County Fair Starts Today

Longhorns Host Roby Tonight

The Bronte Longhorns will have their hands full again this week when the undefeated Roby Lions come to town with kickoff time set for 8 p.m. on the local field. The Lions are former conference foes of the Horns but with Bronte being moved to a new district, there will be nothing riding on this one

FUNERAL RITES HELD FOR MRS. I. M. CUMBIE SUNDAY IN BRONTE

Mrs. Irving M. (Rebecca) Cumbie 79, a long time resident of Bronte, died at 2:55 p.m. Friday, Sept. 10, in the West Coke County Nursing Home, where she had been a resident since May 8.

Services were held Sunday at 3 p.m. in the First United Methodist Church of Bronte with the pastor, the Rev. Earle Lewis, and the Rev. Cecil Harper, pastor of the First Baptist Church, officiating. Burial was in Fairview Cemetery under direction of Newby Funeral Home. She was born Sept. 9, 1897, in Fulton, Ky. She came to Coke County in 1906 and was married to Irving M. Cumbie, long time merchant of Bronte, in 1916 at Robert Lee. Mr. Cumbie preceded her in death in 1971.

Mrs. Cumbie was a member of the First United Methodist Church and had served as pianist and organist for 55 years. She was recently honored when she was presented with a certificate of recognition in appreciation for her continuous contribution, interests and unselfish services rendered to the community.

Survivors include two daughters, Mrs. A. E. Claffey of Indianapolis, Ind., and Mrs. R. D. Garrett of Conroe; a son, Irving M. Cumbie Jr. of Houston; two sisters, Mrs. A. M. Tubb of Robert Lee and Mrs. Ernest Ivey of Bronte; a brother, W. H. Maxwell Jr. of Bronte; five grandchildren; and two great-grandchildren.

Pallbearers were Horace Scott, G. C. Allen, Bill Allen, Jerome Hannah, J. F. McCabe and W. T. Roach, all of Robert Lee, J. B. Mackey and Edward Cumbie of Bronte, and Randall Pate of Blackwell.

CHARTER BUS GOING TO WELK PROGRAM

A charter bus will be operated to go to the Lawrence Welk Show Oct. 16. The show will be held in Abilene and the bus will run from San Angelo to Abilene and return. Persons in the Bronte and Robert Lee area will be picked up at Bronte and returned to Bronte following the show.

Cost of the trip, including the ticket and reserved seats, will be \$17.50 per person. Reservations must be made by Oct. 2 with a \$10 deposit required. Persons of Coke County may contact Mrs. R. W. Rees in Bronte. If enough people in this area desire to go (a minimum of 39) there will be a special bus starting from Bronte and returning with only those persons.

except pride. The Longhorns need this win badly as they have been shut out in their first two games, falling to cross-county rival Robert Lee, 28-0, last week. The Lions on the other hand have shut out their first two opponents, shellacking the Hawley Bearcats 44-0 last week.

The Horns showed considerable improvement last week, especially on offense, but still have a long way to go before opening district play on Oct. 8. Coach Gerald Sandusky switched Randy Parker and Wayne Coalson, moving Parker to quarterback. Coalson responded by picking up over 100 yards rushing. The Horns were hurting at running back having lost Turney Coulter with a broken hand before the season ever started.

6-B Results

Other teams in the west zone of District 6-B fared this way last week: Early 12, Eden 6; Richland Springs 40, Lometa 0; Sterling City 27, Irion County 0; Lorraine 26, Miles 0; Baird 24, Santa Anna 0.

This week Eden is at Robert Lee; Irion County at Rocksprings; Sterling City at Miles; Rising Star at Richland Springs; Goldthwaite at Santa Anna.

SHORTHORNS TRAVEL FOR EDEN CONTEST

The Bronte Junior High Shorthorns were scheduled to go to Eden last night for a game with the Bullpups, after being idle last week. The Shorthorns will go to Robert Lee next Thursday, Sept. 23, to take on the Dogies. Kickoff time for this game is 7 p.m. The Shorthorns defeated Miles 6-0 in their only game this season.

ATTEND BROTHER'S FUNERAL

Mr and Mrs. J. F. Hughes attended the funeral of his brother, Jack Hughes, 73. Mr. Hughes died Sep. 9. He is survived by his wife, Mattie, nine children, 34 grandchildren, eight great-grandchildren, four brothers and two sisters.

Volleyballers 2nd at Sweetwater

The Bronte High School girl volleyballers finished second in a tournament held at Sweetwater last Saturday. The girls captured two matches before falling to Snyder High School in the finals.

In their first match of the tourney the Longhorns downed a team from Lubbock 15-6 and 15-7. Scoring points in the first game were Leah Barbee 4; Sherri Cooper 3; Kim Glascock 3; Susie Collins 2; Shelley Cumbie 2; Shelene Tidwell 1. In the second game Barbee had 7; Glascock 3; Tidwell 2; Cooper 1; Mary Ann Minjarez 1; Beckie Coalson 1.

The locals downed Ballinger in their next match 15-6, 15-3. Point

The Fifth Annual Coke County Fair will open Friday at 4 p.m. in the Recreation and Show Center in Robert Lee. Entries, exhibits and commercial displays will be open for viewing and enjoyment by the public. The theme for the 1976 Coke County Fair is "CENTURY III - FORWARD HO!"

A number of entertaining events are scheduled for Saturday evening. Beginning at 6 p.m. will be the Bubble Gum Blowing Contest, the Horned Toad Race and Sack Races. Everyone is invited to join in these contests and show his skill.

The Fair's Beau and Belle representatives will be presented and school divisions winners will be crowned at 8 p.m. on the lawn in County Park. Fifty-two young

SENIOR CITIZENS HAVE MONTHLY LUNCHEON

Forty-one persons were present last Thursday when Bronte Senior Citizens met at the Bronte Recreation Center for their regular luncheon.

Don Edmiaston provided piano selections and a sumptuous meal was served at noon.

Blood pressures were taken by a representative of the State Health Department.

SAMP RANEY RITES HELD SATURDAY

Julius Samp Raney, 77, of Seagraves died Wednesday of last week at 9 p.m. in a Brownfield hospital after a brief illness.

He was born May 20, 1898, in Coke County, the son of Jule and Victoria Raney.

He lived in and around Blackwell until he moved to Seagraves in 1952. He married Ella Modrall at Blackwell and she preceded him in death several years ago.

Survivors are two sons, Alyha Roe Raney of Bakersfield, Calif., and Harold Houston Raney of Big Spring; two daughters, Mrs. Quint Miller of Depew, Okla., and Mrs. Ken A. Lamb of Miami, Fla.; 19 grandchildren and 17 great-grandchildren. A son, Lawson Raney, died in 1965.

Funeral services were held Saturday afternoon at 2 p.m. in Blackwell United Methodist Church with the pastor, the Rev. Floyd Richardson, officiating. Burial was in the Blackwell Cemetery under direction of Cates and Spencer Funeral Home of Sweetwater.

women and men from the Bronte and Robert Lee Schools, from kindergarten through the 12th grade, will be presented. The six division winners will then be revealed and crowned. Mrs. J. O. Rudd is in charge of the coronation, and M. T. Asbill, Bronte High School Principal, will be master of ceremonies.

ADULT EDUCATION CLASSES PLANNED

An organizational meet for Evening Adult Vocational Classes, sponsored by Texas Technical Institute, Rolling Plains Campus, will be held Sept. 20, at 7 p.m. in the Robert Lee School Cafeteria.

Courses to be offered include Office Cluster, Welding, Nurses Aide, Office Cluster includes, typing, bookkeeping, filing and office practice.

The vocational classes are designed for persons who desire to learn a favorable trade or skill, wish to up-grade their present employment.

MORE SCREWORMS FOUND IN COUNTY

Three more cases of screw worms have been located in Coke County swellings the year's total to 12 cases.

The latest cases were submitted by J. B. Mackey, from his place four miles northeast of Bronte; by Bill Hamilton, five miles southwest of Blackwell; and by Tom Rives from his Hayrick place, 12 miles northeast of Robert Lee.

PREDATOR CONTROL MEET CALLED SEPT. 20

An important meeting will be held in the county courtroom Monday night, Sept. 20, at 8 p.m. for all operators interested in predator control.

A four man predator control "trouble shooting" team will be present to discuss surveying the county for predators and also to line up contacts for the survey.

In addition to the above, the trap per situation in Coke County will be discussed. All interested operators are encouraged and invited to attend the meeting.

FORT CHADBOURE FOLKS SET HOMECOMING OCT. 3

A reunion of present and former residents of the Fort Chadbourne Community will be held all day Sunday, Oct. 3, in the Bronte Community Center. All persons who have ever lived in the community are invited.

The Belles and Beaus representing the various classes in the Coke County Schools are:

Robert Lee

Kindergarten: Scott Ray and Ericka Clendennen

First Grade: Robert Runnion and Vonda Vernor

Twelfth Grade: Donald Butler and Debbie Brown

Livestock Show

Livestock exhibits will be in the north wing of the show barn. The exhibit will be for educational purposes.

Continued on Page 3

IVEY MOTOR TO HOLD PUNT, PASS AND KICK CONTEST SATURDAY

Ivey Motor Co. of Robert Lee is sponsoring the 16th Annual Punt, Pass and Kick Contest.

This year's competition will be held Saturday, Sept. 18, at 2 p.m. at Hickman Field in Robert Lee.

The competition is open to all youngsters from age 8 to 13 (13 year olds who become 14 on or before Dec. 31, 1976, are not eligible).

Registration forms and rule books may be picked up at Ivey Motor Co. in Robert Lee and at the elementary principal's office in Bronte. Entries are to be handed in at the contest no later than 1:45 p.m.

Cumbie Ivey Jr. invited all the youngsters in the county to take part in the contest. "We look forward to a large group," he said, "and the bigger the better."

ABC TOURNAMENT SUNDAY

An ABC Tournament is set for Sunday at the local golf course beginning at 1:15 p.m. All golfers are invited to participate.

HERE'S BLACKWELL

By Mrs. Rocky Thompson

Mrs. T. J. Van Zandt, Mrs. Carl Stroud and Marcus James of Clear Lake have returned from a three weeks visit with Mrs. Van Zandt's sister, Mrs. Eula Fitzgerald, and Mrs. Verda Wall in Bonzana, Ore.

Mr. and Mrs. Joe Green and her brothers, Temple Raney and Mr. and Mrs. Jerrell Bee Raney, all of Midland, attended the funeral of their uncle, Samp Raney, on Saturday. Mrs. Green is the former Ina Raney.

Also attending the Raney funeral were Mr. and Mrs. Clifford Thorn of San Angelo, Mrs. Zula Bee New of Ballinger and Mr. and Mrs. Harrel Raney of Big Spring.

Visiting Mrs. Lula Palmer during the weekend were Mr. and Mrs. Dabney Harris of Sweetwater, Mrs. Floyd Waggoner and Mrs. Jack Waggoner.

Mr. and Mrs. LeRoy Chew visited Friday with the Ansel Shoup family in Abilene.

Mrs. Lee Lackey is a patient in the Rolling Plains Hospital in Sweetwater and Mrs. Joe Davis and Mrs. Billy Burl Holland are patients in St. John's Hospital in San Angelo.

Mr. and Mrs. Joe Gene Conrad's visitors were Mr. and Mrs. Coy Raney of Salt Flat, Mr. and Mrs. Roy Raney of Turnball, Mr. and Mrs. Ralph Raney of Eules, and Mrs. Lee Tipps and Mrs. Edd Baugh of Mineral Wells.

Mr. and Mrs. Grady Patterson and Savannah Thompson had as their Sunday visitors, Mr. and Mrs. J. B. Patterson of Snyder and Mr. and Mrs. Ben Henderson of Hermleigh. Also visiting the Pattensons were Mrs. E. D. Gossett, Mrs. Lola Wicker and Mrs. Francis Keene of Slaton, Mr. and Mrs. Jewel Turner of Bronte and Mr. and Mrs. Lawrence Lemons of Oak Creek Lake.

Omega Coterie Meets

The Omega Coterie of Blackwell met Sept. 8 at 9:30 a.m. in the home of Mrs. Cecil Smith. Miss Bertha Smith presided in the absence of Mrs. Mathie Romine, the president.

Mrs. Cecil Smith gave the program on making flower arrangements from seeds.

Refreshments of fried apple pies, cantaloupe, coffee and punch were served to Mmes. Aaron Wells, E. T. Ware, W. F. Stout, Abe Lanier, Gladys Copeland, Joy Codell, a visitor, and Maud White, a new member.

Next meeting will be Oct. 13 in the home of Mrs. Stout.

The Omega Coterie extends an invitation to area women to join the group.

UMU Meets

The UMU met Sept. 13 with Mrs. Cecil Smith. Eight members and one guest attended and Mrs. Elna Sweet presided.

A business meeting was held and the program was given by Mrs. Savannah Thompson, assisted by Mmes. Abe Lanier, R. Q. Spence, Jose Hipp and Elna Sweet.

Refreshments were served to those named above and Mmes. Austin Jordan, Oxford Raney and Ida Oden.

Next meeting will Sept. 27 in the home of Mrs. Abe Lanier.

WMU Has Meeting

The WMU met Sept. 9 at the First Baptist Church with 13 women attending. Mrs. Billy Burl Holland presided. She reported on organizing the Youth Group, Mission Friends, G. A. and Acteens.

It was voted to accept the recommendation of the nominating committee and the following officers were named: Mrs. Holland, president; Mrs. Willie Burwick, vice president; Mrs. Ninnie Kinard, secretary; Mrs. Eula Nobors, Bible Study chairman; Mrs. Gordon Montgomery, Missions chairman; Mrs. E. K. Finley, Book Study chairman; Mrs. Olin Corley, Week of Prayer chairman.

The City Council of Bronte, Texas, has determined to file an application for Community Development Block Grant funds.

The primary objective of the Community Development program is the development of viable urban communities by providing decent housing, a suitable living environment and expanding the economic opportunities of persons of low and moderate income. This objective is to be achieved through the elimination of slums and blight and detrimental living conditions, conservation and expansion of housing and housing opportunities, increased public services, improved use of land, increased neighborhood diversity, and preservation of property with special values. Thus, the program is versatile. A community, after determining its own problems, can determine how best to solve those problems itself.

Cities and counties are eligible to seek these funds. The Dallas office of the Department and Urban Development which administers the funds has established a maximum amount available based on population. \$100,000 is the maximum for which the City of Bronte is eligible to apply. Because of the many applications filed, not all applicants can be funded. HUD has established a selection process which will help determine who gets funded. That process requires HUD to review every application to insure that an effort is being made to satisfactorily perform previously funded tasks, to implement previously accepted housing plans, and that the current request is for activities which are eligible. If HUD is favorable to our application on those three factors, the application will receive points based on six items. The points will be totaled and funds will be awarded the cities and counties with the highest number of points. The six items are: 1) the extent of substandard housing; 2) the proportion and extent of poverty in the area; 3) the extent to which the activities benefit low or moderate-income families; 4) the extent to which the proposed activities expand or conserve low or moderate income housing; 5) the effort to alleviate a serious threat to health or safety; and in some cases, 6) if the funds will be used to acquire Federal or State grants.

Part of the requirements for obtaining the grant are that citizens be given at least two opportunities to publicly express what they feel our local problems are and how they should be solved if this money is received. Citizens are also to be informed of the purposes of the grant, the selection criteria, the citizen participation requirements, the funding limits, and the possibility that funds are not available to fund every application submitted.

The City in filing this request certifies to HUD that the program, if awarded, will be conducted in a nondiscriminatory manner. Also, the City would certify to the enforcement of the National Environmental Policy Act of 1969.

Activities eligible for the Community Development program are:

1. For the acquisition of real property which is blighted, deteriorated, deteriorating, undeveloped, or inappropriately developed properties; appropriate for rehabilitation or conservation activities; appropriate for the preservation or restoration of historic sites, the beautification of urban land, the conservation of open spaces, natural resources, and scenic areas, the provision of recreational opportunities, or the guidance of urban development; to be used for the provision of some public works, facilities and improvements; or to be used for other public purposes where necessary to the community development program.
2. For neighborhood facilities which: a) are designed to serve a particular neighborhood and provide services for that area if the

area population is less than 10,000; b) provide health, recreational, social, or similar services; c) may be either single or multipurpose in nature.

3. Senior centers.
4. Historic properties (including private where public access is available).
5. Utilities.
6. Streets, street lights, traffic signals, signs, street furniture, and trees.
7. Water and sewer facilities but not sewage treatment works.
8. Foundations and platforms for air rights sites.
9. Pedestrian malls and walkways.
10. Parks, playgrounds, and other recreational facilities.
11. Flood and drainage facilities where unavailable through other Federal programs.
12. Parking facilities, solid waste disposal facilities, and fire protection equipment and facilities under some circumstances.
13. For code enforcement in delineated areas which are deteriorating and where such efforts in conjunction with other activities may be expected to halt the decline.

14. For clearance, demolition, removal, and rehabilitation of buildings and improvements.

15. For special projects which will remove barriers to the mobility of the elderly and handicapped.

16. For relocation of families displaced by program activities.

17. Funds may also be used to provide other public services needed to support the community development program and for which other Federal assistance is not available.

18. Funds may be used to match or acquire other Federal funds for activities consistent with the program.

19. Also, for planning necessary to the development and completion of a workable community development program.

20. For reasonable administrative costs.

In completing the application for Community Development funds the City will need to determine local housing conditions and the needs of local residents for various type of housing assistance both for owners and renters. Then a program on how the needs should be met will be submitted.

First meeting will be Sept. 14 and the second meeting will be Sept. 21 at 7:30 p.m. at the City Hall.

Special Exhibits

Fairgoers this year will have many treats in store for them. Persons will have access to purchase a good variety of jewelry, pottery, handmade items such as crochet, gifts, macrame, plants, clothing, greeting cards, fruit cakes, note paper, household supplies, prints and crafts to buy as well as supplies to be made up.

Everyone is invited to patronize these booths for Christmas or everyday shopping.

Another attraction will be the Flea Market where customers will be able to buy just about anything under the sun.

Another department of special interest will be the antique and historical department. Quilts, embroidery, bedspreads and counterpanes are included among 24 classes of items of antique or historical nature. These items, along with pictures, clippings, scrap books, documents, etc. should be wrapped in clear plastic if at all possible.

INSUR-MATION

WALDON MILLICAN

FARM BUREAU INSURANCE, 453-2812

I am self-employed and want to start saving for retirement. Is there any way I can save tax dollars on the money I set aside.

Yes. Under the Pension Reform Act of 1974, self-employed persons may now receive many of the tax benefits enjoyed by employees of corporations. For retirement plan purposes ... you are both an employer: being permitted to set aside up to 15% of earned annual income or \$7,500, whichever is less, toward a pension plan ... and an employee: not being taxed on such contributions or on the income earned by the funds during the accumulation period. To receive these benefits, you need to be under a qualified Keogh plan. Life insurance plans can pay retirement income as long as you live. Also, in such a plan, the pure insurance proceeds are received by your beneficiary ... free of income taxes.

**This ad is for people who
didn't read the last ad about
holding down their gas bills,
and wish they had.**

(Please, read it this time.)

We all have to face facts: the days of cheap energy are over. Gas bills have been going up. That's why we've been telling our customers how to hold their bills to a minimum.

A lot of people are already using gas more wisely. If you are one of them, read on just in case you've missed a tip or two.

If you are not one of them, this is the time to start. Here's how:

Get out of hot water. Hot water is one of the biggest and most expensive energy users in the home. A shorter, not-quite-so-hot shower helps save money. A dripping hot-water faucet is a bandit.

The same is true in the kitchen and laundry room. Wash only full loads in the dishwasher. Wash and dry only full loads of clothes. Don't overdry. It makes clothes harsh and stiff and wastes fuel.

Speaking of the kitchen, you can save gas by planning oven meals around dishes that can be cooked at the same temperature. When using top burners, tailor the flame to fit the pan.

Get your house in order. Make sure you have six inches of insulation in the attic. And check regularly to make sure it hasn't settled. Make sure your exterior walls are insulated. Check the weather stripping around doors and windows, and make sure they stay closed when the heating or air conditioning is on.

No single one of these tips will save you an immense amount of money, but each one helps a little. Add all those little savings up, and it could make a big difference.

Lone Star Gas Company

OLD WAR BUDDY VISITS

William D. Wood of Garden Grove, Calif., visited Mr. and Mrs. T. H. Franklin Sept. 5. Franklin and Wood were friends, serving together in Germany, France and Belgium during World War II. The men had not seen each other for 31 years. They served in a signal division and worked on telephones and lines.

EASTERN STAR MEETS

Bronte Chapter 1048, Order of the Eastern Star, met for a regular meeting Sept. 13.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

Do you know your Blood Pressure?

Thousands of Americans are suffering from Hypertension—high blood pressure—yet, they do not know it.

Hypertension kills. If not spotted, it can lead to strokes, damage to kidneys, and to the brain. But now, with the Home Blood Pressure Monitoring Kit, you can check your blood pressure at home. Quick and accurate, the Kit includes an American Heart Association booklet, recording forms, and an illustrated instruction booklet.

To order the Kit, fill out the form below and send it, along with \$19.99 plus \$1.59 handling and postage to:

Cardio Supply Company
Box 114 Cooper Station
New York, New York 10003

Keep tabs on your blood pressure, it's important.

Robert Lee Tops Longhorns, 28-0

The Bronte Longhorns showed some improvement over their opening game but still came up way short in last Friday night's game with the Robert Lee Steers for the Coke County Championship. Final score of the game played at Robert Lee was 28-0 in favor of the school on the west side of the county.

The Horns made one change in their offensive lineup, moving Wayne Coalson from quarterback to tailback and Randy Parker from tailback to quarterback. The move appeared to help the running game with Coalson picking up 137 yards but the passing game was still nil with Bronte completing two of nine for minus 10 yards.

The Horns threatened a couple of times, moving inside the Steer 10 but couldn't move it in. The Steers meanwhile capitalized on a couple of long pass plays and a blocked punt to capture the win.

Both teams were hampered by numerous penalties with the Horns being penalized 10 times for 107 yards and Robert Lee nine times for 84 yards.

First Quarter

Robert Lee's Clay Allen took the kickoff on his 10 and ran it back to his 30. The Steers ran three plays and couldn't get anything going and had to punt. Coalson took the ball on the Bronte 21. Two unsuccessful running plays and a penalty brought up a Longhorn punt.

The Steers got the ball with good field position on the 50 yard line. Terry Ross picked up 2. Brett Clark added 7 and Mickey Baker picked up the 1st down. Baker passed to Allen for 25 yards. Anthony Percifull made 9 and Baker went 1 yard for a TD. The conversion failed and the score was 6-0.

Jimmy Munoz kicked off to Coalson on the 10 and he ran to the 30. After a 1 yard gain Bronte was penalized 5 yards. After a 4 yard run by Coalson and an incomplete pass Bronte was forced to punt. Coalson kicked to the Robert Lee 44.

On a 66 yard pass play from Baker to Clark the Steers put six more points on the board. Baker passed to Tim Rowoldt for a two point conversion.

Parker took the kickoff for the Longhorns from the 24 to the 39. Bronte ran three unsuccessful plays and had to kick as the first quarter ended, 14-0.

Second Quarter

The Steers got the ball on their 30 yard line. They made a 1st down on a 10 yard run by Percifull and another on a penalty against the Longhorns. But then they bogged down and punted. Bronte got the ball on their 22. Coalson spurred for 20 yards and a 1st on the Horn 42. Eliseo Sanchez gained 5; and Coalson added 3 and 6 yards on two carries for a 1st down on the Robert Lee 44 yard line. Joe Bob Ragsdale picked up 6 yards and Coalson ran for 25 more and a 1st down. The Horns then bogged down and had to give the Steers the ball on downs.

Clark made 12 and a 1st; Percifull lost 1, then Baker passed to Percifull for 32 yards and another 1st down. Allen picked up 6, and Clark ran for 2. On the next play Clark ran for 16 yards and a TD. Conversion failed.

Coalson took the ball on the 20 and ran to the 32. Bronte couldn't get going and punted. Robert Lee made a 1st and ran three more plays before the first half ended. Bronte 0, Robert Lee 20.

Third Quarter

On the kickoff Coalson returned it to the 39. He ran for 6 and then darted for 22 and a 1st down. Coalson made 9 yards in 4 carries. Robert Lee took over on downs. They immediately went to work and made good yardage. But the Steers fumbled and Bronte recovered. Robert Lee was penalized 5 giving Bronte at 1st and 5. Coalson ran for 4. Another 5 yard penalty on the Steers gave the Bronte lads a 1st down. A Steer penalty and a 10 yard run by Coalson gave the Longhorns a 1st down. Parker ran for 4 and Coalson added 6 for another 1st down. Coalson made 3. Another penalty on Robert Lee gave the Horns a 1st down. The Steers were penalized again but the Horns just couldn't get going and gave the ball back to Robert Lee on downs.

Percifull made a 1st and two penalties on Bronte gave the Steers a couple of 1st downs. A couple of plays later Donnie Hamilton recovered a fumble on the Bronte 30.

Fourth Quarter

Bronte couldn't go and had to punt. Robert Lee took over but fumbled with Bronte recovering. They couldn't move and had to punt. After a couple of penalties Donnie Jackson intercepted a Robert Lee pass. The Steers were penalized 5. Coalson picked up 4 and Parker made the 1st down. Coalson made another 1st but then Bronte failed to move the ball and had to punt. Robert Lee blocked it and covered it in the end zone for a touchdown. Percifull ran for a 2 point conversion, and the score was 28-0. The few seconds of remaining time was uneventful.

If you're hiding your money in a cookie jar, it's not working for you. And that doesn't pay.

One way to get a nice payoff from your money is to buy United States Savings Bonds through the Payroll Savings Plan.

When you do that, a little is set aside from each paycheck to buy Bonds. And that little will grow into substantial savings for you.

So buy United States Savings Bonds. And put your money where it pays.

Series E Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

PUBLIC NOTICE
SUMMARY OF PROPOSED
CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution."

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

UNINSURABLE RISKS

The swift rise in casualty and property insurance rates in the past two years is more than just a painful expense for policyholders. It is a sign of something dangerously wrong with the way the nation's legal system is creating huge new liabilities and laying them off on the insurers. Unless this trend is checked, whole categories of risk are going to become uninsurable under any private system. Then either the government will have to take over large areas of the insurance industry and operate at an escalating loss, or some of the major hazards of living and doing business in this country will go uncovered.

The insurance industry is in trouble primarily because legislatures, judges, and juries all over the country are trying to play Robin Hood. They are creating new liabilities and inflating old ones, piling awards for pain and suffering and punitive damages on top of compensation for medical expenses and lost income. They are using liability claims as an instrument for transferring wealth.

Medical malpractice insurance already is close to a breakdown, with many companies pulling out entirely and others limiting their coverage to the best risks. The same trends are showing up in product liability and in workmen's compensation, once a stable, highly predictable line.

Insurance underwriters cannot pay losses out of some bottomless pool of funds, as jurors seem to think. Their function is simply to spread the costs of a hazard over a large group that is exposed to it, so that everyone pays something and no one is wiped out. If outside awards drive the costs out of sight, the pro rata share of each policyholder (his premium) becomes more than he can afford.

It is time for policyholders in each state to start reminding the legislature that they are the ones who pay the bill. Robin Hood's place was in Sherwood Forest, not in the statehouse or the jury room.

AVISO PUBLICO
RESUMEN DE
LAS ENMIENDAS PROPUESTAS A LA CONSTITUCIÓN
ELECCION GENERAL DEL
2 DE NOVIEMBRE DE 1976

NUMERO UNO EN LA BOLETA (S.J.R. 49)

Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.

La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Río Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

La enmienda remueve el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encaucamiento de la calidad de agua y remueve el limite constitucional de la tasa de interés en tales bonos.

La fraseología de la enmienda propuesta tal como aparecerá en la

boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de \$400 millones de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; enmendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Artículo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Artículo III de la Constitución de Tejas."

NUMERO DOS EN LA BOLETA (H.J.R. 99)

H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de \$100 millones hasta \$200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

NEW CUSTOMER SERVICE

Effective July, 1976, the Independent Bankers Association of Texas, a state-wide association of independent community banks, has inaugurated a new state-wide check cashing service for depositors in IBAT member banks. As a member of the association, we are participating in this new service.

Occasionally, it is necessary for a person to cash a check while out of town. Participating banks in IBAT are agreeing to provide this service under proper conditions. For full details on this new service, call or stop by the bank at your convenience.

We believe independent bankers are best able to meet the financial needs of their customers, and we will continue to provide the best possible services for you.

FIRST NATIONAL BANK Bronte

SOIL CONSERVATION PERSONNEL HAVE BRONTE MEETING

David Firor, southern representative of the National Association of Conservation Districts, spoke to members of the West Texas Association Districts at their Aug. 31 meeting at the Community Center in Bronte.

Outlining NACD policies which highlighted his address, Firor said, "We have not abandoned the original goals and programs of soil and water conservation districts which were created 40 years ago. We still believe that the foundation stone of our program is a farm to farm, district by district approach to conservation. We are emphasizing voluntary participation and incentive programs to reach our objectives as opposed to the ever spreading use of federal regulatory powers we see today."

He said that NACD is trying to improve and develop natural resources in an intelligent and creative way and emphasized that the only new source of wealth is in the nation's natural resources.

George Marks, who is the top administrator of the U. S. Soil Conservation Service in Texas, briefed the group on the agency's current programs and policies.

Other special guests included Joe Antilley, vice chairman of the Texas State Soil and Water Conservation Board; Kenneth Kuykendall, vice president of the Texas Association of Soil and Water Districts; and Harvey Davis, executive director of the Texas State Soil and Water Conservation Board.

Kuykendall briefed the district directors on the state association activities and discussed items of business to be presented at the state meeting to be presented at the state meeting to be held in McAllen Oct. 12-14.

The West Texas Association of Soil and Water Conservation Districts consists of 14 districts. The organization's purpose is to promote the work of districts and to serve as a vehicle whereby district directors can discuss conservation problems similar to this area.

The association elected new officers, including: president, J. M. Sterling of Colorado City; president-elect, J. D. Crawford of Midland; re-elected treasurer, Cone Robinson Sr. of Norton.

Sixty-five persons attended the meeting.

TEXAS ACRE AT VALLEY FORGE

Coke County Judge W. W. Thetford has received a letter from the American Legion asking the county's cooperation for the Texas Acre at Valley Forge, Pa.

In celebration of America's Bicentennial, each of the 50 states was given one acre of ground at Valley Forge.

The Texas Acre has been dedicated to honor the Texas recipients of the Congressional Medal of Honor. Sixty-three trees have been planted to honor each of these heroes, along with a commemorative plaque for each one.

To further emphasize this project, on Oct. 11, Carol Corley, Commander of Post No. 615 in Potter, Texas, will set out for Valley Forge via horseback. In his saddlebags will be a spoonful of dirt from each of the 254 Texas counties. The Texas soil will be strewn over our Texas Acre by the Texas Commander of the American Legion or a personal representative of Gov. Dolph Briscoe.

Judge Thetford said this was a fitting climax to this great Bicentennial celebration and Texas will truly have its own "little acre." He said this is a wonderful opportunity for the county to support our country during its 200th birthday.

The Bronte Enterprise

Who bailed out the Navy in 1798?

We were still paying off the Revolutionary War. Then we were faced with yet another war, this time on the seas.

How could we afford to build up our Navy?

Well, Congress called for help through the issuance of government securities. And the citizens came through to the tune of \$711,700. Enough to make the down payment on 10 new ships.

Their investment paid off. And you can follow their example today.

When you buy U. S. Savings Bonds at your bank or through the Payroll Savings Plan at work, you're investing in your country.

And as if that weren't enough, you're helping yourself to a safe and generous return.

What better way to stay afloat?

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

200 years at the same location.

County Auditor
Coke County, Texas 2tc

LEGAL NOTICE

Effective January 1, 1977, elections will again be held at the Tennyson school house following action of the Commissioners Court of Coke County in a regular meeting September 7th, 1976, in which Election Precinct No. 4 at Tennyson was re-established after petitions were duly presented by qualified voters in the precinct and submission under Sec. 5, Voting Rights Act dated August 2, 1976, was approved by the Attorney General of the Department of Justice, Washington, D. C.

The Court named J. P. Arrott Presiding Judge and Lora Bell Brown Alternate Judge and set the boundaries of the election precinct the same as they were before the consolidation of the precinct with election precinct No. 5 in Bronte September 10, 1973, being bounded on the west by Commissioners Precinct No. 3, on the north by the Colorado River and on the east and south by the county lines, and being more fully described by metes and bounds in the minutes of said Court.

Voters in all of Commissioners Precinct No. 4 will continue to vote at Bronte at the Depot until January 1, 1977, since the Texas Election Code Art. 2.04e provides that changes in election precincts shall not become operative in the holding of elections until the beginning of the following voting year. 3tc
