

The Castro County News

Ambulance issue is aired

WAITING THEIR TURN—Trucks were backed up for almost a mile at Dimmitt Agri-Industries last Friday as drivers waited their turn to weigh in and dump their loads of corn. A few days of clear weather allowed farmers to return to their fields and resume harvesting operations last week, but rains Saturday

and Sunday brought the harvest to a standstill again. Worried farmers are hoping for a long spell of clear dry weather that will allow them to complete harvesting operations. Hail that fell Sunday damaged crops near Flagg and north of Nazareth and further add to farmers' woes.

Dimmitt's city commissioners discussed the future of ambulance service in Dimmitt and voted to put a gate on the south side of the city dump ground to restrict access during their session Monday night.

MAYOR Elmer Youts reported that L. C. Dennis of Dennis Funeral Home has served notice that he will discontinue ambulance service as soon as arrangements can be made for someone else to assume the responsibility for the service. Youts reported that Dennis had originally intended to terminate ambulance service November 1, but decided to wait until arrangements could be made for the city, county, or Plains Memorial Hospital to assume responsibility for the service.

Dan Nelson, a member of the board of directors of Plains Memorial Hospital, was present at the meeting and told commissioners that the hospital board has discussed the ambulance issue at length. He said that at best, providing ambulance service would be a losing proposition for the hospital and the board is still considering the issue.

Youts reported that the city presently pays a \$150 per month subsidy to the ambulance service, while the county pays a \$200 per month subsidy.

AFTER lengthy discussion the commission tabled the ambulance issue for further study. City Manager Garnett Holland requested that the city install a gate at the south border of the city dump grounds to prevent individuals entering the dump and setting fire to the pit. The move was approved.

Bob Caddell, president of the Dimmitt Chamber of Commerce, appeared before the commission to request that the city put up Christmas decorations in downtown Dimmitt with the Chamber furnishing the decorations. Caddell proposed that the Chamber donate its ornaments to the city, but the commission voted to put up the ornaments this year with the Chamber maintaining ownership. The city will maintain the decorations while they are on display.

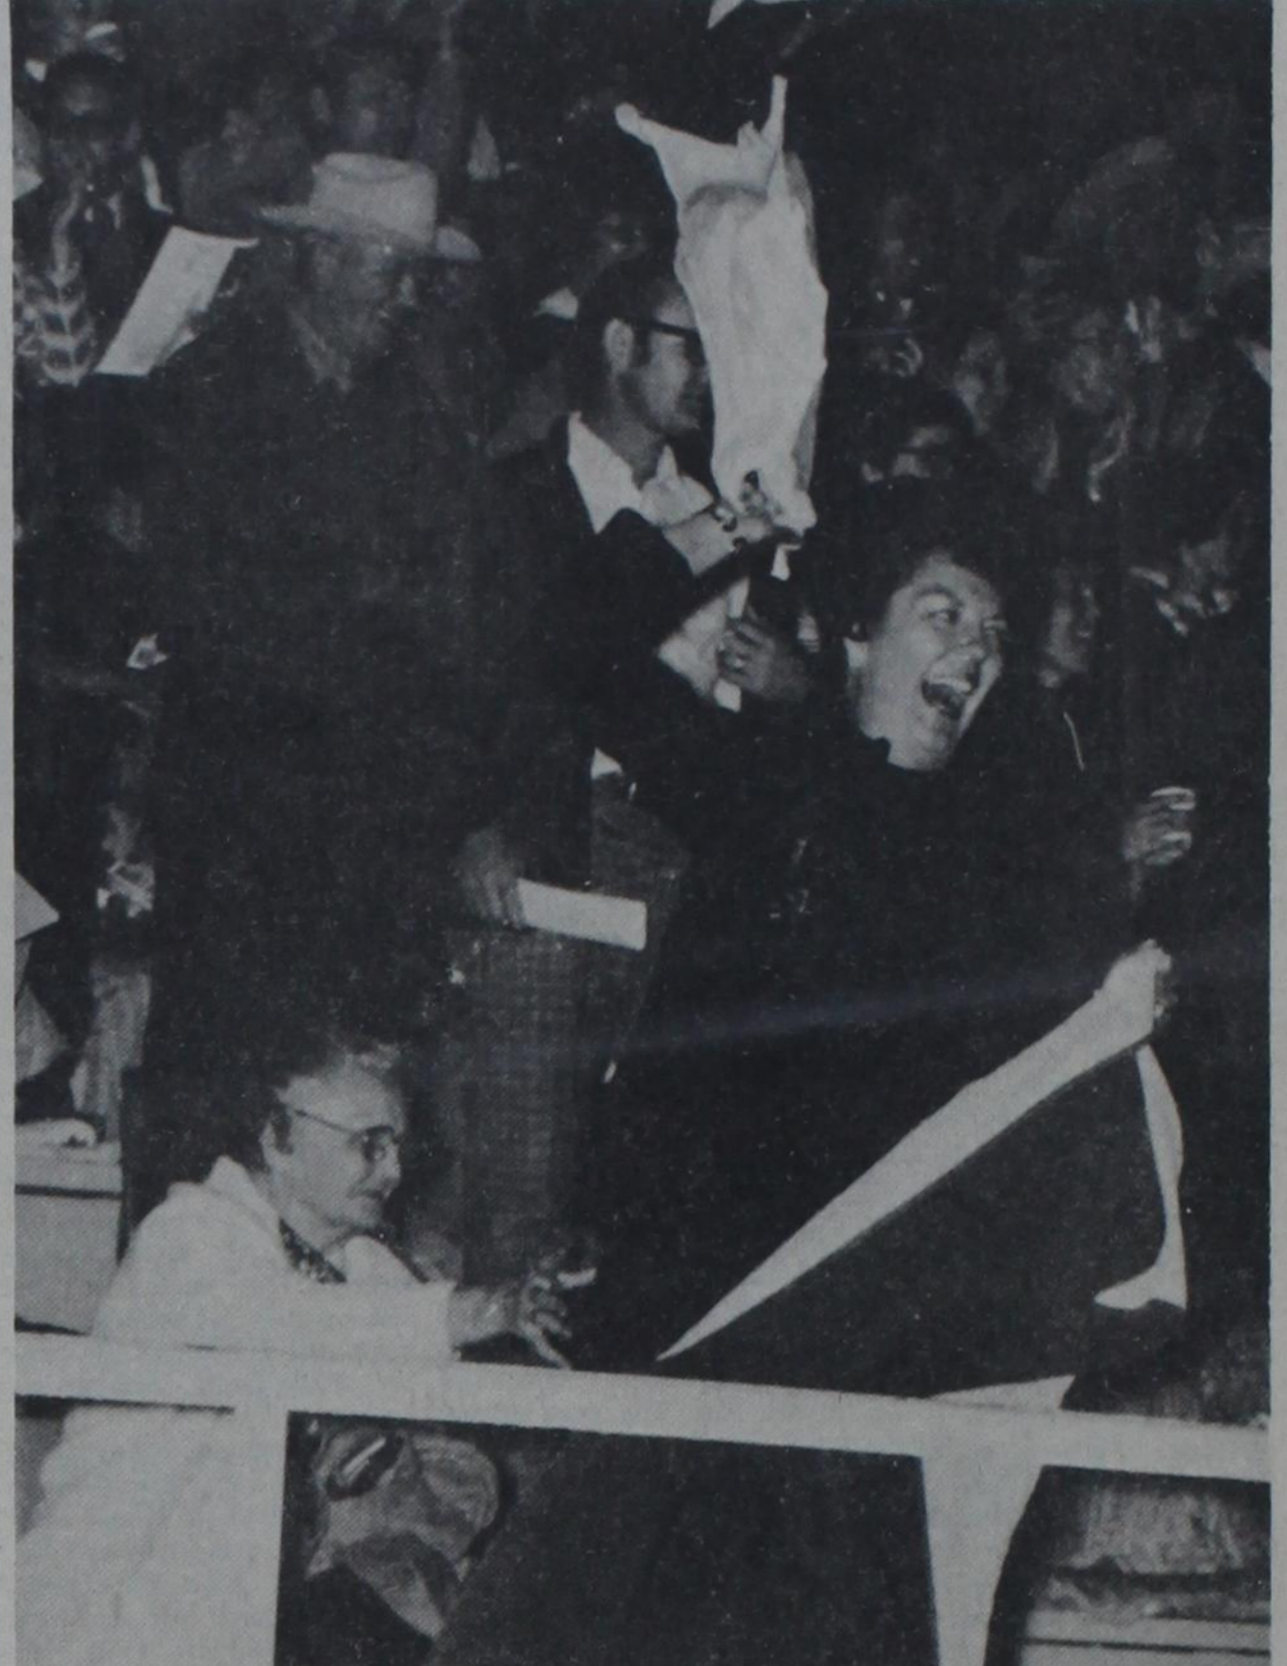

The commissioners also voted to initiate action to secure an assistant fire marshal to work at the city fire station. The city would provide an apartment at the fire station and utilities for the assistant while the county would subsidize the effort.

"WE NEED our fire station manned at all times, there's too much valuable equipment there not to have a man there all the time," said Mayor Youts.

Holland reported that the city also needs to install a gas tank at the fire station for topping off fuel supplies in the fire trucks.

In other action the commissioners:

- Approved the city tax roll
- Voted to seek a building for housing the city's landfill tractor.

THAT'S MY BOY!—Why is this lady going bananas? Because her son has just turned the tide of a football game—that's why. It's Mrs. Wanda Derrick, whose son, Bobcat linebacker Shannon Truelock, has just intercepted a Tulsa pass and returned it 41 yards while shaking off four tacklers. Truelock's big interception and runback came with Dimmitt leading the tough Hornets 3-0 in the third quarter, and set up the first Bobcat TD that

made it 10-0. As soon as Truelock intercepted, Mrs. Derrick sprang to her feet and started waving her purple-and-white booster handkerchiefs, while her mother, Mrs. Myrtle Behrens, tried to keep her from falling over the stadium rail. Truelock picked off the pass at the Dimmitt 30 and returned it to the Tulsa 29. The Bobcats continued to gain momentum from this point and went on to score a 20-0 victory.

about dimmitt and castro county by b. m. n.

Weatherwise last year was a very fine year for producing, harvesting and selling a crop. This is another year.

Some of the President's ideas for slowing down the inflation rate may be just what the doctor ordered, that is if the patient can afford the medicine. We have been led to believe that the middle income group, in recent months and years, has been hard put to make ends meet, and that is the place that the income tax surcharge is expected to reap its biggest harvest.

Among the president's other inflation fighting proposals was the suggestion that tax incentives be held out as bait for industrial expansion. If we hadn't been hearing and reading all along that corporate sales and profit were at an all time high, we might have thought a little more kindly toward the tax incentive idea. Our two major local industrial plants are already in the process of expanding their production facilities, regardless of tax incentives, just because of their faith in the economy of the country, and this should be enough incentive for the conglomerates. When writing or rewriting the tax laws the congress shouldn't play any favorites.

This is National 4-H Club week and it should have special significance in Castro County. We have had for many years a strong on-going 4-H program for both boys and girls. While other groups are searching for some means of passing the time, 4-H Club members are involved in meetings that stressed the use of Head, Heart, Hands and care of Health. This is a youth program that merits support and encouragement from the entire community.

VFW post will honor WWI vets

Castro Memorial VFW Post 8056 and the VFW Auxiliary will honor county World War I veterans and Gold Star mothers Sunday from 2-6 p.m. at the post home east of Dimmitt. Wives and husbands are also welcome. Refreshments will be served and games played.

Shot clinic set tomorrow

A free immunization clinic will be held tomorrow (Friday) from 9 a.m. until noon at 405 NW Third. Vaccines for diphtheria, polio, lockjaw, whooping cough, measles and rubella will be administered.

Waldrop warns of big fire hazard in city

City property owners may be sitting atop a major fire hazard they haven't given much thought to according to Guy Waldrop, city fire marshal. "THERE are quite a few lots and alleys grown up in tall weeds around town," said Waldrop. "After frost, when the weeds dry out, they will be quite a fire hazard," he added. Waldrop pointed out that the problem is a big one in the downtown business district, as well as in residential areas. "There are tall weeds right up next to business buildings, and several businesses also have old tires and other junk piled next to the buildings to add to the fire hazard," he said.

Birdwell named DC trip winner

Jim Birdwell has been named Dimmitt High School's delegate to the 1975 Presidential Classroom for Young Americans in Washington, D.C. **BRDWELL**, a junior honor student, is the son of Mr. and Mrs. Bill Birdwell. He was announced as the selection committee's choice by DHS Principal D. W. Harkins.

Chamber members want name change

By a majority of more than 6 to 1, Chamber of Commerce members have voted to change the organization's name from "Castro County Chamber of Commerce" to "Dimmitt Chamber of Commerce." **PRESIDENT** Bob Caddell reported that 59 members voted for the name change and eight voted against. Ballots were counted last Thursday morning.

Lions taking booth booking for Halloween

The Dimmitt Lions Club is now taking booth reservations for the annual community Halloween Carnival. **THE CARNIVAL** will be held Thursday night, Oct. 31, at the Panhandle Compress & Warehouse.

Coffee, reunion set for Homecoming

Members of the Dimmitt Ex-Students Association will host a coffee following the homecoming pep rally at Dimmitt High School tomorrow (Friday).

THE RALLY is scheduled for 3:10 p.m. and will be held in the DHS gym. Dimmitt's class of 1954 will be honored at the rally and all DHS exes are invited to attend the rally and coffee.

200 brave rain in PPK contest

More than 200 youngsters—including 13 girls—braved the rain Saturday afternoon to compete in the annual Punt-Pass-Kick contest, conducted by Dale Fowler Ford.

Saturday accident injures Hart youth

An early-morning accident northwest of Hart on Highway 194 Saturday seriously injured a 17-year-old Hart youth.

DANIEL Guajardo was taken to Northwest Texas Hospital for treatment of facial injuries he suffered when the 1963 Mercury in which he was a passenger collided with a parked truck about 1:45 a.m.

According to investigating patrolman Elias Nava, the car, driven by Jesus Uvalle, 21, also of Hart, was headed northwest when it collided with a truck parked on the improved shoulder of the highway.

Waldrop warns of big fire hazard in city

City property owners may be sitting atop a major fire hazard they haven't given much thought to according to Guy Waldrop, city fire marshal.

Chamber members want name change

By a majority of more than 6 to 1, Chamber of Commerce members have voted to change the organization's name from "Castro County Chamber of Commerce" to "Dimmitt Chamber of Commerce."

Lions taking booth booking for Halloween

The Dimmitt Lions Club is now taking booth reservations for the annual community Halloween Carnival.

Homecoming activities begin today at Dimmitt, Nazareth

Homecoming is underway at Dimmitt and Nazareth this week with activities at the schools building to a climax as the week ends.

TODAY (Thursday) is "trash day" at Dimmitt High School with students allowed to dress in work clothes. School will dismiss at 2:40 so students can gather wood for tonight's bonfire. Seniors will be in charge of wood-gathering.

At 5 p.m. the Dimmitt freshmen will play LaPlata Jr. High of Hereford here. Dimmitt's junior varsity will take on the Dalhart JV here at 6:30.

A big bonfire and pep rally will get underway tonight at 8 p.m. east of the high school building. A Flame King and Flame Queen will be crowned at that time.

Flame King candidates include Billy Roland, freshman, Louis Vasquez, sophomore, Steve Stanton, junior, and Gene Veals, senior.

Queen candidates are Amy Merritt, freshman, Kay Phillips, sophomore, Melissa Moore, junior and Evelyne Martin, senior.

FRIDAY is "dress up day" at Dimmitt High School. A pep rally will be held in the high school gym at 3:10 highlighted by the crowning of the Homecoming Queen.

Candidates for the honor include Sonia Markley, freshman, Linda Wise, sophomore, Loretta Young, junior and Teresa Bruegel, senior.

Following the rally a coffee for ex-students will be held in the DHS cafeteria at 3:40. Officers for the Ex-Students Association will be elected.

The annual Homecoming Barbecue will be conducted by the Dimmitt FHA from 5-7 p.m. in the South Elementary cafeteria. Admission will be \$2.25 for adults and \$1.50 for children.

DIMMITT'S Bobcats will take on the Lockney Longhorns in the Homecoming grid clash at 8 p.m.

Saturday the Class of 1954 will hold a reunion in the fellowship hall of the First United Methodist Church at 7 p.m.

Nazareth High School's Homecoming activities get underway tonight (Thursday) with a chili supper from 6:30-9:30 in the school cafeteria.

A Homecoming parade will proceed through downtown Nazareth at 7:30. The parade will end at Swift Stadium where a pep rally will be held. During the rally a Spirit King and Spirit Queen will be crowned.

SPIRIT King candidates include Ted Huseman, senior, Joel Gerber, junior, Larry Ramaekers, sophomore and Wayne Heiman, freshman.

man, Linda Wise, sophomore, Loretta Young, junior and Teresa Bruegel, senior.

A Homecoming parade will proceed through downtown Nazareth at 7:30. The parade will end at Swift Stadium where a pep rally will be held. During the rally a Spirit King and Spirit Queen will be crowned.

SPIRIT King candidates include Ted Huseman, senior, Joel Gerber, junior, Larry Ramaekers, sophomore and Wayne Heiman, freshman.

Jolene Pohlmeier, senior, Wanda Schacher, junior, Rosemary Schulte, sophomore and LaDonna Brockman, freshman.

Tomorrow (Friday) Nazareth's Homecoming Queen will be crowned in special ceremonies at 7:45 p.m. at Swift Stadium. Candidates include Mary Beth Ramaekers, senior, Vera Birkenfeld, junior, Gail Kleman, sophomore, and Karen Schulte, freshman.

At 8 p.m. Nazareth's Swiffs will take on the Amherst Bulldogs.

A Homecoming dance sponsored by the Nazareth CYO will get underway at 9:30 Friday in the Nazareth Community Hall. Admission will be \$2.

The Nazareth FFA will hold a breakfast from 11 p.m.-1 a.m. during the dance. Cost will be \$1.75 or \$3 per couple.

SUNDAY a Homecoming dinner sponsored by the Home School Organization will be served from 11:30 a.m.-2 p.m. in the school cafeteria. Admission will be \$2 for adults, \$1 for children under 12 and 50 cents for pre-schoolers. The menu will include baked ham, scalloped potatoes, green beans, cole slaw, relish plate and homemade pies.

An open house at Nazareth schools from 2-4 p.m. will conclude Homecoming activities.

RETURNS FOR VISIT—Martha Nitsa Malegou, [center], a former American Field Service exchange student here, returned to Dimmitt this week to visit old friends. Here, she poses with her former American "mother" Mrs. Charlie Hays, right and "sister" Mrs. Mary Hays LaRue. Mrs. Malegou was an exchange student at Dimmitt High School in 1967.

Sheffy's chatter

Mrs. Jack Gregory returns from visit to Santa Fe

By MYRTLE SHEFFY Mrs. Jack Gregory is home from a trip to Santa Fe to visit her sister-in-law Ruth Parks. They made a tour of the mountains north to see the aspens and other colorful trees, stopped in the Indian village San Juan Pueblo where the famous Maria lives. They watched the Indians make the pottery, firing the work on outside fires. And a "must see" if you go to Santa Fe is the Museum of National Folk Art, featuring the African fabric, needlework and much wood art carvings, also the weaving. Jo says the trees are at their best now.

NOEL AND Oleta Gollehon went to Santa Fe Wednesday to attend the rural electric regional meeting. They will stay at La Fonda downtown and before coming home they plan a tour of the hills to see the color. The Gollehons stopped in Albuquerque to see brother Joe and Mary and a niece Wanda. Joe is much improved from his illness.

Buster and Maxine Tidwell are home from a good trip west. They flew the Comanche to Albuquerque on business, parked the plane there and went by car to California. He has business interests there, but also to see the country. Across the mountains to see the different types of land, desert, coast, the big tree places. A good and restful sightseeing trip.

Mr. and Mrs. Kent Birdwell and Mr. and Mrs. Russel Moran were among the many going to the New Mexico mountains in the Santa Fe area last weekend to see the aspens in all their golden glory.

GUESTS this week in the home of Nancy Hays are their former student from Piraeus, Greece, Martha Nitsa Malegou. Martha is now married and has a 4-year-old boy and a 3-year-old girl. Coming in to see Martha are Mary Hays LaRue from Fort Worth, Carol Hance and children from Lubbock, and John and Carolyn Hays and his aunt and uncle Jim Bob and Ruth Allison of Hereford. Mary LaRue says she and husband Rob are in the insurance business.

And Saturday evening Beverly Hill Lindsey was hostess at a supper for school friends Mary LaRue, Jackie Schaeffer Byrnes, Poppy Head, Sue Lust Summers and Martha from Greece. Shirley Stephens was hostess to the Stitch and Chat club Friday with a salad dinner. The ladies are working on needlepoint. Guests were Myrtle Lois

Moran, Carol Dyer, Nancy Hays, Sue Merritt, Esta Vandiver. Aural Davis came for dinner. Dorothy Sheffy could not leave school.

Mrs. Stan Liles or "Greta" and children Amie and Justin of Throckmorton have been here for a three-week visit with her parents Ray and Margaret Nelson. Little 4-year-old Amie had a tonsillectomy at Amarillo while here, much improved now. They visited Margaret's sister Pat Hammond, Michael and Mark in Canyon for a few days.

Burl and Bish Bradford made a visiting trip to Paris and that area. Bish has relatives there.

Mr. and Mrs. Kenny Justice and Jennifer of Abilene, Capt. and Mrs. Cliff Lewis, Kerry and Roma of Rapid City, S.D. were guests in the home of their parents last weekend. The parents are Mr. and Mrs. Virgil Justice and they have bought the Bud Giles house. One night last week the Justices were coming home from Hereford when their car hit a dead cow in the road. Didn't hurt anyone but could have. A big truck had hit the cow and almost hit another car. The poor animal got it.

MRS. MARVIN Mundell of Roswell was a Sunday dinner guest of friends Cora and Raymond West and had a few days visit with her sister Esther and Mac McRee.

Mrs. Garland Lewis of Nolan near Sweetwater was a weekend guest of her daughter Ina and Jim Cleavinger.

Lewis and Jan Querze went to Arizona to visit their sons, then on to California for a vacation trip, then home again and Lewis' mother came for a visit. She lives in Boston and a brother-in-law came from New Hampshire. Mr. Querze is with Amstar.

Reba Touchstone and Dallas friends went to Colorado for a vacation trip and to see the colorful aspens and other trees and things.

MR. AND MRS. B. A. Dalton of Muleshoe visited her sister Mrs. Jim and Mr. Upfold Sunday. Mrs. Upfold teaches bilingual language in grade school. She says the book Spanish is so different from Texas Spanish. Makes it hard for her and the children.

The Phillips and the Kunkel families of Illinois were recent guests of Ed and Nita Manning. And last Sunday Rev. and Mrs. Manning went to Dalhart for the mortgage burning of the Presbyterian Church. Bro. Ed helped build the church a few years ago. He was a building contractor at one time, so he really sawed and nailed the boards.

Pauline Bates of Plainview was a recent guest of her mother Mrs. Leona Rothwell.

Mrs. Alma Umberson is home from a Lubbock hospital where she had surgery. She is doing fine now. And Mrs. Minnie Simpkins is in Plains Memorial Hospital. She is not feeling too well either. The ladies live at South Hills Manor.

All the ladies out at the home are making pretty things to sell at their bazaar to be in December.

And do remember the Methodist folks are having a bazaar and a good turkey dinner Nov. 13 at the noon hour.

Mr. and Mrs. Carl Nelson went to Plainview Saturday to meet their daughter and family Mr. and Mrs. Billy Baker Jr. and Lori of Fort Worth who will

visit here for a while. You will see Carl at Bruegel Elevator.

JUDY GILREATH spent a few days with her friend Karen Hutto recently while her folks were in San Antonio. Grandmother Ollie Onstead of Littlefield is with the Gilreaths this week. Judy says she started driving the corn grain truck for her dad last Saturday. The trucks are coming in like flies while we have the pretty weather (corn of course). Saturday now here we have another little shower to stop those working boys. Maybe they need the rest.

Mrs. J. C. Williams and her sister Winnie McLain of Dallas went to Amarillo last weekend for a reunion of the J. T. and Katy McLain family. On Saturday 44 went to the Roy Tyler's house for a big dinner. On Sunday 50 went to Terry and Betty Jean's house. Another day Mrs. Williams and Winnie went to Floydada to see friends and the museum. The McLains were among the first settlers there. And Mrs. Williams son Glen and Lucile came over from Venita, Okla. to see everyone.

Those attending the funeral for Mrs. Kate Patterson of Earth from here were Mrs. Artie Cone, a sister-in-law, Mr. and Mrs. Dick Reinhardt, Dickie Holcomb, Mr. and Mrs. Jim Aldridge, Mrs. Fred Waggoner, Mrs. Earnest Waggoner, Mr. Odus Waggoner, Mr. and Mrs. Paul Waggoner, Mrs. Eules Waggoner, Mrs. Harlin Dodd, Mrs. Billie Kirby, Mrs. Lonnie Bell, Mrs. Lourance,

Mary Evelyn White of Fort Worth will be visiting her dad George and Myrtle Behrends this week. His other daughter Phylis and her husband moved to Goodwell, Okla. a while back.

EARL AND Mable Brock went to Phoenix, Ariz. to visit their son Dr. Bob and Pat Brock. They fly and stay for a while in the warm weather.

John and Sue and Glen Merritt and Velma Birchfield. The funeral was last week but I failed to get this to the paper. "Sorry."

JACK AND CLARA Patton and son Billy went to Jaton last weekend for a school reunion. The last reunion I went to I didn't know those "old" men. They were 17 years old when I left Oklahoma. Now 50 years later ...

Sgt. Duke Chapman, son of Jimmie and Della, has been on a training mission in Arizona and San Diego. While in San Diego he visited Gay Roland, formerly of Dimmitt, and they had dinner together. Duke is in the Marines and stationed in Hawaii and will be returning there in about two weeks.

Our sympathy goes to Mrs. Ola Murphy and Mrs. Mae Wright for the death of their sister Lena Sweat. The ladies had a store together many years ago, then Lena and her daughter moved to Lockney where she had a store. Mrs. Sweat had been in Plains Memorial Hospital for a long time, with the care of her nephew Dr. Bill Murphy.

Mary Evelyn White of Fort Worth will be visiting her dad George and Myrtle Behrends this week. His other daughter Phylis and her husband moved to Goodwell, Okla. a while back.

EARL AND Mable Brock went to Phoenix, Ariz. to visit their son Dr. Bob and Pat Brock. They fly and stay for a while in the warm weather.

Little Shay Wallace of Tulsa spent the weekend with his grandparents Ted and Dorothy Sheffy while his parents Rick and Beth went to Clarendon Lake for a fishing trip.

The Richard Shackelfords are building a new house on NW 12th Street. Dimmitt needs several houses for the construction workers coming in for Amstar and Western Ammonia who are expanding their plants.

The Rotary Club was host to the District Governor Emil and Mrs. Prohl of Tahoka one evening recently in the home of Judge and Mrs. Raymond Wilson. Hear it was a good meeting and Bill Behrends will tell you about it. Grace Prohl says our football team did a great job beating their team and they especially liked our band. We do too.

The Garden Club will meet out at Ruskin Circle Wednesday Oct. 16 at 3 p.m. Brooke Alexander will be our guest speaker and will show us the many art objects he has collected. Also bring your swim suit for the heated pool. If you and I can't swim we can paddle our feet. Adeline Rush and Jo Behrends will be hostesses. Do come be our guests as well as members.

MR. AND MRS. Laurence Aldaco of San Pedro, Calif. have been here for a visit with his mother Edna and Joe Aldaco and his friend Ray Sheffy Jr. and Jetti.

The young boys Punt, Pass and Kick Saturday was a big success even in the rain. Dozens of boys from 12 down were

involved. This is sponsored by Dale Fowler Ford. My two grandsons Scott and Brett were in it. Mr. Fowler will give the winners on another page.

Mrs. Bob McLean was hostess at a dinner bridge at the Hereford Country Club Thursday. Her guests were Virginia Gilbreath, Anita Morris, Katy Burkett, Edna Riley, Jeanie Miller, Margaret Wilson, Ceal Carlile and Katy won high score. Helen presented them with Bob's little money packages advertising the Amarillo bank. That is nice.

THE FRIDAY bridge met at Dimmitt Country Club with Bobbie Damron as hostess. Playing were Dianne Hatla, Betty Boothe, Josie Bradford, Rosalie Gilbreath, Jan Querze, Martha Hyman, Dee Williams, Brenda Andrews, Dorothy Elder, Myrtle Sheffy, Cletha George, Bernice Hill.

The Noel Gollehons were hosts on a recent Thursday evening to the 42 Dinner Club. She served that good roast beef, hot rolls and other good things to eat to the Ivor Bag-

wells, the Morgan Dennises, the Elmer Youts, the Buster Morgans, the Jim Hays and Billie Wesson and Irene Carpenter. Then last Saturday evening was Mearle Morgan's birthday so the same group with Ivor and Hazel as hosts took the party to K-Bobs for a

steak supper. I hear this is a Dutch treat group.

Gene and Connie Ivey brought the dessert to the party, but couldn't stay because their daughter Laurel came from Showlow, Ariz. for a visit. This was at the Gollehon party.

Sunnyside

Local residents attend church meeting

By TEENY BOWDEN

Rev. Mack Turner, Hershel Wilson, Bill Morgan, Roy Phelan, and Mr. and Mrs. Thomas Parson attended the Llanos Altos Baptist Men's quarterly meeting at First Baptist Church of Bovina Tuesday. It was a family night with Brigadier General Robinson Risner of Cannon Air Force Base as guest speaker. He was shot down over North Vietnam in 1965 and held prisoner until February 1973. He gave an outstanding testimony as to the power of prayer and the test of faith under solitary confinement.

Mrs. J. Paul Waggoner, Mrs. Larry Starnes, Mrs. Hershel Wilson, Mrs. Roy Phelan, Mrs. Embree Roy Sadler, Mrs. Ricky Byers, Mrs. Thomas Parson, Mrs. Vernon Orr, and Mrs. Jean Byers of Springlake and Mrs. Garner Ball of Hart. Mr. and Mrs. J. Paul Waggoner, Mr. and Mrs. Eddie Haydon, and Mrs. Lloyd Blanton and Terry attended the funeral services of Mrs. Herschel Patterson in Earth Tuesday.

Mrs. John Gilbreath attended the all day workshop of Plains Memorial Hospital Auxiliary in the home of Mrs. Sam Gilbreath in Dimmitt Monday. Mrs. L. W. Bowden attended a while in the afternoon.

Baptist Men attended the monthly prayer breakfast at the church Tuesday morning.

Mrs. Larry Sadler entertained in her home Thursday afternoon.

KELLEY Haydon was one of the Springlake-Earth FHA students who placed items for exhibit in the Panhandle South Plains Fair last week. She placed third in cookies.

The National Junior Honor Society had an induction ceremony last Wednesday at Springlake-Earth school. Michael Graham and Kim Haydon were among those inducted.

Mr. and Mrs. Thomas Parson spent the weekend in Blanton with his mother and other relatives. Mrs. T. E. Parson Sr. came home with them for a visit.

Mrs. Katie Waggoner of Dimmitt spent the weekend with Mr. and Mrs. J. Paul Waggoner.

Mrs. David Sadler and her mother Mrs. Jake King of Hereford spent the day Monday in Lubbock with a sister-in-law of Mrs. King's, Mrs. Francis Ward who underwent surgery recently.

MR. AND MRS. Milburn Haydon returned home Friday night from a vacation on the Gulf Coast and a week's visit with his parents Mr. and Mrs. Raymond Haydon in Weatherford.

Mr. and Mrs. Cliff Brown, Lee and Lynn spent the day Sunday in Lubbock with relatives.

Mr. and Mrs. Ronny Klaehn and Coby James of Seguin visited Saturday and spent Saturday night with Mr. and Mrs. J. C. Holbrooks.

Mr. and Mrs. Hershel Wilson, Daneen and Lonnie and Renee Jones visited Sunday in Ropesville with Mr. and Mrs. Grady Epperson and an aunt and uncle from Denton.

Mrs. Pearl Sadler of Dimmitt underwent major surgery in Central Plains General Hospital in Plainview Saturday morning. Mr. and Mrs. Embree Roy Sadler and Mr. and Mrs. Ezell Sadler and some of the grandchildren were with her throughout the day Saturday and Sunday.

Mr. and Mrs. Gerald Elkins and Chris kept the new granddaughter Natalie Ann Lawson this week since Mrs. Jim Lawson had to re-enter the Littlefield hospital.

30 of an inch of rain was received in the community Saturday, Saturday night, Sunday, and Sunday night.

Mrs. Mobley visits mother on birthday

By MRS. OWEN ANDREWS

Mrs. H. M. Mobley recently visited her mother Mrs. Leila Taylor at Throckmorton on the special occasion of Mrs. Taylor's 98th birthday. Other children of the honoree, Mrs. Jewel Price, Floydada, Mrs. George Bently, Monahans, and Mrs. J. W. Taylor, Odessa, were also there at the family gathering. Mrs. Taylor lives in a convalescent home there.

MR. AND MRS. Raymond Mobley of Farmington, formerly from here, are now grandparents. Their younger son Kirk and his wife had a girl born Sept. 25 at Farmington. The baby was named Cami Lynn.

Mrs. Floyd Cole was hostess recently at an informal tea honoring Mrs. Kim Gripp. It was a get acquainted party for the new bride who has moved into the community recently. Her mother-in-law Mrs. Spicer Gripp and sister-in-law Mrs. John Stokes of Mount Vernon, Wash. and neighbors in this and surrounding communities attended.

Mrs. H. M. Mobley and Nell Miller were recently visitors of the Don and Raymond Mobeys at Farmington.

MR. AND MRS. Homer West and Linda and Donna McAllen were recent visitors of her mother Mrs. B. H. Baldwin and others of the relatives here. They are getting settled into their new home, schools and community there after their recent move.

Mr. and Mrs. J. N. Burgin of Sinton recently visited the Jim Brooks here. The Burgins, former residents here, were visiting his grandmother Burgin at the home of a sister Mrs. Dee Buttrill of Canyon. A granddaughter Katherine Tyra accompanied the Burgins.

Rev. and Mrs. Sam Ogan and Sammy Ogan of Amarillo visited the Jack Andrews the last of the week. They were getting some early fall canning done from the Andrews' garden. The Ogans also visited their other daughter Mrs. Marsh Pitman and family in Hereford, getting acquainted with the new Pitman daughter Abbie Ann.

MR. AND MRS. Mike Waldrip and Kathy, members of Frio Baptist Church, have moved to Amarillo. Waldrip is in the real estate business.

Also moving from the community into Hereford are Mr. and Mrs. Bill Warrick and sons.

A recent visitor of the Ken Andersons was her sister Marilyn Larsen of Pasadena, Calif. Miss Larsen was also visiting her father and others of the family living in this area.

Glenn Andrews of Carthage, Mo. was here for the weekend with his parents the Owen Andrews and others of the Andrews relatives. Mrs. Andrews accompanied him home on Tuesday to visit a few days with Glenn, Juanelle and sons.

Mrs. McLain gave a report on the Regional ACS Workshop held in her home last Saturday. She stressed the importance of every Castro County Unit member working diligently to inform and educate the public about the urgent need of early cancer detection.

HAY MAKING in Texas was given a big boost by the rains early in August. The moisture also relieved some pressure on cattlemen to reduce herds but more rain is needed in West Texas if cattlemen are to maintain their herds.

14—CARD OF THANKS

CARD OF THANKS
We want to express our thanks to each and every one at the hospital and to all the dear friends that came to visit and to those that sent cards and flowers. Thanks is a small word when you want to say so much more but it seems to be the only word I can find that fits all. May God bless each and every one of you and your families. We have so much to be thankful for. Our wonderful country and for God's love and guidance. May you all have peace and happiness. Our country is so torn but still we have so much more than so many other people in this world and God has given it all to us. We will remember you in our prayers each day.

NEVA & MILTON HEDGECOKE
14-1-1tp

CARD OF THANKS
We wish to thank everyone who helped while George was in the hospital. Thank everyone for the work, food, visits, cards and prayers, especially Father Stanley. God bless all of you.

GEORGE & RITA BOOK AND FAMILY
14-1-1tp

CARD OF THANKS
In sincere appreciation and many heartfelt thanks to our many friends and relatives who helped us in administering help to our sick sister and aunt Lena Fae Sweatt, who recently endured such a long and painful illness.

And especially do we thank the sweet nurses who cared for her during her 7-week stay in Plains Memorial Hospital. We love every one of you.

MRS. OLA MURPHY & SONS
MRS. JESS WRIGHT
DR. & MRS. BILL MURPHY AND FAMILY
14-1-1tc

CARD OF THANKS
May I take this means of publicly thanking everyone who had a part in making my stay in the hospital more endurable. Thank you for the flowers, pot plants, cards, gifts, telephone visits, fruit, cake, and every nice deed done in my behalf. May I also add praise for the wonderful hospital staff who were so efficient and gracious. Especially do I want to thank James Shearer who brought me a newspaper every morning. May God reward all of you with His richest blessings.

JACK W. FLYNT
14-1-1tc

Cancer unit holds Monday session

A regularly scheduled meeting of the Castro County Unit of the American Cancer Society was held Monday in the community room of the courthouse. Those attending were Edd Jones, staff representative of Lubbock; Cleo Forson, president; Doris Lindsey, secretary; Mary Jo Birdwell, treasurer; Shirley Hall, publicity chairman; Margurite McLain, public education chairman; Estella Hottel and Sister Benedict Marie Borgeding, public education committee members in charge of schools; and Emerald Epperson, retiring treasurer.

Sunshine needed by farmers

By MRS. AGNES BROCKMAN

Weather is the talk of the town at present. We're praying and hoping for good sunshine and warm weather. We had some heavy showers here Sat-

urday afternoon and Sunday morning. Some places the showers were rather light, then again it rained around three inches or more in spots. Some of the farmers got hurt very badly by hail that fell with the showers. Harvest had just gotten into full swing and it will be several days or more before they can get back in the fields. But there's always some good in everything, as the rain will surely help the wheat which has practically all been planted.

FATHER Stanley baptized two babies Sunday morning. One was the Gene Dobmeier's, who was named Jason Daniel. Sponsors were Mr. and Mrs. Leon Schulte.

The other baby was the son of the Gene Schmuckers who was named Jeremy Francis, and the sponsors were Mr. and Mrs. Francis Wilhelm.

Mr. and Mrs. Clyde Hoelting, Mrs. A. P. Hoelting and Mr. and Mrs. Eddie Schacher went to St. Francis Monday morning to attend the funeral of Leo Detten. He was the father of Donald Detten.

Mr. and Mrs. Phil Brockman and family visited Agnes Brockman and the Clarence Schultes Sunday afternoon.

THE C.C.D. teachers from Nazareth are attending sessions of religious instruction at Canyon on Monday evenings. They are held at St. George's Episcopal Center in Canyon. Everyone interested is invited to attend.

Mr. and Mrs. Arnold Brockman and Joyce spent a couple of days in Nebraska attending a wedding and visiting relatives last week.

A group of young people attended the CYO meeting in Amarillo Sunday afternoon.

George Book Jr. went to Amarillo for a check up. He is doing quite well but has to wear his brace yet for some time and take care of himself. On their way back they visited a while in Canyon with their daughters Karen and Peggy who are in college at West Texas State University.

MRS. GEORGE Backus of Happy spent several days in Nazareth visiting relatives and taking in the John Stork's celebration.

Mr. and Mrs. John Stork celebrated their 55th wedding anniversary Sunday, Oct. 6 with a Mass at 10 a.m. Their children were all present except one daughter Mrs. Jim Bell of Fort Worth, who was unable to attend. About 65 guests were present at the noon meal in the couple's home. Guests in addition to the family included Father Stanley of Holy Family Church, Mrs. Flo Backus of Happy, Mrs. Mabel Wagner of Hereford and Mr. and Mrs. Art Klemann of Tulia.

Mr. and Mrs. Lawrence Birkenfeld and Charles spent Sunday in Amarillo and had dinner with Sammy.

THE BEST way to forget your own problem is to help someone solve his.

SECRETARY OF THE YEAR—Patti Cartwright, left, pins Mildred Sheffy as the Deaf Smith-Castro County Legal Secretaries Association's "Secretary of the Year" during a session last Tuesday in the district courtroom of the county courthouse. A mock trial was also held at the session to give legal secretaries an opportunity to attend a court session in order to study the procedures of the courts.

Cooper rites held Monday

Funeral services for Bradley Scott Cooper, 19, of Plainview, grandson of Mr. and Mrs. K. E. Lambert of Hart, were held Monday in the First United Presbyterian Church of Plainview.

REV. CHARLES Teykl, pastor, officiated. Cooper was killed about 5 p.m. Saturday on the H. L. Masten farm northeast of Plainview when a homemade bomb which he and three other men were working on exploded.

Also killed in the blast were Randall Harold Goree, 20, and Danny Marvin Graham, 21.

HD club slates program on cancer

The Bethel Home Demonstration Club will sponsor a program on colon and uterus cancer Wednesday, Oct. 16 at the Bethel Community Building.

THE PROGRAM will begin at 2:30 p.m. and all county women are urged to attend.

Here's Hart's school menu

HERE ARE the school lunch menus for Hart Schools for Oct. 14-18.

Monday — Fried fish and tartar sauce, mashed potatoes, blackeyed peas, buttered rice, cornbread, milk and butter.

Tuesday — Spanish rice with beef, tossed salad, creamed green peas, apricot cobbler, oatmeal rolls, milk and butter.

Wednesday — Pinto beans with ham, French fries and catsup, chopped spinach, peanut butter cake, cornbread, milk and butter.

Thursday — Burritos, vegetable salad, scalloped potatoes, peach cobbler, rolls, milk and butter.

Friday — Country fried steak, whole kernel corn, cut green beans, applesauce, yeast rolls, milk and butter.

Water Inc. sets membership drive

"Action today for water tomorrow" will be the theme of the 1974 Water, Inc., membership drive and the month long campaign will be launched at a Membership Drive Leadership Rally in Lubbock Nov. 9 according to Lloyd Calhoun of Hobbs, N.M., chairman of the steering committee.

"WE HAVE set a goal for ourselves of 1,200 new members," Calhoun said following a meeting of his committee in Lubbock Oct. 4, "and we will be conducting a simultaneous effort to inform the general public about developments and expectations in water importation."

Other members of the steering committee are Edward G. Weber, Amarillo; Joe D. Unfred, New Home; J. W. Buchanan, Dumas; Sam Spikes,

Seminole; and James Hull, Hereford.

Water, Inc., is a membership based, non-profit corporation and is dedicated to the promotion of importing water for West Texas and Eastern New Mexico. John Lowery, Water, Inc.'s director of field services, is the organization's full-time

staff member in charge of membership cultivation.

"WE ARE closer than ever to seeing our goals fulfilled," Lowery said, "but, we must not let up on our financial support to Water, Inc., until we are assured of an adequate supply of municipal, industrial and agricultural water."

A READY-LITE KNOWS DAY FROM NIGHT

DISTRICT ROTARY GOVERNOR Dr. Emil Prohl of Tahoka addressed the Dimmitt Rotary Club at a noon luncheon last Friday. He also attended a special session conducted by the local Rotary Club last Thursday.

1:1

By DON NELSON
In 1964, Joe landed the job he had always wanted, and had trained for. He went to work for \$10,000 a year, which was above the national average income.

THAT YEAR his income tax was \$1,200 and his social security tax was \$174. His taxes took 13.7% of his gross earnings, and his actual take-home pay was \$8,626.

For the past 10 years, Joe has had pay increases to match every increase in the cost of living. But his paycheck doesn't seem to go as far as it used to.

This year, after a long string of cost-of-living pay increases, Joe earns \$15,400 a year. His income tax this year will be \$1,908, and his social security tax will be \$737. His taxes will take 17.3% of his gross earnings, and his actual take-home pay will be \$12,755—or less, if the proposed 5% surcharge on his income tax is adopted.

IN THE meantime, inflation has eroded the value of the dollar—by approximately 10% in the last year and by 60% since the end of World War II. So the \$12,755 Joe will take home this year is really worth \$529 less than the \$8,626 he took home 10 years ago.

And 20 years from now, if inflation keeps rising at its current 10% rate, Joe will need to earn \$113,000 a year to keep pace. Meanwhile, he will be paying out half his earnings in taxes. And his take-home pay of \$57,300 will really be worth only \$7,800 of today's dollars. He'll have only 60% of the buying power he has today, despite his \$113,000-a-year earnings.

(Figures provided by US Chamber of Commerce economists.)

JOE IS ONE of those Americans who would have to pay

the 5% income-tax surcharge proposed Tuesday by President Ford.

Joe, and most other Americans in his income bracket, might be willing to bite this latest bullet if it will help halt the trend toward that gloomy 20-years-from-now prospect.

But not unless they're darned sure that the major corporations and producers of vital products are stopped from their current orgy of price-gouging.

JOE IS the victim of inflation, not the cause of it. The main attack has got to be launched toward the basics—the primary industries, the refining and processing and manufacturing levels, and at the primary money market. The Nixon Administration put too many industrial-financial foxes in charge of guarding the economic hen-house. We can only hope that President Ford's 10-point WIN plan will help correct some of these political inequities.

Meanwhile, the only weapon Joe has is his shrunken buying power. He can convince himself that some of the material things he had come to desire, demand or expect weren't really that necessary.

Joe is probably willing to tighten his belt a little more—as long as those in positions of political and economic power don't make the whole anti-inflation program a sham by refusing to tighten their belts, too.

ROY MEACHAM told me this story. It was told to him by one of the "fishermen" involved.

In the 1920s, these three guys decided they'd use dynamite to get a mess of fish out of a pond in East Texas, near the Trinity River.

The one who had had some experience with dynamite supervised the project. They greased their stick of dynamite so the water wouldn't affect it. Then they tied it to a big stick to keep it afloat. Then they shucked their clothes so they could dive right in as soon as the stunned fish started floating to the top. It was a precision operation.

Except... ONE OF the guys had this collie dog, and when they lit the fuse and tossed the dynamite-on-a-stick into the pond, the dog jumped in, grabbed it and started bringing it back to them.

The three men ran for their lives, cross-country, nude, with that dynamite-toting dog in hot pursuit. As they ran, the men yelled, threatened and pleaded with the dog to drop the stick. But it was a good, faithful dog, and it was determined to get that stick back to them.

Came the explosion. But luckily, it was far downhill. The greased dynamite had slid loose from the stick while the dog was carrying it. So the story had a non-tragic ending, although the fishing expedition was a bust.

The experience chilled the men's enthusiasm for dynamiting fish. They never tried it again. And Roy said the guy who told him the story also drank a lot.

SO THE next time you see a streaker, don't be too quick to judge him. He may just be dynamiting fish.

Letter to the Editor
Cattle industry is victim, not villain

[Editors' Note: The following letter, written by Carol Edmonds of Quitaque, has appeared in several papers in the area, including the West Texas Livestock Weekly. It was submitted to the News by the Castro County CowBelles, who endorse Mrs. Edmonds' views defending the beef industry against its detractors.]

Dear Sir:

I have just finished watching another consumer report on food costs, and once again the cowman is the culprit.

Well, here is one woman directly involved in raising feeder cattle and finishing cattle that is darn tired of looking at worried bankers trying to find finance to keep our over-worked, weary and broke cowmen's head above water, just so we may have the honor to feed an ungrateful nation such as ours. In this great, free and bountiful country of which I am proud to be a citizen, they have never had it easier.

It is easier for the larger grain companies to get a monopoly on our feed grains, so they in turn can sell it to Russia, India or any other country that says I WANT. They sell at a price which the American farmer can hardly produce it for? HOW? you say. The taxpayer. It is government subsidized. It also helps keep the price of beef down. Where we were putting on a pound of gain for about 30 cents it now costs 60 cents if we are lucky.

It is easier to pay 18 percent interest a year on that new car, color TV or charge account than to spend 10 percent of your disposable income on food. Which by the way isn't all beef.

It is easier for the implement companies to ship their merchandise out of the country while American farmers put their names on a waiting list for that bigger tractor to do the work of two or more smaller tractors because we can't get the labor.

It is easier for the American women to spend one day a week at the beauty shop (which costs nearly \$10) than to take the time to do it herself; to buy a \$50 dress than an afternoon making it; to pop that convenience meal into her micro wave oven than start from scratch; to take the kids to nursery school rather than be bothered raising them.

I realize this last statement will go over great with the women's lib group, since men have it so easy. Ladies, just ask any farmer's or cowman's wife and they will tell you we have been liberated for years. We can help brand, sort cattle, doctor, haul hay, put out feed, run the tractor or drive a truck any old time we want and a lot of times we don't want. Along with this we get to keep the house, cook meals, raise our kids and keep books.

Why, the ranchers of America are getting rich. I know they are. We received a load of cattle from Florida this week that cost \$57 per head. Do you suppose that paid his interest on his land and mother cows? There is roughly 7 percent of us feeding this nation and spending 95 percent of our time figuring out ways to keep from going broke. It seems to me if the housewives can boycott stores over the price of beef, we could boycott the consumer.

If we have an oversupply of stocker and feeder cattle which the prices in the sale barns reflect we do, why do we not join together on a nationwide basis and kill 10 percent of our herds, whether we own mother cows, replacement heifers or steers? Slaughter them on the same day across the nation as if we had an anthrax outbreak. Kill, burn and bury. It can't possibly hurt our pocketbooks any worse than the present situation. Create an instant beef shortage. It worked for the oil companies, why not for the cattle producers?

CONSUMER BEWARE when it gets in the hands of a few you will just think you were paying too much for AMERICAN BEEF.

CAROL EDMONDS
Quitaque, Texas

What's cooking at the schools

HERE ARE the school lunch menus for Dimmitt Schools for Oct. 14-18.

Monday - Spaghetti and meatballs, lettuce and tomato salad, green beans, apple sauce, milk.

Tuesday - Hamburgers, sliced tomatoes, lettuce, onions and pickles, prune cake, milk.

Wednesday - Country fried steak with gravy, creamed potatoes, broccoli, gelatin, milk.

Thursday - Fish with tartar sauce, peas and carrots, sliced tomatoes, pudding, rolls, butter and milk.

Friday - Texas hash, corn, cabbage salad, apple cobbler, butter, bread and milk.

"Yes! I said 15%!"

For most Texas drivers, State Farm has rates that are 15% less than rates established by the State Board of Insurance. See me for all the details.

"Serving the Best Grainmen in the Nation"

J. R. BROWN shows the "new look" at Flagg Grain Co. In left background are two new Tek steel storage tanks [located on the same spot where the company's original wood elevator once stood]. In far background is a complete new corn elevator, with two large Butler steel storage tanks. Two of the big Butler tanks have also been added at the Dodd Elevator, giving Flagg Grain Co.'s two facilities 947,000 bushels more storage space this year.

Flagg Grain Co., Dodd Elevator nearly a million bushels larger

There's a completely new elevator plus a lot more storage space ready for farmers this fall at Flagg Grain Co. and the Dodd Elevator.

Flagg Grain Co. has added a complete elevator facility for corn storage and handling. The new elevator consists of two Butler steel storage tanks with a combined capacity of 450,000 bushels, plus the necessary equipment to make it a separate, integrated corn elevator.

And to the existing elevator, Flagg Grain Co. has added two Tek flat-steel tanks with a combined capacity of 47,000 bushels. These tanks can be used for receiving, handling, blending and loadout.

The expansion project gives Flagg Grain Co. a total storage capacity of 1,350,000 bushels. That's an increase of more than 58 percent, giving the Flagg landmark a whole new look.

And at the Dodd Elevator [which Flagg Grain Co. bought this year from Bruegel & Sons], total storage capacity has been increased from 10,000 bushels to 460,000 bushels.

Two new Butler steel storage tanks with a 450,000-bushel combined capacity will be

completed at the Dodd Elevator within a week, well in time for the milo harvest. The facility in the southwest corner of the county originally had two 5,000-bushel tanks and a leg.

"We'll handle only milo at the Dodd Elevator, but at Flagg Grain we're set up to handle corn, milo, wheat and soybeans," said J. R. Brown, manager.

Brown, a Dimmitt native, has been in the elevator business 22 years. He took over management of Flagg Grain Co. in January 1973, after being the manager of Bruegel & Sons, Inc., for 16 years.

Brown's staff at Flagg Grain Co. includes Rose Collins, office manager; Susie Bradford, office clerk; Bill Snider and Gerald Johnson, elevator superintendents; and Ruben Velasquez, Joe Garcia and Marcelino Mata, elevator crewmen.

At the Dodd Elevator, Forrest Collins is the manager and Jessie Vela is the elevator man.

Flagg Grain Co. is proud of its expansions, and its new capabilities to give area farmers even more complete elevator service this year.

PLUS: Efficient handling facilities, with a NEW 70-ft. hydraulic semi dump.

PLUS: Six elevator locations with 5,219,000 bushels of federally licensed and bonded warehouse space.

With the big harvest you've got coming this fall, you'll be looking for FAST, EFFICIENT service and drying. We can give it to you.

Miss Simpson feted at bridal shower Saturday

Lisa Simpson, bride-elect of Tommy Dixon, was honored with a tea and shower Saturday in the home of Mrs. Frank Wise.

MRS. WISE presented the guests to the honoree and her mother, Mrs. M. L. Simpson Jr., the groom's mother Mrs. Doyle Dixon and his sister Robbie from Odessa.

Susan Wise presided at the guest register and Jaci Johnson, Ann and Beth Welch served hot spiced tea, coffee and cake from a table covered with an ecru linen cloth with a fall flower arrangement. Some 20 hostesses helped show the gifts.

Out of town guests were Mrs. M. L. Simpson Sr. of Hereford, Mrs. W. P. McMinn, Mrs. W. B. Frazier and Mrs. Gene Strun.

Ann Welch hosted a lingerie shower for Miss Simpson Friday.

Others helping with hostess duties were Sandra Hastings,

Jaci Johnson, Dana Lippard, Jo Ann Smith, Beth Welch and Delese Kay.

Several former classmates of Miss Simpson's from out of town also attended.

Sorority holds travel program

Dimmitt's Alpha Epsilon Tau Chapter of Beta Sigma Phi held its regular monthly meeting Wednesday night at the Castro County Country Club. The meeting was brought to order by President Martie Benton, with 20 members present.

THE PROGRAM for the evening was presented by Sigrid Carter, who is a representative for the Envoye Travel Agency in Lubbock. She spoke on her travels throughout North and South America. One of the highlights of the program was the slide presentation of her travels to Peru and Chile. At the conclusion of Mrs. Carson's program a Tahitian lei made of seashells was presented to Jerry Butler who was responsible for planning the program.

Hostesses for the evening were Sandra Clark and Patricia Braafladt.

Baptist Women to meet Monday

The Baptist Young Women of the First Baptist Church will meet Monday at 6:45 p.m. in the fellowship hall of the church.

ALL WOMEN ages 18-35 are invited to attend.

A babysitter will be provided and the meeting will conclude by 8 p.m.

Here are week's best food buys

Beef features are more scattered this week—with ground beef, chuck cuts, sirloin, rib and round steak on special in some stores, one observer reports.

SHE'S Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service.

Many features are on "baby beef"—and include chuck roasts and steaks, round steaks, ground beef and liver, she added.

"Frozen turkey supplies, on the other hand, are at record levels—consider buying your holiday bird now, if you have freezer storage space available," the specialist suggested.

At fruit counters, apple supplies reflect this year's big crop—with Red and Golden Delicious and Jonathans available.

OTHER FRUIT choices include Tokay and seedless grapes, prunes, plums, along with Texas oranges and grapefruit in limited supply as the citrus harvest gets underway in the Valley.

Vegetables offering economy this week are carrots, cabbage, dry yellow onions, squash, potatoes and cooking greens.

"Dry bean, dry peas and lentil supplies will be ample, with the dry peas nearly doubling last year's crop," Mrs. Clyatt predicted.

"PORK PRICES are high, and store specials are scattered."

MRS. DeETTA SAYERS

Mrs. Sayers to attend workshop

Mrs. Deetta Sayers, Delta Kappa Gamma Area 5 Director, a member of the Epsilon Kappa Chapter in Austin, and Mrs. Koma Ratcliff, President of Iota Zeta Chapter in Dimmitt, will be co-directors of a Regional Workshop at Dimmitt High School Oct. 12.

FOLLOWING a conference breakfast for presidents of Iota Zeta, Gamma Iota, Delta Xi, Epsilon Delta, and Iota Eta, the workshop will be carried out on the theme, "Aim High—and Work and Hope".

Delta Kappa Gamma is an international honor society for women educators. In addition to chapters in the fifty states, there are chapters in seven Canadian provinces and in Norway, Sweden, Finland and Mexico.

Mrs. Sayers is a past president and is presently treasurer of her chapter. She teaches Latin and crafts at Sidney Lanier High School in Austin. She holds a B.F.A. in art education and an M.A. in English. She was a recipient of the Alpha Chapter Summer Scholarship and the Annie Webb Blanton Scholarship at the University of Texas. She has taught in elementary, junior high and high school, as well as art classes at the Laguna Gloria Museum. She is active on the TEPS committees at local and district levels and belongs to the Austin Association of Teachers. She is a life member of TSTA and NEA.

Miss Ginia Sheffy pledges sorority

Ginia Sheffy, daughter of Mr. and Mrs. Ted Sheffy of Dimmitt, has pledged Delta Zeta social sorority at West Texas State University in Canyon.

Miss Sheffy is a 1974 graduate of Dimmitt High School and is a freshman at WTSU.

Bethel HD Club hears program

The Bethel HD Club met last Wednesday at the Bethel Community Building with 12 members and one visitor present.

IRENE KEATING presented the program on different manners in which to hang paintings and other items on various types of walls.

Sandra Bagwell reported on her trip to the state HD meeting in Amarillo.

Vickie Yokum presided in the absence of Doris Lust, president.

Other members attending were Millie Lust, Grace Lust, Myrtle Williams, Sandra Bagwell, Carolyn Moke, Charlene Howell, Sue Howell, Sue Bozzer, Bunia Schwen, Inez Lee and Frances Smith.

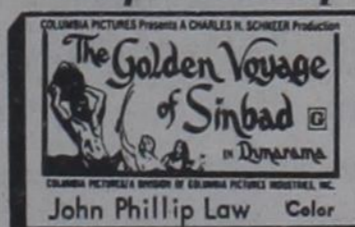

CHARLENE HOWELL and Carolyn Moke were hostesses.

Fall Food-Arama set at Tulia

By IRENE KEATING

It is wonderful to have Beral Hance back in the office. We really did miss her while she was gone.

Isn't it hard to believe that it is fall and October? We need to start getting in the mood for all those ghosts and goblins.

We are all invited to go to Tulia on Thursday, Oct. 17 to attend the Fall Food Arama held in the Tulia High School Auditorium. There will be both an afternoon and night session from 1:30 p.m. to 4 p.m. and 7 p.m. to 9:30 p.m. Dorothy Cazzell from Milk Producers, Inc., will discuss "Milk from a Bowl - or Glass". Mary Ellen Dambold from the Wheat Institute will go over the new labeling laws and standards for breads and cereals. Cindy Ham from Texas Agricultural Products will demonstrate Wok Cookery. Sally Springer, food specialist for the Texas Agricultural Extension Service, will cover "Beef and Consumer Concerns". There will be door prizes both afternoon and evening.

MARK YOUR calendar for Oct. 21 from 2 to 4 p.m. in the Assembly Room of the Courthouse to learn Estate Management. James Horton and our extension lawyer, Eugene McElyea, will present the program. Come and you'll leave knowing how to have peace of mind.

HERE ARE the garden tips for October.

1. Dig and store caladium tubers.

2. Continue to mow grass at

regular intervals until hard frost stops growth.

3. Remove any noticeable dead or diseased branches from trees and shrubs before they drop all their leaves; the dead areas are easier to see now.

4. Finish dividing and replanting all iris, day lily and similar plants.

5. KEEP leaves raked and picked up in lawn areas. Do not burn or place in trash, rather use them in a compost pile in some out of the way area in the yard.

6. Good time to treat the lawn area with a complete fertilizer, especially in areas where excessive fall rains have leached out most of the nitrogen from the soil.

7. As you clean up the debris from vegetable and flower garden, watch for nematode damage (knotty or stunted roots.)

8. Check for aphids and caterpillars on fall flowers and leafy vegetables. Malathion will control the aphids and sevin will get the caterpillars and loopers.

9. LOOK around the yard and make notes of any plants needing replacing, repairs to be made, and other chores that can be done during the winter months.

10. Keep your eyes peeled for plants growing in your area that show good fall color. You may want to consider a few for your yard either by purchasing or collecting them.

11. Check your pesticide storage cabinet. Destroy all empty containers in such a way that will prevent children and pets from getting to them.

12. Store all wettable powders in waterproof containers.

Keep the original container with label and instructions intact so you will know what it is next spring. Usually wettable powders and liquid concentrate will keep from one season to the next if properly stored. Dusts will seldom be effective the second season.

13. BE SURE to keep any leftover fertilizer containing a weed killer in a separate and well marked area so there will be no danger of using it in the wrong place next spring after the silver fish have made the label illegible.

14. If you like to do dried arrangements, now is the time to collect the dried seed pods, pine cones, and grass plumes.

15. Stake tall mums to prevent wind and storm damage.

Happy anniversary!

[Compiled from the County Home Demonstration Council's Community Birthday Calendar.]

OCT. 14 — R. J. and Elsie LeFevere.

OCT. 15 — Curtis and Nita Beavers.

OCT. 18 — Edd and Jackie McLeroy.

FARM LABOR statistics in Texas show that wages paid all hired workers at mid-year averaged \$2.07 an hour, an increase of 23 cents an hour over 1973.

Congratulations to . . . Glen Exter

For winning the Man of the Month Awards in both volume and premiums, for the entire company sales

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$3 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES . . .

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. SEASON prizes will also be awarded. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

Bobcats spoil Tulia Homecoming 20-0 Friday

By JIMMIE CHAPMAN

The Dimmitt Bobcats pulled out a 20-0 victory over the hard-hitting Tulia Hornets at Tulia Friday night to spoil the Hornets' Homecoming and up their record to 5-0 at the halfway mark of the season.

RONNIE Lawson faking, passing and running stood out on offense for the locals as the Hornets doubled up on all-district halfback Robert Mayberry. Gene Veals ran with the ball 15 times for a total of 60 yards and Mayberry gained 54 yards in 16 carries but he took in one screen pass that was good for 28 yards that helped set up Dimmitt's last TD of the night. Lawson gained 45 yards on only six carries and Dimmitt's starting quarterback Brad Sanders gained 24 yards on five carries.

Dimmitt's total offense was at its lowest output of the season but the Bobcats looked better than at any time this season against the stout defense of the Hornets. Tulia allowed Friona only 6 points last week in the Chiefs' homecoming game. Dimmitt's defense had to be tested sometime this year and it was Friday night as Tulia had a good trio of hard running backs who were really hitting.

The Bobcats found out at the start that they were going to be in for a rough night. On the third play from scrimmage after receiving the opening kickoff, Monte Cannon broke through and had Mayberry wrapped for a 7 yard loss as he was getting the pitchout on the option. The first period went scoreless and neither team came close to penetrating for a score. The closest Tulia could

SCRAMBLING—After finding no receivers open downfield, Dimmitt quarterback Ronnie Lawson [12] scrambles for five yards in the fourth quarter of the Dimmitt-Tulia game Friday night. Preparing to cut down a Hornet pursuer is Bobcat tackle Larry Duke [70]. Lawson teamed with fellow quarterback Brad

Sanders and fullback Robert Horton to collect most of the Bobcats' yardage as the Tulia defense keyed on halfbacks Robert Mayberry and Gene Veals. The speedy junior quarterback scored Dimmitt's second touchdown in the fourth quarter as the Bobcats downed their hosts, 20-0.

★
get into Dimmitt territory was the 38 yard line after a punt by Robert Calhoun went straight up for a minus one-yard figure at the 45 yard stripe.

★
MAYBERRY made his best run of the night on the next to the last play of the first period when he was stopped at the line of scrimmage but rolled off and cut back the entire width of the field to pick up 11 hard yards. Dimmitt had gotten the ball at its own 38 after Harold Love gathered in a fumble by Raymond Williams.

★
Dimmitt continued its 62 yard march going into the second quarter and with Lawson and Sanders alternating at the man under spot moved the ball deep into Tulia territory with good ball handling, passing and running. Lawson hit end Travis Hampton on one pass that was good for 12 yards and a first down. Lawson then kept and raced 21 yards to the Tulia 22 yard line. After three more tries at running the ball and an incomplete pass, Ricky Wright got the Bobcats on the scoreboard when he booted his first of two field goals for the night. Wright's kick was good for 35 yards and was straight through the uprights to give the Cats a 3-0 lead with 8:21 left in the second quarter. The

rest of the second period was plain defensive football with neither team really threatening. Lawson hit Hampton twice on passes good for 30 and 9 yards respectively but the drive died out at the Tulia 36 yard line.

★
The Hornets moved the ball to the Dimmitt 32, but the Bobcat defense stopped them there and took over on downs with 3 seconds left in the first half. Sanders gained 9 yards on a good run and the half ended with the Bobcats holding a slim 3-0 lead over the Hornets.

★
EARLY IN the third quarter Shannon Truelock intercepted a pass from Steve Brown on the

rest of the second period was plain defensive football with neither team really threatening.

★
Dimmitt 30 yard line and rambled back to the Tulia 29 yard line before he was finally hauled down. Truelock broke at least four tackles on his determined run to get the Cats good field position.

★
Mayberry ran with the ball three times and Veals once to put the ball at the 10 yard marker. With the Tulia defense again looking for the wide runs of Mayberry, Robert Horton took the handoff and blasted through the center of the line for the first touchdown of the game with 8:19 left in the third quarter. Wright kicked the extra point and Dimmitt had upped its lead to 10-0.

★
TULIA came back fighting mad and on the first play after the kickoff Monte Cannon hit Steve Brown with a pass that was good for 22 yards, the Hornets' longest gainer of the night. Steve Brown carried the ball on the next four attempts and moved the ball to the Dimmitt 16 yard line. The drive started on the Tulia 30 and was aided by a 15 yard penalty for a late hit after Brown had gained 15 yards around right end. Tulia then went to their fullback Raymond Williams to try and score and after four more plays, the tough Bobcat defense had held and took over on

its own 14 yard line. This was the stop that took the punch out of Tulia's offense and the Hornets were not to launch another serious threat until late in the final period with Dimmitt reserves finishing off the victory.

★
Dimmitt's next scoring drive started from its own 46 yard line early in the fourth period after the Cats had been stopped once at the Tulia 24 yard line, an inch short of a first down. Mayberry gained a hard 6 yards but Dimmitt was penalized back to the Dimmitt 36 on a clipping call. The Cats never went to Mayberry again in this drive with Lawson and Sanders carrying the brunt of the attack. Sanders ran with the ball three times in the drive, Veals contributed 6 and Robert Horton picked up 12 yards, then 2 more to put the ball at the Tulia 14 yard line. Lawson, who had made a couple of short gains in the drive and had limped off the field once, swept the right side of the line and went in for the TD at the flag with Tulia defenders being put on the ground by good blocking. Wright booted the extra point and the Bobcats had a 17-0 lead with 5:57 left in the game.

★
DIMMITT'S last score of the night came at the end of another good 56 yard drive. Lawson hit Robert Calhoun with a pass that was good for 44 yards to the Tulia 22 yard marker to highlight the drive. Veals, Cliff Parker and Lawson failed to produce another first down after three downs and this set the stage for the boy with the golden toe. Ricky Wright came in and booted his second field goal of the night, a 37-yarder that would have been good if it had been 47, as the ball was still rising when it went through the uprights. This made the score 20-0 with 2:17 left in the game.

★
Ronnie McCracken ran the kickoff back from his own goal line to the Tulia 39 before he was stopped. Three different backs picked up 15 yards each on the next three carries and after two short gains had the ball at the Dimmitt 15 yard line. Brad Sanders put a stop to this drive when he intercepted Monty Malcom's pass at the goal line and ran it back to the

17 yard line. Sanders simply took the ball on the next play, dropped to his knees and the clock ran out on the horns to give Dimmitt a hard-earned 20-0 win.

★
DEFENSIVELY for the Cats, more tackles were made in the line than last week at Tahoka. Robert Calhoun, Larry Duke, Harold Love, Shannon Truelock, Robert Horton, Leon San-

doval, Lance Loudder and Brad Sanders all played well for the Cats, but as a whole, the entire defensive unit gets credit for their best showing of the year. The backs get the scores on the boards but it is the troops in the trenches who keep the others from getting their points. Defense was certainly the "name of the game" Friday night at Tulia.

Women show men how in football contest

After five weeks of competition the women are still showing the men the way in the Dimmitt Athletic Booster Club's football contest.

JEANNETTE Hampton was the winner of last week's contest as she picked 14 games correctly.

Edna Follis was second as she picked 13 games correctly and was only five points off the tiebreaker score.

Judy Nichols also picked 13 games correctly but missed the winner of the tiebreaker game.

Charles Wales, Bullet Adams, Cliff Cook and Suzan Sanders each picked 12 games

Longhorns Chamber sees drawings of coin impressions

The board of directors of the Dimmitt Chamber of Commerce saw the final artists' drawings of the impressions that will appear on the Castro County commemorative coins at an early morning session last Thursday.

THE DRAWINGS were done by Ike and Joan Moore of Dimmitt. One side of the commemorative coins will feature a likeness of Henry Castro, for whom the county was named. The other side of the coins will feature a grain elevator surrounded by various crops and livestock produced in Castro County.

Coins are expected to be available for sale by Nov. 15. Each set of coins will be numbered and a limited number of coins will be minted. The chamber office will take orders for coins.

In other action, the board also agreed to print certificates to be presented to local businessmen. The certificates will congratulate new businesses for locating in Dimmitt and

salute existing businesses for expansion or major improvements.

THE BOARD also agreed to compile a list of newcomers and new businesses in Dimmitt. The list will be prepared monthly and mailed to all chamber members along with a monthly financial statement and a letter outlining chamber activities and projects.

Bill Behrends reported to the board on a new housing development in Quitaque. The project is financed by the Farmers Home Administration.

Behrends told the board that initial investigation indicates that a similar housing project could be initiated in Dimmitt to help ease the local housing shortage. Board members agreed that the project should receive further study and consideration.

BEHRENDIS also reported on proposals for a new membership dues structure for the Chamber of Commerce. He suggested several approaches that the chamber might consider for realigning membership dues. Members agreed that a "more equitable" system for determining membership dues is needed and the board will make further studies on the proposals.

HAYS HAS IT:

DUMP CHIEF

The new GT LOW-PROFILE ALL PURPOSE HYDRAULIC DUMP BOX is the most unique forage wagon available. With greater capacity, the all hydraulically operated side dump forage wagon carries 8 to 9 tons of forage in the 600 cubic foot dump box.

It's a proven money and labor saver because it eliminates extra men and trucks. Use the side dump forage box for almost any crop, especially alfalfa and other silages. The wagon follows the forage cutter and virtually eliminates crop loss due to wind and spillage.

Hays Implement Co.

Although the Longhorns are nursing a 2-3 record so far, their two victories have been big ones—a 7-3 win over Post and a 40-6 drubbing of Crosbyton. And two of their losses were whisker-close—a 12-14 decision against Frenship and a 28-29 heartbreaker against Kress. Their worst loss came at the hands of the Olton Mustangs, 22-6 in their third outing.

The Longhorns are mainly a running team; they'll pass only once every seven or eight plays. And they have both the size and speed to make the running game work.

RATED AS Lockney's top threat in the backfield is quarterback Zack Cummings (14), a 171-lb. senior. Fullback Danny Foster (33), a 195-lb. senior, and halfback Charles Sterling (25), a 190-lb. junior, are both strong runners to be respected, according to scouting reports. And halfback Mark Sherman (44), a 150-lb. junior, is quick, has good moves, and can be dangerous in the open, DHS coaches say.

Cummings' favorite receiver is big Tony Gross (85), a 6-4, 187-lb. senior end. Sherman also has to be watched on pass plays, and sometimes moves from his halfback slot to the end position opposite Gross.

If you think the Lockney backs are big, take a look at the offensive line—it averages 186 lbs. per man. Dimmitt's coaches consider the Longhorns' best blocker to be senior center Robert Murdock (52), a 190-pounder. But the tackles are both rated strong, and both guards fire out well, DHS scouts report.

LOCKNEY'S basic defense is the "umbrella"—a five-man front with two linebackers, two cornerbacks and double safeties.

The Bobcats will be playing without freshman halfback Thompson Mayberry, who is out indefinitely with a broken collarbone, and junior tackle Mark Cluck, who received a broken arm in practice this week and is out for the rest of the season.

Junior end-safety Kyle Touchstone and junior guard Mark Welch returned to the Bobcat lineup this week after sitting out the first five games with injuries received in pre-season practice.

who's new?

Mr. and Mrs. Steven Hanes of Nazareth are the parents of a boy, Charles Kyle. Born October 2, he weighed 5 pounds, 13 3/4 ounces.

It's a girl for Mr. and Mrs. Dana Wall of Dimmitt. Named Haylei D'nae, she was born October 6.

EFFICIENCY ECONOMY COMFORT

you get it all with

NATURAL ENERGY Gas Heating

Fresh, warm air gently circulating from floor to ceiling ... so nice to take for granted. Comfort is clean gas heat.

And that dependable comfort is such a bargain here in West Texas. Though gas energy costs a little more than it used to, gas furnaces still **cost less than one-third as much to operate** as similar electric furnaces.

And at the same time you're saving money with gas heating, you can also have a warm feeling knowing that you're helping conserve energy. Gas heating uses **only half as much energy** as an electric system doing the same job.

Comfort, efficiency, and economy ... you get it all with natural energy gas heating.

Chiefs edge Horns 14-6 in slugfest

By PAT STEIERT

The Friona Chieftains of District 3-AA edged past the 3-A Hart Longhorns 14-6 Friday night at Hart to hand the Horns their first defeat of the 1974 campaign.

HART'S spunky Longhorns played the Chiefs a much closer game than the score indicated as the Maroon Machine mounted good drives all night and scored the first touchdown of the season against a highly-touted Friona defense that had not allowed a score in three games.

If the Chiefs expected a runaway they were rudely awakened as the Longhorns gained 264 yards offensively while Friona managed 255 yards.

Robin Baize and Dee King tallied scores for the Chiefs and Gilbert Rodriguez carried on the lone touchdown for Hart.

Here's how the opponents fared

DIMMITT OPPONENTS
Muleshoe (0-5) 0, Portales, N.M. 6
Slaton (1-4) 0, Denver City 22
Springlake-Earth (2-3) 39, Shallowater 12
Tahoka (1-3) - Open
Tulia (1-4) 0, DIMMITT (5-0) 20
Lockney (2-3) 28, Kress 29
Littlefield (2-2-1) 7, Floydada 27
Morton (2-3) 19, Idalou 14
Friona (4-0) 14, Hart 6
Olton (4-1) 33, Abernathy 6

HART OPPONENTS
Anton (2-2-1) 21, Wilson 6
Shallowater (1-4) 12, Springlake-Earth (2-3) 39
Crosbyton (1-4) 20, Hale Center 13
Petersburg (4-1) 17, New Deal 8
Friona (4-0) 14, HART (4-1) 6
Kress (2-3) 29, Lockney 28
Vega (2-2-1) 44, Panhandle 15
Springlake-Earth (2-3) 39, Shallowater (1-4) 12

Valley (1-3-1) 13, Sudan (3-2) 22
Happy (0-5) 0, Matador (4-1) 40

Both teams showed well-balanced offenses but the defenses ruled the game as both teams continually shut down drives by the other. Turnovers plagued both teams. Two possible scoring drives on the part of the Horns were nullified by costly turnovers.

FRIONA took the opening kickoff and the Chiefs quickly learned the Maroon Gang defense was for real. Hart forced the Chiefs to punt from their own 31.

Hart took the punt at its 15 and drove 62 yards in nine plays behind the hard running of Terry Hill, Randy Finch and Gilbert Rodriguez. Ray Don Rector intercepted a Danny George pass at the Friona 25 to kill the Hart scoring threat.

Five plays later Dean Hill recovered a Friona fumble and the Horns once again had possession at their own 39. Hart then moved 41 yards in 10 plays, but on fourth down and four, an incomplete pass gave the Chiefs the ball on their own 36.

After Friona was forced to punt, Hart fumbled and the Chiefs took over on the Hart 45. On first down Jesse Flores intercepted a Dusty Peters pass and the Horns had the ball again on their 23.

UNABLE to sustain a drive, the Horns punted to Friona at the Hart 43. The Chiefs then cranked up a drive that was capped by a five yard sweep by Robin Baize. Baize booted the extra point and with 5:10 left in the half the Chiefs held a 7-0 lead.

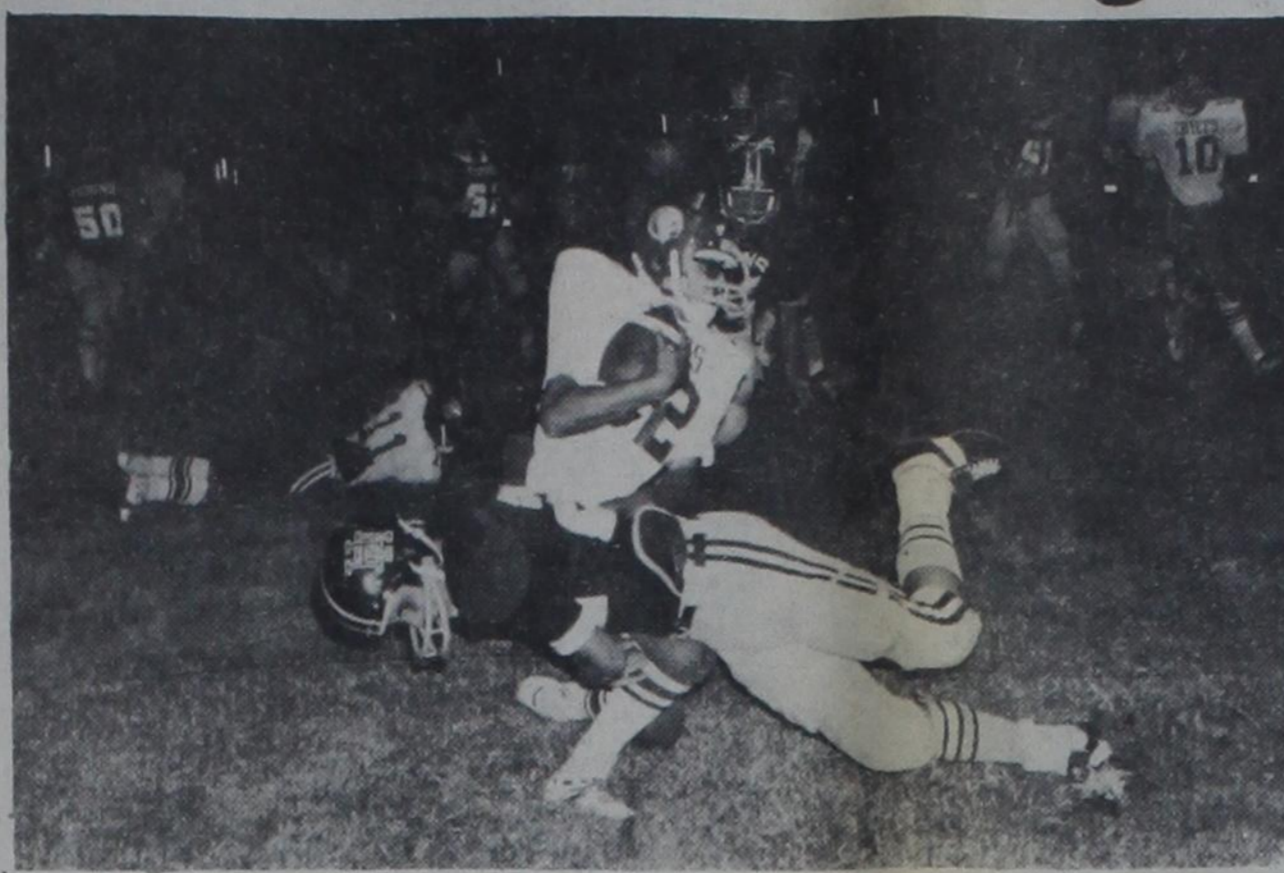

This week's grid schedule

DIMMITT HIGH SCHOOL

MOST popular cheese on the market in the US is cheddar—seven out of 10 pounds of cheese sold is cheddar. It's known by many different names—American, longhorn, or daisy—Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service, explained.

OOOF! Friona's Robin Baize finds out the Hart defense is for real as he is levelled by a jarring tackle at the midsection applied by Hart's Kerry George. The Horns matched the highly-touted Chieftains blow for blow in the contest Friday night until late in the fourth

period when the Chiefs broke a long gainer for a score. Although the Horns bowed to Friona 14-6 they scored the first touchdown of the season against the Chiefs in a game that was much closer than the score.

Hart started from its 20 following the kickoff but the Horns couldn't move the ball. On fourth down Kerry George attempted to punt, but Roy Don Rector got a piece of the ball and the Chiefs had the ball at the Hart 28.

The Chiefs drove to the Hart 20 before the Maroon Gang held on downs and the Horns ran out the clock to end the half with Friona leading 7-0.

HART received the opening kickoff of the second half but the Horns couldn't mount a drive and were forced to punt.

The Chiefs fumbled on their first possession and Danny Carson recovered for the Horns at the Friona 49.

Hart then displayed its well-balanced ground attack. In 11 plays the Horns drove 49 yards for the first score of the season against the renowned Friona defense.

Terry Hill and Gilbert Rodriguez provided the power running on the drive and the Hart interior line, led by center Kent Irons, guards Freddie Mancias and George Hernandez and tackles Mario Martinez and Dean Hill blasted holes in the Friona defense. Gilbert "Rod" Rodriguez capped off the drive with a slashing two yard run off left tackle for the score.

Hart went for two extras but the try failed and with 3:08 re-

maining in the third period the Horns trailed 7-6.

FOLLOWING the kickoff the fired up Maroon Gang forced a Friona punt to midfield. However, two plays later the Horns fumbled and Dale Cleveland recovered for the Chiefs.

Friona then drove 48 yards to the Hart 12 before the hard-hitting Horns recovered a Friona fumble. Hart couldn't hold the ball either, however, as the Horns fumbled two plays later and Friona recovered at the Hart 14.

The Chiefs moved to the Hart 1, but the Maroon Gang displayed one of the most heroic efforts of the night as they held the classy Chieftains

Swifts fall to Meadow 28-12

By MARTHA CATOE

The Nazareth Swifts suffered a 28-12 whipping at the hands of the Meadow Broncos Friday night at Meadow. The Broncos' passing attack, led by quarterback Danny Bingham, proved too overpowering for the Swift defense.

THE FIRST half was a battle of the defenses as only one touchdown was scored. The lone score came when Bronco halfback Ricky Day ran 80 yards on the first play from scrimmage after the Bronco defense had forced Nazareth to punt. Only two minutes had elapsed in the game. The remainder of the half consisted of an exchange of punts. The Swifts drove the ball 60 yards to the Bronco one but the Bronco defense was steadfast and prevented the score. The buzzer sounded for the half with Meadow leading 6-0.

The Swifts came back midway in the third period to score on a 24 yard touchdown pass from quarterback Doyle Kleman to fullback Darryl Huseman. The two-point conversion failed and the score was tied at six all.

The Broncos took the Swift kickoff and drove 65 yards for another tally. The scoring play came on a 21 yard pass from quarterback Danny Bingham to

senior end Terry Duncan. The duo then teamed for the two point conversion.

Nazareth failed to move the ball and a fumbled snap foiled a punt attempt. Meadow took over on the Swift 24. Again Bingham and Duncan teamed up for a 24 yard touchdown pass. Two points were added on a pass to end Kevin Norman. The Broncos then led 22-6.

EARLY in the fourth quarter the Broncos again moved the ball 64 yards down the field to add their final score. The touchdown play was a 15 yard scamper by quarterback Danny Bingham. The try for two was halted by the Nazareth defense.

With only 24 seconds remaining in the game Nazareth scored after gaining the ball on the Bronco 21 yard line. Charles Heck scored on a 6 yard run. The pass attempt on the try for two was intercepted as the game ended.

Charles Heck and Darryl Huseman led the Swift offense with 88 and 77 yards respectively.

The Big Blue defense was paced by Junior Joiner with 10 tackles. Glenn Dobmeier, Ted Huseman and Bernie Huseman racked up seven tackles each.

at the one-foot line on four successive downs. Kent Irons, Mario Martinez, Danny Carson, Freddie Mancias, Dean Hill, Terry Hill, George Hernandez and Berto Minjares stacked up the Chiefs as they formed a solid wall that could not be penetrated.

AIDED BY a roughing the passer call the Horns then moved from the goal line to their own 40 before being forced to punt.

Friona then moved 78 yards for the winning touchdown. Dee King broke through the line and outraced the Hart secondary for a 53 yard touchdown scamper with 1:30 left in the fourth quarter. Blaize hit the extra point and Friona owned a 14-6 lead.

The Horns wouldn't say die however, as Terry Hill took the ensuing kickoff and returned it to the Hart 41.

Danny George hit brother Kerry with a 22 yard sideline pass to give Hart the ball at the Friona 37.

THE NEXT play spelled the end for the Horns, however, as Gene Strickland intercepted a wobbly George pass in the end-zone to give Friona the ball with 58 seconds remaining in the contest. Friona ran out the clock to wrap up the win.

Although the Horns lost the game they turned in a very respectable performance against the 3-AA Chieftains, playing toe-to-toe with the classy Friona team and showing defensive effort equal to anything the Chiefs could muster until King's game-breaking run.

The two teams had only met twice in their schools' history prior to Friday night. Friona took runaway victories of 44-0 and 49-0 in those encounters, but the Chiefs didn't overwhelm the Horns Friday night as they found all they could handle and then some in the spirited Longhorns.

Tomorrow (Friday) the Horns have an open date. Next Friday the Horns will open district competition against the Kress Kangaroos at 7:30 p.m. in Kress.

Hey, Mr. Employer! Do You Know About New Law?

Here is a message of vital importance to every employer in the State of Texas, brought to you as a public service by Ivey Insurance & Real Estate, your local Independent Insurance Agent and member of the Texas Association of Insurance Agents.

Effective Jan. 1, 1974, the Workmen's Compensation Law has been amended to apply to business and professional organizations which have one or two employees.

The 1973 Texas Legislature enacted S.B. 283, which made many substantial changes in our Workmen's Compensation Law. We'd like to call one of these to your attention.

For practical purposes, ALL employees in this state except "domestic servants or casual employees engaged in employment incidental to a personal residence, farm laborers, (or) ranch laborers..." should now be protected by Workmen's Compensation insurance, or the employer loses his common law defenses if the injured worker sues him.

Formerly you had to have at least three persons on your payroll to be affected. But as of Jan. 1, 1974, employers

with one or two employees are brought under the terms of the Workmen's Compensation Act.

The question that probably occurs to you at this point is: What if I, as a small employer, fail to carry Workmen's Compensation insurance?

Well, if you don't, and one of your employees is injured, he has the right to sue you and will almost certainly be awarded damages. (Your liability insurance doesn't cover either the legal costs in such a case or the court judgment.)

By being uninsured, the three so-called common law defenses against a suit by an injured employee can't be asserted in court. These are:

—The Fellow Servant Rule (the injury was caused by another employee);
—Assumption of Risk (the injured worker knew job conditions were dangerous and assumed the risk);
—Contributory Negligence (the injured person was partially at fault himself).

We are sure that you want to protect yourself and your employees, so let's take a brief look at some of the

Workmen's Compensation benefits.

WEEKLY COMPENSATION

Weekly benefits equal to 66 2/3 percent of average weekly wage, subject to:

	9-1-73	9-1-74
Maximum	\$63.00	\$70.00
Minimum	\$15.00	\$16.00

Fatal Injuries:

To spouse, benefits payable for life (unlimited); or until remarriage, then two years' lump sum:

	9-1-73	9-1-74
Maximum	\$6,552	\$7,280
Minimum	\$1,560	\$1,664

To children, benefits payable to age 18, and beyond in some instances:

	9-1-73	9-1-74
Maximum	\$22,680	\$25,200
Minimum	\$ 5,400	\$ 5,760

Disability:

Permanent disability, benefits payable 401 weeks:

	9-1-73	9-1-74
Maximum	\$25,263	\$28,070
Minimum	\$ 6,015	\$ 6,416

Temporary disability, benefits payable 300 weeks:

NATIONAL 4-H CLUB WEEK

Nazareth 4-H Club

By DOUGLAS ACKER

The Nazareth 4-H Club has 43 members and meets the second Monday of each month at the Nazareth American Legion Hall. Adult leaders are Mrs. William Hochstein and Luke Acker.

OFFICERS include Patti Hochstein, president; Norman Acker, vice president; Donna Acker, secretary; Cyrilla Brockman, treasurer; Douglas Acker, reporter; Agnes Acker, parliamentarian; and Carol Hochstein, council delegate.

Elaine Acker was selected Gold Star Girl at the county 4-H awards banquet last November. She is a junior leader in clothing and also helped with foods and nutrition classes this year.

The majority of our members entered the county fat stock and project show in February. Dianne Hochstein won first place in the 11 year old division; Mary Jean Hochstein won first in the 12 year old division and Carol Hochstein won first in the senior division.

In the food and bake show Carol Hochstein won the bake show in the senior division and went to district competition in Amarillo.

Five of our club members entered the method demonstration and attended the 4-H Roundup in College Station at Texas A&M University. Agnes Acker gave a demonstration on Natural Resources; Norman and Elaine Acker gave a team demonstration on Natural Resources; and Carol Hochstein and Donna Acker gave one on safety.

FOUR members of our club earned the privilege of attending the 4-H National Citizenship Short Course and Heritage Tour. Agnes Acker, Patti Hochstein, Donna Acker and Carol Hochstein left the last week in June and started on a long and interesting tour of many states on their way to Washington, D.C. They saw many historical places along the way, especially in Washington. Each girl got to meet and visit with her Congressman while on the trip. They had the opportunity to learn many things about gov-

ernment and citizenship on this trip. The girls reported that a wonderful time was had by all.

The Clothing Revue was entered by most of the girls in our club this year. Dianne Hochstein won first in the 11 year old division, and Leona Kleman won second place. In the senior competition Patti Hochstein placed second and Elaine Acker was third.

Agnes Acker attended the 4-H State Congress in Dallas in July. They had the installation of the new state officers and workshop sessions on picking and planning careers.

IN THE Castro County Fair this year Elaine Acker placed third in crafts in the youth division, second in photography and third in clothing. Donna Acker and Agnes Acker tied for third place in photography.

Donna Acker was third in baking. Patti Hochstein was third in the canning division and second in clothing. Carol Hochstein received first place in clothing. In field crops Bernard Acker was first and Norman Acker third.

In August six members of our club attended a Leadership Lab held at T.S.T.I. in Amarillo. Agnes, Elaine, Norman, Donna and Douglas Acker and Carol Hochstein took part in the three day event.

In September our club held its annual awards program for our 4-H'ers. Jimmy Hochstein was selected Outstanding 4-H Boy and Donna Acker was selected Outstanding 4-H Girl. Norman Acker was told that he had won a trip to the National 4-H Congress to be held in Chicago in December. Norman entered a permanent record in Citizenship which won in State competition.

We are especially proud of our Senior Division of 4-H'ers this year for all the time, work, and participation they have done. We believe these young people are well on their way to making "The Best Better" and are setting a good example for all the younger members of our 4-H Club as to what they can do and achieve as an active member of 4-H.

EDDIE PERKINS of Cleburne [center] and Jamie Hemphill of Coleman, chairman and vice-chairman, respectively, of the Texas 4-H Council, inspect a masonry saw with Job Superintendent Ed Miller of the Herman Bennett Company while on a special inspection tour of the \$1.375 million Texas 4-H Center at Lake Brownwood. The 200-capacity facility is being constructed under the leadership of the Texas 4-H

Foundation and is expected to be completed by early spring 1975. The Center will contain modern conference arrangements and serve as a training facility for 4-H members and volunteer leaders, and other groups with an educational purpose. The construction of the new Center fits well with this year's "We Can Make It Happen" theme for National 4-H Week, Oct. 6-12.

4-H'ers, leaders know: 'We can make it happen'

With the many problems we face as a nation, it is refreshing to see our young people ready and willing to help bring about solutions to these pressing concerns. Enthusiasm and optimism has always been an admirable quality of American youth. Their vigor inspires all of us to do a better job in coping with our problems.

YOUTHFUL exuberance, combined with the guidance and experience of adults provides an unbeatable combination. The results of that cooperation are evident in the 4-H program.

We salute the combined efforts of 4-H'ers and their leaders "to make the best better" on the occasion of 1974 National 4-H Week, October 6-12.

The theme of the annual observance is "We Can Make It Happen." Those five words emphasize the commitment and cooperation of nearly 5.3 million youths and 560,000 volunteer leaders working together to solve common problems. With their enthusiasm and energy, in all 50 states, Puerto Rico and Washington, DC, 4-H'ers from all economic, ethnic and social backgrounds are

helping clean-up and protect the environment and natural resources. The youths work to conserve energy, assist in agricultural production, and help improve health and nutrition habits of the community. In the process, the 4-H'ers develop good citizenship and leadership traits and acquire skills that help them in later life.

YOUTHFUL enthusiasm and energy, combined with adult guidance and support and working together in a common purpose - that's the 4-H story in 1974. And we support the efforts of 4-H'ers, their par-

ents, their leaders and alumni "to make the best better." There are 268 youths enrolled in 4-H Clubs in Castro County.

And we would encourage our young readers, who have plenty of enthusiasm and our adult readers who may wish to volunteer their time and talents to get involved in 4-H and help "make it happen."

Information on 4-H programs and activities in the area can be obtained from the county extension service office or state 4-H office.

DISTRICT FUN DAY—More than 80 4-H'ers from Castro County attended the district Fun Day at Palo Duro Canyon in August. They took part in planned activities and demonstra-

tions, and also had plenty of time to relax and "clown around"—as this photo shows.

Dimmitt 4-H Club

By SHERRI OLDHAM

The Dimmitt 4-H Club meets on the first Thursday of each month in the Courthouse community room.

OFFICERS include Robert

Moore, president; Norris Cole, vice president; Deanna Moore, secretary-treasurer; Sherri Oldham, reporter; and Kelly Nelson, council delegate.

Leaders are Mr. and Mrs. David Cole and Mr. and Mrs. Richard Moore.

Dimmitt Fun Daisy Club

The Fun Daisy 4-H Club is made up of 15 girls. Officers include Eric Rivers, president; Cuca Ortega, vice president and Jackie Washington, secretary-treasurer.

ADULT leaders are Mrs. Cuca Ortega and Mrs. Lottie Smith.

Last year seven of the club's members participated in the food and cooking program and the county Dress Revue.

Winners in the 4-H Dress Revue included Raynell Fagan, red ribbon, Cuca Ortega, blue ribbon and Jackie Washington, blue ribbon.

Claudia Stuart of the Amarillo Planned Parenthood office presented a program on VD to club members.

Members also participated in a sewing program, making pillows for their mothers.

A crafts program on making key chains was also held.

The club meets the last Thursday of each month at 4:30 p.m. in the Courthouse community room.

Claudia Stuart will present a program on sickle-cell anemia at the club's Oct. 24 meeting at 7:30 p.m.

Bethel 4-H Club

By ADRIAN STANTON

Organized in 1967, the Bethel 4-H Club is now in its seventh year.

THE BETHEL 4-H Club meets the second Wednesday of each month in the Bethel Community Building.

OFFICERS include Cinde Sides, president; Matt Howell, vice-president; Heidi Bruegel, secretary-treasurer; Adrian Stanton, reporter; and Kyle Bagwell, recreation leader.

Leaders are Tommy Stanton and Mrs. Bobbie Bruegel. Gaines Howell and Heidi Bruegel were the outstanding boy and girl in our club for 1973.

SEVERAL of our method demonstration groups went to district competition. They included Kyle Bagwell and Robert Boozer in model rocketry, KaKa Bruegel and Kim Sides in model rocketry, and Laurie Sides and Wendy Bruegel on "Tubers with Eyes".

Senior rifle team members who went to state included Steve Stanton, Leisa Graef and Cinde Sides. Junior rifle team members were Matt Howell, Adrian Stanton, Heidi Bruegel, Dennis Tompson and alternates

Al'lan Truelock, Scott Bagley and Kenny Tompson.

Members attending the district food show in Amarillo were Cinde Sides, Kelly Bagley, Leisa Graef, Heidi Bruegel and Al'lan Truelock.

Cinde Sides won a post state alternate in bread and desserts. Kelly Bagley went to district in senior clothing and Heidi Bruegel went in junior clothing.

LAURIE SIDES, Robert Boozer, Mark Bruegel and Beth Benton participated in the 4-H dog project.

Many of the club's members participated in the county livestock and project show.

As a community service the club prepared the community building and served refreshments for the Bethel Community Christmas Party and also took part in the program.

Bethel 4-H Club members who are officers in the county 4-H Horse Club are Matt Howell, president, Carol Bagwell, vice president and Heidi Bruegel, reporter.

Other projects the club has participated in this year include parliamentary procedure, photography, Share the Fun and junior leadership.

Summerfield 4-H Club

By BRUCE EDWARDS

The Summerfield 4-H Club meets the first Monday of each month at the Summerfield Baptist Church at 7 p.m.

ADULT leaders are Mrs. Leroy Edwards and Mrs. James Dobbs.

OFFICERS include Brian Edwards, president; LeAnn Dobbs, vice president; Beverly Edwards, secretary-treasurer; Bruce Edwards, reporter; and Renee Dobbs, music leader.

Our club hosted the county 4-H Dress Revue this summer. The theme of the revue was "American Summer."

Each member participated in the county food and bake show and Beverly Edwards was a winner in the youth division of the county fair.

Beverly Edwards is also serving on the district 4-H Council.

New project: dog training

A 4-H dog project was conducted for the first time in Castro County during the summer.

MR. AND MRS. Melvin Waggoner taught a class at Hart while Geoffrey Earl taught a class in Dimmitt. Approximately 10 students were enrolled in the Dimmitt class while 15 were enrolled at Hart.

4-H'ers enrolled in the class trained their dogs in basic obedience and kept records on the project.

Easter Happy Helpers

By ANNETTE THOMASON

The Easter Happy Helpers 4-H Club meets the second Thursday of each month in the Easter Community Building. The club has 23 members and Mr. and Mrs. Martin Young are adult leaders.

OFFICERS include Terrie Harkins, president; Sandy Harkins, vice president; Kylene Behrends, secretary-treasurer; Annette Thomason, reporter; Ramonda Young, council delegate; Royce Thomason, inspirational chairman; and Darendra

Young and Shelly Fry, song leaders. Laura Downing is recreation chairman.

Annette Thomason won second in the county 4-H Dress Revue and Ramonda Young won third in the junior division. Other girls in the club won blue ribbons.

Our club also had two winners in the youth fair. Darendra Young won second in baking and Laura Downing won first in arts and crafts.

Club projects currently underway include work on entomology and food.

I WANT TO MAKE IT HAPPEN, TOO!
I am interested in joining a 4-H club, or knowing more about the 4-H program in Castro County.

You will always be ahead with International-Harvester equipment.

HAYS IMPLEMENT CO.

4-H enrollments still making good strides

National 4-H week will be observed Oct. 6-12, with the theme "4-H—We Can Make It Happen", and this offers a good opportunity to take a look at the 4-H program in Texas during the past year.

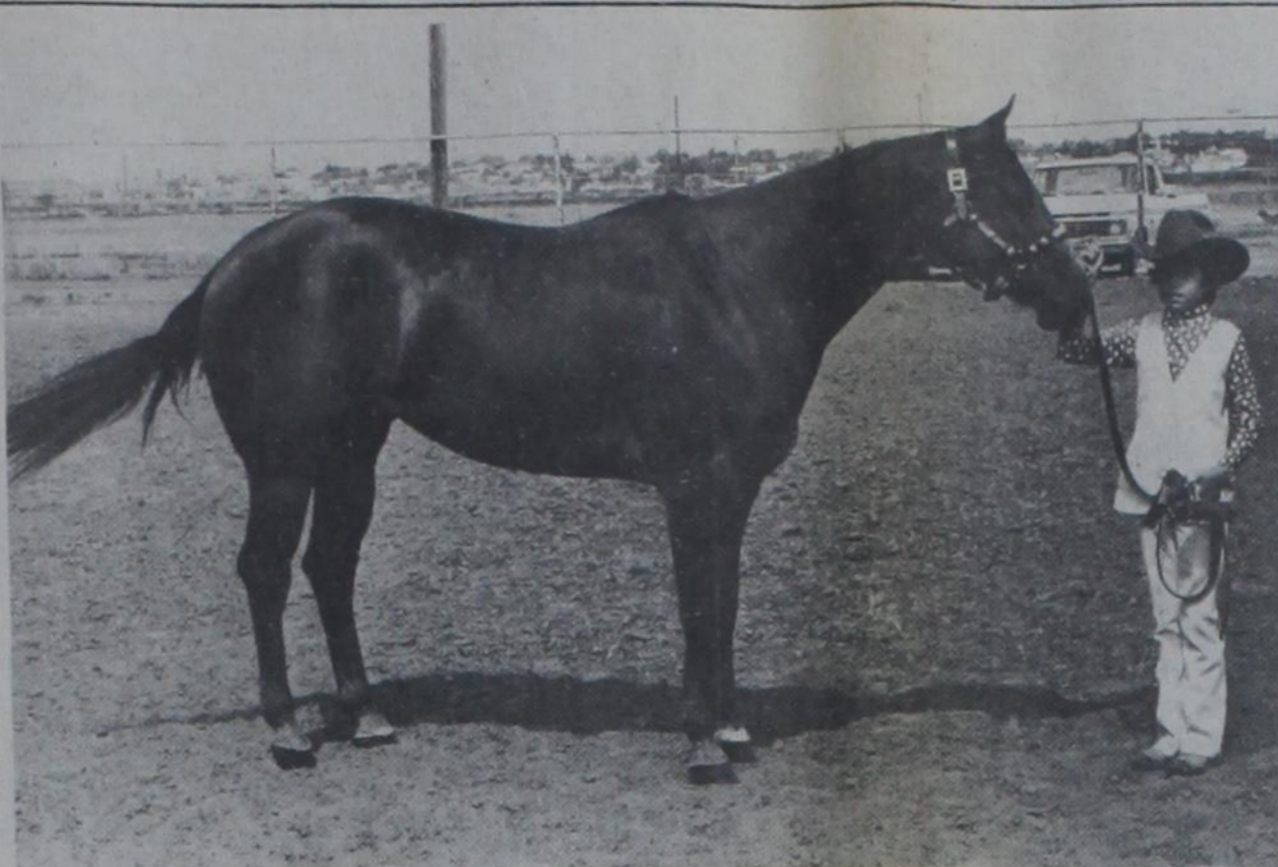

ACCORDING to Dr. Don Stormer, state 4-H and youth leader for the Texas Agricultural Extension Service, "4-H enrollment continues to make good strides. For 1973-74, a total of 124,747 Texas youth between the ages of 9 and 19 were active in 4-H activities. This is about an 8.75 percent increase over the 1972-73 period."

Of the 4-Hers, the biggest percentage live in towns under 10,000 population—33 percent.

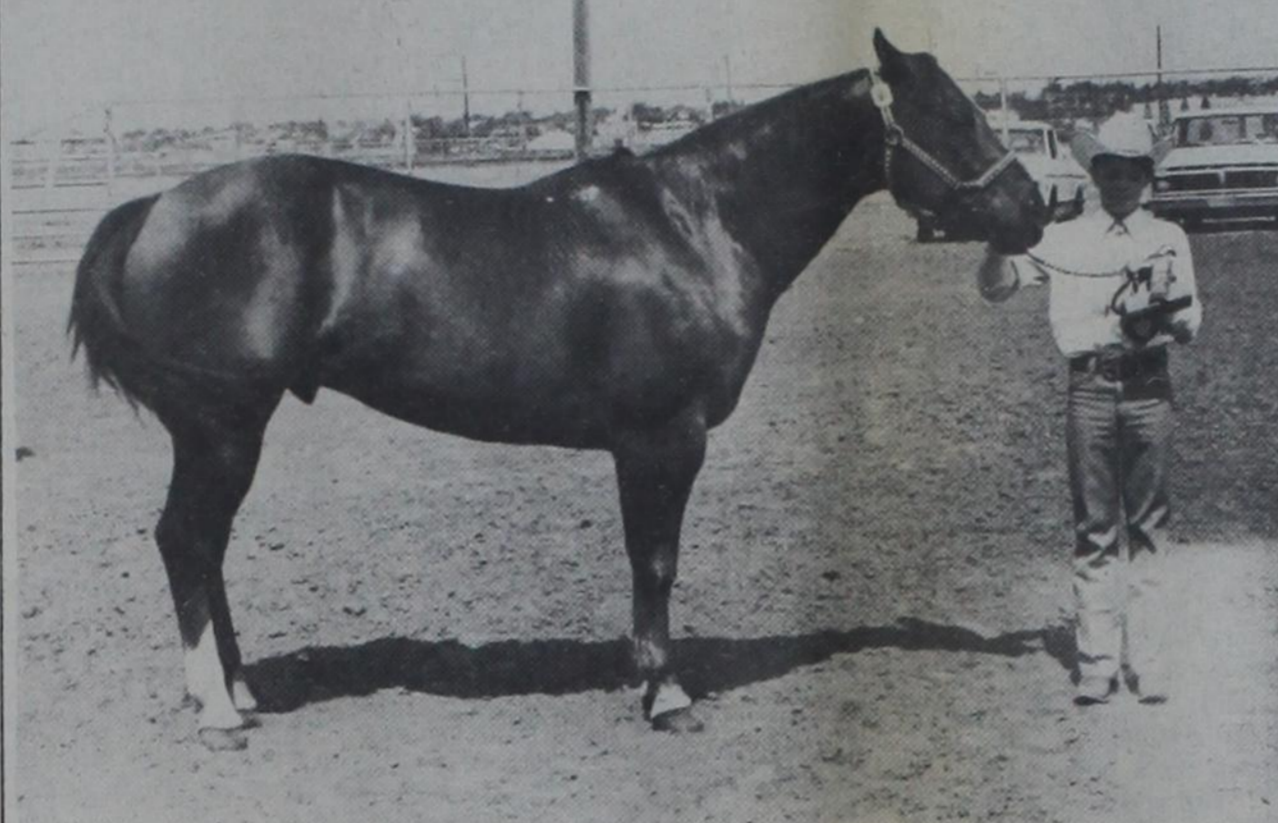

About the same number live on farms and ranches as live in central cities—23 to 24 percent. Some 16 percent of the members live in towns and cities of more than 10,000 population.

Stormer notes that there were a total of 3,433 different 4-H clubs or special groups, with at least one such club in each of the state's 254 counties.

The 4-Hers were enrolled in nearly 200,000 different projects. Those concerning agriculture and related subjects totaled some 71,000 while those in home economics and related areas totaled about 66,000. Some 60,000 other projects were in a wide range of special

GT is here!
with a G-T dryer...
you can reduce field losses
and improve grain quality!

GT TOX-O-WIK® CONTINUOUS RECIRCULATING GRAIN DRYERS

G-T DRIES GRAIN FASTER AND MORE ECONOMICALLY!

G-T Grain Dryers will help you save far more grain and have better quality grain—enough of both to be a high-yielding investment. You have field losses of at least 5 per cent while waiting for grain to field dry after it matures even if weather is ideal. During this waiting period, you can have losses up to 100 per cent from wind, hail, rain, snow, insects, birds, lodging and other hazards. Low harvest-time prices for grain too wet to store can cost you plenty too.

When you have a G-T Dryer, you prevent field loss and improve grain quality for a much smaller investment. You dry for less and dry faster. You dry automatically so you can continue harvesting as you dry. Come to see G-T soon at our place!

Hays Implement Co.

interest areas.

"Almost 21,000 volunteer leaders were involved in 4-H programs and activities during the past year, up several hundred from the previous year," points out Stormer. Of this number, some 14,600 are adults while the remainder are junior and teen leaders.

"SO, 4-H is continuing to progress in Texas. Programs are providing more learning and leadership experiences for youth so that they will be better equipped to take their place in tomorrow's world."

"4-H is indeed 'making it

Toy project set by Hart groups

Members of Hart's Chi Psi chapter of Beta Sigma Phi and Hart volunteer firemen are conducting a "Toys for Tots" campaign.

DISCARDED toys as well as new ones are being sought for the project.

Chi Psi members will be making a door-to-door canvass to collect toys Saturday in Hart.

Used toys will be taken to

happen, not only in Texas but throughout the nation," contends Stormer.

city hall in Hart where they will be mended, repaired or renewed prior to Christmas.

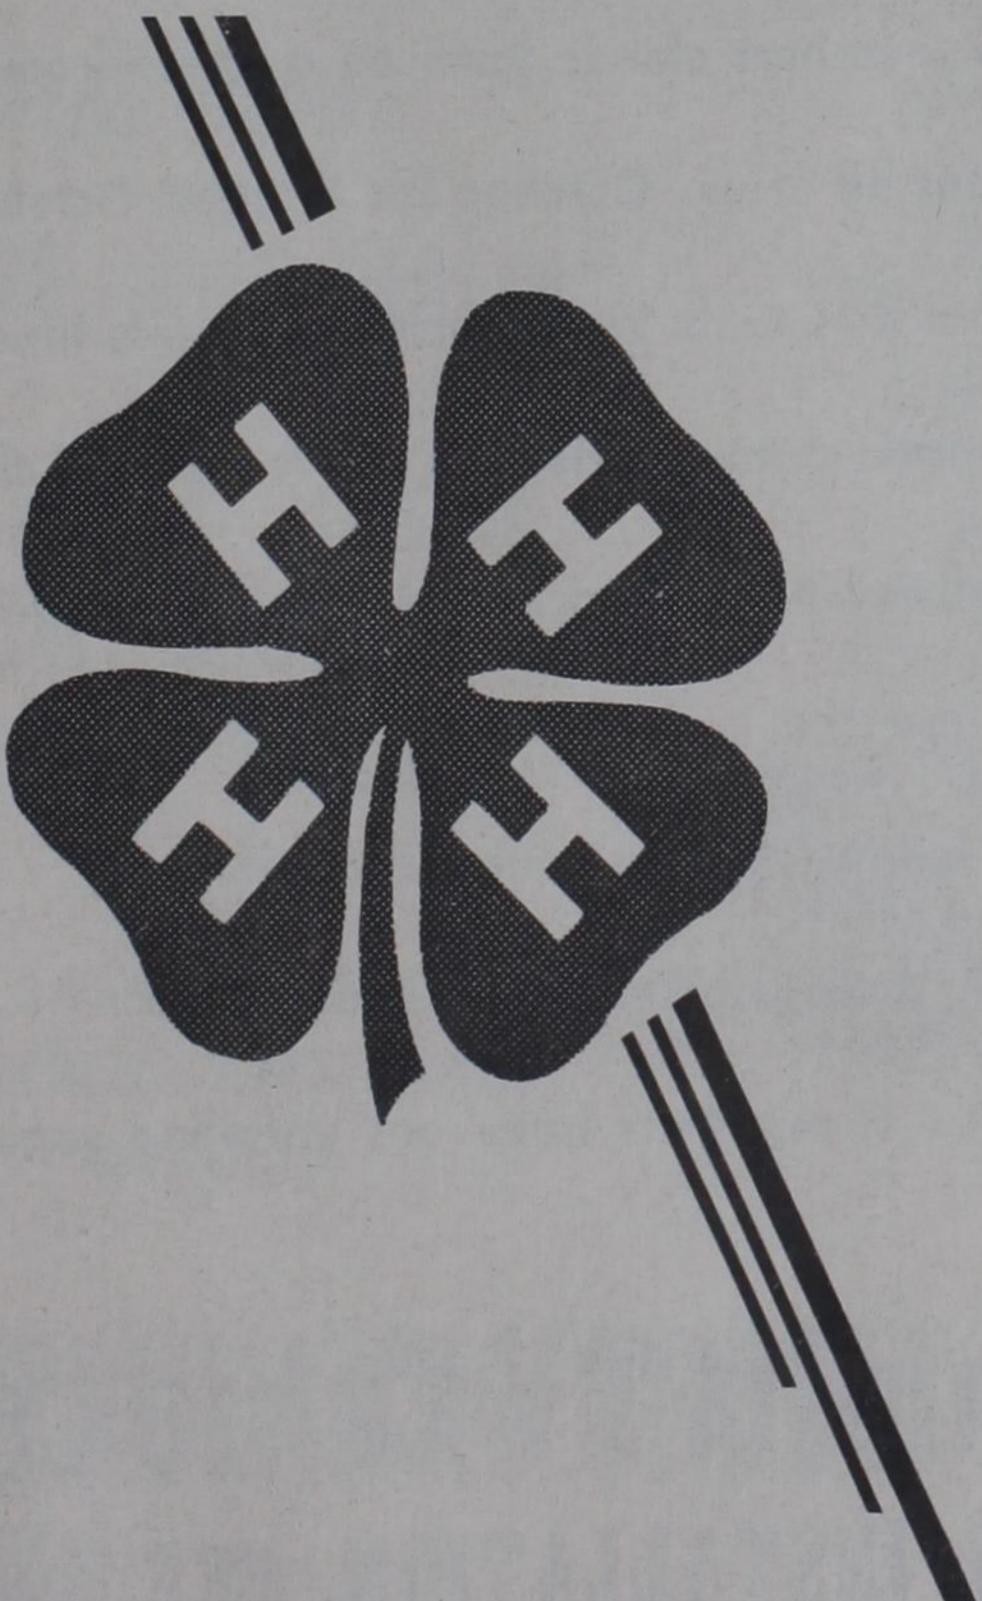

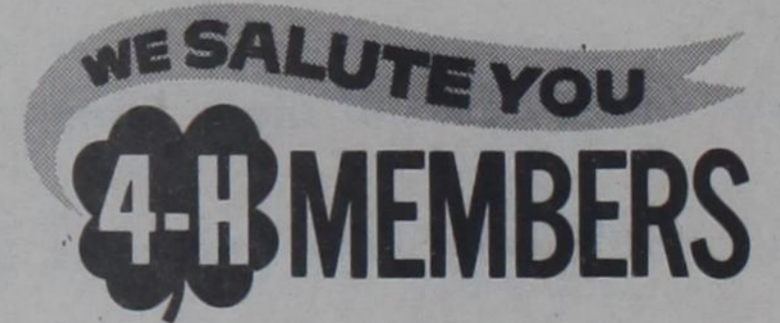

Anyone with toys to donate to the project is asked to call Mrs. James Jackson at 938-2318 or Mrs. Darryl McLain at 938-2333.

THE NEED for social approval and recognition increases with age, Dorthy Taylor, family life education specialist, Texas Agricultural Extension Service, notes.

There's A Future in 4-H... For Everybody

NATIONAL 4-H CLUB WEEK

A bright one. A right one. A future upon which America can depend. For a better tomorrow. The hope for a peaceful world. A pledge of Heads, Hearts, Hands and Health working to make it all happen. Concerned young citizens dedicated to a round-the-clock goal, service and better community living. Aware. Determined. Energetic. Keep it up, 4-H'ers!

FIRST STATE BANK

OF DIMMITT

Santa Fe Awards offered to 4-H'ers

Accomplished 4-H'ers in thirteen states will share 60 educational awards provided in 1974 by Santa Fe Industries Companies. In addition, the companies also offer 27 college scholarships of \$500 each in eleven of those states.

SELECTED by the Cooperative Extension Service, the winners in the program will attend the 53rd National 4-H Congress in Chicago Dec. 1-5. And at a special banquet in their honor the scholarship recipients will be announced.

The Santa Fe Railway System provides educational awards and scholarships in Arizona, California, Colorado, Illinois, Kansas, Missouri, New Mexico, Oklahoma and Texas. Gulf Central Pipeline Company is donor of scholarships and educational awards in Indiana and Iowa and educational awards only in Louisiana and Nebraska.

Award recipients are selected on the basis of records com-

pleted by the individual 4-H member. Consideration is given to their experiences in 4-H projects, activities and leadership, their personal development and service to the community.

INFORMATION on deadlines for submitting records and other details of the selection process are available from the state 4-H leader or county extension office.

These awards are among some 200,000 expected to be earned in 1974 by 4-H'ers in programs arranged by the National 4-H Service Committee, including 265 scholarships valued at more than \$184,000.

VALUING a child's individuality and letting him have the freedom to see the world in his own way promotes creativity, Ilene Carrington, family life education specialist with the Texas Agricultural Extension Service, contends.

CONSTRUCTION on Texas' new \$1.375 million 4-H Center got underway on a scenic 78 acre site overlooking Lake Brownwood last spring. Present at the groundbreaking ceremony at the lake site was this delegation from Extension Service District I. Pictured from left to right are Mr. and Mrs. Jack Ingram of

Dimmitt, Mrs. Sue Farris, District Extension Agent, Georgenia Brown of Dumas, vice-chairman of the District I 4-H Council, and Leslie Garnett of Amarillo, public relations chairman for the district council. Construction of the center is expected to be completed in 1975.

Committee arranges scholarships for 4-H

Young people are looking, with increased interest, to careers in agriculture and agribusiness. And they are encouraged in their efforts by a variety of scholarship programs arranged by the National 4-H Service Committee, Chicago.

IN 1974, \$13,800 in scholarships will be offered to present and former 4-H members interested in preparing for careers in agriculture and related fields. Scholarship applications are available from the respective state 4-H leaders.

The scholarship winners, selected by the Cooperative Extension Service, will be announced during the 53rd National 4-H Congress in Chicago, Dec. 1-5.

Funding the scholarships are Allied Mills Foundation; Chevron Chemical Company, Ortho Division; Homelite, A Division of Traxton Inc.; DeKalb Ag-Research, Inc.; Champion Valley Farms; and Alpha Gamma Rho Educational Foundation.

Two college juniors, present or former 4-H'ers majoring in animal science are eligible for \$800 scholarships offered by Allied Mills Foundation.

FOUR \$1,600 scholarships are offered present or former 4-H members to be college

juniors and who will be majoring or minoring in forestry. These grants are provided by Homelite.

Chevron Chemical Company, Ortho Division, offers two \$800 scholarships to college freshmen or sophomores planning a major or minor in any of the plant or biological sciences. Present or former members are eligible.

College juniors preparing for agribusiness careers may apply for a \$500 scholarship offered by DeKalb AgResearch, Inc. Four grants are offered along with expense-paid trips to the company's headquarters for a three day seminar and possible participation in a summer internship program with the company. Candidates may be current or former 4-H members.

Two veterinary science juniors are to be awarded \$800 scholarships by Champion Valley Farms in the Lassie-Veterinary Medicine program. For-

mer 4-H members are eligible to submit applications to their state 4-H leader or veterinary school.

ALPHA Gamma Rho Educational Foundation offers one \$600 grant to a current 4-H member.

Educational scholarships to be awarded in 1974, through the National 4-H Service Committee, total 265 in 40 different programs and are valued at \$184,100.

Over 5.3 million boys and girls, between the ages of 9 and 19, are participants in 4-H programs and activities. Supporting their efforts are half a million volunteer adult and teen leaders, the men and women of the Cooperative Extension Service, the National 4-H Service Committee, National 4-H Foundation and numerous private sector donors.

When we invest in our 4-H programs, we're insuring the future of our community and our nation. Let's all support our 4-H'ers!

4-H CLUB MEMBERS

With pride, we salute our local 4H Club members, for their efforts and achievements. Through their Head . . . Heart . . . Hands . . . Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today . . . and will mean still more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.

4H WEEK

CASTRO COUNTY GRAIN COMPANY

SALUTE to 4H CLUB MEMBERS

4H CLUB WEEK

In today's world, the dedication and determination of 4-H Club members shines forth as a special source of pride for all of us. October 7th through October 13th is National 4-H Club Week, and it is at this time that our pride is made public, reflecting the feelings of the entire community. "Head, Heart, Hands and Health" together are the creative forces that develop love for fellow men, encourage leadership and teach responsibility while molding character. All 4-H members have our unfailing support.

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

Last week we gave a brief report about the Veterans Insurance Act of 1974, which substantially amended PL 93-289 and became effective May 24. This week I want to expand on that report and urge you to consider the expanded benefits for those eligible individuals to take advantage of this low cost but important insurance. It is often overlooked until rates are too high due to advancing age to acquire needed protection for ones dependents. Many WWII veterans would like to be able to have back neglected opportunities they passed up which are not now available. We can give you details and have application forms for the eligible and will help you fill in the required information.

FULL TIME Servicemen's Group Life Insurance (SGLI) up to \$20,000 is available for members of the Ready Reserve

of a Uniformed Reserve unit in which one may be required to perform active duty, or active duty for training, and each year scheduled at least 12 periods of inactive duty training that is creditable for retirement purposes under chapter 67 of title 10.

This SGLI coverage is also on a full-time coverage basis for persons assigned to or who would be eligible to the Retired Reserves of the Uniformed Service who have not received the first increment of retirement pay or have not yet reached 61 years of age and have completed at least 20 years of satisfactory service creditable for retirement purposes under chapter 67 of title 10.

The act establishes a new program VGLI (Veterans Group Life Insurance) available for: (1) individuals being released from active duty or (2) reservists who, while performing active or inactive duty for training under a call of order spec-

ifying a period of less than 31 days, suffer an injury or disability which renders them uninsurable at standard premium rates. This insurance is for a non-renewable 5-year term policy, but at the end of the period can be converted to an individual policy with any one of the participating companies. This insurance is also available to all eligible persons who were separated or released from service on or after April 3, 1970 and before Aug. 1, 1974. But application must be made before Aug. 2, 1975. Evidence of good health and a copy of the DD-214 or other equivalent separation form is required. Those released after Aug. 1, 1974 have 120 days to apply or increase their insurance to the \$20,000 level, except in certain cases where their present GI insurance (for disabilities) is still in force.

Effective dates for the \$20,000 SGLI coverage is May 24, 1974 and for the VGLI is Aug. 1, 1974.

Full time coverage is provided for uniformed service

personnel while performing full-time active duty or duty for training on call or orders specifying for periods of more than 31 days and part time for those calls for less than 31 days.

Part-time coverage is also provided for volunteer Ready Reserve of the uniformed services (except temporary members of the Coast Guard Reserve). It is also available for the Reserve of the Public Health Service, for the Army and Air Force National Guard personnel while performing certain duties and members, cadets and midshipmen of the ROTC, but only while attending field training or practice cruises.

NOTE: I have a copy of Information Bulletin 20-74 concerning the Veterans Insurance Act of 1974, Servicemen's Group Life Insurance and Veterans Group Life Insurance. Contact me for more information.

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up America. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!

MEMBERS OF THE Happy Helpers 4-H Club of Easter are participating in an entomology project. Pictured from left are DeeDee Dobbins with her record book, Royce Thomason holding a killing jar, Amy Downing with a project book, Robert Dobbins with a butterfly pressing board, Laura Downing with

her collection box and Tammy Behrends filling out records. The group is learning to collect, classify and identify insects, and is also learning to distinguish between insects which are helpful and those which are harmful. Mrs. Trent Downing is project leader.

3-AA's two top teams are still undefeated

Friona's Chieftains finally were scored on, and Dimmitt's runaway express was slowed somewhat—but District 3-AA's two top teams continued on their undefeated ways in games last week.

THE SCRAPPY class A Hart Longhorns carried the fight to Friona's Chieftains, and scored the first points against the Redskins in 18 quarters, counting 1973, but Friona still registered a 14-6 triumph.

In an offensive game still **Boosters encourage car decorations**

The Dimmitt Athletic Booster Club is encouraging local fans to decorate their cars for the remaining football games.

The club meets at 7:30 Tuesday evenings in the Dimmitt High School cafeteria.

BREEDING hogs on Texas farms Sept. 1 were estimated at 140,000 and market hogs at 790,000.

dominated by big defensive plays, the Horns had a slight edge in total offense, 264-255, and Hart out first-downed the Chiefs, 15-13.

"Hart is as good a class A team as we've played in a number of years. Their line moved our people like no other team had this season," said Friona coach Bob Owen.

DIMMITT raced to its fifth season win, 20-0 over Tulia, but saw its point and total offense production slowed somewhat by Tulia, which has a reputable defense.

The Bobcats still rolled up 310 total yards, but this was considerably less than the 444 yards per game they had averaged in the first four games.

Dimmitt draws Lockney this week—a team that dropped a 29-28 cliff-hanger to Kress last Friday. A high scoring game might be expected.

Olton powered past Abernathy 33-6, getting pairs of touchdowns out of Glenn Johnson and Jimmy Parker.

The Mustangs allowed a touchdown by a long pass or

would have shut out the District 4-AA Antelopes. Olton gave up only 100 total yards.

MORTON had to score a late TD to down winless Idalou, 19-14. Quarterback David Ramby raced 12 yards around end to wipe out a 14-13 Idalou lead

late in the game.

In the district's only loss of the week, Littlefield found out that Floydada was tough. "They have the best team we've seen in four or five years," said Jerry Blakely about the 27-7 loss.

Local cancer unit hosts public education workshop

A Regional Public Education Workshop of the American Cancer Society was held last Saturday in the home of Mrs. L. C. McLain of Hart.

THOSE present were Dr. Betty Tevis, health instructor at Texas Tech and district public education chairman, Edd Jones, staff representative of the American Cancer Society of Lubbock; Lady Claire Phillips, public education chairman of Littlefield; Joella Lovvorn, president and publicity chairman of the Lamb County Unit; Mrs. Jimmy Bonds, president of the Swisher County Unit; and Sister Benedict Marie Boringering, public education board member in charge of schools; Mrs. L. C. McLain, public education chairman; Mrs. Nell Ingram, public education committee member; Mrs. Doris Lindsey, secretary and Mrs. Shirley Hall, publicity chairman, all of the Castro County Unit.

KAREN FOSTER, the newly-crowned Miss Hart, registered the guests and the hostesses were Mrs. Bob Bennett and Mrs. James Jackson.

The purpose of the workshop was to discuss plans of how to reach the goal of educating the public on the great advantages of early detection and treatment of cancer. Motivating individuals to become aware of and able to recognize cancer's early warning signals, will be a giant step in decreasing deaths

by cancer. **THE CASTRO** County Unit has set a goal of reaching at least 233 students and 1,021 adults with Quality Cancer Control Programs.

Dr. Tevis presented three new films, "Take Joy", depicting the healthy body; "On With Your Life", concerning examination and early detection of colon rectum cancer, narrated by Peter Graves of Mission Impossible; and "For A Wonderful Life", narrated by Lucille Ball. The last film was about uterine cancer. Also, the group was shown the new Betsy Breast Model used in teaching breast self-examination.

These films together with teacher's guides will be available for classroom teaching as well as use in programs for the different civic organizations and groups of all kinds in the county.

Mrs. McLain said, "It is the desire of the Castro County Unit that as many people as possible will avail themselves of these many teaching aids so as to further the public education on cancer."

On the go

Herman and Rose Acker and Paul and Marge Acker went to the mountains near Taos to view the leaves over the weekend. They stayed at Paul's cabin.

ABOUT 29,000 acres are in sugar cane this year in the Rio Grande Valley, compared to about 26,000 last season.

CHARLES HECK

LORI HUSEMAN

Seniors commended by merit program group

Two seniors at Nazareth High School have been named Merit Program Commended students by the National Merit Scholarship Corporation.

PRINCIPAL Jim Peggram announced that Lori Huseman and Charles Heck have received letters of commendation.

These students are among the 38,000 Commended students named on the basis of their high performance on the

1973 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Commended students are in the upper two percent of those who are expected to graduate from high school in 1975. Although the Commended students ranked high on the PSAT/NMSQT, their scores were just below those of the 15,000 Semifinalists who were announced in September by NMSC. Commended students do not continue in the Merit Scholarship competition.

Edward C. Smith, president of NMSC, said: "The high standing of Commended students in the Merit Program shows their great promise, and their attainment in this nationwide program deserves public recognition. The Commended students should be encouraged to continue their education. Both these students and our nation will benefit from their further educational and personal development."

To increase their scholarship opportunities NMSC reports the Commended students' names to the regionally accredited colleges they named as their first and second choices when they took the PSAT/NMSQT in October 1973. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students.

HIGHER clothing costs are due more to labor cost increases than to increased costs for energy and petroleum, Mrs. Becky Culp, area clothing specialist with the Texas Agricultural Extension Service, points out.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX
The Texas Panhandle Library

System sponsored a work session on Federal Funds Allocations at the Amarillo Public Library Oct. 4. Mrs. Elizabeth Crabb was in charge of the meeting with Marie Loyd of the Amarillo Public Library and Phillip LaBoon of Bro-Dart Publishing Co. explaining the program and procedures. Prior to the meeting each library in the system had been given a list of subjects from which to choose, one that would benefit their library as well as other libraries in the system. During the meeting each library was assigned a special field in which to use their allotted money. These books will be available to the other libraries in this system, working in the same way as the interlibrary loan works now through the Major Resource Libraries in Texas except on a smaller scale. Libraries and their assigned subjects will be:

- Borger - Texas collection
 - Canyon - Watercolor painting
 - Canadian - European Literature
 - Dimmitt - American Government
 - Dumas - Botany
 - Friona - Health
 - Hereford - Economics
 - McLean - Anthropology/Archaeology
 - Panhandle - American Literature
 - Perryton - American and European History
 - Spearman - General Science
 - Stratford - American and European Literature
 - Tulia - Technology
 - Pampa - Business Collection
- When these books have been ordered, processed, and placed on the shelves in these libraries, then we can all use them through the interlibrary loan.

TWENTY-nine children heard Dr. Suess' "If I Ran the Zoo" on the record player while Mrs. Womack turned the pages on the book. Then Mrs. Womack and Mrs. Riley each read a book to the children. Whitney Warren brought some candy to share and Mrs. Womack brought some bubble gum for each child. Mrs. Schacher helped by handing out the candy as each child prepared to leave for home. Thanks to all the ladies who helped including Edna Riley, who stayed several hours while I was in Amarillo attending a meeting. Mrs. Bob Kay came in with some visitors last week. Mrs.

Nazareth FHA sets banquet, dance

The Nazareth FHA will hold its "Best Beau" banquet and dance Oct. 19. THE BANQUET will be held in the Nazareth school cafeteria at 6:30 p.m. Following the banquet, a dance will be held at the Nazareth Community Hall from 9 p.m.-1 a.m. The Dale Munsford Trio will provide music for the dance. Admission will be \$2.50 per person or \$4.50 per couple.

Henrietta Harrell and her daughter from Oakland, Calif. Mrs. Harrell works in the circulation department of the Oakland Public Library . . . Mrs. Grace Prohl from Tahoka came in with Jo Behrends to see the library. Mrs. Prohl is the wife of Rotary District Governor.

Square dance registration ends

Sunday will be the last day of registration for square dance lessons at Nazareth.

Those interested in taking lessons should come to the American Legion Hall at Nazareth at 8 p.m.

NATIONAL 4-H CLUB WEEK

Head, Heart, Hands, Health . . . Working

For a Better World

Young folks who appreciate the gifts the good earth offers, who use those gifts to make things better for themselves . . . their families . . . their neighborhoods . . . and the nation. It's time to congratulate them: the country kids with their livestock and produce . . . the city kids planting parks, cleaning rivers—all of them learning and using the skills that make life a richer experience and the world a better place. We'd like you to know, 4-H'ers, that we appreciate your work and applaud your success. We're standing behind you proudly as you proceed with your projects. Thanks for creative concern.

4-H'ers to celebrate National 4-H Week

Across the country, increasing numbers of young people are involved in efforts to improve the quality of life in their communities. These youths, all 4-H'ers and their parents and leaders are working cooperatively to make things happen through individual and group activities. National 4-H Week, October 6-12, focuses on these cooperative efforts which involve nearly 5.3 million boys and girls and some 560,000 volunteer leaders, nationwide.

clubs increased by nine percent and the number of volunteer leaders by 10 percent. While continuing to involve a maximum number of youths in rural America, 4-H has found increasing interest in its programs among young people of the cities and suburbs. And 82 countries around the world now have 4-H or similar type groups.

An annual observance since 1927, National 4-H Week serves as a time for 4-H members and leaders to review past accomplishments and to exert even greater effort for the future in the "learn by doing" program. "We Can Make It Happen" is the theme of 1974 National 4-H Week. The words sum up the optimistic philosophy and aims of 4-H participants everywhere. The phrase pinpoints youths' commitment to learning, service to others and involvement in programs designed to develop their leadership and citizenship potential to the fullest. With an active program in nearly every county of the U.S., 4-H has grown dramatically in recent years. This past year alone saw a 32 percent increase in the number of youth participants. The number of organized 4-H

Many of the activities in which 4-H members and their groups participate focus on the concerns of today. Their efforts are directed to improvement in the quality of living, such as—energy conservation, maintenance and improvement of the environment and increasing the nation's food supply. The young people's work places emphasis on health and safety—individual, family and community—good nutrition and a variety of other community projects and activities meeting the special needs of their local areas. Encouragement for the young people comes from numerous sources, including—the Cooperative Extension Service, which administers the 4-H program. Additionally, numerous friends of 4-H within the nation's private sector support the program, including 60 corporate and foundation donors which channel resources through the National 4-H Service Committee.

4-H'ers create, eat meals "right" for them

When going out in public, whether to the local store, a theatre, visiting relatives or whatever, people always want to be looking and feeling their best. When out in public people choose with care what they wear and how they act. Well, proper nutrition is just as important in how one looks and feels as clothing and behavior. Over 690,000 young people have found out that you are what you eat and that proper nutrition is very important to the total you, by participating in the national 4-H food-nutrition program. All aspects of nutrition are emphasized in this program, which is sponsored nationally by General Foods Corporation. 4-H'ers in the program learn about the four food groups, planning nutritious meals and snacks, and the food needs of people in relation to their age or their job. With the help of the formula 4-4-3-2, younger 4-H'ers in the food-nutrition program learn the proper amounts of

meat, fruits and vegetables, breads and cereals, and milk they should eat each day. Young people are also encouraged through the program to plan and create meals that are not only nutritious but pleasing and tasty as well. General Foods, program donor, along with the Cooperative Extension Service and the National 4-H Service Committee, have helped young people create nutritious meals by producing a series of five booklets on food-nutrition for 4-H members and leaders. "Teens Entertain", the last in the series, helps 4-H teens plan meals that are nutritious, economical, easy to prepare and satisfying. Helping others learn about good nutrition is also a goal of the program. Agnes Arnold, a 1972 national winner in the 4-H food-nutrition program, taught principles of good nutrition to young people from low income families in her home town of Lebanon, Pa. Another 1972 national winner in the program is heading towards a career as a professional chef as a result of his food-nutrition projects. Mike Cattuzzo, of Lodi, Calif., prepared over 170 different and sometimes exotic recipes for his family and friends, including meals with Japanese, Greek and Swedish dishes. 4-H'ers involved in the 4-H food-nutrition program are also eligible for incentive and recognition awards provided by General Foods Corporation. Outstanding members in each county receive medals of honor provided by the company. An expense-paid trip to the 52nd National 4-H Congress in Chicago, Nov. 25-29, will be awarded to an outstanding member in each state. During the national 4-H event, six national winners will be announced. They'll each receive a \$700 educational scholarship courtesy of General Foods. For further information on the 4-H food-nutrition program and the new food-nutrition booklet, "Teens Entertain", contact the county extension office.

While continuing to serve youth of rural America, 4-H is expanding into urban areas as well. And affiliated 4-H members can be found in the nearly all major cities.

HOW'S YOUR Agri-Culture?

MONEY BEES ARE MAN'S MOST USEFUL INSECTS!

COLONISTS ARE BELIEVED TO HAVE BROUGHT HONEY BEES WITH THEM FROM ENGLAND TO VIRGINIA IN 1622... AND SETTLERS TOOK BEEHIVES WITH THEM AS THEY MOVED WESTWARD...

Now these busy little bees produce about \$50 million worth of honey & beeswax in the U.S. each year!!!

AND POLLINATE AN ESTIMATED \$1 BILLION WORTH OF AMERICAN FARM CROPS!!!

We Salute the Leaders of Tomorrow... Our 4-H'ers

The whole community would like to congratulate you, 4-H'er. You're a feather in our cap. You win the admiration of all. Through your "Head... Heart... Hands... Health" program, we have gained insight into the honest goodness of youth.

More people are being encouraged to discover 4-H. Parents as well as children are needed to keep the wheels turning. Volunteer leaders. Teachers. Lecturers. Boosters. You can be of help.

WHETHER YOUR CROP IS STANDING or DOWN

HESSTON ROW HARVESTERS

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops.

Easy Adjustment Matches Row Harvester To Crop Conditions Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.
