New Baptist Parsonage

Public Invited to Dedication, Open House at Baptist Parsonage

A dedication service and open house are planned Sunday by First Baptist Church members of Bronte at the new parsonage which was recently completed. The house is located one block south of the church.

Everyone in the area is invited to attend the affair.

The Rev. Harry Morris, pastor, said Wednesday morning that they would like to have everybody in the community and surrounding area come by Sunday afternoon. "Both the dedication service and open house," he said "are for everybody, not just for members of the church."

The dedication service will be given at 2 p.m., and immediately following the open house will start and continue until 4:30 p.m.

The new parsonage was built by Martin Lee, local contractor, at a cost of approximately \$23,500.

PARENTS VISIT HERE

Mr. and Mrs. Charlie Jones of Plains spent several days here last week with their daughter, Miss Linda Jones.

AD-LIB-BEN

Saturday is election day. Even though there are only two candidates on the ballot, it is a most important election. The winner will probably be the next governor of Texas.

The two candidate's thoughts on what constitutes good government are at different ends of the political spectrum. Don Yarborough is well known for his liberal leaning, while Preston Smith is widely known for his conservatism.

Whatever your political philosophy may be, this is your chance to vote for the man who can represent your thinking. There is a definite choice.

The democratic way is for the majority to rule, but if the majority doesn't vote this is not possible. Your vote is important in the crucial contest, in order for the basic principles of our system to be effective.

It's a shame for a minority of qualified voters to determine the outcome of such an important race. We urge you to vote Saturday. Vote for the man whom you think can represent you the best. BUT, VOTE!

It contains four bedrooms, two baths, living room, dining room, kitchen, utility room, eating area, family room, pastor's study and

Holiday Thursday

Most business firms will be closed Thursday in observance of Memorial Day. Some businesses will remain open to take care of local and transient needs.

Also to be closed are First National Bank, the post office and the city hall. County offices in Robert Lee will be closed, also.

Kemp's Cleaners are announcing that they will be closed the rest of the week, including Thursday, Friday and Saturday.

The Bronte Enterprise will be closed Friday, instead of Thursday, since Thursday is publication day for the Goodfellow Monitor. The Enterprise will remain closed Saturday.

Memorial Day was first observed in 1868, mainly as a tribute to the dead of the Civil War. However, more modern observances pay tribute to veterans of all wars in which the U. S. has been involved. The holiday is also known as Decoration Day.

Church of Christ Sets Bible School

A Vacation Bible School is planned for next week, June 3 through 7, at Bronte Church of Christ. Sessions will be held each morning from 9 until 11 a.m. with a closing program at 7:30 p.m. Friday.

Theme for this year's school will be "My God is Real." Refreshments will be served daily.

Two trailers will cover the town each morning to pick up children.

Classes and teachers will be nursery, Misses Mary Champion and Linda Carlton; beginners, age 4, Misses Donna Sowell and Tam Grigg; beginners, age 5, Mrs. James Arnold Tidwell; primary, first grade, Mrs. Delbert Coalson and Mrs. C. E. Bruton; primary, grade 2, Mrs. J. Lee Ensor; pre-junior, grades 3 and 4, Mrs. Cecil Cox; junior, grades 5-7, Mrs. Elmer Champion.

Certificates and songbooks will be given for achievement.

The public is invited to the closing program Friday night in which the children will participate. It will be followed by an ice cream supper for everyone.

two car garage. The brick structure has central refrigerated air conditioning and heating.

The new home was made possible through the generosity of the late Mr. and Mrs. Frank Keeney, who willed a sizeable sum to the church for use as its members wished.

Refreshments will be served during the open house period, and Jackie Canada, popular Ballinger musician, will play organ music.

Members of the building committee for the project were E. F. Glenn, chairman, Mrs. Olive Keeney, Royce Fancher, J. B. Mackey and Mrs. C. B. Barbee.

OIL NEWS

A wildcat has been staked eight miles north of Bronte on the property of L. T. Youngblood. Styled A'Mell Oil Properties, Dallas No. 1 Youngblood, the drill-site is located 467 feet from the north and 2,173 feet from the east lines of Section 347, Block 1A, H&TC Survey. Projected depth is 5,600 feet.

The test is southwest of the Odom Lime Unit and one-half mile north-northeast of the 5,300 foot Gardner producer in a southwest extension area of the Fort Chadbourne multipay field.

Voters of Coke County will go to the polls Saturday to decide who their Democratic nominee for governor of the state will be. On the ticket are Preston Smith of Lubbock and Don Yarborough of Houston.

Saturday's election is a Second Democratic Primary and was made necessary because no candidate received a majority of the votes in the First Primary.

Yarborough led the ticket in the First Primary and Smith was not far behind in a field of 10 candidates.

Mrs. Winnie Waldrop, county clerk, reported Wednesday morning that 23 Coke County citizens voted absentee.

Polling places will be set up in each of the commissioner precincts of the county: at Robert Lee, Bronte, Green Mountain and Tennyson.

Annual Dedicated To Mrs. Fancher

The 1968 annual of Bronte High School was dedicated to Mrs. Royce Fancher, homemaking teacher. The dedication was announced and Mrs. Fancher was presented the first copy of the 1968 Longhorn at a school assembly last Friday. The presentation was made by Ann Cervenka, annual editor.

The dedication page of the yearbook bears the following inscription:

"To express the way Bronte High School students feel about our honoree is a difficult task. Within her, the Longhorns see a friend as well as a teacher.

"For 21 years, Bronte students have looked to her for knowledge, inspiration, friendship, and help. Her infinite patience has helped many students to understand the study of Home Economics better.

"As a teacher, counselor, and friend, she has helped her students to reach a better understanding of themselves and their fellow students.

"With grateful appreciation, admiration, and respect, we dedicate the 1968 LONGHORN to our teacher and friend, Mrs. Jean Fancher."

Editor Ann Cervenka Presents Annual to Mrs. Fancher

County Democratic chairman D. K. Glenn urged everyone to vote. "Even though there are only two candidates on the ballot," he said, "this is a very important race, since the outcome will in all likelihood decide who will be the next governor of Texas. As chairman of the party in Coke County, I want to urge all Democrats to vote."

Valuable Scholarships Go to Three

Three boys in the 1968 graduating class of Bronte High School have been awarded scholarships to attend Texas Colleges to study for bachelor degrees.

Charles Masterson and Don Hageman have received scholarships to attend Texas A&M University at College Station and David Glenn has received a scholarship to attend Texas Technological College.

Hageman was selected to receive a four year scholarship presented by the West Texas A&M Club. He was selected from applicants from Tom Green and surrounding counties which make up the organization. He is the son of Mr. and Mrs. C. E. Hageman, and was competing with the top ten per cent of students in all the high schools of this area. Hageman's award, announced by Club President Gene Hirshfeld of San Angelo, was based on scholarship, citizenship, and extra-curricular activities.

Reyes Olivas was the last Bronte High student to receive one of these scholarships.

Glenn's scholarship was awarded by the Pan American Petroleum Foundation for study in the field of geophysics. Only four scholarships were offered in this field in the United States. The foundation also offered four scholarships in geology and eight in petroleum engineering for a total of 16.

This scholarship is for four

years, renewable to all recipients who maintain a B average. The stipend starts at \$600 a year for freshmen, and increases gradually to \$1,000 for seniors.

Glenn was this year's winner of the award for having the highest scholastic average in Bronte High School. He also won the award in his sophomore year. His four year high school average was 93.681 and his average for this year was 95.450. He is the son of Mr. and Mrs. Clark Glenn.

Because Glenn was selected for the Pan American scholarship, Bronte High School was the recipient of a grant of \$200 for the purchase of equipment for the science department. Both he and the school received plaques signifying the honor of his selection.

Masterson also received a four-year scholarship to Texas A&M. His award is for study in the field of mathematics. Stipends vary according to the award and the individual.

Masterson's scholarship was presented as an Opportunity Award. These awards are supported by A&M Clubs, individuals, businesses, industry and other sources and are given on the basis of scholastic ability by the A&M Faculty Scholarship Committee.

Awards are presented each semester, but are retained for a full four years by all recipients who do satisfactory work.

Masterson is the son of the Rev. and Mrs. A. S. Masterson.

VOTE SATURDAY JUNE 1

TO: The Citizens and Voters of Texas
FROM: Preston Smith, Candidate for Governor

The purpose of this message is to ask for your support and vote in the Second Democratic Primary Saturday, June 1.

As your Lieutenant Governor for the last six years, I believe I have qualified myself to seek the high office of Governor. You know I finished second among 10 candidates in the First Primary, about 29,000 votes behind the leader with 1,750,000 votes cast.

With your help we can win this runoff against an opponent who has no public record of any kind... one who is aligned with groups that want to reject the progressive, constructive programs built by John Connally and his predecessors and replace them with so-called "liberal" ideas of their own.

I want to continue and improve on the start we have made in education, pollution control, law enforcement, highways, water conservation, promotion of industry and tourism, and many other vital areas.

I am proud to have been a part of Texas government for 18 years. Opponents may harp about what is wrong in Texas; I happen to think there are a lot of things RIGHT in Texas. I am proud of my state and its people.

Things can be even better, and I want to work with you in that direction.

It's more or less in the political tradition to lambast your opponent and say a lot of ugly and cutting things about him. I don't want to engage in personalities; my opponent has no public record to criticize. Therefore I am running for Governor on my own merits.

It may be pretty ambitious for a farm-born, farm-raised Texas boy, who worked his way through Texas Tech and spent his adult years in business activities in Lubbock, to aspire to be Governor. You will be the judges as to whether my experience and proven qualifications entitle me to be elected. I will accept your judgment with real gratitude for your past support and friendship.

Please remember that if I am elected, my door will always be open to any Texan who has any problem whatever that the Governor can help with. I will always be interested in good government. I will always be interested in you.

Preston Smith

Diplomas Awarded Seniors Following Address by Howard Payne President

Dr. Guy Newman, president of Howard Payne College, challenged the 1968 seniors of Bronte High School Tuesday night in his commencement address to prepare themselves for life the very best they can and afterward to live it to the hilt.

Dr. Newman holds a B.A. degree from Baylor, Master of Theology degrees from Southwestern Baptist Seminary and a Doctor of Divinity degree from Howard Payne. He has traveled extensively in Europe and the Middle East, as well as behind the iron curtain. Formerly a vice president of Baylor University, he has been president of Howard Payne since 1955.

The Baptist college president said the preparation has three basic essentials: 1. a person must have the desire to make something of himself if he is to be successful; 2. he must exercise self-discipline; 3. that he must commit himself to "the source of life and all goodness."

Dr. Newman also told the graduates that they must learn to discern good from bad and that they would find it a big help to retain their sense of humor.

Keith Morris, salutatorian of the class, welcomed the large crowd to the commencement exercises. David Glenn, valedictorian, gave the valedictory address and emphasized that proven ideas which have been tested can be rearranged to create new things in the world.

Prin. James L. Golson presented special awards, including scholarships from the Texas Council of Church Related Colleges to Glenn, Morris and Kreta Kiker, high girl in the class. Trophies also went to Glenn and Morris, and a special plaque from the Pan American Foundation was presented to Glenn.

Supt. C. B. Barbee presented the diplomas, assisted by Joe Rawlings, vice president of the board of trustees.

Special music was provided by a quartet of Kreta Kiker, Dorothy Ruth Martin, Janet Lee and Norma Pruitt. They were accompanied by Melissa Lee. Mrs. Martin Lee played the processional and recessional music as the seniors filed in and out of the auditorium.

Baccalaureate

A baccalaureate program honoring the seniors was held Sunday night. Cecil Cox, minister of the Bronte Church of Christ, delivered the sermon. Tommy Walter led the congregation in singing "Come Thou Almighty King," and the class in singing "Our Best."

Dr. Guy Newman

Marvin Thompson, class member, read the scripture.

Cox, in his message, likened the lives of the seniors to writing a composition, using punctuation marks to emphasize his points.

He used the comma as the symbol for the need to pause and reflect on the wonders and problems of this age.

The semi-colon, he said, is a mark used to coordinate major parts of a sentence, and is symbolic of the need to close any gap which exist between a person and God.

Cox likened the period to drawing near the end of life. He asked the seniors, "In 50 years from tonight, will your lives amount to nothing?"

Mentioning the question mark, Cox noted that there are many question marks in the life of each person which have to be answered.

The speaker used the exclamation point to urge the seniors to live their lives to the fullest but "be sure you drink from the right cup."
