RECEIVES AWARD —County Agent Sterling Lindsey, right receives a plaque and congratulations from Raymond Fuquay of Abilene, sales representative of the New Holland Division of Sperry Rand, Inc., for his work in promoting

and carrying out work designed to assist young people in selecting a career field. In addition to the plaque, Lindsey received a color TV set. He was one of 10 county agents in the United States to receive the award.

Agt. Receives Plaque For Career Day Work

County Agent Sterling Lindsey was honored recently when he was presented one of 10 awards presented in the United States to county agents for their work in the National Career Guidance Awards program. The award was presented by Raymond Fuquay, sales representative of the New Holland Division of Sperry Rand Corporation, sponsors of the career program.

Lindsey was to have received his award at the national convention of the National Association of County Agricultural Agents, held recently in Atlantic City, N. J., but he was unable to attend the gathering.

AD-LIB-BEN

We really flubbed last week on the story about the firemen's light bulb and pepper sale. Instead of being held Wednesday night, it was scheduled for Thursday. We hope that all readers who get their papers in Bronte Thursday afternoon will take note of the date, and get their porch lights on. It is Thursday, Nov. 6 and a house to house canvass will be made.

Tuesday will be Veterans Day. It used to be a big deal, but in recent years, few persons pay much attention to it. In fact, in some quarters, veterans who have borne arms for the defense of their country are looked down upon — maybe not as traitors but at least as not being very smart.

To our way of thinking, this fit is a sad state and represents a loss of something important to the spirit of our country. A little flag waving would do us good — much more good than flag burning and trampling.

We thought President Nixon made a sincere and thoughtful speech this week about the Vietnam situation. He presented his plans to end the war. None of us wants this war and we should back Mr. Nixon because his plan is reasonable and, besides that, it's the only plan we've got.

try in the competition was selected from 34 state winners. The program is designed to honor county agents who have done an outstanding job in devising and carrying out career guidance programs for rural youths. It is especially designed to acquaint rural youths with career advantages awaiting them in agribusiness, including farming itself.

In addition to the plaque which he received, Lindsey received a color TV set.

Lindsey said he felt "kinda bad" about receiving the award since Mrs. Fay C. Roe, county home demonstration agent, "has done just as much for the career day programs as I have." He and Mrs. Roe have worked together and with the officials of Robert Lee and Bronte Schools in setting up and carrying out the program since its beginning in 1962.

Lindsey said, "Any success of the programs in Coke County has been due to the cooperation of the Extension Department and the two schools of the county. Career day programs have been held in Coke County in 1962, 1964, 1966 and 1969, and the next one is planned for 1971. The programs consist of talks to the entire student bodies of the high schools and then students divide into smaller groups for consultation with experts in fields in which they have special interests.

Bronte Longhorn Band Wins Trophy at Angelo

Bronte Longhorn Band brought home a trophy, \$100 in cash for the band and a \$100 scholarship for a senior band member from San Angelo last Saturday. The band was invited to participate in

competition sponsored by Angelo State University, and took part in a parade downtown Saturday morning and halftime activities at the homecoming football game Saturday afternoon.

Along with the prizes, the band also received many verbal bouquets from persons who went to San Angelo to see them perform.

Band Director Louis Thornton said he was well pleased with his band's performance, and said he and all members were proud of the awards received. He said the band's \$100 prize has been used to purchase a power megaphone which will be used in practice. The \$100 scholarship went to Judi Ogilvy, senior in High School who plans to attend Angelo State and major in band.

Contest Next Week

The University Interscholastic League marching contest which was scheduled for this past Wednesday in Abilene, was postponed until next Wednesday, Nov. 12.

The contest will be held at Rose Park Stadium, with twirlers performing at 9:30 a.m. and the band marching at 10:30. Thornton said parents and others who would like to go to Abilene and watch the band's performance will be welcome.

1970 Schedule Gives Changes

The Bronte Longhorns for 1970 will have some changes made in their schedule and in their district setup. As of now, the Horns have only nine games on their schedule and they are looking for a game for Oct. 9.

Playing in District 6-B next season with the Longhorns will be Hawley, Wall, Jim Ned and Trent.

Non-district play will begin on Sept. 11 and end Oct. 16. District play will start Oct. 23 and end Nov. 20.

The schedule was released this week as follows:

- Sept. 11: Forsan, there
- Sept. 18: Robert Lee, there
- Sept. 25: Roby, here
- Oct. 2: Eden, here
- Oct. 9: Open (need game)
- Oct. 16: Rule, there
- Oct. 23: Hawley, here
- Oct. 30: Open
- Nov. 6: Wall, there
- Nov. 13: Jim Ned, there
- Nov. 20: Trent, here

The changes in the members of the district include moving Loraine and Forsan into District 5-B and taking Wall into this district. Wall is now playing in Class A.

Supt. C. B. Barbee said that admission prices for 1970 ball games will be \$1.50 for adults and 50 cents for students.

Coke's First Frost Hits This Week

Cold rainy weather and the first frost of the season Monday morning were in the weather picture for Bronte this week. The mercury dipped to 32 early Monday morning and frost covered everything again Tuesday and Wednesday mornings. However, warmer temperatures held the covering to a heavy dew Thursday morning.

Clear weather for the remainder of the week was forecast, but the area had a good cloud covering Thursday morning.

Cumbie Bull Brings Top Money at Sale

Edward M. Cumbie, Bronte Hereford breeder, had the top pen of three and the highest selling bull at the annual Concho Hereford Association bull sale, held Monday at the San Angelo Fairgrounds.

Top selling bull was Cumbie's 30 Onward 804 which sold for

\$2500 to Mrs. Dorothea Griffin of Lawn and Weldon Edwards of Clyde. Cumbie's pen of three was judged best in that category.

Cumbie sold four registered Herefords at the sale and J. B. Mackey sold two. Their six animals averaged selling for \$1065 each.

A total of 98 bulls were sold for \$56,610, for an average of \$598 per bull.

Shorthorns Are Coke Champions

Bronte Shorthorns took a 16-6 win from the Robert Lee Dogies last Thursday night, Oct. 30. The win gives the local lads the unofficial Coke County Junior High Championship and a 3-1-1 record for the season.

Kim Barrett made both of the touchdowns for Bronte, one on a five yard run and the other one from three yards out. He also ran across a couple of conversions for 4 extra points.

Coach Cecil Toliver said in addition to Barrett, outstanding performances were turned in by Alan Barbee, Tony Mackey, Louis Martinez and Jim Raughton.

The Shorthorns next and last game for the season will be played here Nov. 13 when the Wall junior high team comes here. Wall dealt the Shorthorns their only loss of the season.

Kick-off time is 6:30 p.m.

FFA Members in District Contests

The Concho District FFA Leadership Contest will be held Nov. 13 in San Angelo. Events will start at 1:30 p.m.

Horns, Buffs Meet Friday

The Longhorns will be on the road again Friday when they travel to Forsan for a 7:30 game with the Buffaloes. The contest will be the third District 7-B encounter for the Horns and they are looking for another victory to lead them another step toward winning the district pennant.

The Buffs and Longhorns have identical win-loss records, with a 2-0 in district play and a 6-1 in season play. However, the consensus is that the records are not a very good indication of the strength of the two clubs. The Longhorns have been rated a long way above Forsan all season, and have for the last couple

of weeks enjoyed top billing among Class B teams in the Big Country.

Bronte fans already are thinking about bi-district and regional games for the Longhorns this year. Supt. C. B. Barbee explained this week that, if the Horns continue their winning ways and come through as district champs, they will meet the champion of District 8-B which is composed of Fort Hancock, Dell City, Anthony, Balmorhea, Grandfalls-Royalty and Buena Vista (Imperial) A bi-district game would be played during the Thanksgiving weekend.

Going a step further, if the

Horns take the bi-district title, they will move north and west for a regional battle which would be against the bi-district champs of Districts 5-B and 6-B. District 5-B is composed of Amherst, Anton, Meadow, Ropesville, Sundown and Whiteface, while 6-B is made up of Sands, Hermleigh, Jayton, New Home, Roby and Wilson.

Last Week's Results

In addition to the 49-0 rout of Loraine by the Longhorns, Forsan drubbed Trent, 42-8, and Jim Ned humbled Hawley, 40-0.

This Week's Games

Bronte will play at Forsan; Trent will travel to Hawley, and Loraine will go to Jim Ned.

AUSTIN, Tex. — State Bar of Texas directors have agreed on guidelines for release of news in criminal proceedings, as drawn by judges, lawyers and newsmen after a nine-month study. Texas Press Association, Texas Daily Newspaper Association, Texas Association of Broadcasters and the Bar sponsored the study.

News organizations will review the guidelines early next year.

Highlights of the proposal include:

"The press has the right and the responsibility to report the truth. A free and responsible press enhances the administration of justice. Parties to litigation have the right to have their cause tried fairly by an impartial tribunal. No trial should be influenced by pressures from the press or from public clamor, and the Bar and the press share the responsibility to prevent the creation of such pressures. All members of the press should strive for objectivity, accuracy and fair play. The public has a right to be informed. The accused has a right to

be judged in an atmosphere free from prejudice."

SMALL BUSINESS — Texas Industrial Commission, whose main job is to try to attract new businesses into the state, may be branching into other areas.

Rep. David Finney of Fort Worth asked the TIC to set up a new division to help smaller industries with their development and managerial problems. Under the plan, TIC would work with local chambers of commerce and trade associations to assist businesses with difficulties — either by providing counseling services or by directing them to professional business counselors.

TIC has taken the proposal under consideration.

LEGISLATIVE COUNCIL — Texas Legislative Council, which meets between sessions to study proposals to better organize state government, has agreed to make a series of studies including one on the "Cavness Plan" which raised so much controversy during the last session.

This plan, ruled unconstitutional by the attorney general, would allow the Legislature to tap some of the permanent school fund. It is estimated by the author that it would have cut the need for taxes by \$71 million if it had been approved.

Rep. Don Cavness of Austin, originator of the plan, tried to get a constitutional amendment through that would have legalized the process but was unsuccessful in the Senate. He asked for the study.

Other proposed studies that were adopted include: Study of assistance programs for the handicapped, safeguards for buildings where a large number of persons congregate, a study of the chain store tax, study of service for the deaf, feasibility of giving schools three day weekends for holidays like the state has, and a study of effectively anticipating population changes on population bracket laws.

AG RULES — New law effective January 1 will permit 16 year old boys and 14 year old girls to enter into common law marriages by filing an "intent to marry" form with county clerks, Atty. Gen. Crawford Martin has held.

However, Martin said, as waves of protest broke over the opinion, he is personally against the law and thinks provisions for common law marriages ought to be eliminated entirely.

DRAFT QUOTA CUT — Texas draft call quota for next month has been trimmed to 456. This compares with the November call of 491, according to Col. Morris Schwartz, state Selective Service director.

October quota was originally set at 1,491 but later was reduced to 504 following presidential directives.

how
can Lone Star Gas
help you get rid
of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

Deer Season Opens Saturday

Deer season opens Saturday, Nov. 8 and hunters will have through Jan. 1 to get their bucks. Also running for the same period of time will be open season on wild turkey.

R. L. Flanagan, game warden for this area said this week that the bag limit on deer will be two bucks. He said all animals killed must have hardened antlers protruding through the skin. It is not necessary, however, that they have a rack.

Bag limit on turkey is two of either sex. Two hens or two gobblers, or one of each will be allowed, with a total of two, Flanagan said.

Quail season also opens Nov. 8 and will continue through Feb. 15. Bag limit on quail is 12 per day, with 36 in possession.

Flanagan said any land owners who are leasing land for hunting should buy a shooting preserve license at the county clerk's office.

Wildlife population is reported to be good in most sections of West Texas and hunters should be able to get their limits.

COLEMAN SISTERS HAVE WEEKEND OUT

The five Coleman sisters, daughters of the late Mr. and Mrs. Matt Coleman, and their two sisters-in-law had a get-together last weekend at the Jackson House Hotel in San Angelo. The seven ladies spent the entire weekend visiting, shopping and enjoying themselves.

The five Coleman sisters are Mrs. E. L. Caperton, Mrs. H. T. Sims and Mrs. Sybil Hester, all of Bronte; Mrs. Roscoe Fort of Lubbock and Mrs. Jude Baker of Arlington. The sisters-in-law are Mrs. Buck Coleman of Ballinger and Mrs. Bob Coleman of Big Spring.

Mrs. Caperton said one of the things that made the five sisters so happy about the occasion was that the idea came from the two sisters-in-law, who made all the arrangements.

One of the high points of the gathering was a surprise shower of birthday gifts for Mrs. Caperton.

Also present was Mrs. Ethel Young of Slaton who drove Mrs. Fort to San Angelo. Mrs. Bobby Modgling and Mrs. Floyd Gravitt of San Angelo visited the party one day for lunch.

Bob Coleman visited with E. L. Caperton while their wives were in San Angelo.

Lorraine Bulldogs Latest Longhorn Victim, 49-0

The Bronte Longhorns completely dominated the ball game Friday night at Lorraine and brought home a final score of 49-0. The local lads went for 20 points in the first quarter, and Coach Cecil Toliver let most of his seniors sit on the bench during most of the remaining offensive play. The younger Horns did very well with their offense and would settle for no less than two touchdowns.

First Quarter

The Longhorns received the opening kickoff and ran it back to the 42. A couple of carries by Bobby Skelton and Nicky Arrott moved it to the 49. The next play was a pass from Keith McCutchen to Willie Zuniga and was good for the first TD of the night. Zuniga's try for an extra point missed and the score was 6-0.

The Bulldogs put the ball in play on their 27 following Zuniga's kickoff. A fumble on the first play of the series was recovered by Donnie Thompson to give the ball back to the Horns on the 27. Skelton went for 4, and Arrott added 2 more before the McCutchen to Zuniga pass combination was tried again. It worked and the Longhorns made another counter. This time Zuniga's kick was good to make the score 13-0.

Robert Finley was downed on the 35 after taking Zuniga's kick. Finley, Bimbo Stewart and Jerry Graham carried to the 50, making one first on the way. With 4th and 5, Mike Walker punted to Randy Barbee who traveled back to the Bronte 47 before he was tackled.

Skelton made 4 yards, then Arrott took the ball, followed his blockers over to the left side of the field and went 49 yards for another counter. Arrott's beautiful performance was followed by another extra point off Zuniga's toe and the score was 20-0.

Finley was downed on the 29 after taking Zuniga's kick, and

then carried three times for a 1st on the 35. The Horns' defense tightened up and held the Bulldogs to 3 yards in 3 tries and forced a punt. It went to Barbee who ran it back to the Lorraine 44. A gain of 4 yards was made by Willie Sanchez as the quarter ended.

Second Quarter

With Skelton in as quarterback, he handed the ball to Jerry Graves who rambled 10 yards for a 1st on the 30. Graves then went for 3 more, and Skelton kept for a 1st on the 15. Sanchez moved 10 more for a 1st and goal on the 5. Graves went over the middle for pay dirt. The kick was partially blocked and went awry. Score: 26-0.

Zuniga kicked off to Finley who was stopped on his 20. A fumble was recovered by Arrott, but was nullified by a penalty against the locals. Quarterback Graham kept the ball for an 11 yard gain to the 31. The defense allowed another 1st on the 41. That was about it, however, for the Bulldogs were able to make only 1 yard in three plays and had to punt. Barbee took it and a nice runback put the ball on the Lorraine 49.

Sanchez and Graves both made 3 yards and Richard Reyes added 1. The lads decided to go for the need 3 yards, and Skelton faded to pass. He got caught on the Lorraine 44 and the ball went over to the Bulldogs on the 44. They made 3 yards before the half ended.

Third Quarter

Graham was downed on his 30 after taking Zuniga's kick to start the second half. Bronte drew a couple of 5 yard fines and Lorraine had a 1st down on the 43. With Finley and Stewart doing the carrying chores, the host team moved down to the Bronte 45 for another 1st. The next series bogged down and the Lorraine lads were faced with a 4th and 9. Walker punted to Barbee, and it was a mistake, for the big Bronte back took the ball on the 20 and ran up the west side line for 80 yards and another Bronte touchdown. It was a crowd pleaser on the Bronte side of the field. Zuniga booted an extra point and the score stood at 33-0.

Zuniga kicked to Gary Scarber who was tripped up on the 28. Stewart lost a couple of yards in two carries and Scarber made 2 to bring up 4th and 10. Walker punted a short one to his own 47 where Bronte took over.

Jerry Graves carried a couple of times for 9 and Skelton went on to the 27 for 11 yards and a 1st down. A pass interference penalty gave the Horns a 1st on the 20, and then another pass try was intercepted by Graham and the Bulldogs took over on the 20.

A pass play and a 15 yarder against Bronte moved the ball to the Lorraine 45 for a 1st and a couple more plays went to the 48 before the end of the third quarter.

Fourth Quarter

One play and then the ball was punted to Jerry Graves on the 23. Graves ran it 5 yards and Reyes went for a 1st on the 33. Graves made a yard and Sanchez went 12 to the 46 and a 1st. Graves moved the ball 6 yards and a 15 yard fine against Lorraine moved it to the Bulldog 34 for a 1st. The next play was a dandy as Skelton tossed a pass to Reyes for a touchdown, covering 34 yards. Skelton kept the ball and ran across 2 points and the scoreboard said 41-0.

Graham was downed on the 22 after the kickoff. Stewart made 4 and Ronald Jones went for 10 and a 1st on the 47. Stewart almost got loose on the next play before Mike Arrott saved the day when he finally stopped him on the Bronte 27. Jones made a yard and then lost 6, followed by an incomplete pass. Graham lost back to the 25 where Bronte took over.

McCutchen tossed a short pass to Arrott who wound his way through the Bulldog defenders all the way to the double stripe. It was all for nothing, as the ball was called back and Bronte was penalized for clipping. With the ball on the 38, McCutchen tossed it to Thompson for a 1st on the Lorraine 32, a gain of 30 yards. A pitch to Arrott over toward the east side gave the slippery back all the running room he wanted, so he went to the double stripe again, and this time it counted. Another pitch to Arrott and a short run across the goal line gave the Horns a couple of extras. The score read 49-0.

Danny Parker kicked off. Walker took it and was downed on his 42. A loss of 3 yards on a running play plus two incomplete passes called for a punt which went to Reyes on his own 41. Reyes then carried for 6 and two unsuccessful pass tries ended the ball game. Score 49-0.

Everybody on the squad got a good workout in the contest with the Bulldogs.

Freezing Chicken

Chicken is a favorite main course in most households.

So it's a smart move for the economy-minded homemaker to stock the freezer with chicken when it's an especially good buy.

You can freeze either whole or cut-up chickens. Wrap the chicken in an air-tight wrap, so each package contains the amount to be cooked and served at one time.

Be sure to write the date and amount of chicken on the package wrapper for future reference. Keep chicken frozen until ready to use, with sufficient time allowed for thawing before cooking. Under the most favorable conditions, frozen uncooked chicken can be stored up to 12 months. Thaw chicken in the refrigerator—allowing 12 to 24 hours, depending on the amount.

Broiler supplies are plentiful, according to USDA's Consumer and Marketing Service. You may find it the right time to stock up on chicken.

Treat the family to Hawaiian-Style Chicken.

- One 2½ lb. disjointed broiler
- 2 tablespoons cornstarch
- ½ cup tomato juice
- ¼ cup lemon juice
- ½ cup honey
- 1 can (1 lb., 4 oz.) pineapple chunks with syrup
- 2 green peppers

To prepare, moisten cornstarch with small amount of tomato juice. Add balance of juices and honey. Blend well. Add green peppers cut in bite-size pieces and pineapple.

Four sauce over single layer of disjointed chicken pieces. Cover and bake at 300 degrees F. for one hour. Remove cover and continue baking until chicken pieces are tender and glazed.

Hawaiian-style chicken is a real crowd-pleaser. Try serving it at your next party.

A special sale on broilers indicates a good time to buy several

chickens, steam to tenderness, remove meat from bones and freeze cooked chicken in portions which can be used in special recipes. The broth also can be frozen. It's best to use cooked chicken within about a month after freezing.

Utilize this chicken in Chicken Pot Pie.

Chicken Pot Pie

- 2½ to 3 cups cooked chicken
- 1 cup cooked diced potatoes
- 1 cup cooked diced carrots
- 1 cup cooked diced celery
- ½ cup raw or sauted chopped onion

- 3 cups chicken broth
- ½ cup uncooked peas
- ½ cup flour
- Salt and pepper
- 1 recipe pie crust or biscuit dough

Combine flour with small amount of cool broth, mixing until smooth. Stir in remaining broth. Cook mixture until thickened. Add all remaining ingredients and simmer until heated through.

Pour mixture into baking dish. Cover with pie crust or biscuit dough. Bake in 400 degree F. oven 15 to 20 minutes, or until topping is golden brown and thoroughly baked. Makes six to eight servings.

Chopped Chicken Livers make a big hit at a party.

Chopped Chicken Livers

- ½ pound chicken livers
- ¼ cup chicken fat or butter
- 1 medium onion, diced
- 1 hard-cooked egg
- ½ teaspoon salt
- ¼ teaspoon pepper
- ¼ teaspoon thyme

Cut chicken livers into coarse pieces. Heat butter or chicken fat in fry pan, add livers and onions. Saute gently until livers are cooked and onions tender, about six minutes. Place into the blender container the contents of the fry pan, including drippings and other ingredients.

Cover the container and blend together for about five seconds, or until mixture is coarsely chopped. Stop blender as necessary to stir ingredients. Chill pate and serve as an appetizer with a garnish of chopped hard-cooked egg or finely chopped parsley. Makes about two cups of liver pate.

Turkey may be substituted for chicken in the above recipes.

USDA November plentiful foods feature: turkeys, canned peaches, fresh apples, potatoes, sweet potatoes, canned or frozen beans, dry beans, broiler-fryers, rice.

Coke County Farm Bureau met in annual convention Oct. 28 at Bronte School and officers were re-elected to serve another year. Bad weather was blamed for the small crowd which turned out for the meeting.

Bill Reed of Lamesa, district vice president, met with the organization and answered questions concerning policies of the Farm Bureau.

Re-elected officers are Wayne Arrott, president; Fred McCabe Jr., vice president; and Mrs. C. E. Arrott, secretary-treasurer.

Other business included election of delegates to attend the state convention which will be held Nov. 17-19 in San Antonio.

Blue Cross Going Up

Much of the discussion at the session was on a prospective increase in the benefits and cost of Blue Cross-Blue Shield hospitalization insurance for members of the Farm Bureau group. Exact changes have not been announced, according to Mrs. Arrott, but will be learned later. She said Farm Bureau members who presently have a Blue Cross policy with the Farm Bureau will be allowed to retain it at the present rate and that anyone else who would like to join the Farm Bureau group may do so at the present price until Nov. 15. After that date, the secretary said, all new members en-

rolled will have to pay the increased rate.

An ad in this week's paper sets forth the new policy.

In other business the Farm Bureau elected Ben Boykin, Fred McCabe Jr. and Paul Burns as delegates to the state convention. Their wives will serve as alternates.

Refreshments of coffee and cookies were served.
