### Melissa Lee Candidate for Miss SWT In Contest Wednesday at San Marcos

Melissa Lee of Bronte is one of 14 contestants competing for the Miss SWTSU title at Southwest Texas State University. The campus beauty title will be awarded Wednesday, Feb. 28, in Evans Auditorium on the campus.

Miss Lee, a sophomore elementary education major, is the daughter of Mr. and Mrs. Royce Lee of Bronte. She is 19 years old and is representing Chi Omega sorority in the competition. This 5' 9 1/2" brown-green-eyed brownette enjoys all sports and would eventually would like to teach singing or piano. She was featured in the play, "Fiddler on

the Roof." at SWT and is a member of Chi Omega sorority. For her talent portion she will play the piano and sing.

The winner of the Miss SWT title will represent her university at the Miss Texas pageant in Fort Worth next July. By advancing to that contest, she has the chance to become not only Miss Texas but also Miss America and to share in the thousands of dollars of scholarship money awarded annually in the state and national pageants.

### Defensive Driving Course Planned

A course in Defensive Driving will be held at Bronte School early next month in two four-hour sessions, on Monday, March 5, and Friday, March 9, from 6 till 10 p.m. Instructor for the course will be from the Region XV Media Center in San Angelo.

Persons who complete the course will be allowed a 10 per cent discount on their liability and medical payments and collision insurance. The discount does not include comprehensive coverage.

Cost of the course is \$10, and the first 35 persons to apply will be accepted. Anyone who is interested in taking the course may register in the office of the school superintendent.

Only the principal driver of a car is required to take the course in order to be eligible for the cheaper insurance rate. However, if a family has more than one vehicle, the principal driver of each of them must take the course in order to be eligible.

### Michelle Golson Presented DAR Citizenship Award

Michelle Golson, daughter of Mr. and Mrs. James L. Golson, has been selected to receive the DAR Good Citizenship Award for Bronte High School for this year. Selection was made by the school faculty.

She and her mother attended the George Washington Tea Tuesday of last week in the Crystal Room of the Cactus Hotel in San Angelo. The affair honored girls from area schools who received the honor. The tea was sponsored by the Pocahontas Chapter of Daughters of the American Revolution.

Girls are chosen for the Good Citizenship Award on the basis of dependability, leadership, service and citizenship. The girls were presented pins and certificates. A college scholarship will be given to the top contestants in the state.

Miss Golson, a senior in Bronte High School, has an outstanding school record and has participated in sports and other activities.

Gus Wahnmond was brought home from Shannon Hospital Saturday and is reported doing fine. Mrs. Wahnmond has also been in the hospital. She said they were glad to be back home.

District 11-B basketball play was scheduled to be completed Thursday night when Bronte and Forsan met in Robert Lee gym for a playoff game to decide the district championship.

### R. M. JORDAN DIES IN PRINEVILLE, ORE.

Word has been received here of the death last Friday of R. M. Jordan, 65, of Prineville, Ore. He was a son-in-law of E. C. Seay of Bronte.

Survivors include his wife; a daughter, Mrs. Merle Tony of Prineville; a son, Rusty Jordan of Mountain View, Calif.; a sister, Mrs. Jack Hurley of El Paso; and six grandchildren.

School officials met at Greenwood Tuesday night to select the site for the playoff.

Bronte outscored Blackwell 70-56 Monday night at Bailinger to capture the first half title. Forsan then topped Sterling City 71-55 in a game played Tuesday night at Greenwood to set up the meeting between the two schools to determine the district champion. Sterling City and Forsan had tied for the second half lead.

Winner of the Thursday night game will meet Mertzon, winner of District 12-B, in a bi-district contest.

In the game Monday against Blackwell Jim Dan Raughton was top scorer with 14; Bub Waldrop sank 13; Alan Barbee 12; Gary Skelton 11; Wayne Alexander 10; Tony Mackey 8; Kit Carlton 2.

In a practice game last Thursday night with Huckabay and played at Baird, the boys lost 55-50. Raughton made a big 23 to lead in scoring; Skelton had 14; Barbee 7; Alexander 4; Waldrop 2.

The boys now have a 15-12 season record.

### MRS. ANDERSON'S BROTHER DIES

Ross Brumfield of Uvalde died Sunday, Feb. 18, and his funeral was held in Uvalde at the First United Methodist Church last Tuesday. He was a brother of Mrs. J. W. (Nona M.) Anderson and an uncle of Mrs. Willie B. Millikin of Bronte.

# Jr. Girls Most Winning

The junior high girls basketball team wound up their season last weekend in a blaze of glory as they took top honors at the Ster-

ling City tournament and completed the season with a 27-1 record. School officials said they believe this record is a new re-

cord in itself for a Bronte basketball team.

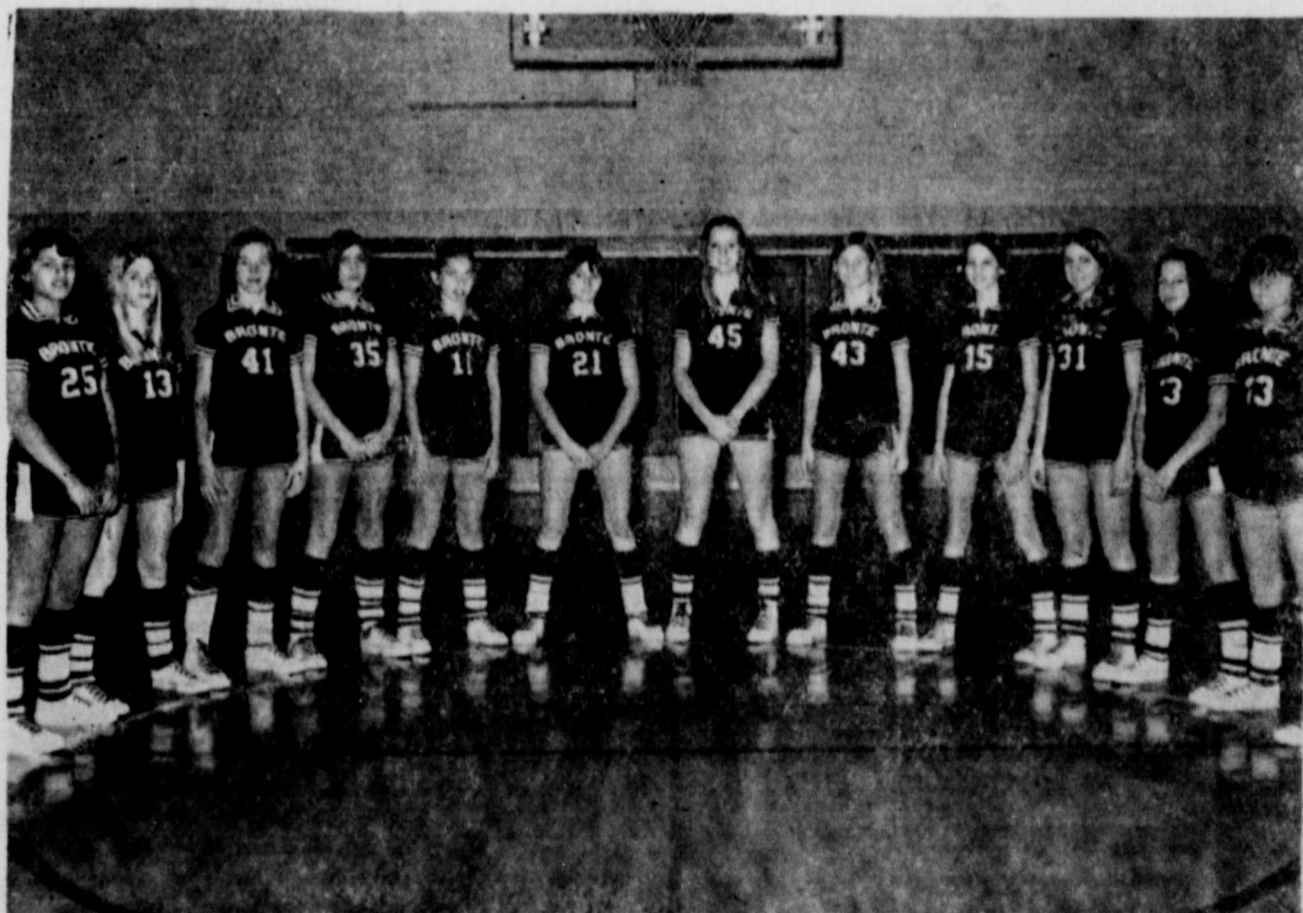

The girls took their first game at Sterling City by defeating Roscoe 19-14. Leah Barbee led scoring with 12, while Shelley Cumbie made the other 7 points.

In the final game it was Bronte 30, Robert Lee 22. Cumbie had a big 20 to lead scoring; Barbee had 8; Kim Glascock 2.

Coach Zula Sweeten said outstanding defense was done by Lana Webb, Sherry Cooper and Becky Morris.

The coach gave some statistics on the junior high girls which showed they averaged 37.7 points per games, while their opponents had to be satisfied with 18.9. Shelley Cumbie had the highest scoring average with 13.1 per game. Leah Barbee's average was 12.6. Other forwards who played regularly were Kim Glascock and Karen Arrott. Four regular guards who performed outstandingly during the season were Lana Webb, Sherry Cooper, Becky Morris and Tanya Skelton.

The girls won first place in every tournament they entered, except one. They took their own tournament here in Bronte, Robert Lee, Sterling City, Miles and Wingate. Their only loss of the year was at the Grape Creek tournament where they won consolation.

WINNINGEST TEAM — Junior high girls basketball team of this year is thought to have set a new record for Bronte School with their 27-1 season

record. Members of the team are, from left to right, Kathy Reyes, Karen Arrott, Shelene Tidwell, Carlynn English, Lana

Webb, Sherry Cooper, Leah Barbee, Tanya Skelton, Shelley Cumbie, Becky Morris, Kim Glascock and Susie Collins.

Austin — A new kind of "drug war" seems to be shaping up in the Legislature.

Gov. Dolph Briscoe spelled out his recommendations for complete revision of drug laws and promised to "lobby hard" with all the resources at his command as governor to get the bill passed.

As introduced in the House and Senate, it called for harsh penalties against dope pushers, annual registration of those who deal in legal drugs—and lowering the penalty for first offense possession of marijuana to a misdemeanor.

Briscoe's bill would allow possession of up to eight ounces of marijuana without risking felony charge on first offense. However, the misdemeanor would be punishable by up to a year in jail and/or \$2,000 fine. The Governor also called for stepped-up education and rehabilitation programs. The bill was drawn, said Briscoe, to mesh with the 1970 federal controlled substance act to allow governments at all levels to work more effectively together.

A few days later, however, former Sen. Don Kennard of Fort Worth, who headed a Senate study committee on drug abuse assailed the governor's proposals as "an out and out fraud as a reform measure." Sen. Chet Brooks of Pasadena introduced in bill form the far reaching provisions of Kennard's committee.

Brooks' bill would "decriminalize" marijuana possession and set moderate penalties for sales. It would also make simple possession of most drugs (heroin included) a misdemeanor and provide for commitment of users to rehabilitation facilities. On the other hand, it would call for non-paroleable life sentences of convicted "big time" heroin dealers.

The controversy continues to boil on the reduction of penalties on use of marijuana—and increasing penalties on those who sell marijuana or hard drugs.

H. B. 86 by Rep. Lindon Williams implements more stringent penalties on those who sell drugs.

It is backed by the Austin based Legal Drug Control Society, headed by E. E. Armistead. Armistead has passed petitions for over a year, and submitted these to the Legislature.

"The Legal Drug Control Society asks that concerned citizens

write their legislators to express support for H. B. 86," Armistead says. "We realize that there is no simple solution on this complex problem of drug abuse, but removing the pusher and dealer from the scene will certainly be a giant step in the right direction."

Armistead started his crusade against drug pushers when his daughter jumped from the University of Texas tower two years ago. Her notes told about experiments with drugs.

OIL OUTPUT WIDE OPEN AGAIN — The Railroad Commission ordered wide open, 100 per cent market demand oil production for the 12th straight month.

In making the announcement, Commission Chairman Jim Langdon offered "some good news and some bad news." He said there were no "tremendously serious" shortages during the crucial winter months in spite of heating oil stock declines.

However, Langdon warned, the peak gasoline consuming season is just around the corner, and gasoline stocks are 19.2 million barrels below 1972 in the nation. Further, crude and products stock in the U. S. are 70.2 million barrels off last year.

"The petroleum industry has managed to get out of the frying pan but now is in the fire," said Langdon.

The allowable responded to requests for 3,764,459 barrels of oil daily in March, a decline of 17,003 from February. Exceptions from the 100 per cent allowable are the East Texas field, 86 per cent; Kelly-Snyder, 76 per cent; and Tom O'Connor, 70 per cent. Several other fields are at 80 per cent.

DELAY DENIED — Lt. Gov. Hobby gave repeated assurances that his plans for a March 20-21 citizens conference on ethics in government will not delay senate consideration of reform measures passed by the House.

Meanwhile, some House members blasted Hobby for indicating final Senate approval of the reform bills would be held up until after he receives advice of citizens on ethics legislation at the conference.

Hobby said hearings will move forward on ethics, lobby control and campaign financing measures. He noted it is extremely unusual for the Senate to vote on controversial measures before March 9 anyway. The Lieutenant Governor said the citizens conference carries out his campaign pledge to seek voter input on matters of intense public concern.

QUARTER PLAN DELAYED — The Senate passed and sent to the governor legislation to delay for two years mandatory implementation of the quarter system in state public schools.

The bill (HB 92) moves the mandatory startup period for the quarter system to the 1975-76 school year. Small school districts urged the delay.

Short Snorts

The Senate rejected 13-17 the appointment of Ray Kirkpatrick to the State Insurance Board.

Lt. Gov. Hobby asked Sen. H. J. Blanchard of Lubbock to investigate the spending of the Legislative Property Tax Committee, a panel set up to seek ad valorem tax reform.

Parks and Wildlife Department once more is seeking authority to raise hunting license fees from \$3.25 to \$5.25 and fishing licenses from \$2.15 to \$4.25.

Atty. Gen. Hill filed a motion for rehearing of the U. S. Supreme Court decision Jan. 22 which threw out the state's abortion laws.

A bill to permit the Attorney General to recover damages for deceptive trade practices or deceptive advertising victims has Senate Human Resources Committee approval.

# After high school, will your kid go to work, or to college?

High school is the end of Free Education.

If your child decides to go on to college it'll take money. Lots of money. Money that you should probably be saving right now.

And there's no better way to start a college savings fund than by joining the Payroll Savings Plan where you work. That way an amount you specify will be set aside from each paycheck and used to buy U. S. Savings Bonds. Before you know it you'll have a nice little college fund on hand.

Now there's a bonus interest rate on all U. S. Savings Bonds—for E Bonds, 5½% when held to maturity of 5 years, 10 months (4% the first year). That extra

3½%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds.

Join the Payroll Savings Plan. And, if your child keeps studying and you keep saving, you'll both be ready for college.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a good way to save.

## Youths Charged With Burglaries

Charges of burglary have been filed against Albert Sanchez and Leroy Zuniga of Bronte. They have been charged with burglarizing White Auto Store and Mike Owens Gulf Station several weeks ago and burglarizing Quick Shop Grocery Store Tuesday night.

Deputy Sheriff Don Thorpe said Wednesday that the missing items in all three break-ins were recovered in a house close behind the Quick Shop store.

The items taken in the Tuesday night burglary included various items such as cigarette lighters, pen and pencil sets, meats, etc.

The two youths were charged Wednesday and released on personal recognizance. Their cases will be investigated by the next 51st District Court grand jury of Coke County.

Assisting Deputy Thorpe in investigation of the burglary were Highway Patrolman Bobby Hart and Texas Ranger Arthur Sikes of San Angelo.

Recovered items taken from Quick Shop were returned to their owners, Mr. and Mrs. Jack Geist, Wednesday. Thorpe returned the merchandise taken from White Auto and Gulf Station Thursday morning.

Theft charges against three San Angeleans were filed in county court Feb. 18. Charged with taking a ladies' coat and a motorcycle helmet from The Upper Room, Bronte youth center, on the night of Feb. 17 were Joe Baca, Joe Vadez and Leo Mediano, all of San Angelo. Investigating this incident were Patrolman Hart and Deputy Thorpe.

### DIVERSITY CLUB HAS SUPPER FOR HUSBANDS

Members of the Diversity Club entertained their husbands with a covered dish supper Feb. 16 in the fellowship hall of First Baptist Church. A Valentine theme was used in the decorations and table settings.

Present were Messrs. and Mrs. Cecil Kemp, Fred Hughes, O. R. McQueen, Horace Taylor and Joe George Wilkins, and Mrs. Bernice Brown and Mrs. J. W. Martin.

### 4-H GIRLS HAVE PROGRAM ON FRUITS, VEGETABLES

Vegetables and fruits for picnic zest was the topic of discussion when a group of 4-H girls met Monday night.

In a food experiment the members found that apple dipped in fruit juice will not turn dark but one not dipped will turn dark. An experiment with a potato showed that a potato placed in water will not turn dark while one out of water turns dark. The girls learned foods which darken when cut or peeled contain enzymes. Enzymes are in foods to change the foods the plants use into foods for humans. But, when exposed to air, the oxygen in the air causes a change in color.

Proper selection of fruits and vegetables for recipes was studied.

Girls making individual fruit and vegetable salads were Lindy Butler, Melinda Barrett, Kathy Ensor and Mary Ellen Moreno.

### FIRST BAPTIST NOTES

A worship service in Spanish will be held Friday at 7 p.m. at First Baptist Church.

Celebration Singers of Hardin-Simmons University will present a musical entitled "Celebrate Life," at Winters First Baptist Church Saturday, Feb. 24.

**SANTONE WINNER** — Ricky Conradt of Blackwell is shown here with his Chester White barrow that placed 4th in the San Antonio Stock Show last weekend. Conradt also had a cross bred entry which took ninth place. Jerry Watts entered a Duroc in the show which took 20th place honors. Other Blackwell boys who entered their animals in the show were Jim Bob Watts, Gid Ware and Terry Poehls. More than 1100 pigs were entered in the big show.

### 4-H GIRLS BEGIN NEW FOODS PROJECT

A group of junior 4-H girls have started a new foods project. The subject is 4-H Foods and Fun. Members are Carla Dyess, Janie Sanchez, Suzanne Brunson, Kathy Reyes and Connie Littlefield.

The group held two meetings last week at the Harold Dunn residence. During the first meeting, Tuesday afternoon, the girls reviewed the four basic food groups — meat, milk, fruit and vegetable, and bread and cereal. Then they learned how to "Make the Most of Milk." Each member and two visitors, Barbara Dyess and Marty Dunn, prepared an individual cup of hot cocoa, which was served with cookies as a snack.

The subject was Vegetables and Fruits at the second meeting on Thursday afternoon. Members present were Suzanne Brunson, Connie Littlefield and Carla Dyess. Visitors were Marty Dunn and Barbara Dyess.

The girls conducted two experiments. The first showed how fruits and vegetables lose their nutrients when soaked in water. Then they learned the proper way to cook fresh fruits. As refreshments were served, rules and procedures for the 1973 Coke County Food Show were discussed.

Mrs. Patsy Dunn is the adult leader and Paula McGuire is junior leader for the group.

## SWEETWATER PRODUCTION CREDIT ASSOCIATION

"F. C. Shillingburg, President"

Sweetwater Production Credit Association is located at 501 Locust in Sweetwater. Phone 235-8411. They loan money to farmers and stockmen for agricultural purposes at reasonable rates of interest.

As it is our purpose, in this Review, to give our readers throughout this area a list of prominent firms in our trade territory, we wish to bring your attention to

this leading firm, the Sweetwater Production Credit Association.

The management has a reputation far and wide as business people of ability and straightforwardness in their business dealings and anxious to please each and every customer. Their position among the people of this area is evidence of well placed confidence and, in this Review, we take pleasure in recommending the Sweetwater

Production Credit Association to the people of this and surrounding territories. During their years of operation they have done everything in their power to aid in the building of all kinds of agricultural activity.

You will find the Sweetwater Production Credit Association a most desirable firm with which to do business.

## Garden of Memories

"Jeannette Morris, Manager"

More than just brass or stone, a grave marker should be a memorial... a symbol of the person, and of our devotion to that person. That is why you should see Garden of Memories, located on East Highway 80 in Sweetwater. They make memorial stones fitting to the personality of the person involved... often designing them especially for the need. Garden of Memories' expert stone workers are all craftsmen who know how important it is to erect a permanent tribute to someone

who is loved. You can rely on their advice and assistance and be assured that your monument will be distinctive in every way.

Garden of Memories has assembled a large display of dignified, attractive stones of almost every conceivable style and type. Whatever your preference in a memorial stone, it can be found at Garden of Memories and you can be assured of proper installation. Budget terms are available, so stop in at anytime or call 235-9887 for an appointment soon.

## Sweetwater Livestock Auction, Inc.

Sweetwater Livestock Auction, Incorporated, located on West Broadway, in Sweetwater, conducts livestock sales every Wednesday. Phone 236-6378 for information.

Here is a company of this section that is enjoying a thriving business covering a wide territory. When you consign your livestock here, you can always depend upon getting a fair market price.

This company has always assisted materially in the growth and expansion of this area as a trade center, and has been par-

ticularly responsible for the renewed activity in stock raising in this section. Here you are assured of honest weights for livestock, and this company conducts a business that is of high commercial value to the public. Remember, if the farmers of this community were compelled to ship their livestock elsewhere, they would fall short of getting the price obtained at Sweetwater Livestock Auction.

We are pleased to give this reliable firm commendable mention in this 1973 Review. We assure our readers that they will get a fair deal in every transaction.

By Congressman O. C. Fisher

Devaluation of the dollar by 10 per cent, as applied to international trade, appears to have been a necessary move by President Nixon in order to bring the exchange value of the dollar more in line with reality.

The dollar crisis came about when during a two week period several billion U. S. dollars were suddenly converted into Japanese yen, German marks, etc., thereby driving the exchange value of our dollar downward.

Where did those foreign central banks get all those surplus American dollars? Much of it came about in 1972 when Americans spent \$7 billion more on imported foreign goods than what American producers were able to sell abroad in competition with duces abroad, thereby producing a \$7 billion foreign trade deficit.

Confidence in the dollar, both at home and abroad, is also related to our domestic fiscal policies, our deficit producing federal spending and our ability to control inflation.

In a nutshell, it appears that lower wages and other cost factors abroad are playing havoc with our higher cost levels in this country. In other words, are we pricing ourselves out of world markets, buying more than we are able to sell, and thereby creating a dollar surplus on foreign exchanges?

Solution of the problem is not insurmountable, but it will take some doing to cope with it. Among other things, the President

says he will ask Congress for tough new authority to negotiate reform of the international trading system, with a view to breaking down foreign barriers to American exports.

**Mrs. Ford Gets Teaching Contract**

Mrs. Jane Ford, an instructor in ceramics and painting at Bennington College in Bennington, Vt., has recently been granted a three year contract.

An honor graduate of Monterey High School in Lubbock, Mrs. Ford graduated cum laude from Sophia Newcomb College in New Orleans in 1969 with a Bachelor of Fine Arts degree.

She was granted a teaching fellowship in ceramics and painting at Alfred University, Alfred, N. Y., where she received (cum laude) an MFA degree in June 1971. In 1971-72 she taught the long term at Bridgeport University, Bridgeport, Conn., and a summer workshop in ceramics at Naples Mills Art School, Naples, N. Y.

Mrs. Ford has exhibited ceramics and paintings in numerous galleries in cities in the East and was awarded exhibit rating at a gallery in Toronto, Canada.

Her late husband, George E. Ford of New Orleans, was also an outstanding artist with major interest in ceramics. Mrs. Ford has two sons, Joel, 10, and Sammy 8. She is the former Jane Elizabeth Wylie, daughter of Mr. and Mrs. McNeil Wylie of Lubbock, former Coke County residents.

**Light—The Criminal's Enemy**  
Adequate lighting makes an excellent repellent for the home.

It has been determined that 12 times as many crimes occur at night as in daytime.

Thus, well lit premises and home can discourage criminals.

All entrances to the home should be well lit.

Even if street lights are around, the driveway, breezeway and areas between the home and neighbor's house are left completely dark. To check outside protection, turn on all outside lights and observe if any area exists where a person can hide or move without casting a shadow.

If additional lighting is needed, local power company representatives can recommend placement and quantity of light needed.

Illuminate the back yard as well. Have enough light to cast shadows—usually one or two 100 watt bulbs are sufficient.

When away from home, leave a light burning. If the place will be vacant for the evening — or several days—leave a light on in a major living area, as well as the outside.

An "electric eye"—inexpensive but valuable—can turn both inside and outside lights on at dusk and off at dawn.

Even when the family is home, it is a good idea to leave a light burning all night. For additional protection, leave one on in the living area during the evening.

Be sure to mark your calendar for two important events coming up in March: The Robert Lee-Silver Lions Club and 4-H Club Pancake Supper March 2 and the Coke County 4-H Food Show on Sunday, March 4. Both events will be held in the Robert Lee School cafeteria.

**A New High... Auction Receipts Decline... Sheep and Lamb Feeding... Still Only Three...**

For several years, the human population and the cattle and calf population in Texas were at about equal levels. But as of Jan. 1, that has all changed.

The inventory of all cattle and calves in Texas is now 15,350,000 head, while the human population is around 12,000,000.

The 15,350,000 cattle and calves represents a 14 per cent increase over a year ago levels.

And as numbers went up, so did the value. The inventory value of all cattle and calves on Texas farms and ranches is \$3.5 billion; this is 42 per cent higher than a year ago.

Beef cow numbers at 5,320,000 head are up 16 per cent; milk cows at 360,000 are up one per cent; and beef replacement heifers at 1,043,000 are up 21 per cent.

The calf crop in Texas totaled 5,444,000; this is a three per cent increase.

Nationwide, the number of cattle and calves is up four per cent from the previous record. The

nation has 121,990,000 cattle and calves. "Texas continues to be the leading state in the nation in totals of cattle and calves," Texas Agriculture Commissioner John C. White said.

AUCTION receipts for cattle, calves, hogs, sheep and goats in Texas are below year ago levels, the Texas Crop and Livestock Reporting Service notes.

During this past year, 181 livestock auctions inspected by the Texas Animal Health Commission reports a six per cent drop in calf and cattle receipts.

Sheep receipts were down 11 per cent; goat receipts were 26 per cent below the previous year. Hog receipts were down 19 per cent.

DRYLOT sheep feeders with a capacity of 2,000 head or more had 90,000 sheep and lambs on feed for slaughter as of Feb. 1. This is the same as the number on feed a month earlier but three per cent below the number on feed a year ago.

Current intentions to market are: 45,000 in February; 35,000 in March; and 10,000 in April.

ONLY three commodities are above effective parity in Texas. They are oats, calves and sheep.

All feed grains except grain sorghum showed advances during the recent month. Wheat averaged \$2.40 per bushel, up nine cents; corn averaged \$1.78 bushel, up seven cents; oats averaged \$1.05 per bushel, up four cents; and grain sorghum averaged \$2.75, down four cents.

Hogs averaged \$30.40 per cwt., beef cattle averaged \$37.20; calves averaged \$52.10, sheep averaged \$13.50, and lambs averaged \$34.80.

Eggs were up two cents from the previous month, averaging 52 cents per dozen.

Milk averaged \$7.75 per hundred pounds, down a nickel from the previous month.

Cotton declined during the past month. It now averaged 20 cents per pound, which is down 1.2 cents per pound.

## Seven sensible reasons why you should join the Payroll Savings Plan.

- 1. You'll save money.**
- 2. It's easy, all you do is sign up once and money is automatically set aside from each paycheck.**
- 3. The money is used to buy U.S. Savings Bonds. There isn't a safer way to save.**
- 4. Bonds now pay the highest interest rate ever. There's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5½% when held to maturity of 5 years, 10 months (4% the first year). That extra ½% payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds.**
- 5. The government replaces it if a Bond is lost, destroyed, or stolen.**
- 6. You never see the money. It's deducted and saved before you can get your ever-spending hands on it.**
- 7. Our seventh reason is really hundreds of reasons. Bad reasons, like you may lose your job someday or a medical emergency might come up. Good reasons, like that trip you always wanted to take, retirement, a home, a college education, a boat, a car or whatever else you may see in your future.**

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.
