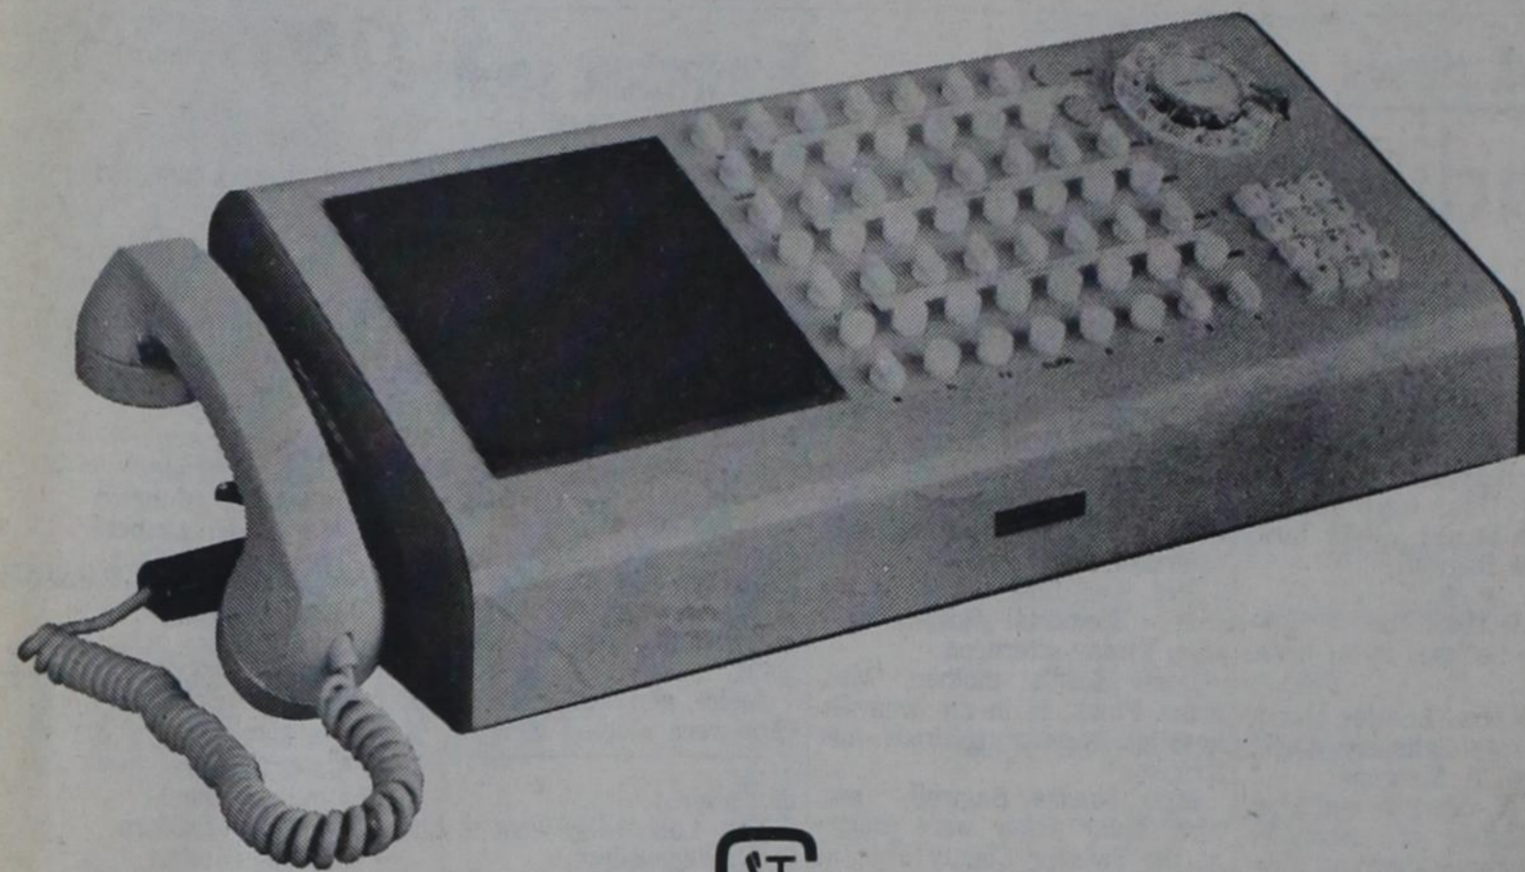

RED MEAT production in Texas and the nation has shown declines from a year ago. In Texas, commercial slaughtering plants reported a one percent decline in red meat production; nationwide, commercial production of red meat is down 11 percent. Commercial meat production includes slaughter in federally inspected and other slaughter plants, but excludes animals slaughtered on farms.

IT'S generally true that the world's most honored individuals are those who appreciate the simple pleasures of life. SUCCESS that is permanent comes slowly, if at all. THE TEST of intelligence is your ability to detect insincerity.

Nazareth news

Weather holds; corn coming in

By AGNES BROCKMAN
The weather has been beautiful here the last few days. We need lots more just like it. The corn harvest is starting, and seems to be turning out quite well. Wheat is looking good, but the maize and cotton need lots of warm weather yet.

★ **THE BYRD** Keys from Plainview were visiting at the Frank Hoeltings and had dinner with them, and the Cecil Hoeltings and Dick Hoeltings had supper with them.

Dinner guests at the Lucy Leinen home Sunday were the Harry Brittons from Groom, Frankie Drerup from Dimmitt, and the Don Acker family.

Nelita Warren and son Michael, also Elaine Kern returned to their home at Waterflow, N.M. Sunday after attending the Venhaus wedding.

★ **THE LADIES** Choir members took Pat Brockman out to supper Wednesday evening; then all gathered at Dick Hoelting's for a little party. They presented her with a beautiful flower arrangement as a remembrance from them.

Thursday evening the Dan Schmuckers had a supper for the Tom Brockmans. Present were the Joe Johnsons, the

Cyril Brockmans, the Sam Albrachts, the Joe Drerups and the Clyde Hoeltings.

Whiteface played football at Nazareth Friday night and Nazareth won by a score of 7-0.

The Chris Birkenfelds attended a family reunion at Fort Worth, then they visited a cousin in Elgin (Frank Hanke). Also some cousins in Bracketville.

★ **LAST WEEK** Mr. and Mrs. John Warren of Hereford, Mr. and Mrs. John Zimmer and Miss Joan Zimmer of Beeville, Mrs. Joe Zimmer of Kingsville and also Sister Magdalena Zimmer from San Antonio and Sister Mary Ann Zimmer from Galveston came to see the Chris Birkenfelds.

Sister Immaculata and Mrs. Albert Schoenberger of Happy, also the Birkenfeld children came by to see them while they were here.

★ **JANELLE VENHAUS** and Terry Hutson were united in marriage by Father Stanley Saturday afternoon. The attendants were Analene Venhaus, Francis Lupton, Tommy Cameron and a friend of Terry's (didn't get name). Stacy Albracht was little flower girl and Lance Venhaus was the ring carrier.

A reception followed at the Community Hall. The couple will be living in Black.

Janelle works at the ASC office in Dimmitt and Terry works on a farm in Black.

★ **MR. AND MRS.** Tommy Brockman and family moved to Spearman, where Tommy will be working for Spearman Parts and Supply.

The Ray Schmuckers moved into the house where Tommy lived. Ray is working for Phillips 66 in Hart and Mary Lou will be working at the bank in Dimmitt.

Juanita Wilhelm, Karen Book and Gladys Steffens spent the weekend at home. They attend West Texas State University at Canyon.

Mrs. Agnes Brockman, Helen Burt, the Frank Hoeltings, Mrs. Ben Venhaus and Annie Hilvers left Monday for Lawrence, Neb. Mrs. Venhaus has been visiting in Clovis, N.M. for several weeks.

★ **FUN IS** like insurance—the older you are the more it costs. —Spotlight, San Diego.

FINISHES BASIC — Coast Guard Seaman Recruit Thomas A. Keel, son of Mr. and Mrs. James L. Keel of Dimmitt, has graduated from basic training at the Coast Guard Training and Supply Center at Alameda, Calif.

CITY GOLF CHAMPION—Cliff Cook, winner of the Men's City Golf Tournament Sunday at the Castro County Country Club, is congratulated by the '71 city champ, George Gross.

Frio news

Ladies' group starts new year

By MRS. OWEN ANDREWS

Frio Homemakers Club met Tuesday for the first meeting of the new season. A luncheon was held in the home of Mrs. Owen Andrews. Each lady brought a dish of food. They came at 11:30 and after the meal a business session was held with the new president, Mrs. Carlton Dobbins, in charge.

New yearbooks were given out and plans laid for the new season.

Other officers include vice-president, Mrs. Ronnie Andrews; secretary, Mrs. Frank Robbins; reporter, Mrs. Owen Andrews; assistant secretary, Mrs. D. F. Yandell; and consumer buying, Mrs. W. A. Springer.

Past president Mrs. Lloyd Shultz and vice-president Mrs. Eugene Baldwin were given gifts of appreciation for their work last year. Seventeen members and guests attended.

★ **LYNN FISHER** arrived Friday morning from several months with the Navy CB service in Puerto Rico. He and his wife, Mary Ann and daughter, Monica, plan to leave here during the weekend to go to Gulfport, La. He will be stationed there until November, according to present plans.

Mary Ann and Monica have been here with her parents, the E. F. Voglers, while Lynn was overseas.

WMU of the Frio Baptist Church was observing the State Mission Week with meetings on Monday and Tuesday mornings and a film on work along the Rio Grande, following a "pot luck" supper, on Wednesday evening. Also on Sunday evening a film was shown about various state mission efforts of the Southern Baptist denomination.

Mr. and Mrs. Carol McClenen of Nocona were here the first of the week visiting his sisters, Mrs. Jim Brooks and Mr. Brooks, and Mrs. D. O. Benson and other relatives.

Two and one-half inches of rain was recorded for Tuesday night with a trace Friday evening. There were varying amounts over the community.

The Baptist Young Women met in the home of Mrs. Lynn Cox Tuesday morning. Mrs. Bill Morgan and Mrs. Richard McGowan kept the nursery at the church.

★ **MR. AND MRS.** Lynn Cox fished at Ute Lake Wednesday through Saturday. The children stayed in Dimmitt with their grandparents, Mr. and Mrs. M. B. Odom.

★ **MISSION FRIENDS,** Girls in Action, and Crusaders met Wednesday afternoon after school for their weekly meetings. Baptist Women met for Bible study with Mrs. L. B. Bowden, group

leader in charge.

Mr. and Mrs. Bill Morgan were proud parents Sunday afternoon as they attended the Plains Memorial Hospital School of Vocational Nursing class of 1972 graduation exercises Sunday afternoon in Fellowship Hall of the First Baptist Church in Dimmitt. Two of the ten graduates were their daughters Denise Morgan and Mrs. Jimmy Waggoner. As class president, Mrs. Waggoner gave the welcome. Another from the community among the graduates was Mrs. Pauline Harris. Attending from the community were the Harris family, Steve and Lesa Morgan, Mr. and Mrs. J. Paul Waggoner, Mr. and Mrs. Mickey Waggoner and Jason, Mr. and Mrs. Hershel Wilson, Mr. and Mrs. Cliff Brown, Mrs. E. R. Sadler and Mrs. L. B. Bowden.

Mr. and Mrs. E. R. Sadler was in Lubbock Friday and Saturday with her dad and Mrs. Fowlkes at University Hospital. He is still having difficulty with his spine. She spent Friday night with the Myles Sadlers there.

Allie Rae Mitchell of Saint Jo visited Wednesday with Mrs. Bob Ball and the Garner Ball family. Mr. and Mrs. Bill Pulliam of Lubbock visited with them Thursday.

★ **MR. AND MRS.** Mckey Waggoner and Jason of Houston arrived Saturday to spend a few days with his parents, Mr. and Mrs. J. Paul Waggoner and to visit with other relatives here. They attended the Sunday morning worship services.

Mr. and Mrs. O. B. Fraels of Ratliff City, Okla. visited Friday through Sunday with her aunt, Mr. and Mrs. John Spencer. North Spencer also visited with them.

Rev. and Mrs. Mack Turner attended the Llanos Altos Association Worker's Conference Launch Night Thursday night at First Church Muleshoe.

Mr. and Mrs. Leroy Powers and girls of Hale Center visited Friday and again Sunday with Mrs. Bob Ball and Mr. and Mrs. Garner Ball and family.

Mr. and James Powell and children of Dimmitt visited Sunday afternoon with Mr. and Mrs. Larry Sadler and girls.

Lions serve barbecue to 150

By TEENY BOWDEN
Approximately 150 were fed at the Lions Club barbecue supper Saturday night where lamb, goat and beef were prepared and served. The lambs and goat were donated from the local Lamb Division. Chief cook was Edd McLeroy of Dimmitt, with the assistance of Bob Ott, J. Paul Waggoner, Garner Ball and Hershel Wilson.

★ **THE WEEK** of Prayer for state missions was conducted at the church this week each morning but Wednesday. The Wednesday program took the place of regular prayer service. Average attendance for the week was five.

June Williams from Denver, M. E. Taylor of Olton and Beverly Taylor of Earth visited Monday with Mrs. Bob Ball and Mr. and Mrs. Garner Ball and family. Mr. and Mrs. Dewey Ball of Olton visited with them Tuesday, also Mrs. Mary Collins, Mrs. Alene Allcorn and Troy Don of Olton.

Mrs. Ila Haydon returned last Sunday night from San Antonio after a visit with her cousin, Modene Hitchcock. They were raised as sisters.

Dina Jo Hampton won sixth place in barrel racing at the Springlake-Earth Playday last Saturday.

Two and one-half inches of rain was recorded for Tuesday night with a trace Friday evening. There were varying amounts over the community.

The Baptist Young Women met in the home of Mrs. Lynn Cox Tuesday morning. Mrs. Bill Morgan and Mrs. Richard McGowan kept the nursery at the church.

Heavy rains at Levelland mean extra home game for Littlefield

Footballers carry enough protective gear without having to add swim fins and water wings. So Littlefield and Levelland switched their game Friday to Littlefield. The outcome was a 34-6 victory for the host Wildcats and kept them unbeaten in two games.

RAINS measuring up to four inches swamped Levelland Thursday night, and by Friday morning Lobo Stadium was a miniature lake, and, said Wildcat Coach Jerry Blakely, "We were glad to play here in Littlefield."

"Of course, there was a lot of hustling around to get ready," he added. "You don't realize how many people are involved in a game... rounding up gatekeepers, ticket-takers, the various groups that run the concession stands, police..."

But Blakely and his groups are getting used to quick switches. Last year's game with Slaton was moved to Littlefield on game day because of heavy rains at Slaton.

"BUT, AS long as we can play six games at home each year, it's okay with us. I don't know how much the home field means, but from our standpoint, we're glad to be playing at home."

In it's home situation, Littlefield rumbled along with a ground attack led by tailback Pat Henderson. Henderson accounted for 226 yards and 14 points in pacing the victory.

Fumbles continued to plague the Wildcats, however, and are a point of concern for Coach Blakely. They fumbled six times against Silvertown in the opener and three times against Levelland. Penalties, too, are bothering them.

ELSEWHERE around District 3-AA, Friona kept pace with its second straight victory, thumping Bovina 26-6. Dimmitt evened its record by clipping Farwell 26-6. Muleshoe edged Olton 21-8, and Morton fell to Tulia 21-0.

After dropping its opener to Class AAA Muleshoe, Dimmitt rebounded with a ground attack to crush Farwell. The Bobcats rushed for 267 yards and had 42 yards passing against Farwell.

Wingback Florencio Acevedo came out as the leading ground gainer, but tailback Albert Ewing scored three times to take

point honors. Ewing was starting after injuries sidelined Robert Mayberry.

FRIONA scored in every quarter enroute to the win over Bovina. Johnny Bandy, the Chiefs' quarterback, scored in the first and third periods. He also pulled Friona out of the hole with an on-the-run punt that covered 80 yards. After getting a bad snap Bandy got away the hurried punt which was killed on the Bovina 12.

Keith Workman scored Olton's lone TD in the loss to Muleshoe.

This week, Littlefield will be at home—as scheduled—to Slaton. And Friona will bid for win No. 3 against the Mules at Muleshoe. It will be Muleshoe's third game against a 3-AA team.

DIMMITT goes to Springlake-Earth, Morton hosts Class A Hart, and Olton plays at Lockney.

Louis Lee got one touchdown in Friona's win and his 28 points are best in the scoring derby.

3-AA STANDINGS

Team	Pts.	Gp.
Friona (2-0)	60	20
Littlefield (2-0)	72	6
Dimmitt (1-1)	32	26
Morton (0-2)	0	34
Olton (0-2)	14	33

Last week's results — Littlefield 34, Levelland 6; Muleshoe 21, Olton 8; Dimmitt 26, Farwell 6; Friona 26, Bovina 6; Tulia 21, Morton 0.

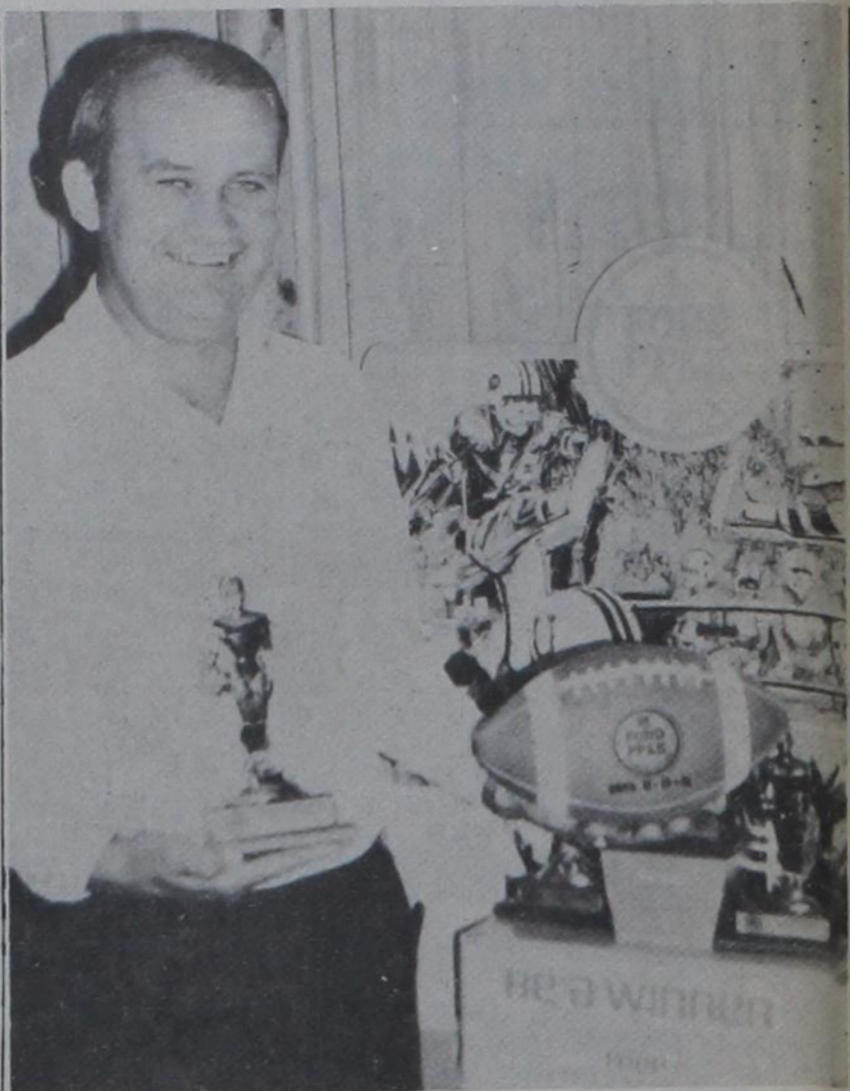

Friday's schedule — Dimmitt at Springlake-Earth, Friona at Muleshoe, Slaton at Littlefield, Hart at Morton, Olton at Lockney.

Workman, Olt.	1	2	8
Hampton, Dmt.	1	0	6

EVERY now and then comes the urge for old-time desserts. Remember this old chestnut? Rice cooked in milk, over hot water of course, sweetened and served hot with slices of golden canned cling peaches. A sprinkle of cinnamon over all is a delightful touch.

THERE'S NO way to accurately predict how people will vote.

READY, BOYS?—Dale Fowler shows the size of football to be used and the size of trophy to be won in this year's Punt, Pass & Kick contest for boys 8 through 13. Dale Fowler Ford, Inc., local sponsor of the contest, will conduct a clinic for all PPK contestants Sunday at 1 p.m. at Bobcat Stadium. The contest will be conducted by the local Ford agency and the Jaycees the following Sunday at 1 p.m. at the local football field. The three top scorers in each of six age divisions will win trophies, and the first-place winners will advance to the district PPK contest.

Underwood earns 'Top Cat' honor

Coach Brown L. Smith expressed pleasure with the game his Bobcats played Friday in defeating Farwell, 26-6.

"THEY'RE still making mistakes—fumbles, penalties, and interceptions—but are improving rapidly," he said.

Roger Underwood, junior guard, was named "Bobcat of the Week" and cited for his outstanding defensive play even when double- and triple-teamed.

Coach Smith also pointed to good efforts by Terry Powell, Shannon Truelock and Albert Earl Ewing, as well as the specialty teams, which were particularly good on punt coverage.

THE BAD news this week is that Robert Mayberry, sophomore tailback, will undergo knee surgery today (Thursday) and will be out for the season.

Friday the Bobcats will travel to Springlake for a game that is always hard-fought. Springlake, an excellent defensive team, shut out Morton in its first game and allowed only one touchdown last week. Fans from Dimmitt who are attending the game are invited to attend a Mexican food dinner at the Springlake school before the game.

The seventh and eighth grade B team will play their counterparts from Friona here Tuesday, beginning at 5 p.m.

THE FRESHMAN team lost to Friona last week, but looked good in spots. There will be some new starters in the lineup when they take on Muleshoe today (Thursday) at home at 5:30. This team has lots of desire, which helps make up for a lack of speed.

Following the showing of the Farwell game film, a short business meeting was held. The weekly prizes for the "Pick the Winners" contest were awarded to Joe Bob Sanders, first, and Brown L. Smith, second.

Brown leads region's rushers in Hart's 44-38 victory Friday

By KIPP BURNETT
"Oh, the chapel bells were ringing,
'Twas a great day in the town,
And the song that they were singing
Was for little Jimmy Brown..."
—Folk ballad

They were ready to sing that song after Hart's sophomore sensation, tailback Jimmy Brown, led all the territory's rushers with 315 yards and four touchdowns at Shallowater Friday night.

THE LONGHORNS put on a 24-point scoring exhibition in the fourth quarter to defeat the Mustangs by the whopping score of 44-38.

The game was a total offensive battle with teams seeing who could run the farthest the fastest. The Horns did both as they picked up their second win of the 1972 season.

Despite the big scores on both sides, there was only 1:54 left in the first quarter when Brown scored the initial touchdown of the evening, plunging across from one yard out after a drive that started at Hart's 45-yard line.

DAVID BARHAM attempted the extra point, but the kick was short, and the first quarter ended with Hart leading, 6-0.

Shallowater gained its first score early in the second quarter when the Longhorns repeated a mistake they committed in their win last week over Lazbuddie—they fumbled on their own 18-yard line after attempting a pass.

The Mustangs took advantage of the fumble and scored their first touchdown after two plays when Bobby Reeves found Ray Morris in the end zone for an 18-yard scoring strike. Jim Lester kicked the extra point, giving Shallowater a 7-6 lead.

HART returned the kickoff to the 25-yard line and started its second scoring drive. The Longhorns began to move the ball on the ground, then decided to

pass. Dirk Rambo, senior signal caller, stepped back into the pocket and threw his first touch down pass of the season to Dennis Hill. The play covered 60 yards with Hill making a fantastic one-handed catch and then outrunning all Mustang defenders for the score. Brown ran across for two extra points and the score stood 14-7 in Hart's favor.

The ball traded hands a couple of times before Shallowater found its second score. With about 1:25 left in the first half, the Mustangs' Bobby James broke a couple of tackles and picked up 33 yards and his first touchdown. Earl Taylor picked up the extra points on a sweep, leaving the Longhorns trailing at halftime, 15-14.

The second half was full of surprises for both teams. The biggest surprise was for the Mustangs, though, as they absorbed their first loss of the season. The Longhorns, despite a one-point deficit at halftime bounced back to pull out a big win.

THE SECOND half was an all out offensive battle, as little defensive effort was seen by the spectators.

Hart opened the second-half scoring with a drive starting on its own 45-yard line. Stan Dyer took the ball on the 13 and used his strength and speed to gain his third touchdown of the season. Dyer also tried to pick up two extra points, but was stopped just short of the goal.

Shallowater bounced back on its next possession, and just before the third quarter ended the Mustangs completed an 89-yard touchdown pass from Bobby Reeves to Ray Morris. Jim Lester kicked the extra point and put the Mustangs ahead at the end of the third quarter, 22-20.

THE FOURTH quarter made the difference for the Longhorns as they picked up 24 points and put the coup de gras to the Shallowater Mustangs.

Brown raced 21 yards to paydirt on a beautifully executed option from quarterback Dirk Rambo. Rambo then carried the ball on a rollout for the extra points, putting the Longhorns back ahead, 28 to 22.

With 8:05 left in the fourth quarter, freshman Barry George intercepted his second pass of the season and returned it 25 yards to the Shallowater 10. Three plays later, Brown scored his third touchdown from a yard out and Rambo made the extra points, extending the Longhorns' lead to 36-22.

THE MUSTANGS came right back with a long drive that climaxed in an 18-yard touchdown pass from Reeves to Larry Schuur, with the extra points coming on another pass from Reeves to Ray Menton for the two-point conversion. But the TD and conversion still left the Mustangs trailing, 36-30.

The longest run of the game came when Brown took another option pitch from Rambo and raced 75 yards for his fourth score of the game. A two-point conversion made it Hart 44, Shallowater 30.

BROWN'S 315 yards rushing hiked his total to over 500 yards in two games, the best of any back in the area.

The Longhorns will face Morton of District 3-AA Friday night at Morton. Kickoff time is 8 o'clock.

HARD WORKER—Dimmitt's Albert Earl Ewing (42) wrestles his way to the Farwell 14-yard line in the third quarter of Friday night's game at Farwell. Ewing, making his first varsity start, carried the ball six more times in a row after this play, finally punching across from the 1-yard line for his second touchdown and Dimmitt's third. Rick Wright

toed the point-after to give the Bobcats a 20-6 lead over their hosts, and the Cats went on to win, 26-6. Making the tackle on Ewing here are Farwell's Carl Kirkland (46) and Doug Johnston (82). At left are Dimmitt's Roger Underwood (60) and Farwell's David Dannheim (83).

Bobcats taste victory, 26-6

By JOHN BROOKS

For all but one minute of the first half, the Dimmitt-Farwell game seemed destined to be a battle between the 30-yard lines, with fumbles and penalties keeping the two teams in the scoreless corral.

BUT THEN, with only six seconds left in the first half, Albert Ewing capped off a Bobcat drive when he plunged over from two yards out. Rick Wright kicked the point-after to give the Bobcats a 7-0 command.

The touchdown capped off a half that saw the stingy Bobcat defense give up only one first down and 29 yards' total offense. The Bobcat defense also sent Farwell quarterback Kevin Hargrove to the sidelines for three full quarters.

Each team lost three fumbles. Farwell had six penalties for 50 yards and the Cats were caught five times, also being set back 50 yards.

The Bobcats gained almost 300 yards total offense while holding the Steers to under 200 yards. However, the glue-ligged Steers were more suc-

cessful in the air, gaining 95 yards to the Bobcats' 45.

The Steers struck back quickly after the opening kickoff of the second half. Backup quarterback Johnny Boling hit split end Doug Johnston on a 50-yard bomb to pull the Steers within a point, 7-6. The Steers could not produce on the try for a two-point conversion, however.

Score the Cats put the game out of reach. Forty-three seconds after the Farwell touchdown, Dimmitt's blockers sprung Florence Acevedo loose for a big 52-yard touchdown run from scrimmage. The kick for extra point was blocked, and the Bobcats had a 13-6 lead.

Score the Bobcats struck again, driving all the way down to the Steer 1, where Ewing again ran to paydirt on his seventh consecutive carry. This time Wright kicked it through the uprights to stretch the Dimmitt lead to 20-6.

In the fourth stanza Acevedo again rushed in for the TD from 18 yards away. Wright missed with the point-after kick to settle the final score at Dimmitt 26, Farwell 6.

Dimmitt held a big statistical edge, also. The Cats had 12 first downs to six for the Steers. The Cats had well over 200 yards rushing to less than 100 yards on the ground for the

Cats will visit Springlake next

By JOHN BROOKS

The Dimmitt Bobcats are preparing themselves for Friday night's bout at Springlake, and the anxious crew is not ready to let up now that it has a victory under its belt.

THE WOLVERINES will probably be the closest match-up according to size that the Bobcats will face this year.

The Wolverines are in a predicament much like that of the Cats: inexperience. Coach Duane Locke lost nine offensive starters from a 7-3 season. However, he greeted 10 returning lettermen this year.

Leading the Wolverines is 5-11 150-lb. senior quarterback Larry Thomas, who is their best runner. His primary receiver will be 6-1, 155-lb. senior end Brian Sanderson. Leading linemen are 5-7, 160-lb. senior guard Nicho Triana, and junior cen-

ter Brad Haley (5-8, 160). The Wolverines use a Veer-T and pro-set on offense and a split-six and 5-2 defense.

THE BOBCATS will have to play the rest of the season without sophomore speedster Robert Mayberry, who received a knee injury in the opening game against Muleshoe. Mayberry is to undergo knee surgery (cartilage removal) in Lubbock today.

However, the Cats found a great replacement at the tailback slot in junior Albert Ewing. Ewing scored two touchdowns and chalked up many big gains against Farwell Friday night. The Bobcats received no big injuries Friday, but did suffer from quite a few leg cramps.

Kickoff time will be 8 o'clock Friday night in Wolverine Stadium.

2-B opener

Nazareth downs Whiteface, 7-0

Nazareth and Whiteface could have stopped their game after the first quarter Friday night and it wouldn't have changed the outcome or the score.

THE SWIFTS struck for seven points in the initial period, then battled the Whitefaces scorelessly the rest of the game to capture their second straight victory.

This one was for the District 2-B ledger books, and gave the Swifts a tie for the early lead in conference play, with a long district slate still facing them.

Wingback Kent Birkenfeld set up Nazareth's touchdown with a 27-yard jaunt around end in the first quarter of the bout at Swift Field. Tailback Junior Joiner scored the TD on a two-yard dive and also kicked the extra point. With that, the scoring ended for the night.

WHITEFACE — coached by former Dimmitt assistant Roy Blair — held Nazareth at bay during the rest of the Swift-dominated game as the two squads battled to a standoff.

But try as they might, Blair's troops couldn't crack the rugged Nazareth defense, which

still hasn't given up a point this year. Pacing the Swift defensive wall were Dennis Kern and Stanley Gerber with seven tackles each, and Glenn and Kelvin Kleman with five apiece.

Quarterback Bernie Huseman teamed with Joiner and Birkenfeld to spark Nazareth's offense.

THE SWIFTS controlled the game, piling up 256 yards to Whiteface's 71 and chalking up 16 first downs to the visitors' six. Penalties were heavy as the Swifts had 70 steps paced of for eight infractions and Whiteface lost 60 yards for six no-nos.

Friday night, the Swifts will play their first away-from-home game, traveling to Amherst to meet the winless Bulldogs in another District 2-B encounter. Game time will be 8 p.m.

A LITTLE cream cheese blended into cottage cheese makes it richer tasting and different. Add fresh grated orange rind to the mixture and heap in big golden canned cling peach halves. Serve in lettuce cups with a topping of chopped nuts.

Friena defeats freshman Cats

Dimmitt's freshmen took it on the chin, 44-22, from a classy Friena freshman squad last Thursday in Bobcat Stadium.

QUARTERBACK Ronnie Lawson sparked the Bobkittens with touchdown runs of 43 and 22 yards. Kyle Touchstone scored the other Dimmitt TD on a four-yard plunge after halfback Steve Stanton had set it up with a 33-yard scamper.

Spearheading Dimmitt's defense were Daniel Montiel and Gilbert Nino.

"We were beaten by a good team," Coach Don Parker commented. "Our boys still need a lot of work and drills, and we are still looking at a number of players to fill some weak defensive positions."

"However, we felt our pass defense was fairly good," the coach added. "Friena didn't complete but one pass out of about 10 during the game."

The view from your library

By MARY EDNA HENDRIX
We have a few new books. Some of these are:

"THE PETER Prescription" by Dr. Laurence J. Peter author of "The Peter Principle." In "The Peter Principle," Dr. Peter told you why things always go wrong. In this new book, written with the same sharp wit and wisdom, he presents proven techniques for making things go right. We have had enough problems. Here is a book with a positive program for the future. Dr. Peter provides guidelines for achieving happiness in our private lives and satisfaction in our careers. He prescribes remedies for bureaucratic pollution and corporate punishment. He reinforces many of the things we have been wanting to say or do something about.

"The Optimist's Daughter" by Eudora Welty. Laurel Hand long absent from the South, comes from Chicago to New Orleans, where her father dies after surgery. With Fay, the stupid new young wife of her father, Laurel returns to her former Mississippi home and stays a few days after the funeral for reunions with old friends. In a night alone in the house she grew up in, she confronts elements of the past and comes to a better understanding of it and of herself and her parents. The simplicity of the story belies its universal implications. This is a story of "the great interrelated family of those who never know the meaning of what happened to them." Miss Welty shows us Laurel's struggle to come to terms with her father's death and with the life of the small Mississippi town he was so intimately involved with. In trying to deal with people who, like Fay, never even care to understand what

has happened to them, Laurel realizes that she too has kept her distance from a shared past. Like so many today, Laurel has lived in a city where she survives by avoiding any real involvement with those around her. It is only the shock of her father's death that leads her to new insights into the relationship between love and death and memory.

"The Man Who Loved Cat Dancing" by Marilyn Durham. This is a story about Jay Grobart. He's a former US Army officer, a hard man who has led a hard life, and when we first meet him he's about to pull of a train robbery; a crime made necessary, he believes, by the worse crime for which he has spent ten years in prison. At the crucial moment, he and his accomplices—an articulate Indian youth, a feisty cowhand, and a coldly evil bear of a man—find their plans disrupted by a woman in flight from her husband.

★
THE library board members met last Wednesday for some final planning. The specifications for the new building are in the library if you are interested in seeing them.

Satellite School needs volunteers

The Dimmitt Satellite School needs more volunteer aides. THE SCHOOL depends on volunteers to give two hours to half a day per week each to help Norma Conard, full-time teacher, with the training program for retarded children. Providing volunteer workers is one of the local community's responsibilities in the state-sponsored human development program.

Anyone who could assist two hours a week or more—especially on Monday, Wednesday, Thursday or Friday—should contact Mrs. Conard at 647-4425 during school hours or 647-4270 evenings.

LEADING THE CHEERS for Nazareth High School this year are these four spirited lassies. Kneeling are Emiline Huseman, left, and Jackie Guggemos. Standing are Peggy Book, left, and Kipa McFarland. All the

girls are seniors except Miss Huseman, a junior. The girls evidently are doing their job well, because the Swifts have won their first two games.

By AL FORRESTER
Club Pro

Cliff Cook captured the 1972 Dimmitt City Title during the golf tournament last weekend by scoring 72-69—141 for a 36-hole medal total.

BILL GLENN capped second in the Championship Flight with a 74-75—149; and third went to Bob Lindsey with a 73-77—150. Kenneth Cleveland grabbed top honors in the First Flight with a 78-77—155 total; Bill Williams came in second with a 82-76—158; and third went to Glenn Render with a 82-78—160 total.

Ben Derrick set the pace in the Second Flight by finishing

with scores of 86-86—172; second to D. H. Malone with 89-93—182; and third saw a tie among Rex Sheffy, Jim Cleavinger and Joe Carver all with 36-hole totals of 185.

★
THE CCC Novice Bridge Club met last Friday for their weekly play-day with Bobby Damron serving as hostess. Dee Williams came in first with a total of 6,580; second, Ramona Annen 4,030; third, Loretta Hucks 2,430; and fourth, Ellen Hrabal with 2,010.

Myrtle Sheffy graciously filled in at the last minute as guest player. Salette Gholson, bridge teach-

er from Hereford, says a good 'yardstick' to measure a penalty double is to count three playing tricks for a partner who has made an opening bid, or a take-out double, or no tricks from partner's hand if he has preempted. Add this to your trick-taking-power and act accordingly. If all your penalty doubles stand up, you are not doubling often enough.

★
DON'T FORGET the Ladies' City Golf Tournament Saturday and Sunday.

Entry Fee will be \$5 and does not include lunch. Players will be flighted according to handicap using match play.

The greens have been airfired, top dressed, fertilized and poisoned and are playing real good.

Ann Touchstone, awards chairman, announced that presentations would be Sunday afternoon after City Title play.

SHORT PUTTS: Neva Hickey had low puts in the Fourth Flight last Wednesday in Clovis at the Lower Plains Golf Tournament.

MANY A man has acquired a huge vocabulary by marrying it. — Record, Columbia, S.C.

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere...

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

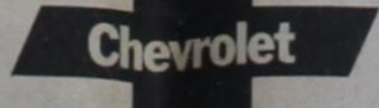

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

Building a better way to see the U.S.A.

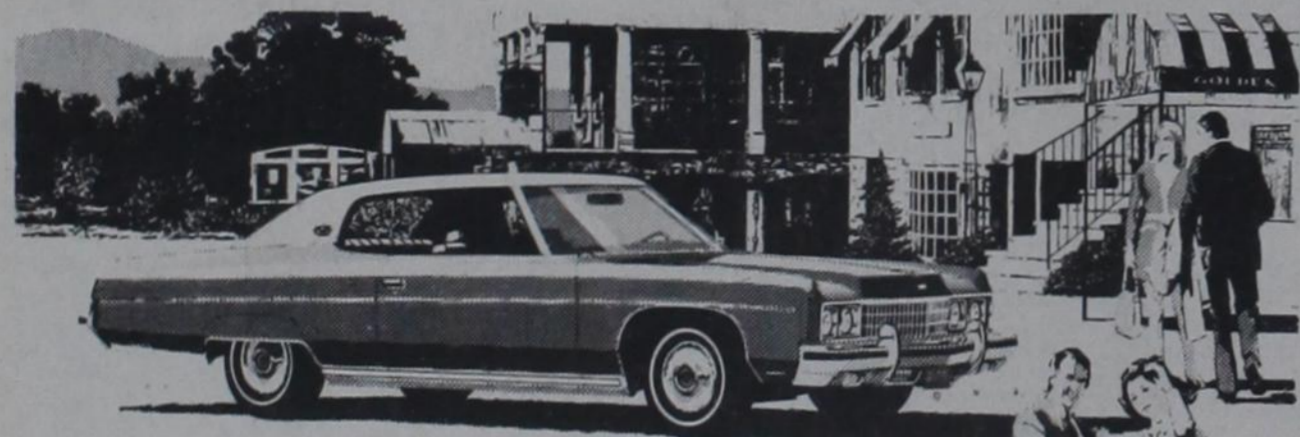

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting?

This year's are something to get

models. Nineteen different models to choose from.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy.

(below) Monte Carlo S Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

V.J.W. NEWS

By GERALD BROADSTREET

Greetings Comrades, As I mentioned last week we had a special joint meeting with the Ladies Auxiliary last Monday, Sept. 11. We had a lot of members there, both men and women. That's what I admire about our organization, the men and women can meet together and get so much accomplished by mutual cooperation. Our meeting was informal with Commander Eddie Adams as the master of ceremonies.

ONE OF the items we discussed was the possibility of a dance Saturday, Sept. 30. If the band we had in mind is available we'll have the dance. I'll let you know for sure next week.

Next we discussed how we could get together with the State Highway Dept. and Al Maurer, Comm Precinct 4, and try to improve the corner where the stop sign is located. With a little bit of luck we just might get some paving done and drainage improvement to rid of that mud hole that's been plaguing everyone.

It was brought up at the meeting that the oven on our kitchen stove was inoperative. So Ruby Dowse, out of the goodness of her heart donated one to our Post Home and all we have to do is go get it and hook it up. Thanks a million. Ruby, it was very kind of you. We appreciate it very much.

Another thing we hashed out was our Game Night activities. We have an idea that I think will increase the fun and excitement plus give the audience a chance to participate. We haven't got all the details perfected yet and it will be a few weeks before we put this into effect. Game Night has been going extremely well and we've had some nice big crowds. If you want to join in the fun be there Wednesday night before 8:30. You'll be glad you did.

COMRADES, this is your last notice to pay your dues before the 50 cent increase becomes effective. Mail your \$7.75 to me, turn it in to Howard Cook at the post or hand it to me in person, but I must have it before Sept. 28. After that day the renewal fee will be \$8.25. So far the dues have been coming in pretty good, but if you'll get down right now and fill out your check and send it to me we'll get everyone paid up before this increase becomes effective. I do not need the renewal notice that was mailed to you from National Headquarters. Your check is all I need.

Next week I'll have a report on one of our community activities projects. Right now I'm still gathering information on it.

Local physician earns status in family specialty

Billie H. Lee, M.D., of Dimmitt, has been named a diplomate of the American Board of Family Practice as a result of passing a certification examination administered under the aegis of the ABFP.

TO ACHIEVE diplomate status, Dr. Lee, through an intensive two-day written examination, proved his ability in the areas of internal medicine, surgery, obstetrics-gynecology, pediatrics, psychiatry, preventive medicine and other traditional specialties and now is certified in medicine's newest specialty—Family Practice.

The doctors who have earned diplomate distinction are the vanguard of a new type of highly competent "people doctor" who accepts responsibility for the patient's total health care and serves as the natural point of entry into the complex medical system.
