ANNUAL ARE HERE

Bronte School annuals have arrived and may be picked up next Monday and Tuesday, July 30 and 31, from 9 a.m. to 3 p.m. in the school cafeteria. Students who do not get their yearbooks those two days will have to wait until school starts.

Petroleum Is Big Business in Coke

The petroleum industry in Coke County played a significant role in 1972 in helping to satisfy the unprecedented demand for Texas' crude oil and natural gas.

Coke was one of 190 of Texas' 254 counties that produced oil and gas valued in excess of \$100,000 in a record production year for the state's No. 1 industry, according to figures compiled by the Texas Mid-Continent Oil & Gas Association.

The county ranked 76th in the state in the value of petroleum produced, \$17.1 million. The sale of crude oil brought \$13.5 million; natural gas, \$3.6 million.

But despite this record year, due in large part to nine months of production at 100 per cent of the maximum efficient rate, the nation.

Remember, next Tuesday is the last day.

Tennyson Baptist Having Revival

A revival meeting has been in progress this week at Tennyson Baptist Church and will continue through Sunday.

David Kimberly of Waxahachie, a former pastor of the church, is doing the preaching. Weekday services are being held at 10 a.m. and 7:30 p.m. and regular schedule will be followed for the remaining Sunday services.

The Rev. C. R. Blake, pastor, issued an invitation to everyone in the area to attend the remaining services.

Wayne Dunnam is back home after an extended stay in a San Angelo hospital where he was treated for a back ailment.

Citizens of Tomorrow

Janet, 5 years old, and Jason, 4½ months, are the children of Mr. and Mrs. Mickey Pierce of Bronte.

Badly needed rain was still falling here at press time late Thursday afternoon. The moisture began falling about 3:30 p.m. when a cloud blew in from the north. Measurements in Bronte ranged from .6 to .8 inch.

The rain should give sufficient moisture for crops, gardens and

lawns to get a new lease on life after several days of blistering hot weather.

It also should allow the city to catch up on water pumping from Oak Creek Lake. Billy Joe Luckett, water superintendent, said the first of the week he was having a hard time pumping enough water to meet the demand.

Cool cloudy weather with slow rain prevailed as this story was set into type.

Last Rites Held For Clayburn Webb

Funeral services for Clayburn Webb, 70, were held Tuesday at 3 p.m. in Central Baptist Church. The Rev. M. E. Patterson, pastor, officiated, assisted by the Rev. Harry Morris, pastor of the First Baptist Church. Burial was in Fairview Cemetery, directed by Newby Funeral Home.

Mr. Webb died at 1:45 p.m. Sunday at his home here after a long illness.

Mr. Webb was a retired custodian for Bronte Schools and was a member of the Central Baptist Church. He was born Dec. 4, 1902, at Temple and moved to Coke County in 1936, living here since. He was married to Nadine Parker Feb. 9, 1935, at Robert Lee.

Survivors are his wife, Nadine, of the home; a daughter, Mrs. John (Wanda) Dyess; a son, Bobby Clay Webb of San Angelo; five sisters, Mrs. Jess Richardson of Hamilton, Mrs. Juanita Parker and Mrs. Fern Wright, both of San Angelo, Mrs. Lou Hill of Grass Valley, Calif., and Mrs. Annie Rosser of Abilene; a brother, Lester Webb of Bronte; and five grandchildren.

Pallbearers were Henry Rogers, Marvin Corley, Arthur Wrinkle, Merle Andrews, Noah Pruitt Jr. and Claude Beaver. Honorary pallbearers were Dirk Beaver, Bill Wrinkle, Monroe Alexander, Noah Pruitt Sr. and Pat Hughes, members of Mr. Webb's Sunday School class.

Bronte Youth Charged with Rape

Danny Parker of Bronte has been charged with rape following an incident which occurred Friday night of last week.

Arresting officers in the case were Deputy Sheriff Don Thorpe and Highway Patrolman Bobby Hart. Thorpe signed the complaint. Parker was jailed in Bronte, later moved to San Angelo and is now free on bond.

A 15 year old Bronte girl was complainant in the matter.

CENTRAL BAPTIST TO HAVE VACATION BIBLE SCHOOL

Central Baptist Church will have a Vacation Bible School beginning Monday, July 30, and continuing through Friday, Aug. 3.

Classes will be each night from 7 to 9 p.m. There will be classes for students two to 18 years of age and all young people of the community are invited to attend.

SCHOOL NOTES

Thirteen Bronte teachers were in Austin last week to attend the summer workshop of the Texas Small Schools Association, held on the University of Texas campus.

Attending from Bronte were Mr. and Mrs. C. B. Barbee, Mr. and Mrs. J. T. Henry, Mr. and Mrs. Bob Shields, James L. Golson, Mrs. E. L. Champion, Mrs. Royce Fancher, Mrs. Jimmy Ed Mackey, Mrs. Eddie Sweeten, Mrs. Jimmy Lee, and Mrs. Jerry Lawhon.

Board Meets

The school's board of trustees met July 12 and went through a rather short agenda, passing over some items to be discussed at the August meeting.

The board:

* Employed Mrs. Elroy Butler as a halftime teacher aide in a special program for the second and third grades.

* Gave final acceptance on the track, tennis courts and agriculture facilities and approved final payment.

* Made a new policy on cutoff date for teacher resignations and set it at 30 days before the opening of a school term.

* Reviewed personnel matters and professional matters.

* Accepted the resignation of Mrs. Stacy Granzin as an English and math teacher.

Coaches to School

Coaches Gerald Sandusky and Bob Shields will attend Coaching School next week in Dallas.

Mrs. Fancher will attend a homemaking teachers meeting in Houston and J. T. Henry will attend a vocational agriculture teachers conference in San Antonio.

Austin - Federal Environmental Protection Agency proposals to cut auto pollution smog in Texas ran into opposition in public hearings last week.

EPA proposes to put the smog control plans into effect Aug. 15 unless convinced it should alter or delay them.

Here's what the controls would mean, with variations from area to area:

- * Special traffic lanes for buses and car pools on freeways.
* Installation of anti-pollution devices on pre-1968 cars.
* Elimination of downtown parking in major cities like Houston and San Antonio.
* Gasoline quotas.

* Reducing gasoline fumes in some areas (like Austin-Waco) by improved storage tanks and tighter gasoline delivery trucks.

A Texas Good Roads Association spokesman assailed the idea of special traffic lanes as potential contributors to all time record traffic pileups.

A Texas Air Control Board representative also challenged constitutionality of EPA recommendations to require owners of seven year old (and older) cars to install anti-smog equipment.

The latter requirement, said the board spokesman, places an

undue and discriminatory burden on the poor and raises questions under due process and equal guarantees of the fifth and 14th amendments.

Air Control Board spokesmen have contended emission control devices would cost owners of old cars \$300 million and would affect one per cent of the total pollution problem.

PRICE INCREASES CONTINUED - The Texas Department of Agriculture reports dramatic increases in prices of eggs, pork and other commodities throughout the state.

TDA estimated the egg price increase at 10 cents per dozen this week on the retail level, and said grade A large eggs could sell for 85 cents a dozen.

Potatoes are expected to increase from \$1 to \$2 per hundred-weight.

Pork prices are up 10 cents a pound, and lamb prices are also soaring. The Agriculture Department said some smaller packers are contemplating discontinuing cattle slaughter. Distributors were said to be seeking additional supplies of vegetables since they are permitted to raise prices.

A major problem is a shortage of trucks to move grain.

REIMBURSEMENT FOR CIT-

IES - Cities which constructed sewage treatment plants between July 1, 1966, and July 1, 1972, without benefit of full federal construction grants can get reimbursements.

Texas Water Quality Board Executive Director Hugh C. Yantis Jr. said applications for the reimbursements should be made to the Environmental Protection by Oct. 17. Yantis also suggested cities which constructed plants as far back as July 1, 1956, without full federal grants should make applications for reimbursement in case regulations are changed to qualify them.

BRISCOE WEALTH ESTIMATED - Major Texas daily newspapers came up with estimates that Gov. Dolph Briscoe owns more than 300,000 acres of land in South Texas and has assets of over \$40 million.

The Governor paid \$113,309 in taxes on his land in 1972.

"What we assess him, he pays," said Dimmit County Tax Assessor-Collector Mrs. Jeanne John.

Through leases, in addition to his holdings, Briscoe is said to control a million acres of land.

OIL PRODUCTION WIDE OPEN - For the 17th straight month, the Railroad Commission has directed 100 per cent oil production during August.

Crude oil buyers' request for more than 3.78 million barrels daily was slightly less than the record for July, however.

Exceptions to the wide open order were allowed for East Texas' field (86 per cent), Kelly-Snyder of West Texas (84 per cent) and Tom O'Connor Field (70 per cent).

Commission Chairman Jim C. Langdon said state crude reserves dropped 13.1 million barrels since July 1972.

Short Snorts

The State Board of Insurance set an Aug. 2 public hearing here to consider adjustments in Texas Workmen's Compensation and Employers' Liability Insurance rates to meet new changes in law.

Harry Hubbard defeated Roy Evans for presidency of the State AFL-CIO, and Sherman Fricks won his race for secretary-treasurer of the big labor organization over Lanny Rogers.

Hunting fees ranging up to \$10 a day for deer will be charged for public hunts at Parks and Wildlife Department game management areas.

Ronald Earle won a July 17 special election to fill an Austin House of Representatives vacancy. Republican Maurice Angly and Democrat Lloyd Doggett went into a runoff for the Austin district 14 state senate vacancy.

House Speaker Price Daniel Jr. announced his availability for chairman of the 1974 constitutional convention, and Sen. Tom Creighton of Mineral Wells announced he will nominate Sen. A. M. Aikin of Paris for the post.

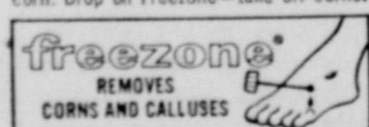

A House interim committee has recommended removal of the capitol press room to a nearby office building and placing legislative reporters in the gallery instead of on the House floor. The same committee recommended purchase of a \$7.3 million office building and television coverage of House proceedings paid for with tax money.

Former Rep. Hudson Moyer of Amarillo got a 10 year probated sentence on charges he stole \$5,000 worth of postage stamps.

Legislative lobbyists reported spending more than \$107,373 this year to directly influence outcome of legislation.

Bickley New Veep Of School Assn.

Jimmy Bickley, superintendent of Robert Lee Independent School District, was elected vice president of the Texas Small Schools Association during the 14th Texas Small Schools Project 1973 Summer Workshop July 15-20. The workshop was held at Jester Center at the University of Texas at Austin.

Superintendent Bickley has been an active participant in the Small Schools Project of the Texas Education Agency and the Texas Small Schools Association for the past 10 years.

The project is dedicated to improving the quality of instruction in small schools. The Texas Small Schools Association's purposes are: 1. Provide leadership for total school improvement through cooperative inservice training programs and projects. 2. Promote good will and harmony among all school and professional organizations of the state. 3. Champion the cause of good small schools in Texas.

Other members of the Robert Lee faculty who attended the workshop were Maureen Sockwell and Kenneth Rasco.

Today's Health News

Published by the American Medical Association

Lessons in summer gardening... Whether your thing is a healthy lawn, bright petunias, or freshly painted patio furniture, watch for health hazards outdoors. Chemical weed killers, spray paints, and fertilizers should all be handled with care, says the American Medical Association. Otherwise they could harm you even as they help the appearance of your backyard. Here are some guidelines for summer safety.

1. Keep all chemicals, including gasoline for power mowers, in their original containers. If you transfer them to pop bottles and mayonnaise jars, you're throwing away important instructions or warnings on not being able to identify the item when you need it next week.

If poisonous substances are swallowed, induce vomiting. However, this should NOT be done if the victim is unconscious or semiconscious, in convulsions or pregnant, or has swallowed a strong acid, alkali, or petroleum

substance. Instead, administer a cup of vegetable oil, followed by milk or water to help dilute the poison and protect the stomach. Seek medical help immediately.

2. Scrub with plenty of soap and water after handling gardening materials to prevent chemicals from irritating the skin.

3. If a pesticide label warns against skin contact, wear protective clothing such as gloves, long sleeved shirt, and long, cuffless pants when using the material. Cover up when painting, too, to reduce the need for washing with turpentine later.

4. When applying pesticides, or spray paints, make sure the breeze blows the spray away from the gardener and such water sources as stream, ponds, and wells. Also, keep pets and children away from the area and don't smoke or eat while doing this job.

West Side to Vote On Beer Aug. 4

An election to legalize the sale of beer in Justice Precinct 1 of Coke County will be held Saturday, Aug. 4. Justice Precinct 1 includes all the area that was formerly in Commissioner Precinct 1 before its boundaries were changed.

Persons who live in Election Precinct 1 will vote at the school, and those who live in Election Precinct 3 will vote at the courthouse. Usually voters who live in Election Precinct 1 vote at the Recreation Hall in the county park. However, the hall had been reserved on Aug. 4 for a family reunion and balloting will be held at the school.

Commissioners called the election after they were presented with petitions signed by 160 qualified voters, requesting that it be held. The question calls for the legalization of beer sales for off premises consumption only.

A similar election June 6, 1972, wound up with 334 against the sale of beer and 251 for it.

Retirement.

The end of work, or the beginning of worry?

Most people look toward retirement as a time of relaxation and enjoyment. And it can be if you prepare for it. But if you don't, it can be a time of worry and discontentment. A time when you can look back and think of a million ways that you could have saved, but didn't.

Well, there's no better time to think about retirement than now, while you're working.

One easy way to save on a regular basis is by purchasing U.S. Savings Bonds through the Payroll Savings Plan where you work.

Now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds; 5½% when held to maturity of 5 years, 10 months

(4% the first year). That extra ½%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds.

Buy U.S. Savings Bonds. They'll help make your retirement just what you want it to be.

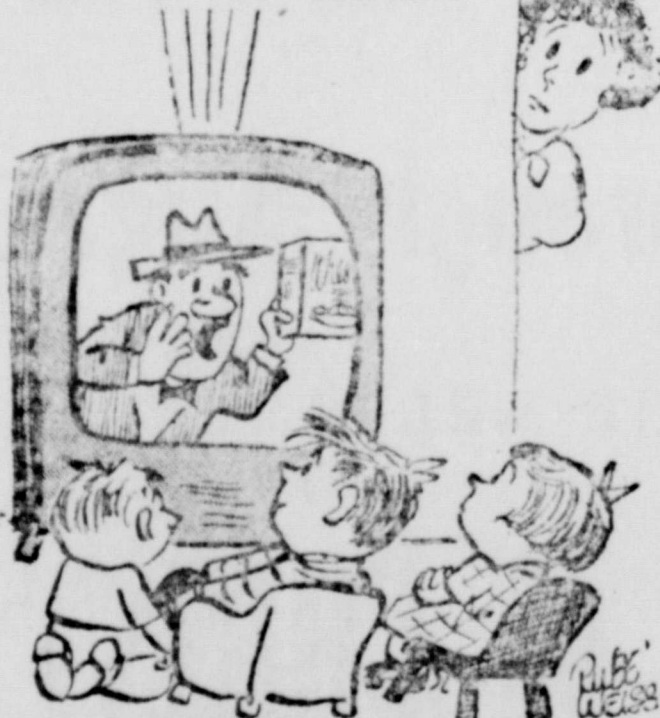

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America.
Now Bonds pay a bonus at maturity.

KINNY FAMILY HAS REUNION

The Kinny family held a reunion July 14 and 15 in the home of Mrs. Maurine Braswell.

Attending were Mr. and Mrs. R. Q. Kinny of Miami, Ariz.; Doris Nell Capps and son, Paul, Phoenix, Ariz.; Mr. and Mrs. H. J. Fine Houston; Mr. and Mrs. Cecil Kinny and Rhonda, Lubbock; Mr. and Mrs. R. M. Springer, Paint Rock; and Malcolm Braswell, Denver City.

A large number of local friends dropped by to visit during the two day gathering.

Two men, neither very bright, were helping to build a house. One kept picking up nails, looking at them, keeping some, and throwing others away.

"Why are you throwing away so many nails?" asked his companion.

"Because they have the head on the wrong end."

"You fool, those are for the other side of the house!"

A Paris shopkeeper wrote to one of his customers as follows: "I am able to offer you cloth like the enclosed sample at nine francs the meter. In case I do not hear from you, I shall conclude that you wish to pay only eight francs. In order to lose no time, I accept the last mentioned offer."

MISS RENE' KAHLICH AND RANDY CAPERTON ARE MARRIED IN WILSON CHURCH CEREMONY

Rene' Kahlich, daughter of Mr. and Mrs. Roy Lynn Kahlich of Wilson, and Randy Caperton, son of Mr. and Mrs. R. T. Caperton of Bronte, were married Saturday, July 21, at 8 p.m. in the First Baptist Church of Wilson. The Rev. H. F. Scott, pastor of the Bacon Heights Baptist Church of Lubbock, officiated.

Music was furnished by Mrs. J. D. Ross, organist; Mrs. M. G. Davis, vocalist; Carla Wilke, flutist; Miss Renea Zant, chimes; and Suzy McCormick, pianist.

The bride wore a traditional gown of white organza accented in

venise lace. The gown, designed by Priscilla of Boston, featured a molded bodice with an oval neckline and short sleeves. The controlled A-line skirt featured the applied lace and her train repeated the face. Her long matching mantilla, edged in miniature flowerettes, fell from a matching lace capulet.

Miss Twilla Talkmitt of Wilson was maid of honor. Bridesmaids were Misses Vicki Kahlich, Glynda Moore, Sherry Edwards and Tammy Kahlich, all of Wilson.

Best man was Clay Nesbitt of Slaton. Groomsmen were Randy Vaughn, Splendor, Jackie Barnes and Timmy Nesbitt, both of Slaton, and Charlie Kiehne of Fredericksburg. Ushers were Mark Wiley of Lubbock, Bart Wiley of Decatur and Lloyd Kitten and Mark Nesbitt, both of Slaton.

Flower girl was Brenda Kitten and ring bearer was Ricky Kahlich.

A reception was held in the fellowship hall of the church following the ceremony.

The bride is a 1973 graduate of Wilson High School. The bridegroom is a graduate of Bronte High School and a 1973 graduate of Texas A&M University with a B.S. degree in education. The couple will live in College Station where he will teach elementary education in the Bryan School System next year.

Parents of the bridegroom hosted the rehearsal dinner in Lubbock.

Out of Town Guests

Out of town guests for the wedding included Mrs. E. L. Caperton of Bronte; Mrs. Jacque Henderson and Chance, Houston; Mr. and Mrs. Leslie Caperton, Karen, Gayle, and Kevin, San Angelo; Mrs. Jack Belcher, Odessa; Mrs. Bob Coleman, Mr. and Mrs. Ralph Mahoney and Matthew Caperton, Big Spring; Mr. and Mrs. T. F. Cook, Mr. and Mrs. U. R. Rawlings and Mr. and Mrs. Clint Wiley, Decatur; Mr. and Mrs. Scott Hickey, Crane; Mr. and Mrs. O. F. Kitten and Mr. and Mrs. Edmund Kitten, Slaton; and Mr. and Mrs. Ralph Kahlich, Irving.

Mr. and Mrs. Bill Alexander and family of Grand Prairie spent last weekend here visiting his parents, Mr. and Mrs. Monroe Alexander, and other relatives.

HERE'S BLACKWELL

By Mrs. Rocky Thompson

The Gospel Singing, which has been held at the Blackwell United Methodist Church has been moved to the Shep Community Center. Attending from Blackwell were J. D. Taylor and Mmes. Vivian Taylor, Vera Bryant, Bama Sliger and T. J. VanZandt. The singing will be held the second Saturday night of each month.

Mmes. Vera Bryant, T. J. VanZandt, Bama Sliger, Fannie Mae Wilson and Savannah Thompson attended the singing at the Bronte Nursing Home the third Tuesday night.

Mrs. Vera Bryant left July 18 for a visit with her brother, Frank Corey, in Buena Vista, Colo.

Mr. and Mrs. Terry Oden, Becky and Stacy of Pecos visited Thursday through Monday with his parents, Mr. and Mrs. T. J. Oden and Larry, and with her mother, Mrs. Faye Jordan.

Mrs. Fannie Mae Wilson visited last weekend in Midland with her granddaughter and family, Mr. and Mrs. Jimmy Hipp, Barry, Jettie, Tammy and Debbie. The girls Vacation Bible School is being held this week at Blackwell United Methodist Church.

Mrs. Lula Palmér returned home last week after spending last week in Lubbock with her niece, Mrs. Ila Fuller. Her Sunday visitors were her sister and her husband, Mr. and Mrs. Dabney Harris of Sweetwater, Mrs. Ina Mae McDonald and her son and his family of Austin.

Mrs. Ethel Gray is a patient in Bronte Hospital.

Open House Slated

There will be an open house at the Methodist parsonage Sunday, beginning at 8:30 p.m. Home-made ice cream and cake will be served. All members and friends of the church are cordially invited to come and see the improvements which have been made in the parsonage.

MRS. MERLE RICHARDS,
GRADY C. BARRETT WED

Mrs. Merle Richards of Bronte and Grady C. Barrett of Norton were married Saturday night, July 21, in the Norton Baptist parsonage. Rev. Leroy Burris officiated.

Mr. and Mrs. Oscar Renshaw were their attendants. Mrs. Barrett is the daughter of Mrs. W. J. Eads of Bronte.

Thoughts

From The Living Bible

Then Solomon built his own palace, which took thirteen years to construct. One of the rooms in the palace was called the Hall of the Forest of Lebanon. It was huge—measuring 150 long, 75 feet wide, and 45 feet high. The great cedar ceiling beams rested upon four rows of cedar pillars. There were forty-five windows in the hall, set in three tiers, one tier above the other, five to a tier, facing each other from three walls. Each of the doorways and windows had a square frame.

Crop Report Looks Good...

All major crops in Texas show increases in acreage, the Texas Crop and Livestock Reporting Service notes. Wheat production as well as oat production are also estimated now at two to three times above 1972 production levels.

Upland cotton acres for Texas this year are estimated at 5,700,000 compared with 5,570,000 in 1972. Acres planted to American-Pima cotton are 35,000 unchanged from last year. All of the in-

crease in the upland cotton is in the High and Low Plains and Edwards Plateau.

Grain sorghum acreage this year in Texas is estimated at 8,100,000 acres, up 19 per cent from the 6,800,000 acres planted in 1972. Harvest of the crop has already started in South Texas. An excellent crop is indicated for Central Texas. Hot, dry weather is needed to mature the crop.

Corn planted for all purposes in Texas this year is estimated at

700,000 acres compared with 580,000 acres planted in 1972. Because of the weather, corn is in various stages of growth in every area of the state. Farmers in all parts of the state were able to get some early stands; most stands were about on schedule but cold, wet weather increased late plantings.

Peanut acreage for Texas in 1973 is up two per cent from 1972. Acreage now is estimated at 320,000 acres. Weather again delayed the progress, but moisture conditions now are favorable for the development of a good peanut crop.

Wheat production is now estimated at 95,200,000 bushels in Texas; this is more than double the 44,000,000 bushels produced in 1972.

Yield is expected to average 28 bushels per acre, a record, compared with 22 bushels last year. Harvested acres set at 3,400,000 compared with only 2,000,000 in

The Bronte Enterprise

July 27, 1973

1972. Wheat harvest for the state is now virtually complete.

Oat production this year is estimated at 26,650,000 bushels, compared with only 9,720,000 bushels in 1972. Yield is expected to average a record 41 bushels per acre compared with 27 bushels in 1972. Acres for harvest are set at 650,000 compared with 360,000 in 1972. Harvest is completed.

Soybeans, a crop which is becoming more important in Texas, are estimated to total 450,000 acres this year, compared with 225,000 acres in 1972, and only 114,000 in 1971. Seeding for the state is complete; acreage is mostly in the High Plains and the southern half of the state.

Rice acreage in Texas this year is estimated at 553,000 acres compared with 469,000 acres in 1972. Harvest of the earliest stands is at hand.

Barley production is estimated at 3,510,000 bushels, compared with 1,980,000 bushels in 1972. Yield is expected to average 39 bushels per acre compared to 33 bushels in 1972. Harvested acres are set at 90,000 compared to 60,000 last year.

Rye production is estimated at 900,000 compared to 630,000 bushels in 1972. Average is 18 bushels per acre; harvested acres are set at 50,000 compared to 35,000 in 1972.

Only flaxseed, Irish potatoes and peaches are expected to be under 1972 production levels. Flaxseed planted acreage is estimated 900 in 1972. Irish potato production is estimated at 2,991,000 hundredweight compared with 3,182,000 hundredweight in 1972. Peach production is estimated at 417,000 bushels compared with 604,000 bushels in 1972.

PETROLEUM BIG BUSINESS —
 Continued from Page 1

Various processing plants also added to the county's economy: Three natural gas processing plants with a total daily capacity of 136 million cubic feet, according to the "Oil and Gas Journal."

"To further stimulate production, we need a restoration of the open market force," said Robert A. Buschman of San Antonio, president of the association.

"This would produce two much needed effects: First, it would channel the state's petroleum products to the most efficient and highest priority uses; second, it would help provide part of the capital needed so desperately to build refineries and superports and to carry on expensive exploration and production activities," Buschman added.

This study by the association also shows that production last year in Coke County resulted in the payment of \$2.1 million to royalty owners.

The state of Texas received \$892,000 in production taxes from county wells; \$624,000 on crude oil output and \$268,000 from natural gas production.

Oil and gas producers and developers spent \$352,000 drilling seven wells in the county last year, with \$191,000 of that figure lost in five dry holes.

According to the Texas Employment Commission, 67 oil and gas industry employees worked in the county in 1972 and shared a payroll of \$527,000.

Various processing plants also added to the county's economy: Three natural gas processing plants with a total daily capacity of 136 million cubic feet, according to the "Oil and Gas Journal."
