A wait and see attitude will probably be taken by most people regarding the treaties, agreements or whatever resulting from the summit meeting participated in by President Carter, Prime Minister Menachem Begin of Israel and President Anwar Sadat of Egypt. The animosity between Israel and the Arab nations has been of international concern for the past thirty years. It is feared that an all-out war between the Israelis and the Arabs might be the beginning of armed conflict between the superpowers, meaning the United States and Russia.

Fortunately for the Western powers, when Nasser, president of Egypt, died he was replaced by Sadat. Under Nasser the Russians had moved military equipment and so-called advisors into Egypt and apparently were establishing a military base in the Middle East. When Sadat became president he asked the Russians to leave and take their guns, tanks, planes and whatever with them. President Sadat deserves the thanks of the free world for that action. Had the Russians been allowed to remain in Egypt, chances are that all of the Middle East, Arabs and Jews alike, would have been subjugated and would now be under Russian rule.

If the agreements reached at the summit meeting at Camp David should eventually result in a stable peace in the Mideast the Russian bear will meet united opposition should he again try to move into that oil rich area.

President Carter's part in the summit meeting, and his willingness to call for the meeting, should be given more credit than has been forthcoming from the various types of the news media at this point. He laid his political future on the line, believing that peace in that area was more important than reelection. He deserves whatever accolades he may receive.

If, in spite of Barbara Walters' and Walter Cronkite's efforts to stir up trouble between President Sadat and Prime Minister Begin, the two men do settle their differences, those two worthies should be fired by their respective networks.

I had a letter from State Representative Bill Clayton this week urging people to study the proposed state amendments to be voted on in November. It's a good suggestion. Turn to page 12 in this issue of the News. They are all there. Read them and see if you can find any tax relief. There is one tax amendment, the other eight are about various and sundry matters, some of which would require more taxes.

Out of fear of California's Proposition 13, and from pressure by state legislators and other state officials, Gov. Briscoe called an ill-advised special session of the legislature and those worthies grunted and groaned and came up with a bunch of malarky. Every amendment proposed by the special session of the legislature should [See DIMMITT Page 16]

## Rain zaps corn, aids wheat

Corn harvest was interrupted by downpours at midweek just as trucks were beginning to form lines at elevators in Castro County, bringing the grain in what some elevator men said was almost an ideal state of dryness with moisture testing as low as 22 percent.

The weather, nemesis of corn farmers this year with cold, heat, wind and rain all hitting at the wrong times, struck another blow with the rain which has already halted the harvest and may cause much loss if stalks fall in the fields.

Otherwise the moisture over the entire area is welcomed. Wheat farmers especially will benefit from rain on the crop which is already growing or planted. Even where wheat has not been planted the showers will provide good subsoil moisture for planting, one farmer commented.

Loss of corn "may be heavy if it stays wet and the wind blows," Gene King of Easter Grain said Wednesday morning although he was happy over the inch-and-a-half rain received in that locality. West of Easter the fall was heavier, he said, up to three inches six miles west.

The rain gauge at Radio Station KDHN measured 1.11 inches officially for Dimmitt up to Wednesday morning, with more falling.

An inch and a half had been recorded at Hart and "it's still pouring," Ronnie Truelock at Farmers Grain said. Sunnyside Grain and Supply reported about two inches in that area, where the harvest rush was underway before the rain began.

At Flagg Grain, J. R. Brown said there was only a sprinkle Wednesday morning after 1.1 inches Tuesday evening, stopping the harvest when it was just getting in full swing.

The Agri Industries elevator at Nazareth reported 1.3 inches. All of that firm's locations, in various parts of the county, had been getting a steady flow of grain earlier in the week, manager Bill Clark said.

He said farmers reported good yields generally and the quality is good so he expected as much grain this year as last unless the rains cause crop damage.

Garner Ball at W&C Grain said unless the weather makes a difference, higher yields will probably make up for the smaller acreage this year, which he estimates at 10 to 15 percent less.

Harvest of sunflowers in the county has been making good progress, Don Gregory of Castro County Grain said. For that crop also the acreage is down somewhat but the yield better. Prices have been a little better also in the open market, but most sunflowers in this area are grown under contract, he said.

**OPEN HOUSE**—Lubbock State School students David Sadler (left) and Jay Clay serve punch and cookies during open house Sunday in their new "sheltered living" home on the J. D. Rodgers farm east of Hart. Seated, from left, are their three housemates and two supervisors: David Boaz; Lynette Whitley, director of community residential services for the Lubbock

State School; Danny Boaz; Wrenella Rodgers, house parent; and Joe David Turner. The new home, purchased and furnished with the help of many people in the Hart, Dimmitt and Lubbock areas, replaces the young men's former home which was destroyed by fire last June 29.

## Farm Bureau critical of national policies

Resolutions concerning farm policies, critical of President Jimmy Carter and his administration, and also on other subjects were passed by the Castro County Farm Bureau at its annual meeting Saturday night when eight directors were elected.

The meeting was held at a dinner attended by about 130 persons in Richardson Elementary School cafeteria. Officers for the year will be elected by the new board of directors at its first meeting.

New directors chosen are Tommy Stanton, Greg Sides, Brock Merritt and Alfred Sammann, while Ted Robb, Claude Annen, Charles Summers and the current president, Gale Sadler, were re-elected.

They will serve with hold-over directors Ronnie Gfeller, Edgar Dennis, John W. Walker, Jimmie Howell, Francis Wilhelm, Richard Connell, Steven Hanes and Larry Hausmann.

Annual reports were heard in the business session. The program was given by three students from Castro County whom the Farm Bureau sponsored for a summer seminar at Baylor University. Reports of that event were made by Laura Lapins of Dimmitt, Dar-

ryl Birkenfeld of Nazareth and Stacy Averitt of Hart. The resolutions, to be sent for consideration to the Texas Farm Bureau convention, included one headed "Spirit of Convention." It reads, "Whereas, Jimmy Carter, President of the United States, has not kept his campaign promises and has not adhered to the 1976 Democratic Platform, be it therefore resolved, that the Farm Bureau appeal for public pressure by its leadership to bring about the President's compliance with campaign promises."

One resolution urged a co- [See Farm Bureau, Page 16]

## Fire fails to halt unique Hart project

By DON NELSON

David Sadler, Jay Clay, Joe Turner and David and Danny Boaz all live on the J. D. Rodgers farm east of Hart.

Ranging in age from 22 to 33, the five young men are students of the Lubbock State School, taking part in a "sheltered living" project. The program is designed to train retarded people to become self-sufficient citizens. The community, in effect, is their classroom.

Under J. D. Rodgers' supervision, they have the trash collection contract for the City of Hart. They also do yard work, church property maintenance and farm clean-up work. They raise their own hogs and calves, and share the work and products of a big garden with Mr. and Mrs. Rodgers. There's a pond on the farm where they can fish and swim.

Originally, they worked for the Smith Potato Co., and they helped build a house for themselves in Hart. Later, when Mr. and Mrs. Rodgers were named their "house parents," they moved into a separate house on the Rodgers farm.

The project is working for them. They're earning a liv-

ing, and have made many friends in the area. They're all openly friendly and enthusiastic.

But the young men's future at Hart was threatened last June 29 when their house burned to the ground while they were away.

Mrs. Rodgers and her young son, John, tried to fight the fire, but were unsuccessful. By the time firemen could get there, the house was lost—along with the furniture and all the young men's personal possessions, including four new suits. Mrs. Rodgers was hospitalized four days with second-degree burns.

Mr. and Mrs. Rodgers decided to rebuild, but they ran into snags. They could borrow money easily enough for a homestead, but not for a second house. The future of the project didn't look bright.

That's when friends in Hart and Lubbock jumped in to help.

Ten Hart men co-signed a note to enable Mr. and Mrs. Rodgers to buy another house for the young men. They bought the old Percy Merritt home between Hart and Dimmitt, and moved it to their farm. The Merritt family also gave them the separate garage. [See FIRE FAILS, Page 16]

Dimmitt's City Commission Monday night approved the 1978 tax roll as prepared by City Manager Garnett Holland, voted to join in with other area cities in further study of Southwestern Public Service Co.'s request for a rate increase, and decided to seek local bids for a project intended to improve drainage around the railroad bed on East Jones Street.

The tax-roll report showed a total property evaluation of \$22,341,226 for tax purposes in the city, an increase of \$1,828,707 over last year. The increase is expected to yield an additional \$27,430.65 in tax revenue.

Value of real property in the city increased \$9,367,623 over last year, to \$16,910,714. The \$5,430,512 amount for personal property was down by \$7,538,916 from last year.

"Personal property—mainly automobiles—is down, not because of a decrease in the number, but because we changed the way of figuring its value," Holland said. "We go by the state figures now, instead of by the Blue Book."

Twenty-five other cities in the service area of Southwestern Public Service Co. had joined together to fund a study by independent consultants regarding the need for a rate increase for the utility.

The commission voted to join these other cities in paying for the study by contributing 35 cents for each electric meter in the city—a total of about \$510.

The resolution passed Monday night also states that the city will join with the other cities in any such protest and study on the proposed gas rate increase.

This resolution will not affect the ordinance passed at the special meeting Sept. 8, which granted SPS a 1.66% rate increase.

The city received a reply from the Fort Worth & Denver Railway Co. concerning the poor drainage on East Jones around the railroad. The company submitted an estimate for the needed work and suggested that the city contract the work and the railway reimburse the city for the cost.

The commission voted to seek a local estimate for the work needed before proceeding further.

## Vandalism, wrecks, thefts cause busy week for police

Vandals did an estimated \$1,200 worth of damage at Dimmitt High School, Reeve-Fleming Chevrolet and the Dairy Queen in the pre-dawn hours Saturday.

City police also suspect vandalism in a Saturday night glass-breakage incident at the Burkett, Ross & Edwards law office.

At DHS vandals broke a window to gain entry, then opened hallway lockers and scattered their contents, broke the sealed window of the principal's office after damaging the office's door, and stole a hallway pay phone.

At the Dairy Queen, someone kicked in the back door, rifled the cash register and tampered with the safe. They apparently got no cash, but did \$175 worth of damage, Police Chief Alan Newman reported.

At Reeve-Fleming Chevrolet, two new pickups were vandalized and the spare tire from one was stolen.

Newman said the same vandals may have committed all three incidents, but added, "We can't be sure."

"We don't know whether the incident at Burkett, Ross & Edwards the following night was vandalism, but we suspect that it was," Newman said. "A rock hit and broke the front door glass; but there was no evidence of entry." Damage was estimated at \$250.

Police also are investigating two burglaries that occurred during the week.

John Alldredge reported Sunday morning that his 7x35 Bushnell binoculars had been stolen from his station wagon. Alldredge has offered a \$50 reward for information that would lead to a conviction and the return of the binoculars, Newman said.

George Olvera reported Monday that a 12-inch TV set with a white cabinet and an

In other business, the commission:

—Postponed further discussion or action on seeking a change to the six-alderman form of city government until a petition is raised asking for an election on the matter. Mayor Elmer Youts favors a city governing board of six aldermen, but Commissioners J. R. Brown and Chet Brannfladt have said they're satisfied with the present commission system.

—Discussed who should pay for damage to valves of the city water mains incurred during the highway construction project downtown. Action was postponed pending further consultation with Jake Diel, head of the company doing the construction.

## City sales tax rebate up slightly

Dimmitt's rebate check for the one percent city sales, collected by merchants on retail sales for the month ending Aug. 24, amounts to \$18,963, an increase of \$830 over the same period last year, when the total was \$18,133.

The city sales tax is collected with the state sales tax and sent to the state comptroller's office, which rebates the amount to the city.

The Dimmitt check indicates a rise in retail sales over August, 1977, but still leaves Dimmitt's total for this year less than to this date last year. So far in 1978 the city has received \$90,332 in sales taxes compared with \$102,846 last year.

Hart's rebate for August was \$2,647 compared with \$2,838 in the same month last year, and the year's total has reached \$10,355 compared with \$11,548 in 1978.

The City of Nazareth received a check for \$1,585, which compares with \$2,118 last year, but the 1978 total is still leading that of a year ago, \$7,910 this year compared with \$7,709 last year. Sales at Nazareth have continued to hold slightly higher through 1978 than in 1977.

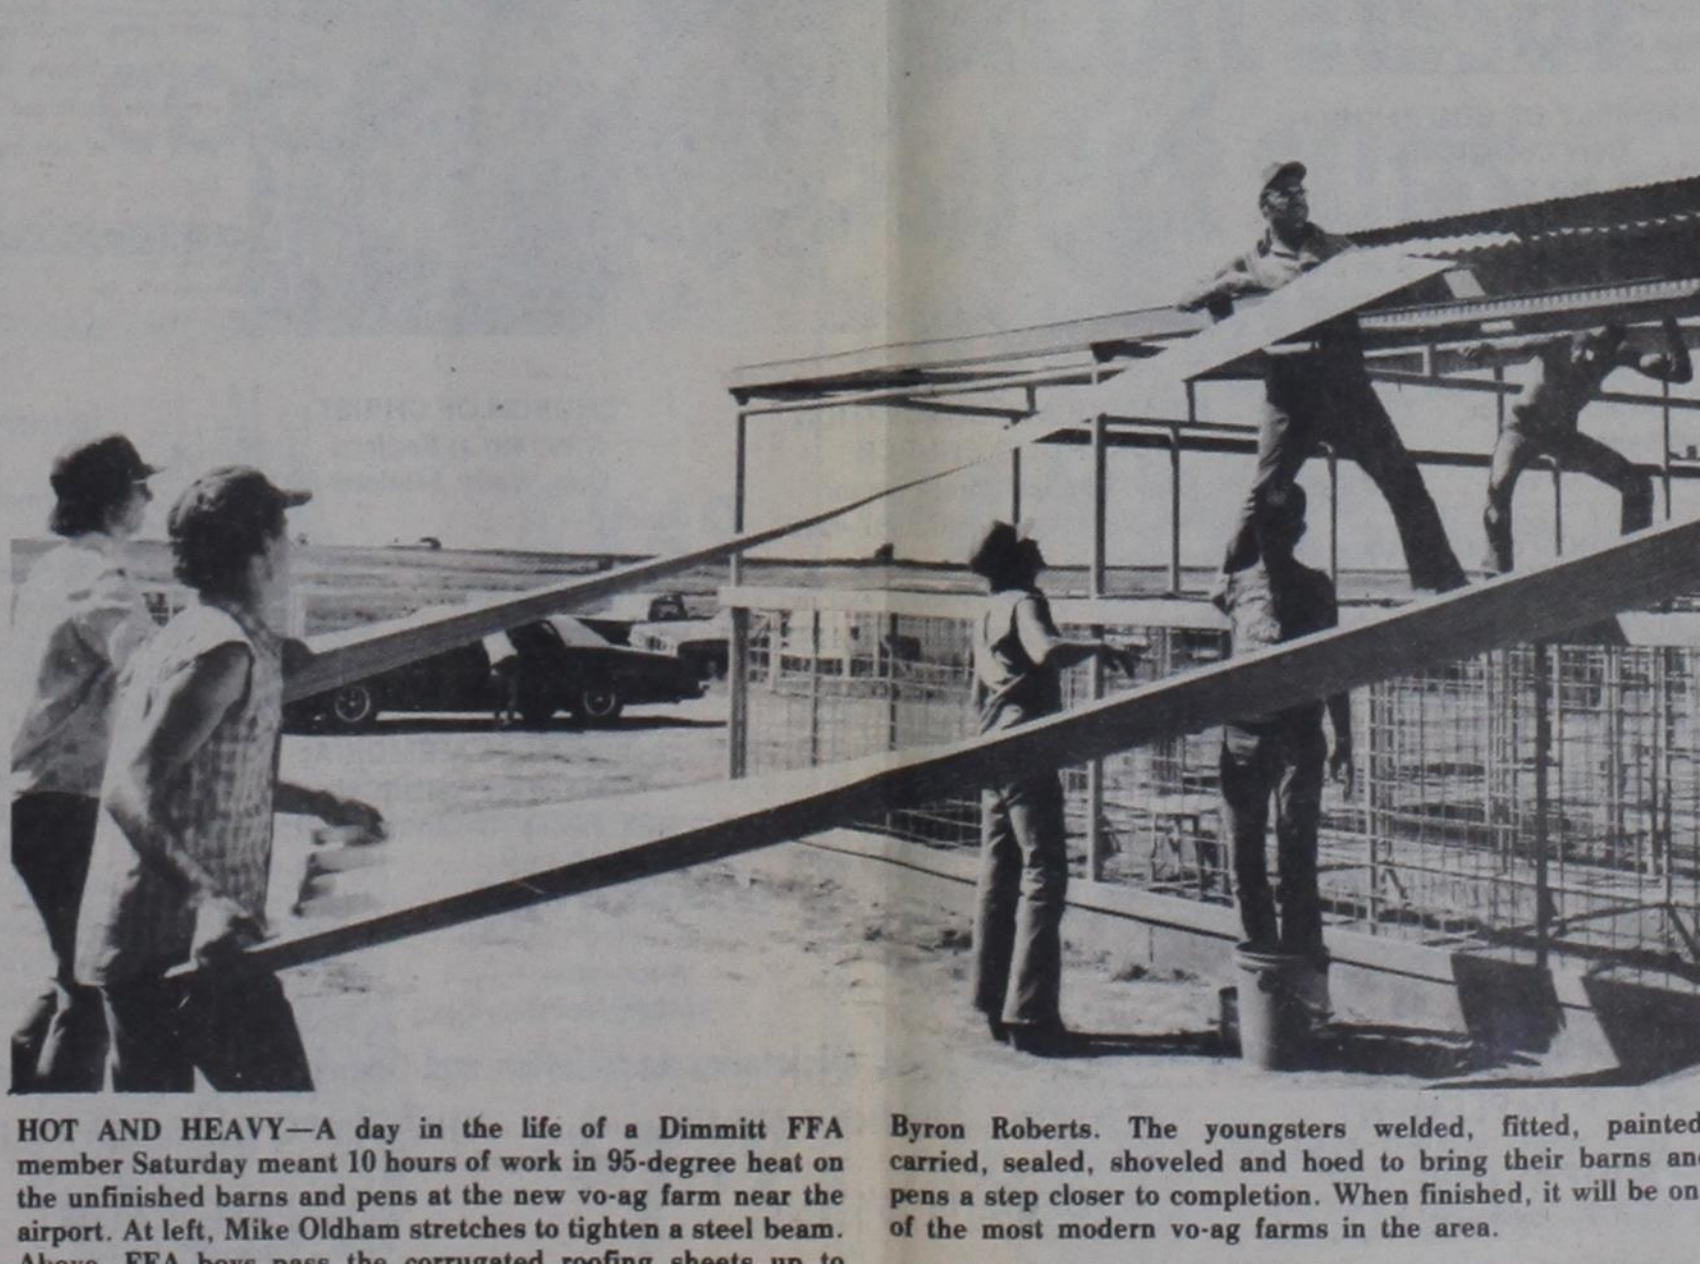

## Demos await decision on court fight

The Davis-Lemons court fight over the county-district attorney's race is going down to another deadline.

The County Democratic Executive committee is awaiting a ruling from the State Civil Appeals Court at Amarillo on whether or not to certify Keith Lemons as a candidate.

Saturday is the deadline for providing a list of the party's candidates for printing ballots for the November general election.

The county committee has already been enjoined by the Texas Supreme Court against putting the name of Jimmy Davis on the ballot. It is also under a District Court injunction against putting Lemons' name on the ballot, and that decision is the one now under appeal.

**HOT AND HEAVY**—A day in the life of a Dimmitt FFA member Saturday meant 10 hours of work in 95-degree heat on the unfinished barns and pens at the new vo-ag farm near the airport. At left, Mike Oldham stretches to tighten a steel beam. Above, FFA boys pass the corrugated roofing sheets up to

Byron Roberts. The youngsters welded, fitted, painted, carried, sealed, shoveled and hoed to bring their barns and pens a step closer to completion. When finished, it will be one of the most modern vo-ag farms in the area.

sell, then buy. The proceeds will help pay Sky's hospital expenses.

Bob and Paula Bradford were in town to see the folks, James and Mildred and Kent and Mary Jo Birdwell and they left little Jamie here with the grands while they go house hunting in Orange. Dr. Bob Bradford will be with the Mental Health and Clinic in Orange. You remember he received his doctor's degree in psychology at ETSU at Commerce. Part of his education was received at Tech in Lubbock. Do you think those high plains folks will like it way down southeast? Sure they will!

Meredith Hooper and son Zeke made a freezer of ice cream with a salad and brownies and asked Ceal Carlile, Ina Cleavinger, Myrtle Sheffy and Margo Boyd and girls over to her house to eat. We did, was very good food.

The Church of Christ's men's group spent a weekend at Ruidoso. This was a fellowship and devotional time. Dale Wells tells me they had food at different cafes. Several guys played golf there and in another town. These are the men going: Bill and Don Gregory, Trellis and Elbert Summers, Ike Moore, Jack Miller, Earl Chaney, Dean Wiseman, Richard Connell, Travis Campbell, Carlos Calvert, Olan Moore, Don Reeve, Don Carpenter, Lonnie Bell and Ronnie Parker.

Mrs. Dale Wells spent the weekend in Waco visiting her folks while her husband was away.

In August these four families spent a few days at South Fork, Colo. fishing and hiking—the Dale Wells, the Steve Hanes, the George Lamberths and the Richard Connells.

Cheryl Glidewell will have a garage sale at her place at 607 Oak St. Bring your things to

hospital. Fred Bruegel is still at Lubbock for treatment. Our good wishes go with these people.

Dewayne and Pam Haney had a short vacation trip to Arlington recently. Went to Six Flags and Fort Worth Wax Museum and the zoo. Had fun making all the rides. Fort Worth has many things to see, the Japanese gardens and the big art gallery and the Botanical Gardens taken care of by the men's clubs of Fort Worth. Dewayne is with the police department and Pam is with Anthony's.

Mr. and Mrs. Dutch Hamlin are here from Yucca Valley, Calif to visit their daughter Tex and Norma Conard and another guest is the great grandson with his parents Chad and Juanelle Winson. The grandson is Cory. All had enchilada supper with the daughter and husband Mr. and Mrs. Larry Sadler of Sunnyside.

Gary and Becky Nickel and son Utah have returned from a week at Grand Canyon National Park. Becky was the matron of honor at Dana Lippard and W. E. Scott's wedding Saturday. Look on the society page. The Nickels live near Sunnyside.

I saw Melba Mahaffey with her sister Lois Scott at the grocery store. Melba lives in Fresno, Calif. She is visiting a few days with the Scotts and Dobbins.

Dusty Dobbs, religion major at Wayland, preached Sunday at Floyd Baptist Church at Floyd, N.M. Kim-

berly Peggram also helped with two songs. A friend from Wayland also went with the rest of the family. The Davis clan had a family gathering after church at the home of Mrs. Esther Davis, Dusty's grandmother.

The wedding of Dana Lippard and W. E. Scott was very pretty. This was Saturday afternoon at the Methodist Church. I visited with Earlene Gee, who grew up in Dimmitt. She and her husband live at Spearman and she is a cousin of Dana's. Earlene is the daughter of Earl and Hazel Taylor and will visit her grandmother Edna Lippard at Kings Manor in Hereford, and her uncle and aunt the Milton Hedgecokes of here. Some of the out of town guests were Mr. and Mrs. Glenn Weyandt, Sam Lippard, Mr. and Mrs. John Lippard, Mr. and Mrs. Bruce Tibbets and son and Mr. and Mrs. Mark Lippard. There were many kin from Tulia, the grands, the Vaughns, the Ramseys, many others. Earlene teaches school in Spearman and she says Avis Smith is her model teacher.

Jim Bradford and Karl Langford and Jimmy Cleavinger were all home from Tech for a weekend visit with the folks.

Sherry Wright of WTSU and Mr. and Mrs. Rick Wright, also of WTSU, and Milt and Dorothy Draper and babies from Tahoka were Sunday guests of Donald and Katy Wright.

Gene Ivey and Alvin and

Frances Frazier and his mother, Mary Lou Frazier, attended the big Maize Day celebration at Friona Saturday. Frances had some of her pictures on exhibit and she won a red ribbon on her "Poppies" and honorable mention on the bluebonnets. She sold three pictures at our fair. They also visited Nell and Buster Davis. Nell is a sister of Mary Lou.

Mr. and Mrs. Loyd Lust and son Jeff of Littlefield were Sunday guests of Loyd's folks Mr. and Mrs. Earl Lust and sister Mildred Bradford and James.

Russel and Myrtle Lois Moran and Claude and Cleo Forson spent the weekend at Cloudcroft, N.M. They stayed at the beautiful Aspen Lodge and they report the trees and foliage very beautiful.

Gladys Leeth visited her daughter Sandra and family in Houston recently. One of the little boys hurt his eye with one of those darts. Seems to be okay now.

Mrs. W. A. Lowrance has been hostess to her step mother Mrs. Lily Rhodes and

a sister Neva Tolar of Lubbock.

Even now trees are being felled, cords of wood cut, in preparation for cold winter days which are sure to come. Woodcutters are preparing for the days ahead, to bring comfort against the cold.

To prepare for our future "cold days," periods of sadness, times of bereavement, and times when we are tempest tossed, begin now to attend church regularly and let God, His Church, and His people help you to meet any situation in life.

"Blessed be God, even the Father of our Lord Jesus Christ, the father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God." 2 Cor. 1:3, 4.

8—SERVICES

High Plains LGA was hosted by Farwell Country Club Sept. 13, with several ladies participating in the event. Congratulations to Neva Hickey, who came in with low putts in the fourth flight of play. The next High Plains Association meet will be hosted by Canyon Country Club, Oct. 11. This will be the tournament and last event of this organization for the year. Make plans now to attend this and let's have a good representation from Dimmitt LGA.

The "Grandma" tournament was held Sept. 16 at the Castro County Country Club course. This was a fun event and Kathy Thomas came in winner of the event with a score of 88 for low gross, low net of the field was Mozelle Lilley, with a score of 57. Jo Hamilton won closest to the pin on No. 2, and also won longest drive on No. 7. The ladies playing in this event would like to commend Joan

Thresher for all her efforts as tournament chairman in making this a very enjoyable tournament.

The LGA will have its monthly luncheon and business meeting Sept. 26 at the club hours, with lunch from Mildred's buffet line. This will be our last meeting of the year, so make plans now to attend as there will be plans and discussions for next year's organization and business.

The LGA will be having a garage sale this week at the home of Polly Holland, 1007 Maple Street. This is to help in raising funds for the LGA. If you have anything to donate for this sale, get it to Polly. I am sure she would be glad to have any assistance anyone of the LGA could give her with this.

As you have heard by now, Joe and Jo Ellen are leaving us and going to Phillips Country Club. We regret their going, but wish them well in this new venture. They are a fine young couple and it has been nice to have them with us. We appreciate all the things they have been able to accomplish for the club and the course.

Evidence is required to receive SS number

Everyone who applies for a social security number must provide evidence of age, identity and US citizenship or residency status, a social security spokesperson said recently. This is so, regardless of the person's age or place of birth. In addition, applicants age 18 or over must come into the social security office when applying, the representative said. The idea behind these procedures is to protect a person's social security record, to prevent anyone from misusing or abusing another person's social security number, and to assure that the record is complete and accurate. A person who needs a duplicate social security card to replace one lost or to show a new name must present evidence of his or her identity before the new card can be issued. In addition, the person's application will be checked against social security records before the new card is issued. People should allow plenty of time to get a new social security number or duplicate card. It takes about 6 weeks to issue the number and deliver the card after all required evidence has been submitted. The best evidence of a person's age and US citizenship is a birth certificate. This should be submitted whenever possible. If this is not available, other documentary evidence can be used. Evidence of identity should include documents which show the person's picture, signature, date of birth or age, or other identifying information.

Loan date for grains given extension

The availability date for loans on 1977-crop corn and grain sorghum has been extended for reserve purposes only, from May 31 to Sept. 29, according to Charley E. Hill, executive director of the Castro County ASCS office. Loans extended during this period will mature next Feb. 28, Hill said. Interested producers should contact the Castro County ASCS office prior to the closing date, he added. The final date to file an application for SBA loans for losses incurred in the 1977 crop-year is Oct. 11. Interested producers are urged to file their applications as early as possible in Room 422, Federal Building, 1205 Texas Ave., Lubbock, 79401, Phone 806-762-7454.

SQUARE DANCE TIPS

By KATHY MOORE The Dimmitt Promenaders will begin lessons this fall. There will be two or three free lessons for anyone interested in seeing what square dancing is like. You meet lots of nice people and have lots of good times, so come on out. For more information call the president, Mr. and Mrs. Bill Henderson, home phone 647-2354 or business 647-4342. A dance coming up will be the Halloween dance Oct. 31. Visitors are welcome to come and watch. This will be a costume dance and prizes will be given for the best costumes.

ALTHOUGH prices were high American consumers bought more real gold and silver accessories in 1977 than in 1976.

**ELECTRONIC POTATOES**—Many of the potatoes being processed by LaMantia, Cullum, Collier & Co. of Dimmitt, Inc., this year are sized electronically and boxed automatically through the use of this new second-floor-level equipment. The secret of the system is a pair of electric eyes near the motors and guards in the middle of the conveyor line. As the

potatoes go past the electric eyes in single file, they measure the specific gravity of each one and beam an order to one of the rubber paddle stations along the conveyor belts in foreground. As each potato reaches the appropriate place along the line, a paddle kicks it off the sizing line and onto another conveyor that takes it to the boxing station.

**AUTOMATIC BOXING**—After the potatoes are sized and separated electronically, they go to one of three different boxing chutes at the ground-floor level. Here, automatic equipment boxes the potatoes, weighs each box and kicks it onto a conveyor that takes it to

the end of the line for stapling. The equipment keeps two staple-gunners and several loaders busy at the end of the line, while several men stay busy upstairs assembling boxes and keeping the box-chutes full.

### Crop pest season is near end

The season for active insect infestation of crops in Castro County is nearing its end, according to this week's report

of Mark Powell, Extension entomologist: **COTTON**—The past few days of warm weather have

helped cotton mature. The bollworm has pretty much cycled out. There are still large worms in the fields but these will soon burrow into the ground and pupate for the winter as brown cocoons.

**CORN**—Corn harvesting has picked up across the area. As time progresses more fields are beginning to lodge due to corn borer, spider mites and charcoal rot. However, more fields seem to be down to spider mites and charcoal rot than to corn borer.

Again stubble destruction will be important this winter to suppress the corn borer population next season. If cattle are going to be grazed on the stubble, then stubble should be plowed by the middle of February.

**SORGHUM** — Headworms are still present in some sorghum fields. Many of these worms are large and will be entering pupation for the winter. Again the treatment level for headworms are 2 per head in grain fields and 1 per head in seed fields.

#### Lessen hassles

**AUSTIN, Texas (Spl.)** — Helping the physically handicapped at The University of Texas may range from forming the High Rollers Wheelchair Basketball Team to arranging for readers for the blind.

Through its Services for Handicapped Students, UT Austin tries to lessen hassles for about 150 students who are mobility impaired or who have vision or hearing losses.

The most costly diagnostic tool developed in recent years in the medical field is the computed tomography machine of "CAT scanners." Scanners cost \$700,000 apiece and they have an annual overhead of \$300,000. On average, they represent less than 1/2 of 1% of a large hospital's equipment costs. But because they are so expensive and are used for relatively few patients, their value has been questioned.

The Scanner is a combination X-ray machine and computer. Through multiple-angle pictures, it produces clearer views of the brain than conventional machines and reveals anatomical structures which previously were seen only by exploratory surgery. Because of the multiple pictures taken, it delivers a high radiation dosage. Hence, they are limited to patients whose symptoms suggest a serious disease that cannot otherwise be pinpointed.

For those who might have to undergo painful surgical procedures and lengthy hospital stays, the Scanner is worth its weight in gold. Most specialists regard them as essential. But for those who are not candidates for Scanners, the cost of health care increases with each one purchased.

The market for Scanners was a red hot one in 1972. Within four years, ten com-

panies have introduced Scanners. In Atlanta there are eight hospitals with more than 200 beds serving a population of 1 1/2 million. Twelve Scanners were installed in Atlanta hospitals and five more in doctor's offices. Industry experts said that only a total of eight were needed. But then HEW stepped into the field, sharply limiting the number of Scanners which hospitals could install.

Scanner manufacturers are now going overseas where the market is booming. Japan is one of the biggest markets with twice as many Scanners per capita as the U.S.

### Benefit sale planned to aid ailing infant

#### Earnings

### Continental looks at a ceiling, not a floor.

Contrary to what many people believe, Continental Telephone is not guaranteed a profit just because it is a regulated, public-utility company that has no competition in its franchise area.

The government agencies that regulate Continental's activities set a maximum allowable rate of return—a ceiling, not a floor. Our actual rate of return in any year may be much lower than the maximum allowed. It can be less, but it can never be more.

Unlike other businesses, we are not allowed to automatically raise our prices if our costs increase and our profits decrease. We can increase our rates only if the government agencies decide the rate hike is justified.

Our profits depend on how well we manage our business, how well we control our operating costs, and the volume of our sales.

Earnings are necessary for us to pay stockholders a fair return on their investment and to attract new investors. Their money allows us to replace outdated equipment with new and efficient equipment, expand our service to new customers, and provide the kind of maintenance that adds up to reliable service.

Through good management, we're doing our best to do more for you.

# Church holds 'week of prayer'

By TEENY BOWDEN

The Week of Prayer for the State Missions was observed each morning this week at the church except Wednesday. The Wednesday program was given by the Baptist Men on Wednesday night. The Baptist Young Women had charge of the Thursday and Friday morning programs. Six attended Monday, eight Tuesday, 11 Wednesday night, seven Thursday morning and five Friday morning. The church goal is \$1,110.00.

Guinny Guy was admitted to the Tech hospital in Lubbock Wednesday and underwent knee surgery Friday afternoon for the removal of a polyp. Her grandparents, Mr. and Mrs. Bill Fowler of Colorado Springs, arrived Friday morning to be with her during the surgery. She was dismissed Sunday.

David Sadler got a piece of steel in his eye while working with ensilage cutting near Vega last Sunday and has had to see a specialist in Amarillo several times this week in an effort to get out the rust and deep splinters.

Rev. Raymond Jones attended a counseling course for pastors in the Caprock-Plains Area Center in Plainview Friday night and taught a course on R.A.'s to the group there on Saturday.

Hershel Wilson led the singing for a city-wide revival in Lovington, N.M. this week. Mrs. Wilson and Daneen spent the weekend with him.

with his sister, Mr. and Mrs. E. R. Sadler and also with his brother, Mr. and Mrs. C. J. Fowlkes of Rockport, who also visited with them Friday.

Mr. and Mrs. C. J. Fowlkes of Rockport spent Thursday night with Mrs. Euleess Waggoner.

Mr. and Mrs. Alton Louder returned home Tuesday night from a weeks visit in Houston with their daughter, Mr. and Mrs. Tom Messer, Bart and Shelley.

Mrs. Gene Ross, Tammy, Rhonda and Channin visited in Lubbock Friday night with Mrs. Carl Bradley, Kent, Kelly and Kyle and also visited in the hospital at Tech with Guinny Guy.

Mr. and Mrs. Noah Spencer spent the weekend in Avery with her sister, Mr. and Mrs. D. N. Gamblin.

Mr. and Mrs. L. B. Bowden attended the Cannon Air Force Base Community Appreciation Day Sunday afternoon. The F-111's performed, but the Thunderbirds had to cancel their demonstration because of the high wind. The F-111D Simulator showing how a flight mission looks to the aircrew was well worth the trip.

Mr. and Mrs. E. R. Sadler visited in Lubbock Sunday afternoon with Dr. and Mrs. Myles Sadler, Gregory and Amy.

Mr. and Mrs. Thomas Pina Jr., Tommy and Gilbert returned home from their vacation in South Texas last week.

and the varsity team of Springlake-Earth play. They lost by two points. Michael Graham, Lynn Brown, Kim Haydon, Sharon Jones and Brooke Byers also participated.

Mrs. Lillian Carson and Gregg George of Dimmitt

were honored with a birthday party Saturday night in the Carson home. Those present were Mr. and Mrs. Lee Bradley, Sharon, Jack, Joel and Justin, Resa Carson from Lubbock, Mrs. A. L. Aven of Hart, Carl Dean Carson and Mrs. Ila Haydon.

Mrs. Carl Dean Carson and Deakon spent the weekend in Odessa with her parents, Mr. and Mrs. Buford Newton.

Mr. and Mrs. Cliff Brown and Lynn visited in Lubbock Sunday afternoon with Mr. and Mrs. E. R. Brown and had supper with them.

## WHAT DOES THE FUTURE HOLD?

Are you amazed and perplexed with world conditions and developments? Are you confident of the future? Will inflation stop or continue to get worse? What about the Middle East crisis and present peace negotiations between Begin and Sadat? Will a peace agreement be reached, and if so, will it last or will the Middle East situation continue to deteriorate, eventually resulting in another world war? How will future national and international developments affect our personal lives? For a scriptural answer to these and other questions which concern us, you are invited and encouraged to come and hear a series of messages each Sunday evening at 7:30 on Bible prophecy as it relates to current events at the Bible Baptist Church of Dimmitt at 501 S.E. 3rd Street. Pastor Kenneth Carroll will be preaching these messages.

# Bobcat rally falls short as Slaton wins, 26-21

Dimmitt fans braced themselves for a rout Friday night when Slaton's Tigers turned their first four possessions into touchdowns to take a 26-0 lead in the first 14½ minutes of the game.

wise, though, and came close to winning it as they wrested the momentum away from the Tigers in the final three quarters.

But time ran out on the Bobcats, and the catfight ended in a 26-21 victory for Slaton. It was Dimmitt's second close loss in two starts.

The Bobcats had to play without starting tailback Dennis Veals, who suffered a severe leg cramp when he was tackled on the opening kickoff. However, junior Matt Gilbreath and Gus Ortiz filled in and did creditable jobs all night. Ortiz scored two of Dimmitt's TD's and Gilbreath dived for the other one.

LARRY BOSSETT [9] breaks through for a 10-yard gain on an inside counter play in the third quarter of Friday night's Dimmitt-Slaton game. The run, which gave the Bobcats a first down at the Dimmitt 48, came midway in a 94-yard drive

that consumed most of the third quarter and part of the fourth. Identifiable blockers are Gus Ortiz [27], Gary Naylor [88] and James Roberts [30]. [Photo by Joe Ramirez]

## The Land Bank

The American farmer builds two things better than anyone else in the world. He builds the next generation, passing along a special kind of wisdom... respect for the soil, honesty, independence, and faith in the future. And he builds his land, leaving it better than he found it. That kind of building usually requires borrowed long term capital. That's where we can help.

for the non-conference encounter, the Tigers capitalized on two Bobcat fumbles and used long runs and passes to stage a 26-point early-game blitz.

Two plays after Veals had returned the opening kickoff to the Dimmitt 30, fullback Randy Roberts fumbled and Slaton recovered at the 40. It took the Tigers only eight plays to score, with quarterback Ricky Davis getting the TD on a six-yard keeper with the game just 3:50 old.

An incomplete pass on a two-point conversion attempt left the Tigers' lead at 6-0.

After Roberts' second kickoff, Dimmitt ran three plays and punted, then the Tigers ripped 49 yards in five plays for their second TD.

Davis opened the drive with a fine 33-yard run to Dimmitt's 19 on an option-right keeper. Two plays later, Terry Smallwood followed four lead blockers on a right sweep for a 10-yard gain to Dimmitt's 4. After Lance Bownds advanced the ball to the 1-yard line, Mike White punched it over the center to give the Tigers a 12-0 lead with 4:55 left in the first quarter. Dimmitt's Emilio Sandoval nailed Davis behind the line to kill the PAT attempt.

Slaton had to go only 22 yards for its third TD, thanks to a 38-yard punt return by Bownds.

After an incomplete pass and an unsuccessful poke at

the middle of Dimmitt's line, Davis connected with right end Billy Daniel on an 18-yard pass to Dimmitt's 4. Two plays later, Smallwood bulled across the goal line from the 1. Herman Hernandez booted the PAT to give the Tigers a big 19-0 lead with a minute still remaining in the first quarter.

The Bobcats got their offensive engine running after the kickoff, with Larry Bossett in the driver's seat. The speedy halfback returned Slaton's kickoff 12 yards to the Dimmitt 27, then gained 14 yards in two runs for a first down at the 42 as the long first quarter ended.

But the drive sputtered on the first play of the second period when Roberts lost the handle again after a four-yard pickup, and Slaton captured the ball at Dimmitt's 46.

The Tigers reached paydirt in six plays, with a beautiful 25-yard draw play by sophomore tailback Jesse Titus to the Dimmitt 5 highlighting the drive. Two plays later Davis sneaked across from three yards out, and Hernandez kicked his second extra point of the night. The shell-shocked Bobcats found themselves in the hole by a 26-0 count with 9:34 remaining in the second period.

After Slaton's fourth kickoff the Bobcats punched out a first down, then stalled again and punted, with quarterback Jack Stewart's punt zooming 67 yards and bounding out of the Slaton end zone.

Then senior tackle Danny Ortiz provided the spark for Dimmitt's first TD. As the first-down snap got away from the Slaton QB, Ortiz broke through, speared the ball in mid-air and covered it at the Slaton 14.

After Roberts earned 11 tough yards in three plays, Gus Ortiz crashed over from three yards out for the TD. Tony Gonzales kicked the extra point to narrow Slaton's margin to 26-7 with 5:24 remaining in the second quarter.

Dimmitt's harried coaches finally devised a defensive formula to contain Slaton's running attack, and the Bobcats shut down the Tiger offense on the next series with gang tackling and a good pass rush.

Gilbreath covered Slaton's punt at the Dimmitt 41 and the Tigers drew a 15-yard penalty for a late hit, setting the Bobcats up at the Slaton 44. From there, the Bobcats launched an offensive blitz of their own.

After an incomplete pass, Bossett cut through on an inside counter play and raced 19 yards to the Slaton 25, then Roberts shook off three tacklers as he ripped his way to the 5-yard line on a beautiful run. Three plays later Gil-

breath dived over the right side from a yard out to climax a six-play, 44-yard scoring drive. Gonzales' kick was good, closing the gap to 26-14.

After Bossett hauled down Slaton's John Lacy at midfield to prevent a Tiger TD on the kickoff runback, senior tackle Leslie Heard pounced on a third-down fumble at the Tigers' 49.

But on Dimmitt's third play, Roberts committed his third fumble and Slaton got the ball back on the 47. The Tigers then drove to the Dimmitt 14, but Danny Ortiz sacked Davis as he was setting up to pass, and Tim Fewell fell on the ball. Stewart hurled a long pass which fell incomplete as the halftime buzzer sounded.

Two plays after Dimmitt's second-half kickoff, Heard got his second fumble recovery of the night, giving the Bobcats a golden opportunity at the Slaton 26. But two plays later the Bobcats committed their fourth fumble and lost possession.

Slaton	20	6	0	0-26

utes, and now they were fighting the clock. Slaton returned Dimmitt's kickoff to the 29, then got a quick first down on an 11-yard run to the 40. But then Dimmitt's defense buckled down. The entire left side of the Bobcats' defensive line nailed a Slaton runner for a three-yard loss, then Kelly Nelson stopped Bownds for no gain and Robin Ryan caught Smallwood for a one-yard loss. Facing fourth and 14, the Tigers punted.

But a flag dropped on the punt play, and a still-unexplained infraction cost the Bobcats 15 fatal yards and gave the Tigers first down at midfield.

Again Dimmitt's defense held, aided this time by a 15-yard face-mask penalty against Slaton. Facing fourth-

and-12 at the Slaton 48, the Tigers got off a 52-yard punt into the end zone, and Dimmitt finally got the ball back at the 20.

But only 2:25 remained in the game. The Bobcats needed to break a long one, and chose a screen pass to Bossett as their weapon. But Bossett couldn't find the handle. After a two-yard run, the Bobcats tried the screen pass again, but again the pass fell incomplete. On fourth and eight at the 22, Gus Ortiz plowed into the right side of the line but the Tiger defense held, giving Slaton the ball and the victory.

PROSPECTS for a smaller cotton crop than expected earlier this year have improved the price outlook despite sagging demand.

## Ponies stun Horns, 39-7

By MONTY UPTON

Hart's Longhorns suffered a stampede of Mustangs Friday night as Shallowater galloped to a 39-7 victory.

In the first quarter Hart did not post a first down, having to give up the ball by way of a punt on its three possessions of the period. On the other hand, Shallowater scored on its first two possessions, driving almost 50 yards each time.

The Mustangs' first score came when FB Stacy Hohenberger got loose for 22 yards with 7:59 of the period left. He missed on the PAT kick.

The second Mustang TD came when halfback Marcus Lara went two yards with 2:59 left. HB Rodney Jackson caught a pass from QB Andy Blackman to add the PAT points, making it 14-0.

The third Mustang possession ended at the Hart 5 when Kelly Jones came up with an important interception. Hart got to its own 23 before being forced to punt. However, the Mustang receiver bobbled the ball and Nathan Ingram came up with it at the Hart 47. QB Ricky Rowland then hit scrambling split end Ingram for 34 yards and a TD with 7:16 of the second quarter left. Kelly Jones added the

PAT kick to make the score 14-7.

However, the Mustangs weren't ready to let the Horns stay in the game as they drove 66 yards to paydirt on another Hohenberger 3-yard plunge. The PAT kick was wide.

Following Harts' next punt, Mustang tailback Pete Alvarado, after appearing to be down, went 64 yards on the first play to make the score 26-7. The PAT kick failed.

After intermission, both teams gave up the ball on punts, but on Hart's second drive a Rowland pass was picked off by linebacker Barry Randolph who returned it 27 yards for a TD. The PAT kick failed.

Two ownerships later, the Mustangs went 50 yards in five plays, one a 41-yard pass, and fullback Van Simpkins scored from three yards out. Hohenberger added the PAT kick on the last play of the third quarter.

The fourth quarter was one of frustration for the Longhorns as they drove to the Mustang 14 only to be turned back. When the Mustangs had the ball again, tailback Ronnie Rosas coughed up the ball and Kelly Jones got on it for his second capture of the ball for the night.

Hart then drove to the Mustang 7. At that point, Rowland hit end Pat Ritter for the fourth time of the evening and only the point where the ball was marked kept the Horns from the necessary first down. Two plays later the buzzer went off with the Mustangs the victors.

Hart takes on a strong Nazareth team Friday night in Longhorn Stadium.

## Swifts post 41-0 victory

The Nazareth Swifts romped past the Hereford Sophomores, 41-0, Friday night at Whiteface Stadium for their second straight win this season.

The Swifts started their point pileup early in the game by continually turning Hereford turnovers into scores.

Their first touchdown came on a 35-yard pass play from Chris Hatla to Jeff Schmucker, 3:08 into the game.

Hereford had the ball only two plays before the Swifts forced a fumble, which was recovered by Dwayne Acker on the 32 yard line. Neal Wilhelm ran the first of his three TD's of the night in on the next play.

The Whitefaces took the kickoff a mere two yards before Schmucker recovered another Herd fumble on the 28-yard line. The Swifts third scoring drive ended four plays later as Wilhelm scored on an eight yard run.

Hereford couldn't seem to hang onto the ball, and the determined Swifts forced another fumble (recovered by Bryan Huseman on the 18 yard line) the next series. Wilhelm scored his third TD on a 2-yard run, putting the Swifts out in front 27-0 as the first quarter ended.

Coach Eddie Hooper played his substitutes most of the second period, and it was :50 before halftime when the Swifts capitalized on another turnover. Norman Gerber intercepted a Hereford pass on the 31-yard line, and two plays later his brother Kenny grabbed a 15 yard TD pass from Hatla. Acker's extra-point kick gave Nazareth a 34-0 lead at the half.

The Swifts last score came in the third quarter, after the

# View from the Library

By BRICK AUTRY Librarian

Being a delegate to the Texas Conference on Information and Library Service is keeping me busy on the road to Amarillo. Saturday I went for an orientation at the Amarillo Public Library. There were only three of us at the meeting but the speaker, Peggy O'Donnell, took it all in her stride. Peggy O'Donnell is one of libraryland's characters. Wonderfully radiant, like her native California, she gleefully went through her program telling us about her job with the Southwest Library Association and interspersing her opinions of humdrum Dallas. She didn't like Dallas. However, it wasn't all glamour working for SWLA, she admitted to us. True, she got to travel widely throughout the southwest, but all she ever got to see was the inside of Hilton Hotels and the airports. All this was very interesting, but it did keep us overly long. You know these librarians. Once they're out of the library, they talk up a storm.

On Tuesday after the meeting with Miss O'Donnell, I found myself again on the road to Amarillo. This time I went to Amarillo's town meeting. The crowd was small, as usual. Amarillo Library personnel were there. A high school librarian was there and several older people. One young lady about thirteen

She is survived by her husband, two daughters, two sons, two sisters and six brothers.

# Human Resources board will meet

The Texas Board of Human Resources will meet in Amarillo today (Thursday) in the fourth of a series of sessions being held in locations other than Austin.

The Human Resources Board is governing body of the Texas Department of Human Resources which provides assistance to the state's aged, handicapped, and disadvantaged. The board is meeting in various cities throughout the state to encourage wider citizen participation. It previously has met in Arlington, McAllen and San Antonio.

The board's intent is to increase public awareness of programs of the department, formerly named the Department of Public Welfare.

The Amarillo meeting will begin at 8:30 a.m. at the Ramada Inn, IH 40 at Nelson Road. Amarillo is a sub-headquarters office for a region made up of 40 Panhandle and West Texas counties.

# PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

## "The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens."

## NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

## NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

## NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

## NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction. The amendment also grants justices of the peace concurrent jurisdiction

# AVISO PUBLICO UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

## LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1)

H.J.R. 1 propone una enmienda a la constitucion de Texas permitiendo a la legislatura que exente propiedad personal intangible; requiriendo que la legislatura exente ciertos articulos caseros y efectos particulares; y permitiendo a la legislatura que exente todo o parte de la propiedad personal del hogar seguro, de la imposicion de impuestos estatales y locales sobre propiedad.

La enmienda requiere a la legislatura que disponga la imposicion de impuestos sobre tierras agricolas y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposicion de impuestos a la busqueda de madera basada en su capacidad productiva.

La enmienda permite a los gobiernos locales que extiendan la exencion actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años o más de edad para incluir ciertas personas incapacitadas.

La enmienda concede una exencion de \$5,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas publicas sobre propiedad. Autoriza a la legislatura que conceda una exencion adicional de los impuestos para escuelas publicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible para esta exencion la cantidad total de los impuestos para escuelas publicas sobre el hogar seguro de aquella persona no puede incrementarse.

La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo provea aviso publico y lleve a cabo una audiencia publica. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluacion de su propiedad y la cantidad de incremento en sus impuestos.

La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento económico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia. La enmienda prohíbe la valuación de propiedad inmueble a través del estado para los fines de impuestos sobre propiedad. Se requiere que la ejecución de

normas y procedimientos uniformes para la valuación de propiedad con el propósito de impuestos sobre propiedad, se origine con la autoridad que impone los impuestos sobre propiedad.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue: "La enmienda constitucional disponiendo alivio de impuestos para hogares seguros residenciales, personas mayores de edad, personas incapacitadas, y tierras agricolas; extensiones de bienes muebles; la verdad en procedimientos tocante a la imposición de impuestos, incluyendo participación de ciudadanos; de nuevo definiendo la base de impuestos; limitando los gastos del estado; y la administración de impuestos sobre propiedad."

[Continued from Page 2] Eberly of Littlefield will be married Sept. 22 at the Baptist Church there. Nona Heard attended two bridal showers for Elaine in Littlefield. The young couple will farm at Nazareth with his dad Kenneth Heard, who, with Nona, lives on West Clovis Road. Mrs. Heard's daughter, the pretty blonde Delinda Davis, is attending school at WTSU this year.

R. N. and Ann Carpenter are home from a few weeks stay at their place at LBJ Lake, or is it Kingsland? Floyd and Nell Copeland are home from their summer stay at Ruidoso. Their son Jack, who lives at Fort Worth, has had surgery on his back for a pinched nerve or something.

Kent, Carol and the children. Beral was in Amarillo recently to be with her daughter Beth Hodges of Panhandle, who had surgery at High Plains Baptist Hospital.

Karen Seely was here Friday visiting her parents Gene and Cleo Seely and her sister Brenda. Karen is lab supervisor at a Levelland Hospital. Jeanette Seely of Lubbock spent the weekend here. She is with the Tech Medical School.

Edwin (Goose) Ramey, Decimae Beene and the Herschel Johnsons of Friona spent Sunday in Lubbock with France Baker, who has the world's largest individual saddle collection. Mr. Baker is 89 years old. He and Edwin were childhood friends in pioneer West Texas.

LIONS GOVERNOR VISITS—Al Tremble (right) of Dumas, new governor of Lions District 2T-1, and B. K. Buske of Friona, deputy district governor, discuss district goals with members of the Dimmitt United Lions Club during their official visitation here last Thursday night. Tremble said his main goals for clubs in District 2T-1 this year are a 15%

membership increase and more participation in the Hi-Plains Eye Bank, Girlstown USA and the Texas Lions Camp for Crippled Children. John Brooks is president of the Dimmitt United Lions Club, which meets every second and fourth Thursday night at Ann's Steak House.

## Nuggets from the Senior Citizens' Center

There has been quite a bit of activity among the members trying to refill our gift case after we sold so many of our wares at the booth at the Castro County Fair. We will be glad to have some of your ideas—and help.

Our new bus was used for the first time last Thursday when a group of our members went to a PRPC meeting in Amarillo. They went in interest of our federal grant.

We have had some inquiries about how the members may take advantage of the bus. We want you to know that all you have to do is call the center and our driver will be glad to pick up a group of all who call that want to come to game night or other activities.

We have plans for a regular entertainment night on Thursday nights, such as group singing, films, entertainment by visiting groups both local and from other places.

Each day some one else comes in with something nice to share with us. We do thank you and wish that we could publicly acknowledge each one. Our welcome mat is out for all of you.

## small talk from South Hills Manor

Hattie Webb and Floya Hart have had loads of company this week and they have enjoyed every minute of it. Mrs. Cecil Hart from Hereford and Velma Woodburn from Roswell, N.M. were among their visitors. All of Dora Houtchen's children came out to visit while they were here for their mother's funeral. Also coming by to visit were Clara Fuller, Faye Holland and Nora Mae Newsum.

Henry Foster came by Tuesday to visit with Mrs. McMurry. Mr. Foster lives in Memphis.

Thursday night the residents enjoyed a musical program presented by Mr. and Mrs. Cecil Byer, Homer Garrison and J. B. Noland, all from Hereford. The music was beautiful.

Lois Harris enjoyed her brother and his wife, Mr. and Mrs. V. H. Glass, and sister, Sarah Shanks from Lovington, N.M. visiting. Coming from Midland was Mrs. Harris's niece and husband, Mr. and Mrs. John Corder.

Velma Tucker's prayer and thought for this week:

God, our Father, thank thee for the talents Thou hast given us. Help us ever to be aware of them and grasp every opportunity to use them in Jesus' name. When I use my talents for God, someone will gain.

Sunday Rev. and Mrs. Smith from Memphis conducted services for the residents. Mr. and Mrs. William Mescher and Myrtle Mescher from Pleasantville, Iowa visited Jewel Richards this week. Jewel is a new resident of the Manor, moving here from Littlefield.

Friday Mrs. Paulene Bates and Amy Hickman visited with Mrs. Rothwell. Paulene is Mrs. Rothwell's daughter.

Visiting with residents Sunday were Madeline Bell from Hereford, Maurine Henderson, Mary Lou Frazier and Elizabeth Huckabay from Dimmitt.

We extend our sympathy to Laura Newbury's family.

The Manor residents will have a porch sale Friday, Sept. 29 from 1 to 6 p.m. This will replace the annualazaar.

Susan Addye Miller was born Aug. 29, 1885 to L. W. Vaughan and Carrie Elizabeth Taylor in Palo Pinto County, Texas. She was the fourth of four children. Vaughans were the first settlers in Palo Pinto County. Mrs. Miller moved to Midland when she was small and attended school there. She also joined the First Christian Church when she was 12. Her father was a rancher and she rode a horse to school. They moved to Stratford for several years and then to Hereford where she met and married John B. Miller Oct. 30, 1907. They had six children, R. V., John, James Owen, Betty Cartwright, Bill and Bob.

John Miller was in real estate and ranching. They moved to the Walcott com-

## Hart ISD budget hiked but tax rate is same

A budget of \$1,021,034 for the 1978-79 school year was approved by the Hart Independent School District board at its meeting last week. It shows an increase of \$62,066 over the 1977-78 budget.

No raise was made in the tax rate for the school district, which remains at \$1.25 per \$100 valuation. Most of the increased budget cost will be paid by state and federal funds, School Supt. Ted Averitt said. The rise is largely due to increase in salaries for personnel plus larger general expense caused by inflation.

Tom Ed Benton, school district business manager, gave a report on the new valuations of property in the district, made by a state board, which included personal property with real property in estimating the wealth of the district, amounting to a 128.77% increase for the Hart district. If this valuation schedule becomes effective, it would apply to the 1979-80 school year.

Purchase of a new 47-passenger school bus was ap-

proved by the board, also purchase of playground equipment to the value of \$2,000 for the elementary school playground Board member June Brown will work with Elementary Principal Jack Burkhalter in selecting the new equipment.

## Nazareth ISD board to protest tax base

The Nazareth Independent School District board decided at its meeting last Wednesday to employ Jim McMorris, tax consultant, to draft a protest letter to the State Tax Assessment Practices Board, which recently issued a new schedule of property valuations that substantially hiked valuations in the Nazareth district.

Similar increases were listed in all school districts of this area and other boards including Dimmitt's have voted to protest the valuations which include estimates of personal property as well as real estate.

Nazareth board members in other business voted approval of the school band's trip to El Paso for the Sun Bowl parade, if funds totaling \$2,250 are raised by Nov. 18, and a minimum of five sponsors in addition to Band Director Steve Clary and Mrs. Clary make the trip.

Clary and a delegation of band members appeared before the board to explain the invitation they received to

participate in the Sun Bowl parade.

A minimum wage scale for hourly wages was adopted, ranging from \$2.65 to \$3.25 per hour. After Jan. 1, 1979, the \$2.65 rate will be increased by federal law to \$2.90.

Resignation of Maxine Bridges was accepted.

## Hill elected NHS president as year opens

The National Honor Society of Dimmitt High School elected officers and planned a fund-raising project at its first meeting of the new school year last Wednesday.

Kelley Hill was chosen president, Diane Love vice-president, Debbie Dobbs secretary, Heidi Bruegel treasurer and Angela Ross reporter.

A date will be announced for sale of Christmas greenery, to be held some time in October, members decided in the business discussion.

## County AHA unit wins two awards

Dr. Bill Murphy will serve as president of the Castro County Unit of the American Heart Association for the coming year, after election to that office last Thursday.

Betty Huckabay was named secretary, Jerrold Welborn program chairman, Delores Ivy memorial chairman, Beral Hance public relations chairman, Mary Emma Matthews "Heart and Home Sunday" chairman. The nominating committee report was made by Welborn.

Castro County has won an award for first place in Texas for programs, and also won the Heart and Torch award, it was announced by Mrs. Jerry Hearn of Lubbock, director for Region 2.

At the County Health Fair in the Expo Center Oct. 11, the unit will sponsor a booth where anyone may have blood pressure checked without charge. Welborn will be in charge of this booth.

An "Art for Heart" benefit is being planned by the unit to be held soon. County artists are invited to contact any member for details about the event.

The next unit meeting will be held Oct. 12.

## Enrollment increased in schools here

Enrollment in the three Castro County school districts has increased substantially since the term began Aug. 23, a normal trend, according to school officials who expect added students after the Labor Day holiday.

At the close of last week the Dimmitt schools had 1,702 enrolled, compared with 1,614 the first day of the term. The new enrollment figures show 435 in high school, 688 in middle school and 579 in elementary grades.

Hart counted a total of 640 students last week, with 383 in grades K-6 and 257 in grades 7-12. There were 588 enrolled when the term began, 236 of them in high school and junior high.

Nazareth schools report 345 enrolled this week, 118 in high school and 227 in the lower grades. First-day enrollment there was 332.

One school official commented that the present enrollment is probably at the peak for this school term, as migrant farm workers will soon begin to leave the Panhandle with their families.

## School menus at Nazareth

Here are the lunch menus for Nazareth schools for Sept. 25 to 29.

MR. AND MRS. RAMEY BEENE  
Bride is the former Karla Reagan

## Reagan-Beene vows spoken at Corpus

Mr. and Mrs. Ramey Beene are at home at 1901 Hiddenway, Corpus Christi, after their recent marriage in the chapel of the First Methodist Church of that city. Dr. Don Pevy, minister, officiated.

Mrs. Beene is the former Karla Reagan, daughter of Mr. and Mrs. John Reagan of Corpus Christi. The groom is a member of a pioneer Castro County family, the son of Decima Beene of Friona and the late O. J. Beene, and the grandson of Edwin "Goose" Ramey of Dimmitt.

For the double ring wedding the chapel was lighted with white candles. Matching spiral candelabra twined with greenery, and floral arrangements completed the altar setting.

Matron of honor was Mrs. John Boggs and the bridesmaid was the bride's niece, Shelly Norrell. His brother, Jay, served as Beene's best man. Johnny Barker was groomsmen and the ushers were John Boggs and Robert Gunnels.

The bride wore a carpet length gown of imported candlelight silk chiffon styled with camisole bodice and three-tiered skirt appliqued with lace. She carried a cascade of white daisies, yellow roses and babybreath, placed on the white Bible the bridegroom's mother carried in her wedding 35 years ago.

Her attendants were dress-

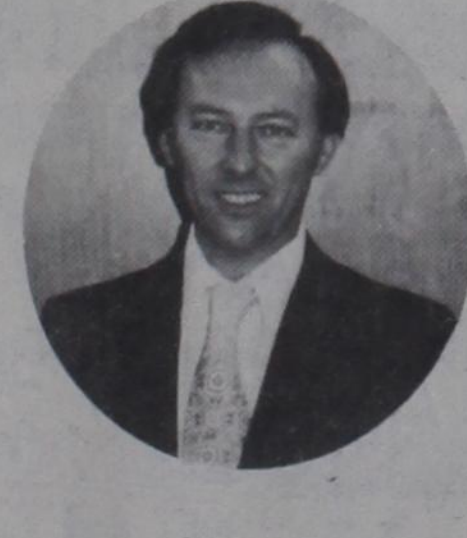

## Town-Country club program series begin

Town and Country Home Demonstration Club held its first regular meeting of the fall season last week, with a program on "Party Refreshments" by Lynette Rials and Carmen Catano.

Samples of the dishes they prepared were served to those present. Members voted their appreciation to Jim Long, who donated ice for the concession stand the club operated at the Castro County Fair, enabling it to make a larger profit.

The next meeting will be at 9:30 a.m. Sept. 28 in the assembly room in the courthouse basement. Women interested in becoming members are invited.

## Gladdens are honored on golden anniversary

Mr. and Mrs. Lester A. Gladden were honored Saturday in their home, 717 W. Grant, by 26 members of their family celebrating their 50th wedding anniversary. The Gladdens were married Sept. 15, 1928 in Shawnee, Okla.

They have lived in Castro County 49 years of their married life. They harvested their first wheat crop in 1929 on their farm three miles northwest of Dimmitt.

A special anniversary guest was Chester Youts of South Hills Manor, Mrs. Gladden's uncle who was present at the couple's wedding.

## Pledges are honor guests of chapter

Fall pledges of Alpha Epsilon Tau Chapter of Beta Sigma Phi were special guests at a recent meeting in Rhoads Memorial Library which began a new year for the chapter.

The pledges are Janet Justice, Jackie Byrnes, Carlee Warren, June Sutton and Karen Sheffy.

Plans were discussed for the Harvest Hoedown which the chapter has scheduled for Oct. 7.

Jill McLean was the honoree at a layette shower during the social period. Refreshments were served by Beverly Lindsey and Doris Petty.

## LCC associate group formed to work here

A Dimmitt Chapter of the Lubbock Christian College Associates was organized at a Sunday afternoon meeting in the home of Ellen Gregory.

Mrs. Gregory was chosen president, Alyce Killingsworth vice-president, Becky Killingsworth secretary-treasurer and Jo Thurston reporter.

Guests from the Lubbock Chapter were June McMurray, president; Rhena Bozeman, a vice-president, and Joy Loveless, treasurer. They spoke of goals and purposes of the organization, which is formed of women dedicated to promotion of Christian education.

Projects of the associates to raise money for special needs of the college include bake sales, cookbook sales, garage sales, a pie booth at the Panhandle-South Plains Fair and memorial gifts.

Any woman is eligible for membership. Dues as well as donations to the group are tax deductible, Mrs. Gregory points out.

## Membership is open now for concerts

Castro County members of the Hereford Community Concert Association are reminded that the association is renewing membership and accepting new members this week for the 1978-79 season.

Four programs, instead of the usual three, have been booked for this year in Hereford, and a membership card also entitles the holder to attend concerts at Clovis, Borger, Dalhart and Lubbock.

The concerts at Hereford will be by the National Folk Ballet of Mexico, duo pianists Veri and Jamanis, ragtime pianist Max Morath and C. C. Ryder, singer and guitarist.

Beral Hance is the membership salesman here, and may be contacted after 5 p.m. at 647-5444. Membership prices are the same as for last year, \$12 for an adult, \$6 for a student and \$30 for a family membership.

CCA is a national organization, the world's largest concert service. Artists to appear in each city are selected by a local board of directors. At Hereford, Mr. and Mrs. Ted Panciera fill the president's office for this year.

MRS. WILLIAM EARL SCOTT JR.  
Formerly Dana Carol Lippard

## Dana Lippard weds in ceremony here

Dana Carol Lippard and William Earl Scott Jr., married in an autumnal setting in the First United Methodist Church here Saturday, will make a home at 7230 W. 34th, Amarillo, after a two-week wedding trip.

The bride is the daughter of Mr. and Mrs. Calvin Lippard of Cedaredge, Colo. The family formerly resided in Dimmitt and the bride is a 1974 graduate of Dimmitt High School. Parents of the groom are William Earl Scott of Amarillo and Fern Scott of Houston.

Rev. Marvin Roark of Amarillo, former pastor here, read the double ring marriage service in a setting lighted with brown tapers in an oval candelabrum. Baskets of salmon gladiolas, bronze cushion mums and lemon leaves were set on either side. Bows of salmon and beige ribbon marked special pews.

Pre-nuptial music was by Gainell Minnick, pianist. Candles were lighted by Cammye Sue Gee of Spearman, niece of the bride.

Virginia Sheffy of Dimmitt was maid of honor. Sarah Black of Muleshoe the matron of honor and Joanie Brogden of Wheeler the bridesmatron.

They wore identical period dresses of brown crepe with beige lace trimming the Victorian neckline, bodice and cuffs. Each carried a stem of salmon gladiolas and had her hair arranged with a salmon gladiola flowerette comb.

The groom's father served as best man. Groomsmen were Jamie Quintanilla and David Purdy, both of Amarillo. Ushers were Jerry Quinton of Amarillo and Johnny Garner of Clarendon.

Becki Nickles of Sunnyside, sister of the groom, registered wedding guests.

Given in marriage by her father, the bride was dressed in an empire gown of white French voile. Venise lace edged the wedding ring collar, sheer yoke and cuffs of the lantern sleeves. Lace flowerets were applied on the bodice and sleeves.

## DYH to hear guest speak

Homemaking and other aspects of living in early Castro County will be described for Dimmitt Young Homemakers at their meeting today (Thursday) in the home economics room of Dimmitt High School. Guest speaker will be Myrtle Sheffy, a longtime resident.

The meeting will begin at 7 p.m. and is open to all interested women between the ages of 18 and 35, who are invited to become members. Babysitters will be at the school to care for small children.

"We especially invite newcomers to our meetings, to hear the program and take part in our community service activities," Debbie Annen, president, said.

The program is part of the DYH's observance of Young Homemakers of Texas week, Sept. 17-23.

June Sutton will be hostess for this week's meeting and Susan Merritt is refreshment chairman.

#### Quick meals handy now

By IRENE KEATING  
Harvest season is here and everyone is busy contributing in his or her own way. Many farm wives are busy helping and need to prepare quick meals or plan foods that can be prepared by the children. Here are several recipes that are fairly quick, yet offer good nutrition.

**Make-A-Meal Soup**  
1 pound smoked sausage, thinly sliced  
1 onion, chopped  
1 T. vegetable oil  
3 cups water  
2 chicken bouillon cubes  
1 tsp. salt  
1/4 tsp. pepper  
1 bay leaf  
1/2 tsp. thyme

3 each, carrots & celery stalks  
1/4 head cabbage, cut in 1-inch chunks  
2 T. uncooked rice  
1 8-oz. can tomato sauce  
1 15-oz. can kidney beans  
1 28-oz. can whole tomatoes

In large saucepan, brown onion in oil until tender. Add remaining ingredients. Cover and simmer 30 minutes. Makes 6-8 main dish servings.

**School Day Chowder**  
1/2 lb. franks, sliced  
1 c. celery, sliced  
1/2 c. carrots, sliced  
1/2 c. green pepper, chopped  
1/4 c. onion, chopped  
1/4 c. margarine  
1/4 c. flour  
dash of pepper  
2 1/2 cups milk  
2 cups (8 oz) shredded sharp cheddar cheese  
Saute franks and vegetables in margarine. Blend in flour

**Georgia Breakfast Biscuits**  
3/4 cup water  
1/4 cup butter or margarine, melted  
2 1/4 cups buttermilk pancake and waffle mix  
1 cup oats (quick or old fashioned, uncooked)  
1/4 cup sugar  
1/2 tsp. cinnamon  
1/2 c. coarsely chopped peanuts

Add water and butter to combined dry ingredients, mixing just until dry ingredients are moistened. Stir in peanuts. Drop by heaping tablespoonfuls onto lightly greased cookie sheet. Bake in preheated hot oven (425° F.) 12 to 14 minutes or until light golden brown. Serve with jelly or preserves, if desired. Makes 10 to 12 biscuits.

### Art club meet slated Tuesday

Kay Stephens of Tulia will give a demonstration of painting animals in oils when she is the program guest of the Nazareth Art Club at 7:30 p.m. Tuesday in the basement of Holy Family Church at Nazareth.

The meeting date is being changed for this month only, from the usual time on the first Monday of the month.

# Democrats re-elect King at 'farmers convention'

"For the first time in history it was a farmers' convention," Carl King of Dimmitt said of the Texas Democratic Convention held last Friday and Saturday in the Fort Worth Convention Center.

"The farmers got what they wanted—not all they need, but what they asked for in the platform and representation on national committees. Their resolution supporting 100 percent parity passed—it was rough but we got it passed," King said, "and now our big job is to get this to the national stage."

King was re-elected as state committeeman from the 31st District, after a successful campaign by local delegates.

"We had a lot going on down there, but my main goal was to get Carl re-elected so that's how I spent most of my time," said Castro County Demo Chairman Oscar Wylie. "There were eight of us passing out badges and carrying placards for Carl."

## Joe Ziegler leaving job as club pro

Joe Ziegler, golf pro at the Castro County Country Club, has resigned to take a similar job at the Phillips Country Club at Borger. He plans to leave for the new position Oct. 1.

Country club directors are "in the process of finding a replacement for Ziegler," Chuck Braafadt, board president, said Tuesday.

"This all came up so suddenly that we were caught by surprise," Braafadt explained, "and it may take some time to fill the place." He said no applicants have been interviewed yet.

"We've enjoyed living in Dimmitt and our association with the people here," Ziegler said, "but the club at Borger is a larger one and we think it offers a better opportunity for us."

"It's rare for Amarillo not to have one of the state committee representatives, but I think we caught them off guard and they realized they didn't have a chance."

"Sandra Davis, our new committeewoman, worked hard for Carl and so did a lot of the county chairmen—Dick O'Daniel from Swisher, Byron Bruce from Randall, Leo Witkowski from Deaf Smith," Mrs. Davis is a Levelland attorney.

Jo Beth Shackelford of Dimmitt was elected secretary of the agriculture caucus Friday afternoon, the biggest caucus of the convention, at which the farm program was adopted.

Reta Welch, like Mrs. Shackelford a farmer's wife, was the fourth delegate from Castro County to the convention. Also attending were Doris Wylie, Frances King, James Welch and Dick Shackelford.

"I think it was as smooth a convention as I've attended," Wylie said. King remarked that supporters of John Hill, Demo candidate for governor his fall, were well in the majority.

Arthur Goldberg of Houston was elected state chairman to succeed Calvin Guest, a supporter of Gov. Dolph Briscoe who was defeated by Hill in the Demo primary.

Three persons from District 31 were given committee chairmanships, Mrs. Shackelford said. Jerome Friemel of Hereford was elected as the district's delegate to the national "mini-convention," a mid-term conference on national policy that will be held later this year in Memphis, Tenn.

Hill's farm platform was endorsed as the state platform, amended to include curtailment of alien ownership of agricultural producing land, Mrs. Shackelford said.

Another plank pledged the state Demos to "support and work for" 100 percent parity on farm prices. Also favored was a move to require labeling of all imported farm products, not meat alone, so consumers could know where they came from.

Two resolutions proposed by the agriculture caucus did

not get to the convention floor, the Castro County delegate said. One reprimanded President Carter for his administration's "stance on agriculture" and another called on Cong. Jim Wright, Texas legislator who is the congressional majority leader, to either follow the Democratic platform or step aside. The caucus passed both these resolutions unanimously.

# SCOUTING REPORT

## DIMMITT AT TAHOKA Friday, 8 p.m.

Now, this is gonna be rough.

Tahoka is one of two state-ranked teams on the Bobcats schedule. (Later, there's Muleshoe.)

Small wonder the Bulldogs are ranked No. 3 in the state. They have no less than seven offensive and nine defensive starters back from the team that advanced to the Class AA quarterfinals last year.

Among those returnees is one Mr. Clifford Bailey (6-2, 200), all-state running back who gained more than 2,000 yards in 13 games last year. "He is the best running back I have ever coached," says Tahoka Coach A. D. Shaver. "I think Bailey is the best running back in the state of Texas, all classes."

After tying for the District 5-AA championship last year, Tahoka defeated Colorado City 20-14 in bi-district, then downed Kermit 13-9 for the regional championship before falling to Childress, 32-21, in the quarterfinals. (The following week Childress lost to Wylie, eventual state champion.)

The Bulldogs have played only one game this year, creaming Stanton 34-7. They were idle last week, which meant Dimmitt got a thorough scouting at Slaton.

You can expect the Bulldogs to uncork a powerful running game, and they'll pass when they feel like it. And they're sure to be stingy on defense, with all that experience.

The Bobcats last week were afflicted with fumble-itis, crippling leg cramps and the lack of a passing game. Still, they put together a 94-yard drive against a respectable Slaton defense, and that couldn't help but bolster their confidence. They also showed a lot of character by coming from a 26-0 deficit to 26-21 final score.

If the Bobcats can stay healthy and continue to show the kind of character they displayed in their comeback at Slaton, they could give the Bulldogs a run for their money.

And if they could pull off an upset, it would be jubilee time.

## NAZARETH AT HART 8 p.m. Friday

This game will pit one of the better Class B teams in the area against a young, rebuilding Class A team. All comparisons are just so much fodder, though. It will be a

aliation of all farm-related organizations to develop prime time TV shows to educate the public on the importance and the problems of agriculture.

Support of commodity groups is urged, with criticism of the USDA Statistical Reporting Service and recommendation of commodity group services instead.

Support of the flexible pricing concept of the Dole Bill as the Farm Bureau's program policy, and support of HJ23 in Congress for its policies on taxation and government spending was voted. Other resolutions condemned deficit spending by state and federal governments, and opposed a world monetary system.

Tariff policies to restrain imports of goods and services which might be produced by American workers were endorsed.

Concerning schools, the resolutions oppose the mandatory breakfast program for school lunchrooms, the Early Child Development program controlled by federal and state governments, and "discrimination against average and above average children" in the Title I program. Also the Texas Legislature is asked to oversee the Texas Education Agency more effectively.

Two recommendations oppose the Equal Rights Amendment and the proposed International Year of the Child. It was recommended that Anita Bryant be honored as "Woman of the Year" in the Farm Bureau at its national convention.

hard-fought, interesting game, and you'd better get to Longhorn Field early if you want a seat.

The rivalry isn't as intense as it was when the Longhorns and Swifts were in the same district—thank goodness—but both teams will be "up" for the game, and there will be a lot of noise.

Last year the Longhorns won it, 20-0, but they knew they'd been in a ball game. It was a scoreless tie until the last 40 seconds of the first half, and after the game there were open displays of mutual respect among the players.

This will be the first varsity test for Coach Eddie Hooper's Swifts. They've run up 85 points in two games, but haven't played a team yet with any seniors on it. They downed the Dimmitt Junior Varsity 44-6 in their opener, and Friday night they creamed the Hereford Sophomores 41-0.

Senior quarterback Jimmy Huseman is still on the injured list, but sophomore Chris Hatla has been filling in ably. He threw three touchdown passes against the Hereford Sophs Friday night.

For the Longhorns, it's been feast and famine in the first two weeks. Coach Buddy Pierce's crew whipped Anton 38-0 in their opener, but Friday night they lost a 39-7 decision to a strong Shallowater team.

Many of the maroon-clad players in Friday night's game will be mighty well acquainted with their blue-and-gold counterparts by the time they graduate, for there'll be a lot of sophomores, and a few freshmen, on the field for both teams.

## FFA picks sweetheart

Dimmitt High School's Future Farmers of America chapter elected Susie Cluck as sweetheart for this year at a meeting last week. Other nominees were Carol Bagwell, Carla Carpenter, Crystal Fitzgerald and Jan Robb.

Crystal Fitzgerald was chosen as Plowgirl for the chapter.

Lynna McGuire and Danny Underwood were elected delegates to the fall district convention. James Roberts of Dimmitt is a candidate for district president.

The chapter's next meeting will be at 7:30 p.m. Oct. 3.

## Dimmitt hosts Toastmasters' area meeting

Dimmitt hosted the Area VI Toastmasters Saturday, with delegates from Hereford, Tulia, Lubbock and Dimmitt gathering at the Colonial Inn for a 2½-hour morning session and lunch.

Area Governor Bill Allen of Hereford conducted the meeting. Main speaker was John Will Nichols of Tulia.

Theme of the session was "Duties and Responsibilities of Toastmaster Officers." Topic speakers included Clyde Bonner, Raymond Artho, Dan Welty, Adelle Elkins and Bill Allen.

Tulia Toastmasters here for the session included Phil Raught, Mac Bush, Norman Singer, Mrs. Elkins and Nichols. Representing Hereford were Allen, Bonner, Welty and Artho.

It was announced the Dimmitt Toastmasters also will host the Area VI Speech Contest Oct. 28. Wayne Collins is president of the Dimmitt Toastmasters.

Other people in the Hart area pitched in with donations of food, clothing, furniture, painting, carpeting. Businesses donated appliances. The Lubbock State School provided money from its Student Benefit Fund to buy some furniture, and "liberated" some more furniture from its dorms in Lubbock. A Nazarene Church congregation in Lubbock donated a lot of household items, and other people in the Lubbock area came through with furniture, appliances, carpet and paint. The men's families bought linens and towels.

"A lot of people had a hand in it," said Lynette Whitley, director of community residential services for the Lubbock State School, who supervises the "sheltered living" program.

"My husband, Richard, got involved, too," she smiled. The five young men, Mr. and Mrs. Rodgers and friends

went to work. Within two months the house was moved, remodeled, repainted and furnished. In the meantime the men also continued at their daily jobs and helped can 1,000 quarts of home-grown vegetables and fruit.

Sunday afternoon, they hosted an open house, and served cookies, punch and lemonade to many of the people who had helped make it possible for them to continue to work and live as citizens of the Hart community.
