Bi-District Game Set Friday

Thanksgiving 1969

What have we to be thankful for? Did the original celebrators of the feast of Thanksgiving have MORE cause for gratitude than we do today?

Their life was demanding. They had to work hard to provide the necessities of life, clothing and food, and to build schools and places of worship. Yet they set aside a day for joyous celebration to thank God for the abundance of His gifts.

We have come a long way since that first celebration in the Massachusetts Bay Colony. As one generation gives way to another, the scientific and technical advances have made us the bread basket and supplier of the world. The luxuries of yesteryear have become the necessities of today.

Wouldn't it be a sound idea for all of us to reflect a bit on that original scene of Thanksgiving? History is a great teacher, and a quick flashback to the first Thanksgiving might help us to rededicate our lives to sound principles, good deeds, human values, cooperation, peace, prosperity for all mankind.

Bronte Firms To Take Thanksgiving Holiday

AD-LIB-BEN

Some wild deer hunter or other person inept at handling firearms almost ruined a hunting trip for another deer hunter and his faithful donkey. E. F. Glenn reported this week that his burro, which always goes with him on a yearly deer hunting trip in far West Texas, was shot one day last week.

Glenn said the animal is recovering satisfactorily, and probably will be able to make the

Bronte business firms, for the most part, will take a holiday Thursday of this week in observance of Thanksgiving. A few firms on the highways will remain open to serve travelers and local customers.

Included among the places which will close are First National Bank, the U. S. Post Office and the city hall. Offices in the court house at Robert Lee will be closed.

School will be dismissed Wednesday and classes will not be resumed until Monday, Dec. 1, giving students and teachers a four-day weekend.

The Bronte Enterprise is be-

ing printed on Tuesday, so it will go out to readers before the Thanksgiving holiday, and so the staff can have a holiday.

Apparently, Thanksgiving Day itself will be a quiet one, with lots of family gatherings and college students home. However Friday will be a different matter, when the Bronte Longhorns play the Fort Hancock Mustangs in a bi-district football game at Fort Stockton.

Christmas is the next holiday on the calendar for Bronte, and the Yuletide atmosphere already is being felt as merchants put their wares on display for the shoppers.

A host of football fans is expected to be on the road between Bronte and Fort Stockton Friday afternoon. They will be on their way to the bi-district ball game between the Bronte Longhorns and the Fort Hancock Mustangs. Game time is 7 p.m. in the Fort Stockton stadium. Admission

prices are \$1.50 for adults and \$1.00 for students.

The 1969 game will be the third encounter the Horns have had with the Mustangs. The first one was in 1966 when the local lads took a 38-12 win, and in 1967, when the Longhorns wiped out the Mustangs, 48-0.

Coach Cecil Toliver said Tuesday morning that all of his charges are eligible to play this week, and the team is looking forward to the game and hoping for a victory.

Supt. C. B. Barbee said Fort Stockton has excellent football facilities and he believes both players and fans will enjoy attending the bi-district playoff in that city. Fort Stockton Chamber of Commerce will provide tickets, announcers, and other material and personnel for carrying on the game.

Pep Rally

A pre-game pep rally will be held in the gymnasium at 10:30 a.m. Friday, and members of the team, band members and cheerleaders will board buses immediately after the rally and leave at approximately 11 a.m. The football players and cheerleaders will ride the bus only as far as San Angelo, where they will board a chartered bus which will take them the remainder of the distance to Fort Stockton.

The band buses have rest stops scheduled for Big Lake both going and coming. The band will eat at the Steak House in Fort Stockton and the football team will eat at Al's Chicken House.

Superintendent Barbee said the pep rally will be taped, as usual, but he did not know when it would be broadcast. Station KRUN also plans to tape the game, play by play and replay it at 3:15 p.m. Saturday.

Bronte Home Team

The Longhorns will be the home team in the bi-district contest and local fans will sit on the west side of the stadium. Gates will open at 6 p.m.

The winner of the contest will be bi-district champs of Districts 7-B and 8-B and will move onto the regional playoff with the champions of Districts 5-B and 6-B. The game to decide the winners in those two districts will be played Thursday at 2:30 p.m. in Levelland where Wilson of 6-B will meet Sundown of 5-B.

Coaches Toliver and Gerald Sandusky said this week that they hope a large crowd of local fans will make the trip to Fort

Stars were awarded for fumble recoveries to Willie Zuniga, two, Roger Graves and Gary Skelton. David Scott got a second star for creating a fumble, and James Vaughn received a star for a blocked punt. Stars for pass interceptions gave a second award to McCutchen and one to Randy Barbee.

Longhorns Coast By Hawley Bearcats, 70-14

The Bronte Longhorns nailed the Hawley Bearcats, 70-14 in a final District 7-B ball game of the season for both teams. The win gave the Horns a 5-0-0 district record and a 9-1-0 for the season.

Before the game with the Bearcats, the Longhorns had clinched the district title, but the final win left no doubt as to who is the best team in District 7-B.

The Longhorns went for 31 points in the first quarter and crossed the double stripe in the three subsequent periods, while Hawley made one TD in the third and fourth quarters.

First Quarter

Willie Zuniga kicked off and the ball was killed on the 19. James Newbury and Prentice Westbrook moved it to the 33 for the first 1st down of the night. The Horns tightened on the next series and held the Cats to 2 yards on three tries. Westbrook punted to the 32 with no return. The Horns wound up short after Bobby Skelton made 8 yards on two tries. Randy Barbee punted to about the 8 yard line and Hawley was penalized 15 for roughing the kicker. The fine gave Bronte a 1st on the Bearcat 45.

Quarterback Keith McCutchen pitched to Barbee, who went 21 yards for a 1st on the 24. McCutchen tossed a short pass to Zuniga who went for a TD,

but a flag was dropped and the Horns were penalized for illegal procedure. The next play was another pass from McCutchen to Zuniga in the end zone. A pass to Barbee added two extra points and the Horns were ahead 8-0.

Zuniga's kick was killed on the 18. A penalty gave the Cats a 1st and 5, but the next two downs showed them back 11 yards, and an incomplete pass made it 4th and 16. Westbrook's punt went to Nicky Arrott who raced 34 yards to the Hawley 21. A penalty moved it back to the 36, and from there Arrott took it, behind some good blocking to the double stripe for another Bronte counter. Barbee ran the extras and the score was 16-0.

The Cats took over on their 23 following the kickoff. Newbury made a couple and Bill Cagle added 7 on a keeper play, but the Cats couldn't make their 1st down. Westbrook's punt was blocked and Zuniga scooped up the ball and went for another Bronte touchdown. McCutchen tossed the ball to Donnie Thompson for 2, making the score 24-0.

Starting from the 35, the Cats had to punt again after one running play and two incomplete passes. The kick took a Hawley bounce and stopped on the Bronte 14. Arrott went for 8 and Barbee added 17 more for a 1st on the 40. Bobby Skelton took the next handoff around left side, got behind Zuniga, and ran up the north sideline for 69 yards and another counter. Zuniga kicked the extra point and the score was 31-0.

Second Quarter

Newbury took Zuniga's kick on the 5 and ran it out to the 30. Right away McCutchen intercepted a Bearcat pass on his 45 and returned it 25 yards to the Hawley 30.

Bobby Skelton went in as quarterback for the Horns. Cooper went for 2. Jerry Graves added 3 and Cooper went for 2 more. Then B. Skelton hit brother Gary Skelton with a pass on the 4 yard line for a 1st and goal. The Cats didn't like the deal and bottled up the Horn defense for three plays. On the 4th down, Skelton on the keeper outran all the defenders as he went around left end for another Bronte TD. PAT was no good and the score was 37-0.

Cooper kicked off to Cagle and, starting from the 24, the Cats were unable to make a yard. Westbrook punted, but Bronte drew a 15 yard penalty for roughing the kicker and Hawley had a 1st on the 40. Evidently the penalty irritated the Horns for three plays later the Cats were faced with a 4th and 25 situation. Westbrook's punt was partially blocked and the Longhorns took over on the Hawley 43.

J. Graves and Willie Sanchez moved the ball down to the 22 for a 1st, but the local lads then bogged down and four plays later Hawley took over on their 21. The visitors gained a yard and then a pass gave the ball back to the Horns, as Barbee intercepted on the 30. On the first play from scrimmage Bobby Skelton hit Gary Skelton with a pass in the end zone for a Bronte counter. Conversion try was no good and the scoreboard said 43-0.

Cooper kicked off and Hawley put the ball in play on their 22. A 4th down punt was blocked and Bronte took over on the Hawley 14. The Horns were

able to get off two plays before the first half ended.

Third Quarter

Barbee took the kickoff about his 40 yard line and went all the way for another Bronte touchdown — as a starter for the second half. B. Skelton and Cooper led the interference ahead of Barbee, and the score was 49-0, after an unsuccessful conversion try.

Zuniga kicked off to the Bearcats, and a fumble allowed the ball to go into the end zone where Newbury was trapped, giving Bronte a 2 point safety. Score: 51-0.

Westbrook booted the ball from placement on the 20 after the safety. It went to Arrott who traveled back to Hawley 20. After losing 5, the Horns called for a try by Arrott who was able to go for the TD. Arrott then kicked the EP to make the score 58-0.

Zuniga's kick was taken by Newbury who was tripped up on his 25. The first play for the Cats was a pass which Barbee intercepted and went for another Bronte counter. Conversion try failed, and the score was 64-0.

Cagle was downed on the 25 after Zuniga's kick. The Cats marched the ball nearly to mid-field before they were forced to punt. Once again Bronte was penalized for roughing the kicker and Hawley had a 1st down on Bronte's 42. Gary Womack went for 7 and Cagle kept for a 1st on the 30. On the next play Cagle went around right end for a touchdown and got his team on the scoreboard. Cagle ran the PAT over to make the score 64-8.

Cooper took the kickoff and went back to the 45, a nice run-back. J. Graves carried for a 1st on the Hawley 45, then the Horns couldn't go and Cooper tried a punt. It was blocked and the Cats had the ball on the Bronte 46. Newbury and Cagle made a 1st on the 35, then Cagle hit Jack Hondon with a pass for a 1st and goal on the 9. The Bronte lads recovered a fumble on the 12. Arrott moved 34 yards to the 46 for a 1st. J. Graves went 12 for another 1st on the Cat 43. Two plays later the quarter ended.

Fourth Quarter

Sanchez made 2 and then a fumble gave Hawley the ball on the Bronte 45. The Bearcats made a 1st on the 34, with the help of a penalty, went for another on the 22, then to the 12, and on down to the 1 for a 1st and goal. Ken Brown carried over for the second Hawley tally but the PAT try failed, making the score 64-14.

Sanchez took the kick and was downed on the 42. With Mike Arrott in as quarterback, the Horns moved to the Hawley 47 with Cooper and Graves doing the carrying. A penalty moved the ball back to the Bronte 44, bringing up 2nd and 20. A pass from M. Arrott to Cooper was good for 5, and a run by Graves made 9 yards. Arrott kept the ball for the 1st on the 34. Graves made 7 and Cooper made the 1st on the 19. McCutchen went back in as QB and tossed the ball to N. Arrott for another tally. Kick was short and the score was 70-14.

Cooper's kick went to Cagle who was downed on the 45. A fumble was recovered by Gary Skelton on the Bronte 49, and Cooper made 3 yards as the final gun sounded. Score: 70-14.

WASHINGTON

"As it looks
from here"

OMAR BURLESON

Congressman
17th District

Washington—The following is a "re-run" from Nov. 23, 1967. The thoughts then crowd out anything different now.

In spite of our individual concerns, disappointments and frustrations, as a people we have more reason to be thankful than any nation in existence now or in the past. We can be thankful that we have lessons of the past to guide us in the future, if we will but heed them. It says in the 14th verse of the 7th Chapter of II Chronicles, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

We are the greatest nation the world has ever known but there are troubled clouds hanging over the horizon.

We do not know what the future holds but we know who holds the future.

The coming of the Pilgrims to the New England coast in 1620 forms a glamorous chapter in American history, although it marked the first socialist settlement in America.

Little noticed, and more often ignored, is that this experiment in socialism failed within three years, and for their very survival, the Pilgrims had to turn to what we know as the free enterprise system. This valuable lesson should be more emphasized in all places when we pay tribute to these sturdy people who were seeking new freedoms.

Before landing, the Pilgrims entered into what we know as the Mayflower Compact. Under this agreement, Plymouth was set up as a share-the-wealth community. Nobody owned anything. Whatever was produced belonged to the community as a whole. They called this system "the common course and condition." They lived under this system from the desperate, disease-ridden first winter of 1620-21 until the hungry spring of 1623. Then they changed to private enterprise. Why? The answer is written by William Bradford, one of the leading original Pilgrims and second Governor of Plymouth Colony, entitled, "Of Plymouth Plantation."

The Pilgrims were not long under this "common course and condition," writes Bradford, until it "was found to breed much confusion & discontent, & ritard employment that would have been to their benefite and comfort. For the young men that were most able and fitte for labor and service did repine that they should spend their time & strength to worke for other men's wives and children, without any recompense. The strong... had no more in devision of victuals & cloaths than he that was weake..."

"Upon the Poynte all being to have alike, and all to doe alike, they thought themselves in the like condition, and one as good as another. And so, if it did not cut off these relations that God hath set amongst men, yet it did at least diminish and take of the mutuall respects that should be preserved amongst them."

Instead of a thanksgiving feast in the fall of 1622, there was literal starvation and hopelessly low morale. "So they begane to thinke how they might

raise as much corne as they could... that they might not still languish in misere. At last, after much debate of things, the governor gave way that they should set corne every man for his own particular... And so assigned to every family a parcell of land... This had very good success for it made all hands very industrious, so as much more corne was planted than other wise would have bene."

The Pilgrims offered thanks for their deliverance from socialism with a great Thanksgiving feast in the fall of 1623.

Some people still have the idea, as Bradford said, "That the taking away of propertie, and bringing in communitie into a commone wealth would make them happy and flourishing."

Socialism had been tried many times before the Plymouth Colony. It has been tried many times since, and has failed. It is destined to fail because it violates fundamentals and moral laws that simply will not be violated.

Vegetable Condiments for Meal

Whether turkey, ham or beef roast is the holiday dinner mainstay, elegant vegetable extras help create the festive atmosphere.

Why not try serving favorite vegetables in unusual combinations with unexpected seasonings?

For example, arrange two or three vegetables on a large platter. You will have one dish to wash instead of several and they look handsome and stay hot longer.

Try Mexican-style corn surrounded by green beans and onions. Or decorate a plate with broccoli or whole carrots for color.

A cauliflower head can be the platter's center piece surrounded by a colorful vegetable. Acorn squash filled with peas and small onions or braised celery adds interest to a meal.

To decide whether to buy fresh, canned or frozen vegetables, compare prices to determine the best value.

Mystery Mix

Mystery Mix is a snack food that can be made soon and kept until Christmas. Better still make some now and some more later!

Heat in large saucepan over medium heat — 5 tablespoons salad oil. Add and cook, covered, until seeds no longer pop — 2 tablespoons cumin seed. Remove from heat. Add, mixing well — 2 tablespoons sugar, 2 tablespoons mustard seed, 2 tablespoons tumeric, 1 tablespoon salt, ¼ teaspoon cayenne.

Add, tossing until well seasoned — 6 cups bite-size shredded rice biscuits, 3½ cups salted peanuts, 2 cans (2¼ ounces each) potato sticks, 2 cups raisins (Pecans could be used), 1 package (8-ounce) shredded coconut, toasted golden brown.

Makes 10 to 12 cups. Keeps well for several weeks if stored in airtight container.

MARGARET'S FLOWERS TO HAVE OPEN HOUSE

Margaret's Flowers & Gifts will have its annual Christmas open house Saturday. Mrs. J. L. (Margaret) Brunson said Monday that everyone in the area is invited to drop by Saturday.

She will have free refreshments and free gifts for everybody. In addition, door prizes will be awarded those whose names are drawn from the list of persons who attend.

Mrs. Brunson said she will have a large selection of Christmas decorations, doorpieces, centerpieces and other creations on display for visitors to see. Her ad in this week's Enterprise gives complete details about the special event.

Public Hearing On Gas Rate Raise

A public hearing has been called for Thursday, Dec. 4, to discuss the request of Lone Star Gas Co. for a raise in natural gas rates in Bronte. Mayor Royce Lee said the public is invited to attend the meeting and express their views. Officials of the gas company will be on hand to present their side of the story. The meeting will convene at 7 p.m. in the city hall.

Gas Company representatives met with the city council Nov. 6 and the rate raise was discussed. However, the council deferred action on the request and set up the public hearing for Dec. 4.

The new bishop was scheduled to arrive in San Angelo from San Antonio at 1:30 p.m. Tuesday. A formal mass of installation was set for 5 p.m. at Sacred Heart Cathedral. A public reception was scheduled for 8:30 p.m.

Bishop Leven will serve as the spiritual leader for more than 63,000 Catholics in the 34-county diocese. Included in the Diocese of San Angelo is St. James Catholic Church in Bronte. Regular Catholic services also are held in Robert Lee.

The San Angelo Diocese was created in 1961 by the late Pope John XXIII.

CHEER 'EM ON — Bronte High School's cheerleaders are a big factor in the morale of the football team, the student body and fans in general. The five girls keep up the spirit at ball games and pep rallies. From left, they are Kathy Kiker, daughter of Mr. and Mrs. Norman R. Kiker; Dee Ann Percifull, daughter of Mr. and Mrs. Wayman Percifull; Cynthia Robinson, daughter of Mr. and Mrs. Roy Robinson; Jolene Vaughn, daughter of Mr. and Mrs. B. J. Vaughn; and

Norma Pruitt, daughter of Mr. and Mrs. Noah Pruitt Jr. The girls will be leading the cheers for the Longhorns at Friday's bi-district contest with Fort Hancock and, hopefully, with a regional opponent next week.

Hiway Dept. Urges Holiday Safety

Texans take to the highways in record numbers at Thanksgiving, a traditional time for family gatherings. Another tradition, Thanksgiving Day football games, puts even more travelers on the highways.

The Texas Highway Department strives continuously to make the 69 thousand-mile Texas highway system as safe and convenient as possible for travelers. However, construction areas pose special problems, even though every effort is made to move traffic through them as safely and quickly as possible.

During the holiday period, the Texas Highway Department urges motorists to watch for construction areas and watch for, and observe, warning signs and signals.

In addition, motorists are urged to drive with caution, care and courtesy during the holiday period and all the time.
