

JIM PETRA, respiratory care supervisor at Plains Memorial Hospital, demonstrates the proper manner of inserting the new esophageal obturator airway on a special mannequin. Petra told members of the Dimmitt Rotary Club at their noon luncheon Friday that the new airway is made for use by the layman who has a minimum of training. Club members practiced the proper use of the airway under the supervision of Petra.

Petra tells Rotarians of emergency airway

Jim Petra, respiratory care supervisor at Plains Memorial Hospital, spoke to members of the Dimmitt Rotary Club on a new esophageal obturator airway now in use by the medical profession at the club's noon luncheon Friday.

USING a special mannequin, Petra demonstrated the proper use of the airway, which is already in wide use on ambulances and by rescue squads where personnel trained to do endotracheal intubations are not available. The airway is particularly effective in emergency resuscitative situations.

According to Petra, the plastic airway is used to intubate the esophagus rather than the trachea, and a special cuff on the airway seals the esophagus stopping air flow to the stomach and assuring direct air flow into the lungs. Small ports located along the airway tube create air flow to the trachea. A special mask featured with the air way helps seal off air flow from the mouth and nose and adapts the airway to mouth-to-mask ventilation or conventional resuscitative equipment.

"This device is simple, it is made for the layman and it really helps," said Petra. "It can be used by a minimally trained person, individuals can be trained with a mannequin in about 15 minutes."

PETRA explained that the airway can be used only on adults as it comes in only one size, which is too large for

children. "All our people at the hospital, from the orderlies on up, are trained in the use of the airway," said Petra.

Petra explained that the device can be inserted whether the patient is reclining or upright, and does not require hypertension of the neck. This feature could prove particularly valuable in an automobile accident or similar mishap.

"The airway provides a quick means of getting the patient breathing again in an emergency situation, and can be used by almost anyone. Although the cost is rather high right now, \$25 for the unit, it could be carried in one's auto for effective emergency action."

Petra emphasized that the airway is meant for emergency use while awaiting arrival of medical assistance, but added that it could prove a valuable life saving device in the hands of laymen trained in its proper use.

FOLLOWING HIS BLOCKER—Hart's Gilbert Rodriguez [11] follows guard Freddie Mancias [61] and turns a gainer upfield in the Hart-Vega game played at Vega Friday night. Rodriguez played in the contest despite a hip-pointer, but his individual effort was to no avail as Hart fell to Vega 34-8.

Nazareth Roads in bad shape following heavy rains

By MRS. AGNES BROCKMAN

We have had more and more rain here the last day or two, and some of the roads out in the country have almost gotten impassable. But this morning (Monday) the sun is shining so wonderfully and we hope it stays for a long time so the farmers can get in their fields again to harvest their crops.

JOAN BACKUS and Julene Gerber went to Seminole last week to attend the D.C.C.W. Diocesan Convention, which was held there Oct. 22 and 23.

The Fritz Gerber family went to Plainview Sunday to visit the Charles Bowens. They also attended the chili supper and bingo party at St. Alice's Church, sponsored by the C.Y.O.

Shelly Bowen, granddaughter of the Walter Schultes, is scheduled for surgery Nov. 1 at M. D. Anderson Hospital, Houston. Let's remember her in our prayers and maybe send her a card. Am sure you can just send the card to the hospital or get a more definite address from some of her relatives here.

Vickie Wilhelm, Peggy and Karen Book, also Janie Steffens from West Texas State University spent the weekend with their parents here.

through the Children's State School there.

The Cyril Brockmans, Jerome Brockmans, James Wilhelms, Regina Steffens and Agnes Brockman went to Friona Saturday evening to visit the Tom Brockmans. The Phil Brockmans from Muleshoe were also present.

The Lloyd Venhauses and the Herbie Wethingtons from Happy visited their folks here Sunday.

Mr. and Mrs. Edwin Huseman and the Charlie Hills from Dimmitt visited the Phil Brockmans in Muleshoe Sunday evening.

THE CLARENCE Schultes also visited the Phil Brockmans in Muleshoe last Friday.

Edwin Pohlmeier is back in the hospital at Plainview and Juanita Schacher is in the hospital at Philadelphia Sunday.

Mrs. James Wilhelm went to Pampa Sunday to be with her daughter Juanita Barker, who is in the hospital there.

Christine Braddock returned home from Philadelphia Sunday. She has spent a couple of weeks with friends and relatives.

Scouts receive Eagle Awards

Three Dimmitt Scouts received Eagle Awards at the South Plains Council Eagle Court of Honor held Sunday at the First Baptist Church of Lubbock.

ROGER Allison, Tommy Cleavinger and George Cope-land were presented Eagle Awards by Bobby J. Moody, master of ceremonies.

John R. Bradford, John E. Baker and Max Tidmore of Lubbock issued the challenge to proficiency, leadership and character.

On the go
Jimmy and Floyce George went to Colorado to see the hills and for a vacation. They went to Alamosa and other places, probably back by Rocky Ford to see her sister Joyce and James Autry.

DUMP CHIEF

The new GT LOW-PROFILE ALL PURPOSE HYDRAULIC DUMP BOX is the most unique forage wagon available. With greater capacity, the all hydraulically operated side dump forage wagon carries 8 to 9 tons of forage in the 600 cubic foot dump box.

It's a proven money and labor saver because it eliminates extra men and trucks. Use the side dump forage box for almost any crop, especially alfalfa and other silages. The wagon follows the forage cutter and virtually eliminates crop loss due to wind and spillage.

A GOOD RAINY-DAY PROJECT is that wall-paneling job you've been putting off. Ron Golden (left) and George Howell show samples of the many patterns of paneling available at Higginbotham-Bartlett Co. A new shipment of Statesman paneling from Oregon is now in stock. Wood paneling from Georgia-Pacific and composition patterns from Masonite are also available.

Higginbotham-Bartlett Co. here is in its 50th year of service

The Higginbotham-Bartlett Co. has been helping Dimmitt and Castro County grow for half a century.

Believed to be Dimmitt's oldest continuous business, the lumber-hardware company started here in 1924 as Panhandle Lumber Co. It was one of a chain of lumber and building-supply outlets in North Texas.

Ward Golden has been managing the landmark company here for 40 years. He was just four years out of West Texas State University when he came here as manager in 1934. A native of Snyder, Golden had joined Panhandle Lumber Co. in Slaton after graduating from college.

The Higginbotham-Bartlett Co. bought out Panhandle Lumber Co. in 1938, and the business has been under the H-B name ever since.

Through the years, the Higginbotham-Bartlett name has become synonymous with the top brand-names in building supplies, hardware, tools, paint, home appliances and decor items.

For many years, Higginbotham-Bartlett has been the exclusive dealer here for famous Sherwin-Williams paints, including Kem-Tone and Kem-Glo decorator finishes. Other well-known brands you'll find at Higginbotham-Bartlett are Armstrong floor coverings; Black & Decker power tools; paneling by Statesman of Oregon, Georgia-Pacific and Masonite; hand tools by P&C and Stanley; Corning Wear and Pyrex home appliances; and Hoover vacuum cleaners.

Higginbotham-Bartlett also has a good selection of luxurious vanities for the bathroom and dressing room. They feature one-piece lavatory-counter tops of man-made marble.

And for the horseman, Higginbotham-Bartlett has a complete horseman's bar with all types of halters, cinches, ropes, blankets and grooming tools.

This wide range of products, plus half a century of experience, means you can probably take care of all your home-and-hardware needs with one quick stop at the Higginbotham-Bartlett Co.

JIMMY SMITH of the Hart Longhorns eludes Vega's Kevin Montgomery and turns upfield for a gainer in Friday night's game at Vega. Smith played a key role in a good Hart drive following the opening kickoff of the second half of the contest, but the drive was halted on an interception and Vega went on to down Hart 24-8. The Horns have been busy trying to regroup this week as they prepare to meet the Springlake-Earth Wolverines in Hart's Homecoming Friday night at 7:30 at Longhorn Stadium.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

The Texas Library Association, District II held its annual meeting in Dumas last Saturday. Virginia Miller of Dumas was the chairman of the general session, and Dr. Easton Wall, Superintendent of Schools in Dumas, welcomed the librarians. Messages were given by Maurine Gray, president of the Texas Library Association, and Dr. Dorman Winfrey, Texas State Librarian.

The main address was by Robert Boyd, assistant professor of speech at West Texas State University, who spoke on the topic "How the Library Talks to You." First he said the library talks to us non-verbally. (His illustration was, it took him longer to go to Dumas from Canyon on Saturday than usual because of the dense fog—therefore he was late.) Second, if the atmosphere is good and the librarians are friendly more people will enjoy going to the library. The stu-

dents think it is a great place to study, especially if there are enough books and reference sources. Librarians and attitudes have changed in the last few years.

At the afternoon session Lavern Morrison with the Texas Education Agency showed a film on "Developing Library Resource Centers in Your Community."

JOYCE Rickerd brought the Camp Fire Girls to the library last week to create an interest in the girls using the library. Mrs. Rickerd served candy bars and cokes to Katie Lapins, Barbara Broadstreet, DeAnn Hanson, Kim Smith, Beth Mohon, Gina Wright, Sylvia Sandoval and Donna Bishop.

The Children's Story Hour has grown so big that we divided the group into two age levels. Verletta Witt told stories to the three and four year olds and Ann Hays told Halloween stories to the five year olds. Since Dondi Hays has a birthday this week, her mother served cup cakes and punch to the children. Jackie Spinhire and Denise Schulte served Halloween candy to all the children. Several other mothers stayed to help with the children.

Campbell crewman aboard USS Cook

Navy Yeoman Third Class Lyndale D. Campbell, whose wife Ollie is the daughter of Mr. and Mrs. C. C. Waide of Hart, is a crewmember aboard the destroyer USS Cook which has won the Destroyer Squadron Nine Battle Efficiency "E" for excellence.

THE CREW of the Cook was cited for its overall operational readiness as determined by graded training exercises and technical inspections.

The Cook is homeported at San Diego.

A former student at West Texas State University in Canyon, Campbell joined the Navy in September 1971.

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$3 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. SEASON prizes will also be awarded. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

Vega's Longhorns stun Hart 34-8 with veer attack

By PAT STEIERT

Vega's powerful veer offense proved too much for the Hart Longhorns Friday night as the Marooners lost their most disappointing game of the season thus far in the contest played at Vega.

THE MAROON Machine sputtered in the early going,

then died in the second half of the game and the Maroon Gang defense gave up two touchdowns in the first half and three more in the second.

The disappointing loss dropped Hart to a 5-2 mark on the season and 1-1 in conference play.

Barry George caught a pass from brother Danny on a 70-yard play for Hart's only touchdown of the night. Hart managed 217 yards in total offense, 121 yards of which came through the air, but crucial turnovers killed several Hart drives. Vega gained a total of 360 yards.

VEGA took the opening kickoff but failed to sustain a drive and punted to the Horns at the Hart 41. The Maroon Machine looked as though it would roll as Hart drove to the Vega 12 behind the running of Randy Finch, Terry Hill and Gilbert Rodriguez. Finch rambled to the Vega one but fumbled and Vega got possession. The turnover was the kiss of death for the Horns as it ended a brilliant drive and proved to be a mistake from which the Hart team did not recover.

Hart's defense held Vega following the turnover but Finch fumbled the Vega punt at the

Vega 31 to further dampen the fighting spirit of the Marooners.

The teams exchanged punts and Vega took possession at its own 18. Six plays later Barry George intercepted a Larry Richardson pass at the Hart 35, but the Horns were unable to sustain a drive and punted.

Vega took over at its 32 and drove 68 yards in seven plays to score. Leo Ramos broke away from the Maroon defense on a 26-yard gallop for the score, then tried the middle of the Hart line on a conversion attempt but was stopped short. With 2:50 left in the first half, Vega led 6-0.

Hart failed to move the ball following the kickoff and Vega took over at its 44 following the Hart punt.

RAMOS carried to the Hart 34 on first down and Richardson then ended the 56-yard drive with a 34-yard pass to Garry Rea who was alone in the endzone after slipping behind the Hart secondary. Richardson passed for two to James Slutz and Vega led 14-0 with 1:16 left in the half.

The Horns caught fire momentarily on their next possession as they drove 81 yards with 1:03 left in the first half.

The Castro County News SPORTS

Danny George hit Mario Martinez at the Hart 25, then hit Rodriguez at the 30 for a Hart first down. George then spotted brother Barry racing down the sidelines and hit him with a 25-yard pass. Barry George hauled in the ball and the foot-race was on as the Vega secondary tried vainly to bump him out of bounds. With 13 seconds remaining in the half George bounded into the endzone for the only Hart touchdown of the night. The George-to-George combination clicked again on the conversion and Hart closed the gap to 14-8.

THE SECOND half proved disastrous for Hart as Vega turned it into a rout.

Hart took the kickoff and mounted a good drive to the Vega 25 with outstanding running by Jimmy Smith, but the roof fell in on the Horns when Jimbo Wetsel intercepted a Danny George pass and returned it to the Vega 49. The Horns never threatened again all night as the costly turnover took the fighting edge out of the Hart team.

Five plays after the turnover Larry Richardson raced 21 yards for Vega's third score. The extra point was true and with 5:42 left in the third

period Vega led 21-8.

Hart again failed to mount a drive and punted to the Vega 29. In nine plays which consumed the remainder of the third period Vega moved in for another score. Wetsel slipped behind the foundering Hart secondary and hauled in a 34-yard touchdown pass. The try for extras failed and with 11:52 left in the game Vega stretched its lead to 27-8.

The Marooners still couldn't get anything going following the kickoff and were forced to punt. Vega took over at the Hart 33 and quarterback Richardson faked out the Hart defense on the first play from scrimmage to go the distance for the score. The extra was true and Vega led 34-8 with 9:58 left in the game.

HART tried desperately to mount a drive for another score during the rest of the game but failed.

Tomorrow (Friday) is Homecoming at Hart High School and the Horns will take on the Springlake-Earth Wolverines at Longhorn Stadium at 7:30 p.m.

The game is a must for the Longhorns if they are to stay in the race for the district title.

Springlake defeated Vega two weeks ago and the Wol-

THE LONGHORN SWEEP—Hart's Gilbert "Rod" Rodriguez goes wide on a sweep behind a wall of blockers in the Hart-Vega game at Vega Friday night. Running interference for Rodriguez are Terry Hill [30], George Hernandez [73], Freddie Mancias [61]

and Lester Aven [21]. Although the Longhorns moved the ball well against Vega in the early going, costly mistakes proved their downfall as Vega handed the Horns a 34-8 drubbing.

verines made an impressive showing against District 3-AA's Dimmitt Bobcats earlier this season, so the Horns will have

a powerful opponent on their hands. Hart's Longhorns will be mounting a do-or-die effort as

they put their season's hopes on the line Friday night following a week of attempting to put it back together.

Hornets sting Swifts 35-0 in scoring spree

By MARTHA CATOE
The Sudan Hornets shut out the Nazareth Swifts 35-0 at Nazareth Friday as they took advantage of Swift mistakes. The Swifts were playing without the services of junior linebacker and offensive tackle Joel Gerber who suffered a knee injury in the Motley County game. Gerber is expected to be out for the remainder of the season.

SUDAN fullback Danny Williams opened the Hornet scoring spree on a 27-yard run after the Hornets covered a Swift fumble on the Swift 41-yard line. Kyle Martin kicked the extra point as only 3:50 had elapsed in the first period.

Nazareth took the ball on its own five and failed to make any substantial yardage. The snap for the punt was overshot and Hornet fullback Danny Williams picked up on the error and ran the ball into the endzone. Kyle Martin again booted the extra point.

Junior Joiner received the Hornet kickoff on his own five and sprinted 95 yards breaking tackles for a TD, only to have it called back on a clipping penalty.

The second period of play was scoreless as the defensive units dominated. The half ended with Sudan leading 14-0.

SUDAN took the opening kickoff of the second half and returned it to its own 35. The Hornets then drove 65 yards for

the score. Danny Williams got the scoring call on a 4-yard run. The ever-consistent toe of Kyle Martin made it 21-0.

Again the Swifts were unable to move the ball. The Swift punt was blocked and Sudan took over on the Swift ten. Halfback Richard Tamplin scampered five yards for the score and Kyle Martin added another point.

The final score of the game came on a 35 yard pass play from quarterback Mitch Chester to Williams and Martin succeeded on his fifth extra point, shutting the Swifts out 35-0.

The Swifts take on the Valley Patriots at Valley High this week.

CONGRATULATIONS!

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

Briscoe's kept pace without adding new taxes - I voted Republican in 1972, but I'm voting for Briscoe this time.

It's quite refreshing for me to know that we have a man like Dolph Briscoe... a man who puts integrity before all things...

They all promised no new taxes: Dolph Briscoe kept his promise.

Dolph Briscoe's proved he has the contacts and the know how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in November.

RE-ELECT GOVERNOR BRISCOE

HE KEPT THE PROMISE

VETERANS' SERVICES

By **BEDFORD W. SMITH**
County Service Officer

It has been two weeks since we reported in the News. We'll try to report weekly again. And we thank the Castro County News for this service.

Please Note: current Federal laws provide for the payment of monthly benefits to certain widows and dependent parents of deceased veterans and military personnel. Many of these widows and parents may be eligible for additional benefits if their health is such that they must have help from another person, or if they are patients in nursing homes.

Dependency and indemnity compensation is the benefit paid to widows, widowers, and dependent parents of persons who died on or after Jan. 1, 1957, while on active duty in the Armed Forces of the United States. This same benefit is paid to the dependents of veterans whose deaths are caused by disease or injury which was incurred during military service. Widows and widowers who are receiving the Veterans Administration benefit, and who are so disabled as to require the assistance of another person, will receive \$64 per month aid and attendance allowance. This is in addition to the regular VA payment received each month. Dependent parents on the dependency and indemnity compensation rolls may receive \$55 per month aid and attendance allowance, plus their regular VA payment.

Any widow, widower, or parent who is receiving VA benefits and who is in a nursing home or who is so disabled as to require the aid and attendance of another person, may apply for the additional benefit by furnishing the VA with medical evidence of their condition. Your local Veterans Service Officer is available to assist in all matters pertaining to VA benefits, so see me or call me at my office or home for particulars and we'll help file the applications.

WE'VE CALLED attention before in the News concerning the recent new Veterans insurance law which makes more than two million Vietnam Era veterans eligible to participate in low-cost Veterans Group Life Insurance program. This program offers as much as \$20,000 life insurance coverage for \$3.40 per month to veterans who are 34 years of age or younger, and \$6.80 for those 35 or older.

SWPS employees honored at dinner

Some 92 Southern Division employees of Southwestern Public Service Co. were honored Wednesday night in Lubbock at an awards dinner. Members of the group were honored for periods of service ranging from 5 to 40 years.

ROY TOLK, chairman and president of the electric company, presented the awards, 5 years being the first period of service honored in the Southwestern program.

This was the second of four service award dinners to be held throughout the company's territory as 293 employees, with a combined service of 4,665 years were honored. The longest period of service being recognized this year was 45 years, with Lynis S. Cotter, Amarillo, the senior honoree.

On the go

Mary Jean Copeland of Midland and her daughter Jana Wheldon of Nacogdoches were weekend guests of her mother Vera Webb and her mother the Allan Webb family.

Scout-o-Rama planned Nov. 16
 Dimmitt's Boy Scouts will take part in a district-wide Scout-o-Rama in Plainview Nov. 16.
 SCOUTS from throughout the Plainview District will set up booths in the Plainview Agricultural Center to demonstrate scouting skills and promote the BSA program.
 Members of Dimmitt Troop 267 are currently selling tickets to the event at \$1 per person. Children 9 and younger will be admitted free.

More about County voters . . .
 [Continued from Page 1]
 G. Holt opposes Jesse James in his bid for re-election as state treasurer on the Democratic ticket.
 Socialist Workers candidate William Rayson and Republican Mary Lou Grier oppose Democrat Bob Armstrong for the office of land commissioner.
 Zack Fisher is the Republican candidate opposing Texas Agriculture Commissioner John C. White as he seeks another term.
 The railroad commission race is a crowded one in which Republican Joe P. Cain, Fred R. Garza of the Raza Unida Party and Rick Congress of the Socialist Workers party oppose Democrat Jim C. Langdon.
 DEMOCRAT Mark Wallace and Republican Dale W. Stefes are opponents in a race for an unexpired railroad commission term.
 Other unopposed Democratic candidates and the offices they seek include: Supreme Court justices - Sears McGee, Thomas M. Reavley and Zollie Steakley; Criminal appeals court - W. A. Morrison and Leon Douglas; State Representative, Dist. 74 - Bill Clayton; Board of Education, Dist. 19 - James H. Whiteside; Civil Appeals Court, Dist. 7 - Mary Lou Robinson; District Judge, 64th Dist. - John T. Boyd; and District Attorney, 64th Dist. (unexpired term) - Marvin F. Marshall.

More about Sugarbeets . . .
 [Continued from Page 1]
 average of \$51 per acre.
 He reported that the county this year has 102,234 acres of corn (including ensilage), 92,688 acres of milo, 77,861 acres of wheat, 53,678 acres of cotton, 5,832 acres of sugarbeets, 5,221 acres of soybeans, 2,755 acres of potatoes, 2,455 acres of alfalfa, 1,484 acres of triticale, 466 acres of carrots, 454 acres of onions and 212 acres of pinto beans.
 THE LIVESTOCK outlook is still bleak, with the possible exception of the sheep business, McLeroy said. In the beef cattle industry, he said, "everybody is still taking a thrashing," and the hog industry "is in about the same shape." Small dairies apparently aren't doing well, either, he said.
 "The sheep business looks a little better right now than most other types of livestock business, but the cost of finishing could be turning that around," McLeroy said.
 ON MONEY prospects for the coming year, McLeroy said, indications are that there will be adequate operating money; that expansion money will be tight; that money for livestock investment will be available but lenders will require more margin on the part of the borrower; and more money will probably be available for housing but the interest rates will be high.
 IN 1933, Americans consumed 52 pounds of beef per person; in 1953, Americans consumed 78 pounds and in 1973, they consumed 109 pounds of beef per person, according to Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service.

1:1
 By DON NELSON
 Dimmitt's Bobcats are now the only undefeated Class AA football team left in North Texas. They were ranked No. 9 in the state by both AP and UPI last week, and could go higher this week.
 WHICH POSES a problem: How are we supposed to act? We haven't had much experience at this sort of thing. We're in the same position as the guy in the theater line who got the last remaining ticket.
 IF YOU'RE a football fan, I hope you appreciate the 25-year Dimmitt football history on page 11. Jimmie Chapman compiled it the hard way—by dredging through the News's archives and the old Inter-scholastic League record books.
 Came this call a couple of weeks ago from an Amarillo Globe-News columnist: "How long has it been since Dimmitt was six-and-oh at this stage of the season?"
 "GOSH, we dunno," we had to admit. "The school's records were lost years ago, and we haven't been keeping football records ourselves, and, uh . . ."
 We guessed 1951.
 Then came this call from Hal Ratcliff, Dimmitt's first all-state football player: "HEY, we won eight games before we lost one in 1959," he said.
 Red-faced again. It wasn't the first boo-boo that had resulted from a lack of adequate football records. Jimmie decided it was time for action, and headed for the storage room. Two days later he emerged, covered with dust, but with a victorious gleam in his eye.
 "I've got 'em back to 25 years ago," he announced. "We'll just have to ask the old players or people with scrapbooks to give us the records up to 1949."
 HE HAS since added the records for 1947 and 1948, too late to be included. We haven't had time to invade the school library to see if it has any pre-1947 yearbooks.
 If you can shed any light on the years 1929 through 1946, we'd appreciate it. The records will go into our permanent information file at fingertip's reach, under "F" for "Future Answers to Football Questions."
 INFLATION, Edd McLeroy told the Lions Club Tuesday, is when you never had it so good—or parted with it so fast.
 WOMEN who must undergo surgery for breast cancer are helped back to everyday life through the Reach to Recovery Program of the American Cancer Society.

Rites conducted for Al Sharp. 75
 Funeral services were held Wednesday in the First Presbyterian Church of Tulia for Al Sharp, 75, brother of Mrs. Mattie Scoggin, a former Dimmitt resident.
 REV. MURRAY Travis, pastor, officiated.
 Mr. Sharp died Tuesday morning at Northwest Texas Hospital in Amarillo.
 Born at Chickasha, Okla., he had been a Tulia resident since 1909. He married Irene Lycan in 1918 at Tulia.
 He was a member of the First Presbyterian Church.
 Survivors include his widow; a son, Frank, of Tulia; six brothers, Laban of Corona, N.M., Melton of Burlington, Colo., Howard, Bill, J. P. and Lewis, all of Tulia; a sister, Mrs. L. F. Edwards of Tulia; nine grandchildren and two great-grandchildren.
 Burial was in Rose Hill Cemetery under the direction of Wallace Funeral Home.

Here are week's best food buys

Seafood and meat prices are down, because supplies are up, one expert says.
 SHE'S MRS. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service.
 "There's a wide variety of fish in supply—with all varieties of raw and breaded shrimp in excellent supply.
 "Smaller-size shrimp is particularly well-priced, and many large-size shrimp are moving into 'good-buy' categories," she said.
 Frozen fish fillets, including flounder, ocean perch and pollock, are other choices.
 AT MEAT counters, beef supplies are larger—and prices are more attractive than in the past few weeks, Mrs. Clyatt reported.
 She also noted that grass-fed beef costs less per pound than grain-fed (heavy) beef.
 In addition, grass-fed beef has less fat, and the meat contains fewer calories. However, lean for lean, the nutritive value is the same for both grass-fed and grain-fed beef, the specialist added.
 CONSUMER WATCH-WORDS: Cooking greens add variety to fall menus, and some offer economy.

Duck season to open here Monday

Waterfowlers in the High Plains Mallard Management Unit of Texas can unlimber their shotguns for the 1974-75 duck season Monday as the 65-day split season gets underway.

THE HIGH Plains Unit is defined as that part of Texas lying west of a line from the International Toll Bridge at Del Rio, northward along US Highway 277 through San Angelo to

Abilene, along State Highway 351 from Abilene to Albany and US Highway 283 from Albany to Vernon, and easterly along US Highway 183 to the point of intersection with the Texas-Oklahoma line in Wilbarger County. Castro County is included in the unit.

The split season for the High Plains Unit will run Nov. 4-24 and Dec. 7, 1974-Jan. 19, 1975.

THE 100-plus point bag limit system will be in effect again this year. A hunter can bag anywhere from a maximum of seven ducks to a minimum of one, depending on how carefully he identifies and bags ducks.

Point values for the various ducks are:

100 Point ducks — Canvasbacks and redheads
70 Point ducks — Mallard hens, wood ducks and hooded mergansers.

15 point ducks — Bluewing and cinnamon teal, pintails, widgeons, gadwalls, scaups, shovelers and mergansers except hooded.

35 point ducks — All other species and sexes, to include mallard drakes, greenwinged teal and mottled ducks.

Local hunters will be concerned primarily with identifying canvasbacks and redheads, mallard hens and drakes, bluewing and greenwinged teal, pintails, widgeons, gadwalls, scaups and shovelers.

THE TEXAS Parks & Wildlife Dept. has handouts available at license outlets to aid hunters in identifying ducks.

Goose season is already open and will continue through Jan. 19, with a daily bag limit of two

Libby Cleveland wins first in grid contest

Libby Cleveland guessed her way into first place in the eighth week of the Dimmitt Athletic Booster Club's football contest.

MRS. CLEVELAND compiled a perfect score as she picked all 14 games correctly.

Taking second place was Jeannette Hampton. She picked 12 games correctly and was 12 points off the Tullia-Floydada tie breaker.

Several other contestants also had 12 correct picks, but all missed the tiebreaker by more than 12 points.

M. L. Simpson was 15 off, Roxie Loudder was 17 off, Bullet Adams was 20 off and Ewell Kelley was 23 off.

There were 42 entries in last week's contest.

JEANNETTE Hampton still holds the lead in the race for the grand prize of two tickets to the Cotton Bowl with a total of 84 points.

Contestants close behind with 79 points include Mike Bryant, Suzan Sanders, Bill Sanders, Bullet Adams and Edna Follis.

Defenses still rule in 3-AA's contests

By BILL ELLIS

Defense was the name of the game in District 3-AA last Friday, as the four district teams that saw action scored only eight points between them.

OLTON welcomed Friona to league warfare by dropping the Chieftains, 6-0 before the Chiefs' home fans, and another visitor, Littlefield, took advantage of a freak play for a 2-0 win over Morton's Indians.

The Friona-Olton game was everything it was cracked up to be, pitting the team which had allowed the least yards (Olton—under 100 per game) against the team which had allowed the fewest points (Friona, 21).

When the dust had cleared, Olton had taken advantage of its big break, while holding Friona on downs on two occasions within the 10-yard line.

IT WAS the first season loss for Friona after six wins, and shot Olton into the district leadership with a 2-0 record.

"Friona's defense definitely has not been over-rated," stated Olton coach Ed Miller. "It

was one of the hardest-hitting games I've ever witnessed," he added.

Miller said he felt that his team's ability to control the ball made the difference. Tailback Glen Johnson made some key runs in the fourth quarter to help the Mustangs eat up the clock when they needed to.

But Miller was also complimentary of the Chieftains off the field. "They were a fine bunch of gentlemen. I don't know if we could have accepted defeat in the manner they did," he said.

OLTON has the week off, and Miller indicated it would come in handy, since most of his players were "pretty sore" after the physical game.

Littlefield, for the second time this year, scored a win without the benefit of a touchdown, and their 2-0 win over Morton must be classified as one of the wildest endings imaginable.

The Wildcats had driven to the Morton six, where they elected to try a field goal late in the game. The goal missed, and Morton took over on the 20.

Tailback Ray Dean Thompson faded to pass, and was hit by Doug McCain at about the time he started to deliver the ball. Morton recovered the ball in the end zone, but officials ruled a safety, and that was the ball game. Only two seconds were on the clock when the weird play came about.

Olton's Johnson cracked the 1,000-yard mark with his 119 yards gained against Friona. Littlefield's Turner seems a cinch to make that plateau, as he goes into this week's game with 987 yards. Robert Mayberry, idle last week, has 858 yards with three games left.

Football games are rescheduled

Dimmitt's junior varsity, freshman and junior high football games have been rescheduled for an earlier time today (Thursday).

THE FRESHMAN and junior varsity squads will travel to Morton with the freshman game getting underway at 4 p.m. The junior varsity game will follow immediately.

Dimmitt's 7th grade "B" team will play at Nazareth at 4 p.m. and the 8th grade "B" team will take on Nazareth immediately following the first game.

The 8th and 7th grade teams will host Morton with the 8th grade playing at 3:30 and the 7th grade playing immediately afterwards.

In games last week the 7th grade "B" team fell to Nazareth 6-0 while the 8th grade "B" team fought to a 6-6 tie with Nazareth.

and a possession limit of four. Waterfowlers 16 years of age and older are reminded that they must have a Duck Stamp in order to hunt ducks and geese. Stamps are available at local post offices at a cost of \$5.

Proceeds from the sale of Duck Stamps are used in the improvement of wetlands to insure the continued survival and prosperity of waterfowl.

Hunters are also reminded that their guns must be plugged to three shell capacity or less while hunting migratory game birds.

Hereford Art Guild will conduct show

The Hereford Art Guild will hold a starring artist show Nov. 8-9 from 9 a.m. to 6 p.m. daily. PAINTINGS should not exceed \$25 in price.

Anyone interested in additional details on the show should contact Mrs. Carrie Mae Dock at 219 Ave. E in Hereford.
