'HEY—WHO'S OUT OF STEP?'
... Happy scene during Festival Dance Sunday night

**about
dimmitt
and
castro
county**
by b. m. n.

I notice that the weeds have been cut on some of the lots and some of the alleys in town since I called attention to the emergency last week. While improving the appearance of the lots that have been mowed, or whatever, the ones that haven't been cleaned up look much worse by comparison. We should get our town cleaned up before it grows up—in vegetation, that is.

If the city sales tax, collected by the State Comptroller of the Currency, is an indicator of a city's economic condition, and I believe it is, then Dimmitt is in much better shape than many of the towns of similar size in the state. Just for the information of the unenlightened, the city gets one out of every five cents of the sales tax paid by the tradespeople of the community, that is, after the state takes out a stipend for handling charges. This is the way that the City of Dimmitt's take compares with some of the villages in the area:

Dimmitt, \$4,340.06
Frona, \$2,317.28
Olton, \$1,110.57
Floydada, \$1,151.57
Littlefield, \$4,015.41
Tulia, \$2,683.26
Canyon, \$4,224.46
Perryton, \$4,070.91
Amarillo, \$196,864.45
Lubbock, \$210,072.60
Hereford, \$10,960.67
Muleshoe, \$4,055.80

These are sales tax receipts for one month.

Dimmitt's business community continues to grow with the newest addition being a new Montgomery Ward store to be owned and operated by Mr. and Mrs. Art Schreck. The new business will be located in the Bobcat Drive-In building on Broadway. A new addition to the building is being completed and the store will observe its Grand Opening this weekend.

Another new business that will probably open in Dimmitt before too long is designated on its building permit as a commercial tire store. The 50' x 100' metal building is being constructed by Hallmark Builders of Littlefield. Permits were issued for a \$55,000 building and \$10,000 worth of paving. We should have more information on this business before long.

City may contract service

Private trash collection?

CHAMPIONS of the District Junior Babe Ruth Tournament here were the Plainview All-Stars, who defeated Littlefield 17-0, Dimmitt 17-5 and Muleshoe 6-4 to capture the title. Here, Sandy Gardner accepts the championship trophy from

Tournament Director Bill Goldsmith following Friday night's victory over Muleshoe in the finals. For the tournament wrap-up and photos, see Pages 9 and 10.

Bob Caddell to head United Way campaign

Bob Caddell will be the campaign chairman for the Dimmitt area's first United Way fund drive this fall.

HE ACCEPTED the appointment last Thursday during a meeting of the UW board of directors.

"We're extremely fortunate to have Bob as our first campaign chairman," UW President Bob McLean said. "He's had experience with the United Way in Amarillo, he served on the steering committee that got

the United Way started here, and he has the organizational ability to get the job done."

Caddell appointed Garnett Holland chairman of the UW budget committee and Don Nelson chairman of the publicity committee. Holland is to name a vice-chairman to head the admissions committee, which determines what organizations will be "admitted" to the United Way to benefit from the all-in-one fund drive.

The United Way campaign will be conducted this fall.

New phone rates 75 cents higher

In a conference call with California officials of Continental Telephone Co. last Wednesday night, city commissioners agreed to a 75-cent rate increase for residential phones and larger increases for business phones in the city.

THE NEW rates are reflected in the telephone bills which Dimmitt residents received this week.

New base rates are \$7.50 for a private residential phone (up from \$6.75), \$6.50 for a two-party residential phone (up from \$5.75), \$15 for a private business phone (up from \$12.50), and \$13 for a two-party business phone (up from \$11).

The company had requested base rates of \$8 for private home phones and \$16 for private business phones.

ALTHOUGH the city commission isn't responsible for rural telephone rates, commissioners got the company to agree that it would hold the rate increases on rural phones to 75 cents also. New rates for rural telephones are \$9.50 for a four-party phone and \$6.50 for a multi-party phone.

The monthly charge for extension phones remains the

New business opens today

A new Montgomery-Ward catalog order agency will hold its grand opening today (Thursday), with a ribbon-cutting ceremony scheduled at 9 a.m.

THE NEW business, owned by Mr. and Mrs. Art Schreck, is located at the former site of Schreck's Bobcat Drive-In on North Broadway.

Officials of the city, chamber of commerce and Montgomery Ward will be on hand for the ribbon cutting.

same at \$1.50 for homes and \$2 for businesses. The company has dropped the charge for standard colored phones, although the monthly charge for specialty phones such as the Trimline or DecoTel models will continue at the same rates.

The commission also agreed to allow the company to increase its rates an additional 25 cents three months after Direct Distance Dialing goes into operation here. This was half the increase the company had requested.

"This was intended to hurry the company's completion of the DDD installation here, and [See PHONE RATES, Page 7]

County roping set Saturday

A \$400 saddle will be the top prize at the Second Annual Castro County Roping in the Dimmitt Arena at 7 p.m. Saturday.

SPONSOR of the contest is the Dimmitt Roping Club.

The saddle will be awarded to the roper with the best total time on three calves and three steers.

All Castro County residents, as well as members of the roping club, may enter. Entry fee is \$32.

DHS Class of '40 to meet Saturday

Dimmitt High School's Class of 1940 will hold its 35th anniversary reunion Saturday evening at the home of Judge and Mrs. Weldon Bradley, 200 SW Third St.

CLASS members will gather at 6 p.m. for a covered-dish supper, then the reunion will be open to all friends and visitors from 8 to 10 p.m.

15¢ Per Copy

German Festival sets new record

The Nazareth German Folk Festival set new records Sunday, with at least 25% more people than ever before attending all events.

THE LINE outside the community hall lasted for 3 1/2 hours as workers served German sausage, sauer kraut, kraut salad, corn on the cob, beef Stroganoff, hot potato salad, homemade bread, German chocolate cake and apple-strudel to 1,250 people, compared with 930 served last year.

Square dancers from throughout the Panhandle-Plains area gathered in the school cafeteria to swing their partners for two hours before the wurst supper started. The crowd at this year's square dance was at least twice as big as ever before.

More than 350 people attended the Festival Dance in the community hall Sunday night, dancing to the music of the Havlak Polka Band.

EARLY afternoon rains interrupted the afternoon baseball game three times, but the players kept popping back to the diamond after the showers, and finished their game before heading for the chow-line.

The art and craft show—a new event at the Folk Festival this year—was well attended as visitors shopped among the handicraft items and cast ballots for their favorite paintings.

Visitors from such faraway places as California, Iowa and Indiana joined those from Clovis, Littlefield, Amarillo, Canyon, Plainview, Dimmitt, Hart and other area cities in tasting the food and hospitality of the Folk Festival. In fact, two carloads of passing tourists turned in to see what was drawing the crowd, and were glad they did.

FESTIVAL Co-Chairman Jerome Brockman reported that

the day's events earned a net profit of almost \$3,000 on a \$5,000 gross volume for the day. Ten percent of the proceeds went to the County Activities Committee to help pay for Roundup and other planned events during the year, while the remaining proceeds were donated to the Nazareth Volunteer Fire Dept. and the Community Hall Fund.

Castro is in Texas Top 10 in vegetables

Castro County was among the top 10 vegetable-producing counties in the state in 1974, Agriculture Commissioner John C. White has announced.

CASTRO County ranked tenth in total vegetable acreage with 4,900. It was seventh in carrot and onion acreage.

Statistics on 1974 production, which have just been published by the Texas Crop and Livestock Reporting Service, show that Texas is still a major source for vegetables for the nation.

Texas is first in the US in harvested acres of watermelons, cabbage and fresh-market spinach; second in cantaloupes, carrots and onions; and fifth in green peppers. Hidalgo County was the top producer with 53,900 acres planted in vegetables.

TEXAS WAS third nationally in total fresh-market vegetables and fifth in total vegetable acreage behind California, Wisconsin, Florida and Minnesota.

A free copy of the vegetable statistics book is available from Commissioner John C. White, Texas Dept. of Agriculture, P.O. Box 12847, Austin, 78711.

Farm Heritage Traced In Bicentennial Series

As the United States enters its 200th birthday year, many words will be written and spoken about what made America great.

Agriculture played one of the most dynamic roles in our nation's development, as it still does today. It was the opening of the prairie, the agricultural development of "Middle America," that made it possible for our growing nation to feed itself and to become non-dependent as well as independent.

In our urban-oriented nation of today, food is generally viewed simply in terms of dollars: When its cost is low, food is taken for granted. When its costs rise, food is termed expensive.

The truth is that American agriculture has developed at a pace that makes it the envy of the world. Today, less than five percent of the nation's population is engaged in growing the food for the other 95 percent. This in itself is remarkable, and has come about because of many reasons. It's important that we reacquaint ourselves, during this Bicentennial year, with our agricultural heritage and with the developments that led, step by step, to the dynamic agriculture we have today.

Starting in this issue, the News will publish a series of interesting glimpses into America's agricultural development. Entitled "Bicentennial Farm Features," the series was researched and written by Don Collins and Dick Anglestein of Sperry-New Holland and Dick Wanner, editor of Lancaster Farming. This outstanding series utilizes historical photos, drawings and well-researched features to give readers an insight into the industry that makes America the best-fed country in the world.

MORE SAUSAGE, COMING UP!—Joe Drerup braves a cloud of smoke to turn a German sausage on the broiler during the Nazareth German Folk Festival Sunday afternoon. Using two large broilers that were made from trailer-tanks and fueled with

butane, the men cooked more than half a ton of the delicious sausage to serve a record crowd of 1,250 during the Wurst Supper. [The license plates are used for turning the sausage on the grill.]

Sheffy's chatter

Teacher describes 'fantastic' tour of Soviet Union

By MYRTLE SHEFFY

Decimae Dennis is home from her teaching job in Okinawa and Japan, visiting her parents Morgan and Geneva Dennis, and her brother, Edgar and families.

Decimae did an 18-day tour across Russia, which included the capitals of Siberia, Uzbekistan, Georgia, Crimea and Ukraine, followed by visits in Bulgaria, Austria and Germany.

She reports that the tour was a fantastic one and was most educational. The most important conclusion drawn about the Soviet Union is that we, as Americans, should be extremely proud of our heritage—particularly our free enterprise system and our freedom of religion—and we must do everything we can to protect and strengthen those freedoms.

Decimae will return to Okinawa in August for another school year where she teaches at Kubasaki High School, a Department of Defense School. Jo Ann Montgomery of Midland visited this week with Decimae and her family and with the Jack Cowsets and Harold Stephens.

LUCILLE Dollar is home from a good trip by jet to Anchorage, Alaska to visit her daughter Brenda and Bill Allen and children. She and family

made the seven-hour ferry trip. On each side of the water were the towering snow-capped mountains. They saw the big glacier, many other sights. Lucille stopped in Seattle, Wash. to visit her brother. She says that is the prettiest country of all, blooming flowers and big trees. The two grandkids came to Seattle for a visit. And while back Mrs. Dollar went to Tryon, N.C. to visit her parents and other relatives. You know she is one of the main school secretaries.

Helen Braafladt and daughter Joan Thrasher attended a class reunion of Helen's at Wichita, Kan. a while back. This reunion was at the beautiful country estate of Bill Graham, and the street is '1975 East Street'. Next year they change the name to 1976 Easy Street. Much fun remembering back when.

Butch and Bessie Strickland, their daughter and son-in-law Beth and Jackie Roberts and Linda McKneely went on a 10-day vacation recently. They went to Colorado Springs sight-seeing, up through Denver and Cheyenne, Wyo., across into Nebraska and through the Black Hills of South Dakota, just missed the Indian uprising by one day, on over to Pierre and Blunt, visited Butch's sister and family, Nita and Clyde Colson for a few days, then on down through Iowa, Missouri and Arkansas. Went to Eureka Springs where they have the Passion Play and statue of Christ, then down to Hot Springs, Ark. to visit Bessie's aunt Mr. and Mrs. John Howell, then on across Oklahoma and home. Really saw a lot of pretty country and saw snow in Colorado and temperatures over 100° in South Dakota. They were really glad to get back to West Texas where the weather is always different.

MR. AND MRS. Sam Nichols were hosts to his sister and family Mr. and Mrs. Jim Batts from Waco. Jim is teaching journalism at Baylor University. Also a prospective father to be soon. He is quite "brag-gie" about that deal.

Several people I hear—the Jim Howells, the Jerry Clucks, the Robert Ryans and maybe Edgar and Betty Dennis and all the children—go to Fort Worth this week to a big horse show. They will tell you about it later. Lois Cole spent two weeks in Florida with her daughter Barbara and family. Barbara and little daughter Brandi came home with her. Husband Don will come for them soon. Sherry

and baby Nicole of Amarillo, and Robbin Burkham and grandson from Stratford were here at the Coles. Then all went to Stratford to visit Jo Ann and family.

Claude and Cleo Forson and Mrs. Aubry Epperson spent Sunday visiting kin in Dalhart. Claude's 24-year-old granddaughter was injured in a car wreck near Littlefield and is still in intensive care, still unconscious after two weeks. The Forsons have been with her and the family.

BILLYE Gwen Davis and son Lance spent last week in Tulsa, Okla. visiting with her daughter Mrs. and Mr. Morris Price. Lance stayed in Weatherford, Okla. to visit with college friends.

Last weekend Jerry and Patti Cartwright and Jimmy and Elaine Fewell spent the weekend in Ruidoso.

Kenneth and Ruth Jackson are home from a few days in Estes Park, Colo.

Mr. and Mrs. William Moss and Jeffrey attended a family reunion of the Dennis family in St. Jo the week of the 20th.

Alvin and Frances Frazier, Gene and Connie Ivey joined the other Iveys in Littlefield for a get together in the Flame Room. This was last weekend.

Clyde and Barbara Shuford of El Paso were recent visitors in the home of his sister Mrs. Leola Haberer and the Haberer boys at Earth.

Little Amie Wesson of Lubbock is a guest of grandparents Allan and Peggy Webb and cousin Matt Bradley.

BIG T' PUMP CO. HAYS IMPLEMENT WESTERN AMMONIA CORP. FIRST STATE BANK

PEARL JOHNSTON is home from a good time trip to Kileen where she visited her son Don, who is with State Insurance and an apartment development. They toured Austin, on out to the LBJ Ranch, tried to see everything in six days. Pearl flew to Amarillo where Chesley took her home for supper then home. Chesley lives in Canyon now. He and family left by camper car for Six Flags and a tour of South Texas.

Mr. and Mrs. Buddy Bates of Plainview and their grandson Greg Bates of El Paso and his friend Shelly Morris of Plainview were guests of Mrs. Leona Rothwell at South Hills Manor last Saturday.

Lynn West, Guy Waldrop, Dutch LaRue and Jackie Powers are at A&M in College Station this week attending fire fighting school. Mrs. Lynn West and sister-in-law Shelia West and the children Tamma and Todd left here Sunday evening for LBJ Lake for a vacation, also to visit Mrs. West's parents Mr. and Mrs. Eldon Lilley. The Lillies are former residents of the Sunnyside community.

EDWIN RAMEY was host Sunday to a dinner and visiting party celebrating the 30th anniversary of son Bub and Emily Ramey and July birthdays of Decimae Dennis, the 9th, Emily, the 2nd, young Edgar, the 17th, Judy, the 27th. Bub cooked the dinner. He says they had liver, shrimp, fried chicken and all the good go-with foods. Other guests were

Mr. and Mrs. Morgan Dennis, Decimae, Jay Neal from Odessa, Mr. and Mrs. Edgar Ramey and girls of Amarillo, Decimae Beene of Friona, Mr. and Mrs. Tom Draper of Hereford. And Rose Acker came in the afternoon to hear about Decimae Dennis's trip to Russia.

Andy Kemp, a student at Texas Tech, was a guest of his grandmother Nettie Graham last weekend. Maggie Boren visited her son Jack and Betty in Lubbock. I saw them eating hot dogs with Mrs. Mahon at the drive in. Oh yes, let's sing "Happy Birthday" to Neal Lomenick, and many more. His day was Monday.

Keith McMahon of Taylor was in town with his family the R. V. McMahons working on their house. Keith is thinking about moving back to the Plains.

TED AND Nola Woods of Salida, Colo. were here last week attending to farm business. They stayed at the motel. Ted went on to Chickasha, Okla. to visit his brother and son Richard who is a coach. Nola is the twin sister of Noel Gollehon.

Misty and Tammy Bailey of Bridgeport spent last week with grandmother Nora Buchannon. Quite a group of girls and boys from here went to the two-week band camp at Lubbock. Home now are Diane Love, Jean Bradford, Cindy Kelly, Jo Beth Bates, Lisa Wales, Shelly Minnick, Lori Dyer, Vicki Cleveland, Kyle Wise and Johnny Merritt. So we will all go to the football

games to hear this bunch play their horns.

Mr. and Mrs. B. L. Moore and two grandsons of Dalhart and their son Don and Paraly Moore of here were Sunday dinner guests of Lottie Beard. The Moores have land northeast of town and Dalhart.

Mr. and Mrs. Pete Ricci and Alice of Long Beach and their hound dog big as a small horse came by to see cousins Franklin and Josephine Latimer and Ann after a trip east to Iowa and Arkansas and on and on.

MRS. TOMMY Stafford was the honoree at an "anticipating" party Saturday afternoon in the home of Mrs. Stanley Byrnes. Ladies came bringing gifts for the baby to be. They had homemade ice cream and cookies. Guests there were A'llan Bradley, Poppy Head of Hereford, Penny Hays Jarecki of Amarillo, Ellen Gregory, Paraly Moore, Mrs. Rex Sheffy, Mrs. Richard Connell and Mrs. Sue Summers.

Bob and Jean DuLaney, their son Brad, his friend Brad Sanders took the new yellow

boat up to Conchas Lake for some skiing, maybe a little fishing.

Mr. and Mrs. Ted Burnett and daughter Tammy of Quanah and Mr. and Mrs. Barney Green of Littlefield were Sunday guests of the ladies' brother Delbert and Jackie Smother-

man and the other sister Mrs. Rex Sheffy joined the family for a visit.

Pointing the way

Early churches used steeples to make the building higher than all others in the city. People could see God's House from any direction, and could easily find their way to a place of worship. Today, with many office buildings towering into the sky, churches are not always the tallest buildings. However, churches still point the way to God, and provide a place of worship.

[Continued from PAGE 2]

across Texas to Ruidoso and El Paso, home again where they have company. Ruth's sister Mrs. Ann Commack and a niece and family Mr. and Mrs. Lewis Dean and son Randy, all from Hopewell, Va.

Kristi Sheffy of Canyon is spending a week with her grandmother Polly Bell. They and hundreds of people went to Nazareth for the German festival.

I AM HOME from Dallas where I visited daughter Dorothy and Bill Bond. Had a good time. A group of friends were hostesses at a "glad you graduated" for Dorothy. She received her M.A. degree from East Texas at Commerce. She teaches high school machine business at Mesquite. Oh yes, the dinner was at the very elegant Chateaubriand Restaurant. And another day we went to a good cafe out east of Garland. I liked that. Dallas has

beautiful pecan trees bordering the creeks, and many blooming crepe myrtles over town. But I was glad to fly home by the big jet, of course to Lubbock, where Sid and the Kenneth Jacksons came for me.

Young guys Keith and Kevin Dawson of Abilene are here to visit grandparents Lennol and Irene Hester, pastor at First United Methodist Church. And coming this week are the boys' mother, Jarlene Dawson and another Hester daughter Betty Kuehler and little daughter from Lubbock.

Mr. and Mrs. Raymond West went to Vallejo, Calif. to visit their son Carroll and family. Carroll is with the Navy and he and family will go to Hawaii soon for more service.

FOR A beautiful sight, drive west of town on the hospital road about two miles. On the left are several acres of yellow wild flowers, just this side of the curve.

Nazareth

German Festival is huge success

By MRS. AGNES BROCKMAN

The German Festival was a great success Sunday. There were folks from so many towns I won't begin to mention for fear of forgetting or overlooking some. Anyway the committee and community certainly wish to thank everyone for coming. We met so many old acquaintances whom we hadn't seen in a long time. We hope you enjoyed it and will come back again. Around 1300 plates were served.

The community has been having some very nice and wonderful rain showers lately. Crops are doing well. Some of the vegetables, like the potatoes and onions, are ready to be harvested and need dry weather, but we can't get everything just right.

SYBIL Steffens visited in Dallas with her son Bobby Steffens and family for two weeks. They went to the Rio Grande Valley to visit relatives there. Everyone was busy harvesting maize at Brownsville. Trucks were lined up two and three miles long waiting to unload and be put on ships to be shipped out.

Mr. and Mrs. Chris Wethington visited over the weekend with the Bud Steffens. They will be moving to Nacogdoches where he will go to school.

The Leroy Hoeltings of Colorado Springs, Colo. spent a few days here visiting. Their daughters Pam and Sandy have been here several weeks visiting their grandparents, the Leonard Conrad and Greg Hoeltling families.

Mr. and Mrs. Francis Wilhelm were in Fort Worth to attend the American Legion and Auxiliary Convention July 17-19.

MRS. HELEN Burt left Sunday with her daughter Sue of Fort Worth to visit her children at Ardmore, Okla. and Longview.

Naomie Ramaekers and Debbie Schilling flew to San Antonio with some of the other Candy Strippers of Plains Memorial Hospital to attend a meeting.

The Little League All-Stars, which consisted of Chris Hatla, Brian Huseman, Gary Kleman,

Duane Acker, Rodney Heiman, Virgil Huseman, Calvin Schulte, Wayne Backus, Joe Kleman, Hugh Wilhelm, George Hochstein and Rodney Schulte, did quite well with their ball games. They beat the Happy All-Stars 13 to 7 the first game and 14 to 4 the second game. Their coaches were Edwin Huseman and Fred Acker.

AFTER THE second Mass Sunday, Natalie Rose Schmucker, daughter of the Ray Schmuckers, was baptized by Rev. Father Stanley. Sponsors were Mr. and Mrs. Gene Schmucker.

Sister Generose Huseman left to visit her sister Mrs. Florence Meeks at Junction. From there she will go to Fort Smith, Ark.

The Cyril Brockmans and Danny Schmuckers spent last weekend in Santa Fe, N.M.

The James Wilhelm family spent a couple of days at Six Flags in Dallas.

Weldon Wilhelm and Rodney Huseman left last week for the service. They will take their first training in San Antonio.

MR. AND MRS. Jerry Wilhelm are new parents. The baby was born last week in Swisher County Hospital.

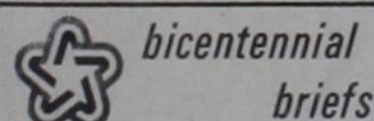

Linda Smith and son from Aurora, Colo. spent three weeks with her mother Rose Hindman.

The Walter Kern family left last Thursday for Yellowstone National Park for several days vacation.

Mr. and Mrs. A. P. Hoelting and Geneva Miller left last week for Truth or Consequences, N.M. and several other places of interest.

Mr. and Mrs. Charlie Barker spent the weekend with the James Wilhelms.

LITTLE Brigit Birkenfeld, daughter of Leslie Birkenfeld, had eye surgery in Amarillo Friday. We wish her a speedy recovery.

Farmers led the American Revolution, fought its battles, and supplied its armies with food.

George Washington, a Virginia planter, was the military leader of the colonists. Thomas Jefferson, also a Virginia planter, and Henry Laurens, a South Carolina planter, helped provide political leadership.

In 1775, farmers made up over 90% of the colonies' population. Several acts of Great Britain over a period of years antagonized most of this group.

Southerners resented being forced to ship their tobacco and indigo to Great Britain, while Northerners felt penalized when the British cut off their livestock and grain markets in the Spanish and French West Indies. And most farmers resented the Proclamation Act of 1763 which prohibited settlement west of the Alleghenies.

When the time for decision came, both the Continental Congress and the Continental Army were largely composed of—and acted for—the planters and farmers of the new nation.

A HOUSTON teenager told his father he needed some oil for his hair. His father bought him Oklahoma.

Rev. Jones helps direct Baptist church camp

By TEENY BOWDEN

Rev. Raymond Jones was co-director for the older boys camp at Plains Baptist Assembly Monday through Thursday. He was representing the Caprock-Plains area. The other director was representing the Lubbock Association.

Mr. and Mrs. Arden Fields became the parents of a little girl early Thursday morning. She weighed 7 pounds, 8 ounces and was named Kimberley Dawn. She and her mother were dismissed from the Littlefield Hospital Saturday morning.

W. R. LITTLE was admitted to Plains Memorial Hospital Thursday night and underwent tests the rest of the week. He was suffering from a kidney stone.

R. W. Watts of Hereford, brother of Mrs. Raymond Jones, was admitted to Medical Arts Hospital in Littlefield early Friday morning after suffering a heart attack. Rev. and Mrs.

Jones have been with him most of the time since then. While there they heard of a car wreck involving a friend from Spade who had been admitted to the Littlefield Hospital. They also visited with her and her family.

Ray Joe Riley was elected vice-chairman of the board of trustees of the High Plains Research Foundation at Halfway at the foundation's annual meeting recently.

Don Ott was a pallbearer for the funeral services for Danny George in Dimmitt last Saturday. Ben Holcomb and Carl Dean Carson were honorary pallbearers.

THE LIONS Club met Monday night for its regular meeting. The scheduled guest speaker was unable to come.

Mr. and Mrs. Hershel Wilson and Daneen were in a Christian Growth mission in Southside Baptist Church in Lubbock over the weekend. Mr. Wilson was the coordinator of the mission. Mr. and Mrs. Roy Phelan participated in the tes-

timony service Saturday night and visited with Mrs. M. D. Durham in her home.

Mrs. L. B. Bowden attended the Castro County Genealogical meeting in Dimmitt Thursday night.

Jackie Clark, Gale Sadler and L. B. Bowden attended the hail suppression meeting in Earth Monday night.

MR. AND MRS. Curtis Ott, Dan and Cynthia of Fairburn, S.D. arrived Wednesday to visit a week or so with Mr. and Mrs. Alton Louder, Mr. and Mrs. Bob Ott, and Mr. and Mrs. Milburn Haydon and other relatives. They and Mr. and Mrs. Irvin Ott of Big Square, Mr. and Mrs. Terry Ott and children of Pleasant Valley, Mr. and Mrs. Bill Ott and Mr. and Mrs. Ronald Ott and children of Hereford, Mr. and Mrs. Clarence Mitchell of Springlake, and Mr. and Mrs. John Seiver and children, Don Ott, Mr. and Mrs. Doug Louder and children, Mrs. Lowell Westmoreland and Gena of

Littlefield, Mrs. Ida James and Mr. Claus of Lubbock and Inez Ott of Plainview had dinner together at the community building Sunday.

Lisa Orr was honored with a bridal shower in Plainview Saturday in the home of Dr. and Mrs. Mitchell. Mrs. Vernon Orr was among the guests.

25 of an inch of rain was recorded for Saturday afternoon and a trace was received Sunday morning. .50 was recorded for early Monday morning.

Bubba Jones of Fort Worth spent Saturday night and Sunday with his parents, Rev. and Mrs. Raymond Jones and at Medical Arts Hospital with his uncle and other relatives. He and an uncle S. M. Watts of Leuders attended the Sunday morning services.

Hershel Wilson had charge of the Wednesday night prayer services in the absence of Rev. Jones who was at camp.

MR. AND MRS. Roy Phelan and his cousins, Mr. and Mrs.

Bill Dean of Halfway, returned home Monday evening from a vacation in Ruidoso. Mr. and Mrs. Noble Armstrong returned home last Sunday night from a weeks visit with her sister Mr. and Mrs. Lloyd Morrow of Brownwood.

Mr. and Mrs. Hershel Wilson returned home Monday from a weeks vacation and a family reunion at Possum Kingdom Lake. Daneen Wilson came in from camp Saturday, spent Saturday night with the Lonnie Wilsons in Levelland and Sunday and Sunday night with Susan Sadler.

Mr. and Mrs. Elza Crouch of Mills Valley, Calif. visited Tuesday afternoon with Mr. and Mrs. Roy Phelan.

Roy Parton of Hereford had dinner Monday with Mr. and Mrs. Cliff Brown, Lee and Lynn.

BAPTIST WOMEN met for the current missions program Wednesday night with Mrs. Alton Louder, group leader, in charge.

Dina Jo Hampton won a second place trophy in poles, fourth place trophy in barrels and sixth place trophy in reining at the Palmer County 4-H Horse Show in Bovina Saturday. To this point she is high point senior in poles.

Dina Jo, Belinda, Tommy and Duke Henry Hampton all won first place in county with their 4-H record books and will go to district in the near future.

Mr. and Mrs. Noah Spencer visited with Mrs. V. E. Bearden and Mrs. Dorothy Bryant of Oregon Thursday night in Hart.

MR. AND MRS. Bill Thrailkill and children of Duncanville arrived last Sunday night for a visit with his sister Mr. and Mrs. Robert Duke and family. Tammy and Kay stayed with the Dukes until Saturday night while their parents vacationed in Colorado.

Mr. and Mrs. C. A. Musgrove and their daughter Mrs. Janelle Smith of Santa Ynez, Calif. arrived Tuesday and vis-

ited until Thursday with their cousins Mr. and Mrs. John Spencer.

Robert Faine of Seminole, Okla., who has been in California for a year or two, arrived Tuesday and visited through Sunday with Mr. and Mrs. John Spencer. He is her nephew.

Mr. and Mrs. Hershel Wilson attended the funeral services of an uncle, Elbert Epperson of Levelland last Friday.

MR. AND MRS. Thomas Parson and children visited in Bovina with friends Saturday night. Their grandson, Edwin Parson of Kansas City, came home with them after a visit in Bovina with his other grandparents.

Mr. and Mrs. Robert Duke received word Tuesday that her uncle had passed away in Snyder and that her grandmother who was 102 had passed away in Houston. They attended the funeral services of her uncle in Snyder Thursday. [Continued on Page 10]

Jim Glenn

Glenn finishes Naval training

Navy Seaman Recruit James W. Glenn, son of Mr. and Mrs. Bill Glenn of Dimmitt, has graduated from recruit training at the Naval Training Center, San Diego.

Classes included instruction in seamanship, military regulations, firefighting, close-order drill, first aid and Navy history.

14—CARD OF THANKS

I would like to take this opportunity to say thank you to the mothers of teenagers who helped work in the concession stand and brought food for the Junior Babe Ruth Tournament, and for regular Minor, Little League and Babe Ruth League baseball games. I would like to say thank you to all our team chairman mothers who helped me during this season. Your time and help have made this another successful season of baseball for the youths of our community.

Sincerely,
JEAN ROBB
Ladies' Auxiliary President

14—CARD OF THANKS

I would like to take this opportunity to say thank you to the mothers of teenagers who helped work in the concession stand and brought food for the Junior Babe Ruth Tournament, and for regular Minor, Little League and Babe Ruth League baseball games. I would like to say thank you to all our team chairman mothers who helped me during this season. Your time and help have made this another successful season of baseball for the youths of our community.

Sincerely,
JEAN ROBB
Ladies' Auxiliary President

Trash . . .

[Continued from Page 1] these residents at \$1 each and sell them to the city for the same price.

THE CONTRACT service also would require that tree limbs be cut in four-foot lengths and bundled for pick-up, and that grass clippings be bagged or boxed for pick-up.

The proposed charge for the service is \$3 per home per month—\$1 more than city residents are now paying, and twice as much as they were paying three months ago before the city raised its rate.

Youts proposed that the city absorb the extra cost—at least for the time being—from its anticipated \$6,000-per-month savings in salaries and landfill costs if the city contracts for the service.

HOLLAND said the change-over would probably eliminate nine of the city's 11 Sanitation Dept. men from the city payroll, a saving of \$4,000 to \$4,500 per month. Customized Service Co., Inc., would furnish its own manpower, equipment, insurance, etc.

The commission authorized Holland to negotiate with the company's owner for a flat annual charge for the service, and to report back at the next commission meeting.

Homeowners' survey ordered on proposed commercial zone

Developer Tommy Stafford requested the Dimmitt City Commission Monday night to approve commercial zoning designation for a row of lots he's planning to develop as part of a residential addition where FM 3215 intersects with Front Street.

BUT the idea drew opposition from Mayor Elmer Youts, who commented that "that's about the only area we've got left in the city that's still exclusively residential, and I really think the people who have homes in the area would resent it."

The lots which Stafford requested for commercial designation all front on FM 3215 west of the Front Street intersection. Other lots south of these in the proposed new development would be restricted to single-family homes.

"I would be highly restrictive with the commercial lots," Stafford said. "Our idea is to have commercial buildings that would highly enhance the neighborhood, not degrade it."

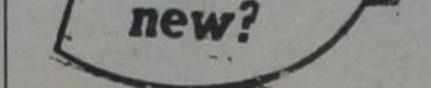

BUT YOUTS said that if a new business were to open, fail and close, the city would have

no control over its appearance.

"The city can't force a business to maintain its property and keep it attractive," Youts said. "Once the property is built on, it's private property."

After a long discussion, City Manager Garnett Holland offered to canvass all residents along nearby Pine Street to see what their opinions are on a proposed commercial zone there. Commissioners told him to conduct the canvass, and asked Stafford to postpone drawing his proposed plat until after the next city commission meeting.

Contractor urges uniform building code for Dimmitt

Contractor Don Hargrove urged the Dimmitt City Commission Monday night to adopt a uniform building code and enforce it "to guarantee the orderly growth of our town."

COMMISSIONERS agreed that a uniform code would be desirable, and said they'd study the current state code for cities.

"Nine out of 10 people don't pay any attention to a building code," Hargrove said, "but when problems come up they can cause trouble and hard feelings which could be averted by a full understanding and enforcement of a uniform building code."

Also, Hargrove said, a uniform building code would insure the buyer that his home or building was constructed to basic standards, and would protect the rapidly growing city from builders "who might throw up cheap buildings and then move on and leave the problems for somebody else to solve."

More about

Phone rates

[Continued from Page 1]

to insure that the bugs are worked out of it within three months," Reeford Burrous, local Continental operations manager, said. "The company would have had to come back and request another rate increase after DDD went into effect anyway, and the request would have been more than this, so the city commission saved Dimmitt's phone customers some money with this stipulation."

MEANWHILE, Continental announced its new rates this week for business "key system" (multiple switch-over) and PBX (central switchboard) phone service, which isn't under city jurisdiction. Rates on key system phones are now 1½ times the one-party business rate, and on PBX phones the rate is twice the one-party business phone amount.

Accident count

first six months:

3 killed, 14 hurt

The Texas Highway Patrol investigated nine accidents on rural highways in Castro County during June, according to Sgt. J. R. Smith, Highway Patrol supervisor of this area.

THESE crashes resulted in three persons injured, but no fatalities.

The rural traffic accident summary for Castro County

during the first six months of 1975 shows a total of 41 accidents resulting in three persons killed and 14 persons injured.

SUPPLIES of home canning lids are being allocated only to those retail outlets that have normally carried home canning supplies in the past. Lids are being distributed to areas as crops come in, Frances Reas-onover, foods and nutrition specialist with the Texas Agricultural Extension Service, says.

Keep Your Farm GREEN With a John Deere

4630

Same Size, But Bigger

The 150-hp John Deere 4630 diesel tractor features one of the soundest of John Deere's Sound Ideas: "growing bigger" without changing size. It has the bigger power with a compact profile, and a high horsepower-to-weight ratio.

Its engine is a variable-speed turbo-charged intercooled diesel. Combine this power plant with Quad-Range transmission, Perma-Clutch, closed-center hydraulic system, hydrostatic power steering and Sound-Gard body, and you have a real workhorse that will keep your farm GREEN. See it today at C&S Equipment Co.

C&S Equipment Co.

Introducing . . .

Western Ammonia Employee

Delynn Smith

Delynn, a Dimmitt resident since 1966, joined Western Ammonia as an operator trainee last Feb. 10.

A native of Borger, he graduated from Borger High School and studied business administration at the University of Oklahoma. He served three years in the Army, with a Nike-Hercules missile battalion in the Los Angeles area.

After his separation from active Army duty, he joined Friona Feed Yards. Later was office manager at Dimmitt Feed Yards, then went to Sooner Beef at Guymon, Okla.

He has four children—Kim, 10, Cindy, 8, Lance, 6, and Paul, 4.

First Bicentennial coins arrive

The first State Bank of Dimmitt has received its first allotment of Bicentennial half-dollars. The newly minted coins are available on a first-come, first-served basis.

A word about the Bicentennial coin issue: In honor of our nation's 200th birthday year, the designs on the reverse sides (backs) of the dollar, half dollar and quarter are being changed this year by the US Mint.

(The dollar and quarter will be issued later this year.)

Only the reverse side of the coins are redesigned. The half dollar depicts Independence Hall. The back of the quarter pictures a Colonial drummer. The reverse side of the dollar shows the Liberty Bell and the moon.

On the "face" of each coin, only one change is

made—the date, which reads "1776-1976." The heads of Presidents Eisenhower, Kennedy and Washington continue to be honored on the dollar, half dollar and quarter, respectively.

As a result of the special Bicentennial issue, the US Mint will produce no coins dated 1975.

The Bicentennial coins are the same size, shape, weight and metallic composition as the 1974 coins. However, special sets are available for collectors.

If you'd like a 40% silver "proof" set (\$12) or a complete set in "uncirculated" quality coins (\$9), write to the Bureau of the Mint, 55 Mint Street, San Francisco, CA 96175. The special sets are hand-somely packaged.

If you'd like some of the new-issue half dollars to save or spend, drop by the First State Bank of Dimmitt today.

CheckMaster
The true electronic checkbook

CheckMaster is truly the first of its kind. An electronic checkbook that's the ultimate answer in personal checking accuracy. It eliminates the confusion and frustration of not knowing your balance. And the drudgery of checkbook balancing.

Plainview's big bats, nifty pitching clinch BR title

The Plainview All-Stars exploded for four runs in the sixth inning to take a come-from-behind 6-4 victory over Muleshoe for the district Junior Babe Ruth championship here Friday night.

UNTIL THE championship game, the district tourney here had been a breeze for the powerful Plainview team, with a 17-0 victory over Littlefield and a 17-5 win over Dimmitt.

But the determined Muleshoe team—which had to climb back to the title game through the losers' bracket after dropping its opening contest—gave the Plainview All-Stars more than they could handle for five innings.

The title match featured a duel between two fine pitchers—Muleshoe's Billy Vinson and Plainview's Jamie McAlister—plus sparkling infield action and a slew of pick-off plays by two equally gifted catchers.

MULESHOE struck for three runs in the top of the second, knocking Plainview starter Russell Hancock off the mound. Vinson, meanwhile, kept the powerful Plainview bats silent for three innings. Plainview finally got a run in the bottom of the fourth to make it 3-1. Muleshoe added a run in the fifth to regain its three-run advantage, 4-1.

Plainview got a rally going in the fifth, scoring a run and loading the bases, but good clutch pitching by Vinson and a pick-off play at third put out the fire.

McAlister—who had fired 18 strike-outs in Plainview's first

RUNNERS-UP—Muleshoe pitcher Billy Vinson, backed by Manager Ronnie Jones and teammates, accepts the district runner-up trophy from Tournament Director Bill Goldsmith Friday night after the championship game of the District Junior

Babe Ruth Tournament here. After losing their opener to Littlefield, the Muleshoe All-Stars came back to defeat Olton, Littlefield and Dimmitt for the right to play Plainview for the championship. Plainview won the title game, 6-4.

game—had control problems for a while after relieving Hancock in the second. But his blazing fireballs started breaking right in the sixth and he held Muleshoe's batters at bay

the rest of the game. He finished with eight strike-outs and seven walks, and gave up only three hits. Muleshoe's run in the top of the fifth was to be the last for the Bailey County lads.

THE ROOF fell in on Muleshoe in the bottom of the sixth. Timely extra-base hits and a couple of Muleshoe errors took their toll as the Plainview lads struck for four runs to take the lead for the first time, 6-4. McAlister bore down in the top of the seventh to dispense Muleshoe's batters three-up and three-down, locking in the victory and the championship.

For Muleshoe, Vinson finished with eight strike-outs and three walks, and gave up seven hits.

During their three games, Plainview's All-Stars scored 40 runs to their opponents' nine.

DIMMITT and Littlefield tied

for third in the district tourney with identical 1-2 records, both losing to Plainview and Muleshoe after winning their opening-round games. Winless Olton finished fifth with losses to Dimmitt and Muleshoe.

TO ADVANCE to the championship game, the Muleshoe All-Stars won a rematch against Littlefield, 8-1, last Wednesday night and defeated Dimmitt, 4-2 last Thursday night in the semifinals.

Billy Vinson fanned 10 Littlefield batters, walked three and gave up only three hits in Muleshoe's rematch victory. Littlefield scored its lone run in the fourth inning, while Muleshoe surged to a 6-0 lead in the first three frames and added two more in the fifth, tagging Littlefield hurlers Junior Sierra and Rudolph Smith for nine hits.

IN THE showdown between the only two unbeaten teams last Wednesday, Dimmitt and Plainview fought a close duel for three innings before Plainview's big bats and a rash of Dimmitt errors started spelling the difference.

After the opening frame ended in a 1-1 deadlock, Plainview jumped to a 5-2 lead as Dimmitt closed it to 5-4 in the bottom of the third.

But in the top of the fourth, Plainview knocked starting pitcher Larry Bossett off the mound with a four-run rally. Durwin Huseman replaced Bossett, only to see Plainview's Jay Miller and Jamie McAlister tag him for back-to-back home runs. Kim McRea hurled the final three innings for Dimmitt, posting five strike-outs while giving up five hits, as Plainview continued its onslaught with five runs in the fifth and three more in the sixth for a

17-5 victory.

BOSSETT finished his three-inning stint with seven strike-outs, nine walks and five hits, including a round-tripper by Plainview's Boni Garcia.

Winning pitcher was Jackie Edwards, who fanned seven Dimmitt batters, walked nine and gave up five hits while going the distance for Plainview.

THE LOSS to Plainview threw the host Dimmitt All-Stars into a do-or-die game

against Muleshoe Thursday night. Five errors by Dimmitt vs. none by Muleshoe made the difference in the game as the visitors captured a 4-2 victory.

The game was deadlocked most of the way, with each team scoring a run in the second. Muleshoe picked up two runs on Dimmitt errors in the fifth to gain the advantage, and the two teams got a run apiece again in the sixth to end the night's scoring.

Rocky Rawls went the distance for Dimmitt, fanning sev-

en Muleshoe batters, walking four and giving up six hits. Winning pitcher was Muleshoe's Mark Washington, who posted nine strike-outs, walked two, hit one batter with a pitch, and gave up four hits—including a home run by Durwin Huseman in the sixth for Dimmitt's only round-tripper of the tournament. Muleshoe posted one double-play.

In addition to pitching a good game, Rawls posted Dimmitt's only RBI when he drove in the host team's second-inning run.

HOME RUN!—Durwin Huseman of the Dimmitt All-Stars is met at home plate by his teammates after slamming Dimmitt's only home run of the District Junior Babe Ruth Tournament here. Huseman's round-tripper was a mile-high clout over the left-field fence

in the sixth inning of Dimmitt's game against Muleshoe in the semifinals. The run brought Dimmitt to within a point of Muleshoe, 2-3, but the visitors won the game, 4-2, to eliminate the host team.

Many Approaches

Scientists seeking an answer to cancer are involved in many different kinds of studies—for example, virology (the study of viruses as a possible cause of cancer), cell biology and immunology (the study of the body's natural defense system). It's important to keep each kind of research going at top speed, say the American Cancer Society volunteers as they conduct the April 1975 ACS educational and fund-raising Crusade nationwide.

Farm Safety Is Farm Security, Check for Hazards Now!

Your farm's future is in your hands... when was the last time you checked it for safety? Now is the time to see that buildings, machinery and electrical circuits are in good shape. Save yourself possible tragic loss. Teach safety rules to family and hands, and see that they're observed. Tell them what to do in case of emergency. Play it safe all the way. Extra precautions pay off in extra profits for you. Safety is your biggest plus.

Farm Safety Week JULY 25-31

Castro County Grain Co.

409 E. Bedford

647-3347

FARM SAFETY WEEK

JULY 25 to 31

It's time to double check precautions, eliminate any farm hazards.

Protect Your Life's Investment: Follow Farm Safety Rules

We all know what the rules are. The thing is to make them a daily habit... set a firm example... and insist that family and farm hands get in the habit, too. No matter how busy you are, nothing is more important than farm security.

Get the rules straight and repeat them until it becomes second nature to everyone. No smoking in buildings! No clowning around with equipment... and no postponing repairs! Correct malfunctions or possible hazards immediately as you spot them. Report any changes in livestock. Make sure that everything on the farm is always in sound shape. Keep on the alert. Your security is at stake.

Canyon church is scene of Ringo-Harris wedding

Miss Debbie Ringo and Eddie Harris exchanged wedding vows July 5 in the University Chapel in Canyon with Rev. Jim Hancock of the First Baptist Church of Canyon officiating.

THE BRIDE is the daughter of Mr. and Mrs. Kenneth Ringo of Canyon, formerly of Dimmitt. The groom is the son of Anita Harris of Lamar, Colo., and Jackie Harris of Plainview.

Cindy Ringo, sister of the bride, served as maid of honor. Andy Mays of Dimmitt was best man.

Escorted and presented in marriage by her father, the bride was attired in a gown of silk nylon lace over satin,

Shower honors Sherri Burrous

Sherri Burrous, bride-elect of Jerry Matthews, was the honoree at a bridal shower Saturday afternoon in the home of Mrs. Donald Wright.

MRS. WRIGHT greeted the guests and presented them to Miss Burrous, her mother, Mrs. Reeford Burrous, and to Mrs. J. R. Matthews, mother of the groom.

Joyce Wooten presided at the guest book. The serving table was decorated with an antique white tulle cloth with a centerpiece of yellow glads and daisies accented by a silver punchbowl and serving pieces.

Serving angel food cake roll, frozen banana punch and nuts were Kim Miller, Becki Carpenter, Mrs. Barry Pittman of Sunnyside and Sharla Burrous, sister of the bride.

Twenty-seven other hostesses assisted Mrs. Wright. Out-of-town guests included both of Miss Burrous' grandmothers, Mrs. Rose Donald of Muleshoe and Mrs. Henry Stovall of Clovis; Mrs. Jim Matthews of Spade, paternal grandmother of the groom; Mrs. Zane Donald of Lubbock, Mrs. Terry Stovall and Mrs. Donnie Erbin of Clovis, and Mrs. San Sewell, Mrs. Raymond Sewell and children and Mrs. Danny Sewell, all of Anton.

Bain-Goldsmith plans are told

Mr. and Mrs. R. C. Bain of Hereford announce the engagement and approaching marriage of their daughter, Karen Ray, to Teddie Scott Goldsmith, son of Mr. and Mrs. W. J. Goldsmith of Dimmitt.

MISS BAIN is a 1970 graduate of Hereford High School and a 1974 graduate of Texas Tech. Goldsmith is a 1968 graduate of Gruver High School. Both are presently employed by Amstar Corp. in Dimmitt.

The couple plans a Sept. 20 wedding in the Avenue Baptist Church of Hereford.

New 4-H specialist named for Panhandle-Plains area

The Texas Agricultural Extension Service has named a 4-H and youth specialist for the Panhandle and South Plains area. She is Martha E. Couch, who served as Gaines County Extension Agent for the past three years.

THE NEW specialist will be headquartered at the Texas A&M University Agricultural Research and Extension Center at Lubbock. She assumes the position vacated by Edwin T. Garnett, who was headquartered at Amarillo.

According to Dr. Donald Stormer, state 4-H and youth leader, Miss Couch will give leadership to the 4-H and youth phase of the Extension Service program in Districts 1 and 2, which encompass 42 counties.

"Particular emphasis will be directed to expanding the 4-H program as well as to plan and implement programs in leadership and curriculum development," he noted.

"**WE ARE** fortunate to have Miss Couch assume this position," added Stormer. "She has a wealth of 4-H experience, having been an active member for 10 years and having directed the 4-H program in Gaines County for two years."

Miss Couch was appointed as assistant county Extension agent for Gaines County in May, 1972, and was named county Extension agent in September, 1974.

She is the daughter of Mr. and Mrs. John Couch of Big Spring. During her 4-H career, she won many awards and honors, including the Howard County Gold Star Girl and state

designed with a fitted lace bodice, sweetheart neckline, long pointed sleeves and full skirt terminating in a chapel-length train. The dress was designed by the bride's grandmother, and had also been worn by her mother at her wedding.

FOLLOWING a wedding trip to Santa Fe, N.M., the couple will reside in Dimmitt, where the groom is employed by Amstar Corp.

Miss Hamilton, Robison to wed

Mr. and Mrs. Freddie Hamilton announce the engagement of their daughter, Terry, to Steve Robison, son of Mr. and Mrs. Jimmie Robison of Hereford.

THE WEDDING will be Sept. 6 at 7:30 p.m. in the First Baptist Church of Dimmitt, with friends of the couple invited.

Miss Hamilton will graduate Aug. 8 from Lubbock Christian High School.

Robison, a 1974 graduate of Hereford High School, is engaged in farming near Hereford.

Couple plans Austin wedding

Colleen Lowery, daughter of Mr. and Mrs. William A. Lowery of Dallas, will become the bride of Kerry Joe Brockman, son of Mr. and Mrs. Ernest G. Brockman of Nazareth, Aug. 23 in St. Austin's Catholic Church in Austin.

THE BRIDE-elect, a Bishop Dunne High School graduate, received her bachelor's degree from the University of Texas. Brockman, a graduate of Nazareth High School, is attending UT-Austin.

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

JULY 24 - Gerald and Sheila Brockman, Mr. and Mrs. Earl Backus, Charles and Sue Summers, Lester and Beth Schulte.

JULY 25 - Steve and Drilma Handley, Cary and Cathy Jackson.

JULY 26 - Teddy and Vicki Smithson, Mr. and Mrs. Greg Hoelting.

JULY 27 - Tommy and Teresa Wethington.

JULY 28 - Edwin and Irene Huseman.

Efficient use of freezer will save time, money

Consumers can save time and money by efficient use of the home freezer during the fresh fruit and vegetable season, Marilyn Haggard, foods and nutrition specialist, advised this week.

"**THIS MEANS** using proper freezer containers, selecting quality fruits and vegetables for the freezer, and using proper techniques of preservation," the specialist with the Texas Agricultural Extension service said.

Freezer containers should be moisture-vapor proof, odorless, tasteless, greaseproof, and should seal tightly. Rigid containers such as glass jars and plastic and waxed cardboard freezer cartons are recommended for vegetables and fruits which are frozen without sirup or added sugar.

"Fruits and vegetables to be frozen should be young and tender, without bruises or blemishes. Vegetables should be blanched and cooled immediately to stop the growth of enzymes which cause the vegetables to mature.

"The texture and flavor of most fruits is well preserved by sugar sprinkled on the fruit, or by a sugar sirup. Some fruits such as strawberries and cherries can be frozen whole without sugar," she said.

Fruits which tend to darken when sliced—peaches, apples—should be treated with lemon juice or a commercial form of ascorbic acid to prevent discoloration, the specialist said.

Happy parish plans bazaar

The Holy Name Parish of Happy will hold its annual bazaar Aug. 3 in the parish hall.

A **DINNER** of barbecued beef, salads, vegetables, relishes, homemade bread and chocolate cake will be served from 11:30 a.m. to 2 p.m. Price will be \$2.50 per plate for adults and \$1.25 for children 6 to 12, with pre-school children free.

The bazaar will include a country store, fish pond, soft-drink booths and games throughout the afternoon.

Socially Yours

Couple exchange vows in home ceremony here

Mr. and Mrs. D. L. Wright and Mr. and Mrs. Donald Wright announce the marriage of their sister, Miss Dorothy Mae Wright, to David Milton Draper of Tahoka in a formal afternoon ceremony July 9 in the home of Donald Wright of Dimmitt.

THE GROOM is the son of Mr. and Mrs. Buel Draper of Tahoka.

Rev. Jim T. Pickens of Abilene performed the ceremony before a satin-draped mantel accented with greenery. On the mantel were white candles centered by the wedding candle. Mrs. Richard Bales of Canyon played traditional wedding music and joined her husband in singing "We've Only Just Begun" and "O Master, Let Me Walk With Thee."

GIVEN IN marriage in behalf of her parents by her brother, Donald, the bride wore a traditional gown designed especially for her in pure silk organza with accents of Venice lace.

The gown was made of candlelight color and featured a molded Empire bodice with a picture-frame yoke of Swiss net, applied in white Venice lace flower clusters forming a sunburst effect. A high wedding-band neckline was edged in rows of Venice lace scallops, and long candlestick sleeves of Swiss net were applied in the white Venice lace flowers with cuffs of the lace scallops closed with buttons and loops. The controlled skirt of silk organza was sprinkled throughout with tiny clusters of lace flowers in white, with fullness worked to the back to form her chapel-length train. The entire hemline and train were encircled with a border of scalloped lace.

Her headpiece and veiling were designed to match her gown. The Camelot style head-dress was made of white lace flower clusters over candlelight silk and held her long chapel-length veil of candlelight that was sprinkled with clusters of white Venice lace.

She carried a bouquet of a large white orchid surrounded with stephanotis and baby's breath, accented with lace and ribbon streamers.

MAID OF honor was Sherri Wright, the only niece of the bride. She was attired in a floor-length yellow organza dress trimmed with white collar and cuffs. She wore a yellow lace picture hat and carried two long-stemmed yellow roses.

Joe Draper of Brownfield was his brother's best man. Rick and Jim Wright served as candlelighters and also ushered

the groom's parents and Mrs. Sarah Northern of Amarillo, aunt of the bride, in memory of the bride's parents.

Mrs. D. L. Wright of Plainview, sister-in-law of the bride, presided at the guest book. Mrs. Wayne Turner of Copperas Cove, sister of the groom, and Mrs. Joe Draper of Brownfield, sister-in-law of the groom, served at the reception table.

THE RECEPTION table was set with a centerpiece of yellow roses and baby's breath in a silver candelabrum, a silver punchbowl, and the traditional tiered wedding cake. An antique white tulle cloth trimmed in yellow ribbon was used.

For a wedding trip to Santa Fe, N.M., the bride chose a yellow costume suit accented with black trim and black accessories.

A graduate of Dimmitt High School, the bride was employed in the county tax assessor's office in Dimmitt for a number of years.

The groom is a graduate of Tahoka High School and is presently engaged in farming near Tahoka, where the couple will make their home.

Home and hobby

Three 4-H'ers to model in district dress show

By IRENE KEATING

Three young fashion experts from here will model their own creations Tuesday as they vie for top district honors and the right to represent the 22-county Panhandle area in state competition in Dallas this fall. They are Patti Hochstein, Wendy Bruegel and Dianne Hochstein.

"**BICENTENNIAL** of Fashion" is the theme for this 1975 version of the District 4-H Dress Revue held at the Fine Arts Building of Amarillo College.

Already winners of county competition, the young junior and senior lasses will model garments they've constructed themselves. Contestants are judged on their sewing and construction skills, overall appearance, modeling abilities and their 4-H record books.

A luncheon for participants at 12:15 p.m. will precede awards presentations. Revue and awards ceremonies begin at 2 p.m. State Senator Max Sherman will present the awards for juniors, and Congressman Jack Hightower will do the honors for seniors.

In addition to naming of five top seniors, awards will include the recognition of the girl making the best all-cotton outfit, the best all-wool, and the best all synthetic garment.

THIS YEAR, for the first time, a division has been set up for the best all western or riding outfit. The dress revue committee explained that because "this mode of dress has become a part of our way of life and heritage, it should be a

part of the contest."

The junior level contest, to be staged at the same time as senior competition, is for ages 9 to 14. They will not compete beyond the district level. For them, the event offers experience and leadership development.

Senior winners will take their designs to the State 4-H Dress Revue at Dallas Oct. 3.

PARENTS, 4-H leaders and special guests will be on hand for the occasion. The public is invited to the revue at 2 p.m. At 3 p.m. a tea sponsored by the Texas Home Demonstration Association will climax the event.

Tops Club names queens

Sharon Jones was crowned Queen of the Week for her 3 3/4-pound weight loss and Karon Moss was named the Six-Month Queen with a loss of 27 1/2 pounds at Monday night's meeting of Dimmitt Tops Club 386.

MRS. MOSS received recognition with a fellowship in her honor after the meeting.

Twenty-one members were present, including one new member, and recorded a total weight loss for the week of 18 1/2 pounds.

Charms were presented for eight weeks' attendance, eight week's consecutive no-gain weight control, and to 10-pound losers and monthly queens.

Bessie Strickland presented the program.

Nelson-Hutto engagement is announced in Roswell

At a recent dinner party in their Roswell, N.M., home, Mr. and Mrs. Clarence H. Nelson announced the engagement and forthcoming marriage of their daughter, Nora Marguerite, to Rodney Dean Hutto, son of Mr. and Mrs. S. R. Hutto of Dimmitt.

VOWS ARE planned for mid-August in Roswell.

The announcement party had a Mexican motif. Theme decorations included colorful cloths on quartet tables, multicolor candelabras and fresh flowers.

MISS NELSON, a graduate of Goddard High School in Roswell, received her bachelor of science degree in home economics education from New Mexico State. She was graduated Magna Cum Laude, and was named the Outstanding Home Economics Graduate. She earned a master of science degree in home economics, family living and child development from Texas Tech University in May 1974, and is candidate for a doctorate in administration and higher education in May 1976.

The bride-elect is a charter member of New Mexico State's chapter of Pi Beta Phi sorority, and is a member of Phi Upsilon Omicron and Phi Kappa Phi honor fraternities. Other honors include "Miss Rural Electrification of New Mexico," "Who's Who in American Colleges and Universities" and "Outstanding Young Women of America in 1974 and 1975."

Miss Nelson has been employed as a professor in the Home Economics Department at Texas Tech for two years and presently is counselor at Stange-Murdough Halls at Texas Tech.

Hutto, a graduate of Dimmitt High School, attended Blinn College at Brenham, Texas Tech and Texas A&M. He holds bachelor of science degree in animal science and agricultural education from Texas A&M and a master of agriculture degree in animal science from Texas A&M. He is affiliated with Delta Tau Delta fraternity, and is engaged in farming near Dimmitt.

Miss Hamilton feted at shower

Sheila Ann Hamilton, bride-elect of Lt. James Robert Wolfe of Pensacola, Fla., was honored with a bridal shower Saturday morning in the home of Mrs. Don Nelson, 1103 W. Bedford St.

SIXTEEN ladies assisted with hostess duties.

The serving table was covered with a white patterned-linen cloth and featured a centerpiece of daisies. The hostesses, the honoree and her mother, Mrs. Jim Hamilton, wore daisy corsages. Decorations were in the honoree's chosen colors of green and white.

Debra Schreck, Sue Summers and the honoree's sisters, Jeannie and Mary Hamilton, served coffee, miniature rolls and fruit in pineapple boats. Connie Nelson registered the guests.

MISS HAMILTON, a graduate of Dimmitt High School and Texas Tech, has taught elementary school the past two years in San Antonio.

She and Lt. Wolfe will exchange vows in a Naval military wedding Aug. 2 in St. Anthony's Catholic Church, Hereford.

INTRODUCING

SEDFIELD® DO-NOTHING™

JEANS AND JACKETS WITH SANFOR-SET.

Sedgfield Do-Nothing 100% cotton denim jeans and jackets won't wrinkle. Or pucker along the seams. Or twist along the leg.

For the first time in your life you can own perfect jeans and jackets. Right out of the dryer they go right on your back. Sedgfield jeans and jackets never shrink out of size.

And they're 100% cotton so they fade beautifully. Get softer faster. And last longer.

You get all this because we took 100% cotton denim and added Sanfor-Set. Only Sedgfield has it.

DOES THE DRYER MAKE YOUR 100% COTTON JEANS AND JACKETS LOOK LIKE A PRUNE?

FLIGHT WINNERS in the Ladies' Golf Association City Tournament, played at the local course Saturday and Sunday, were [from left] Bobby George, championship flight winner and tournament medalist; Ginny

Lapins, first flight champion; Shirley Davis, second flight winner; Joan Thrasher, champion of the third flight; and Patsy Morris, winner of the fourth flight.

Frio

Masons attend funeral downstate

By MRS. OWEN ANDREWS

Gary Mason, daughter Mandy and nephew Dick Mason went to Pittsburgh in East Texas for the funeral of Mason's sister Mrs. J. W. (Ruby) Duffy last Saturday. Mrs. Duffy had been ill for many months. Her mother Mrs. B. M. Mason, who has stayed with the Gary Masons for several months, had accompanied the Masons a few weeks ago when the family went to visit Mrs. Duffy and went home with her daughter Mrs. Sebastian from California. She also returned home with Mrs. Sebastian after the funeral to stay awhile.

the Gripes since late June. Visiting Mrs. Jim Brooks one day last week were her sister Mrs. D. O. Benson, niece Olivia Stephenson, both of Hereford, and Mrs. Glen Cruse from Iowa. Mrs. Cruse and her daughter Mrs. Norman Camp-

bell of Albuquerque have visited Mrs. Benson and the other relatives in this area during the past three weeks.

VISITING the Andy Axe home last week were Mr. and Mrs. Carl Sevier, former resi-

dents of this area, who now live in northeastern Oklahoma.

The Dee Taylors were part of a group, including his parents the Dueward Taylors of Frio, who were vacationing in the Colorado mountains several days last week.

MR. AND MRS. Joel Pittard came to visit their parents the Pittards in Hereford and the Gary Masons during his leave from duty with the Army at Fort Hood. Mrs. Pittard remained for a longer stay here. Her sister Mandy has spent several weeks visiting the Pittards at Killeen this summer.

The children of the Wesley Lindleys have visited great-grandparents the R. E. Lindleys some the past few days while the Lindleys were in the process of moving from Brownwood to Amarillo. He will be employed with Glover Meat Processing Co.

Mrs. Nell Alsten of Garland, former resident here, has visited friends here during the past few days. Included were the H. E. Lindleys, Mrs. A. A. Head and Mrs. Miles. She returned home Tuesday.

SHELBY STOKES of Gallup has visited a few weeks with her grandparents the Spicer Gripes. Her parents were involved with completing their new home being built in Gallup.

Visiting the Glenn Gripes this week were her brother Marvin Mering, Mrs. Mering and their son Zack of Austin.

Mrs. Gripp's mother Mrs. Tait Mering who now lives in a Georgetown Retirement Home visited about three weeks with

Country Club News

Mrs. George wins city title

The Ladies' Golf Association held its city tournament Saturday and Sunday. Championship flight winner was Bobby George, with Polly Holland winning consolation.

First flight winner was Ginny Lapins; consolation winner was Kathy Thomas. Second flight winner was Shirley Davis, consolation winner was Dolores Baldrige. Third flight winner was Joan Thrasher and consolation winner was Shirley Adams. Fourth flight winner was Patsy Morris and consolation winner was Joyce Rick-

ert. Bobby George was medalist winner of the event.

Trophies were awarded to each of the winners at the end of play. It was a successful and enjoyable tournament. The ladies would especially like to commend the pro, Bill Glenn, for the excellent condition of the course. It was in great shape, and thanks, Bill, for all your help in making the tournament a successful event.

We are now looking forward to the club tournament, so watch for an announcement at a later date for this affair.

enjoyable tournament.

THE FLUBBER-Dubber tournament which has run for several weeks on regular play day for the LGA of Dimmitt has now drawn to a close, with the Flubber team winning this event.

The Dubber team will play host to the winning team at a luncheon Tuesday at the Country Club.

Congratulations to Amy Glover for being high-point player on the Flubber team and to Polly Holland, high-point player on the Dubber team.

THE SCOTCH foursome is scheduled for the last Sunday of the month. If you are interested in playing in this event, check with the pro shop for the time and other particulars.

IF YOU would thoroughly know anything, teach it to others. —Edwards.

Government offers student financing

Students looking for ways to finance their education after high school (and how many aren't these days?) may be able to receive up to \$1,400 a year in federal grants in time for the next school year.

UNDER THE Basic Educational Opportunity Grants (Basic Grants) program sponsored by HEW's Office of Education, eligible students may be

awarded anywhere from \$200 to \$1,400 a year to help meet their educational expenses. The government does not require repayment of such awards.

Students who have begun their post high school education after April 1, 1973, and attend at least half-time can qualify. They may attend any one of the over 5,000 eligible schools. These include not only traditional colleges and universities, but also vocational, technical or business schools, and hospital school of nursing.

To apply for a Basic Grant a student must first complete and submit an "Application for Determination of Basic Grant Eligibility" for the 1975-76 academic year. These forms are available from high schools, colleges, libraries, or by writing Basic Grants, P.O. Box 84, Washington, D.C. 20044.

WITHIN four to six weeks the applicant will receive a "Student Eligibility Report," which tells whether the student has qualified. When the report is received, it must be submitted to the financial aid officer at the school in which the student is interested in enrolling.

TEXAS TALK

By Jim Hays

Officials are predicting a decrease of no more than 20 percent in domestic purchase of feed grains during the current marketing year. Others are saying that an improved livestock market will cut the decrease to even less. USDA projections are for the production of about 220 million short tons of feed grains with about 165 million tons sold in the United States and another 42 million tons exported to foreign countries. According to the figures released by the Department of Agriculture, total carryover of feed grains by the end of the marketing year should not exceed 30 million tons. Although that's a lot of grain, records show it to be only about 60 percent as much as the carryover at the end of 1971. Officials citing these figures are predicting relatively stable prices for grain sorghum. Major factors which could produce a change in the situation include the extent of recovery of the cattle market and, as always, the most variable of all, the weather.

Farmers who burn stubble aren't looking to future

WASTE!
... \$30 per acre in nutrients go up in smoke

By N. A. BRYSON
District Conservationist

One of the problems of our nation today is man's complete disregard for the laws of the land and the laws of nature.

WILDFIRES such as the one above and those scattered throughout Castro County demonstrate very little concern for the future.

It is easier to burn off the residue than plow it under, but we must consider what is lost when we burn. \$30 worth of fertility goes up in smoke, leaving the ground exposed to the hazards of sun, wind and rain. In addition, the intense heat of the fire destroys the living organisms already at work on the wheat straw.

Wheat straw left on the

ground through Aug. 1 conditions the soil to a depth of 18 inches and, if fertilized, will be very beneficial to the following crop. Increased fertility and productivity of the soil, increased amounts of organic matter, increased infiltration of rainfall that adds to the vast amount of moisture already stored because of the residues, and habitat, food and cover for wildlife are just a few of the other benefits of the residues being returned to the soil.

Let's give nature a chance. Burning is destroying the hopes of our future.

HALF THE truth will very often amount to absolute falsehood. —Whately.

IT IS easy when we are in prosperity to give advice to the afflicted. —Aeschylus.

MR. AND MRS. BOYD REEDY
Missionaries in Japan

Missionaries to speak to Methodists Sunday

Mr. and Mrs. Boyd Reedy, United Methodist missionaries in Japan, will present four programs at the First United Methodist Church of Dimmitt Sunday.

THEY WILL present a program to the children of the church at 9:45 a.m., and will speak at the morning worship service at 10:45. At 4:30 p.m. they will have a special program for youth.

Members of the church will have a fellowship dinner to honor the Reedys at 6:30 p.m. Following the dinner, the couple will present slides and answer questions about their missionary work in Japan.

Mr. and Mrs. Reedy are in the United States on a two-month furlough. The first United Methodist Church of Dimmitt has been one of the supporting churches for the missionary couple for a number of years.

REEDY is a native of Vernon and grew up in Dallas. He has a bachelor of science degree in foreign service from George-

town University and a master of arts degree in linguistics from American University. Before becoming a missionary, he studied at Drew Theological Seminary and at Perkins School of Theology.

His Japanese-born wife, Jit-suko, has a bachelor of arts degree from Ottawa University in Kansas and a master of arts degree in Christian education from the Berkeley Baptist Divinity School.

Reedy has been teaching oral English at Aoyama Gakuin High School in Tokyo since 1955. Mrs. Reedy taught English until recently at a Christian girl's school in Yokohama. The Reedys have two children: David, 9, and Noel, 4.

OLDER Texans help pass on family heritage and traditions to younger members and serve as a link to the family's historical past, Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service, reminds.

Four GSPB directors to be picked Sept. 15

Four board members will be named when the Texas Grain Sorghum Producers Board holds its third biennial election Sept. 15.

THE TERMS of Larry Witten of Olton, K. B. Parish of

Springlake, Ralph Mabry of Petersburg and C. P. Smith of Hale Center expire. All four are eligible for re-election.

Eligible to vote in the election and to serve on the board are persons living in the 29-county TGSPB area who produce grain sorghum and pay the board assessment.

Any person wishing to be nominated for membership on the board should make application to the board at least 30 days before the election. The application must be signed by the nominee and 10 other eligible voters.

BALLOTS will be mailed to voters and must be returned to the TGSPB office by Sept. 15. Eligible voters who do not receive ballots by Sept. 1 may obtain one from county agents.

Counties in the TGSPB area are Armstrong, Bailey, Briscoe, Carson, Castro, Cochran, Crosby, Dallam, Dawson, Deaf Smith, Floyd, Gaines, Hale, Hansford, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Oldham, Parmer, Potter, Randall, Sherman, Swisher, Terry and Yoakum.

A. G. Edwards & Sons, Inc.

Automobile insurance premiums are plenty high now, but you can expect them to climb another 10% to 12%...

NEW YORK and California have redefined negligence in industrial accidents, product safety cases and those automobile cases that are too large and too serious to be covered by the new no-fault insurance.

It used to be that under the old common-law rule of "contributory negligence," you won all or nothing. An injured plaintiff couldn't collect a dime if his own negligence contributed in any way to the accident.

Now courts in various states are beginning to rewrite the rules by using a doctrine of "comparative negligence" which says that even if an injured plaintiff was partially at fault, he or she could recover something.

Because the new rule gives plaintiffs a better break, businesses and insurance companies are bracing for a flood of litigation and are preparing to settle a lot more cases out of court.

However, comparative negligence rules do not necessarily favor just the plaintiff because the rules do a lot more for protecting corporations and insurance companies by requiring jury consideration of the plaintiff's negligence in their verdicts.

Sorghum situation in Texas uncertain

Although the milo harvest is making good progress over South Texas and harvesting is expected to start in central areas soon, the price outlook for the crop is still uncertain.

"WE EXPECT sorghum prices to remain under the pressure of large feedgrain crop prospects for much of the summer," says Roland Smith, grain marketing specialist for the Texas Agricultural Extension Service.

However, rumors of pending large foreign purchases may be sufficient to override the negative price effects of the large crop. Unless substantial purchases do occur, we would expect Central Texas prices to average near \$3.60 per hundredweight in late July and August.

Although the carryover from last year is expected to be small by this fall, the price that farmers receive for their new crop of sorghum will hinge greatly on domestic and foreign demands, notes the specialist.

A large harvest is in prospect in the US and in Texas where sorghum acreage is up considerably as many farmers switched from cotton. On July 1 the 1975 US sorghum crop was projected to be between 860 and 900 million bushels, while the corn crop was estimated at 6.05 billion bushels.

"SOME INCREASE in livestock feeding is boosting the domestic demand for sorghum, but this increase has been limited to now. But, a big question mark for sorghum is the export situation," Smith contends.

"If Russia's feedgrain crop has suffered as much from dry weather as some people think, then exports to that country will certainly bolster the sorghum market. Also, poor weather has set back feedgrain crops in Argentina, a major exporting country."

So, feedgrain exports may begin to increase as the big US crop starts coming in. Also, how much of the feedgrain crop farmers store will affect the sorghum market, Smith adds.

WE GIVE advice by the bucket, but take it by the grain. -W. R. Alger.

Unique Disciples Spread Farming Over New Land

"Farmer Forty-Niners" sailing to California carried seeds with them.

The history of the advance of U.S. agriculture from the Atlantic to the Pacific is sprinkled with the efforts of unusual disciples.

One of them was a man who devoted almost a lifetime to planting frontier orchards. For more than a half-century, John Chapman planted apple trees during his wanderings through the pioneer wilderness.

Chapman would visit cider presses in Pennsylvania and wash seeds out of the pomace. He carried the seeds by canoe down the Ohio River and on his back into the rugged sections of Ohio and Indiana.

Often his planting treks took him hundreds of miles on foot. Coming to a clearing, he'd plant the seeds and return in later years to check his budding wilderness orchards.

He became a familiar visitor at the isolated homes of many early settlers. Often, they'd give him a few pennies or old clothes in support of his planting pilgrimages. To the Indians, he became known as a medicine man.

In the mid-1800's, Wendelin Grimm decided to emigrate from Baden, Germany. His

most prized possession was a few pounds of alfalfa seeds, which he planted in Carver County, Minn.

By saving those seeds that survived the cold Minnesota winters, Grimm gradually developed a hardy strain of alfalfa as a byproduct of raising hay for his cattle. Being a good farmer, he gave some of the seeds to neighbors. Thus, one farmer made a permanent contribution to the historical development of better forage plants in the U.S.

Some of the farming disciples remain unknown.

The first settlers in Pennsylvania were likely surprised when they found wild peaches to vary their meager diets. The only explanation is that Indians brought the peaches from original Spanish plantings a century earlier in St. Augustine, Fla.

At the time of the Revolution, the hessian fly was plaguing wheat crops in New York and Pennsylvania. Many efforts were made to find a resistant variety of wheat. Finally, a friend of a New York farmer was on naval duty in the Mediterranean and obtained some late-seeding wheat. Its use soon spread throughout the Colonies.

Other important events in American history were linked to the spread of agriculture. Among the "Forty-Niners" were many farmers who journeyed to California during the days of the gold rush to seek their fortune in another way from the soil. As they sailed to California by way of Cape Horn, some of them picked up seeds of Chilean alfalfa. Many of these farmers never found the gold they sought in California, but they introduced a new and better crop to the West Coast.

Countless other disciples in countless other unusual ways helped the spread of U.S. agriculture from its colonial beginnings to its unparalleled level of production of today. Many of them were practical tillers of the soil only interested in better ways of farming.

Food-population conference slated

Authorities on the world food and population picture will headline the annual meeting of the American Phyto-pathological Society and the Society of Nematologists at the Hilton Hotel in Houston, Aug. 10-14.

THEME OF the conference will be "Healthy Plants for a Hungry World," according to a plant pathologist for the Texas Agricultural Experiment Station. Speakers will address the many perplexing problems af-

fecting the world food situation, such as population trends, climatic changes, disease-causing organisms, pest problems, the energy situation, political systems, and cultural and religious restraints.

Agri-business money management seminar scheduled

The second annual Financial Management Seminar for Agri-business firms is scheduled for Oct. 21-24 at Texas A&M University.

BUSINESSES engaged in producing, marketing or processing agricultural products or that supply or serve agribusiness firms are invited to participate, says an economist for the Texas Agricultural Extension Service.

The seminar will offer tools and methods to evaluate the feasibility and profitability of investments and to analyze current or forthcoming financial problems. Special learning situations based on actual questions and problems faced by participants will be an important part of the overall seminar.

TO ANCIENT people, spices were valued like gold because of their preservative powers. Marilyn Haggard, foods and nutrition specialist with the Texas Agricultural Extension Service, points out.

INSUR-MATION

By JOE COWEN
Cowen Insurance Agency
647-4223

I am planning to buy a car. What types and amounts of auto insurance should I carry?

There are numerous types of auto insurance. However, there are basic policies pertinent to almost every situation. Liability insurance, required by state law, covers damage you cause to other autos and property. The minimum liability you carry must meet state requirements. Comprehensive insurance pays for loss incurred by means other than collision... covering glass breakage, theft, fire, etc., over the deductible. Collision insurance pays for the damage your auto has sustained in a collision. It covers each loss in excess of the deductible amount stated in your policy. These three types of auto insurance may be increased to the amount you want to carry depending on the premium you desire to pay.

ARTS AND CRAFTS were a major attraction during the Nazareth German Folk Festival Sunday afternoon. Here, Mrs. Walter Schilling and Mrs. Florene Leinen look over a quilt and other handmade craft items on display in the school hallway. In the home economics room, county artists displayed their paintings for judging. The arts and crafts show was sponsored by the Nazareth Art Club.

Davis, Mrs. Ellison named to 'Who's Who' of teachers

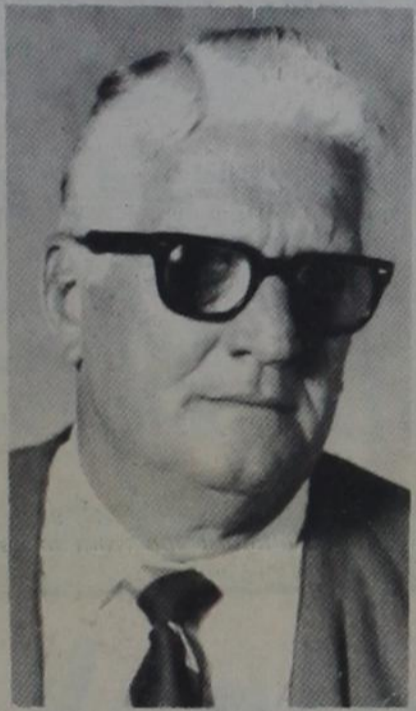

Clyde E. Davis and Zelda G. Ellison, teachers in Dimmitt Middle School, have been selected as Outstanding Secondary Educators of America for 1975.

THEY WERE selected on the basis of their professional, personal and academic achievements.

"Outstanding Secondary Educators of America" is an annual awards program honoring distinguished men and women in the field of secondary education. Each year the complete biography and record of achievements of each selectee is presented in an awards volume.

Davis and Mrs. Ellison are now eligible for one of five national awards. Each national winner will receive an unrestricted \$500 grant and an award certificate. Judging will be done by the OSEA board of directors.

MEN AND women are selected for the honor when they have explored new paths, developed new insights and ef-

Clyde E. Davis

fectively communicated their knowledge to their students and colleagues. Guidelines for selection include an educator's talents in the classroom, contributions to research, administrative abilities, civic service and professional recognition.

Prenatal course is rescheduled

The first class of the prenatal education course for expectant parents, scheduled to be held this week, has been postponed to next Tuesday night.

SPONSORED by the Central Plains Mental Health Center, the course will include four Tuesday-evening classes from 7 to 8:45 p.m. in the MH Outreach Office, 412 NW Third St.

Anyone planning to take the course should call Judy Birdwell at the MH Outreach Center, 647-2409.

After the first class session Tuesday night, other classes will be held Aug. 5, Aug. 12 and Aug. 19. The course will include films, talks by trained resource people, and open discussions.

TOPICS will be:

First Session, July 29. "Physiological Aspects of Pregnancy," with discussion on conception, contraception, prenatal development, nutritional aspects of pregnancy, and exercise for the pregnant mother.

Second Session, Aug. 5. "Emotional Health During Pregnancy," with discussion on

Second record pike taken at Greenbelt

Greenbelt Lake near Clarendon is fast getting a reputation as the place to go for trophy northern pike.

IT WAS only in May that a 17-lb., 5-oz. pike was taken from the lake to set a new Texas State Fish Record.

But on June 11, Buster Dorough of Kress landed an 18-lb., 2-oz. northern pike to break the month-old mark.

Dorough's fish measured 41 1/4 inches in length and 17 inches in girth and was taken by trolling an artificial lure on 20-pound-test line.

changes in the mother and father roles, and important attitudes for expectant parents.

THIRD Session, Aug. 12. "Maternity Care: Labor and Delivery," with discussion on the onset of labor and the birth process.

Fourth Session, Aug. 19. "Family Developmental Tasks," with discussion on the entry of the newborn into the family system, personality development during early infancy, and stroking and touching the infant.

Tuition fee for the course is \$20 per family, good for one or both parents.

Gardners visit in Oklahoma

J. C. and Maxine Gardner went to Okmulgee, Okla., last week to be with their daughter and family, Bob and Elaine Maxwell and Robin.

THE MAXWELLS, who have been stationed with the US Army in Germany, were transferred back to the States due to Mrs. Maxwell's health and the loss of their baby daughter. Funeral services for the baby were held at Delhi, Okla. Maxwell will be stationed at Fort Bliss.

Accompanying the Gardners to Okmulgee was their other daughter, Mary Phillips of Lubbock.

TODAY'S soft and comfortable lingerie and loungewear are "everywear." These lacy, sexy, feminine and functional garments can be worn almost everywhere, Beverly Rhoades, clothing specialist with the Texas Agricultural Extension Service, notes.

Three camps

Dimmitt Scouts have big summer

Members of Dimmitt Boy Scout Troop 266 earned a packful of merit badges and advanced in rank while improving their skills in camping, water safety and forestry at three camps this summer.

TWO LOCAL Scouts, Chris Fry and Steve Maples, were "tapped out" as candidates for membership in the Order of the Arrow, fraternity of honor campers, during the summer camps.

Scoutmaster Bill Stephenson took local Scouts to regular summer camp and aquatics camp at Camp Post, and to forestry camp at Camp Tres Ritos.

Five Dimmitt Scouts attended the first campout at Camp

Post, June 22-28, and earned merit badges, skill awards and rank advancements.

David Nelson completed his requirements for Life Scout rank, second highest rank in scouting, and earned merit badges in rowing, lifesaving and environmental science, and a skill award for the mile swim. As a member of the Order of the Arrow, he assisted in the OA tap-out ceremonies during the final night's bonfire assembly.

FIRST CLASS Scout Chuck Pevehouse earned a lifesaving merit badge and a skill award for the mile swim. As a member of the Order of the Arrow, he also helped with the OA tap-out ceremonies.

First Class Scout Chris Fry earned merit badges in basketball, swimming, nature, mammals and fishing, and was tapped out as an Order of the Arrow candidate during the final campfire. He will go through the OA "ordeal" at Camp Post this fall.

Lif Scout Laurence Stephenson earned merit badges in environmental science and nature, and also completed the mile swim.

RODNEY Lorenz completed

his Tenderfoot rank requirements and earned merit badges in basketball, swimming and canoeing. He also completed the mile swim.

On the Camp Post Rifle Range, Lorenz earned a Pro Marksman patch, while Stephenson, Pevehouse and Nelson qualified as Marksmen First Class. Their Scoutmaster earned Sharpshooter rank on the course, tying with one other Scoutmaster for the week's high score with 86 out of a possible 100. Laurence Stephenson was the highest-scoring local Scout on the range, firing a 78, while the others shot in the high and mid-70's.

The youths were instructed in marksmanship and firearms safety by an NRA-licensed instructor from Reese AFB, Lubbock.

Star Scout Billy Stephenson, Keith Jones and Mrs. Bill Stephenson helped transport the Scouts to and from Camp Post, and attended the final campfire and Order of the Arrow ceremony.

THREE SCOUTS from Troop 266 attended aquatics camp at Camp Post the following week, accompanied by their Scoutmaster.

Aquatics camp is a week's intensive training program in water activities and safety.

Chuck Pevehouse and David Nelson completed their requirements and passed the tests to become qualified lifeguards.

Laurence Stephenson earned merit badges in lifesaving, canoeing and rowing, and also completed a second mile swim.

THREE DIMMITT Scouts—Rodney Lorenz, Steve Maples and David Nelson—made their first trip to Camp Tres Ritos, N.M., July 5-12, accompanied by Scoutmaster Stephenson.

Camp Tres Ritos is an all-outdoor cooking and hiking camp designed for more experienced Scouts. The Scouts cooked all their own meals during the week, both in base camp and on the trail—unlike Camp Post, where all meals are served in the mess hall.

Camp Tres Ritos offered merit badge programs in wilderness survival, conservation,

forestry, environmental science and fishing, which aren't available at many other camps. It also included many backpacking hikes of up to 50 miles, in which the youths carry all their own food, clothing and camping gear in their packs.

LORENZ, Maples and Nelson all completed their requirements for the Paul Bunyan Award. To earn this award, each had to select and fell an eight-inch tree, cut it into three-foot lengths and split the lengths into cordwood, while practicing proper safety techniques with a large axe.

Lorenz earned his Tote 'n Chip qualification for the proper use and safety of wood-cutting tools, and earned merit badges in citizenship in the nation, citizenship in the world, cooking and camping. He also advanced to Second Class rank at Camp Tres Ritos, earning skill awards in cooking, camping and family living.

Maples earned merit badges in cooking, camping, environmental science, citizenship in the nation, and citizenship in the world, and advanced to Star rank, third highest rank in scouting.

NELSON earned merit badges in communications, citizenship in the nation, and citizenship in the world. He has now earned all but one of the merit badges required for Eagle Scout rank. He will be qualified for scouting's highest rank after completing an assigned community service project and earning his merit badge in safety.

While working toward their Citizenship in the World merit badges at Camp Tres Ritos, the Dimmitt Scouts studied under Masamitsu Tsuji, a Scout leader from Nara Troop 11 of Nara, Japan. He is serving on the international camp staff and was chosen to teach pioneering (a study of rope making and knots) and other skills at Camp Tres Ritos.

Maples was "tapped out" as a candidate for membership in the Order of the Arrow at Camp Tres Ritos. He will go through the OA "ordeal" with Chris Fry at Camp Post this fall.

MRS. B. D. Murphy transported the Dimmitt Scout group to Camp Tres Ritos, and Mrs. Don Nelson and Dyrle Maples brought them home. Mrs. Nelson, her son Nathan and her mother also attended the "parents' bonfire" and Order of the Arrow ceremony the final night of camp.

"Our troop has completed a summer of fun and work while camping," Stephenson said. "All the boys have had a wonderful time while learning some valuable skills. Our thanks to everyone who has helped make it possible."

Camp Post, Camp Haynes (near Silverton) and Camp Tres Ritos are all maintained by the South Plains Council, BSA, which receives its financial support through local Boy Scout fund drives and United Way campaigns.

DIMITT Troop 266 is sponsored by the Castro Memorial Post, Veterans of Foreign Wars. Bill Behrends is chairman of the Dimmitt Troop Committee.

This week, six Dimmitt Webelos Scouts (10-year-olds) and their fathers will attend a "Lad and Dad" overnight campout at Camp Post, and next month local Cub Scouts and parents will attend an all-day "Cub Camp" there.

Here are week's best food buys

Texas grocery shoppers must "go bananas" to find any real excitement in food buying these days.

"BANANAS are always in season—and cost about the same as they did 20 years ago," Mrs. Gwendolyn Clyatt, a consumer marketing information specialist, said this week.

"If you consider the increase in wages during the last two decades, this means bananas really cost less than half as much today in terms of real income," she continued.

Mrs. Clyatt, who is with the Texas Agricultural Extension Service, said bananas must be picked when green because, if allowed to ripen on the plant, they split open and are taste-

less.

"SMALLER families may find it more convenient to buy bananas a bit on the green side and let them ripen gradually."

"Select those that are plump, unblemished and bright in appearance, as a dull-looking banana often won't ripen properly."

Other fruit choices this week include peaches, nectarines and plums. Also, cantaloupe, honeydew melons, watermelons, cherries, grapes and pineapples.

FRESH vegetables at the most reasonable prices are carrots, cabbage, soft shell squash, corn, purplehull peas, cushaw, cucumbers and okra.

Fluid milk and dairy products

are in adequate supply, with nonfat dry milk in heavy supply due to reduced cheese production.

"Eggs continue to be reasonable, even with prices up a bit which is a seasonal trend."

Relieves the stress in your system.

LINDSAY

BIG T PUMP CO., INC.
DIMMITT — HEREFORD — FRIONA

You're looking at Lindsay's patented Uni-Knuckle. It works on the same principle as a universal joint. Allows overhead pipe in a Lindsay Zimmatic center pivot to move up, down, back or forward with no stress on the system.

Inside the Uni-Knuckle is a split sleeve coupler and rubber boot. This keeps the joint water-tight, even when the system is running over extremely rough ground. The boot is a special compound, selected for long life.

Of course, as time goes by, you may have to replace a boot or two. That happens with any coupler. But with a Zimmatic you don't need 10 men and a boy to do the job. There's no internal joint to worry about. No need to prop up and disconnect the line. The Uni-Knuckle stays in place, supporting the line. You just reach in, remove the split metal coupler and old boot. Slip in a new one, put the coupler back in place... you're in business again. When it comes to making repairs, the Uni-Knuckle relieves the stress on your system, too.

In case you're wondering how the Uni-Knuckle handles twisting action in the line caused when one tower is going downhill and the next is going uphill—it doesn't. Lindsay takes care of that with a separate flex feature. It's patented, too. We'll be glad to show you how it works, tell you about all the other features that make Lindsay Zimmatic the new leader in center pivot irrigation systems.

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

We returned Friday of last week from a vacation, during which we visited with my wife's relatives in Knox City July 4-6 for their high school homecoming. One graduate is honored on each of these five year meetings. This year it was Elsie's brother Clyde Graham, retired Agriculture State Soil Conservationist. Then Mrs. Smith and parents went on a trip to visit in the home of her sister, whose husband Dr. Jack Wilson is a doctor in the Fay-

etteville, Ark., VA Hospital; and I in turn to see my sister Miss Tillie Smith, a retired school teacher in Orange, and then we went to Mabank to work on repairing the old boyhood home there before returning to Dimmitt Friday.

Since Miss Estella Aleman who has been keeping our office open five days each week has now completed the 240 hours Man Power Training program, our office days at the Courthouse will now be Tuesdays and Thursdays. The office phone number is 647-4666. It is also used by the Social Security

and State Welfare case workers when in the city. We'll aid in information and/or filling out all VA claim forms at other hours by appointment. When calling our residence number, 647-4368, let it ring several minutes as I may be outside and Mrs. Smith away from the house.

HERE ARE news releases from the VA Regional Office in Waco where all claims for our county except medical are processed. Medical claims are administered by the VA Hospital in Amarillo or the VA clinic in Lubbock according to the nature of the claims.

ELIGIBLE persons should not let a lost birth certificate or marriage license discourage them from applying for veterans benefits, Jack Coker, Veterans Administration Regional Office Director, advised recently.

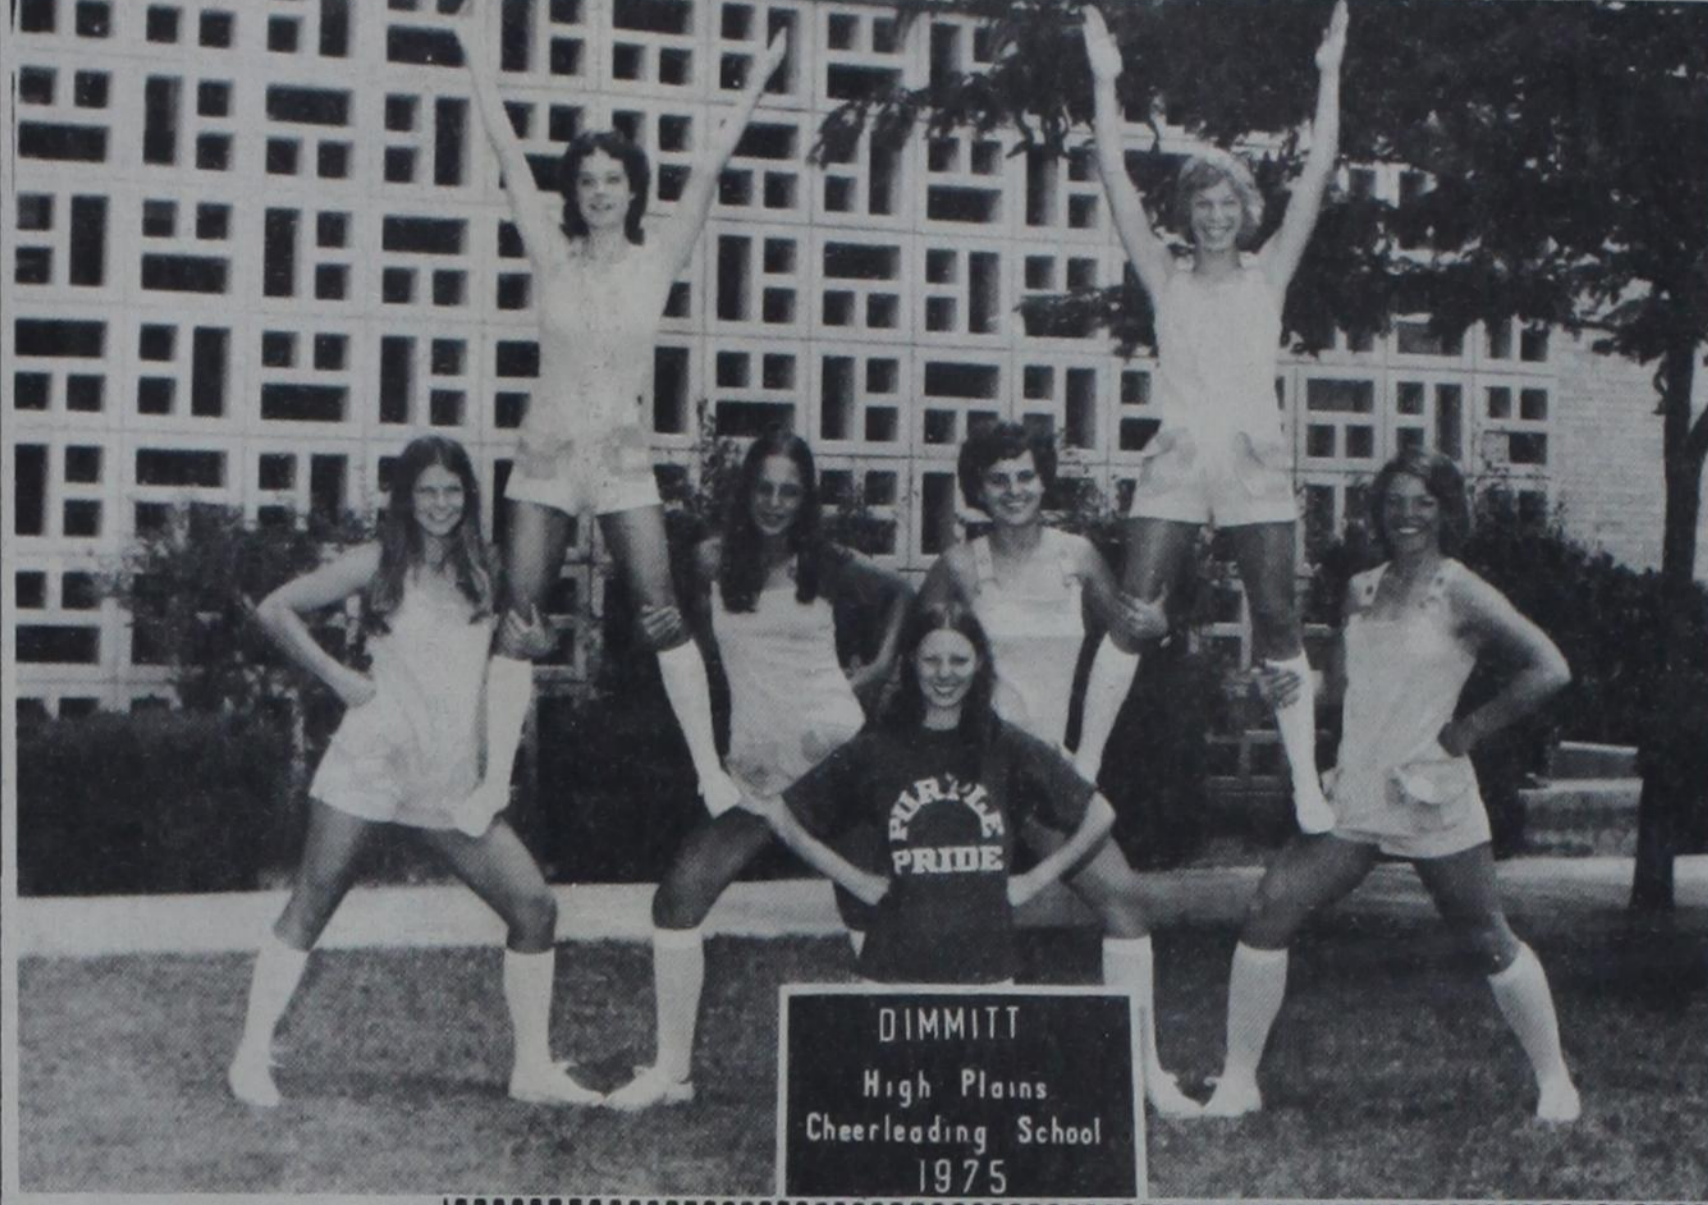

For some time now, less formal proof of marriage or birth has been acceptable when this information is required to establish claims for higher benefits.

For example, a veteran's or widow's (or widower's) certified statement of marriage is sufficient for applications for compensation and education benefits for veterans, widows (widowers) and orphan children—provided neither veteran or spouse has been married before, and VA has no contradictory information on file.

Formerly, the agency required all statements of marriages and births to be supported by formalized documentary evidence.

A certified statement also is acceptable regarding the birth of a child of a veteran's marriage, and as proof of age and relationship.

EDUCATION and training counseling is expected this fiscal year to reach 93,000 veterans and other participants in Veterans Administration programs, Coker reported in July. Based on projections from VA

HERE'S HOW!—Dimmitt High School's 1975-76 cheerleaders show one of the formations they learned during the recent High Plains Cheerleading School at Lubbock Christian College. Kneeling in foreground is senior Karron Flynt. Standing, from left, are senior Cathi Thomas; junior Kay Phillips, co-head cheerleader; senior Tanya DeVaney, head cheerleader; and senior Kerry Broderson. Up in the air are sophomore Derenda Moore (left) and senior Kim Lindsey.

services provided during the first nine months of the year during which 65,300 were counseled at a cost of \$2.3 million, VA expects the 1975 program to exceed by 3,000 the previous peak of 90,000 reached in 1971.

The VA counseling program includes a vocational rehabilitation program for service disabled veterans, the GI Bill program for veterans and servicemen and a program for certain dependents and survivors. All three programs have experienced sharp increases since December when payments were raised. The December law not only increased educational assistance rates by nearly 23 percent, but it also lowered eligibility requirements for vocational rehabilitation training from 30 percent disability to 10 percent or more. The law also gave veterans seeking undergraduate college degrees under the GI Bill an additional nine months of eligibility.

Since 1970, more than 491,000 persons have benefited from the program at a cost of \$16.1 million.

IMPORTANT NOTICE: For veterans separated between April 3, 1970 and Aug. 1, 1975, you may be eligible for low cost VGLI (Veterans Group Life Insurance) term insurance which can later be converted to permanent insurance with cooperating companies without physical examination. The deadline for this insurance is but a week away. Forms and information can be acquired at our office. The last day to apply is Aug. 1. Many WWII veterans now wish they had not let their government life insurance lapse. See me at once for this help.

Hart Marine is promoted

Marine Private First Class Kenneth L. Davis, son of Mr. and Mrs. Thomas L. Davis of Hart, has been promoted to his present rank while serving with the Third Marine Aircraft wing at the Marine Corps Air Station, El Toro, Calif.

A 1975 graduate of Hart High School, he joined the Marine Corps last October.

IN GREAT attempts it is glorious even to fail.
