Senior Citizens to Meet Tuesday Noon

All persons over 60 years of age who live in Bronte and the surrounding area are invited to come to the new Bronte Community Center on Tuesday, Feb. 11, for a regular monthly meeting of senior citizens.

The luncheon and game day will begin at 11:30 a.m. with a pot luck

Two Sentenced on Marijuana Count

Two former Coke County men, Jerry D. Rowe and Steve Prescott, were given a seven year probated sentence Monday for possession of more than four ounces of marijuana.

The pair were charged last August when federal narcotics agents discovered a plot of weed growing on a ranch five miles west of Tenyson. Officers estimated more than a ton of grass was growing in two plots which had been irrigated and cultivated.

Making the raid in which the marijuana was seized were five federal agents from Lubbock, aided by former Sheriff Doug Robertson, present Sheriff J. Lee Ensor and Highway Patrolman Bobby Hart. The officers took a pickup lead of the grass to the courthouse in Robert Lee.

At the time of the arrest Rowe had the ranch leased where the marijuana was growing. Prescott said at the time that he was employed by Rowe.

The two men waived a grand jury hearing Monday and pleaded guilty to the charge.

Judge Curt F. Steib of 119th District Court presided for 51st District Court Judge Earl W. Smith.

BRONTE BOMBERS TO HOST ROBERT LEE ALL-STARS

The Bronte Bombers, will host the Robert Lee All-Stars in an intramural basketball game next Thursday night, Feb. 13. The big event will blast off at 7:30 p.m. in the Bronte High School gymnasium.

Some unusual action is promised by the sponsors, the Bronte Evening Lions Club.

An added attraction will occur at halftime when fourth and fifth grade students will divide into two boys and two girls teams for basketball contests.

Admission price is \$1.00 for adults and 50 cents for students. Money derived from the game will be used for Lions Club projects.

meal. Each person or family will bring a covered dish of food.

Games will be played in the afternoon. Anyone having card tables and dominoes are requested to bring them.

The new time for the gathering was set with the hope of better attendance, especially of working people who are invited to share the meal, even if they cannot stay to play games.

If anyone needs transportation, they should call the City Hall or Margaret Martin.

New License Tags Now on Sale

Texas' new five-year license plates went on sale Monday, Feb. 3, in the office of County Tax Assessor-Collector O. B. Jacobs. The plates, which will sell for the same as last year's plates, are made of noncorrosive, heavy gauge steel.

They new plates will have blank spaces in the upper right and left hand corners where previous plates have had the year embossed.

Starting next year, 1976, motorists will update the plates each year by purchasing a 1x2 inch adhesive "validation tag" to stick on the blank space. The stickers cannot be removed without being torn or mutilated.

The five year plates, authorized by the legislature, will be sold this year for passenger cars, trucks and motorcycles. Other types of vehicle licenses, such as personalized plates, automobile dealers, state officials radio operators or anyone else who has to have a specific car

Mrs. Janie B. Hull

Services Saturday For Mrs. Hull

Funeral services for Mrs. Janie B. Hull, 83, of Rockville, Md., will be held at 2 p.m. Saturday in the First Baptist Church, with the Rev. C. R. Blake, retired Baptist minister, officiating. Burial will be in Fairview Cemetery.

Mrs. Hull died Feb. 3 at the home of a niece, Mrs. K. W. Hannah, of Rockville, with whom she had made her home the last 10 years.

Mrs. Hull taught school here during the 1930's. She also had taught at Norton and retired while teaching at Ozona. She was married to Dudley Hull in 1920. He died in 1937.

Survivors include one brother, J. H. Kellet of Clyde; three nephews, David A. Parker of Joshua, James Parker of Corsicana and Fred Parker of Stephenville; and the niece, Mrs. Hannah.

The family will be at the home of Mr. and Mrs. Dawson Coleman, 3212 Oak Forest Drive, San Angelo.

BLOOD DONORS THANKED

Members of the Noon Lions Club issued a word of thanks this week to everyone who donated blood when the Bloodmobile was here last week.

Thursday Rites for Pershing Hicks

Funeral services for Pershing Hicks, 56, were held at 3 p.m. Thursday in the Tuscola Baptist Church, with burial in Tuscola Cemetery under direction of Fry Funeral Home of Tuscola.

Mr. Hicks died at 12:30 p.m. Monday in a San Angelo hospital after a long illness.

Conducting the services was the Rev. Michael Hicks, pastor of the Buffalo Gap Baptist Church and a nephew of Mr. Hicks.

He was born Sept. 13, 1918, in Sweetwater. He moved to Tuscola at an early age and attended school there. He was married to Lorena Johnston Nov. 27, 1938, in Ovalo. He worked in the mines at Bisbee, Ariz., several years before moving to Big Lake where he worked for an oil company until ill health forced his retirement. He had lived in Bronte since October 1974. He was a member of Central Baptist Church.

Survivors include his wife; a daughter, Mrs. Tommy (Eva Jo) Lee of Bronte; two sons, Jerry Max Hicks of St. Paul, Minn., and Pershing Hicks Jr. of Heidelberg, Germany; two brothers, Billy Hicks of Barstow, Calif., and Johnny Hicks of Bisbee, Ariz.; two sisters, Mrs. Welton (Mattie Mae) Causey of Comanche and Mrs. W. E. (Barbara) Holt of Big Lake; and five grandchildren.

Nephews served as pallbearers.

ever, a win by the girls team will give them the championship for the second half of district play.

Coach Zula Sweeten said Thursday that if the girls win, they will meet Hawley, winner of the first half of play, probably on Tuesday night of next week.

The girls have taken two victories during the past week. Last Thursday night they downed the Hawley bunch 47-31. Sherrie Coalson was the big scorer with 25; Leah Barbee hit 12, and Debra Hibbs 10. Coach Sweeten said guards, Shalon Cooper, Sherri Cooper and Lana Webb did a superb job. They allowed no field goals for the Hawley girls during the fourth quarter of the game.

The girls took an easy 61-30 win from Trent Tuesday night. Shelley Cumbie had 24 points for top scoring honors; Coalson had 16; Shelene Tidwell 5. Kim Glascock, Hibbs, Karen Arrott and Barbee all hit for 4.

The girls now have a 25-7 season record, a 6-1 district record and a 3-0 record for the second half of district play.

A heartbreaking close game with Hawley last Thursday dropped the Longhorns out of the running for the district pennant. Final score was 32-30. Scoring for the Horns were Alan Barbee with 9; Jim Dan Raughton 8; Wayne Alexander 6; Nelson Coulter 5; Kit Carlton 2.

The boys took a 69-43 win from Trent Tuesday night. Raughton hit 17 for high pointer; Coulter and Barbee were close behind with 16 each; Carlton had 8; Alexander 6; Bobby Bailey 4; Marvin Ensor 2.

The boys have a good season record of 20-4.

Space Added To City Hall

Work is about complete on a new addition to the Bronte City Hall. The new steel structure will give the city enough room to get all of its fire fighting equipment inside.

Steve Clark did the welding work on the new structure and volunteer firemen assisted with the erection of the steel structure.

Mayor R. T. Caperton said the new addition cost approximately \$4,000. It will provide enough space to store two trucks.

A small building has also been erected at the city's sewage disposal plant on the Ballinger highway. It will provide a place to store equipment needed in the operation of the plant and cost about \$1400.

Mayor Caperton said funds for the buildings came from Bronte's federal revenue sharing funds.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

The main news from Brookshire this week is the rainy weather which has left about two inches of rain. The slow falling moisture will be good for the oat fields and pastures of the community. We are sure the groundhog did not see his shadow Sunday in this part of the country. See what happens.

Mr. and Mrs. Charlie Brown are in the Bronte Hospital with flu.

Mrs. Grace Hedges of Elfreda, Ariz., spent last week here with Mr. and Mrs. Willard Caudle.

Mr. and Mrs. James Holland visited Saturday evening in San Angelo. Their Sunday dinner guests were Marie Allen and Rennie, Tony Holland and Debbie Cochran, all of San Angelo.

Mr. and Mrs. Bill Oglesby received word Tuesday of the death of her brother, Robert Weatherby, 60, of Del Rio. They left Wednesday to be with the family and attend the funeral services which were held Friday afternoon in Del Rio.

Mrs. Vernie Smith visited Wednesday with Minerva and Joyce Roach in Miles.

Herbert Holland visited Tuesday with Mr. and Mrs. Bill Keeling in Miles.

Mr. and Mrs. Preston Davis of Bronte were Tuesday dinner guests of Mrs. T. G. Gleghorn.

The Vernie Smiths visited Friday with Herman Smith at St. John's Hospital in San Angelo and Saturday with the Larry Saunders family in Bronte.

Mr. and Mrs. Vernie Smith were hosts to the domino party Tuesday night. After games of 88 refreshments were served to Mr. and Mrs. Bill Oglesby, Mr. and Mrs. Herbert Holland, Minerva Roach, Cora Busby and the Smiths. The club will meet Tuesday night with Mr. and Mrs. Charlie Brown.

Vicki Canfil and Tryphonia of San Angelo visited her mother, Mrs. James Holland, Wednesday. In the afternoon they all visited the Herbert Hollands.

YOU ARE WHAT YOU EAT

What are nutrients and where do you find them? CARBOHYDRATES: These are starches and sugars found in cereal grains, fruits, vegetables and sugar added to foods for sweetening.

Carbohydrates are the major source of energy in the diet. Wheat, oats, corn and rice—and the foods made from them, such as bread, spaghetti, macaroni, noodles or grits—provide starch along with other important nutrients. So, too, do potatoes, sweet potatoes, and vegetables such as peas, dry beans, peanuts and soybeans. Most other vegetables contain smaller amounts of carbohydrates.

In vegetables they are usually in the form of starch; in fruits they occur as sugar. And, of course, candies, jams, molasses and syrups are primarily sugar.

MINERALS: The most abundant mineral in the body is calcium and, except for iron, it is the most likely to be inadequate in the diets of many age groups. Almost all calcium, and most phosphorus, which works closely with calcium in the body, is in bones and teeth.

The rest plays a vital role in tissue and body fluids. Soft tissue, or muscle, especially has a high phosphorus content. Calcium is required for blood to clot and for the heart to function normally. The nervous system does not work properly when calcium levels in the blood are below normal.

Most people who buy from the milk counter are stocking up on calcium supplies. In the U. S. we rely on milk as a basic source of calcium, or an equivalent amount of cheese or other dairy products except butter, go a long way toward supplying all the calcium needed for the day. But milk is not the only source. Dark green leafy vegetables like collards, mustard greens or turnip greens provide some calcium, and salmon and sardines supply useful amounts of it if the very tiny bones are eaten.

OIL NEWS

Anardarko Production Co. will drill its No. 10 H. G. Wendland in the Wendkirk (Ciseo) Field 15 miles southwest of Bronte.

The venture is planned to 4,000 feet and is on a 274 acre lease.

It spots 5,773 feet from the southwest and 1,520 feet from the southeast line of E. Girke Survey 456, A-160.

HERE'S BLACKWELL

By Mrs. Rockey Thompson

Mrs. Taylor Honored

Mrs. Junior Taylor was honored with a pink and blue shower Jan. 28 in the Fellowship Hall of the First Baptist Church.

The table was laid with a pink cloth over white and the centerpiece was a pink, blue and white floral arrangement. Silver and crystal appointments were used.

Mrs. Oscar Ray Tankersley and Mrs. Tommy Messick served the refreshments and Mrs. Alvin Edwards registered guests. Other hostesses were Mmes. Bill Hamilton, Billy Don Hindman, Vance Taylor, Charles Wayne Dudley and Charles Ray Alderman.

Out of town guests were Mrs. J. D. Hoffman of Talpa, mother of the honoree, and Mrs. Donald Moore of Sweetwater.

WMU Meets

The WMU met Jan. 30 at the First Baptist Church with six women attending.

Mrs. Shirley Mitchell, president, presided and Mrs. Vera Bryant gave the program on "Baptists in New England."

A. O. White is critically ill in the Veterans Hospital in Big Spring.

Mrs. Ernest Ware is a patient in Simmons Memorial Hospital in Sweetwater.

Mrs. Olin Corley and Mrs. Glacys Copeland are patients in the Bronte Hospital.

Mrs. Ben Noble visited last week in Austin with her daughter and family, Mr. and Mrs. Don Jenkins and son.

Sunday visitors of Mrs. Lea Gaston were Mr. and Mrs. Bob Gaston and children of Midland, Mr. and Mrs. Newt Brewer of Ovalo, Mr. and Mrs. Kenneth May of Snyder and Mrs. W. M. Romine of Sweetwater.

Visiting over the weekend with Mr. and Mrs. LeRoy Chew were Mr. and Mrs. Johnny Chew and son. They were moving to Albuquerque, N. M., where Johnny will be working.

Mrs. Beulah Chapman and Miss Annis Chapman of Sweetwater visited over the weekend at Fort Sill, Okla., with Mr. and Mrs. Randy Chapman.

Miss Dale Moore, a missionary to Nigeria, presented a program Sunday night at the First Baptist Church. There were no services at the Methodist Church so members could attend the program. Miss Moore is here for a four months visit with her parents, Mr. and Mrs. Sanford Moore.

The After School Bible Group met Monday afternoon at the First Baptist Church. Eighteen young people were present. Refreshments were served and then they had a program and Bible study.

GIRL SCOUT BANQUET TO BE HELD MARCH 15 AT BRONTE

Some erroneous information concerning the Girl Scout father-daughter banquet was run in this newspaper week before last. The press release said the affair would be held March 16 in Sweetwater.

Latest information says the banquet will be held March 15 at 7 p.m. in the Bronte Community Center. A Bicentennial theme will be used at the affair, which is for all Girl Scouts, Brownies and Cadets of the Bronte, Robert Lee and Blackwell area and their fathers.

Donations of meat or cash are needed for the banquet. Anyone who wants to contribute may call Mary Sprenkle at 473-5181 in Bronte or Mary Herring at 453-2690 or Ginger Hagen at 453-2982 in Robert Lee.

FISHING REPORT from Lake Spence

Fishing reports have not been supplied with nearly as much news the last few weeks as is customary. But, considering the weather a good part of the time, it's little wonder that there were not too many people out on Lake Spence. In spite of the winter season some very good catches have been reported.

number, will have to replace their plates annually.

It is reported the new plates, which are heavier with larger numbers, are more expensive to manufacture but are expected to save the state money in the long run as the yearly sticker tags will cost very little to make.

Vehicle owners have received registration papers through the mail and these forms should be carried to the tax assessor's office when purchasing the 1975 tags. Those who wish to mail in renewal notices, with an extra \$1 per vehicle for covering postage and handling, should do so by March 1 so the plates can be mailed back in time for the deadline. Jacobs said the 1975 license plates must be on cars by April 1.

Area Has Variety On Weather Scene

Coke County received more moisture, as a wide variety of weather prevailed at various times over the past week.

The rain, which was a slow soaker for several days, ended with a hard shower Tuesday morning, accompanied by some small hail and thunder and lightning. Tuesday afternoon the sunshine was welcome as the clouds cleared away. However, with a cold front moving through Tuesday evening, cloudy skies prevailed again Wednesday.

The snow predicted for this area had failed to materialize by press time Thursday.

The moisture will give Coke County a bright spring outlook and since the groundhog did not see his shadow Sunday, traditional Groundhog Day, some say that we will have an early spring.

But then, of course, there is another saying which says if it thunders in February it will freeze in April.

Bronte's official rain gauger, Dave Seibold, reported that he had measured 2.4 inches during the last week which is also the total for the year.

Krueger's Report From Washington

One of the difficult things to explain about Congress is its procedures and the meaning of some votes. The problem arises because often a Congressman will work for or against a particular item in committee or in party caucus and not prevail. For example one Congressman worked very hard to maintain the oil depletion allowance in committee. He won the compromise of getting it reduced only slightly. Then he voted for the bill in the House, and was criticized for seeming to favor a reduction in the depletion allowance.

Last week I voted in caucus to retain the House Internal Security Committee in its present form as a separate committee. I was outvoted. Although I would have preferred to keep HISC as a separate committee, its chairman, Congressman Ichord, moved to transfer the Committee's responsibility for internal security to the Judiciary Committee. All documents and staff were transferred to the Judiciary and I have been assured by Mr. Ichord that the staff can perform effectively there. After Ichord's motion passed, it became part of a larger package of rules regarding House legislation. This package was later adopted with 19 of 21 Texas Democrats supporting it, including me.

To have voted against this package at that time would have risked the need to reconsider the whole rules of the House.

However, decision to shift responsibility for internal security to the Judiciary would have remained unchanged.

Like Mr. Ichord, I intend to follow the work of the Judiciary Committee to be certain that the internal security needs of the country are maintained. And I hope that in the future Congress will find a way to present bills so that it is easier to understand what is being voted on. It is important that Congress do its work in a way that lets people stay fully informed, and I will do my best to keep you aware of what is happening in Congress and how I am voting.

LOCAL WOMEN FINISH COURSE

Laura Mae Gentry and Lois Franklin were among the 30 students from 22 health care facilities who graduated Jan. 28 from the Angelo State University Food Service Supervisors School.

Purpose of the program, which consists of 100 classroom hours of study, is to comply with federal regulations governing health care facilities. Regulations require at least one such graduate per health unit.

Studies included therapeutic diet techniques, preparation of meals, sanitation, management, planning, and use and knowledge of equipment.

Mrs. Gentry and Mrs. Franklin are employees of Bronte Nursing Home. Both students recorded grades in the upper 90's.

Administrator L. O. Clark said other personnel of the nursing home have expressed the desire to attend the next class at ASU.

Clark expressed satisfaction at the quality of the food served residents of Bronte Nursing Home, stating, "Food and service are as good as the personnel managing and preparing meals and are very important to the continued health care of the patient."
