Maybe it has happened before, but it was news to me. I mean the news about Coyotes raiding watermelon patches and eating their fill of the luscious fruit. H. C. Nelson told me, and I heard that Marvin Axe was having the same trouble, that coyotes were eating up his melons. It just could be that since farmers have got out of the chicken business coyotes had no place to turn but to the vegetable patches. This is the age of change, so why not believe that we are making vegetarians of the carnivorous coyote.

The Retail Merchants Committee of the Chamber of Commerce held another meeting Tuesday night to make plans for the community Christmas program. All details of the program have not as yet been worked out, but the overall plans are the most ambitious ever conceived for the holiday season. I predict that this will be the biggest shopping season ever witnessed in Dimmitt, and the most enjoyable for tradespeople of the community. The chore of detail planning has gone into the hands of subcommittees and there is no doubt that every effort will be made to make your Christmas shopping in Dimmitt exciting and convenient throughout the holiday season.

Beginning next week the News will be printed by the offset process. Ours has been a letterpress operation in the past, but technology changes things and I refuse to be unchangeable so we will use the newer method of printing along with the vast number of other papers that have, and are, pioneering the new process. We will continue with the hot metal process, that is our linecasting machines will continue in operation, and practically all of the other composition will be handled as it has in the past. The only change will be in the actual printing of the paper. All of the skill and craftsmanship developed through the years in letterpress printing will still be reflected in the format of the News. In this program we feel that we will be giving News readers and advertisers the benefit of the best features of both of the printing processes.

Crops were never better. Favorable weather holds on and all predictions are of a favorable nature. The astronauts continue to orbit far above the earth and the world is all AOK. Go, their only problem seems to be that "Southwestern Public Service failed to supply enough electricity for the trip, like the White House, however, they have turned off some lights and will make do with the juice that is available. Oh, yes, school will start Monday and there will probably be some problems in that department, but nothing that Paul Hiburn can't handle. After all he should be as resourceful as an astronaut. From here it looks like the community is in good shape. Of course we still need some traffic signals and the courthouse square should be paved for downtown parking.

Hart Longhorns Start Practice

Nineteen Longhorns started football workouts Monday at Hart High School according to Coach Jeff Smart.

Other players making up the Hart Longhorn team include: Larry Henderson, sophomore, tackle; Paul Guzman, sophomore, guard; Tommy Gonzales, sophomore, halfback; Larry Parker, junior, end; and Gary Rambo, freshman, back.

Also Joe Quiroz, freshman, back; Richard Murray, freshman, end; Gary Cole, freshman, guard; Phil Davis, freshman, guard; and Jimmy Bohler, freshman, end.

THREE KILLED; TWO INJURED IN TRAGIC HIGHWAY MISHAP

CASTRO COUNTY FARMERS, friends and neighbors of the Lester Dowells, gathered to help Bryce Dowell plow and prepare 300 acres of his father's land for planting wheat. The good-will gesture is typical of the fine people who live in Castro County and love their neighbor. Twenty tractors were donated for the day as the farmers tackled the project. Helping were Travis Campbell, James Burn-

ham, Caroll Burnham, Jackie Clark, J. R. Matthews, Bill Summers, Melvin Summers, Edgar Dennis, Truman Touchstone, Judge Baldrige, Dale Winders, Rex Wooten, Donald Wright, Don Mobley, Bob Mooney, Tommy Stanton, Frank Coleman, Maurice Campbell, Maurice Powell and Jerry Watts. Von's Cafe furnished the dinner for the farmers Tuesday who helped the Dowells.

Tragedy struck in triple force last Thursday night as death claimed three Dimmitt people in a three-car collision one half mile south of here on Highway 385.

A triple funeral was held Saturday at 4 p.m. for Mr. and Mrs. Lester Dowell and Mrs. Jean Harris, victims of the three car accident. Services were held in the First Baptist Church with the Rev. Frank Pollard, pastor, officiating.

Interment was in Castro County Memorial Gardens under direction of Dennis Funeral Home for the Dowells. Mrs. Harris was buried in Weatherford Cemetery.

Survivors of the Dowells are two sons, Royce Dowell of Richardson and Bryce Dowell of Dimmitt; one daughter, Mrs. Jerri Brandes of House, N. M.; brothers, Rev. Bill Dowell of Floydada and Rev. Joe Dowell of Irving; sisters, Mrs. Avery Todd of Abilene, Mrs. Richard Greathouse of Brady; Mrs. L. V. Tomachy of Port Arthur; Mrs. Judy Connell of Sacramento, Calif.; Mrs. Eileen Tarver of Weatherford and Mrs. Jack Covington of Anchorage, Alaska; and four grandchildren.

Survivors for Mrs. Jean Harris include three stepdaughters, Mrs. R. O. Stephens of Santa Marie, Calif. Mrs. A. H. Anderson of Plains and Mrs. Glenn E. Hardin of Albuquerque, N. M.; stepson, CWO Murray Kenneth Harris of Norfolk, Virginia; and sisters, Mrs. Clyde Tarver of Weatherford, and Mrs. Judy Connell of Sacramento, Calif.

The Dowells were well-known residents of the county. He farmed three miles south of Dimmitt. They were dearly beloved members of the First Baptist Church here. He served as a deacon. She was an outstanding Sunday School teacher in the church. They had resided here for 40 years.

Mrs. Harris was living in a trailer house at the Dowells at the time of the tragedy.

The parents of Jerri Dowell were killed in the collision 2 1/2 hours after her wedding in the First Baptist Church. Her aunt, Mrs. Harris died enroute to Northwest Texas Hospital in Amarillo. The newlyweds were in Hereford when officials found them and notified them of the family tragedy.

The Dowells and Mrs. Harris were returning from the wedding of the Dowell's daughter, Jerri, to James Brandes of Plainview. They were driving south on U. S. 385 behind the car of Joe Otis Covington, Amarillo, a brother of Mrs. Dowell and Mrs. Harris.

The Dowell car started to pass the Covington vehicle, according to investigating officer, but then dropped back after the driver noted the oncoming Simpson car.

In attempting to return to the safety of the right lane, the patrolman said, the driver of the Dowell car apparently turned too quickly and the front of the Dowell vehicle collided with the rear of the Covington car.

This spun the Dowell car into the path of the Simpson car which hit the Dowell car on the right side. The accident occurred one half mile south of Dimmitt. It was raining at the time.

Seriously injured in the wreck was Benny Simpson, 12, son of Mr. and Mrs. Bill Simpson of the Jumbo Community. Benny was rushed to Northwest Texas Hospital where the removal of one eye was necessary due to serious cut and lacerations on the face. He also has a broken arm and leg. He is reported doing fine in the Amarillo hospital and has been removed from the critical list.

Betsy Simpson, 15, of Jumbo Community was driving the car which struck the Dowell car after the first collision. She was taken to Plains Memorial Hospital where she was released Tuesday in good condition.

TWO WERE KILLED in this car Thursday night in a three-car collision one half mile south of Dimmitt on Highway 385. Dead on arrival at Plains Memorial Hospital were Mr. and Mrs. Lester Dowell of Dimmitt. Mrs. Jean Harris, other passenger in the car, died enroute to Amarillo Hospital. See story for details. —Staff Photo

CRITICALLY INJURED last Thursday night was Bennie Simpson, passenger in this '63 Chevrolet. Also injured was Betsy Simpson. This car was one of three involved in a tragic accident one half mile south of Dimmitt on Highway 385. See story for details. —Staff Photo

James Welch Makes Trip To Washington

James Welch of Castro County made a recent Washington Flyer Trip through the support of Farmers Union to discuss pending farm bill. Also making the trip were W. T. Burdett of Hall County and Jack Anderson of Hale County.

While in Washington, the men visited with Congressman Walter Rogers and George Mahon about the then pending farm bill. According to Welch, they discussed at length the probable effect of the farm bill on the economy of this area. The group also visited with several other Texas Congressmen and discussed the effect of the bill on Texas farmers.

Welch states, "It is our opinion that the wheat section of the bill is some improvement over the present program. We are well pleased with the feed grain section of the bill. We have some reservations about the cotton section."

He continued, "We are concerned about the open end part of the bill which allows unlimited planting. This could add to the surplus of cotton which would further depress the world price in future years. We were not given much encouragement about the possibility of amending the cotton bill in the House."

Welch says, "We were unable to visit with Senator Yarborough, as he was in El Paso at the time. We visited with his assistant, Tom Janacke and expressed to him our thinking pertaining to the farm bill."

Welch continued, "We feel there may be some chance of amending the bill in the Senate. We certainly had a good trip and it gave us the opportunity to discuss at considerable length some of the problems of agriculture with our representatives."

Welch concludes his views on the recent trip, "Even though we have some reservations about the cotton section of the bill we feel it would be a much better bill than if we have to revert back to the 1958 Agriculture act."

MRS. WILLIAM STEVEN HUTTON
nee Linda Ann McColum

Candlelight Vows Exchanged Monday By Linda McColum And Steve Hutton

Linda Ann McColum and William Steven Hutton exchanged vows in a double ring ceremony Monday, August 23 at Dennis Memorial Chapel, Dimmitt.

The vows were read by Harold McColum, bride's father. Chapel decorations featured two candelabras accented with yellow gladioli and greenery and a background of white satin and greenery.

Parents of the bride are Mr. and Mrs. Harold D. McColum, 701 W. Halsell. Parents of the groom are Mr. and Mrs. Cecil Hutton, 1101 W. Bedford.

Mrs. Dale Winders played traditional wedding music at the organ and accompanied Mrs. Truman Touchstone who sang "I Love Thee" and "As We Are Today." Escorted by her uncle, Bill Hilton

and given in marriage by her father, the bride wore a floor length gown of white silk organza and imported Swiss embroidered lace. The bodice was styled with a Sabrina neckline and short sleeves with series of tucking and Swiss embroidery on the sleeves and bodice. The sheath skirt formed a modified bell line and from the kneeline was executed a series of tucking and rows of imported Swiss lace medallions. The detachable train fell from a large bow fastened to the back of a high raised waistline. The fingertip veil of imported French illusion was accented with a cluster of roses and orange blossoms. The bride wore a single strand of pearls, a wedding gift from the groom and she carried a bouquet composed of a large orchid surrounded by stephanotis.

The bride carried out the traditional saying: something old, her grandmother's wedding ring; something new, a strand of pearls, gift of the groom; something borrowed, pearl earrings of her sister's; something blue, blue garter; and a penny in her shoe, old penny.

Mrs. Sandra Montgomery of Wolfe City, sister of the bride, served as matron of honor. Sue Chaney of Dimmitt was bridesmaid. Flower girl was Lou Ann Autry, cousin of the groom, of Rocky Ford, Colorado.

The matron of honor and bridesmaid wore street length dresses fashioned of yellow satin with silk organza embroidered in yellow overskirts. They wore drop necklaces and headpieces composed of a large yellow organza bow and a short veil of tulle. They carried bouquets of daisies. The flower girl's dress was made similar to the attendants' dresses, and she carried a basket of daisy petals.

Janice Baldrige of Dimmitt, cousin of the groom, registered the guests. Rommie Hutton of Dimmitt, brother of the groom, served as best man.

Groomsman was Dickie Dyer of Dimmitt. Ushers were Don Minchew and Paul Easterwood, both of Dimmitt.

Ring bearer was Tommy Hogue of Dimmitt, cousin of the groom. Candelighters were Mike Hutton of

Dimmitt, brother of groom and Bobby Hilton of Abilene, cousin of the bride.

The bride's mother wore a blue silk suit and white accessories. The groom's mother wore a beige dress and beige and black accessories.

Following the ceremony, a reception was held in the home of Mr. and Mrs. William Baldrige. Receiving the guests were the bride and groom, their parents, and the honor attendants. Traditional wedding cake and punch were served from a table deco-

rated with a white lace tablecloth over yellow satin and the bouquets of the bride and her attendants. Crystal and silver appointments were used.

Following a trip to Red River, New Mexico, the couple will be home

at Canyon after Monday, August 30. For going away, the bride wore an orchid corsage taken from her bridal bouquet.

Mrs. Hutton is a 1965 graduate of Dimmitt High School. She attended Abilene Christian College for six

weeks this summer. She will enroll at West Texas State University this fall.

Mr. Hutton is a 1965 graduate of Dimmitt High School. He will enroll in West Texas State University this September as a freshman.

A multiplicity of courtesies have been extended the A. J. Kemp family before their departure today for Fort Worth where he has been appointed vice-president and general manager of Texas Livestock Marketing Association and the National Finance Credit Corporation of Texas.

Another week without a fire call. The truck did go out west of town where an anhydrous ammonia rig had turned over. The ammonia was escaping through a valve that was broken off. The Fire Department stood by until all the ammonia was out of the tank.

We have taken the GMC fire truck out of action for repair on the tank and water pump. We plan to use the GMC truck for country and city fires. The new truck will not leave the city limits, unless we have to take it to a neighboring town to help them fight a major fire.

The Fire Department will sponsor a dance at Nazareth Community Hall Saturday night, September 18. We plan to give away a transistor radio that you do not have to be present to win. Another radio will be given away as a door prize at the dance.

Tiny Lynn is going to play for the dance. He has real good western music. Come and enjoy yourself.

Several of the firemen and their families enjoyed a picnic and boating at Buffalo Lake, Sunday, August 22.

Practice for tonight will be use of equipment on the new truck.

Grain Sorghum Chat

by Wes Anthony
If the Senate passes the emergency feed bill as the House of Representatives has already passed, it will be substantially the same as we now have with some minor changes. Our GSPA officials asked for eight changes in the law and six of them were on the bill.

The bill as passed by the House is a four year program. GSPA officials worked with local elevators, grain exchanges, national and international traders to formulate a program in a business way instead of each one presenting their effort to work against the bill as far as feed grains were concerned. In its present form the bill could boost the average yield in our local territory as much as six to eight hundred lbs. per acre.

So your husband is a big gun in industry? Yes, he has been fired eight times.

KIDS MAKE HAPPY BIRTHDAY

Dear Blabby: We want to get our Mommy something really nice for her birthday. We've saved up over a hundred dollars, and now we'd like to show her how much we appreciate all she does for us. However, we can't think of anything we're sure she'd like. Can you help us out?—MOMMY'S FOUR

DEAR FOUR: I'm really flattered that you ask me for a birthday idea for your mother, but I'm out of ideas myself. But right in Dimmitt you can get honest guidance and lots of ideas. Go down to ALLENS HOME FURNISHINGS and explain your problem to Mr. Larry Allen. He'll know what to suggest from their full selection of furniture and home appliances. You'll get something to make your mother's life easier and pleasanter, and their low prices will stretch your money. Wish Mother A "Happy Birthday" from me.—BLABBY.

An investment in Your Future ...ATTEND CHURCH! WORLDWIDE INTEREST

Many good organizations are working with our youngsters, developing an interest in other lands and the ones who dwell there. The church through God's word also teaches us about our neighbors and what our attitude should be toward them. *The earth is the Lord's and the fulness thereof; the world, and they that dwell therein.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Carlie Smith And Don E. Warren Exchange Wedding Vows Recently

The marriage of Miss Carlie Smith of Hereford daughter of Mr. and Mrs. Al Smith, and Don E. Warren of Dimmitt was solemnized Friday in a home wedding of beautiful simplicity. The Rev. Russel Wingert, pastor of the Presbyterian Church read the ceremony in the Smith home 501 Star.

The bride was dressed in a white lace blouse over a black skirt with a sash the color of the yellow rosebuds which she carried on a lace-covered Bible. The maid of honor wore a turquoise silk sheath and her corsage was of the yellow roses.

For a reception after the ceremony the dining table was centered with mums and carnations lighted by yellow tapers. The wedding cake was placed at one end, a crystal

punch service at the other. Mrs. Warren changed to a blue suit for travel, pinning her wedding corsage at the shoulder. The couple went to the New Mexico mountains for a few days. They reside at 409 West Jones, Dimmitt.

"Many of its provisions are extremely controversial and will be subject to heated debate."

The Bates Give A Farewell To Here

William Shakespeare summed up our feelings pretty well when he penned "parting is such sweet sorrow." For as all of you well know, Laverne and the girls and I are moving to make our home in California.

As we bid you farewell, we take with us many fond memories. All of a sudden our life here passes before us and we see the friendly familiar faces that we shall remember always. Your love and concern for us will but serve to tide us over until we meet again.

Boys Ranch Plans Big Barbecue And Rodeo, Sept. 5-6

Texas-size barbecue beef sandwiches will be a feature attraction when the 21st annual Boys Ranch rodeo is held Sunday, September 5th and Monday, September 6th at Cal Farley's Boys Ranch.

The boys who are studying cooking as a vocation will barbecue beef from the Ranch's own herd and serve it western-style on a giant bun along with iced tea for \$1.00, including tax.

There are 236 youngsters, ranging in age from 4 to 18, from 32 states now making their home at Boys Ranch and each will have a part in the famous rodeo which is the only one of its kind in the nation.

The older boys will compete for honors on professional rodeo stock and others will ride calves or work in the behind-the-scenes activities necessary to a successful rodeo. The Ranch is located 36 miles northwest of Amarillo on Ranch Road 1061, and 22 miles north of Vega on Highway 385.

Cattlemen Increase Cattle On Feed

Recent reports show that United States cattlemen have substantially increased numbers of cattle on feed.

Ed Uvacek, livestock marketing specialist and assistant professor in the Texas A & M University Agricultural Economics and Sociology Department, says the U. S. total on July 1 was 7,531,000 head and 354,000 head in Texas.

This is a 19 percent rise above year earlier levels in Texas. The north central states are up 5 percent, and the 32 cattle-state total is higher by 9 percent.

Uvacek noted a heavier national concentration of cattle on feed in the 500 to 990-pound categories this year. Indications are for slightly later marketings from feedlots.

A time-on-feed breakdown shows considerable more lighter animals this quarter in the nation. This, Uvacek added, will probably result in increased marketings for the October-December quarter.

Marketing intentions in Texas from

July 1 to Sept. 30 are reported to be 260,000 head, or about 25 percent more compared to the same period a year ago.

"Our best estimate would indicate that this figure is somewhat over-estimated and that only about 220,000 head will be marketed during that quarter, with the bulk coming lat-

er," the specialist said. "Indications are that about 265,000 head, or 31 percent more cattle, however, will be marketed from Texas feedlots in the last quarter of this year."

The Patent Office has a library of three million domestic and seven million foreign patents.

Linda Howell And Ray Smith Exchange Wedding Vows In Double Ring Ceremony

Miss Linda Carole Howell, Dimmitt, daughter of Mr. and Mrs. Moss Howell of Dimmitt and Lyndon Ray Smith of Dimmitt, son of Mr. and Mrs. M. D. Smith of Levelland exchanged vows Saturday, August 14 at 7:30 p.m.

The Rev. Johnny Burnett read the double ring ceremony in the First Baptist Church of Dimmitt. The couple stood before an altar of candles and palm branches during the ceremony. Pews were marked with white satin bows. Baskets of white gladioli flanked the candelabras.

Miss Darla Howell of Friona served as organist and accompanied Miss LaTrelle Hoyer of Dimmitt as she sang "Whither Thou Goest", "With This Ring", and "The Wedding Prayer." Other traditional wedding selections were played.

Mrs. Bill Samuelson of Emporia, Kansas, sister of the bride, served as matron of honor. Mrs. Melvin Stovall of Tulia, a sister of the bride, and Ramona Bauer were bridesmaids.

Attendants wore light pink street-length dresses and each carried a white gladioli accented with pink streamers.

Dana Howell of Stratford, niece of the bride, was flower girl and Paul Smith of Levelland, nephew of the groom, served as ring bearer. Key-

in Howell of Friona, nephew of the bride and Scooter Smith of Levelland nephew of the groom, were candle-lighters.

Richard Smith of Levelland brother of the groom, served as best man. Jerry Gilmer of Levelland and Cliff Cummins of Canyon were groomsmen. Ushers were John Howell and Dennis Howell, brother and nephew of the bride, respectively.

The bride, given in marriage by her father, was attired in a full-length gown of rose-point and lace and French tulle over white satin. Large scalloped ruffles covered the entire skirt and swept to a point in the back which fell as a chapel train of rosepoint lace. The fitted bodice was fashioned with a scalloped neckline and long fitted sleeves tapering to petal points at the wrists. Her fingertip veil of silk tulle was trimmed with teardrop pearls and a rose point lace border to match the wedding gown. It fell from a crown inlaid with pearls and sequins. The bridal bouquet was a corsage of pink rosebuds surrounded by stephanotis and white ribbon streamers atop a white Bible. The bride wore a necklace, a gift from the groom and a pin belonging to her grandmother.

The groom's mother wore a white knit dress with pink accessories and a pink carnation corsage.

The reception which followed was held in Fellowship Hall. The bride's table was covered with a white net cloth over pink. Pink satin bows centerpiece of pink candles and the bride's bouquet, accenting the wedding cake, completed the table decorations.

Mrs. Oran Howell and Mrs. Herbert Howell, sisters-in-law of the bride, and Mrs. Richard Smith, sister-in-law of the groom, presided at the refreshment table. Mrs. Jack Howell, sister-in-law of the bride, assisted at the guest register.

H-D NOTES

By Rebecca A. Gaddis County Home Demonstration Agent

On Monday, August 16, at 8:00 p.m. in the County Extension Office, the Youth Fair Committee met. Members present were Mr. Bill Simpson, chairman, Mrs. John Womack, Mr. David Acker, Dan Petty, and Carolyn Simpson.

Rules, regulations, and a list of products for entry were adopted. All active 4-H, FHA, and FFA members are eligible to participate.

Nature's Toothbrushes - the carrots, oranges, tangerines, apples celery, grapefruit, pears - work three ways. (1) They sweep the teeth and gums free of food particles. (2) They provide some of the substances needed for teeth to grow and stay healthy (3) At the same time, these foods help keep the body at a proper weight because they are not excessive in calories.

Here's a 4-step program for cleaning kitchen cabinets: 1. Take everything out, unscramble, then organize foods according to type. 2. While cabinets are empty, dust them thoroughly and wash. Dry shelves and line with washable shelf paper. 3. Store like foods on one shelf and label contents of each shelf by writing food-type on transparent tape. 4. Enlist family support for your own "read-the-babel" program.

If you plan to freeze a cake, be sure you use pure vanilla. The U. S. Department of Agriculture says synthetic vanilla may give an off-flavor to frozen cakes.

Young homemakers with small sons who dread the daily bath routine may gain some insight from this information.

When little boys object to taking baths, they may be simply reverting to a throwback status of their ancestors.

Bathing was considered a harmful practice by many ancient peoples. In the Middle Ages, one bath in a lifetime was as far as anyone would go. By the time of Shakespeare, however, people were getting brave enough to try it more often. The Queen of England, Elizabeth the 1st, set a royal example for cleanliness.

Even as late as Grandpa's day, bath night came on once a week. Happily enough, the 20th century introduced the concept of the daily

bath. Of course, bathing is much more pleasant today than it was in the old days. The Romans, for instance, cleaned themselves by rubbing their skins with iron scrapers.

Today, easy-to-lather soaps and soft cotton terry wash cloths are standard equipment. There's also plenty of hot water and a good supply of thick, absorbent cotton terry towels. The daily bath is both inexpensive and easily available.
