Horns Going To Region Play

First Game Will Be Played Friday Night

Bronte drew a bye and will not have to play in the first round of the regional contest.

Supt. C. B. Barbee and Coach Tommy Walter went to Big Spring Wednesday to help set up

the tournament and schedule. They called back Wednesday afternoon and reported their good fortune in missing a game

First game for the Longhorns will be at 7 p.m. Friday when

they will play the winner of the Sands-Socorro game which will be played Thursday at 7 p.m.

The other Friday game will put Roby and Paint Rock against each other at 8:30 p.m.

Play will resume Saturday and the losers' bracket will play at 2 p.m. to determine third place winner. The winners' bracket will play at 3:30 p.m. Saturday to determine the regional champ.

The Longhorn basketball team will try for the third time for the regional basketball crown this weekend when they travel to Big Spring for the big West Texas tournament at Howard County Junior College. In the last two sessions in Howard County they won the regional championship in 1966 and lost in the finals to Sands in 1967.

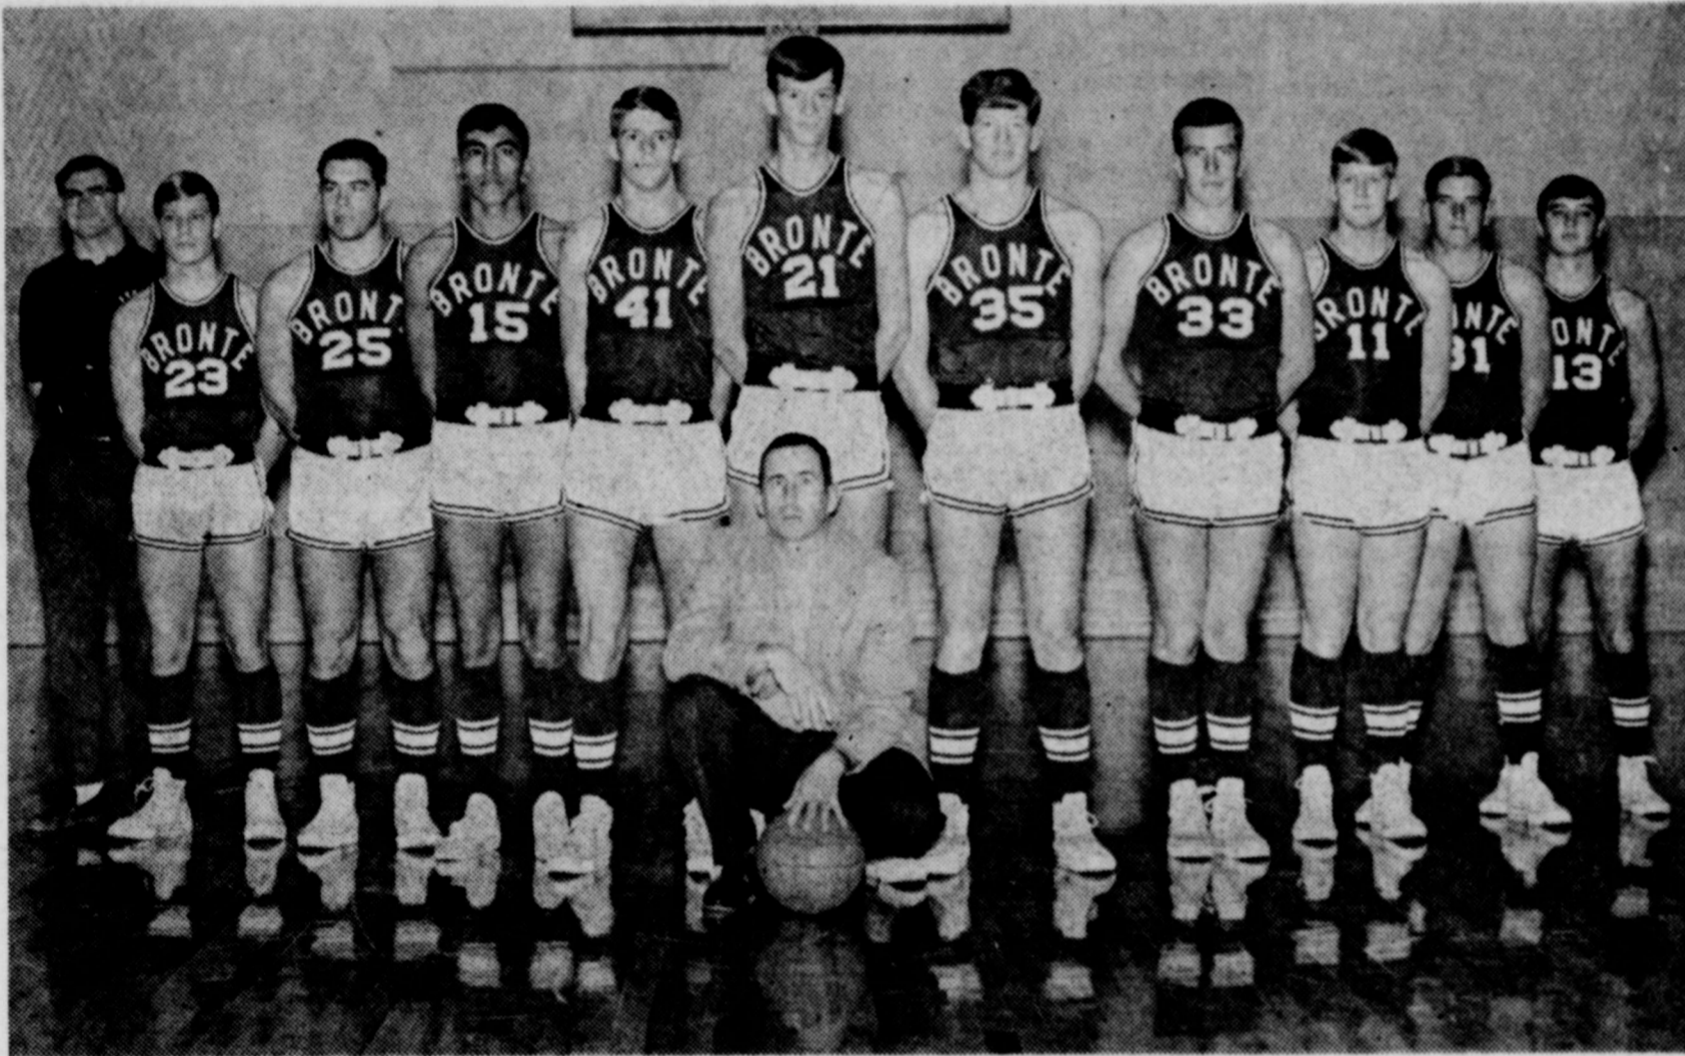

Advancing to the state tournament in Gregory gym in Austin two years ago the local lads played Snook in their opening encounter but lost to the state champs, from down on the Brazos.

The Longhorns are hoping for a repeat of 1966 at the regional tournament this year and another crack at the state title.

Coach James N. Raughton's charges advanced to the regional playoff when they defeated the Miles Bulldogs, 77-51, Tuesday night at Lakeview. The Longhorns enter regional competition with a 27-2 season record. They suffered an early season defeat from neighboring Blackwell and one in district play at the hands of mighty Forsan.

KRUN To Carry Games

Radio Station KRUN, Ballinger, will broadcast both the games in which Bronte participates. Broadcasts will be sponsored by Bronte merchants. The first contest will be at 7 p.m. Friday when the Longhorns will play the winner of the Sands-Socorro game. Time for the Saturday game is pending and will not be known until after the Friday game is completed.

CHAMPS AGAIN — For the third straight year, the Bronte Longhorns have won district basketball honors and are now ready to participate in the re-

gional tournament which will begin Thursday at Howard County Junior College in Big Spring. Squad members, from left, are Manager Victor Brock,

Charles Masterson, Doug McCutchen, Willie Zuniga, Keith Morris, Robert Gallaway, Davis Corley, Don Hageman, Randy Barbee, Jim Arrott and David

Glenn. Kneeling in front of his charges is Coach James N. Raughton.

Public School Week Dinner Tuesday Night

Bronte Masons and Lions will hold their annual ladies night banquet in observance of Public School Week next Tuesday, March 5, in the school lunchroom. All Masons and members of both Lions Clubs are invited to attend.

Following the banquet, the group will move to the auditorium for a short program. The public is invited to attend the program which will begin at 8 p.m.

Marvin Bryant, who is chairman of arrangements for the e-

vent, said that both the Masonic Lodge and Lions Clubs are keenly aware of the importance of public schools and this annual observance is one way of calling attention of citizens to them.

Included on the program will be the Rev. Austin Masterson, who will speak on behalf of Bronte lodge; Elmer Hurley, who will speak for the Lions; and Supt. C. B. Barbee, who will represent the school.

Public School Week runs this year from March 4-8, and all patrons and friends of Bronte School are invited to visit the school any time during this week.

Supt. C. B. Barbee said that the doors of the school are always open to visitors, but special emphasis is placed on visitation during this week.

"Taxpayers in Bronte School District have a lot at stake in what we do here on the campus," the superintendent said, "and we would like for all of you to acquaint yourselves with the operation of our school and what it offers your children."

Public School Week was originated 18 years ago by the Masonic Lodge because of the organization's historic interest in free public education in Texas.

FB Insurance Cos. Have Anniversary

An ad in this week's paper announces the 20th anniversary of the Texas Farm Bureau Insurance Companies. Wayne Arrott, president of Coke County Farm Bureau, said that the local organization is proud to participate in observance of this anniversary.

"We feel that Farm Bureau renders a vital service to farmers and ranchers of the county," he said, "and one of the most important of these services is the insurance protection provided."

Rain Breaks 4-Day Dry Spell In Area

A drought of four or five days was broken Tuesday night when the sunshine and warm weather of the weekend and first of the week disappeared. Reports on rain measurements in the Bronte area ranged from .3 to .4 of an inch.

The moisture came when a squall line moved into this area ahead of a cold front, producing spring-like thunder and lightning. The showers were almost like those which frequent this area in April and May, and were a far cry from the ice and snow which was here this time last week.

Forecasts call for possible continued rain and colder weather Thursday.

Heaviest rainfall reported Wednesday morning in Coke County was at Sanco where .6 inch fell. Robert Lee had .2.

Car Inspection Deadline Nears

Patrolman John Marion reported this week that more than 27,000 vehicles still remain to be inspected in his area for the official 1968 inspection sticker before the April 15 deadline.

Marion's area includes Sterling, Coke, Coleman, Runnels and Tom Green Counties. This area has 42,030 registered vehicles and only 35% have been inspected.

The patrolman reminded vehicle owners that under new provisions of the inspection law, the inspection will include front seat belts in cars where the anchorages are part of the manufacturer's original equipment. Also under the new provisions the steering, wheels and rims will be inspected.

Patrolmen urge motorists to have their vehicles inspected early in order to avoid the long lines which will develop as the inspection deadline of April 15 draws near.

Ron Johns Writes Letter To Editor From Hot Spot In Vietnam Battle Area

Editor's Note: It is the policy of this newspaper not to print poetry. We feel, however, that it will be obvious to our readers why we have suspended the rule in this instance.

Feb. 10, 1968
11 p.m.

Dear Ben and family,

I regret not having written sooner but you know how that is. I hope this letter finds you and your family doing well as it leaves me doing just fine under the circumstances. We are at a new area now and have been ever since December 30. It's called A.3 and is only about 400.500 meters south of the DMZ located halfway between Con Tien and Gio Linh. As you can guess it does reach a pretty high tempo battlewise occasionally! We were hit pretty hard by a battalion of NVA the seventh of this month and I must add the sights weren't pretty.

I've only got 93 more days and am looking forward to seeing you and old friends at Bronte. I should be getting my discharge upon arrival in the States in the middle or latter part of May. I intend to enter Hardin Simmons University in the fall of '68 and prepare for the ministry.

I have written a poem that I think expresses very much the way some think of Viet Nam although I know and hope that this isn't representative of all the people. I'd like for you to run it in the Enterprise if you have room enough. I have enclosed a

copy of it in this letter. If anyone cares to write feel free to give them my address as I still cherish memories of friends in dear 'old Bronte. Until May, may God bless you.

A friend always,
L/Cpl. Ron Johns

"Is This Representative of You?"

You sit at home and watch TV — You're sipping a refreshing glass of cold iced tea, When the news comes on, and you hear from a far off land, Where men are dying in the sand. A frown appears across your face, You're tired of hearing about that place.

Who cares about Viet Nam across the sea? It's far away, doesn't concern me. You'd rather hear the Beatles play

Than learn about the world today. But stop and think a moment or two, And ask yourself, does this concern you?

It's great to be alive and free — But what about the guys across the sea?

They are giving up their lives for me

So that I can live under liberty. They're far away and fighting a war,

Instead of fighting at my front door.

This guy who lives in filth and slime —

He's about my age, so why should he care

About the war somebody else should share?

You call him names and make fun of his cause,

Yet he's always first to land to win your wars.

"You lucky guy," — you laugh and sneer,

Because you have never known fear.

This young man faces it each day, Though he's always got something funny to say.

No mail again — a twinge of sorrow —

Oh, what the hell, there's always tomorrow!

The morale is low, the tension high,

Some even break down and cry. Thinking of loved ones at home,

he works all day, guards all night,

He's tired and sick, but he continues to fight.

The college crowd thinks he's a fool,

And that that makes him hard and cruel.

You don't appreciate what he will do,

Like giving up his life for you. He sacrifices much — gets nothing in return,

Just so you can stay in school and learn.

He believes in freedom and the American way of life

Amidst his troubles and unworldly strife.

No dances and parties for this young man

Until he gets back home again. The days are hot, the nights are,

too;

Boy, what a wonder a nice thick juicy steak would do,

Then someone shouts "We've got a hill to take!"

Some will be heroes because they are brave,

And others will get only a wreath upon thier grave.

You'll recognize him as he walks by,

Because there's a determined look in his eye.

He walks proud — this fighting machine —

He's known as a United States Marine!

COMMUNISM UNDER ANOTHER NAME

It is most unlikely that communism would ever be known in America as Communism. It would parade, like cancer, under some other guise, such as the People's Movement, or some other name. But first will come complete monopoly; then the communistic forces will take over. Why monopoly before Communism? Because once everything is operated by giant monopolies, the master plan for communistic take-over can be effected with ease.

Lammers Country Store

Serving You 7 Days A Week—7:30 a.m. to 8 p.m.

Hold out on the phone company.

After 7 p.m., you can call anywhere in the country for a dollar.

All long distance callers worth their salt know that calling in the daytime is more expensive than calling in the evening hours. (Actually, most people call during the day, when we charge our regular rates.) But long distance callers aren't interested in explanations. The only thing they care about is calling for

the cheapest possible price.

So to get more for their money, they devised a scheme you might call The Waiting Game.

The idea is to do just what the name implies: Wait and wait and wait and wait.

Because they know if they can hold out till after 7 p.m. or any time of the day on Saturday

or Sunday, they can call anywhere in the country for a dollar or less.*

Which just goes to prove that anybody can afford to call long distance.

Provided they know how to play The Game.

Easter Seal Letters Placed In Mail

Easter Seal Appeal letters are to be delivered this week in Coke County, according to Bill Allen, Easter Seal representative of the Easter Seal Society for Crippled Children and Adults of Texas. As representative, Allen serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as Treasurer of the Easter Seal Appeal in Coke County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal.

The Society also provides for research into the causes and cures of crippling conditions, fi-

na nces public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

Allen pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1967, the Texas Easter Seal Society provided treatment and services to 17,622 children and adults who were in need of rehabilitation services. These services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Allen added.

The campaign will run through Easter Sunday, April 14.
