Board miffed over boundary suit

County decides to fight

about dimmitt and castro county
by b. m. n.

The Castro County News, in its columns and editorials, has always supported every project, election, or whatever that it thought would result in a better and more prosperous Dimmitt. The fact that, through the years, our town has had orderly and substantial growth speaks well for the type of men who have served on the city commission and the support they have had from the townspeople.

We have ample reason to be proud of Dimmitt, its institutions, its reputation as a friendly city, and, yes, as a city of opportunity for those who are willing to invest their time and resources. So far as I know the people of Dimmitt have never turned down a bond election that was designed to bring better city services or living conditions to its inhabitants. But in each case, those elections have been called as the result of careful study, planning and cooperation of various business, civic and citizens groups. That is as it should be.

The people of Dimmitt will have the opportunity on Nov. 6 to vote on the adoption of a proposed new type of city government. Petitions, with a sufficient number of signers, were presented to Mayor Youts and he has called the election for that date when, if the election carries, the city government system will be changed from a commission to an aldermanic type of government. In either case the governing body will continue to operate under municipal (state) laws. Apparently the biggest difference in the two systems is that under one the governing body is composed of a mayor and two commissioners, as at present, or as proposed, a mayor and five aldermen.

One of the reasons, and possibly the main reason, given as the need for a change of system is that Dimmitt city government has become a big business and that a larger governing body is needed to look after the people's interest. The city's business is not that complicated. Whether the system remains a commission type or is changed to an aldermanic type, the city fathers will continue to operate under state municipal laws, and under those strict guidelines reasonable men, whether three or six, should make the right decisions and if they don't, one type is as apt to error as the other.

As I said at first, and it is my honest opinion, Dimmitt has, for these many years, had good orderly city government which is responsible [See DIMMITT, Page 14]

City absentee voting begins

Absentee voting is now underway for the Nov. 6 Dimmitt city election. Eighteen candidates have filed for three places on the city commission, in the event Dimmitt voters approve a change to the aldermanic form of city government on the same ballot. The change would expand the city's governing body to a mayor and five commissioners instead of the present two.

Absentee ballots may be cast at the city hall until Nov. 2. Nine absentee ballots had been cast by Tuesday afternoon. Next week's issue of the News will carry statements from the candidates.

FIRST BALE OF COTTON—The first reported bale of cotton was taken into Castro Co-op Gin Monday by Dan Heard. The cotton was raised at the Heard farm northeast of Dimmitt. Heard planted the cotton on May 5 and said he only prewatered it. The cotton is Paymaster 792 Variety and yielded one bale to the acre.

Cotton harvest starting as grain crop almost in

Cotton gins are gearing up for the season as first bales of the 1979 crop are beginning to trickle in after receipt of Castro County's initial bale on Monday of last week. It was ginned by the Castro Co-op Gin and grown by Dan Heard. A little later the same day the first bale in the Sunnyside vicinity came in to the Ross Family Gin, which reported five bales ginned by Wednesday of this week.

The Five-Point Gin handled its first bale Saturday and Bruegel Brothers Gin in the Frio community expected to begin ginning Wednesday. Other gins over the county are being readied for cotton due later this week or next week. Corn harvest is practically finished in the county and so is the soybean harvest, elevator operators report, but there will be another week or two before milo is all out of the fields.

Continued fair weather has enabled the grain harvest to move ahead rapidly, and also the sugar beet harvest which is in full swing now with hopes of completion by De-

ember if the weather cooperates.

Light freeze and frost Monday and Tuesday nights were beneficial to the cotton crop, killing the leaves and causing mature bolls to open ready for the strippers, ginners say. Effects of the freeze were spotty, Carl Bruegel added, and some growers are waiting to see whether defoliation is complete while others are using chemical defoliants.

Time marches back Sunday

Don't forget to set your clocks back an hour at 2 a.m. Sunday. At any rate, that is the official hour set for returning timepieces to Central Standard Time after a summer of Daylight Saving.

Central Standard Time will go into effect at 2 a.m., but most clocks will probably be set for the new system before bedtime Saturday night, so that extra hour of sleep can be enjoyed Sunday morning.

Corn coming in at Sunnyside is "very green" according to Mrs. Gene Ross, but the freeze has helped "and certainly didn't do any harm."

Clay Davis at Farmers Gin in Flagg said he expects cotton to open fully in a week or two, helped by the frosts. "It was time for a freeze," he said, "after the unusually warm weather that matured most of the cotton. In fact, our warm September made us a crop after a cool August delayed it."

Corn harvest in the Flagg area should be finished this week, J. R. Brown at Flagg Grain said, with milo being harvested for another week or 10 days. Soybean harvest is over there, he added.

Only milo remains in the Hart and Sunnyside communities, a spokesman for Farmers Grain elevators in those towns said, and it should all be cut this week.

Some milo growers are "waiting for a heavy frost," Bill Gregory said at Castro County Grain. He estimated [See HARVEST, Page 14]

Castro County commissioners and other defendants agreed after a heated discussion Monday to fight the class-action suit alleging unequal apportionment of precincts which was filed against them in US District Court Oct. 4.

The plaintiffs in the suit—Carmen Catano, Maria Rivera and Amelia Martinez, all residents of Dimmitt—charge that the commissioners' precincts are in violation of the one person-one vote standards set by the Supreme Court. They seek a court order to have the county redraw its precinct lines and at the same time avoid diluting Mexican-American voting strength in the county.

The suit contends that Pct. 2 contains approximately 3,130 persons while Pct. 4 contains approximately 1,710, and that if each precinct contained the "ideal equal population each would contain approximately 2,598 persons."

Named as defendants in the suit are Castro County; County Judge M. L. Simpson; Commissioners Ed Bennett, Edd Wilson, Anna Margaret Moss and Al Maurer; County Clerk Zonell Maples; Sheriff Granville Martin; County Democratic Chairman Oscar Wylie and County Republican Chairman Deanne Clark.

Bill Beardall, attorney with the Texas Rural Legal Aid and representative for the plaintiffs, met with the Commissioners' Court Monday for a rather lively discussion.

The commissioners and other defendants felt the civil suit was an attack on their personal integrity and were affronted that the route had been pursued instead of the petition route.

Commissioner Bennett said, "The court has never been opposed to reapportionment, but I resent being sued."

Beardall said the lawsuit was only "a vehicle to open up the issue" of reapportionment and implied no allegation of wrongdoing or illegality against the defendants. The suit must be filed against the persons who are legally empowered to conduct elections, Beardall said.

Under Texas election laws,

Beardall said, commissioners' courts may reapportion only in the July and August sessions and it now would require a federal court order to supplant the state law before the next county elections.

Asked why this process could not more accurately be carried out after the 1980 census figures are available, Beardall said he felt this would be unacceptable. The 1980 census data will not be released until late summer 1981, and in the meantime commissioners will have been elected for four-year terms under the unequal apportionment, he said, postponing redress of the inequality for four more years.

The suit contends that the county precinct lines, which were established in 1967, should have been redrawn following the 1970 census and that "any past and future elections conducted pursuant to the July 10, 1967 county reapportionment of the Castro County Commissioners' Court have been and will continue to be in violation of the rights of plaintiffs."

County Attorney Jimmy Davis said he feels Beardall is [See COUNTY, Page 14]

John Litsch funeral mass is conducted

Funeral mass for John Litsch, 81, of Nazareth were held Wednesday morning in Holy Family Catholic Church with Rev. Stanley Crocchiola, pastor, officiating and Jerome Brockman, a deacon of the church, assisting.

Burial was in Holy Family Cemetery under the direction of Wallace Funeral Home of Tulia.

Mr. Litsch died Monday morning at his home three miles east of Nazareth.

He was born Sept. 4, 1898. He was a native of Fay, Okla., and moved to Nazareth from Oklahoma when he was four years of age. He was a retired farmer and a member of Holy Family Catholic Church, the Knights of Columbus and the Catholic Order of Foresters. He married Pauline Huseman Jan. 28, 1933 in Subiaco, Ark. She died Dec. 25, 1974.

He is survived by five sisters, Catherine Huseman of Nazareth, Sophie Braddock of Amarillo, Rose Annen of Hereford, Sister Thomasine of Little Rock, Ark., and Annie Dysart of Enid, Okla.; and one brother, Rudolph of Nazareth.

Pallbearers were nephews Denis Huseman, Tim Huseman, Jerry Hollinstein, Don Crow, Donald Annen and Robert Walsh.

HOMECOMING QUEEN—Lori Barnes of Hart High School was crowned Homecoming Queen during halftime activities of the Hart-Farwell game Friday night at Hart. Miss Barnes was the candidate from the senior class.

BONFIRE KING—Daniel Higgins was crowned as Hart High School's Bonfire King during the pep rally that was part of HHS Homecoming activities last Wednesday night.

Halloween Carnival on tap Wednesday

Reservations have been made for 29 booths for the 1979 Halloween Carnival to be staged next Wednesday at Lamantia, Cullum & Collier, Inc. building in northeast Dimmitt. The annual carnival is sponsored by the Noon Lions Club.

There will be an admission charge of 50 cents for adults and 25 cents for pre-schoolers and students, or by a pair of eyeglasses. This is the primary way the Lions club makes money from the carnival. The club does not charge organizations for booth space.

A costume contest for children to the age of 10 will be held at 8 p.m. in a designated booth. Awards will be presented by the Dimmitt Noon Lions Club after the Dimmitt Young Homemakers judge the costumes.

The building will be open to everyone at 6 p.m. Wednesday and will close at 10 p.m. Each organization is asked to remove equipment and clean its area either that night or early Thursday morning.

"If the carnival conflicts with your church services, come before church or after," Hoover said. "In the past we've tried to hold it on Tuesday or Thursday night to avoid a Wednesday night conflict, but all it accomplished was to have two nights of Halloween; the kids were out on Halloween night anyway," he added. "The objective of the carnival is to make it a safe Halloween for the kids and to cut down on mischief."

The building will be open to allow organizations to construct their booths at the following times: Monday, Oct. 29 from 2-6 p.m. Oct. 30 from 2-6 p.m. Wednesday from 9 a.m. to 5 p.m. Booth reservations can still be obtained by contacting Doyle Hoover, carnival chair-

man, at 647-4302. The booths for various amusement features and sale of refreshments are available to local organizations without charge. Booth sizes are 18 feet square or 18x36 feet.

All booths and activities must have prior approval from Hoover. There will be no activities inside the building which will cause smoke. Also, no electrical equipment other than record players and public address systems will be permitted to avoid problems with the building's wiring system.

Propane or gasoline stoves or catalytic heaters will be allowed and extra light may be supplied with battery operated propane or Coleman type lanterns.

Pheasant hunt starts Dec. 8, lasts 30 days

Start of the pheasant hunting season in Castro County this year will be on Dec. 8, not Dec. 1 the date which appeared erroneously in a recent Castro County News story.

In a change made this year by the Texas Parks and Wildlife Dept., the season has been extended to 30 days, so pheasant hunting will be legal until Jan. 6. The legal limit for hunters is two cocks per day, four in possession.

On the season opening day, Dec. 8, a pheasant hunters' breakfast will be served by the Dimmitt Kiwanis Club at the County Expo Building, starting at 5:30.

Quail season here opens Saturday and extends to Feb. 3. Wild turkey season is set for Nov. 17 to Dec. 2, according to the TPWD "Texas Hunting Regulations."

Bruegel, Huseman garner top 4-H awards

GOLD STAR AWARD WINNERS—Randy Huseman and Ka Ka Bruegel were recognized as County Gold Star boy and girl at the 4-H awards banquet last Saturday at the County Expo building. Pictured from left are Huseman, County Judge M. L. Simpson, who presented the awards, and Miss Bruegel.

Ka Ka Bruegel and Randy Huseman were awarded Gold Star Boy and Girl pins at the annual Castro County 4-H awards banquet held Saturday at the County Expo building.

Edd McLeroy and Nell Ingram were recognized as Friends of 4-H. Miss Bruegel is the daughter of Mr. and Mrs. Fred Bruegel Jr. and is a member of the Bethel 4-H Club. She has carried projects in clothing, food and nutrition, sheep, swine, home environment, parliamentary procedure and citizenship.

She has served her club as secretary-treasurer and vice-president, also as representative on the County 4-H Council. She has taken the citizenship heritage and short course tour and attended Texas 4-H Congress. She is an active member of her school, church and community.

The 1979 Gold Star Boy

Randy Huseman, is the son of Mr. and Mrs. Dennis Huseman of Nazareth.

He has been an active member of the Nazareth 4-H Club seven years and has carried projects in swine, beef, poultry and home environment.

He has served his club as vice-president, parliamentarian and on the activities committee. He has represented his club on the County 4-H Council and as a member of the Castro County 4-H Junior Leaders.

Huseman attended Teen Leader Lab and the State 4-H Roundup. His special interest is showing swine.

McLeroy was honored as a friend of 4-H who has been a friend and supporter of 4-H club members since he first came to the county in 1952.

He serves on 4-H committees, is in charge of all cooking activities for 4-H events, [See 4-H, Page 14]

SSA urges caution . . . ask for identification

Social Security officials in the five-state Dallas Region have issued warning of a growing number of cases of swindlers who prey on older people by posing as social security employees. In the past two weeks, we have had at least eight cases of swindlers operating in New Mexico and southeastern Oklahoma, said Ray Purcell, manager of the Plainview Social Security office. An 87-year-old New Mexico man had saved \$1,358 to pay for his funeral. A con man, who posed as a Social Security representative and said he would get the man more benefits, took the money and disappeared, Purcell said. Similar incidents occurred in other Spanish-speaking communities in New Mexico. A 64-year-old man lost \$800 the same day, and another man lost \$600 the week earlier. An aged couple in Broken Bow, Okla. lost \$260 to two swindlers posing as Social Security representatives. One of the men, posing as a doctor, said he would do a physical examination, and if their health were poor enough, they would receive from \$100 to \$125 more in benefits. Other Social Security offices in McAlester, Hugo and Poteau, Okla. also have received several reports of people posing as Social Security employees in order to gain admittance to homes. Once inside, these people will try to steal money or other valuables, or sometimes will try to sell worthless junk, Purcell said. In one case, three imposters entered a couple's home on the pretense that social security wanted to give them new carpet to help their arthritis. The Social Security Administration urges everyone to be extremely cautious of anyone appearing at their home claiming to be a Social Security representative, Purcell said. We suggest that before admitting anyone, ask for identification, then call the Social Security office to verify that the person does work for Social Security and has been sent to your home.

A baseball throw will be conducted by the eighth grade and the seventh grade will have a "Dating Game" booth. Future Farmers of Hart will hold a pool game and the Future Homemakers will have a fishing pond.

Here FHA will have a dart throw and the CVAE boys will have a dart throw booth. The country store will be conducted by the Longhorn Band.

View from the Library

By BRICK AUTRY
 Librarian

The American Library Association used to advertise libraries by listing all the activities one could do in a library. I remember it because I was in school then and I never had time to do all those nice little things other people could do like "explore new worlds." I was too busy trying to pass cataloging 101.

The ALA was inventive. It included all the things patrons don't think of at first. Who, for example, goes into a library and starts perusing the potted plants in search of enlightenment? A lot of the music students used to do that, but when they were high on something they'd peruse all sorts of strange objects.

On this same theme, then, I'd like to mention some things patrons can do when they come to Rhoads Memorial Library.

- One can come in and:
 - Peruse the Norfolk pines.
 - Watch the cards in the catalog turn yellow.
 - Observe our four walls.
 - Check out a record and enjoy looking at the grooves.
 - Pad around on the carpet barefooted.
 - Read a book upside down.

You see, the possibilities in this library are endless. Of course, you can always come check out a good book like any other sane person.

Turkey walk slated for November 3

The Turkey Walk, a walkathon sponsored by the Key Club to benefit the American Heart Association, will be held from 10 a.m. to 4 p.m. Saturday, Nov. 3. The walk will start at Bobcat Stadium.

Sponsor sheets can be obtained at the school administration office or by calling 647-5362 or 647-3105 and asking for Kelly Davis.

Participants need to get money pledges for each mile walked in the Turkey Walk.

Two turkeys will be awarded as prizes for the most money brought in and two turkeys will be awarded to those who turn their money in on time.

Each participant is required to have a partner to count his miles.

Refreshments will be served.

WITH food prices expected to increase up to 10 percent this year, the consumer's willingness to plan nutritious meals, show carefully and focus on "nutrient-dense" foods will determine the consumer's buying power.

Veterans office closing 2 days

Castro County Veterans Service office will be closed Tuesday, the next regular office day, according to Bedford W. Smith, service officer. The office will remain closed Wednesday and open Thursday and Friday at regular hours, 9 a.m. to 12 noon and 2 to 4 p.m., Smith said.

He announced that the office is ready to assist VA pensioners in filling out their annual income questionnaire cards, a free service which

may help some veterans avoid losing pensions or having them reduced.

Beginning Nov. 1, Smith said, the Veterans Administration toll-free service number will be changed to 1-800-792-3271.

THE US Dept. of Agriculture's projection for a record-high \$32 billion in farm exports this year means a 17 percent increase in value over last year's foreign farm trade.

BRUNO SCHROEDER (left), executive vice-president of the Texas Federation of Cooperatives, and Texas Agriculture Commissioner Reagan Brown look over Gov. Bill Clements' proclamation declaring October as Farmer Cooperative Month in Texas. Brown is the honorary state chairman for the special recognition.

Clark helps coordinate 'Co-op Month' activities

As president of the Texas Federation of Cooperatives, Bill Clark of Dimmitt is helping coordinate "Farmer Cooperative Month" activities throughout Texas.

Clark is the general manager of Dimmitt Agri Industries, Inc.

Throughout the nation, the month of October is annually proclaimed and recognized as Farmer Cooperative Month. Federal and state governments, national and statewide associations cooperate in the effort to recognize the role of cooperatives in today's society.

Texas Gov. Bill Clements, in his official proclamation, urged the people of the state to "give special recognition to the constructive and responsible role of agricultural cooperatives in the economic progress of our state."

The Texas Federation of Cooperatives, which is headquartered in Austin, has

named State Agriculture Commissioner Reagan Brown as Texas' honorary chairman for Farmer Cooperative Month.

Clark said that farmer-owned cooperatives play a key role in making the family farm the highly productive and efficient system it has become.

"Food is still one of our biggest bargains," Clark noted. "The citizens of the US spend an average of just 18 1/2% of their disposable income for food, contrasted to 30% in England and Japan, 55% in Russia and almost 85% in many Asiatic and African nations."

In Texas, Clark reported, there are 450 farmer-owned cooperatives that process and market commodities, purchase farm supplies and equipment and provide services for approximately 125,000 member-patrons. During the past year, these cooperatives had a business volume

exceeding \$2 billion, Clark said.

Caddell given 25-year pin by Pioneer

Robert Caddell received an award for 25 years' service Tuesday night at an annual awards ceremony of Pioneer Natural Gas Company.

Mary L. Weatherford received an award for 15 years of service and Michael E. Leavitt for 10 years of service.

The banquet honoring Amarillo area employees was held at the Country Squire Dinner Theatre at Amarillo.

A total of 133 awards were presented to Amarillo area employees by K. Bert "Tex" Watson, president of Pioneer Corporation.

God and Family rally draws audience of 275

An audience of 275 heard State Rep. Clay Smothers of Dallas speak in a God and Family rally last Tuesday, sponsored by the Pro Family Forum in Dimmitt High School auditorium. He called for "a return to manners, morals and patriotism" by both black and white Americans.

Smothers, administrator of St. Paul Industrial Training School for Disadvantaged Children at Malakoff, Texas' only home for black children, told of successes there by instilling respect for home and family, self-respect and pride in accomplishment.

Smothers urged members of both black and white races to "involve themselves in politics and speak out to hold onto freedom from government, which has not and cannot solve problems of crime and education with massive financial assistance."

The crowd responded with applause and "amens" when Smothers, who is black, announced that he will run for the US Congress and continue to fight for conservative leadership for "his people."

Mrs. Don Workman, president of the Lubbock Eagle Forum and a member of the Texas Commission on the Status of Women, spoke briefly on developments in the In-

ternational Year of the Child. Wesley Putnam, Methodist minister from Hale Center, entertained with his compositions, "Tomorrow" and "A Child."

Nineteen area towns were represented in the audience. Gerald McCathern of Hereford, a candidate for the Texas Senate, was introduced.

First Baptist attendance goal is set

A goal of 350 has been set for Sunday School at First Baptist Church in Dimmitt for its high attendance day Sunday.

The church is participating in a Southern Baptist Convention-wide emphasis with the theme "Great Day in the Morning."

Zelda Ellison will present a concert during the 11 a.m. worship service Sunday and the children's choir will present special music at the 7 p.m. service. Mrs. Avie Lewis is the children's choir director.

Nancy Cantrell hospitalized after accident

Nancy Cantrell of Dimmitt has been transferred to an Amarillo hospital for treatment of a broken pelvis she received in an accident last Wednesday afternoon at the Hwy 385 and FM 145 intersection.

A 1976 Chevrolet driven by Joyce Ketcherside of Farwell was traveling east on FM 145 and apparently did not see a 1969 Pontiac driven by Linda Burton of Dimmitt, State Trooper Dyrle Maples said.

The Ketcherside vehicle struck the Burton vehicle on the side and ran into a field southeast of the intersection.

Burton and Ketcherside were treated for bruises and abrasions at Plains Memorial Hospital and released. Cantrell was treated for a multiple pelvis break and later transferred to an Amarillo hospital.

Ketcherside was charged with failure to yield the right of way at a stopped intersection.

Both vehicles were a total loss, Maples said.

INSTEAD of a 20% decline in fiscal 1979 purchases, as predicted earlier, the USSR is now expected to spend \$2.3 billion on US farm products this year, 20% more than last year.

Pickup theft may link with murder case

The Castro County Sheriff's Department has a nationwide search in effect with the Crime Investigation Center to locate a pickup belonging to Ed Bennett of Hart.

Bennett's 1979 red Chevrolet pickup was taken from in front of the Green Frog Cafe in Hart last week while Bennett was inside the cafe.

Sheriff Granville Martin said that the sheriff's office in Tulsa believes that the theft of the Bennett pickup and several others in the area may be linked to a murder in Oklahoma City.

The thieves first took a pickup in Oklahoma and left it in Kress by the Orville Preston place, Martin said. They then took a pickup belonging to Darryl McLain and left it in Hart, taking the Bennett pickup.

A lady working in the Green Frog Cafe at the time of the theft told sheriff's officers that she saw two men get out of a pickup and get into the Bennett pickup and drive away.

The sheriff warns residents of the area not to leave the keys in their vehicles. "These people and others like them are looking for vehicles with the keys left in them," he said.

Have treats, no tricks

By TERESA L. CRISWELL

Entertain the "ghosts and goblins" at home—with safe fun and nutritious treats.

Consider a Halloween stay-at-home party for your children and their friends, rather than trick-or-treating this year. Your own home affords all the joys of costumes, games, fun and party foods—and expenses can be low. Also, your children can help with the preparations.

For the menu, try some ideas below—they're more nutritious than the usual "loot" and lots of fun to make.

Jack O'Lantern Pizzas
4 English muffins, split
1 T. vegetable oil
1 8-oz. can pizza sauce
8 slices (3 1/2" x 3 1/2") Mozzarella cheese

Heat the oven to broil. Place the split muffins on a baking sheet, brush with oil; broil until light brown. Reduce oven temperature to 400° F.

Spread 1 generous tablespoon pizza sauce onto each muffin. Trim corners from cheese slices to make circles.

Cut out a Jack O'Lantern face on each circle of cheese with a paring knife. Place 1 cheese face on each muffin; bake until cheese melts. Serves 8.

Party Sandwiches
Whole grain bread
Cream cheese
Toppings: apple slices, raisins

Allow cream cheese to soften outside refrigerator for a half hour before using. Spread on a slice of bread; cut the sandwich into quarters and decorate with an apple slice or raisins.

Ghost Boats
Celery stalks (3 1/2" to 4" in length)
Cream cheese or pimiento cheese
Wash celery and fill with cheese.

Cut out a ghost from white

Kids Inc. needs hamburger meat

Kids, Inc. is in need of hamburger meat for its hamburger stand at the Halloween carnival.

Anyone wishing to provide meat may notify the meat department in any Dimmitt grocery store or contact Jean Robb at 647-4371.

Police calls

Castro Co-op Gin reported vandalism damage on three different occasions recently.

Two lights were taken from an International Combine Wednesday valued at \$25, on Oct. 12 the rear section drive-shaft valued at \$300 was taken and seven windows were reported broken out of the gin with beer bottles Thursday. It will cost approximately \$100 to replace the windows. The case is still under investigation.

While on patrol duty last Wednesday officer Dewayne Haney noticed that the north door to the Dimmitt Safety Lane was open where it had not been 10 minutes earlier. He also said that he noticed that more lights had been turned on inside the building.

Haney contacted an employee of Dimmitt Safety Lane and told him of the open door. They found a jacket inside the building but nothing seemed to have been missing.

An estimated \$75 in damage on an automobile was reported last Friday night. The owner told police that she had left her car parked at the high school while attending a football game and when she returned she found that her car had been egged and obscene words had been painted on it with shoe polish. A dent was also reported on the front of the car.

A woman was seen knocking the windows out of an automobile with a tire tool last Saturday night at the Phillips 66 station. Damage to the vehicle was estimated at \$495.

A Dimmitt man told police that someone had scratched the paint on both rear fenders and the trunk lid of his car Monday. Damage is estimated at \$200.

Officers also investigated three traffic accidents and other minor offenses.

Layette party is announced

A baby layette shower will be held from 9:30 to 11 a.m. Saturday for Christy Barlow Clark in the home of Mrs. Melvin Boch, a half mile north of the traffic light in Earth.

Mrs. Clark is the daughter of Mr. and Mrs. Shorty Barlow, former Dimmitt residents. No invitations are being mailed for the shower.

Chocolate Gelatin Candy
2 cups water
4 pkg. plain gelatin
1/4 cup instant milk
4 T. honey
1 1/2 squares unsweetened chocolate

Soak gelatin in cold water. Stir over low heat until gelatin dissolves. Add other ingredients and cook until the chocolate is all melted. Pour into 8 or 9 inch square cake pan. Set in refrigerator. Cut into small pieces to serve.

Honey Crunch Peanut Balls
1/2 c. + 3 T. peanut butter
1/4 cup toasted oats
2 T. + 2 tsp. honey
1/2 c. shredded coconut
1/2 c. finely chopped nuts

To toast oats: Spread on baking sheet and bake at 350° F. until light golden brown. Combine peanut butter, toasted oats, honey and coconut. Shape into 1/2-inch balls. Roll in nuts; chill. Makes about a dozen no-bake cookies.

Grand Jury indicts 5

The Castro County Grand Jury indicted five men last Thursday and a guilty plea was heard Monday by Judge Van Stovall in 242nd District Court.

Those indicted Thursday were: Hubert Allen Faulkner, burglary with intent to commit rape Aug. 12 at a Dimmitt woman's residence.

Adam S. Garcia, DWI, subsequent offense, Sept. 29. Joe Castillo, theft of stolen property in connection with a recent burglary of Randy Pope's home at Hart.

Albert Castillo, burglary of habitation, also in the Pope case. Eleazar L. Moran, DWI, subsequent offense, Oct. 6.

Dist. Judge Stovall received a guilty plea Monday from Fernando Aguilar Garcia.

Garcia pleaded guilty to a DWI second offense. He was assessed a \$250 fine, \$80 in court appointed attorney fee and court costs and four year's probation.

UW campaign reaches 60%

The United Way Drive needs pledges of \$3 per month from 177 people and the UW's goal will be reached, campaign chairman Gary Moore announced this week.

The UW now has 60.74% (\$9,870.25) of its 1979 goal in, Moore said.

The phone campaign will begin next week, UW volunteers will be calling on the residents of Dimmitt to give their fair share.

"I am surprised that other communities have had better success with their campaign, but they have gone through the employers as we have done in the past. Maybe that is where we made our mistake this year," he added.

SHARP CAROUSEL

We're very proud to announce that we now have one of the largest and most varied selections of renowned Sharp Carousel Microwave ovens in this area. So do come in and see the microwave ovens that changed James Beard's mind about microwave cooking.

We have the most talked about oven in the industry today—the SHARP LA CARD that cooks by pre-programmed recipe cards. Also ovens that are controlled by computer micro-processor circuits, by temperature probes, and by manual timers. We have ovens that brown, and even ovens that are compact enough to fit nearly anywhere.

Do come in and try out one of our Sharp Microwave Ovens. They're the only ovens that feature the famous SHARP rotating CAROUSEL.

James Beard, Dean of American Cooking on the new Sharp microwave ovens.

"At Sharp I have discovered product excellence is no accident. It takes enormous effort and skill. And it takes something more, original thinking... finding new ways to solve old problems."

Littlefield wins on late TDs

By JIMMIE CHAPMAN

The Littlefield Wildcats may be AP's sixth-ranked team in the state, but they had to fight for their lives to take the opening District 3-AA game from the Dimmitt Bobcats, 24-6, with two late-fourth-period TD's.

The Bobcats were trailing only 12-6 in the final period Friday night at Littlefield when Robin Ryan intercepted Eddy Gregory's pass and ran it back to the Littlefield 37-yard line to set up what could have been the go-ahead score. But after Jimmy Stewart gained only three yards in three attempts, the Wildcats took over and the Bobcats never threatened again.

The quick-striking Wildcats wasted no time at the start of the game as they scored on their first offensive play. After Dimmitt's first punt, Ruben Torres swept around right end and went 66 yards for the first TD of the game with 10:15 left on the clock. The extra point attempt was wide, and the Wildcats led 6-0.

A strong southerly wind dealt misery to the punters and pass receivers the entire game. Then, too, the clock went out early in the game and that made it tough on the spectators—especially in the fourth period when the Bobcats were fighting back but no one knew how much time was left.

Gus Ortiz took over the punting duties for the Bobcats as Gary Naylor, Dimmitt's star pass receiver and punter, was out with a virus and couldn't make the trip. Ortiz did an outstanding job considering the wind, and he also stood out on defense.

There was no other scoring in the first quarter, but Littlefield got its second TD early in the second period when Micheal Williams took it

over from the 4-yard line to climax a drive that had started on Dimmitt's 47. Eddy Gregory tried to pass for a two-point conversion, but it went incomplete out of the end zone and the score stood at Littlefield 12, Dimmitt 0.

The Bobcats came roaring back and took the ball downfield midway through the second quarter. Runs by Norris Cole and Jimmy Stewart and a 30-yard pass from Robin Ryan to Randy Washington advanced the Bobcats to the Littlefield 21-yard line. Cole, Stewart and Washington all tried to get in, but the tough Wildcat defense held, then Torres intercepted a Ryan pass in the end zone and ran it back to the Dimmitt 46 before he was hauled down.

The third period was scoreless, but just before the end of the quarter, Dimmitt got into field position to score its TD when Gregory's punt went only five yards against the wind and the Bobcats took over at the Littlefield 30. Ryan heaved a pass that was good for six yards to Chevo Ortiz, then Washington lost a yard as the third quarter ended.

Ryan kept and went 16 yards around left end to put the ball on the 9-yard line. Washington gained three and Stewart got one to the 5, then Stewart went in for an apparent TD. But it was called back and the Cats were penalized to the 10-yard line. Stewart faked a run inside, then went wide and raced the 10 yards for the score. Washington tried the extra point kick, but against the wind, it was no good. The score was now 12-6, and nobody but the officials knew how much time was left.

Littlefield opened up its highly touted passing game after receiving a squib-kick from Washington at the Wildcat 44 yard line. Gregory

threw incomplete, then hit Dale Demel with a pass for nine yards, but Ryan picked off his next attempt and raced it to the Littlefield 37 to give Dimmitt new hope.

But the Bobcats could gain only three yards on a pair of runs, and after an incomplete pass, the Wildcats took over at their own 34-yard line. On runs by Torres and Williams, Littlefield moved the ball to the Dimmitt 24 and from there Torres took it in standing up. The conversion pass was no good and the score was 18-6.

Littlefield got its last TD on a 57-yard drive that saw Joe Paul McCanick carry the ball every play except one. He finally went in from the 9-yard line. The kick again was no

good and the final score was 24-6.

Littlefield's Ruben Torres was the leading ground gainer for the night with 161 yards in 14 carries, while Stewart was Dimmitt's leading rusher with 49 yards on 19 attempts. Ryan got 34 yards total but was sacked for losses three times and ended up with 17 net yards officially. Washington got 20 yards on eight carries and John Laurent and Norris Cole chipped in five yards apiece to account for the Bobcat offense. Ryan hit on three of 11 passes for 52 yards, while Littlefield's Gregory completed 4 of 12 for 40 yards.

The Bobcats will entertain the Olton Mustangs Friday at 7:30 at Bobcat Stadium in

another 3-AA game. Olton lost last week to Morton and has the same record as Dimmitt, 1-5, for the year. Meanwhile Muleshoe will tangle with the Wildcats at Littlefield this week in what could be the district championship game. The Mules had to come from behind twice Friday to beat Friona, which takes on Morton this week.

Perfect record is retained by Dimmitt High freshmen

Dimmitt High School Freshman gridders added Littlefield to their string of victims and boosted their record to six wins with no losses when they entertained the Littlefield frosh last Thursday night. They piled up 31 points and held their foes scoreless.

Coming into the second half with a 17-0 edge, Dimmitt staged a spectacular scoring play as Fermin Gonzales returned the kickoff 88 yards for the touchdown. Johnny Gonzales passed to David Ogas for the two-point conversion.

Later in the quarter a Littlefield punt was blocked on the 6-yard line and Richard Guzman carried the ball over.

Guzman had made both the first half touchdowns, first on a 13-yard run after Sid Sageser recovered a fumble on the Littlefield 41 to start a drive, and the second on a four yard final push after another fumble recovery by F. Gonzales.

Jeff Watts began the scoring with a 32-yard field goal, then kicked for extra points twice. Neither team mounted a serious scoring threat in the final quarter.

Ron Rickenbrode completed three of six passes for 65 yards, and Watts caught two passes for 54 yards. Outstanding defense caused sev-

eral turnovers that set up scores, Coach John Thomas noted.

RED-DOGGING—Hart's Isaias Ponce, Scott Jones [51] and Melvin Washington [41] put the pressure on Farwell quarterback Mark Owen as he tries to find a receiver during the

first half of the Longhorns' Homecoming Game Friday night. The visiting Steers won the District 3-A opener, 14-8.

Swifts whitewash Claude

By CHRIS ALBRACHT

The Nazareth Swifts, relying on specialty team play and a dominant defense, whitewashed the Claude Mustangs, 20-0, at Claude's Homecoming game Friday night.

The Swifts, now 4-3 for the season and 1-1 in District 2-B North play, were led by Bryan Huseman, who gained 144 yards on 24 carries and scored two of the Swifts' three touchdowns.

At first it was a defensive standoff as each team failed to muster a first down.

But in the second quarter, the punt return unit set up the first Swift tally as Joe Hochstein blocked a Claude punt to get the momentum going. Seven plays later, Bryan Huseman toted the ball in for the score from three yards out. The kick was no good, and Nazareth led by 6-0 with three minutes remaining before halftime.

The second half started like the first half had, as a defensive battle, but after a Claude punt to the Swift 35, Huseman gained five yards in two carries, then John Stef-

fens completed his first pass of the night, a 60-yard bomb to Jeff Schmucker for the score. Huseman added the PAT, and the Swifts led by 13-0 with 2:09 left in the third.

The Swifts forced the Mustangs to punt again and got the ball back with 25 seconds left in the third. After Huseman ran for two yards, he opened the fourth quarter with an option pass to Schmucker at the Claude 22 for a gain of 37 yards. Two plays later, Steffens completed the final Nazareth pass of the night—a 14-yarder to Gary Book at the 5-yard line.

The Swifts gained two yards through the middle, then on second down Huseman scored the final TD on a three-yard run. He also added the point after, and the Swifts had their eventual game-winning edge of 20-0.

With three minutes left, Coach Eddie Hooper inserted his second-team defense, and Jimmy Kern and Neal Hoelting responded by making two big defensive plays apiece

that stopped Claude drives. Kern had two unassisted tackles while Hoelting made two quarterback sacks.

The Swifts will continue on the road Friday night as they travel to Silverton to take on the arch-rival Owls. Kickoff time will be 7:30.

Dimmitt 8-A has revenge in win from Littlefield

Victory was sweet for Dimmitt's eighth grade A team at Littlefield last Thursday as the 20-12 win made up for the Dimmitt team's only loss—to Littlefield—last year.

Dimmitt's 7-A also played at Littlefield, dropping an 18-0 contest. B teams both lost games to Nazareth.

The eighth grade A scored twice in the second quarter for a 12-0 lead at the half, only to lose it as Littlefield got a touchdown in the third and another in the fourth.

With 2:11 left Mark Bruegel scored on an 11-yard run to climax a 70-yard drive which included a 40-yard pass from Tim Kenworthy to Robert Nelson to the 30.

David Barton blocked a punt that was recovered in the end zone for Dimmitt's opening score. Richard Saucedo caught a 35-yard pass from Bruegel to make the next touchdown. A 30 yard TD pass from Kenworthy to Nelson in the fourth quarter was called back for offensive pass interference.

Brad Holcomb was another standout on offense Coach Jerry Durham said. Roy Tijerina, Dwight McDonald and Robby Hottel were others mentioned on defense. The team's record this season now stands at 3-1.

In the seventh grade game, the defense showed improvement from the last game, playing well except for the

breakdowns. Offensive punch is still missing.

Outstanding on defense was Albert Gonzales, while Doug Nelson showed up on offense and Nathan Nelson had a good game both ways.

Nazareth got in only one drive against the Dimmitt 8-B, but that was enough for the game's only touchdown, in the third quarter and a 6-0 victory. Dimmitt got inside the Nazareth 10 in the first half, but Nazareth held for four downs.

Randy Creighton's punting kept Nazareth in a hole most of the game. Mike Stanford, Noe Jackson and Jody Short were defensive standouts for Dimmitt; while Scott Lane, Paul Flores and Jerry Fuentes showed up well on offense.

Dimmitt 7-B had trouble moving the ball and had two punts blocked as they failed to keep their opponents from making a touchdown in each quarter. Nazareth made points after the two first half scores, but Dimmitt held them on their last two tries, and the score wound up 28-0.

Raul Ramos was effective on defense and Ray Cameron did the best job for Dimmitt offensively.

Steers top Hart, 14-8

By MONTY UPTON

Hart's Longhorns penetrated four times Friday night but could score only once as they dropped their Homecoming game and District 3-A opener, 14-8, to the Farwell Steers.

The Longhorns' recurring bugaboo, turnovers, again proved costly.

Neither the Horns nor the Steers generated much offense in the first quarter, but Hart did start a drive at its own 49 that carried into the second stanza and down to the Farwell 13 before running out of steam. A penalty and a fumble took away the threat.

The Steers' next series ended when Isaias Ponce intercepted a pass at the Hart 40 and returned it to the 44. Hart then drove to the Steer 19, but the threat ended on a Farwell interception. The Steers were forced to punt and Ponce took the ball at the Horn 31 and almost broke it all the way by returning it 51 yards to the Farwell 18. However, four plays later Hart fumbled at the Steer 3.

Hart's next series was a single play that resulted in the third Horn turnover of the evening. Farwell then had the ball only four plays before Hart noseguard Jesse Gonzales fell on a bobble at the Hart 22. The two teams were still locked in a scoreless tie when time ran out in the second quarter.

Halftime ceremonies included candidates Janet Black, Emma Castillo, Irma Godino, and the crowning of Queen Lori Barnes.

The third quarter brought the first score of the game following a Hart 15-yard penalty and two big breaking

plays. Farwell QB Mark Owen broke from nine yards out for the score with 1:34 left, and Mac Langford added the kick.

Farwell's first possession in the final period also used two long gainers on passes before Owen hit halfback James Castleberry for 20 yards and the score. Langford again added the kick, hiking Farwell's lead to 14-0.

The Horns, however, didn't quit. The following series ended with a Hart punt, but the Steers fumbled three plays later and the Horns, looking like Horns of old, went to work.

Using a key interference call and a 14-yard pass from Derek Rich to Melvin Washington, Hart drove to the 8-yard line. Rich then got within half a yard of the goal line on two keepers before halfback Keith Newsom got the score with 15 seconds left. Newsom then added the PAT run.

The ensuing on-side kickoff almost, but not quite, fell into Hart position. Farwell was then able to run out the clock.

Despite the loss, the "Mean Maroon" played better than they have all year. For their team effort, coaches gave special accolades to Daniel Higgins for his high percentage of carrying out blocking assignments on the offensive line, and to Melvin Washington for his excellent job of jamming the blocker, reading, and sliding down the line to make the play from his defensive tackle position.

Hart will travel to Bovina Friday night for a district encounter with the Mustangs. Game time is 7:30.

Mary Dixon's burial rites are held here

Funeral services for Mary Dixon, 86, of Friona, a member of a pioneer Castro County family, were conducted Monday afternoon in First Baptist Church at Friona and burial followed in Castro

Memorial Park of Dimmitt. Rev. C. H. Murphy, pastor of the church, officiated.

Mrs. Dixon died Friday. She had lived in Friona 59 years, but grew up here. Born in Missouri, she came with her parents, the late Mr. and Mrs. Charles McLean, to Castro County as a small child. The family settled on land west of Dimmitt, living in a dugout until a house could be built.

Her father established the first bank in Dimmitt, which is still operated by members of the family. Her husband was C. W. Dixon, from another pioneer family of Castro County.

Mrs. Dixon was a sister of

Alice McLean Anthony of Dimmitt, and the aunt of Bob McLean.

Survivors include a daughter, Mrs. Ray Landrum of Friona; two sons, James of Friona and C. E. "Buck" of Clearwater, Kan.; two sisters, Helen Tilger of Lubbock and Mrs. Anthony; 11 grandchildren, nine great-grandchildren and one great-great-grandchild.

Social Security representative's November dates

A representative of the Social Security Administration office will be working from 10 a.m. to 12 noon on Nov. 1, 8, 15 and 27 at the courthouse in Dimmitt.

Social Security information can also be obtained by contacting the Plainview office at 1-293-3271 or by going to the office at 1401-B West 5th St. in Plainview.

Here's Hart's school menu

TUESDAY - Hot cereal, toast, juice, milk. Lunch: Steak fingers, hot rolls, mashed potatoes, green beans, white cake, milk.

WEDNESDAY - Breakfast: Sweet rolls, juice, milk. Lunch: Cheeseburger on homemade bun, French fries, fruit, milk.

THURSDAY - Breakfast: Cold cereal, bananas, milk. Lunch: Enchilada casserole, tossed salad, buttered corn, pineapple cake, milk.

FRIDAY - Breakfast: Cinnamon toast, applesauce, milk. Lunch: Fried fish, tartar sauce, corn bread, cabbage salad, beans, apple cobbler, milk.

Nelson elected to Angus Association

Joe Nelson of Dimmitt has recently been elected to membership in the American Angus Association.

The Angus Association is the largest beef cattle registry association in the world. Its computerized records include detailed information on nearly 10 million registered Angus.

Most of these registered Angus records are used by US farmers and ranchers who raise high quality beef for US consumption.

Several came from Earth. We saw Beulah Newton, Adria Welch, Gladys Goodwin, Leta Kelly, Annie Runyon, Gladys Parish and Lee Campbell, also Mr. and Mrs. Findley from Littlefield.

Jimmy Frazier and Sylvia Bahr were married Oct. 16 in a double ring ceremony at Grace Presbyterian Church at Plainview. Sylvia's home was in South Dakota, but she worked in Plainview. Jimmy has worked in Lubbock and they will live there. Jimmy is the son of G. B. and Sally Frazier. His grandparents are Glover and Mary Lou Frazier and Mr. and Mrs. Phillips of Paris.

Frankie Stanford of Austin is here for a visit with her son Johnny Stanford and family and to visit long time friends. Frankie did live in Dimmitt.

The Betty Campbell Circle of United Methodist Women were hostesses at a birthday party for Mrs. Edna Lippard, who is 94 years old. Mrs. Lippard lives at Westgate in Hereford. This party included other birthday people at the home. Going from Dimmitt were Mildred Bradford, Ina Cleavinger, Katy Wright, Mary Lu Smithson, Grace Lust and Vera Webb. They visited with Beulah Wright, who lives there.

This week Ina Cleavinger and grandson Zeke visited her mother Mrs. Garland Lewis, who lives near Sweetwater. Mrs. Lewis has not been well but is better now. And Jim and Ina attended the Dad's Day game at Tech with son Jimmy.

Polly Bell has had much company this past week, her brother George Schaeffer and a friend from Quartz Hill, Calif., and a sister-in-law and her husband, Rev. and Mrs. Thomas Forester from Campbellville, Ky. They also visited nephew Lonnie and Janice Bell and their sons, Mike and Michelle and Rick and Susie and on to Canyon to see niece Karen and Don Sheffy and girls.

Friday was Gail Nelson's birthday, so the girls in the family, Janice, Lucy, Sandra, Connie and son Stanley took her to K-Bob's for a steak dinner. She says the boys were out harvesting the corn and maize.

Editor B. M. Nelson and daughter Mary Burnham of Albuquerque are home from a visiting and rambling around trip down south, first to Beeville to see Bascom, Penny and daughter Susan, on to Victoria where his brother P. M. and family live, a drive through the Valley. He says he drove the car well but Mary did a job road watching.

Marie and Curtis Tate returned home this week from Mooreland, Okla. where they visited her mother and all seven brothers and sisters, there for Mrs. Kay's 91st birthday. They also attended the school homecoming.

At the cafe we saw Mr. and Mrs. Clarence Hance with their daughters and family, Mr. and Mrs. David Honea and Shari, here from Dumas, Mr. and Mrs. Paul Wilson from Clovis, Martha Isaacs and son Jeff of here, Mr. and Mrs. Edmund Casados from Dumas.

Our sympathy goes to the Ivey family, especially Eleene Ivey Butler for the loss of her husband, Weldon Butler. They were in Uvalde having supper in a cafe when Weldon suffered a heart attack. He passed away later about 2:30 a.m. His body was brought back to Levelland for burial. Eleene is the daughter of Floyd Ivey and a sister to Frances Frazier, twin sister of Mrs. Ellen Howell of Levelland.

Don and Verbie Nelson and George and Adeline Rush drove to Bull Shoals, Ark. this past weekend to catch trout. They stayed at the Rushes' house there and were joined by Adeline's cousin from Tulsa and Art and Charlene Law from Kansas City. The weather was great, the trees and hills lovely, and the fishing was good.

Bird hunting down in southwest Texas was the sport these Dimmitt men enjoyed last weekend, Jimmy Ross, Bo Jackson of Kansas City, Jack Bradford and some other fellows. I heard they got a few birds, fun to get away from

home anyway.

Wannie Stevens says that she and Serena Teague have had their houses facelifted recently with a new paint job done by friend Paul Catoe. She calls him a miracle man with a paint brush. They want everyone to drive by and see. Trouble with that is the rest of us will have to get busy and paint and clean up.

The Senior Citizens ladies have several homemade quilts for sale. Go by for a look, and do come to the Tuesday evening parties at 6:30.

Faun Welker, Gladys Benson, Juanita Blaine and her friend from Plainview spent the weekend at Ruidoso playing in that big bridge tournament.

J. W. Casey and Rae Catoe were married Sept. 28 in Amarillo. After a short honeymoon they will make their home in Dimmitt. Casey is from Muleshoe and is a carpenter. Rae is employed at Plains Memorial Hospital.

Harvest Hoedown scheduled Saturday

Lubbock junior stock show is discontinued

The Lubbock Chamber of Commerce announced today that the Southwest Junior Livestock Show would not be held in 1980 and subsequent years.

It has been deleted from the program of the Chamber and will be replaced by other programs of support of the livestock industry and of youth activities in the West Texas area.

These activities will include "know how" seminars on livestock production, individ-

ual work with local 4-H and FFA chapters and a greater participation of the chamber in local West Texas County stock show activities beginning in January.

It was the feeling that the Southwest Junior Livestock Show in some respects was a duplication of effort insofar as stock and shows are concerned.

Funds were difficult to raise to support the stock show and more good could be done for the livestock industry and

youth activity programs by realigning the Chamber's emphasis.

County reappoints CCHA directors, approves Human Resources building

The Castro County Commissioners' Court, in its Monday meeting, reappointed three members to the County Housing Authority board of directors—Allan Webb, Ray Robertson and Rayphard Smithson.

Three other county residents—Larry Gonzales, Thomas Falcon and Carmen Catano—were present at the meeting and requested to be appointed to the board, but the court chose to reappoint the members whose terms were expiring.

The commissioners also accepted, subject to review, the bid of Regal Buildings of Lubbock for construction of a 40x100 ft. steel building with brick front at a cost of \$28,995 to house the Human Resources Corp. This structure will be erected east of the city hall on county property, and the HRC will complete the interior in consideration for a seven year lease.

Following an executive session, County Attorney Jimmy Davis announced that by unanimous agreement the class

action suit which has been filed against the county and the commissioners' court will be answered, but the court was not ready to agree to anything at this time.

In other action, the court:

- Approved a request from the Five Area Telephone Cooperative of Muleshoe to install telephone cable underground on a small area of Castro County right-of-way in the south part of Precinct 2 to extend service to their customers.
- Approved a contract with Panhandle Emergency Medical Service to pay one-third of the billed cost for emergency ambulance runs between Dimmitt and Amarillo. This would be \$1, and the city and hospital district would pay a like amount.
- Accepted the bid of the First State Bank for a five-year amortized warrant at 7 1/4% interest for the purchase of road graders.
- Voted to have Judge M. L. Simpson send a letter to the State Commission on Judicial Conduct asking that the appointment of Precinct 1 Justice of the Peace Gary Lilley be terminated since he is no longer functioning in this position.
- Approved the employment of a new sheriff's deputy at the same salary as the man he replaces, since he has already been trained and the county will not need to bear this expense. The new deputy, Ray Aleman, is a former Dimmitt policeman.
- Accepted a bid from Noel Industries of Plainview for construction of a steel 29x40 ft. service barn for Pct. 4 at a cost of \$9,680.
- Decided to meet Nov. 12 with Highway Engineer George C. Wall to discuss highways within the county.
- Heard from County Attorney Davis that he is still conferring with the city attorney on rewriting the contract between the city and

county for jail and dispatcher service. Basically there are only a few points to clarify to comply with new state regulations, and the contract should be ready for approval at the next meeting of the court, Davis said.

There is another system of government that a town can adopt when it reaches 5000 population. That is the Home Rule system. Under that system a city can set up a Board of City Development and is given more authority to extend city boundaries when the need arises. It is very possible that Dimmitt will qualify as a home rule city when the 1980 census figures are released. That could well be the time for civic clubs, Chamber of Commerce and town hall meeting groups to consider the options of the type of city government system that will best suit our need.

While expressing the opinion that it would be in the best interest of our town to defeat the proposed change in city government, I would hasten to add that there is a large number of qualified and able candidates for the three additional seats that will be created on the governing body in event the election carries.

A California pilot went on trial in 242nd District Court here Tuesday on a charge of felony possession of marijuana.

William Scott Little, 32, of Santa Cruz, is alleged to have been the pilot of a marijuana-laden plane that crash-landed in a playa lake bottom nine miles west of Dimmitt last March 14.

An eight-woman, four-man jury was seated at 4:30 p.m. Tuesday, and District Attorney Jimmy Davis immediately called one of the state's principal witnesses—Mike Owen of Hart, a student at Texas Tech.

Owen testified that he, fellow student Mark Watson and Dr. Fred Guthry, Tech professor of range and wildlife management, were working in the lakebed when the plane landed and flipped in tall grass along the edge of the lake the night of March 14. He explained that they were trapping pheasants and at-

Owen said he helped the pilot get out of the overturned plane. The pilot, Owen said, told them he had lost radio contact with his landing point and that when he saw a headlamp being worn by one of the Tech men he assumed they were signaling him to land.

It was the Tech men who reported the plane crash to the Sheriff's Office, and lawmen discovered 71 plastic-wrapped "bricks" of marijuana inside the plane. State narcotics officers who were called into the investigation estimated the value of the marijuana at that time at \$141,000 to \$145,000.

Davis said he would call a dozen witnesses to the stand, and expected the trial to continue through Thursday.

Little's defense attorneys are George Gilkerson of Lubbock and Joe Lovelace of Linden. Judge Van Stovall of Plainview is presiding at the trial.

Delinquent tax collection is subject for NISD board

Delinquent taxes in the Nazareth Independent School District were discussed by the board of trustees at its October meeting, and members decided to press for collection of the delinquent funds through suits which have been filed against property owners.

School Supt. Johnny Mason was instructed to confer with the county attorney on legal action which has been and may be taken.

The annual audit of school funds was reported by accountants from the firm of Brown, Graham Co., and ac-

cepted by the board.

Mason reported on a recent convention of the Texas Association of School Boards at San Antonio, where he was the delegate from Nazareth ISD. He said Alton Bowen, new state superintendent of public instruction, has urged schools to return to basic teaching, starting with reading.

Next year pupils in the third, fifth and ninth grades will be given competency tests, Mason learned. He said local schools will now have more help in maintaining classroom discipline, as courts have held that pupils must follow school policies.

The board voted to contract for a counseling and testing program from the Region SVI Service Center, based in Amarillo, where a certified counselor will be on call.

Members decided to set 8 p.m. as the time for board meetings, beginning with the Nov. 14 session, due to the time change effective Oct. 28.

Schools set fall concert

The fall concert by Dimmitt Schools Choral Department will be presented at 7:30 p.m. Nov. 5 in the Middle School auditorium, Choral Director Doug Henry has announced.

Both the high school and junior high choirs will perform under Henry's direction. Each will present sacred and secular selections dating from the 16th century to the present.

Included will be American and European folk songs, spirituals, a Palestrina sacred work and popular numbers.

Betty Hoover is accompanist for the DHS Singers, while Dwight Joiner will accompany the Junior High Choir.

The public is invited to the concert. Admission charge will be 50 cents for students and \$1 for adults.

Easter Lions to operate Spook House

The Easter Lions Club's "Spook House" will be open for its annual Halloween scare session from 7 to 11 p.m. Tuesday and Wednesday nights, with the public invited to purchase tickets at \$1.50 each.

Attendance of small children is not encouraged, Mrs. Clarence Behrends said in making the announcement, since the spook house visit begins with a ride in an actual hearse and grows more gruesome.

Tickets must be purchased at the Easter Community Building, then the hearse will take the visitors to the building where the spook house is set up. Easter Lions use proceeds of the Halloween event for various service projects.

Winning 4-H trap team guest of Kiwanis Club

Boys of the Castro County 4-H Trapshooting team, which recently won first place in a state contest, were guests of Dimmitt Kiwanis Club for lunch Monday.

Lynn West, who with Ed Standlee coaches the team, reported on their trip to San Antonio for the contest after they had won a regional meet in Lubbock.

The club, in its first year here, won first in the sub-junior division, hitting 196 birds of a possible 200 targets in the matches.

Team members at the lunch were Mike Stanford, Mark Standlee, Dirk Wright, Robby Hottel, Billy Patton and Todd

West. With them was Tim Kenworthy, who shot in the junior division in individual matches. Standlee tied for first place in sub-junior individual shooting, but lost in a shootoff.

Key Club members from Dimmitt High School, Lisa Davis, Ronda Pevehouse and Cindy Mixson, announced that their club would stage a Turkey Walk Nov. 3 to benefit the county chapter of the American Heart Association. It will start at 10:30 at Bobcat Stadium and Kiwanis Club members will serve as supervisors.

Tickets for the Kiwanis Club's annual pheasant hunters breakfast on the first day of the season, Dec. 8, were distributed to members for sale. Leroy Maxwell is ticket chairman.

Jimmy Davis announced that arrangements have been made to serve the breakfast in the County Expo Building, beginning at 5 a.m. Bob Crozier and Bill Thornton were appointed by Bob Murdock, club president, to buy supplies for the meal.

Leo Graham of the Southwest Amarillo Kiwanis Club was introduced as a guest, and Mrs. Patton was another guest.

Hart's JV is winner at Farwell

Hart Junior Varsity defeated the Farwell JV, 16-6, Thursday as junior high teams from Hart lost their games, each by a touchdown. All three played at Farwell.

The Longhorn JV scored in first and third quarters, adding two points after each touchdown and allowing Farwell only one tally in the third quarter, without a point-after.
Hart's eighth grade brought its season record to 3-3 with an 8-0 loss to the Farwell eighth grade. Farwell made its score and extra points early in the game and foiled all Hart attempts to catch up.

Also scoreless, the seventh grade from Hart lost by 6-0. The team is 2-2-1 on the season.

Rotarians plan booths for Carnival

A speaker from Texas Agricultural Products will present the program at the Friday noon meeting of the Dimmitt Rotarians at the Colonial Inn Restaurant.

Guests at last week's meeting were Rodney Dickenson, chief juvenile probation officer from Littlefield and Kevin Ginn of the high school Interact Club, which is sponsored by Rotary.

The Halloween Carnival is only two weeks away, President George Lamberth announced and the Rotarians will have two booths this year.

One will be a concession-type booth to sell popcorn, candy and Cokes. The other will be a free booth for children six years of age or under. The High School Interact

Club will also have a booth at this year's carnival, Lamberth said. Interact will have a spokesman at Friday's meeting to discuss its plans for the carnival.

Park plans were discussed. The next board of directors meeting will be at 6:30 a.m.

Nov. 14, devoted to the plans for the new city park which will be equipped by the Rotary Club.

The Rotarians will have a club assembly Nov. 1 with the District Governor attending. The Governor will speak at the Friday Nov. 2 meeting.

I would like to encourage your support for the expanded City Commission and ask for your vote on November. 6

	Annual Rate	Annual Yield

* Pays 1% below the average yield of a four year government security. * Compounds interest daily * FSLIC Insured to \$40,000 * Has a term of four years * \$100 Minimum Deposit

Federal regulations require a substantial interest penalty for early withdrawals from certificates of deposit. However, penalties are only imposed on the amount withdrawn.

Regular passbook accounts earn from date of deposit to date of withdrawal. The passbook accounts, along with the thirty month, one year, and three month certificates earn interest compounded daily and paid by check or added to the account quarterly. Certificates are automatically renewed. All funds are insured in each type of account to \$40,000 by the FSLIC and all funds are available at all times from all accounts.

STORING gasoline is dangerous. Keep in mind that liquid gasoline burns furiously and gasoline-air mixtures explode violently.

Blood drive begins today from 2-6 p.m.

Those wishing to donate blood in today's (Thursday) Blood Drive are urged to be at the city hall assembly room between 2 and 6 p.m.

The annual drive is sponsored by the Town and Country Extension Homemakers Club.

The blood drive was held Oct. 11 last year so donors are being given a one month grace period for their blood insurance.

Anyone between the ages of 17 and 66 can give blood. Parental consent forms will be available at the time of the drive.

Babysitters will be available for children.

The entire Panhandle is dependent upon Castro County to give on that day," Margaret Womack said.
