AUSTIN, Tex. — Even though the State of Texas has been given a year's reprieve by the federal government, and the new meat plant inspection law will not become effective here until Dec. 15, 1970, State Department of Health inspectors are making visits to all plants which process meat and poultry.

Since October, they have contacted 2,300 plants, including locker plants. Report is that only 916 of those had ever seen a health inspector before.

Each plant operator is advised of the basic cleanliness standards which must be met before a meat plant even can be inspected. Rules range from "keeping all pets and loose livestock out of the plant" to "remove all insecticides, pesticides or rodenticides" from the areas in which food products are stored, processed or retained.

Next year, the processing plants will have to pass inspections or be closed. So far, no plant has been put out of business, but some have folded up voluntarily when they saw the sanitary requirements they will have to meet.

So, if your favorite locker plant operator told you he couldn't process your deer this year because of the State Health Department, he was wrong. But he may be right in the future.

LOUISIANA — Texas Atty. Gen. Crawford Martin has filed suit in federal court against the State of Louisiana in a boundary dispute.

Question is where the Texas-Louisiana border is physically located on Sabine Lake and River, as well as Sabine Pass, from the Gulf to 32nd degree North longitude.

Louisiana claims the whole Sabine — meaning all the oil royalties — while Texas claims the boundary is in the middle of the lake. Texas would gain perhaps \$2 million in royalties if it wins the suit.

VOTERS — Nueces, Wichita, and El Paso counties presently have about the lowest voter registration figures among major Texas counties.

A survey on Dec. 4 of voter registration for 1970, compared with 1968, showed that Harris County already has re-registered 400,000 of its 590,000 — or 69 per cent.

By contrast Nueces County had registered 10 per cent, El Paso 25 per cent and Wichita about 5 per cent.

State law permits county tax assessor-collectors to mail out postcards which the previous year's registrants can sign and mail back to re-register.

Most major counties are following this permissive procedure. As a result, the big counties of Harris, Dallas, Tarrant and Bexar have high percentages of their voters ready to vote in 1970. But counties where local officials do not choose to do so have re-registered only a few. Registration deadline is Jan. 31.

87 Texans May Die During Holidays

AUSTIN — The director of the Texas Department of Public Safety Sunday estimated that traffic crashes in Texas over the Christmas and New Year holiday periods may claim as many as 87 lives.

Colonel Wilson E. Speir said 54 deaths are expected in the Christmas period beginning at 6 p.m. Christmas Eve to midnight Sunday, January 4.

"We urge each individual driver to accept the challenge of proving our estimates are too high," Speir said. "Many holiday accidents can be prevented if Texans will drive safely and realize that no one is immune to a traffic crash."

Speir also announced that the Department of Public Safety will place all available patrolmen on the highways to enforce the law and aid motorists. He said a

special "Operation Motorcade" would be in effect over both holiday periods, during which periodic tabulations of traffic fatalities will be made and given the widest possible dissemination in order to focus public attention to the added dangers involved in holiday travel.

Two sisters, former residents of Robert Lee, were killed in a two car accident about 10 a.m. Sunday at the intersection of FM 53 and FM 126 about 16 miles south of Sweetwater. Dead are Miss Susie Pearl Hurley, 72, and Miss Ada Hurley, 76. The victims lived in San Angelo at the time of their deaths.

Also killed in the accident was Mrs. Zuellar Jones, 72, also of San Angelo, who was a passenger in the same automobile.

Driver of the other car was Raymond Dunn, 55, Wingate grocer, and his wife was a passenger. Dunn was treated at a Sweetwater hospital and released. His wife was reported in serious condition in the intensive care ward of an Abilene hospital.

Miss Susie Pearl Hurley was born May 30, 1893 in Erath County. Miss Ada Hurley was born Nov. 3, 1897, near San Antonio. They were the daughters of the late Mr. and Mrs. J. H. They were members of the Church of Christ.

Services were conducted by Novell Baize, minister at Baird. Survivors include two brothers, E. J. Hurley of Junction and Charlie Hurley of Pecos. Another sister, the late Miss Myrtle Hurley, was a long time teacher in Coke County schools and a former Robert Lee postmaster.

Pallbearers were nephews and included: Charles Earl Hurley, Billy Wayne Hurley, Bobby Ell Hurley, A. V. Andrews, Elwood Andrews, Nathan Whitworth, Mike Bobbit, Willie Vardeman, Calvin Hurley, Elroy Davis, Jimmy Randell and Jim McConnell.
