Among the survivors are a son, Jack Geist of Bronte, who flew to South Bend for the funeral.

S. B. Henry, 84, died Thursday of last week near Menard.

Funeral services were held at 10 a.m. Saturday in the First United Methodist Church of Bronte, with burial in Fairmount Cemetery in San Angelo, directed by Newby Funeral Home.

Mr. Henry was born Jan. 12, 1890, in Mills County. He came to Coke County in 1968.

Survivors include two sons, J. T. Henry of Bronte and Maurice Henry of Casper, Wyo.; a daughter, Mrs. Minnie Lee Watkins of Odessa; a brother, John Henry of California; a half brother, Jess Henry of Houston; two sisters, Mrs. Roy Sorrel of Coleman and Mrs. J. C. Wilson of Poel, Ariz.; five grandchildren and four great-grandchildren.

Pallbearers were nephews including Riley Low, Charles Low and Everett Low, all of San Angelo; Virgil Low of Wilmeth; Wayne Henry of Lometa; and Chester Henry of Lampasas.

Disaster Area Status Asked

A move was started this week to ask that Coke County be declared a disaster area so far as this year's crop is concerned. Representatives of the federal agricultural agencies in the county met with the Commissioners' Court and requested Judge W. W. Theford to make the necessary application to the office of Gov. Dolph Briscoe.

Drought conditions are becoming more serious all the time and the high cost of feed threatens to badly cripple the livestock industry.

SINGING AT NURSING HOME

The Shep Community Singers will be at the Bronte Nursing Home Tuesday, July 16, at 7 p.m. They will present a program for residents of the home. The public is cordially invited to attend the program, said Mrs. L. O. Clark.

Mr. and Mrs. Jim Beyerlein and Julie of Indianapolis, Ind., have been visiting in the home of her parents, Mr. and Mrs. H. C. Murdeshaw, at Oak Creek Lake. Mr. Beyerlein completed a brief business trip into East Texas before joining his wife and daughter here.

A booster pump on Bronte's water line to Oak Creek Lake was installed last weekend and is in operation. The pump is bringing approximately 100,000 gallons of additional water into the city each day.

City officials said they believed the additional water would take care of the city's needs if citizens will not waste water and will observe rules for watering lawns and gardens.

Corneliuses Set Anniversary Party

Mr. and Mrs. Bert Cornelius of San Angelo will be honored Sunday, July 14, with an open house in honor of their 50th wedding anniversary. The celebration will be held at the couple's home at 412 Sellers St. in San Angelo and will be hosted by their children.

Mr. and Mrs. Cornelius were married July 9, 1924, in Robert Lee. She was the former Mollie Robinson. They lived at Bronte until 1966 when they moved to San Angelo. They are members of the Johnson Street Church of Christ and he is a member of the Bronte Masonic Lodge.

Their seven children include Raymond Cornelius of Floresville, C. D. Cornelius of San Benito, J. R. Cornelius of Austin, Bert Cornelius Jr. of Midland, and Mrs. Bernice Stone, Mrs. Louteen Knoche and Mrs. Naomi James, all of San Angelo.

They also have 14 grandchildren and 12 great-grandchildren.

DAVID JACKSON SUFFERS RATTLESNAKE BITE

David Jackson, 13 year old son of Mr. and Mrs. Bill Jackson of Bronte, has been in serious condition after being bitten by a rattlesnake and developing a reaction to the serum given to combat the poison.

The youth is in a Cisco hospital. He was visiting his grandparents when the snake bit him.

Bronte friends said reports received Thursday indicated that he "is doing as well as can be expected."

ICE CREAM SUPPER SET SATURDAY AT TENNYSON

There will be an ice cream and cake supper Saturday night at the Tennyson Community Center. Persons who have freezers should bring ice cream and others should bring cake. Everyone is invited to attend the get-together.

Still Every Other Day

Mayor R. T. Caperton said the City Council decided it is absolutely necessary to keep the every other day watering rule in effect. This system allows persons who live east of Washington Street to water on Mondays, Wednesdays and Fridays; persons who live west of Washington Street are allowed to water on Tuesdays, Thursdays and Saturdays. No watering will be permitted on Sundays.

Mayor Caperton said, "I believe we will have plenty of water if everybody will observe the rules."

For some two weeks Bronte residents have been allowed to water every other day for only 30 minutes.

Caperton said he was extending special thanks to Dayton Jackson and Bill Thomas for their assistance in installing the pump. He said Councilmen Louis Thornton and James Badgett also deserve the thanks of the city for all the work they did.

"I also want to thank all the citizens of Bronte who cooperated with the city in observing watering rules during the water crisis," the mayor added.

Persons working on the pump installation said the place where the old line was cut showed the pipe to be in excellent condition, with no built-up.
