MASON, TEXAS, THURSDAY APRIL 20 1922.

ESTAB 1877

MASON SCHOOL NEWS CONTINUED BY NINTH GRADE

The Girls' Athletic Club met in the eighth grade room last Thursday morning for the purpose of electing officers for next term. The following were elected: Thelma Wood, director of the Athletic Club; Coralea Tinsley, secretary-treasurer; Gertrude Metzger, basketball director; Ruth Bruce, tennis director and Etta Marie Hofmann, director of the Walking squad.

Miss Averil Bellows taught in Miss Marie Brockman's place, Miss Marie being absent on account of illness.

George and Anna Kensing were absent from school a few days last week during the brief illness of their brother.

The following pupils have been absent: L. D. Fostel, Emilie Fisher, Millie Wartenbach, Ella Mae Probst, Jewel Cunningham, Helen and Norma Keller, Lois White, James Fleming, Arthur Fleming.

Eunice Awalt returned to school last Monday, after being absent from school quite a while on account of illness.

Several of the Grammar School teachers gave their pupils an Easter hunt last Friday afternoon.

Zanada Beach who has been absent from school on account of a broken arm is back in school.

Many regrets are floating through the ozone surrounding the Mason High School this week on account of the postponing of the game between Brady and Mason on last Friday. Brady failed to show up and in consequence thereof missed a rare treat, as the Mason Band rendered a delightful program.

The tenth and eleventh grades are planning on going to the river Friday.

The Mason school teachers are going on a picnic Friday and Saturday.

HONOR ROLL FOR MASON SCHOOL.

Mrs. Lee's pupils—"A" students, Katie Schuessler, Annie Schuessler, Martin Smith, Edmund Gierisch.

First Grade—"A" students, Roy Tilley, Juanita Lemburg, Maybelle Grote, Leona Banta, Thelma Land, Ruby Schweers; "B" students, Ruth Louise Saunders, Susia Beach, Estella Hartman, Bernice Ferguson, Elizabeth Hallett, Cora Grote, Floyd Johnson, William Tilley, William Starks, Alice Willmann.

Second Grade—"A" students, Vera Beck, Lee Roy Eckert, Charles Gipson, Mary Cecile Lawson; "B" students, Lee Sommerfeld, Amelia Schuessler, Archie Ritter, Ezelle Key, Loyd Johnson, Ray Eastman, Reseda Dannheim, Emma Bynum, Anna Marie Bruce, First Grade, George Coates, Albert Heinrich, Jenevive Johnson, Pascal Rogers, Oleta Smith.

High School—"A" students, Ethel Gipson, Lucille Lange, Alva Beach; "B" students, Willie Mae Grosse, Elsie

AMERICAN LEGION MAKES PLANS FOR STATE MEET IN AUSTIN 22-23

Final plans for the entertainment of more than 400 delegates to the State American Legion convention to be held in Austin, April 22 and 23, were made at the weekly meeting of Travis post held Monday night. All executive officers and many post commanders and adjutants are expected to attend the meeting.

Purposes of the convention will be to work out plans for taking care of unemployment among ex-service men and finishing up the recent drive for employment and to discuss plans for a house-to-house canvass of ex-service men in Texas, thus compiling a record of every ex-service man for use in adjusting claims.—Austin American.

LOCAL LEGION POST PLANS THREE DAY CELEBRATION

It is announced the Ft. Mason Post of American Legion has been discussing plans for holding a three days' picnic and barbecue celebration in Mason some time during the month of July. The News is informed the Legion Post now has a committee out to learn what favor such an undertaking will receive by the local business houses and this committee expects to have a meeting with the members of the Mason Commercial Club at an early date for the purpose of discussing the contemplated affair. From the information at hand we judge the date for the celebration will likely be set for some time between the 4th and 22nd, which is the day of the Primary Election. Such a proceeding is felt necessary due to the city of Junction having already started to advertising a picnic for the 3rd and 4th of July.

MASON COUNTY BOYS CARRY OFF HONORS AT DISTRICT MEET

The San Marcos District Interscholastic League Meet was held April 15th. Peters Prairie and Long Mountain schools were represented from Mason County.

In the declamation contest, Robert Schmidt and Harold Schmidt from Peters Prairie won first and third places respectively.

Long Mountain came home with honors, also.

J. D. WOODWARD ANNOUNCES FOR COMMISSIONER PRE. NO. 3

In this week's announcement column appears the name of Mr. J. D. Woodward as a candidate for the office of County Commissioner for Precinct No. 3. Mr. Woodward solicits the support of the voters of his precinct for the office to which he aspires at the July Primaries. He states he would like to hold the office and feels qualified to serve in the capacity of Commissioner, and if elected, promises to exert every effort towards satisfactorily serving the interests of his precinct and the county.

FAMOUS PLAYERS WILL RELEASE FATTY FILMS

Los Angeles, Cal., April 17.—The Famous Players-Lasky corporation announced today that Adolph Zukor, head of the organization, had telegraphed from New York to release three new motion pictures by Roscoe C. (Fatty) Arbuckle. The pictures were withheld when the manslaughter charge was lodged against Arbuckle.

Zukor in his telegram said he was "confident the public realizes by this time that Arbuckle has been the victim of circumstances." Arbuckle was acquitted of the charge.

Quite a number of Mason people were visitors in Fredericksburg the latter part of last week, to take in the festivities of carnival week.

Schweers, Mary Kettner, Thelma Wood, Willie Mae Doell, Henry Hoerster, Clovis Sanders, Elva Grote, Emilie Fischer, Ruby Jordan, John Fleming, Alton Clark, Coralea Tinsley.

The following should have been included in the "B" group last month: Ruby Jordan, Ella Mae Metzger.

BOYS TO REPRESENT MASON CO. IN DIST. LIVE STOCK JUDGING

Mr. A. L. Smith, District Agent, of this district and Mr. S. C. Evans, club boys stock judging specialist, of College Station, were in Mason on April 12th, to select the boys to represent Mason County at the district judging contest to be held at Brownwood on May 30th.

About thirty of the boys were taken to E. O. Kothmann's ranch where they were given a class of Herefords to judge. The boys were each given a slip of paper upon which to write their placing of the class. Reasons were then given by each boy for his placing. The boys were scored fifty on placing and fifty on reasons and the following six boys were selected by Mr. Evans as being the best prospects for the judging team: Harold Schmidt, Murray Kyger, Richard Jordan, Henry Keller, Jr., Arthur Wiesemann and C. C. Smith. Four of these six will be selected to make the team from Mason County.

These boys will judge at Fredericksburg in competition with Kerr, Llano, Kendall and Gillespie county boys on April 27th. There are some nice prizes offered there, but the prizes are limited to Gillespie county boys and our boys will attend for the practice they will get out of the judging.

Mr. Evans complimented all of the boys on the good showing they made in judging when told the number of lessons they had had.

There will be another contest held in June, at which time boys will be selected to represent Mason County in a State judging contest and all boys will have the same chance to get on that team, so those boys who have not been selected on this team need not slow up, but put on extra speed and try to make the team that will go to College Station this summer.

We will give you more information on both the Brownwood and College contest in the next few weeks.

WHEN "THE OLD NEST" COMES.

To the Star Theater today and tomorrow, the people of Mason will have a chance to see a picture that has been hailed by critics and reviewers as the most satisfying all-American picture that has yet been produced. The theme, that of a mother who sees her six children leave her, one by one, is common to American families. All the poignancy of feeling that these leave-takings arouse in real life have been caught on the screen.

Rupert Hughes is the author of this unusual tale of mother love. He has sought to present a cross-section of a universal theme as applied to an American family. All the joys and sorrows connected with raising a family have been dramatized. Each of the children grow to manhood or womanhood with his own individual interests, then leaves the old nest to follow the call of his desires. Only their mother is left in her loneliness and her memories. But, as in every American family, the young remember the old nest and return to it.

The picture was produced by Goldwyn and was directed by Reginald Barker. Mary Alden plays the old mother, and her performance has been said to be a masterpiece of screen acting.

Commissioners' Court Met Tuesday

The County Commissioners' Court for the purpose of making final settlement with Collector of Taxes, Chas. Leslie.

Mrs. H. S. Wood and daughter, Miss Cleo, made a trip to Brady the first of the week.

SIXTY-FOUR HEAD OF CATTLE SOLD AT SHERIFF'S SALE MON.

Last Monday morning, Sheriff Leslie sold at auction, sixty-four head of cattle to satisfy a judgment of \$5,380.65 held by E. B. Kothmann against Alvin Andregg. The auction was held at the north entrance to the court house and quite a number of stockmen and parties of other occupations were in attendance, although bidding was engaged in by only a few. The cattle brought the sum of \$925 and were bought by E. B. Kothmann.

STOCK SHOW AND RACE MEET AT FREDERICKSBURG NEXT WK.

In this issue of the News will be found an advertisement telling of the Stock Show and Race Meet which will be held at Fredericksburg on April 27th and 28th, which will be next Thursday and Friday.

The News is receipt of a catalog giving the details of the two days' affair, and according to the program listed, both days will be filled with pleasure for those who attend.

It is stated there will be some fine registered stock on exhibition, and that the entertaining features of the two days will be horse races, baseball, goat-ropings, dances and numerous other kinds of pleasures.

General discussion here indicates that quite a number of Mason people will be in attendance on that occasion.

OTTO KEYSER KILLS OLD WOLF AND SEVEN PUPS

Last Saturday morning, Otto Keyser, a young stockman of the Keyserville community, killed a large mother wolf and 11 pups in a den in his pasture. He brought the scalps to Mason on Monday and received a bounty of \$25 for the old one and \$2.50 each for the pups, from C. D. McMillan, secretary of the Mason County Wolf Club, thus receiving a check for \$72.50.

It is said Mr. Keyser had known of this wolf for some time and had tried to trap her but she had evaded him several times and on one occasion got out of a trap after he had caught her. He happened to locate her den and upon paying a visit last Saturday found her and the pups and killed them all before she could escape.

This is the second time that a bunch of young coyotes have been caught in this county in the past few weeks and with the two hauls a total of seventeen pups have been gotten rid of.

NOTICE TO OWNERS OF STOCK.

Sheriff Chas. Leslie has requested the News to announce that the law enforcement department of this city has been receiving a number of complaints recently about loose cattle, burros and horses and he says he must warn those people who insist on turning out their stock to cease the practice at once, as drastic means are going to be taken to enforce the stock law if observance of the law cannot be had in any other way. Sheriff Leslie says he hopes this warning will be sufficient, but he, at the same time, states his intentions are to do his utmost towards enforcing all provisions of the local stock law.

Mr. and Mrs. Albert Martin and little son were down last week from the Los Moras Ranch in Menard county, to spend Sunday among relatives and friends.

C. H. Tupper, of the Tupper Advertising Agency, of San Antonio, was through Mason Monday, returning to San Antonio from a business trip to San Angelo.

FIRE DESTROYS TENANT HOUSE AT LOS MORAS RANCH MON.

Word was received here Tuesday morning that a three room frame house on the Los Moras Ranch of C. L. Martin, in Menard county, was destroyed by fire on the night before. It is said the house was being used by a Mexican goat herder employed on the ranch. We did not learn the origin of the fire, but it is said the loss will amount to several hundred dollars, as the house was not very old.

P. A. BENNETT RE-ELECTED SUPT. OF MASON SCHOOLS

It has been announced that Prof. P. A. Bennett has been re-elected by the local board of trustees to serve as superintendent for the local schools for the coming session of school for 1922-23. Inasmuch as Supt. Bennett and his family have been in our midst for the past two terms and have made a large circle of friends and acquaintances here, the announcement that they will be with us again next year will, no doubt, be logged with much favor.

LOCAL BASEBALL TEAM TO PLAY MENARD SOON

The local baseball team is being organized and some of the players are developing into good form right along. It is announced that practice days are each Tuesday and Thursday afternoon, from five to seven o'clock, and it is expected a matched game will be had with the Menard team on the local diamond within a short time, probably about the latter part of this month.

It is urged that all players who would like to make the team to turn out for practice. In all probability a team of about fifteen members will be selected by the first part of next week.

PARENT-TEACHERS MET MONDAY—OFFICERS WERE ELECTED

The Parent-Teachers' Association met at the school building Monday afternoon at four o'clock. The Association voted to bear the expense of providing for physical examinations for the school children at the first of next session.

The following officers were elected to serve for the next term of school: Mrs. R. E. Lee, president; Mrs. Roscoe Runge, vice-president and Mrs. R. W. Hofmann, secretary-treasurer.

The meeting adjourned to meet again on the third Monday of May, which will be the last meeting for this school year.

RETURN FROM HOLDING OF DISTRICT COURT AT MENARD

District Judge, J. H. McLean, of Llano, and District Attorney, Geo. E. Christian, of Burnet, passed through Mason the latter part of last week en route to their homes, after having been in attendance at District Court in Menard. District Attorney, Christian, stated the Menard County Grand Jury adjourned after returning something like sixteen bills of indictment, about nine of which were violations of the intoxicating liquor laws.

PETERS PRAIRIE SCHOOL NETS \$26.15 FROM PLAY FRI. NIGHT

The play entitled, "The Arizona Cowboy", which was presented at the local theater last Friday night under the auspices of the Peters Prairie School, is said to have earned gross receipts of \$44.15, and after meeting an expense of \$18 in connection with staging the play, the sum of \$26.15 represented the net profits.

KERRVILLE DISTRICT TO HOLD SUN. SCHOOL INSTITUTE HERE

In another place in this issue of the News will be found the program of the Sunday School Institute of the Kerrville District, which will meet in Mason on Friday of next week, April 28th. The Institute will be but a one day affair, but the program is full of some interesting topics and they are to be handled by some very capable parties. Our readers will read the program with interest, and it is hoped its publication in the News will bring about a large attendance.

REV. HY. JORDAN CELEBRATES BIRTHDAY ON LAST MONDAY

Rev. Henry Jordan, of the Art community, celebrated his 66th birthday anniversary last Monday. The occasion was made quite an enjoyable affair for Mr. Jordan, as he had his guests at a specially prepared dinner, all of his children and grandchildren.

LEIFESTE CHILD BROUGHT TO MASON FOR INTERMENT WED.

The little seven-months-old daughter of Mr. and Mrs. Hugo Leifeste, died at Fredericksburg Tuesday morning about 10:30 o'clock. The little corpse was brought to Mason for burial and interment was made in the Gooch cemetery on Wednesday afternoon at three o'clock. Religious services were held at the home of Mrs. Leifeste's parents, Mr. and Mrs. Frank Spaeth at two o'clock, led by Rev. Mr. Heinrich, pastor of the Lutheran church.

Was Very Weak

"After the birth of my baby I had a back-set," writes Mrs. Mattie Crosswhite, of Glade Spring, Va. "I was very ill; thought I was going to die. I was so weak I couldn't raise my head to get a drink of water. I took . . . medicine, yet I didn't get any better. I was constipated and very weak, getting worse and worse. I sent for Cardui."

TAKE

CARDUI

The Woman's Tonic

"I found after one bottle of Cardui I was improving," adds Mrs. Crosswhite. "Six bottles of Cardui and . . . I was cured, yes, I can say they were a God-send to me. I believe I would have died, had it not been for Cardui." Cardui has been found beneficial in many thousands of other cases of womanly troubles. If you feel the need of a good, strengthening tonic, why not try Cardui? It may be just what you need.

"Give thine own strength to leaders strong,
Make world-wide brotherhood their aim;
Show them the righteous way through wrong,
Put nations' jealousies to shame.
Oh, save us yet in love to live;
And at the last, O, God, forgive!"

"SWEETS TO THE SWEET"

The candy which anyone can make in the home kitchen is just as delicious and twice as cheap and fully as wholesome, if not much more so, than that bought at the confectioner's. The following are recipes worth while cherishing and trying occasionally.

College Nuggets.—Take one pound of brown sugar, one cupful of water, boil until it makes a ball in cold water, then pour boiling over the well beaten white of an egg. Continue beating until the mixture is creamy, then add flavoring of vanilla and chopped nuts. Drop on a buttered sheet before it gets too hard.

French Fondant.—Take one pound of sugar, one-half cupful of water, two tablespoonfuls of white corn sirup or an eighth of a teaspoonful of cream of tartar. Boil until a soft ball is made when dropped into cold water. Set away to cool, then stir until creamy. Place in a buttered bowl, cover with a cloth and let stand for a day or two to ripen. This foundation may be used for any number of candies. Flavor with peppermint, melt over hot water and drop on waxed paper, for peppermint patties. Wintergreen patties may be prepared the same way with wintergreen flavoring. Chopped pineapple added to fondant made into balls and dipped in chocolate, also melted over hot water, is delicious.

Cream Candy.—Take one cupful of cream and two cupfuls of sugar. Boil to a soft ball stage, flavor to taste, then beat and pour into a greased dish, or drop from a spoon.

Mock Cherry Pie.—Mix one and one-half cupfuls of cranberries cut in halves, three-fourths of a cupful of raisins, chopped, one cupful of sugar and one tablespoonful of flour. Place this mixture in a pastry lined pie plate, dot with bits of butter, add two tablespoonfuls of orange juice, cover with an upper crust and bake thirty-five minutes in a hot oven.

TO MARK ENTIRE ROUTE Puget Sound-to-Gulf HIGHWAY IN A STYLE

Big Springs, Texas.—James T. Brooks of this city, chairman of the committee to have the Puget Sound to the Gulf Highway marked from end to end, announces that his committee has contracted with T. H. Johnson of Big Springs and his crew will begin marking the route within a few days and the work will be completed in time to accommodate the early spring tourists. The entire route from Corpus Christi to Amarillo will be marked with the standard red and blue signs.

Officials of the Puget Sound to Gulf Highway have expressed great pleasure in the selection of Mr. Johnson to do the marking work. He is county vice-president of the route for Howard county and was one of the original boosters of the route. The missionary work Mr. Johnson will do along the route, while marking it, is expected to prove a big asset to the route.

PLEASE TAKE NOTICE

Notice is hereby given that the regular annual meeting of the Gooch Cemetery Association will meet at the court house on Monday, May 1, 1922, for the purpose of electing officers for the ensuing year, and such other business as may come before this meeting.

We urgently request your presence, and would greatly appreciate for all who are interested, to come. Others that have moved away from Mason and have some to be buried in the Gooch Cemetery, and who would like to help, for we are badly in need of funds to keep a man there, we would greatly appreciate a liberal donation. You can send money to Mrs. Belle Bridges or to Mason National Bank. Thanking you in advance,

CEMETERY ASSOCIATION.

CEMETERY ASSOCIATION NEEDS SUPPORT

Elsewhere in this issue will be found an announcement in connection with a scheduled meeting of the Gooch Cemetery Association; which is to be held at the court house on Monday afternoon, May 1st.

The cemetery organization is one of the most worthy organizations of our county and it is one which every one should be interested in, and especially is this true of those who have dear ones laid away there.

Spring time has come and an abundance of rain has recently fallen and weeds and grass are coming fast, fences are needing repair and many things that require the expenditure of money are making themselves evident at the cemetery at this time. This

FROM NEWS FILES OF 25 YEARS AGO

From Mason News, April 23, 1897:

Major W. C. Lewis, livestock agent for the Santa Fe at San Antonio died suddenly a few days since.

Henry Thode and family were here this week from Kansas City and are thinking of locating here.

The Mason base ball team will have suits composed of blue shirts, brown pants and black stockings. The club met last Saturday to organize and elected J. J. Allen as captain, Chas. Leslie, treasurer and H. C. Boyd, secretary.

Deputy Sheriff, M. F. Carter has quite a curiosity in the way of a four-footed chicken.

Mrs. Geo. Eggenberger left Tuesday for San Antonio to reside.

Sheriff Gibbs left last week to escort several witnesses to Knox County.

Someone entered the saloon of McDougall & Zesch Thursday night and took a few bottles of fine wine and whiskey and several boxes of cigars. The same night thieves effected an entrance into the grocery and meat market of Mebus & Todd and carried away two full boxes of chewing tobacco. At Ritters & Ruegner's meat market they entered and stole a box of cartridges, a sack of tobacco and about 25 cents worth of meat.

The infant of Mr. and Mrs. Chas. Soul died on the 16th, aged about one week.

15 Years Ago In Mason

Sam H. Henry was seriously injured Thursday morning of last week by a blast while working in the well of L. C. Fleming.

Mr. Willie Sanders and Miss Nancy Virdell were married Wednesday evening, Judge J. H. Jones officiated.

Mrs. W. B. Glenn was rendered unconscious when a bolt of lightning struck near her while at work in her yard last Tuesday afternoon.

A. A. Keller reports having lost about thirty head of sheep recently due to depredations by the wolves.

Frank Brandenberger and Chas. Bierschwale went to Menard county this week to look at some ranch land with view of purchasing it.

I am always in the market for fat hogs and chickens. Get my prices, J. J. Johnson. 31-1f.

means that members of the association must again pay their dues and get sufficient money on hand to cope with the situation. Donations to this worthy cause are also in order and it is to be hoped a liberal response will be had from both sources.

In speaking of the condition of the cemetery, Mr. E. J. Lemburg, who is chairman of the Gooch Cemetery Association, stated the services of a man who will remain in the employ of the association for the next few months and act as sexton has been secured and there is much work to be done in the way of keeping down the weeds and grass, repairing fences, building up sunken-in graves, etc. Mr. Lemburg says if these matters are properly attended to it will entail quite a bit of expense and will necessitate the prompt payment of dues and liberal donations on the part of members and those interested in the welfare of the burial grounds.

NEWS IN BRIEF IN NEARBY TOWNS

65-POUND FISH CAUGHT IN THE MAIN LLANO

Porter Hodges, who lives six miles down the river, caught a 65-pound cat fish last Monday night, near his ranch. The large fish is on cold storage at the local meat market, and will be kept there until Sunday. They plan a community fish fry.

RAIDS STILL TUESDAY NIGHT

Sheriff Neal raided and captured a sure enough still Tuesday night of this week. The still was on exhibit in the office of the sheriff Wednesday and those who know say it was complete for making genuine moonshine. The still was found in the roughs of the J. R. Daniel pasture some three miles northwest of town. This is the second still captured in this county since the nation went on the water wagon.

D. R. and Chas. H. Keyser and their families left last week for Houston, where they will make their future home. The Messrs. Keyser were proprietors of the Corner Drug Store since 1918 and were caught in the business crash of last year. Their bankruptcy notice appears in another column of the News this week. They had made many good friends in San Saba whose very best wishes will accompany them to their new home.

Gillespie County Farmers to Poison Boll Weevil with Calcium Arsenate

Several farmers of the county met at the court house last week with County Agent R. S. Miller and R. R. Reppert Extension Entomologist of the A. & M. College who outlined the history told of his results at places it has been tried. Poisoning with the poison experiments and Calcium Arsenate has proven very successfully in some parts of Texas and Louisiana. These tests will be carried on in the following communities according to County Agents instructions: Palo Alto, Crabapple, Eckert, Willow City, Cave Creek, Knopp School, Stonewall, Rocky Hill, Grape Creek, Live Oak, Mousebach Creek, Luckenbach and Pedernales.

An Act of Cowardice

A little doe with a rope around its neck and a heavy stone tied on the end of it was dragged from the river last Tuesday.

Bullet holes proved beyond doubt that some wretch had used the noble animal for a target.

FABIS SAYS PECAN CROP IS GOING TO BE GOOD THIS YEAR

A. I. Fabis says the pecan crop of Brown County and in fact all this section of the central west is going to be good this year because danger from cold has passed. Pecan trees are now budding and as insects are the only danger that might arise, Mr. Fabis says he will attend to that angle of the question. The cold spell which caused a practical failure of the pecan crop in 1920 came the 4th day of April, and in 1921 the cold snap came the 28th day of March. So taking these things into consideration Mr. Fabis says there is no reason why a great crop of pecans should not be raised in the Brownwood area this year.

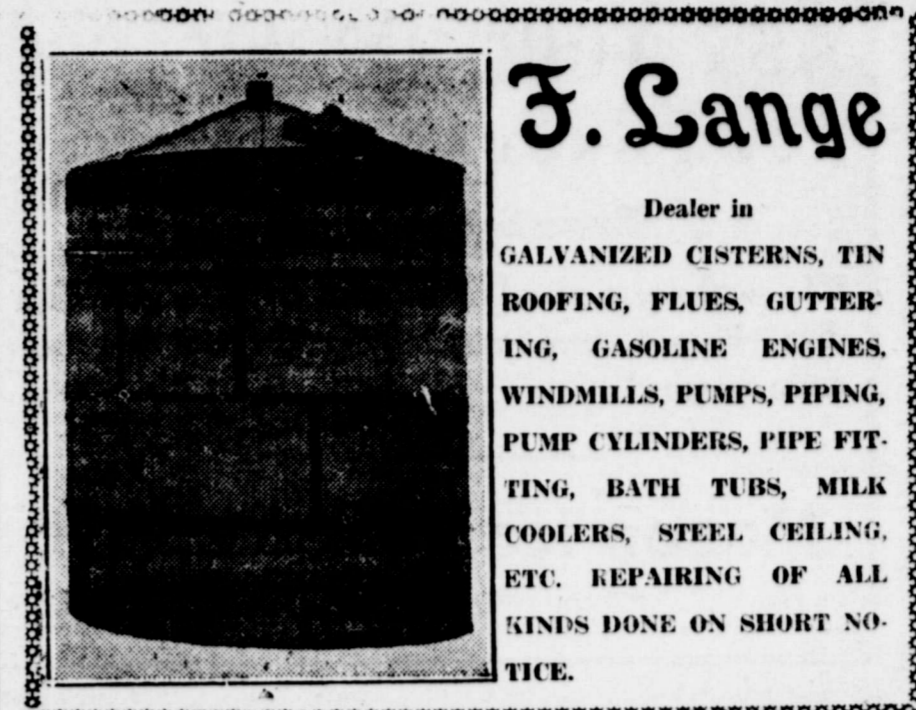

(From Brandy Standard) Burney-Alford

The many friends of S. W. Alford, evangelist of the Church of Christ will learn with pleasure of his happy marriage on Monday afternoon to Miss Burney of Fredonia. The wedding ceremony was celebrated at the home of the bride's parents, Mr. and Mrs. O. P. Burney, at Fredonia. Clem Hoover officiating at the service. The wedding was a simple home affair, only immediate members of the family being present.

Mr. and Mrs. Alford returned to Brady Monday night, and are at home to their friends in the J. F. Biggs' residence on North Bridge street, which the groom had comfortably furnished in anticipation of the homecoming of his bride, and where they and

his little son will be pleased to greet their many friends.

The McCulloch county jail once more is vacant, the last occupant having vacated when the negro, sentenced to two years in the pen for burglary by the last district court, was carried to Brownwood, where he was taken in charge by the penitentiary transfer.

The jail lost its star boarder when Roy Ikner colored, was turned loose a couple weeks ago after spending over a year in jail on a murder charge.

(From Brady Sentinel)

Bids were opened Monday at the regular monthly session of Commissioners' court for the work on the court house lawn and property and the contract for the concrete work let to C. R. Horn of this city and the dirt hauling and fill-in work to Arthur Wood. The work will be done under the supervision of county engineer E. A. Burrow and will begin at once and will be pushed to completion as rapidly as possible.

Work on the ladies rest room was begun several days ago and is progressing nicely and should be completed within the next ten days.

The commissioners court in regular session this week were unable to induce any of the members of the local bar to take the office of County Attorney, recently made vacant by the resignation of E. P. Lea. Judge Adkins stated that a lawyer would be employed to represent the State in county court next week and that efforts would be made to secure an attorney by the next meeting of the court.

Fritz Jordan, the genial telephone man from Melvin, was down Tuesday looking as though he had been thru the Rowena storm or fought a losing battle with a Ford. His left arm is carried in a sling and one of his cheeks is decorated with a large patch. Mr. Jordan explained that his left hand had become infected from the sticking of a large splinter into it and that the patch on his phiz was covering a boil. Outside of that he was all right.

(From Llano News)

Sunday night Sheriff Allen S. Johnson drove in town with a ten gallon crock in the back of his car, which was partially filled with mash. From the odor and state of the corn, it had evidently been in the jar for a long while.

There was no other evidence of operation anywhere around, and the conclusion reached was that the still had been moved and the jar with its contents left behind.

Investigation will be made however in an effort to connect certain parties with the jar and its contents. The discovery was made on Oatman Creek, south of town.

The local baseball team was defeated Sunday by Pontotoc by a score of 12 to 8. This was the first game that the majority of the players have played in this season and without practice, they

were easy picking for the victors.

Llano is soon to have a new postmaster, as E. W. Tarrence has been appointed for the position. Mr. Tarrence is a man who has been dealing with the public of this section for many years, first as railroad agent, then in the express office, where he is now the Llano Agent, and for that reason the new position will be one that he is well acquainted with to this extent. He has served the public long enough to have, and has plenty of patience, and should make this place a splendid postmaster. This appointment is to be confirmed by the Senate, then his commission issued, at which time he will begin work in his new position.

C. M. Wallace, the retiring postmaster has held this position for more than eight years, and has made Llano a splendid public office. In leaving this place, he does it not on account of any short comings on his part, but simply through political reasons, as the present administration is doing away with democratic postmasters all over the country. The change will probably be made within the next thirty days. On last Saturday evening, Mrs. Fowler entertained the following young ladies with a delightful slumber party: Misses Jewell Lindsey, Kathryn Atkins, Jewell Ozmert, Mary Nash Buttery, Lois Ozmert, Claire Hargon, Olivia Jackson and Genevieve King of Mason.

(From Menard Messenger)

The Grand Jury recessed Friday afternoon after returning twelve bills of indictments, ten felonies and two misdemeanors. It took up its work again Tuesday morning.

At a meeting of the Commissioners' Court Monday the contract for the construction of a low water bridge across the San Saba river at Menard was let to Hess & Skinner of Dallas for \$5,873, to be paid for by county warrants running ten years and drawing 6 per cent interest and maturing serially. The bridge proper will be 96 feet in length, of reinforced concrete piling, with approaches of twenty or thirty feet at each end. The bridge to be completed within 90 days.

Judge Scruggs will submit the plan of the bridge to the highway department and it is hoped and believed that State aid to the amount of one-fourth or one-half can be secured.

It is the intention of the court to build concrete slabs or dips across the San Saba river at ten mile crossing east of town and the one-mile crossing east of McKavett and on Rocky creek. An effort will be made to straighten the road at Clear Creek and build a bridge there.

Sunday School Class Entertained

Last Saturday afternoon, Miss Willie Mae Doell entertained her Sunday school class with an Easter egg hunt at her home, from three to five. The home was beautifully decorated for the occasion. After the hunt the prize for finding the most eggs was awarded to Little Miss Charlotte Halleck.

Delicious lemonade and cake were served to the following members of the class: Melvin, Vernon and Hazel Jordan, Dorothy and Doris Willmann, Mary Fay and Virginia Banks, Juanita Lemburg, Gladys Starks, Billie Sequist, Charlotte Halleck and Ella Louise Bickenbach. The invited guests were Misses Thelma Wood, Ethel Dees, Evelyn Willmann and Garner Sequist.

LONG'S MARK STANDS

In these days of record-breaking on the cinder track there is only one mark which seems to stand out of reach of modern athletes. This is the record of 47 seconds for the 440-yard run made by Maxey Long at Giffenberg on October 4, 1900.

The 100-yard dash, the 220, the 880 and all the other records have gone to smash. Even the broad jump record made by Pat O'Connor in 1901 was smashed last year by Ned Gourdin, the Harvard jumper.

A long stretch of 22 years has passed, and the great mark of Long stands on the record books as the shining achievement of a past athletic generation.

Start raising Chicks here

Purina Hen Chow and Purina Chicken Chowder supply the perfect balance for producing an abundance of fertile eggs that hatch vigorous chicks. When fed as directed these Chows are guaranteed to produce more eggs than any other feed, or your money will be refunded. Purina Baby Chick Chow and Purina Chicken Chowder are perfectly balanced for chick growth. Start your chicks on Purina Chicken Chowder.

DOUBLE DEVELOPMENT GUARANTEE

The money paid for both of these Chows will be refunded if baby chicks when fed Purina Chicken Chowder and Purina Baby Chick Chow, as directed, do not develop twice as fast during the first six weeks as when fed grains alone.

* CHURCH NOTICES *

BAPTIST CHURCH

Next Sunday morning we will discuss the greatest question ever asked by man. There are questions asked which only concern individuals, while some concern families, and yet others concern states and some few concern the Nation. But there is a question in which the whole world is concerned. The question is, "What Think Ye of Christ?"

In this discussion we will call the roll of all His enemies, and the demons and all those that were against Him. Also His friends, His Father, the angels and all the redeemed in glory, put them on the witness stand and hear their testimony concerning Christ. After hearing all the testimony and summing it all up, you may give in your own verdict.

The evening service will be given to a discussion on the theme, "Meanness or Greedness—Which?" In this subject we will discuss some of our good and ill manners. And more especially the ill ones, for they are so many. I have seen some cows that could lick their calf through the crack of the fence. That's licking some, you say. Yes, but some folks I know can sit in their parlor and lick their neighbors; yes, and the people out in the country. They remind you of a wagon—they need a breast yoke to hold up their tongue. Mean or Green—Which.

Then there are some folks who go around with faces drawn out long enough to eat oatmeal out of a churn and think they have religion. They think it a sin to laugh, and especially in church. That is not religion; that's cramp colic. Religion don't keep you from laughing.

We are having fine crowds and splendid interest and you are invited to come and be one in our midst.

W. H. GAGE, Pastor.

EINSTEIN THEORY SHOWN IN MOTION PICTURE FILM

Washington, April 20 (Capital News Service).—The Einstein theory of relativity is generally conceded by scientists to be of paramount importance. Yet so difficult has it been for the lay mind to comprehend that it makes small headway in either schools or popular literature. To remedy this condition six professors of Europe have written and made a motion picture which shows the relativity theory so that anyone of average intelligence can understand it.

These films will reach the United States by the end of April and will be available for public showing shortly thereafter. The matter is of special interest to educators, who see in this use of the "movie" a new means of spreading knowledge. Many mathematical abstractions are extremely difficult to understand when conveyed by figures alone, which, it is pointed out, become plain and simple when diagrams and pictures can be used. In all mathematical demonstrations involving change and motion successive diagrams must necessarily omit something. But in the motion picture the entire action can be shown. Thus, in the Einstein films showing the relation

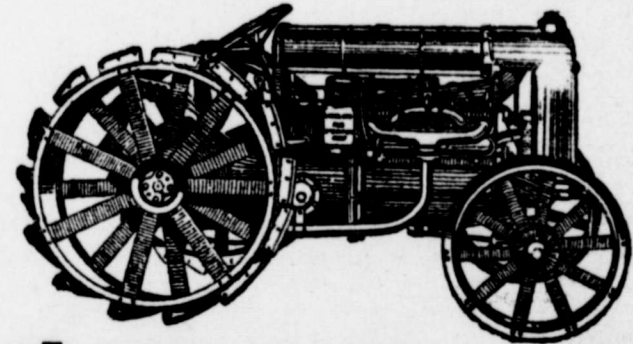

between space, light and motion, a rifleman is shown who fires two shots at a given object, the second shot coming 12 hours after the first. The second shot hits the object, which is way up in the sky, a long time ahead of the first shot because the earth has swung halfway around in the 12 hours and is therefore, that much nearer the object aimed at.

Messrs. C. L. Martin and Aodiph Kotmann are expected to return home next week from Marlin, where they have been receiving treatment for rheumatic ailments.

WAR MATERIAL DISTRIBUTED FOR BUILDING HARD ROADS

A steady supply of surplus war material suitable for highway construction is being distributed to the States by the Bureau of Public Roads, United States Department of Agriculture, which acts as a clearing house. A force of about 275 persons is kept in the field taking inventories and preparing material for shipment.

Lists of material available are sent to each State highway department, and a period of 30 days allowed for the submission of requisitions. The material is allotted to the States on the same basis as monetary Federal aid for road construction, a value being placed on each item and a record kept of the total value received by each State. Up to February 1 of this year the value of the material thus distributed amounted to \$126,000,000, of which \$90,000,000 represented the value of motor vehicles and parts.

Recently an inventory was taken of about \$40,000,000 worth of material at Camp Grant, Rockford, Ill., part of which will be retained by the War Department and the remainder, suitable for road work, soon will be available for distribution. The work is being rushed, so that the material may be used for road work early in the season and the camp cleaned up by August 1.

CRESOL GOOD DISINFECTANT

Added to Water It Makes Excellent Solution for Spraying Houses or Premises.

(Prepared by the United States Department of Agriculture.)

The kerosene emulsion which is frequently used to destroy mites may readily be converted into a disinfectant, according to the United States Department of Agriculture. The emulsion is made by shaving one-half pound hard laundry soap into one-half gallon soft water. Boil the mixture until soap is dissolved and then, after

Poultry House That Can Easily Be Disinfected.

removing it to a safe distance from the fire, stir into it while hot 2 gallons of kerosene. This makes the stock mixture. When it is to be used as a house killer, 1 quart of the emulsion is mixed with 10 quarts of water. When it is to be used as a disinfectant, stir well and add 2 pints of crude carbolic acid or crude cresol.

The compound solution of cresol is one of the best disinfectants that can be purchased ready to use. It contains 50 per cent of cresol and a pint of it in 10 quarts of water makes the right solution to apply to houses or spray over the ground. A 5 per cent solution of carbolic acid (1 pint carbolic acid, 10 quarts water) is about equally efficacious.

ESSENTIALS OF INCUBATORS

Chief Point, Whether Small or Large Machine is Used, Is to Have Air Fresh.

(Prepared by the United States Department of Agriculture.)

Incubators are operated successfully in a great variety of places. Small machines generally are set in a room or the cellar of the house. A special cellar or incubator house should be provided where the incubator equipment is extensive or where mammoth machines are used. The chief points are to have a room which is not subject to great variations in temperature and which is well ventilated, so that the air is fresh and pure, according to Farmers' Bulletin 1103, Incubation of Hens' Eggs, issued by the United States Department of Agriculture.

If built above ground the walls of the incubator house should be double and the entire building well insulated. Incubators may be operated in buildings with single walls, especially in mild climates, but a well-insulated room is preferable. Good results in hatching are secured in incubator cellars and in incubator rooms which are entirely above the ground level.

The incubator room or cellar should be large enough to allow the attendant to work around the machines conveniently. Many incubator cellars are provided with some system of ventilation in addition to the windows, while in others the ventilation is controlled entirely by the latter method. Muslin screens on the windows provide good ventilation without draft and at the same time keep the direct rays of the sun from the machines. Many incubator cellars have cement floors, which are easier than dirt floors to keep clean and neat.

LIME HUNGER IN COWS

"Cows are continually chewing bones at this time of the year," writes a West Texas correspondent, "and if they cannot find bones, they will take tin cans or anything that comes handy." He wants to know what will satisfy them.

Dr. G. S. Fraps, State Chemist and Chemist to the Texas Experiment Station, answers that this indicates that animals are not receiving what they ought to receive in their food, and the deficient substance is probably lime, although it may be both lime and phosphoric acid.

Attorney Carl Runge and Ed Loeffler, assistant cashier of the Mason National Bank went to San Antonio Monday morning, returning home that evening.

PRESCRIPTIONS

S. B. Capps Aug. Kothmann D. F. Lehmborg

It would be well to make up a mixture of equal parts bone meal and salt, and allow the animals to have free access to it whenever they desire. If the animals have not been getting any salt, before feeding this mixture they should receive salt at the rate of one ounce each a day, as they may consume large quantities at first if they have not been getting it. That is to say, for fifteen cows one pound of salt should be put out daily, for about a week. After that put out a box with the mixture of bone meal and salt and allow them to have all that they want of it. The salt is not especially harmful, even if they do get a quantity of it. It would be well to see

that the salt is of good quality.

It is possible that a mixture of air-slacked lime and salt would be equally as good as bone meal as it certainly less expensive. The air-slacked lime may be prepared by exposing slacked lime to the air until it falls to powder, or by spreading out a thin layer of hydrated lime, not over one-half inch deep, for 4 or 5 days. A mixture of wood ashes and salt could be used also, but the other mixtures are better.

ARE OLD TIMES COMING BACK?

It looks like old times were coming back again when we see the railroads granting sure-enough "reduced rates" for large conventions, State Fairs, etc. One of the first reductions of this nature is that just announced from San Antonio, where the Passenger Agents Association held their meeting.

The association granted a rate of one fare and one-fifth for the Southwest Durbar, a big spring festival to be held in Dallas the week beginning May 21st.

The rate will apply going from May 20 and will be good returning up to May 29, a liberal limit of full ten days. If this kind of thing keeps on we may hope to see the regular fares reduced

as the next step in the revision down. Some of the features of the Durbar at Dallas are said to be a band contest for amateur bands all over Texas with \$1,500 in prizes; two grand concerts with over 650 voices trained and a symphony orchestra; a pageant featuring our State flower, the bluebonnet, and entitled "The Durbar of the Flowers"; an electrically illuminated night parade consisting of floats, bands and delegations representing many Texas cities and towns; a world's championship Rodeo and Frontier Days celebration under the direction of Tom Burnett of Fort Worth; Polo matches, golf matches and tennis tournaments for Southwestern championship and many more features scattered throughout the entire week.

John Brandenberger was here Monday from his ranch in the Hilda section.

Catarrhal Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 76c.

WASTE BALL CALLED "STRIKE" BY HURST

Jim Delehanty Tells Story of Famous Character.

Umpire Tells Batter in Advance What Next Pitch Is Going to Be for Crossing Him in Dispute With Backstop.

Veterans of the baseball game never tire of telling stories that feature Tim Hurst. Unquestionably Hurst was one of the most unique characters in the history of the game.

Jim Delehanty, one of the famous players of that name, tells this one, which has Tim Hurst, Jack Kleinow, who once caught for the New York Americans, and James Delehanty as the central figures.

Jack Chesbro was doing the pitching for New York. Chesbro had a spit ball that was mighty hard to judge. Kleinow, who was doing the catching, and Hurst, who was umpiring, were disagreeing on a lot of Tim's rulings.

Tim called ball two with Delehanty up, on a pitch that Kleinow regarded a good strike. He made a strenuous protest. Delehanty stood in the batter's box with a broad smile on his face. Jim liked to hear them argue.

The call was two balls and two strikes on Delehanty. Kleinow was positive the pitch that Tim called a ball should have been ruled a strike, retiring Delehanty. Finally in desperation, Hurst said:

"Well, I will leave it to Delehanty." Tim was positive the pitch was a ball, and he felt sure Delehanty would entertain the same opinion. Possibly Jim believed it was a ball, but Jim liked to see Hurst rave, and he sarcastically replied:

"If there was ever a strike, that was one. For years I have been hearing stories about how blind you are. Now I'll believe anything they tell me."

Those cruel words certainly crossed Tim up, but quick as a flash he came back at Delehanty.

"Well, if that was a good one, you had better swing at the next one no matter where it is. Something tells me in advance it is going to be a strike."

Kleinow knew Tim was a man of his word. He called for a waste ball that was a foot wide of the plate. Delehanty failed to swing.

"Strike three!" yelled Hurst, and it went.

Underwood and Remington ribbons at News Office for 80 cents.

Read The Want ADS

PERHAPS WIN A \$1 BOX OF CANDY

To encourage a more thorough reading of the Want Ad Column in the News each week, we make the following standing offer, beginning April 6, 1922:

A one dollar box of chocolate candy will be given to the party who first discovers a misspelled word among our want ads and reports it to this office.

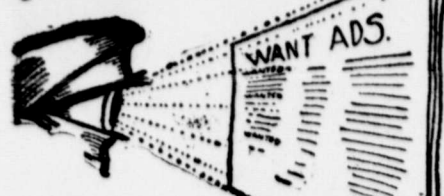

Conditions—In no case can the detected error be reported earlier than on Friday after the Thursday's issue in which the mistake appeared and if an error is made by us and is not reported within five days after the issue, the above offer is void. Understand, in this connection, the editors will not purposely make any errors, but will endeavor to prevent making any, but we are all subject to mistakes and we are likely to make some, so keep your eye skinned and every time we misspell a word in our Want Ads make it cost us a dollar box of candy. We pledge ourselves to leave this order stand for one month, at least.

A POLITICAL CALENDAR FOR 1922 (Brownwood Bulletin)

Prepared for The Bulletin by Thos. H. Taylor, chairman Democratic Executive committee of Brown county.

Monday, June 5th.
Candidates for State office must file, by registered mail addressed to State Chairman Frank C. Davis at San Antonio, application for places on the ballot, giving the required legal information, on or before this date.

Monday, June 5th.
Candidates for representative to the legislature, for district judge, district attorney, the state senate, for representative to Washington and for the courts of civil appeals must file on or before this date applications giving the proper information, to the County Chairman in each county of their district.

Monday, June 12th.
State Executive committee meets to certify names of candidates for State offices to the County Chairman.

Saturday, June 17th.
On or before this date candidates for county offices and precinct offices, and for district clerk, when office includes only one county, must file with the County Chairman applications for places on the ballot. Copies of the proper form for application will be mailed to candidates who announce in the newspapers from the County Chairman's office.

Monday, June 19th.
County Executive committee meets to determine the order of names on Primary Election Ballot, to name sub-committee, to prepare the ballot, to appoint presiding judges in each election precinct, and transact other necessary business.

Thursday, June 22nd.
Between this date and Tuesday, June 27th, candidates are required to file their first statements of campaign expenses with the County Judge.

Monday, July 10th.
On or before this date candidates are required to pay their ballot fee to the County Chairman.

Monday, July 10th.
Sub-committee of the County Executive committee meets to make up the primary election ballot.

Monday, July 10th.
Between this date and Friday, July 14th, candidates must file their second campaign expense statement with the County Judge.

Wednesday, July 12th.
Between this date and Tuesday, July 18th, voters who expect to be away from home on primary election day may cast their ballots with the County Clerk.

Wednesday, July 19th.
On or before this date presiding judges call at the County Clerk's office for election boxes and supplies.

Saturday, July 22nd.
Primary Election Day and Precinct Convention Day. Polls open at 8:00 a. m. and close at 7:00 p. m.

Wednesday, July 26th.
On or before this date presiding judges shall make returns to the County Chairman.

Saturday, July 29th.
10:00 a. m. County Executive committee meets to canvass returns. Two o'clock p. m. County Convention meets.

Tuesday, Aug. 1st.
On or before this date candidates shall file their third and final expense statement with the County Judge. Candidates who take part in the second primary are required to make three expense statements to the County Judge: the first not more than 30 nor less than 25 days before the primary; second not more than 12 nor less than 8 days before the primary; third not more than ten days after the primary. The County Chairman will furnish the candidate with proper forms and instruction concerning these statements. The maximum amount of campaign expenses for county candidates in Brown county is \$300, for precinct candidates \$100.

Saturday, August 26th.
The second primary election.

Tuesday, September 5th.
State Democratic Convention.

Tuesday, November 7th.
General Election Day.

LIMITATION FAVORED BY SOLONS FOR IMMIGRANTS

Washington, April 20 (Capital News Service).—The United States Senate through its committee on the subject has favorably considered the plan to extend for three years from July the present so-called 3 per cent quota law, by which the number of immigrants admitted to this country in one year can be but 3 per cent of the number of nationals of any country already here.

A proposal by Senator Harris to bar all immigration for five years was defeated 5 to 3, while another amendment by the Georgia Senator to require immigrants to use American ships lost, 6 to 2. The committee vote on reporting the amended House Bill was 6 to 3, five republicans being joined by Senator Harris in supporting the measure, while Senators Sterling, republican, South Dakota; Harrison, democrat, Mississippi; and Watson, democrat, Georgia, voted against reporting the measure.

RUGS CLEANED

I have an electric vacuum cleaner and will clean rugs, carpets, etc. for the public at very reasonable prices

Let me explain it to you.

MASON DRUG CO.

EIGHT BRECKENRIDGE BUSINESS MEN ROBBED

Breckenridge, Tex., April 17.—Eight prominent business men of this city were held up and robbed in a poker game at 2 o'clock this morning by two men who took the "pot," consisting of \$400, a gold watch and a six-shooter from the table and escaped, the players reported to the sheriff. Four alleged robbers were arrested and identified later in the day, the police said.

We are always just a little lower on Flour, Sugar, Coffee, Syrup and most everything else. E. Lemburg & Bro.

Mr. and Mrs. Max Martin and Miss Esther and Miss Lottie Van Der Moolen left today for San Antonio to remain a few days, taking in the sights during Fiesta week.

New Hats at Mrs. Banta's.

Spalding Baseball Goods at Mason Drug Company.

Mr. and Mrs. Louis C. Probst left Tuesday for San Antonio, where Mrs. Probst will remain for several days for medical treatment. Mr. Probst expected to return this week. S. C. Brockman was in the Probst store during his absence.

A beautiful line of Thine Gingham for Spring and Summer wear at E. Lemburg & Bro.

The Brady High School Baseball team did not make their appearance here last Friday and the game which had been watched between the local high school team and the team from Brady did not take place. The locals were ready for the game and when the visitors failed to arrive a game was matched with some of the town players, which resulted in a victory for the town bunch.

Little Louise Brenzeale was taken seriously ill the latter part of last week and it was feared she had diphtheria. The antitoxin was administered as a precaution and it is said the child is again all right.
