1970 Football Ends Saturday

The Bronte Longhorns will close out their 1970 football season Saturday night when they go to Tuscola to take on the Jim Ned Indians. The Indians will be observing homecoming; hence the game will be played on Saturday instead of the usual Friday. Kickoff time will be 7:30 p.m.

The Indians are in second place in the district, having a 7-1-0 season record and a 1-0-0 district record. They still have to meet the No. 1 Wall Hawks.

The Jim Ned lads downed the Hawley Bearcats last week, 56-0. In other games this weekend, Hawley will host Jayton and Wall will travel to Blanket for non-district games.

Services Held for Mrs. Robbins

Funeral services for Mrs. Frank Robbins Sr., 78, were held Sunday at 2:30 p.m. in First United Methodist Church with burial in Hayrick Cemetery. The services were conducted by the Rev. Fred Brown and the Rev. Arthur Kendall, Methodist pastors of Bronte and Robert Lee, respectively.

Newby Funeral Home was in charge of arrangements.

Mrs. Robbins died at 9:30 p.m. last Friday at her home, eight miles northwest of Bronte, after a long illness.

She was born Dec. 18, 1891, in Cook County and came to Coke County in 1898. She was married to Frank Robbins Nov. 8, 1914, in Hayrick. The family lived in McCamey 25 years before returning to Coke County in 1963.

Survivors include her husband; a son, Frank Robbins Jr. of McCamey; a daughter, Mrs. Mary Jo Hodges of San Angelo; three grandchildren and one great-grandchild.

Pallbearers were Glenn Waldrop, Barton Waldrop, Carroll Robbins, Rupert Robbins, Alonzo Robbins and Lester Webb.

Firemen to Sell Bulbs Nov. 19

Bronte firemen will have a light bulb sale Thursday night, Nov. 19. The canvases of the town will start at 5:30 p.m. and they hope to contact every household in the city.

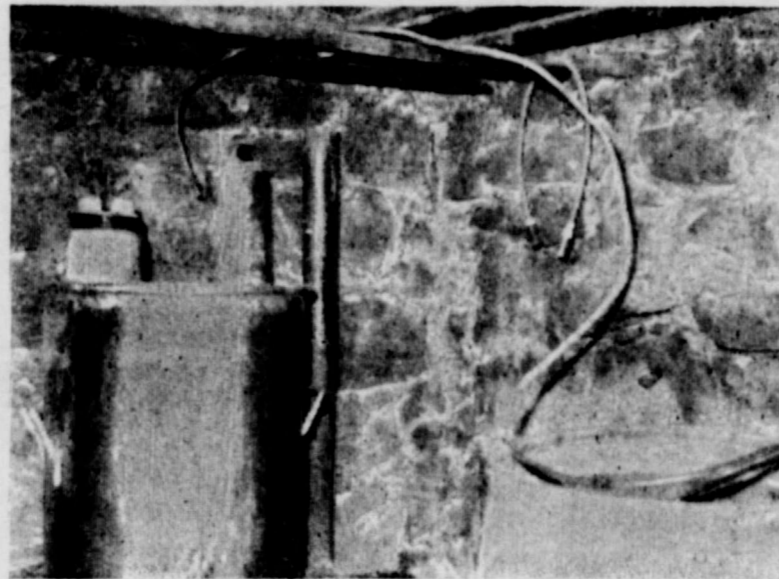

They are asking for patronage of everyone, as the sale is their principal way of making money to finance the Fire Department's activities.

The firemen said they would like to see everybody stock up on light bulbs—buy enough to last awhile, they said.

PROGRAM SCHEDULED

An American Heritage program will be presented Friday at 2 p.m. in Bronte School auditorium. Prin. James L. Golson said early in the week that the program had not been completely worked out, but it would be of interest to everyone. The public is invited.

Still Confiscated South of Town

Part of the Still Confiscated Saturday

Law enforcement officials had an unusual experience last Saturday when they raided a farm place and confiscated a still. Arrested in the raid was Wayne Cason, 47, of San Angelo. The place is located 12 miles south of Bronte.

Cason is free on \$2,000 bond on two charges of possession of unlicensed paraphernalia to manufacture alcoholic beverages.

Officers of the Alcoholic Beverage Commission office in Abilene said it was the first arrest for this offense in the district in more than 10 years.

The raid was set up by Deputy Sheriff Grady Coulter of Bronte. He conducted the preliminary investigation and contacted Alcoholic Beverage Commission officers and U. S. Treasury Department officials from

the Alcohol, Tobacco and Firearms Division.

Coulter's groundwork led officers from the county, the state agency and Treasury Department to get all units set up at 4:30 p.m. last Saturday. The raiding party contacted Cason and his wife at the residence.

Among the equipment and goods confiscated were a cooker, a 55 gallon drum of mash, a burner, a 55 gallon cooler, eight gallons of sour mash, eight gallons of wine and 12 gallons of brandy.

The still was taken to Abilene by state officers, but has been returned to Robert Lee at the request of Sheriff Melvin Childress, who said he wanted it to go in a museum which is being

AD-LIB-BEN

It's a little hard to tell which one of Bronte's football heroes up at Texas Tech was more responsible for Tech's victory last Saturday over TCU. Doug McCutchen gained 204 yards rushing to lead all players in the Southwest Conference and earn the title of conference Offensive Player of the Week by the Associated Press.

But then, Davis Corley, who is on the Tech defensive squad, recovered a TCU fumble on the Tech four yard line to save what looked like a sure six or seven points for the Frogs and give the ball back to the men from Raiderland.

McCutchen has really put Bronte on the map with his fantastic running. He has gained 837 yards in the season, the most of any player in the Southwest Conference. However, he is rated in the No. 2 slot because Tech has played two more games than Texas where Steve Worster has gained 734 yards. Worster's average per game is 104.9, while Doug's is 93.0.

Doug's 204 yards against TCU was the most gained by a Tech player in 28 years, and lacked only two yards tying the record.

We had a letter from Doyle Adair of Houston this week. He enclosed clippings from the Houston Post and Houston Chronicle. His letter said:

Dear Ben:
Surely it will give you a bright lift in your day to read good

The contest is held each year during homecoming activities at ASU. This is the second year in a row that the Longhorn Band has taken top honors among the Class B bands entered.

The band participated in a downtown parade and in halftime activities during the football game Saturday night. Louis Thornton is director of the winners.

Austin — Half a dozen new amendments have been added to the Texas Constitution, including one authorizing sale of liquor by the drink.

Passage of Amendment 2, however does not mean automatic mixed drink dispensing. Amendment merely repeals the ban on open saloons and empowers the legislature to pass a law regulating liquor by the drink.

Starting next January, lawmakers must first act to establish procedures, licensing requirements and regulations. Then, local option elections must be held to determine where mixed drinks are wanted by voters.

Many observers feel there will be no legal sales of booze over the bar in public establishments before the end of 1971. Others think preliminaries will be disposed of in some areas by mid-year, but that would mean passage of the bill by a two-thirds majority to place it in immediate effect. More likely effective date of the legislation is next September, with elections to follow.

Other constitutional changes would provide for:

- * Disciplinary action, including censure, of all judges.
- * Appointed (by governor) three man State Building Commission.
- * County issue of road bonds up to one-fourth of assessed value of all local real property, on majority vote of taxpayers.
- * Increase from \$5,000 to \$10,000 in value of homestead which is exempt from forced sale.
- * Laws permitting all counties to consolidate certain services and offices.

Amendment to permit farm land assessment on the basis of crop yield was defeated.

GOP's ECONOMIZING — Texas Republican party began off-year cutting back on its operation 24 hours after the general election.

Headquarters staff here shrank suddenly from 23 to eight, and further reduction is expected.

Slash in staff and a move to smaller offices were described as the "collective decision" of top party leaders including Sen. John Tower, State Chairman William Steger of Tyler and National Committeeman Peter O'Donnell Jr. of Dallas.

Party spokesmen said GOP, following the election defeat, has serious debt problems and has no choice but to retrench.

Democratic leaders — Gov. Preston Smith, Senator-elect Lloyd Bentsen and Lt. Gov. Ben Barnes—meanwhile, began sizing up Tower for attack in 1972 election. Barnes said he is thinking about running against Tower years, September unemployment himself, although he has not

firmly ruled out the governor's race.

BRINE HEARING ON — Railroad Commission conducted a hearing here on Parks and Wildlife Department complaints that oil companies are polluting bay waters with oilfield brine.

PWD contends that discharges are harmful to environment necessary to support marine life. Companies countered with witnesses that insufficient evidence of pollution and danger to salt water creatures was shown at the two-day hearing.

THE ATTORNEY GENERAL RULES—Texas Water Development fund loans may be used to build sewage treatment plants. Atty. Gen. Crawford Martin has held. He said the state also may own such plants.

In other recent opinions, Martin concluded that:

- * County clerk does not have authority to issue a marriage license to those presently legally married to each other under common law unless they meet age and/or parental consent requirements and waiver of "I am not presently married" oath is obtained from county judge.
- * Texas State Board of Examiners in Fitting and Dispensing of Hearing Aids has no authority to conduct educational seminars; Board rule requiring all license applicants to furnish a home and business address in Texas is void and unenforceable.
- * A County Commissioner does not vacate his office automatically when he moves to another part of the county.

TAX BURDEN LOWER — Texans may be tax-shy after reading what is going to happen to them in the next legislative session, but they are better off than most industrial state residents, according to a new study.

Only Ohio among 10 most industrial states has a lower state and local tax burden, Texas Research League reports. Texans' 1969 burden amounted to 8.5 per cent of personal income. Ohio's was 8.2, study showed.

Louisiana and Oklahoma had 10.7 and 9.4 per cent, respectively.

EMPLOYMENT DOWN—For the first time in more than 20 figure for Texas exceeded joblessness for August. Texas Employment Commission reported a tenth of one per cent hike in the jobless rate.

Just three times since 1947 has the September rate ever been as high as August. Last September's total climbed 3,000 to 179,500; but overall the state average was just 3.8 per cent. High was in Laredo with 8.5 per cent unemployed, and low in Houston and Austin—with just 2.7 per cent.

Protein Foods at Budget Prices

Protein foods, usually the most expensive of the four food groups, account for about 40 per cent of the food dollar spent. With wise planning, however, you can buy tasty protein foods at budget prices.

Depending on your choice and amount of bone in the meat cut, a three ounce serving of cooked, lean meat may vary in cost from as little as 14 cents to as much as 69 cents.

Fresh, frozen or canned meats, poultry and fish have top quality protein. By combining meat with dry beans or peas, you may be able to reduce the amount of food dollar spent for these foods.

For general health and growth you provide each member of your family with at least four to six ounces of edible protein food daily.

"Spring Cleaning" Year Round — Escape the seasonal cobwebs of cluttered closets and dresser drawers by planning ahead.

Before storing and packing seasonal clothing, list the major items in good condition that will be wearable another year. If an item is outgrown by one child and can be passed on to another, place the article on the list of the receiver. Worn out articles outgrown by the entire family should be discarded.

By making note of all clothing to be bought, the homemaker can take advantage of pre-season and special sales.

Prepare clothing for storage when the season is well on its way out. Always pack and hang clothes clean; clean fibers won't deteriorate as rapidly as soiled fabric. Also, make all necessary repairs before storing.

Apples

Now is the best time of year to enjoy apples.

Apples must be mature when picked to have good flavor, texture and storing ability. Look for firm, crisp, well colored fruit, and choose according to the use in mind.

Apples range from sweet to tart flavors. Some are best when eaten out of hand or sliced and diced for salads, sandwiches and desserts. Other all-purpose apples may be cooked, baked, stewed, scalloped, fried or roasted. Basically these are the two types marketed: eating apples and cooking apples.

Red or Golden Delicious apples are best when served raw. Their delicate flavor is lost when cooked.

Apples that are good cooked or raw include McIntosh, Jonathan and Rome Beauty. Rome Beauty apples are also exceptionally good for baking.

Once bought, apples should be stored in the vegetable crisper of the refrigerator and used in two to three weeks. Every day apples are kept at room temperature, their storage life is decreased by more than a week.

Whether served raw or cooked these hints are followed to ensure a tasty apple treat.

Always wash apples before using.

Peel just before serving or cooking. If allowed to stand, browning occurs unless the fruit is sprinkled with lemon, orange or pineapple juice, or a commercial anti-darkening agent.

Use sugar in small amounts when cooking apples to bring out flavor—not mask it.

To keep apples whole, add sugar at the beginning when cooking. For making sauce, add sugar at the end of cooking.

Longhorns Scare Mighty Wall Before Losing, 21-8

The Bronte Longhorns looked good last Friday night, even though they lost their ball game to the Wall Hawks, 21-8. The Horns played the favored Wall team a good ball game and didn't look like the same team that went down before Hawley a couple of weeks before.

The story last week was that the Horns were supposed to lose the ball game to Wall by 40 points or so. Everybody at Wall was expecting that, but the Longhorns didn't know about it.

First Quarter

The Horns took the kickoff at the 20 and returned to the Wall 35. Mike Arrott hit the Wall line but couldn't budge it and had to punt. The Hawks did a good job of ball control and kept the pigskin on a sustained drive for

the rest of the quarter. They made seven 1st downs and had a 1st and 10 on the Bronte 20 when the first period ended. Benny Holik, Steve Edwards and Rodney Fischer were in charge of the ball carrying chores.

Second Quarter

The Wall lads fumbled on the first play of the quarter, but recovered and lost 15 yards. On 3rd down QB Jimmy Selcik tossed a pass to Holik for a TD. Selcik ran the extras and the Hawks were ahead, 8-0.

Joe Basquez took the kick back to his 31. The Horns were pretty well bottled up and Arrott quick kicked on 3rd down. The Hawks got through to him and blocked the kick and Richard Lehr picked up the ball and ran for another TD. Lehr also kicked the EP to make the score 15-0.

Bobby Skelton took the kick back to the 31 and Arrott made enough for a 1st on the 42. The Horns had to kick on the next series. A couple of plays later they recovered a fumble on the Wall 27. Arrott made 2 and Danny Cooper kept for a 1st on the 14. A pass interception then gave the ball back to the Hawks on their 5 yard line. The Hawks went to the 31 before they had to punt. A long pass to Basquez was completed as the half ended.

Third Quarter

Cooper kicked off to start the second half and Wall was penalized back to the 11. They made a 1st at the 22, then Basquez recovered a fumble on the 27. Soon, however, a fumble gave the ball back to the Hawks at the 31. Wall moved to the Bronte 45 for a 1st and then had to kick. Then a fumble gave the ball to the Hawks on the 17. The Horns held them and took over on the 20. After three plays the Horns kicked and after three plays the

Hawks had to kick. Bobby Skelton took it on the 20 and raced 80 yards for a Bronte touchdown. A pass to Lynn Lawhon was good for 2 and the score was 15-8. The third quarter ended a few plays later.

Fourth Quarter

The game see-sawed back and forth until about midway of the last period, when Wall took over on the Bronte 33. They moved the ball to the 20 and a Bronte penalty gave them a 1st and goal at the 8. Edwards carried to the 3 and Selcik kept for the TD. The convention kick was blocked. The rest of the game was a run 3 and kick situation and the contest ended 21-8.

The Longhorn defense did a superb job.

Rash of Wrecks In Coke County

Four automobile accidents occurred in Coke County from last Friday through Monday. Two were on U. S. Highway 277 on the east side of the county and two occurred in Robert Lee. Highway Patrolman Bobby Hart investigated the wrecks.

A 1969 Buick sedan driven by Haskell L. Autry of Sterling City and a 1967 Cadillac driven by Mrs. Willie Dee Breeding of Sweetwater were in collision last Friday on US 277 three-tenths of a mile north of Tennyson. Mrs. Breeding's car was hit from the rear by the Buick. Extensive damage was done to both cars and two persons were injured. Mrs. Cara Louise Autry, sitting in the Buick, had a knot on her head and an injury to her left knee. Mrs. Breeding complained of whiplash.

On Sunday, about 3:40 p.m., a 1969 Chevrolet pickup driven by Riley Glenn Waldrop and a 1970 Maverick driven by A. J. Roe III, both of Robert Lee, were in collision at West 12th and Childress Streets. Both vehicles received minor damage. Hart said the pickup was making a left turn and the passenger car was passing it when the accident occurred.

At 4:15 p.m. Sunday eight-tenths of a mile south of Blackwell, a 1969 Chevrolet pickup driven by Roy Robert Richardson of Sweetwater and a 1966 Chevrolet coupe driven by Jane Miller Roby of Girard were in collision. The pickup hit the car from the rear, Hart said. He estimated damage to both vehicles at \$1,000.

The fourth accident reported occurred at 4 p.m. Monday near the intersection of 10th and Hamilton Streets in Robert Lee. A 1967 Ford pickup driven by Riley Glenn Waldrop and a 1969 Plymouth driven by Angela Sparks Isbell were in collision. Hart said the Plymouth was preparing to make a left turn when it was hit from the rear by the pickup. Extensive damage was done to both vehicles. Doretha Moore, a child who was a passenger in the Plymouth received a bump on the head.

Recent visitors in the Floyd and Barney Modgling homes was the men's sister-in-law, Mrs. Will Modgling of Quanah. She was accompanied by her daughters, Mrs. Nolene Galbraith, also of Quanah, and Mrs. Mona Lee Ortali of California.

Shorthorns Lose Last Game to Eden

The Bronte Shorthorns ran into tough competition at Eden last Thursday night and came out on the short end of a 48-20 score. The big boys from Concho County were a little too much with their long runs and passes for the smaller Bronte lads.

Bronte's first TD came on the second play from scrimmage when Alan Barbee got loose for a 62 yard run. The conversion run failed. Barbee made the second counter, also, with an eight yard scamper, after he had completed a 45 yard pass play to Jim Dan Raughton. A Barbee to Raughton pass was good for the conversion.

Louis Martinez made the third TD with a four yard run, following a 28 yard gainer by Barbee which put the ball on the 4.

Score by quarters:
 Bronte 14 6 0 0—20
 Eden 16 8 12 12—48

The Shorthorns had a season record of 4-2-1.

Christmas Mailing Dates Announced

Date for mailing Christmas packages, cards, etc., were released this week by Postmaster Noah Pruitt Jr. He said the dates should be followed as closely as possible to insure delivery by Christmas day.

Below are areas to which local postal patrons may be sending mail, along with dates. The first date given is for parcels and the second is for cards.

Distant states: Dec. 1 and Dec. 10.

Local and nearby areas: Dec. 11 and Dec. 15.

Alaska and Hawaii: Nov. 30 and Dec. 4; airmail: Dec. 14 for both.

South and Central America and Europe: Nov. 13 and Nov. 18; air parcels, Dec. 14.

SAM mail for servicemen overseas should be mailed before Nov. 20 to insure delivery on time. Parcels up to five pounds and 60 inches in combined length and girth can be sent SAM and are given air transportation at surface rates.

Larger parcels (up to 30 pounds and 60 inches) can be sent PAL and will receive air transportation at surface rates plus \$1.00.

Zip code must be used on all outgoing addresses and the sender should be sure to include his return address, including zip code.

All parcels should be wrapped and packed securely and a slip enclosed showing a list of contents and the address of the mailer and addressee.

It would be wise to use first class mail for sending Christmas cards, as the postage is the same up to one ounce. First class mail can be forwarded or returned if undeliverable. "It leaves us with an unhappy feeling when we have a greeting card that cannot be forwarded or returned," the postmaster said.

Info Announced On Hunting Season

Hunters will be on the prowl starting Saturday, Nov. 14, when the season opens on deer, turkey and quail. R. L. Flanagan, game warden of Robert Lee, this week announced some of the rules pertaining to the 1970 season. He urged all hunters to observe the rules and avoid being fined.

Deer season is from Nov. 14 to Jan. 3 with hunting time from 30 minutes before sunrise to 30 minutes after sunset. Bag limit is two bucks or three deer aggregate in areas where antlerless permits are available.

Turkey season covers the same period and hunting hours are the same as for deer. Bag limit is two turkeys of either sex.

Quail season also opens Nov. 14, but extends through Feb. 15. Bag limit on quail is 15 per day or 45 in possession. Hours are same as for deer and turkey.

Duck season opened Nov. 4 and will continue through Jan. 12. A new point system is effective this year on bag limits. Each hunter is allowed 100 points daily bag limit. Some varieties of ducks count as many as 90 points, while others count as few as 10. For details on this new system, hunters should contact Flanagan.

Flanagan pointed out that any land owner who is leasing land for hunting is required to have a hunting preserve license. They may be obtained in the county clerk's office for \$5.00.

The game warden warned hunters about shooting from public roads and from automobiles. "This is the most common violation we have," he said, "and all hunters are warned not to be guilty of it."

Game is reported to be plentiful in Coke County this year and a large number of local hunters, as well as those from out of the county, are expected to be on hand Saturday morning.

Christmas Foods Program Is Set

The public is invited to attend a Christmas Foods program on Monday, Nov. 16, at 1:30 p.m. The program will be held in the county courtroom in Robert Lee and will last about one hour.

Miss Jimmie Temple, home economist for Lone Star Gas Co. of San Angelo, will be in charge of the program, entitled "The Delight and Joy of Christmas." Recipes and ideas will be given for holiday foods and decorations.

Mr. Fay C. Roe, Coke County Home Demonstration Agent, invites everyone to attend and bring as many guests as possible.

FISHING NEWS

By Ike Pate

Over the past few years we have told some wild stories about the fishing at Oak Creek, but we have one that happened Nov. 4 that just about tops them all.

Mr. and Mrs. Oran Bain of Lubbock arrived here at the Sportsman's Lodge only to find the lake too rough to put their boat in the water. This turned out to be a real break. Fishing from the enclosed area of the fishing dock, Mr. Bain hooked and landed a 22 pound yellow cat, using a spinning rod with a crappie rig and a small crappie minnow as bait. Mr. Bain's ad-

dress is 4913 12th St., Lubbock. Other big yellow cat caught the past few days include a 35 pounder by Dewey Collins of Midland, a 25 pounder by Charlie Harris of Odessa, and two by John Millstead of Abilene at 22 and 13 pounds.

Crappie have begun to bite well at the fishing dock. Most are small, but this is a real improvement over the past few months.

The lake has been in the process of turning over and bass fishing has been slow. With this now over the past couple of days have been better and will improve as the lake gets back to normal.

Wrinkles are a vicious cycle.

In some dryers the heat that dries your clothes also bakes wrinkles into permanent press.

But you can buy a new gas dryer with a permanent press cool-down cycle that turns off the heat and cools off your clothes.

That means modern gas dryers won't add wrinkles to your wash and extra ironing to your work load. Because they have a cycle that keeps wrinkles from becoming vicious.

AD-LIB-BEN —
 Continued from Page 1

news from the Houston Post and Houston Chronicle about the Bronte Bronco.

Soni and I saw Tech beat Rice and Doug was really tough. He tore loose for a first down on the first play just after I sat down. And I can assure you Davis Corley is a fine defensive end. He recovered a TCU fumble Saturday on the Tech 4 yard line that meant a win for Tech.

What two fine competitors from a fine little West Texas town!

Pass these news clippings to others interested football fans—such as Libby and Eddie. Best regards, Doyle

As indicated in the letter, the Houston sportswriters are calling Doug the Bronte Bronco. The lead paragraph in the Post's story said:

"The sign on the outskirts of Bronte, Texas, reads: population 999. Nobody knows if that 999 count came before or after Doug McCutchen left to play football for Texas Tech University."

Writing about the Rice game, the Chronicle said:

"McCutchen, a 5-11, 202 pound soph from little Bronte in West Texas, was the game's leading ball carrier with 36 carries for 147 yards."

Just about everyone in the

community had high praise for the young people of Bronte because of their good behavior on Halloween. Much credit goes to the young people themselves and to law officers of the community. We feel, too, that Louis Thornton, Bronte School Band director, deserves a lot of credit for keeping things under control. Thornton threw a party for the kids on Halloween night and provided them with plenty of entertainment and things to do besides the customary Halloween pranks.

Perhaps a proclamation of Mayor Martin Lee expresses the thoughts of everyone. It reads: "Be it proclaimed this 5th day of November, 1970, that the City Council of the City of Bronte, Texas, commends and praises the young people of Bronte on their action and conduct Halloween night."

The proclamation was signed by Mayor Lee.
