

**COME AND GET IT!**—Dimmitt's Lions serve barbecued brisket dinners on the courthouse square during their third annual "Beef Promotion Day" Saturday. In foreground, tending to the

tomatoes, onions and bread, are Wally Wallace (left) and Garner Ball. The Lions served more than 500 barbecue dinners during the day.

## WIFE elects Winders as new state president

Marie Winders of Flagg was elected State President of WIFE (Women Involved In Farm Economics) at last week's State Convention. Winders will serve a one-year term beginning in January of 1988.

The two day convention, held in Abilene, featured several programs of concern to those involved in agriculture, according to Mary Emma Matthews, of the Dimmitt Chapter of WIFE. Matthews said Dr. Billy Harris of Texas A & M spoke on compliance with the sod-buster and swampbuster segments of the current agriculture program. Harris stressed that failure to comply with the program could result in a loss of all government payments.

Rosemary Bowers of Seminole spoke on the importance of using products grown and made in the United States, Matthews said.

Representatives of the Texas Department of Agriculture addressed the group on Ethanol. Ethanol is a fuel which can be produced from any agricultural product containing enough starch and sugar, such as corn, grain sorghum and sugar beets.

The Texas Border Patrol gave a program on the naturalization process for illegal aliens hired as farm workers.

**NEW WIFE STATE PRESIDENT**—Lois Wales, left, president of Panhandle Agri Partners, and Marie Winders, new WIFE State President, look over the bank draft/pledge cards for the Nuclear Waste Task Force's financial campaign.

## Higher cattle and cotton prices to boost ag income

Higher cattle and cotton prices are expected to improve the 1987 agricultural income for Texas, according to an economist in marketing with the Texas Agricultural Extension Service.

These two commodities account for more than half of the state's farm income, said Dr. Carl G. Anderson of the TAES.

Livestock receipts may exceed \$6 billion, an increase of 11% from a year earlier. Crop marketings are expected to total about \$3 billion to remain about steady with a year ago.

"Large government payments

and agriculturally-related income from hunting leases, horses and other outdoor recreation, and off-farm income will likely increase net farm income some 5 to 10% this year," Anderson said.

Farm expenses overall will probably remain stable, he said. Energy and chemical expenses may increase slightly, while depreciation, capital and land costs are expected to remain low.

Anderson said that land values are showing signs of stabilizing, the credit crunch appears to be easing, and with the weaker dollar, export prospects are improving.

"Farm commodity markets the first half of this year, compared with the same period last year, show prices 25% higher for calves and lambs, wool is up 20%, beef cattle and sheep are showing a 15% increase, hogs are posting a 12% rise, and milk is up 3%. Partially offsetting these increases, however, are 7% lower egg prices and 4% lower boiler prices," Anderson said.

He added that most crops are marketed in the second half of the year. At mid-year, prices for cotton are substantially higher and rice is up slightly from levels of a year earlier. Sorghum and corn prices are considerably lower, with wheat down moderately.

The keys to restoring farm prosperity lie partly beyond the farm gate, Anderson said.

"Nationwide, a smaller deficit, lower interest rates and a weak dollar are needed to facilitate capital investments and enhance farm exports. Stronger trade agreements and a competitive world price would help encourage agricultural shipments overseas," the economist added.

With low agricultural returns, producers are striving to use more and better production and market information to manage a business, not just a farm, Anderson said.

## HHS plans activities for Homecoming

The Final Countdown is the theme for Homecoming Week at Hart High School this week.

The Longhorns will host the Kress Kangaroos Friday night at 8 to wind up Homecoming activities.

Hart's Homecoming Queen will be crowned and the Bon Fire King will be named. Homecoming Queen candidates are Cynthia George, daughter of Jack George and Marsha George; Angelica Gonzales, daughter of Carmen Gonzales; Andria Guzman, daughter of Mr. and Mrs. Roger Velasquez; and Cindy Knox, daughter of Mr. and Mrs. David Knox.

Bonfire King candidates are Pedro Carrasco, son of Mr. and Mrs. Gasper Carrasco; Steven Reyna, son of Mr. and Mrs. Fortunato Reyna; and Danny Valadez, son of Mr. and Mrs. Frank Valadez.

Each day of the week was designated as a special "dress up" day at Hart High School. Monday was Kicker Day and students were encouraged to dress in western clothes. Tuesday was Wrap 'Em Up Day or toga day. Wednesday was Make 'Em See Double Day or twin day. Today (Thursday) students will be "spaced out" with the theme of Knock 'Em Into Space. Friday will be dress up day.

## 'Death Mile' resident to speak to locals on life with nuclear waste

A Washington farmer will give his version of life in proximity to the world's oldest nuclear waste site during a public forum sponsored by People Opposed to Nuclear Waste Repositories (POWER) of Hereford tonight (Thursday) at 7 p.m. at the Hereford Community Center Banquet Room.

Tom Bailey, a third generation farmer from eastern Washington, will be the featured speaker of the evening and is expected to be joined by a representative of the US Department of Energy, who will have the opportunity to respond to his remarks.

## \$250 Reward in arson case

The City is offering a \$250 reward for information leading to the arrest and conviction of the person or persons involved with the Sept. 19 burning of a rail car owned by the McAllen State Bank.

The refrigerated rail car was located in east Dimmitt at the time the arson occurred. Investigators said the fire was started inside the car, damaging its contents of packing materials as well as the car itself.

Bailey will also speak to members of the Dimmitt Rotary Club today (Thursday) at 12 noon at K-Bob's Steakhouse in Dimmitt.

"There's no substitute for the voice of first-hand experience when seeking to make an informed decision," said Dempsey Alexander, president of POWER. "We're especially pleased to present this timely public forum. It will address any of the concern being expressed over potential impacts of a nuclear waste dump on our region's agriculture." Dempsey said.

An outspoken critic of the hazards of life in proximity to DOE's Hanford Nuclear Reservation, one of three sites currently being considered for the nation's first high-level nuclear waste dump, Bailey has been chastising the safety record of DOE and Hanford for years.

Bailey grows small grains and vegetables 11 miles downstream from the Hanford Reservation in the infamous "Death Mile."

Reports from the Environmental Policy Institute in Washington, D.C. indicate only one in ten families along this stretch of the Columbia River have escaped cancer since 1943, when nuclear facilities first began operation in Hanford.

EPI indicates from the 1940's through the 1960's, water from the Columbia River passed through reactors at Hanford and returned to the riverbed without any purification.

Bailey reports health problems in his own family and says he has had problems selling his wheat crop due to nuclear contamination.

The plant where he once sold his sugar beet crops pulled out of the area and he hasn't been able to grow that crop for eight years.

All interested persons in the region are invited to attend the free forum.

## 1:1

By Don Nelson

As time marches on, so does watermelon technology.

If you haven't tried one of the new red-meat watermelons being grown by Maxwell Orchards and Wright's Vegetables, don't put it off any longer.

If you want to taste the sweetest part of these new melons, just cut a chunk out anywhere. They're as sweet near the rind as they are at the heart.

One variety that Donald and Katy Wright and their sons are growing this year is a hybrid seedless melon known affectionately as TRX-13. It's a small, striped melon that fits well in the refrigerator and handles easily. Once you chill it and try it, you'll become a believer.

The new melon that Dale and Elsie Maxwell are growing is the Tiger Melon, so named because of the pattern of its stripes. It's a large melon that averages 25-30 lbs., with some going to 50. Dale said he took the Tiger Melon on an experimental basis this year, and that it's so good it's the only red-meat variety he's going to grow next year.

The TRX-13 and the Tiger Melon both were developed by California seed companies. You probably won't see seed packets for them at the store anytime soon. Donald says the TRX-13 seed costs \$250 per pound—a nickel per seed. Dale says the seed price for the Tiger Melon is about the same, and that commercial seed for other melons and vegetables can run \$200 to \$400 per pound, and up to \$900 per pound for hybrid tomato varieties.

That's another reason the Wrights and the Maxwells haven't

been singing in the rain lately.

David Boydston, the fastest runner in River Road High School, caught Jim Nelson's punt in the second quarter Friday night and started cross-field to get to his return lane. Just as he made his cut upfield, he went down without being touched. He was just below the press box and I could tell what had happened from the way his right leg buckled. The cartilage in his knee had just torn loose.

It's one of those awful things that happens in the running sports—especially football and basketball—when your body and leg turns but your foot doesn't.

David's high school running days, sadly, are over. He's a senior, and you don't get over that particular injury in a year.

I was at the DHS field house Saturday, getting the coaches' assessments of Friday night's game, and we were commenting on it.

"Do you think it was as bad as it looked?" I asked.

"Yeah — he had complete reconstructive surgery last night, and he'll be in the hospital for at least a week," Coach Clifford Smith said.

They had already checked on David's condition, and Coach Roy Dudgeon had a card addressed and ready to mail to him.

I'm glad they did that.

Our TV set went on the fritz Friday, and Scott Sheffy had to take it into the shop at Kittrell's, where it's waiting in line behind a boatload of lightning victims. Meanwhile, Scott brought us a loaner.

But I don't think the loaner is working right. The Cowboys beat the Giants Sunday. Did the same thing happen on your set?

It was a great way for the Pokes to end the season.

**B IS FOR BUBBLE**—Representatives from the seven Kindergarten classes at Richardson Elementary School peek out of a bubble where they held their lessons this week to study the letter B. The students blew bubbles, played with bird whistles, made butter and ate blueberry muffins.

They watched the story of *The Three Bears* inside the bubble and on Wednesday brought their favorite bears to school. Mrs. Judy House, the owner of the bubble, let Mrs. Pam White use it for the Kindergarten classes.

# On the Go

with Mary Edna Hendrix, 647-3343

Don and Ann Ethington left the first week of August for a six weeks trip.

The first stop was in the mountain resort town of Heeler, Ariz., where the Ethington family reunion was held. They spent a few days sightseeing in Colorado. They visited the Arches and Canyonland.

They traveled to Salt Lake City, Utah to see the sights there. They then traveled to Idaho Falls, Idaho.

Their next stop was in Montana where they visited at Lewis Lake and the Flathead Indian Country. They said Montana is a big, LONELY place.

The major stop for the couple was Cover-D-Alene, Idaho. They stayed at the beautiful resort there and took a boat up the river. They reported seeing beautiful homes built around the lake and the only way to get to many of them was by boat.

From there they traveled to Spokane, Wash., Moses Lake and then Seattle, Wash. They drove up to Vancouver, B.C. They drove over the new bridge over the Fraser River and said it was very dramatic and beautiful. From there, a ferry took people over to Victoria Island. The Buchard Gardens were gorgeous.

They traveled back down to Washington and Oregon where they visited Crater Lake. It was more beautiful than pictures show it to be. They stayed in a lovely town called Grant's Pass by the scenic Rogue River.

They saw the giant redwood trees around Crescent City and Eureka in California.

They reported enjoying the

rugged coastlines and Crescent City. Some of the redwood trees were over 300 feet tall.

They spent a few days at Willow Creek on the Shasta Trinity River. It is, according to legends, the home of Big Foot, who weighed 800 pounds and had a stride of 50 inches.

The Chamber of Commerce Manager told Don and Ann you have to be "very drunk to see him."

There is a statue of Big Foot in the little village. Willow Creek is in the heart of a stand of Douglas Firs and was a part of the Gold Rush.

They visited the Roy Ethington family in Yuba City. Roy is Don's cousin.

After their stay in Yuba City, they went to Donner Pass and Lake Tahoe.

They also traveled to Reno, Nev. and Tonah, where they stayed in the historical old Mizpah Hotel where Howad Hughes married Jean Peters, and Jack Dempsey worked as a bartender. Only five stories high, it had been the tallest building in Nevada for over 50 years.

They spent a couple of days with Don's daughter and family in Las Vegas, Nev. They also spent a few days in Tucson, Ariz., with Don's mother and at their place in Patagonia.

Their last stop was with their two daughters and grandchildren.

They returned home to Dimmitt and the "Great Fire."

The Thursday Bridge Club met at the Senior Citizens Center with Cleo Forson acting as hostess. Lorann Hamilton won high score and Johnny Vannoy won second-high. Others playing were Sal DiCuffa,

Emily Clingsmith, Oleta Schumacher, Retta Cluck, Alice Collyer, Louise Mears, Fern Dickey, Helen Braafadt, Bernice Hill, Dude McLarin, Virginia Crider, Edith Graef, Jo Gregory and Cleo Forson.

Oleta Gallehon enjoyed a delightful weekend in Amarillo when her grandson, Ron Rankin, was married to Jeana Elms. Oleta met her son, Bennie Gallehon of Baytown, and her daughter drove in from Paducah. Her granddaughter, Tricia Touchstone and grandson Kyle Touchstone and family Flo, Tanner, Tye and Trey, all came in from Lubbock.

They all attended the wedding which featured beautiful flowers and music during the ceremony. Jeana's sister sang "Evergreen" while the mothers of the couple, Kathy Poer and Mrs. Elms lit candles.

Rev. Carl McKeller and Joy Elms sang *True Love* during the candlelighting ceremony. Kathy Poer sang *Theme from Ice Castles*. Rev. and Joyce Elms sang *Sunrise Sunset*. Other musicians were Carol Musick, who sang *I Owe You*; Deborah Rauh and Joy Elms, singing *Friends in Love*; Jean Urshan sang *Meet me at the Altar*; and Ron and Jeana sang *Always* as the couple lit the unity candle.

The groom sang *You are so Beautiful* as the bride walked down the aisle. The bride's grandfather performed the ceremony. Charles and Linda Bruton from Amarillo spent Monday with Charles' mother, Gennie Bruton and his brother, Glenn Bruton. Marie Perrin and her sister, Lois Elkin of Amarillo took a saddle to Boys Ranch that belonged to Marie's late husband, Dick Perrin.

Dalia Gregory took a group to her mountain home in Angel Fire, N.M. last week for bridge and relaxation. Darlene Dowell had the high score for bridge.

They attended church at the beautiful new Church of Christ building in Eagle Nest. Those attending were Jimmie Glenn of Canyon, Hazel Nelson, Mona Merritt, Dorothy Nutt, Earline Myatt, Betty Carpenter, Carlie Warren, Betty Dennis, Darlene Dowell Dorothy Hopson and Dalia

Gregory.

A housewarming was held for Fred and Joyce Bolton and their daughter, Polly, Sunday afternoon. They have moved into their new home on Stinson Street. About 75 people enjoyed touring the new home and visiting with friends.

The hostesses were Linda Langford, Leisa Thomas, Susan Sanders, Susan Coleman and Waurayne Hughes. They served punch and cookies.

Duward and Joyce Davis spent several days last week in Puerto Vallarta, Mexico to celebrate their 30th wedding anniversary.

The flowers were beautiful. They learned a lot about the different cultures.

While there, they attended their 17th Mexican Independence Day celebration. It was a real Mexican fiesta with the bands, flamingo dancers, food and more.

One day a large cruise ship was docked near the hotel. It had 2,000 aboard (crew and passengers) The ship was over a block and a half long and about 10 stories tall. It was really an interesting sight to see it sail off.

A shower was given for Kristin Vaughan, daughter of David and Sue Vaughan, in Dallas Saturday morning.

Hostesses served sausage balls, olive surprise cookies, cayenne pepper and cheddar cheese cookies, date bars, chocolate chip cookies, date pinwheel cookies, and punch to about 35 guests. The centerpiece on the serving table was a huge arrangement of purple flowers and yellow spider mums. Kristin received many lovely gifts.

Among the guests were Linda (Schreck) Ditto and her daughter, Mary; my granddaughter, Lauren Lankford, who is attending college in Dallas; Sue Vaughan and Mary Edna Hendrix.

I visited with Linda Ditto since she and Sue graduated from Dim-

mitt High School a few years ago. Sunday afternoon, David's sister Vicki (Vaughan) and Bob James and children came by for a short visit at David and Sue's.

**Patients Dismissed:** Pearl Raper, J.B. Raper, Dalis Dominguez, Crusita Valdez, Linda Fry, Maria Olvera, Kori Anthony, Gwen Patterson, Roy Sanchez, Pedro Carrasco, Mary Ann Lucero, Dolores Diaz, Dean Taack, and Clarence Wood.

## Nazareth By Uirgle Gerber, 945-2669

Dora Albracht is home after spending three weeks in Houston with her son Art. She enjoyed several Astro ballgames at the Superdome while there.

Ed and Ruth Rose of Whitney are spending a few days with Jerry and Trish Rose in Tulia.

Helen Backus, Catherine Huseman, Joan Backus and Connie Backus attended a bridal shower in Dumas for Sherri Lynn, daughter of Edmund and Sharon Backus.

Meta Stork is a patient in Plains Memorial Hospital in Dimmitt. She suffered a stroke Sunday afternoon.

## THE LITTLE BITTY AD . . . with the big punch

### Six Big Reasons To Use Newspaper Classified Ad Section

The "Want Ad" columns are among the most thoroughly read presentations in the English language. Everyone from the individual to leading companies use them. For example, here are six reasons why real estate firms use them to supplement their regular ad programs:

- 1/ They secure new prospects
- 2/ They build company images
- 3/ They obtain new listings
- 4/ They keep the seller happy
- 5/ They build company morale
- 6/ They recruit new associates

. . . and incidentally, "Want Ads" can fit any budget.

Prepared by Texas Newspaper Advertising Bureau (TNAB)  
 An affiliate of the Texas Press Association

## Bullock reports on taxable services

State Comptroller Bob Bullock Thursday said many new services will become taxable on Oct. 1, when the state's sales tax rate increases from 5 1/4 percent to 6 percent.

"The tax change will not only hit items which are now currently taxed, but a number of newly taxable items and services," Bullock said.

The expanded sales tax base was a major element of a \$5.7 billion tax bill approved by the Legislature this past summer.

Oct. 1 is also the effective

date of an increase in taxes on cigarettes, going up from 20.5 cents a pack to 26 cents a pack.

The Legislature extended the sales tax to several broad categories of services such as real property services, including landscaping, janitorial, garbage collection and pest control; security services, including private investigators and armored car services; information furnished by credit bureaus; and debt services, such as adjustments and reposessions.

It will also include information

services like financial research specialized information and insurance services including damage appraisals, investigations and claims adjustments, but not premiums paid for insurance.

The expanded tax base is expected to add more than 64,000 Texas businesses to the state's tax rolls, joining the more than 420,000 merchants and businesses already collecting sales taxes.

Newly taxable items include custom computer programs, labor on installations to tangible property, some transportation charges on the

sale of goods, telephone service and membership and dues to private clubs.

"Businesses need to reprogram cash registers and alert workers and staff of the new rate taking effect Oct. 1," Bullock said.

There is no increase in the one-percent local option tax collected in some areas of Texas.

A fee for getting a sales tax permit and an increase in the state's motor vehicle sales and hotel/motel room taxes went into effect on Sept. 1.

A rollback in the state's motor fuels tax from 15 cents to 10 cents a gallon was also cancelled on Sept. 1.

Starting Jan. 1, 1988, the sales tax will be further extended to data processing services, including word processing, data entry, retrieval and search as well as payroll and business accounting, data production, time sharing and computer management.

Taxes will also be due on repair and remodeling services, except on new construction and owner-occupied residences starting January 1, 1988.

## Selective Service registration required for USPS employment

The federal government's largest employer, the Postal Service, recently announced that a young man must prove that he has registered with Selective Service before he can be eligible for appointment to a position in the Postal Service.

The requirement follows the Thurmond/Montgomery Amendment to the 1986 Department of Defense Authorization Act. The amendment prohibits a young man who is required to register from being appointed to a position in an executive agency of the federal government unless he has regis-

tered. The intent of the legislation was to ensure that all men required by law to register do so.

As of mid-August, all men who are 18 through 25 years of age must show proof of registration before being considered for a position with the Postal Service. Those young men who do not reach 18 until after appointment will be asked to submit proof within 30 days of their 18th birthday. Men who fail to provide proof of registration will be considered "not available" and will receive no

further consideration for employment.

Along with federal employment, Selective Service registration has been linked to federal student aid and job training benefits. Many states also require registration as a prerequisite for state student aid, entrance into a state supported college or university and state employment.

All young men must register with Selective Service at any local post office within 30 days of their 18th birthday. Failure to register is a felony punishable by up to five years in prison and/or up to a \$250,000 fine.

## Wool Competition set

The District I "Make it yourself with wool" competition will be

held Oct. 17 at Wayland Baptist University campus in Plainview. State competition will be held Nov. 7 on the Texas A & M University campus in College Station.

The purpose of the competition is to focus attention on the beauty and versatility of wool, to encourage use of this incomparable fabric or yarn in sewing, knitting, crocheting fashionable garments, to offer young experts the opportunity to compete for valuable prizes and win recognition for their sewing or knitting or crocheting skills, said County Extension Agent Deana Sageser.

All entries must be made from loomed, knitted, or felted fabric or yarn of 100% wool or of a minimum of 60% wool and no more than 40% synthetic fiber.

There are four categories: Junior — 14-16, Pre-Teen — 13 and under, Senior — 17-21, and Adult — over 21, Sageser said. You can make such garments as a suit, dress coat, jumper, poncho, pants, skirt, vest, shirt, sweater, or jacket (depending on your age category), she added.

Anyone interested in more information or an entry blank, may contact the Extension office in the Courthouse basement or at 647-4115. Entry forms are mailed and can be received no later than Oct. 1.

# MAGNUM

## Introducing the first all-new tractors from Case IH

Case IH put more into the new MAGNUM tractor line than any farm tractors developed in over twenty years. Here's why you'll get more out of it:

**MAGNUM means more.** Outstanding field performance from a new 505 cubic inch turbocharged engine with reserve power. MAGNUM power.

The MAGNUM tractor's powershift puts 18-speeds of shift-on-the-go workpower at your fingertips — standard. And only MAGNUM tractors offer a full powershift creeper transmission with six additional speeds from .5 to 2.1 mph... for more control and performance. MAGNUM performance.

The MAGNUM tractor's new larger cab has 48 square feet of window area... virtually unobstructed visibility... more room... and more seating comfort. MAGNUM comfort.

It all adds up: Case IH MAGNUM tractors are setting new standards for the 130-195 PTO hp power range and for you. See us for details.

**MAGNUM means more.**

## Smith Sisters folk music show to open 1987 Concert season

The 1987 Castro County Community Concerts season will open with a refreshing and enjoyable folk music program presented by the Smith Sisters Tuesday, Oct. 6 at 8 p.m. in the Dimmitt High School auditorium.

Offering a distinctive vocal blend in a program of refreshing and enjoyable folk music, the Smith Sisters, Megan and Debi, are renowned for traditional and original songs presented with a contemporary country charm.

Featuring traditional folk songs as well as songs written by Debi Smith, their performance displays both their vocal beauty and their prowess on a wide array of instruments including guitar, dulcimer, autoharp, penny whistle and bodhran.

The sisters were discovered by the late bluegrass artist Merle Watson in 1982. They were guided by him through their first major albums, *Bluebird* and *Mockingbird*, both on the prestigious Flying Fish label.

*Bluebird* received three Washington area music award nominations and was ranked by the World Folk Music Association as one of the top 20 albums of 1984. It was named "Best Country Album of the Year" by *The City Paper* in Washington, D.C.

They have performed in concerts coast to coast and have appeared on programs including National Public Radio's *all Things Considered*, *Mixed Bag*, and *Voice of America*.

Natives of Falls Church, Va., the Smith Sisters have performed together since 1981, appearing at colleges and music festivals throughout the US.

THE SMITH SISTERS  
...To open County Community Concerts season Oct. 6

They were raised with music, but with no real musical aspirations. In fact, neither Debi nor Megan started performing until their college days.

After a psychology degree, travel and odd jobs, Debi started her solo career. She performed on her own for a couple of years, then joined an Iris group, The Hags. She was later joined by her younger sister and the two began their career in folk music.

This summer, the Smith Sisters' debuted at the famous *Bottom Line*, New York's mecca of folk music. They also went on their second tour of the USSR, as part of a special arts exchange program.

They have opened for celebrated singers as Doc and Merle Watson, Tom Paxton, Bob Gibson, John Sebastian, and Tom Rush.

## ACT tests set for Dimmitt

The ACT Assessment tests have been scheduled for December 12 and April 16, 1988 at Dimmitt High School.

The series of four academic tests measure educational development and include a detailed questionnaire that collects information relevant to educational and career planning. The tests are recommended or re-

quired by more than 2,700 postsecondary schools and scholarship programs.

The basic registration fee for the Assessment is \$10.50. Late registration will be accepted for an additional \$10 late handling fee.

The registration deadline for the Dec. 12 testing date is Nov. 13. Late registration deadline is Dec. 1.

Deadlines for the April 16, 1988 date is March 18, 1988 with the late registration deadline set for April 5, 1988.

Most students take the ACT Assessment during their junior year or early in their senior year, so their results will be available in time for use in planning for postsecondary education and careers.

High school guidance offices have the information and forms students need to register for the ACT Assessment. ACT also provides free copies of the booklet, *Preparing for the ACT Assessment*, which contains information about getting ready for the examination, plus a complete practice test.

Anyone who needs more information about the test or test dates can contact John Thomas, counselor at Dimmitt High School.

## Shower honors Stanfords

Beth and Mike Stanford were honored with a wedding shower

Saturday in the home of Eileen Burnam.

Guests were greeted by the couple, the groom's mother, Janet Stanford and the hostess.

The table was covered with a white lace tablecloth over a red cloth. White baskets with red strawberries decorated the tables.

Fruit sandwiches, cookies, nuts and red punch were served from a white milk glass punch bowl and appointments.

Tammy Heard and Tammy Somergill, sister of the groom, from Hereford presided over the serving table.

The couple received a vacuum cleaner as a gift from the 26 hostesses.

Out-of-town guests were the groom's grandmother, Mrs. Dollie Hathaway and his aunt, Donna Hathaway, both of Hereford; and Tammy and Don Somergill of Hereford.

## Smotherman is feted with wedding shower

Michelle Smotherman was honored with a wedding shower in the home of Donna Marsh Saturday.

The honoree is the former Michelle Hucks, now the wife of Jason Smotherman.

Guests were greeted by the honoree, her aunt, Loretta Hucks and Jackie Smotherman, mother of the groom.

The serving table was covered with an ecru crocheted tablecloth and featured a floral arrangement centerpiece.

Spinach balls, cream cheese cupcakes and punch were served from crystal appointments.

The 22 hostesses presented the honoree with a set of pots and pans, an electric skillet, toaster, coffee pot and food processor.

Out of town guests included Carolyn, Cynthia and Kristi Curtis, Debbie Upchurch and Kathy Hucks.

## Swifts upset state-ranked Sudan Hornets, 34-14

It has been said that the major battles in a football game are fought in the trenches, but linemen very seldom get any credit.

The offensive and defensive lines of the Nazareth Swifts deserve a lot of credit for their performance Friday night as Nazareth overpowered and upset the state-ranked Sudan Hornets 34-14 at Sudan.

The offensive line made every yard gained by the Swifts possible—opening holes for senior tailback Gregg Gerber and giving senior quarterback Chris Schmucker time to set up and find his open receivers.

On the flip side of the coin, Nazareth's defense was stingy. A hard-hitting Swift line and linebacker corps forced Sudan to cough up the ball six times, recovering four of the Hornet fumbles. The line pressured Sudan quarterback Eddy Boyles, allowing him just 2 of 13 pass completions for 28 yards, and forcing an interception by the Swift secondary.

On the ground, Nazareth gave up 145 yards, but Sudan's offense only managed to convert 10 first downs in the contest.

"The offensive and defensive lines played super," said Nazareth coach Rex Minshew. "They had a major part in the victory."

"Wayne Wilhelm did a very

### Swifts rated fifth in state

The Nazareth Swifts jumped to fifth in the state and upped their power rating from 138 to 153 in the Class 1A Harris Rating System poll after demolishing the state-ranked Sudan Hornets Friday night.

Most preseason polls including the Harris System picked Nazareth to finish fourth in District 1-1A behind Happy, Vega and Groom, but now the Harris poll has the Swifts rated higher than any other team in the district.

After defeating Hart two weeks ago, Nazareth jumped from 66th with a 126 power rating to 33rd with a 138 rate.

Now the Swifts are ranked at the top of the state behind Munday (1st, 157), Paducah (2nd, 157), Flatonia (3rd, 157) and Bremond (4th, 153).

Nazareth, 3-0 on the year, is one of 10 undefeated Class A teams in the state.

**LEAVIN' 'EM ALL BEHIND**—Nazareth tailback Gregg Gerber finds an open hole and charges into the end zone for his second touchdown of the night with 3:06 remaining in the third quarter to give the Swifts a 27-6 edge over Sudan Friday night in Sudan. Gerber gained 122 yards on the ground off of 26 carries to lead the Swifts offensive attack.

good job," said Jey Penquite, Nazareth's assistant coach. "He usually gets double teamed, but he is always there, in on the play."

Defensively, Nazareth was led by linebackers Howie Annen and Wes Dobmeier, who were both in on eight tackles apiece. Dobmeier recorded six unassisted tackles and Annen stopped five plays unassisted.

"Wes Dobmeier played an outstanding game at defensive linebacker. He hit hard and covered well," Minshew said.

Minshew also praised the efforts of defensive ends Brad Hoelting and Brian Schmucker. "They kept them (Sudan's backs) from getting outside and breaking open. They contained their speed," Minshew said.

The game started off slow, with both teams turning the ball over twice and not gaining much ground in the first quarter.

Nazareth's defense started hitting in the second quarter, stifling Sudan's offensive attack. The Hornets managed a total of 4 yards offense and no first downs in the stanza while Nazareth's offense reeled off two touchdowns to take a 14-0 lead at halftime.

The Swifts ground attack finally started clicking. Led by Gerber and fullback Brian Schmucker, who

combined for 83 yards on the ground, the Swifts amassed 109 yards offense in the second quarter.

### Scoring summary

**Second quarter:**  
7:24: N—Gregg Gerber 11 run (Heath Schulte kick)  
:33: N—Brian Schmucker 11 run (Schulte kick)  
**Third quarter:**  
7:46: S—Anthony Williams 5 run (kick failed)  
6:53: N—Brad Hoelting 36 pass from Chris Schmucker (Schulte kick)  
3:06: N—Gerber 1 run (kick failed)  
**Fourth quarter:**  
9:53: N—Gerber 7 run (Schulte kick)  
:37: S—Williams 24 run (Eddy Boyles run)

Gerber, who gained 122 yards on the night, carried the ball three times for gains of 10, 11, and 2 to lead Nazareth's first scoring drive in the second half. He capped off the effort with a 1-yard touchdown run with 7:24 left in the half. Heath Schulte booted the PAT to give the Swifts a 7-0 lead.

Sudan's bad luck streak continued when Anthony Williams lost control of the ball with 2:37 remaining in the second period and Nazareth picked it up.

Gerber got the call and found a hole up the middle for 20 quick yards. Five plays later he hauled in a pass from Chris Schmucker to give the Swifts a first down on the Hornet 11-yard line. With :33 seconds left, Brian Schmucker busted through the line and raced 11 yards into the end zone. Schulte added the PAT and Nazareth went into the locker room with a 14-0 lead.

Sudan finally got an opportunity to put points on the board in the third quarter after they recovered a Brian Schmucker fumble and took over on Nazareth's 8-yard line.

Williams raced into the end zone from five yards out to pull his team to within eight points of the Swifts with 7:46 left in the third stanza.

The Swifts didn't give Sudan much of a rest, though.

After the kickoff, Chris Schmucker connected with Brad Hoelting for a 16-yard gain. Gerber picked up 24 yards on the ground, then Chris Schmucker hit Hoelting for a 36-yard scoring strike with 6:53 remaining in the third period. Schulte added the kick to give the Swifts a 21-6 edge.

Nazareth got the ball back two plays later when they recovered a Boyles fumble.

The Swifts worked their way to the end zone and, with 3:06 left on the clock, Gerber snuck in from the 1-yard line, upping Nazareth's lead, 27-6.

Gerber rushed for his third touchdown of the night just two minutes into the final period. He pushed his way into the end zone from seven yards, then Schulte kicked the extra point to give the Swifts a little breathing room with a 34-6 lead.

On Sudan's next series, Williams raced down the sidelines for a 28-yard gain, but he fumbled the ball as he was tackled and Cory Hoelt-

ing recovered for Nazareth.

Playing with a second team squad, Nazareth could not move the football and Sudan took over on their own 24-yard line with under two minutes to play in the game.

Sudan's final touchdown drive was all Anthony Williams. He caught an 18-yard pass from Boyles to move the ball to the 43-yard line, then a Nazareth penalty tacked on another 10 yards. On first-and-ten from the Swift 47-yard

line, Williams picked up 23 yards, then ran 24 yards for the touchdown with :37 remaining in the game. Boyles ran for the two point conversion to provide the final scoring of the game.

"In the first half we scored 14 points, then they came back and scored on us to make it 14-6. I was a little worried. They've got so much speed and they could have broken one (touchdown) at any time," Minshew said.

**TOUCHDOWN PARTY** — Bobcat wingback Emilio Arce (45) gets a hoist from teammate Jon Bruegel (55) and is about to be mobbed by Chad Davis (40) and Reagan Frye (10) after scoring the game-winning touchdown at River Road Friday

night. With the Bobcats trailing 14-9, Arce scored on an 11-yard run with 8:53 remaining in the game. Jim Nelson kicked the extra point to make Dimmitt's final victory margin 16-14. It was the Bobcats' first win of the season.

## Bobcats win, 16-14

Speedy wingback Kelly Howell darted and dodged 150 yards Friday night as the Bobcats outlasted the River Road Wildcats, 16-14, at River Road.

"He was the difference in the game," Head Coach Clifford Smith said. "It's the first time we've had a back with more than 100 yards rushing."

Howell raced for gains of 29, 20, 19, 12, 11 and 10 yards while carrying the ball 18 times, helping the Bobcats win the possession battle with 69 plays to River Road's 48.

It was the first victory of the young season for the Bobcats, now 1-2. River Road is 0-3.

The Bobcats' main nemesis was still the "big play." RR's John Mitchell broke loose on a 33-yard scoring gallop in the first quarter to put Dimmitt in the hole, 7-0, then scored again on a 46-yard run late in the third to put the Wildcats ahead, 14-9.

But the Bobcats answered with a one-yard TD run by tailback Chad Davis at 10:16 of the first, follow-

ing a fumble recovery by Emilio Arce at the RR 24 and a nine-play drive, and they dominated the fourth quarter as wingback Arce raced 11 yards for the winning TD with 8:53 left in the game. Jim Nelson kicked the extra point after each touchdown.

Dimmitt had another TD nullified by a penalty, and when the final whistle blew the Bobcats were on River Road's 2-yard line.

A third-quarter safety provided the victory margin in the see-saw game. With the score knotted at 7-7, Dimmitt's defense had the Wildcats facing a fourth down at their own 15. A high snap sailed over the head of punter Druston Chidester at the 5 and skidded out of the end zone to give Dimmitt a 9-7 lead.

In addition to a rash of penalties—10 against Dimmitt and eight against River Road—the game was riddled with fumbles as the Wildcats gave up the slippery ball seven times on eight bobbles and the Bobcats lost it three times on four miscues.

Recovering fumbles for Dimmitt were Britt Boozer, Jon Bruegel, Arce, Scott Sava, Nelson and Rene Enriquez (2). Nelson added a pass interception to a good defensive game.

Three other Bobcat backs turned

in good performances to go with Howell's 150-yard effort. Davis gained 63 yards on 20 carries, Arce picked up 20 yards on three totes and fullback John Shultz gained 19 yards on five carries. In the line that opened the way for them, top efforts were turned in by Joe Yokum, Reagan Frye and Kyle Shelton.

Cited as Dimmitt's top defensive players in the game were linebackers Ricky Zimmer and Enriquez, and Howell at free safety.

Top specialty-teams play came from headhunter Dennis Kirby and lane runner Frank Valdez of the kickoff team. Valdez took out three River Road blockers and made the tackle on one kickoff.

# Muleshoe rolls over injury-ridden Horns

The Hart Longhorns topped the Muleshoe Mules in total offense and first downs, but came up on the short end of the scoreboard Friday night because of seven turnovers and six, injured two-way starters who were unable to play in the game.

Hart fell to the Mules 28-0 in what Hart Head Coach Mark Stroebel termed as "a defensive battle."

The Longhorns held Muleshoe to just 88 yards total offense, but the Mules returned a kickoff and an interception for touchdowns in the contest.

Hart was playing without the services of several two-way starters including Rey Velasquez and Hector Galvan, who were injured at Nazareth last week and could be out for the season. The Horns also played part of the Friday night game minus the services of Steven

Reyna, Cody Myrick, Jeff Hunsaker, Ben Montiel and Pedro Carrasco.

"It really has hurt us having so many kids out," Stroebel said. "When you have as many starters out as we do, in our classification it makes it very tough."

"I was very pleased with our defensive effort and the aggressiveness of the kids," Stroebel said. We played much better this week and I feel we will keep improving."

Muleshoe's first touchdown came with :25 remaining in the first quarter.

Muleshoe quarterback Jeff Hicks hit Daniel Olivas for a 17-yard scoring strike and Ronnie Perez added the PAT to give the Mules a 7-0 edge.

After fielding a short punt by Hart, Muleshoe capped off a 14-yard drive in just four plays when

Michael Dunham went over from the 1-yard line. Perez booted the PAT to extend Muleshoe's lead, 14-0 at half-time.

On the opening play in the third quarter, Olivas took the kickoff and raced 93 yards down the right sideline for a touchdown just 15 seconds into the second half.

Hicks picked off a Longhorn pass and returned it 25 yards for the score, and Perez kicked the extra point to give Muleshoe its final victory margin, 28-0.

**You'll Get the Best Deal During Fall Harvest at Your Farmer-Owned Co-op!**

Another harvest of corn, milo and soybeans is upon us, and Dimmitt Agri Industries is again prepared to give you excellent service with its three facilities in Dimmitt and its receiving points at Flagg, Tam Anne and Nazareth.

Dimmitt Agri has completed 53 years of steady growth, has built a sound financial base and saved its members millions of dollars. Dimmitt Agri provides 8,726,000 bushels of federally licensed storage and handling facilities for your use.

You have everything you need for efficient marketing at Dimmitt Agri Industries. It's the best deal in the country. Why not give it a try?

**Dimmitt Agri Industries, Inc.**

# Teams face tough foes

The Swifts and Bobcats will hit the road to meet tough opponents and the injury-ridden Longhorns will limp out to their home field for their Homecoming game Friday night. Here's a look at this week's match-ups:

## Nazareth at Valley

Nazareth will put its unbeaten 3-0 record on the line Friday night when it travels to Valley to take on the Patriots in a pre-district 1A matchup slated to kick off at 8.

Nazareth comes into the game ranked fifth in the state by the Harris Rating System while Valley, 2-1 on the year, is rated 45th in the state.

Valley's only loss came at the hands of Nazareth's district rival,

Happy, two weeks ago. The Cow-boys defeated Valley by a score of 27-7.

"They're quick like Sudan, but overall, I don't think they're as fast," said Rex Minshew, Nazareth head coach.

"They're a well coached team and they're a real aggressive and hard hitting defensive team."

Graduation wasn't kind to the Patriots, taking away several skill position players including record-setting quarterback Kirk Saul, but they do have several returning defensive starters and a returning second team All-District tailback, Eric Scoggins.

Nazareth will have to contain the 5-9, 150 pound Scoggins and it won't be an easy assignment to fill.

"Scoggins has good speed," Minshew said. "He'll try to get outside on us and we are going to have to stop him before he does."

# Dimmitt JV, Freshmen continue winning ways

Seven players scored as the Dimmitt Junior Varsity rolled over River Road here last Thursday, 42-6.

Meanwhile, the DHS Freshmen drove to Springlake-Earth and flew when they got there, scoring three TD's and a two-point conversion by air as they bested the S-E Junior Varsity, 28-20.

Both teams are now 3-0.

ny Griffith, Justin Nelson and Brian Nelson covered a fumble apiece, Balderas blocked a punt to set up Dimmitt's fourth TD in the third quarter, and Castro ran back his interception for a TD. Robert Anes punted only once, but it was a 46-yard boomer.

## DIMMITT FRESHMEN 28, SPRINGLAKE-EARTH J.V. 20

Dimmitt	14	7	7	0	-	28
Spr-Earth	14	0	6	0	-	20

Dimmitt	13	7	15	7	-	42
River Road	6	0	0	0	-	6

Both teams are now 3-0.

The JV Bobcats scored on runs, passes and a pass interception-runback. And place-kicker Masatoma Itonaga extended his perfect record at the tee by booting 4/4 extra points.

Scoring TD's for Dimmitt were Brian Stewart (38-yard run), Leo Castro (12-yard interception return, 34-yard pass from Oscar Velasquez and 14-yard pass from James Flores), Josh Gonzales (nine-yard pass from Flores and two-point conversion pass from Flores), and Barry Hill (seven-yard run).

The JV Bobcats gained 95 yards on 42 running plays and completed four of seven passes for 75 yards, three touchdowns and a two-point conversion. Velasquez was 1/2 and Flores was 3/5 in passing.

Top ground-gainers for Dimmitt were Hill with 67 yards and a TD on 13 carries and Stewart with 39 yards and a TD on two carries.

On defense, Oscar Balderas, Sto-

It was a battle royal in the first quarter as the two teams rushed to a 14-14 deadlock. But the Freshman Bobcats gained a seven-point advantage in the second and hung on for a 28-20 win.

Quarterback Freddie Martinez had a great game as he completed 11 of 18 passes for 159 yards, three touchdowns and a two-point conversion. Martinez used five different receivers—John Ortegon (2-37, including a 13-yard TD), Henry Rocha (19-yard TD), Michael Ethridge (2-yard TD), Scott Acker (6-66, including a two-pointer) and Daniel Espinosa (1-35).

John Ortegon scored Dimmitt's only ground-bound TD with a 21-yard scoring jaunt. Henry Rocha was Dimmitt's leading rusher with 51 yards on 15 carries.

Raul Jackson hit 2/3 on extra-point kicks and also averaged 32 yards per punt.

Recovering key fumbles for Dimmitt's defense were Albert Ramirez (2), Freddie Martinez and Raul Jackson.

lead by Coby Heller and Kris Keith, who each recovered a Wildcat fumble.

The seventh grade Bobcats dropped their season opener to River Road by a count of 22-6.

Dimmitt's only score of the game came on a 41-yard run by Kyle Hanes.

Gabe Reyes led the defensive attack with 13 tackles.

## Dimmitt at Abernathy

Abernathy is one of the baddest 1-2 teams around.

The Antelopes, who are favored to win District 3-AA in a walk, downed Lubbock Cooper 15-0 in their opener and played Class AAA powerhouse Littlefield to an 0-12 decision in their second outing, but slipped a bit last week in losing to Shallowater, 3-20.

The A's have 12 lettermen back from last year's 10-2 team, including four all-state prospects.

"They look a lot like we do, with a five-man line on defense and an I-formation on offense," Bobcat Coach Clifford Smith said. "Their quarterback (Flint Bigham, 6-1, 183-lb. smrior) is pretty good on the option. Norse, their tailback, is a good runner, and Irvin Dunn (5-9, 162-lb. junior tailback and defensive back) was all-district last year."

Abernathy's standouts in the offensive line are John Atebury at center and Pete Garcia (6-1, 224-lb. senior) at tight end.

"The Antelopes "are mainly an option team," Smith said. "They've been throwing the ball on 20% to 30% of their plays. We need to stop their option and try to keep them from getting the ball to their tailback (the third option) as much as they like to."

# 8th Bobcats down River Road in opener

Dimmitt's eighth grade Bobcats won their first game of the season, 16-12, last Thursday night behind the running of Robert Ruiz, Billy Ray Thomas and Armando Arce.

The Bobcats scored on runs of 32 yards by Thomas and 23 yards by Arce. The two point conversions were run by Ruiz and Thomas.

Ruiz led the ground attack with 125 yards on 15 carries. Thomas picked up 100 yards on nine carries and Arce ran 14 times for 86 yards. Defensively, the Bobcats were

Winners not pictured are Susan Sanders, refrigerator (1); Elaine Steidle, barbecue grill (4); Don Moore, keyboard (5); and Don Leinen, walkman (10).

Percy Parsons

## Parsons is named to TFSC

Gov. Bill Clements announced Friday that Percy Parsons of Dimmitt has been named to the Texas Funeral Service Commission.

The nine-member commission is made up of five professional funeral directors and four public representatives. Parsons' term runs to Jan. 31, 1993. He is replacing James Broussard of Beaumont, whose term expired.

The commission regulates the operations and embalming services of funeral homes in Texas, Parsons said. The commission also serves as the funeral home licensing agency, giving examinations to graduates of mortuary colleges and granting licenses based on exam results.

Parsons, 59, sold his funeral home in Dimmitt in 1984 but still serves as president of Parsons-Ellis-Wilson, Inc. which owns and operates the Frank W. Wilson funeral home in Odessa. Parsons also owns interests in funeral homes in Earth, Stephenville and Friona.

The TFSC generally meets every other month except during examination time in March and September when it holds longer sessions.

The commission was known as the State Board of Morticians until the Legislature changed its name in its last session.

"I'm honored by the appointment," Parsons said, "and will consider it an honor to serve. I've been fortunate that my peers have honored me in several ways during my professional career."

## Changes in sales tax laws

State Comptroller Bob Bullock said recently changes in the state sales tax law will bring Texas into compliance with federal regulations on food stamp purchases.

Bullock said that Texas law exempts all food stamp purchases from the state's sales tax starting Oct. 1.

The exemption will cost the state

about \$5 million in lost revenue in 1988 but will prevent the federal government from withholding a projected \$808 million.

Last year's reauthorization of the federal food stamp program added new language that prohibits states from receiving food stamps if they collect taxes on food stamp purchases.

# Family Farm Act gets economist's okay

Harvard economist John Kenneth Galbraith, who as the first research director for the American Farm Bureau helped design the farm programs that ended the Great Depression in the 1930s, recently endorsed the Harkin-Gephardt "Family Farm Act" in a speech to the National Governors' Association.

Pointing to the imbalance in the supply and demand of farm commodities, Galbraith said, "The answer, the only answer, is a system of sensible supply management in agriculture... combined with support prices reflecting... the controlled supply.

"What I am suggesting is given broad effect by the Family Farm Act, currently proposed by Sen. Tom Harkin and Rep. Richard Ge-

phardt," Galbraith said. The Family Farm Act, which allows farmers to vote on a proposal to cut production in exchange for a price that covers the real cost of producing their commodities, was largely drafted by Texas Agriculture Commissioner Jim Hightower following a series of hearings across the nation on possible solutions to the current economic depression in rural America.

Hightower noted that the Family Farm Act moved rapidly from the grassroots meetings with farmers and ranchers where it took shape to the conference rooms and computer terminals of the nation's Capitol and leading policy institutes.

"This is the first major piece of legislation written by farmers and ranchers themselves," Hightower said. "It did not originate in a Washington think tank, but rather with farmers and ranchers themselves. The Family Farm Act is the brainchild of two exceptional parents — hard experience and common sense."

Galbraith, pointed out that the record cost of the current farm program—\$26 billion a year—had failed to end the rural economic depression as promised. "As long as we do not recognize the realities of agricultural production and markets, we will continue to do badly at high public cost what with intelligent supply management we could do well at much lower cost," he added.

The current program has failed, Galbraith said, because it is based

on a free-market world economy that does not exist and fails to recognize the true productive capabilities of American farmers. The Family Farm Act, he said, sets up the mechanism for a successful market-oriented farm program, with production geared to demand for our commodities and price set by the cost of producing those commodities.

Galbraith first endorsed the legislation in a high-profile address to the National Governors' Conference at Traverse City, Michigan, and in several newspaper columns since then.

His endorsement is influential in government and academic circles because of his half-century career as one of the nation's leading economists. He served as a member of the Council of Economic Advisors under Presidents John Kennedy and Lyndon Johnson.

Raised on a farm in Canada, Galbraith earned his undergraduate degree in animal husbandry and his doctorate in agricultural economics. He is currently a professor of economics at Harvard University.

## THE RIGHT WAY

### Newspapers Have "Know-How" For Advertising Results

Retailers are becoming more sophisticated with their advertising messages in meeting the challenges of today's extremely competitive economy. The more successful realize, however, that sticking with the basic rules is the key to top results in the local newspaper.

#### Use the 10-Point Checklist For Developing the Right Ad

- 1/ Make your ads easily recognizable
- 2/ Use simple layouts
- 3/ Let the product speak for itself
- 4/ Use prominent, benefit headlines
- 5/ Let white space draw the eye
- 6/ Make your copy complete
- 7/ Specify branded features
- 8/ Urge readers to act NOW
- 9/ Tell readers who you are
- 10/ Know the laws of advertising

# Running Water Soil and Water Conservation District

## ANNUAL REPORT SEPTEMBER 1987

The Running Water SWCD carried out its goals for 1987 fiscal year. Activities and achievements included: a successful fair booth (shown upper left); the annual Conservation Awards Banquet (above); the Irrigation Field Day on Coby Gilbreath's farm (upper right); grass planting on the CRP program (lower left); and conservation field work (shown lower right is Clayton Jobe checking out a new tailwater pit), other accomplishments included the annual Soil Stewardship Week observed by area churches; the poster and essay contests for school children in Castro County; technical assistance furnished to the SCS Dimmitt Field Office; a grass drill purchased to assist with the planting of grass; Castro County has 1001 operating units. There are 574,950 acres in Castro County. We have 580 cooperators (392,668 ac.) with conervation plans.

The Running Water SWCD in cooperation with the Soil Conservation Service accomplished the following goals during the 1987 fiscal year.

Irrigation Pipeline (feet).....	80,591 ft.
Waterways (acres).....	2 ac.
Pasture Planting.....	19,055 ac.
Range Seeding (acres).....	.96 ac.
Conservation Tillage (acres).....	2,000 ac.
Field and Farmstead Windbreaks (acres).....	18 ac.
Terraces (feet).....	8,439 ft.

The Dimmitt Field Office worked 52 ACP referrals for irrigation pipelines and two tailwater pits; assisted in two CPR signups and have written 114 CRP contracts for 34,993.4 acres; assisted the Running Water SWCD with their annual windbreak tree program which sold approximately 5000 windbreak trees; assisted with the annual Irrigation Field Day which had 56 people attending; and the booth at the County Harvest Days Fair.

*Training is Important*

**EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE**  
 The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.  
 Coleman Adv.

The proper training of the young is one of the most important tasks in all the world.  
 Even the animals know this. The mother collie devotes patient hours to the training of her puppies. She will help them learn to walk and run; teach them when to bark and what to eat; warn them of possible dangers and show them whom to trust. Instinctively, she knows that it is her responsibility to provide for their safety and welfare by providing them with proper training.  
 The same thing is true in even larger measure of human parents. We know that, for their safety and welfare in life, it is important that our children receive the finest training possible — and that we are responsible for helping to provide such training.  
 A part of the basic training of our children is, of course, moral and spiritual training. A good part of such training must come in the home and family — but we are fortunate in having in our community so many churches, all of which specialize in moral and spiritual training, especially for the young. Wise parents see to it that their children take advantage of this special training which is available and so important for human lives.  
 Why not take your children — the whole family — to Sunday School and church this week? You will all be helped by the spiritual training you will receive.  
 "Train up a child in the way he should go; and when he is old, he will not depart from it."  
 (Proverbs 22:6)

# Prop. 19 could draw SSC to Texas

A statewide, bi-partisan campaign spearheaded by many of the state's top political and business leaders aims to bring the federal government's proposed \$4.4 billion Superconducting Super Collider to a site in Texas.

"At stake for Texas," said Houston businessman Jack Blanton, chairman of the campaign, "are literally tens of thousands of jobs and billions of dollars in economic activity."

The campaign will be funded with private donations solicited by

## Girl Scouts seek leaders

The local chapter of the Girl Scouts is urgently in need of leaders. Anyone 18 years or older who is interested in working with girls can be a Girl Scout Leader.

There will be a Leaders Training Meeting Thursday at 7 p.m. at the First Christian Church.

Anyone interested in becoming a Girl Scout Leader may contact Sharon Kinser at 647-3491.

the "Yes on Prop. 19 Committee."

Proposition 19 authorizes the state to issue \$500 million in general obligation bonds to help prepare the site for the Super Collider, only if Texas is chosen for the project. The bonds will pay for roads, land, utilities, buildings, other site improvements and some research.

Texas is competing with 24 other states for the science center. The President will make the final decision late next year.

Building the massive federal research facility will create more than 4,500 construction jobs. Upon completion, the research center will employ 2,500 scientists and support personnel. Some 5,600 jobs will be created at vendors and suppliers to the SSC. An additional 14,000 jobs in services and retail trade will be created by economic growth spurred by the facility.

"We not only want the tremendous economic boost this will give Texas," said Blanton, "we're going after the enormous prestige Texas will gain by becoming a world center for basic research, high technology and educational excellence."

The Super Collider is expected

to spur long-term growth by attracting high-tech industries to the region, and will give a huge boost to college and university research efforts.

For every \$1 Texas invests in the project, the federal government will spend \$12, Blanton says. One study estimated \$20 billion will be pumped into the state's economy over the program's life.

The Texas Congressional delegation, top statewide elected officials, and leaders from throughout the state have united behind the effort to win the Super Collider for Texas.

The "Yes on Prop. 19" campaign plans to announce soon the formation of a blue-ribbon committee of more than 100 prominent Texas leaders backing the effort, said Blanton.

"It's a totally bi-partisan effort," he said.

The campaign plans to spend \$804,000 on television commercials and other campaign activity.

Jack Blanton, Chairman of the University of Texas Board of Regents and Chairman of the Board of Scurlock Oil Company, is chairman of the Prop. 19 Campaign.

## PMHA to award doll house, clock

Eight members of Plains Memorial Hospital Auxiliary went to their District meeting Monday in Amarillo and heard reports on Auxiliary groups around the district.

The Hospital Auxiliaries' theme for 1987-88 is "The art of living through service."

PMHA will be giving away a wall clock and a doll house at their Annual Christmas Bazaar Nov. 13 at the Castro County Expo Building.

The clock is on display at the First State Bank and chances on the clock may be purchased there for

\$2 or three for \$5.

The doll house is on display at Tots and Teens and chances on the doll house may be purchased there for \$2 or three for \$5.

Chances on the two items may also be purchased from any PMHA member.

## Seniors should apply now for TEA

Top Texas high school seniors are eligible for \$16,000, four-year Texas Excellence Awards for Scholarship and Leadership sponsored by the Ex-Students' Association of The University of Texas at Austin.

In addition to the top awards, \$8000, four-year Awards of Distinction and \$1000, one-year Awards of Recognition will be awarded to other finalists.

Applicants must be in the top five percent of their class and demonstrate leadership ability in the classroom and/or extracurricular

activities. Applications for the Texas Excellence Awards will be available from high school counselors by mid-September with a November 1 application deadline.

More than 1400 high school seniors made application last year, and during the six year history of the Texas Excellence Awards, more than 7500 Texas students have applied for the annual scholarships. For additional information, contact The Ex-Students' Association, P. O. Box 7278, Austin, TX 78713, or call (512)471-3822.

## DHS Band pecan sale

The Dimmitt High School Bobcat Band will be taking orders for Del Cerro Pecans (from New Mexico) from now to Oct. 8.

The price is lower this year at \$4.25 a bag, or \$51 for a case of 12. Pecans will be delivered the last week of October, in time for holiday baking.

Pecans can be ordered from any band member, or by calling Todd Parker at Dimmitt High School from 9:30 - 10 a.m. weekdays.

## Sunnyside

By Teeny Bowden 647-5703

Billie and Emma Jean King attended the funeral services of her cousin by marriage, Orvil Preston of Hart, in the First Baptist Church of Hart Thursday afternoon. He passed away Wednesday after a long illness from heart problems.

Robin Fortenberry of Hereford, grandfather of Stephanie Sanders, was admitted to High Plains Baptist Hospital in Amarillo Thursday after suffering a heart attack. Stephanie went up Friday to be with the family while he underwent a heart cath. He was in CCU until Saturday when he was moved to a private room.

Jo Eddy Riley went with her mother, Mrs. Ira Scott of Hereford to Amarillo Thursday for eye surgery in High Plains Baptist Hospital. She spent Thursday night with her and brought her home Friday.

Lee and Louise Bradley took Jack to Lubbock Monday for surgery on both big toes to remove ingrowing toenails. It required several stitches and has been quite painful. He has had to go back two or three times. He will be out of school for awhile because he cannot wear shoes and has difficulty walking. Jack, Sharon and Justin are attending school in Lazbuddie this year since the Muleshoe Christian School merged with the Lazbuddie Christian school.

.40 of an inch of rain was recorded for Monday morning, but the John B. Lilleys had an even inch. .45 of an inch of rain was recorded

for Thursday night. .40 of an inch was recorded for Sunday night with some small hail. This brings our total for September to 4.60 and 15.70 for the year.

Bro. Bentley Gwyn started a four part devotional emphasis on the U. S. Constitution Wednesday night at the church supper which was a pot luck affair. The emphasis will continue for three more Wednesday nights.

Ezell and Verba Sadler attended the fiddler association music in Clovis Monday night. Embree Roy and Willie Mae Sadler went with them to the Gospel music at Pappy Thornton's in Clovis Tuesday night. Ezell and Verba also attended the blue grass music in Farwell Thursday night.

Cinnamon Cox won an Area Young Farmers Scholarship recently. It was presented to her in Lubbock over the Labor Day weekend while Brandon attended the Cox reunion in Wyoming with Lynn and Sharon and other relatives from Dimmitt.

Bro. Bentley Gwyn attended the Castro County Ministerial Alliance in Dimmitt Tuesday.

Gregg George of Tech and Lillian Carson spent Friday night with Lee and Louise Bradley, Sharon, Jack and Justin to help Gregg celebrate his birthday.

Billie and Emma Jean King visited in Jal with Betty and Bob Sutton, Brandy, Brien and Bret, Margaret and Otus Williams in

Eunice, and Jimmy King in Hobbs Friday through Saturday.

Ezell and Verba Sadler left Friday for Abilene to attend the Caps reunion Saturday and Sunday. They will visit with Hollis and Marcie Lee Buchanan until Wednesday and then move their trailer house to Buffalo Gap Park Thursday in order to get a good hoop-up for the Caps Blue Grass Festival Friday, Saturday and Sunday. It was Aunt Ida Lillian Weaver they visited recently instead of Eva Lee Buchanan as reported. Mrs. Buchanan is deceased.

The kidney doctor moved L. B. Bowden's blood flow rate from 250 to 300 Wednesday to get a better clearance which will in turn improve his blood chemistry. They have tried it at the dialysis center for several months, and have now let most of the patients dialyze three hours instead of four on a 400 blood flow rate. In fact L. B. was dialyzing all the month of July on 400, but they use a different set-up so at home he will still have to dialyze for four hours. We used 275 Thursday and Saturday and will use 275 Monday and then 300 if he adjusts to the rate increase.

Ricky and Pansy Byers and Brannon and Bro. Bentley and Kathy Gwyn and Holly went to the Springlake - Earth Jr. High game with Sudan at Springlake - Earth Thursday to see Brooke and Christi participate as cheerleaders. They also won the game.

## ICC Happenings

There will be brief talks on Scouting at all CCD sessions on Wednesday, Sept. 23. Thursday - Monthly Charismatic Healing Mass at 8 p.m. Baptism class for parents and sponsors at the Rectory on Friday at 9:15 p.m., Sept. 25. The sacramental celebration will take place on Saturday, Sept. 26 after the 5 p.m. Mass.

The Diocesan Renew "kick-off" celebration will take place at the St. Laurence Cathedral, Amarillo at 4 p.m., Sunday, Sept. 27. Parishoners are urged to attend this function. Oct. 3 - 4 will be our parochial

Renew Prayer Commitment Weekend. We thank Joe and Frances Ortega, Emilio and Cuca Nino, Charles and Rena Richard and Paul and Ortensia Garcia for donating 200 copies of the New Testament for distribution during the Renew.

Special thanks to the adult sponsors at Saturday's Youth Dance. They were Manuel and Connie Martinez, Pete Fuentes, Jerry Casares, Juan and Corina Montalvo, Chevo and Mary Lou Lumbrera, and Francis Anes.

## Museum group to meet tonight

The regular monthly museum meeting will be held Thursday at 7:30 p.m. at the Castro County Museum.

## Obituaries

### Christine Braddock

Services for Christine Braddock, 81, of Nazareth are pending with Wallace Funeral Home of Tulia.

She died at 3 p.m. Tuesday in her home. Justice of the Peace Marshall Young ruled natural causes in the death.

Miss Braddock was born in Morganfield, Ky. She worked as a dietician for Drexel University in Philadelphia, Pa., until retiring in 1972. She was a member of Holy Family Catholic Church, Catholic Daughters and Castro County Senior Citizens.

Survivors include a sister, Lucille Schacher of Nazareth; and a brother, Vincent of Nazareth.

### Orvil D. Preston

Services for Orvil D. Preston, 59, of Hart, were held last Thursday afternoon in the First Baptist Church at Hart with Rev. Allie Balko, pastor, officiating. Burial was in Rose Hill Cemetery under the direction of Wallace Funeral Home of Tulia.

Mr. Preston died Wednesday.

He was born at McLean. He married LaVern Jobe in 1954 at Littlefield. He moved to Hart in 1953 from Littlefield. He was a veteran of the Korean War. He worked for Castro County. He was a Baptist.

Survivors include his wife; and two sons, Leslie and Kelly, both of Hart.

### County youth place at fair

Members of the Castro County 4-H and the Dimmitt FFA placed in the steer show at the Tri-State Fair in Amarillo.

Kay Lynn Gleghorn of the Dimmitt FFA finished first in the Class One and Class Exotic and Exotic Crosses category.

Moriah Olson of the Castro County 4-H captured sixth place in Class Three Junior Steer Show.

In the Class One Exotic and Exotic Crosses show, Sy Olson, Castro County 4-H, finished fifth; Sherilynn Hunter, Dimmitt FFA, eighth place; and Moriah Olson, tenth place.

In Class Two Exotic and Exotic Crosses, Justin Gleghorn of the Castro County 4-H finished third.

## Teams face tough foes

(Continued from Page 11)

### Kress at Hart

An injury-ridden Hart football squad will host the Kress Kangaroos for its Homecoming game Friday night at Hart and Hart Head Coach Mark Stroebel feels "the game will be a good one."

The two teams, both 1-2 on the year, will kick off the game at 8 p.m.

"They are improved from last year. They run a wing T on offense and they don't do anything really special," Stroebel said. "They've got a super quarterback and a good fullback."

Stroebel said the game should be a good learning experience for the younger players on the squad because they will get a lot of playing time because of the injuries to several two-way starters.

"We're in a world of hurt right now," Stroebel said. "We're having to move JV kids up and they're having to play a lot."

Hart is expected to be without the services of starters Rey Velasquez, back injury; Hector Galvan, knee injury; Steven Reyna, neck

NAZARETH'S CORY HOELTING (11) picks off a Sudan pass thrown by quarterback Eddy Boyles with 1:46 left in first quarter action Friday night at Sudan. Hoelting also recovered a fumble in the contest. Nazareth upset the state-ranked Hornets 34-14.

### Local store to hold contest

Coleman Health Mart Pharmacy in Dimmitt, along with other Health Mart stores in the nation, is sponsoring "HealthMart, HealthSmart," a drug awareness contest for school-age children.

Participants are invited to submit drawings, posters, essays or short-stories on the topic of drug abuse.

Entries will be judged by a panel of prominent Dimmitt citizens who will award a total of nine prizes to the local winners.

First place winners will also be eligible to compete in the national contests for color television sets, personal computers and three grand prize trips to Washington, D.C.

"The purpose of the HealthSmart contest is to get our children thinking about the ways they can be an influence for the responsible use of drugs," said Garland Coleman, owner of the local store.

First, second and third place prizes will be awarded in three age-groups.

The youngest group will be first through third grade and they may enter drawings that artistically represent a responsible approach to drugs.

Children in fourth through sixth grade are asked to create posters dealing with the dangers or improper use of drugs.

Student in junior high and high school through the tenth grade will compete by writing essays or short-stories expressing ways they can personally act as an influence against drug abuse.

injury; Alonzo Sarabia, knee injury; Cody Myrick, illness; and Jeff Hunsaker, illness. Ben Montiel suffered a deep bruise in the lower leg, but Stroebel said he won't be out for long. He should be ready to play Friday night.

Pedro Carrasco, who suffered a concussion last week against Muleshoe, is also expected to play Friday night.

**FREE COKE WITH FILL-UP!**

402 N. Broadway, Dimmitt

## Police Calls

City police are currently investigating a rash of burglaries which occurred in Dimmitt during August and September.

Stolen items include an AM/FM Cassette deck stolen from a vehicle at Autos Unlimited, cash from Farr Better Feeds-Progressive of Hereford, cash from a residence in northwest Dimmitt, a CB radio from a grain truck which was parked at C & S Battery and Equipment, and a stereo, speaker, and portable black and white TV from a trailer parked at C & S Battery and Equipment.

Police have a suspect, but no charges have been filed at this time.

Jose Ramirez, 26, of Hart is currently serving 30 days in the Castro County Jail on a charge

of indecency with a child. Ramirez was sentenced to probation in addition to the 30 day term.

There were four arrests for driving while intoxicated made

last week and two for public intoxication. A 23-year-old Dimmitt man was arrested for running a stop sign, having no drivers' license and no insurance.
