STATE CONTESTANTS — The junior farm skills team of Bronte will participate in a state contest this weekend at Huntsville. From left, members of the team are Eugene Scott, Danny Carper and Ran-

dy Gibbs. Another member of the team, Richard Reyes, was not present when this picture was made. Some of the materials used in their demonstration and finished products are shown in the foreground.

Jr. Farm Skill Team Enters State Contest

Four members of the junior skills team of the Bronte Future Farmers of America Chapter will leave Friday morning with sponsor J. T. Henry for Huntsville where they will enter a state contest on Saturday.

Members of the team are Randy Gibbs, Danny Carper, Eugene Scott and Richard Reyes.

4-H Awards Meet Set for Monday

State Representative George Baker of Fort Stockton, 66th District, will be the speaker for the annual 4-H Awards program to be held Monday, Dec. 15. The program will be held in the Robert Lee School Cafeteria with a covered dish supper beginning at 6:30 p.m.

Seventy awards and year pins will be given to boys and girls who completed projects and special activities.

All 4-H members and their families are invited and urged to attend.

boys won first place at the district contest in San Angelo and also took top honors in an area contest held at Big Spring. The area win gave them a berth in the state contest.

The boys' demonstration consists of making useful items from old tires, including flower and small shrub planters and containers for feeding livestock.

The team and sponsor will spend Friday night in Huntsville and will return to Bronte some time Saturday night, after the contest.

Concert Slated

A Christmas concert will be presented Dec. 19 by the Bronte Longhorn Band. Announcement of the concert was made this week by Supt. C. B. Barbee. He said the program will begin at 12:40 p.m. and that the public is invited to attend.

More details of the concert will be carried in next week's Enterprise.

Horns Receive Ten Positions on All-Dist. Teams

The regional champion Bronte Longhorns were voted into five berths on both the offensive and defensive all district teams for District 7-B. Selections were made Wednesday at Jim Ned when coaches and superintendents for the six schools in the district met.

Three of the mighty 1969 Longhorns were named to both the offensive and defensive units, with all three being unanimous selections. They are Willie Zuniga, Keith McCutchen and Nicky Arrott.

Bronte selections on the offensive team are: Zuniga, end; David Scott, tackle; James Vaughn, guard; McCutchen, quarterback; Arrott, back.

Bronte men on the defensive team: Roger Graves, tackle; Zuniga, end; Arrott, linebacker; Randy Barbee and McCutchen, halfbacks.

Receiving honorable mention on the Bronte squad were Dana Sowell, center, and Bobby Skelton, back.

The complete offensive team: Ends, Zuniga, Darrow Cobb of

Santa Letters Are Requested

Letters to Santa Claus will be published in the Christmas week edition of The Bronte Enterprise. Kids of all ages are invited to send their letters to the newspaper.

Students in the first, second and third grades will be requested to turn in their letters to their teachers at school.

The Christmas edition of The Enterprise will be printed Dec. 22 and 23 and put in the mail on Christmas Eve. In addition to having letters to Santa in it, the edition will contain Christmas greetings from business and professional people, as well as individuals who care to send greetings to their friends in this way.

Anyone who would like to run a greeting ad is invited to call or come by The Enterprise office.

The Bronte Longhorns are Class B Regional Champs of this wide area of West Texas known as Region 2. The Longhorns came by this honor as a result of their 23-29 win last Friday night over the Sundown Roughnecks in a game played at Snyder.

The victory gave the Longhorns the regional crown the second time in the last three years and was the fourth regional playoff participated in during the last five years.

The Horns dominated the game the first three quarters and were ahead 29-7 going into the final period. But the Roughnecks came alive in the period and almost dashed the hopes of the locals for the victory. They were pressing hard at the 1 yard line when the final whistle blew, and fans were almost in a state of shock from the fierce comeback of the boys from Sundown.

The weather was much more cooperative than it was the week before when the lads played Fort

Hancock on a field at Fort Stockton covered with nine inches of snow.

Nicky Arrott was the big gun on scoring in the game with three counters to his credit. The fourth TD was a pass from Quarterback Keith McCutchen to Randy Barbee. Willie Zuniga kicked three extra points and the fourth conversion, a two pointer, was on a McCutchen to Barbee pass.

Council Approves Gas Rate Raise

Bronte city council has approved a 17 per cent increase in gas rates for local customers at a meeting last Thursday night. Lone Star Gas Company had requested a 24 per cent increase.

Sopkesmen for the company told council members that the increase was necessary in order for the firm to get a fair return on its investment in the city.

Mrs. Helen Kirkland, city secretary, said she talked with a representative of the company this week and he said that no word had been received from company headquarters on acceptance of the council's approval of the 17 per cent increase.

Hospital Making Improvements

Improvements are underway at Bronte Hospital and John Harris Clinic in Bronte. First part of the project which is just about completed is painting of the interior of the hospital, including halls, patient rooms, etc. Painters are expected to move over in the clinic area next week.

Also to be included in the improvements will be installation of a new communications system. New equipment will allow nurse and patient communication from the nurses' station to patient rooms. Also telephone jacks will be installed in each room, so patients who need to use telephones can do so.

Dr. John R. Harris, owner of the hospital and clinic, said other improvements are in his plans and will be effected during the next several weeks.

'Hobgoblin House' To Be Presented

A cast of 13 members of the junior class will present a three-act comedy-mystery Monday at 7:30 p.m. in Bronte School auditorium. Title of the hair-raising drama is "Hobgoblin House." Admission prices will be 75 cents for adults and 50 cents for students.

Directors of the play are Mrs. Susan Perry and J. T. Henry, class sponsors.

The cast includes the following members of the class with their parts indicated:

Darius Krupp, played by Joe Basquez; Priscilla Carter, Paula Landers; Marian, Kathy Bryan; Jill, Sallie Richards; Frank, Kenneth Stroebel; Jack, Donnie Thompson; Susan, Melissa Lee; Henry, Danny Cooper; Delilah, LaQueta Timmons; Bluebeard Bronson, Steve Clark; Bill Wilkins, Dana Sowell; Patricia, Jolene Vaughn; the Headless Phantom, Cindy Lamberth.

Class members promised a night of suspense and mystery, along with plenty of comedy, as they issued their invitation to everyone to attend.

AUSTIN, Tex. — January's draft call for Texas is 573. That is up 117 from December's 456.

Col. Morris S. Schwartz, State Selective Service director, said allocation of the call will be delayed until he receives official instructions on procedures for random selection.

Induction period is January 15-31.

Under the new Selective Service rally, men from 19 to 26, born on September 14, whose last names start with the letter "J" will be the first drafted after January 1.

Under the new lottery procedure 365 capsules are dropped into the hopper. Each capsule bears a number representing a day in the year. These are regarded as birth dates.

Order in which capsules are drawn thus determine the order in which men with matching birthdays will be drafted next year. Same sequence applies to those now deferred, or exempt in the future, when they return to "I-A" classification.

Texas quota for pre-induction physical and mental examination next month is 5,800.

In addition to available men 19-26, all those 18 years and six to 11 months old in January of 1970, may be ordered for examination to fill the call. Oldest will be ordered first.

COURTS SPEAK — Texas Supreme Court refused to change its rule that the Sunday closing law is constitutional. However, it granted a motion by challengers to stay its mandate pending appeal to the U. S. Supreme Court.

Federal district court here threw out atheist Madalyn Murray O'Hair's suit to prevent broadcasting of prayer and Bible readings by astronauts from outer space. She says she will appeal.

State Supreme Court agreed to send back for retrial a medical malpractice suit brought by a farmworker against an Ennis doctor.

High Court was asked to reconsider its finding that a young Army Sgt., Albert Buckman Wharton II, is sole heir to Electra Waggoner's \$45 million estate located in six North Texas counties. A foster sister challenged the will.

SMALL TOWN SAFETY VALVES — Interest in developing the small town as a safety valve of galloping urbanization is gaining momentum.

Governor Smith started the new-interest in small town development when he announced his "Texas Communities Tomorrow" plan, which offers a program of self-help for the state's decaying rural communities.

Texas Municipal League devoted an entire issue of its magazine, Texas Town and City, to the problems — and the solutions.

Governor Smith has said "if we continue to worry about urban problems in a relatively exclusive way, without attending to the plight of small towns, we will have only rural wastelands and urban slums."

Short Snorts

Attorney General Martin announced he would run for a third term.

Bob Shannon of Austin, formerly of Brownwood, said he will run for the Third Court of Civil Appeals, the Austin appellate court which reviews virtually every appeal involving a state agency.

Cigarette tax revenues jumped nearly \$2 million from November, 1968, to last month—due to the 4.5 cent-a-pack increase which became effective October 1.

Sen. Jack Long of Longview announced he will not seek reelection to his District 2 Senate seat.

A state regional planning assistance grant of \$18,400 went to the 17-county West Central Texas Council of Governments, with headquarters in Abilene.

Gyps That Thrive at Christmas
 That Ho! Ho! you hear at Christmas may not be Santa Claus. It may be the chortle of a prosperous gyp-artist on his way to the bank to make another deposit. Every holiday season, says the National Better Business Bureau, millions of dollars are funneled into the pockets of seasonal swindlers with schemes like these:

The perfume hoax. That is one of the most common and profitable of the perennial swindles. Most of the victims are men. The racket involves rebottling well-known brands of cologne or toilet water in tiny, perfume-size bottles and then selling them at perfume prices.

Variations include the use of counterfeit labels on cheap imitations and the use of initials of nationally known perfume brands rather than their full names. The victim is led to believe he's getting a famous perfume at a bargain price.

To avoid wasting your money, buy perfume only in well-established, reputable stores.

Mail-order firm flams. Most mail-order companies are on the up-and-up, but some are not, and it's sometimes tough to tell the difference.

Because of pilferage and the sheer volume of mail at Christmas time, many honest but understaffed small companies fall way behind in their orders. Presents ordered long before Christmas may fail to arrive on time, or the stock of a particular item may run out. Take with a grain of salt such promises as "your order processed within 48 hours" or "quick delivery guaranteed."

Unordered merchandise. Many fly-by-night firms send you something you never ordered and then hope to browbeat you into paying with threats and dunning letters. You don't have to pay. You can treat the merchandise as an out-right gift in about half the states, including Alaska, Arkansas, California, Connecticut, Florida, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Maryland, Massachusetts, Michigan, Minnesota, Missouri, New York, North Carolina, Ohio, Oregon, Pennsylvania, Tennessee, Texas, Washington, West Virginia, and Wisconsin.

Even in states without the unordered-merchandise laws you don't have to acknowledge receipt, return it, pay for it unless you use it, give it any particular care or keep it beyond a reasonable length of time. In the unlikely event someone calls in person to demand the return of the package, you must give it back, but, says the NBBB, you can charge storage for the time you kept it. You can also mark an unopened package "Return to Sender" and drop it back into the mail.

Beware, too, of attempts to collect on C.O.D. packages for a neighbor who, the deliverer says, is not at home. The packages may contain unordered merchandise or nothing at all.

Charities. If you receive mail, phone or personal solicitations for donations to charities you never heard of view them with suspicion. Check with the nearest Better Business Bureau before you contribute. The same goes for unfamiliar organizations that send you unordered merchandise with an appeal for a donation.

To help you with your Christmas shopping, the NBBB makes these suggestions. Plan before you shop. Make a list, with alternates, of the things you need. Include sizes, color and style preferences, price ranges etc. If the gift is expensive, consult with

the recipient or his friends or relatives.

Know the policies of the stores with which you are dealing. Are their wares guaranteed? Can they be exchanged? What about refunds and deposits? If you're buying on time, read contracts and make sure all the blanks are filled in. Credit charges should be itemized.

Carry small packages home with you when possible. Try to be home when deliveries are made, and examine merchandise immediately.

Keep all sales slips.

Check names and addresses written by store clerks who take your order. On mail-order items, print your name and address legibly.

Guard your valuables — pocketbook, charge cards, packages. Thieves and pickpockets flourish when the Christmas spirit is highest and the crowds are thickest.

REGIONAL CHAMPS —

First Quarter

The Longhorns received the first kickoff of the game and it went to Arrott who was throttled on his 35. A recovered fumble set the ball back about 3 yards, and the next play brought fans to their feet as Nicky Arrott went around left end for a 68 yard touchdown scamper. Zuniga's kick was good for an extra point, and the score was 7-0.

Zuniga kicked off to Eddie Eberhart and he was tackled on the 34. James Hayes traveled 16 yards on the first down, and Eberhart made it another 17 yard gainer for a 1st on the Bronte 37. Jessie Perez went for 8 and Bronte was penalized 15. A fumble was recovered by the Roughnecks but it cost them 8 yards. After an incomplete pass another fumble gave the football back to the Longhorns on the 17.

Arrott went for 3 and McCutchen went for a 1st on the 27. The next play was another crowd pleaser as Arrott sidestepped his way through the middle of the line and went 73 yards for another counted. Again Zuniga's kick was good and the score was 14-0.

Perez took Zuniga's kick and was tripped up on the 38. Four plays later the Roughnecks were faced with a 4th and 25 and they punted to Arrott. Putting the ball in play on the 31, McCutchen kept, ran into trouble and lateraled to Jerry Graves, who covered 19 yards for a 1st on the Sundown 46. A couple of plays later the Roughnecks intercepted a Longhorn pass on their 40.

Two carries moved the ball to the 49, then a penalty gave the Sundowners a 1st on the Bronte 26. Eberhart, Perez and Hays were able to move the ball steadily and made 1st downs on the 25 and 12 and had moved the ball to the 4 yard line as the quarter ended.

Second Quarter

Eberhart was held on the 1, but Perez took it over on the second try of the new period. The extra point try was good for 1 and the score was 14-7.

Skelton took the kickoff and worked his way to the 38. The next play was a long gainer, as McCutchen connected with Zuniga on a 32 yard pass play for a 1st on the Sundown 30. The Roughnecks tightened up and held the Horns on the next series and Barbee punted to Edwards who was downed on the 9.

The Sundown lads went into their usual march, eating up huge amounts of yardage. They went for 1st downs on the 23, 36, Bronte 49, and 20. That just about ended it, however, as the local lads tightened up and held on the 12 yard line.

It was a one, two, three, kick deal on the series for Bronte, and Barbee booted it 65 yards to give the Roughnecks the ball on their 26. The next drive saw Perez make a beautiful run to the Bronte 46. Then the Sundown lads worked to the 30 for another 1st, but they were stalled on the 22 and the ball went back to Bronte.

Arrott carried 22 yards for a 1st on the 44, and a pass to Cooper was good for 7. Arrott made it a 1st on the Roughneck 36, then a fumble lost the ball for Bronte. Four plays later the half ended with the score 14-7.

Third Quarter

Eberhart took Zuniga's kick and was downed on the 34. Perez went 14 yards for a 1st on the 48. The next three downs netted 8 yards, but the Roughnecks decided not to punt. Perez carried and made only a yard, so the Horns took over on their 42.

Skelton made 3, Arrott added 6 and McCutchen kept to make

the 1st on the Sundown 46. A pass to Cooper carried for another 1st on the 35, and a 15 yard fine against Sundown moved the ball to the 20. Arrott went for a couple and McCutchen picked up 13 for a 1st and goal on the 5. Arrott pounded the line 2 times for 2 yards, then he went around right end for another TD. Zuniga kicked the EP and the score was 21-7.

Zuniga kicked into the end zone, giving Sundown the ball on the 20. Edwards was faced with a 3rd and 10 situation and tossed a pass. Donnie Thompson got in the way and caught it on the 32 and the Horns had the ball again.

Skelton went for 4 and Arrott almost made the 1st, leaving only short yardage for McCutchen to get on the next play. Skelton carried twice for 8 yards and a 3rd down try by Arrott failed.

McCutchen passed on 4th down to Barbee who made a diving catch on the 11. Arrott then carried a couple of times for 5 and a 3rd down pass went to Barbee in the end zone for the fourth Bronte counter of the night. Barbee took a pitch on the conversion try and went around right end for 2 and the score was 29-7.

Zuniga kicked off and Perez ran three plays to the 41 as the quarter ended.

Fourth Quarter

The last period was Sundown's, as the Roughnecks controlled the ball during the entire period except for four plays. A pass to Randy Heatherly moved the ball to the 47. Heatherly then added 5 more and Perez went for the 1st down on the Bronte 40. The Roughnecks seemingly could not be stopped as they moved for 1st downs on the 26, 16 and 1 yard lines. From the 1 Perez dived over for a counter, and Edwards kept for 2 extras, making the score 29-15.

An onside kick was flubbed by the Horns and Sundown got the ball on the 43. Perez, Edwards, Heatherly and Hays moved to the 9 yard line, where Perez took the ball through the middle for a counter. Edwards again ran the extras and the score was 29-23.

Another onside kick hit a Bronte man, went up in the air and came down in the arms of a Roughneck on the 50. Once again it looked as though there would be no stopping the Sundown lads as they pushed to the 6 in 11 plays. The Bronte defenders held, however, and the Horns took over, determined to hold the ball till the 2 minutes on the clock had expired.

However, things didn't work out exactly, and Barbee had to kick from the end zone. It was run back to the 20 and it looked as if the Roughnecks would have another chance. They pushed and pushed hard to the 1 yard line where they were halted just as the clock said zero time left.

Adult Beef Cattle Production Course To Be Offer Dec. 12-8 at Bronte School

A beef production short course for adult farmers will be held Dec. 15-18 under the sponsorship of the Bronte High School Vocational Agriculture Department according to Supt. C. B. Barbee and J. T. Henry, teacher of vocational agriculture.

Frank G. Litterst, beef production specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Animal Science at Texas A&M University will be the instructor for the course. He is headquartered at Texas A&M University.

Litterst is a graduate of Texas A&M University with a degree in animal husbandry. Much of his work is done in livestock production.

After three years of service in the U. S. Army, Litterst served as instructor in the Veterans Agriculture program in Hays County four years and was district sales manager for Burrus Feed Mills, Fort Worth, four years.

He then served as manager, Baldwin Land & Cattle Company, with ranchers in Travis and Shelby counties until 1964. This included operation of a ranch consulting business in Texas and Louisiana. He has successfully operated his own ranching and farming business consisting of both registered and commercial cattle, sheep, Angora goats, peccans and grain farming. He is a former director in the State Shorthorn Breeders Association and a member of American Angus, and Texas and Southwestern Cattle Raisers Association.

The short course in Bronte is to begin Dec. 15 at 7 p.m. in the vocational agriculture building. It will continue through Thursday, Dec. 18. During the dates

Frank C. Litterst

the short course is in progress. Litterst will be available to assist cattlemen with individual problems and to provide on-the-farm instruction, according to Henry.

Cattlemen interested in attending the short course should write or call Barbee or Henry. An entry fee of \$2.00 will be charged. A door prize will be given each night.

Beef production short course certificates will be presented to each cattleman who attends all the training sessions.

Litterst states that the field of beef cattle production must take a close look at efficiency of production in the future. With land prices, feed and taxes rising, the producer is meeting more and more competition for the consumers' dollar at the meat counter.

From the economic view of the beef cattle business, there is every indication that in comparing the producer of yesteryear and tomorrow, beef must be produced to sell cheaper in order to be a profit-making business. Litterst indicates that the beef production short course will deal with methods of producing beef at a lower cost and the ways of producing the kind of beef that the home-maker wants to buy.

He also states that the course will include such important fields as cattle reproduction and pregnancy diagnosis, selecting bulls and replacement heifers, calf crop percentages and supplemental winter feeding. The course can be changed to meet wishes and interests of the farmers and ranchers enrolled.

SOROSIS CLUB HAS CHRISTMAS SUPPER

Sorosis Club members and their guests had a covered dish supper and party last Saturday night in the community room of First National Bank in Ballinger. Tables were laid with Christmas cloths and centerpieces. The invocation was given by C. B. Barbee. Hostesses were Mmes. Clark Glenn and Royce Fancher.

Following the supper table games were played.

Special guests were members of the '69 Study Club and their husbands and included Mrs. Harold Moon, Messrs. and Mmes. Glen Skelton, Fred Alley, James Koenig, Noel Brevard, Martin Lee and Bob Wrinke. Club members and their husbands present were Messrs. and Mmes. Clyde Lee, Royce Lee, Noah Pruitt, Jr., Charlie Boecking, Clark Glenn, E. F. Glenn, C. B. Barbee, C. O. Richards, Ben Oglesby, R. T. Caperton and Royce Fancher.

Bronte Girls Take Win from Roscoe

Bronte High School girls took a basketball victory Tuesday night at Roscoe. Score was 47-40 in favor of the Bronte lassies. High pointer was Norma Pruitt with 26, Jolene Vaughn and Dana Lee had 9 each and Kathy Kiker had 3.

Elementary School

Elementary teams had a rough night of it Monday when they went to Wingate for three games. The girls lost 27-13, with Jean Ann Raughton leading the scoring with 9. Dawn Cumbie and Kim Arrott made 2 each.

In the Pee Wee game, Wingate trounced the local lads, 39-7. Wayne Coalson made 5 and Kevin Gibbs sank 2.

The junior high boys game was closer than the other two but Wingate managed to come out on the long end of the 37-31 score. Alan Barbee and Jim Dan Raughton tied for scoring honors with 10 each, Tony Mackey made 6, Kim Barrett had 3 and Kit Carlton had 2.

High School Boys

The high school boys team were scheduled to make their debut of the season Thursday night when they entered a tournament at Novice. The high school girls also will be in the competition. The tourney bracket has been arranged so the Bronte teams won't have to play Friday night, as they have games scheduled here with Robert Lee. Robert Lee will host the Bronte teams next Tuesday night, and then next weekend Dec. 18-20 Bronte teams will enter a tournament at Robert Lee. The games scheduled for Tuesday night will be the first games to be played in the new Robert Lee gym.

Range Awards Go to Coke Men

Two Coke County men have received certificates of recognition for their work in carrying out sound principles in grazing management. They are Weldon Fikes of Robert Lee and Joe Rawlings of Bronte.

The men were accompanied to Fort Worth, where the awards were presented by Rex Brand, range conservationist with the Soil Conservation Service. The program in Fort Worth began last Friday and continued until after noon Saturday. Sponsoring the awards was the Texas Section of the American Society of Range Management. Some 40 awards were presented to outstanding range management operators in Texas.

In addition to the annual banquet where the awards were presented, there was a program beginning Friday morning and continuing through Saturday noon, with outstanding authorities speaking on more than a dozen topics pertaining to range management.

The Coke County men returned home Saturday afternoon.

Persons Should Check SS Accounts

How long has it been since you checked your social security record? One year, five years, never?

"For most families, social security is a most valuable financial protection—too valuable to be taken for granted; so check your record and be sure," said Ted F. Moelling, social security district manager.

It is easy to check your record. A post card form, "Request for Statement of Earnings" (Form OAR-7004), may be obtained from either the social security office or the social security representative visiting your area. The request will get you a statement showing the total amount of earnings credited to you, as well as a breakdown of the amounts credited in each of the last three years. You should examine this statement to be sure your credit is correct and complete.

If you find any error, report it promptly to the social security office so that proper action can be taken to correct your account.

The amount of payments a worker and his family receive from social security is based on the amount of earnings credited to his account. Therefore, Moelling urges you to check your

record at least every three years. Remember, your social security represents substantial financial protection for you and your family while you are young as well as in later years. Use your social security number correctly, check your account every three years, and you will be assured that the payments made will be correct.

For further information, contact the Social Security Office at 3000 West Harris Ave. in San Angelo, or see the representative when he is in this area.

4-H CHRISTMAS PARTY

All Junior 4-H club members of the county are invited to attend a Christmas party on Friday, Dec. 12, from 7 until 9 p.m. in the Robert Lee Recreation Hall. Senior 4-H members, Mrs. Fay C. Roe and Sterling Lindsey will be in charge of the party. Games, fun, food and gifts are promised for all who attend. Parents are also welcome to attend.

Art Revelle is again pastor of Miracle Revival Pentecostal Church in San Angelo at 425 Montague, two blocks off Puliam, first street west of St. John's Hospital. Services Sunday at 10 a.m. and 7:30 p.m. and Tuesday at 7:30 p.m. Everyone is invited to attend.

Cotton Transfer Deadline Dec. 31

Applications for transfer of cotton allotments for the 1970 crop must be filed no later than December 31, 1969, according to Daniel F. Percifull, chairman of the Coke County Agricultural Stabilization and Conservation (ASC) committee.

He reported that farm allotment and projected yield notices have been mailed to farm operators so they are now able to make production plans for next year.

In Coke County, growers voting in a special referendum last May failed to approve transfer of cotton acreage allotments, by sale or lease, out of the county. So transfer of allotments locally may be made from one farm to another only within the county. Cotton allotments may not be transferred across state lines.

Transfers of allotments between farms within the county and from a farm owned to another farm owned or operated by the same individual are not subject to referendum approval. However such allotment transfers must be filed with the ASCS county office before the December 31 deadline. The deadline applies to all transfers of 1970 cotton allotments for Coke County farms —whether by sale, lease or by the owner.
